LITTLE LEAGUE TOURNAMENT ACTION -- Slaton's Little League All-Stars are in the field in this view of tournament play Monday at Lubbock. Delivering a pitch is Barry Copeland, who turned in a fine game against Midwest Little League, but Slaton's stars lost the contest 1-0, eliminating them from the playoffs. In the picture at right, Slaton's Ricky Burton heads for first base after getting one of Slaton's five hits during the game against Midwest.

## Tribute Is Paid To Slaton Water Dept. Official

The official State Health Department's certificate of competency for work proficiency has been awarded to James W. Powell of 154 S. 8th St., Slaton. Powell is assistant water superintendent for the city. "This certificate not only reflects the high regard in which James Powell is held by state water officials, but also shows his importance to his community and his efforts to better prepare himself for his public service duties," said a spokesman for Texas Water Utilities Assn.

A certificate holder must complete a formal education, a specialized education, accumulate a prescribed amount of actual work experience, and pass the examination given by State Health Department Sanitary Engineers in order to qualify for certification.

The citation, which is signed by the State Health Commissioner, is awarded only to those utility personnel who have successfully demonstrated their skill and knowledge in using the modern principles of plant management. The certificates are required by state laws for those supervising the production and distribution of water sold to the public and for the supervision of water pollution control facilities.

## Little League All-Stars Lose Out In Playoffs

CONTRIBUTION TO HOSPITAL FUND -- Mary Denzer, representing the Slaton 4-H Club's 17 members, presented a check for \$50 to T. J. Wallace for the Slaton Hospital Memorial Foundation. The young group raised the money by having a car wash, selling at the flea market, and various other projects. (SLATONITE PHOTO)

Slaton Little League All-Stars Monday bowed out of the playoffs in the first round of the district tournament at Lubbock as Midwest Little League All-Stars slipped by Slaton in an errorless ballgame 1-0.

Slaton stars played a top game, but the big bats which had boomed out hits so often during the area tournament here were for the most part silenced by the smooth left-handed pitching of Lubbock's Kelly Satterfield, who allowed five hits, but fanned 13 Slaton batters. He walked three men and hit one with a pitched ball.

Barry Copeland struck out 10 for Slaton and allowed only four hits in a superb effort. Midwest scored the only run of the game in the fifth inning when, with two outs, Gene Seagrast hit a single to score a man from third who had walked. Seagrast's hit was down the middle over second base, and Slaton shortstop Phil Bruedigam made a good try at the ball, but couldn't knock it down, although he did get a glove on it.

In the second inning and in the sixth inning Slaton loaded the bases, but couldn't score. In the second, Roddy Smith singled, Copeland walked, and Ricky Burton loaded the bases with a single after two other Slaton batters struck out. But the next batter also struck out to leave the three stranded.

In the fifth inning, pinchhitter Tim Bourn rapped a long double to center field and runner Brad Clark, on first with a walk, tried to score, but was out at the plate. Geron Stricklin singled in the sixth, Smith was hit by a pitched ball and Steve White walked, but the last batter struck out with the bases loaded.

Against Lamesa, Bruedigam and Stan White each pitched three innings, giving up seven hits. Slaton had nine hits, including a double by Bourn and a home run by Lonnie Ardrey. Lamesa scored all its runs in the third inning, including two three-run homers.

In the area tournament, Slaton's all-stars surely must have set some kind of offensive records as the team scored 57 runs in three games, against only 2 for the three opponents. Bruedigam hit four home runs during the tourney, and Steve White hit one.

In the first game of the tourney, Slaton walloped Wolforth 15-0 with Bruedigam pitching a no-hitter. In the semifinals, Slaton murdered Shallowater 23-2, with Shallowater's only runs coming in the last inning on an error, one of few committed by the Slaton team during the area event.

Barry Copeland whiffed 12 Shallowater batters and allowed just four hits in the second game, and also had two singles and a double. Bruedigam had two of his homers in that contest, and altogether Slaton managed 17 hits, with every player on the squad getting a hit in that game. Losing pitcher was Ricky Johnson, although the Slaton sluggers demolished all the other pitchers offered by Shallowater, as well as by Wolforth and Ralls.

After Ralls beat Crosbyton 6-1 to get into the finals, Slaton won the tournament easily by a whopping 19-0, as Stan White struck out eight and allowed three hits. Big Bruce had a homer, a double and two singles, and Steve White lofted a home run, also. Slaton had 15 hits in this contest.

North Lynn's all-stars lost to Wolforth 6-5 in consolation, as Wolforth scored all its runs in the bottom of the sixth.

## Board Approves Repair On Roof Of Wilson School

Wilson school board approved needed repairs on the roof of Wilson High School in action taken at the regular meeting of the board July 18.

In other action, the board approved hiring of Mrs. Glenna Martin as teacher and Mrs. Rose Wheeler as school nurse. Mrs. Martin's tentative assignment is to teach language arts in 7th and 8th grades and high school Spanish.

Board members also reviewed delinquent tax rolls, heard a report on the summer maintenance program, discussed finances and purchasing procedures for the school cafeteria and discussed the preliminary budget for the coming school year.

Payment of bills was approved, and the board approved sending three coaches to the annual coaching school in Houston.

## Shoplifting Cases Reported

Two shoplifting cases, wrecks, vandalism and thefts were reported to Slaton Police Dept. during the past week. The shopliftings were cleared by arrests.

On Saturday, the manager of TG&Y in Slaton reported he was holding two 15-year-old girls,

one from Slaton and one from Levelland, who he said had stolen three rings of total value of \$6.58. The girls were warned and released to their parents.

Two Negro males age 17 and 22 were charged with shoplifting in the office of the Lubbock County Attorney Tuesday after

they and a 16-year-old Negro girl were implicated in a shoplifting incident at Gift Gallery in Slaton. Officer Darrell Denny arrested the three subjects on Monday for liquor law violation, and then it was noted that their descriptions fit those given by the Gift Gallery, which had reported missing a jacket valued at \$33.50 and a blouse valued at \$15.00.

The jacket was recovered by investigating officers. It apparently had been sold. The girl also admitted taking two pair of women's undergarments from Anthony's in Slaton. She was referred to Lubbock County Juvenile Probation Office.

Norman Bruster, 910 S. 13th, reported loss of keys stolen from a cigar box in a pickup, and Phillip V. Lenario, Ropesville, reported theft of a billfold containing \$65 from a table in a home on S. 6th St., where he was visiting. Both incidents occurred Saturday.

C. L. Walton, 140 W. Powers, said someone threw a rock through the window of his trailer home about 9:55 p.m. Friday. The window was valued at \$15.

Collision of two vehicles at 8th and Garza Saturday resulted in total damage to both cars estimated at \$550. Involved were a 1972 car driven by Chesterfield Williams of Slaton and a 1967 auto driven by Marge Lamb Ray, 940 S. 12th St. On Friday, a 1971 auto driven by James Leroy Keck, 955 Division, and a 1972 car driven by Clark C. Self, 1050 W. Lubbock, collided at 17th and Division at 7:56 p.m. Total damage to both cars was estimated at \$650.

## 4th Of July Event Success

Slaton's annual Fourth of July Celebration barely broke even financially, Wayne Edwards, chairman of the festivities this year, reported this week, after all bills were paid.

Edwards said all sponsoring groups were pleased that the event did so well in the face of chilly weather. He expressed his personal appreciation to the organizations and individuals who helped raise funds for the event and pay for the fireworks.

Mr. and Mrs. Lee Limmer visited at their cabin at Kingsland during the past week. While there, their daughter and family, Mr. and Mrs. Billy Love and daughters, Vivian and LeAnne, of Amarillo, and Mrs. Limmer's sister and family, Mr. and Mrs. L. E. Hoffman, of

Fort Worth, visited them. Also visiting were Mr. and Mrs. James Kruse, and J. M. and Janet, of Fort Worth.

The group went together to San Antonio, Houston and Galveston, where they went deep sea fishing.

### Dance Planned By Auxiliary

The Ladies Auxiliary to the Veterans of Foreign Wars # 6721 met in regular session Monday night.

Out-of-town visitors included Past State President, Mrs. Fred Williams; Past State Patriotic Instructor, Sue Crowder, of Lubbock; Mrs. Cyrus Humphreys of Levelland, District #7 President; Mrs. Lorene Peach, President of Auxiliary #2466 Lubbock; and Mrs. Herman Edmiston of Levelland.

The Auxiliary voted to send a donation in the amount of \$25 to the Flood Stricken Area Relief of which four Auxiliary members donated.

The Post and Auxiliary will make their annual visit to the VA Hospital Aug. 24 according to Geraldine Mann, Hospital Chairman. Anyone wishing to donate old hose for the therapy department or pocket handbooks may contact Leona Lamb and leave them with her or call her and they will be picked up.

The Auxiliary will sponsor a dance Aug. 26 from 9:00 till 12:00 featuring the Western Band of L. C. Crow and the Commacheros. The dance will be open to the public at \$2.00 per person and all proceeds will go to the District #7 Cancer fund.

Next meeting will be Aug. 28 at 8 p.m.

### Couple Sets

### Wedding Date

Mr. and Mrs. George E. Baker of Lubbock announce the engagement of their daughter Miss Cynthia Mae Baker to Jimmy Kent Malone, son of Mr. and Mrs. T. J. Malone, Acuff. The couple plans to wed Aug. 11 in Memorial Baptist Church of Lubbock.

Miss Baker attended Oroville High School in Oroville, Calif. The prospective bridegroom is in the commercial scale business with his father in Lubbock.

### PERSONAL

Guest this week in the home of Mr. and Mrs. Leon C. Vaughn was their granddaughter Sharon Vaughn from Plainview.

### A Big Difference!

Early, bow-shaped harps with four strings weighed less than a pound, while today's 46-string concert harps weigh 80 pounds.

### Tiger Band Majorettes Receive 'Outstanding Squad' Award

Misses Kathie Price, Scharla Johnston and Debbie Milliken, majorettes for the Slaton Tiger Band, were named "outstanding squad" at the recently held "camp of champs" twirling camp at Temple Buell College at Denver, Colo. Sheree Perdue, another Tiger majorette, was unable to attend the camp because of illness.

As a team, the girls won blue ribbons for the clean room award, Spirit Baton, and hardest workers, and a plaque for being the outstanding squad.

Kathie Price received individual ribbons for most spirit and strutting. Scharla Johnston received a ribbon for strutting and a plaque for "most congenial".

### From Where I Stand

By Merle King

Descendents of the late MR. and MRS. JESSIE MOORE gathered for a reunion Saturday and Sunday in Bogata, Texas. Family members from the Slaton area who attended included MR. and MRS. HARVEY L. MOORE, MR. and MRS. ROBERT ED MOORE and TRACY, MR. and MRS. SAM MOORE and TAMMY and GERALD, HAROLD MOORE, MR. and MRS. WILLIAM BECKER, JR. AND DAVID, DENNIS and DARRELL, RUFUS MOORE and MRS. KENNETH MOORE and children. Also attending were GENE MOORE and JACKIE and CLAY of Post.

PAM HATCHER and JUDY RATTAN of Ft. Worth were houseguests of MISS MARY FRANCES BROWNING last week. Also visiting over the weekend were LYNN SKINNER of Houston, TOM TEMPLIN and DAVID STONE of Ft. Worth; MIKE HARENDT of Abilene and JIM HOFFMAN of Ft. Stockton. All the young guests are Texas Tech students. Miss Hatcher and Miss Browning are roommates.

MRS. J. A. ELLIOTT has returned home after a two week visit in Houston with her son-in-law and daughter, MR. and MRS. JOHN F. SCHIDE and grandson, ELLIOTT. Enroute home she stopped in Dallas for a visit with her sister-in-law, MRS. JOHN T. LOKEY. MR. and MRS. REX TOMLINSON and family have recently returned from a vacation outing to Junction, on the Llano River, to San Antonio and the Garner State Park. They visited former Slaton residents, MRS. BILLIE THORP and BRENDA, at Uvalde.

MRS. PATSY BARKER joined her brother-in-law and sister, MR. and MRS. RONNIE SALES, of Brownfield, for a ten day vacation. They planned to spend a couple of days at Morgan's Point on Lake Belton, four days at Lake Texoma and visit in Nocona before returning home.

MRS. B. W. WEST had as her weekend guests, her son-in-law and daughter, MR. and MRS. MELVIN WALL and CASEY of Amarillo. The Walls are former Slaton residents. Visitors last week in the R. R. (TED) GENTRY home were MR. and MRS. J. B. DARLAND of Blythe, Calif., and MRS. E. R. FINCHER of Morton. They all visited Friday with MR. and MRS. T. A. JOHNSON of Posey.

TRACY BARTLEY, daughter of MRS. MARGRET BARTLEY, was dismissed from Mercy Hospital Saturday after having undergone a tonsillectomy.

ROBERT G. ENDLUND traveled to Houston Friday for a weekend visit with HOBY CHAPPLE, a dental student. MR. and MRS. WORTH BRISCO of San Angelo have been visiting their son and his family, MR. and MRS. JAMES E. VICKERS, JR.

MR. and MRS. JOHN GRANTHAM, MR. and MRS. KEN CORNELIUS and MR. and MRS. BRAD DOHERTY were in College Station last week where the men attended Firemen's Training School at A & M College. ELBERT D. WALSTON accompanied the Dohertys and the three visited in Houston before returning home.

A trip to the Hawaiian Islands was a dream come true for MR. and MRS. JOHN F. RICHEY and son, JOHN WAYNE. Leaving Lubbock July 8th, they flew to Dallas where they boarded a 447 Braniff flight, non-stop to Hawaii. They cruised Pearl Harbor, Oahu Island, and visited Punchbowl Crater, a memorial cemetery, which Mrs. Richey said was "beautiful". They enjoyed a luau at Paradise Park and dinner at the Polynesian Cultural Center.

On the island of Kauai they were furnished a car and drove some 200 miles sightseeing, with special interest on the "Grand Canyon of the Pacific". It was on this island they saw the natives planting and harvesting pineapple and sugar cane.

A picnic on the beach at Maui was fun for the family and it was here they viewed the scenery from a helicopter and also sail boat.

They toured the largest ranch in the world on Hawaii, the Parker Ranch, which embraces 250,000 acres. Sightseeing included the orchid gardens and seeing an active volcano. They spent five days in Honolulu. Mrs. Richey describes their trip as "just wonderful--except for the food." She said the bread and meat dishes were

all sweet and it was satisfying to taste good old potatoes again! The family returned to Slaton July 20th.

MRS. B. W. JONES spent last week in Albuquerque, visiting her son and daughter-in-law, MR. and MRS. WESLEY JONES.

### TX-69 Tops Club

The TX 69 Tops Club met Thursday evening in regular session with leader, Donita Johnston presiding.

MRS. WILLIAM WAGNER  
JANET WILLIAMS

**William Wagner, Janet Williams  
Wed In Ceremony Here**

Miss Janet Denise Williams and William H. Wagner were married Friday in the First Baptist Church of Slaton at 8 o'clock p.m. The Rev. J. L. Cartrite officiated at the double ring ceremony. Parents of the couple are Mr. and Mrs. Carl H. Williams of Slaton and Mr. and Mrs. A. H. Wagner of Amarillo. Given in marriage by her

father, the bride wore a Juliet gown of white silken organza and jeweled peau d'auge lace. The moulded bodice of pearl centered Rose point lace featured a portrait neckline outlined in the pattern of the lace with brief baby pouf sleeves. Applied in beaded lace medallions, the modified bell skirt had fullness gathered to the back to form her chapel length train. The long chapel length veiling was caught to a garland of matching Peau d'auge lace flowers and petals highlighted in seed pearls. She carried a bouquet of cascading baby's breath and glennella bubbles underlaid with teke ribbon and blossoms tied in love knots.

The bride is a junior at Texas Tech University and will continue at Tulsa University. Wagner attended Texas Tech and is now area supervisor for Cory Coffee Service in Tulsa, Okla. The couple will make their home at 2723 East 6th Street, #3, Tulsa, Okla.

**FOOT NOTES**  
BY MARGRET BARTLEY

Three weeks from today! That's when Slaton's school starts. See, it's creeping up on you (and me). It's time to set the kids down and have them practice handwriting and multiplication tables. Occasionally (and only occasionally) I wonder if the year-round school might not be a good idea. The discussion I overheard concerned having a two week vacation between every six weeks period. This is designed to keep the studies fresher in the mind and not have to take six weeks in the fall to review what everyone forgot during the summer months.

there are always a million of them) will tear the house apart, where will everyone sit, eat, and possibly sleep, and the dishes to wash that seem to come from miles around. There is a lot more involved I'm sure, but I don't care to discuss them. (As long as the group meets at somebody else's house!)

Baseball tournaments are finishing up the league year. New teachers are moving in and old teachers are moving out and everyone is looking for a nice place to live. Kids are going to church camp, scout camp, band camp, twirling camp, cheerleading camp, and the list is endless. Is there a camp for tired parents?

It is also time for family reunions again. Sometimes it's a toss-up as to which is best, outdoors at the park or at a relative's home. I'm sure which is best for the homes involved. Outdoors we sometimes have problems with the bugs and the food, the wind or the rain, the mile to the bathroom, etc. Indoors, all you have to worry about is whether or not the kids (and

I understand that a STAR was born early this week as Mr. and Mrs. Bill Bohanan became the parents of a fine son. No doubt he will speak his first words "on the air".

If you are taking an end-of-the-summer trip or vacation, remember Texas' travelling motto this year, "Drive Friendly". You probably are very courteous to your friends and neighbors as you drive around in the community. Why not apply that same idea to the folks you meet on the road. And, instead of rush, rush, rush, so you will have more time to enjoy your vacation spot, why not slow down and enjoy the travel. You won't be able to live one minute of your life over again, so make the most of each one.

## New Home Ec Program Slated In Slaton Schools

A new program to help some economics students learn and earn at the same time is being offered this fall at Slaton High School, with Mrs. Peggy Raub as teacher-coordinator.

The Home Economics Co-operative Education program is designed to aid students in learning a vocation, and students will work a minimum of 15 hours each week with a supervising employer, along with the supervision of Mrs. Raub. The student will devote five hours a week in the classroom to study of her particular area of training.

Mrs. Raub recently completed a week's workshop on how to conduct the program. It was conducted by the Texas Education Agency on the campus of the University of Texas at Austin.

## Cindy Payton On All-Star Teams

Miss Cindy Payton of Lubbock Cooper High School recently participated in the All-Star Basketball game in Brownwood. It was held July 15 at the conclusion of the Texas High School Girls Coaches Association Clinic. She played as a guard on the North team. The North team was coached by Dean Wease of Spearman and Bob Schneider of Canyon.

The North was victorious over the South fens 71-48. Cindy was then chosen from these 32 All-Stars, along with 11 others to participate in the Texas-Oklahoma All-Star game played in the Hutchinson Physical Education Center on the Wayland Campus at Plainview July 22. Coaches for the All-Star Texans was Harley Redin, Plainview and Ron Butler, Ranger.

Miss Payton, daughter of Mr. and Mrs. Zack Payton of Rt. 6, Lubbock, averaged nine rebounds per game last season, and was named All District guard the past 2 years to finish out her high school career. She will be attending Texas Tech University in the fall.

Any student who is interested in the program can contact Mrs. Raub at 828-3222 (Slaton High School) or at her home, 792-3492. Those students enrolled in the program for the fall semester may contact Mrs. Raub to aid them in finding a job geared to their interests and abilities.

## Tomorrow's Housekeeping

By Samantha of Lestail Homemakers Service

Did you know that accidents are one of the major causes of death and disability in the United States? And the worst part is that 4,000,000 of the nearly 11,000,000 disabling accidents each year occur in the home, many times to young children!

Why not start thinking about the preventive safety measures you could take? If you have small children, start with this check list of some

ways to accident-proof your kitchen. You may have heard some of these rules before, but the statistics show they're too often ignored.

\*Always keep matches hidden; out of reach and out of sight. Remember, this includes small matchbooks, too. They're usually colorful and very attention getting.

\*Ditto knives and other sharp things.

\*Make sure all household chemicals, including laundry preparations and spray insecticides, are kept completely away from little hands. Store them on a high shelf. A locked cabinet is even better. This may turn out to be somewhat inconvenient for you but when you think about what might happen if... it's well worth the trouble.

\*Surprisingly, it's not fire that's the major cause of accidents in the home, but slips and falls! So double check the kitchen floor. If there's slippery wax build-up, you can easily remove it with a good, all-purpose heavy-duty cleaner like Lestoil.

\*Don't slip up on "spills" either. Always wipe them up as soon as they happen, especially greasy ones. Lestoil, with its natural grease dissolving ingredient, removes those hazards in a jiffy.

\*Avoid bumps and bruises by getting into the habit of keeping drawers, cabinet doors, anything that's "child high", closed. If your kitchen table or cabinets have sharp corners, pad them with thick tape.

\*And when you're cooking and there's a toddler around, make it a habit to always turn

## Roosevelt Teams Wind Up Season

Roosevelt baseball teams wound up the season with an overall record of 51 wins and 20 losses, with several of the teams nailing down titles during the season.

The Peanut leaguers were champions with a 6-0 mark, and were second in a three-county tournament. Peewees were 3-6 for third place, Minors with 8-1 and Majors with 5-2 were league champions. Both teams were first in the tri-county tourney.

Ponies were 7-2, second in the league and first in mid-season and tri-county tournaments. They were fourth in Texas Teen tournament. Texas Teens were 7-3, second in league and won the consolation title in the Roosevelt tournament.

Read Joel 2:23-32  
"In those days, I will pour out my spirit." (Joel 2:29, PSV)

We were a quiet people, an average congregation. People came and went from our midst, our corporate worship, our various gatherings. But something was lacking in our experiences together. Then one evening it happened. There were 15 of them, 10 adults and five youth who came to lead us. They were all lay people. They said, "God loves me. God loves you. And I love you." And our Lay Witness Mission began. The spirit of God was there; He poured out His spirit upon us. Feelings of loneliness, fear, hatred, jealousy, our joys and weaknesses were openly shared. God touched our lives. It was amazing! The promise of the prophet Joel, given some two thousand years ago, became real: "Whosoever shall call on the name of the Lord shall be delivered."

God is at work in His world still. I am a living witness to this truth. I praise God!  
PRAYER: O God, sometimes our hearts are so heavy. We are filled with loneliness, fear, hatred, self-pity. We feel so far away from You, God. But thank You for reminding us through Your witness Joel that in such days, in hard times as well as in good times, You still pour out Your spirit upon us. Help us to commit ourselves anew to You, in the name of Christ our Savior. Amen.

THOUGHT FOR THE DAY:  
All who call upon the Lord shall be delivered.

**Cattle Marketings Up... Cotton Production Report Due Aug. 12... Farm Safety Week July 25-31... Milk Production Declines...**

Texas feedlot operators report intentions to market 1,208,000 cattle between now and Sept. 30. This would be 19 per cent more than marketed during the same period last year.

Cattle being fed for slaughter in the state totaled 2,119,000 as of July 1. This is 25 per cent above the 1,700,000 head on feed a year earlier.

In the state there are 283 feedlots with a capacity of 1,000 head or more. Of these, 205 reported cattle on feed July 1, while the other 78 reported their feedlots as empty. Capacity for all 283 large feedlots totaled 2,621,950 head and showed a 79 per cent occupancy.

Nationwide, the trend for higher production is also noted. Cattle feeders in a 23-state area plan to market about 7,184,000 head between now and Sept. 30. The anticipated marketings are nine per cent higher than those sold during the same period last year.

**A REPORT** on cotton production for 1972 is expected to be released Aug. 12. Cotton industry people as well as cotton producers and textile manufacturers will be watching that report with more than usual interest because of the present cotton supply situation. Acreage-wise in Texas the Texas Crop and Livestock Reporting Service reports upland cotton planted in Texas this year is estimated at 5,450,000 acres. This is an increase of 270,000 acres over the amount planted in 1971.

Generally, most of the crop is reported to be making excellent progress with some having been destroyed by hail and heavy rains. Insects are also a problem in many areas.

**FARM SAFETY** week is July 25-31. In 1971, farm and ranch accidents took the lives of 203 persons. Leading cause of deaths were fires, explosions or burns. Other factors for accidental deaths included drownings, accidental shootings, machinery accidents, tractor accidents, falls and animals.

The figures show a continuing upward trend in accidental deaths. Agriculture is one of the most dangerous of all professions.

Safety officials urge constant alertness and eliminating potential accidental death possibilities as ways to lessen the accidental death rate throughout the state.

**MILK** production in Texas during June dipped slightly below that of a year ago. Milk production in the state totaled 270,000,000 pounds. This is down two per cent below June, 1971, and is eight per cent below the previous month's production.

Milk production per cow kept for milk averaged 760 pounds per cow for the month of June. This is 15 pounds below a year earlier and 65 pounds below the previous month.

Preliminary price for all wholesale milk for June was estimated at \$6.70 per hundredweight.

Nationwide, milk production during June totaled two per cent higher than a year ago. Milk cows on farms totaled 12,219,000, down one per cent from June of last year.

Here's a recipe for Lamb Salad with Curry that will serve four, but if you don't have two cups of lamb leftover, halve the recipe for two servings: To two cups diced, cooked lamb add one-half teaspoon salt, one-half cup diced celery, one chopped hard-cooked egg, eight pitted, ripe olives, sliced and one tablespoon chopped pimiento. Chill. Add one teaspoon curry powder to one-fourth cup of mayonnaise; mix with other ingredients and serve on lettuce.

## Screwworms Are Major Problem

Livestock and household pet owners are reminded that screwworms have returned to Texas with a vengeance. They should take all precautions to reduce case numbers, says, Asst. County Agricultural Agent, Jimmy Vanstorty. An unusually mild winter in many portions of Mexico and in overwintering portions of South Texas has resulted in large fertile fly populations that are now triggering case outbreaks in many areas of Texas. Although all confirmed cases are receiving hot-spotting treatments of sterile flies produced at the Mission Screwworm Eradication Center, the cooperation of all producers is needed now, explains Mr. Vanstorty. A screwworm epidemic is in prospect if not already here.

According to Bill Clymer, Area Entomologist at Amarillo, the screwworm continues to make its way into the Panhandle area with a whopping 28,000 plus cases reported. This is the worst outbreak since the program began and will last until frost. Some of the counties reporting one or more cases include Potter, Lubbock, Bailey, Swisher, Collingsworth, Donley, and Oldham, to the north. Counties to the south include Howard, Mitchell, Borden, Scurry, Terry, and Garza counties. Livestock and pet owners are urged to check their animals regularly, and to treat all wounds found with a product for that purpose. If worms are found in wounds, producers

YOU'LL NEVER FIND TIME TO HELP WITH COMMUNITY PROJECTS. YOU MUST MAKE THE TIME AVAILABLE.

should collect 10 or more of the larvae from deep within the center of the wound and place them in a collection kit. Pre-paid mailing tubes with collection vials may be obtained from County Agricultural Agents. The samples should be sent to the Screwworm Eradication Laboratory, Box 969, Mission, Texas, for identification.

# Southland News

BY TOMMIE WILKE

Hi everybody, good to be back with you again this week. Sorry I didn't have any news for you last week. The crops are sure looking good, but the weeds are a little bit of a problem.

Mr. and Mrs. Willie Becker and granddaughter, Thressa Footster, went to Brownfield recently to help another granddaughter, Terry Becker, celebrate her sixteenth birthday.

Mr. and Mrs. Robert Becker and children and Mr. and Mrs. E. Armstrong all from Brownfield visited Mr. and Mrs. Willie Becker recently.

Recent week-end guests in our home were Mr. and Mrs. Bill Smith from Plano, Slater Moore, brother of Mrs. Payton Crawford, recently suffered a severe heart attack, but is getting along some better now.

Mr. and Mrs. Jim Mason visited their brother-in-law, Monroe Rowden, in Brownfield recently. He is recovering from a heart attack.

Rev. C. T. Jordan of the Southland Baptist Church attended the Baptist Men's Rally at the Plains Baptist Assembly July 17. The guest speaker was Dr. Harold Branch of Corpus Christi. He is a leader in the Baptist General Convention of Texas and the National Baptist Convention. A Bar-B-Q supper was held Monday night. The assembly is between Halls and Floydada.

Sam Ellis broke a bone in his foot last week.

Mr. and Mrs. Tuttle and three children have moved into the Weaver house. Mr. Tuttle will be the custodian at the Southland school. Welcome to our community.

Mr. and Mrs. Max Courtney and children have just returned from a three-week trip to different parts of the U.S.A. Highlights of their trip were Key West and Miami Beach Fla., New York, and Washington D. C. They happened to be in Miami when the Democratic Convention was going on, and Mrs. Courtney said she never saw so many "different" looking people in all her life.

Mr. and Mrs. H. C. Dunn spent this past week-end visiting in Houston. They left early Friday morning and returned to Southland Monday afternoon.

Mr. and Mrs. Tommy Leake and Letitia of Tulsa, Okla., and Preston and Neida Leake of Post have just returned from a trip to California. While there they went to Los Angeles, Knott's Berry Farm, Disneyland, Vacaville, (where they visited two days with Mr. and Mrs. Mike Herron and son, Christopher,) and to San Francisco where they went on a cruise and went through Chinatown and Fisherman's Wharf.

Coming back they stopped in Ruidosa, N.M., where they visited with Mr. and Mrs. Buford Jones and went to the races. They came back through Southland and spent a few days with Mr. and Mrs. J. C. Leake. Mrs. Leake had to return to work in Tulsa, but Tommy spent a few days here. They traveled approximately 4,000 miles while they were gone. Sounds great, doesn't it?

Mrs. Thurman from Amarillo and her two grandchildren, Mike and Susan, from Kingsland, visited recently with Mr. and Mrs. Haywood Basinger and Mr. and Mrs. J. C. Leake.

REUNION SET---Remember this date--August 12, 4:00 p.m., Southland School and Community Reunion to be held at the Slaton Club House. Everybody come and bring a pot luck supper, enough for your family, to be served at 6:30 p.m. Bobby Fields, a one-time Southland lad, will be the guest speaker. An "Outstanding Citizen" will be honored and a musical group, "The Physico-Ceramics" from Amarillo will provide the entertainment. Playgrounds and swimming pool will be available. Spread the word--to your former classmates, friends--anyone who you think would be interested. Let's make this a great reunion!

Mrs. Mary McKee spent last week in Lubbock in the home of Mr. and Mrs. Gill Vines taking care of their children while Mrs. Vines had surgery. She returned to Southland Sunday.

Mrs. G. D. Ellis returned to Southland Friday after spending two weeks visiting with her children. She went to Duncan, Okla., where she visited with Mr. and Mrs. Gene Giles and family (a son), and Mrs. Leon Mansell (a daughter). She visited with a sister in Olustee, Mrs. Ralph Motheral and with a sister-in-law and her husband, Mr. and Mrs. R. Moreau. She then visited another daughter and her husband, Mr. and Mrs. L. P. Jackson, in Muskogee, Okla. Returning to Ft. Worth, she visited with another son, Mr. and Mrs. Bill Giles and family. She enjoyed a wonderful two weeks.

Mr. and Mrs. D. D. Pennell, Jay and Stacy Callaway of Southland and Heath Pennell of Plainview recently attended the Pinnell & Royall Annual Reunion at Cisco. D. D. was the outgoing President and Mrs. Pennell is the National Secretary. She received a blue ribbon on a Vanilla Wafer Cake and canning and Stacy got a blue ribbon on a Lemon Cake. Jay got a red ribbon on a yarn covered coat hanger.

Mr. and Mrs. Dan Martin and Mr. and Mrs. Gene Beck and children were hosts last Saturday night for a "42" party at the Hackberry Gin Community Room. Those attending were Mr. and Mrs. Ray Simmons, Mrs. Virginia Gentry, Mr. and Mrs. James Shelton, Mr. and Mrs. Walter Stolle, Robert and David Mock, Mr. and Mrs. Dan Martin, Mr. and Mrs. Gene Beck and children, and Edmund and Yours Truly. Cake and punch was served.

## Birth Certificate Must For Students

## Birth Certificate Must For Students

When the month of August rolls around, thousands of Texas mothers suddenly realize that only a few more weeks remain until school begins.

Parents with youngsters beginning school for the first time this September look forward to school with a little more excitement, and many mothers whose first-born are going off to school may be a bit bewildered by it all.

In addition to the million-and-one chores that must be performed in getting the youngster ready for school--new shoes, clothes, health examination--most school districts require proof of age for beginning students. A certified copy of a birth certificate is usually requested, reports the Texas State Department of Health.

This fall there will be a quarter-million new first graders in the schools throughout Texas, with the total public school enrollment expected to reach 2.8 million. Continued growth of the school population is expected for the next two to three years, according to the Texas Education Agency.

"HOW COME I HAVE TO WASH MY HANDS CAN'T I JUST PLAY ON THE BLACK KEYS?"

Anticipating the rush of birth certificate requests, the Records and Statistics Section of the Texas State Department of Health has been prepared for it. Requests already are pouring in.

It takes a sizeable staff just to open the thousands of letters received daily, let alone search out a requested certificate, remove it from the thick volume, make a certified copy, mail it out and then return the original certificate to its proper place.

Years of experience have eliminated nearly every bottleneck. The operation is smooth and fast. Usually the copy is mailed within a day or two after the request is received. One bottleneck still remaining, however, is the individual who makes the last-minute request. Parents are requested to stop now and write for a certified copy of the birth certificate, or contact either the city registrar where the child was born or the county clerk in the county of birth.

If you write the Texas State Department of Health, Bureau of Vital Statistics, 410 East Fifth St., Austin, Texas, be sure to include the child's name, place of birth, date of birth, and the parents' name (including the mother's maiden name.) The State Health Department fee for a certified copy of the birth certificate is \$2.00.

Mr. and Mrs. E. L. Brosch attended the 25th Anniversary Reunion of the Third Armored Division of the Army which was held in Chicago, Ill., this past week.

Tony Buxkemper, Dennis Hamer, Mary and Glen Brosch and Sherri Wilke went to White River on Sunday for skiing. It was Dennis's birthday.

The Rev. and Mrs. Alvin L. Gary, of Ewart, were among 22 missionaries appointed June 27 by the Southern Baptist Foreign Mission Board during a conference at Ridgecrest Baptist Assembly in North Carolina. Gary, pastor of First Baptist Church, Ewart since October 1970, expects to do evangelistic work in the Leeward Islands. Gary is the son of the Rev. and Mrs. John L. Gary, of Copperas Cove. Gary was born in Slaton and began his schooling in Plainview, spent his high school years in Roswell and Ruidosa and graduated from Wayland Baptist College. He received the master of divinity degree from Southwestern Baptist Theological Seminary in Ft. Worth. When he was a senior at Wayland he met Judy Bergstrom of Clovis, a fellow student, who later became his wife. He also committed himself to foreign missions that year. The Garys are the parents of a son, Jonathan Mark, 1. His mother, Mrs. J. L. Gary is a former resident of this community along with his grandparents, Mrs. M. E. Morris and the late Mr. Morris. Alvin was born in the Hackberry community. Congratulations to this family. Sounds like they have some interesting work ahead of them. Mrs. Morris is visiting her daughter at Copperas Cove.

## Welcome Subscribers

The Slatonite would like to welcome the following new subscribers: Mrs. D. B. Cates, Dean Danelli, Mr. Willie Racha, T. W. Kurz, G. M. Winniford, Esse Smith and Manuel Hernandez.

ITEM: It's a close race between the blondes and the brunettes when it comes to wood tableware. The blondes seem to be gaining favor, although the dark pieces are still in fashion.

ATTEND ELECTRIC CAMP -- Ten Lynn County representatives attended a 4-H Electric Camp, sponsored by Southwestern Public Service last week. Attending the camp, held at Camp Scott Able in the Sacramento Mountains of New Mexico, were: Front, Shelly Cook, Donna Bringer, and Lessia Clary, all of Wilcox; Sandra Swinney, O'Donnell and Lexi Adams, Tahoka; Back: Richard Taber, O'Donnell; Renn Dorman, Tahoka; Kevin Wood, O'Donnell; Mike Edwards, Tahoka; and Bill Griffin, Lynn County Ag. Agent, Tahoka. Speaking to them is Bill Harr, Lubbock Southwestern Public Service Company instructor.

## Theater Workshop Law Enforcement Is Underway Certificates Given

A total of 58 Lubbock and area high school drama students are participating in this year's annual Summer Theater Workshop now in its second and final week on campus at Texas Tech University.

The workshop, being conducted under sponsorship of Tech's Department of Speech and Theater Arts, includes classes in acting, makeup, stage movement, scenery and lighting, house management, costuming, set designing and musical tryouts.

In addition, students have been meeting twice daily for two-hour rehearsals in preparation for performances scheduled at the close of the workshop.

According to Mrs. Noyce Burleson, visiting instructor and workshop director from Meadow, four separate plays will be presented arena style in Tech's modern University Theater on both Thursday and Friday (July 27-28) nights.

The two-week workshop offers a unique opportunity for high school drama students to work in all phases of theater under direction of Mrs. Burleson and her highly qualified staff. Her expert ability with high school talent has sent her casts to the state finals of the University Interscholastic League one-act play contest for the past several years.

Area students enrolled in the Texas Tech Summer Theater Workshop are: Ann Toland, Cooper (Lubbock) High School and Phillip Payne, Slaton High School.

Nineteen persons will graduate from a course of study in Basic Law Enforcement and receive their certification certificates on July 28. The special 240 hour course is being held at South Plains College in cooperation with the South Plains Association of Governments at Lubbock.

The following topic areas are taught in the program: Introduction to Law Enforcement, Criminal Justice, Basic Law, Patrol, Traffic Control, Criminal Investigation, Juvenile, Proficiency areas and Community Relations.

Graduates of the program will receive their certificates July 28 during a special dinner to be held at the Crideron Restaurant in Lubbock.

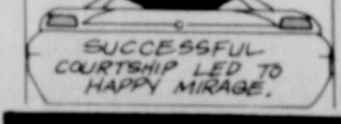

Persons receiving certification from this area include: Alton Hobbs, Lubbock County Sheriff's Office, Lubbock; William C. Bell, Tahoka Police Department, Tahoka; Loyd Bolin, Lynn County Sheriff's Office, Tahoka; Darrell Arthur Denny, Slaton Police Department, Slaton; and Melvin E. Ward, Wilson.

## THIS WORLD OF OURS

Some might argue that home-owner restraint in the use of pesticides can, at best, have only limited value. They could point out, for example, that of approximately one billion pounds of pesticides sold in the United States in 1969, only about 17 percent, or 170 million pounds, went into the home and garden market. But 170 million pounds is a lot of pesticides. If we could reduce this amount substantially, we could make a significant contribution to a more healthy environment. By our example, we might even influence some of the large scale users to re-evaluate their pesticide uses. Remember, saving our environment is up to each of us.

## DEATHS

Bill Lester

Post--Bill L. Lester, 47, died at 10:30 a.m. Tuesday en route by ambulance from Mercy Hospital in Slaton to a Lubbock hospital where he was undergoing surgery Wednesday. He had been ill a short time.

Rites were pending at Mason Funeral Home in Post Wednesday.

Lester, a life-long resident of Lynn County, is survived by his wife; his mother, Mrs. William P. Lester of the Gordon community; two sons, Gary and Gregg, both of the home; a sister, Mrs. Maurine Duff of Levelland; and three brothers, Troy Lester of Midland, Joe Lester of a Marillo and Winston Lester of Lubbock.

Pallbearers were Mack Terry, Cecil Bland, Ronnie Dunn, Robert Mock, Edmond Wilke and Raymond Gatzki.

## Nursing Home News

by Bobbie Hogue

Maggie Davis has returned from the Mercy Hospital and is doing nicely. Johnny Thomas is back after spending a few days with his folks here in town.

Mrs. Crews brought in some hens for our Sunday dinner. There's nothing better than "Chicken and dumplings." We really appreciate this. Speaking of food, we are in for another treat soon. The ladies of the Lutheran Church here in town are sponsoring another "Home-made-ice-cream" event. This will be next Wednesday afternoon, about 7:30 p.m. in the lobby of our Home.

## SUNDAY'S SERMON

Basically, we entered this world with nothing, and the fact of the matter is we leave this world with nothing. What, then, is the mark of our greatness, of the fact that we existed? What will distinguish us from others when we pass through the threshold of death?

The answer is the same for both these questions. Surely, the materialistic things that we create, build, collect, or buy will not last. Many things will last ten years, or maybe a thousand years, or maybe even ten thousand years, but eventually they too will pass, crumble, and corrode. The answer then is to strive in life for something more than four walls, or fashionable, or comfortable--it is to try to do God's will, to live a good life, to give and receive love, to care, and to help. But who should we care about, who should we help? This is the easiest of all questions to answer. We are all in this same boat--this worldly existence, and life is stormy and turbulent for so many of us. No, we don't have to look far, many times not even out of our own homes, to find the answer to who is in need. God can be our anchor and our joy for life itself.

## For And About Teenagers

**THIS WEEK'S LETTER:** I am a 14 year-old girl in ninth grade. I have a best friend who is also in the ninth grade, and she is really great kid. The problem is I have another girlfriend that is trying to become my best friend. This other girl even asked me if she could become my best friend, because according to her, I'm her best friend. My reply to this other girlfriend was that I already have a best friend, but I don't think she understood me too well. What should I do to keep both friendships?  
**OUR REPLY:** There is a way to handle this situation diplomatically. First of all you should get rid of the notion that you can only have one best friend. You probably are part of a group of good close friends. Therefore, if you like this other girlfriend you should welcome her into your group of "best" friends. You only run into problems when you and your friends decide to rate each other according to who is the best friend. Your own group of "best" friends may number from 2 to 10, depending on how many different interests and activities you have that may be different from the others in your group. You'll be happier and have more friends if you don't rate them. After all, nobody likes to come in second, especially if they are a close friend.  
 If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFORD, KY. 40601.
