SCOUTS TO AID VOTERS -- Members of Girl Scout Troop 374 will babysit free for voters at the polls here between the hours of 4 and 7 p.m. next Tuesday. Two members of the sixth grade troop are shown here. At left is Bobbie Sue Sims, and at right is Johnnie Mae Nedd. (SLATONITE PHOTO)

Voters Will Mark Ballots

Slaton and area voters will
join hundreds of thousands of
others throughout the state in
voting on state races, and
millions over the nation in elec-
tion of the President next Tues-
day.

Voters in Precinct 37 will
ballot at West Ward School,
those in 36 will vote at the
clubhouse, and Box 38 will vote

at Stephen F. Austin School.
Absentee balloting, which has
been conducted by Jonas Cain
at the Lubbock County tax of-
fice substation in Slaton, will
close Friday. As of Tuesday
afternoon, 58 absentee ballots
had been cast here.

Interest is high locally in
the races for President, U. S.
Senator, governor and state

treasurer. On the ballot for
President are Sen. George Mc-
Govern, Democrat, Richard M.
Nixon, Republican, and Lind
Jenness, Socialist. Democrat
Barefoot Sanders is opposing
incumbent Sen. John Tower,
GOP, and the Socialist Workers
Party candidate is Tom Leon-
ard. A fourth candidate is Flores
Amaya of Raza Unida Party,
which also has candidates listed
on the ballot for four other
Texas offices. Main candidates
for the office of governor are
Democrat Dolph Briscoe, a
rancher, and Henry C. Grover,
Republican who has been a
member of the Legislature.

In addition to the balloting on
the candidates, voters will mark
their opinions on 14 proposed
constitutional amendments, one
of which would set in motion the
machinery for rewriting of the
entire Texas Constitution.

Polls will be open from 7
a.m. to 7 p.m. Girl Scouts will
be at the polling places from
4 p.m. to 7 p.m. in Slaton to
help care for small children
while their parents vote.

No Grant Coming For Police Facility

Slaton received some bad
news this week as hopes for a
new police station with help
from the Texas Criminal
Justice Council were dashed by
an announcement from that
group that "all of the 1972
funds for construction of law
enforcement facilities have
been allocated," and no funds
are expected to be available
in the future.

The city had drawn plans for
a new police station here, with
hopes that half of the money
needed to build it would be
supplied by the Criminal Jus-
tice Council. The city had been
thinking in terms of a \$120,000
facility, with \$60,000 to come
from the CJC.

towns already had similar
facilities funded.

However, with some advance
warning that the funds might not
be available, the city has started
on a remodeling job at the police
station and jail. Further plans
for expansion of the present
facilities with whatever money
can be allocated locally are
being considered.

Tahoka Laces Slaton 30-0

By DALTON WOOD

Mistakes by Slaton and a good
offense by Tahoka brought the
Tigers their seventh defeat in
eight games here Friday night
as the visiting Bulldogs went
away with a 30-0 District 5-AA
victory.

Tahoka, Denver City, Roose-
velt and Cooper are all tied
atop the district standings this
week, and on Friday night Slaton
plays host to the rugged Cooper

Pirates, who last Friday blank-
ed Roosevelt 16-0.

Tahoka's Jim Bailey, a 170-
pound junior tailback, scored
all four of the Bulldogs' touch-
downs here. Bailey made his
first one from 8 yards away
midway of the first period, and
following a 45-yard scamper he
made to set up the play. Tahoka
went for 2 points, with John
Thomas fumbling and QB Phil
McClendon recovering in the
end zone for the extra points.

Slaton had a punt blocked in
the first quarter and a little
later fumbled a Tahoka punt,
giving the Bulldogs the ball on
the Slaton 14 after Bailey re-
covered it. After Tahoka had
a first and goal at the 3, the
Tigers held for three straight
downs on stout work led by
Greg Sokora and Lupe Valde-
raz. But on fourth down, Bailey
went over, and McClendon then
passed to End Larry Reynolds
for 2 points.

In the second quarter, Tahoka
drove to the Slaton 1 with 15
seconds left. Slaton's Robert
Grant knocked down a pass in
the end zone, and on the next
play Grant recovered a Tahoka
fumble to kill the threat.

On the second play of the
second half, Bailey streaked 65
yards to score, and McClendon
passed to Wingback Louis Zed-
litz for 2, making it 24-0. Sla-
ton then cranked up a drive
which carried to the Tahoka 19
before losing the ball on a
fumble.

Early in the fourth, Slaton
lost the ball on downs.

Bailey ran 8 yards for another
Tahoka TD at 8:32 left in the
final period. A try for point
was no good.

Slaton then cranked up a 75-
yard drive which died after
having fourth down and 6 inches
to go for a TD. Big gainers
in the drive were a 16-yard pass
from QB Eddie Jones to Valde-
raz, and a 28-yard run by
FB Ken Schuette, the longest
run from scrimmage by Slaton
this year.

Near the end of the game
Jones hit Clarence Trotty on a
43-yard pass to the Tahoka 21.
With 20 seconds left, Jones ran
to the Bulldog 14, but Slaton
again was unable to score.

For Slaton, Schuette carried
7 times for 60 yards, averaging
8.6 per carry; Bartley ran 19
times for 64 yards, an average
of 3.4.

Sokora was a workhorse on
defense, and was counted in on
16 tackles; Grant was counted
in on 9 tackles. Tahoka's
Thomas and Gary McCord were
outstanding on defense.

Winner Misses Just Three Games In Grid Contest

The best record of the year
so far in choosing winners from
29 games on the Slatonite's
weekly grid guessing game was
turned in last week, as Mrs.
Gay Benson, high school girls
basketball coach, had 26 games
right for first place.

Charles Didway of Post won
second place and \$5, getting
25 games right and picking a
tie-breaker score of 28 points,
two points off the total of 30
in the Slaton-Tahoka game.

Also getting 25 right and
tying for third were Kelly
Sparkman and Bing Bingham,
who had tie-breaker scores of
33 and 27, respectively. They
get a dollar each.

Among the Fearless Fore-
casters, Bill Ball missed only

one game, and his 11-1 marks is

this year, and is considered by

Two Wrecks Investigated By Police Here

Two wrecks, a case of van-
dalism, one theft and issuance
of several warrants for failure
to appear on traffic violations
were among items on report
at Slaton Police Dept. for the
last week.

Mrs. J. H. Trussell, 245 N.
18th, was injured Monday about
9 a.m. when the car in which she
was a passenger was in collision
with a 1969 car driven by Dicky
Bob Stanley, 340 W. Lynn. Mrs.
Trussell was in a 1970 car
driven by her husband. She was
admitted to Mercy Hospital for
treatment of injuries.

On Friday at 9th and Scurry,
a 1965 car driven by Yolanda
Gloria Zapata, 240 E. Pan-
handle, and a 1971 auto driven
by James Nobel Gober, 245 N.
6th, were involved in a collision.
Total damage to both vehicles
was estimated by police at \$150.

Last Saturday, Charles
Hovden of Lubbock said some-
one entered his 1969 pickup
parked on the Santa Fe parking
lot and took a pair of work
gloves and some overalls. Total
value of the stolen items was
set at \$14.

R. F. Stansell, 540 W. Lub-
bock, reported that a rock had
been thrown through a window
on his pickup. Damage was
estimated at \$25.

Tahoka Laces Slaton 30-0

Mistakes by Slaton and a good offense by Tahoka brought the Tigers their seventh defeat in eight games here Friday night as the visiting Bulldogs went away with a 30-0 District 5-AA victory.

Pirates, who last Friday blanketed Roosevelt 16-0. Tahoka's Jim Bailey, a 170-pound junior tailback, scored all four of the Bulldogs' touchdowns here. Bailey made his first one from 8 yards away midway of the first period, and following a 45-yard scamper he made to set up the play. Tahoka went for 2 points, with John Thomas fumbling and QB Phil McCleendon recovering in the end zone for the extra points.

Slaton had a punt blocked in the first quarter and a little later fumbled a Tahoka punt, giving the Bulldogs the ball on the Slaton 14 after Bailey recovered it. After Tahoka had a first and goal at the 3, the Tigers held for three straight downs on stout work led by Greg Sokora and Lupe Valderaz. But on fourth down, Bailey went over, and McCleendon then passed to End Larry Reynolds for 2 points.

In the second quarter, Tahoka drove to the Slaton 1 with 15 seconds left. Slaton's Robert Grant knocked down a pass in the end zone, and on the next play Grant recovered a Tahoka fumble to kill the threat.

On the second play of the second half, Bailey streaked 65 yards to score, and McCleendon passed to Wingback Louis Zedlitz for 2, making it 24-0. Slaton then cranked up a drive which carried to the Tahoka 19 before losing the ball on a fumble.

Early in the fourth, Slaton lost the ball on downs. Bailey ran 8 yards for another Tahoka TD at 8:32 left in the final period. A try for point was no good.

Slaton then cranked up a 75-yard drive which died after having fourth down and 6 inches to go for a TD. Big gainers in the drive were a 16-yard pass from QB Eddie Jones to Valderaz, and a 28-yard run by FB Ken Schuette, the longest run from scrimmage by Slaton this year.

Near the end of the game Jones hit Clarence Trotty on a 43-yard pass to the Tahoka 21. With 20 seconds left, Jones ran to the Bulldog 14, but Slaton again was unable to score.

For Slaton, Schuette carried 7 times for 60 yards, averaging 8.6 per carry; Bartley ran 19 times for 64 yards, an average of 3.4.

Sokora was a workhorse on defense, and was counted in on 16 tackles; Grant was counted in on 9 tackles. Tahoka's Thomas and Gary McCord were outstanding on defense.

Women Voters Campaign For Amendment Change

The League of Women Voters of Lubbock, in conjunction with the League of Women Voters of Texas, has been campaigning this fall in favor of Amendment 4 which will be on Texas ballots Nov. 7. This amendment calls for the Texas legislature to set as a constitutional convention in 1972 for the purpose of either writing a new constitution or revising the existing constitution. All action of this convention would be subject to voter approval.

To implement this campaign, members of the League of Women Voters staffed an educational booth at the South Plains Fair and are presenting skits, which emphasize the need for a new Texas constitution, to various Lubbock civic groups.

The League will carry its informative services to towns outside of Lubbock the next two Saturdays. Members distributed amendment literature and bumper stickers in Slaton and Tahoka Saturday morning. They will be at Levelland and Abilene Saturday morning, Nov. 4.

FOOT NOTES

BY MARGRET BARTLEY

Remember those little dry marshmallows that you save for dropping in the kids' hot chocolate? Try dropping a few in your coffee next time. It's good, and why should the kids have it all?

Don't forget to vote Tuesday! And if you have small children, the Girl Scouts will be babysitting at the polling places. They will be glad to watch your children, free of charge, while you do your voting.

The spooks and goblins had to brave some mighty cold and wet weather if they trick-or-treated Tuesday night. It seems there was quite a run on toilet paper, so some folks may have had some pretty decorations in their yards come Wednesday morning. We've also heard some stories of fake pies and chocolate covered peppers. Don't know just who got the goodies, but I bet they were surprised! Some tricks are great for Halloween, as long as they are not intended to injure someone.

The Halloween carnival held at West Ward Tuesday night seems to have been a great success, and will pay the cost for several of the remaining eight air conditioners needed for the school. (What weather to worry about air conditioners! H-r-r-) It's kind of funny that the cold weather drove so many of the goblins inside to the carnival to spend their money, therefore making it possible for the school to have COLD air in HOT weather!

The staff of the Slatonite and their families enjoyed a steak supper Saturday evening at the home of the Wood family. As the old saying goes, "A good time was HAD by all!"

The annual Turkey Dinner and sausage feast will be held Sunday at St. Joseph's Catholic Hall for all you (us) folks who like good eating. The bazaar will begin at 1 p.m. and there will be lots of good things there. We know so, because there always are!

If it was held on Thanksgiving Day, we could take all the family out to eat turkey and all the trimmings, and go home for the day of visiting. (without all those dirty dishes.) That's not the attitude to take, I'm sure, and think of all the ladies who prepare the dinner there. It sure would be a great day for them!

Oh well, I'm always for anything that makes for less dirty dishes for me. I was raised washing dishes, but I wasn't raised learning to like it! I remember that it was a lot more fun doing the job when you had company, or someone there to talk to and have fun with. But, when it's a lonesome job, forget it! You can't even read a good book because your wet fingers make the pages stick together. (I tried it!) If anyone knows a way to make it a "fun job" I wish they'd let me know about it. I want to know so I can teach MY DAUGHTER to enjoy it. Might even get the boys in on all the FUN.

Civic, Culture Club Meets

The Civic and Culture Club met in the home of Mrs. B. H. Crandall Oct. 25 at 3 p.m. Mrs. R. E. Switzer, president, called the meeting to order and presided over the business session.

Mrs. M. I. German gave the program on Yellowstone and showed some slides. Refreshments were served to Meses. H. E. Anderson, J. D. Barry, Kenneth Davies, R. C. Hall, E. R. Legg, A. L. Saage, H. T. Scurlock, R. L. Smith, R. H. Todd, H. V. Wheeler, Switzer, German and Crandall.

Tops Club

Fifteen members weighed in at Thursday's Tops Club meeting with ten losing or maintaining their weight. Rose Eakin won the Grab Bag prize for losing the most weight.

Doris Thomas and Llawana Johnston read articles on reducing. France Keen gave a devotional entitled "Living Just For Today".

Auction gifts were passed out and the auction was held again.

VFW Auxiliary News Report

On Saturday, Nov. 11, the Ladies Auxiliary will participate in the Veterans observance in Levelland.

The bell of Freedom float will be entered in that parade, and anyone wishing to march should be in Levelland not later than 10 a.m. on that day.

Wednesday, Oct. 25, Leona Lamb and Dortha Fay Harris took the Auxiliary box of gifts to the Big Spring State Hospital. This is something the Auxiliary voluntarily does each year for the patients there. The box was valued at over a hundred dollars and will help to bring cheer to those patients there.

Auxiliary members are urged to be at the high school Friday afternoon, Nov. 10, at the ag shop to help make the float. For further information, interested persons may call 828-3309.

A dance will be held Saturday night, Nov. 4, at the Post home, sponsored by VFW Veterans 6721. The public is welcome. The dance, beginning at 9 p.m., will feature entertainment by J. C. Crow and Comancheros.

HALLOWEEN SCENES -- The Morris Tyler family, Flannigan family join together for some great entertainment week at the Slaton Nursing Home Halloween party. Flannigan supervised the goings' on. (SLATONITE)

Miss Vicki Hill Is Honoree

Miss Vicki Hill was honored Oct. 24 with a miscellaneous bridal shower in the Slaton Club House. Approximately 75 guests registered.

Hostesses for the event included Meses. Charlie Corley, Ed Mosley, Travis Mann, D. D. Tucker, Wayne Polk, H. G. Patterson, H. R. Schwertner, Kenneth Davies, Ford Stansell; Meses. Lindol Beard, Chas. Schniers, Charlie Walton, Walter Bedmarz, Jerry Melcher, Walter Heinrich, Edward Brosch, Oscar Heinrich, Milton Piwonka, Nestor Kitten, Allen Neurer, C. O. Buxkemper and A. A. Denzer.

ITEM: If ash trays, vases, or any bric-a-brac leaves scratches on table tops, put corn pads on the bottom corners.

State Queen Chosen Nov. 1

Miss Karen Williams was chosen as the state queen in the state final contest to be held in Lubbock, Nov. 13. Daughter of Mr. Kenneth Williams, Miss Williams represents this district elimination.

ITEM: Fully-cooked ham served unheated, however, the ham in a slow cooker should be reheated after browning for reason. Salt, a common agent, draws meat surface which retards browning that maximizes tender flavor of beef. It is to season each side after it has been browned.

LET'S LOOK At AGRICULTURE And STOCK RAISING

WE HAVE one of the most abundant supplies of food in history. Our exports of livestock, fresh meats, grain sorghums and grain are going to add many dollars to the general economy.

WE'RE SELLING COMMODITIES of which we've had surpluses—and we're helping provide jobs on trucks and ships at the same time.

HERE ARE SOME OF THE REASONS

PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.

PRESIDENT NIXON'S ADMINISTRATION has turned around the farm situation that saw farmers get an increase in income of 6 per cent between 1951 and 1969 while wage rates went up 6 per cent every year.

PRESIDENT NIXON gave agriculture one of the most effective spokesmen in recent history by appointment of Earl Butz as Secretary of Agriculture.

Slaton Freshmen Zap Tahoka 32-6 Ira Too Tough For Eagles

Slaton freshmen brought their season mark to 6-1 with a 32-6 pasting of Tahoka freshmen gridlers last week.

On the first play of the game, QB Breck Hudson hit Elland Wood on a 55-yard pass play which carried to the Tahoka 1, and on the next play, Bill McClesky scored. The PAT effort was wide.

Slaton scored twice in the second quarter with McClesky getting both, one on a short run and one on a pass from Hudson for 15 yards. Gary Aycock hit McClesky in the end zone for one two-point conversion and it was 20-0 at halftime.

third quarter, with Charlie Haynes getting one tally with a 35-yard runback of an intercepted pass. Slaton reserves then took over and finished the game. Tahoka scored on a 90-yard run by the quarterback with 6 seconds left.

Editor's Quote Book

Many of the optimists in the world don't own a hundred dollars, and because of their optimism never will.

—E. W. Howe

By LAURA WHEELER
The fighting Southland Eagles held the tough Ira Bulldogs to 8 points during the second half of a District 4-B grid contest, but the Bulldogs won 42-13.

Dale Wiggins ran 43 yards for Ira's first touchdown early in the game. Kirby Sterling kicked for the two extra points. Steve Sallee caught a 19-yard pass from Donald Sellars, and Sterling converted the extras to give the Bulldogs 16 points at the end of the first quarter.

Early in the second stanza, Sterling tossed a 26-yard TD pass to Sellars. Shortly afterward, Southland scored 6 points on a 53-yard pass-run play from Joe Bevers to Jerry Winterrowd.

Ira chalked up two more touchdowns before the half. Sterling charged 19 yards for a TD, followed by Wiggins' 47-yard TD run. The half-time score of the six-man battle was 34-6.

Southland could not score in the third quarter, but the Eagles allotted the Bulldogs only one TD in the third stanza and none in the last quarter. Ira's Richard Daves scooted 38 yards for the Bulldogs' final TD, and Sterling booted the extra point.

The scoring for the game was completed when Southland's Bevers passed 8 yards to Winterrowd for a TD, and the same combination was good for the extra point. Gregg Lester, Steve Buxkemper, and Ray Garza were outstanding on defense for the Eagles.

Southland is now 3-4 for the year and 2-2 in district play. Ira is 6-0 for the year.

The remainder of Southland's games will be on the road. The Eagles meet the Patton Springs Rangers Friday in a non-district contest, the Hermligh

Cardinals Friday, Nov. 10, and the Bula Bulldogs Friday, Nov. 17. The games with Hermligh and Bula are district battles. All games begin at 7:30 p.m.

Halloween Carnival Rated As "Big Success"

The first Halloween Carnival in five years was held Tuesday night at West Ward School, sponsored by the PTA. Approximately 750 people attended for an evening of spooky entertainment.

Carnival officials reported \$1039 as the gross receipts taken in at the booths, with expenses yet to be calculated. A profit of \$700 to \$800 is expected.

Local merchants donated gifts for some of the games, and many parents, teachers and students worked hard to make it successful. The cold weather could have been a hamper on the project, but apparently brought the youngsters indoors for their night of fun.

ITEM: Don't throw it out! To clean children's stuffed animals that can no longer be washed, cover them with a thick layer of starch. After it is thoroughly dry, remove the starch with a very stiff brush. Dirt and grease will come off with it.

Ransom Notes

BY JAMES GRACE

Congratulations to Leon and Judy Ham on a new addition to their family. Their daughter, Nicole Diane Ham, arrived last Thursday. This brings Lake Ransom Canyon's population to 204.

Fish stories traditionally take on added color and proportions each additional time they are told, but surprisingly enough, this writer witnessed H. S. "Buster" Hicks, and Harold Chapman, pull in 18" and 20" crappie as fast as they could venture their minnow bait. The surprising part is no one has reported catching large crappie before now.

Hicks' "infamous" slingshot had a rest that Monday afternoon, but his skill and talent as an angler were well displayed.

Usually migrating ducks by the thousands make their winter home here at Lake Ransom and even a lone pelican visited us for a few weeks. However, this year only about two dozen ring-necks and mallards have arrived. In the *Avalanche Journal* of Oct. 24, a picture appeared showing a lone pelican that visited Andrews' Lakeside Park. The migrating birds may be going farther south this year. With their instinctive guidance systems, could this be a sign we are going to have a rough winter locally?

Girls Basketball Starts Monday

Slaton Tigerettes will launch a new season of girls basketball by taking on Muleshoe girls here Monday night, as Coach Gay Benson will field a team including only two starters from last year's championship team. Karla Kitten and Gretta Stricklin, both forwards, are the returning starters. In addition, there are three other lettermen on the squad. Coach Benson said there are 37 girls out for the team this year.

On Saturday, the Tigerettes will be participating in a girls basketball clinic at Plainview, conducted by Wayland Baptist College.

Junior High girls Coach R. G. Copeland said about 60 girls are out for the seventh and eighth grade teams.

Thought For Food

Because more people are eating out more often, an increasing share of farm products is reaching consumers through the food service industry (hotel, restaurant, institutional trade) rather than via supermarkets. This is one of the main reasons for the rapid increase in per capita meat consumption. Changes in the American life style account for the rapid growth of the food service industry. More leisure and recreation time, increasing personal income and greater separation of the place of employment and residence are contributing factors.

VOTE

"What good will one vote do? Well, one vote had a lot to do with a lot of things in this country. Thomas Jefferson was elected president by one vote in the electoral college. So was John Quincy Adams. Rutherford B. Hays was elected President by one vote. His election was contested but he was again elected by one vote. The man who cast the deciding vote for Hays was a congressman from Indiana who had been elected by one vote, and that one vote was cast by a man who, altho ill, insisted on being taken to the polls.

"By just one vote there came into the nation the states of California, Texas, Oregon, Idaho and Washington. That's a big chunk of territory and today all the millions living in those states are Americans by just one vote."

PRaise THE LORD

By LENDA WOOD

As I was driving to work one morning this week I heard over the radio where someone on some island was being interviewed concerning witchcraft. He said that the practice of witchcraft on his island had been made legal for the past 10 years.

Since this is Halloween season and many kids dress up like witches, all in fun, of course, it might be good for us to go to the Word and see what it says about witchcraft, fortune telling, and such.

Usually at Halloween carnivals, too, they have fortune telling booths. Then so many of us have played with Ouija boards -- all of this in fun, we thought. However, as I study the Word, it seems to me that these "little" things are really the devil's tools. And I don't believe that we as Christians have any business giving the devil any satisfaction in knowing that we are using his tools -- even though we may consider them harmless. (I wonder if Eve considered it harmless when she ate the forbidden fruit?)

You may laugh this off by saying these are all just harmless games. But where do you draw the line -- we know there are devil worshippers, Yogis, and such, in this world, and even a "First Satan's Church" out west.

Several months ago in the Woodwork column, we stated why this newspaper would not accept advertising regarding fortune telling, etc. We also do not print the horoscope for the same reason.

I Timothy 4:1-2 says, "The Holy Spirit tells us clearly that in the last times some in the church will turn away from Christ and become eager followers of teachers with devil-inspired ideas. These teachers will tell lies with straight faces and do so often that their consciences won't even bother them."

Isaiah 8:19-22 -- "So why are you trying to find out the future by consulting witches and mediums? Don't listen to their whisperings and mutterings. Can the living find out the future from the dead? Why not ask your God?"

Deut. 18:10-12 -- "No Israelite (God's people) may practice

The Halloween party was a great success. Crepe paper streamers in the form of a spider web was strung across the ceiling with a giant spider in the center.

CADET OF MONTH -- Cadet of the month for September in
 Slaton Junior ROTC was this 16-year-old sophomore, Lyndy
 White, 1st sergeant, 2nd Battalion, Company B.

The "anniversary" loan program for cotton may be a useful marketing tool for producers in 1972 for the first time, according to officials of Plains Cotton Growers, Inc., the organization most responsible for institution of the new concept in 1971.

The anniversary loan permits farmers to hold title to their cotton for up to 12 months from the date of ginning. Previously, all Commodity Credit Corporation loans on

cotton expired at the end of each marketing year on July 31, with CCC assuming title to all cotton not redeemed before that date.

PCG had long maintained that the loan should permit farmers to retain control of their production for at least a full year, thereby giving them the opportunity to benefit from market price swings over a longer period. PCG's arguments were recognized with anniversary loan provisions in the Agriculture Act of 1970.

CCC loans now mature 10 months from the first day of the month in which the loan is made. And, since CCC will forgive up to 60 days storage charges on cotton entering the loan, the effective "holding period" can be up to a year.

For example cotton ginned on Dec. 2 this year can be held by the producer for 60 days until Feb. 1, 1973, then placed under a CCC loan which won't mature until Dec. 1, 1973.

Throughout this period from harvest to loan maturity the producer holds title to the cotton. If market prices improve enough to more than cover interest and storage costs, he can redeem the cotton and sell it in the market, a practice commonly called "selling his equity."

Interest cost to farmers on CCC cotton loans is 30 cents per \$100 per month, an annual rate of 3.6 percent. Storage charges are 60 cents per month.

The anniversary loan was available to producers in 1971, but market prices were such that it wasn't needed.

"But the situation is different this year," notes PCG President Ray Joe Riley of Hart. "If prices continue to fall and we can get only a little over loan value for our cotton at harvest time," he says, "it may well be to our advantage to put cotton into the loan and hold it against possible price advances during the coming year."

He points out that feed grain producers in 1971 found prices

depressed at harvest time and wisely used the loan to significantly improve income from that crop. Cotton producers might be able to do the same this year, Riley thinks.

Riley is not advising every producer to use the loan in 1972. Instead he states "Each individual will have to make the loan-or-market decision based on his own circumstances and his assessment of chances for price improvement in 1973. But every farmer should be aware that we now can keep cotton in the loan for a longer period."

DUAL-STEEL RADIAL

General Tire has become the first tire manufacturer to supply an American-made polyester cord, steel-belted radial tire to a major Detroit automobile manufacturer.

President M. G. O'Neil announced recently that a radial tire—known as the Dual-Steel Radial—made by General will be available on the 1972 Pontiac Grand Prix as a customer option.

"We are shipping quantities of these tires to Pontiac in February," Mr. O'Neil said, "and this is only the beginning."

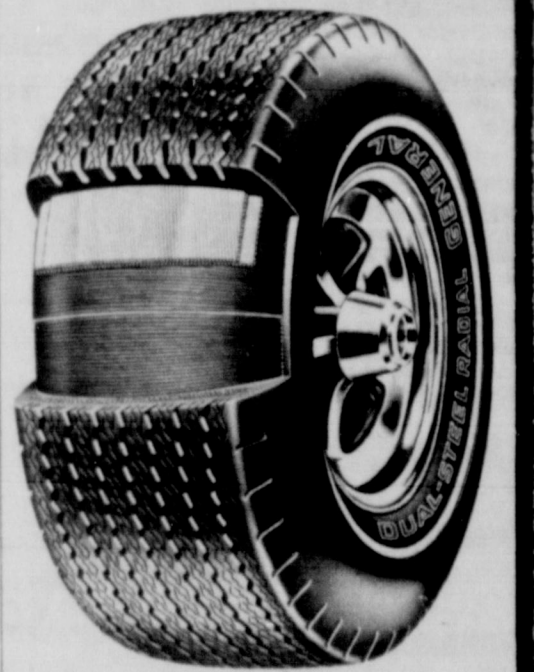

He indicated that General is well along in the development of eleven sizes of steel-belted radials for various models for Detroit's "Big 3" automobile manufacturers.

"We expect to start shipping these in the near future," he said.

"Acceptance of our Dual-Steel Radial represents a significant breakthrough for General Tire and the American tire industry," Mr. O'Neil stated.

Most steel-belted radials used today by Detroit's auto-makers are produced by a European manufacturer and these utilize a rayon body construction.

General's Dual-Steel Radial, with two body plies of polyester cord and two steel belts, is an outstanding performer on all counts.

In road and lab tests, the Dual-Steel Radial has proved to have excellent handling characteristics and to provide a soft ride at all speeds.

In addition, the General radial is extremely quiet-running.

On mileage, the Dual-Steel Radial is truly outstanding. Tested at General Tire's Uvalde, Texas, test track and also under ordinary traffic conditions, it has delivered from 40 to 100 percent more mileage than our best bias-belted original equipment tires, which, themselves, were an improvement over the bias-ply tires.

Amendment 4 Approval Urged

State Representative Price Daniel Jr., this week urged all Texans, regardless of political philosophy or party affiliation, to vote Nov. 7 for Amendment 4 providing for revision of the Texas Constitution.

"Modernizing our Texas Constitution is absolutely essential if we are to make our State government more responsive to the needs of all Texans and more responsible in transacting the State's business. Constitutional revision is particularly important in our efforts to reform the legislative process," Daniel said.

"Our Texas Constitution has had to be amended more than 200 times. It now contains 53,000 words and is five times as long as the United States Constitution. Many of its archaic provisions retard, restrict and hinder, rather than encourage, the efficient and effective operation of our State government."

Amendment 4 would give the Legislature authority to establish a Constitutional Revision Commission and to convene as a Constitutional Convention in January, 1974. The Convention would then recommend changes in the Constitution and submit such proposals to the people of Texas for their approval.

Loretta Dillon Named SHS Homecoming Queen

Loretta Dillon was crowned football queen for the '72 football season and Nina Means and Randy Green reigned as Mr. and Miss Flame for the homecoming activities.

Coronation of the football queen took place last Thursday afternoon at the pep rally in the gym. Miss Dillon was escorted by Ron Bartley. Runners up were Karla Kitten, escorted by Kenny Schuette; Noree Self, escorted by Jerry Hopper; and

Scharia Johnston, escorted by Dan Butler. Flower bearers were Crystal Kitten, escorted by Brant Smith, and Melissa Dillon escorted by Ronnie Hopper. Greg Sokora was the announcer for the ceremony and Gary Aycock and John T. Basinger rolled out the red carpet for the participants.

By collecting the most boxes for the bonfire, the seniors won the box contest, which permitted their candidates, Nina Means

and Randy Green, to be Mr. and Miss Flame. Candidates for the other classes were: Juniors, Dwayne Mosser and Doris Meurer; sophomores, Ronda Moseley and Wheeler Smith; freshmen, Eddie Jones and Jana Bartley.

Even a damp, chilly evening could not dampen the spirits of the students at the big bonfire Thursday. During the bonfire cheerleaders lead about thirty students in a snake dance down

town. On the way to the city square students did yells and blocked traffic, causing a traffic jam of two or three blocks.

Another pep rally was held Friday afternoon on the city square for all of the citizens of the town.

Homecoming week started with the usual egg fights. J. Ray Bassinger and Mike Foerster found out that these fights are not as much fun as some people think, for both

were unfortunate enough to be hit in the eye with an egg. J. Ray was hospitalized because of the accident.

In all of the box-finding and box-stealing (from different classes), even a teacher was caught picking a lock to a door that most probably had boxes behind it.

At the pep rally Thursday afternoon, most of the faculty participated in a skit. There was a band of about six members, three twirlers and about six cheerleaders. The cheer-

leaders taught the student body several new yells.

The Student Council sold mums for the homecoming game. Most of the boys bought a mum for their girlfriend, mother, grandmother or sister. The Council also entertained the ex-students and teachers with tea in the living room of the homecoming department Thursday afternoon.

Homecoming activities ended on a disappointing note as the Tigers lost the football game with Tahoka, 30-0.

FFA Greenhands Brighten SHS

Several of you may have seen some freshmen running around with green gloves on. Well, don't worry because it's not because they had some kind of disease. About 35 freshmen were given the Green Hand Initiation in Ag and now they are true FFA boys. The boys had to dress as girls and get their green hand pins.

In the queen contest, the lucky winner was Gary Aycock. Other raving beauties were Randy Marshall, Jeffrey Jones, Joey Orr and Travis Clines, who were runners-up. (Not necessarily in that order.)

Several FFA boys went to Dallas two weeks ago for a stock show. They included David Gossett, with two pigs, Joel Ham, with two lambs, Bruce Jones and Kurk Burkett, two pigs, and Glen Heinrich, with one pig. Paul Johnson and Mr. and Mrs. Ray Cook accompanied the boys.

One of Gossett's pigs placed 6th, Jones' pigs both placed 13th, Heinrich's pig, third, and Burkett's pigs, 5th and 8th. One of Joel Ham's lambs placed 39th.

The boys are now preparing for contest. They will do parliamentary procedures and radio broadcasting Nov. 9. Scripts for the broadcasting must be between four and one-half and five minutes long and the topic is "Marketing of Livestock". The issue is auction sales compared to commission sales, and the best days for cattle marketing.

The district contest is in Idalou with the top team to advance to area and then to state competition.

Don Mitchell, advisor, left Oct. 26 to gather livestock in Oklahoma and Kansas for the project programs.

The officers elected in FFA are as follows: David Gossett, president; Paul Ray Martin, vice president; Joel Ham, secretary; Jerry Hopper, sentinel; Matt Kitten, treasurer; and Joe Aispaugh, reporter.

Rising welfare costs will demand another \$60.9 million increase in the state budget during the next two years according to the State Board of Public Welfare.

Tigers Await Tough Cooper

After a 30-0 loss to Tahoka, the Tigers look to the Cooper game tomorrow night. Coach Bill Curry reports that the Cooper eleven are "big, fast, and tough."

Cooper will come into this game with a 7-1 record, having lost to Tahoka earlier this fall. "Although this is the first year for Cooper to be in AA competition, they have really come in with a bang," says Coach Curry.

He reports that the Cooper quarterback is a fine football player, that the fullback, Kevin Jones, is a powerful runner, and that the split end, Junior Martinez, weighing only about 140 pounds, is a speedster. They also boast two big, strong tackles, one six feet 4 inches weighing 220 pounds and one six feet weighing about 200 pounds.

"They play ball control and don't throw very much," reports Coach Curry. "This week we will work on our throwing and try to develop a sounder running game," the head coach stressed. "We're

moving the ball pretty well, but we just can't seem to score. Last week against Tahoka we had 270 yards total offense, which should have been good for three touchdowns," he added.

Kenny Schuette's running looked good, and the linebacking of Craig Mann and Tommy Heinrich and the defense of Jerry Hopper was good. Greg Sokora also did a good job on defense.

"Our biggest mistake was in giving Tahoka good field position. Once we gave them the ball on the seven-yard line, once on the ten-yard line, and once on the forty-yard line. They turned all three of those miscues into touchdowns," said Coach Curry.

After the Cooper game, the Tigers have one more game -- Friendship on Nov. 17.

Helicopter Rides Taken By Slaton ROTC Students

Oct. 11 was a big day for the SHS Junior Army ROTC. Even though every day in ROTC is exciting and full of things to do, this day was an especially exciting one. Two Army helicopters from Ft. Hood came to Slaton High to give the girls and boys in ROTC a ride.

Not only were these helicopter rides given to ROTC students, they were also enjoyed by a few other persons who were given special permission to ride. Some of the few were the faculty of SHS (who wanted to), "Misty", the woman disc jockey on KLBK radio, and a television man from KLBK radio and TV.

Forsome, the helicopter ride was their first time up, and it was a thrilling experience.

Colonel Bowen and Sergeant Winters, teachers of this fine program, announce that the helicopters will be back in January.

Girl Of Month Is Named Here

Myra Heatley was chosen girl of the month at the FFA meeting held Oct. 10. Myra was elected because she was considered the hardest worker in FFA for the past month. She is also a member of HERO and is president of that organization.

Also during that meeting, the FFA officers made up a panel and answered question concerning the qualities they look for in a girl. After the questions were answered, refreshments were served and the business meeting was held. Plans were discussed for the bake sale. Plans were also discussed for a chili supper to be held Nov. 3. Chapter mothers chosen were: Mrs. Lee Heatley, Mrs. Donald Jones, Mrs. Merriell Abbot, Mrs. Brannon Busby, and Mrs. Douglas Neugebauer. About 70 members attended the meeting.

County tax office motor vehicle license receipt records are public records and must be preserved for five years. They may be examined by interested persons, and telephone questions about them can be answered at discretion of the tax office.

HOME COMING QUEEN -- Miss Loretta Dillon, escorted by Dan Butler, was crowned Homecoming Queen during activities at Slaton High School. Daughter of Mr. and Mrs. Robert Dillon, Loretta is a senior at SHS. (STAFF PHOTO)

Rehearsing For Play Nov. 10

Although the cast suspected it was not necessary, Mrs. Fondy demonstrated a kissing technique for Dwayne. Reports indicate that Dwayne and Kayleen Carnes, the recipient of the kiss, both blushed a vivid red during the demonstration, much to the delight of the group.

Craig Mann is the most versatile member of the group, substituting first for one member of the cast, later for another. He performed well in male and female roles.

The telephone incident happened when Kay Stephens and Frana Gass fought over the phone and hit Dwayne in the face. Frana is credited with saying "Scram---Paynus."

Randy Marshall, an outstanding actor, has been enjoying Elvis Presley and Pig Sales, or has tried to, while the rest of the cast was hard at work. Randy, a real cowboy, can be seen around rehearsals with his pants legs down in his boot tops, and with a big black hat on his head.

Willie Thomas, who is Hercules in the play, says, "I think more students should have tried out for parts. They should not have been discouraged by the large number of students who were in the try-outs."

The play, "It's Great To Be Crazy," will be performed at the Slaton High School auditorium on Nov. 10. Admission will be 75¢ for students and \$1.00 for adults.

Read Colossians 1:23-29

Jesus looked at them and said to them, "With men this is impossible, but with God all things are possible." (Matthew 19:26, RSV)

While looking at an autumn sky as it meets the end of its sunlit hours, have you ever wondered how it could be so perfectly still, so vast and thrilling? It is almost as if that expanse of firestreaked blue covered one's entire lifetime. Such a sky is a miracle!

After a particularly frustrating day, I glanced out my window, wondering where hope had gone. If it were within one of those peachy cloud puffs, then I wanted to pluck one for myself. Quickly realizing that something much stronger was within immediate reach, an instance of wonder exploded. God seemed to tap on my shoulder with, "Hey, remember me?" Oh, yes, I remembered!

PRAYER: Dear God, no doubt about it, some days really get me down. I know of Your power, Your love, Your wisdom. They are in the sunsets, on city sidewalks, within the call of my heart. Please help me to remember in thankfulness, Lord, the bounty to be given, the bounty of Your possibilities. In Christ's name, thank you. Amen.

THOUGHT FOR THE DAY:
The God who paints the sunset can paint our lives, too.

a weekly message relating the world of today to the lessons of Faith and Church...

The morning stars sang together, and all the sons of God shouted for joy.

—Job XXXVIII, 7

How peaceful is the morning as it breaks the sky in the East and the sleeping village begins to stir. The morning call of the birds echos forth and the shadows leave the river. It is a new day, full of promise and hope. With this new day, we have time to do good things, to do good works, to help promote a better community, a better world.

Caudle, Cooper Frustrate Eagles

BY JIMMY MATSLER

The Cooper Pirates unleashed Bobby Caudle and a tenacious defense and both proved too much to handle for the Roosevelt Eagles last Friday night as the Pirates took a 16-0 homecoming victory.

Caudle scored both Pirate touchdowns, intercepted three passes, tied for the team rushing lead, and was in on 13 tackles in a brilliant performance. His teammates limited the Eagle rushing to 131 yards and only once let the Eagles penetrate the Cooper 48-yard line.

Turnovers also told the tale, as Roosevelt was intercepted five times and fumbled twice.

A fumble on the Eagles' opening play from scrimmage led to the first Pirate score. Todd Hammond recovered a fumble by Eagle tailback John Blackwell at the Eagle 18 with less than three minutes gone in the first quarter. Facing fourth down and goal from the four, Caudle swept around end and dove in to cap the 9-play, 18-yard drive. A high snap prevented the attempted extra point kick, making for a 6-0 Pirate lead with 5:10 to go in the initial period.

The Pirates completely dominated control of the ball in the first quarter as the Eagles received only seven snaps from center with no first downs.

On the second play of the second quarter the Eagles, facing fourth and long from their own 14, punted the ball away. Kenneth Bobo booted the ball all the way to the Pirate 46 where Caudle took the ball, faked a reverse to Junior Martinez, picked up some blockers, and sped down the sidelines 54 yards to score. The play came with 11:06 left before halftime. Ronnie Jones booted the extra, for a 13-0 Pirate lead.

After the kickoff the Eagles made their only serious scoring threat of the night. They drove 65 yards in 13 plays, to the Pirate 9-yard line before the drive fizzled out. The Eagles gained a first down on the Pirate 11-yard line, but three plays netted no gain and Joseph Brown's attempted 28-yard field goal was wide, preserving the 13-0 Pirate lead at half-time.

Not much action was generated in the second half, as both defenses became very stingy. However, Cooper was able to manage a 42-yard field goal early in the final period by Rick Greer.

The Pirate defense was led by a quartet of players, as Lance Hlavaty, Kevin Jones, Caudle, and Johnny Threet were all in double figures in tackles. Hlavaty was the leader as he was in on 18. He also intercepted a pass and recovered a fumble. Kenny Perry, Gilbert Brown, and Garret Mitchell were in on 12 tackles each for the Eagles.

John Blackwell led all rushers in the game with 70 strides on 16 carries. Martin Aleman tied Caudle for the Pirate rushing lead with 56 yards on 19 carries. Caudle got his 56 on but 9 carries for a 6.2 average.

Caudle suffered an ankle injury near the end of the game, and limped badly leaving the field.

Hello, friends and neighbors. Here it is November and it won't be long until "Turkey Day," so you better kinda start dieting so when that important

day rolls around you will be ready for it. Wish I would practice what I preach.

Defensive Driving Course Can Save On Car Insurance

Some auto owners can qualify for a 10 per cent discount on their automobile insurance by completing a new defensive driving course, which will be offered in Slaton starting next week.
Those enrolling in the course will attend classes one night a week, two hours each night, for four weeks, or a total of eight classroom hours, according to the Slaton insurance agents who

are offering the classes here. Several Slaton insurance agents are qualified to teach the course after taking special training. They include Bob Kern, Don Kendrick, Jack Clark, Wayne Edwards and Chester Williams. One class will begin on Thursday, Nov. 9, at 7:30 p.m. in West Ward Cafeteria, and will meet on the next three Thursdays after that. Another class will be on Tues-

days, starting Nov. 14. Those signing up for the classes should bring \$8 to pay for materials. It was explained that in any family where the car already has not been credited with a discount because of drivers education, credit for a 10 per cent reduction may be earned by the primary adult driver's taking the course. Anyone desiring more information about the classes was

urged to call on of the above-mentioned agents.
The course is for adults and is designed to make participants more safety-conscious, Kern said.

FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 48. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.

Wilson Rips New Home 34-6

The Wilson Mustangs found the airways and fairways to their liking last Friday night when they gained a total of 483 yards while downing the New Home Leopards 34-6.

The Mustangs popped the Leopard defense for 279 yards rushing and 209 yards passing. The leading ground gainer for the Mustangs was David Hernandez with 130 yards, plus a 31-yard pass reception;

followed by Greg Wied with 130 yards and a 6-yard pass reception. Danny Crowson was the leading pass receiver with 88 yards, followed closely by Chris Coleman with 84 yards.

The above statistics were garnered behind some excellent blocking provided by tackles Leland Brieger and Arturo Zuniga, guards Tony Bishop and Clyde Wilke, and center David Savell.

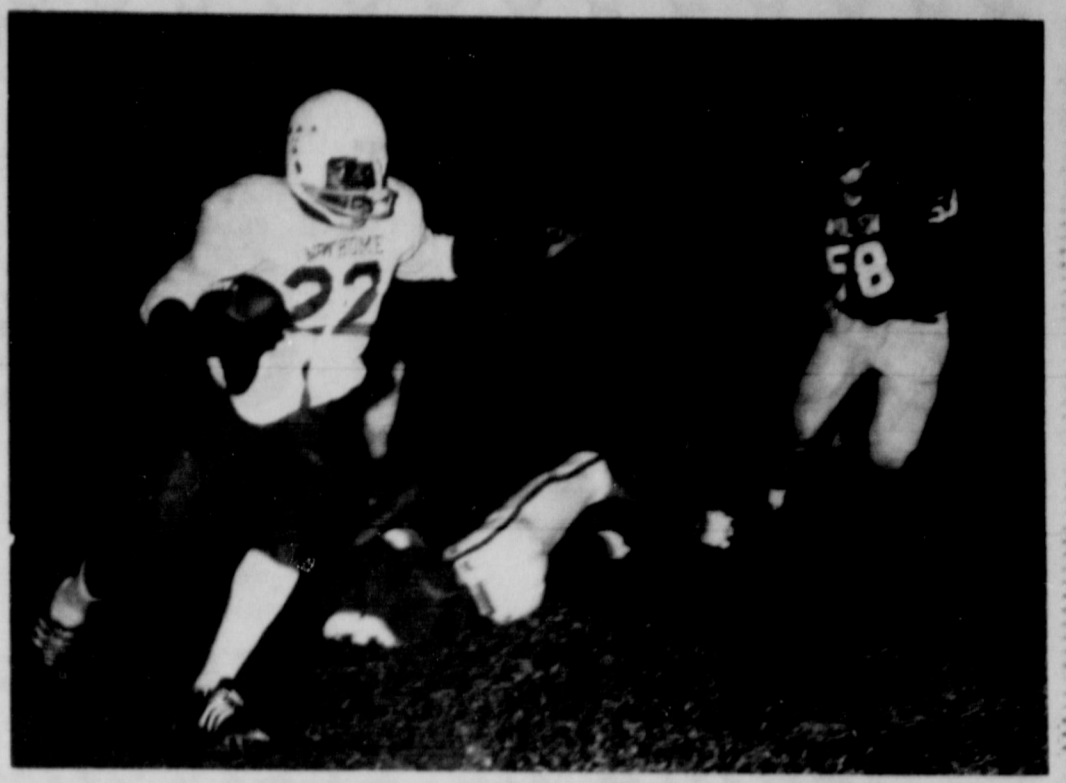

The first quarter opened with neither team being able to score but the Mustang ground troops rolled up 70 yards rushing but was kept in the hole by two tremendous punts by New Home's Stanley McNeely. McNeely got off two punts, one of 54 and 64 yards.

The second quarter was a little different as John Fields went to the air for 115 yards passing and 64 yards rushing. The scoring came on a 2-yard drive by Wied and a 1-yard run by Hernandez. Fields kicked one extra point to make the halftime score 13-0 in favor of Wilson.

Lynn Jones scored the lone Wilson TD of the third quarter on a 1-yard run followed by the extra point pass from Fields to Coleman to make the score 21-0. New Home countered for their lone score of the night on a 42-yard pass to Earnest Thomas from David Smith. The extra point failed.

Wilson capped the fourth quarter off on a 12-yard touchdown run by Hernandez with Fields adding the extra and Fields found Crowson with a 35-yard TD pass to end the scoring.

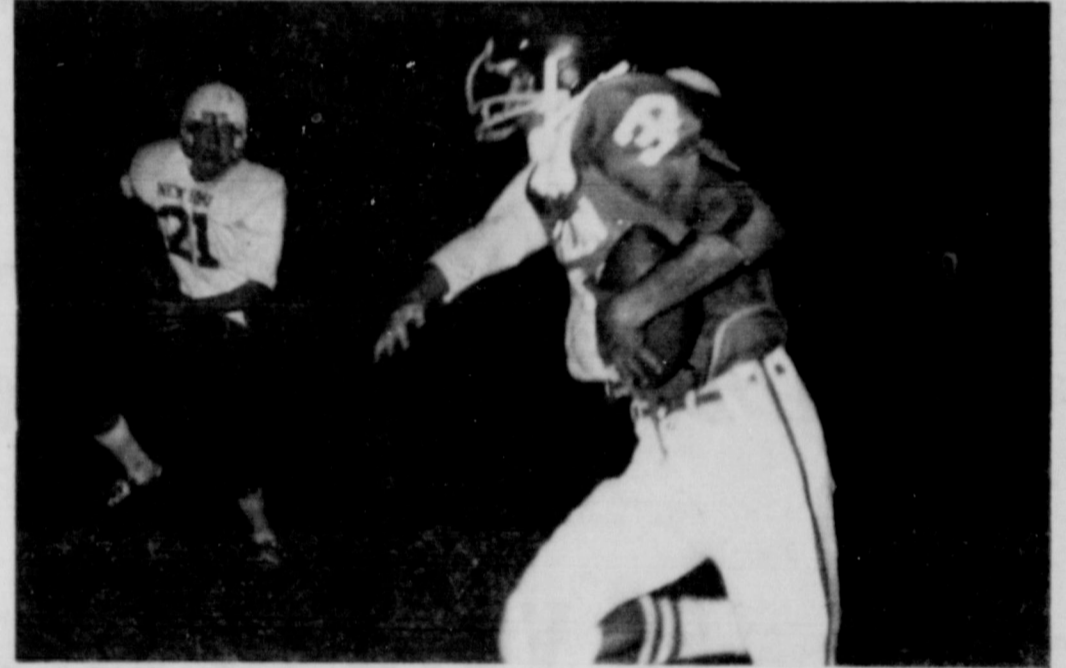

McNeely led the New Home offense with 68 yards rushing and a 54-yard punting average. Johnny Arellano and Wied the Mustang defense with 13 tackles each, followed by Crowson, Lester Walker, and Brieger.
