

THE PROPOSED CITY CHARTER

Facts in Which All Slaton Citizens Are Interested.

(Editor's Note: After studying the proposed new city charter, upon which Slaton citizens will vote on Tuesday, March 19, and after discussing the charter with various members of the charter commission and other Slaton citizens, The Slatonite believes the proposed charter should be adopted by a unanimous vote of Slaton people when the election is held on March 19. In an effort to help our readers get to clearest possible conception of what the charter provides, we are presenting some brief discussions on some of the main points included in the proposed charter.)

Series No. 3.

Again, we would recount the points covered in this column in the last two issues of The Slatonite, then a few more remarks will be in order as we publish our last edition prior to the city charter election, to be held next Tuesday, March 19. Let us remind you:

1. That the proposed charter leaves the tax rate unchanged.
2. That we will have better official representation with a mayor and four commissioners than is possible with a mayor and only two commissioners, considering that each of the four commissioners will come from and be elected by a separate city ward.
3. That the laws governing laying of sidewalks and paving are exactly as they have been in force in Slaton since 1925. These laws are exactly like the Texas laws on these matters.
4. That the fee system for all city officials will be abolished.
5. That a cemetery association will be created.
6. That the Board of City Development will be provided for.
7. That economy in the city's affairs is assured under the proposed charter.
8. That no city manager will be employed until Slaton is large enough to adopt this plan profitably—population of 12,000 will be reached before a city manager may be employed.
9. That the privileges of initiative, referendum and recall are granted to the sovereign voters of the city of Slaton under the proposed charter. These are exceptionally fine provisions.

Now, The Slatonite believes each voter should study the issues and become well informed about how to vote in any election. We make a practice of doing that for ourselves. After doing that with reference to the proposed city charter, we are most thoroughly convinced that the charter deserves the support of every qualified voter of Slaton.

However, we want to make a rather strong statement just here, and we mean every word of it, too. If we had not found time to study the proposed charter, we would have felt perfectly safe in voting for it after learning who the fifteen men were who prepared and recommended the charter to the voters of Slaton. We say this because those fifteen men could hardly make a serious mistake in preparing a charter for this city, after taking three months in which to study, prepare and agree upon the charter as they did. Those fifteen men are of the type that can be depended upon. And, we therefore say that, in this case, a man or woman would be safe in voting for the charter blindly, not having studied it for himself.

We would like to pay tribute again to the fifteen members of the charter commission who prepared such an excellent charter for Slaton, and we want to name them again in this column: J. S. Edwards, chairman; W. E. Olive, secretary; S. S. Forrest, A. J. Payne, G. J. Catching, W. E. Wilson, W. H. Smith, Dr. S. H. Adams, J. H. Brewer, J. W. Hood, W. E. Smart, S. E. Stages, P. G. Stokes, T. A. Worley, Sr., and R. A. Baldwin.

Again, we want to say we believe the charter should be adopted by unanimous vote next Tuesday. Every voter should go to the polls and VOTE. Adoption of the charter will mean a better Slaton, and certainly we are all anxious to improve our city. There is no question about the desirability of the charter. It gives us home rule government, removing the handicaps now imposed upon us.

THIRD PRETTY LAWN CONTEST IS ANNOUNCED

Chamber of Commerce Will Again Foster Beautification

For the third successive year, the Slaton Chamber of Commerce will conduct a "Pretty Lawn Contest", encouraging beautification of lawns in Slaton, it was decided at a meeting of the board of directors, held Tuesday night.

The plan and rules governing the contest will be virtually the same as those used last year, it was announced. A few slight changes might be made, but they will be of a minor nature, if any are made at all.

Prizes last year totaled \$50 in cash and the same amount in trees, shrubs, flowers, seeds, etc. The cash prizes will be given again this year, and it is thought the other prizes will be practically the same, although definite reports confirming these prizes have not yet been received from all of the nurseries and seed houses that contributed prizes last year.

Slaton people should proceed with plans for making their lawns more attractive than ever, and then be ready to enter the lawn contest when rules are published in the next few days, according to L. A. Wilson, secretary of the Chamber of Commerce who declared that "Slaton has established a reputation as being one of the most attractive West Texas cities, and should by all means seek to strengthen this reputation, for, after all, attractiveness, pretty homes and pretty lawns impress the stranger to the advantages of living in such a city, besides making our own lives richer in the enjoyment of these beauties."

Santa Fe Program Has Good Crowds

The Santa Fe Reading Room program, put on last Monday night, at the high school auditorium, had a splendid attendance, according to Uncle George Marriott, local Reading Room manager. He stated the large auditorium was filled to maximum capacity. Order was especially good at this entertainment, Uncle George stated.

Congressman Upshaw As a Humorist

Congressman Upshaw, who speaks in Slaton at 7:30 p. m., Tuesday, March 19, at the First Baptist Church, while usually taken seriously by his audience is nevertheless brimming full of rich anecdotes bubbling with humor and fun, and he knows how to tell these stories as well as any man in America.

Dr. Len G. Broughton, himself an internationally known preacher, is quoted in the following statement: Called upon right at the last of the Wake Forest college banquet in Richmond, I heard Will D. Upshaw fairly walk off with the crowd in the most captivating, masterly banquet speech I ever heard. I believe in my soul he is the best after-dinner speaker in America."

The story of Mr. Upshaw's handicap, through an accident early in life, and his comeback to a man of prominence and achievement, reads like a fairy tale. Collier's weekly, referring to this, said: "Upshaw is the most amazing man in Congress. He is an old-time Sunday school story book come to life."

The late president E. Y. Mullins of Southern Baptist Seminary has said that Upshaw is the logical successor to William Jennings Bryan.

A crowded house is expected to hear him Tuesday.

Go to the polls Tuesday. Vote for Slaton's progress. Let's make it unanimous. Vote FOR the charter.

Switchman's Condition not Improved, Recent Report

The condition of Roy Rogers, 25, local Santa Fe switchman, who was seriously injured in the company's yards here last Sunday morning, was reported Thursday afternoon as being unchanged.

Injuries that threaten his life were sustained while Rogers was attempting to make a coupling of box cars, it was stated. Following the accident, he was rushed to the Lubbock Sanitarium, where he has had continuous surgical attention.

Several bones of the accident victim's body were crushed, the amputation of one of his feet being necessary immediately upon his arrival at the sanitarium.

High School P.-T. A. Organizes and Begins Activities

The Parent-Teacher Association of the high school has resumed its work after several months of inactivity. A group of parents and teachers met Wednesday afternoon and voted, unanimously, to become active in the work. In a round table discussion it was pointed out that the value of the work to pupils, parents and teachers could not be fully measured and all expressed a determination to be punctual and energetic in the future.

Those present pledged themselves to notify others and thus secure large attendances for the future meetings. The next meeting will be held Wednesday, March 27. A fine program will be arranged and presented. Discussions that will be helpful to all parents will be led by wide awake friends of the school.

Delegates will be sent to the district meeting at Floydada, April 8, 9 and 10. The delegates are authorized to pledge a Life-time Membership fee at this meeting. This membership will be presented to some worthy member of the local association. Now, there is a great deal of enthusiasm among those present and we are confident that we shall have a large attendance at the next meeting.

Tuesday evening the team to represent Slaton high school in the county interscholastic meet was chosen. Otis Sipe and John Rayburn were selected from among six contestants. A debate was held, lasting nearly two hours. The six boys each gave both main and rebuttal speeches. All did well and showed remarkable improvement in the work. Frank Stalcup was chosen alternate, since he stood third in efficiency, according to the judges. The boys showed fine sportsmanship and took their defeats and victories in a fine way. Those who were not chosen as debaters have entered into the extemporaneous speaking or the declamation work. The Club will continue the public speaking course, until the close of the year. The gentlemen who served as judges were: Judge Dennis Kemp, Judge Roy Baldwin and R. D. Griffin.

Invitation Track Meet. Slaton has invited the track teams of many of the surrounding schools to meet here in a friendly competition, Friday afternoon, March 22nd. This should bring large crowds of people to Slaton to see their home teams try for the supremacy of Field and Track events. Many people have never seen anything of this sort and are promised wonderful thrills in the close contests that will be held. Lubbock has already accepted the invitation. This, alone, guarantees a contest worth seeing. Adding to this the entry of some of the finest athletes on the South Plains, we shall, indeed, have a great time. For Slaton, we shall see perhaps the fastest dash man in West Texas, Cecil Austin, in action. Cecil will also run low hurdles and compete in javelin throw and broad jump. Ardie Nowell is a high hurdler of much speed and skill. The Cannon boys, of course, will be seen in action; Cecil Scott will show his ability in

Banquet for Santa Fe Men, Slaton Business Men at Club House Monday Night Will Attract Big Attendance

A large attendance of Santa Fe men and Slaton business men is expected for the banquet to be held Monday night at the Slaton Club House, according to committeemen in charge of planning the affair. Probably 100 men will be at the banquet, it is estimated.

J. A. McGinnis and his force of ticket salesmen will dispose of tickets for the banquet among Slaton Santa Fe employees. Among the business men, the ticket sales will be made by a committee composed of T. A. Worley, Jr., Dr. W. E. Payne, J. H. Brewer, T. E. Roderick, George Green and H. S. Riggs.

Arrangement of the program is in charge of W. H. Smith, J. A. McGinnis and L. A. Wilson.

The banquet will begin at 7:30 o'clock Monday night, it is announced.

High School to Stage Big Carnival, 15-16

The Senior Class has completed plans for holding a huge indoor carnival for the benefit of the High School Annual. Many shows and attractions will greet the visitors. The Carnival will be given in the old Home Furniture building on Texas Avenue, on Friday night, March 15th, and Saturday afternoon and night of the 16th. A small admission charge will admit one to the building and the ticket received may be used for its face value on any attraction inside.

A King and a Queen of the Tigers will be elected by popular vote. The contest will close at 10 p. m. Saturday.

These are the candidates from the High School, for the contest: Seniors: Ronald Woolever and Tommie Kirby; Juniors: Demp Cannon and Pearl Edmonson; Sophomores: John Rayburn and Joan Drewry; Freshman: Nick Montague and Beatrice Henry.

Committees Will be Chosen for C. of C.

Twelve standing committees, to serve the organization during the next year, will be chosen by the board of directors of the Slaton Chamber of Commerce at the next regular meeting, it was decided at a meeting held Tuesday night. A committee on committees, composed of W. H. Smith, T. A. Worley, Jr., and Dr. W. E. Payne, was named, and this committee will make recommendations at the board's next meeting.

The committees of the past year were named in March, 1928, and will be replaced by the new committee arrangement, with some changes in committee personnel being expected, it was announced.

RETURNS FROM VISIT.

Cletus Nesbitt, of the M System Store, has just returned from visits in Ft. Worth, Dallas, and other points in that section. Cletus stated he had very enjoyable visits, and a very good trip, though he encountered considerable rain and "skiddy" roads. He states farmers of Central Texas are not yet able to begin their planting on account of too much moisture. Cletus drove from Dallas to Slaton in one day, doing daylight driving between the two cities.

high jump; Carl Allen and Jack Stalcup will assist in this feature of the meet. John Simmons in the mile run, while such men as Gentry, Morrison, Jim Smith, Wayne Smith, Herman Lemens, J. C. Harris, Frank Johnson, Choice Rucker and Lawrence Evans will take care of the long distance work. Irvin Reed, Raymond Dunn and others will take care of the weights and discus.

It is a disappointment that we have to give up the great old game of baseball, but other schools have left it off their lists and so Slaton had to follow suit for want of competition. Come out and see the track meet.—C. L. SONE.

El Paso Publisher And Family Visit Parents in Slaton

Mr. and Mrs. D. D. Roderick, of El Paso, and their children, Frances, age 6, and Buddie, age 4, are here on a visit with Mr. Roderick's parents, Mr. and Mrs. T. E. Roderick.

Young Mr. Roderick, who is publisher of the El Paso Times and Herald, and representative there of the Associated Press, states his home town has been undergoing sensational experiences during the present Mexican conflict.

While on the South Plains, Mr. Roderick will attend to business matters, after which he and his family expect to return to their El Paso home.

Principal of High School Gives Resignation to Board

After having served Slaton people, as a member of the faculty of the Slaton high school for a period of three years, H. M. Pevehouse, principal of the high school, has tendered his resignation, to become effective following the present school term.

The resignation, tendered by Mr. Pevehouse, to the board of trustees, is as follows:

"Slaton, Texas, March 4, 1929. From H. M. Pevehouse, To The President and Board of the Slaton Ind. School Dist. Subject: Resignation of Position. Gentlemen:

"Having been offered an assistant's or teaching fellowship, position in the department of Economics and Sociology in the University of Texas, where I desire to continue my studies in Agricultural Economics, I earnestly request that you accept my resignation as Principal of the Slaton High School. According to our plans, Mrs. Pevehouse will finish the work required for the B. S. in H. E., while Jack will be placed in the University Nursery School.

"In passing, may I say that my work here has been very pleasant and helpful due mainly to the loyal and efficient support given me by your most able and worthy superintendent. I shall revere the memories of these years.

Very sincerely,
H. M. PEVEHOUSE."

Junior Club Will Meet Sat. With Miss Smith

The Junior Civic and Culture Club will meet Saturday afternoon, March 16th, at 3 o'clock, with Miss Ruby Dan Smith, as hostess at the home of Mr. and Mrs. Zeph Fogerson, 560 South 9th St., in a social meeting, as literature for the scheduled program was unavailable at the present time.

All members are asked to attend this meeting if possible.

FIRE VICTIM WAS SLATON MAN'S FRIEND

J. F. Merrill, of Slaton, was in The Slatonite office Thursday and ordered this paper sent to his address for another year. While in the office, Mr. Merrill stated that W. E. James, who lost his life early last Monday in a fire at the Fort Worth Fat Stock Show, was a life-long friend of his. Mr. James and Mr. Merrill were schoolmates, and later were business associates, the latter stated.

MARRIED.

Alvin White, formerly of Smith's Service Station here, hied off to Midland last week, where he "took unto himself a wife," according to advices received by friends here. On returning to Slaton, he was given a rousing and cordial reception by his friends. Mr. and Mrs. White expect to make home in Lubbock.

AUCTION SALE, TRADES' DAY NEXT MONDAY

Slaton Merchants Give Special Prices for Auction Sale Day

Slaton's third free farmers' auction sale will be held next Monday, Mar. 18, on the east side of the public square, at the same place where the sales have been held for the past two months. Col. Joe Seale and Col. W. P. Casey, auctioneers who have been in charge of the other two sales, will be here to auction off whatever the farmers bring to the sale, and this service will be free, no commissions or charges being made for selling whatever is offered for sale at public auction sale that day.

In addition to the auction sale, next Monday will be a big Trades' Day in Slaton, with Slaton merchants offering special prices for that day. A full-page advertisement of the auction sale and Trades' Day is published in this issue of The Slatonite. More than twenty Slaton business firms are represented in the advertisement. They are offering special inducements to their customers to visit them next Monday and take advantage of these special Trades' Day prices.

These business firms are not only advertising the auction sale and Trades' Day and their own special offers, but they are bearing the expense of the auctioneers who will sell the farmers' goods that day, whether it be farm equipment that is not needed, household necessities, stock, or other things.

The sale and Trades' Day is being sponsored by the Slaton Chamber of Commerce, which organization arranged for the last two auction sales held here in January and February.

Monday is expected to be a big day in Slaton. The largest attendance that has been had at any of the auction sales is looked for Monday. The fact that a Trades' Day is now offered in connection with the auction sale is expected to bring an unusually large attendance here Monday for the two events.

ST. PATRICK'S DAY CELEBRATION

You are all invited and the band's engaged. We're going to have some fun, Monday night, March 18th, at the Club House. Old Casey will be there with his Irish Pipes and Fiddler Dooley, too. There'll be no wining, but dining, smoking, toasting and roasting. And a jolly good time for all, and if you have no place to hang your hat, why drop it on the floor.

Come on, ye terriers, show that Santa Fe bunch they have no greater claim to cordiality, courtesy and hospitality than the business bunch. Are you on? Of course.

WILL DISPLAY FREAK ANIMAL AT AUCTION SALE

A Holstein cow, measuring only 32 inches in height, a real freak in cattle circles, with her few days-old calf, will be exhibited Monday at the monthly auction sale to be held east of the city hall square, according to B. H. Garland, owner of the animal. The cow is a real mother, and is a good milker, Mr. Garland stated, saying that she gives more milk than the calf requires. Hence, it is necessary that the mother cow be milked twice daily. It is a very interesting sight to see this little animal caring for her offspring, according to those who have seen her. Those visiting the auction Monday should see these freak animals. Said to be in Lubbock.

Texas Prison Report Made by Federal Dept.

Washington, D. C., March 13, 1929. —The Department of Commerce makes the following announcement for the State of Texas concerning results of the 1927 census of state prisons and reformatories.

The Texas State Prison had a total of 2,325 prisoners received from the courts during the year 1927, as compared with 1,131 in the year 1910. The increase in the number of prison admissions in Texas between 1910 and 1927 was relatively greater than the growth in the State's population during the same period, as shown by the fact that the prisoners received from the courts in 1927 numbered 43.1 per 100,000 of population, as compared with 29 in 1910. The number of prisoners received from courts

and also the ratio of such prisoners to the general population increased steadily from 1910 to 1927. The number of prisoners confined in the Texas State Prison on Jan. 1, 1928 was 3,864, as compared with 3,523 on Jan. 1, 1910; but the ratio of such prisoners per 100,000 of general population decreased from 90.4 on Jan. 1, 1910 to 70.9 on Jan. 1, 1928. Of the prisoners received from the courts in Texas during the year 1927, 2,282 were males, and 43 were females; and of the prisoners present on Jan. 1, 1928, 3,797 were males and 67 were females. These figures are based on reports furnished by the State Board of Prison Commissioners. The figures for 1927 and 1928 are preliminary and subject to correction.

Charter for Future Farmers is Issued

College Station, Texas.—Charter for the "Future Farmers of Texas", an organization of vocational agricultural students of Texas high schools, was recently granted by the Secretary of State and the organization now has 108 chapters with total membership of nearly 2500, Dean C. H. Winkler, of the school of vocational teaching, A. & M. College of Texas, who is one of the incorporators of the organization, has announced. It is expected to complete the state organization in April.

As set forth in the charter, the "Future Farmers of Texas" has as its purpose the promotion and support of educational effort directed toward more efficient farming and livestock raising in Texas. The local chapters are made up of students of vocational agriculture in high schools throughout the state. The "future farmer" movement in Texas was begun at a statewide meeting here last summer of teachers of vocational agriculture, and its growth in popularity has been rapid. E. R. Alexander, professor of agricultural education at A. & M., has been directing the organization work. Incorporators of the state organization include Dean Winkler, Prof. Alexander and C. L. Davis, state supervisor of vocational agriculture. A national organization exists and the Texas organization, as in the case of other state organizations, will have affiliation.

The Pecos Mercantile Company is to install more than \$15,000 worth of new equipment with a new mezzanine floor, a new men's shoe department. This store when built twenty years ago was considered one of the most modern in West Texas.

Adults Contract Children's Diseases

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly cures round and pin worms from children will do the same for adults—White's Cream Vermicide, which you can get at

CITY DRUG STORE

Middle Life Troubles

"About twenty years ago, my health was very bad," says Mrs. Mat Howard, of Terrell, Texas. "I was passing through a critical time in my life, and I suffered a great deal. I was not at all strong, and my nerves got all upset. I had hot flashes, and sometimes would get suddenly so faint I could not stand up. My head would whirl, and I could not see a thing. I would have to lie down for hours at a time. I improved so much after I had taken Cardui for a while. I continued the medicine for some months, until I had passed the critical period. Since then, I have given Cardui to my five daughters. All of them have continued the use of Cardui in their homes. We have all been better for having taken it."

CARDUI
Helps Women to Health

Take Cardui if you suffer from Headaches, Constipation, Indigestion, and Biliousness. Only 1 cent a dose.

Beat Neighbors; Use Level Cotton Rows

ALBANY.—By running his cotton rows on the level according to the contour of the land, E. W. Carlson of the Perryville community made what is described as "the only decent yield of cotton in the community" last year. This seed was not very rolling but the contour rows were a great help in avoiding the row showers that fell, and this meant the difference between a good crop and a poor one. His yield doubled and trebled those of his neighbors. One of them went to the county agent, A. C. Magee, during the cotton picking season with a request for a terracing school, explaining that, "Mr. Carlson is no better farmer than I am, he didn't plant any better seed than I did, and he doesn't have a better farm than I have, but he made twice as much cotton per acre as I did. The only difference that I can figure out is that he had his rows on a level."

Milly: "I wouldn't marry you if you were the last man on earth."
Billy: "Of course not. You'd be killed in the rush."

Second Sheets for sale at this office.

Not Static.
A customer in a bird store asked the clerk about a particularly beautiful parrot.

"But does he swear?" she asked timidly.
"Not much, Madam, but what there is of it is loud and clear."

SHALL WE LET THEM FAIL?

The past week report cards were sent out to all parents of school children. We wonder whether they have seen them. If they do not show good grades, something should be done about it; a better understanding between teachers and parents and pupils should be had. Intensive home study should be arranged. The policy of the school is to hold for reasonable standards. If the pupils will not make the required grades what shall we do? Nothing, it seems to us, but to hold them over for the same courses another year. If this does not suit the pupil or the parents (and it certainly does not suit us), then let's wake up to the fact that that is just what is going to happen unless these failing pupils get to work and bring up their grades. Hence we are calling upon the parents to see that opportunity is given for home study. Added to this the teachers will continue to do what they can to assist the pupils in their work.

We are trying to carry the school to the people and make it worth while. Just "getting by," on the part of the pupil, just passing, are certainly poor standards. Just getting by, very likely, will mean a failure later on.

This message is to everyone—parents of children of all grades. We wish to prepare for the close of the school with all of its disappointments and all of its joys. Let us make it a joyous occasion because of the promotions and graduations. Please read The Slatonite and keep up with our aims and policies.—C. L. SONE, Supt.

Calvin A. Fleming, 70 years old, drives his Model A Ford touring car from St. Paul, Minn., to his Louisiana plantation, twenty miles south of New Orleans, in four days. He never had a puncture on the 1,409 mile trip.

Married His Grandmother.

Amsterdam, Holland.—Zwolle, in the province of Overijssel, reports the marriage of a man to his grandmother. His father, marrying a second time, chose a girl of 20 whose mother was 45. The son married the latter, so that he is now his father's stepfather.

ELECTION ORDER.

Be it ordained by the Board of Trustees of Slaton Independent School District, that an election be held at City Hall, in the Town of Slaton, in said Slaton Independent School District on the 6 day of April, 1930, for the purpose of electing three (3) School Trustees for said Slaton Independent School District.

W. T. Brown is hereby appointed manager of said election, and he shall select two judges and two clerks to assist him in holding the same, and said election shall be held in the same manner prescribed by law for holding other elections.

The return of said election shall be made to the Board of Trustees of said Independent School District in accordance with law.

A copy of this order signed by the president and attested by the secretary of this Board shall serve as proper notice of said election, and the president shall cause notice of said election to be given in accordance with law.

In Testimony Whereof, witness the signatures of the President and Secretary of said Slaton Independent School District and the seal thereof hereunto affixed, this the 14 day of March, 1929.

S. A. PEAVY, President.
Slaton Independent School District,
Attest: M. W. UZZELL,
(SEAL) Secretary. 58-3c

KNOW TEXAS.

The total population on tenant farms in Texas is about 1,250,000. On owned farms it is \$62,000.

About 1,000,000 persons residing in Texas were born in other states, Tennessee leading with 115,861 and Alabama next with 13,244.

The number of families in Texas has increased from 575,734 in 1900 to well over a million at present.

The present negro population of Texas is estimated at 779,000.

The center of population of Texas is about 13 miles southwest of Waco.

The tunnel being planned from the Detroit River to the Rouge plant of the Ford Motor Company will permit 1,000,000,000 gallons of water to flow into the power house of the Ford plant daily.

"And now," says the discharged sailor, "that I've told you about my affairs and of my intention to marry Elizabeth and settle down, there's one other thing that I would like to get off my chest."

"And what's that, Son?"
"This tattooed heart with Marie's name on it."

CHURCHES

CHURCH OF CHRIST.

We had a splendid audience last Lord's day. We had 132 in Bible classes. Let every member of the church try and be present next Lord's day. I will try to bring a message worth while.

Sunday school, 9:45.
Preaching, 11:00 a. m., and 7:45 p. m.
Communion service, 11:45 a. m.
Young people's meeting, 6:45 p. m.
Ladies' Bible study, Monday, 3:30 p. m., at the church building.
Prayer meeting, Wednesday, 7:45.
J. E. MULLINS, Minister.

AT THE PRESBYTERIAN CHURCH

Sunday, March 17, 1929.
Sabbath School meets 9:45 a. m.
Morning Worship at 11 a. m.
C. E. meets at 5:30 p. m.
Evening service at 7:30 p. m.
The pastor will preach at both services on themes of interest. At the morning hour the subject is, "The Christian Sabbath," Ex. 20: 8; in the evening on the subject, "What to Preach," Acts 13:44. We are praying and planning for a great service on the Sabbath.

The public always has a cordial welcome to attend all of the meetings. Come and worship with us for we want to help you.

— Rev. James Rayburn, Pastor.

 12. Choir Song—Wilson Juniors.
 13. Roll Call responding with a Bible verse.
 14. Closing Hymn—45.
- Leaguers, let us try to be present

DID YOU EVER STOP TO THINK?

By Edson R. Waite,
Shawnee, Oklahoma

E. W. Freeman, publisher of the Pine Bluff (Ark.) Commercial, says: THAT citizens of small communities or even resident of larger markets could have their economic problems solved if all people were to buy at home. People are not going to do that, as I have found out after many years of futile persuasion. People are going to buy where they can get the best bargains, or where they think they can. With this idea paramount in the mind, much business naturally goes to the larger markets. Citizens of towns of 500 go to markets of 1000 to 5000 population. Residents of a 30,000 town go to places of twice that population. Citizens of Memphis go to St. Louis, St. Louis residents go to New York, New York residents go to Paris. There is no way to curb this human trait. Thus, the big fish are eating up the small ones, which tends to pauperize the smaller communities and build up the larger ones. Farmers are leaving the country and going to the city because of transportation facilities. And eventually rural communities will be stripped of their population. The smaller community will be without a market and everybody will be buying elsewhere.

The old cry, "Trade at Home" has lost its kick. Smaller communities are doomed all because the residents of the smaller places will not buy at home when they can buy the same goods at equal prices in larger centers. The motive power of small bargaining is "the lure of the elsewhere".

The Henry Ford Trade School was started Oct. 26, 1916, with six students. At the beginning of this year, 2750 were enrolled. Boys are taught to be skilled workers at the school.

Visitors have passed through the plants of the Ford Motor Company at Detroit in such large numbers during the last year that on some months more than 50,000 persons witnessed production of the Model A Ford.

and show more interest in our league. Let us make it a hundred per cent attendance, as it seems as though we will have a good program. Ask your friends to come with you, for visitors are always welcome.—Reporter.

Every Woman Knows

Every woman knows how easy it is to burn or scald herself while working in her home. Every woman knows that these burns and scalds are painful and sometimes very slow to heal. Every woman should know that the pain of burns and scalds will be quickly relieved, infection positively prevented and speedy healing assured if Liquid Borozone is instantly applied. Get a bottle of Liquid Borozone and keep it handy in your medicine cabinet. Sold by City Drug Store.

NIGHT TRAPSHOOTING.

Under midnight skies and two million candlepower in electric floodlights, three veteran trapshooters, the oldest of whom was 81, broke anywhere from nineteen to twenty-three clay pigeons out of a possible twenty-five. This happened at the first night-time trap-shoot meet ever held, a gallery of four hundred spectators looking on. The night shoot took place on the range of the Lynn Fish and Game Association, of Lynn, Mass.

Attracted by the novelty of shooting at clay pigeons as an evening recreation, nearly sixty trapshooters from all over New England took part in the four events of the program. The dean of them was Norris G. Rowell, of Lynn, who is 81, and his two

fellow-veterans were Dr. F. L. Judkins, of Lynn, former New England champion, 75, and F. A. Farrington, of Peabody, Mass.

For 9 Years Gas Ruined Her Sleep

"Due to stomach gas I was restless and nervous for 9 years. Adlerika has helped me so that now I eat and sleep good."—Mrs. E. Touchstone.

Just ONE spoonful Adlerika relieves gas and that bloated feeling so that you can eat and sleep well. Acts on BOTH upper and lower bowel and removes old waste matter you never thought was there. No matter what you have tried for your stomach and bowels, Adlerika will surprise you. City Drug Store.

The Logical Trading Place for Men.

M. W. UZZELL, Prop.

Abe Kessel was a business visitor in Lubbock Thursday.

Mr. and Mrs. J. M. Simmons and Mrs. Claude Simmons were Lubbock visitors Wednesday.

Weldon, the two and a half year old son of Mr. and Mrs. L. M. Williams, is recovering following a serious attack of pneumonia.

Mrs. M. W. King and children, Clyde, and Miss Gertrude, were Lubbock visitors Tuesday.

The many friends of Miss Delyah Smith, saleslady at Cypert Dry Goods, are glad to see her able to be back at her work, after a severe case of the flu.

Miss Joe Hestand had as her guest over the week-end, Miss Vivian Sears, of Abilene, who is a former college friend of Miss Hestand.

Mr. and Mrs. W. H. Baker, of Truscott, visited last week with Mr. and Mrs. W. F. Maxey, and family.

Mrs. Tena Adams, of Pecos, Texas, has returned to her home, after visiting here with her sisters, Mrs. Lillian Butler, Mrs. A. G. Taggart, and Mrs. C. B. Jordan.

Vestal Lott, of Lubbock, and Miss Billie Nell Pirtle, of Acuff, were in Slaton Wednesday evening visiting with Miss Pirtle's sister, Mrs. Carl W. George.

Mrs. Ben Mansker returned Tuesday from Amarillo, where she visited with her sister, Mrs. Henry Rives. She was accompanied by her little son, Harley.

Mr. and Mrs. Howard J. Perkey, of Wellington, Kans., have moved to Slaton. They are at home at 335 S. Ninth Street. Mr. Perkey is a boiler-maker, and is with the Santa Fe here.

Marshall Holloman, student in Slaton high school, who has been connected with the Acorn Store here for the past several months, has been called to Abilene, where he will serve the firm as assistant manager. B. A. Toliver, formerly of Slaton, is manager of the firm's store at Abilene.

Mr. and Mrs. Charles Whalen and the latter's mother, Mrs. G. C. Hannon, were in Ft. Worth early this week, visiting the Fat Stock Show.

Mrs. T. N. McClendon, of Lamesa, is visiting here with Mrs. W. J. Anderson.

J. W. Hood returned Wednesday from points in East Texas where he spent several days on business.

Misses Rose Woods and Tommie Grace Clinton, of Tahoka, were the week-end guests of Mr. and Mrs. Earl Wilson.

Mrs. J. G. Blanks, who has been visiting with her mother, Mrs. Hill, of Slaton, has returned to her home in Whitewright.

Dr. W. A. Tucker, city health officer, reports favorable improvement in the health conditions in Slaton and vicinity.

Mrs. R. H. Tudor underwent a tonsillotomy operation at the Slaton Clinic this week. At last report she was doing nicely.

Mrs. J. W. Anderson had as her guests last week-end, Mr. and Mrs. G. H. Anderson and daughter, Mr. and Mrs. Troy Anderson, and Mrs. Carl Guess, all of Paducah.

Mr. and Mrs. Miniard Able expect to leave today for their home in California, after visiting here for several days with the former's parents, Mr. and Mrs. T. J. Able, and family.

MRS. R. G. KIRKPATRICK IS HOSTESS TO THE BLUE BONNET CLUB

The Blue Bonnet Club met Wednesday with Mrs. R. G. Kirkpatrick in social and business meeting. There were fourteen members present with Mrs. J. R. McAtee as a guest.

After the business meeting several games of 42 were played.

A handkerchief shower was given Mrs. Tudor, the retiring president.

The plate favors were St. Patrick's hats. The color scheme of green was carried out in the refreshments consisting of a salad course, cake and tea.

UNION NEWS.

Mr. and Mrs. Lee Rucker have a real sick child, suffering with pneumonia.

There seemed to be more interest taken in Sunday school last Sunday, as the crowd was somewhat larger than the previous Sunday.

Jim Lamb has a very sick child who has been in the Lubbock Sanitarium suffering with pneumonia, but is at home at this time.

Mrs. Ross Baring spent the day with Mrs. E. A. Dearing Monday.

Don't forget, the revival meeting starts at the Baptist Church Sunday. Everybody is cordially invited.

Mrs. Fred Payton, of Mexico, is visiting her mother, Mrs. E. A. Dearing.

Bill Kitten is building a new house on his farm. We are always glad to see improvements in our community.

Farmers are progressing nicely. Several have finished listing. Others hope to finish before the ground gets too dry and hard.

McDuff Gamble had to go to Lubbock to court this week.

There was a party at the home of B. T. Ussery Saturday night, which was very much enjoyed by all present.

R. G. Burkhalter is reported as doing fine after a tonsillotomy operation performed at the Slaton Clinic this week.

Mrs. W. J. Anderson, Mrs. T. N. McClendon and Mrs. M. O. Napps spent Wednesday and Thursday visiting in Anton.

Unintentional Suicide

Many people are slowly poisoning themselves just as surely as if they drank iodine every morning for breakfast. They are daily absorbing the toxins, or poisons, created by accumulated waste matter in their constipated digestive systems. Sooner or later disease will conquer their weakened bodies.

If you have dizzy spells, headaches, coated tongue, bad breath, insomnia, no appetite, bilious attacks or pains in the back and limbs, you are probably suffering from self poisoning caused by constipation. The surest and pleasantest relief for this condition is Herbie, the vegetable cathartic which acts in the natural way. Get a bottle today from

City Drug Store, Slaton

Topics of the Town -and- News of its People

W. R. Moore is in Brownfield this week on business.

Born, to Mr. and Mrs. Lon Coleman, Wednesday, March 13, a boy.

Dr. A. R. Hill was a business visitor to Lubbock Wednesday.

J. H. Baker, of Houston, visited Babe Bradley and family here recently.

P. G. Stokes and J. E. Lowrie were business visitors in Lubbock Wednesday.

Mrs. C. L. Turner left Wednesday for Los Angeles, Calif., where she will visit with friends.

E. Powell, of Van Alstyne, is in Slaton prospecting.

Mrs. Horace Hawkins is visiting with relatives at Coleman, Texas.

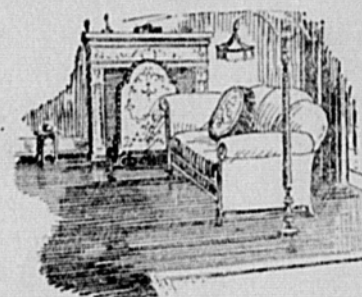

Miss Iva Cary spent last week-end in Lubbock visiting with her sister.

Mr. and Mrs. Jno. T. Lokey left here Tuesday for Dallas, for a few days' visit.

M. W. King and son, Wallace, were business visitors in Littlefield Thursday.

Mrs. J. W. Hood is reported to be improving following a severe attack of rheumatism.

Mr. and Mrs. Carl W. George, newly married couple of Slaton, returned Tuesday night from Ft. Worth, where they spent several days on their honeymoon trip. They are now at home at 720 South Eleventh St.

NOTICE OF CHARTER ELECTION.

AN ORDINANCE, ordering an election in and for the territory described in Section 1 of this Ordinance, to be held on the 19th day of March, A. D. 1929, for the purpose of submitting to the qualified voters resident within the said territory the question of the adoption or rejection of the proposed Charter prepared and framed by the Charter Commission heretofore selected; designating the place at which said election is to be held; appointing a presiding officer of said election, and declaring an emergency.

WHEREAS, on the first day of November, A. D. 1928, the citizens of the City of Slaton, Texas, in public meeting assembled, held at the City Hall in said city, selected a Charter Commission of fifteen (15) qualified citizens of said city to frame a new Charter for the said city; and,

WHEREAS, the City Commission of the City of Slaton, Texas, has examined into and investigated the regularity of the proceedings for the selection of the said Charter Commission and finds that the same were had in due and legal manner and in strict conformity with all the requirements of law; and,

WHEREAS, each and all of said fifteen citizens, so selected as aforesaid, duly qualified as members of said Charter Commission; and met and organized same, and duly proceeded to frame a new Charter for the City of Slaton, Texas, and heretofore, on the 4th day of February, A. D. 1929, as such Commissioners, signed such proposed new Charter, and duly provided for the submission of same to a vote of the qualified voters of said city and territory, at an election to be held upon the question of the adoption or rejection of such Charter upon the 19th day of March, A. D. 1929; and,

WHEREAS, the said Charter Commission provided that the present City Commission shall call the election for such purpose; and,

WHEREAS, the said Charter Commission will ratify and confirm and make the enactment of this Ordinance its act and deed, and will make such Ordinance its order for such election, all of which will be evidenced by the signatures of the members of said Charter Commission appended hereto under the words: "APPROVED BY CHARTER COMMISSION"; therefore,

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SLATON, TEXAS:

Section 1. That an election shall be held on the 19th day of March, A. D. 1929, within and for the territory set forth in the proposed Charter, as constituting the City of Slaton, Texas, described by metes and bounds as follows, to-wit:

Beginning at the southwest corner of Survey No. 44 in Block S;

Thence West 640 feet to a point in the south boundary line of Survey No. 47, same block;

Thence South 3,000 feet to the southwest corner of the northwest quarter of Survey No. 20, in Block No. 24;

Thence East 7,920 feet to the southeast corner of the northwest quarter of Survey No. 19, in Block No. 24;

Thence North 2,009.2 feet, being thirty (30) feet north of the Northeast

corner of Lot No. 1 in Block No. 52 in the South Park Addition to the Town of Slaton, Texas;

Thence East on the south boundary line of Geneva Street 2,040 feet to the west boundary line of Survey No. 18 in Block No. 24;

Thence North on Avenue F 612 feet to an iron stake for corner;

Thence East along the south boundary line of Block No. 117 in the South Slaton Addition to Slaton, Texas, 320 feet to the east line of said block;

Thence North 2,400 feet to stake for corner;

Thence in a Northwesterly direction approximately 6,200 feet to an iron stake in the south boundary line of Survey No. 43, Block S, 300 feet north of the northwest corner of Lot No. 50 in the extension of Block A of the Original Town of Slaton, Texas;

Thence South 400 feet to the southwest corner of Lot No. 50 in the extension of Block A of the Original Town of Slaton, Texas;

Thence in a southeasterly direction along the south boundary line of the extension of said Block A of the Original Town of Slaton, Texas, 1,000 feet to the southwest corner of Lot No. 30 in said Block A;

Thence South 34 deg. 32 min. west 2,090 feet to a monument;

Thence North 55 deg. 33 min. west 3,192 feet to the west line of Survey No. 44, Block S;

Thence South 4,572 feet to a stone, being the southwest corner of Survey No. 44, in Block S, the point of beginning; at which the following proposition shall be submitted:

Shall the Charter reported by the Charter Commission to the City Commission of the City of Slaton, Texas, on the 4th day of February, A. D. 1929, and which had been duly prepared by the Charter Commission duly selected by the qualified citizens of said city in mass meeting assembled on the 1st day of November, A. D. 1928, be adopted as the Charter of the City of Slaton, Texas, as contemplated and authorized by the Constitution and laws of the State of Texas, including Chapter 13 of Title 28, Revised Civil Statutes of the State of Texas of 1925?

Section 2. Said election shall be held at the City Hall in the said City of Slaton; J. H. Teague, Sr., is hereby designated and appointed presiding officer at said election, and he shall select two judges and two clerks to assist him in holding the same.

Section 3. That said election shall be held under the provisions of Chapter 13 of Title 28 of the Revised Civil Statutes of the State of Texas of 1925, and all persons resident within the limits of the territory defined in Section 1 of this Ordinance who are qualified voters under the laws of Texas, regulating general elections shall be allowed to vote.

Section 4. That the manner of holding said election shall be governed by the general laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the law hereinbefore referred to.

Section 5. All voters desiring to adopt the Charter so prepared and reported by the Charter Commission shall have printed on their ballots the following:

"OFFICIAL BALLOT CITY ELECTION. QUESTION: Shall the Charter framed by the Charter Commission be adopted?"

FOR the adoption of the Charter. All voters opposed to adopting the Charter so prepared and reported by the Charter Commission shall have printed on their ballots the following:

"OFFICIAL BALLOT CITY ELECTION. QUESTION: Shall the Charter framed by the Charter Commission be adopted?"

AGAINST the adoption of the Charter. Section 6. That the actions of the aforesaid Charter Commission, and of the City Commission, in calling the election for the purpose hereinabove stated, and in all other respects with reference to the framing of said Charter and submitting the same for adoption or rejection, are hereby ratified and confirmed, and the said Charter Commission, or the members thereof, shall ratify and confirm all things done by the present City Commission of the City of Slaton, Texas, with respect to the matters and things dealt with in this Ordinance, and shall make the same their act and deed by subscribing their respective names hereto under the caption, "APPROVED BY

CHARTER COMMISSION," and such names so subscribed shall be published as a part of this Ordinance.

Section 7. A copy of this Ordinance shall be sufficient notice of said election, and thirty days' notice of the time and place of holding the said election shall be given by posting certified copies thereof in three public and conspicuous places within the said designated territory as set out in Section 1 of this Ordinance, one of which shall be at the City Hall, at least thirty days prior to holding said election, and by publication of such notice once each week for five weeks, the date of first publication being not less than thirty full days prior to the date of said election.

Section 8. The fact that the present form of government of the City of Slaton is inadequate, and that the public interest requires a change in the form of the government of said city, creates an emergency and an imperative public necessity that this Ordinance take effect and be in full force from and after its passage (there being no Ordinance of said City requiring Ordinances to be read at more than one meeting of the Commission), and it is ordained that this Ordinance shall take effect and be in full force immediately upon its passage and approval.

Passed and approved this 15th day of February, A. D. 1929.

W. G. REESE Mayor.

ATTEST: HARVEY AUSTIN, (SEAL) City Secretary.

APPROVED BY CHARTER COMMISSION.

J. S. Edwards, W. E. Olive, S. S. Forrest, A. J. Payne, W. R. Wilson, W. H. Smith, J. W. Hood, W. E. Smart, P. G. Stokes, T. A. Worley, J. H. Brewer, G. J. Catching, S. H. Adams, S. E. Staggs, R. A. Baldwin.

THE STATE OF TEXAS, CITY OF SLATON, COUNTY OF LUBBOCK.

I, Harvey Austin, City Secretary of the City of Slaton, Texas, do hereby certify that the above and foregoing is a full, true and correct copy of the Ordinance Ordering Charter Election passed by the City Commission of said City of Slaton on the 15th day of February, A. D. 1929.

In Testimony Whereof, I have hereunto set my official hand and affixed the Seal of said City, at office in Slaton, Texas, this 15th day of February, A. D. 1929.

(SEAL) HARVEY AUSTIN, City Secretary, City of Slaton, Texas.

Color to Woman Is Magic, is Said

COLLEGE STATION.—"The pot of gold at the end of the rainbow is only a legend, but to the fortunate woman who can wisely choose, the colors in the rainbow are worth a pot of gold for their part in enhancing her charms and reflecting her loveliness. With the passing of dull and colorless winter, woman should take a lesson from nature, enter into the spirit of spring, and put on new color in the clothes she wears." Pointing out that shops are full of the new and beautiful spring colors, Mrs. Dora R. Barnes, clothing special-

ist in the A. and M. College Extension Service, gives a few hints to women on the magic of color. "Color can make us happy or unhappy," she says. "It is one of the most important factors in selecting a costume, gives it life and feeling and expresses the personality of the wearer more than any other one factor. Since color well the individual mood and personality they should be an expression of one's best thoughts; charm and delight the wearer as well as the observer; and fit in harmoniously with the wearer's surroundings." "Colors related to each other always go well together. Yellow and green combine well because green is made of blue and yellow. The more yellow in the green the greater the harmony. Colors also combine well with their complements. For example, blue and orange go well together because yellow is the complement of blue. Dull, sombre colors make one very retiring while bright, gay colors make one more cheerful and aggressive. A little retiring woman dressed in gray sinks into the background, but note

he effect of bright red on a very aggressive girl. "Of all the browns," says Mrs. Barnes, "sherry brown is the newest, smartest shade. Beautiful blues are more diverse than usual, ranging from the bright monet to a grayish blue." The greens are soft this year, and red still follows the wine shades."

29 CLUBS AND SOCIETIES FOUND AT T. C. U.

FORT WORTH.—A recent survey shows 29 student societies and clubs at Texas Christian University, with a total membership of approximately 900. Eight of the 29 organizations are chapters of national societies.

The purpose of the survey, according to Dean Colby D. Hall of T. C. U., was to find what clubs are really working, what fields are being covered, and what groups of students are being neglected. No conclusions have been drawn from the survey at the present time, as there has been no opportunity for a detailed study of the findings.

Acid Stomach

Excess acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which neutralizes acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention. One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. It is harmless and tasteless and its action is quick. You will never rely on crude methods, never continue to suffer,

when you learn how quickly, how pleasantly this premier method acts. Please let it show you—now.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

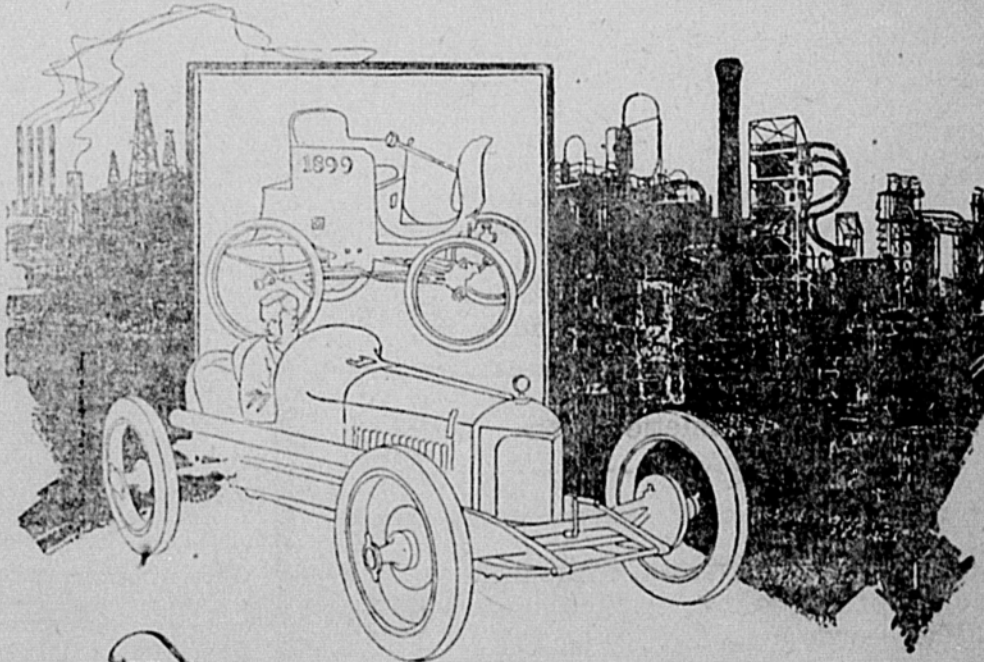

SUNSET Coffee

THERE is nothing that has ever taken the place of Bayer Aspirin as an antidote for pain. Safe, or physicians wouldn't use it, and endorse its use by others. Sure, or several million users would have turned to something else. But get real Bayer Aspirin (at any drugstore) with Bayer on the box, and the word genuine printed in red:

"There is no Substitute for Experience"

The PACE SETTER—since the days of the first Automobile

Back in 1899 Conoco Gasoline propelled the one cylinder "horseless carriages" which were the sensation of the day.

In spanning the years to the days of high compression engines, Conoco has kept ahead of actual motor fuel requirements. Today Conoco, the Triple Test Gasoline, is the fuel in greatest demand for quick starting—snappy pickup, and extra power and mileage.

CITATION BY PUBLICATION.

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lubbock County, Greeting:
YOU ARE HEREBY COMMANDED to summon A. E. Wise and wife, F. Wise, or F. Ruth Wise by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in

your County, to appear at the next regular term of the 99th Judicial District Court of Lubbock County, to be holden at the Court House thereof, in Lubbock, Texas, on the second Monday in April, A. D. 1929, the same being the 8th day of April, A. D. 1929, then and there to answer a petition tiled in said Court on the 7th day of March, A. D. 1929, in a suit, numbered on the docket of said Court as No. 3619, wherein J. W. Philips is Plaintiff, and J. F. Smith, A. E. Wise and wife Ruth F. Wise or F. Ruth Wise are Defendants, and said petition alleging that plaintiff is the owner in fee simple of the following described real estate in Lubbock County, Texas, being Lot No. 9, block No. 30, in the South Slaton Addition to the town of Slaton, Lubbock County, Texas, according to the official map or plat thereof now on record in the office of the County Clerk of Lubbock County, Texas; that defendants A. E. Wise and wife Ruth F. Wise or F. Ruth Wise as the name sometimes appears are claiming some interest in the said premises by virtue of a certain vendor's lien note executed by B. A. Dodgen, payable to A. E. Wise on November 26, 1920, bearing interest at the rate of 10% and for the sum of \$357.42, payable in installments of \$25.00 each beginning December 15, 1920, and one installment falling due on the 15th day of each and every month thereafter.

That defendant J. F. Smith is claiming some interest in and to said premises by virtue of a series of 4 vendor's lien notes, dated November 10, 1921, executed by E. G. Carpenter, each for the sum of \$108.50, payable to J. F. Smith as follows: Note No. 1 due May 10, 1922, Note No. 2 due November 10, 1922, Note No. 3 due May 10, 1923, and Note No. 4 due November 10, 1923, said notes drawing 10% interest per annum from date.

Plaintiff alleges that all of the above described notes have been fully paid off, but that he has been unable to secure releases of same. Plaintiff further alleges that defendant J. F. Smith, for a valuable consideration, transferred one of the four notes of said series to C. C. Hoffman but has failed and refused to execute a written transfer of the said note and lien securing same.

Plaintiff further alleges that in case he is mistaken in assuming that the above described notes have been paid that he has held peaceable, continuous and adverse possession under title from and under the state of Texas of the above described land and premises for more than three years after the last installment due upon said notes matured.

Plaintiff further alleges that all of the above described notes and the last installment due thereon matured more than four years before the filing of this petition and are therefore barred by limitation, even if this plaintiff be mistaken in alleging same to be paid.

Plaintiff further alleges that the failure and refusal of defendants to execute and deliver to plaintiff releases of the above described notes and the lien securing same creates a cloud upon this plaintiff's title to the above described land, and further that the failure of the defendant J. F. Smith to execute a transfer of the note and lien to the said C. C. Hoffman creates a cloud upon this plaintiff's title to said land and premises.

Plaintiff asks for judgment for the title and possession of said land and premises, that the above mentioned cloud on his title be entirely swept away and said title cleared of same forever; for damages, costs of suit, etc.

Herein Fail Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Lubbock, Texas, this 7th day of March, A. D. 1929.

FLORA GREEN ATCHESON,
(SEAL) Clerk,
District Court, Lubbock County, 56-4tc

First Flapper: "Days are still pretty short."

Second Flapper: "Yes, but in a few weeks now they'll be long-enough so that you can catch up on your sleep."

CITATION BY PUBLICATION.

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lubbock County, Greeting:
YOU ARE HEREBY COMMANDED to summon W. J. Thomas by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the 99th Judicial District Court of Lubbock County, to be holden at the Court House thereof, in Lubbock, Texas, on the second Monday in April, A. D. 1929, the same being the 8th day of April, A. D. 1929, then and there to answer a petition tiled in said Court on the 7th day of March, A. D. 1929, in a suit, numbered on the docket of said Court as No. 3618, wherein Mrs. Ida Thomas is Plaintiff, and W. J. Thomas is Defendant, and said petition alleging Suit is for divorce on the grounds of cruelty and non-support; plaintiff asks for custody and control of minor child, a girl, Valerie Doralee Thomas, now about two and one-half years old; also for title and possession of Lots 9 and 10 in Block 41 of the Original Town of Slaton, Lubbock County, Texas.

Herein Fail Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Lubbock, Texas, this 7th day of March, A. D. 1929.

FLORA GREEN ATCHESON,
(SEAL) Clerk,
District Court, Lubbock County, 56-4tc

Teacher: "When I was your age, I could name all the presidents off by heart."

Tommy: "Yeah, but there was only about ten to remember then."

CLASSIFIED ADS

Classified Advertising Must be Paid Strictly in Advance

Due to the fact that considerable time and expense is required in keeping books on small accounts, and that collecting them is, in many cases, very difficult and unpleasant, The Slatonite will positively no longer accept classified advertisements for publication unless cash accompanies the order.

We firmly believe the classified advertisement column is a profitable column for our customers. This has been proven conclusively time and again. Hence, we believe when the column is used the user should pay for the service.

The rate for this class of advertising is two cents per word for each insertion, with a minimum charge of twenty-five cents. This is very plain and easy to figure.

Please do not ask us to accept classified advertisements over the telephone, for they will positively not be inserted in the paper. Send the "copy" to our office, accompanied by payment, figured at the above quoted rate.—The Publishers.

Twice a War Veteran Gets Movie Command

Lewis Stone, who plays the role of a French Colonial colonel in Universal's "The Foreign Legion," which will open at the Palace Theatre on Friday and Saturday, is well fitted by experience for that role. He is a veteran of two wars, and has considerable reputation as an infantry instructor and disciplinarian. He was born in Worcester, Mass. He attended Barnard School in New York and then enlisted for the Span-

ish-American War. Afterwards he went on the stage and then on the screen. He enlisted again when the World War broke out and attained the rank of major, which rank he still holds in the Officers Reserve Corps. This military training has given him a bearing which he finds invaluable in his picture work.

Others in the cast of this picture are Norman Kerry, who co-stars with him; Mary Nolan, June Marlowe, Crauford Kent and Walter Perry.

Edward Sloman directed this from the story, "The Red Mirage," by I. A. R. Wylie.

How to Raise Poultry

By Dr. L. D. LeGear, V. S., St. Louis, Mo.
Dr. LeGear is a graduate of the Ontario Veterinary College, 1892. Thirty-six years of veterinary practice on diseases of live stock and poultry. Eminent authority on poultry and stock raising. Nationally known poultry breeder. Noted author and lecturer.

ARTICLE II PULLETS FOR PROFIT WHEN WINTER COMES

Depend on the Youngsters for Heaviest Laying in Fall and Winter Months When Prices are Highest Says Dr. L. D. LeGear, V. S., of St. Louis, Mo.

Editor's Note—This is another story in a series of 52 stories on poultry raising written by the well known national poultry authority, Dr. L. D. LeGear, V. S., of St. Louis. The entire series will appear in this paper. Our readers are urged to read them carefully and clip them out for future reference.

"Youth will be served," so runs the old proverb. Of course, no reference to poultry was intended, but it happens to fit just the same. As a rule, pullets lay more eggs during their first laying season than during any subsequent season. Consequently, if hatches are correctly timed so that plenty of pullets will be brought to maturity some time during the latter part of August or September, a banner winter egg season is bound to follow. Pullets hatched during February or March, according to breed, should begin laying just about the right time for winter eggs.

Pullets should not be allowed to come into maturity too quickly. Normally, a pullet starts to lay eggs as soon as she has reached maturity and her body has ceased to grow. Sometimes laying starts somewhat before full growth has been reached and further growth may cease. Such pullets may remain undersized and their eggs may be defective and small. If pullets are maturing too rapidly their mash and animal food should be reduced. The grain rations may also be slightly increased, as pullets should have a good reserve store of body fat before they start laying. Otherwise they will not stand up well under the strain of laying and may fall considerably short of the possible maximum egg production. For that reason many poultry men make a marked increase in the quantity of grains fed to the pullets as their combs begin to reddon. At the same time, they cut down on the mash and animal food; beef scraps or similar material. The grain is fattening, whereas the animal food being no longer required for muscle building as the birds reach maturity, may start egg production before it is desirable.

It is usually considered better not to force pullets into premature laying by feeding large quantities of mash. Instead, limit the mash until pullets are quite ready to lay and, by feeding a greater amount of grain, to get them fat. Such a ration emphasizes the fat making material, and by withholding the egg-making materials, removes

the danger of a too early maturity. Mash should not be entirely eliminated, as it contains materials needed for building up the muscles of young fowls. Too much of it, however, may precipitate egg laying before it is desirable. Give the developing pullets all the grain they will eat during early fall and after they come into normal laying, gradually decrease grain with a corresponding increase in mash feeding.

If pullets have been properly developed along the lines just described above, they should begin laying just as they are put into winter quarters. Their quarters should not be changed once they start laying. Such a change will usually cause a molt and falling off in the egg yield. Furthermore, pullets should never be housed with older hens. The more mature hens annoy the younger ones and that too interferes with their laying. From this point on, the usual rules for feeding and handling laying hens will apply to pullets developed especially for winter egg production.

Of course, I do not mean that older hens are incapable of winter egg production merely because I have emphasized the desirability of developing pullets for that season. With proper culling, breeding and feeding, hens can be made to lay almost as many eggs during the winter months as in warmer weather. The subject of special feeding and handling of fowls for winter egg production is, however, of sufficient importance to constitute a separate article all by itself.

Cute in a Baby-Awful at Three—and it's Dangerous—by Ruth Brittain

Thumb sucking does look sweet in a baby, but it is disgusting in the three-year-old and sometimes it hangs on until fifteen or sixteen! The habit may cause an ill-formed mouth or induce adenoids; and it always interferes with digestion. Pinning the sleeve over the hand; attaching mittens, or putting on cardboard cuffs, which prevent bending the arms at the elbows, are some of the ways to stop the habit.

Another bad habit—irregularity in bowel action—is responsible for weak bowels and constipation in babies. Give the tiny bowels an opportunity to act at regular periods each day. If they don't act at first, a little Fletcher's Castoria will soon regulate them. Every mother should keep a bottle of it handy to use in case of colic, cholera, diarrhea, gas on stomach and bowels; constipation, loss of sleep, or when baby is cross and feverish. Its gentle influence over baby's system enables him to get full nourishment from his food, helps him gain, strengthens his bowels.

Castoria is purely vegetable and harmless—the recipe is on the wrapper. Physicians have prescribed it for over 50 years. With each package, you get a valuable book on Motherhood. Look for Chas. H. Fletcher's signature on the wrapper so you'll get the genuine.

It is very easy to preserve eggs for future use by putting them down in water glass, a syrupy liquid that can be obtained from almost any druggist. This water glass should be mixed with nine parts of cold boiled water and the solution kept in crocks or stone jars. Kegs or barrels may also be used if absolutely clean and free from odors provided they are thoroughly scalded. Fill the jar or keg partly full of the water glass solution and put in the eggs from day to day as they are gathered. Be sure there is always at least two inches of solution over the eggs. No dirty or cracked eggs should be used nor any about which there is any doubt as to when they were laid. They must be absolutely fresh, laid the same day they are put in the solution.

The cost of preserving eggs in this

way is very small and calls for almost no work at all. Eggs in water glass will keep for six or eight months if stored in a cool, dark place, well covered, and may then be used for all cooking purposes or for the table. I have not attempted to go into any great detail in this article. On the contrary, I have tried only to suggest enough so the reader will want to know more about methods of increasing the winter profits from his flock.
