Faculty Attends Big Spring Meet

Slaton faculty members will take active part in the District 4 meeting of the Texas State Teachers Association in Big Spring today and tomorrow.

Headquarters for the group will be at the Seaton hotel in Big Spring. The general theme of the program will be "Education for National Security". The convention will be divided into groups according to subjects taught by the teachers.

In the science group, J. G. Wilhite, local instructor of science in the high school, will speak on "Relation of Science in High School to Our Defense". He will illustrate his speech with motion pictures.

Bevington Reed will lead the social science group in a discussion on "Salvaging Democracy in Public Schools".

Mrs. J. G. Wilhite, teacher in Junior High school, will speak to the Guidance group concerning her experience with "Guidance in Junior High".

R. M. Nash, head of the Slaton Commercial department at High School, is chairman of the program committee in the Commercial division.

Miss Phyllis Drake, Home Economics instructor, will speak on the program of that group of teachers.

Joe E. Webb, superintendent of the Slaton schools, will meet with the committee on legislation, of which he is a member, Friday morning at 9 o'clock.

Roy Boyd, Slaton High school principal, a member of the Resolutions Committee will meet with that group while attending the meeting.

Three Out For School Board

S. G. Wilson, R. C. Sanner and Roy S. Mack have announced their candidacy for members of the school board of the Slaton Independent School district for the election to be held March 5th.

Mr. Wilson and Mr. Sanner are both serving on the Board at the present time.

Eckert Announces For Commissioner

I, J. E. (Dutch) Eckert, at the many solicitations of friends and neighbors, have decided to announce as commissioner of ward No. 3 in the City of Slaton. I came to Slaton June 17, 1911, therefore I am an old citizen, have never asked for any office during all the time I have lived here, but, at this time I think I can do our precinct some good. I know what is needed and I shall try hard to see that we get it.

I have been in the employ of the Santa Fe ever since I have been in Slaton, and feel proud of my record with the Santa Fe since I have been with them.

I would appreciate the vote and influence of every one in my precinct, and, if elected you will find me doing my best to make you one of the best commissioners that our precinct has ever had.

Respectfully,
J. E. (Dutch) Eckert.

Lubbock County Stock Show All Set For Crowd Sat., Mar. 22

The Lubbock County Calf, Hog and Lamb show scheduled for Saturday, March 22, will be one of the big events of the year if all the people attend that have expressed their intentions of doing so says A. C. Strickland, chairman of the committee in charge of the show.

"We have contacted a large number of 4-H club members and FFA members and find that many of the best calves, hogs and lambs in the state will be on display here,"

Teague, Robertson Want Mayor's Job

Up until Wednesday night only two candidates had submitted their petitions at the City Hall for the office of Mayor. They are J. H. Teague Sr. and Briggs Robertson.

Mr. Teague is running for reelection for the second term for the office and Robertson for his first try for the job.

While there have been rumors of several other prospective candidates these are the only two who have had petitions turned in. While no specific issues have been brought out there probably will be many ideas promulgated within the next few weeks and local politics will probably take much attention.

Hi Band To Go To Enid

With the assistance of the BCD \$100 contribution, some help from the Band Mothers and other money raised by the Athletic Council the Slaton Band will attend the Tri-State Band Festival to be held April 15th at Enid, Oklahoma.

The Tri-State Festival for bands is one of the main events of this section in which high school bands from three states meet in competition and include school organizations from towns of all sizes.

The Slaton High school band is considered one of the best in West Texas and has won many awards in the past. This year's organization is unusually well trained and has an excellent opportunity to win recognition at the Festival.

Miss Phyllis Drake, Home Economics instructor, will speak on the program of that group of teachers.

Joe E. Webb, superintendent of the Slaton schools, will meet with the committee on legislation, of which he is a member, Friday morning at 9 o'clock.

Roy Boyd, Slaton High school principal, a member of the Resolutions Committee will meet with that group while attending the meeting.

R. M. Nash, head of the Slaton Commercial department at High School, is chairman of the program committee in the Commercial division.

THERE IS POSSIBILITY FOR ARMY CAMP HERE SAYS NORMAN

At the regular meeting of the BCD and Chamber of Commerce last Tuesday night the possibility of securing an army camp near Slaton was discussed.

While there have been reports that no more camps will be located in Texas Jack Norman, manager of the BCD, reported that he had been informed by reliable sources that Slaton and two other towns in this territory would receive questionnaires concerning the facilities available here for a camp. He also reported that reports from the same source were that army engineers would make a survey of this section for army camp purposes.

"There is nothing definite at all about the proposition but we do not want to miss a single opportunity to bring one here if it is at all possible," said Mr. Norman, "as soon as we can find out what the army officials want to know we will go to work in earnest."

A request was made by the Slaton Band for \$100 to help defray the expenses of the band on a trip to the Tri-State Band Festival to be held in Enid, Oklahoma on April 15. The request was granted.

Legion Chaplain Here Tuesday

Captain Herbert M. Markeley, Department Chaplain, the American Legion, visited in Slaton Tuesday with officers of Luther Powers Post No. 438 and the American Legion Auxiliary. Captain Markeley is sponsoring Legion legislation which will authorize the placing of ministers at the various hospitals in Texas.

His purpose in visiting the various officers of the American Legion over Texas is to encourage such proposed legislation by educating Legionnaires to the necessity of chaplains in the hospitals.

While in Slaton Captain Markeley was the guest of P. G. Meadling, a wa-time croney of 1918. Meadling is Post Adjutant.

Women Asked To Register Saturday

All wives of ex-service men are asked to register at the City Hall at the Mayor's office on March 15 between 9 a. m. and 5 p. m. These questionnaires are much the same as those the Legionnaires used February 22. The work of this committee will cover many phases of activity.

"We must prepare ourselves to meet whatever comes with calmness, sanity and courage in our hearts," members of the American Legion Auxiliary stated. "We will in the future, as we have in the past, meet every situation."

Coupon Days Today And Sat.

The Plains Grain and Heads Handling Co. has been appointed the distributors for this territory for Red Chain Feeds for poultry and stock.

"Only after a thorough investigation into the merits of these products did we decide to offer retail dealers in this territory this line of feeds. We consider Red Chain the best that can be had on the market and will stand back of every pound of it with our guarantee," said the management of the Plains Grain and Heads Handling Co.

The Company is celebrating the introduction of Red Chain Feeds into this community by a coupon day for today and Saturday. A feature value is being offered every poultry or stock raiser if you will clip out the coupon displayed elsewhere in this paper.

W. P. Florence For Commissioner No. 1

Fellow Citizens of Ward No. 1 Slaton, Texas.

After nearly 30 years residence in this ward I am asking the favor of your vote for City Commissioner.

My fondness for public service in community-building, backed by the appreciated large number of signers on my petition, led me to this decision.

I wish to help make this a clean, healthful town of beautiful self-supporting homes, with religious and moral atmosphere, educational advantages and economic conditions such that, no difference where their money is made, the best people will prefer to live in Slaton. But I would officially encourage development of our natural and industrial resources in every way possible towards making more incomes available to our people. And, in accord with my past official record, I would pull to our community all the public works benefits possible at least cost to the citizens.

My attachment to Slaton is evidenced in the fact that I have sold out three times and each time finally chose to continue my residence here. Here is my church which I devotedly labored with from its first ten members to its hundreds. Here is the school which I served as its whole faculty at its beginning, with 75 pupils in one room, and which I have seen grow into one of the best 40-teacher high-school systems in the state. Here my seven children all graduated and grew into honorable and useful citizens which affords me more satisfaction than the accumulation of wealth.

I am qualified and, if elected, will exert my powers to properly serve you. Remember the election, Tuesday, April 1.

Your Friend, W. P. Florence

Bill Will Help West Texas Farms

In view of the widespread interest of West Texas in the agricultural appropriation bill which passed the House last week, Congressman George Mahon has reported from Washington as follows:

The largest item in the bill is \$500,000,000 for AAA soil conservation payments to farmers; \$212,000,000 is provided for so-called parity payments. These sums are about the same as provided in previous years.

Of special interest to our people will be the \$100,000,000 provided for the expansion of the rural electrification program for the coming fiscal year, and an increase to enable the soil Conservation Service to cooperate more adequately with soil conservation districts in Texas.

The bill provides \$50,000,000 for the continuation of the farm tenant purchase program.

The bill goes to the Senate for consideration and there seems to be no doubt but that appropriations made by the House will be approved.

Death Rate Going Steadily Up and Up

Texas is piling increase upon increase in traffic deaths, Col. Homer Garrison, Jr., State Police director, said today.

Following upon an 11 percent increase in fatalities last year, January 1941 established a record peak of 161 deaths for that month, with a 32 percent increase in highway fatalities.

Cities decreased deaths by 8 for a 16.7 percent improvement, and county roads saw 2 less persons die for a decrease of 11.8 percent from January a year ago.

Increases were recorded in cities of less than 2,500 population, up 1 death for a 9.1 percent increase, and on highways, up 23 deaths for a gain of 32.4 percent.

The over-all increase for the entire state was 14 deaths, or 9.5 percent.

"The increase in highway fatalities," Colonel Garrison said, "we attribute to a general tendency toward faster, less cautious driving—a direct result of national unrest—and to congestion adjacent to areas of defense construction."

"There were 18 deaths in January directly connected with defense activities. The victims were nine soldiers, one sailor, and eight civilians associated with defense projects. If it had not been for these deaths, 15 of which occurred on highways the state would have shown a slight decrease in fatalities."

Fortifies France

Fritz Todt

Builder of Germany's Siegfried Line, Fritz Todt has now constructed a new wall of fortifications all along the Channel coast of France, according to Berlin, which reports the new wall will serve as a springboard for invasion of Britain. (Central Press)

Public Invited To Hear Noted Trinity University Choir March 18

Alton Clay Pierce

The Trinity University Choir, which will be heard here on Tuesday March 18 at 10 a. m., at the High school auditorium is under the direction of Alton Clay Pierce, Chairman of the Trinity University Department of Music. The Choir is composed of 36 undergraduate students, both men and women. These singers are chosen from the entire student body of Trinity University upon the manifestation of the musical ability, interest, and physical stamina necessary for the rigorous training. The student must be of high moral character and active Christian.

Miss Marion Bechtel, daughter of Mr. and Mrs. R. B. Bechtel of Slaton, is singing in the choir for the second year. The ensemble this year continues the fine traditions which are its heritage from the past four years. Annually its prestige grows with the enlargement of its repertoire and its increasing activity throughout the state. The outstanding success of its four successive state-wide tours is evidenced by the many invitations which it has received to give concerts in every part of the state.

The program of the Trinity University Choir is dedicated exclusively to the service of the Church and to the interpretation of great choral literature. The concert programs are richly varied, and include compositions ranging from Palestrina to the arrangements of popular Negro spirituals. The program is approximately one hour in length.

The general public is invited to attend the concert here. There will be no admission charge.

National Subjects Discussed At Rotary

At the regular meeting of the Rotary club yesterday P. G. Meadling explained the purpose and duties of The Slaton Defense Guard and Briggs Robertson addressed the club on the subject of National Defense.

Both men brought out points of much interest to the public regarding the serious situation our Country is in today.

Locker Plants Get State Approval

Development of locker storage plants throughout the State of Texas is being encouraged under the Texas Industrialization Program, Governor W. Lee O'Daniel announced today.

A manual on locker storage is now being compiled and will be ready within a few weeks for distribution to industrialization committees in 237 Texas towns and to others interested in the matter.

This manual is being prepared in collaboration with the research bureau of Texas A. and M. College, The University of Texas, and Texas Technological College, and other agencies of the State.

The Governor expressed the hope that this report would be ready for distribution shortly after the Food Preservation Conference to be held at The University of Texas on March 13 and 14. Representatives of the several higher educational institutions, interested state departments, and private businesses will participate in this Conference.

Emphasis is being placed upon the decentralization of industry throughout the State, the Governor said. He expressed interest in seeing many small industries located in Texas.

J. T. Pinkston was running a fever this week over the fact that reports concerning a temporary restraining order granted by the Friendship Rural high school district No. 2, enjoining the Trustees from modifying the boundaries of the Friendship district.

The report printed in a daily paper left the impression that the County Trustees had voted to have the boundaries changed, said Mr. Pinkston, when all we had

ever done was to discuss among ourselves whether it would be advisable to suggest to the State authorities that it might be a good plan.

"After reading the account over it looked like the trustees were working mighty fast when the fact is that all we were even considering was whether it might not be a good idea to try to get a little better school bus service for the Shallowater district."

"We knew we could not change the boundaries of any high school district but we got enjoined, accused and well advertised just the same."

"The tough part about the whole thing was that I was shown as the foreman of the grand jury investigating professional gambling in one column on the front page of that paper, and just a few inches away I was one of the trustees being enjoined."

"My temperature has gone down a little but it still around 104."

In the spirit of Saint Patrick's Day Boyce House sends in the following:

An Irish philosopher said, "Single misfortunes never come alone, and the greatest of all possible misfortunes is generally followed by a greater." A salesman said, of some window sashes: "These sashes will last you forever; and, after that, if you have no further use for them, you can sell them as old iron."

A lover said, "It's a great comfort to be alone, especially when your sweetheart is wild ye." A debater, upholding ancient architecture as compared with the modern, demanded, "Show me a single modern building that has lasted as long as the ancient ones?"

Then there was the Irishman who enlisted in the 33rd regiment because he wanted to be near his brother, who was in the 34th. And there was the inlander who visited a port and stood for hours looking at a ship's anchor because "I want to see the fellow who swings that pick." And there was an Irishman who saw a hunter shoot a duck high overhead and the bird spun over and plunged to the ground, whereupon Pat said, "Ye wasted

yer powder; the fall would have killed it." And an Irish jury brought in this verdict, "We find that the man who stole the mare is not guilty." Hearing that a man had bought a marble coffin, Mike exclaimed, "Shure and a marble coffin would last a man a lifetime."

Some son of the Emerald Isle summed it up with, "Not more than half the lies they tell about the Irish are true."

W. R. Lovett was still red in the face this week over the birthday party given him by Mr. and Mrs. R. H. Todd some time ago.

"They pulled a fast one on me," said Mr. Lovett, "we were supposed to have a date with the Todds and when we went over there my wife sent me into the house to tell Mr. Todd that we were ready to go to the picture show. I wondered why they did not have a light on but stumbled into the dining room howling Hack." Suddenly the lights were turned on and seated around the table were many of my good friends. It was like getting hit over the head with an ax."

"And to top it off a poem was read composed by Mrs. Fred Schmidt. Now I feel sure that as a composition it was perfect but after it had been read I felt like an old time pioneer woman did at her husband's funeral. The old man had been a fairly rough old customer and when the minister had finished telling of all the good things the old settler had done, and what a fine fellow he was, she asked her oldest son to go up and look in the coffin again to be sure that it was his father that was in it."

W. T. Cherry tells me that his son Don, who is the president of the Senior class this year, ordered three graduation announcements. One, Donald is going to paste in his scrap book, one is for his mother and W. T. says his son was little extravagant in buying the third for he cannot think of anyone to send it to.

If all the graduates are as conservative about ordering Invitations next year as Donald was this year, I will give up my idea of trying to secure the contract to

supply the schools with their next years supply.

Am going to have to part with a dearly, beloved old friend. One that has known some of my most personal secrets, one that has kept my heart and other parts of my anatomy warm, one that has stood between me and many embarrassments . . . I mean my good old speckled suit has given out on me in many important places.

J. H. Brewer has certainly been a busy man and I hope his conscience is clear after helping so many befuddled business people fill out Income tax reports. He has worn out a gross of pencils, jammed his adding machine and kept his office knee deep in return blanks but has come out victorious. Our hat is off to you Mr. Brewer and thanks for helping me out of a thick fog.

Nick Carter announced this week that he has purchased the interest of Mr. Sherrod in the Hardware company of Sherrod and Carter. The trade has been made and all that remains to be done is a few details and the name will be Carter Hardware company.

It seems to me since coming to Slaton that few business men in the town are better liked than Nick Carter, tan sport Jacket and all. Nick has established his business and himself with all classes in Slaton and I feel sure that most everyone will join me in saying, "Good Luck, Nick, in your new venture."

Volley Ball Girls Win Games Monday

Slaton High school's girl volley ball team defeated the Lubbock team Monday six games out of ten at a tournament in Lubbock.

According to the coach of this team, J. G. Willhite, the girls are working hard to regain the county championship which was lost by the Slaton team last year. The county Interscholastic League meet will be held next week.

Cars were furnished Monday by Mrs. Irvin Weathered, Mrs. A. H. Shelton, G. M. Pickett and Miss Louise Payne.

Girls making the trip were Geraldine Mays, Aline Perdue, Geraldine Pickett, Ruth Gentry, Mary Alice Johnson, Billy Frances Bollinger, Barta Jo Bollinger, Jerry Simmons, Katie Jo Johnson, Treva Shelton, Bonnie Biggs, Wyonna West, Mary Frances Joplin, Ferne Weathered, Billy Jo Stephens, Wynona Van Dyke and Edith Mandel.

Junior High Notes

A girl's volley ball team has been working out in order to go to county meet two weeks from Saturday. Sixteen girls are working out. They are Zelma Saint, Marcell Bowns, Ruth Doherty, Kathryn Lowry, Billie Burns, Vivian Hartnett, Viola Gartman, Faye Jenkins, Norma Faye Owens, Betty Jo Bates, Mozelle Rodgers, Mary V. Deaver, Jerry Nell Suits, Joyce Martin and Anna Bell Edwards.

The Cubs are entering a baseball team in the county meet, also a track team. The Cubs have lost most of their games, but hope to do better in the tournament. Some of the boys working out are: Billy Brackeen, Grady Elders, Billy Gentry, Tommy Davis, Travis Melton, B. A. Hanna, John Hall, Grady Burnett, Ray Hodges, Bobby Stevenson, Elzo Smith and Jack Dickson.

CARD OF THANKS

Tiger Band Plays In Tahoka Thursday

Seventy members of the Slaton Tiger band were to play a concert in Tahoka at the High school yesterday afternoon. This was a return visit, as the Tahoka band played for the local school last Tuesday.

The band was to play contest numbers of Class B and Class C. Director J. J. Hensley was to accompany the organization.

The group left Slaton at 12:30 p. m. and were to play the concert at 2 o'clock.

Woodrow Wilson PTA Has Meeting

The Woodrow Wilson Parent Teacher Association met on Mar. 4 at 3 o'clock. Mrs. J. P. Spears, regular chairman, presided.

Reverend Ferguson spoke on "Religious Training in the Home". Mrs. Baker, who is conducting a reading clinic for Slaton elementary school children, talked about the purpose and advantages of the clinic.

New officers were elected as follows: president, Mrs. J. P. Spears; vice president, Mrs. Harvey Tunnell; secretary, Mrs. W. P. Layne; treasurer, Mrs. R. M. Shepherd.

The association voted to help in sponsoring the reading clinic and the spring operetta which will be given on the evening of May 2.

WE ARE YOUR Neighbors

We are the Texas petroleum industry. There are nearly 225,000 of us, living in every section of the State.

With our families, we make up one million Texans, nearly one-sixth of the State's population.

Each of us has his job. Together we represent almost every type of worker.

Some of us live and work in your community. Our children go to school with your children. We trade in your stores, attend your church, pay taxes and vote—as you do—for the betterment of our community and State. We operate an industry which pays 75 million dollars a year in taxes to our State and local governments and our schools.

We are your neighbors.

When you think of the Texas petroleum industry, remember it is made up of people like you and me.

Slaton Couple Marries Saturday

The marriage of Miss Maurine White and Clinton Bullard was read Saturday afternoon in Clovis, New Mexico. The single ring ceremony was read by Rev. J. L. Speigel.

The bride wore an ensemble of blue with corresponding accessories.

Those present were Mrs. Robert White, mother of the bride, and her little daughter, Peggy Nell; Mrs. F. B. Dement, mother of the bridegroom, and her daughter, Bobby Ann, Monroe Shelton, uncle with whom Mr. Bullard has made his home, and Landy Shelton.

Santa Fe Club Has Unique Party

The old-fashioned "Little Red School House" was again real for members of the Santa Fe Sunshine club for a few hours Thursday afternoon when they dressed in prints and gingham, pigtailed and hair ribbons. The group met in the home of Mrs. Opal Jenkins.

The "old maid school teacher" in the person of Mrs. M. A. Grant was aggravated by her none too-bright, giggling girls whose names were Pearl Powers, Opal Robertson, Opal Jenkins, Ada Jobe, Eva Arnold, Eureka Roberson, Mitzie Shelton, Ruby Hodge and Alice Clevenger. The "3 R's" were demonstrated to the tune of the "Hickory Stick."

When recess was called, a lunch bucket and a bottle of soda pop was given each girl.

The club will meet in couples of 1890 at their next regular meeting, the fourth Thursday of this month.

H. D. Club Meets With Mrs. Keys

The County Home Demonstration club met in an all day meeting in the home of Mrs. A. R. Keys last Thursday. Two quilts were made for the Red Cross during the day.

A covered dish luncheon was served to the 16 members present.

1940 Study Club Meets In Layne Home

The 1940 Study club met in the home of Mrs. W. P. Layne Thursday afternoon, March 6. A brief business session was conducted by the president, Mrs. C. C. Cramer. The club voted to make a contribution to help promote the Reading clinic which is being sponsored by the East and West Ward schools.

Roll call was answered by naming and telling the history of a mythological character. Mrs. C. T. Scroggins conducted the study for the afternoon which was taken from Book V in the regular study course of practical English.

A lesson in grammar, the distinctions between use of shall and will, can and may, and could and might, was studied. A drill in the elimination of speech faults and new words and their use concluded the program.

The next lesson will include all of Book V (the use of similes and metaphors with a review and discussion of the entire book).

Mrs. R. L. Smith Jr., was welcomed into the club as a new member. Mrs. G. A. Brown was a guest of the hostess. During the social hour the hostess served refreshments of pie and coffee, using the green shamrock and St. Patrick's napkins for decorations.

The next meeting will be March 20 in the home of Mrs. H. S. Crews.

Junior Civic Club Has Health Program

Health and Child Care was the subject for the Junior Civic and Culture club meeting Tuesday night. The group met with Miss Addie Lee Morrison.

Mrs. Roy Boyd led the program which consisted of a talk by Mrs. Charlie Walton on "The Mother I Want to Be"; "Teen Age Problems" by Mrs. Jack Shepard and "How Our National Board of Health Functions" by Miss Julia Austin.

A salad course was served to those present. The club will meet March 25 at the home of Mrs. Jack Shepard, 435 East Lubbock street.

Mrs. Todd Gives Book Review Sat.

"The Age of Innocence" was reviewed by Mrs. R. H. Todd at the Saturday meeting of the Civic and Culture club at the home of Mrs. Laura Rhodes.

Roll call was answered by members giving passages from the author, Mrs. Wharton illustrating her style. Mrs. W. P. Florence led the program and gave a sketch of Mrs. Wharton's life and works. The program was concluded with a round table discussion.

Violets and jonquils were used as decorations by Mrs. Rhodes. Refreshments served buffet style were served to Mesdames S. H. Adams, R. M. Champion, Bessie Donald, J. A. Elliott, W. P. Florence, Lee Green, Raymond Johnson, W. R. Lovett, H. R. McKee, Clarence Heaton, M. A. Pember, H. G. Sanders, R. G. Shankle, W. E. Smart, R. H. Todd, Joe E. Webb and the hostess.

Mrs. J. C. Foster Entertains Friends

Mrs. J. C. Foster entertained a group of friends with two tables of "42" last Thursday night at her home, 645 South Twelfth street.

Those present were Misses Wanda Atnip, Helen Argo, Mesdames T. E. McClanahan, Walter Edwards LaVerne Denton, Mable Greer and A. Kesel.

Sub Deb Club Has Recent Meeting

Sub Deb club members met in the home of Miss Mary Mann Sargent for their last meeting at 3 o'clock Saturday afternoon.

A short business meeting was held, following which the group went to the Red Arrow cafe for a refreshment course.

Members present were Misses Corinne Cates, Doris Clifton, Juanita Elliott, Wilda Hannab, Frances Crowther, Mary Ann Schmidt and Connie Henry and the hostess. Pledges present were Misses Gwen Dolyn Hanna, Jerry McMillan and Melba Appling.

Mrs. Matthews New President Of West Ward Parents And Teachers

Mrs. R. C. Matthews was elected president of the West Ward and Junior High Parent Teacher Association at the regular meeting Wednesday afternoon. Other officers elected were Mrs. R. L. Smith Jr., vice president; Mrs. E. E. Culver, secretary; Mrs. Fred England, treasurer.

These officers will be installed at the meeting in April, thereby allowing them to attend the PTA conference at Brownfield April 25 and 26 in this capacity.

Forty-eight parents and teachers were entertained by students of the two schools with the following program:

Song, "God Bless America" by the West Ward group accompanied at the piano by Edgar Webb; the enactment of a Citizenship club meeting by the group under the chairmanship of Martha Lou Loveless; song, "Alice Blue Gown", Mary Leonard Harral, accompanied by Mrs. Harral at the piano. Baptist SS Group Has Dinner Party

Workers of the Primary Department of the Baptist church attended a 6 o'clock dinner in the home of Mrs. A. R. Keys last Thursday evening.

Mrs. T. K. Martin, retiring superintendent, was the recipient of a bed lamp in appreciation of her loyalty to the department in the past.

Forty-Two Party Given Friday Night

Mr. and Mrs. H. S. Crews entertained a group of friends last Friday night at their home, 305 W. Lynn street, with a Forty-Two party.

St. Patrick's day theme was used in tallies and on the refreshment plates. Guests were Messrs. and Mesdames B. A. Hanna, C. C. Cramer, L. T. Garland, F. A. Drewry, C. F. Stanford, H. H. Edmondson, J. P. Brooks, J. H. Teague Jr., Mrs. Dan Liles and Mrs. Henry Jarman.

Methodist Circles In Meeting Monday

Mrs. O. D. McClintock's circle of the Women's Society of Christian Service met in the home of Mrs. Vassar Browning Monday at 3 p. m. A lesson on "Sharing for the Health of the World" was led by Mrs. McClintock.

Mrs. E. R. Legg and Mrs. S. H. Adams took part on the program. After the meeting a short business session was held after which Mrs. Browning served coffee and date pudding to the 11 members present.

Mrs. Ragsdale's circle met in the home of Mrs. J. E. Eckert with eight members and one visitor present.

Mrs. Charlie Walton was leader of the program, and Mrs. G. M. Harlan discussed "The Health of the World".

Both circles will meet at the church next Monday afternoon and will have the initial study of a new course, "Dangerous Opportunities".

Fifth Grader Sees It", Bobby Hoover; "The Citizenship Club As A Sixth Grader Sees It", Oleta Stewart; "The Citizenship Club As A Seventh Grader Sees It", John T. Hall; violin numbers by Emma Young accompanied by Jean Holt at the piano; "The Girls' Homemaking Club", Nina Ray Hickman. The Homemaking club served the group.

John C. Jenkins, principal, reported to the organization on the Reading clinic, and Mrs. W. T. Cherry, retiring president, urged to the group to complete the year's goal by all conferring with their children's teacher.

PAYNE'S Ready-to-Wear News Column

Mrs. Williby: Say Mrs. Sparks, did you see those dresses at Payne's?

Mrs. Sparks: No, I haven't been in that store yet.

Mrs. Williby: You should go and see those dresses they have at \$1.98, \$2.98, \$3.95. I never saw such values before, they look like some \$7.95 dresses that I have seen elsewhere. And those Redingtons they have at \$8.95, my, but they are just marvelous, and I also looked at their Slack Suits, and they have them from \$1.98 to \$7.95, it just makes me want to buy one of every kind.

Mr. Smith: Say, I was just in to see what Payne's had in Men's Wear; and, I found the best up-to-now line of men's hats, in all the new colors for spring, and the price, that's the thing, only \$1.98, \$2.45, \$2.50, \$3.50 and up to \$4.50, man, you can afford to wear a hat these days, and you get a well known brand "THE BEAVER" no better hat made in its class.

Mr. Jones: Thanks Mr. Smith, I will go in and see for myself, I know that fellow Payne knows merchandise, for, he is not new in the business world.

Our Weekly Sermon—

Experiments or Experience?
By Rev. Will H. Houghton, D. D.
President of Moody Bible Institute, Chicago

Many of an older generation will remember the famous lecture, "Acres of Diamonds," which Dr. Conwell delivered thousands of times. His thesis was that men miss the opportunities for success at their own doors, while they wander the world over, or wish themselves in distant places. Dr. Conwell multiplied true incidents of men who journeyed to the ends of the earth in search of fortune, only to find it buried in the very ground on which they had rolled their marbles.

Ours is particularly an age of novelties. We like search better than research, and we prefer the new to the truth. Experiment rather than experience counts high with us. To say that a thing has been tried and proved is equivalent in the minds of many to saying it is musty and mildewed. We have experiments in morals, in philosophy, in economics. We observe entire nations deliberately cutting loose from the moorings of the centuries, and in mutiny against the captain named Experience. They are giving allegiance to a new commander, named Experiment. Now while men are in the mood for trying things, may it not be the best time to remind them they had better try something new which is yet old—the Bible, the eternal Word of God.

In the light of the demands and failures of the present day, the reading of Psalm 78 would be profitable. It demonstrates the permanence of the Bible message. In this historical psalm we see God's ancient people placing all their problems on an economic

basis. "Can God supply a table in the wilderness?" was one of their troubled questions. God replied, "I'll supply all your temporal needs, but you have greater needs." How strange, and yet how true to human nature in every age, to read in conjunction, "He brought streams out of the rocks . . . and they sinned yet more against him." Again, "And he rained manna and flesh upon them . . . For all this they sinned still, and believed not for his wondrous works." The more they got the more they wanted, and the less thankful they were for what they got. They blamed conditions, but God blamed them, and over and over we read, "Yet they rebelled against the most High God."

Perhaps someone reading this message thinks he is facing problems to which an answer cannot possibly be found. Why not go back to the Bible? Others have faced the same problems and have been saved by this wonderful Word of God. Why not peruse its pages, accept its promises and the life-giving Christ it reveals? "Let's go back to the Bible."

Fine Foods Served At The Cactus Cafe

Good food, carefully prepared, fine service, who could ask for more, besides a reasonable price? No one is the answer, and the reason for the many satisfied customers of the Cactus cafe at 1212 Broadway in Lubbock, is that this organization makes a specialty of each point mentioned above.

Visitors to Lubbock are invited to drop by the Cactus cafe and enjoy their fine food in the attractive surroundings. Spotless cleanliness combined with beautiful fixtures makes a pleasant place for eating.

Cotton James, formerly of Slaton, and his partner, Harold Medley, are owners of this fine restaurant, will be able to accommodate you any time you feel your appetite needs satisfying, for they remain open all night.

As they say, "If eating is one of your hobbies, then spend a delightful hour here."

Now I Lay Me Down To Sleep

Do you sleep well at night? A new inner-spring mattress will do a lot toward making life one long sweet dream and it is no trick at all for the Slaton Mattress company to take your old mattress and make it over into an inner-spring in a very short time.

Just any old mattress that has good cotton in it will make over into one of these new inner-spring kind and when you get the new one back it will have been thoroughly renovated and worked over so that it will be as good in every way as one that you would pay a high price for if you were to buy it at a furniture store at a high price.

And speaking of price it is very easy to pay for having your mattress made over at the Slaton Mattress company for they do this work on a very close margin. The ticking used is of the best grades and you may select any color of grade you may desire.

Why not go by the Slaton Mattress company and talk it over with Mr. Meyers and let him show you how this work is done? He will be glad to quote you prices and show you the colors and grades of ticking available. The Slaton Mattress company is a Slaton owned company, their work is fully guaranteed and their prices are as low and usually a great deal lower than those elsewhere.

Chicken Feed Will Pay Dividends

It costs no more to feed and raise tested chickens than it does to raise scrub stock and the difference the kind of chicks you have when they have matured will pay many times over for the small amount of difference in the cost of getting selected stock.

Whether you are raising chickens for the market or for eggs it will pay you to buy your baby chicks from the Dickson's Hatchery, says Mr. Dickson. "We have a large stock at all times of all the popular breeds and will hatch your eggs for you if you prefer to have your chickens from your own strings."

The Dickson equipment is the best that is made and the chickens that come from this hatchery are guaranteed healthy and strong.

Not only can you get the best chicks on the market from Dickson's but you can also get Stanton's Manamar chicken feed in all the grades for chicks in all stages of growth including feed for increasing egg production.

If you are interested in raising chickens Dickson's will be glad to supply you with full instructions on all the details on the care of chickens and on how to get the best out of a flock. Just drop in any time and talk things over with Mr. Dickson, he'll be glad to see you whether you are in the market for chicks or feed right now or not.

Buy Automobile The Easy Way

Just think how wonderful it would be if you had some one to make your automobile payments if you were to become ill, and you wouldn't have to make them up.

Walter Price Agency in Lubbock is just such a Santa Claus, for they have an insurance policy that will not only do the above, but if you are disabled by accident they also come to your rescue with the due payment. In case of death, this policy requires them to pay the full account, or if you are disabled permanently, they pay the balance of the payments.

So if you are considering buying a car, why don't you visit this agency, located at 1005 Texas Avenue in Lubbock, and talk it over with them? They will furnish the cash for you to buy the car and finance it at low interest with terms to suit you. Visit them; they will be glad to be of service to you.

"Let's Get Going Again With Slaton"

Eight Balls of Fire
and how they can travel!

IF you like fireworks, and who doesn't, it's really too bad you can't see what goes on inside that sparkling big Buick FIREBALL eight that romps you so easily down the broad highway.

There you'd see eight busy cylinders, with pistons flashing up and down...

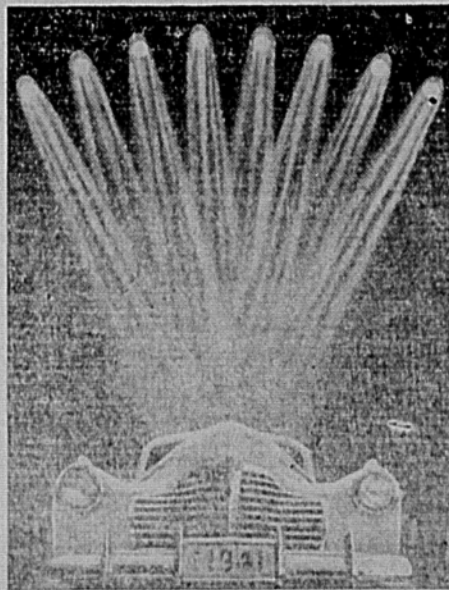

You'd see each fuel charge packed tight into a tiny bundle shaped like a flattened ball...

You'd see the spark leap, the flame spread, the piston thrust down with extra force as each furious fireball lets go its pent-up wallop.

You'd see all this happening as fast as thirty times a second in each of those eight cylinders—and we think you'd understand then just why there's such a special and exciting satisfaction in the way a Buick travels.

Gasoline gives up more of its power when it's packed as tightly as it is here.

That special, flattened-ball shape of the compressed fuel charge means smoother, better burning, full focus of the power on the piston head, where it counts.

So when you've got these eight balls of fire working busily under the bonnet, you really travel!

You travel farther on every gallon and you travel more pleasurably.

You travel—but, shucks! Why listen to talk when there's a Buick dealer nearby waiting to show you how you travel behind a FIREBALL?
