Pioneer Rail Man Passes

Uncle George Marriott received a message last Tuesday of the death of F. C. Fox in a sanitarium in Shreveport, Louisiana.

"He was like a brother to me," writes Uncle George. "I returned last Saturday from a visit to his bedside in Shreveport where he has been confined since last July."

Frederick Conrad Fox, 79, of Karnack, Texas, a retired vice president and general manager of the Western district of the Santa Fe railroad, died at a local sanitarium at 10 p. m. Monday, following a long illness.

The body will be sent over the K. C. S. railway at 6:15 p. m. Friday to Niagara Falls, New York, where interment will be held Sunday morning.

Deceased is survived by his widow and a number of nieces and nephews who reside in Ohio.

Mr. Fox was a member of the Masonic order, an honorary thirty-third degree Mason of Scottish Rite bodies of Topeka, Kansas.

He retired 15 years ago and had been making his home in Harrison county, near Karnack. He was widely known in railroad circles in the Southwest, particularly on the Santa Fe lines.

Do Your Duty Vote Tuesday

Next Tuesday is the day and the City Hall the place where you should vote for your choice for a mayor and two commissioners for the city of Slaton for the next two years.

J. H. Teague Sr., is running for his second term as mayor and is opposed by Briggs Robertson for the office.

Carl Meriwether and W. P. Florence are in the race for Commissioner for Ward 1, and George Green is running for reelection for Ward 3 as commissioner. He is opposed by J. E. Eckert.

All of the men in the races are good citizens and would make efficient officers, and it is the duty of every citizen who has the right to cast a vote to do so. Never before have conditions been so demanding of sound judgement and careful management. If you have a poll tax receipt do your duty as a citizen and vote Tuesday.

E. R. LEGG RETURNS

Mr. E. R. Legg returned this week from the Scott and White sanitarium where he has been undergoing a clinical examination and receiving treatments.

Slaton Students Bring Home Many Honors From County Meet

"Slaton won more places in the county Interscholastic League meet this year than in several years past," stated Joe E. Webb, superintendent of the Slaton schools.

Johnette Foster won first place in the senior girls' declamation, Charles Reese, second place in the boys' senior division of declamation and Betty Jo Thornton in the Junior girls' division. This number of winners in declamation is also larger than in many years. Mrs. Grace White has been coaching the Slaton contestants.

In the short-hand division Slaton students placed as follows in individual scoring: First, Mildred Peyton, 79 points; second, Marion Holden, 77 points. The Slaton team under the supervision of Mrs. R. M. Nash, placed first. It was composed of the two mentioned above, Juanita Elliott and Everett Robinson.

First place was won by the Slaton boys in the debate division. The team is composed of Bobby Williams and Raymond Champion. The girls' team, composed of Betty Lou Turner and Nelda Jim Ward placed second. Miss Irene Armes

Kavanaugh Elected As New Slaton School Superintendent

At the regular meeting of the Slaton Independent School District Board last week Mr. M. S. Kavanaugh was elected as Superintendent of the Slaton schools for the coming year. His appointment begins July 1.

Mr. Kavanaugh has been employed at Shamrock, Texas for the past 11 years as Superintendent of the schools there, and has had 15 years experience in educational work.

He has a B.A. and an M.A. De-

Senior Play Is To Be Tonight

Slaton High school's Senior class is presenting their annual play tonight at the High school auditorium. Twelve people compose the cast of "Dollars to Doughnuts" a comedy in three acts, by Icha-bud Hunt. Mrs. Carl Meriwether is directing the production.

Characters will be as follows: Kenneth Gurdy, captain of the "Bella"; Kirby Seudder; J. Q. Jessup, a wealthy tourist; Walter Porsch; Wilda Graham, a summer visitor; Elizabeth Stokes; Carla Lacey, another summer girl; Maurine White; Orley Dodge, an ambitious amateur detective; Jas. Eubank; Vernon Kelsey, Carla's boy friend; Emory Clifton; Dulcie Gurdy, proprietress of the Doughnut Shoppe; Evelyn Owens; Jonatha Jessup, a runaway girl; Frances Crowther; Hattie Nedd, Orley's ladylove; Bernice Smith, Nathalie Estes, Jonatha's cousin; Vivien Murphy; Gregory Walbridge, a self-satisfied youth; Donald Chery-

Technicolor Films To Be Shown Tues.

Reverend C. N. Wylie, Presbyterian Sunday school Missionary from Canyon, Texas, will be in Slaton Tuesday, April 1 to give a showing of Technicolor motion pictures of scenes from Alaska. The pictures were taken and are furnished by Presbyterian National Mission and will be presented to the public with no admission charges.

The motion pictures are entertaining and instructive and show the natural colorings of the scenes that are most unusual.

The showing will be given at the Presbyterian church Tuesday evening starting at 8:00 and the public is invited.

Winners in Sports

Billy Waldrop was high point winner in the High school division of Junior boys. He won three first places, the 100-yard dash, the 50-yard dash and the broad jump.

Elzo Collier placed in some of the High school divisions. Phil Brewer and Bobby Smith were the championship winners of the Junior boys' division in tennis. Junior High student, Jack Dickson, was high point man in the track meet for Junior High school contestants. He had 16 1/4 points, winning three first places and being a member of a relay team that placed.

Junior High school tennis players won three events. Miss Lilac Yeats has been coaching that sport at the local school. Billy Fern Polk won first place in the girls' singles; Dora Caldwell and Jean Holt won first in the girls' doubles, and Leroy Floyd and J. W. Henry won second place in the boys' doubles.

Slaton Hi Band To Amarillo April 5

The Slaton High School Band is all set to go to Amarillo April 3, 4 and 5 to enter the West Texas High School Band Contest and should they be judged top rank they will become eligible to enter the contest to be held in Waco in the latter part of April or in May. It is possible that the band will elect to go to Enid, Oklahoma to enter the Tri-State Festival to be held April 16 to 19.

The Festival at Enid is one of the big events in the Southwest for High school bands and it is a high honor for a band to enter the contest.

The expenses of the trip to Amarillo will be born by the individual members of the band but the cost of the trip to Enid will be paid by the Board of Control with the help of the Band Mothers, School Board, Athletic Council and the Slaton BCD and C. C.

Briggs Robertson Out For Mayor

The Slatonite has endeavored to give each candidate for a City office an announcement stating their views and plans. We have in previous issues told you what Mayor Teague, Carl Meriwether, J. E. Eckert, W. P. Florence and George Green had to say and the only remaining one who has so far not announced his views is Briggs Robertson.

"I am running on a progressive and aggressive platform," says Briggs, "and I believe that with my experience both in business and in public work that I am qualified to fill the office of mayor of Slaton and to promote the interests of Slaton in a way that will bring more activity and life into our town. Slaton is my home and I feel a deep and sincere affection for it and for every one who lives within its borders and as Mayor I believe I could prove this interest both in the town and in each individual in it.

"It is the duty, I feel, of every citizen who is qualified to vote to do so and, regardless of how you vote, I feel that I could do what my experience has equipped me to do that would mean much to Slaton. If you will vote for me I will do my best to fill the office efficiently in every way."

Week's Mission Begins Sunday

The Rev. Jerome Patrick Donegan, C.S.P., will open a one week mission at St. Joseph's church on Sunday, March 30 at 3:30 p. m. Father Donegan is one of the great Paulist missionaries. He is a native of San Francisco and has conducted missions from New York and San Francisco.

Before the evening devotions there will be a "Question Box". Any questions may be asked about the Catholic church and they will be answered by Father Donegan.

The order of lectures are as follows:

Sunday, 3:30 p. m., "The Call of The Master Christ".

Monday, 7:30 p. m., "Is Life Worth Living?"

Tuesday, 7:30 p. m., "Is One Religion As Good As Another?"

Wednesday, 7:30 p. m., "The Catholic Church and the Bible".

Thursday, 7:30 p. m., "Why Confess Sins to a Priest?"

Friday, 7:30 p. m., "Is Christ Present on Catholic Altars?"

Saturday, 7:30 p. m., "What Catholics Believe About the Pope".

Sunday (April 6), 3:30 p. m., "Why I Am A Catholic".

Monday through Saturday Mass and short instruction at 7:30 a. m. Father O'Brien, the local pastor of St. Joseph's church, cordially invites everyone to come to the mission.

ROTARY HEARS CAPT. LEGG

At the Rotary club meeting Thursday at the club house a tribute was paid to W. H. Smith and a resolution passed expressing the high regard the club as a body felt toward Mr. Smith and the sympathy the club and its members wished to be carried to the bereaved family of Mr. Smith.

Captain Legg of the Highway Patrol addressed the club on traffic regulations and safety.

Destruction With Air Guns And Rifles Must Stop Says Police

Chief of Police Austin Yeats reports that the destruction of light globes at the Ball Park and over the city has become so destructive that unless it is stopped immediately drastic action will be necessary.

"It is not our purpose to interfere with harmless pleasure of the boys with air guns but when it comes to destruction of city and private property to the point where it becomes a heavy tax upon owners we will be compelled to take action and that time has about arrived," said the chief of police.

Not only have the boys been using air guns, but investigation

shows that twenty-two rifles have been doing destructive work within the city limits which is against the law and punishable by a heavy fine.

"We wish to warn both the boys and their parents that such destruction of any city or private property in the future will be thoroughly investigated and action taken even if we have to go to the point of having it made unlawful for boys to shoot airguns in the city limits. Of course we would regret very much to have to go to this limit but this mischief will be stopped," said Mr. Yeats.

P. O. Service To Be Inspected

Postmaster Scudder reports that he has received a letter from the Post Office Department stating that an inspector will be sent here soon to investigate the mail service to Slaton and this territory.

The investigation to be made is in response to a petition sent to the Post Office Department two weeks ago which was promoted by the Slaton Chamber of Commerce through the chamber of commerce manager, Jack Norman.

Slaton Loses A Beloved Citizen

With the death Saturday of W. H. Smith, lovingly known in Slaton as "Bill" and "Agent Smith," this town has lost one of its most substantial citizens.

As one of the most active members of the Rotary club, Mr. Smith worked hard for the high ideals of this organization, and was one of the best posted men in Rotary on its principles and work. As the agent for the Panhandle and Santa Fe Railway System in Slaton he was stationed here for over 25 years, coming here from Glazier, Hemphill county, and because of his high business integrity was held in high esteem by every one with whom he came in contact. He was retired from active duty June 1, 1938 after 58 years of railroad service.

Funeral services were conducted Monday afternoon at the Methodist church. Rev. J. O. Quattlebaum of Clarendon officiated and Rev. H. C. Gordon, pastor, assisting. Masonic rites were read at the graveside in Englewood cemetery. Williams Funeral Home was in charge of burial.

Mr. Smith's condition was not considered serious until 5 o'clock the morning of his death. Mrs. Smith and a granddaughter, June Scott, were at the bedside when he died.

He was born at White Pine, Tennessee November 8, 1867 and was 74 years of age at the time of his death. Mr. and Mrs. Smith, the former Miss Nancy O'Dell of Knoxville, Tennessee, were married August 2, 1891, and were to celebrate the golden wedding anniversary this summer.

Mr. Smith was a member of the Methodist church, had served on the board of trustees, had been a member of the school board and a chamber of commerce director. He was a Shriner and a Rotarian.

Surviving are the wife, a son, W. H. Smith Jr., Glazier; three daughters, Mrs. S. W. Ball of Texarkana, Ark., Mrs. G. F. Everline of Amarillo and Mrs. K. C. Scott of Slaton; six grandchildren and one great grandchild.

Pall bearers were H. G. Stokes, H. S. Crews, Howard Swanner, S. A. Peavy, J. H. Brewer, P. A. Minor, Dr. W. E. Payne and Dr. R. G. Lovelace.

W. H. Smith has built a monument to his memory that will always be remembered by those who have known him.

Dr. Groshart Called Into Army Service

Dr. Oscar Doyle Groshart, who is a reserve officer in the Medical Corps of the United States Army was notified this week that he has been called back into the service and was ordered to report for duty April 3, 1941 for active duty at La Garde hospital in New Orleans, La.

The order reads that Captain Groshart will rank from October 22, 1936. He will be relieved of duty in time for him to arrive at his home on April 2, 1942, on which date he will revert to inactive status.

Dr. Groshart has been ill in the Mercy hospital for over a week and will probably be unable to attend to any duties here before he departs for New Orleans. His family will remain here in Slaton until May or later.

"I hope to be back here in Slaton within a year or less," said Dr. Groshart, "and it is with regret that I leave my friends and business in Slaton, even though it be for a limited time."

Greek War Relief Booth At Palace

Daughters of the Pioneer Study club is sponsoring a Greek War relief booth in the lobby of the Palace theatre this week. The local drive began Wednesday and will continue through Sunday.

This is a part of the nationwide drive to aid the small country that has fought so valorously, and Slaton is asked to do her part in this noble cause.

Noted Lecturer To Speak Here Tues., April 1

L. H. MOORE

At the request of Superintendent Joe E. Webb of the Slaton schools Dr. L. H. Moore, Professor in the Department of Philosophy and Education at the Texas State College for Women, will give a lecture at the High school auditorium here in Slaton on Tuesday morning, April 1.

The subject of his address will be "Choosing a Career".

Dr. Moore is considered not only an excellent speaker, but also a very entertaining one as he brings in much humor in his talks.

"We have arranged for the entire high school student body to attend the lecture," said Professor Webb, "and we will be glad to have any member of the public attend also."

There is no admission charges for the lecture and those who attend will find that Dr. Moore will give them worth while entertainment.

The lecture will start at 9:00 a. m. Tuesday morning, April 1.

West Texas Gas Company To Pay City For Use Of Property

In an ordinance passed at the last meeting of the City Commission a contract was entered into whereby the West Texas Gas Co. agrees to pay to the City of Slaton 2 per cent of the revenue received from the sale of gas to customers in this city. It was also agreed that the franchise for this company be extended for five years.

This action was taken at the

Legion Hears Patriotic Talks

The American Legion met at the Legion Hall last Monday night to hear talks from Nathan Johnson, who spoke on "What the American Legion Means to Us". Professor Webb of the Slaton schools talked on "What the American Legion Can Do for the Nation", Briggs Robertson addressed the meeting on "The Crisis Now Confronting Us", and John Hannah told the club about Fifth Column activities that are taking place in Texas.

The meeting was well attended by Legionaires and by members of the Legion Auxiliary. After the meeting doughnuts and coffee were served.

The local Post of the American Legion has planned a series of meetings that will be open to the public in which subjects of vital interest will be discussed by local speakers and by round table discussion dates for which will be announced later.

Those who are active in American Legion work feel that with world conditions as they are, that it is important that all the cooperation possible be given to any patriotic activities and feel that meetings of this kind will be of benefit to every citizen of this community.

Heavy Rains General

Again our weather prophet and unofficial weather recorder Mr. G. H. Orr gives us the data on what has happened to this vicinity since March 5th.

March 5th—snow 1/4 inch; rain 1/16 inch.

March 21—rain 4/14 inch.

March 21—rain 2 and 8/16 in.

March 25—1 inch.

March 26—8/16 inch.

From all communities in this section come reports of heavy rain falls and from Amarillo a report of a seven inch snow on March 25. Perhaps it will be another 1937 is the hope and prediction of many of the farmers and business men and while dirt roads have been almost impassable there have been many farmers who have come in with a smile on their faces and mud on their clothes.

A similar contract has recently been signed by the City of Lubbock on the same basis and is now in force.

JUST TALK

by
A.M.J.

Do you know what were the last two states to join the Union? Howard Hoffman did at the Rotary Quizz program last week, and Zeke Baldwin is as full of information as the new Britannica Encyclopedia. Dr. Payne is the best dodger on answering questions in West Texas, and Carl Evans can tell you most anything you want to know.

J. H. Bower can look at an intercooler and read his mind, and Hugh Adair is a good fifty-fifty guesser.

Old Tack in the Amarillo Globe says that middle age is that period in a man's life when he would rather not have a good time than have to get over it.

It is also said that just when a man gets old enough to enjoy himself he begins to fall to pieces.

The approaching Rodeo for June brings to mind a cattleman's convention that was held some years ago in Amarillo. The boys in boots and jeans took the town, including the restaurants. One morning I observed several of them eating two foot long steaks flanked with french fried potatoes for breakfast, and they were washing it down with beer. How I wished at the time for a constitution that would stand that amount of food for breakfast, but watching those cowhands eat spoiled my cup of coffee.

It is said that married couples get more and more alike as the years go by, but Carl Meriwether and his wife have a long way to go before they get in that class. Carl is one of those men who seems to take life as it comes, and it would take a lot to get him too high in the air, but his wife is always in high gear and on her way to a fire, to catch a train or maybe to get to the hair dresser. It is hard to tell which, but if she doesn't watch out she'll have Carl taking things in leaps and bounds and cause him to loose that impressive front he pushes around.

My Dad was an inveterate cigarette smoker, and when my mother used to burn him up about it, he always told her about the Mexican who died at 101 years of age from smoking.

I am seriously in need of a dream interpreter or an interview with a student of Freud, for last week I had a dream that caused me to nearly wreck our home.

In this dream a big red dog jumped on me with fangs bared and tried to take a bite out of my hip. In the dream I kicked at the dog. My wife screamed, and it seemed that the roof had fallen in, and our little fox terrier that sleeps on a chair in the bed room, jumped ten feet and started howling.

"There's some one breaking in the window," shrieked my wife in a high falsetto voice, as she shook me, then I realized I had kicked the window pane out.

My big toe is bruised, my wife has razed me for days and I am going to have to pay for a window for Mr. Ray Connor's house.

What I would like to know, though, is whether the dream was caused by a supper of country sausage, overwork, introvert or extrovert tendencies, or was it caused by some hidden fear or desire.

Here are some more good yarns sent out by Boyce House:

Two Irishmen, about to fight, agreed that the one who first wanted to quit had only to yell "Sufficient" and the other would stop. Flanagan got Casey down and was pounding him unmercifully when Casey yelled, "Sufficient" but Flanagan kept on. A spectator said, "Don't you hear him say that he's got enough?" To which Flanagan replied, "Faith an' he's such a liar, who'd be believin' of him?"

A similar story is the one about the Dutchman who was going to fight an Irishman and it was agreed that when one had enough, he would yell "Sufficient" and that would end the fight. The Dutchman knocked the Irishman down five times. Finally Pat floored his opponent and pounded him, whereupon the Dutchman shouted, "Sufficient." Pat jumped up, snarped his fingers and said, "D... it, I've been tryin' to think of that word for five minutes!"

What purports to be a speech delivered many years ago at a Jackson Day Dinner is presented in J. C. Smyth's Library Vindictor:

Members of this meeting: You don't know me, I suppose but I live at Hugleberry—I air the postmaster an' a Jackson Democrat. I am a big man—can eat green persimmons without puckerin'. Salt don't keep me nor likker injure me. I am a tearin' critter of the catamount school; in religion I am neutral, and am decidedly masculine on the upright principle.

Jacksonians, I say, exaggerate yourselves. I am no book-larnt man but there is few who can beat me swappin' hosses or gussin' at the weight of a b'ar. I have come here because my people voted for me, knowin' I was a honest man and could make as good whiskey and apple brandy at my still as any man. I want you all to finish the whole job on the Jacksonian principle and if you don't do as I advise, you'll come up short to ride down from the clouds on a thunderbolt through a crab-apple tree and not git scratched.

The rain surely has people all enthusiastic. Saw Mrs. A. R. Meadow out in her garden with a hoe last Monday evening, ankle deep in the mud and she was chopping away at a cactus plant. Her hoe was heavy with mud and she

was having a hard time with the implement but she had a contented look on her face.

That is what I call an optimist. Any one who would wade around in the mud to hoe around a cactus plant has sho nuf got spring in their heart.

But on a day like Monday the spirit of gardening gets into ones soul and I even got up enough enthusiasm to go out in our back yard and pinch a bloom on our ruddy little plum tree. Happy days are here again and we'll soon be seeing a lot of funny looking clothes on the women, fancy colored pants will be popular on the young men and the benches out on the City Hall lawn will get a lot of punishment from the park politicians.

And another thing it will soon be Spring Clean-up time and Graduation time and Easter music time and we can forget Income taxes, property taxes, automobile taxes and Christmas bills. Young love will be warming up and fishermen will soon be getting out their fishing tackle and the war will go on and on and on.

And we had another sure sign of spring this week when a man bought a straw hat into the office.

How To Make Mash

Lubbock—An all-purpose mash prepared by senior poultry students at Texas Technological college reduced the mortality rate on 207 baby chicks in the Tech flock to less than four per cent. Expected mortality rate is ten per cent after chicks are placed under a brooder, Professor J. D. Strickland said.

Contents are as follows: 20 pounds each of corn and wheat; 10 pounds each of oats, barley and finely ground green alfalfa; 11 pounds of wheat bran; 5 pounds each of meat and bone scraps; zarde kel, and cottonseed meal; 2 pounds of calcium carbonate; and 1 pound each of salt and cod liver oil.

Continued experiments with this ration will be made on laying flocks for egg production.

FATALITIES INCREASE

Austin—A five per cent increase in traffic fatalities for January and February was announced today by state police statisticians.

With 130 deaths counted for February, the total for the last 14 months was brought to 2,051.

At least 29—or 10 per cent—of the persons killed in January and February were either members of the United States military forces or workmen engaged in defense construction, it was pointed out by Homer Garrison Jr., State Police director.

Emergency crop and feed loans, made to farmers who cannot obtain adequate short-term financing from regular credit sources, increased 15 percent in number and 29 percent in amount during 1940.

A REPORT to America

The Ford Motor Company's business has always been to serve the needs of the American people. In providing them with low-cost transportation for the past 38 years, we have developed one of the country's largest and most useful industrial units. During a national emergency, we feel that these facilities should be devoted without reserve to our country's needs. Toward that end we started rolling months ago, with these results:

- 1 A \$21,000,000 Ford airplane engine factory, started only 6 months ago, is nearly completed. Production will start with an initial order for 4,236 eighteen cylinder, air-cooled, double-row, radial engines.
- 2 We are building a new \$800,000 Ford magnesium alloy foundry, one of the few in the country. It is already producing lightweight airplane engine castings.
- 3 Army reconnaissance cars—military vehicles of an entirely new type—are rolling off special Ford assembly lines at the rate of more than 600 a month. We have produced Army staff cars and bomber service trucks.
- 4 The government has given the "go-ahead" and work is now under way for the fast construction of an \$11,000,000 Ford plant to produce bomber airframe assemblies by mass production methods.

5 Several months ago work was started, on our own initiative, on an entirely new 1500 horsepower airplane engine especially designed for mass production. This engine is now in the test stage and plans are being developed for producing it in large quantities when and if needed.

6 A Ford aircraft apprentice school has been established, to train 2000 students at a time.

That is a report of progress to date.

The experience and facilities of this company can be used to do much of the job which America now needs to get done in a hurry.

Our way of working, which avoids all possible red tape, enables us to get results and get them fast. This benefits users of our products and workers who produce them.

We are ready to make anything we know how to make, to make it to the limit of our capacity if need be, to make it as fast as we can go, and to start the next job whenever our country asks us to. And to this end, we know we have the full confidence and loyal support of the workmen throughout our plants.

SCHOOL ACTIVITIES

East Ward Notes-

The Citizenship club of East Ward school met March 25. The house was called to order and the minutes were read. Billy Joe Payne and Betty Hancock were elected to stay in the club next month. Joy Holloman showed the club some pictures.

Future Homemakers To District Meet

About 20 members of the Mabel D. Erwin chapter of the Future Homemakers of Texas plan to attend a district meeting of the Lubbock and Garza County organization of the Future Homemakers

at Cooper Rural High school on Saturday, March 29th. This is an all day meeting, and girls from all Lubbock and Garza county schools will attend.

The program is to be on American Social Life and the Slaton chapter is to present a picture of life during the time of the Puritans. Other eras to be pictured are Victorian, Modern and Western. This is the only district meeting to be held this year.

SEE Williams Funeral Home for your insurance policy. We pay off with complete burial or cash.

Junior High Notes

Rev. H. C. Gordon was the guest speaker at the chapel program of Junior High on March 12. His talk was based on the Bible text which shows us how a Christian life is like a growing tree in that it is rich and good. Many of the students did not know Brother Gordon and were glad to have an opportunity to meet him.

Short skits were given from the faculty play by Miss Yeats, Miss Payne, Miss Haggard, Mrs. Reasner, Mr. Jenkins, Mr. Reed and Mr. Harvey.

Several pupils have been absent from school lately because of illness. The pupils and teachers have missed them and hope they are back in school soon.

Junior High is quite proud of its track team which won first place last Friday in the county meet. This is the third consecutive year that this school's team has placed first. They won the first place in the 50-yard dash, first in the 100-yard dash, first in broad-jump, second in the 440 relay and third in high jump. This team won 20 points while the next school, Roosevelt, won 15.

Jack Dickson won a medal for being high point man, winning first in broad-jump and the 50 and 100-yard dash. The relay team was made up of Jack Dickson, Billy Brackeen, Billy Gentry and B. A. Hanna. Ray Lee Yandell won third place in high jump. Travis Melton entered the high jump, but hurt his leg and failed to place. The team won a trophy for being high point at the meet.

The soft ball tournament was postponed, which suits the Cubs just fine for they have not had time to work out much yet. A large number of boys are playing, but make many errors in fielding and the batting average is very

low. Hopes are for a pretty fair team as two or more boys trying for each place on the team. The pitchers at the present are Elzo Smith and Grady Elders, though a left hander, Glen Hampton is also tossing a few.

The Junior High tennis teams went to Lubbock Thursday for the annual county meet. The girls' doubles, Jean Holt and Dora Caldwell, won first place and each received a medal. Billy Vern Polk, girls' singles, also won first place. The boys' doubles, Leroy Floyd and J. W. Henry, received second place and were given medals also.

Dorothy Faye Jolly, seventh grade student, won second in the essay contest.

Contests in playground ball will be held at Lubbock April 26. Volley ball contests will be held at Idalou this week end.

Mrs. Abernathy's seventh grade is progressing nicely in their project of carving the Square of Slaton from soap. The project is being done in art class.

Martha Ann Gunter and Reta Jo Adkins, who entered the speech contest at Amarillo, both won second places. Martha Ann also entered the Speech contest at Lubbock.

Future Homemakers Entertain F. F. A.

Much talent among the Future Homemakers and the Future Farmers was uncovered Monday night when the Homemakers entertained the FFA boys, and members of both organizations impersonated the characters in fairy stories, songs and proverbs. The occasion was the Spring joint meeting of the FFA and FHT with the girls hostesses to the boys.

There were talks by representatives of each organization followed by a talk by J. Paul Stevens. He pointed out to the boys and girls that one of the most important things in successful farming or homemaking is the ability to be

self sustaining to a great extent, and that to look for beauty in one's environment adds much to the enjoyment of living.

Following the program, games were directed by Dorris Clifton who had planned paper sack and marshmallow relay races, a fairy tale to be acted out by various groups and other games which kept the group occupied for an hour.

Refreshments of sandwiches, ice cream and cookies were served by the Homemaking girls to 45 members of the two organizations and their sponsors.

4-H Enrollment Reaches Peak, 34,038

College Station—The enrollment of 4-H club boys in Texas in 1940 was 34,038, the peak in the history of the work, with 19,703 completing their demonstrations. L. L. Johnson and J. W. Potts, state boys' club agents, report the number of 4-H clubs in the state as 2,068 with 2,511 adult leaders and 421 older boys helping with the guidance of the clubs.

County agricultural agents trained 312 judging teams and 259 demonstration teams. Moreover, 307 4-H achievement days were held with 47,576 attending; 277 4-H camps held with 16,996 boys attending; 85 counties had 4-H county councils; 46 counties used a county 4-H handbook; 1,056 boys attended the short course, and 2,489 attended district encampments.

The state agents report that 27,137 boys were enrolled in livestock demonstrations, including 2,338 in dairy cattle; 5,242 beef cattle; 1,463 sheep; 11,049 swine and 4,995 in poultry.

ALATHEAN CLASS TO MEET

The Alathean Sunday school class of the First Baptist church, will meet in the home of Mrs. Carl Sartain Wednesday afternoon, April 2, at 3 o'clock.

Speech Students Attend Festival

Pupils of Mrs. Grace White were judged highly superior and superior Saturday at the Panhandle Speech Festival in Amarillo. Eleven towns were represented.

Johnette Foster was rated highly superior, Jean Martin highly superior; Martha Ann Gunter, superior; and Viola Martin, superior.

Miss Foster and Betty Jo Thornton, who was unable to attend the Amarillo event, were winners Friday in the county Interscholastic meet in Lubbock. They will attend the district meet in Lubbock in April, when they will compete with representatives from 16 counties.

While in Amarillo, Miss Martin read over KGNC the radio station there. Mrs. White was elected vice president of the Festival to be held there next year.

Judges for the event were Miss Ruth Pirtle and John Harding of Texas Technological college.

Entomologists of the U. S. Department of Agriculture say a three-inch ribbon of hydrated lime around a frame garden will keep garden slugs away from tender young plants.

The Farm Credit Administration has announced that the 12 district banks for cooperatives (including the Texas Bank for Cooperatives at Houston) and the Central Bank for Cooperatives will reduce the interest rates on new facility loans from 4 percent to 3 1/2 percent, effective March 1.

ORDINANCE NO. 96

An Ordinance to amend Ordinance No. 50 passed by the City of Slaton, Texas, on the 6th day of July, A. D. 1927, granting to West Texas Gas Company, a Corporation, its successors and assigns, a Gas Franchise for the purpose of conducting in said City a business of furnishing Natural Gas to the City and the inhabitants thereof; said Ordinance being amended by amending Section 1 thereof so as to extend the term of said Franchise for a period of five years from and after the 6th day of July, 1947, to the 6th day of July, 1952; and further amending said Ordinance No. 50 by adding thereto Section 7-A providing for a Franchise and occupation tax and rental charge of two per cent of certain of the gross receipts of the West Texas Gas Company for the occupation and use of the streets, alleys, highways or other public ways and places of the City of Slaton and providing the dates and time of payment and the method of determining the gross receipts which constitute the basis of a computation of said tax or charge, all as herein provided:

WHEREAS the West Texas Gas Company, a corporation, hereinafter referred to as the "Grantee" is now and has been engaged in the transportation, distribution and sale of natural gas in the State of Texas and in the City of Slaton, Texas, and in furtherance thereof has erected, constructed and maintained a gas distribution system in the City of Slaton, Texas, here-

inafter referred to as "the City", for many years pursuant to such rights as have been granted to the Grantee by and under the laws of the State of Texas and the terms of a certain franchise granted to it by the City of Slaton, Texas, on the 6th day of July, A. D. 1927, by its Ordinance No. 50, which franchise was for a term and period of twenty years from and after the 6th day of July, A. D. 1927, and

WHEREAS by reason of the growth and development of the said City of Slaton, Texas, since the passage of said Ordinance No. 50, the Grantee has expended large sums in the extension of its distribution system and lines and facilities so as to adequately serve the needs of said City and its inhabitants, and it is contemplated and anticipated by both the City and Grantee that the further growth and development of said City will necessitate and require the expenditure by the Grantee of large sums of money in the further extension of its existing lines and facilities to serve the needs of said City and its inhabitants, and

WHEREAS the Grantee, in order to protect its investments heretofore made in said City and the further investments that will be required of it in order to meet the demand occasioned by the further growth of said City, desires an extension of the term of said franchise for a period of five years from and after the date of the termination of said franchise under said Ordinance No. 50 so as that the said franchise will terminate on the 6th day of July, A. D. 1952, instead of on the 6th day of July, A. D. 1947, under said Ordinance No. 50, and as a part of the consideration for said extension is willing to pay to the City certain compensation as hereinafter provided for the use by the Grantee of the streets, alleys, highways and other public ways and places within the City of Slaton, which compensation the City Commission of the City of Slaton finds and agrees is fair and reasonable:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF SLATON, TEXAS, THAT:

SECTION 1: That Ordinance No. 50 passed by the City of Slaton, Texas, on the 6th day of July, A. D. 1927, and Section 1 thereof be amended so as that the same shall hereafter read as follows, to-wit:

"That from and after the passage and approval of this ordinance that the right to furnish, distribute and sell natural gas for light, heat and power and for all such other purposes for which gas may be used within the City of Slaton, Texas, for a period and term ending on the 6th day of July, A. D. 1952, is hereby granted to the West Texas Gas Company, a corporation, and its successors and assigns, hereinafter called Grantee, subject, however, to the provisions hereinafter incorporated in this Ordinance, and for such ad-

ditional period or extensions of time as may at the expiration of the said term of years ending the 6th day of July, A. D. 1952, be granted, and upon conditions then found to be satisfactory to the officials of the City of Slaton, Texas, and to this grantee, and provided that this amendment to said Ordinance and Franchise No. 50 is to be in effect and run from and after the day and date of its passage and approval."

SECTION 2: That Ordinance No. 50 passed on the 6th day of July, A. D. 1927, by the City of Slaton, Texas, be amended by adding thereto and incorporating therein a new section herein and hereby designated as Section 7-A, which is as follows, to-wit:

"SECTION 7-A: As a part of the consideration for the granting of the extension of the franchise as hereinabove set forth and as compensation to the City for the granting of said franchise and for the use of the City's streets, alleys, highways and other public ways and places, the Grantee agrees to pay to the City quarterly each

year during the remaining term of this franchise as extended hereby a sum of money equal to two (2%) per cent of the gross receipts (as said term "gross receipts" is hereinafter defined) of the Grantee from the sale of natural gas within the corporate limits of the City of Slaton, Texas.

"The gross receipts upon which such tax or charge is to be computed shall be determined as follows: From the total receipts from the sale of natural gas, within the corporate limits of the City of Slaton, Texas, for the particular quarter involved, there shall be deducted the receipts from the sale by the Grantee of natural gas to Public Authorities, to-wit: Federal Government and/or Federal Government Departments, the State of Texas, and County of Lubbock, the City of Slaton and the Slaton Independent School District, and the balance remaining after such deduction shall constitute the gross receipts upon which such tax or charge is to be computed.

"The quarterly payments provided for herein to be paid by Grantee to the City shall be paid as follows: the payment for the first quarter shall be made on or before May 1st of each year; for the second quarter on or before August 1st of each year; for the third quarter on or before November 1st of each year; and for the fourth quarter on or before February 1st of each year. The first payment hereunder shall be made on or before the 1st day of May, A. D. 1941, and shall be equal two (2%) per cent of the gross receipts as hereinbefore defined for the first quarter of the year 1941.

"The Grantee shall at the time of making any quarterly payment furnish to the City a statement certified by a duly authorized officer of said Grantee showing the quarterly gross receipts as heretofore defined and the amount of deductions as hereinbefore provided for.

"The City agrees that the consideration set forth in the preceding paragraphs shall be paid and received in lieu of any tax, license, charge, fee, street or alley rental, or other character of charge for use and occupancy of the streets, alleys and public places of the City."

INTRODUCED ON THE 24TH day of March, A. D. 1941, and passed by the City Commission as the governing body of the City of Slaton, Lubbock County, Texas, this 24th day of March, A. D. 1941.

J. H. Teague,
Mayor, City of Slaton, Texas

ATTEST:
E. H. Ward (seal)
City Secretary

The State of Texas
City of Slaton
County of Lubbock

We, the undersigned Mayor and City Secretary of the City of Slaton, in Lubbock County, Texas, do hereby certify that the within and foregoing is a true and correct copy of the Ordinance No. 96 extending the term of the franchise granted to the West Texas Gas Company by Ordinance No. 50 so as that the said franchise will terminate on the 6th day of July, A. D. 1952, and for the payment of a franchise tax or rental charge, and that such Ordinance No. 96 was duly read, approved and passed as required by the City Charter of said City and duly signed by the undersigned Mayor and attested by the undersigned City Secretary this 24th day of March, A. D. 1941.

J. H. Teague,
Mayor, City of Slaton, Texas

ATTEST:
E. H. Ward (seal)
City Secretary, City of Slaton, Texas.

1940 Payments On A.C.P. March 31

All applications for payment under the 1940 Agricultural Conservation Program must be signed and in the county offices by Mar. 31. Fred Rannels, assistant administrative officer in charge of the AAA in Texas, has announced.

The deadline applies to payments for soil-building and range-improvement work as well as regular payments under the conservation program, the AAA official said. The closing date is applicable all over the United States.

To date, 361,628 applications for a total of \$43,314,700 have been certified.

U. S. Wheat Markets Shrink

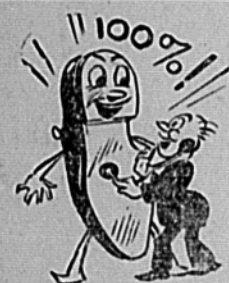

A problem facing U. S. farmers in 1941 is the great reduction in wheat export outlets, as shown by the chart above. U. S. Department of Agriculture officials point out that continued acreage adjustment under the AAA Program is necessary to balance wheat supply with decreased demand.

Camp Bowie Open To Visitors

Camp Bowie — Relatives and friends of men quartered in Camp Bowie who feel that they may never get the opportunity to see just how the young men of the Thirty-Sixth Division live are provided with a very comfortable quarters under just such conditions.

The Guest House, equipped with the same type cots, mattresses, blankets, sheets and other bedding is open to visitors. The only difference between the quarters there and those of the men is that the guest house is a frame building whereas the soldiers are quartered in walled tents. Mother and Dad may now come down, spent the night in Camp Bowie and know they have occupied the same type beds as their sons.

Reservations are made by addressing the Senior Hostess, Camp Bowie, Texas. Rates are \$1 per night for one person or \$1.50 for two. Each room is equipped with two cots.

Guests are allowed to stay two nights on week ends and one night through the week. This rule, however, is altered in the case of a person who has a relative seriously ill in the hospital.

A guard is maintained at all times. His duties are to answer questions and otherwise aid the visitors. The reading room is open but the cafeteria is not functioning yet due to lack of equipment. Guests may be informed of bus or train schedules from hostesses, may find and get word to soldiers they wish to visit and arrange to meet them at the Guest House.

Rules of the Guest House are the same as those governing the remainder of the camp. Guests must return to camp by taps each evening.

Takes \$5,979 Cut

James Stewart

Winner of the Academy Award this year, movie star James Stewart is shown in his new uniform following induction into the army in Los Angeles. He left a \$6,000-a-month berth as an actor to become a buck private at Fort MacArthur at \$21-a-month.

New Egg Market

College Station—The Federal Surplus Commodities Corporation announces it plans to buy a quantity of fresh shell eggs, natural or processed, in a group of 19 states, including Texas, Oklahoma and Arkansas. Offers may be submitted by letter or telegram and must state the number of cases or carlots of each U. S. wholesale or retail grade offered at each point of delivery; average net weight a case in each lot or carload; whether packed in new or used wood cases, or fibre cases; prices in cents per dozen f.o.b. cars or trucks at delivery point, and name of originating carrier at each point of delivery.

Geo. P. McCarthy, Extension poultry husbandman, says offers may be submitted up to 3 p. m. Monday and Thursday until further notice, but not later than June 30 next, to the FSCC, room 721, 506 South Wabash Avenue, Chicago.

Offers may be made only in lots of 400 cases (624 cases in transcontinental freight territory) of 30 dozen each. Carlots may be made up of more than one grade but acceptance will be based on prices of each grade offered. On delivery, a minus tolerance of five percent in cases will be allowed, provided the gross weight of the amount delivered is equal to existing carlot minimums for the originating territory.

The grades bought shall be U. S. Standard No. 1, wholesale or better. The average net weight per case lot or carlot must be stated in the offer. All offers shall be considered as naturals, without treatment of shell, unless specified in the offer.

The FSCC says that inspection shall be performed at the point of delivery by the Agricultural Marketing Service, U.S.D.A., and it shall be incumbent on the vendor to arrange with the A.M.S. for inspection and grading service.

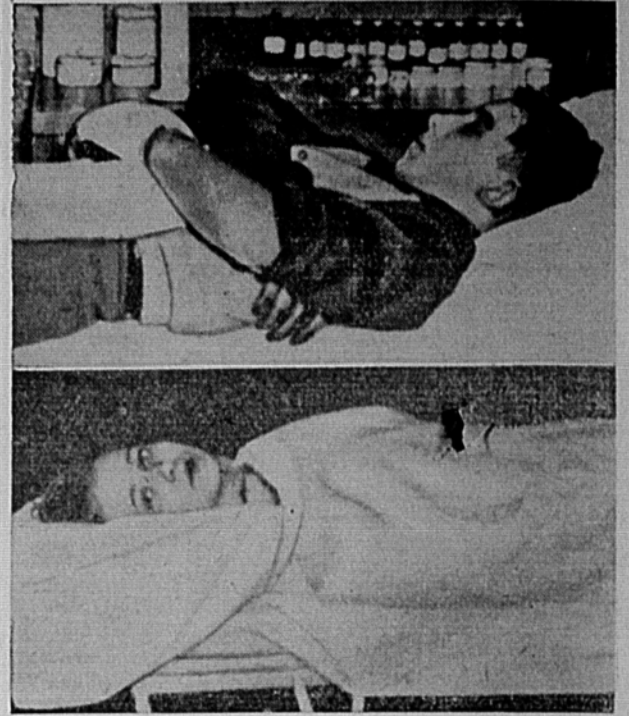

Colors For Autos

With the approach of spring, a color-conscious America is becoming increasingly aware of the contribution of the motor-makers to the brightening of the American scene, for few sights are as cheerful as a modern highway with its splashes of rainbow hues that bedeck the modern automobile.

Gradually the motoring public has shown greater and greater preference for colors, according to William E. Holler, general sales manager, Chevrolet Motor Division, who pays tribute to women drivers and their influence as auto buyers upon the manufacturers.

To point up this comparison of modern days against the youth of the auto industry, Mr. Holler cited the new 1941 Chevrolet convertible cabriolets, produced in seven interior colors, with a wide range of color contrast in tops and interior trim. The cabriolets, he said, may be obtained in black with black or tan top and red or tan leather trim inside; in ruby ma-

Wounded, Husband Jailed

C. P. Phonephoto

Mrs. Elkins Maddox and Roy Bratzel are shown in a Baltimore, Md., hospital, where they were taken after being wounded in what police describe as a triangle shooting. Bratzel, who was shot in the hand, says he was chatting with Mrs. Maddox on the street near her home when the shots were fired. One bullet lodged in her spine. Her estranged husband was jailed.

room with black or tan top and red leather trim; two shades of gray are available with black tops and red trim; the blue cabriolet has a tan top with harmonizing blue trim; tan top and green trim brighten the green cabriolet, and with complete burial or cash.

Chevrolet's smart cameo cream convertible is offset by black top with red trim.

RESOLUTION:

WHEREAS: Death has suddenly and unexpectedly taken our esteemed fellow townsman, and fellow Rotarian, W. H. (Bill) Smith, and,

WHEREAS: Bill Smith was not only a valuable member of the Rotary club, but he took great interest in all civic activities of the community, giving freely of his time, money, and wisdom in all constructive work, and,

WHEREAS: his death has caused a loss to Rotary that will be hard to regain, as he was a loyal, faithful, co-worker, never shirking the duties which he was called upon to perform. We shall miss his firm, big hearted personality and warm hand shake. Therefore be it

RESOLVED: That by the Rotary Club of Slaton, Texas we, individually, and collectively, express our sorrow for the death of such a valuable man in our midst, and extend our love and sympathy to the bereaved wife, children, and relatives in this sad crisis that has come upon them. Be it further

RESOLVED: That a copy of these resolutions be spread upon the minutes of the Rotary Club, and a copy of same be given to Mrs. W. H. Smith, and, to the press.

Read and adopted by the Slaton Rotary Club of Slaton, Texas, this the 27th day of March 1941.

The W. M. U. of the Baptist church met Monday for a business meeting. Plans were made to pack a box for Buckner's Orphan Home. Those present were: Messdames Truelock, Hubert Foust, B. H. Robbins, A. F. Davis, John Draper, Marvin Truelock and Holly White.

Large Hawk Catches Big Snake Recently

Two west Texas couples recently had the experience of seeing a huge hawk carry off an extremely big snake. The couples, Mr. and Mrs. V. E. Smith and Mr. and Mrs. Barry Scoobe, were riding near Fort Davis when a hawk suddenly took flight from the roadside and carried in one talon was a snake believed to be a bull snake which was probably five feet long and as thick as a large man's wrist.

The hawk was carrying the snake in one talon, and apparently needed the other one to take off with.

Mrs. Ed Denton of Hackberry was a Slaton visitor Saturday.

Mrs. Johnnie Newton left Friday for a visit in San Ar. relo.

MEAT for AMERICA'S MILLIONS moves via

Efficient, smoothly regulated stock trains deliver, daily, thousands of live animals from farms and ranges to centrally located stockyards for marketing.

Modern Santa Fe Refrigerator Cars operating on swift schedules deliver to all parts of America choice meats and meat products produced from Southwest livestock.

The Southwest is an important producing part of America's great meat industry and Santa Fe provides transportation vital for connecting this vast territory to stockyards and meat packers, and for far-flung distribution of meat products to the tables of millions of Americans.

We are proud of our service to the livestock and meat industry, and equally anxious to serve other Southwestern freight shippers, large or small. For complete information on Santa Fe Freight Service — CALL ..

Slaton Eastern Star Chapter Honors Mrs. Stewart With Tea

Slaton Order of the Eastern Star chapter gave a tea Tuesday evening at 6 o'clock honoring Mrs. Alice Mae Stewart, District Deputy Grand Matron of District 2, Section 4.

Those in the receiving line with Mrs. Stewart were Mrs. Hinda Jane Nabers, Grand Representative from South Dakota to Texas, of Lubbock; Mrs. Maggie Denton, Worthy Matron of Southland; Mrs. Thelma Peacock, Worthy Matron of Brownfield; Mrs. Viola Stark, Worthy Matron of Seminole; Mrs. Ada Cocanougher, Worthy Matron of Lubbock; Mrs. Mattie Green, Worthy Matron of Levelland; Mrs. Josephine Brant, Worthy Matron of Post; Miss O'Bera Forrester, Worthy Matron of Tahoka and Mrs. Ethel Young, Worthy Matron of Slaton.

The dining room was decorated with lighted candles and cut flowers. Mrs. Myrtis Hanna and Mrs. Bertie Marr poured coffee for guests.

Following the tea at 7:30 p. m. an impressive Friendship program was rendered by the officers of the Slaton chapter. Large baskets of cut flowers and pot plants decorated the hall.

Visitors were present from the neighboring towns of Southland, Post, Lubbock, Brownfield, Seminole, Seagraves, Tahoka, Levelland and Morton. Each visitor was presented with a friendship key by means of which they might enter Slaton chapter at any time.

The Slaton chapter presented Mesdames Stewart, Nabor and Young with corsages of pink carnations. Music was furnished during the evening by Mrs. B. B. Castleberry, Mrs. Raymond Johnson and Miss Myrtle Teague. Several vocal numbers were given by Mrs. Johnson.

Several visitors made talks on the good of the order. Mrs. Stewart expressed her appreciation for the honors and closed with a poem written about and dedicated to the visiting chapters.

Culture Club Meets In Florence Home

Mrs. W. P. Florence was hostess to the Civic and Culture club Saturday afternoon at her home. Mrs. H. R. McKee was leader of the program.

"Ellen Glasgow's Contribution to the Modern Realistic Type of Fiction" was discussed by Mrs. McKee and the "The Philosophy of Life Expressed in 'Vein of Iron' with Emphasis on Characterization," and "Fate" she led the round table discussion.

Refreshments were served to Mesdames J. S. Bates, R. M. Champion, Green, Hollis, J. C. Jenkins, W. R. Lovett, McKee, H. G. Sanders, W. E. Smart, A. C. Strickland, C. L. Suit, W. T. Cherry and the hostess.

The next meeting of the club will be April 12 with Mrs. Clarence Heaton.

Elmer Hinson Is Honored On Birthday

Mr. Elmer Hinson was honored with a birthday supper Thursday night. He was celebrating his thirty-second birthday, and a cake with the correct number of candles was presented him.

Supper was served to the following: Mr. and Mrs. Sport Rinne and children, Doris and Ford; Mr. and Mrs. A. A. Gartman, Viola Mae, Betty Jean, Myrtle, Junior and Aley; Mr. and Mrs. J. B. Hinson, Douglas, Dorothy, Doretha and Junior; Mr. and Mrs. Otto Rinne and children, Rose and Minnie; Mr. and Mrs. Percy Hinson, Mr. and Mrs. Will Meyer, Lillie, Earnest, Ruth and Ruby; Mrs. Mattie Hinson and sons, Monroe and Earnest; Miss Charlasie Stevenson, Grady Robertson of Meridian, Mississippi and Henry Rinne.

Bible And Music Discussed By Club

The Bible and Music were the subjects of the program of the Junior Civic and Culture club Wednesday night in the home of Mrs. Jack Shepard.

Miss Ura Mae Haggard was leader of the program which was composed of a talk on "Religion in the Home" by Mrs. Roy Boyd and Jack Norman sang three numbers, "The Open Road", "Deep River", and "You". Mrs. O. D. Grosbart accompanied him at the piano.

A business meeting was held at the close of the program. The club will have a social meeting April 8. They will meet in the home of Mrs. Joe Bob Stevens at 6:30 p. m.

China, Glass, Silver Subjects Of Study

Girls taking Homemaking in Slaton High school have decided that the best way to learn about the thing being studied is to go see it first hand. The foods class after studying about china, glass and silvers ware visited the jewelry store and heard first hand how china is made, how the designs are put on, the characteristics and how to identify fine china and glassware.

CELEBRATES BIRTHDAY

D. W. Wallace celebrated his eighty-eighth birthday Sunday in the home of his daughter, Mrs. Fred Tudor, and Mr. Tudor. Guests were Mr. and Mrs. M. A. Wallace and son of Sanderson, Ray Connally of Odessa, Mr. and Mrs. E. J. Wallace and two children of Lubbock, Mrs. W. F. Blackberry and son of Lubbock and Mr. and Mrs. Alton Sumerall of Sweet water.

Mrs. A. Kessel has been visiting in Roswell, New Mexico this week.

1940 Study Club has Regular Meeting

1940 Study club members met in the home of Mrs. Ben Mansker, 905 West Jean street, last Thursday afternoon for a regular meeting.

Roll call was answered by each member giving a Bible quotation. Mrs. Dick Skelton led the program on the regular study of practical English which was on Book V, the use of similes and metaphors.

Two guests were present, Mrs. R. H. Bailey and Mrs. H. H. Edmondson. The next meeting will be with Mrs. H. S. Crews April 3 with Mrs. R. M. McReynolds as leader.

Slaton Art Group Has Meeting Tues.

The Slaton Art club met Tuesday March 25 at 3 p. m. in the home of Mrs. W. H. Dawson.

After the business meeting in which plans for the annual art exhibit were made, Mrs. C. L. Tanner took charge of the program. She talked on "Old China". Mrs. Margaret Bradshaw discussed "New China" and "The Expense of Making China".

This being the month Mrs. Davis was to be hostess to the club, Mrs. M. A. Grant read a poem in memory of Mrs. Davis.

A refreshment plate was served to nine members.

WILSONS RETURN

Mr. and Mrs. A. P. Wilson and three daughters returned from Kentucky a few days ago where Mrs. Wilson was called to the bedside of her father, G. R. Savells who died at the age of 84.

Mrs. Wilson is a new resident of Slaton, having moved here about 18 months ago. Her husband, Mr. Wilson, is a local mail carrier.

Personals

Reverend J. Paul Stevens, Mrs. Stevens and Jack Norman went to Floydada last week to attend the wedding of Reverend W. Donald Harris and Miss Mary Ann Kimball in that city. Mr. Norman sang at the wedding, and Reverend Stevens was an usher.

Mr. and Mrs. A. C. Taylor have been visiting in Hot Springs, New Mexico.

Mrs. Fred Melton and Miss Helene Melton visited in Portales, New Mexico Sunday and Monday.

Mr. and Mrs. L. V. Pounds visited Mrs. Pounds' parents, Mr. and Mrs. Tom Taylor, Saturday.

Ottis Browning left Sunday for San Angelo where he will visit his mother who is ill.

Alfred Taylor of Hermleigh visited his parents, Mr. and Mrs. G. A. Taylor, during the weekend. John Burns accompanied him home.

FASHION PREVIEW

What could be more dashing, the March issue of Good Housekeeping inquires, than these twin flannel blazers for sisters or mothers and daughters. They come in dark green or gray blue, piped in white and display a very definite sporting British air.

Mr. and Mrs. Vascar Browning, Mr. and Mrs. Charles Marriott Sr. and Mr. and Mrs. Charles Marriott Jr. went to Plainview last Monday night to hear Helen Keller. Charles Marriott Jr. is now living in Clovis, New Mexico and has been visiting his parents here.

Mrs. Max Arrants of Charleston, Tennessee is visiting her mother and father Mr. and Mrs. E. R. Legg and will be here for about two weeks. Mrs. Arrants visited friends in Dallas before coming here.

Rodney McReynolds who has been working in Abilene visited his parents, Mr. and Mrs. R. E. McReynolds, Sunday. He informed them while here he has secured a position with the West Texas Utilities company in Stamford and is moving there.

Mrs. Dick Adkins and daughter, Rita Jo, Mrs. W. A. Marr and daughter, Cleo Joyce, and Miss Fannie Castleberry went to Amarillo Friday where Rita Jo participated in the Panhandle Speech Festival. She received a grade of superior. She is a pupil of Mrs. Dorothy Pittman of Lubbock.

Mr. and Mrs. R. F. Hodge have sold their dry cleaning plant to Curtis Dowell. Mr. and Mrs. Hodge are going to Los Angeles, California to visit their son and will return to Texas and make their home near Dallas.

P. G. Meading is in San Antonio on business.

Mr. Herbert Gaither has been ill at his home for the past 10 days.

Miss Mary Watkins, Texas Tech student, visited her parents, Mr. and Mrs. Jack Watkins, during the past week.

Mrs. Boyce Guest and Mrs. M. H. Lasater left Tuesday for Brownfield. Mrs. Guest's father is ill in that city and Mrs. Lasater will visit relatives in Cleburne.

Mrs. Vern Johnson left Wednesday for Houston where she will visit her sister.

Mr. William Tiller of Brownwood has been visiting his daughter, Mrs. A. A. Gartman of 400 South 8th street this month.

Mr. and Mrs. E. Z. Simmons of Fort Worth visited Mr. and Mrs. Tom Taylor Wednesday night.

Mr. and Mrs. M. B. Tate spent several days last week in Amarillo visiting Mrs. Tate's relatives, Reverend Willard Tucker and family.

Mr. and Mrs. W. P. Layne spent the week end visiting Mrs. Layne's mother and father, Mr. and Mrs. J. C. Smith at Moran, Texas.

L. C. Holt who has been in Mercy hospital with pneumonia has returned home and to work.

J. H. Gregory, who has been in California for some time, has returned to Slaton.

We Expect Heavy Easter Orders. Why not place your order now that your flowers will be what you desire.

SLATON FLORAL CO.

Phone 489 South End of 9th St.

Tuesday, April 1st the Citizens of Slaton vote. Regardless of how you vote, VOTE. Exercise that privilege. You are the voice of your city, and may the preference for which you speak be a wise preference.

There is nothing wrong with our city. It's filled with good churches, good schools, paved streets, good homes and GOOD PEOPLE. It's surrounded with the finest agricultural land on the South Plains. We have one of the largest payrolls to be found anywhere in a city of our size.

The only thing that we need is a revival of TOWN SPIRIT, and TOWN CO-OPERATION. We need CONSTRUCTIVE IDEAS and ACTION to mature those ideas. We need to wake up to the opportunities at hand. We need to capitalize on our assets.

In an appeal for your vote and influence for the office of Mayor of your town, I pledge you an administration dedicated to the task of cementing town efforts and town spirit in a mighty drive down the "COME-BACK TRAIL".

I pledge you results with economy. I pledge you a cleaner town, a better town, and an active administration employing the efforts of the entire citizenship in our GO AHEAD CAMPAIGN.

Vote Tuesday Vote Green Have your neighbor vote Give Slaton the Green light Go Ahead Signal.

POSEY ITEMS

Mrs. S. N. Gentry, Correspondent

The Posey Home Demonstration club met in the home of Mrs. W. S. Grinstead Tuesday, March 18, with nine members present.

Mrs. O. R. Patterson led the group in games on fabrics and music. Members answered roll call by telling what they have already planted or set in their gardens.

Miss Clara Pratt, home demonstration agent, told the group to use the hose or a rope in shaping shrub beds. The bed outlines should be flowing lines instead of scallops.

Plans were discussed for the entertainment of the county federation. Refreshments were served to those present.

A party and candy breaking sponsored by the Epworth League members will be held Friday night at the school house. The party was postponed last Friday night because of weather conditions.

C. F. Lawson of Lubbock visited in the Clifton home last week.

Mr. and Mrs. Marcus Burns and boys of Spur spent Sunday with his parents, Mr. and Mrs. Will Burns.

Miss Joretta Cranfill of Wilson spent the week end with her sister, Mrs. L. K. Hart and family.

Mr. Albert Johnson who has been confined to his bed with flu is able to sit up this week. Mr. T. A. Johnson has been on the sick list also.

Mrs. Homer Kelley is improving her yard this year. Besides a grassy lawn, Mrs. Kelley has 50 different varieties of flowers and shrubs.

Three and one half inches of

rain has fallen in our community since Friday and is still raining at the present writing. This is a fine season for early planting.

Those attending an agriculture meeting and a party sponsored by the Slaton Home Economics girls at the Slaton club house Monday night were Harrold Morrison, Melvin and Bud Johnson and Charles and Ruth Gentry.

Messrs. T. A. Johnson, S. N. Gentry and Nathan Johnson attended Legion meeting at Slaton Monday night.

The Posey Senior Epworth League met at the school house Sunday night with a good attendance. Mrs. M. P. Gentry, assistant sponsor, assisted the group with their program. Beatrice Burns and Lillie Gentry led the program entitled, "Toward a Better Community".

After the meeting adjourned a community singing was held. Slaton visitors who were not present were missed.

Singing nights are set for each second and fourth Sunday nights. Rev. A. C. Forbis of Lubbock preaches each first Sunday morning and evening, 11 a. m. and 7:30 p. m.

Tiny Dog Trees Huge Panther

A panther which weighed 110 pounds was seven feet, two inches long, went to its doom recently in Blanco County rather ingloriously. It was treed by a little rat terrier dog which weighed no more than fourteen pounds. Mr. Emil Georg of Twin Sisters killed the panther after it had been treed. The big cat was one of the largest ever killed in Blanco County.

Angel Cake With A Heavenly Touch

By Katharine Fisher

Director, Good Housekeeping Institute

Here's a variation of angel cake that will surely bring clamoring demands for recipes from your own special public. Marble Angel-Food Cake is its name, and don't feel that you need a special knack or a magic touch to make it. Just follow directions exactly; they have been carefully tested in our own kitchens. Of course, you'll have leftover egg yolks. But you can turn them to thrifty good use in one of the several ways we have suggested below.

KATHARINE FISHER
Director of Good Housekeeping Institute

Marble Angel-Food Cake

Use Institute-approved measuring cups and spoons. Measure level.

1 c. sifted cake flour	1/4 tsp. salt
2 tsp. cocoa	1 tsp. cream of tartar
1 1/4 c. sifted granulated sugar	1 tsp. vanilla extract
1 c. egg whites	1/4 tsp. almond extract

Sift together 1/2 c. of flour, the cocoa, and 1/4 c. of sugar 4 times. Sift remaining 1/2 c. flour 4 times. With a wire whisk, hand beater, or electric beater at high speed, beat egg whites and salt until foamy. Add cream of tartar, and continue beating until stiff enough to stand in peaks, but not dry. Add remaining 1 c. sugar, or electric beater at low speed, until sugar is just blended. Fold in flour. Divide mixture in two parts. Into one lightly fold flour. Into other lightly fold flour and cocoa mixture. Place by tablespoonfuls in a 9" tube pan, which has been rinsed in cold water, but not greased, alternating white and chocolate mixtures. Bake in moderate oven of 325° F. for 45 to 50 min., or until done. Then invert on a cake rack for 1 hr., or until cool, before removing from pan. Serve plain, sprinkled lightly with confectioners' sugar, or frosted with Seven-Minute Frosting.

Some Ways To Use Leftover Egg Yolks

For Gold Cake

2 1/4 c. sifted cake flour	1 1/4 c. granulated sugar
3/4 tsp. baking powder	8 egg yolks
1/2 tsp. salt	1/2 c. milk
1/4 c. shortening	1/4 tsp. lemon extract

Sift together 3 times flour, baking powder, and salt. Cream shortening; add sugar gradually, while continuing to beat until light and fluffy. Beat egg yolks until thick and lemon-colored; add to creamed mixture, and beat smooth. Add flour mixture alternately with milk and extract; beat smooth. Bake in 3 greased, 8" layer-cake pans in moderately hot oven of 375° F. for 25 min. Fill and frost with Lemon Frosting. Then sprinkle 1 1/2 tsp. grated lemon rind on top, and cover sides with 1 c. shredded coconut.

For Velvety Custard Sauce

Leftover egg yolks make superb custard sauce to serve over fresh or canned fruit, gelatin whip, etc. Combine 3 beaten egg yolks, 2 tsp. sugar, and a pinch of salt. Gradually stir in 1 c. scalded milk; cook, stirring constantly, in a double boiler over hot, not boiling, water until mixture coats a spoon—but no longer, or sauce will curdle. Cool; add 1/4 tsp. vanilla.

To Perk Up Your Salads

If you want a fillip for your French or mayonnaise dressing, for your potato, vegetable, or fish salad, hard-cook one or more of the leftover egg yolks, and use as a garnish. To hard-cook the yolks, lower them carefully into gently boiling, salted water to cover. Simmer for 15 min. Remove, and chill. Then chop or mince with a fork. Add to your salad dressing, or sprinkle over the top of or in your salad.

As Vegetable "Toppers"

If you cannot use all the leftover egg yolks the same day, cover them with cold water and store in the refrigerator. Drain off all water; hard-cook the yolks as above. Then mince, and use as a garnish for spinach, beet or turnip greens. They make a grand topping, too, for cream soups or for cauliflower, etc., cooked whole and served with cheese sauce.

Or beat the yolks, and use in making sauces for creamed or scalloped meats, fish, or vegetables, in gravy for chicken fricassee, etc.

For Lunchbox Sandwiches

You who have school or go-to-business lunchboxes to pack can make grand use of egg yolks in sandwich fillings. Don't forget they're rich in iron. Just try these Raw-Vegetable Sandwiches: Combine 2 minced, hard-cooked egg yolks, 1/2 c. each minced celery and carrots, 1 c. finely shredded cabbage, 1/4 tsp. salt, a speck of pepper, 3 tsp. mayonnaise, and 1 tsp. chili sauce. Fill 5 full-size sandwiches.

NOTICE OF ELECTION

State of Texas
County of Lubbock
City of Slaton

NOTICE IS HEREBY GIVEN that an election will be held within and for the City of Slaton, Texas, on the first Tuesday in April, A. D. 1941, same being the first day of April, A. D. 1941, for the purpose of electing a Mayor for the City of Slaton, Texas, from the City at large who shall serve for a term of two years, or until his successor shall have been duly elected and qualified, also, for the purpose of electing two City Commissioners, one from each of their respective wards, No. One (1) and No. Three (3), who shall serve for a term of two years, or until their successors shall have been duly elected and qualified.

Said election shall be held in the City Hall in the City of Slaton, Texas, for one day only, by having a box for each respective ward, and the polls shall be open on said day from 8 o'clock in the forenoon until 7 o'clock in the afternoon of said day.

All persons who are qualified electors under the Constitution and laws of the State of Texas, and who have resided within the corporate limits of the City of Slaton, Texas, for six months next preceding said election shall be qualified to vote at said election.

The following Judges were appointed to hold said election in their respective wards at the City Hall on said date:
P. G. Meading, Judge Ward No. 1
J. H. Watkins, Judge Ward No. 2
J. W. Buchanan, Judge Ward No. 3
W. A. Robertson, Judge Ward No. 4

Each Judge shall appoint clerks to serve with him at said election. Said election shall be held as nearly in accordance with the General Election Laws of the State of Texas, affecting elections, as may be practical.

In testimony whereof, witness my official hand and seal of said City of Slaton, Texas, at my office in said City, this 26th day of February, A. D. 1941.

J. H. Teague

Mayor, City of Slaton, Texas

Attest—E. H. Ward,

Secretary. (seal)

Vegetable Laxative With Proved Feature

The punctual, gentle relief from constipation which is generally enjoyed when BLACK-DRAUGHT is used by directions is due to a combination of vegetable ingredients. Chief of these is an "intestinal tonic-laxative" which helps tone laxy bowel muscles. Next time, remember spicy, aromatic, time-tested BLACK-DRAUGHT! It is economical, too: 25-40 doses, 25c.

Get Your Car Ready For Sunday Drives

Fine polishes, many polishes, the best of polishes—that's what O. D. Kenney has to offer you for that spring car cleaning spree of yours.

Realizing the importance of good polishes to the durability of a car's paint job, Mr. Kenney handles only the best of nationally advertised polishes for his customers and has a large stock from which they may select.

And of course, every one wants a clean, shining car for these Sunday afternoon drives for which the time of year is responsible. The car must not only be sparkling, but must run smoothly so as not to divert attention from the glorious spring sun and warmth.

Parts that have been giving you trouble should be replaced at the O. D. Kenney Auto Parts, for there a man knows that he is buying from a man who knows his business and will give him a fair deal.

Spring is here; be in full swing with it and step out in a shining, easy driving automobile.

Opportunities Galore For 1941 Graduates

This year's high school graduates face glorious opportunities—and perhaps bitter disappointments point out the sages of Draughon's Business college.

What's more they are right. It's only natural that young people are coming out of the high schools with high hopes. Fascinating openings are developing regularly in the business world.

"Give me work. I'll do anything" is their cry but in spite of this fine attitude, they lack a definite quality—preparedness. Draughon's Business college is placing their graduates quickly with 35 per cent more calls than they can fill while these young, ambitious people seek vainly for positions.

Young people visit this college in Lubbock today and make preparations to attend this modern thorough school of business at a great saving.

Auto Insurance Important Need

Automobile insurance, even the most careful of drivers can't afford to be without it. Many feel they can't afford it, but Walter Price agency in Lubbock would like to talk with you and disclose to you the easy terms with which you can protect yourself and your family.

Located at 1005 Texas in Lubbock this firm handles any type of insurance for your car you could possibly need, accident, fire, theft, all kinds. Their easy payment plan is the life saver of many an automobile driver's purse.

Financing cars is also part of the firm's business. If you are considering buying or refinancing a car, be sure to see them first, for they feel they have a deal that you will be glad to know of.

Drive carefully, but drive with the assurance that you are adequately insured through the Walter Price agency.

Best Of Service At Slaton Laundry

Service and dependability are two of the greatest assets of the Slaton Steam Laundry and Dry Cleaners. During their stay in Slaton these business men have built a good business on these two factors alone.

By service these men mean working to please the customer. They realize a housewife likes quick service, thoughtfulness as to her wishes, buttons saved, in other words the little things that relieve her of worry and responsibility.

By dependable they mean they are accurate as to accounts always careful to not misplace even a rag, delivery when promised and always the best work so the clothes will look their best.

Wise housewives are letting the Slaton Steam Laundry relieve them of their wash day blues, why don't you?

Yard Furniture Is Next On Your List

Yard and porch furniture will soon be coming into use, and while you are doing your early spring planting and work in the yard in preparation for summer, why not consider the furniture which you will need to enjoy your results?

Take your ideas and wishes down to Taylor Bros. & Dad and let these fine workmen help you plan the furniture you will need. They will be able to build you an attractive, sturdy, inexpensive set that will be your pride and joy and the envy of the neighbors.

These men are capable of such superb work because of their years' of experience have made them perfectionists: their wide knowledge of woods will enable them to select the best for the least; their ability to follow the customer's wishes is a joy in itself.

Let Taylor Bros. & Dad build your yard and porch furniture and be happy for many summers to come.

Days Of Miracles Not Yet Passed

Imagine sending an old, flat bumpy mattress away early one morning and receiving it back in the afternoon, built up, with inner-springs and new ticking for half of what a new one would cost?

Sounds like a fairy tale, 'tis true, nevertheless, it's a fact. The Slaton Mattress factory is capable of doing that very thing, and one can easily understand the reason for their growing business.

Mr. Ed Meyers, proprietor of this mattress company, invites customers and prospective customers to visit his shop and watch the rejuvenation of old mattresses.

Sleep in comfort on a remade, inner-spring mattress whose cost will not interfere with pleasant dreams; sleep on a Slaton Mattress company product.

Our Weekly Sermon—
The Desire of All Nations

By Max I. Reich, D. D., Director of Jewish Missions Course; The Moody Bible Institute of Chicago
Text: "The desire of all nations shall come."—Haggai 2:7.

When Christ's disciples went forth to preach they proclaimed Him as the "Onointed" and as "Lord" to four representative nations—imperial Rome, with its desire for power; cultured Greece, with its desire for wisdom; mystic Egypt, with its desire for immortality; the Jewish nation, that strange people, differing from all the rest, with its insatiable desire for righteousness. Now we affirm that Jesus Christ as the Messiah fulfills all these desires.

The longings of the human heart were perverted and misdirected by the crafty deceiver of mankind, the old serpent, who beguiled and bewitched our first parents. So Rome glorified political, militaristic power, the power that crushes all opposition by brute force. But that is not the highest ideal. The power of love, of patience, of meekness, of gentleness, of purity, that kind of power which Jesus exhibited from the manger of Bethlehem to the altar of Calvary, is the power He brought into the world.

Greece sought after wisdom, but imagined the trained intellect could discover the secrets of the universe and of the beyond. Now in the incarnate Word the wisdom from on high is set forth. The children of wisdom are the hum-

ble, broken, penitent God-seekers, who come to see the glory of God in the face of Jesus Christ, and are wiser than the philosophers of this wrangling world.

Egypt also had a perverted idea of immortality. It built pyramids to house the embalmed remains of their dead. But the true idea of immortality is not a mummy, but a redeemed man in whom the power of Christ's resurrection repeats its victory over death. And what shall we say of Israel? Was not their idea of righteousness grossly perverted? A conformity to rules and regulations may leave man a white-washed sepulchre, unless the grace of God works the miracle of the new creation in his heart. According to Jeremiah, the Lord is our righteousness. He becomes the fountain of righteousness to those who truly, penitently believe in His name. He died for the putting away of our sin, and He lives to present His spotlessness to God on our behalf.

Thus is He "the desire of all nations." Jew and Gentile may bring to Him their unfulfilled ideals, their unmet desires, their hunger and thirst, their hidden craving after a good which they can hardly put into words. He can still every ache and satisfy every want.

BIBLE STUDY

The Tuesday Bible Study will meet at 2:30 p. m. at the Methodist church.

Choir Here April 2

The concert by the a cappella choir of Texas Lutheran College of Sequin, Texas, is sponsored by the Lutheran Churches. It will be given at Slaton High school on April 2, at 8 p. m.

Under the direction of Prof. H. E. Gibson, this group of youthful singers has established an enviable record for itself during the past twelve years. It is not a professional organization, but is composed of boys and girls of junior college age, most of whom are pursuing regular college courses. Yet listeners are always impressed by the beauty of tone, the freshness of the youthful voices, and the spiritual fervor expressed in sacred song. The Fort Worth Star Telegram wrote, "The concert was one of unusual beauty. The director should be commended for his success in developing such a completely harmonious choir". The San Antonio Express comments, "The careful training revealed by the pure intonation and fine shading made the concert last Sunday a marked artistic success. The cultural value of an organization like Texas Lutheran College Choir can hardly be overestimated".

Cotton Farmers To Get Help From U.S.

Texas cotton farmers will receive indirect as well as direct benefits from the new \$25,000,000 supplement cotton program of the Department of Agriculture, John Weatherly, state AAA committeeman and Nacogdoches County cotton farmer, points out. "In the first place, cotton farmers who voluntarily reduce their acreage below 1941 allotments or 1940 acreages whichever is smaller, will receive cotton stamps exchangeable for cotton goods at cooperating retail stores," Weatherly said. "In the second place, this buying power represented by \$25,000,000 worth of stamps, will be spread widely throughout the business community, circulating among all trade groups. Men and women employed in cities will thus become better customers for the product of the cotton farm as the result of this new business. "In addition," the committeeman added, "employees all along

the producer to consumer line—mill workers, manufacturers, wholesalers and retailers—all will share in the beneficial effects of this purchase order, a portion of which will soon be placed in retail stores throughout Texas."

Recently announced by the Department of Agriculture, the new supplementary cotton program seeks to further reduce cotton acreage and to broaden domestic markets for cotton. For further voluntarily reducing cotton acreage, growers receive special cotton stamps exchangeable at retail stores for any merchandise made entirely of cotton products and manufactured in the United States. At the same time, this acreage reduction will not affect future cotton allotments.

**YOUR HOME
And
YOUR CHURCH**

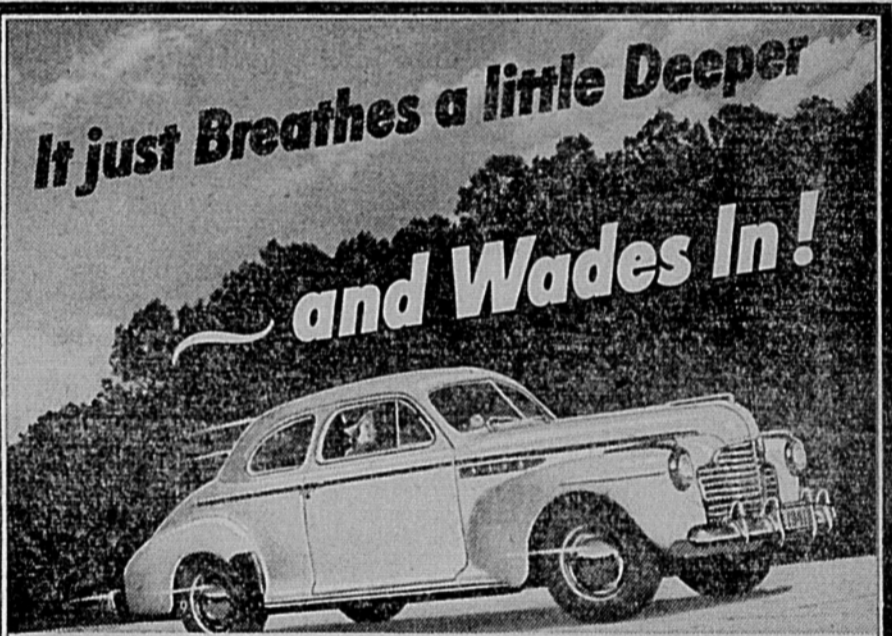

The success of a happy home life is based upon the teachings of the church and unless the heads of the home encourage each and every member of the family to take an interest and a part in the work of the church then there is very little to make a family what a true American family should be.

Not only is the democracy of our nation threatened now, but our homes, our world as we now know it, and the future of our children are at stake and the teachings of the church are the only things that can hold us back from a return to some form of barbarism.

You, as a head of a home, whether you are a mother or a father should redouble your efforts in keeping up the interest in your church and its activities with every member of your household.

Every church in Slaton is open to you and your presence and the presence of every member of your family and of your friends will be an inspiration to others to come and be a part of the religious life of our town. Make your plans every week to make Sunday a day of worship.

This Message is made possible by Firms and Individuals interested in closer Religious Affiliations.

EVER stop to figure why Nature gave you both a nose and a mouth to breathe through?

Your nose, barring colds, does all right for ordinary purposes.

But go up against some heavy exercise—and you can open up your mouth as well and increase the intake of oxygen.

Your 1941 Buick with Compound Carburetion* works something like that.

Its "nose," which is the forward one of your two thrift-size carburetors, does a grand job of supplying "breath" for your engine on normal jobs.

But when the time comes that your engine has to dig in for a tough pull or a burst of power, then your extra foot-

pressure on the gas treadle opens up the "mouth" and your engine "breathes" through two carburetors.

Simple, isn't it? Yet look what happens:

Your engine always consumes gas according to the need.

By simply taking it easy when easy does it and breathing deep when the work piles up, your power plant gets as much as 10% to 15% more mileage from the same gasoline.

That, in these days, is nothing to be sneezed at.

So why don't you get the whole story from your Buick dealer?

"Best Buick Yet"

SCOUT NEWS

Post—Scoutmaster, assistants Lubbock—Eighteen South Plains Council towns participated in the Boy Scout first aid meet here last week. Troop 5, Lubbock First Christian church, won top honors with Lamesa's Troop 23, Lions Club, was runnerup.

Following is how the patrols finished:

First, Rattlesnake, Troop 5 Lubbock, 398 points; second Lion, Lubbock Troop 5, 391; third (tie), Bat, Lamesa Troop 23, and Beaver, Troop 5, 387; fourth, Flaming Arrow, Lamesa Troop 23, 380; fifth, Flaming Arrow, Troop 5, 377; sixth, Panther, Slaton, Troop 29, 371; seventh, Pine Tree, Lamesa, Troop 22, 368; eighth, Flying Eagle, Lubbock Troop 27, 364; ninth, Rattlesnake, Spur Troop 35, 358; tenth, Flying Eagle, Matador Troop 60.

and all camping leaders will gather here at Camp Post next Saturday and Sunday, March 29 and 30, for the overnight camp of the "Short-term Camping Course." The men will gather at 4 p. m. cook all meals, have a campfire, Sunday services and learn techniques for general camping with their troops.

Plainview—The Boy Scout Merit Badge Show, to have been April 4 and 5 here will be April 18 and 19, M. S. Watson, General Chairman, said today. A conflict in date made it necessary to change the date, Watson said.

Lubbock—Scouters of the South Plains Council are pointing to the "Spring Scouter's Conference", Monday, April 7 at Lubbock, F. B. Malone, Council President said. Minor Huffman, Deputy Regional Scout Executive, will attend.

READ

"Chief" Topics by the SCOUT

It is with deep regret that we report the passing of our friend and neighbor of all Santa Fe Employees, our former agent, Mr. Smith and extend sincere sympathy to the bereaved family.

Cashier Fleming made a quick trip to San Antonio some time ago. He reports seeing lots of airplanes and plenty soldiers.

Extra Clerk J. B. Adams is relieving second trick bill clerk Braden who is relieving Tracer-Index clerk Hardy. Mr. Hardy is attending a clerks' meeting in Topeka.

Mr. E. L. McCrory, extra operator, is working W. H. Farschon's third trick dispatchers job account Mr. R. G. Kirkpatrick visiting in Dallas and northern parts of Texas.

Mr. C. M. Lee who has been on extra switchmans board in Lubbock has been assigned to the Slaton board.

Mr. G. A. Talbot, switchman, has been in bed with the flu for several days.

Former employees of the Agent's office visiting in Slaton the past few days were Mr. C. E. Willis, ticket clerk, Lubbock and W. Arthur Martin, cashier, Seagraves. We appreciate our old friends dropping in to see us.

Conductor W. P. Shelton is back at work after being off several days with an injured foot. Mrs. Shelton said that she knew that Sipe had big feet but did not know that one was so much larger than the other.

We have been wondering what the reason was for J. E. (Dutch) Eckert to throw his hat in the ring for City Commissioner. We think that we have doped it out. Dutch had to have something to talk about during the closed season on fishing. At least he can drum up votes without telling about the BIG one that got away. More power to you Dutch.

Car Inspector W. T. Driver called to Sweetwater this morning account illness of his mother. We hope her condition is not serious and that she will soon be up again. Machinist G. H. Wilmesmeier is on the sick list this week, but he feels that he will soon be able to return to work.

Locomotive Painter C. C. Cramer is sporting a new Pontiac sedan and is high hating the other boys who are not in his class.

The Santa Fe Railway System carloadings for the week March 22, 1941, were 18,585 compared with 17,570 for the same week in 1940. Received from connections were 7,352 compared with 5,101 for the same week in 1940. The total cars moved were 25,937 compared with 22,761 for the same week in 1940. The Santa Fe handled a total of 25,638 cars during the preceding week of this year.

With less than six per cent of the world's land area and less than six percent of the world's population, the United States has about 30 per cent of the world's railway mileage.

Hollywood Premiere For Palace Theatre

Hollywood movie stars will be impersonated by Slaton residents at the Palace Theatre in what is said will be an exact reproduction of a typical Hollywood premiere. It will be held Wednesday and Thursday evening but will follow the scheduled program and will begin at 9 o'clock.

Those impersonating the stars will arrive at the theatre at 8 o'clock in new cars, flood lights thrown on them as they alight.

Among the stars to be impersonated will be Mae West, Shirley Temple, Zazu Pitts, Gracie Allen, Patsy Kelly, Ginger Rogers, Eleanor Powell, Betty Grable, Eleanor Whitney, Martha Raye, Joan Davis Laurel and Hardy, Wheeler and Woolsey, Stepin Fetchit, Bill Robinson, Pop Eye, Joe Penner, Amos and Andy and many others, and on the screen will be seen Ann Sothern and Lew Ayres and Maurine O'Sullivan in "Mazie was a Lady".

COOPER NEWS

Juanita Coston, Correspondent

Miss Catherine Potts was absent from school all last week due to illness.
