RODEO, SOFT BALL AND PRETTY LAWN CONTEST, TAKING SHAPE

CONTESTANTS INVITED TO ENTER PRETTY LAWN CONTEST NOW

At a special meeting of the Pretty Lawns Committee Wednesday afternoon W. T. Cherry the chairman appointed a supervisory committee to encourage entries into the contest. The supervisory committee is composed of Mrs. Jim Bates, K. C. Scott, Mrs. A. M. Jackson and Jack Norman. Arrangements for cash and merchandise prizes are being arranged and the judging date has not been decided upon, however the date will be several weeks earlier than it was last year. The Judges will be chosen from out of town.

The contest will be divided into three divisions one for front yards, one for back yards and one for business property. Every part of the city will be included and every

resident of Slaton is invited and urged to beautify their property regardless of whether they enter the contest or not. Those who do desire to enter the contest and take active part in making Slaton a more attractive place to live in will find the contest will add a pleasant rivalry to the pleasure of home beautification. Those who wish to enter the contest should do so as early as possible. The entry blank below, when filled out and delivered by mail or person to the Chamber of Commerce office, will officially place your name on the contestant rolls.

More particulars will be given at a future date.

—entry blank—

"Batter Up" For Soft Ball Games

The special Soft Ball Committee appointed by the Chamber of Commerce to arrange for a soft ball field and to help organize soft ball teams to play here in Slaton are working on plans to have the field, near the Santa Fe Station, reconditioned and to have the lighting equipment put back in good shape.

The committee is composed of Ray Hickman, manager of the Slaton Bakery, Doc Castleberry, manager of Higginbotham-Bartlett Co., A. A. Dennis, T. Fagan Genn, manager of Rockwell Bros. and Chick Garland, owner of Chick's Grocery. The committee hopes to get the field in shape to have it ready to play on in a short time.

Soft ball enthusiasts in a number of communities, have expressed their desire to organize soft ball teams to play here, and Bart Jones at the Red Arrow Cafe has begun organization of a team. Two or three more teams from Slaton should be organized and teams from other communities will be most welcome. Any one interested in arranging for teams, either locally or in other communities, should get in touch with Jack Norman at the Chamber of Commerce office or with any member of the committee to secure details.

Locker Plant Big Advantage Says Strickland

The Frozen Food Locker Plant which is taking its place among the business enterprises in Slaton is definitely a step forward for the community. During the last six months more than one new locker plant a day has been constructed in the United States. So the Slaton people and those of the surrounding territory are being offered the latest service in this growing enterprise.

The cold storage locker business is no passing fancy as is shown by the fact that there are now in operation in the United States alone about five thousand locker plants representing an investment of more than fifty million dollars. Recent surveys of properly operated plants show that about 95 per cent of the first year renters of lockers renew their lockers for an additional term and become permanent patrons thereafter.

The purposes of the cold storage locker plant may be listed as follows: to preserve food in a more natural state, to add variety and interest to the other home conserved foods, to retain more of the needed vitamins in the home food supply, to provide the needed food elements in a cheaper form, and to make the work of conserving the home food supply easier for the family.

In selecting foods to be placed in frozen locker storage it should be kept in mind that the frozen product is no better than the raw material used. This statement applies to meats as well as to fruits and vegetables. All kinds of meats, fruits and vegetables that are edible can be preserved by freezing.

Those who have not made arrangements for a locker should contact the management and secure all available information on the services to be given patrons.

Signed A. C. Strickland, Mr. Strickland is head of the Agricultural Department in the Slaton schools.

Services Are Held For Walter Child

Funeral services were conducted Sunday afternoon for Doris Alene Walter, daughter of Mr. and Mrs. A. C. Walter of Route 2, Slaton. Rev. Herber, pastor of the Wilson Lutheran church, conducted the services in the Posey Lutheran church. Burial was in Slaton cemetery. Williams Funeral Home was in charge of arrangements.

The child was 2 years, 7 months and 9 days of age. She died Saturday, April 12, in a Lubbock hospital.

Slaton Defense Unit Must Raise Money

P. G. Meading announced this week that the Lubbock County Commissioners have appropriated \$1000.00 to help purchase equipment for the Lubbock and Slaton National Home Defense Units.

\$600.00 was set aside to go to the Slaton Unit and \$400.00 to go to Lubbock Unit. The \$600.00 was allotted to Slaton because the City of Lubbock has already set aside \$400.00 to go toward equipping the Lubbock Unit and the County Officials felt that a larger share of the money should come to this city, however the money will not be available unless the citizens of Slaton through some civic organization or through subscriptions of some kind raise \$200.00 to bring the total amount up to \$800.00.

The money, if appropriated, will go toward buying uniforms and model guns for the unit to train and for absolute necessities for other training purposes.

Captain Meading has been notified that when the Slaton Unit has been brought up to the required number of members that help will be given the unit from the state and U. S. Government to fit it out properly.

There is a mistaken idea among many men that membership in the Unit cannot be cancelled when a good reason is given. Naturally there are some rules that must be followed and promises made when joining the unit but they are all very broad.

Slaton has made a good start on organizing a Defense Unit and in troubled times like these it is not only a duty of every able bodied man to take part in activity of this kind but it is just plain sense for the personal interest of each individual to know some thing of defense training. True there is no immediate danger but no one can read the future and preparedness now cannot harm anyone and should this knowledge be needed in the future it would prove invaluable.

Rodeo Plans Being Completed For Big Celebration June 13-14

The second annual South Plains Rodeo and Round-up is fast taking shape and the directors expect to have the largest crowd here on June 13th and 14th that has ever assembled in Slaton.

Committees are working on enlarging and improving the Rodeo grounds and equipment and advertising is being worked out to let every citizen in this entire South Plains area know what is going to happen on those two big days. Wind-shield stickers advertising the Rodeo have been printed and are available at the Chamber of Commerce office, at the Slatonite and at many of the stores over the town. Every one who will use the stickers on their automobile are requested to do so. There will be no charge for the stickers and the advertising will be of great help to the Rodeo.

Invitations are being sent out to sponsors to towns all over the South Plains and a large number of expert young lady riders will take part in the mammoth parades that will be held on the streets of

Slaton during the two days celebration.

The South Plains Rodeo is the big event of the year for Slaton and the latch string will be out for every visitor who comes into town. The merchants are planning extra sales events to make it profitable for visitors to shop here when they come to see the mammoth Rodeo and celebration, the town will be decorated in holiday attire and the spirit of the West will be in full bloom.

Some of the best riders, both amateur and professional, have notified the officials of their intentions to take part in the contest for the generous cash prizes to be offered and the stock that will be used is from one of the biggest ranches in the southwest including the roughest, toughest horses and steers in the entire territory.

Many special features that will be held have not been worked out yet but will be announced later when details have been completed.

Some of the best riders, both amateur and professional, have notified the officials of their intentions to take part in the contest for the generous cash prizes to be offered and the stock that will be used is from one of the biggest ranches in the southwest including the roughest, toughest horses and steers in the entire territory.

Many special features that will be held have not been worked out yet but will be announced later when details have been completed.

U. S.-Mexico Pact

America and Mexico signed a mutual defense pact giving the U. S. the right to use Mexican air bases, and vice versa. L. to R., Sumner Welles, who signed for the U. S., and Mexican Ambassador Senor Dr. Najera, who signed for Mexico.

Special Sermon At M. E. Church Sunday

A special sermon that has been prepared by Rev. H. C. Gordon will be delivered at the Methodist church Sunday. Rev. Gordon has spent much time on this important subject.

Marriage will be the subject of next Sunday morning's service at 11 o'clock. The text, "For this cause will a man leave Father and Mother and cleave to his wife, and they twain will be one flesh."

The home is the oldest and most sacred institution among men. It was instituted of God in the time of man's innocency, and it has outlived the ravages of time. Through long sin-cursed ages the righteous home has stood against and counteracted the influence of destruction. Through all human history, the Prince of Darkness has sought by every possible means the destruction of the home. At times it seemed that he would be successful.

More than once this God-given institution has been all but driven from the habitation of men. Oh! what perilous times were those. One such epoch recorded in history is the fall of ancient Rome. Rome, once glorious beyond all description Wealth and luxury were added to power and prestige, and in her coveted splendor Rome ruled the world. Then debauching influences crept stealthily among the Roman people and made a deadly attack upon her home life. Gradually chivalry disappeared from the men of Rome, and virtue from her womanhood. Moral disease prevailed, the home was destroyed.

Then what of Rome's power and sovereign dignity? Alas, they had departed. Nothing was left but the wreck of a once powerful empire. Because she exerted world influence, she plunged the human race into dark ages. Hell dragged dismal shades across weary centuries and when at last light shined again upon a troubled world with the dawn of the reformation, it was the re-establishment of the Christian home that brought hope. Within the sacred precincts was developed the power which stayed the forces of evil and ushered in a better day.

The perils of our day make it tremendously important that we do all that we possibly can to preserve the integrity of our home life.

Next Sunday morning's sermon will be the first of a series of sermons dealing with home life. You who read these lines are invited to be with us and bring your friends.

Farm Rally April 22nd

Mr. R. L. Hooten, Lubbock County Chairman of the farm bureau Federation announced this week that there will be a Farm Rally at the City Hall here in Slaton where a free agricultural motion picture will be shown on Tuesday night, April 22. The motion picture will be furnished by the Agricultural Department from Washington and will be of interest to any one operating a farm.

There will also be a general discussion on farm problems and some speaking on agricultural subjects.

There will be no charge for the entertainment and any one interested will be welcome.

There will be no charge for the entertainment and any one interested will be welcome.

Mystery Show Is To Be Here Tonight

The Great Virgil heads the cast of the indoor circus of mystery which will be given tonight at the High school auditorium under the auspices of the Slaton schools.

Tons of equipment, special lighting effects, scores of costumes, six changes of scenery are to be used in this production.

Julie, the girl with the master mind will be a special feature act with the Great Virgil. It is claimed that Julie has a mind 4000 years ahead of our times.

Other acts will be: the Mystery of the Jungle, featuring a real live African Lion named Simba; the beautiful Hindoo Princess Asleep in mid-air; the Chinese Opium Den Mystery and the Rope Miracle.

Singing Class Is to Be Organized Sunday

Sunday afternoon at 2 o'clock has been set as the time for the organization of a community singing class. This meeting will be held at the Christian church, two blocks southwest of the City Hall.

This organization is in preparation for the County Singing convention which will meet in Slaton the fifth Sunday in June.

Judge G. V. Pardue, president of the convention, and other singers are promised to be here this coming Sunday.

Everyone is invited to attend.

Rotary Elects New Officers

New officers for the year beginning in July were chosen at the Rotary club at their meeting Thursday. Carl Evans, who has been serving as vice president was elected by acclamation as president, Leonard Herral was elected as vice president, Allan Payne was re-elected as secretary and Briggs Robertson as sergeant-at-arms.

Otto Bordenkircher, assistant news editor of The Star-Telegram in Fort Worth, was a visitor at the club. He is a cousin of Mrs. W. M. Cates.

Jack Norman and Mrs. O. D. Groshart entertained the club with musical numbers and Mrs. Groshart and Wilda Ruth-Hanna played a duet on the piano. Miss Juanita Elliott gave two accordion solos and two terrible quartets chosen from the club members tortured the air for the final score.

Tiger Bandsters At Enid Meet

J. J. Hensley's Slaton Tiger band is participating in the Tri-State Festival this week which is being conducted in Enid, Oklahoma. The local organization left Wednesday morning and will return Sunday.

Because of ratings received in the State Band contest held in Amarillo the Tiger band was entitled to take part in this meet. At the Amarillo meet the group placed first division in concert playing, sight reading and marching, breaking a six-year record.

Eighteen members of the Slaton band will play in the 4-State Band of 350 pieces. This band was selected from 150 bands that will attend the meeting in Enid.

Accompanying the band were Director and Mrs. Hensley, K. L. Scudder and Mrs. R. C. Sanner.

Unusual Shrubs Growing Here

Two unusual and rare shrubs are in full bloom at the S. S. Forrest home on Scurry and many inquiries have been made about what kind of shrubs they are. We traced Mr. Forrest down and found out that they are known as "Photinias." At least that is pretty close to their botanical name. Mr. Forrest was not positive that this is the exact spelling of the name but it is not far wrong.

The blooms are lace white in color and each plant measures 10 feet in width. They are slow growing and both of these plants

Flower Exchange To Be Tomorrow

This year's flower exchange, which is sponsored annually by the Civic and Culture club, will be held tomorrow in the Slaton City hall. The exchange will begin at 9 a. m. and will continue until 4 o'clock in the afternoon.

The club members are asking everybody to take part in this annual event. There will be all kinds of seeds, flowers, bulbs and shrubs. These will be distributed without charge. All gardeners with a surplus of any plant are asked to cooperate with the group and bring what they can spare.

Schools and churches are asked to bring what they can and secure something that will add to the beauty of their grounds.

The Civic and Culture club wishes to have their project an even greater success than in previous years, and ask Slatonites to support them in their effort to help beautify Slaton yards.

have been planted over ten years. The shrubs make a most attractive display and have caught the attention of a great many people.

"We are glad to have people drive by and see them," says Mr. Forrest, "for they are a beautiful sight."

SLATON MUSICIANS

GUEST ARTISTS

Jack Norman and Mrs. O. D. Groshart entertained the Lubbock Rotary club Wednesday at the Lubbock hotel. Mr. Norman sang five songs with Mrs. Groshart accompanying him at the piano. This musical part of the program was received with much enthusiasm by Lubbock Rotarians.

Shop Lifters Here Saturday

Mr. Allan Payne reports that three Mexican shop lifters took about twenty-five dollars worth of merchandise from his store Saturday.

Two Mexican men and one woman came into the Payne Ready-to-Wear at the noon hour while his employees were at lunch. One of the men made a pretense of wanting to buy a pair of pants while the woman and the other man slipped out the side door with three dresses and probably other merchandise.

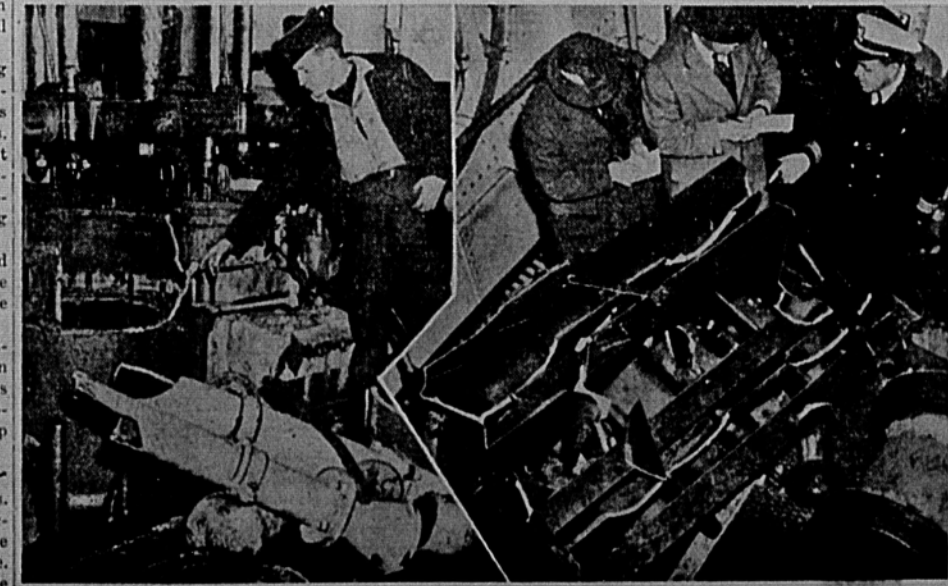

Both county and city officers have been on the look out for the Mexicans but so far have not been able to find them.

GROUP TO SNYDER

Pupils of Mrs. Lillian Butler, Slaton piano teacher, will play and sing Wednesday afternoon at the annual tea day of the Snyder Senior class.

Those who will participate are Jimmie Jean Guinn of Slaton, Emma Gene Tonn, Mary Sue Tyson and Gene Martin, all of Lubbock and Charlene Jordan of Lamesa.

Sabotage—and Then Uncle Sam Takes Over

With dramatic suddenness the U. S. seized 69 Italian, Danish and German merchant ships in harbors throughout the country. At left is photographic proof of sabotage. The main air pump of the Italian ship, Alberto, is shown shattered and useless. Right: Chief Mechanic Alton of the Coast Guard at Port Newark, N. J., examines broken parts of the slide valve on the Alberto.

JUST TALK

by
A.M.J.

A pair of easy-going shoes, a suit of clothes with knees and elbows all stretched out of shape

and droopy seat, or a hat that is held off your chin only by your ears, are the most comfortable kind of clothes to wear and one often forgets the affect that appearances have on the other fellow.

Many business men seem to have the same feeling about buying new clothes for their homes and business buildings. A fresh coat of paint and some remodeling is just as important to a business as a new suit or a new dress is to a man or woman. To look down a street and see signs with the paint all cracked off or a building with a front on it like the gray nineties has the same affect on a customer that a salesman would when he is dressed in overalls.

There are a number of business buildings in our town and in most towns that would be worth much more to their owners and to the firms trying to do business in them if they could just be dressed up a little.

Nick Carter seems to be on the right track. Bill Layne has just erected a very attractive new Electric Refrigerator sign, and there are two or three other firms in town that have been threatening to start a face lifting for Slaton. If we could get a few hundred gallons of paint flowing and a hammer or two in action we could help the looks of Slaton a lot.

One of the first men I met when I came to Slaton was Sug Robertson, but Reverend Ferguson just said "Meet Mr. Robertson". Last week I met Mr. Robertson for the second time only this time the "Sug", was hitched onto his name and I was surprised, for I had pictured Mr. "Sug" Robertson as a typical cattle man, with boots,

bow legs and stubby whiskers. Mr. Robertson would look more at home behind a banker's desk than he would on a horse and if the cow business is as prosperous as Mr. Robertson looks I would like to swap the Slatonite for a nice gentle bunch of Herefords that can be chased around without a horse; cows that would come running at the sound of an automobile horn.

Carlton Gordon, who is helping us do this and that around the Slatonite office is a mighty man. He has been playing football for the Clarendon High school for the past few seasons and he tackles his work like he does the opposing team. It is a little hard on the machinery sometimes but he can pick up the press and move it around with one hand. His family left him at home last Saturday while they went off on a short trip and he stopped at the grocery store to get himself some lunch to take home. It was two pounds of barbecue, a loaf of bread and two or three sacks full of no telling what. When he left he said he did not know whether he had enough for one person's dinner or not.

It is hard enough for me to write so that there is any sense to what I have written when I have finished, but when the printer scrambles up two of my most sensible items, like Walter Donald did last week, it will probably have the Insane Asylum Inspector chasing me around like a dog catcher after a stray pooch.

Walter must have been thinking about what army life is going to be when the next draft is made for he scrambled up this column until it looked like a Chinese laundry list.

If you tried to read it last week and came out wondering whether it was a scrambled word contest or the mumbblings of a fast falling mind just blame Walter and hope for better things.

Cynical Sam says, "Everything I want to do is illegal, immoral or fattening."

What does your hand writing tell about you? Don't let Bill Potts of Lubbock take a look at your penmanship or he'll know more about your secrets than you know yourself.

Bill, who is in the advertising business, makes a hobby of character reading from the curliques, loops and flourishes of penmanship and he had Mr. and Mrs. H. R. McKee, Mrs. O. D. Groshart, Miss Ruth Overton of Lubbock, Betty McKee, Jack Norman and John McKee, doing a lot of squirming last Sunday night and old "Just Talk" had to make several excuses for his wife's short comings and mumble in his collar when the inquisition was going on at the McKee home after church.

Whether it is a fact or not that one's hand writing does portray character, Bill hit the nail on the

THE POCKETBOOK of KNOWLEDGE BY TOMPS

Since 1935 U.S. MANUFACTURERS HAVE PAID OUT \$1.05 IN TAXES FOR EACH DOLLAR OF NET PROFITS EARNED

THE AVERAGE WORKMAN HAS INCREASED HIS INCOME WITH THE ANNUAL INCREASE IN TAXES IN HIS HANDS FROM ITS INCREASE IN INCOME IN 1935

INDUSTRY AIDS SCIENCE — RECENTLY WHEN AN IRON LUNG WAS NEEDED IN AN EMERGENCY CASE, INDUSTRIAL EMPLOYEES WERE ABLE TO BUILD A UNIT IN 28 HOURS

NATIVES OF VENEZUELA GET MILK FROM A TREE — THE PAID IN 14 HOURS IN LOW TREE YIELDS A SHEET MILK LETS WHICH IS USED FOR DRINKING AND FOR COFFEE CHOCOLATE

HANDLING DEFENSE NEEDS — U.S. STEEL MAKING CAPACITY TODAY IS NEARLY 40% HIGHER THAN IN 1918, AND 15% HIGHER THAN IN 1929

head too often to make one feel comfortable and my suggestion is to be careful who you let see too much of your hand writing.

Mr. Thomas Gray submitted the following poem to us. The title is "IF" and like his penmanship his thoughts are clear, rhythmic and inspiring:

If we could all like brothers be,
And live in perfect unity,
This world would seem a better clime
In which to live allotted time.

If we could shed our selfish mind,
And be instead forever kind,
The human race would seem more grand
Like one united happy band.

If we could bring, with gentle grace,
A flush of pleasure to each face,
We could engender love of life
That soon would banish selfish strife.

No selfish pleasures linger long
And never fills the heart with song.
The pleasures which will longest live
We reap in measure as we give.

Dr. O. D. Groshart, writes from New Orleans that he is very much pleased with his new work and that he is going at a fast pace helping to get the new army hospital ready to go into operation as soon as possible. The location of the hospital is on the shores of Lake Pontchartrain and surroundings are most attractive.

Got appointed to go as delegate to the West Texas Chamber of Commerce that meets in May. It might be a good opportunity to have a vacation if the B.C.D. had not demanded that I make a report of the meeting when I get back. Looks like I will have to listen to a heavy load of speeches.

FERTILIZER TAGS

Fertilizer tag sales in Texas Sept. 1, 1940 to March 1, 1941, correspond to 84,415 tons compared with 91,183 last year. This decrease may be in part due to the unusually rainy weather during March, Dr. G. S. Fraps, chief, division of chemistry, Texas Agricultural Experiment Station, and state chemist, announced recently.

Job Printing Neatly Done.

INSPECTION TRIP

Prof. J. J. Richey, of the Texas A&M College civil engineering department, and members of the Regional Committee of the Engineers Council for Professional Development will make an inspection trip to Rolla and Columbia, Missouri,

April 14 for the purpose of inspecting engineering schools there, Dean Gibb Gilchrist announced this week.

Schools to be inspected include the Missouri School of Mines and the University of Missouri.

Mrs. Abernathy have gone to Cole-
man.

"I Choose America" was the title selected for the seventh grade commencement program to be given in May. Mrs. J. G. Wilhite and Mrs. Marvin Abernathy, seventh grade sponsors, are in charge of the program and are to be assisted by Mr. Bevington Reed and K. S. McKinnon. The art work will be done by Miss Julia Austin and her students.

A surprise Easter egg hunt and miscellaneous shower was given to Mrs. Abernathy by the seventh grade students. The eggs were secretly hidden by Mildred and Dorothy Faye Jolly, B. A. Hanna and Jack Dickson in a lot near the City club house.

When the class returned to their school room, a shower of fruit and handkerchiefs was on the teacher's desk. Among all the gifts there was one that was most interesting. It was several baby chicks, painted and given to Mrs. Abernathy by Jack Dickson.

The class is sorry that Mrs. Abernathy had to leave Slaton on account of sickness, and hope she will be back soon. Mrs. McKinnon will take her place until she returns.

The Junior High Cubs began spring training in football last week with about 20 boys working out. Most of the boys had a part of a suit, but few had the whole outfit. Most of the jerseys are worn out, so the boys have to furnish their own. Several boys played last year, such as Dwayne Walters halfback; Grady Burnett, right guard; Otto Eckles, guard; Elmer Stephens, center. Several others were substitutes last year.

The boys should be pretty large by next year and should give somebody some good competition.

The boys are also working out for baseball, using the recess and non periods each day. The boys played the High school freshmen Friday and the score was 1-0 in their favor. Elza Smith and Grady Elders are the pitchers.

Mr. Harvey's room had the chapel program this week, the last of the year. It was as follows:

Songs, led by Mr. J. C. Jenkins; music by Brian Sartain, violinist, and Oleta Stewart, pianist; play "When Billy Turned a Hand-spring" with Mary Jane Hampton, Doris McCormick, Marion Wilson, Robert Stone, Marlee Holoman and Brian Sartain.

At the regular meeting of the Citizenship club on Monday, the Guidance theme for the month, "Courtesy," was discussed. Several pupils spoke on courtesy in the home, courtesy at school and courtesy at public programs.

The officers for the month are: president, Jean Holt; vice president, Johnny Schmidt; secretary, Jack Dickson.

Johnny Schmidt presided over the meeting in the absence of Jean Holt, who is sick with the flu.

Job Printing Neatly Done.

Guidance Committee Meets With Wilhites

The Guidance committee held its regular meeting on Monday night at the home of Mr. and Mrs. J. G. Wilhite. A waffle supper was served the committee before the regular meeting.

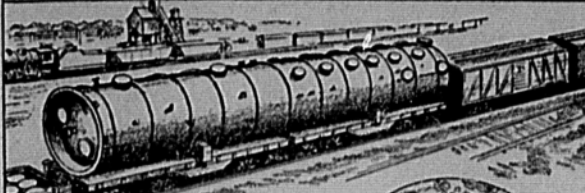

A check-up was made on the years work, discussing the successes and failures of the years program. Tentative plans were made for the 1941-1942 school term to be worked on through the summer.

Appreciation was expressed by the Guidance coordinator for the splendid cooperation and good work of the Guidance committee during the past year.

The Movie Reporter

Beginning Friday (today) April 18th the Palace Theatre is starting a new admission policy. These new prices will place all of the best entertainment being made by the Motion Picture Industry at the very lowest possible admission. For adults the admission will be 20c for any night show and Sunday and Saturday matinees, and 15c until 6 p. m. on all other matinees. For children the admission will be 10c anytime. Tuesday will remain as our Bargain Day and the admissions will be 20c for two adults and 10c for two children. Our picture policy will remain the same and that is to run all the best pictures as early as towns much larger than Slaton, and some times, earlier. This will make it possible for the people of Slaton and trade territory to see the pictures just as early and at half the

Rail oddities

TO AN OIL REFINERY FRACTIONATING COLUMN, OR "BUBBLE" TOWER, GOES THE HONOR OF BEING THE HEAVIEST PIECE OF FREIGHT EVER MOVED BY THE RAILROADS. IT WEIGHED 488,200 POUNDS AND WAS SHIPPED IN 1938.

SINCE 1923, THE RAILROADS HAVE PUT IN SERVICE 1,147,000 NEW FREIGHT CARS AND 17,000 NEW LOCOMOTIVES. COUPLED TOGETHER, THEY WOULD MAKE A TRAIN NEARLY 10,000 MILES LONG.

THE FIRST RAILROAD BRIDGE ACROSS THE MISSISSIPPI RIVER WAS OPENED IN 1856 AT DAVENPORT, IOWA. THE 1582-FOOT STRUCTURE WAS HAILED AS THE MECHANICAL WONDER OF THE WEST.

price that people in other towns have to pay.

The first week under the new price policy will be as follows: Double Feature Programs will continue to run on Friday and Saturday and coming next is "Tall, Dard and Handsome" with Sesar Romero, Milton Berle and Virginia Gilmore. A swell comedy drama that is destined to be the laff riot of 1941. The other feature is Red Barry in "the Tulsa Kid." This

bright new star of the wide open spaces will fight his way right into your heart.

Starting at the Prevue Saturday night and running Sunday and Monday is the greatest story of the west by the west's great story teller, Zane Grey's "Western Union" with Robert Young, Randolph Scott, Dean Jagger and Virginia Gilmore. The west caught at last in the magic glow of Technicolor!

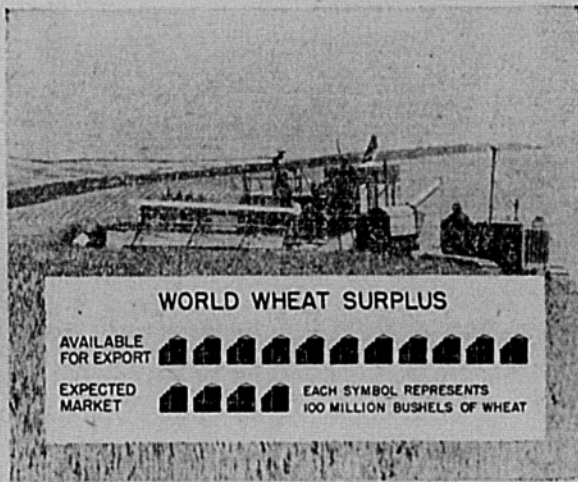

For Bargain Day attraction is "Pier 13" with Lloyd Nolan and Lynn Bari. A grand little picture that every one will enjoy.

Coming next Wednesday and Thursday is Kay Kyser and his Orchestra with the big bad boogie men of Hollywood Boris Karloff, Bela Lugosi and Peter Lorre in "You'll Find Out." This is the creepiest, wierdest horror comedy ever set to music.

The next weeks attractions under our low price policy are even bigger than ever. Watch for it! Also watch this column for free passes!

Wheat Competes for Market

As indicated by the chart above, wheat this year is competing strongly for the world's market. Principal producing countries such as Argentina, Australia, Canada, and the United States have more than a billion bushels for sale, but the total world market is expected to be less than half a billion bushels. U. S. farmers are being urged to continue planting in accordance with AAA program wheat acreage allotments, to help balance American wheat with expected demand.

As Strike Closed Ford Plant

The gigantic River Rouge plant of the Ford Motor company at Dearborn, Mich., largest single industrial plant in the world, where from seven to eight thousand striking C.I.O. auto workers threw 85,000 employees out of work. Inset: One of the men involved in the battle between pickets and w-kers, shown as he tumbled into the gutter after being struck by one of the many flying missiles.

COOPER NEWS

Juanita Coston, Correspondent

The Cooper high school baseball team kept its season's record unmarred Friday at Wolforth, defeating Friendship nine, 14 to 6. Six-hit pitching and stout batting by Doyce Barrett brought Coach Fred Rich's crew home in front. Barrett was the day's leading hitter with four blows in five trips. Friendship scored all its runs in the fourth inning; Cooper scored in every frame except the sixth.

The Cooper Home Demonstration club met with Mrs. L. D. Bruce recently. Mrs. Carl Brown gave a report on the County Federation Meeting. Mrs. Curtis Boyd gave a report on the whole farm demonstrations. Miss Clara Pratt, county home demonstration agent, told the members that scalding the vegetables in preparation for freezing sets the color so that the frozen vegetables have the color of fresh vegetables. The vegetables may be frozen with or without brine. Members present were Mesdames L. C. Brown, L. E. Condray, O. R. Copeland, A. B. Allen, L. D. Bruce, Curtis Boyd. Visitors were Mesdames Clyde Mote, Louie Mote and Homer Sullivan.

The ex-seniors of Cooper high school held their annual meeting recently at the school building. The seniors of '41 presented entertainment and served refreshments. Clara Gollie played on the electric guitar; she was accompanied by Wallace Phillips. Ex-students attending were Travis Martin, Juanita Tapp Koen, Geneva Campbell Wassum, G. W. Brunson, Raymond Whatley, Gilbert Grewonder, David Basham, Iretta Huckabee, Howard Barrett, Louise Slater Chesser, Dan Greer, Alma Rhea Eades, Vesta Grace Rogers, Kathryn Bronson, Althea Seifert, and Russell Phillips. The seniors present were William Meyers, Doyce Barrett, Jesse Lee Minchew, Juanita Coston, Lois Slater, Pauline Cummins, Evelyn Seifert, and Kenneth Berry. Other guests were B. M. Hays, Mr. and Mrs. E. F. Dawkins, Mrs. R. A. Burford, Mrs. McElyea, Clarence Koen, Purvis Wassum, Misses Wanda Stewart, and Clara Gollie and Mrs. Gilbert Grawunder.

"Meet the Folks" a three-act comedy, will be presented Friday night by the Junior class of Cooper high school. Admission prices will be 10 and 15 cents. Characters will be Margarette Leggett, Tolbert Coleman, Clyde Gill, Dortha Nell Dawkins, Melba Jean Slater, Buck Melcher, Betty Merle Alexander, Adrain Huckabee, Virginia Greer, Kathryn Robertson and Glenn Barrett.

An amateur program was held in the Cooper gym Monday night.

Proceeds will go to buy the basketball and football sweaters. There were 19 entries. They were Johnnie Sooter, a solo, "An Evening Prayer," James Terry, "Under the Double Eagle," on the guitar and harmonica, Julia Beth Reed a reading, "On Boys," Dortha Nell Dawkins, accordion solo, "Irish Washer Woman," David Badham, solo, accompanied by his guitar, "The Last Letter"; Lubbock Serenaders, "San Antonio Rose"; Uncle Dan Tucker, banjo number, "Shortnin' Bread"; Lynn White, baton twirler; The Hollie boys, "Under the Double Eagle"; Russell and Wallace Phillips, "Bicycle Built for Two"; Georgia Paxton, solo, "Leavin' on the Old Top Rail"; Helen Wilson, solo, "I'll Take You Home Again Kathleen"; Helen Wilson and Dortha Dawkins, duet, "Anchors Away."

Rose Mary Dawkins, piano solo, "Robins Return"; Mary Gean Nelson, reading, "Taking a Music Lesson"; Maxine Boyd, piano solo, Roy Lee Randolph, solo and guitar, "Round-up Time in Shaynee"; Garland Moore, imitations. Slaton String Band, "Time Changes Everything." Russell and Wallace Phillips won first, and the Slaton String Band won second. As prizes trophies were awarded. The talent was decided by popular vote.

Mr. and Mrs. John Herring, Bob, Wanda, and Norris Gale of Portales, New Mexico visited in the home of Mr. and Mrs. Robertson, Sunday.

Mrs. H. M. Cade honored her son, Jackie, on his birthday April 11. A birthday supper was served to Erik Ecklund, Pauline Cummins, Claude Sooter, Lorene Cummins, F. C. Roberts, Faye Cummins, Dick Cade, Autry Coston and the honoree. They attended the show later. Clyde Wayne Powers was absent from school for several days last week due to illness.

Carl Lee Townsend, Joan Ares, Wayne Townsend and Dortha Nell Childers were visitors in the home of Mr. and Mrs. T. C. Workman Friday night.

The Cummins home was the scene of an Easter egg hunt Sunday afternoon. Those taking part were Erik Ecklund, Claude Sooter, F. C. Roberts, Dick Cade, Johnnie Sooter, Jackie Cade, Lauretta Sooter, Kathryn Robertson, Faye Cummins, Autry Coston, Pauline Cummins, Althea Seifert, Lorene Cummins, Sara Ann Shaw and Frankie Cummins.

Mrs. Adolph Neitzler and her fourth grade went to her home Friday evening for an Easter egg hunt.

Miss Autry Coston entertained with an Easter dinner Sunday. Miss Kathryn Robertson, Dick Cade and Jack Cade were guests.

The Pickering family, artists of KFYO, presented a program at the school house Friday night. A pretty good crowd was present.

Johnnie Sooter, student of Tech, visited his sister, Mrs. Finus Griffin over the week end.

Miss Verna Jane Dunn was ill and was absent from school several days last week.

Miss Mary Francis Wilke is back in school after an illness of the mumps.

Mr. and Mrs. Earl Peterson and family visited in Littlefield Sunday.

Mr. and Mrs. T. C. Workman and daughter spent Sunday in the home of Mr. and Mrs. W. O. Town send.

Mr. and Mrs. C. T. Potts and James returned from Fort Worth Friday night.

The buses didn't make their rounds Monday due to bad roads.

Eugene Hindrick, son of Mr. and Mrs. Victor Hindrick, is in the Mercy hospital with pneumonia.

Mrs. Wicker and children of Oregon have been visiting her sister, Mrs. Buster Townsend this week.

Mr. Adolph Watson was unable to teach Tuesday due to an attack of appendicitis.

The Cooper baseballers won a well played game from Witharral Tuesday at Cooper, 3 to 1, behind the nine-hit pitching of Doyce Barrett. Cooper touched Whitharral hurlers, Waters and Smith for single tallies in the first, fourth and sixth innings.

Miss Nellie Jo Dunn, daughter of Mrs. H. B. Phillips, and Leon Powers were quietly married Monday evening at 5 o'clock. The couple will be at home in Slaton.

HACKBERRY NEWS

Mrs. B. N. Billingsley, Cor.

Mary Lynn visited relatives at San Angelo over the week end.

Bess Corbell of Tech spent Easter with the home folks.

Mr. and Mrs. Robert Lee Hagler spent Friday night with Mr. and Mrs. W. L. Jones at Lubbock.

Idris Smith and Patsy visited in eastern Texas the past week.

Mrs. Greer, who has been seriously ill, is improving.

Mr. and Mrs. George Baker spent the week end with L. B. Baker and family in Lubbock.

Mr. and Mrs. Clarence Taylor of Sweetwater visited the John Taylors the past week.

Mrs. Carl Stewart of Slaton, Mrs. Doel Haire, Mrs. Annie Landers and Mrs. Linnie Craft of Southland and Mesdames Jack Cook, Ed Denton, S. D. Martin and Walter Kellum spent the day with Mrs. C. W. Dean the past week "studying up" for the O.E.S. school of instruction at Lubbock.

Mr. and Mrs. Hubert Taylor, Mrs. Earl Lancaster, Mrs. Carl Foster and Mrs. John Taylor attended the funeral of Patricia Lane Dickerson, 6 month old daughter of Mr. and Mrs. Raymond Dickerson of Quannah who was buried at Chillicothe Thursday.

Mr. and Mrs. R. M. Morgan of Kress spent the week end with Mr. and Mrs. Wilson Baker.

Miss Alta Clements entertained a number of the younger set at a dinner and Easter egg hunt in the afternoon. Guests were: Joyce Saunders, Melody Jones, Etta D. Hagler, Nelda Roper, Travis Dabbs Sue Lancaster, Sherry Lee, Patti Jan Cooper and Gerald Dabbs.

Mr. and Mrs. Claud Cooper attended a program, dinner and egg hunt at Morgan Sunday.

The Mattress Center opened for business at Hackberry Monday. Mrs. John Leake is supervisor. Mr. and Mrs. Bill Lancaster, Eldon and Jackie, visited relatives over the week end.

A standard driver's license law in Texas would put a premium on competence and skill in driving. It would provide an effective means for removing the incompetent or dangerous drivers from the road.

Watch where and how you walk!

It's the "dangerous few" drivers that need to be curbed for the safety of the rest of us. A standard driver's license law that can be enforced would leave more room on Texas highways for the safe motorists.

College Students Visit Parents During Recent Easter Holidays

Easter holidays saw many of Slaton's younger set, the college students, returning home to spend a few days visiting with their parents and friends.

Miss Patsy Ayers, sophomore student at Texas Tech arrived home Wed. to spend a few days visiting with her parents, Mr. and Mrs. R. C. Ayers. Her brother, Bobby, senior at A. M. U., arrived home Friday morning.

Miss Emily Darwin, freshman student at T.S.C.W. in Denton visited her parents, Mr. and Mrs. F. J. Darwin, during her holidays.

Dick Ragsdale of Tech spent the Easter holidays with his parents, Mr. and Mrs. R. W. Ragsdale.

James Stotts, son of Mr. and Mrs. H. W. Stotts, came home Wednesday. He is a student at Cameron Junior college in Lawton, Oklahoma.

Briggs Robertson Jr., arrived Tuesday from John Tarlton college in Stephenville for the Easter vacation. He visited his father, Briggs Robertson, and his grandmother, Mrs. A. B. Robertson.

University of Texas student, Milton Kessel, spent the spring vacation visiting his parents, Mr. and Mrs. A. Kessel.

The two daughters of Mr. and Mrs. P. G. Meading, Evelyn and Miriam, students at Texas Tech were home for the Easter vacation.

Miss Janet Wilson, senior at the University of Texas spent the holidays with her parents, Mr. and Mrs. S. G. Wilson.

Maurice Middleton, student of Schriener Institute in Kerrville and Miss Da Onne Middleton, Texas Tech student, visited their parents, Mr. and Mrs. G. B. Middleton over Easter.

Hope Hennington, Texas Tech freshman and daughter of Mr. and Mrs. J. C. Hennington, spent Easter in Slaton.

LeRoy Holt of John Tarlton and William Holt of Texas Tech visited their parents, Mr. and Mrs. J. D. Holt during their holidays.

Several other Texas Tech students visited their parents Wednesday through Tuesday. Among these were:

Miss June Scott, daughter of Mr. and Mrs. K. C. Scott, who is classified as a freshman.

Miss Mary Leslie Culwell, sophomore student in the home economics school of Tech, visited her parents, Mr. and Mrs. George Culwell.

Miss Maxine Conner, second year student, spent the holidays with her father and mother, Mr. and Mrs. Ray Conner.

J. C. Tucker and his guest, Warren Tabor, arrived Wednesday for a visit in the home of Mr. and Mrs. I. C. Tucker.

Miss Jean Evans, daughter of Mr. and Mrs. Carl Evans, spent the holidays in Slaton.

David Todd, son of Mr. and Mrs. R. H. Todd, visited his parents during Easter.

Miss Virginia Bowman visited her parents, Mr. and Mrs. W. H. Bowman.

Loyal Workers Have Recent Class Party

The Loyal Workers Sunday school class of the Methodist church met Thursday afternoon in the home of Mrs. Gnal Jenkins with Mrs. Marion Hodge as co-hostess.

Mrs. C. A. Porter gave the Devotional on Easter, and Mrs. L. R. Tibbs led in prayer. Easter talks were made by Mrs. Joe Johnson and Mrs. Tibbs. Recreation was led by Mrs. C. L. Suit and Mrs. Johnson.

Refreshments were served to the following members: Mesdames C. S. Bartley, Porter, E. G. Robert son, Suit, Ralph Tunnell, Tibbs, L. L. Frazier, Ray Conner, Johnson, W. H. Proctor, P. M. Wheatley and Miss Mable Cleveland and one guest, Mrs. A. L. Everett.

Methodist Circle Has Meeting Monday

Mrs. E. R. Legg entertained her circle of the Methodist Missionary women Monday afternoon, April 14. Mrs. Allen Ferrell led the program. Mrs. W. H. Proctor read the devotional. Mesdames Vascar G. Browning and Fred Whitehead led a discussion on Christian education. Mrs. Ferrell sang, and Mrs. Webber Williams accompanied her at the piano.

The hostess served angel food cake and strawberry cream to 15 members.

The Circle will meet in Mrs. O. D. McClintock's home the second Monday in May.

Mrs. Cooper Is Hostess To Club

Mrs. Jack Cooper was hostess to the Jolly Quilting club Tuesday afternoon at the Fire Station. Members present were Mesdames E. E. Wilson, Emma Wallace, J. W. Ward, J. M. Burton, W. P. Shelton, P. M. Wheatley and the hostess. Five guests were present, Mesdames J. B. Stallings, J. F. Ewing, W. D. Donald, L. G. Bain and C. E. Jarman.

Members drew for hostess with the following results: June, Mrs. J. W. Scott and Mrs. H. H. Edmondson; July, Mrs. Ben Mansker and Mrs. Wallace; August, Jno. Collins and R. C. Sanner; September, Mrs. Cooper and Mrs. Burton; October, Mrs. C. C. Wicker and Mrs. Wilson; November, Mrs. Ward and Mrs. Shelton; December, Mrs. Wheatley.

Mrs. P. M. Porter's Mother Dies Monday

Mrs. J. M. Frye, mother of Mrs. P. M. Porter of Slaton died Monday afternoon at 1:30 o'clock at her home in Tulia.

Other than Mr. and Mrs. Porter, Slaton people attending the funeral services Tuesday were Mrs. C. A. Porter, Mrs. J. D. Porter and Mrs. Everett Mangum.

Lewis Novel Is Discussed By Club

The Civic and Culture club met with Mrs. Clarence Heaton Saturday afternoon at her home, 530 West Lynn street. Mrs. J. A. Elliott was leader of the afternoon's program.

"Arrowsmith" was the topic of discussion, and club members answered roll call with an estimate of Sinclair Lewis, the author of the book. Mrs. Elliott discussed "Sinclair Lewis, His Place in American Literature and How 'Arrowsmith' was Written." Mrs. W. T. Cherry spoke on "Arrowsmith" as an Example of Modern Realism." At the conclusion of these talks the leader led a round table discussion.

A fruit plate was served to Mesdames Maude Baldwin, R. M. Champion, Bessie Donald, Elliott, W. P. Florence, Lee Green, J. C. Jenkins, W. R. Lovett, H. R. McKee, Cherry, Laura Rhodes, H. G. Sanders, A. C. Strickland, C. L. Suit and the hostess.

The club will have its next meeting in the home of Mrs. A. C. Strickland April 26.

1940 Study Club Has Guest Day

The 1940 Study club is the baby club of Slaton, having been organized about a year ago. Wednesday afternoon at the club house the group held their first guest day program which was in the form of a book review.

In the receiving line were the president, Mrs. C. C. Cramer, Mrs. R. E. McReynolds, Mrs. A. W. Evans and Mrs. R. L. Smith.

The club rooms were attractively decorated with spring flowers. The refreshment table was centered with a large white bowl filled with red tulips.

Miss Betty Lou Turner played the piano, and Miss Juanita Elliott gave several accordion numbers while the guests assembled.

Mrs. Cramer gave the welcoming address, and Mrs. Smith introduced the guest artists. Mr. Jack Norman sang three numbers accompanied by Mrs. O. D. Groshart at the piano. They were "Deep River" by Fischer; "A Rendezvous with Life" by O'Hara and "The Open Road" by Stickers.

Mrs. A. W. Evans of Lubbock reviewed "Maria" by Isaac Jacob. Mrs. Ben Mansker presided at the refreshment table assisted by

Look at the **FORD TRUCKS** ON MAIN STREET!

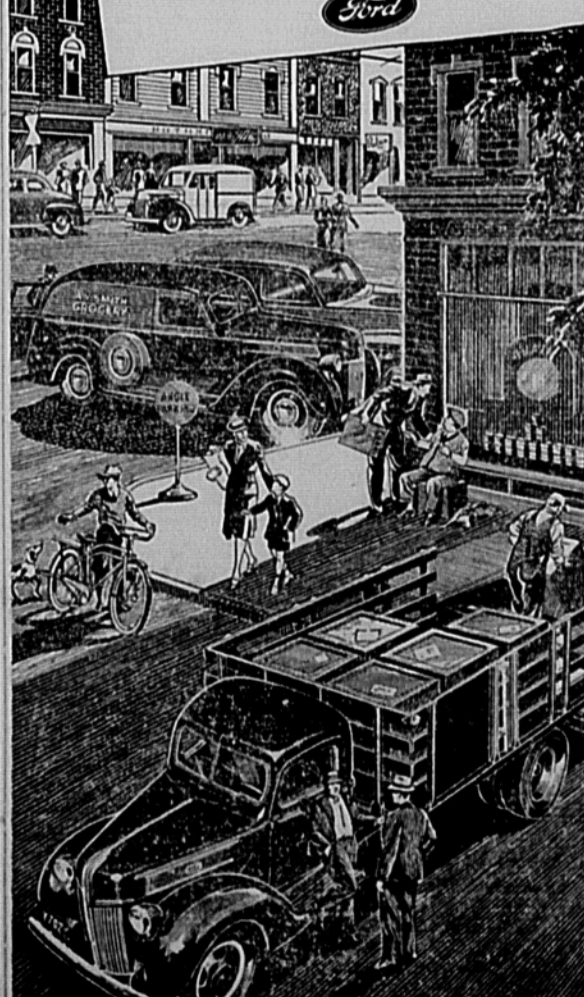

IN VILLAGE, town, and big city—on farms and on the highways . . . wherever you look, you see Ford Trucks at work. There are more Ford Trucks at work on the nation's hauling jobs than trucks of any other make!

There are definite reasons why. Truck owners want a truck with the power, performance and dependability that Ford Trucks deliver. They want economy that starts with low first cost and continues with low operating and low maintenance cost. In Ford Trucks they get what they want!

It's no wonder Ford Trucks are as popular on Main Street as on Broadway! And they'll add to their popularity once you try them on your job. See your Ford Dealer today.

FORD TRUCKS AND COMMERCIAL CARS

FORD MOTOR COMPANY . . . BUILDERS OF FORD AND MERCURY CARS, FORD TRUCKS, COMMERCIAL CARS, STATION WAGONS AND TRANSIT BUSES

Mr. and Mrs. George Boles will be honored Sunday on their golden wedding anniversary by their sons and daughters and Mr. and Mrs. George Benson and Sam C. Arnett with an open house at the V8 ranch east of Lubbock. Mr. Boles will also celebrate his 75th anniversary that day.

No written invitations will be sent but all friends and relatives are invited to call Sunday after noon.

Buell and Newman Boles, Mrs. Chattie Farris and Mrs. Lottie Hilton, all of Lubbock, and Mrs. Georgia DuBois of Euuic, New Mexico are the sons and daughters who will assist. The honored couple have three grandsons, one granddaughter and one great-grandson.

Mr. and Mrs. Boles have spent the entire 50 years of their married life in Lubbock county. Mr. Boles worked on surrounding ranches prior to his marriage to

Miss Laura Brown in 1891 in Es-tacado. The couple established their home east of Lubbock and have lived within two miles of this site during the past 50 years.

MORE COTTON GROWERS

"BETTING ON CERESAN"

FOR
BETTER STANDS

HIGHER YIELDS

Last year's yield increases—last year's high praise by State Colleges—mean more acres planted to CERESAN-treated cotton seed this season! Be among the growers to profit! Texas Bulletin 531 says, "For College Station the average increase in yield for Ceresan-treated seed was 64 pounds of lint per acre . . ." Temple, Texas, tells of "doubled" germination. Oklahoma A. & M. Experiment Station Circular 89 says, "Dusting the seed with Ceresan is in more general use than any other cotton seed treatment . . ." CERESAN costs little; reduces seed rotting and sore-shin; generally improves stands and yields. Treat your own seed, or look for the Ceresan Treatment Tag on seed you buy!

SEED DISINFECTANTS

A TREATMENT FOR EVERY MAJOR CROP

Ask dealer for this free Cotton Pamphlet, or write to "Du Bay," Wilmington, Del.

and girls in 4-H club work, Edward J. Engel, president of the Santa Fe Railway, today announced that educational prizes to winners in ten states of the Southwest again will be offered this year.

Sixty-five boys and girls were enabled to attend the National 4-H Congress last year as a result of the educational presentations and a similar number will be awarded this year. The Santa Fe has provided more than a thousand boys and girls this means of furthering 4-H education since the educational program was inaugurated some years ago.

Those eligible to receive the awards are certified to the Railway by officials of state agricultural institutions. Judgment of these farm leaders is based on individual records made by the boys and girls in club work conducted by extension departments under direction of county farm agents and a state club agent.

The awards assure the youngsters an opportunity of attending the annual Congress held in Chicago each fall in connection with the International Livestock Exposition.

The Santa Fe Railway System carloadings for the week ending April 12, 1941, were 20,744 compared with 17,658 for the same week in 1940. Received from connections were 7,117 compared with 3,498 for the same week in 1940. The total cars moved were 27,861 compared with 23,156 for the same week in 1940. The Santa Fe handled a total of 27,456 cars during the preceding week of this year.

Purchase by the Santa Fe Railway of 1700 freight cars, another 5400 horsepower Diesel-Electric freight locomotive, and 22 stainless steel passenger train cars was announced today by President Edward J. Engel.

One thousand 50-ton box cars, each 40 feet six inches in length, five hundred 50-ton box cars, each 50 feet six inches in length, will be constructed by Pullman-Standard Car Manufacturing Company, Chicago, and two hundred 50-ton ill type gondolas will be built by General American Transportation Corporation, Chicago.

The order for a 5400 horsepower Diesel-Electric freight locomotive, similar to four ordered previously, two of which are now in transcontinental freight service, was placed with Electric-Motive Corporation, La Grange, Ill.

The twenty-two stainless steel passenger train cars, including two 36-seat diners, one lunch-counter diner, five combination mail-baggage cars, and fourteen storage mail cars, will be built by the Edward R. Rudd Manufacturing Company, Philadelphia, Pa. Fifty all steel cabooses will be

built in the shops of the Railway.

Mrs. F. W. Ater of San Angelo is visiting her brother, Agent Cherry and family.

The 1941 Easter Parade is over. Speaking of Easter, we wonder how many of the RAILS went to some church Sunday to see and be seen and hear a good sermon?

This past Monday night Conductor Dutch Eckert was "crowned" as one of the City Dads. One day last week Dutch called the yardmaster stating that he was sick and did not want to go out. We hear that he was not sick but that they were having a Dress Rehearsal of the crowning ceremonies and Dutch had to be there.

We hear that at least one of our conductors would rather play golf than work in the yard digging dandelions and wild rye out of the lawn. The one that we have in mind in particular is Dick Adkins. One of his cronies asked him to go around with him. Dick said, "Can't do. Come in early this morning and the wife had me working on the lawn and I'm so stiff that if I did make the cup I could not bend to take the ball out."

Clerk M. F. Braden went to Amarillo Tuesday and came back in time to work his trick.

Scott says: Don't know why Braden went so far. I know nearer places to go.

Six students stutters at the University of Texas held a "stutters' symposium" recently to demonstrate progress in combating the handicap. Sponsoring the symposium was the University's speech correction clinic operated by speech professors.

SEE Williams Funeral Home for your insurance policy. We pay off with complete burial or cash.

Bain Brothers Have Fine Service

Speed, thoroughness and low prices are among the services Bain Brothers have to offer when they wash your car. They know how inconvenient it is to be without means of transportation and seek to eliminate this inconvenience as quickly as possible.

Just because they are fast workers does not mean that this organization does not turn out thorough work, for they do. When a car is washed and greased by Bain Brothers no spot is left dirty nor ungreased that should be.

Cosden gasoline and oils are handled by these dealers, and if you have not been using these fine products they would like to have you try them. Like everything they do or sell, it's the best.

Drive a car washed and greased by Bain Brothers and filled with Cosden gasoline and oils.

Repair Work Is Important To Car

Repair work is important to your car. Without it an automobile will deteriorate fast, however, with good repair work and fine parts for replacement the life of a car will be lengthened very much.

O. D. Kenney Auto Parts are the grade of replacements for you to use for your car. Parts that are dependable and are of standard make will make your driving more enjoyable and less of a worry.

Mr. Kenney also handles automobile accessories of all kinds, fine radios, famous brand tires, nationally known polishes, most anything you need in the upkeep of your car.

Use auto parts from the O. D. Kenney stock, and you will be more than satisfied.

Variety Of Chicks Found At Dickson's

Reds, White Rocks, White Giants, Buff Orphingtons, Hybrids White Leghorns, any kind of chickens you want may be secured from Dickson's Produce and Hatchery. This firm is asking prospective chicken raisers to come by their place of business and see their baby chicks.

All of Dickson's chicks are hearty and vigorous. Every flock supplying eggs are blood tested, for only the most healthy stock is sold by Mr. Dickson.

For the widely known Stanton feeds, chicken raisers should see Mr. Dickson also. He handles all lines of this stock and poultry feed.

Wide poultry farmers are buying chicks now, in order to be ready for the market later, which is predicted to be one of the best in several years. Why don't you?

Service Is Found At Cactus Cafe

A cafe that serves delicious food, prepared with extra care and served deftly and properly would be undoubtedly an enjoyable place to eat. That's why you would enjoy dining at the Cactus cafe at 1212 Broadway in Lubbock.

Cotton James and Harold Medlock invite Slatonites to visit them when in Lubbock and relax and eat in comfort in their popular restaurant.

The attractive surroundings which are kept so spotlessly clean enables the customers to enjoy the

appetizing food and fine service. The Cactus cafe remains open all night and is adjacent to the bus station, so when in Lubbock you may drop in at any hour.

Taylor Bros. Give Dependable Service

Dependable service is the slogan of the Taylor Bros. and Dad, Slaton's wood craftsmen. This is a season when these men can really be of service to you, for spring demands many things, maybe a new trellis, some yard furniture repaired, or perhaps a new boat.

Skilled in the construction of these articles and a thousand other things by years of experience, these men will be glad to talk with you and help you plan nifty, handy furniture for your yard for reasonable, low prices.

Boat building is a specialty of theirs, so fisherman, go see Taylor Bros. and Dad and discuss your boat plans for this summer.

You will receive dependable service.

"Build-Up" for Women

Periodic distress, such as headaches, nervousness, cramp-like pain, may be symptoms of functional dysmenorrhea due to malnutrition, so often helped by CARDUL. By increasing appetite, stimulating flow of gastric juices and so assisting digestion, it helps build physical resistance to periodic discomfort. It also helps reduce periodic distress for many who take it a few days before and during "the time." Try CARDUL. Used 50 years.

Modern Treatment Returns Health

Dr. A. L. Stringer, D. C. is operating one of the most modern of health clinics in this part of the country. Located at 1806 Texas Avenue in Lubbock this clinic is relieving the suffering of many with the finest electric and hydrotherapy equipment.

Ills of many kinds are relieved immediately by the cause being eliminated and nature returns health. Among the equipment of this fine, modern clinic are the Colon-Therapy, the short wave Magnetic Heat, Ultra Violet, cold mercury, Infra-Red Carbon Arc, Power vibrators and X-Ray.

Spinal conjunctions are given by Dr. Stringer personally in connection with all forms of treatment pertaining to health. Ann Windham is the "Lady Technician".

For a limited time special prices are being offered as an introductory feature.

3-Way Plan Aids Many Groups

More cotton clothing, less cotton in the warehouse, more food on the pantry shelf—these are the aims of the new Supplementary Cotton Program of the U. S. Department of Agriculture. Not only farm people, but also merchants, manufacturers, laborers, and others who help turn cotton into finished goods will be assisted by the three-fold plan. Under this program, farmers who make a further voluntary reduction in their cotton acreage in 1941 may earn cotton stamps, which they can use in their local stores to buy cotton goods. A special \$3 payment also will encourage home food production. Symbolic of what the program offers are the cotton coat and dress worn by the farm girl above; the row of cotton bales, of which there is a surplus of more than 10 million; and shelves of home-canned food direct from the family garden.

Our Weekly Sermon—

A Fireside Chat
 By George S. Schuler, Member of Music Faculty Moody Bible Institute of Chicago

In recent years a new phase has reached our ears—a fireside chat. Our attention is drawn in the New Testament to our four accounts of Peter's fireside chat with a maid (Matt. 26:69-75; Mark 14:66-71; Luke 22:56-62; John 18:15-18, 25-27). Unlike the monologue fireside chat we are accustomed to hear, Peter's chat was in the form of a dialogue, the maid holding the whip-hand.

Christ was on trial for his life. Peter had followed—afar off—the crowd that arrested Jesus. Now they were in the palace of the high priest, the Lord being on trial before that church official. Peter was permitted to enter the outside hall. Since it was cold, the soldiers and servants kindled a fire, and sat down together, and "Peter sat down among them."

One of the maids, seeing Peter by the fire, said, "This man was also with Jesus." He denied, saying, "Woman, I know him not." After a little another saw him, and said, "Thou art also of them." But Peter said, "I am not." About an hour later another said, "Of a truth this fellow also was with him: for he is a Galilean." And Peter replied, "I know not what thou sayest."

Poor Peter, he should have known better. In the first place, why was he warming himself beside the enemy's fire? That in itself was getting off on the wrong foot. In the second place, he should not have denied—and so brazenly—his Lord who was the distance of a glance away. This experience, sad as it was, brought to light the great truth of the frailty of human self-dependence—a lesson which Peter needed greatly, as a preparation for his future ministry.

We cannot afford to be warming ourselves within the enemy's compound, or glibly fireside-chatting with the daughters of those alien to our faith; it compromises our testimony to the Lord Jesus. Since the flesh is weak—and we know it is—even though the spirit is willing, we should by the power within our grasp remove ourselves from all unnecessary temptation, before our wings, which elevate us to the heavenly heights of rich Christian experiences, will be singed.

POSEY ITEMS

Mrs. S. N. Gentry, Correspondent
 The Women's Society of Christian Service met with Mrs. O. R. Williams Thursday, April 10, with nine members present. The honorarium was presented with pot plants and miscellaneous gifts.
 Rev. and Mrs. A. C. Forbis from Lubbock gave the lesson from the fourth and fifth chapters of the

Circus Elephants Are Always Thirsty

When Dailey Bros. Circus comes to Slaton Friday April 25th the

Slaton lads can carry water to the Big Beasts as did their daddies in the good old days.

book "Jesus and Social Redemption." The concluding chapter of the book will be taught at the next meeting.

The Society voted to send Testaments to army camps in our state.

Mrs. Jess Shafer is a delegate to Conference at Abilene April 23, and Mrs. C. L. Davidson is alternate.

A social for the members and their families together with the regular meeting will be held at Mrs. T. A. Johnson's April 24 at 8 p. m. Members are to bring the hostess and Rev. and Mrs. Forbis pot plants or gifts of any kind.

The Posey Senior Epworth League met at the school house Sunday night for a regular meeting. Mr. and Mrs. W. C. Arnold and Mrs. M. P. Gentry met with the group. An Easter reading was

given by Ruth Gentry.

The Posey Junior League met at the school house Sunday night with 11 members and the sponsor present. Imogene Gentry gave a reading on "Because He Lives." A discussion followed. The sponsor gave a lesson taken from the fifteenth chapter of St. John. Each member is to bring clippings or poems to be given at the next meeting.

A group of Senior Epworth League young folks met at Buffalo Saturday evening for an Easter egg hunt. The group played games and took snap shots. Mrs. M. P. Gentry, the assistant sponsor, was present and assisted with the games.

Those attending were: Lewis and Mary Frances Joplin, Melvin and Bud Johnson, Jaunell Hart,

Charles and Ruth Gentry, Lillie and Irene Gentry, Imogene Gentry, Lesley Rodgers, Betty Johnson and Beatrice Burns.

The Junior League met with Guy Gentry Sunday evening for an Easter egg hunt. Mesdames T. A. Johnson and H. L. Rodgers directed games. Those present were: Imogene and Louise Gentry, Howard and Earl Johnson, Phyllis Williams, Donnie Rodgers, Joseph, W. M. and Gene Joplin.

Those on the sick list this week are Mrs. Julius Stahl and daughter, Arnes, Willie J. Shafer, Mr. and Mrs. William Gentry, Mrs. Finis Fine and Linda Kay Hart.

Miss Doris Cranfill from Odessa is visiting her sister, Mrs. L. K. Hart, and family this week.

Nadine and Frances Hart spent the week end with their grandparents, Mr. and Mrs. J. I. Cranfill, of Wilson.

Mr. and Mrs. A. L. Johnson and children spent Sunday visiting her parents, Mr. and Mrs. W. A. Gumm of Richland, New Mexico.

Visitors at Sunday school were Mr. and Mrs. Warner Boyce and children, Birdie Ellen and Wanda Jo of Lubbock, Mrs. Carl Miller and son of Tahoka, Georgie Nell Briefer of Roosevelt, Mrs. Raymond Johnson and boys from Ropesville and Iva Mae Joplin from Slaton.

Mr. and Mrs. T. A. Johnson and boys, Eud, Howard and Earl, and Mrs. Alma Williams and daughters, Shirley and Peggy Lynn, spent Sunday visiting with Mr. and Mrs. E. R. Fincher of Morton; Mr. and Mrs. Jessie Darland and Mr. and Mrs. W. B. Leavelle of Levelland.

Mr. and Mrs. Dewey Kersey and boys have moved to Morton. Mr. Charlie Lawson is helping Gerald Clifton build a large chicken house for Mrs. E. C. Clifton. Mrs. Clifton has a large flock of Leghorn pullets, over 300.

Farmers in a South Plains cooperative marketed 1,250,000 pounds of cheese manufactured in their plant during 1940. Their cheese scored highest of 34 other plants selling to the southwestern division of a national cheese company.

In 1915, 82,000,000 acres were required to feed workstock, but now it takes less than 40,000,000.

Why does a Golf Ball bounce?

EVER notice that a golf ball, when you drop it, bounces higher than something hollow, like a tennis ball? That's partly because of internal pressures, which also have so much to do with Buick's extra FIREBALL power.

Rubber threads inside a golf ball are packed tight, highly compressed. When flattened against a hard object, like a sidewalk, they come back harder, with more push, and so the ball bounces higher.

A similar thing happens inside a Buick FIREBALL straight-eight cylinder. Fuel compression pressures are higher than in any other standard-production automobile engine. So when the spark jumps in the tightly-packed, fuel-fat ball of gas-mixture at the top of the stroke—the Buick piston goes rushing down with more push, more shove, more power than the same amount of fuel gives up elsewhere.

Result: every Buick engine travels farther per gallon this year than the same-size engines did last year, while Compound Carburetion* with Buick FIREBALL design gives as much as 10% to 15% more miles per gallon.

In fact, if you're buying any car this year, it's pretty important to see and drive a Buick before you're through; it's Number One in smart engineering as well as Number One in solid, rock-bottom, all-round VALUE!

*Optional equipment on the Buick SPECIAL, standard on all other models.

The Senior class will present the play, "Feuding in the Hills" April 24. at the Hackberry clubhouse.

Cecil Self Now At Gaither's Station

Mr. Herbert Gaither announced this week that Mr. Cecil Self has been put in charge of the Gaither Service Station on the South West corner of the square.

"We feel very fortunate in securing the services of Mr. Self," said Mr. Gaither, "for Mr. Self is, in our opinion, one of the best service station operators in this section. He has a lot of experience, is courteous and knows how to give a motorist what he needs before the customer requests it. We are adding many new lines to our service including tires, batteries and other services that will be announced later."
