Postal Mailing Service Improved - - Drive On For Red Cross

Additional Mail Service Added

Postmaster K. L. Scudder announced this week that a greatly needed additional service has been added to the service now being rendered here.

A letter mailing box has been installed at the corner of the parking space just northeast of the Harvey House. Please note that the mail will be picked up from this box by east bound trains only, trains 91, at 4:35 p. m., and 95, at 10:25 p. m. This box is placed here mainly to take care of mail desired to get off on train 95, at 10:25 p. m., after the office dispatch, which is closed at 7:30. This is a service that has been requested for a very long time and we are glad to announce it is now available.

Any late mailings of first class mail may be deposited in the box up to train time and it will be picked up by the mail clerk on trains 95 and 91. Please do not drop mail in this box going toward Lubbock, as mail clerks on these trains do not make pickup. So far as it is convenient to mailers, the regular post office mailings should be continued, but if your letters are not ready and mailed in the post office by 4 p. m., or 7:30 p. m., you may take them to the box at the Harvey House, where they will receive this added pickup.

American Legion To Meet Monday

Monday night, Nov. 24, 1941, 7:30 p. m., is the regular meeting night for the Luther Powers Post No. 433 of Slaton. Every member and ex-service man is requested to come.

We promise you a program that will be worthwhile. There is much for the Legion to do in the coming months. Let's face the future with a strong front says Post Commander, S. N. Gentry.

TRANSIENT NEGRO SHOOT'S SELF SUN.

Elmer Byrd, a transient cotton picker from Austin, accidentally shot himself while changing a tire on his car down in the flats. The accident occurred Sunday afternoon when a revolver the negro had in his belt, went off and shot him in the abdomen. The bullet passed through his intestines and liver.

He was taken to Mercy Hospital and is reported slightly improved with a fair chance for recovery.

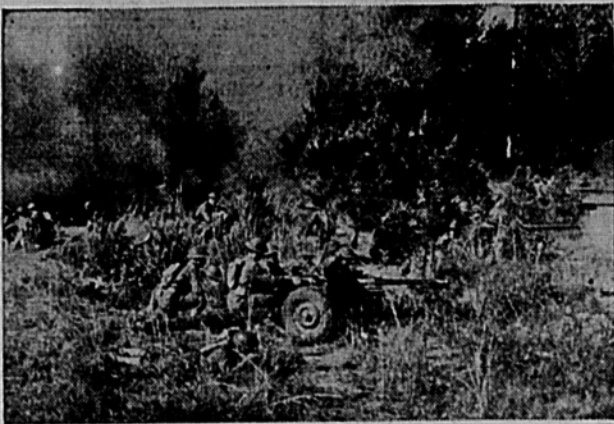

Talbot Now Full Fledged Marine

Information received this week from the United States Marine Corps, is that Jack Tanner Talbot has completed his recruit training at the Marine Base in San Diego, California, and is now a full fledged Marine.

Jack is the son of Mrs. George A. Talbot of 655 South 9th St., of this city. He won the marksmanship badge for the rifle, the sharpshooters badge for the pistol and qualified as expert with the bayonet. He is a former student of the Slaton High school and was active in baseball and track and also was a member of the Tiger Football squad.

'Blitz Troops' in the Making

The second corps provisional anti-tank battalion, commanded by Maj. H. E. Johnson, Wadesboro, N. C., was organized as a weapon of opportunity to combat hostile mechanized threats at any part of the front where the enemy might break through. Photo shows battery D returning fire on advancing "enemy" tanks, supported by machine guns.

TIGERS-HORNETS TO FIGHT IT OUT AT SUDAN; CRUCIAL GAME TODAY

The Slaton Tigers and the Sudan Hornets end their 1941 football season this Friday afternoon at the Hornet's home stadium, where the ball will be put into play at 2:30 p. m.

This game will be of interest and importance to all schools in the north zone of district 5A, because it is a deciding factor for the championship of this zone.

There is a possibility of a tie for the championship between Littlefield and Slaton because both teams have lost one game. If Slaton loses it will crown the Littlefield Wildcats as champions. But if the Tigers emerge as victors, the decision will be in the hands of a committee composed of representatives from the north zone schools or merely by the flip of a coin.

The Hornets have only won two games this season and only one of these was within the conference, but with the exception of the Olton game last Friday, they have not been beaten over seven points. They lost to Littlefield in the last minute of play with a score of 7 to 0 even though they were ahead in penetrations. They tied Leveland, not only in a score which was 0 to 0, but also in first downs and penetrations. Muleshoe and Olton have also beaten the Hornets.

Slaton has come through this season with only one defeat which was by Muleshoe at the first of the season, but because of vacancies left by four of the players (See Tiger-Hornet page 3) on the first team they will find it very difficult to "run over" the Sudan boys, who will be fighting hard for an upset.

"Stumpy" Hamilton said, "My boys are in for a hard game." When asked about what he was going to do about the boys who quit he said, "I have others who can fill their shoes and they will not receive any play unless we can't win without them."

The tentative starting line-up for the Tigers is as follows:

Calvin Lamb	L. E.
Fagan Genn	L. T.
James Seideman	L. G.
Frank Weathered	C.
Howard Young	R. G.
Shirley Butler	R. T.
Wallace Sanders	R. E.
Billy Miller	Q. B.
Billy Waldrep	R. H.
Alton Edwards	L. H.

J. B. WARD PROMOTED IN U. S. AIR CORPS

J. B. Ward, son of Mr. and Mrs. John W. Ward, 515 West Lynn street, Slaton, and now a ground crew chief at Goodfellow Field, new flying school at San Angelo, Texas, has recently been promoted from the rank of corporal to the rank of sergeant. Sergeant Ward, who enlisted in the Air Corps in June, 1940, and a number of other technicians, of the 68th School Squadron, were promoted to fill positions in the still rapidly expanding national defense program.

Scouts To Make Collection Of Old Papers Saturday

The Boy Scouts will be around tomorrow to get your old papers, magazines, old pasteboard cartons and anything else that you have in the way of waste paper.

Due to a shortage in raw material to make paper articles there is a demand for old paper and the Boy Scouts are making drives in many towns all over the United States for waste paper. The funds from the sale of the old papers will be used for Boy Scout activities.

Tomorrow has been set as the day for the Slaton Scouts to make their first collection and business firms and housewives are urgently requested to save all old paper for them.

MRS. PEAVY CALLED TO SEYMOUR FRIDAY

Mr. G. L. Boone of Fort Worth, well known ranchman and the father of Mrs. S. A. Peavy, died Friday, November 14, at his ranch home in Seymour. Funeral services were held Saturday in Fort Worth.

Mr. and Mrs. Peavy left Friday afternoon for Seymour and then went on to Fort Worth. Mrs. Peavy will remain with her mother in Fort Worth for a few days.

TURKEY DAY MIXED UP.

Like practically every other town in the United States, Slaton had her share of mixups on the proper time to celebrate Thanksgiving.

Yesterday, the rural carriers did their celebrating by not making deliveries, but the Post Office remained open. Next Thursday, the Post Office will remain closed, but the rural carriers will make their deliveries. We certainly do get variety these days.

CUB PACK NO. 28 HAS ROLL CALL CEREMONIES

The annual Cub Scout roll call for Pack 28, Dens 1 and 2, was held at the Junior High school building, Monday, November 17, with Cubmaster W. T. Cherry, in charge. John M. Hannah, Scout Executive for this district, was on the program and gave the Cubs several good pointers toward becoming a good Scout. Mr. Hannah was in charge of the roll call. Each Cub presented his membership card for inspection and gave Mr. Hannah's secretary, John Frye, his street address, phone number and age.

Den No. 2 had charge of the program, with Den Chief Charles Reese in command of the group. The Cubs formed an old car, with Jim Porter, Freddie England, Blanchard Pritchard, Davie Kenney and Claude Ward as the tires and Jack Crowther as the motor. Jack wore a card around his neck signifying, "Model T". Reese was the driver of the car and there were several other occupants. The Cubs of Den 2 also formed a human pyramid.

Mr. C. F. Slaughter of Houston, who is a Scoutmaster there, talked to the boys about Scout life.

All Cubs had some project or hobby on display at the meeting Monday night. Several unique and individual articles were exhibited. Den No. 1 will have the program for the next joint meeting. Billy Bob Tibbs is Den Chief.

LT. L. M. GARRIGUES PROCEEDS TO SHERMAN

Goodfellow Field, San Angelo, Texas.—With the opening of the new Sherman-Dennison Air Corps Basic Flying School 60 miles north of Dallas, Texas, Lt. Lester Garrigues, son of Mr. and Mrs. L. C. Garrigues, Slaton, Texas, has been ordered to proceed there for immediate duty. Lt. Garrigues will leave for Sherman at once.

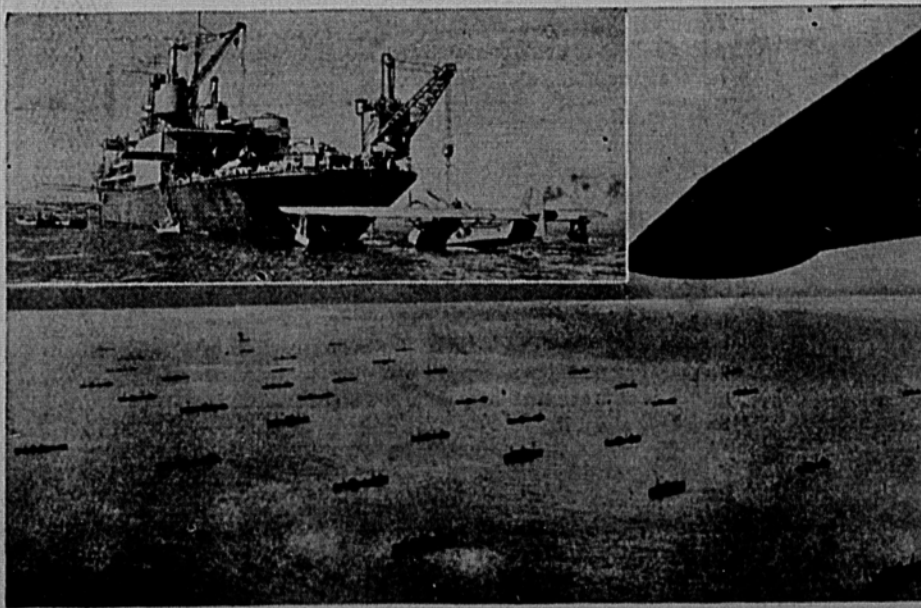

METHODISTS VISIT AT FIRST CHRISTIAN

In the absence of their pastor, Rev. H. C. Gordon, a number of the members of the Methodist Church were visitors last Sunday at the 11 o'clock services of the First Christian Church. Mrs. L. A. Harral sang "Hold Thou My Hand," accompanied at the piano by Mrs. Allen Ferrell. The pastor, Rev. W. P. Jennings, delivered a message on the theme, "Rewards Of Discipleship."

COTTON GINNING REPORT

The cotton ginning report from the Department of Commerce and Bureau of Census in Washington, shows that 4,434 bales of cotton were ginned in Lubbock county, Texas from the crop of 1940 prior to November first as compared with 33,222 bales for the crop of 1939.

WE SALUTE

MRS. W. E. SMART

One of the most individual and best known women in Slaton is Mrs. W. E. Smart, and she says that she had rather make her husband chocolate pies than to do anything else.

Mrs. Smart is particularly well known in Slaton because she was a teacher in the Slaton Public schools for over fifteen years and has helped educate a number of the men and women who are now active in the civic life of our town. She was born in Lone Star, Cherokee County, Texas and, like most women, would not give the exact date.

Her public schooling was at Troupe, Texas; she attended Sam Houston State Normal, at Huntsville, the North Texas State College at Denton and had additional work at the University of Colorado at Boulder, at the University of California at Berkeley, and Texas Technological College at Lubbock. Mr. and Mrs. Smart have been married for twenty-six years and have made their home in Slaton since June, 1915.

Although Mrs. Smart was a teacher for many years, she still likes children and finds much pleasure in those of her neighbors and friends. Mrs. Smart is an ardent lover of music and is a charter member of the Civic and Culture Club, and has held all the offices in the club.

The most exciting incident in Mrs. Smart's life was when the Armistice was signed in 1918, and the entire town turned out to help an old fellow sing, "Mine Eyes Have Seen the Glory of the Coming of The Lord."

The most embarrassing moment of her life was when she was interviewed for this sketch. Her favorite author is James Whitcomb Riley and she is one of the best duellists in repartee on the South Plains, so if you do not wish to get the worst of an argument, it is the best part of valor to keep your chin in.

Mrs. Smart has always shown great interest in the welfare of the community and has given much of her time and financial aid to projects for the betterment of this community and, because of her experience and learning, is one of Slaton's most valued citizens.

MR. PERRY INJURED SATURDAY AFTERNOON

Mr. Jim Perry, aged 85, of Grandberry, brother of Mrs. W. E. Bain, and who has been visiting in Slaton for several days, suffered a broken leg and other injuries when a Mexican cotton picker ran over him about 3:00 p. m., Saturday afternoon.

He was taken to Mercy Hospital by a Williams ambulance, but has been released and is reported to be doing nicely.

SLATON OBSERVES 27TH.

Mrs. Lee Green, Secretary of the Retail Merchants Credit Association, announced Tuesday, "All business houses and public utilities offices will be closed Thursday November 27th to observe the original Thanksgiving Day". Lubbock concerns are also to be closed on the 27th.

Mrs. Mable Greer attended a meeting of the O. E. S. in Southland Monday night to assist in initiation ceremonies.

HALF OF RED CROSS QUOTA SUBSCRIBED

Briggs Robertson, chairman of the Red Cross Drive, reports that there were 34 Slaton women who took part in the work of securing Red Cross members. The drive was inaugurated Tuesday morning, with a breakfast at the Palace of Eats.

Mrs. H. R. McKee served as Vice Chairman and secured membership in the business district. Others who took part were Mrs. Tess Bruner, chairman of the Southwest Ward; Mrs. Jo Bob Stevens, chairman of the Northwest Ward; Mrs. John Landreth, chairman of the Northeast Ward; and Mrs. Dick Ragsdale, chairman of the Southeast Ward. These ladies were assisted by Mesdames L. C. Odom, Wade Thompson, Herschel Crawford, Harry Stokes, Howard Hoffman, Sug Robertson, Grace Pritchard, Roy G. Loveless, L. A. Harral, J. E. Loveless, O. O. Crow, K. L. Scudder, L. B. Wootton, P. M. Wheatley, E. M. Lott, K. C. Scott, J. H. Brewer, M. H. Lassiter, B. H. Guest, Chas. Walton, C. L. Heston, E. J. Kenney, C. L. Tanner, Arthur Haddock, W. T. Cherry, Bert McDonald, John Ecker, B. A. Hanna, Harvey Tunnell, Hugh Adair, J. A. Elliott, W. S. Bradshaw, Carl Meriwether and Roy Matthews.

It is estimated that nearly fifty per cent of the quota was subscribed.

"There were a number of people who we have not been able to contact," said Mr. Robertson, "and we would greatly appreciate it if those who wish to subscribe, would get in touch with me at the Chamber of Commerce office."

SECOND ANNUAL TURKEY DINNER ON TUESDAY

The second annual Turkey Dinner given by the Catholic Ladies will be served at the Club House Tuesday, November 25, from 5:00 p. m. to 8:00 p. m.

Dinner plates are 50c each and tickets may be secured from any of the ladies.

For a good old fashioned, home-cooked Turkey Dinner, plan to attend the dinner at the club house and help the Catholic Ladies. These women are without a doubt the best of cooks. All proceeds are to benefit the church.

Robert Bailey On Active Duty Now

OKLAHOMA CITY, Nov. 20.—"I joined the Marine Corps because I felt that it was the best branch of the service, and had the best men," was the comment made by 18 year old Robert F. Bailey, son of Mr. R. H. Bailey, 815 So. 6th St., Slaton, Texas, when the above picture was made on completion of his seven weeks of recruit training at the Marine Corps Base, San Diego, California. He is now eligible for assignment to duty with a regular unit of the Marine Corps, ashore or afloat, according to Captain T. E. Kendrick, district recruiting officer who enlisted Bailey on August 19th.

A former student, he was active in football, basketball, and tennis at Slaton High School. Private Bailey was accepted for enlistment at the Marine Corps recruiting station in Amarillo, Texas and while undergoing his recruit training he qualified as a marksman with the military rifle and pistol and as an expert with the bayonet.

MORE TERRACING IS AAA PROGRAM

A terracing program of 25,518 miles of standard terraces is the goal of Texas farmers under the 1942 AAA farm program, according to Fred Rennels, assistant administrative officer in charge of the Texas AAA.

The extensive terracing program will be made possible by the conservation services or purchase order plan of the AAA program, he explained. The cost of terracing, established at a basic fair price for farms in a county, may be deducted from future AAA payments.

In arriving at a basic fair price for each county, the AAA official said that written offers will be made to county AAA committees by persons equipped to construct terraces. The farms used as a basic guide for establishing the fair price will be farms selected

at random throughout the county and are not necessarily included in the 1942 terracing program.

Factors entering into fair and reasonable prices include the customary price normally paid in the county, the price at which farmers can obtain terracing service through other channels, and the value of terracing to farms in conserving and improving soil fertility.

In determining fair and reasonable prices to persons constructing terraces, Rennels pointed out that consideration should be given to cost of constructing terraces, kind of machinery and scope of area to be served, and a reasonable margin for construction work.

After establishing a basic fair price for a county, terracing will vary by farms, Rennels said in explaining that the cost could vary as much as 25 cents per 100 feet. Any increase over 25 cents per 100 feet would be sent to the state AAA committee for further consideration.

GOOD COWS, WELL FED PRODUCE AT LOW COST

A saving of eight cents per pound of butterfat was the difference between feed costs for high-producing cows and low-producing cows, records of the Texas Dairy Herd Improvement Association last year show. A cow producing 400 pounds of butterfat had a feed cost of only 17 cents per pound of fat, compared with 25 cents per pound of butterfat for a 100-pound producer; and the high-producing cow showed \$61 more income above feed cost than the low-producer.

"It is poor business to let a cow loaf along at half capacity," commented G. G. Gibson, Assistant Extension Dairyman. "Dairy animals should carry a capacity load like any other farm equipment."

Because general rises in prices have been accompanied by higher feed costs, dairymen may be tempted to hold back on concentrate feeding this fall and winter. To do so, however, means a costly loss of production at the period when milk and dairy products are most valuable. Adequate amounts of concentrates are essential, dairy leaders point out, to maintain production when grazing is reduced or not available.

Answering questions of dairymen concerned about feed costs, Professor R. H. Ruffner, head of animal husbandry department, North Carolina State College, recently commented that all feeds have advanced and cottonseed meal furnishes a unit of protein in the dairy ration at a lower price than most other feeds.

Professor Ruffner said that dairymen who have corn silage as roughage may well use a mixture made up of equal parts, by weight, of ground ear corn, wheat bran

HOW COTTON CROP INSURANCE WORKS

- The grower buys insurance before the crop is planted...
- 75% or 80% of an average yield can be guaranteed...
If a grower's 10-year average yield per acre is 200 pounds...
75% = 150 pounds
or
80% = 160 pounds of production can be protected against all unavoidable hazards.
- Total losses will be paid when they occur...
- Partial losses will be paid after picking.

and cottonseed meal. "At the present price," he declared, "those three feeds form the base of the most economical rations for dairy cows." Professor Ruffner also recommended as an economical ration the well-known "4-3-2-1" mixture of 400 pounds of ground ear corn, 300 pounds of wheat bran and 100 pounds of ground oats.

Increasing supplies of silage throughout the South have done much to aid dairymen in maintaining milk production when pastures are not available. It is a good practice to feed cows all of the silage they will eat, and it is usually best to feed silage after cows are milked.

As valuable as silage is in the dairy rations, it is not a complete feed, dairy authorities stress. Silages do not contain enough protein to meet the heavy requirements of producing cows for this essential nutrient, but these protein requirements may be met, easily, by feeding 1 1/2 pounds of cottonseed meal for each gallon of milk produced. In addition, cows should receive 2 pounds of grain for every pound of milk produced to supply their need for additional carbohydrates.

Mineral requirements of producing cows that are not supplied by silage, since corn or sorghum silages are low in calcium, may be met by adding 2 per cent ground

limestone to concentrate mixtures fed with silage, and keeping always available a mixture of equal parts salt and ground limestone.

SO YOU WON'T TALK ...EH?

THEN, I WILL. I'll tell you something nobody else in my house ever talks about.

Right in this house under my mom and pop's fingertips is the

biggest bargain in town—but do you suppose they ever mention it? I hear 'em rave about the swell bargain they got in a dress or a suit or something, but gee whiz, they never say anything about electricity.

Listen, do you know that electric rates for houses are about half what they were when my sister (she's thirteen) was my age? You bet your boots. We're getting twice as much for our money when we press a button now as we did then; and that's the best bargain in the house.

Of course, the bill hasn't come down because I hear mom and pop say when sister was my age they didn't have so many nice electric things. So we are using more electricity. But twice as much electricity for the same money is still our best bargain and I want somebody to TALK about it.

Our Weekly Sermon—
 Confessing relationship to Christ is a privilege truly great and wonderful. For we confess friendship with a most glorious personality—the Son of God, the Saviour of the world, the Lord of heaven the King of glory. Most people prize friendship with the great and the good. But when we confess friendship with Jesus Christ we are confessing the greatest friend that ever lived; we confess union with the family of God and the aristocracy of holiness.

But not only is it a privilege but also the duty of every Christian to confess Christ to others. It is not something we may choose to do or not do. It is the plain command of Christ Himself: "Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven" (Matt. 10:32). "Whosoever shall confess me before men, him shall the Son of Man also confess before the angels of God" (Luke 12:8). "If a man love me, he will keep my words" (John 14:23). Not to confess Christ is to directly disobey one of the specific commands laid down by Christ himself.

Failure to confess Christ means indifference to the world's great need. Men cannot learn of the Great Physician except those who have been healed tell the story. Christ is able to meet the need of every human heart, but how will the needy know of the One who can help unless the Christian testifies as to what Christ has done for him?

Suppose I go into the hardware business, and you see a sign, "Stew Hardware Company." But not long after I fall and go into bankruptcy. After several weeks there is a reorganization and up goes a new sign, "Martin & Stewart Hardware Company." People who pass by will say "Well, Stewart got hold of Martin and he pulled him out of the hole. I hope he gets along better than he did by himself." Years go by and the business succeeds. The natural thought is that it was Martin's capital and Martin's business ability that helped me, for I had already failed. In like manner, when I confess Jesus Christ as my Saviour and my Lord, I confess my own inability, and I confess the

greatness of Christ. Thus I am recommending Him not only as my Saviour, but One who is willing to save all who come unto Him.

CITATION BY PUBLICATION.
 THE STATE OF TEXAS
 TO: Hal W. McSpadden, Defendant, Greeting:

You are hereby commanded to appear before the Honorable 99th District Court Lubbock of Lubbock County at the Court House thereof, in Lubbock, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 8th day of December, A. D. 1941, then and there to answer Plaintiff's Petition filed in said Court, on the 22nd day of Oct. A. D. 1941, in this cause, numbered 9719 on the docket of said court and styled VENA McSPADDEN, Plaintiff, vs. HAL W. McSPADDEN, Defendant.
 A brief statement of the nature

of this suit is as follows, to wit: Plaintiff and defendant were married at Dickens, October 17, 1934, and separated about June 10, 1940. Defendant was guilty of cruel treatment toward the plaintiff in that he struck her on many occasions, abused her and made serious threats, all in law amounting to cruel treatment, rendering their further living together insupportable. No children were born unto said marriage and there is no community property.

Plaintiff prays for a divorce with such additional relief as she may show herself entitled to, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

JUST TALK
by
A.M.J.

At this time of the year our attention is graphically called to the valorous old Pilgrim fathers and we shiver with fright as we think of them jumping around in the woods with Indian arrows sticking out of them like pins in grandma's pin cushion . . . but they were not living in such a bad age after all. The automobile drivers were not trying to pick them off every time they crossed the street, they did not have to listen to news broadcasts every five minutes, there were no bath tubs to fall in and they did not have to eat turkey but once a year.

Now look at us, we have to take aspirin, listen to the neighbors' radio half the night, go to banquets and conventions, take orders from the women, hide in a cellar on the first of the month, pay installments on the refrigerator, gas range, automobile, the rug, the radio and the baby. We have to ride five hundred miles to go fishing and then find our fishing place so crowded that there is not standing room on the bank, and from Thanksgiving on we eat turkey in every restaurant, diner and tea room in America until the sound of a turkey gobble calls for an indigestion pill. I've got it in for those old Pilgrims.

Professor Kavanaugh has one to tell on a Tiger football player that fits into the groove of the traditional football story. One of the stars of the Tiger team was on the carpet last week for poor grades and he told his teacher that he considered her one of the smartest teachers in the school but he did not think that she was smart enough to buck nature. He said he was just plain dumb and there is nothing that can be done about it.

Something should be done about the traffic on our streets. The erratic driving of the transient Mexicans and negroes is bad, very bad, we have had several serious accidents from this cause but they are not the only ones who are at fault and unless

some better regulations are worked out we are going to have more and more accidents. One of the worst habits seems to be parking out in the middle of the street. This custom seems to be worse in front of the Post Office and on busy days makes the hazards worse than on the battle fronts around Moscow.

The women are particularly given to double parking.

Not only does this make it very inconvenient for those who have parked correctly, but it also gets most men into a dangerous state of mind. They are apt to go berserk when they do get out of the jam and drive their own car into a brick wall or over any convenient pedestrian.

We have had a number of most regrettable accidents within the past few months, the danger is greater now.

It has always been my opinion that a newspaper man has the most nerve straining work in the world, but after talking to G. A. Taylor I am not so sure.

George says that he and his wife have been so busy paying off cotton pickers, hauling cotton, milking cows and counting their profits that they eat just one regular meal a day. That meal is breakfast, for the other two they just pick up something out of the refrigerator and eat on the run. It must be that farming is not as easy as it looks.

However, G. A. has every earmark of a man who has missed very few meals, while all of the newspaper men I have ever known were scrawny, dispeptic folks who were always in a hurry going nowhere. It must be that farming is a good business after all.

The boys in the army are getting moved around fast these days. One father tells of a trip down to Brownwood to see his son who had been on night duty for many months. The son, when showing the father around said he could find his way around at night without difficulty, but in the day time everything seemed different.

There are a lot of young folks getting married these days and from the accounts you read about the marriages certainly do prove that the groom is less than a secondary consideration.

Full details are always given of what the bride wore, how the house or church, was decorated, who the bridesmaids were and what they wore and then in one line the name of the groom is given with the explanation that he is the son of Mr. and Mrs. Whosit.

And just take one look at the wedding gifts. Silk underwear, egg beaters, silverware, costume jewelry and ash cans. Not only are these articles useless as far as the groom is concerned, but he usually has to borrow money to have them stored away, for if he is like most young men, it took his last few dollars to pay for the marriage license and pay for the honeymoon.

It's a woman's world, and there is no doubt about it.

Have you heard the program now on the air where the children from England who have been sent over to this country, talk to their parents back home? One little fellow amused me last week when talking to his mother. "Have you put any more grasshoppers in the cooks soup?" asked the mother. "No," said the youngster.

"and I have not shot any arrows through the car door, either," replied little Johnny Bull.

"Give our love to Aunt Emma," said the mother. "I will," he replied, "and give my love to the dogs."

It has always been a mystery to me why barbers are nearly always bald or almost bald and why they always want to give their customers high-powered sales talks on the value of hair tonic.

"Are you not ashamed to sell hair tonic to the folks who come in here when all your barbers are practically bald," I asked L. B. Wooton. "No," he replied, "we never try to sell it. If a man asks for it we just give it to him, but we are ashamed to try to push it."

Ever so often my wife points an accusing finger at me and gives me the works on how untidy we keep The Slatonite Office, whereupon I mumble a few mumbles in the place my beard would be if I had a beard, and do my best to keep things cleaned up a little better; however, I have come to the conclusion that we are not a great deal worse at our office than a great many other business institutions are; in fact most homes are pretty well cluttered up only most of them keep their litter hidden away in closets, garages and other secret places.

If you have ever had occasion to go into the storage places in the rear of the snootiest mercantile places you will find them cluttered up with every imaginable kind of discarded fixtures, damaged goods, window decorations and odds and ends. In most homes you will find closets and garages filled with dust covered lawn chairs, worn out rugs, mattresses and broken legged chairs. It would be a great treat to me to be able to go through some of the homes where the spick and span housekeepers run around behind you with a dust pan, and take a peek into their secret hiding places.

It's my opinion that the women are no better at keeping things in order than the men are, they just hide their trash and make dirty cracks at the honest folks who just let it lie out in front where it can be seen.

Make-up Quickies

WITH the onrush of fall activities, committee meetings, club duties, and now, extensive war work, women find it difficult to take much time out to bother about keeping themselves pretty.

But if you want to remain attractive while dashing here and there, Celia Sharp, in the October Good Housekeeping magazine has some suggestions for make-up quickies. If you're in a rush, says Miss Sharp, and need a facial but have no time for it, the speedy minute mask is your solution. Clean your skin with cold cream; apply vanishing cream thickly, leave it on one minute; wipe it off, and your face looks and feels refreshed.

If you change purses often, have your alternates ready and filled. Keep bus fare, a compact, lipstick and a neatly folded tissue in every one. Then you're always prepared, because you promptly replace each item as it is used. Experience has probably taught you that on motor trips and long shopping expeditions your face often gets oily and murky looking. Therefore why not always carry a small bottle of skin freshener and some cotton to mop up frequently?

She was escorted by Billie Jean Adams.

A Junior, Miss Tommie Jean Bartlett, daughter of Mr. and Mrs. Thurman Bartlett, was crowned queen of the Carnival. Her escort was Lee Troy Lester.

Play books for the Junior play, "Bobbie-in-Between" have been issued. The play will be presented in the near future.

A BUSY SATURDAY AFTERNOON IN SLATON IN THE GOOD OLD DAYS

Here is a scene of the North Side of the Square, taken in 1922 on a busy Saturday afternoon. Many optimistic prophets say that this fall will be a better one than our banner years of the past and that once again Slaton will be the best town on the South Plains.

Junior High Notes

MISS POOL'S 7TH GRADE.

The room has joined the Junior Red Cross this week and all the students are sporting the button for that organization.

Phyllis Tefertiller is the only one in the room on the spelling honor roll; she made 100 on her words each week, this six weeks.

Some of the students have been absent because of illness and other reasons, but all are back now.

BIG CITIZENSHIP CLUB.

The Big Citizenship Club of Junior High had its regular meeting Tuesday.

The officers for this month are: Grady Burnett, president; Wilma DeBusk, vice president; Martha Ann Gunter, secretary.

It was reported that taking care of shrubbery, co-operation with mayors, writing on sidewalks with chalk, cheating, carving on desks, and taking care of our basement need to be improved.

MISS WATKINS' 7TH GRADE.

The seventh grade sponsored by Miss Watkins, is in the midst of a clean hands campaign. The ones who keep their hands clean for four weeks will be given a prize. Those on the honor roll for last week were Doris Jane Roberts, Frances Loring, Elizabeth Sims, Junior Huskey and Bertie Lee Dominguez.

Mrs. P. M. Wheatley is to be room mother for December.

MRS. JOHN'S ROOM.

The room mothers, Mrs. W. H. Edwards and Mrs. M. L. Abernathy, entertained the class with a Thanksgiving party in the home of Mrs. Edwards, Monday night. Games were played and an amateur hour was enjoyed.

A plate consisting of sandwiches, cinnamon apples, cookies and cocoa, was served.

Students are preparing a Thanksgiving program for chapel next week. The honor student for the week is Bobbie Joyce Hancock.

GIRLS' HOMEMAKING CLASS.

The Girls' Homemaking Club of Junior High entertained the "Cubs" last Friday. The football boys were greeted by Pep songs, sung by the girls. These were followed by speeches from Mr. Harvey, Mr. Jenkins and the former coach, Mr. Bevington Reed. Billie Ann Mosley read a poem, "Our Team," written by the club sponsor.

The decorations carried out the football colors, red and black. The tables were decorated with red chrysanthemums. Refreshments were served to eighteen football boys, three other guests, and the girls. Plate favors were little hand-made footballs.

The officers for the Homemaking Club are: Cleo Joyce Keese, president; Floyd May Hill, vice president; Ellie Faye Wheatley, secretary; Mrs. J. G. Wilhite, sponsor.

MRS. MARABLE HONORED ON 88TH BIRTHDAY

A group of friends of Mrs. Cornelia Marable met at the clubhouse Saturday, November 15, to celebrate her 88th birthday. Each guest brought a covered dish, furnishing a dinner for eighteen. Mrs. Clifford Simmons baked the traditional cake, with all the trimmings, and Mrs. Marable said, "I had wondered if I would have a cake this year, for I'm much too old for it. And then I thought, 'Perhaps a cake, but, Oh! no pink candles for people to count when they are lighted.' Then I saw later, 'Well, perhaps a few small candles would make the affair brighter.' And yet, when I stood up to light a candle flame for each year I have lived, I laughed, and how my spirit sang in me! I was most proud (although my hands shook a little), as I held up the cake for all to see. Years I have worked in, played in, and been sad; years I have loved in, lived in, and been glad!"

Club Has Dinner On Wednesday

The members of the Wednesday Study Club entertained their husbands with a semi-formal dinner party at the club house Wednesday evening, November 19.

The Thanksgiving motif was carried out in the decorations. Centering the table was a large pumpkin, surrounded with fruits and vegetables. Placecards were nut cups with the names of the guests attached. Ivy and fall leaves ran the length of the table and orange candles created the lighting effect.

Following the dinner a group singing was led by Rev. J. Paul Stevens, accompanied by Mrs. Allen Ferrell. Rev. Stevens reviewed, "From Cavewoman to Clubwoman," by Rose Brown.

Approximately 40 members and guests were present.

SANDERS - ABINGTON WEDDING SOLEMNIZED IN SLATON

The marriage of Miss Virginia Sanders of Wichita Falls and Sergeant Edward Gordon Abington of Fort Worth took place Friday evening, November 7, at 6 o'clock, in the home of the bride's parents, Mr. and Mrs. Horace G. Sanders, 500 West Garza Street, Slaton.

Only a few friends and relatives attended the ceremony, which was read by Rev. H. C. Gordon, pastor of the First Methodist Church, Slaton.

Ivy, fern and other greenery covered the fireplace and mantle, which formed a background for a fan shaped bouquet of gold chrysanthemums. Tall baskets on either side of the mantle held orchid chrysanthemums. White tapers in graduated floor candelabra gave the light for the ceremony.

Proceeding the impressive double ring service, Miss Myrtle Teague of Slaton played, "Because," followed by the traditional wedding march. She played "Liebestraum" during the ceremony.

The bride, who was given in marriage by her father, wore a model suit of palamino beige and with it brown accessories. Her corsage was of gardenias. She carried a Belgian lace handkerchief given to her by her sister, Mrs. George S. Lemon. For something old, she wore the signet ring that the groom's mother gave her husband on their wedding day.

Miss Cherrille Lemon of Lubbock, the bride's niece, was junior bridesmaid. She wore a brown suit and a corsage of American Beauty rosebuds.

Mrs. Neal Hallmark of Oklahoma City was matron of honor, and wore a frock of Temple gold, with brown accessories. Her corsage was of American Beauty roses.

Bill Abington of Fort Worth brother of the bridegroom, was best man.

The bride graduated from Slaton High School. In 1937, she graduated from Texas State College for women at Denton, where for three years she was student assistant to the dean of women. She was a member of the Chaparral Club, and president of the Sociology Club in her senior year. She was listed in "Who's Who" in American Colleges in her senior year for her work in sociology. In 1938 she did graduate work in Tulane University in New Orleans.

Mr. Abington was graduated from Childress High School and attended Texas Technological College. He has just returned from a three months training course in a military school in Aberdeen, Maryland.

Following the ceremony, a reception was held. The dining table was covered with a light cloth and decorated with old fashioned bouquets of sweetheart roses. Satin streamers led from the bouquets to the three-tiered wedding cake, which was topped with a white bell. Candles burned in candelabra at either end of the table.

Out-of-town guests were Mrs. Harry Miller, Mrs. Dean Merritt and son of Clovis; Mr. and Mrs. David Rogers of Hereford; Mrs. Bill McDavid of Waco; Mrs. Neal Hallmark and Mrs. Ray Darwin of Oklahoma City; Mr. Bill Abington of Fort Worth; Mr. Jessie Q. Seal, Mr. and Mrs. Geo. S. Lemon and children, Mr. and Mrs. Zan Burroughs of Lubbock; and Mrs. Lawrence Evans of Midland.

Two Pre-Nuptial Showers Given. The home of Mrs. J. H. Teague, Jr., 430 W. Lubbock, was the scene of a coffee and miscellaneous shower November 6, from 9:30 a. m. to 11:30 a. m., honoring Miss Virginia Sanders, bride-elect of Edward Abington.

Hostesses were Mesdames J. H. Teague, Jr., Lee Green, S. H. Adams, J. E. Eckert, Ben Mansker, C. L. Pack, R. H. Todd, R. A. Baldwin, J. A. Klansner, O. D. McClintock, J. H. Brewer, and J. A. Elliott.

A linen shower and bridge party honoring the bride-to-be was given in the home of Miss Joan Drewry Thursday evening at 8 o'clock.

Hostesses for this occasion were: Mesdames L. M. Ares, Harmon Thompson, Warren Henry, of Slaton, and Ray Darwin and Neal Hallmark of Oklahoma City, Misses Myrtle Teague and Drewry.

Five tables of bridge were entertained, and Mrs. George Lemon of Lubbock received high score and

Annual Banquet Honors Husbands

The Bluebonnet Club entertained members and husbands with their annual Thanksgiving banquet Monday evening, November 24, at the Clubhouse.

The Thanksgiving theme was carried out in the decorations and place cards and arrangements of fall flowers centered the tables.

After dinner the guests played games of "42".

Members and husbands attending were Messrs. and Mesdames J. D. Barry, J. P. Brooks, A. L. Clifton, C. C. Cramer, H. S. Crews, Wallace King, R. C. Sanner, C. F. Stanford, C. C. Wicker, J. H. Teague, Jr., Fred Tudor, E. R. Legg, J. D. Holt, H. V. Jarman, L. T. Garland, H. H. Edmondson and George Culwell. Guests were Mr. F. A. Drewry and Miss Jean Drewry.

MRS. HOLT HOSTESS. Mrs. J. D. Holt was hostess to the Bluebonnet club Wednesday, November 12, for a regular meeting.

Mrs. Fred Tudor presided at the business meeting, in the absence of the president. Plans were completed for the annual banquet held Monday night. Bingo was played during the social hour.

Refreshments were served to 14 members and the hostess.

The next meeting will be November 26 with Mrs. W. P. Shelton, 105 South 3rd.

NICHOLSON—BERKEY NUPTIALS IN TOPEKA

Miss Mary Jane Nicholson, daughter of Mr. and Mrs. James Morton Nicholson, was wed to Mr. Donald Deane Berkey Saturday, November 15, at the Westminster Presbyterian Church in Topeka with Reverend L. E. Schwarz, pastor, officiating.

Wedding music was furnished by Miss Kathryn Sentz, organist, and Miss LaVern Offen, soprano. Miss Virginia Nicholson of Chicago, sister of the bride, was maid of honor and Miss Jane Baird was bridesmaid. Mr. Charles Dean attended the groom as best man, and Mr. Keller Cordon, of Manhattan, Mr. Wyatt Kirk and Mr. Lyle Harmon were ushers.

The bride is a graduate of the American Conservatory of Music in Chicago, and a member of Sigma Alpha Iota, professional music sorority. She has been employed in the offices of the Santa Fe. Mr. Berkey, son of Mr. and Mrs. Charles Berkey, of Rossville, Kansas, is a graduate of Kansas State sorority. She has been employed Santa Fe.

After a short wedding trip the couple will be at home at 815 Western, in Topeka.

Among the out of town guests were Mr. George Marriott of Slaton, Mr. and Mrs. J. E. McQuillen, of Galveston; Mr. and Mrs. William Berhke, of Clinton, Ia.; and Mr. and Mrs. Henry C. Snyder, of Sioux Falls, S. D.

W. S. C. S. ENTERTAINED MONDAY AFTERNOON

The Women's Society of Christian Service met in the home of Mrs. W. H. Smith and Mrs. K. C. Scott, Monday afternoon.

Mrs. S. H. Adams had charge of the business meeting, followed by a song by the group, "From Iceland's Crassy Mountains." Mrs. J. D. Holt gave the opening prayer.

Mrs. W. H. Proctor had the devotional, with the studies given by Mesdames J. H. Brewer and R. H. Todd. Mrs. L. A. Harral sang "Hold Thou My Hand," accompanied by Mrs. Allen Ferrell. Mrs. H. C. Gordon gave the benediction.

Refreshments were served by the hostesses.

The Society will meet in the home of Mrs. J. H. Brewer next Monday and this is to be a business meeting and election of officers. Harvest Day will be observed. Everyone is urged to attend this meeting and to have pledges in by this date.

Mrs. J. S. Edwards, Jr., of San Angelo, high cut.

HOMEMAKERS CLASS HAS TACKY PARTY

The Homemakers Class of the First Baptist Church, had their regular business and social meeting Thursday, November 13th, at the home of Mr. I. C. Tucker with Mrs. Fred Stottlemire as assistant hostess. The class president presided. Mrs. C. E. Jarman gave the devotional, from the 27th Psalm.

Entertainment for the occasion was a tacky party, in which Mrs. R. F. Teague won first prize. Mrs. J. R. Robertson won second. Guests were Mesdames C. V. Young and Don Tilson of Plainview and Mrs. J. C. Schuette. Members present were Mesdames E. E. Culver, J. B. Butler, Vern Johnson, Sr., N. L. Tate, J. F. Ewing, J. C. Nix, L. S. Jeffcoat, B. A. Hanna, Geo. A. Payne, J. M. Stevens, J. M. Smith, B. G. Norman, W. P. Florence, W. F. Ferguson, Guy Brown, A. P. Wilson, J. W. Scott and E. M. Lott.

CORRECTION OF AN ERROR.

In last week's "Greater Slaton Edition", under the West Ward Junior High P. T. A., it was listed that Mrs. Carl Greer, Mrs. R. H. Todd and Mrs. W. R. Lovett were presidents following Mrs. J. R. McAtee, who served from 1922-'23. Due to the fact that Mrs. Lovett taught in the Slaton school from 1923-'25 and that the Lovett children were in school then, Mrs. Lovett was president of the P. T. A. quite some time before Mrs. Todd served.

HARLEY SADLER

SLATON WELCOMES THE EVER POPULAR HARLEY SADLER AND COMPANY

Harley Sadler and his popular stage show, will be in Slaton Monday, Nov. 24th. Their appearance will be for one night only. They are showing under the auspices of the Fire Department. For something like twenty-five years this popular stage show has been playing this section and they are always welcomed by everyone because they present clean, wholesome family entertainment, and at popular prices.

Harley announces that everything will be new for this engagement, new plays, new vaudeville, and outstanding musical presentations. "Wake Up America" is the title of our latest musical presentation and is said to be the most elaborate and pretentious ever presented by the Sadler Company. It has a patriotic motive and goes in for the George M. Cohan flag waving, but as Mr. Sadler states, "This is something that is appreciated by all during these times."

The doors are open at 7:15 p. m. The musical presentations will begin promptly at 8:10 p. m. The play and other vaudeville will follow.

Get a bottle today—take a teaspoonful, let it lie on your tongue for a moment, then swallow slowly—feel its powerful effective action spread thru throat, head and bronchial tubes. Coughing spasms ceases for right away it starts to loosen up thick choking phlegm and open up clogged bronchial tubes. Now you'll know why over 10 million bottles of Buckley's have been sold in cold, wintry Canada. Teague Drug Store, your own druggist, has this great Canadian discovery.

Treat Hamburgers To Lavish Flavoring

Practically everyone likes hamburgers, but dressed up, treated to a imaginative twist, they can be made even more appetizing. If hamburgers mean only meat cakes to you, here are some recipes, prepared by Charlotte Scripture and appearing in the October Good Housekeeping magazine, that will prove an eye opener to you. They are lavish with flavor, but easy to prepare.

HAMBURGERS DIABLO

Checked in Good Housekeeping Kitchen. Use standard measuring cups and spoons. Measure level.

- 1 1/2 lbs. ground round or chuck beef
- 1 c. evaporated milk
- 3 tbsp. minced onion
- 1 clove garlic, minced
- 2 tbsp. minced parsley
- 2 tsp. salt
- 1/4 tsp. pepper
- 6 thin tomato slices
- 6 thin slices American cheese

Blend together first 7 ingredients; shape into 6 patties, and place in shallow baking pan. Bake in moderately hot oven of 400° F. for 30 min. Lay a slice of tomato, then a slice of cheese on top of each patty, and continue baking for 10 min. longer. Serves 4 to 6.

QUICK-SEARED HAMBURGERS

Checked in Good Housekeeping Kitchen. Use standard measuring cups and spoons. Measure level.

- 1 tsp. butter or margarine
- 1 tsp. salad oil
- 1 1/2 lbs. ground chuck or round beef
- 2 tbsp. softened butter or margarine
- Salt
- Pepper

Combine butter and oil in large skillet, and heat slowly until fat begins to smoke. Shape beef into 6 patties about 1/2" thick. Quickly brown 3 or 4 patties at a time on 1 side; turn, and brown other side. (This takes about 2 to 2 1/2 min. on each side.) Remove to hot platter; spread surface of each with 1 tsp. of the softened butter, and sprinkle with salt and pepper. Serves 4 to 6.

WISE TO ACQUAINT YOURSELF WITH BUSINESS TACTICS

Every year large firms all over the country are increasing their number of employees. Young people with good business background have little difficulty in securing one of these openings. During the present crisis, it is advisable for any business minded young American, upon graduation from high school to study business training. Now is a good time to establish oneself in a professional way, when so many jobs are available in a large selection of departments.

Young men and women with only a year or two of training are capable of holding down office positions in the present day, due to expert stenographical teaching at up-to-date business colleges.

Draughon's Business College at Lubbock is one of the most complete business and stenographical institutions on the South Plains.

Hundreds of graduates from high schools surrounding Lubbock attend Draughon's every year. Write or phone Draughon's for complete

DON'T BE LET DOWN AT THE LAST MINUTE

When you wake up Saturday morning, or any morning, excited over the prospect of seeing the big game your Alma Mater is playing in the next city, or in your own town, you go around with that self-satisfied look that tells everyone that you're getting back that old spirit that makes your spine tingle, when you see all your fraternity brothers once more. You rush around getting ready in time to see the special train come in before the game and finally get the whole family in the car. Then that time-worn tale is revealed once more, when the motor won't turn over. Is it sluggish parts? You remember that funny noise in the engine you heard the other day, but you thought perhaps it wouldn't break down before pay day and then dismissed it from your mind.

Now is the time to overhaul your automobile for better service, whether you plan to attend the big game, drive to the next town for Sunday dinner, or just motor about the streets in your home town. 'Tis better to be wise and have all body and motor parts tested and

ROBBING THE NEST

Eastern Star Has Fine Group

(By Mrs. Mabel Greer)

Slaton Chapter No. 585 was organized in Slaton on July 6, 1915, with only 20 charter members. Mrs. Louis (Eva) Smith is the only one of the charter members who still lives here and has her membership in the Slaton Chapter. The first officers were:

Worthy Matron, Janett Lee
Worthy Patron, E. S. DeLoach
Associate Matron, Ada Smith
Secretary, A. E. Howerton
Treasurer, W. M. Hanley
Conductress, Lula Butler
Associate Conductress, Eva Smith
Adah, Nannie Madden
Ruth, Minnie Hanley
Esther, Florence Worley
Martha, Edna Luther
Electa, Elizabeth Kuykendall
Chaplain, Margaret Turner
Warder, A. E. Kuykendall
Sentinel, Joe Smith.

For several years the Chapter met in a small room over what is now Higginbotham-Bartlett Lumber Co. We soon outgrew these quarters and all were thrilled when the Masons erected a nice brick building. Later this building was sold to Teague Drug Company and the present Masonic building was purchased from Ed Shoppell. This building was re-modeled and redecorated and now we are enjoying a beautiful spacious, carpeted lodge room.

We have met each second and fourth Tuesday evenings since being organized. We have increased in number from a mere handful to near the hundred mark.

The lessons in our order are Scriptural, our teachings are moral, and our purposes are beneficent. We visit the sick, help the needy, and comfort the sorrowing. Each year we have a program honoring our founder, Robert Morris. We serve a banquet to the Masons each year near Thanksgiving. We have an annual Friendship Night, having as our guests all the Chapters in this section. We enjoy the fellowship of our neighboring Chapters at intervals all during the year.

Those who have served as Matrons and Patrons of this Chapter are: Janett Lee, Ada Smith, Lula

eye.

Much credit is also due Commissioner Mansker for his untiring service to the people of this precinct.

County Club House Serves All Slaton

(By Mrs. Carl Lewis)

Probably the most widely used and certainly the most enjoyed building in Slaton is the Clubhouse. Its beautiful and spacious grounds are used for children's parties, adult picnics and gatherings of every description. It is a pleasure just to drive by and look at the well kept lawns, the neatly trimmed shrubs, the fine shade trees and the bright colored flowers.

Away back when Slaton had its beginning, the Santa Fe Railway System donated a nice nine-acre plot of grounds out on Garza St. for a city park.

Then, in 1925, along came Mr. H. D. Talley, then Commissioner of Precinct 2, and others, with a vision of what the park might be made to mean to Slaton and surrounding territory.

Under Mr. Talley's promotion, a \$15,000 brick building was erected in the center of the park, maintenance of which was then taken over by the County. Mr. C. V. Head was the architect for this fine building and Mr. M. O. Napps, the contractor. The cornerstone was laid in 1925. For many years the people of Slaton territory have enjoyed this park, but it has never been so beautiful as at the present time.

In 1940, under Mr. Ben Mansker's commissionership, an addition was made to the auditorium, costing something over \$2,000. Now 200 persons can be comfortably seated at banquet tables in this spacious hall. Also \$1,000 has been spent in improvements on the grounds.

Approximately 200,000 visitors enjoy the clubhouse and park each year, according to Mr. H. E. Cavenar. Clubs and civic organizations of all sorts hold their meetings and programs, parties and banquets in the clubhouse and picnics, etc., in the park. The park has playground equipment and nice picnic benches.

The auditorium of the clubhouse is decorated in ivory and brown, with draperies of monk's cloth, chairs upholstered in brown leather, a good piano, two large gas heaters, and beautiful lighting fixtures.

tures. This makes an ideal setting for almost any kind of entertainment or business meeting.

In the left wing of the building are a comfortably furnished ladies' lounge, storage room for extra tables and chairs, and the caretaker's office.

In the right wing are the kitchen, serving room and the County Library. A history of the library will be found elsewhere in this issue.

The kitchen is equipped with a gas range, sink, cook table and pantry. The service room contains long tables, a 48-cup dripolator, a steam table, ample cupboard space and a large tea room. The steam table was a splendid addition, as it solved the problem of keeping large quantities of food hot until time for serving. The tea wagon was built and donated by Rev. Paul Stevens of the Presbyterian Church, and saves many steps for the ladies serving dinners and banquets.

Mr. and Mrs. Cavenar are to be highly commended for the splendid way in which they care for the clubhouse and grounds. They are tireless in their efforts to keep the inside clean and in order and the outside neat and pleasing to the

Junior Play Is In The Making

This year's Junior class has chosen for the annual Junior play, "Grandpa's Twin Sister". The date for the play has been set as December 5.

The play is a rip-roaring comedy about an old man who has retired with his wealth and patent medicines. His niece and nephew, the flirty little widow, and the poor young lawyer are trying to acquire his money, each in his or her own way. His granddaughter and the young doctor are trying to get him to give up his patent medicines and put himself under the doctor's care. The cook is centering her attention on a mail order husband.

Of course, it wouldn't be a play if there weren't a few romantic love scenes thrown in. This play is just full of them. Come and get acquainted with Grandpa's twin sister, and find out what happens to his money—the root of all evil.

The play is sure to be a success with the splendid cast it has. Samuel Phillips has the main part, as Grandpa. His pretty, mischievous granddaughter, Betty, is played by Gerry McMillin. Louise, Grandpa's sophisticated niece, is played by Lori Ann Young. Bobby Williams plays the part of the handsome young doctor. Barbara Bates, as Clara, is really good at making a henpecked husband out of poor little Austin Yeats. The lawyer, Collins, is played by John L. Gordon. You'll laugh till you cry at Nelda Ward, as she enacts the part of the Widow Williams. Next, that red-headed Irish cook, Maggie, played by Doris Clifton. Last, but not least, the stinky Scotchman, who happens to be Wallace Cooper.

That's the lowdown on the Junior play—the one that's going to be the best, due to the efforts of Mrs. E. H. Ward and all the Juniors. So remember, December 5, and be sure to be in the auditorium.

Students Join Red Cross 100%

The Red Cross drive went over with a huge success, as every student enrolled in high school is a member of the American Junior Red Cross, which is an achievement to be proud of.

All students that did not receive a button or membership card will receive both if they will ask their sponsor for them.

The drive is being carried on in the entire city, but we challenge any other organization to equal our enrollment.

NEW POWER WASHING MACHINE INSTALLED

Van Stokes has his chest all stuck out and is as proud of a new power car washing machine that he has just installed at his One-Stop Automobile Service Station, as if he had just been informed that he was the father of a ten pound boy.

"We are now equipped to give, not only much quicker service on washing cars, but the new machine enables us to do far better work than can be done by hand. This new equipment is also suitable for cleaning the motors of automobiles."

"We are better equipped than we have ever been to give complete service to all makes of automobiles, our mechanical department is in charge of a factory trained man who has had many years experience in service departments of large cities; we have prompt, efficient gasoline, oil and tire service; our line of Lee tires is complete; we service and sell Willard Batteries, Southwind and Chrysler Heaters and our expert mechanical service includes hydraulic brake adjusting, electrical work and general repair work."

"With the new car market in the shape it is in, we are now in position to help make the cars now in use, give longer service."

SMALL FRY TO CLASH WITH GALLOPING IRISH

The "Small Fry" of West Ward school have challenged the "Galloping Irishmen" of East Ward to a football battle, which is to be played on Wednesday, November 26, at 3:00 p. m., on the West Ward schoolground. No admission is to be charged for this game and all parents and friends are invited.

RETIRED EMPLOYEE OF SANTA FE DIES

Word was received here through Uncle George Marriott of the death last Friday of J. E. Shofner

COTTON TO BE USED FOR INSULATION

There is a new, almost untouched market for cotton that will use around 750,000 bales a year if only 10 per cent of the potential market is captured.

The field is that of insulation. Use of cotton for this purpose is apparently past the experimental stage.

Most cotton insulation to date has been used in home construction. Tests, however, show that the lightness and cohesiveness of cotton insulation make it a natural, where settling by vibration is a factor.

For this reason manufacturers are turning to cotton insulation in refrigerator cars and trucks and in household refrigeration. The product is now being tested for use in marine and airplane construction.

In the Santa Fe Hospital in Wellington, Kansas. He was a well known Santa Fe employee for many years and had a wide acquaintance in Slaton.

struction.

Cotton insulation material is impregnated with a fire resistant agent and houses insulated against cold, heat, and sound with cotton treated in this manner are actually more fire-proof than non-insulated structures.

These comments come from H. H. Williamson, director of the Texas A. and M. College Extension Service. He pointed out that interest in the use of cotton as insulation had been stimulated by the U. S. Department of Agriculture's search for new uses for cotton.

The Department recently announced that its Surplus Marketing Administration would provide payments of nine cents per pound to holders of approved applications who manufacture and sell insulation made of cotton, cotton card stripes, and cotton comber waste. This payment takes the place of industry's "introductory offer." The 1941-1942 payments are limited to the equivalent of 27,600 bales of cotton.
