Boxing Finals To Be Monday Night

Coach "Stumpy" Hamilton will wind up his annual amateur Boxing Monday night, February 22, at the High School Gym, after 10 sports fans some of the best seen to date the past week's Tuesday nights.

Each of the "Paper" through all weight divisions up to heavies, gave the crowds everything from country haymakers to scientific boxers.

Several boys showed class, ability and showmanship, as well as prospects of becoming top notch boxers.

There will be 12 fights Monday night, the starting time is 8:30.

Here are the boys who will fight Monday night: 85 lbs., Lawrence Mauch of Lubbock and D. C. Brannon of Post; 100 lbs., George Bragg, Jr., of Lubbock and John Bingham of Tahoka; 112 lbs., Billy Bartley of Slaton and Borger of Lubbock; 118 lbs., Harley Mansker of Slaton and Lavern Roach of Plainview; 126 lbs., Curtis Lebow of Abernathy and Alton Edwards of Slaton; 136 lbs., Buford Bradshaw of Littlefield and G. W. White of Tahoka; 147 lbs., Dale Odum of Lubbock and Raymond Reed of Hale Center; 158 lbs., Melvin Hargroves of Seminole and Vernon Shaffner of Tahoka; 175 lbs., Frank Novac of Lubbock and Elwood Wright of Lubbock; and Heavyweight, J. P. Bussell of Lubbock and Joy Glenn Ward of Floydada.

Coach "Stumpy" Hamilton will wind up his annual amateur Boxing Monday night, February 22, at the High School Gym, after 10 sports fans some of the best seen to date the past week's Tuesday nights.

MEASLES AND MUMPS RAGING

Cooperative Stamp Sales Plan And Employees Allotment Plan Accepted By Most Slaton Firms

Reports from a committee of women composed of Mrs. Tess Bruner, Mrs. H. R. McKee, Mrs. Dick Ragsdale and Mrs. R. D. Hickman, on the work of securing the cooperation of the merchants and business men of Slaton in the Employees Allotment Plan for purchasing Bonds and Stamps, has been most gratifying, says Briggs Robertson, who is directing the work in Slaton.

Every firm and individual contacted has promised to help with the plan and a large number of the firms have War Savings Stamps for sale and will endeavor to get customers to accept stamps in place of small change.

The employees Allotment Plan has proven very successful in many cities all over the nation and is proving a great help to many communities in making their sales quotas in Bond sales.

\$240,000.00 is the quota set for Slaton and this community and if Slaton is to make it, every person must buy bonds and more bonds.

Robert Bailey Gets Promotion

Mrs. R. H. Bailey has just been informed that her son, Pvt. Robert F. Bailey, stationed at the United States Marine Corp Base at San Diego, California, has been promoted to Private First Class.

Bobby, as he is known to his friends and former classmates at Slaton High School, enlisted in the Marines, August 21st, 1941, and is among the first from Slaton to receive this promotion in the Marine Corps.

PENSION FOR CONGRESS NOT TOO POPULAR HERE

Briggs Robertson, secretary to the Chamber of Commerce, is not too well pleased with the passage of Congress of the Pension Bill for the Congressmen themselves. Briggs is not keeping his feeling a secret and has sent the following telegram: "Hon. George Mahon, House of Representatives, Washington, D. C. Demand repeal of Pension Bill for Congress stop sale of Defense Bonds definitely slowed down since passage stop convinced now is time to put not take stop spend money on bullets for Japan via gun muzzle."

DOHERTY IS ACCEPTED AS U. S. NAVY RECRUIT

Clyde Bradley Doherty, 1005 S. 8th street, has been accepted into the United States Navy at the main recruiting station in Houston, Texas.

Doherty has been employed for the past four years at Teague Drug Store.

He is uncertain as to when he will leave Slaton but it will probably be within the next two to four weeks.

MARY VIRGINIA SAAGE IN JR. PIANO RECITAL

Mrs. Lillian Butler will present Miss Virginia Saage in a Junior Piano Recital, assisted by Miss Mary Frances Landreth, Mezzo-Soprano, at the Slaton Club House tonight at 8:30 p. m.

The program will read as follows: Sonatina Op. 20 No. 3 --- Dussek Allegretto --- Haydn Little Prelude --- Bach Solfegetto --- Bach Hills of Home --- Fox Parting --- Burgmuller Romance --- Rubinstein Knight Rupert --- Schumann Boat Song --- Ware Love Was a Little Boy --- Wade Barchetta --- Nevin Valse Charlene --- Rasbach Forest Voices --- Cooke Rondino in G --- Crosby-Adams (Miss Charlene Marie Lee at Second Piano).

Misses Alice Jean Meading and Jo Ann Stokes will serve as usherers.

CANDIDATES DECIDE TO LIMIT ACTIVITIES

At the call of J. W. Buchanan, a public spirited citizen of Slaton, twenty-one Lubbock County candidates met in the courthouse Monday afternoon, for the purpose of making their respective campaigns harmonious with the National effort for defense. Their first action was to pass the following resolution by a unanimous vote:

"Now on this the 16th day of February, 1942, at a meeting of the various candidates for County and Precinct offices, realizing the gravity of the situation into which our National Government has been forced, and fully aware that our Government, together with our Liberties, are at stake, and being further aware that our Government is depending upon each of us as citizens; and the further fact that unless we assist our Government in every way possible, all that is near and dear to each of us is likely to perish from the earth.

BE IT THEREFORE RESOLVED: That we each pledge ourselves to conserve of our means, of our strength, and of our every resource, and invest all that we can in Government Bonds, taking into consideration our economic circumstances. And that we each pledge our undying faith in our National Government, and assure it that we are ready and willing to make the supreme sacrifice if the same becomes necessary."

This group had no desire to transgress upon the individual's right to conduct his own campaign in any manner that he might deem proper; however, to the end that the spirit of the above resolution would be carried out, they agreed further to forego the usual privilege of attending political rallies in Lubbock County. This will eliminate pie suppers, box suppers, quilting bees, and all group speakings of the candidates.

Who's Who In S. H. S. Named

Eight students were selected to Who's Who in Slaton Senior High School Monday, according to M. S. Kavanaugh, superintendent, and Roy Boyd, principal.

Informal pictures of these students will appear in the school annual, "The Tiger's Lair", along with character sketches of each individual.

Students selected were Bob Williams, Junior; Garnetta Bailey, Senior; Bill Lokey, Senior; Connie Henry, Senior; Charlie Suit, Senior; Bonnie Mercer, Senior; Frank Todd, Senior; and Billy Ray Waldrep, Sophomore.

Save Your Waste Paper And Help The School Children Buy Stamps

Nearly two-tons of scrap paper has been gathered within the past two weeks by the school children and the youngsters are working toward collecting a car load of it before a shipment is made.

The money that will be secured from the sale of the paper will be prorated out to the children according to the amount of paper each child has brought in, the money to go toward the purchase of defense stamps and bonds.

The work of gathering the paper is in charge of Professor J. C. Jenkins, Principal of the Jr. Hi school, who is directing the boys and girls in all the grades. There are thousands of pounds of waste material of this kind in homes, offices and manufacturing plants all over town and there is a definite war time need for it. The High School Superintendent has made an urgent request that all those who have waste paper to dispose of phone him so that he may send a boy or girl to collect it. Business firms that have old boxes, wrapping paper and discarded material of all kinds should not burn it but should have one or more of the boys come regularly to collect it. Old magazines and newspapers around homes will also be collected at regular intervals if those who have them will phone and leave their addresses with Professor Jenkins at Jr. High School.

ACTIVE MEMBER OF PHI UPSILON OMICRON

Lubbock, Tex., Feb. 19—Miss Miriam Meading of Slaton is one of 22 active members of Phi Upsilon Omicron who attended a traditional Founders Day dinner at Texas Technological college Tuesday evening. This national honorary home economics organization, was founded at University of Minnesota 33 years ago and installed its first Texas chapter at Texas Tech in 1938.

Miriam is the daughter of Mr. and Mrs. P. G. Meading and is a junior foods and nutrition major. She is also a member of the Home Economics club.

SCHOOL CHILDREN TO TAKE PART IN DEFENSE

In cooperation with the Defense Council's activities, a questionnaire has been passed out to all the school children between the ages of ten and sixteen years of age in order to secure information that will be of value in using the school boys and girls in any emergency that may arise.

The card has been given to approximately seven hundred school children and will be put on file as soon as the questions have been answered and will be kept at the City Hall.

Alvis Bilbrey Made Corporal

Alvis E. Bilbrey of Slaton, the son of Mr. and Mrs. Lovoy Bilbrey of 120 West Dayton Street, has just been made Corporal at the brand-new Air Corps Advanced Flying School at Lubbock, Texas, where he is now stationed, it has been reported here.

Corporal Bilbrey, who is a graduate of Slaton High School is with the 501st School Squadron at the flying school. He is a radio mechanic with his squadron.

MASONS TO CELEBRATE WASHINGTON'S BIRTHDAY WITH TURKEY DINNER

Over 100 pounds of baby beef turkey will be hot and steaming, together with double rich stuffing and everything like that, when the Masons of Slaton, with their families, gather at the Masonic Hall next Monday night at their Washington's Birthday dinner.

One of the features of the program will be the burning of the mortgage that has recently been paid off on the Masonic building. Those who will take part on the program are J. L. Landreth, Reverend H. C. Gordon, Betty Lou Turner, Mary Frances Landreth, Viola Martin, S. A. Peavy, Glenn Williams, Cynthia Loveless, M. J. Nelson and Reverend W. F. Ferguson.

All Masons have been issued invitations and are urged to bring their families.

BUSINESS BANQUET TO BE HELD ON MARCH 3

The Retail Merchants Association Business Banquet will be held Tuesday, March 3rd at the Slaton Clubhouse, according to Secretary of the Association, Mrs. Lee Green.

This is strictly a business banquet and it is to begin at 7:30 p. m. Plates are 65c.

WEATHER REPORT.

J. H. Orr's records show that the coldest day in January, here in Slaton, was 9½ degrees above zero and the coldest day so far this month was 8 degrees above zero. Compared with 1941, the coldest day in January, 1941, was 24 degrees above zero, and in February, 27 degrees above zero. Moisture was negligible in both years.

BANQUET HELD BY SANTA FE SHOP MEN

The Santa Fe Shop men and their families held a banquet at the Slaton Club House last Tuesday evening at which men from all trades were represented. The Band Parents Association provided the food and Arthur Dennis was master of ceremonies. Reverend Paul Stevens gave the invocation.

The musical part of the program was a trio composed of Todd, Tibbs and Stevenson, two solos by Miss Cornelia Denzer, a solo by Turso Dominguez and one by Gertrude Dominguez.

Out of town visitors were Major Pellar, Major McCollum and Major Fox, from the recruiting service in Lubbock, and Mr. O. M. Reed from the Santa Fe Hospital Association, whose home is Topeka, Kans.

Major McCollum entertained those present with a talk upon China and its position in the war.

The Home Front—

The problem of material supply hits closer to the Home Front because by the time we divert commodities and materials to assure ample supplies for war there is little or nothing left to assure ample civilian supplies, in the quantities to which we have been accustomed.

One of the more recent evidences of this point is Washington's announcement that the WPB has taken control over the entire 1942 raw cane sugar supply, in addition to rationing civilian use of refined sugar.

Another was the recent order further conserving our precious supply of rubber by putting retreaded and recapped tires under strict rationing control.

Other recent developments affecting the home front include:

Orders to the canning industry to restrict the use of tinplate to specified amount for canning essential products—on top of previous directives setting aside large percentages of canned goods to supply the armed forces first. Ruled as non-essential for use of tinplate are beer, dog food, dried beans of all kinds, baking powder, cereals and flour, petroleum products, spices and condiments and tobacco.

The new war-time soaps will be less slippery because manufacturers are to extract more of the Glycerine by-product. In addition, housewives soon will be asked to save garbage containing fats for glycerine salvage.

Color varieties for auto license plates and traffic markings will be simplified by WPB plans to allow use of black and white and domestic earth colors only.

Orders to manufacturers, distributors, and retailers freezing and controlling all stocks of new refrigerators—freezing all stocks except those in the hands of retailers or actually in transit to retailers, and allowing retailers to sell one-twelfth the number of refrigerators they sold in 1941, or 100 new refrigerators, whichever is greater, after which the freeze will apply to stocks held by them and future disposition of refrigerators will be only under WPB authorization. Refrigerator production will cease after April 30.

Priority Aid for Farmers

A priority rating of A-10 has now been made available to farmers for maintenance and repair of agricultural machinery. The rating may not be used, however, to obtain or replace items of capital equipment, nor is there any guarantee that the A-10 rating will be sufficient to obtain delivery of all types of repair supplies containing scarce metals.

Nylon Price Ceiling

Top prices that manufacturers and wholesalers may charge for women's nylon hose have been set in a schedule issued by the Office of Price Administration in Washington. The prices, in dozen lots, range from \$13 to \$16.50 in the "full-fashioned" all-nylon group; \$12 to \$15.50 for nylon-leg; and for "circular knit" types, from \$11.50 to \$13.50 on all-nylons; and \$10.50 to \$12.50 on nylon-leg styles.

Many New Cases Of Measles And Mumps Reported, Adults Affected

MAYOR APPEALS FOR DEFENSE BOND BUYERS

Mayor J. H. Teague says that many citizens of Slaton do not realize the importance of the war situation and that many of us are not buying the amount of Defense Bonds and Stamps that we are capable of buying. "It is not just a patriotic appeal to the people of the United States, but a choice of buying bonds and getting our money back sometime in the future, or to pay heavier and heavier taxes in the near future. The school children and the people in the lower salaried brackets have more than done their share of buying Bonds and Stamps, but many of those who have better incomes are not responding. I will be at the Post Office Saturday morning and I invite everyone to be there with me to buy Bonds," said the Mayor.

"BOOK ROUNDUP" IS SPONSORED HERE

The Presbyterian youth church is sponsoring a "Book Roundup" to help the Slaton Library. This movement pleads for donations of books or money in order to bring the public library up-to-date. They will accept books of Fiction, Travel, Biography, Literature, Religion, or Reference Books.

Cash donations will be acknowledged to purchase new books. Someone will call for any donations immediately if they are notified by telephoning 473. Any books that are not usable can be sold and proceeds will be used to purchase new books.

This is a worthy drive to build civic interest in Slaton.

SPIRIT EXPRESSED BY MARINE RECRUIT

Pvt. James W. Buchanan, relative of "Uncle Buck" Buchanan, who has recently joined the United States Marines and is stationed at San Diego, California, stated in a recent letter that he was genuinely pleased with his training and as soon as it was completed, he hoped that his platoon was going over to wipe out the Japs.

He is at the present time in what is called a "Boot Camp", and has not as yet been allowed to go into town.

SINGING CONVENTION.

The Garza and Lynn County Singing Convention will be held at Pleasant Valley Sunday afternoon, February 22, at 3:00 p. m. All singers are urged to attend.

REVIVAL SERVICES BEING CONDUCTED

Evangelist Paul W. Harrington

Evangelist Paul W. Harrington, assisted by his wife, is directing a Revival Meeting at the Assembly of God Church in Slaton. The meetings are held daily at 8:30 p. m. and are attracting large attendance.

Evangelist Harrington is widely known over the South Plains as a forceful speaker. The meetings feature religious musical services, as well as Revival Services.

There is no improvement in the epidemic of measles and mumps according to reports from City Health Physician W. E. Payne and Superintendent of the Schools M. S. Kavanaugh.

Not only are the contagions spreading among the school children but many adults have become affected. So far none of the cases have been severe but the danger of complications is great and all who are affected are warned to remain in doors until fully recovered.

Professor Kavanaugh reports that many children are being sent back to school before they have regained their full strength and some before the danger of transmitting the contagions has passed. Not only is this very injurious to the children but it is one reason for the spread of measles and mumps. Mr. Kavanaugh urges all parents to have children given a physical examination by a doctor before they are allowed to return to school. A large per cent of the ones who have had mumps and measles have been sent back to school before they are in proper physical condition only to have relapses of the disease or to bring on complications that may do permanent harm.

"When proper care is taken of those affected there is no great danger," says Dr. Payne.

The Santa Fe Railway System carloadings for the week ending February 14, 1942, were 20,877 compared with 17,825 for the same week in 1941. Received from connections were 8,680 compared with 7,087 for the same week in 1941. The total cars moved were 29,557 compared with 24,912 for the same week in 1941. The Santa Fe handled a total of 31,635 cars during the preceding week of this year.

Personals

Mr. and Mrs. R. H. Todd and sons, David and Frank, and Miss Ferne Turnbow attended the wedding of Miss Billy Ruth King to Mr. Will Q. Morris Sunday afternoon at 5 o'clock at the First Methodist church in Lamesa. Miss King is the niece of Mrs. Todd.

Miss Gertrude Grochowsky of Newton, Kansas, who has been visiting in the home of her parents, Mr. and Mrs. M. C. Grochowsky, returned to her home in Newton, this week.

Mrs. E. I. Keele of Falls, sister of Mrs. M. L. Turnbow, is seriously ill in the Lubbock General Hospital.

Mr. and Mrs. C. O. Clifton of near Levelland visited in the J. W. Ward home Sunday.

Joe Teague Jr., who joined the United States Marines in September, has been recently transferred from North Island, San Diego to Philadelphia, Pennsylvania, where he is enrolled in a clerical school studying courses in shorthand and typing.

Miss Beatrice Crawford and Messrs. Perry Reed and J. B. Ward all of San Angelo, spent the week end in Slaton.

Claude L. Ward spent last week end in Amarillo in the home of his sister, Mrs. W. B. Gilbert, Jr., and Mr. Gilbert.

John McKee, son of Mr. and Mrs. H. R. McKee, is visiting in the home of Mr. and Mrs. R. H. Robbins of Redwood City, California. Mrs. Robbins, the former Betty McKee, is the sister of John. John is to report to Camp Barkley at Abilene February 25, for a final physical examination before leaving Texas to be stationed at Fort Knox, Ky.

A. C. Eaves of Eaves Produce, returned Sunday night from Bogota, Texas, after a month's vacation and business trip.

Mrs. Clifford Young, who has been confined by illness for two weeks, is convalescing.

Mrs. Jack Eastwood of Lubbock visited in the home of Mr. and Mrs. Clifford Young, southeast of Slaton, Monday night.

HOP HALSEY

Hop Halsey Tuesday placed his announcement with the Slatonite and stated that he is a candidate for a second term as Representative of the 119th District. Halsey as Representative from this District, in his first term, served as a member of the Appropriations, Highways and Motor Traffic and the Legislative and Judicial District Committees.

Further statements will appear in The Slatonite at a later date.

DRAFT REGISTRATION SUCCESSFULLY DONE

J. H. Brewer, who was in charge of the Draft Registration at the Slaton Club House last Monday, says that the work was done with far more ease and with almost no errors at all. The co-operation of the men who registered and the patriotic volunteers who gave their services, enabled the registration to be done in efficient order and with clock-like precision.

Mrs. R. W. Ragsdale, Mrs. Leonard Harral, Mrs. H. R. McKee, Mrs. W. T. Cherry and all of those who assisted these women in serving coffee and doughnuts, made the event most enjoyable. The doughnuts and coffee were supplied by Dr. R. G. Loveless.

Mr. Brewer expressed his appreciation to Superintendent M. S. Kavanaugh and Mr. and Mrs. R. M. Nash for their help in securing competent typists, many of whom were from the High School student body. Writers were supplied by the Board from those of school operations.

TWILIGHT MUSICAL AT PRESBYTERIAN CHURCH

The public is cordially invited to attend a twilight musical presented by Joy Holloman, Mary Harral, Martha Lou Loveless, Claire Matthews, and Freddie England, pupils of Mrs. A. C. Sanders, Jr., of Lubbock, Sunday at 5:00 p. m., at the Slaton First Presbyterian Church.

STRIKES FOR FREEDOM

and... ple I know are either... of someone else or ex... enough energy to keep t... three or four inches away from their door step.

All of the folks who have gotten things done that I have ever been in contact with, are those who are full of energy, fire and brimstone. They are excitable folks who just will not be stopped.

This friend of mine who has read the book over carefully is one of the most energetic men I have ever known, ideas come from his mind like machine gun bullets and he is full of energy and is excitable but he thinks he is cool and collected.

It is said that a lazy person lives longer than an energetic one but it might be that it just seems longer, however, I have just about gotten to the point where I would like to have a good, easy bottomed, well broken in rocking chair. Not that I have any hope of getting rich from the process but because I have just about given up hope of ever getting into the big money and am ready to try the calm and collected idea.

Every where I go people tell me that sugar rationing will not interfere with them as each and every one has it figured out that they care very little for sweets and that all the sugar they will need will be a little for their coffee.

But I am going to be honest, I like my sugar, I like pies, cakes, custards and candy and from the way most people wield a spoon, and from the gluttonous gleam that comes in their eyes when the dessert

comes to the table, I believe most of these people are trying to "kid" themselves.

The war program can take the tires, the automobiles, the silk stockings, the girdles, the rubber bands, the electric wiring and the wool but, it is breaking my heart when I think of having to do without coconut cake, three teaspoons full of sugar in my coffee and a hunk of candy at about three o'clock every afternoon. Friends, it is going to be very disappointing to end up a meal with sorghum molasses instead of with whipped cream on pumpkin pie.

It looks like C. A. Porter is coming to my rescue. He is building some apartments down near the depot. From the size of the venture there will be a large number of apartments and I can sick all the house hunters in Lubbock county on C. A.

Each day I look out my window and check up on the progress of the buildings and it seems that he is not getting them constructed as fast as I would like to see them go up but just the same I am sincerely glad that eventually I can look in the eye of the beliger-

gent women who have me shivering in my boots, and tell them that C. A. has an apartment for rent.

One of the best gardeners in Lubbock county is J. A. Klansner for he has fruits and vegetables every year when many would-be gardeners have nothing. It is rather discouraging to a beginner to talk gardening to Mr. Klansner. You find out that it takes work and a lot of it to make things grow and you find out that he knows all about vitamins, minerals and polinization. It seems that having a good garden is just about as much work as running a drug store or trying to publish a newspaper. I have bought three peach trees and a plum but after a talk with Mr. Klansner I have very little hopes for the little switches that I have out in my back yard.

JUST TALK
 by **A.M.J.**

While the women do most of the cooking it is up to us men to plan most of the meals. There is very little argument about breakfast for it is just taken for granted that bacon, eggs and coffee is all that is necessary but it is a terrible strain to work all day and come home and have to decide what can of vegetables shall be opened. English peas always bring back the excruciating memories of banquets I have attended and I always feel that I should chase them around in my mouth to the accompaniment of a long-winded speech, string beans that come out of a can have a most depressing effect and they taste like eating a last week's edition of the Slatonite, canned butter beans are very insipid and most difficult to spear with a fork, not worth half the trouble it takes to catch them.

I occasionally decide upon hominy for a change but the surprise is such a shock to my wife that I very seldom get up the nerve to ask for it.

"What shall I ask for tomorrow when my wife meets me at the front door with a can opener in her hand and says, "What do you want for dinner?"

Brother please help me out and give me a suggestion.

"How much is dat ham for frying," a negro woman asked Horace Sanders last week.

"Sixty cents per pound," said Horace.

"How much is dat boiled ham," the woman asked.

"Seventy cents per pound," said Horace.

"How much is dat bologna?"

asked the woman.

"Fourteen cents per pound," replied Horace.

"I shore am getting tired of dat old ham, give me two pounds of bologna," said the negro.

Like Mandy I shore am getting tired of sugar, how much is sorghum molasses by the gallon.

Met O. N. Alcorn on the street last Monday morning carrying a lantern around and I asked him if he was looking for an honest man.

"No, I do not have that much time," said Mr. Alcorn, "I am going to get the lantern filled with coal oil and if I can find a man to work by tonight by its light I'll feel lucky."

Some very startling information has been brought to light by Briggs Robertson in recording registration of Slaton people for cooperative work with the Defense Council.

The most cheerful news is that there is not a woman in Slaton over forty years of age.

There is a lot of propaganda criticising the attitude of the American people toward the war. In most cases it is unwarranted, if more can be done than is being done very little of it is the fault of the average citizen, we are all ready to do anything toward winning the war but those who are guiding our destinies will have to tell us in which way our efforts should be directed.

The rationing of tires and other articles that we use every day will in all probability help the small town business firms. Quantity price advantages from manufacturers will not be as advantageous to the merchants in larger trading centers, varieties will be more restricted and purchasers will not be able to travel about as much. Present conditions are most propitious for the independent merchants if they take advantage of the opportunities offered.

A. R. Meador, says the

fruit trees are about to blossom out and that a dry cold spell would probably ruin fruit in this section. He suggests that all trees should be well watered and the tree limbs sprayed with water immediately before a freeze.

About the only kind of fruit that I like is T-Bone steak and French fried potatoes but every place I have lived I have set out fruit trees and so far have never raised a single peach, cherry or plum, just a few sour grapes on a dispeptic grape vine that I paid a dollar for, is all that my loving care had ever produced. I'm still trying.

Between registering for Home Defense, keeping track of income taxes, buying automobile luxury taxes, worrying about tires, buying drivers licenses, buying Defense Bonds and listening to the news broadcasts with sugar rationing cards in the near future, life is becoming more complicated every year.

A man selling pencils on the street has to keep more accounts now than a national bank did fifteen years ago and we will soon be a nation of the best book-keepers in the world or a collection of the biggest liars in all history.

Bryant Dobson says the most frightful noise he has ever heard was when one of the women customers at the Palace Theatre sat down on one of the pet cats they have around the place. The cat squalled, the woman jumped over a couple of rows of seats and his blood congealed.

A friend of mine advises me to always remain calm and collected. He even got out a book to prove that success and happiness are the reward for keeping nerves under control.

In my hasty glance over the book I did not find the instructions on just where the line is drawn between a lazy person and one that is calm and collected but I would like very much to have the information. All of the calm

Our Weekly Sermon—
 The Essential for Salvation
 By the Rev. Ralph E. Stewart,
 Associate Director of WMBI

Text: "If thou shalt confess with thy mouth Jesus as Lord, and shalt believe in thy heart that God raised him from the dead, thou shalt be saved."—Romans 10:9.
 Have you ever asked the question, How can a person become a Christian? We find the answer in our text. It is believing something and confessing something.
 Christ's resurrection is mentioned as the object of belief. This is because it is an all inclusive fact. God raised Christ from the dead. If He raised Christ from the dead, Christ must have died. If Christ died, He must have lived. If Christ lived, died, and rose again, then He has the credentials He claimed; He is indeed the Son of God with power to save from sin.
 Belief in Christ's resurrection must be with the heart; a mere intellectual belief of historical facts will not save. Some facts make no appeal to the emotions

and the will. For instance, when I hear that the moon is 238,857 miles away from the earth it appeals to my intellect but it does not move my emotions nor cause my will to make any decision. Then, some facts appeal to the intellect and emotions but do not arouse the will. We read in Roman history of the severe persecutions of Christians; how their bodies were lighted as torches while the Romans drove their chariots around the arena. We believe this because it is a fact of history. Emotionally we are stirred, but as far as our will is concerned there is nothing we can do.

But there are facts that appeal to all three parts of our nature. I received a telegram one day from my mother that my father had passed away. Intellectually I accepted the fact, because I believed my mother. My heart was heavy and sad. Immediately I started to travel the 700 miles to be with my mother, to comfort her and to bury my father. There was something that stirred my whole heart, intellectually, emotionally, and volitionally.
 It is strikingly true that the fact

of Christ's resurrection appeals to all three elements in man's nature. It appeals to the intellect; it is the best proved fact of history. It appeals to the emotions; we are grieved when we realize that our sins caused Christ's death. It also appeals to the will, for as we see Christ stand forth as the risen Lord we want to worship and serve Him.

Only as the fact of Christ's resurrection dominates our whole being are our lives changed. Nothing less than heart belief secures salvation. "If any man will do his will, he shall know" (John 7:17).
 Will you today be willing to believe that Christ died for YOU; that He was raised from the dead that YOU might have eternal life?

ORDINANCE.
AN ORDINANCE PROHIBITING THE DISCHARGE OR SHOOTING OF FIREARMS WITHIN THE CITY OF SLATON, TEXAS; REGULATING THE SHOOTING OF AIR GUNS, REPEALING ALL ORDINANCES IN CONFLICT HERewith, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SLATON, TEXAS:

Section 1. It shall hereafter be unlawful for any person to fire off or discharge any gun, pistol, rifle or other firearm of any description within the corporate limits of the City of Slaton, Texas.

Section 2. The preceding section shall not apply when such firing is done in the necessary and lawful protection of one's person, premises or property, unless such firing be recklessly or negligently

done.

Section 3. It shall hereafter be unlawful for any person to shoot or discharge any air gun or air rifle of any description in, on or across, or near to any building, park, street, or alley within the corporate limits of the City of Slaton, Texas.

Section 4. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not to exceed One Hundred Dollars (\$100.00).

Section 5. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 6. In view of the fact that this ordinance is necessary for the immediate protection and preservation of the public safety and general welfare, it becomes necessary that this ordinance shall

be in full force and effect immediately from and after its passage and it is accordingly so ordained. Passed and approved, this, the 9th day of February, 1942.

J. H. TEAGUE, Mayor, City of Slaton, Texas. ATTEST: E. H. WARD, Secretary

ORDINANCE.

AN ORDINANCE PROHIBITING THE SALE AND DISCHARGE OF FIREWORKS, TORPEDOS, ROCKETS, ETC., WITHIN THE CITY OF SLATON, TEXAS, REPEALING ALL ORDINANCES IN CONFLICT HERewith, AND DECLARING AN EMERGENCY.

Section 1. No person, firm, company, corporation or association shall cast, throw or fire any squib, rocket, cracker, torpedo, grenade, gun, revolver, pistol, cap or cartridge, or other combustible fireworks of any kind in the City of Slaton, Texas.

Section 2. No person, firm, company, corporation or an association shall exhibit or have in his possession, with the intent to give away or sell or offer for sale, within the City of Slaton, Texas, any squib, rocket, cracker, torpedo, grenade, gun, revolver, pistol, cap or cartridge classified and known as fireworks or noise making devices, or other combustible fireworks of any kind within the City of Slaton, Texas, provided, however, that this section shall not apply to the sale of any such article or articles by wholesalers to each other or to the sale of any such article or articles at wholesale to merchants conducting business entirely without the City of Slaton, Texas, or to the sale by wholesalers for private or public demonstration as hereinafter provided.

Section 3. Nothing in this ordinance shall be construed to apply to the sale, storage or use of railroad track torpedoes, or other signaling devices used by railroads, or to the sale, storage or use of flashlight composition by photographers or dealers in photographic supplies, or to prevent any public or private demonstration or display of fireworks of any kind if conducted under proper police supervision after application has been made and permit issued by the Chief of the Fire Dept. of the City of Slaton, Texas, for such demonstration. Said permit shall not be granted unless such demonstration or display shall be of such a character, and so located, discharged or fired, as in the opinion of the said Chief of the Fire Department after proper inspection, shall not be hazardous to property or endanger any person or persons.

Section 4. Any person, firm, corporation, company or association who shall violate any of the provisions of this ordinance, or suffer or allow the same to be violated, shall upon conviction therefor be fined in any sum not to exceed One Hundred Dollars (\$100.00).

Section 5. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 6. In view of the fact that this ordinance is necessary for the immediate protection and preservation of the public health, safety and general welfare, it becomes necessary that same shall be in full force and effect immediately from and after its passage and it is accordingly so ordained. Passed and approved, this the 9th

day of February, 1942. J. H. TEAGUE, Mayor City of Slaton, Texas. ATTEST: E. H. WARD, Secretary

HOMEMAKERS CLASS MEETS THURSDAY

The home makers class of the First Baptist church had their social and business meeting Thursday, February 12th at three o'clock in the home of Mrs. J. W. Scott with Mrs. E. E. Culver and Mrs. J. B. Butler as co-hostesses.

Mrs. Fred Stottlemire presided at the business hour and Mrs. C. E. Jarman brought the Devotional from the 27th Psalms. The Valentine theme was carried out in appointments. Refreshments were served to Mesdames B. G. Norman, I. C. Tucker, Guy Brown, C. E. Jarman, J. G. Harper, W. P. Florence, J. F. Ewing, J. M. Stephens, L. M. Smith, E. M. Lott, J. R. Robertson, and L. S. Jeffcoat.

MRS. HADDOCK ELECTED TO CLUB MEMBERSHIP

Mrs. J. H. Brewer was hostess to the Wednesday Study Club at her home Wednesday, Feb. 18.

In the absence of the president and the vice president, Mrs. Brewer was elected to preside.

Mrs. K. L. Scudder reviewed the short story, "Cocks Must Crow," by Marjorie Rawlings. Mrs. Webster B. Williams instructed a parliamentary drill.

Mrs. Edwin Haddock was elected to membership in the club. The next meeting will be March 4.

BIBLE STUDY.

Mrs. Forrest's Bible Study will meet Tuesday at 3:30 p. m., at the Methodist Church.

Lesson: Studies in the Book of Genesis.

(1) Give the dimensions of the ark in feet. 6:15-16. (A cubit is 1 1/2 ft.)

(2) How many of each kind of "clean" animal did Noah take into the ark? How many of each kind of unclean animals? 7:1-3.

(3) How long was Noah in the ark? 7:11-13, 8:13-18.

(4) How did God temper with mercy even the judgment of the Flood?

(5) The heavens and earth were cleansed once by a flood. By what will the next cleansing be? II Peter 3:7, 10.

(6) What are some of the promises made to Noah and his descendants? 8:21-22, 9:2, 11-15.

(7) What are some of the things God required of Noah and his sons? 9:1, 3-6.

(8) What is the best lesson taught by Noah's life? Mrs. L. R. Tibbs.

Sergeant Lavelle Frazier, son of Mr. and Mrs. L. L. Frazier, who is stationed with the United States Air Corps at Brooksfield, Texas, has recently been given his A. M. Rating.

Miss Wilson Weds Mr. Ferguson March 7

Announcement of the opening of courses in the Red Cross and Home Nursing Corps will be made in the columns of the Slatonite upon authorization and approval of the course for Slaton.

Mrs. L. C. Odom is spending some time with her sister and family in Fort Worth, Mr. and Mrs. O. D. Wyatt.

Pictured are Miss Janet Wilson and Mr. Travis Ferguson whose Marriage Will Take Place March 7th at the First Methodist Church.

Announced At Twilight Tea

Mr. and Mrs. Silas G. Wilson announced the engagement and approaching marriage of their daughter, Janet, to Travis W. Ferguson, son of Rev. and Mrs. W. F. Ferguson at a twilight tea given at their country home, South of town, Saturday evening between 7 and 9 o'clock.

Mrs. S. H. Adams greeted guests at the door. Receiving with the hostess and the honoree were the bridegroom's mother; Miss Mary Ann Wilson, sister of the bride-to-be; Mrs. Jas. Baker and Miss Betty May Haynes of Lubbock.

Mrs. H. T. Swanner presided at the guest book.

In the house party were Miss Vondee Lewis of Brownfield, Misses Glynna Williams, Gwendolyn Hanna, Joann Stokes, Alice Jean Meading, Charlene Fisher, Mesdames J. H. Brewer, Robbie McReynolds, and Dick Ragsdale. Bernie Howell, Lubbock pianist, played throughout the evening.

A large heart of white tulle stood on a base of red roses in the center of the refreshment table in the dining room and garden flowers were placed about the other rooms. Coffee, dainty sandwiches, and red and white heart shaped mints were served. The table was laid with a white imported cloth.

Mesdames J. D. Holt, Fred England, and Bryan Williams of Post presided at the silver services.

Miss Doris Penny of Sweetwater told the guests "good-bye," and Miss Jimmie Jean Guinn presented guests with small celluloid wedding bells tied to small parchment scrolls which read "Janet and Travis, March 7."

The honoree wore a white starched pique dress with a short jacket trimmed with hand-embroidered daisies centered with tiny mirrors. She wore a corsage of orchids. About 150 guests from Slaton and Lubbock called for the tea.

The wedding is to take place Saturday, March 7, at the First Methodist Church in Slaton. Miss Mary Ann Wilson will be maid-of-honor. Mrs. James Baker, matron-of-honor, and Miss Betty May Haynes, Miss Marion Ferguson of Waco, and Miss Sara Gillett of Whitewright, cousin of the bride-elect, will be brides-maids in the wedding.

JOLLY QUILTING CLUB HAS REGULAR MEETING

The Jolly Quilting Club met with Mrs. J. W. Ward Tuesday, February 17, for a regular meeting and cover-dish luncheon.

Two quilts were completed and guests included Mrs. Allen Lynch of Lancaster and Mesdames C. E. Jarman, Verne Johnson and J. F. Ewing. Members were Mesdames W. P. Shelton, E. E. Wilson, Emma Wallace, P. M. Wheatley, J. W. Scott, J. S. Burton, C. C. Wicker, H. H. Edmondson, R. C. Sanner, and the hostess.

Mrs. H. H. Edmondson will be hostess to the club on March 3.

TRA LA TRA LA TRA LA IT'S SPRINGTIME AGAIN

You ladies, when you do your window shopping, should stop and take a peek at Payne's Ready-to-Wear. Those new spring dress creations in his window would really dress you up and you will notice that the price is only \$3.95, but better still, you should go inside, as I did and let Miss Rona show you all the pretty fold rolls in hosiery and silk pretties that they have for spring. Even a man can see that they are priced very modestly. You ladies will also get a thrill when you take a peep at pillow sets, prints, crepes, Shantung, and other silk and rayon materials. The Shoe department has also some very attractive new spring footwear, worth lingering over.

Men who want well styled wearing apparel will also find A. J. (we call him Allen at Rotary) there to show you just what you need, such as snappy new styles in men's hats in new shapes and shades, work clothes that will really stand the gaff in pants, shirts, sweaters, etc., also a big line of Van Huesen dress shirts, socks, ties, pajamas, and in fact, everything a man needs, to have a neat appearance. They are getting in new merchandise every day and Mr. Payne's motto is, "Keep the new merchandise coming and it keeps the customers satisfied."

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

Rev. Gordon Is Club Speaker

A "Bible Lesson" was the subject of the program at a recent meeting of the Daughters of Pioneer Study Club in the home of Mrs. Earl Reasoner, 955 W. Lynn Street.

Roll call was answered with a Bible verse by each member. Rev. H. C. Gordon of the First Methodist church gave a talk on a subject from the Bible. Bible Puzzles were worked out by the group and a test on the Bible was given, with Miss Mary Watkins winning the award for the highest grade. Rev. Gordon was presented with a gift.

Mrs. Allen Lynch of Lancaster, Mrs. Joe Wicker and Rev. Gordon were guests during the evening. Members present were Mesdames George Brassell, Curtis Dowell, Odie A. Hood, R. A. Singer, Harmon Thompson, Melvin Tudor, Ralph Stevenson, and Cecil Scott, and Misses Naydiene Smith, Myrtle Teague, Reba Pool, Mary Lee Thompson, Watkins and the hostess.

The next meeting is March 2 with Mrs. Oree Glasscock as hostess.

Canada Fights COUGHS
This New Amazing Way Acts Like A Flash

By far the largest selling cough medicine in all Canada is Buckley's CANADIOL Mixture. Compounded from rare Canadian Pine Balsam (by a secret process) Buckley's is entirely different from anything else you ever tried. Get a bottle today—take a teaspoonful, let it lie on your tongue a moment, then swallow slowly, INSTANTLY you feel its powerful effective action spread thru throat, head and bronchial tubes. Coughing spasm ceases. Right away it loosens up thick choking phlegm—opens up clogged bronchial tubes—makes breathing easier. Now you'll know why over 10 million bottles of Buckley's famous cough mixture have been sold in cold, wintry Canada.

Teague Drug Store and most good druggists now have this great Canadian discovery.

Observe 50th Anniversary

Mr. and Mrs. George Angerer observed their 50th wedding anniversary Monday, February 16.

Mr. and Mrs. Angerer were married in Arkansas, February 16, 1892. Out of twelve children born to this union, nine are still living. They moved from Munster County, Texas to Slaton in 1922.

Their children are Mesdames H. P. Stoffel, L. F. Dankesreiter, and John Smidelkofer, all of Cook County, Mrs. Bill Potts of Electra, Mrs. Ray Miller of Slaton, Mrs. Herbert Heinrich of Idalou, Sister M. Frances of Little Rock, Arkansas, and sons John P. Angerer of Cooper and Tony Angerer of Slaton.

METHODIST CIRCLES TO HAVE JOINT MEETING

Circle One of the W. S. C. S. of the First Methodist Church met with Mrs. K. C. Scott, Monday afternoon with eleven present.

Mrs. G. M. Harlan gave the devotional and Mrs. L. L. Frazier gave the second chapter of the study book course, "Growing Together in the Family."

Circle Two. Mrs. B. H. Guest entertained Circle Two Monday afternoon at 3:00 p. m., with seven present. Mrs. J. E. Eckert led the devotional following the business meeting. Circle Three.

Circle Three met Monday in the home of Mrs. L. A. Harral. Seven members were present. Mrs. W. H. Proctor brought the devotional and Mrs. Elbert Loveless, the Missionary study.

The W. S. C. S. will meet at the parsonage Monday afternoon, February 23, with members of the three Circles present, for a business meeting.

CULTURE CLUB MEETS ON VALENTINE'S DAY

Mrs. Lee Green was hostess to the Senior Civic and Culture Club Saturday afternoon, February 14, when it met in the home of her daughter, Mrs. R. W. Ragsdale.

Refreshments were served and the house was decorated with cut flowers.

Mrs. H. R. McKee had charge of the program. The subject was, "Health and Safety."

The next meeting is February 28 with Mrs. R. H. Todd as hostess.

BLUEBONNET CLUB HAS ELECTION OF OFFICERS

Fifteen members of the Bluebonnet Club met in the home of Mrs. Carl Evans Wednesday afternoon, February 11.

Preceding the Social hour, the election of officers was held. Those elected to take office March 1st are: President, Mrs. Fred Tudor; Vice President, Mrs. R. C. Sanner; Secretary, Mrs. A. L. Clifton; Corresponding Secretary and Treasurer, Mrs. L. R. Tibbs; Parliamentarian, Mrs. George Culwell; and Reporter, Mrs. J. P. Brooks.

The club will have a Luncheon at the Mexican Inn in Lubbock Wednesday, February 25, to honor outgoing and incoming officers.

FRAZIER HOSTESS TO LOYAL WORKERS CLASS

Fourteen members of the Loyal Workers Sunday School class of the First Methodist church met Thursday afternoon in the home of Mrs. L. L. Frazier for a regular monthly meeting. Miss Mable Seudder was co-hostess.

Mrs. L. R. Tibbs led the Devotional with Mrs. H. C. Gordon offering a prayer. Mrs. Ray Conner and Mrs. C. L. Suit gave talks during the afternoon.

Mrs. E. G. Robertson, who is moving to Belen, New Mexico, was presented with a shower of handkerchiefs by the group.

Mrs. Charlie Walton will be hostess to the Class at next month's meeting.

MRS. BUTLER PRESENTS PUPILS IN RECITAL

Mrs. Lillian Butler presented Misses Wenona Ruth and Johnnie Pearl Peebles in a joint piano recital Thursday evening, February 19 at 8:30 p. m. at the Slaton Club House.

Wenona Ruth, Junior piano student, and Johnnie Pearl, Primary piano student are daughters of Mr. and Mrs. L. D. Peebles, 725 South Thirteenth Street.

The program was:
America Carey
Chimes at Twilight Masters
The Dancing Lesson Rolseth
After Dark Munn
Will-o'-the-Wisp Ketterer
Sonatina Op. 55, No. 3 Kuhlau

Butterfly Spindler
Why Can't a Girl Be a Soldier Halle
Kitty-Kat Kapers Eckhardt
Starlight Waltz Brainard
Little Soldier Boy Chalifa
A Buggy Ride Carew
Clouds Baker
In Merry Mood Moter
Star Spangled Banner—
Ushers were Misses Mary Virginia Saage and Leonita Tunnell.

SOUTH PLAINS BUSINESS AND INDUSTRIAL GUIDE

Nationally Advertised Feeds Are Important

Word has been received by the government for the increase in poultry production in the United States. In this instance the poul-

try raisers must have the right protein eggs and in turn those persons furnishing the eggs must have well-fed and cared for hens. It all leads to but one thing, that of good feeding with the highest quality feeds. Nationally advertised feeds cost no more in the long run than do ordinary feeds. Anyone using ordinary products is taking a great chance at the vitamin content for the poultry gain from it. Good feed offers proteins and minerals contrary to right egg production.

Poultry houses can not take chances on the chickens they produce. The time, money, and utilities put out on each setting must be reaped when the eggs are hatched. If poor eggs hatch chick-

COUNTY AGENTS OFFER HELP TO GARDENERS

College Station, Feb. 19—Texas' 576 county Agricultural and home demonstration agents will help suburban and city people with their wartime gardening problems, H. H. Williamson, director of the Texas A. & M. College Extension Service, announced today.

"Our first duty has been and will continue to be with farm and ranch families, and our first responsibility is meeting the state's Food For Freedom production goals," he stated. He added, however, that calls for technical assistance and advice coming in from city and suburban gardeners will be answered.

"We feel an obligation to offer our services so that these people may get the best possible results from the seed, fertilizer and effort they are using," he said. The supply of most vegetable seeds and fertilizers appear adequate, but there is no margin for misuse, he added.

The city dweller making his first gardening venture should do

—Olsen and Johnson with Martha Raye in "HELLZAPOPPIN'". Coming to the Palace in the near future so watch for showing date. You can't afford to miss it.

Now is the time to prepare for WINTER

so with the idea of consuming everything he may raise, Williamson believes. Gardening on that basis will provide an improved home diet and wholesome exercise.

Director Williamson made it plain that his organization is not organizing or sponsoring vegetable garden clubs in cities. "The U. S. Department of Agriculture has stated that no good purpose will be served by plowing up lawns and grubbing out shrubbery," he said. "We endorse that stand."

SPEED... at a telephone job that is vital

Telephone construction crews everywhere have been breaking records month after month.

Within the space of a year, Southwestern Bell crews completed extensive telephone systems at scores of military or military supply locations in Texas, Missouri, Kansas, Arkansas, and Oklahoma, finishing each job on time... or ahead of time.

In some exchanges where the in-rush of workers in armament plants created an extraordinary demand, these crews have helped to double the number of telephones in service.

All told, 30,000 Bell Telephone folks in the Southwest march ahead these days, doing their best with such materials as are available to give you... and the nation... all the telephone service possible in time of war.

HELP WIN VICTORY

Food, feed and raw materials for munitions that grow on every cotton stalk make cotton one of the Nation's key crops in the fight for Victory. No other crop supplies all of the essential materials produced from cotton; the Nation's supply depends upon the volume produced in the Cotton Belt.

More fats and oils are needed for human food, and the South's cottonseed oil ranks with butter and lard as a leading source of food fats in the United States.

More protein is needed for increased production of livestock in the "Food for Freedom" program. Cottonseed meal is the Nation's most widely-used protein concentrate, and cottonseed hulls are a valuable roughage.

More and more munitions are needed; cotton linters are an essential raw material for the munitions industry.

By combining cotton and livestock production, the Cotton Belt multiplies many times its production for Victory. By securing maximum cotton yields—through planting of the full acreage allotment, use of better planting seed, effective insect control, picking and marketing the maximum amount of seed cotton from every acre, and other sound practices—cotton growers in 1942 will increase the volume and efficiency of livestock production, increase supplies of fats needed by civilians, soldiers and sailors, and increase supplies of raw materials for munitions.

By making maximum use of the feed products from their cotton crop, farmers and stockmen will increase the productive value of their grains and roughages in livestock rations, produce more meat and milk, wool and other needed livestock products, and secure larger returns from their time and labor in livestock production. Cottonseed meal, or cake, and hulls in balanced rations help to conserve grain and roughage, as well as to increase the efficiency of these feeds for livestock production. In addition, the feeding of cottonseed products to livestock, with efficient use of the livestock manure, returns to the soil a major part of the plant food removed by cotton growing.

These facts are causing agricultural and livestock leaders of the South and Southwest to give increasing attention to the import-

LUBBOCK AIR SCHOOL

LUBBOCK.—Men of the South Plains area still have a chance to enlist in the United States Air Corps for duty at the new twin-engine advanced flying school nearing completion at Lubbock, Capt. Claude L. Prichard, Recruiting Officer for the field, has announced.

Until the units assigned to the flying school have reached full strength the office here will continue to accept enlistments, according to Capt. Prichard. But the units are being filled in as rapidly as possible with troops from replacement centers as well as with men newly enlisted here.

A candidate for enlistment must have no one directly dependent on him for support, must pass a physical test, must present a statement from his selective service board that he is not engaged in key defense work and has not been called for induction, and must be physically fit. Men not yet 21 must bring notices of their parents' consent.

After a few days at the Air Corps reception center at Fort Sill, Okla., a recruit is returned for basic training and assigned duty at the field here. According to his education, hobbies, civilian experience and general aptitude, he is assigned to duties for which he seems best fitted, and thereafter his advancement depends upon the same things as it would in civilian life. He is also eligible for further education at the Air Corps Technical School or, after six months' service, in the Officer's

mission as a second lieutenant. Capt. Prichard warns that all men seeking to enlist must be prepared for immediate service when they report here, for they cannot be granted any time after enlistment to take care of personal affairs. He suggests, too, that they bring whatever personal belongings they might like, such as toilet articles, pictures and books.

All enlistments now are for the duration of the war, plus six months, Capt. Prichard has announced.

Sure we can do it!

Old Man Texas has sharpened his pencil. There's a job to be done.

Uncle Sam has a war to win and it will be paid for by you and me.

Our big job is to meet rapidly increasing federal taxes and buy defense bonds. And added to these are the costs of our local and State governments, including bond issues. The money to pay for them must all come out of the same pocket.

To make the bill fit our pocket, we're going to have to cut out some of the things we can do without. Among these are new bond issues, new State and local taxes and nonessential spending in every branch of government.

Old Man Texas is looking to taxing officials all over the State to be on the alert to effect economies.

Every local tax dollar saved for Texas taxpayers is another dollar available for victory.
