Number 28

## "FOOD FOR VICTORY"

### Cattle Feeding Is Big Industry For This Territory

One of the most important industries in this territory has been developed in the last few years. It is the cattle feeding industry, as developed by Ray C. Ayers & Son. Over 100 head of whiteface cattle have been fed by this company at the West Texas Cottonoll Co. pens so far this season and Mr. Ray Ayers reports that they now have a deal to feed 4,000 head for the summer season.

The cattle have been fed Ayers Supreme Range meal that contains two percent Vit-a-way minerals. An accurate test that was taken on 155 head of these cattle showed that an average of 65 pounds per head gain on each during 65 days. All of the other cattle fed showed an estimated gain of equally this much.

This high record was due, Mr. Ayers says, to the treatment they gave the cattle for grubs and to the feed that they received.

This same high beef production can be duplicated and even increased by independent cattle raisers in small or large herds and even with just a few head, is Mr. Ayers' opinion. "The farmers in this section are missing some good profits by not going more extensively into raising cattle," said Mr. Ayers.

### Local Store Buys Tons Of Butter

That the merchants of Slaton are cooperating in every way with the Government and with the farmers in this rich agricultural section is being demonstrated by Berkley and Haddock who have bought and sold several tons of country butter from producers near Slaton in the past 12 months. One ton of this butter was produced by Mrs. Clem Kitten and she received \$745.00 for her product. From Mrs. Robert Schum, Berkley & Haddock average purchasing over three cases of infertile eggs each week.

This firm also buys a large quantity of all kinds of farm produce from other sources, one of their more recent purchases being a pen fed calf from Miss Louise Davidson, route 2, Slaton. For this one calf, Mr. Berkley paid Miss Davidson \$99.00. Two weeks ago, Mr. Berkley purchased five head of Durham calves from Anton Buxkemper, also a hog from A. L. Robertson for which they paid \$77.00. These farm products are retailed here and keep Slaton money in Slaton, help encourage the local farmers and give local food consumers the best and freshest of farm products.

### Crop Insurance Now Available For The First Time For Cotton

"Cotton crop insurance is being offered the producers of Lubbock County and the other cotton producing counties of the United States for the first time this year. Wheat producers have had this protection for the past three years and we are familiar with the benefits to be derived from knowing when the crop is planted that at least a part of a crop will be harvested," said Walter Y. Wells, Secretary of Lubbock County A.C.A.

The insurance is based on the production of the individual farm for the past seven years and the average yield and loss cost for the past seventeen years. This gives the County an average yield of 155 pounds per acre and a loss cost of 24.3 cents per acre.

The yield per acre and the premium rate per acre will be different for practically every farm in the County due to the fact that the history as shown on the records in the County A.C.A. Office are used and each farm is treated as an individual case. This makes the farms with a high risk carry more of the cost and the farms with low

### PLEDGES REQUESTED ON BOND PURCHASE

Briggs Robertson, chairman of the Lubbock County Defense Bond Committee of Slaton, has received instructions from Washington to secure pledges from every citizen of this community on how many Defense Bonds and Stamps each one can and will buy each week or month.

This is being done as a survey, in order that an estimate can be secured all over the nation on how many bonds will be purchased in the future and will probably govern the methods of taxation that will be placed upon the public to carry on the war.

Those who have signed pledges in the past are requested to re-sign the new pledges. These pledges will be available at the Citizen's State Bank and Chamber of Commerce office, each Friday and Saturday, beginning today.

### Grow Peanuts, Advises Mack

Roy Mack, manager of the West Texas Cottonoll Co. here in Slaton, says that seed cotton is going to be very difficult to secure this season and that Certified Cotton Seed will be extremely scarce.

Advice from A & M College, according to Mr. Mack, is that farmers should have their cotton seed tested before planting. This service can be secured from several different places, but the most convenient for this section is at Texas Tech. Mr. Mack says he will be glad to send the seed off for farmers who would like to have samples of their seed cotton tested.

One of the best prospects for the coming year to farmers in this section is the raising of peanuts, according to Mr. Mack. The Government expects a big demand for peanut oil during the war period, and the market for peanuts should be very active. Peanuts can be planted on feed allotment acreage. Tests in this section show that peanuts can be grown profitably on the South Plains and around in this immediate section.

### "FOOD FOR VICTORY" MEETING HELD MONDAY

County Agricultural Agent J. C. Johnson, together with Mr. Wells, A. A. A. Supervisor of this county, Mr. Turner, of the Soil Conservation Department, Miss Keeter, Assistant Home Demonstration Agent, and Mrs. C. E. Lilley, President of the County Line Demonstration Clinic, made addresses to a group of business men and farmers last Monday night at the City Hall, on the all important "Food For Victory" program that has been inaugurated by those active in agricultural development in this State.

risk not having to pay the loss of the poor farmer.

This insurance covers losses from all causes such as hail, sand storms, dry weather, floods, leaf worms, boll weevils or any kind of insect or any cause beyond the control of the producer. The producer is only required to make a reasonable effort to produce the crop and then if he fails, he collects the indemnity.

The premium is based in all cases on a certain number of pounds per acre. This may be paid for on the date the application for insurance is signed or any day between that day and October 20, 1942, at the price of cotton on the day the premium is paid. If it is not paid by October 20, 1942 the amount of the money due will be computed at the price of cotton on that date and this amount withheld from the first A.A.A. check due the producer or the proceeds of the first cotton placed in the loan.

The above information was released this week by Walter Y. Wells, secretary, Lubbock County A.C.A.

The week of March 1st to March 7th has been designated by the Texas United States Department of Agriculture as "Food For Victory Week" and Slaton individuals and business firms are making preparations to aid in every way with the program to produce more and better crops of food products than ever before.

Those who offer services to the farmers will strain every effort to keep the farm equipment rolling, those who buy and sell the farmers crops and needed supplies are prepared to keep them rolling and an "all out" effort will be made all during the season to make Slaton the most efficient distributing center on the South Plains for farmers' needs in every line.

The farmers and stock raisers in this section can and will answer the call; this is one of the most prolific sections in America and the farmer and his products are as important to national safety as the soldiers and munition workers. Slaton has its part to do in helping the farmer get his supplies at the most reasonable prices possible and the market here will cooperate with the farmers as never before.

This week's Slatonite has many suggestions from business firms on ways that assistance can be secured in Slaton and many of these concerns are in position to give help and information on how the farmers of this section can get better production from their crops, their poultry, their dairy products and from their beef cattle. These firms will be glad to supply this information, at no cost, to those who would like to have it.

Many war experts predict that the war will be won by the countries that have the most food supplies, and this section can be as important as an army in the field. If you are a farmer, you should get all information possible on what food supplies will be needed and make plans right now to plant, and if you are a merchant, a mechanic or a dealer in the things that affect farming, you should give the farmer priority on the best you have in service or supplies. Let's make this section one vast food factory to help win Victory.

### LUBBOCK COUNTY LAGS IN FARM PRODUCTION

"Texas farmers are short on only one of the goals requested by the USDA War Board and that is the acreage of peanuts to be planted in 1942," states J. P. Steele, Chairman of the Lubbock County USDA War Board.

The quota for Lubbock County has been increased to 679 acres and the price for No. 1 Spanish peanuts has been guaranteed to be not less than \$82.00 per ton. With the average yield of about 500 pounds per acre from the peanut crop and a good crop of hay besides.

Under the A. A. A. regulations allotments are established for farms on which peanuts have been planted for the past three years. However, the allotment for Lubbock County is only 172 acres. Since we, as well as all other counties and States, have been asked to increase our planting, there is no penalty for exceeding the allotment so long as the peanuts that are produced on the excess acres are sold to a designated agency for crushing for oil. This oil is needed now in this emergency due to the fact that most of our oil has been imported from the far East and that supply has been cut off by the Japs.

The A. A. A. has made arrangements with the Southwestern Peanut Growers Association to furnish seed peanuts to any producer who wants to plant an acreage in excess of the allotment. These seed may be paid for in cash or with a note which may be paid by delivering an equal amount of peanuts to an approved warehouse and transmitting the warehouse receipt to the Commodity Credit Corporation. Full information concerning this service may be obtained at the local A. C. A. office in Lubbock.

All producers are urged to plant all the peanuts that can profitably be grown as the food and oil are needed to help whip the Japs.

### SLATON BOY MAKING LIFE DRAWINGS OF TYPICAL COLLEGE LIFE

STEPHENVILLE.—Briggs Robertson of Slaton, who is a student at John Tarleton College, is now making life drawings representing typical college life. The drawings are of students who come in and pose for them. The interests of the various members of the class are reflected in their illustrations. A trip to Fort Worth is the subject with which Mr. Robertson's drawing deals.

### How To Make The Tax Shock Easy

Taxes due on a return filed for the calendar year 1941 may be paid in full at the time of the filing of the return on or before March 16, 1942. The tax may, at the option of the taxpayer, be paid in four equal installments instead of in a single payment, in which case the first installment is to be paid on or before March 16, the second on or before June 15, the third on or before September 15, and the fourth on or before December 15, 1942. If the taxpayer elects to pay his tax in four installments, each of the four installments must be equal in amount, but any installment may be paid, at the election of the taxpayer, prior to the time prescribed for its payment. If an installment is not paid in full on or before the date fixed for its payment, the whole amount of the tax remaining unpaid is required to be paid upon notice and demand from the collector.

The tax must be paid to the collector of internal revenue for the district in which the taxpayer's return is required to be filed, that is, to the collector for the district in which is located the taxpayer's legal residence or principal place of business, or if he has no legal residence or principal place of business in the United States, then to the Collector of Internal Revenue at Baltimore, Maryland.

The tax due, if any, should be paid in cash at the collector's office, or by check or money order payable to Collector of Internal Revenue. In the case of payment in cash, the taxpayer should in every instance require and the collector should furnish a receipt. In the case of payments made by check or money order, however, the cancelled check or the money order receipt is usually a sufficient receipt.

### SERVICE FLAGS ARE TO BE GIVEN

Beginning Monday, service flags will be given to the mothers in Slaton who have sons now in the service. They are to be given as a courtesy by the Veterans of Foreign Wars. The mothers must call in person at the Chamber of Commerce office.

In February 2,457 blind persons received an average grant of \$23.02 under the federal-state Aid to the Needy Blind program.

### MESSAGE IS RECEIVED FROM SOERABAJA, JAVA

A message received by Mrs. R. H. Bailey Wednesday, February 25, from her sons, Lt. Eldon Schmid and Sgt. Ellis P. Schmid, from Soerabaja, Java, reported that everybody in their company was fine and not to worry about them. This place mentioned is near the island of Bali. Mrs. Bailey had not heard from the boys in a month. She has received four cablegrams and one phone call. This recent message was dated February 24 and sent as a night letter through R. C. A.

### HOG, LAMB AND CALF SHOW TO BE MAR. 28

March 28th, has been set as the day for the Slaton Hog, Lamb and Calf Show and A. C. Strickland, Agricultural Instructor at the Slaton Schools, who is in charge of the Show, reports that the prospects for an excellent show are most encouraging.

"There is more interest in the raising of high grade livestock now than there has ever been before and especially among the members of the organizations of young people, and we expect to show the best specimens in hogs, lambs and calves," said Mr. Strickland.

The stock should be in top form at the date set for the show and unless weather conditions interfere, the show should bring a maximum attendance.

### FOOD FOR FREEDOM NEEDS COOPERATION SAYS FOOD DEALER

"This is one of the most prolific agricultural regions in the State," says Horace Sanders, owner of the Texas Grocery, "and I feel that every farmer and merchant should cooperate with the Food For Freedom campaign, by the farmer raising all the food products possible and by the merchant helping to secure the best markets possible. If we in this section can produce a larger part of the food products we use and have a surplus to help the large industrial districts, we will be doing a patriotic duty and as one of the food dealers in Slaton, I will do everything possible to assist those who have food products for sale."

Statistics show that many products that are needed in war materials can be raised here in this section and it is duty of every man, woman and child to work for victory.

### W. T. DAVIS TO BUILD BIG GIN WHERE FORMER PLANT BURNED

#### On The Home Front

America's great sugar rationing program will begin within a few weeks. Like other tasks in the vast world-wide fight to preserve freedom, this program began as a job of printing. It is the greatest single job of printing ever tackled, though, by the Government Printing Office. It is a job which called for more than 700,000,000 forms and cards and booklets. These required between 11 and 12 million pounds of paper.

These little booklets and cards and forms are the tools with which Americans are to build a monumental structure of self-sacrifice. There will be 190,000,000 copies of the War Ration Book itself, besides consumer application forms, trade registration forms, cards upon which retailers are to mount ration stamps taken in exchange for sugar. There also will be printed instructions to local boards, instructions to consumers and registrants.

The amounts of these booklets and forms exceed the country's population, of course, since it is necessary to allow replacements for books that may be lost or destroyed, for births during the next six months and also for demand in certain communities greater than has been expected.

That means that printing plants and the government's own crews will have to keep working on a three-shift basis to do the job, turning out 25,000 ration books an hour.

Housewives are going to have plenty of sugar for home canning this summer and every effort is being made to have it available. That is the assurance of J. B. Joyce, acting manager of the War Production Board's Southwest priorities field office in Dallas.

#### More Burlap for Crops

To permit moving of peanut seed and seed potatoes, now in the shipping stage, and wool, which is now being sheared, the War Production Board in Washington has amended the burlap conservation order to make additional supplies of burlap bags available. The original burlap order made available to wool growers only 2,500,000 yards of bags as against estimated needs of 50,000,000 yards, and the quantity made available for peanut seed and seed potatoes also was short of needs.

#### Same Designs for Bread Wrappers

Bakers have been asked by the War Production Board in Washington to refrain from making even minor changes in the designs of bread wrappers and all bakery wrapping and packaging materials unless absolutely necessary. Difficulty in obtaining such critical materials as rubber, antimony, tin, nickel, lead and copper, from which plates to print wrappers are made, was cited as the reason for the WPB request. In 1941, manufacture of plates for bakery wrappers used 326,850 pounds of copper, 508,410 pounds of lead, 59,800 pounds of tin foil, and 13,930 pounds of solder.

### SLATON TO BROADCAST DEFENSE BOND PROGRAM

Arrangements have been made with KFYO of Lubbock to broadcast a radio program from the Slaton High School auditorium. The program will be devoted to the Defense Stamp and Bond Sales, at which time a program of Slaton talent will be put on the air.

The show will be broadcast and given before an audience, the price of admission being one Defense Stamp and the stamp will be given back to each one attending as they enter the door.

The program is being sponsored by the Slaton Chamber of Commerce and the arrangement of the program is in charge of Webber Williams, Howard Hoffman and Briggs Robertson.

W. T. Davis reported Wednesday that he had completed arrangements to build a gin on the same site that his former plant occupied before it burned January 1st of this year.

The new gin will be larger than the one that was destroyed and will have all of the latest improvements in ginning methods. Mr. Davis has been working on the plans and details for several weeks and due to the difficulties in obtaining proper equipment, has had considerable trouble in securing materials to construct the gin, but has now completed the details and expects to start construction in the near future.

### Defense Stamps Are Given Away

G. B. Alford, who inaugurated a plan for allowing five per cent discount on all purchases of groceries at his store, whereby the customers were to receive the discount in Defense Stamps, reports that he has distributed over \$200 in stamps to his customers since Dec. 20, 1941. Mr. Alford is co-operating in the plan to encourage all customers to take Defense Stamps in change on purchases, and it is his opinion that if all the business firms in Slaton would follow this plan, then there would be no doubt of making the quota of \$240,000.00 in Bond and Stamp sales in this section.

### FUNERAL FOR INFANT HELD ON WEDNESDAY

Jimmie Gale McCormick, infant son of Mr. and Mrs. Mack McCormick, 505 East Floyd, died Tuesday, February 24, the child was born January 6, 1942.

Funeral services were held Wednesday, February 25, at 4:00 p. m., at the Church of Christ. Interment was in the Englewood Cemetery with Williams Funeral Home in charge of the arrangements.

The father is employed by Ray C. Ayers & Son.

### Father And Son Banquet Held By F. F. A. Boys

For the past six years there has been organized in the local high school, a group of boys taking Vocational Agriculture, known as the Future Farmers of America. This organization seeks to take advantage of the disposition of boys of high school age to band together. So the Future Farmers of America grew out of this desire and seeks to do in an organized way, the things of interest and value to rural youth. An active organization has been maintained each year and the school year of 1941-42 is no exception.

Regular monthly meetings are held and the members are trained in leadership and group activities.

The last meeting was held Tuesday night. It marked the occasion of the annual Father-Son Banquet, at which time the fathers and sons are brought together to keep alive and deepen the relations that exist between father and son.

About 55 were in attendance, and the high point of the meeting was an address by Dean A. H. Leidigh, of the Agricultural Department of Texas Technological College. He spoke of the work farm people can do to help win the war.

Other guests present were Juanita Elliott, president of the local Future Home Makers Club, and Evelyn Scroggins, the F. F. A. Chapter Sweetheart.

Other activities carried on by the members of the F. F. A. consist of community work, such as running contour and terrace lines for local farmers, pruning of shade trees for local town people, and assisting in putting on local farm shows; build at normal cost, feeding equipment and houses for livestock farmers, and plan organized recreation for its own members.

# Churches

**PRESBYTERIAN CHURCH.**

 Communion Services at 10:45.  
 Church Services at 11:00, with Christian Endeavor at 7:00 p. m.

## Our Weekly Sermon—

To Whom Shall We Go?

By Max I. Reich, D. D., Director of Jewish Missions Course Moody Bible Institute, Chicago.

The question, "Lord, to whom shall we go?" was put to Jesus Christ in response to a wistful inquiry to His disciples, "Will ye also go away?" For many who had enthusiastically followed Him because He had fed them, "walked no more with him" when He spoke of the necessity of union with Him by eating His flesh and drinking His blood. "This is a hard saying, who can hear it!" they exclaimed. So today many are deserting the ancient standards for ideas and ways more congenial to the natural mind. Yet not all. We who are conscious of our desperate need of a Savior from the power and malady of sin, turn to the One who is not a spent force or a used-up fountain. Facing Him with our hearts crying out for purity and peace, we say, "Lord, to whom shall we go? Thou hast the words

## Doubling Pork Production Is His Job

W. O. Dawson, right, Taylor County farmer who bought his farm through the Farm Security Administration three years ago, demonstrates to Burton H. Pritchard, chairman of the County USDA War Board, how he plans to double his pork production in 1942 as his share in the Food-For-Freedom campaign.

## Better Make Out Your Income Tax

In the event of failure to make and file an income tax return as required by law within the prescribed time, a certain percent of the amount of the tax is required to be added to the tax unless failure to file the return within the prescribed time is shown to the satisfaction of the Commissioner to be due to reasonable cause and not to willful neglect.

The amount to be added to the tax is 5 percent if the failure is for more than thirty days, with an additional 5 percent for each additional thirty days or fraction thereof during which failure to file a return continues, not to exceed 25 percent in the aggregate.

A taxpayer who files a tardy return and wishes to avoid the addition to the tax for delinquency must make an affirmative showing of all facts, alleged as a reasonable cause for failure to file the return on time, in the form of an affidavit which should be attached to the return. Alleged ignorance of the law does not constitute reasonable cause for delinquency.

Taxpayers should make every effort to file their returns within the time prescribed by law and thus avoid the possibility of the additions to the tax for delinquency in filing returns.

Do not forget that single persons or married persons not living with husband or wife, who earn as much as \$14.43 a week for the 52 weeks of the year, and married persons living together who have aggregate earnings of as much as \$28.85 a week for the year, are required to file returns.

## When a Child Needs a Laxative!

**SYRUP OF BLACK-DRAUGHT** is a tasty liquid that most children will welcome whenever they need a laxative. What's more important, it has the same main ingredient as BLACK-DRAUGHT, its older companion. Perhaps that's why it usually gives a child such refreshing relief from the familiar symptoms which show a laxative is needed. Comes in two sizes: 25c—50c.

## SHORTAGE OF TEACHERS FACES ENTIRE NATION

Lubbock, Feb. 19—A serious shortage of teachers in the public schools of Texas is likely to occur, according to Dr. Doyle D. Jackson, head of the teacher placement bureau at Texas Technological College. He was able to supply only half of the mid-term demand for teachers.

"During World War number one," he said, "we paid dearly for the neglect of our schools which was so flagrant that some schools were closed for want of teachers. We are starting on the same path again and some damage is already done."

Anticipating an influx of those who plan to get back into teaching to relieve the possible shortage of teachers, Dean J. M. Gordon, chairman of the Tech summer school, says that ample preparations are being made to take ample care of the needs of all who enroll. The summer session will include a six weeks term followed by a nine weeks term and also a six weeks term.

Gold production brought Texans only \$10,920 in 1940, the University of Texas Bureau of Economic Geology reports, but the state's silver mines turned out ore worth \$943,040.

## OUCH! MY BACK

Relieve muscular back-ache with penetrating OMEGA OIL. When your back aches both then, still soothes—just rub in Omega Oil. It penetrates! Goes right into the skin. Pain should fade away and muscles get limber fast. The secret is extra-strength—and extra-safety. Omega is used by athletes in every sport for fast relief. Won't burn—try it tonight. Only 25¢, all drug stores.

### COOPER NEWS

Kathryn Robertson, Correspondent

Home Economics department members and future Farmers of America chapter members of high school recently staged a defense bond and stamp sale contest, with the losing team to enter-

tain the winners and this affair was held Tuesday evening. The boys won the contest, with sales amounting to \$440.20. The girls sold stamps and bonds amounting to \$216.20. Approximately 65 persons attended the party.

An annual Father-Son and Mother-Daughter Banquet was held Tuesday night for the members of the Future Farmers of America and the Home Economics Dept., in the high school auditorium. A large number of people attended.

Mrs. E. R. Slater and children spent Saturday in Dallas. Mrs. Slater's mother and Mrs. McMillan returned with them.

Mr. and Mrs. C. B. Barrett and Dayton Goode spent Sunday in the home of Mr. and Mrs. E. A. Robertson.

Euton Stephenson and Joe Gamble were dinner guests of Mr. and Mrs. Charles Hampton Sunday.

Mrs. H. L. Mote has been seriously ill the past week, but is now on the road to recovery.

Mr. and Mrs. W. L. Meeks and Corene Patterson visited in the home of Mr. and Mrs. T. E. Patterson Sunday.

Mr. W. F. Foerster and family will spend the coming week at Vernon.

Mrs. Claude Woolever and daughter, Nella Mae, of Odessa, spent Sunday afternoon with her parents, Mr. and Mrs. C. B. Robertson.

PATHOLOGICAL LABORATORY  
X-RAY and RADIUM, SCHOOL OF NURSING

Mr. and Mrs. Paul Williams of Levelland spent the week end in the home of Mr. and Mrs. C. S. Williams.

The children of Mr. and Mrs. Carl Jones are ill with the chicken pox. They recently recovered from the mumps.

Ella Louise Evans, daughter of Mr. and Mrs. E. L. Evans, is recovering from the measles.

Mrs. E. Morgan spent several days the past week with her daughter, Mrs. Charles Hampton of Slaton.

Miss Virginia Peterson was absent from school Monday due to illness.

Miss Wannell Maginnis spent the week end with friends in Lubbock.

Miss Lorene Cummins is ill with measles.

The girls' basketball team of Cooper was defeated Friday night in the game with Ropes. The final score was 23-19.

Mr. and Mrs. C. D. Nelson spent Monday in the home of Mr. and Mrs. E. R. Slater.

(For Week of Feb. 20.)

The third year Homemaking class entertained with a tea at 3:15 p. m., Wednesday in the H. E. Department. A large display of hobbies and antiques were shown.

Misses Lula Mae and Virginia Peterson sang, "There's Music In The Air," accompanied by Betty Myrl Alexander. The table was laid with a lace cloth and centered with English ivy and tall yellow candles. Ethel Coats poured punch. Lorene Cummins and Kathryn Robertson greeted guests at the door and presented them to Euton Stephenson, Virginia Peterson and Othella Stephens.

The W. M. U. entertained the Seniors Wednesday night with a reception in the home of Mrs. B. M. Hays. Preacher Dean Dr. John Cobb's quartet from Wayland College in Plainview presented the program.

The County board met at the school Thursday evening for a meeting. A series of meetings have been scheduled for the next two weeks, all over the county. People are urged to attend the meetings in their respective vicinities. The group meetings will continue each Thursday.

Rev. J. R. Woods was a dinner guest in the home of Mr. and Mrs. B. M. Hays Sunday.

Mrs. T. L. Peterson and Virginia, Mrs. M. L. McRay and children visited Mr. and Mrs. E. B. Peterson Sunday.

Miss Juanell Hart visited her grandparents, Mr. and Mrs. J. I. Cranfill of Wilson, over the week-end. Joe Rita Cranfill, Miss Hart's aunt, returned with her to remain a few days.

Mr. and Mrs. M. P. Gentry and daughter, Imogene, visited Mr. and Mrs. Short Phoff of Borger this week-end.

Mr. and Mrs. W. M. Joplin and family visited Mr. Joplin's father of Meadow Sunday.

Mr. and Mrs. D. D. Stacey and children visited in the home of Mr. B. E. Stephenson Sunday.

Mr. and Mrs. R. M. Cade and Dick were guests of Mr. and Mrs. Horace Smith Sunday.

Mr. and Mrs. E. E. Maginnis and Wannell visited Mr. and Mrs. Roy O'Hair of Lubbock Sunday.

Mr. and Mrs. H. M. Cade and family and Miss Autry Coston visited Jack Cade, who is attending school at Dallas over the week end.

Cooper and New Deal teams won over Shallowater and Idalou respectively Tuesday night in first round games of "Shaughnessy Playoff", to determine the Lubbock County girls' championship basketball team. Cooper won from Shallowater 27 to 24, Margarette Leggett scoring 18 points for the winners; Todd, 10 for Shallowater.

The Sophomore class entertained with a party Thursday night with twenty-four present.

The third year Homemaking class entertained the second grade Friday afternoon. Miss Corene Bailey told a story, "The Balsam and the Bear." Games were played and refreshments were served to 22 pupils.

Marvin and Dayton Cowart, who have been in California the past six months, are visiting in the Cooper community.

Mr. and Mrs. B. M. Hays have as their guest this week Mrs. Hays' mother, Mrs. E. Hancock of Tahoka.

Guests in the home of Mr. and Mrs. G. B. Duke Sunday were Mr. and Mrs. I. O. Lory and children of Roswell, New Mexico and Miss Frances Bills of Levelland, Texas.

### POSEY ITEMS

The Posey Epworth League met Sunday night with fourteen members and the sponsor present. The topic discussed was, "Does God Work Alone?"

Miss Mary Frances Joplin entertained with a party at her home Saturday night. Those attending were: Charles Gentry, Bud Johnson, Bonnie Biggs, Bobby Ruth Biggs, Billye Vern Polk, Harold Morrison, Joe Lokey, Wynona West, Andrew Lokey, James Belcher, James Vannoy, Allene Perdue, Billie Wells, Vaughn Campbell, Vernell Campbell, Harold Thomas, Carl Rackler, J. B. Rackler, Mary Alice Johnson and the hostess.

Mr. and Mrs. Red Slone visited relatives at Morton over the week-end.

Mr. Paul W. Harrington, evangelist known widely over the South Plains, held services at the Posey schoolhouse Sunday at 3:00 p. m. A nice crowd attended. Services will be held next Sunday at the same time.

Royal W. Ferguson of Lubbock spoke to the congregation at the school for worship Sunday on a Layman's Day program.

Everyone is invited to attend the singings held at Posey every second and fourth Sundays.

Miss Clara Pratt, county home demonstration agent, spoke to the Posey Home Demonstration Club members on "Pruning of Plants". Mrs. W. S. Grinstead was hostess. Members present were: Mesdames T. A. Johnson, O. R. Patterson, E. W. Brown, O. E. Patterson, W. A. Wilke, Mack Klattenhoff, Benton Patterson and C. Z. Fine. Mrs. Brown will be hostess March 3.

Mr. and Mrs. Alec Shelton of Slaton were visitors in the Posey community Monday.

Regular first Sunday services will be conducted Sunday at Posey with Rev. O. M. Addison officiating.

S. N. Gentry motored to Levelland on business last week.

(Held Over From Last Week)  
Rev. J. T. Howell, of Lubbock, held services at the Posey school Sunday. Rev. Howell is a super-annuated Methodist Pastor.

The Posey Epworth League met Sunday night with twenty-one members present. Lillie Gentry gave a talk on, "Does God Play Favorites?"

Visitors in the home of "Grandma" and Emma Lamb Sunday were: Mr. and Mrs. John Lamb of Wilson, Mr. and Mrs. Jim Lamb and children, Mrs. Onis Ray and daughter, Peggy Lou, all of Slaton, and Mr. and Mrs. Weldon Lemon and children of Lubbock.

The mumps and measles are still raging in the Posey Community, but the attendance in school has increased somewhat.

Mr. and Mrs. W. M. Joplin and children visited Mr. and Mrs. J. D. Rackler of Canyon, Sunday.

Mrs. L. K. Hart and daughters visited Mr. and Mrs. J. I. Cranfill of Wilson Sunday.

Mr. and Mrs. Cecil Davidson and sons of Slaton visited Mr. and Mrs. W. T. Gentry over the week end.

Mrs. Cora Kerr and daughter, Reno, of Idalou, visited Mr. and Mrs. Nathan Johnson Sunday.

Remington Rand Adding Machines for sale at The Slatonite.

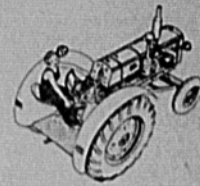

Have your prescriptions filled at TEAGUE'S DRUG STORE by a registered pharmacist.

Mr. and Mrs. R. T. Williams spent last Sunday through Wednesday visiting relatives in Sweetwater and McCauley.

Typewriter Ribbons and Supplies at The Slatonite.

### Will Rogers' Humorous Story

By WILL ROGERS

WHEN one of the big bandit mysteries was cleared up this spring the cops found a sickly looking guy in a room full of heavy overcoats and fur caps. He had

some wool sweaters and fur-lined gloves, and a dozen or two thick pairs of wool socks.

"I ain't a thief by nature, and you hadn't ought to put me in jail," says the thin guy.

"Ha!" says the cop. "I guess you ain't a thief at all! You're the egg that's been robbing all the clothing stores all winter, ain't you?"

"Well, you see I've sold nothing. I didn't want to make any profit out of the stuff. I only wanted to get well."

"Now you're playing crazy," says the smart cop.

"No, I ain't crazy. But I'm sick, or anyhow not very well. And I went to the best doctor in town and he told me I'd be all right in a few weeks if I'd take something warm twice a day. I've been taking all these warm things that way, but I ain't any better. I think you better arrest the doctor!"

### Hoyt's Flushed Out All Poison Says Mr. Spencer

Lubbock Resident Says Hoyt's Compound Ended Constipation, Heart Burn, Gas Pains And Sourness.

"Constipation, heart burn, sour stomach, and gas bloating filled my system with poison," says Mr. J. M. Spencer, of 223 Avenue R,

MR. J. M. SPENCER

Lubbock, Texas. "My stomach was upset, my kidneys were bad, I had severe pains across my back. I was underweight, run-down and nervous. I could hardly eat. At last I gave up hope of finding relief.

"But after a few doses of Hoyt's Compound, I could see a change. Now my bowels are more regular, and I eat without suffering. The pains are gone, I sleep well, have a good appetite, am gaining weight!"

Hoyt's Compound is recommended and sold by the Teague's Drug Store and is carried, for your convenience, by all druggists.

**Personals**

Mrs. W. H. Bowman, formerly employed with the Fred Harvey establishment in Slaton, and who is now employed in the same organization at Brownwood, was in Slaton last Tuesday.

Rev. J. Paul Stevens, pastor of the First Presbyterian Church, left Tuesday for Temple where he is to attend a called meeting of the Synod of Texas. He will probably return today.

Billy Butler is confined with the mumps, this week.

Glen Frazier, son of Mr. and Mrs. L. L. Frazier, left this week for San Bernardino, California.

Shirley Butler, who has been stationed at Fort Sill, Oklahoma with the United States Air Corps, has been moved to Sheppard Field at Wichita Falls.

Mrs. Albert Westefeld of Arlington, Virginia is visiting in the home of Mrs. S. H. Adams. Mrs. Westefeld, daughter of Mrs. Adams, is the former Miss Josephine Adams. Mrs. Walter Day of Fort Lauderdale, Florida, sister of Mrs. Adams, is also a guest in the Adams home.

Miss Mary Elizabeth Florence of Lubbock spent the past week in the home of her parents, Mr. and Mrs. W. P. Florence, recuperating from an attack of flu.

James S. Florence, formerly a clerk at the Model Grocery, is now a corporal at Camp Haan, California, where he is stationed with the United States Army Air Corps.

E. R. Legg returned Wednesday from a business trip to Dallas.

J. Lurly Nisbett, pastor of the Church of Christ, has been attending an Annual Bible Lectureship at Abilene Christian College.

Mr. and Mrs. A. C. Strickland are to spend today through Sunday visiting their son, Connie, in Tulsa, Oklahoma. Mrs. J. H. Brewer is to go with them as far as Chickasha, where she will visit her son, Jesse H. Brewer, Jr. Both Connie and "Bubbe", as he is known to all his friends, are training as cadets in the United States Air Corps.

Mr. Jed Rix of Fort Worth, assistant manager of the West Texas Chamber of Commerce visited the Slaton Rotary Club yesterday.

**FARMERS SUPPLY AND FROZEN LOCKER PLANT**

Jim Lamb, who recently joined the United States Navy and is at the present time stationed at Norfolk, Virginia, has volunteered for submarine duty and will soon leave Norfolk for six months training in New London, Connecticut.

Corporal John B. Shelton, son of Mr. and Mrs. L. A. Shelton, 156 South Eighth Street, who is stationed with the United States Air Corps at Davis-Monthan Field at Tuscon, Arizona, is in Slaton on a five day furlough. Shelton has been enlisted in the Air Corps for thirteen months.

Mr. and Mrs. R. Gunter Garland of Amarillo visited in the homes of their parents, Mr. and Mrs. C. F. Stanford and Mr. and Mrs. L. T. Garland, Saturday through Monday.

Clem Kitten spent Tuesday visiting relatives at Wilson.

Mrs. Minnie Lewis of Spur is visiting in the home of her son, Mr. Dick Lewis, and Mrs. Lewis.

Bill Cherry, son of Mr. and Mrs. W. T. Cherry, is ill with flu this week.

Mr. A. L. Clifton left Friday night for Dallas, where he is to meet his brother, R. E. Clifton of Williamson, West Virginia.

Mrs. R. A. Singer has been ill at her home this week.

R. H. Todd, Jr., son of Mr. and Mrs. R. H. Todd, who has been stationed with the United States Air Corps at Kelly Field, San Antonio, has been sent to Missouri School of Aeronautics at Sikeston, Missouri.

Cadet H. H. Edmondson, Jr., of Sheppard Field, Wichita Falls, visited in the home of his parents, Mr. and Mrs. H. H. Edmondson, last week end.

James Stotts, son of Mr. and Mrs. H. W. Stotts, will leave March 30 to join the Air Corps. James is to go to Kelly Field, San Antonio.

Miss Mina Garland, who is employed at the Army Base at Abilene, visited her parents, Mr. and Mrs. L. T. Garland, last Sunday.

Mrs. R. B. Bechtel and daughter, Marion, spent Friday and Saturday in Slaton last week.

**EXPERT ADVISES BETTER FERTILIZER**

College Station—Five million burlap and cotton bags are being wasted in the United States each year and 500,000 tons of useless matter is being hauled around the country, according to M. K. Thornton, agricultural chemist for the Texas A. & M. College Extension Service. The farmer pays the bill, but the war may stop overnight what authorities have been trying for years to do.

For 20 years farmers have been urged to buy higher analysis fertilizers, Thornton says, but buying habits change slowly.

"The farmer who buys a 100-pound sack of 4-8-4 (4% nitrogen, 8% phosphate, 4% potash) fertilizer gets only 16 pounds of plant nutrients," Thornton says. "If he buys 6-12-6, he gets 24 pounds of nutrients, while 10-20-10 has 40 pounds of nutrients and only 60 pounds of filler. "Only 160 pounds of 10-20-10

**Build And Repair Says Castleberry**

While lumber and building materials are still available the defense situation is not rosy for a plentiful supply of the things a farmer will need to keep equipment and buildings in good repair and "Doc" Castleberry, manager of the Higginbotham-Bartlett Co. advises the agriculturists to put all equipment in shape. "So far we have been fortunate in securing most everything we have needed but we are running short on many items and when they are gone there is serious doubt that we can restock," said Doc.

**INSECT CONTROL CAN SAVE FIFTY PER CENT**

COLLEGE STATION.—Cameron Siddall, entomologist of the A. and M. College Extension Service, believes that 50 percent of the annual loss to Texas farmers and ranchmen from insects is preventable.

By way of examples in prevention, Siddall says that 56,197 farmers in 1941 followed recommendations for controlling cotton insects in accordance with recommendations of county agricultural agents. Control measures were applied on 411,902 acres, using 4,337,182 pounds of sulphur and calcium arsenate for insecticides. Farmers report a saving of \$2,349,950 by carrying out the prescribed recommendations.

Twenty result demonstrations of cotton insect control were achieved in 1941. Summarizing result, the entomologist says that an average of 13.1 acres were dusted and 3.8 left undusted as a check. The consequences were the production of 714 pounds of seed cotton per acre on the dusted plots and 500 on the undusted check. The gross value of the 208 pounds spread was \$14.30.

The demonstrators averaged four applications, using calcium arsenate and sulphur, or the mixture of them. The total all-over cost of control per acre was \$3.24. The cost of picking and ginning the additional cotton produced by control measures averaged \$2.51, a net profit of \$8.45 an acre. The demonstrations represented a cross section picture of the cotton farming section of the state.

"The most significant thing was that farmers themselves performed the demonstrations and in only one case failed to make a gain in production," Siddall says. It is estimated that the cost of 400 pounds of 4-8-4 and a 17 per cent saving is effected for freight, mixing charges, handling and bagging.

"It takes 5,000,000 bags to sack up the 500,000 tons of no good filler American farmers are buying each year with fertilizer, and the movement of a half-million tons of inert matter puts needless strain on an overburdened transportation system.

"Farmers who insist upon fertilizer in more concentrated forms and dealers who push sales of this type will be making a fine contribution to our war effort."

**SLATON MAN TAKING COURSE IN MECHANICS**

A young resident of Slaton, who is playing a vital role in the nation's war time program is Herbert Cade, a recent enrollee in the Dallas (Texas) Aviation School. He is taking a master mechanic's course which requires six months for completion.

Cade, who was graduated from Cooper high school in 1942, has been engaged in farming most of his life. After completing his course, he hopes to secure work as an airline mechanic. He is the son of Mr. and Mrs. H. M. Cade of Slaton.

In addition to its commercial branch, where 300 students are enrolled, the Dallas Aviation School also gives primary and basic flight instruction to Britain's Royal Air Force cadets; primary flight and secondary instruction to U. S. Army Air Corps flying cadets; specialized instruction in aircraft mechanics to enlisted men in the U. S. Army.

**TURKEY TO BE SERVED AT R. M. A. BANQUET**

The Retail Merchants Association business banquet will be held Tuesday, March 3, at 7:30 p. m., at the Slaton Club House.

The menu will be as follows: Roast turkey, dressing, giblet gravy, parsley new potatoes, green beans, cranberry sauce, celery, assorted pickles, hot rolls, butter, paradise pudding, and coffee. Plates are 65c.

**4-H Club Members To Get Assistance**

Plans are underway whereby Texas 4-H Club boys and girls may finance their Food for Freedom projects, Mildred Horton and Geo. Adams, state agents of the Texas Extension Service, have announced.

In a letter to county agricultural and home demonstration agents, they pointed out that loans for 4-H Club members may now be made through the Farm Security Administration in addition to the usual sources—local banks, individuals, the Farm Credit Administration, and so on.

County agricultural agents in two Texas counties, Briscoe and Lubbock, cooperated in an experimental FSA loan program of this nature in 1941. Committees planned to double the demonstrations in 1942 and continue them for at least three years.

posed of the agents, FSA county farm supervisors, teachers of vocational agriculture and farmers serving as adult 4-H Club leaders passed on applications for loans, and funds were handled by a bonded trustee.

"The operation of such loan programs not only provides the necessary money for 4-H food production projects, but gives the boys and girls valuable training in financing farm operations," the state agents pointed out.

One reads much comment nowadays about mechanical warfare and the adaptability of the Germans for mechanics, which may be quite true, but if the farmers of the southwest could be turned loose with baling wire, a monkey wrench or two and some scrap tin, they could probably turn out some tanks, guns and other war equipment that would frighten an enemy into full retreat.

Our automobile mechanics, farmers, and printers in a small town newspaper are usually very ingenious mechanics. If necessary, I believe a good farmer could take an old washing machine, a baby carriage, an old wagon tongue, and make a tractor out of them. The tractor might turn out to look like a cross between a whirlwind and an electric chair, but it would work and that's what I call mechanical genius. The Englishmen may not be very hot in mechanical aptitude, but I predict that if the farm boys from West Texas ever get at the Japanese or the Germans, the enemy will have a hard time stopping us.

In these days of storm and stress it is most pleasant to come in contact with men who live on farms and close to nature. Mr. A. P. Davis from Southland and Mr. W. O. Townsend, who has a modern farm near Slaton, were in our office last week and they do not have the nervous high jumps that the average town man portrays. They are well informed like most every man who lives on a farm and have a philosophy that enables them to keep down the effect of stress hysteria. The shortage of sugar, the restrictions on silk stockings and the prospect of no more girdles has not caused them undue alarm and they are doing some straight thinking. If any emergency should arise, I am sure it will be men like these, who are

**Most WOMEN of "MIDDLE AGE"**

38-52 yrs. old  
Suffer Distress At This Time—

If this period in a woman's life makes you cranky, nervous, blue at times, suffer weakness, dizziness, hot flashes, distress of "irregularities."  
The Lydia Pinkham's Vegetable Compound—made especially for women—famous for helping relieve distress due to this functional disturbance.  
Taken regularly—Lydia Pinkham's Compound helps build up resistance against such annoying symptoms which may betray your age faster than anything. Also very effective for younger women to relieve monthly cramps.  
Thousands of women report remarkable benefits! Get a bottle of Lydia Pinkham's Compound today from your druggist. Follow label directions. WORTH TRYING!

still able to plan and do things in a calm way, who will be the outstanding men of the country.

There are a lot of war marriages being performed and as an old experienced warrior in the battle of marriage I would like to give the brides some good advice.

Be as helpless as possible, never hang a picture or drive a nail if you can possibly get out of it, but if you must do such things, hang the picture crooked and pretend to mash your finger if you drive a nail. Never wash a dish until your husband comes home and is in a big sweat to go some place with you, he'll help out in order to get going, and before long, you will have him doing it all.

Develop symptoms early in the morning, when it is time to get up and your husband will bring your breakfast to you in bed for a week or two and after that he will go down to the restaurant for his coffee and bacon and you will be able to arise at a decent hour. Compliment your husband on how well he can broil the steak, mash the potatoes and mop the floor. Ask him what he does to make the steak so tender, the potatoes so light and the floor so shiny, when these duties arise at regular intervals, call on him because he can do it so much better than you can. Groan and moan every time a jar or bottle has to be opened and then turn it over to him and he'll show you how easy it is to do.

Do these things, sister, and you will have an overstuffed figure, a lot of time to shine your fingernails and a henpecked husband, but you'll get along.

A confidential talk with Allan Payne reveals that he is not the least bit worried about the prospective shortage in silk stockings, sheets, tablecloths and wool clothing; he is not excited about the prospect of having many of the items he sells in his store taken off the market. What Allan is worried about is the rationing of sugar.

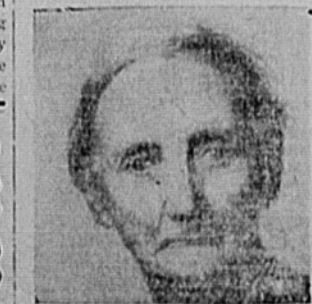

The news that a boatload of sugar had been sunk was the worst news of the war to him, and he immediately went home and ate up a two pound box of Miss Rona Schramm's candy, ate a big slice of cake and has been putting four tablespoonfuls of sugar in his coffee at every meal.

My work at times seems to be most trying and nerve straining, and I wonder why I ever chose the newspaper profession; I feel very sorry for myself until I have occasion to go into other places of business and see and hear about the trials of other men and women. To see M. G. Martin, with his magnifying glass screwed into his eye as he gazes at the interior of a watch makes me feel much better; to watch and listen to Dan Liles as he whams metal tanks

**Efficient Aid Of Hoyt's Compound Brot Better Health**

Hoyt's Compound Ended Back Pains, Kidney Misery and Night Risings, States Mrs. Carter of San Angelo.

Mrs. Ellen Carter of 31 East 16th Street, San Angelo, Texas, says: "I suffered muscular aches and pains in my limbs and back.

MRS. ELLEN CARTER

My kidneys gave me considerable trouble. I had very little control. I could not walk without pain and used a walking stick. "Now I have finished my second bottle of Hoyt's Compound and there is no question about the results I have gotten. The aches and pains have left my limbs and back completely. My kidneys bother me no more. I feel so much better and my appetite has improved. I am better in every way and owe it all to Hoyt's!"  
Hoyt's Compound is recommended and sold by the Teague's Drug Store and by all leading druggists in this area.

around and to go to any kind of public meeting or private entertainment and see Doctor Loveless called to the telephone on every occasion has just about convinced me that most every man in business is just a few jumps from being Napoleon Bonaparte, or from cutting out paper dolls.

Women are always very particular about doing repair work upon their own clothes, and spend hours twirling around in front of mirrors, squinting at the hem line of a dress, but it is different when they are asked to do a little carpenter work on a man's apparel.

Last Sunday my wife phoned our neighbor, Mrs. L. B. Wootton, to get the low down on when the next shower should be, and I don't mean a shower of rain, but Mrs. Wootton was too busy to talk at that moment, she was sewing up a rip in her husband's vest and Mr. Wootton was in the vest while the repairs were being made.

While I have not seen the vest or its owner, I am certain that the vest and the shirt he had on at the time, are practically one garment now, and I'll bet that the seam looks like the coast line of the Philippines; and I'm worried about the future sock situation.

Should a freezing order be put on socks, I would be compelled to make a choice between going without socks, putting them on from either end or wearing them with repairing done by my wife. The fly in the gravy is her method of darning socks, for she uses the draw string method which is similar to closing up a sack of Bull Durham tobacco, but it leaves knobs and knots wherever a blow-out has occurred and I am afraid to complain in fear that she will try Mrs. Wootton's method; I most certainly do not want my socks sewed to the soles of my feet.

There must be a definite decrease in the hen population lately or I have been getting more than my share of opportunities to eat hen. The trouble is that I care practically nothing at all for hen and especially cold hen and I am going to demand inside information on what is to be served before I go to another banquet, dinner or home meal.

Hen may be just what most people like, but to me it is just a reminder of a sad experience of childhood, when I overdid a meal of hen; just to look at the remains of an old cackler.

as it lies heels up in the air, gives me a feeling that my stomach is full of butterflies, and I'm making preparation to take a lard bucket of cold lunch with me to the next public dinner I go to.

And I would like to give some good advice to prospective grooms. Prepare for some very heavy squalls on the first few miles of the marriage voyage, after the squalls subside, watch out for sudden storms with just occasional rains and a norther right in the middle of the summer.

Start right out by putting your foot down, but be prepared to retreat, pat her on the back when she weeps, and if she brushes you off, get a newspaper and sit in the corner to sweat it out, do not let her run you out. Break up everything around the house you try to mend and drop ashes on the rug right at the beginning; if she howls about it, apologize, but keep on dropping ashes and after ten or twelve years, she'll be telling her friends that ashes keep moths out of the rugs and upholstery.

If she complains that you never tell her you love her, just remind her that you show it and that actions are stronger than words. If she gets too darn mean, get a divorce and start all over again.

Perhaps there are some pithy wisecracks made now and then by the younger generation, but I do not hear them, however, I doubt that they are as good as those that were popular when I used to be wise. The best ones I can remember are, "Beauty is only skin deep but who wants to be a cannibal." "A kiss is nothing divided by two!"

**DON'T LET CONSTIPATION SLOW YOU UP**

When bowels are sluggish—when you feel irritable, headachy and everything you do is an effort—do as millions of folks do. Chew FEEN-A-MINT, the modern chewing gum laxative. FEEN-A-MINT looks and tastes like your favorite gum—you'll like its fresh mint flavor. Simply chew FEEN-A-MINT at bedtime—sleep without being disturbed—next morning gentle, effective relief. You'll feel like a million, full of your old pep again. A generous family supply of FEEN-A-MINT costs only 10¢.

10¢ FEEN-A-MINT

**Dedicated to Service for VICTORY!**

From the farms . . . the ranches . . . small communities . . . large cities and industrial centers America is answering the call to victory. The things you grow, the work you do is daily becoming more important to the aid of our nation. This community, whatever its service may be to our nation, will find Santa Fe ready and able to perform the transportation services needed. For the transportation tasks at hand and for those ahead, Santa Fe has dedicated its services to victory!

**"TIRED" of worrying with your car?**

Honey which has crystallized can be liquified by placing the jar in moderately hot water at about 140 degrees F. It should not be heated to a higher temperature for that will injure the flavor and color.

**IF CAR STAMP GETS STOLEN**

Relief for owners suffering loss or theft of federal motor vehicle use tax stamps has been made available by the United States Bureau of Internal Revenue, provided proof of original payment of the tax can be established. Numerous reports of thefts have been filed.

Motor vehicle owners should fill out and mail to the Bureau of Internal Revenue the postal card supplied at the time use tax stamps are purchased. This will help establish proof of payment of the tax in event of loss or theft of stamps. Owners seeking relief in such cases will be required to submit an affidavit to the District Collector of Internal Revenue giving information concerning purchase of the stamps, and the vehicle to which it was attached, together with a statement of facts and circumstances surrounding the theft or loss of the stamp.

If the collector is satisfied as to the validity of the claim, a statement will be given the owner which will be accepted by Federal officers as evidence of payment of the use tax on the vehicle described for the period indicated, but lost or

**WASTE PAPER BALER PLAN AVAILABLE NOW**

College Station, Feb. 19—Here's good news for communities and organizations which are taking part in the waste paper collection campaign!

Blue prints showing how to build a portable, hand operated waste paper baler are now available. The machine will compress paper to bales 14 by 18 by 18 inches which will weigh around 30 pounds.

"Baling waste paper in the hand press is comparable to baling cotton at the gin for convenience of handling and storage," M. R. Bentley, agricultural engineer of the Texas A. & M. College Extension Service who drew the plans, pointed out. "Later waste paper trade will compress the small paper bales into high density bales, much as cotton bales are handled at the compress."

Bentley worked out the design at the request of J. C. Yeary, county agent at LaGrange, who said Fayette County organizations were having trouble handling the stolen stamps will not be replaced without charge.

large volume of waste paper collected by 4-H Club boys and girls, vocational students, Boy Scouts and others.

The demand for the drawing became so great that it is to be issued in blue print form in the future.

A hand operated waste paper baler in use at A. & M. since 1915 served as the model for Bentley's design. The 27-year-old press is still in first class condition.

Cost of the materials for building the baler will run to around \$4. The blue print may be obtained free through county agents or by direct request to the Extension service, Texas A. & M. College, College Station, Texas.

## Tuesday Tea Honors Miss Wilson, Bride-Elect of Travis Ferguson

Mesdames S. H. Adams, J. H. Brewer, R. E. McReynolds, and Fred England were hostesses to a twilight tea given Tuesday in the home of Mrs. England to honor Miss Janet Wilson, bride-elect of Travis Ferguson, whose marriage is to take place March 7.

Guests were greeted by Mrs. England, giving with the honor Mrs. W. F. Ferguson, mother of the groom-to-be and Mary Ann Wilson, sister of the bride-to-be.

Mrs. H. T. Swanner presided at the silver service. The dining table was covered in a white Irish linen cloth and centered with an arrangement of white carnations and sweet peas. Ice cream molds of miniature wedding bells and slippers, and white cocoanut balls were featured in the appointments. White tapers placed throughout the house offered the lighting effect. Assisting in serving were Mesdames Walter Day of Fort Lauderdale, Florida and Albert Westfeld of Arlington, Virginia.

Musical selections were rendered during the evening by Mrs. Bryan J. Williams of Post and Miss Betty Lou Turner.

Approximately 50 guests called between the hours of 7:30 and 9:30 p. m., and registered in the guest book at which Miss Phyllis McReynolds presided.

A gift was presented the honor by the hostesses.

## Book Review At W. S. C. S. Monday

The Women's Society of Christian Service of the First Methodist Church met at the Parsonage Monday at 1:30 p. m. for a covered dish luncheon and business meeting.

Mrs. H. C. Gordon, president, presided at the business meeting. Mrs. Todd gave the invocation. Mrs. Jeff Dean of Sparenberg, Texas, reviewed the book, "Mother of the Smiths" by Lorraine Carr.

Circle One will meet next Monday with Mrs. L. R. Tibbs, Circle Two with Mrs. Wallace King and Circle Three with Mrs. R. W. Ragsdale.

## HOME DEMONSTRATION CLUB SELECTS GOALS

At a recent meeting of the Slaton Home Demonstration Club at the home of Mrs. J. F. Henry, the members selected their food and yard goals for the year.

Miss Clara Pratt, county home demonstration agent, told the group that in pruning, make clean, smooth cuts close to the trunk or main stems and avoid tearing the bark. That means, use good pruning shears.

Mrs. Douglas Watson was enrolled as a new member.

Those attending were Mesdames Roy Collins, J. F. Henry, E. E. Wilson, W. H. Long, R. C. Hall, I. C. Tucker, Annie Reed, C. E. Lilley, J. M. Wheatley, W. N. Williams, Henry Robinson and Miss Clara Pratt.

The club will meet again Wednesday, March 4, 1942, at 2 o'clock at the Slaton Club House.

## BILLIE JEAN TUCKER TO PRESENT JR. RECITAL

Mrs. A. B. Griffith will present Miss Billie Jean Tucker in a Junior Piano Recital tonight, at the Slaton Club House at 8:30 p. m. J. C. Tucker, baritone, and Mrs. I. C. Tucker, accompanist, will assist. The public is invited.

The program will read as follows:

- Sonatina, Op. 20, No. 1 — Kuhlau
- Chanson Triste — Tchaikowsky
- Star Dust — Carmichael
- Scherzo in E Minor — Mendelssohn
- Largo — Handel
- Ol' Man River — Kern
- Pas Des Fleurs — Delibes
- Fresh Life — Spindler
- Dear Mom — Harris
- Gypsy Rondo — Hayden
- Hollyhocks — Risher
- A Perfect Day — Bonds
- Coasting — Burleigh
- Farewell to the Piano — Beethoven
- Misses Sara Ann Shaw, Jo Ann Tefertiller, Barbara Ann Bates, Geanne E. Martin will serve as ushers.

## Nursing Class Begins Tuesday

The Home Nursing Course, under the auspices of the Red Cross, will begin Tuesday, March 3. The classes will be held from 9:00 until 11:00 a. m., on Tuesdays and Fridays for six consecutive weeks. The course will be instructed by Mrs. Harold Stubbs, R. N., and classes will meet in the dining room of the Masonic building. This room is located directly above Martin's Jewelry Store.

The course is open to every woman in Slaton and everyone is urged to be present Tuesday, March 3 at 9:00 a. m.

## MRS. WILLIAMS IS GUEST AT AUXILIARY MONDAY

Seventeen were present for a regular semi-monthly meeting of the Presbyterian Ladies' Auxiliary at the home of Mrs. R. C. Matthews Monday afternoon.

Mrs. S. A. Peavy was leader of the program. Members of the Auxiliary presented Mrs. J. Paul Stevens with a dish towel shower.

Mrs. R. C. Williams, mother of Mrs. Matthews was a guest.

Mrs. K. L. Scudder will entertain the Ladies on March 9.

## FIFTEEN MEMBERS AT REGULAR CLUB MEETING

The Nineteen Forty Study Club met Thursday, February 19 in the home of Mrs. Ben Mansker, 905 West Jean.

A lesson in Practical English was directed by Mrs. Bill Layne. At a short business meeting, a discussion of Defense Activities was held.

A refreshment plate was served to each of the fifteen members present.

Mrs. R. E. McReynolds will be hostess at a meeting on March 5.

## W. T. S. T. C. EXES TO HAVE ANNUAL DINNER

The West Texas State Teachers' College Exes of the South Plains will have their annual dinner honoring faculty members of W. T. S. T. C. at the Mexican Inn in Lubbock, Monday, March 2, at 6:15 p. m. Since this is the same night that the "Tall Buffaloes" invade the South Plains, a large number of the Faculty will be present. Anyone who plans to attend should make arrangements with Mr. Ishmall Hill, 3618 Avenue U, stating their choice of chicken or Mexican plate, not later than Monday noon.

## Sub Debs Meet On Saturday

### PRESENT PROGRAM IN CHAPEL AT SENIOR HIGH

The Delta Sigma Sub Deb Club met in the home of Miss Mary Mann Sargeant, on Saturday, February 14, with the President, Miss Connie Henry, presiding.

Plans were discussed and completed for the chapel program, Wednesday, February 18, at the Senior High School.

Refreshment plates were served with favors of valentines to each member.

### Present Chapel Program.

The Subdebs presented the chapel program at the Senior High School Wednesday, Feb. 18. The program consisted of: A salute to the Marines, the Navy and the Army. A short skit, "Going Steady," by Misses Charlene Fisher and Gwendolyn Hanna. A reading, "Poor Coed," by Miss Phyllis McReynolds. In conclusion, Miss Corinne Cates sang a medley of songs, including "My Buddy" and "Remember Pearl Harbor." She was accompanied by Mrs. Allen Ferrell, who played the accompaniment for the entire program.

### RED CROSS TO MEET THREE DAYS EACH WEEK

Mrs. H. R. McKee, Production Chairman of the local Red Cross chapter, called a meeting at her home Tuesday afternoon and with Mrs. Fred Schmidt, Sewing Room Registration Chairman, and other members of the Executive Committee, made plans for the opening of the sewing room just as soon as materials arrive. It was decided to have Mondays, Tuesday and Wednesdays from 10 a. m. to 5 p. m., as working days. Daily chairmen will be appointed by Mrs. Schmidt. Due to circumstances beyond control, material for Lubbock County has been delayed. Further notice will be given when they arrive.

### BIBLE STUDY.

The Forrest Bible Study will meet Tuesday at 3:30 p. m., at the Methodist Church.

Lesson: Studies in the Book of Genesis (The Life of Abraham, chapters 12-15.)

(1) Name the seven promises which God made to Abram if he would follow Him. 12:2, 3.

(2) Which of these seven promises is a prophecy of Christ?

(3) How old was Abram when he left Haran? 12:4.

(4) What is the first thing Abram did in his new home? 12:7.

(5) Was there any truth in the statement which Abram told Sarai to make? 12:13. Cf. 20:2, 12.

(6) What was the reason Abram gave for wishing to avoid strife? 13:8.

(7) Name four steps in Lot's backsliding. 13:10-12, 14:12.

Mrs. L. R. Tibbs.

### CONGRATULATIONS.

Congratulations to Mr. and Mrs. L. E. Hinson of Route 1, Slaton, on the birth of a son, Jack Dwayne, weighing 8 pounds and 5 ounces.

### CLINIC REPORT.

TONSILLECTOMIES: February 9, N. D. Luman, City. Feb. 11, Rasa Mirelez, City. Feb. 12, Mrs. Nell Secrett, col. Feb. 20, Miss Ruth Walters, Rt. 1, Slaton.

Feb. 23, Patsy Joe Childress, Post.

Feb. 24, LaVerne Richardson, Lorenzo, Route 1.

### BIRTHS:

A son, weighing 7 lbs., to Mr. and Mrs. Earl Warren, on February 7.

A son, weighing 6½ lbs., to Mr. and Mrs. L. G. White, on Feb. 11.

A son, weighing 9½ lbs., to Mr. and Mrs. Floy Richardson, on Feb. 11.

A son, weighing 8½ lbs., to Mr. and Mrs. Henry Rinne, on Feb. 14.

A son, weighing 8½ lbs., to Mr. and Mrs. L. E. Hinson, on Feb. 22.

Mr. and Mrs. R. C. Williams of Wellington, Kansas, parents of Mrs. Roy Matthews have been recent guests in the home of the Matthews. They returned to their home Wednesday.

## Miss Bechtel Is Honored At Miscellaneous Shower Friday

Miss Marion Bechtel of Amarillo, bride-elect of Fred Bartlett of Houston, was honored Friday morning with a miscellaneous coffee shower in the home of Mrs. K. L. Scudder.

Guests were greeted by Mrs. Scudder, the honoree, and Mrs. R. B. Bechtel, mother of the bride-to-be.

Guests were directed to the dining room, where the Mexican theme was carried out. The table was laid with a cloth of corresponding nature and pottery was used for serving. The centerpiece of fruit was attractively arranged with imitation limes attached to branches extending around the fruit.

Guests called between the hours of 10:00 and 11:30 a. m., and registered in the bride's book, at which Mrs. J. H. Brewer presided. Gifts were displayed in the bedroom and the living room for the benefit of the guests.

Assisting in hospitalities were Mesdames N. R. Carter, K. C. Scott, R. D. Hickman, Van Stokes, W. M. Cates, W. B. Williams, R. G. Loveless, R. E. McReynolds, J. Paul Stevens, L. B. Wootton, M. G. Martin, Brewer, and Scudder.

The wedding is to take place at the First Presbyterian Church in Slaton February 28.

## Civic Club Has Buffet Supper

The Junior Civic and Culture Club met Wednesday evening, February 25, in the home of the club president, Mrs. J. B. Stevens, for a buffet supper, with Mrs. E. J. Kenney as hostess.

The patriotic theme was carried out in the table decoration, with flags and red, white and blue candles. An extensive business meeting followed the supper. There were 16 members present.

The program was given by Mesdames J. A. Wright, M. C. Hodge, W. D. Hardy, and Miss Lilac Yeats, on miscellaneous subjects.

The club members will be entertained at the clubhouse March 10 with Mesdames T. J. Settle and Chas. H. Walton as hostesses. The Senior Civic and Culture Club is to present the Texas Day program.

## Luncheon At Mexican Inn

Seventeen members of the Bluebonnet Club attended a luncheon at the Mexican Inn at Lubbock Wednesday, February 25, to honor incoming and outgoing officers.

A business meeting was held following the luncheon, with the president presiding. New officers are to assume duties the first of March. Mrs. C. C. Cramer, past president, who recently moved to Albuquerque, New Mexico, was given a handkerchief shower. She was unable to attend the luncheon, however.

Mrs. L. T. Garland will be hostess to the next meeting, which is to be March 11.

## INTERESTING PICTURES EXHIBITED AT CLUB

Members of the Slaton Art Club were entertained Tuesday, February 24, in the home of Mrs. Harvey Tunnell, with Mrs. M. J. Turnbow as joint hostess. Mrs. Turnbow was not present as she was called out of town unexpectedly.

Mrs. D. L. Kent, president, presided at the business meeting. An agreement was made to do sewing for the benefit of the Red Cross.

Roll call was answered with "What we see in the museums." Mrs. Kent gave a talk on "Design."

Picture exhibits included two miniature pastel copies by Mrs. Kent; a water color copy by Mrs. J. R. McAttee; a "Landscape" copy by Mrs. E. V. Woolever; and a "Bowl of Heavenly Blue Morning Glories," original by Mrs. Tunnell. Exhibits of wood carvings done by Mr. Howard were displayed.

The meeting next month will be in the home of Mrs. Hammer Dawson, with Mrs. Woolever as joint hostess. The date is March 31.

Guests in the home of Mr. and Mrs. W. P. Florence Thursday evening included Miss Annie Laurie Lewis and Mrs. H. E. Woillard, both of Lubbock, and Sgt. Don O. Hart of the Army Air Base at Hurlwood.

### SEMI-MONTHLY CIRCLE MEETING ON MONDAY

The Martha Circle of the First Baptist Church met Monday afternoon in the home of Mrs. I. C. Tucker, with 11 members present, for a regular semi-monthly meeting.

Those present were: Mesdames George Marriott, teacher of the Bible Study; W. O. Bowen, C. C. Young, Carl Gryder, Fred Stephens, Guy Brown, Milton Thomas, Herman Shelton, M. J. Harvey, J. H. Teague, Jr., and the hostess. The next meeting will be the second Monday in March, which is the 9th, at the home of Mrs. Thomas.

## AUTOMOBILES SHOULD BE ACKNOWLEDGED NOW

In order to keep an automobile in perfect condition it is necessary

**When Your Car or Tractor Needs Parts or Accessories**  
**YOU'LL SAVE MONEY IF YOU SEE**  
**O. D. KENNEY**  
**AUTO PARTS**

to attend to each separate part accordingly. At the present time it is vital to keep your car in good running order, so that it may be preserved during the present emergency. If you let your car get in a rundown condition, it will not even be worth saving or conserving. Even if you do conserve it will pay you to keep your car up to the mark for driving.

O. D. Kenney advises you to come in and look around at all the useful gadgets, as well as vitally important parts for your car. He has the utmost selections in national products for autos. It would be worthwhile to drop in and look around. Ask O. D. for suggestions as to the reconditioning of your car.

## YOUNG WOMEN SHOULD PREPARE THEMSELVES

At the present time any young woman who passes up the opportunity which circumstances have provided her is making a great mistake. Due to so many vacancies in all sorts of positions, it is not at all difficult to secure a good job with handsome salaries and chances for advancement. Anyone having secretarial work can be trained into any type of position and at the present time, according to the reports of thousands of employers, there is a great demand for young women workers. Secretarial work is obtainable at most every city.

In Lubbock Draughon's Business College is the outstanding business institution. Every day thousands of employers call this stable institution to inquire of the men and women workers who have had training there. Graduates of Draughon's have absolutely no difficulty in securing most any line of work they desire. Persons interested in this particular study can inquire at Draughon's and receive complete details as to the school's characteristics.

## BOOKLETS OBTAINABLE TO AID FFF PROGRAM

Years ago the Burrus milling organization was founded by W. C. Burrus. Its purpose was to give to fellow citizens and workers the finest product that science, human effort, capital and honest business procedure could produce. It was realized more than a decade ago, that the need in the Southwest for adequate distribution of properly

## Make Every Meal A Company Meal!

IT'S easy to let your family meals get into a monotonous rut. That, on the surface, seems to be the easiest way to keep them simple and within your budget.

But with a little imagination, and no more time than you would ordinarily spend in your kitchen you can prepare meals that will delight your family. Dorothy March, writing in the February Good Housekeeping magazine, has some suggestions to make, and if you follow her advice she predicts you'll find a pleasant reward in seeing your family respond in enjoyment—and in good health too, if you'll choose menus that meet the needs of good nutrition. Here is one menu she has prepared that is a far cry from the run-of-the-mill family meal.

## LEMON MILK SHERBET

- 1 envelope plain, unflavored gelatin (1 tbe.)
- 4 c. milk
- 1 1/2 tsp. salt
- 1 1/2 c. granulated sugar
- 3/4 c. lemon juice
- 1 tsp. grated lemon rind

Soak gelatin in 1/2 c. of the milk in a bowl for 5 min. Then set bowl over boiling water, and stir until gelatin is dissolved. Combine rest of ingredients with remaining 3 1/2 c. milk. Stir in -relatin. Turn into freezing tray of automatic refrigerator, and with temperature control at coldest setting, freeze, until set, without stirring. Serves 5 or 6.

Serve with hot canned vegetable-juice cocktail, pan-fried blenders, boiled sweet potatoes, buttered onions, rye bread, and coffee, for dinner.

mixed feed of uniformly high quality was great. So, then, the great Burrus Texo Feed Mills were built and equipped with the most modern and efficient grinding and mixing machinery.

According to Bill Stevenson at Driver's hatchery, there is and will be a shortage of Poultry Supplies such as: Feeders, Fountains, Brooder stoves or anything made of metal. However, due to the fact that Driver's bought a limited amount of these articles before the outbreak of the War, they are fairly well supplied and will be able to take care of the needs of the old customers and a limited number of the new ones. If there is a possibility of your old brooder being unsafe, see Driver's about a new one, as the supply of brooders is very limited. Selections may be made from kerosene, butane or electric brooders. You are always welcome to look over the chicks and equipment at Driver's.

The Burrus organization is helping in the Government's poultry program and has available feeding bulletins for free distribution to those interested in helping the "Food For Freedom" program by increasing the quality and production of chickens, turkeys, cattle and dairy herds. These feeding bulletins will be sent without cost or obligation to anyone by Driver's Hatchery, Slaton, Texas.

**Hyphens Had No Horror for Him**  
 By IRVIN S. COBB

THERE lives in a certain western city a gentleman who wears the euphonious name of Mr. Cave-Brown-Cave. Whosoever addresses him formally is expected to use the full name and both the hyphens.

On one occasion, when he found himself in another city, he took steps temporarily to engage a valet whose name was Home. When master and man met for the first time Home addressed his employer as "Mr. Cave." "For your information, Home," coldly responded the new boss, "my name is Cave-Brown-Cave, by which I prefer to be addressed." "And mine," retorted the valet, "is Home-Sweet-Home."

## MANY UPSETS IN SLATON BOXING TOURNAMENT FINALS

In the final bouts of the Slaton Amateur Boxing Tournament, held last Monday night at the Slaton High School auditorium, exhibitions of unusual skill were demonstrated by the finalists, made up from the winners of the first two contests, held Monday and Tuesday, Feb. 16 and 17.

Tahoka carried off the trophy for the teams represented, with a total of 10 points, Lubbock's team came out second, Slaton and Littlefield tied for third place, and Post was fourth.

Who were:

Welterweight, Raymond Joe Reed, Hale Center, decision over Dale Odum of Lubbock.

Middleweight, Melvin Hargrove, Seminole, decision over Warner Schafner of Tahoka.

Light Heavyweight, Frank Novak, Texas Tech, outpointed Elwood Wright of Lubbock.

Heavyweight, Joy Glen Ward, Floyddada, knocked out Buck Ewing of Lubbock.

85 pound class, Balch of Lubbock, defeated D. C. Brannon of Post.

A capacity crowd attended the exhibitions and Coach Stumpy Hamilton of the Slaton High School, who promoted the contests, expressed himself as being greatly pleased with the sportsmanship shown by the contestants and with the interest shown by the people of this community.

expects this year to be one of the most active for this line of business and he says that the Slaton Food Center is preparing to do its part by providing an outlet where the producer can get best market prices.

### Junior High News.

#### MR. HARVEY'S ROOM.

Mr. Harvey's room presented the chapel program Wednesday. The name of their play was, "Troubles of a High School Editor." The people in the play were: R. C. Stevens, Tommy Davis, Wilma Jean DeBusk, Wilma Faye Faldkner, Mary Lou Punkoney, Kenneth Jobe, Marion Wilson, and Amaline Schuette. The play was a comedy and was full of action.

We are glad to have Mr. Harvey back after two weeks absence because of a good case of mumps. He surely had the "swell head", but we think he is a swell guy.

We enjoyed having Mrs. Harvey teach for us while Mr. Harvey was ill.

We still have some out with the mumps and measles. Roland McCormick and Rister Jenkins are sporting broken arms. Better be careful, boys and girls. These two can tell you that "safety first" really pays. They are sorry they didn't heed safety rules better.

Our basketball season was brought to a successful conclusion last week, with a defeat of the "Calf Ropers" of Lubbock Junior High. The score was 21 to 25, in favor of Slaton Junior High Cubs.

#### MRS. WILHITE'S ROOM.

Mrs. Wilhite's home room elected the following officers to serve through the month of March: Billie Louise Brown, Mayor; Wanda Mann, Asst. Mayor, Max Jones, Secretary. Best boy and girl citizens, Thomas Earl Pate, Uvaughn Bounds. Most improved boy and girl, Bobbie Lee Jones, Gloria Jean Lively.

Honor table students for the week: Wanda Martin, Wanda

Mann, Neil Wells, Max Jones.

#### BIG CITIZENSHIP CLUB.

The Big Citizenship Club held its regular meeting on Tuesday.

The four outstanding citizens selected to remain through March are, Bobby Burnett, Grady Burnett, Tommy Davis, Dwayne Walters.

The most important problems discussed were bicycle riding on sidewalks, cooperation with mayors, and writing on sidewalks. Reports were made of a successful air raid drill, and improvement in cooperation on the school grounds.

#### MISS WATKINS ROOM.

The officers were elected for the month of March as follows:

Mayor, Bertie Lee Dominguez; assistant mayor, Charles Meeks; secretary, James Brake; best girl, Claire Matthews; best boy, Junior Huskey; most improved girl, Bennie Molina; most improved boy, James Powers; coat monitors, boys, Othor Dee Dillard; girls, Bertie Lee Dominguez; room monitor, Tom Wheatley and Herman Taylo.

We hope we chose wisely in this election.

#### MISS POOL'S 7TH GRADE.

In our Citizenship meeting this week, we elected officers for Mar. Mayor, Lavenia Wilson; President, John Schmidt; vice president, Vista Ward; secretary, Betty Ann Willis; best boy citizen, Johnnie Zimmerman; most improved, Bobbie Hoover; best girl citizen, Reta

**FRED MACMURRAY**  
 star of the Paramount picture, "One Night in Lisbon," flashes a shining smile. Many Hollywood stars rely on Calox Toilet Powder to keep their teeth really clean—really sparkling.

**Calox TOILET POWDER**

Stephens; most improved, Dixie Nell Stevens; appointed by Miss Pool, Phyllis Tefertiller; room mother for March, Mrs. E. H. Ward.

Last month, Mrs. Tefertiller and Mrs. Skelton, our room mothers, treated us with refreshments at our Valentine Party.

#### MISS YATES' ROOM.

The officers for March are as follows:

President, Betty Jo Gentry; secretary, Glenna Sue Liles; vice president, Billie Jeanne Jobe; teacher's choice, Joy Holloman; Mayor, Blanchard Pritchard; asst. mayor, Norma Jean Bickers; reporter, Barbara Schilling; most improved girl, Billie Ann Hoover; most improved boy, Duane Tefertiller.

On the honor roll in spelling this six weeks we have Roscoe Champion and Norma Jean Bickers; as each made 100 percent on the test and on the weekly spelling.

**ORDINANCE.**  
AN ORDINANCE PROHIBITING THE DISCHARGE OR SHOOTING OF FIREARMS WITHIN THE CITY OF SLATON, TEXAS; REGULATING THE SHOOTING OF AIR GUNS, REPEALING ALL ORDINANCES IN CONFLICT HEREWITH, AND DECLARING AN EMERGENCY.  
BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SLATON, TEXAS:

Section 1. It shall hereafter be unlawful for any person to fire off or discharge any gun, pistol, rifle or other firearm of any description within the corporate limits of the City of Slaton, Texas.

Section 2. The preceding section shall not apply when such firing is done in the necessary and lawful protection of one's person, premises or property, unless such firing be recklessly or negligently done.

Section 3. It shall hereafter be unlawful for any person to shoot or discharge any air gun or air rifle of any description in, on or across, or near to any building,

park, street, or alley within the corporate limits of the City of Slaton, Texas.

Section 4. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not to exceed One Hundred Dollars (\$100.00).

Section 5. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 6. In view of the fact that this ordinance is necessary for the immediate protection and preservation of the public safety and general welfare, it becomes necessary that this ordinance shall be in full force and effect immediately from and after its passage and it is accordingly so ordained. Passed and approved, this 9th day of February, 1942.

J. H. TEAGUE,  
Mayor, City of Slaton, Texas.  
ATTEST: E. H. WARD,  
Secretary  
(SEAL) 3tc28

**ORDINANCE.**  
AN ORDINANCE PROHIBITING THE SALE AND DISCHARGE OF FIREWORKS, TORPEDOES, ROCKETS, ETC.; WITHIN THE CITY OF SLATON, TEXAS, REPEALING ALL ORDINANCES IN CONFLICT HEREWITH, AND DECLARING AN EMERGENCY.

Section 1. No person, firm, company, corporation or association shall cast, throw or fire any squib, rocket, cracker, torpedo, grenade, gun, revolver, pistol, cap or cartridge, or other combustible fireworks of any kind in the City of Slaton, Texas.

Section 2. No person, firm, company, corporation or an association shall exhibit or have in his possession, with the intent to give away or sell or offer for sale, within the City of Slaton, Texas, any squib, rocket, cracker, torpedo, grenade, gun, revolver, pistol, cap or cartridge classified and known as fireworks or noise making devices, or other combustible fireworks of any kind within the City of Slaton, Texas, provided, however, that this section shall not apply to the sale of any such article or articles by wholesalers to each other or to the sale of any such article or articles at wholesale sale to merchants conducting business entirely without the City of Slaton, Texas, or to the sale by wholesalers for private or public demonstration as hereinafter provided.

Section 3. Nothing in this ordinance shall be construed to apply to the sale, storage or use of railroad track torpedoes, or other signalling devices used by railroads, or to the sale, storage or use of flashlight composition by photographers or dealers in photographic supplies, or to prevent any public or private demonstration or display of fireworks of any kind if conducted under proper police supervision after application has been made and permit issued by the Chief of the Fire Dept. of the City of Slaton, Texas, for such demonstration. Said permit shall not be granted unless such demonstration or display shall be of such a character, and so located, discharged or fired, as in the opinion of the said Chief of the Fire Department after proper inspection, shall not be hazardous to property or endanger any person or persons.

Section 4. Any person, firm, corporation, company or association who shall violate any of the provisions of this ordinance, or suffer or allow the same to be violated, shall upon conviction thereof be fined in any sum not to exceed One Hundred Dollars (\$100.00).

Section 5. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 6. In view of the fact that this ordinance is necessary for the immediate protection and preservation of the public health, safety and general welfare, it becomes necessary that same shall be in full force and effect immediately from and after its passage and it is accordingly so ordained. Passed and approved, this 9th day of February, 1942.
