Eggs To Get A Break This Easter

With eggs taking the place of many rationed foods and with candy eggs at a premium, the prospects for extensive Easter Egg hunts are slender. Easter pleasure trips are also under the ban, but there are no restrictions on church attendance.

The Methodist Church and the Presbyterian Churches in Slaton have prepared feature musical programs for next Sunday, the Baptist Church is holding special revival meetings and the St. Joseph's Catholic Church, The Church of Christ, The First Christian Church and the Four Square Gospel Church have all issued invitations to visitors.

It is also whispered about that there will be some revelations in women's hats, as well as some surprises in dresses to cause comment, especially among the women.

Former Slaton Mother And Son Both In National Defense

The following article, taken from a Stockton, California newspaper, will be of interest to many people here in Slaton who know the Jones family:

"When Mrs. Mildred Jones was a teen age girl during the last World War she promised herself that if ever there was another war she would do more for her country than she was doing then.

"A few years back when Bill, one of her three sons, was just a kid in grammar school, he told his mother: 'I want to get in the navy as soon as I can'. Now both of their promises have come true.

"Mrs. Jones, 42, 5-foot 1 inch, assistant storekeeper at the Stockton Ordnance Depot, has been accepted as a WAAC and is awaiting a call to her training station; probably to Des Moines, Ia.

"Seventeen-year-old Bill Jones has just received his new rating of seaman second class after joining the navy last September and has been sent to radio school at Pearl Harbor.

"Another son, Weldon T. Jones, 22, assistant manager of the J. C. Penney Company in Tracy, is scheduled for army service soon. The third, W. L. Jones, Jr., 24, is in vital war work in Texas.

"Mrs. Jones, of 329 North Sutter Street, found it no easy matter to become a WAAC, however. A member of the Ambulance Defense Corps here for one and a half years she made her application as a WAAC five months ago. She was

turned down cold.

"Underweight, Mrs. Jones went on a special diet to build her tiny figure from 107 pounds to the present 114 pounds. A week ago she succeeded in passing the examination in San Francisco and was sworn into the service.

"From her home in Texas, Mrs. Jones came to Tracy five years ago. Three years later she moved to Stockton. Her now sailor son, Bill, attended high school here and was employed part-time at Currow's bakery."

Farm Scenes Are Identified

The illustrations of farm scenes that appeared on page two of last week's Slatonite have been identified by Mr. M. A. Pember, who says all of the scenes were originally used on a circular that he had printed back in 1915. The circulars were distributed to prospective settlers who were brought here by the Santa Fe Railroad.

The three big onions were raised by Dad Kirkendall, several of the scenes were taken on what is now the Joe Kitten place and several scenes show Mr. Pember and his brother-in-law, Geo. Buckley, who were promoting the sale of land in this part of Lubbock County. Mr. Buckley died several years ago.

AREA IS SHORT OF BOND GOAL

\$97,000 To Go In Second Drive

In a breakdown of Bond Sales in this section, Kirby Scudder reports that \$102,675.00 in Bonds have been sold through all outlets that have reported on the 2nd War Loan Drive.

The greater part of the money represents the sale of Series E Bonds, selling up to \$1,000.00, with a limited amount coming from large investors and from those in agricultural pursuits.

With the quota of \$200,000 for this section, we are considerably short and Mr. Scudder says that he hopes the farmers will invest more than they have to date in the Bonds. The men and women who are working on salaries have been doing more than their share, according to reports, and if we are to do as well as the other parts of Lubbock County, we will have to do a lot more buying.

The above figures do not include the purchases made by the Santa Fe, Ray C. Ayers & Son, The West Texas Cotton Oil Co., and other firms that are co-operating in the 10 percent Deduction Plan.

There is a possibility of several business firms of this section making heavy purchases of 2nd War Loan Bonds before the drive is over, which might put Slaton and this section of the County on a par with the other localities of the County.

Rev. Stevens To Review 'The Robe'

On Tuesday night, April 27, at 8:30 o'clock, at the Club House, the Junior Civic and Culture Club will sponsor a review of Lloyd C. Douglas' latest book, "The Robe," to be given by the Reverend J. Paul Stevens, with Misses Elizabeth Bostick and Ruby Lee Walker furnishing musical accompaniment.

This book has been hailed by critics as the best of Mr. Douglas' efforts to date, even surpassing his "Magnificent Obsession," which was a best-seller for years and an unforgettable motion picture.

"The Robe" has been called by the Dallas News, "the number one morale builder of the war," and is especially appropriate at this time. Rev. Stevens is recognized as a speaker of exceptional ability, and his review of this inspirational book promises an evening well spent. The Club House will open at 8:00 p. m., so that the review may start promptly at 8:30. Tickets are twenty-five cents and may be purchased in advance or at the door. For reservations, telephone 277-W or 588.

NEW ROTARY DIRECTORS TO ATTEND DISTRICT ROTARY MEETING

New directors to be installed at the Rotary Club in July will be O. Z. Ball, G. T. Baldwin and W. E. Payne. They are to take the places of Herschel Crawford, Carl Evans and A. M. Jackson.

Odie Hood, recently elected President of the Slaton Rotary Club, and Allan Payne, Secretary-Treasurer of the Club, will go to Abilene over next Sunday and Monday, to attend the Annual District meeting of the Club. The meeting will be addressed by Charles E. Paxton, Governor of this District.

Many Letters Of Appreciation Received By Slaton USO Unit

PAYNE'S DEPT. STORE RECEIVES SHIPMENT OF NEW PATTERNS

Among the many new lines of merchandise that have been added to Payne's Department Store recently, is a line of Hollywood Patterns featuring designs of both women's and children's clothes.

"We feel exceedingly fortunate in being able to secure this distinctive line of patterns," said Mr. Payne. "We consider this one of the most popular lines of patterns that can be had and we feel sure that the women of this section will be pleased with them. It is just another one of the new lines we have added to our stock this season."

ABOUT SLATON Women in the Service

FORT DES MOINES, Ia.—Auxiliary Zerva L. Smith of 1045 S. 11th St., Slaton, has completed basic training at the First Women's Army Auxiliary Corps Training Center here, and has been selected for specialist training in Administrative School.

She will receive additional training in a specialized field preparatory to taking over an important behind-the-lines Army job, releasing a soldier to combat duty.

Golf Course Deteriorating

Claude Anderson, who has been devoting his attention to getting the Santa Fe Golf Club into active operation, reports that Slaton will not have a Golf Course next season and that the course will be very poorly attended to this season unless more interest is shown in the Club soon.

The lease on the grounds has been paid for this season, said Claude, but the grass is almost dead on the course and no work has been done or is likely to be done on it, unless those who hold memberships in the Club get together and make arrangements to put the grounds in shape and to hold the Club together.

OUR BOYS WITH THE COLORS

Wallace Sanders was home on a three day pass this week, visiting his parents, Mr. and Mrs. W. H. Sanders, 720 South Sixth. He is stationed at a Supply Depot in Tampa.

Corporal Arvel Kitten, son of Mr. and Mrs. L. B. Kitten, arrived Thursday from Macon, Georgia, where he is serving in the Army Air Force as a Technician fifth grade in the Medical Corps. Cpl. Kitten says that there are plenty of Georgia "peaches" there.

Corporal E. G. Reese, former Slaton boy, has been moved from Fort Leonard Wood, Mo., where he has been in training the past four months, to Belvoir, Virginia, where he will attend O. C. S. He is the son of Mrs. W. G. Reese.

Clyde Doherty has received a promotion and is now a Gunner's Mate 3rd class. He writes from "somewhere in the Pacific" that he is getting along fine.

Carl Townsend, who is a Pharmacist Mate stationed at the Great Lakes Naval Training Station, has been home on a seven day furlough. Mrs. Townsend and small daughter accompanied him.

Sgt. Wayne E. Polk, stationed at Ft. Benning, Georgia, is visiting his mother, Mrs. Verna Patterson. Sgt. Polk is in the Parachute Battalion on maneuvers in Nebraska.

T. J. Eaves, on leave from the United States Maritime Service, has been visiting his parents, Mr. and Mrs. A. L. Eaves, this week. He left Friday for Catalina Island, where he is stationed.

RANDOLPH FIELD, April 21.—The power and fury of the Army Air Forces was strengthened today as hundreds of Uncle Sam's new fighting pilots, ready and eager to hit Hitler and Hirohito where they can feel it, were graduated from the AAF Gulf Coast Training Center's ten advanced flying schools.

Numbered among the new pilots is R. Melcher from Slaton.

WILL ROGERS FIELD, Okla., Apr. 19.—That Technical Sergeant John B. Shelton, son of Mr. and

Mrs. Lundy A. Shelton, of 156 So. 8th St., Slaton, has recently reported to the Air Depot Training Station at this field, has been announced by Col. Thomas R. Lynch, commanding officer of the A. D. T. S. T-Sgt. Shelton is at present assigned to duty as a clerk with a service squadron in a service group here.

He entered service with the Army Air Forces on January 2, 1941. He attended Slaton High School and has a brother in the armed forces.

Prior to his arrival at Will Rogers Field, he was stationed at Moore Field, Texas.

South Plains Army Flying School, Lubbock.—Cooperation of all West Texans in keeping from the enemy information which easily could cost the lives of many of those from this section has been asked by military and civilian authorities.

In a recent address to the public, Col. Norman B. Olsen, commanding officer at SPAFS, said: "The soldiers on duty in combat zones must use every means and trick to keep information from the enemy. The civilians and the soldiers in this country have a similar obligation in keeping the enemy from getting information. Everybody in the country likes to know, and wants to know, this, that, and everything that is going on. However, the enemy wants to gather information and has spies everywhere to gather it . . ."

DON'T TALK OR REPEAT RUMORS! IT MAY COST YOUR SON'S LIFE!

SPAFS, Lubbock, Apr. 19.—Some response to the drive for salvage scrap has been reported throughout the West Texas area, according to Lieut. Col. Frederick W. Franke, quartermaster officer at South Plains Army Flying School and coordinator of salvage for this area.

The campaign is destined to reach every city and community in the area with all persons asked to donate metal of all kinds. The scrap will then be rushed to the nearest station, loaded on freight cars and shipped to industrial areas turning out weapons of war.

The sub depot at SPAFS itself is taking the lead in this drive by building a scrap salvage depot to handle such metal on the field, turning it over for shipment to war factories. Lieut. Col. Franke has estimated that it will require several months to completely canvass the area. Fifteen counties are included in the territory.

HELICOPTER TAKES ON PASSENGER IN AIR

THE Army's two-place helicopter hovers 30 feet above the earth as a passenger comes aboard by way of a rope ladder lowered by the pilot. The craft, developed and manufactured by the Sikorsky Aircraft division of United Aircraft Corporation, was flown from the factory at Stratford, Conn., to Wright Field, Dayton, Ohio, a distance of 761 airline miles, in the elapsed time of 16 hours and 10 minutes, it was announced by the Army recently.

"They Give Their Lives—You Lend Your Money" U. S. Treasury Department

OVER 400 CITY LOTS TO BE SOLD AT PUBLIC AUCTION

Over 400 tax title lots will be auctioned off on the City Hall lawn Saturday, May 1st, according to Mayor J. H. Teague. Bids on the lots are being accepted in writing now, in order that those who cannot be present at the sale may have an opportunity to make offers on the property that is to be sold. The lots are in all parts of the town and bids will be accepted on any number of the lots.

The taxes have not been paid on the lots for many years and the Commissioners have ordered the sale so that the property can be put back into use.

"The movement of real estate has been very active in Slaton for the past year," said Mayor Teague, "and we would like to see the property in the hands of owners who will improve it when building restrictions are removed. Indica-

tions from light, water and telephone connections are that Slaton has every available piece of desirable residential property occupied and we believe that the growth of the town has been healthy and advantageous. We are in better financial condition than we have been since I have been Mayor of Slaton. True, there are many things about our town that could be improved upon, but most of them will have to wait until after the War has been won. Just the same our town has more paving, better sidewalks and better water than any town its size I know of, and we intend taking advantage of every opportunity to make it a better town and we believe we are doing so when we get our vacant property into the hands of people here in our own community who are interested in improving it."

Wilson News

MRS. C. W. HUTCHESON

Thoma Gryder spent last week with home folks.

Mildred Hutcheson spent Tuesday with Mrs. Doc Holder.

Lee Dickerson, Jack Hutcheson and David Peterson had business in Lubbock Monday.

Mr. and Mrs. W. C. Putman spent Sunday with her mother, Mrs. C. W. Hutcheson.

Mrs. Roy Roberson is staying with Mrs. E. F. Alverson, who re-

turned from the Lubbock Hospital Monday. She is improving nicely.

Mrs. Mildred Caldwell and Mrs. Fay Caldwell spent Friday with their mother, Mrs. A. L. Perdue.

Mrs. Marie Spinks was visiting in Wilson Friday.

Pvt. Calvin Mantooth of Lubbock Army Flying School, spent the week end with his wife here.

Pvt. Marion Leftwich of Lubbock Army Flying School spent the week end with his wife, Mrs. Sibil Leftwich.

Miss Imogene Powell spent the week end with her mother in Lub-

bock.

Mr. and Mrs. S. G. Anthony and Annette have been attending the bedside of his father in Grapeland.

Mr. and Mrs. Pat Campbell, Theo and Mary Frances, returned Sunday from a visit in East Texas.

Mrs. Fred Perdue visited her sister, Mrs. C. W. Hutcheson, Sunday afternoon.

Mrs. Helen Putman is the new manager in the Wilson Drug Store.

Mr. and Mrs. Ira Clarey and Alford visited her mother in Post Sunday.

Naomi and O. W. Powers visited the Holders Sunday.

Mrs. Doyle J. Hutcheson visited her mother, Mrs. E. P. Holder, Saturday.

Bill Swann of the U. S. Army is visiting his wife and parents.

Jack Blevins, of the Lubbock Army Flying School, spent the week end here in Wilson.

The Methodist meeting starts Friday night. Everyone is sincerely invited to attend.

Wanda Baker and Patsy Stander visited Mrs. W. H. May Sunday afternoon.

these veterans to adjust themselves in their local community and find their place in society. The American Legion realizes that many men of the armed forces will return disabled in body and mind.

"The first obligation of The American Legion is to render services to the disabled and their dependents, and The American Legion is asking the state legislature now in session for a small amount of additional appropriation for the Veteran's State Service Office in order that we will be in position to fulfill our obligation. The American Legion is confident that this fine body of legislators we have representing each community in the State of Texas will assume their responsibility by granting the request of the American Legion for this additional appropriation," said Mr. Robertson.

"Thousands of disabled servicemen are now being discharged from the armed forces monthly and a number of these veterans are discharged with battle-scarred wounds, with empty sleeves and with amputated limbs. Besides this many death cases are being reported daily from the different theaters of war. The need for rehabilitation is great. It is necessary to expand the rehabilitation work of the American Legion in assisting the disabled soldier who returns and in assisting his widow and Gold Star mother to secure government benefits provided by our national Congress," Mr. Robertson stated.

POSEY ITEMS

Ruth Gentry

Mrs. H. L. Rodgers entertained with a birthday party honoring her son, Donray, in her home at Lubbock last Thursday night. Games were played and gifts presented to the honoree. Refreshments were served to those present: Mr. and Mrs. T. A. Johnson and boys; Vaughn and Vernell Campbell, Irene, Ruth, Guy and Charles Gentry, Bennie Moeller, Clifford Behlen, Boyd Belcher, Harold Morrison, Wynona West, H. B. Young, Betty Harvin, Ramona Douglas, Mr. and Mrs. O. R. Williams and girls, Mrs. Melvin Johnson and the honoree.

Mr. and Mrs. W. W. Gentry and family and Mrs. Ed Walther visited Mr. and Mrs. James Cloninger and family of San Angelo this week end.

Rud Johnson, Charles Gentry, Vaughn Campbell and Bennie Moeller were visitors in Amarillo this week end.

Visitors in the L. K. Hart and J. I. Cranfill homes this week end were Mr. and Mrs. Charles Brown and baby of Odessa and Mr. and Mrs. Orville Cranfill and family of Lorenzo.

Mrs. O. R. Patterson, Mrs. S. N. Gentry, and Mrs. Benton Patterson attended the Women's Club Federation at the First Presbyterian Church in Lubbock Saturday.

Congratulations to Mr. and Mrs. J. G. Harper, Jr., on the birth of a son at the Mercy Hospital in Slaton on Monday. The infant weighed 6 pounds 9 ounces and was named Meredith Jerome. The father is a farmer of this community.

Mrs. Louie Melcher of Slaton visited in the Wesley Gentry home Monday.

Miss Juanita Cox visited Miss Wanda Mann of Slaton Sunday.

Miss Billie Burns of Slaton visited Imogene Gentry Sunday.

Visitors in the W. E. Burns home this week end were: Mr. and Mrs. Alvin Burns and baby of Lubbock, Mrs. Lewis Joplin of Slaton, Mr. and Mrs. Shorty Boyce and family of Slaton.

Virginia Ruth Robertson of New Home visited her parents, Mr. and Mrs. H. C. Robertson, this week end.

FLUID MILK IS TO INCREASE PER PERSON

With many foods scarce it will be good news to housewives to know that the U. S. Department of Agriculture estimates that the amount of fluid milk and cream available per person will increase from 380 pounds in 1942 to 408 pounds in 1943. The average consumption in 1935-39 was only 342 pounds per person or 38 pounds less than that in 1942.

Due to the rapidly rising demand for dairy products, rationing of some of them has become necessary, however, and will substantially curtail the consumption of most of the products of milk. Butter consumption is expected to go down from 16 pounds per person last year to 12.8 pounds per person in 1943. Cheese consumption will drop from 6.4 pounds per person in 1942 to 4.8 pounds this year, and ice cream consumption will drop from 13 quarts per person in 1942 to 8.5 quarts this year. There will be similar declines in the consumption of evaporated and dry milk. The net result is that in spite of higher consumption of fluid milk per capita the average person in the United States will have less of all dairy products in 1943 than last year.

Production of milk on American farms is continuing at the highest level in history. Last year over 119 billion pounds of milk was produced or 4 billion pounds more than the previous year and about 15 billion pounds more than the average for the years of 1935 to 39. Production in 1943 is continuing to break all records with the volume for the first two months of 1943 exceeding that for the corresponding months of 1942 by 139 million pounds.

Why then, ask housewives, can they not get ample supplies of gets Bracken.

cheese, ice cream and butter? On reason for this, according to the National Dairy Council, is that the American people have learned to appreciate dairy products to the point that they consumed more of them last year than in any previous year. The other is that lend-lease and our fighting forces took the equivalent of approximately 12 billion pounds of milk last year. For the year 1943, lend-lease and our men in uniform are expected to require milk products equal to 20 billion pounds of milk. To supply these needs it is expected that consumption of dairy products in total must be cut from an equivalent of 852 pounds of milk per person to 773 pounds next year.

American Legion Active In Texas

"Every Legionaire in Texas should be proud to know that Texas has contributed to the armed forces a larger proportion of its population than any other state in the union," stated Mr. Briggs Robertson, Post Service officer of the local American Legion Post here.

"When this huge army of heroes are returned to the Lone Star State it is going to be hard for some of

AAA To Pay More For Peanuts

COLLEGE STATION — Texas peanut growers who sold oil peanuts to designated grower agencies under the 1942 peanut program will receive additional payments on their crop, according to the state AAA office.

The payments will be made at \$10 per ton, less outstanding indebtedness to the Government for seed, and represent an estimate of surplus above cost of operating last year's program as of March 22, 1943. An additional distribution is expected when the 1942 marketing program is completed.

According to incomplete reports in the state AAA office, Texas producers already have delivered approximately 110,000 tons for oil purposes for which they will be eligible for the distribution payments. The designated agency in Texas which participated under the 1942 program is the Southwestern Peanut Grower's Association, Gorman.

The 1943 goal, of which Texas farmers are asked to grow 1,300,000 acres, aims at production of approximately 3.5 billion pounds under a one-price system providing for uniform prices to farmers in all areas for the production of peanuts for like type and grade. The support price already has been set at \$140 per ton for all No. 1 Spanish type peanuts.

THIS WEEK'S LESSON

"Probation After Death" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 25.

The Golden Text is: "God will redeem my soul from the power of the grave: for he shall receive me" (Psalms 49:15).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Who shall ascend into the hill of the Lord? or who shall stand in His holy place? He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully" (Psalms 24:3, 4).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Man should renew his energies and endeavors, and see the folly of hypocrisy, while also learning the necessity of working out his own salvation" (page 426).

Movie Reporter

For the third successive time, Eddie Bracken is teamed with dynamic Betty Hutton in Paramount's Technicolor comedy with music, "Happy Go Lucky," which comes to the Palace Theatre Saturday night preview Sunday, and Monday, and which starts, in addition, to the two, Mary Martin, Dick Powell and Rudy Vallee.

Eddie claims he's not only pepped up by Betty being his vis-a-vis but broken up as well, because Betty tears into a love scene, she doesn't toy with it; she gives it everything, and Betty's everything usually knocks Bracken for a loop.

Their first set-to was in "The Fleet's In," followed by "Star Spangled Rhythm" and now "Happy Go Lucky." In each case Bracken gets the works and Betty

America's Food Emergency

A Statement by Santa Fe

United States facing most critical "crop year" in its history

During the coming months, the need for more food may be greater than the need for more guns, tanks and planes.

Serving, as it does, "the breadbasket of America," the livestock and meat industry, and the great fruit and vegetable areas of California and the Southwest, Santa Fe pledges its all-out effort in the production and mobilization of food.

What Santa Fe Is Doing

Santa Fe employes are planting Victory Gardens along their railroad's 13,199 miles of right-of-way.

Everything that rolls on the Santa Fe is being kept in fighting trim.

Old cars with good running gear are being rebuilt into sleek new gondolas.

Many Santa Fe refrigerator cars that used to go back "dead-head" now hurry back loaded with other freight.

They're On The Job, Too!

For years the Agricultural Development Department of Santa Fe has cooperated with growers all along the line, for greater production per acre, through better seeds and better cultural methods. For example:

The people of the middle Rio Grande know how the desert has been converted into paying crops.

The folks in Blue Water Valley of western New Mexico know how the production of vegetables has increased from 86 to 1076 carloads in the past three years.

The potato growers of Kern County,

Cars are few and hours are precious. Every hour a freight car stands idle holds back food or other vital war freight from folks who need it. Every unused cubic foot squanders vital space.

The supply experts of the Army and Navy, the ODT, and the Interstate Commerce Commission Bureau of Service are all focusing on this problem.

How Shippers Are Helping
Shippers are helping and can continue to help (1) by maximum loading; (2) by quicker loading; (3) by quicker unloading.

More than 57,000 Santa Fe folks join with the farmers, the livestock producers, the shippers, and the consumers of all America to help meet the greatest food crisis our nation has ever faced.

California, know how Santa Fe cooperated in stamping out ring rot and blight.

This year, the people in the Texas Panhandle are bringing in their first harvest of waxy kafir which promises to produce the starch for tapioca and other important products that formerly came from the cassava roots of Java.

In the present national food emergency, these people of Santa Fe's Agricultural Development Department are working harder than ever, doing everything they can to help food growers all along the line.

4-H Club Boy Makes Work Pay

COLLEGE STATION — A combination of good management, a keen business sense and determination to do his part in the war effort has made Tom Corbello of Cameron County an efficient producer of food-for-Victory. He's a member of the San Benito boys' 4-H Club.

Starting from scratch 17 months ago, Tom now owns livestock and poultry estimated to be worth \$1,063. According to Assistant County Agricultural Agent George Shearer, young Corbello owes only a small amount on his five-cow dairy herd, his flock of laying hens and pigs.

Shearer quotes H. L. Starnes,

president of the Valley Production Credit Association, that Tom took over the management of the family citrus operations after his father entered defense work. He became interested in livestock in October 1941, and through his 4-H Club and a local service club, borrowed money to buy one of the registered Jersey cows brought into the county to be distributed among club boys. The next year he borrowed money to buy three bred gilts and 300 baby chicks to pay for the registered cow. He raised 291 of the chicks to broiler age and now has 142 pullets producing 100 eggs daily.

From the litters of the three gilts, Tom raised 24 pigs to weaning age. With foresight he made a further loan to buy sufficient grain to feed them out while it was at

a low price. He marketed his pigs recently, and with the ones kept for breeding he has more than \$650 worth of hogs produced at a cost of slightly less than \$300, according to Shearer. Tom used the money from the sale of the pigs to pay the feed bill for his chickens and dairy herd, along with expenses incurred in starting his various enterprises.

Recently he was able to finance purchase of grain needed for operations during the next four months and to feed two litters of pigs.

Addition of livestock and poultry has given the Corbello farm a well diversified agricultural program, Shearer says. Income from the orchard supplemented by his father's earnings have covered the expenses of operating the citrus grove, living and taxes. Too reinvested the earnings from his demonstrations in building his livestock and poultry program.

day morning, there will be an egg hunt at the church for all the children present.

Rev. E. Hester will leave the afternoon of Easter Sunday for the Convention of the Texas District of the American Lutheran Churches at Seguin, Texas which will last until Friday. Mr. Adolph Wilke will go as a delegate to represent the churches at Southland and Wilson.

Ed King won several prizes on his milking shorthorns at the Plains Dairy Show at Plainview last week.

Corp. Blanton Martin was home last weekend. His parents the Sam Martins, gave a singing Sunday evening and the crowd was estimated at 100.

Mrs. H. C. Johnston, the mother of Clay Johnson, has been taken back to her home near Lubbock, after a stay in the Lubbock Sanitarium. She has heart trouble and high blood pressure.

Rev. and Mrs. O. J. Harmonson and Jo-Jo, accompanied by Miss Maggie Tate, who is staying with Mrs. B. R. Arthur, spent Saturday in Ropesville with the Roy Dopsan family.

T. H. Basinger of Frederick, Okla., arrived Thursday to visit several days with his brother, E. M. Basinger.

There was a pie supper at Hackberry Thursday night, but we did not learn how much the Red Cross unit made from it.

There were only 21 present at the singing at the Methodist Church Saturday night. It was decided to purchase Stamps Radio Books. If you want one, see H. V. Wheeler.

Sunday dinner guests of the L. Collinsworths were their niece, Mrs. W. M. Selby, and husband of Levelland, Rev. and Mrs. E. C.

Armstrong, Mr. and Mrs. Royce Lovelless and sons.

Lena Mae Samples spent Sunday night with Betty Ann Jackson.

The Methodists plan to have an Easter program next Sunday as follows:

Opening Song—The Cross is Not Greater.

Prayer—Bro. Armstrong.

Devotional—G. C. Anderson.

Selection from Quartet—Mr. and Mrs. Marvin West, James Baker and Bro. Armstrong.

Easter reading—Mrs. Douglas Livingston.

"Katha's Easter"—by Evelyn Cook.

Duet—"The Old Rugged Cross"—Janey Ruth Morris and Virginia King.

Drama—"The Easter Dawn"—Mrs. James Baker and Mrs. Grady King.

Song—"Christ Arose".

3-c Seaman James Becker is now serving on land somewhere in the Pacific. He writes that they are well treated by the people there.

Seaman Leon (Pete) King of Evanston, Illinois, writes that he has passed two tests, for aviation and submarine crew, but he is too tall for an airman.

Pfc. Ralph C. Cockrell of Sheppard Field, Wichita Falls, had visitors last week end. His mother, Mrs. Vera Cockrell, and daughter, Mrs. K. H. Smith of Pleasant Valley, and his brother, Gred Cockrell, and wife of Morgan.

Charles (Red) Dodson, who is now stationed at Camp Ruckner, Okla., now is Private First Class.

M. L. MURRAY

M. L. Murray, well-known cotton ginner, has been appointed Slaton agent for Continental Oil company, according to announcement by P. W. Riggins, division manager, Fort Worth. He succeeds A. R. Wild, who resigned to devote full time to farming interests.

The new agent has lived in this vicinity for more than 23 years. He formerly farmed near Slaton, and for the past ten years has managed cotton gins at Wilson and Meadow. Since May 1941 he has operated his own gin at Wilson. He is married and has two children.

Apparently there was some plan to make Saturday the biggest Bond sales day this post office has had. The total was \$2,437.50 exceeding our largest month, March, and almost doubling our second largest month, May 1942. The Bond Sales Committee plans to see every family who has not purchased a Bond this month. Won't you join the Voluntary group?

At 8:45 Friday evening at the local Lutheran church, there will be a "Good Friday" service, in commemoration of the crucifixion of Christ. The service will be followed by the Lord's supper. Following the Easter Service at 10:00 Sun-

The Consumer's Pledge FOR TOTAL DEFENSE!

- I will buy carefully.
- I will take good care of the things I have.
- I will waste nothing.

The National Nutrition Program is gathering momentum on all fronts spreading a newer knowledge of nutrition throughout the land. No home can be successfully run with broken or worn appliance and the need for keeping these servants in good working condition is becoming more important as each day passes.

I'll take good care of the things I have!

YOUR Electrical Dealer

is prepared to help you co-operate with the Consumer's pledge by repairing those worn or broken appliance aids and placing them back on active duty. KEEP 'EM WORKING... an electrical servant on the shelf because of the need of some minor adjustment is a handcuffed worker. See your Electrical Dealer today!

Mrs. L. R. Tibbs left Thursday for Los Angeles, California, where she will visit with her son, Billy Bob, who is in the Navy.

Mrs. Winifred L. Hallman left this week to join her husband, who is stationed at Camp Hood, Texas.

Mrs. Clyde King and sons, Kenneth and Clyde Rucker, of Levelland, are visiting Mrs. King's parents, Mr. and Mrs. J. E. Rucker.

Mrs. Lawrence Evans and son, Robert, of Midland, are visiting her parents, Mr. and Mrs. R. F. Swafford.

Mrs. J. W. Low of Fort Worth visited her niece, Miss Media Lewis, this week. She returned Monday.

Mrs. Ann Collins of Ft. Worth is visiting her daughter, Mrs. Henry Eidson.

Mr. and Mrs. Harry Madox have moved back to San Angelo, after residing here for almost a year. Mr. Madox is employed as a switchman for the Santa Fe.

Mrs. Jim Fagan of San Angelo is visiting her husband this week.

L. G. Bain came home Wednesday after spending the last three months in the Veteran's Hospital in Amarillo.

Mrs. Erma Johnson, Eura Greer, Euel Pohl and daughter, DeEtta, left Wednesday for New Rivers, North Carolina, where they will visit Mrs. Pohl's son, Carlton. He is in the Parachute Battalion in the Marines. They will be gone about ten days.

Mrs. J. L. Suits of Petersburg visited her sister-in-law, Mrs. J. D. Norris, Monday and Tuesday. Mr. Suits is editor of the Petersburg Journal.

Mrs. Wm. M. Lord, formerly of Slaton, is visiting her mother, Mrs. Lora Wicker. Lt. Lord is now stationed at Geiger Field in Spokane, Washington. Mrs. Lord plans to join him as soon as possible.

Misses Audrey and Arline Kitten, employees of Consolidated Air Craft in Ft. Worth, will arrive in Slaton soon to spend Easter with their parents, Mr. and Mrs. L. B. Kitten.

Rev. H. C. Gordon was called to Snyder Saturday, April 17, to assist in the funeral services of C. C. Bearden, former parishioner.

Miss Sarah Nicodemus, a student at Texas Tech, will spend the week end with Miss Wilda Hannah. Miss Nicodemus will render a vocal solo at the Presbyterian Church on Easter Sunday, accompanied by Miss Hannah.

Mr. and Mrs. H. C. Gordon visited their daughter, Mrs. W. L. Porterfield, in Big Spring Saturday. Their daughter, Miriam, and two granddaughters, Angelyn and Bettye Jean, returned with them. Another daughter, Mrs. Surman Clark, of Post, is also visiting in

the Gordon home this week.

G. L. Sledge returned from the Lubbock Hospital Wednesday morning after undergoing a very successful operation on his eyes. He is improving nicely.

Miss Jo Hestand, of San Angelo, will be in Slaton soon to spend Easter with her parents, Mr. and Mrs. W. B. Hestand.

Mr. and Mrs. C. R. Marsh and daughter, Patsy, of Carlsbad, and Joe Turner will spend Easter in the T. A. Turner home.

Mrs. Mildred Lokey and Mrs. W. T. Brown have recently returned from Childress, where Mrs. Lokey was taken to recuperate from an illness.

going directly into the Promised Land what did the Israelites do?

4. What three distinct stages in Israel's history are marked by Egypt, The Wilderness, Canaan? Typically, what do those three stages stand for in the spiritual history of a saved soul?

5. When the spies returned from Canaan, what made the radical difference between the report of the ten spies and the report of Caleb and Joshua?

6. Why do you think God again made to Moses the offer He had made before? See 14:11, 12.

ACID—not speed—may "burn up" your engine now!

SPEED LIMIT 35

You don't go "tearing off" the miles, and you hate tearing off ration coupons, too. You'd think your low speed and mileage would almost do away with engine wear. But the products of combustion—always hanging back in the cylinders after stopping—contain acids that nibble at metals!

Engine acids are nothing new, only they couldn't do their worst when interrupted by frequent use of your car and fast driving, instead of staying in your inactive engine for days. Short, slow, infrequent runs don't help much to clean acids out. So now when you're not even sure of getting any needed replacement parts, make sure you muzzle acids as well as you can, by keeping your engine's insides OIL-PLATED.

You know of plating being used to resist such corrosion as rust, for instance. And to resist acid corrosion, have your engine OIL-PLATED—quickly—simply—economically—by changing this Spring to Conoco Nth motor oil—patented. It includes a great advancement in synthetics, invented to maintain OIL-PLATING up and down your engine's insides, during many hours or days when such resistance against acid can help. Your Spring oil change is a "must," but the worst acid effects are not —not when you get Conoco Nth motor oil. Continental Oil Co.

CONOCO Nth MOTOR OIL

Marriage Of Miss Helen Cohen And Julian Kessel Solemnized Sunday

Mrs. Julian Kessel

The marriage of Miss Helen Cohen, daughter of Mr. and Mrs. Joe Cohen, 1009 Fifth Ave., Ft. Worth, to Mr. Julian Kessel, son of Mr. and Mrs. A. Kessel, Slaton, took place Sunday, April 18, at 1 p. m., in the French room of the Blackstone Hotel in Ft. Worth. The single ring ceremony was read.

The bride was attended by her sister, Mrs. Nell Glick of Dallas. The best man was Ensign Milton Kessel, who left immediately after the ceremony for his new station in Norfolk, Virginia. Approximately forty relatives and close friends were present at the wedding and a dinner served in the hotel.

Numerous friends attended a reception given in the wedding room after the dinner.

The bride wore a powder blue sheer dress with navy accessories. For something old, she carried an embroidered handkerchief over 50 years old.

The couple left for a short trip to El Paso before returning to Roswell, New Mexico, where they will make their home.

Mr. and Mrs. Kessel, from Slaton, Bertram Kessel, from Monroe, Louisiana, and Norton Kessel, from Roswell, New Mexico, all attended the wedding.

METHODISTS TO HAVE SPECIAL EASTER MUSIC

There will be special Easter music at the Methodist Church Sunday morning at 11 o'clock, under the direction of Mrs. L. A. Harral, with Mrs. Webber Williams at the organ and Miss Glynn Williams at the piano. Soloists will be Mrs. Lillian Butler, Mrs. H. M. Zimmerman, Miss Lorene McClintock, and Mr. William Sewell.

The following program will be given:
 Prelude.
 Processional, "Holy, Holy, Holy."
 "Jesus Knows," Choir.
 Song, Congregation.
 Apostle's Creed.
 Prayer.
 Anthem, Choir.
 Scripture Reading.

Posey Home Demonstration Club Has Meeting In Patterson Home

The Posey Home Demonstration Club met Tuesday, April 20, in the home of Mrs. Benton Patterson. A demonstration was given on slip covers and three chairs were re-bottomed with cane.

A covered dish luncheon was served to Mesdames L. K. Hart, Mack Klattgehoff, J. M. Shafer, O. E. Patterson, S. N. Gentry, Wesley Gentry, F. T. Sager, Fannie Patterson, Willie Wilkie, and Mrs. Red Stone, a new member. Five visitors were also present, Miss Carolyn Dixon, County Home Demonstration Agent of Tahoka, and Mesdames J. D. Lawson of Lubbock, C. C. Young of Slaton, Ross Barron and Henry Guetersloh.

The next meeting will be in the home of Mrs. T. A. Johnston on the third Tuesday in May.

Mrs. Crews Is Hostess To Class

Mrs. H. S. Crews was hostess to the Win One Class of the First Christian Church Tuesday, April 20.

Games were played and refreshments were served to the following: Mesdames R. C. Sanner, H. H. Edmondson, I. G. Smith, Carl Lewis, O. D. Kenney, E. J. Kenney, J. D. Norris, and Messrs. H. H. Edmondson, H. S. Crews and O. D. Kenney.

Study Club Meets In Teague Home

Miss Myrtle Teague was hostess to the Daughters of Pioneer Study Club Monday, April 19. After meeting at Miss Teague's home the group went to Mrs. John Hardy Morgan's for dinner. A business meeting was held after dinner and the club decided to have a Mother's Day Tea at the home of Mrs. Arthur Haddock.

Those present were: Mesdames Odie Hood, Harmon Thompson,

Mrs. S. H. Adams Gives Program

Mrs. S. H. Adams gave a very informative talk on "Peace" at the Methodist Church Monday afternoon at 3 o'clock. Miss Lorene McClintock sang a solo, "The Lord's Prayer," and played her own accompaniment.

This was the fifth in a series of six the Women's Society of Christian Service are having, with Mrs. R. H. Todd in charge.

Next Monday the last program will be given in the home of Mrs. A. E. Whitehead at 3 p. m. Mrs. Sug Robertson will have charge of the program and it will be dramatized and in costume.

A social hour will be held after the program and all members and visitors will be welcome.

Gree Glasscock, J. P. Haliburton, Cecil Scott, Max Arrants, Melvin Tudor, Curtis Dowell and Arthur Eaddock; Misses Naydiene Smith, Mary Watkins, Mary Lee Thompson and the hostess. Guests present were, Mrs. A. C. Strickland, Jr., Mrs. J. S. Edwards, Jr., and Mrs. Wm. R. Sewell.

HOME DEMONSTRATION CLUB HAS LUNCHEON

Slaton Home Demonstration Club met in the home of Mrs. C. E. Lilley Wednesday, April 21, for a covered dish luncheon, with eleven members and four guests attending.

Mrs. Clara Pratt, County Agent, demonstrated chair covers and chair seats.

Next meeting will be held May 19 at 2:30 p.m., at the Club House.

Offering:
 Baptism.
 Duet.
 Sermon.
 Anthem, Choir.
 Song, Congregation.

What Is Liver Health?

Sedentary workers and those who are forced by occupation to a bodily position that cramps and stiffens the lower portion of the back bone are frequent and persistent sufferers from liver and bowel complaints.

The commonest truth of life is that the organs and cells of the body do not need to be forced or stimulated, but will always act gladly and freely in the direction of health when they receive their full amount of functioning power from the transmitting nerves.

The cause of liver weakness or disease is lack of nerve power. When there is liver weakness there is liver nerve pressure at the backbone opening for the spinal nerve, and liver strength and health returns when by adjusting the joints to proper alignment the pressure upon the nerve is lifted.

MISS SAAGE HONORED ON SEVENTH BIRTHDAY

Mrs. A. L. Saage entertained her daughter, Shirley Ann, with a party on her seventh birthday, April 15.

Games were enjoyed by all and Shirley Ann was presented many gifts.

Refreshments were served to the following: Bobby Tiffertiller, Annette Wilson, Emogene Walton, Tom Bickers, Juanex Clark, Jo Ann Haliburton, Delmer Sue Hodge, Anita Loring, Betty Childress, Mary Kathrine Welds, Eudell Spitzer, Betty Sue Lane, Mary Elder, Betty Louise Green, Naomi Jones, Bonnie Jean Boyce, Ray Hoover, Gay Osburn, Jahnnetta Berkley, Geraldine Maxey, Dwain Hoover, Stanley White, Patsy Mercer, Doris Jean Bartlett and Viola Mae Walton.

W. F. C. Meeting Held In Lubbock

Chaplain Felix M. Gresham was guest speaker at the meeting of the Federation of Women's Clubs. He made a very interesting talk on these two questions, "Has Our Nation Turned Away From God?" and "Are We Going To Turn Back To God?"

Madede led a pledge to the flag.

Those present from this immediate vicinity were: Mesdames Lee Green, C. E. Lilly, W. H. Long, of Slaton, and S. N. Gentry, Fannie and Benton Patterson, of Posey.

The next meeting will be at the Club House in Slaton in October. The Posey Sunshine and East Side Home Demonstration Clubs will be hostesses.

JOLLY QUILTERS TO HAVE CALLED MEETING

Mrs. H. C. Maxey will be hostess for a called meeting of the Jolly Quilting Club next Tuesday, April 27. This will be an all day meeting, with a covered dish luncheon at noon.

Union News

MRS. M. D. GAMBLE

The Revival meeting at the Union Methodist church closed last Friday night with a good report. There was an average of 30 at the morning services. Several joined the church. An offering was taken for new song books.

The Revival meeting begins at Wilson Friday night, April 23. Rev. H. L. Thurston, of Spur, will do the preaching.

Mr. and Mrs. Lon Porter and her mother, Mrs. Proctor, and Mrs. Wadley of Slaton attended services here Wednesday night.

Mrs. Geeke died this week with heart trouble. She is the mother of Mrs. J. A. Russell. Mrs. Geeke lived in San Angelo at the time of her death. She was taken to San Antonio for burial.

Mr. and Mrs. Pat Patterson went to East Sunday for a visit with her mother.

Mrs. W. K. Pierce was on the sick list last week.

Mr. E. A. Robertson has been in bed this week with influenza. He is reported improving now.

Mr. and Mrs. C. W. Hampton of Elmer, N. M., visited with friends and relatives here last weekend.

Miss Naidene Patterson is visiting here and awaiting her call for the WAAC. She has a sister already in the WAAC.

Visitors in the home of H. F. White Sunday were Mr. and Mrs. Whitehead and daughter, Mr. and Mrs. Joe Gamble, Jinks Myers, Raymond Davis and Mrs. Johnny Patterson.

Mrs. Y. L. Cade of Lubbock, Mr. and Mrs. J. S. Hampton visited their mother, Mrs. J. G. Hampton, who is ill in the home of her daughter, Mrs. M. D. Gamble.

Those visiting in the H. M. Cade home Sunday were Mr. and Mrs. E. M. Cade and children, Gene and Nancy Cade and their grandmother Mrs. S. R. Cade all of Lubbock.

Mr. and Mrs. Earl Peterson visited in the Union Community Sunday.

The Union Sewing Club met in the home of Mrs. Gilbert Nelson last. Those attending were Mrs. E. M. Cade, Mrs. Otho Doyel, Mrs. W. A. Johnson, Mrs. Pat Patterson and Miss Doodie Standerfer.

Mrs. Brown Montgomery received a letter from her brother Luther Peterson, telling about their cousin, Minaed Griffin being in the hospital with fever in Australia.

Nellie Jo Jones started taking a business course in Lubbock this week.

RUBBER TIRES FOR TRACTORS AVAILABLE

COLLEGE STATION — Texas farmers who have purchased tractors and other implements with steel wheels since May 1, 1942, now may convert to rubber tires, the Texas USDA War Board has announced.

Purpose of the action which is being taken by the USDA, OPA and Office of the Rubber Director is to help farmers increase efficiency of their operations at a time when maximum results must be obtained from farm equipment.

County OPA War Price and Rationing Boards will authorize the conversions on the basis of certificates of individual farmer's applications by county USDA War Boards.

THE 2ND WAR LOAN DRIVE IS ON!

Winner Take All!

There is one stark and simple fact about war which you had better get straight . . . and quickly, too **THERE IS NO SECOND PLACE IN A WAR — IT'S EITHER WIN OR LOSE!**

This war is being fought for tremendous stakes . . .

- . . . for your life and your liberty.
- . . . for your church and your children.
- . . . for your freedom and your future.

And it's **WINNER TAKE ALL**. Don't forget that for a minute.

The winner will dictate whether tomorrow you shall be a free citizen of a free world, or a helpless serf to a "master race."

The winner will dictate whether you shall live and prosper under the Four Freedoms, or toil hopelessly in the darkness of a "New Order."

The winner will dictate . . . because the winner takes all.

The winner takes all. All you own, all you hold dear.

The winner is being decided right now . . . today . . . this very minute . . . on battlefields all over the world. Will you stand idly by . . . or throw all your weight on *our* side?

The weight of mighty tanks and planes. The weight of thousands of guns and millions of shells. The weight of billions of dollars . . . 13 billions which your country asks you to lend during this Drive.

Your country wants to borrow every idle dollar you have—every dollar except what you need for the barest necessities of life.

You'll have to give up some luxury or comfort which was dear to your heart. You'll have to postpone some pleasure which you had been eagerly anticipating.

But what of it?

Your sons and brothers and husbands are *dying* out there . . . fighting your fight. Surely it is no sacrifice to *lend your dollars* while they are giving their lives.

They need your help. They need the weapons your money can buy. If one of the War Loan volunteers calls on you . . . greet him with open pocketbook. Remember, Uncle Sam's goal is 13 billion dollars in April.

Don't wait to be asked. Go to your nearest bank, investment dealer, broker, Post Office or issuing agency and lay your money on the line. Remember it's an *investment* you're making—an investment that pays a good return and insures a happier future for you and your loved ones.

So *lend* up to the limit.

You'll sleep better for it.

There are 7 different types of U.S. Government securities—choose the ones best suited for you:

United States War Savings Bonds—Series E: The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

2½% Treasury Bonds of 1964-1969: Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated April 15, 1943; due June 15, 1969. Denominations: \$500, \$1000, \$5000, \$10,000, \$100,000 and \$1,000,000. Redemption: Not callable till June 15, 1964; thereafter at par and accrued interest on any interest date at 4 months' notice. Price: par and accrued interest.

Other Securities: Series "C" Tax Notes; ½% Certificates of Indebtedness; 2% Treasury Bonds of 1950-1952; United States Savings Bonds Series "F"; United States Savings Bonds Series "G."

JUST TALK

by
A.M.J.

It is said that more men who are
called up for physical examination
are suffering from sinus trouble
than from any other disease. The
Doctors in this part of the country
give more sinus treatments than
they do most anything else and
still everyone in West Texas talks
through their nose.

Between my hay fever in the
summer time and my colds and
sinus in the winter, my nose
gets more punishment than
my hoe handle during the
Victory Garden season.

Tiny, the former partnership
dog that divided her affections
between Lee Tudor and Uncle Buck

ous skating stars

Also ELLEN DREW
JERRY COLONNA

Buchanan is no more. She was
killed by a motorist and Lee says
Uncle Buck was terribly torn up
over the sudden demise, and Uncle
Buck says Lee is heartbroken.
Now the half full feed sack out in
front of the Slaton Coal and Grain
Co., that served as Tiny's evening
napping place, does not have that
hollowed out place in the center
and Uncle Buck is not troubled
with Tiny's scratching at his door.

Last Monday afternoon af-
ter hoeing around my two
fifteen foot rows of potatoes,
I walked a block down the
street and took a gander at
Jake Martin's half a block po-
tato patch and I've had the
backache ever since. Jake's
rows reach as far as the eye
can see and if Jake nurses all
of those potatoes to maturity
he will have calluses on his
hands that his wife can use to
grate cheese on and his back
will be bowed like old Uncle
Ned's.

The effect that mind can have
over matter was demonstrated last
week in our office when Mrs. Sam
Gentry told my wife about how she
cut her foot severely with a grub-
bing hoe. After Mrs. Gentry left
Donna Sanner, who is helping us
to run the Slatonite, went around
all day limping and complaining
of her foot and she said that her
foot had not bothered her at all
until she heard Mrs. Gentry tell
about her accident. Donna enjoys
going back into the composing
room and watching the printer saw
metal. It makes such a nerve
shattering noise and Donna shiv-
ers and cringes as the saw bites
through the metal.

Just how much trouble peo-
ple will go to, to raise a Vic-
tory Garden is being demon-
strated by Mrs. H. M. Faulk-
ner. Their water faucet is in
the front yard, they cannot
get another water connection
put in the backyard, so they
just run the hose over the top
of the house. This operation
requires some one to get on
top of the house to lift the
hose over the roof and as Mrs.
Faulkner is easier to boost onto
the roof, she drapes the hose
tastefully over the top. She
says the garden was her idea
and for the sake of Victory and
a few marble sized potatoes,
she is willing to make the sacri-
fice of her dignity and her
second best pair of slacks.

Horace Sanders and I often take
off into the realm of dreams and
move onto a farm, due to the fact
that the grocery business is get-
ting more mixed up every day
with rationing stamps, price ceil-
ings and slow freight service, and
the newspaper business never was
anything but a long dizzy trail to
semi starvation. My idea is a big

ing Men"

white farm house on a hill with
darkies strumming on banjos,
fat cows working over their chew
of tobacco, or whatever it is they
chew on, and a silvery stream me-
andering around under the trees.
Horace thinks a farmer should
have a tractor and a big field of
cotton and has even gone so far
as to buy a farm or two. If he
wants to, he can set fire to his
grocery store and go live on his
farm, while if the Slatonite should
burn down, I'd likely have to go
and try to get a job with some guy
like Horace, but just the same it
is a lot of fun dreaming, even if
Horace will be in the grocery
business when old Gabriel blows
taps and I'll still be trying to find
out how I pay my bills each month
on the chicken feed revenue from
the newspaper business.

For the first time since I
have known Briggs Robertson,
he seemed to have lost his en-
thusiasm last week. His belt
line has shrunk up and he was
not near as handy with his
knife at the Rotary Club. He
seemed to enjoy sob stories
about operations and I cheered
him up considerably by telling
him of the two hemorrhages I
had when I had my tonsils
taken out about ten years ago.

Since his are gone and he has
found out that he may yet live
to be a dignified old Grand-
father, he is trying to stick his
fallen chest out, but since he
has lost about fifteen pounds,
he will have to do a lot of eat-
ing to get back his prestige.

.....

One of the best deals I can think
of for after the war is an agency
for those amphibian automobiles
that have been illustrated in the
scientific magazines and newspa-
pers. They will travel on land or
in the water. Dick Ragsdale has
his fishing equipment all greased
up and plans made on just how he
intends furnishing his automobile
motor boat; Tess Bruner would like
to have one with an oversize easy
chair, and I feel sure that I could
interest Sam Staggs in one that
would skip around all over a lake
like a mosquito. Ollie Crow
would like one with electric stove
and refrigerator equipment and
his wife would insist that it have
lace curtains and a mauve rug.

For myself, I want one that
has most all of its bolts loose,
ink on the floor and steering
equipment that will make it
go around in a circle, so that
I will feel like I'm at work
at the Slatonite office and not
out wasting my time fishing.

**Dealers Warned
On Anti-Freeze**

OFFICE OF DEFENSE TRAN-
SPORTATION, LUBBOCK, April
20 — Automotive supply dealers
who will be stocking up during the
coming weeks on anti-freeze solu-
tions for next winter were warn-
ed today by the Office of Defense
Transportation to purchase only
approved alcohol or ethylenegly-
col solutions. Although the manu-
facture of harmful anti-freezes
containing inorganic salts or pet-
roleum distillates was prohibited
last year by the War Production
Board, reports indicate that many
of the deleterious products are still
in the hands of manufacturers or
jobbers.
Retail dealers were cautioned to
buy only solutions free from harm-

ful sodium or calcium chlorides,
fuel oil, naphtha or kerosene. They
also were urged not to sell old
supplies of harmful mixtures to
consumers.

Many truck and car motors were
amanged last winter, some beyond
repair, by anti-freeze containing
the harmful materials, according
to reports received by ODT.

Safe anti-freezes are permanent
solutions containing ethylenegly-
col and the more common semi-
permanent types containing methyl
or methyl alcohol. The chemical
division of the WPB has assured
the ODT, officials said, that there
will be sufficient stocks of accept-
able anti-freezes available for civ-
ilian use.

**The Daily "7" Food Rules
For Good Nutrition**

Here are the reasons why you should eat these
Foods every day!

THE GROUP

BECAUSE THEY GIVE

1. MILK AND
MILK PRODUCTS

Calcium for bones and teeth. Protein for
growth, muscle and repair of the body. Sugar
for energy to work and play. Vitamins for
health and vigor.

2. ORANGES, TOMA-
TOES, GRAPEFRUIT

Calcium for bones and teeth. Iron for healthy
blood. Other necessary minerals. Sugar and
starch for energy to work and play. Vitamins
for health and vigor.

3. GREEN OR YELLOW
VEGETABLES

4. OTHER VEGETABLES,
FRUITS

Iron for healthy blood. Starch for energy to
work and play. Protein for growth, muscle,
and repair of the body. Vitamins for health
and vigor.

5. BREAD AND
CEREAL

6. MEAT, POULTRY
FISH OR EGGS

Protein for growth, muscle and repair of the
body. Iron for healthy blood. Vitamins for
health and vigor.

7. BUTTER AND
OTHER SPREADS

Fat for energy to work and play. Vitamins for
health and vigor.

The Government Food Rules do not say that these are the only
foods you should eat. It means that you should have at least these
foods every day. In other words, FIRST, EAT THESE FOODS—
THEN, EAT ANY OTHER FOODS YOU WANT.

fruit crops will be available to housewives on approximately the same basis as last season. No deduction of blue point stamps will be made from War Ration Book Two for canning sugar. Details of the program will be issued soon.

The steam pressure canner is the only method recommended by the U. S. Department of Agriculture for preserving certain types of vegetables. Such vegetables as beans, peas, corn, spinach, and asparagus, as well as meats, should be cooked in a steam pressure canner to kill organisms which cause food to spoil. Fruits and tomatoes, rhubarb, and pickled beets may be safely canned by the boiling water method. To be safe, these products should be boiled for at least ten minutes before they are eaten or tasted, even though there is no sign of spoilage when the jar is opened.

WEST TEXAS NOT WAACY
The West Texas District has fallen significantly behind, and at present is in danger of trailing all the rest of the state in the enrollment of WAACs, it was declared this week by Lieut. Col. Marvin B. Durrette, commanding, West Texas Recruiting and Induction

ON THE HOME FRONT

As of now, here's a pretty good look at the food picture for 1943: Compared with 1942 and roughly estimated on the basis of prospective 1943 output, civilians this year will receive about 11 percent less meat; 27 percent less canned and shell fish; 21 percent less butter; 11 percent less cheese; 16 percent less canned milk; 51 percent less canned fruits; from 3 to 25 percent less of various fresh vegetables; 27 percent less canned vegetables; 6 percent less dry beans; 22 percent less sugar; 21 percent less rice; 29 percent less coffee; 60 percent less tea; and 12 percent less cocoa.

Civilians will have about the same amount of fresh and frozen fish, eggs, turkeys, fluid milk and cream, lard and other cooking fats, fresh citrus fruits, canned fruit juices, dried fruits, tomatoes, potatoes and sweet potatoes, corn, oats and barley for human consumption.

Civilians will have 30 percent more chicken; 57 percent more margarine; 9 percent more apples; 13 percent more frozen fruits; 7 percent more wheat; and 13 percent more rye.

Three-quarters of the total 1943 output will go to civilians, the rest to our own fighting men and allies. Assuming average weather, 1943 food production will probably be at least 3 percent greater and maybe 8 or 10 percent greater than in 1942.

Barring widespread crop disaster, the kinds of food troubles that

will affect most American civilians in 1943 will not menace life or health.

Chief effect of the recent changes in Selective Service classifications is the elimination of dependency deferment except for:

- (1) Those who maintain bona fide homes with children,
- (2) Those whose induction would cause extreme hardship to a wife, child or parent, and
- (3) Those with dependents who are necessary to and regularly engaged in agriculture.

Men formerly classified in III-A and III-B who had been deferred because of dependents will be reconsidered. Class III-B is eliminated entirely. A child born after September 14, 1942, is not recognized as a "dependent" in classifying a registrant in Class III-A. The new classification, III-D, will contain all men whose induction, in the opinion of their local boards, would create extreme hardship or privation for a dependent wife, child or parent.

A farmer who sells butter, lard, or any other rationed food to a retailer must collect ration points for the sale, just as he has done in selling to consumers since March 29. All farm sales must be made at current point values and stamps collected must be turned in to local ration boards with a report made on OPA Form R-169. This form will be available to all local boards during the last week in April. The first report is due during the first fifteen days of May and will cover sales made between March 29 and the end of April.
