Slaton People Urged To Water Lawns During Morning Hours

Mayor L. B. Wootton reported last week that the water users of Slaton will have to cooperate if they are to get enough water to use in which to bathe in the morning or at night.

There is enough water to supply the needs of the town if it is used at times when the mains can supply it. The small main that was laid from the wells on the north side of Slaton will not bring it to the tanks here in quantities to meet the demand at all times of the day.

"If the water users will stop watering lawns, gardens and flower beds after 12 noon there will be enough water for all purposes," said the Mayor, "but if most of the hydrants are turned on in the evening most of us will be without water to drink and to bathe in during the late afternoon."

Some relief can be expected if some rain comes or if a plan that is decided upon proves successful.

The well that was dug on the South East of town is an excellent well but at least one more well near it must be dug before the supply will be great enough to make it advisable to build a pipe line to connect with the city mains. A driller will start on the second well within the next few days but it will require several months to complete the project and in the mean time the people of Slaton will have to use the present supply of water as suggested or be without.

Mayor Wootton said that many difficulties have beset the City Commissioners efforts to supply the city with an adequate supply of pure water but he feels sure that there will be plenty of water for use by the time another summer rolls around.

THE METHODIST CHURCH

Daddy's Day, and why not? It is Sunday, June 16th. Daddy, if you are not attending services elsewhere a hearty welcome awaits you at the Methodist church.

Bring Mother and the children, and come in time for Sunday School.

The Busy Men's Bible Class will be so happy to have you. There will also be a welcome awaiting other members of the family in the department to which they will be directed.

Let's make it a red letter day at the church Sunday. We need you and want you.

Now this not merely a one-day invitation, for we would like to have you with us every Sunday. We suggest that you start coming Sunday and make it a habit.

Start making your plans now. A good program awaits you. May we look for you?

MRS. MARY ANGERER CLAIMED BY DEATH

Mrs. Mary Angerer, a resident of Slaton for 24 years, died Saturday at Mercy Hospital, following a ruptured appendix.

She was born in Germany Feb. 2, 1874 and her maiden name was Mary Neumeier. In 1892, she was married to George Angerer, who passed away in 1944.

She is survived by two sons, J. P. Angerer, Lubbock, route 6, and Anton Angerer of Slaton; six daughters Mrs. H. P. Stoffels and Mrs. J. C. Schmidkofer, both of Gainsville, Mrs. W. A. Potts of Electra, Mrs. H. C. Heinrich of Idalou, Mrs. Ray Miller of Slaton and Sister Mary Frances, O.S.B. of Ft. Smith Ark., also 37 grandchildren.

Funeral services were held at 9 a. m. Monday at St. Joseph's church with Rev. T. D. O'Brien officiating. Burial was in Englewood cemetery under the direction of William's Funeral Home. Pallbearers were two grandsons, J. C. Heinrich and Billy Angerer, Edwin Bednarz, Robert Bednarz, Victor Heinrich and Clarence Miller.

Skate For Your Better Health

Skating sessions are still in favor to add to recreation of young and old at Slaton High School gymnasium. To add to the popularity of the sport is a new sound system recently installed. Sessions from 8 to 9:30 p. m. are being held on Monday, Tuesday and Friday nights. An afternoon session is held each Sunday afternoon.

Since the rink has been in session there have been a number of excellent skaters developed. Charlie Marriotti, a skater of skill, states that he would like again to have a class of youngsters to teach trick skating.

The gym is an ideal place for skating as the heat of summer is not so severe in the basement. Make up a party and enjoy a night of skating.

Italy As Seen By Lynn Murray

The following letter received this week is one of the best descriptions of Italy and conditions, as they are there, that has come to the attention of the editor of the Slatonite. It was written by a Slaton man who is stationed there.

Leghorn, Italy
May, 27, 1946

Dear Mr. Jackson,

How does today find the owner, publisher, printer, business manager, etc., of the proud and world famous Slaton Slatonite? I see by your column in the paper the folks send me, that you are still the same Mr. Jackson.

I have a few things that may prove of interest to you, so I am taking the liberty of writing. Pop told me to, anyhow.

This army engineer is stationed near Leghorn, Italy, not too far from the city of Pisa, one of the most historic cities of Italy. Pisa is a very old and very beautiful city. The wall around the city, built when Italy was divided into hundreds of small provinces, was used to repel the attacks of the rulers of the other provinces. "The Wall," completely enclosed the old city of Pisa, the only openings being two gates and an archway. This wall is more than twenty feet high and in some places is built so that there is a narrow passageway between the outside and inside wall. The wall didn't stop the American modern weapons but it did a very good job of protecting Pisa from the invaders of old.

If the Colleges in America are proud of their age, they should feel subdued by the University of Pisa. This university was founded in the Twelfth Century, is still very important here. Galileo, the discover of our basic laws of gravity was the most famous of students there. This university has a long list of students that have distinguished themselves in mathematics, art, sculpture and modern business.

Perhaps the most noted building in the world is located in Pisa. The Leaning Tower was started in 1174 and it was built 40 feet high before it was noticed that one side was sinking into the ground. An American would have said, "to heck with it," and started another; but not the Italians. The builder started constructing the tower so it would balance in spite of the leaning foundation. Baranno finally gave up the job as impossible; but a hundred years later some enterprising young fellow decided that he could finish the job. He was a brilliant young builder and a careful workman. By placing whole stories off center and using huge copper bells, he balanced the tower and made it the famous structure it is today. The tower today is 179 feet high and 51 feet 8 inches in diameter and one side of the foundation is 14 feet lower than the other. The Leaning Tower, or Campanile is a wonderful structure and seems to be good for many more years.

The Cathedral near the Campanile is a very impressive building too. The roof is supported by 69 columns, taken as trophies of war from the many enemies of the Pisans. The walls are covered with paintings of the famous masters, with gold and silver used for color. The Cathedral is filled with paintings, statues and other works of art that are important in every modern nation of the world.

It's the same all over Italy, Florence, Milan, Geneva, Naples, Rome, are all cities that abound in beautiful sights and famous monuments. I haven't the knowledge to discuss the other places. I have seen some of them; but have not had the chance to become familiar with them.

My work here is very interesting too. I am with the 973 Engineers, an old combat outfit that was retained here to repair and dispose of the property left by the troops at the wars end. Many people presume that wars use nothing but human lives and weapons. This isn't true, there are millions of dollars of equipment left here that can be used to rebuild the many things destroyed by this war. Here we are repairing and dispos-

Slaton's New State Guard Unit Moves In Quarters At City Hall

Through the generosity of the City officials Slaton's new Guard unit will have Headquarters in City Hall, which will give Company C, 39th. Infantry Battalion, one of the finest Headquarters in the state. The new uniforms, arrived here this week. An armored car, and other motor equipment will arrive within a short time. Uniforms and field equipment was issued to the men at drill period last Wednesday night, and regular drill periods will be held each Wednesday evening at 8:30 P.M. on 8th. St., between Lubbock and Garza Streets, just east of the City Hall, and the public is invited to come out and watch the men go through training. The auditorium in the City Hall will be used for class room training, and showing of Training Sound Films. The Slaton Company will begin their Rifle Team practice soon. One of the best Rifle teams in the Texas State Guard is likely for the Slaton unit, as demonstrated by some ex-Marines, Sailors, and Soldiers on the range two weeks ago. Much interest is being shown by the teenage platoon also, and a number of good marksmen are being developed in their ranks. If you are 16 years of age, or over, come to Recruiting Headquarters, balcony Moore-Lee Furniture Mart, where Major Walter F. Smith, Recruiting Officer for West Texas Area, will be glad to explain the purpose of

the Texas State Guard, and the value of its training. Major Smith especially invites the parents of these boys to come in and get acquainted and learn the benefits of this training for their boys. The local company is commanded by Cap. Jay W. Moore, and 1st Lt. Kay K. Moore, veteran of General Patton's 3rd. Army, is PLANS AND TRAINING OFFICER for the unit. 2nd Lt. Joe L. Doyle is Supply and Mess Officer.

SLATON BOY SCOUTS TO RETURN FROM CAMP

The Slaton Boy Scouts carried off a number of honors at the Boy Scout Camp at Post this week. The 16 who have been attending the camp will end their vacation tomorrow.

Bruce Pember, Scout Master for the Slaton Troops was in attendance part of the time and was assisted by the following men from Slaton: J. C. Champion, Jr., Edwin Forrest, and W. L. Pearson.

Jim Chenoweth was Camp Director for the week, he was assisted by Jimmy Cherry, Ed Burton and John Smith.

The Scout members who attended were: Bill Layne, R. L. Kirk, Alvis Collins, Eugene Ford, Bobby Moore-Lee Furniture Mart, where Major Walter F. Smith, Recruiting Officer for West Texas Area, will be glad to explain the purpose of

OUR BOYS WITH THE COLORS

Sgt. Harold Morrison who is with the 1st Cavalry in Japan, has sent his wife two more boxes of things from there. Among the things were two beautiful linen table cloths with napkins to match, two pair of pure silk hose, a pretty blue silk bed spread with applique flowers, Ten yards of white silk, fans and several silk dresser scarfs, silk handkerchiefs, a jewelry box, two table lamps, glass clock and two blue satin robes.

Harold says its beginning to get hot over there, they have already started wearing their suntans. He saw Wayne Ferguson at the Imperial Paace, but didn't get to talk with him.

A touching tribute was paid in Mount Harmon Cemetery near Quebec Canada, on May 31st, to American Airmen who are buried there. Among them Sgt. John C. Carter, who died in a crash on October 19, 1942.

Sgt. Carter was a Slaton boy whose tragic death came as one of the first shocks of the war to Slaton.

ing of property that will be used to repair bridges, rebuild homes, factories and other things that are essential to modern existence. This property is sold through U.N.R.R.-A. and is being used for peacetime construction projects.

Tractors, cranes, bulldozers, dirt moving machinery of all kinds are being repaired and disposed of. I am very lucky to be in the engineers, we have the chance to operate all of this machinery and gain actual experience in work that is difficult to learn in the States. As long as I must be over here I consider myself lucky to have the chance to learn these things.

Don't get me wrong, I want to come home as soon as possible, I miss that friendly hello, that the people of Slaton give you when they meet you on the street, I miss the movies and the corner drug and all the things that go with a friendly little town. Tell all my friends hello and that I hope to see all of them before too long.

As ever,

Men Needed To Work For City In Clean-Up Of All Property

In a meeting at the Chamber of Commerce office Tuesday night, the Captains of the Clean-up drive reported that each zone had its leaders in each block Wednesday morning saw a beginning of a clean-up such as Slaton has never had before.

It was suggested in the above meeting that as individuals had volunteered trucks to haul all debris from all property that the city hire men to load those trucks next Monday. Eleven trucks have been volunteered for hauling and others can be used if others have them available on that day.

It is hoped that a continuous clean-up will continue after next week's hauling takes place. Some suggestions have been offered to the effect that clean-up service charge be added to City water bills each month and the town be kept as closely sanitary as men can make it.

Many have already started cleaning away material both unsanitary and unsightly from property the first of this week so that others might get the spring-cleaning fever.

Originally this campaign was started to take away a chance of Polio or infantile paralysis but the clean-up will greatly prevent many diseases and will surely bring a beautification of the whole town.

TRUCKS WILL MEET AT THE CITY HALL NEXT MONDAY MORNING. MEN WILL BE HIRED TO LOAD THOSE TRUCKS, IF YOU NEED WORK ON THAT DAY YOU ARE ASKED TO REPORT TO MAYOR WOOTTON FOR DUTY. YOU WILL BE WELL PAID FOR YOUR WORK.

Inspection will take place beginning next Tuesday, June 18th. Under the able supervision of City Health Officer Dr. W. E. Payne. GET YOUR PROPERTY READY FOR INSPECTION.

J. J. CAUDLE PASSES AWAY SUNDAY

Funeral services were held Tuesday at 10 a. m. in Hale Center for J. J. Caudle 71, who passed away Sunday at 8 p. m. in a Plainview hospital. Mr. Caudle was a brother of Mrs. M. L. Turnbow and had lived in Hale Center 25 years.

Survivors are his wife, four children, five sisters, one brother, nine grandchildren and two great-grandchildren.

SLATON IMPLEMENT FIRM MOVES TO NEW HOME AT 9th AND SCURRY

A friendly invitation is extended to all who care to see the new home of Farmall and International Harvester Machines. The new building is of tile and brick construction and will house Tractors and farm machines and parts. A shop for special work for servicing and repairing tractors and other farm equipment adjoins both show room and the parts room. The building is located on the corner of 9th, and Scurry streets. This is the new home of the Slaton Implement Company.

The service department is under the direction of a factory

trained I.H.C. mechanic. He has at his command the most modern devices for servicing your tractor and equipment. If you need work done, go in and get an estimate on that work.

The Owner and Manager of the Slaton Implement Company is Mr. Kendrick who has been a farmer and still operates a farm of two sections. He is fitted to help you with your farm problems and to sympathize with those who need rain. Whether you have met him or not visit Mr. Kendrick and let him show you around Slaton Implement Company.

REGIONAL ROUNDUP

ROPEVILLE will have a new theatre, according to Wallace Bankenship and Jimmy Thornhill, owners.

AN ADDITIONAL grant of \$150,000 has been apportioned for completion of REA construction in Dawson, Lynn, Terry, Garza, Borden, Martin and Hockley counties. Spearman

SPEARMAN has started a 45 block paving program. Over 4,000 feet of curb and gutters have been laid to date.

PLAINVIEW city council set up a paving project last week to include 36 blocks of residential streets.

SPUR Chamber of Commerce has purchased a lot from the REA to be used for erection of a migratory camp for cotton pickers.

TULIA'S \$60,000 bond issue for improvement of the city water works and sewer system has been called for June 8.

LITTLEFIELD is carrying out an extensive paving project on 50 to 60 city blocks. City officials have also contracted for sale of bonds for the \$275,000 light plant to be built by Littlefield, STAMFORD TEXAS. Those attending the 16th annual show of the Texas Cowboy Reunion to be held in Stamford on July 2, 3, and 4th, are assured of witnessing the finest rodeo performance, and of having lots of fun and plenty to eat.

KNOX COUNTY rang the bell with its first oil well last week, located 20 miles north of Knox City.

STAMFORD officials have extended invitations to 150 towns for their Texas Cowboy Reunion Rodeo set for July 2-4.

Ask us for a private showing in diamonds—Champion Jewelry.

AN ACTIVE campaign was started last week to raise \$10,000 for the newly organized Crosbyton Rodeo Assn. of Crosbyton, which has as its goal the building of one of the finest rodeo plans in that area.

SLATON TECH STUDENT IS HONOR GRADUATE

Miss Kathryn Whitehead, daughter of Mr. and Mrs. A. E. Whitehead of Slaton, was one of the eight seniors to be graduated with honors at the recent commencement exercises at Texas Technological College.

Miss Whitehead received a B. A. degree with a major in Spanish. To be graduated high honors a student must have a grade average of 2.5 of a possible 3 grade point average for all work done at the college.

Wilson Southland Bakery Wins One From Vibrators

Even though Wilson has booted one and barely eked out another win this past two weeks, she still leads the softball league. She has a partner at the top now, as Southland has steadily kept winning after having lost their first encounter with Wilson. Southland play was not the factor that placed them in a tie for the lead however. The plucky team from Posey, currently third place holders in the league, performed the giant killer role and beat Wilson out by a narrow margin. We predict that others will try harder as games go by to knock off these leading teams. The Santa Fe team nearly repeated on win over Wilson in a game Monday night that ended in a 10 to 9 score.

League standings to June 11:

| | Won | Lost | Pct. |
|-----------|-----|------|------|
| Wilson | 8 | 1 | .889 |
| Southland | 8 | 1 | .888 |
| Posey | 6 | 4 | .600 |
| Santa Fe | 5 | 5 | .500 |
| Hardware | 3 | 4 | .429 |
| Vibrators | 3 | 5 | .374 |
| Oilers | 1 | 8 | .125 |
| Bakery | 1 | 8 | .125 |

Players showing exceptional play this week are the following: Lefty Munro of Wilson. Raymond Gentry of Posey. Bunky Guinn of the Bakery. Walter Jochetz of Santa Fe. Pete Lancaster of Southland. The Oilers new third baseman. Elton Smith of the Vibrators. Go out to the ball games and pick your favorite player and team.

**THROW AWAY MEDICINES
AFTER ALL ILLNESSES**

There are many persons who
naturally hoard anything and
everything including old clothes,
boxes, and other useless articles,
some of which constitute no great-
er danger than a possible fire
hazard, but a very real danger
is present when this tendency is
applied to hoarding old medicine
in any form.

Most medicine finds itself into
the home through a doctor's pre-
scribing it for some specific illness.
For the sake of safety, left over
medicines should be destroyed im-
mediately when they have fulfilled
their purpose and never be stored
in the medicine cabinet for future
unprescribed use in case of another
illness, according to Dr. W. Cox,
State Health Officer.

"Self-medication with the use of
left-over drugs which were of
great benefit to some previous ill-
ness can sometimes turn a simple
ailment into a very serious con-
dition of actual poisoning," Dr.
Cox said. "This is particularly
true of the indiscriminate use of
sulfa drugs which have been pre-
scribed for some previous specific

"It is wise to use medicines as
indicated for the illness for which
they are prescribed by your doctor,

held June 18 at 2 p. m. with Mrs. B. W. Paterson.

Mr. and Mrs. R. L. Johnson and E. T. Johnson from Pettit spent last Sunday with the Sam Gentrys. Mr. Johnson said that he obtained a stand with his crop but that a severe sandstorm destroyed it.

The Wildcat Soft Ball Team won their biggest victory Thursday night when they defeated a Wilson team which had won seven straight games. To date Posey has won four and lost four games.

Three games are scheduled for this week. Raymond Gentry is now the manager, a position which has been held in order by Riggs Belcher and J. M. Sain. The wild cats still figure that they have a good chance to win the championship.

Mr. and Mrs. Everett Mangum and boys of Slaton and Mrs. Ray Johnson of Lubbock were visitors with their parents, Mr. and Mrs. S. N. Gentry Friday night.

Mr. and Mrs. Mac Guire of Muleshoe did not accept the teaching position at Posey and the trustees have not yet announced new teachers for the positions.

Sgt. Harold Morrison has sent his mother and wife various gifts of silk from Japan. Sgt. Morrison knows of no definite date when he will be released from the army.

Upon his graduation from Cooper High School, Billy Boyd was presented a chevrolet automobile by his grandmother.

How Old is Your Car and How Long Will it Last?---Will it Make it?

The average car operating on the streets and highways of America is what we used to call an "old car." Most of them are three to five years old — AND THEY MUST LAST MUCH LONGER YET These "old cars" need more attention, more lubrication, more adjustments and parts replacements than the cars you used to trade in for a new one every year or two.

Take Care of Your Car for Your Own Sake as Well as for Your Country's

Your car cost money. It will cost you money to do without it in case it stops running. It will cause you inconvenience — so it is just good judgment to take care of it. Let us help you.

A MESSAGE TO INSPIRE CHRISTIAN UNITY

J. Lloyd Moyer. Phone Res. 239 J Box 583, Slaton, Texas Office 333

SUBJECT: "THE SIN OF DIVISION AND ITS CURE—NO. 3

Rom. 1:16 1 Cor. 9:16 Gal. 1:8

We have already learned that DIVISION is a SIN. We are now ready to see if there is a CURE for it. Before a cure can be effected, the CAUSE must be determined. Hence, we must find the cause of division, in order to eliminate it. Remove the CAUSE of religious division and the cure for religious division will have been effected.

to do this? Hear Peter in (1 Peter 4:11) "If ANY man speak as the oracles of God..."

In (Gal. 1:8) Paul has this to say, "But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed."

The apostle John adds this in (1 Jno. 9) "Whosoever transgresseth, and abideth not in THE DOCTRINE OF CHRIST, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son." Then in the next verse he says, "If there come any unto you and bring not this doctrine receive him not into your house, neither bid him God speed."

Now let us sum up the contents of these passages. We are not to believe all who claim to be prophets; we are to TRY (test) them. But by what are we to test them?

By the GOSPEL Paul preached. By the DOCTRINE of Christ. If any man speaks he MUST speak as the ORACLES of God. If he does not thus speak, Paul says, God is "NOT with him." John further says, we are NOT to receive him into our house, neither are we to bid him God speed.

Paul expresses it like this in (Rom. 16:17) "Now I beseech you, brethren, MARK them which cause divisions and offences contrary to the DOCTRINE which ye have learned; and avoid them."

QUESTION: What was the doctrine they had learned? It was the doctrine of Christ. Therefore, if any man today preaches or teaches anything that is contrary to, or different

from the doctrine of Christ, I must mark that person and avoid them. However, if all who speak today, would speak as the oracles of God, preach the same gospel that Paul preached, abide in the doctrine of Christ, then ALL would preach, teach and speak the same things, and thus would all be united.

From these passages we see that the Bible claims to be the standard by which we are to try the prophets (?) which John says had gone out into the world. However, in order for these prophets to thrive and the cults and organizations which they fostered prosper; the attitude that the Bible was a perfect standard had to be removed. Hence forces were set in motion to create the attitude that the Bible was IMPERFECT, INCOMPLETE and needed something added to it. With this attitude prevailing, they could say, We supply that which is lacking in the Bible.

Friends, you and I may close this fruitful field of division if we will manifest the proper attitude toward the Bible. Let us accept the Bible as the ONLY standard in things religious. If we cannot do this, then we cannot accept the Bible in any form. If it is true then it is what it claims, A PERFECT STANDARD.

If it is not this, then it is false and must be rejected. I personally believe the Bible to be true and I accept it as the standard by which all things spiritual must be governed. God help us all to work for the unity for which Jesus prayed and the apostles plead.

WOMEN IN THEIR '40's'

Were Never Meant To Suffer Like This!

Here's a tip for women troubled by Nervous Tension, Irritability and Weak, Tired, Cranky Feelings—due to 'middle-age'

If the functional "middle-age" period peculiar to women makes you suffer from hot flashes, touchy, high-strung, weak, nervous feelings, try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Taken regularly—this great medicine helps build up resistance against such "middle-age" distress.

Thousands Upon Thousands Helped! Pinkham's Compound is one of the best known medicines you can buy for this purpose. It has proved some of the happiest days of some women's lives can often be during their 40's. We urge you to give Pinkham's Compound a fair and honest trial. Just see if it doesn't help you, too. It's also a great stomachic tonic!

MISS WINIFRED SMITH WEDS DONALD B. HANEY
Miss Winifred Joyce Smith, daughter of Mr. and Mrs. Jack W. Smith, formerly of Slaton, became the bride of Mr. Donald B. Haney, of Matoon, Ill., and Washington, D. C. at 4 o'clock Sunday, May 26th at the Methodist church in Washington.

Silver Tea Held In Kitten Home

A silver tea and quilting party was given in the home of Mrs. L. B. Kitten as a benefit to the St. Joseph's Altar Society, Thursday afternoon, June 6.

The organist played softly while the minister read the ceremony, including the double ring ritual, amid floral decorations.

The bride wore a heavy white brocade dress with finger-tip veil and carried a cascade bouquet of white roses and lily of the valley. Her only attendant, her sister, wore a pink chiffon dress and carried a bouquet of spring flowers.

The bridegroom's mother, from Illinois, wore a dress of blue crepe. A reception was held and the couple cut the cake and autographed napkins for the guests, then left for a wedding trip to New York.

Miss Jones, a former Wave mate of the bride's sister, flew down from New York and recorded everything on colored film.

The bride attended Slaton High School in 1943, making her home with her aunt, Mrs. J. M. Carter. She graduated from Galveston High School in 1945, and entered George Washington University last fall.

MISS CLAUDINE JACKSON WEDS MARVIN HARRIS

At twilight Saturday evening in the home of Mr. and Mrs. Clifford Young, Miss Claudine Jackson became the bride of Mr. Marvin Harris.

Rev. W. F. Ferguson performed the double ring ceremony as they stood beneath a fern covered arch. On each side of the arch were large baskets of white gladioli and candles in standards.

Mrs. Geo. Jenkins was her sisters' attendant and Mr. John Harris of Hereford was his brothers' attendant.

Immediately after the ceremony a reception was held. After the bride and bridegroom cut the first slice of cake, Mrs. Elmer Trimble, jr., served the cake and Miss Katy Blaskus poured punch.

The lace covered table was centered with a bowl of pink carnations and white candles on either side. The three tiered wedding cake on a mirror was topped with a miniature bride and groom.

The bride was dressed in an aqua blue dress with white accessories. Her attendant was dressed in rose with white accessories.

Wedding guests were Mrs. C. H. Jackson, mother of the bride, Carlsbad, New Mexico. Mrs. Johnny Rogers and Miss Ruby Jackson, Carlsbad, Mr. and Mrs. Weldon Swanger, Post, Miss Katy Blaskus, Carlsbad, Mr. and Mrs. J. T. Kendrick, Mrs. Elmer Trimble, jr., Mr. and Mrs. Geo. Jenkins, Miss Loy Trimble, Mr. and Mrs. Clifford Young and Ethlyn Young.

They left for a honeymoon trip to Amarillo, Hereford and Carlsbad.

For travel the bride wore chartruese and white.

SOUTHLAND

Mr. and Mrs. Royal Sanders and daughters, an Mr. and Mrs. Claude Spence left Saturday to attend the funeral of their nephew at Durant, Okla., who was killed in a car wreck Friday. He had just been released after three years of service and had planned to visit here soon.

The first of July, Rev. E. Herber and family, move to Thrall, Tex., where he will have a larger field. Brother Herber has been Lutheran pastor of the Southland and Wilson half-time churches for the past twelve years. His many friends of the two communities regret to see him leave yet rejoice that he will have a larger field. He has been cooperative in civil work and is also an able musician. We hope the local church will not be long without a pastor, even though so few are now available.

Sunday Mr. and Mrs. Harry King and daughter, Mary Frances, and son, Henry King and wife and daughter, Elaine left with F. O. DeBusk for Weinert to visit Mrs. King's father. It is Mr. Furr's first time to see his English granddaughter-in-law or their baby. They plan to return Wednesday.

Mr. DeBusk began work as a mechanic at Mundy, Texas, on Monday morning. As vacant houses are unavailable there now, his wife and children plan to remain here until the first of July when they will go to visit her father at Strawn. While there, Paul and Nancy will attend a three week's Catholic Church School.

Monday of last week, Mrs. Marvin Truelock was the grateful recipient of a Sunshine Box. Mesdames Arville Ferguson and Nellie Mathis brought the gifts to her.

Mrs. F. E. Weaver's mother, Mrs. Nix, left last week with another daughter to visit in her old home in Cisco. Mrs. Nix is making her home here with the Weavers.

Elmer Trimble came in at 6:30 p. m. Friday to spend eighth days with his parents, Mr. and Mrs. E. E. Trimble and with his wife and her parents at Slaton before reporting back to San Francisco. His twin brother Delmer left at 12:30 Saturday. The sailor brothers have been together all the time, but Elmer was recently ill and his leave was postponed a week.

Miss Janie Morris, a major in Primary Education at Tech, came home two weeks ago. She is the daughter of Mr. and Mrs. W. E. Morris.

Mr. and Mrs. D. H. Mayfield and three sons spent the weekend in Sweetwater, their former home.

The Ben Bloxoms were Sunday guests of her parents, Mr. and Mrs. A. F. Everage, who live near Gordon.

Jimmy Ferguson went to Post Sunday night to visit his grandparents and other relatives until

Thursday.

Mr. and Mrs. James Hamaker and son of Lubbock, spent Sunday with her parents, the J. F. Moores. Also, her sister Mrs. Payton Crawford and family of Hackberry.

The Intermediate Class of the Baptist Vacation Bible School went to Mackenzie Park, at Lubbock, for a picnic Tuesday night of this week. Mesdames Clarence Terry and Juanita Taunton accompanied them.

Wanza Martin of Lubbock spent her week end with her grandparents, the Edd Martins.

Mr. and Mrs. Tom Whitacre of Amarillo visited the J. R. Woods over the week-end.

Wednesday evening a large crowd gathered at the Methodist church for the program ending their two weeks Vacation Bible School. Afterwards everyone went to the gym for a basket supper, the bunch furnished plenty of ice cream.

Friday evening the Baptist church had their program at the close of their two weeks Bible School. After an hours program and exhibit of handwork the crowd had a picnic lunch in the yard back of the church.

CARD OF THANKS

This is to express our sincere and heartfelt appreciation to the many kind people of Slaton who were so thoughtful of us during the illness and death of our mother, Mrs. Mary Angerer. The many thoughtful deeds, floral offerings and expressions of sympathy were deeply appreciated.

The Children of Mrs. Angerer.

Our modern girls have a real problem when they try to buy clothes that reveal and conceal at one and the same time.

One really has to go window-shopping nowadays if he is trying to build a house.

War Heroes Will Talk Over Radio For Price Daniel

An old-fashioned political rally with placards heralding the counties represented will be staged by friends of Price Daniel in the City Music Hall at Houston, Texas, next Monday night, June 17, to officially open his statewide campaign for Attorney General. Heroes of World War II will be among the speakers on the half-hour radio program which will be broadcast over all stations of the Texas Quality Network and the Texas State Network from 8:30 to 9:00 p. m.

Supporters from nearly 200 counties have already indicated their intention of attending the rally in behalf of Price Daniel's candidacy. The first fifteen minutes will be taken up by key speakers from various sections of

I Give You Texas

by BOYCE HOUSE

It's an old one but I've always liked the story of the intoxicated man who was shoved out the front door of a club and he announced to a bystander, "I'm gonna go back in there an' throw 'em all out. You stand here and count 'em." So he made his wobbly way back up the steps and back into the building. In a little while the door flew open and out sailed a form. The man on the street said, "One." The figure on the sidewalk slowly rose and said, "Don't start counting yet; this is just me comin' out

the State, including G-I veterans whose exploits have been recorded in the pages of Army and Navy history. The last fifteen minutes will be used by Price Daniel in presenting for the first time to a state-wide audience the principal issues of his campaign for Attorney General.

again." And changing the subject: For the first breakfast in their home, the bride cooked some biscuits. Her husband said, "Darling, don't cook biscuits anymore; you are too light for such heavy work."

Here's a little poem whose author is unknown, entitled "Give Them the Flowers Now!":

Closed eyes can't see white roses,
Cold hands can't hold them, you know;
Ereath that is stilled can not gather
The odors that sweet from them blow.

Death, with a peace beyond dreaming,
Is children of earth doth endow;
Life is the time we can help them,
So give them the flowers now.

Here are the struggles and striving,
Here are the cares and the tears;
Now is the time to be smoothing
The frowns and the furrows and fears.

What, to closed ears, are kind sayings?
What, to hushed heart, is deep vow?
Naught can avail after parting,
So give them the flowers now.

Just a kind word or a greeting,
Just a warm clasp or a smile—
These are the flowers that will lighten

The burdens for many a mile.
After the journey is over,
What is the use of them? How
Can they carry them, who must

Indiana Town Gets Big Gun

Brazil, Ind., Clay County Post 2 of The American Legion thought it would be a good idea to place some sort of a war relic on the lawn of its new home here. It placed a request with the War Department.

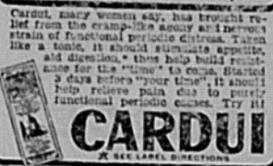

The relic has arrived and created consternation. It came in the form of a 5,000-pound, three-inch anti-aircraft gun with a 22-foot long barrel, requiring more space for parking than the size of the clubhouse lawn.

The post has called on the city park board for help. The too big gun may be placed in a city park, be carried, Oh, give them the flowers now.

Blooms from the happy heart's garden,
Plucked in the spirit of love;
Blooms that are earthly reflections
Of flowers that blossom above—
Words can not tell what a measure
Of blessings such gifts may allow
To dwell in the lives of many;
So give them the flowers now.

Wish someone could tell us
what we're so doggone mad about
when we awake from a good night's sleep.

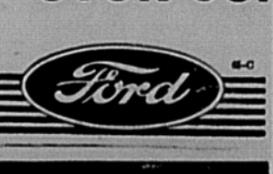

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started a days before "your time," it should help relieve pain due to purely functional periodic causes. Try it!

JUST TALK

by A.M.J.

Bug Guinn, who confesses to the habit of greeting people with rhymes, such as, "Hi Mat, where's your hat?" says that Otis Neil slipped up on him last week.

Otis came into the Palace of Eats where Bug, J. S. Edwards and several other men were blowing their coffee and Bug greeted him with "Hello Neil, how do you feel?" ... Neil replied, "Run down at the wheel." The laugh and the coffee was on Bug and he says the next time Neil comes into the Restaurant while he is there he will greet him with a grunt.

We may not have a cotton crop next year, nor a feed crop but we most certainly will have a big peach and weed crop unless the city water gives out or the wind blows too hard. We planted two peach trees in 1941 and they have bloomed profusely every spring since that time, every February I have gone out and watched the little peaches as they developed on to see a late March freeze get them all. This year our peach trees are dragging the ground and if they develop as I hope they will be going to stand out in front of my house in August and snowball others would look like horse trad-

every car that goes by with ripe peaches . . . that is, unless the June bugs get the peaches before they get ripe.

In magazines and periodicals I am always reading about some small towns that have done some big things by cooperative spirit. One town in Pennsylvania according to Collier's, has taken over the property of a closed war plant and will operate it to produce bath tubs, plumbing fixtures and other metal necessities. The stock in the business has been sold to the many small business firms of the town and runs up close to a million dollars. Several towns in Nebraska and the Dakotas have established modern airfields where feeder air lines to the big trans-continental lines are serviced and where the towns are receiving air, express and freight air service.

To date I have never seen the business men or the citizens of Slaton cooperate wholeheartedly on anything, we have started a lot of things, one or two men endeavored to promote the propositions, the merchants and citizens have always been fairly generous with their money but if anything is ever done, it is done by one or two men, the remainder take little interest. What we need is cooperation and one of the best places to start is on the clean up campaign that is now in progress.

Some folks always look neat and clean regardless of what kind of clothes they have on, while others would look like horse trad-

ers even if they wore a dress suit. J. D. Holt, J. J. Maxey, Ray Hickman, Bill Sewell, Howard Swanner, Alan Payne and Harry Stokes are a few who always seem to have their clothing in order and look neat and well pressed, while I go around with ink spots on my clothes and droopy pants regardless of how often I straightened my tie, arranged the six or eight hairs on my forehead and yank up on my pants so that they hang on top of my stomach instead of my hips like they seem determined to do.

It seems to me that every time I go to a public meeting that some deep subjects on national or international affairs are discussed but I never hear a thing about local problems or any suggestions on how conditions can be improved in Slaton or on the South Plains.

While we do not at the present time have any great reason outside of the weather to complain about, it seems to me that there are a great many problems that could be brought to the attention of the public. A political rally could be worth while, we at least could find out what the candidates look like and get some ideas as to whether they are sincere, honest and intelligent.

The promotion of a political

rally where all of the candidates could be invited, would be a good idea according to my estimate, for the Chamber of Commerce.

The revival of Rodeos over the country seems to have become popular, but it seems to me that such amusements are of very little value to a town. The same amount of effort and money spent on cleaning up or beautifying a town would be more worth while.

Several months ago I made some dirty cracks about the quality and distinction of the fertilizer that the Ray C. Ayers & Son grain elevator sold around town. After careful observation, I am still in doubt about the quality of the product. At first I noticed that the weeds sprouted fast and seemed very vigorous where I spread the manure but now there are bare spots beginning to appear on my front lawn and the fertilizer seems to have eaten raw places all over my lawn, however it may be that the bare spots are there because I have not watered my front yard enough.

If the paper shortage continues I do not know how the young folks who get married are going to get many wedding gifts, for wedding announcements are almost off the market. We have a few more boxes left but when we get a few more

couples fixed up the wholesale paper houses say that there will be no more until the paper mill strikes are settled.

A lot of other things in the paper line are getting mighty hard to find too and I am told that it is probable that a good many weekly papers will likely have to miss a few issues. If all the printing outfits have to slow down or close up for awhile there is going to be a premium on fishing space around the lakes and streams in South Texas or in New Mexico.

The paper salesmen who come around seem to be traveling for the pleasure of coming in to tell us they cannot supply us with merchandise. It does not seem that the war is over yet, in fact we in the United States are just begin-

ing to find out what it feels like to go without a lot of things.

Women soon learn that if you give a man an inch he thinks he's a ruler.

When the wife found a blonde hair on our coat the other day we told her not to worry because it wasn't ours.

The girl who marries into a wealthy family has one advantage. Her husband will probably never tell her that she can't cook like mother did—because chances his mother was never a cook.

A busy man doesn't worry his agt, because he doesn't his years until he has else to count.

WILL YOUR SON GET AN EVEN BREAK?

The youth who receives the best training and develops character fitting him for leadership has an even break for success in life.

Will your son get an even break? Will he have the funds needed for college or vocational training for the career of his choice?

He will have more than an even break if you start now to build his financial security with a Woodmen Educational Endowment or Success Builder life insurance certificate. From age 8 to 16, he also will be privileged to take part in the character-building activities of Boys of Woodcraft. Later, as an adult member, he will enjoy lifelong benefits from Woodcraft's fraternal, social and civic activities.

A special Woodmen juvenile membership campaign is now under way. Ask the local Woodmen representative to tell you today about Boys of Woodcraft and the Woodmen juvenile insurance certificate that meets the needs of your boy.

Air Plane Show To Be Held Soon

South Plains residents will have their first good opportunity to see the aircraft their young men flew in and worked on during the war when they attend the Lubbock National Aeronautics Association show at the Lubbock Municipal Airport June 23 at 10:00 a.m.

The Army Air Forces will have all types of planes from the super-speed jet propelled P-80 to the AT-7 lined up on the ramp for public inspection. The AAF will also put on a flying show featuring the same type of aircraft.

In addition, the NAA Show will include an exhibit of the newest models of private aircraft presented by manufacturers. Among the planes which will be on display are the Cessna, Ercoupe, Piper Cub, Taylorcraft, See Bee, Swift and Aeronca.

The third feature of the triangular show will be a model plane contest carrying \$25.00 in cash prizes.

Virgil Musick president of the Lubbock Chamber of Commerce Lubbock Chapter of the NAA, invites all private flyers in this section to fly in for the show.

Howdy Folks: Next Sunday is Father's day. You know what a modern father is. He's a man who's wired for cash.

In that connection, many a father is suffering from a touch of the son.

Any one who ever gave the right size shirt on Father's day would have a fit.

We heard of one father who claimed that bad weather conditions did not affect the crop of wild oats in the least.

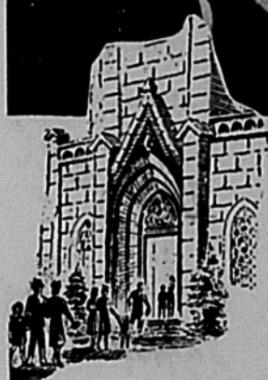

Of course it's all right to grow a crop of wild oats so long as you don't have them threshed out in court.

Fathers and sons, both like to use our MAGNOLIA PRODUCTS.

Little Miss Monday

Her hair is still in braids . . . but she has learned the art of hanging out the wash . . . even has a certain technique, though hardly the polished finesse that comes after the first hundred Monday mornings.

Her mother is a wise woman who understands that good housewives are made at home. And her father is just as wise in his own way. He works hard, and sacrifices a great deal, because he wants his daughter to have "all the advantages that we never had."

But Mother's Monday lesson in housekeeping, and all Dad's well-meant advantages cannot insure their daughter's happiness. Sunday lessons are important too!

The Church, through religious training, provides children with the moral and spiritual foundations of happy, healthy living. And wise are the parents who accompany their children to Church . . . for they add to the advantage of Christian training the power of a Christian example.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the Church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to Church on Sunday.

Wesleyan Service Guild Meets With Mrs. Charlie Walton

The Wesleyan Service Guild met in the home of Mrs. Lou Walton, 445 West Lynn, Tuesday evening, June 4th.

The entertaining rooms were decorated with roses and ivy. Mrs. Walton, assisted by her little daughter, Viola Mae, served refreshments of punch and open-faced sandwiches, topped with sliced olives.

Miss Lucille Doherty gave a very impressive devotional on "Builders of Peace for Tomorrow." The text taken from Gal. 6:14, "God forbid that I should glory, save in the cross of our Lord Jesus Christ."

Mrs. Theo Conner lead an interesting program on "Evangelism, A Strategy of Peace," stressing the fact that crusade for evangelism begins in the home.

Mrs. Lou Walton gave a thorough report of the W. S. G. District Conference which was held at St. Johns, Methodist church in Lubbock, June 1st. and 2nd.

The following members of the Guild were elected as District officers: Mrs. Jessie Prosser, secretary Christian Social Relations; Miss Gertrude King, Sec. Miss Education, Mrs. Edwyna Kirk, Sec. of Spiritual Life.

The next meeting of the Guild will be at the Methodist church, June 20th, 8 p. m., at which time Miss Gertrude King will review a portion of the book, "Cross Over Africa."

Members present were: Mesdames Edwyna Kirk, Clarice Layne, Theo Conner, Ollie Ruth Chenoweth, Erine Saage, Mildred Lokey, Misses Lucille Doherty and Gertrude King. Guests were Mrs. V. A. Eblen and Mrs. S. H. Adams. They are happy to report a new member Mrs. Clea Wyatt who has recently moved here from San Angelo, Texas.

Miss Myrtle Teague Installed As Worthy Matron of OES

The annual Installation of officers of Slaton Chapter, No. 585, O. E. S. was held Friday night, June 7th. After the opening drill by the outgoing officers, the mother of the Worthy Matron-elect, Mrs. Fannie Teague, presented the Bible. The installing officers for the evening were escorted into the Chapter Room by Mrs. Pauline Cummings, retiring Marshall, and introduced by Mrs. Edith Lovett, retiring Worthy Matron. They were Mrs. Pauline Smith of Lubbock, installing Grand Officer, Mrs. Alma Caldwell, installing Grand Secretary, Mrs. Eula Kelley of Earth, installing Grand Chaplain, Mrs. Mabel Crews, installing Grand Organist.

The officers installed were as follows: Miss Myrtle Teague, Worthy Matron; J. W. Chenoweth, Worthy Patron; Mrs. Birdie Culver, Associate Matron; Mrs. Vert-Merrill, Secretary; Mrs. Willie Kate Schmidt, Treasurer; Mrs. Lorene Berry, Conductress; Mrs. Vera Bailey, Associate Conductress; Mrs. Mamie McCain, Chaplain; Mrs. Billie Miles, Marshal; Joe Miles, Organist; Miss Wilda Hannah, Adah; Mrs. Fannie Patterson, Ruth; Dr. Beatrice Knight, Esther; Mrs. Letha Arthur, Martha; Mrs. Edith Brooks, Electa; Mrs. Fannie Teague, Warder; and Mrs. Grace Smith Sentinel.

During the installation, a program was presented, consisting of the following numbers: Song, Mr. Jimmy George; violin solo, Mrs. Lessie Castleberry; poem, Mrs. Mabel Crews; and presentation of flowers to star points, Miss Camille Knight.

The new Worthy Matron was presented with a bouquet of gladioli by the Associate Matron, and retiring Worthy Matron was presented with a Past Matron's Jewel by the Worthy Matron. After a farewell address by the retiring Matron and a brief message by the new Matron, the meeting was closed.

The installation was public, and

TSCW Visitors Given Dinner

Virginia Johnson entertained with a dinner Saturday evening June 1st honoring her house guests Miss Betty Miller of Fort Davis and Miss Louise Swisher of Roswell, New Mexico, also Gwendolyn Hanna and her house guests Miss Anne Bowyer of Anson and Miss Ann Greer of Dallas. The girls are all students at T.S.C.W. Other guests were Billie Jean English

Mrs. W. H. Proctor Named Honoree

The Loyal Workers class of the Methodist church had a surprise Birthday party for their teacher, Mrs. W. H. Proctor, Monday night June 10 on her 80th birthday. Mrs. Jack Stewart took the honoree for a drive to call on some friends; when they returned the guests had arrived.

The lovely birthday cake, baked by Mrs. H. H. White was placed on a mirror in the center of the lace covered table. Candles set in gum drops surrounded the cake.

The Loyal Workers class was organized 18 years ago with Mrs. Proctor as its first and only teacher. Mrs. Proctor has been a Sunday School teacher for 58 years.

Mrs. Proctor received many lovely gifts and the Slaton Methodist church presented her with a beautiful sterling silver compote.
