Lubbock Is Site \$3,000,000 Packing Plant

A new industry which will be of considerable interest to the entire South Plains area is the new packing plant to be located four miles northwest of Lubbock. It is reported a Chicago firm has bought 2,500 acres of land for the plant and the feeding pens in that vicinity.

The company has let a contract for a \$3,000,000 plant, the construction of which is to begin January 1, 1947. This will be an impetus to the increased production of livestock in the entire Southwest, and adds another major industry to those already in operation in this vicinity.

REVIVAL IN PROGRESS AT CHURCH OF CHRIST

The revival at the Slaton Church of Christ is now in progress, having started Wednesday night. Large, interested crowds are in attendance. A. C. Mellroy of Hale Center is directing the congregational singing, which is reported to be as good as ever heard anywhere. He will be remembered by the people of Slaton as the director of the singing school held at the Slaton church early in June. Mr. Mellroy is heard regularly over station KVOP in Plainview. He directs a Church of Christ quartette, which broadcasts over this station.

Evangelist L. L. Gieger, pastor of Capitol Hill Church of Christ, Oklahoma City, is doing the preaching. Services are being held twice daily; morning services are held at 10:00 o'clock in the air-conditioned church, and the evening services are held at 8:30 in the open air on the church lawn. The revival will continue through August 25. Everyone is invited to attend these services, according to the local pastor, J. Lloyd Moyer.

Slaton Legion Auxiliary Meets

Mrs. Arthur Bentley was the hostess to the American Legion Auxiliary, Unit 438, Thursday, August 8, at 3 p. m. Election of officers highlighted the business session presided over by Mrs. Arden, president. Officers were Mrs. Raye Edwards, president; Mrs. Arthur Dennis, first vice president; Mrs. George Green, second vice president; Mrs. J. D. Holt, treasurer; and Mrs. J. M. Carter, secretary.

During the business meeting, Mrs. Carter was elected delegate and Mrs. Edwards alternate to the 20th Annual convention of the American Legion Auxiliary, which meets in Galveston, September 3, 4, 5, and 6. The members recited allegiance to the flag and read the preamble in unison. The Unit voted to donate \$10 to the playground equipment fund.

Refreshments were served to Mrs. Luther Gregory, Mrs. Arthur Dennis, Mrs. Dobson, Mrs. Raye Edwards, Mrs. George Green, Mrs. M. Lott, Mrs. Fred Tudor, Mrs. M. Carter, and the hostess. A meeting will be held at Mrs. Luther Gregory, 12th St., Thursday, August 22, at 3 p. m.

SEVERAL SEEKING JOBS

Since the Chamber of Commerce has offered its service as a clearing house for people who want to secure work and for those who need help, there have been more requests for work than for help, according to Max Arrants, secretary. There are still people looking for work and asking help of the Chamber of Commerce to put them in touch with jobs. If you need some one to do work of any kind you can probably very soon be put in touch with some one to do the job.

Mrs. O. V. Sims and daughter, Elizabeth, visited relatives in Corsicana the past two weeks.

A good stock of fountain pens and pencils for school. Champion Credit Jewelry.

Junior C of C to Organize Here

An informal meeting of a small group of young business men of Slaton was called at the office of the Slaton Chamber of Commerce last Monday evening to confer with a group of Junior Chamber of Commerce members of the Lubbock organization by this name. Those present decided to have a meeting to organize a Jay Junior of Commerce in Slaton next Wednesday night beginning at 8:00 p. m. in the Auditorium at the City Hall.

Although full membership is limited to men not over thirty-five years of age, men over this age may be co-members although they are not entitled to hold office in the club.

Eight young business men of Slaton were present, J. C. Champion, J. J. Maxey, H. C. Maxey, Jr., Dave Sanders, Lee Roy Holt, Max Arrants, Travis Reynolds and Vern Johnson.

Those who represented the Lubbock Club and the regional Junior Chamber of Commerce were Roy Faulkner, regional Vice President of the organization, whose home is near Lubbock, Gordon Saunders of Lubbock and Tom Settle of Lubbock, formerly of Slaton.

The men from Lubbock explained in full the activities of the Junior Chamber of Commerce and said a representation of the Lubbock Club would meet with the men here

when the Slaton Club is organized.

While those who were present at the meeting Monday, will endeavor to get all the young men possible to be present, there has been no individual invitations put out and any young man who is working in Slaton or has business in Slaton will be welcome to be at the meeting next Wednesday night August 21st.

In telling of the activities of the Junior Chamber of Commerce Mr. Faulkner outlines many things that Slaton needs badly and which at the present time are being neglected. The Junior Chamber of Commerce offers the young men of the town an opportunity to put new life in public enterprises and Mr. Faulkner says that he is looking forward to seeing an aggressive, lively club in Slaton.

Six Slaton Girls Observe Tenth Anniversary Of H. S. Graduation

The first of a series of reunions to be held each decade has been in progress at the Hotel Lubbock this week. The participants are six girls who graduated from Slaton high school in 1936. They met at this hotel in August of that year and entered a pact to meet each tenth year and reminisce and get re-acquainted with each other. At this first reunion all six are present, though their respective homes range all the way from New York City to the former Joreta

Mrs. Bill McDavid of Waco, daughter of Mr. and Mrs. J. H. Brewer of Slaton, is one of the group. She is the former Katrina Brewer. Another member of the group is Mrs. P. W. Wood of Nacogdoches. She is the former Maxine Odum, daughter of Mr. and Mrs. L. C. Odum of Slaton. He is a Santa Fe conductor. Mrs. Troy Pickens is the only one of the six who now resides in Slaton. She is the former Doris Minor, daughter of Mr. and Mrs. P. A. Minor. Mr. Minor is also a Santa Fe conductor.

Mrs. Bedford Thurman of New York City is the former Joreta Roger, daughter of Mrs. Lola Rogers of Lubbock and the late J. K. Rogers. Mr. Rogers was a Santa Fe dispatcher in Slaton for many years. Mrs. Don Burkee of Topeka, Kansas, is the former Mary Jane Nicholson, daughter of Mr. and Mrs. J. M. Nicholson, now of Chicago. He is Santa Fe railroad official and was master mechanic at the local roundhouse for many years. Miss Florence Baldwin arrived from Long Beach, Calif., for the reunion. She is the daughter of Mrs. R. A. Baldwin of Long Beach and the late Judge Baldwin. Judge Baldwin was an attorney in Slaton for many years, having come here when the town was organized.

The reunion began on Monday of this week and continued through Thursday. The group will then visit friends and relatives in Slaton, where a number of social events have been scheduled for their entertainment. Several parties in Lubbock will also name them as honorees.

Personals

Patsy Hickman is a guest of Cynthia Loveless at their cabin "Lingerwyle" at Ruidoso, New Mexico.

Mrs. C. L. Pack has returned from a visit with her daughter, Mrs. Neal Hallmark, in Oklahoma City. Mrs. Hallmark and daughter, Dana returned home with Mrs. Pack for a visit.

Vegetable Supply Scarce; Few Use Canning Center

The continued dry weather has reduced the vegetable supply for canning to a minimum, and few people are using the canning center, according to Mrs. Carter Shaw, who is in charge. Earlier several took advantage of the facilities of the center and beans, peas, and okra were canned. However, there are practically no vegetables available now for canning.

The canning center will be open by appointment on Tuesday and Friday afternoons from 1 to 5 o'clock, and anyone wishing to use the equipment should call Mrs. Shaw at 648 J and make arrangements for canning.

JONES FAMILY HOLD REUNION SUNDAY

A family reunion was held in the home of Mr. and Mrs. Virgil Jones, Sunday August 11.

Those present were: Mr. and Mrs. Jim Barton, Mr. and Mrs. Perry Jones and sons, P. A. and Robert Louis of Sherman, Mrs. J. I. Jones, Mr. and Mrs. Lee Jones and family, Mr. and Mrs. Estell Ham and family, Mr. and Mrs. John B. Winchester and son, Mr. and Mrs. Homer Jones, Cleo and Teddy Keese, R. C. Stevens and Bertie May Lamb of Slaton, Mr. and Mrs. A. L. Stone and children of Anton, Mr. and Mrs. Wilbur Jones of Abilene, Mr. and Mrs. Robert Hagler and Velma, Mr. and Mrs. Robert Lee Hagler and children of Post.

Of Mrs. J. I. Jones' ten children, nine were present. One son Irvin Jones of California, was unable to be present.

TEXAS MAN PROMOTED

J. R. (Dick) Sims, Dallas, state manager of the Woodmen of the World Life Insurance Society for Texas since 1938, has been appointed field manager, and will go to Omaha Neb. soon to direct the work of the society's field force President Farrar Newberry announced here today.

Appointment of Max B. Hurt, Murray, Ky., to be national treasurer also was announced by President Newberry.

Mr. Sims joined the society's field force in Texas in 1938. His work soon won him promotion to district manager at Houston. He later served as state manager of Illinois until 1938 when he returned to Texas as state manager.

Mrs. T. A. Worley went to Fortresburg, Texas, last Friday to attend a family reunion that was held there Sunday. She returned to Slaton Tuesday.

Legion Installs New Officers In Monday Rites

New officers of the Luther Powers post No. 438, American Legion, were installed in services at the Legion Hall Monday night at 8 p. m. with A. C. Jackson and Chester Hubbard both of Lubbock, in the installation, Jackson is the Legion district commander and Hubbard is the past commander of the Lubbock post.

Recently-elected officers installed were C. C. Hoffman, Post commander; Dan Liles, first vice commander; Chester Odum, second vice commander; M. J. Nelson, adjutant; Arthur Dennis, finance officer; Nat Heaton, service officer; Sam Gentry, chaplain; P. G. Meading, historian; Bert Polk, mess officer; Clyde Doherty, sergeant-at-arms; and W. E. Edwards, judge advocate.

The Post decided to send a delegate to the state Legion convention to be held in Galveston September 3, 4, 5, and 6. The delegate will be named later. There was a good representation of the total membership of the Post present.

Refreshments were served following the installation rites. The next meeting of the Post will be August 26, which will be a social meeting.

Large Attendance Reported At Luther League Convention

A large crowd was in attendance at the Lubbock Federation of Luther Leagues held this past week-end under the auspices of the Posey Lutheran church, according to F. T. Sager, pastor.

The registration and business meetings were held at the Immanuel's Lutheran church at Posey in the afternoon of the first day. The meeting was given over to a social gathering held on the lawn at the church that evening.

The meetings convened in the Slaton high school auditorium on Sunday. Mr. Reginald gave the main address on Sunday morning. Sunday afternoon Luther Leagues from Lockney, Winters, and Rescoe gave the program with talks on the topics, "We Give Our Time to God, We Dedicate Our Abilities to God, and We Concentrate Our Gifts to God." A report was given on the

LIFE OF CHRIST IN MOVIES COMING TO FIRST BAPTIST CHURCH

A beautiful technicolor, all talking movie, is to be shown in the First Baptist church this Sunday night at 8 o'clock, Aug. 18th according to announcements by Rev. W. F. Ferguson, Pastor.

The picture deals with the Birth and ministry of Jesus. The historical events leading up to the Birth are impressively portrayed.

John The Baptist is seen in a leading role, portrayed coming as the Fore runner of Christ, preaching, presenting the Christ and his arrest and imprisonment.

The ministry of Jesus is impressively done, being portrayed preaching, teaching, saving, healing and blessing.

This is said to be the first real all talkie shown on the life of Christ and the first technicolor of any religious subject.

The picture is to be shown at the Sunday night service, and is being brought here by Rev. A. J. Williams and Rev. Woodie W. Smith, Baptist Evangelists.

Rev. Williams is also to preach at the 11 a. m. service. It may be recalled that Bro. Williams has supplied here before, as well as to have shown pictures on other occasions.

The public is cordially invited to both services.

Over the Wire

Bids are to be taken soon on TVA construction in this area and a number of families will probably be moved to Slaton if facilities are available.

A colored girl who was employed in a local hotel was arrested this week for stealing and over one hundred dollars and a considerable amount of personal property was recovered.

Billy Jean English, leaves tomorrow for Carlsbad, New Mexico where she will be employed in the Carlsbad Water Department. She has been working for the Southwestern Public Service Company in Slaton for several years.

Arthur Smallwood, who has undergone two operations at the Abilene Hospital because of an automobile accident several weeks ago, has successfully undergone the last one and has returned home. It was at first thought that he would lose his arm but it was not necessary to amputate it.

Local reaction over increases in milk and cream prices has been loud but so far no buyers strike has been reported.

Gasoline prices went up one cent in Slaton and two cents in Lubbock this week, however the price was one cent less in Lubbock than in Slaton before the price changes, it is now priced the same in both towns.

There has been some suggestions to zone the town for the use of water at certain hours of the day as it is being done in other towns where water shortages have been reported.

Although the farmers are considered the most pessimistic men in the world there are still men in this line of business around here who say they will make a crop. Among them J. H. Brewer, Judge Smith and others.

Two business men who are in touch with the retail field said this week that by next summer there will be newly perfected air conditioners on the market that are a great improvement on any that have been made in the past.

Most folks who have gone on vacations in New Mexico and Colorado report that prices are very high, food scarce and fishing poor.

And by the way is it hot enough for you?

Southland Is Now Leading In Four-County Softball League

Southland is now tops in the four county softball league, which began playing August 1, having won three games of four. All teams have now played four games, and Acuff, Ayers Feed, Posey, Robertson, Santa Fe, and Wilson have won two of the four, and these six teams are tied for second place. Slaton Motor is trailing, having lost all four games.

On Thursday, August 8, Southland defeated Slaton Motor 17-10; and Robertson won over Wilson 5-4. Friday, August 9, Acuff and Posey won over Santa Fe and Ayers Feed, respectively; the scores were 18-4 and 9-6. Tuesday, August 12, Acuff won over Slaton Motor 22-4, and Wilson over Ayers Feed, 12-11. Wednesday, August 13, Southland defeated Santa Fe 5-3, and Robertson won over Posey 14-13.

The schedule for the remainder of the week follows: Thursday, August 15, Posey vs Slaton Motor and Southland vs Acuff. Friday, August 16, Wilson vs Santa Fe, and Robertson vs Ayers Feed. Mon-

ENS. THELMA BURNS RECEIVES DISCHARGE

OUR BOYS WITH THE COLORS

Sgt. Morris Joe Greenfield, who has been in the Hq. 8th Army in Japan for the past 17 months has received his discharge and will be home in Slaton this week end. Mrs. Greenfield is the former Anne Evans.

Slaton Man To Tell Of Crimes

A nation-wide campaign to contact 2,661 former American prisoners of the Japanese—discharged Army and Navy personnel and civilians—was initiated today by the Army in a concerted effort to obtain depositions concerning war crimes and atrocities for use as evidence in the war crimes trials at Tokyo, the War Crimes Branch of the Civil Affairs Division announced.

Both the Veterans Administration and the Attorney General's office will cooperate with the Army in taking the statements of the ex-POWs. Branch and regional offices of the VA and all Federal District Attorneys have been provided with lists of ex-POWs who have been requested to give depositions, and have been briefed also in the procedure for taking evidentiary statements. Among those who will give evidence is Thomas F. Swagerty of Slaton.

Mr. and Mrs. J. D. Norris have been vacationing in Ruidoso.

Francis John Repman, Jr. Seaman 1/c, son of Frank Repman of Slaton, received his discharge from the United States Naval Reserve at San Pedro, Cal., Aug. 7. He enlisted June 2, 1945, and served 10 months. Among his overseas assignments was the Receiving Station at Pearl Harbor.

He was awarded the Asiatic-Pacific and the Victory medals. He plans to re-enter school.

REVIVAL BEGAN AUG. 11 AT FOURSQUARE GOSPEL

A revival is in progress at the Foursquare Gospel church, 206 Texas Avenue, according to the pastor, Rev. Herman Westbrook. Services will be held each weekday except Monday at 8 p. m. Rev. Lovetta Conlee will do the preaching. A cordial invitation is extended by the local pastor to the general public to attend these services.

Tommy and M. G. Davis, Landon Smith and John Frye were in Carlsbad last week-end.

Records Substantiate Your Firm Conviction: It's Hot And Dry!

In case you hadn't noticed, and no one has told you—this is the hottest and driest summer in the history of Slaton. This is the opinion of G. H. Orr, who has written records of rainfall and temperature over a period of years. It is his opinion that this is about the hottest summer since the town of Slaton was started.

The heat and the resulting effect on crops is intensified by the lack of moisture, not only the recent drought, but also the general lack of moisture for the entire year. The total precipitation to date is 4.72, as compared with a total of 19.19 for the entire year of 1945, and 18.25. This year is more than half gone and the precipitation is less than one-fourth of the total for the two preceding years.

Hence the extremely dry weather coupled with the unusually long period of hot weather makes life pretty unpleasant and takes its toll of the crops, which should be growing, but are not.

The lowest temperature to date for August is 70, which was recorded on August 1. The highest is 108, which was recorded on August 6, 7, and 9. However the thermometer climbed to 107 on August 6 in 1945 and to 110 on August 2 of 1944 and to 107 on both August 4 and 13 of the same year. Again it is not only the temperature, but the dry weather that makes the heat so unbearable.

The highest temperature so far recorded this summer was 111 on July 28; the highest of July of last year was 103 on July 13, and of 1944 was 111 on the 27th, with 107 on the 26th and 108 on the

28th. July, 1945, gave us 3.72 of precipitation and August 5, 41; in July, 1944, there was 3.78, and in August of that year the rainfall was 1 inch. In July of this year there was .56 of rain, and none until now for August. The precipitation for the month of January 28 of rain and 6.75 of snow; February, no rain and .50 inch snow; March, .31 rain, .50 of snow; April .34 rain; May, .66 and June, 1.87.

By way of contrast, and as an indication that one never can predict the weather, Mr. Orr says that on July 20, 1911, he wore a heavy overcoat and would have liked to sit by the fire, while on the same date this year the minimum was 74 and the maximum was 99.

As regards the critical situation which has developed as applied to the crops, the lack of moisture with which to start a crop has been accentuated by the lack of rain during the planting and growing season. The biggest crop ever produced in this vicinity was in 1937, and the rainfall was only 11.50 inches; but the rainfall of the preceding September alone totalled 10.50 inches.

All of which goes to prove that it is not only the heat but the lack of moisture, and not only the lack of rainfall during recent months, but also the lack of rainfall throughout the entire year. And, too, last year was also a dry year!

or occupancy, and located on any lot within the city, corporate limits the property line of which extends within 150 feet of any sanitary sewer line, and every person in any way responsible for such building, whether agent or occupant, is hereby required to equip such building with sanitary water flush closets and connect same with the city sewer, under the supervision of the City Water Department.

It shall thereafter be the duty of such property owners, agents and/or occupants of such buildings, to maintain said water closets and the connections thereof with the sewer in good working condition, free from all defects and obstructions.

Thereafter, should any additional sewer line be built or extended, the said owners, agents and/or occupants of any such building on any lots the property line of which is within 150 feet of such new or extended sewer line shall, within 60 days from the date of completion of such sewer, construct or cause to be constructed water closets on said property and connect same with sewer.

Section II

On yeswaterort
On and after Sept. 1, 1946, the owner, agent and/or occupant of every building containing any water closet connections with the City sanitary sewer shall pay the city for such connection and use, monthly, as follows:

- a. For each private residence \$1.00
- b. For each business house with one toilet 1.50
- c. For each additional toilet in excess of one for each business house .50
- d. For each cafe 2.00
- e. For each hotel 3.00
- f. For each laundry 3.00
- g. For each wash rack 2.00
- h. For each depot 3.00
- i. For each school while in session 3.00
- j. For each apartment building with two connections 2.00
- k. For each toilet in excess of two in each apartment building .50

All payments due the city under the provision of this ordinance shall be paid in the same time and manner as provided in City Ordinance No. 63, passed by the City Commission August 23, 1929; all penalties provided in said ordinance for failure of any person to make prompt payment shall apply, and the deposit required by said ordinance No. 63 shall secure all payments due the City under the provisions of this ordinance.

Section III
That on and after October 1, 1946, every owner of every build-

ing within the city corporate limits intended for human habitation or occupancy and located on any lot the property lines of which are all in excess of 150 feet from any city sanitary sewer line and not equipped with sanitary flush water closet, and every person responsible for such building, whether agent or occupant, shall construct or cause to be constructed on such lot either a chemical toilet or concrete vault toilet or sanitary pit privy; the minimum structural requirements and specifications of every such pit privy shall be as follows:

a. It shall be constructed in such manner that human excreta shall not fall upon the surface of the ground, but shall fall into a pit or excavated chamber with a minimum inside width of three feet, a minimum inside length of four feet and a minimum depth from the ground surface of four feet.

b. Such pit shall be provided with box curbing, fitted closely to the side of the pit, so as to exclude from the pit at all times all flies, fowls or small animals.

DISEASES CARRIED BY SPARROWS AND PIGEONS

English sparrows and pigeons are carriers of poultry diseases. Yet far too many poultrymen look upon them merely as winged pests that must be tolerated because of sheer weight of numbers, but dismiss them as incapable of causing serious harm to the carefully guarded health of their poultry.

Such an attitude often is the very root of a serious disease outbreak. For many different kinds of poultry diseases become airborne when these free flying intruders circulate between the poultry flocks in your vicinity.

Typhoid on Wings
Perhaps there's a typhoid outbreak in your flock. It puzzles you because you place has never before seen the disease. Even when you realize that a neighboring flock has typhoid it is difficult to perceive how the disease could have bridged the distance of a mile or more. Yet that is what probably has happened—typhoid originated in a flock far removed from yours, has been carried to your chickens on the wings of English sparrows or pigeons.

Unfortunately, poultry houses and poultry yards are among the spots most frequently visited by sparrows and pigeons. Usually there is an ample food supply there, and in addition there often are nooks and crevices which make ideal nesting places.

Eliminating these free flying birds from your premises demands - first of all - the removal of nesting places and the careful handling of poultry feed so that none of it is available to the sparrows and pigeons. Spillage must be avoided.

Destroy Nests, Eggs
During the nesting season it is a good idea to either destroy the sparrow and pigeon eggs or to remove the nests, repeating this procedure at intervals of about ten days. The use of firearms against the birds is sometimes very effective, not because you can expect to eliminate every pigeon and sparrow on your farm in such a manner, but because these birds usually are quick to detect danger and will move elsewhere if the shooting is continued for a long enough period.

Poisoned baits are frequently used where the law allows such a practice. However when poison is administered, it must be placed on roof tops or in some other place where it will be out of the reach of poultry. In addition it should never be distributed where the favored species of birds are likely to pick it up.

c. Over the pit shall be placed a fly-tight seat, which shall be ventilated with a flue extending from the pit to eight inches above the roof of the building and be screened with wire of 16 meshes per inch.

d. Self-closing lids shall be provided for each unit.

e. Such pit privies shall be kept in a clean condition at all times; shall be used only for the deposit of human excreta, and not for the deposit of wash water, garbage, trash or any other matter.

Section IV

All privies existing or maintained within the corporate limits of the City of Slaton after this ordinance becomes effective which do not conform to the minimum requirements of this ordinance as to the construction and maintenance shall be, and are hereby declared to be a nuisance and a menace to public health, and the City of Slaton shall have the authority to abate such nuisances in accordance with local and general law.

Section V

That any and all ordinances or parts of ordinances in conflict with ordinances be, and are hereby, repealed. Should any part of this or-

inance be held invalid such invalidity shall not affect the remaining parts.

Section VI

Any person, firm or corporation who shall violate, or fail or refuse to comply with any provision of this ordinance shall upon conviction thereof, be punished not exceeding One (\$100.00) Dollars.

Passed and approved 1st. reading this 24th. day of June 1946.

Passed and approved 2nd. reading this 8th. day of July 1946.

NO ONE
can say
that
about me!

I've heard people who have party-line telephones (I have one, too) complain about others on their line—say they talk too much, or listen in, or interrupt.

But they don't say that about me. No, sir! I figure if you want other folks to do right by you, you've got to do right by them. So I watch my telephoning. "Even Stephen" is my motto. Keep the calls short and let the other folks get in their share of talk.

It works, too! We never have any trouble on our party line.

POSEY ITEMS

R. L. Boyd
The baptizing of those who wished to join the Methodist church was held at 3 o'clock Sunday afternoon at the College Avenue Baptist church where Rev. L. L. Richardson is pastor. Rev. Richardson when he held a revival two years ago at Posey had offered the services of his baptistry at ...
... his wife and son, Lydell, arrived home Sunday from Massachusetts. Mr. Willis has been in the army about 10 months and received his discharge.
Mr. and Mrs. J. G. Harper and

Mr. and Mrs. Jim Gentry have gone on a fishing trip to the Concho river below San Angelo.
Mr. and Mrs. D. H. Lourance have moved in the teacherage. They are the new Posey teachers from Hockley county.
A new building is being built on the gin acreage by F. D. Tudor, owner.
The Lutheran League held services Saturday at the Posey Immanual Lutheran church where F. T. Sager is pastor.
Mr. and Mrs. R. B. Boyd have gone to Pagosa Springs, Colorado to spend several days, vacationing.
There was a light attendance at Sunday School as several regular

members have taken trips. Singing services were decided to be held on the first and third Sunday evenings.
Miss Sophia Adams of Childress has been visiting relatives near Posey for several days.
Miss Georgia Mae Hayes had as her guest Sunday, her cousin from Wolforth.
Mr. and Mrs. Jack Johnson arrived Wednesday from California where they have been living for several years. The former Posey residents are here to visit relatives and make improvements on their farm.
The Wild Cat softball team won their game Friday night and now

has a high percentage in the 4-County League.
The dry weather and hot winds are now having a telling effect on crops in the community and unless rains and cooler weather come soon the harvest will be cut short. However, the prospects are good for a fair yield.
Mr. Matt Mingwasser of Electra has been visiting his sister, Mrs. I. J. Kempf for several days.
Mrs. Annie Gentry sent a note of appreciation to the Sunday School for a gift of a pot plant which she received during recent illness.
Fred Stolle said that the prospects for a good grain crop in Central Texas were very little better than here. Mr. Stolle has just returned from a trip to Williamson County where he visited relatives.

THANK YOU
for waiting for delivery of your
NEW CHEVROLET

We are doing our best to see that you get your new car as quickly as possible

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolets.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

Remember—Our CAR-SERVICE is your best CAR-SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

JUST TALK
by
A.M.J.

What has happened to the good will tours that the Chamber of Commerce organizations used to promote? Slaton has not put on any kind of ballyhoo since long before the war. A good show of any kind is worth while and I'd like to see something of this kind organized here in Slaton.

The last I remember was for the Rodeo two years before the war when Joe Bob Stevens, Clad Anderson, Jack Norman and a big part of all the business men tore all over the South Plains with a band and a very nice musical program. The Rodeo was not too much of a success for it was the year that the bottom dropped out and we had rain every day for two months but the business men of Slaton certainly did meet a lot of fine folks in the other communities.

Of course a promotion of this kind is of minor value to a town even if the event proves a success and does not compare with a successful effort on the part of a community to bring new industries and it seems to me that the constant effort of any group of business men should be to improve the industrial activity in the town.

With the opening of school only three weeks in the future the motorists of Slaton should stop and check up on their driving habits. It seems to me that there is more double and triple parking in Slaton than in any town I have ever lived in. It is having a bad effect on my own driving habits and I double parked in front of the Post Office last week because my wife said, "we won't be here but a few minutes and besides everybody else in town double parks and we might as well too."

The danger of accidents will be much greater when school starts and now is the time to make resolutions to drive more carefully.

Why is it that things taste different than when I was a boy. Do tomatoes ever have a second growth anymore with little plum size tomatoes on them? They certainly did taste good when I used to take a salt shaker with me out in the garden on a hot summer afternoon and pop the little tomatoes into my mouth, probably along with a lot of small insects that I was not conscious of, and do hick-

DO you know where on earth? How many years of my life I spent straddle of a stump cracking and eating them by the bushel, and is there such a thing as a blackberry bush that will tear your clothes half off you but will deliver the sweetest and blackest of berries one could hope to find. Does any one ever make old time gumbo with lots of tomatoes, rice, butter beans, cabbage, corn right out of the garden, potatoes, onions, and what ever else can be gathered in a real old fashioned garden that always needed weeding but had the biggest onions, potatoes and beans that could be imagined. Times certainly have changed since I was a boy and for the worse too.

And another thing what has become of the barefooted boys and dirty rags tied around one or two girls who used to go around with toes most of the time. By this time of the summer the bottoms of my feet used to be as thick as most of the cement sidewalks are today, and how soft the dust used to feel as it squashed up between

my toes, and how the grass tickled the bottoms of my feet in the early spring. My sister quit going barefooted when she was about thirteen years of age but I stayed with it until I was in High School and my sisters feet always have given her trouble, she has corns, bunions, flat feet and cramped toes while my feet are the best part left of me. Most of the young folks don't know what they are missing.

ALLAN SHIVERS IS PEOPLE'S FAVORITE

Senator Allan Shivers, in thanking the voters of Texas for the heavy lead they gave him in the July primary to make him the favorite candidate for lieutenant governor, also warned citizens that attempts will be made by "Scheming minority pressure groups" to defeat him in the August 24 runoff.

The Jefferson County legislator, lawyer and farmer, pointed with pride to the overwhelming support which he received in his present home county and in the county where he was reared to manhood. Shivers, a World War II combat war veteran (the only veteran in this race), polled approximately 75 per cent of the votes in Jefferson County, his present home, and was opponent in Tyler County, where a 25 to 1 favorite over his runoff he spent his youth. Senator Shivers led his runoff opponent by approximately 100,000 votes in Texas.

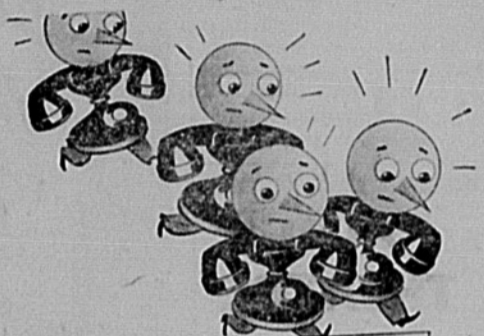

"I am deeply grateful for the confidence the people of Texas have shown in me and the progressive program for Texas which I advocate," Shivers said, "I shall strive even harder to work for the welfare of Texas."

"Because I represent the masses of the people, there will be those in the runoff campaign who will conspire to defeat me," Shivers predicted. "I will not be swayed by these radical, minority groups—the C.I.O. noisemakers in particular. My opponent is welcome to the support which they are giving him. I will continue to fight for the right and welfare and progress of our people who make up the backbone of Texas." (pol. ad)

And when one comes to think of it what about a few changes in men's styles. We have been wearing the same kind of clothes so long that we look like duplicate copies of a Government letter of instructions on how to fill out an income tax blank. Men's clothes used to have some originality and styles changed nearly every two years... How well I can remember when I first came home with a pair of bright tan shoes, because they were almost square across the toes and had a kind of hump on the front. My father who wore "gaitor" style shoes with elastic in the sides, and soft toes, looked my new shoes over and said my feet looked like canvassed hams. In those days hams were hung up on the ceilings of a grocery store and were covered in bright yellow canvas and my father thought he had given me severe reprimand. And then later on came peg top pants which were as broad across the seat as sails on a boat, these called for sailor hats as wide as a Mexican sombrero and the completed ensemble really gave the men a dashing appearance. Bat wing col-

lars and narrow string ties, diamond scarf pins and tie pins were quite the stuff and I still have a cameo pin that my mother gave me when I was a High School student. What does a man have to choose from these days, suits that look just like the ones that were made in 1936, sloppy sport shirts that give a man the dashing appearance of a stevedore on a hot day, flopped straw or felt hats that look just like the ones that have been worn for the past fifteen years and if there is a single thing that has been brought out except the sport shirts I do not know what it is, not even a more comfortable pair of shorts. And come to think of it the old fashioned one piece BVD was a much more sensible garment than the outfits a man staggers around in today.

Someday I am going to take time off and work out some new ideas for men's clothing, have me a set of new duds made and make a tour of the country, perhaps I will revive the old Roman toga, the short pants of the Revolutionary days or a suit of armor. Something should be done to relieve the monotony.

BUSIER TELEPHONES
DELAY THE
OPERATOR'S ANSWER

Lately you may have found your telephone operator's "Number, please?" delayed a few seconds. It is because the telephone system here is extra busy. Her voice will come on the line in just a few seconds, usually, if you will wait.

We are doing all we can to bring service back to prewar standards, but to help tide over this period of telephone shortages we have had to stretch the present telephone system—stretch it to serve more families.

This crowds the switchboard at times with more calls than can be handled quickly, especially in mid-morning and early evening. Only so many operators can be seated at the switchboards, so when calling is quite heavy, some telephones cannot be answered as quickly.

However, more people who would otherwise still be waiting now have service. Others will have telephones as soon as we can get switchboards in and working. It is not a short or easy job but we are glad to report it is getting on.

SOUTHWESTERN BELL TELEPHONE CO.

Potato Bread Is Good Says Expert

Stretching wheat flour in home baking can bring a variety in taste and texture to home baking. Possible extenders include rye flour, oatmeal or cornmeal, potatoes and sweet potatoes. But Edith Lawrence, specialist in food preparation for the A and M College Extension Service, cautions housewives that for good results they must know the correct amounts to use and the best method of mixing. Yeast bread may be made en-

tirely from rye flour. The German bread, pumpernickel, is a familiar example. All-rye bread is darker, more moist and heavier than wheat bread. A lighter loaf may be made by using half rye and half wheat flour. In extending with oatmeal or cornmeal, only a third as much finely ground oats or fine cornmeal as wheat flour is recommended. Oatmeal bread is slightly coarser and darker than white bread but excellent in flavor. These flour or meals are sifted or mixed with the wheat flour and then the bread is made by the standard method for white bread

offered in any reliable cookbook. In using potatoes in bread, both the proportions and the method of mixing are different. Only a small quantity of potato can be used—about one cup of mashed potatoes to five or six cups of flour. The mashed potato is thinned with potato water, then mixed with the softened yeast cake before the flour is stirred in to make a dough or sponge. Mashed sweet potatoes may be added to the sponge with the flour. Washington must have had a wonderful memory for people to build a monument to it.

Irene Bailey Hyden Edmondson Engagement Told

The engagement and approaching marriage of Miss Irene Bailey, daughter of Mrs. L. G. Bailey, of Lubbock, to Hyden Edmondson, jr., of Slaton was announced last week, when the bride-to-be's mother and Mrs. Alton Hall entertained with an informal reception Thursday, August 8.

The announcement was made by an inscription over the mantle, "Hyden and Irene, September 1." In the receiving line were the hostesses and the honoree. Thirty-five guests called between 7:30 and 9:30 o'clock.

Mrs. Lula Caldwell, Lucille, Mrs. Grady Wilson, and Lavinia have returned from Gibsland, La., where they visited relatives.

MRS. HOWARD HOFFMAN HOSTESS TO CIRCLE

Circle No. 4 of WSCS met Monday in the home of Mrs. Howard Hoffman with twelve members and one guest, Mrs. Luther Kirk, present. Mrs. Vasker Browning brought the devotional her subject being "Prayer."

Mrs. Max Arrants gave a resume of Bishop Paul Neff Garber's report on "The Reconstruction Conference of Belgian Methodism" which appeared in the July issue of the World Outlook.

Mrs. Walter S. Parks Jr. spoke on "The Status of Women." Tentative plans for a day of meditation in September were discussed.

The September meeting will be in the home of Mrs. Troy Pickens.

Rev. and Mrs. W. F. Ferguson and Helen Ruth have gone to Washington, D. C., to visit their daughter and her husband, Mr. and Mrs. Sid Hodson.

Althean Class Has Meeting

The Althean Sunday School class of the First Baptist church met in the home of its teacher, Mrs. J. S. Vaughn, in the monthly social and business meeting, Wednesday, August 7, at 3 p. m.

The opening prayer was offered by Mrs. Carl Sartain, and the closing prayer by Mrs. Jessie Burton. A committee was appointed to select class officers for the ensuing year. Refreshments of lime punch and cookies were served to the following:

Mesdames J. S. Vaughn, G. W. Buzzell, Sed Meadors, Wade Thompson, Verl Woodfin, E. A. Clack, Bert Thornton, E. E. Culver, Dudley Berry, Clyde McGinley, Sam Wilson, Jesse Burton, George Green, T. V. Ellis, L. M. Conner, and Carl Sartain.

The next meeting will be on September 12 at 8 p. m. in the home of Mrs. Dudley Berry.

HOMEMAKERS CLASS HAS PICNIC LUNCHEON

The Homemakers Sunday School class met at the home of Mr. and Mrs. C. W. Wilks, August 8th, 7 p. m. for their regular business and social meeting, with a picnic luncheon. Mrs. J. W. Ward was assistant hostess.

Mrs. B. G. Norman returned thanks. Those who were present to enjoy such bountiful eats including plenty of home-made ice cream, were as follows:

Mr and Mrs. J. W. Scott, Mr. and Mrs. C. W. Wilks, Mr. and Mrs. B. G. Norman, r. and Mrs. Ross Barron, Mr. and Mrs. J. W. Ward, Mesdames Ila Stallings, Jack Lokey, W. T. Slaughter, Fannie Patterson, Geo. Payne, L. S. Jeffcoat, C. B. Martin, J. R. Robertson, I. C. Tucker, Neva Scott, A. B. Cloninger, W. T. Driver, A. P. Wilson, Henry Hollis, L. T. Arthur.

Mrs. Fannie Patterson presided during the business session. The secretary Mrs. J. W. Ward, gave the report. Class song was led by Mrs. Jeffcoat and Mrs. C. B. Martin. Closing prayer by Mrs. Norman. After the meeting most of the class attended the Methodist Revival.

JEANETTE BURRELL HONORED ON BIRTHDAY

Mrs. Gordon Burrell entertained with a party honoring her daughter, Jeanette, on her eighth birthday, Friday at the Club house from 3:30 to 5:30 o'clock.

The children played games and all had their pictures made. After opening the gifts they all sang "Happy Birthday" to the honoree. They were served punch and birthday cake.

Those attending were: Janet and Donna Pearson, Viola Mae Walton, Joan Pember, Janice Greer, Tracy Crawford, Mike Haddock, Stanley and Larry White, Judy Thomas, Cherie Arrants, Larry Frank Young, Robert Sewell, Ova Sue Wilson, Barbara Ely, Mary Ann Wilson, Carolyn Jo Rhoads, Joe Neal Sparkman and the honoree, and her grandmother, Mrs. Lula Caldwell.

Assisting Mrs. Burrell were Mrs. C. J. Rhoads, and Miss Lucille Caldwell.

Mr. and Mrs. Otis Browning and son, Otis Neil have just returned from a vacation spent in

the mountains at Tres Ritis, N. M. 1 years in San Juan, Puerto Rico, but have returned to the states Bassinger who have spent the past to make their home.

UNION NEWS

The revival at the Methodist church is drawing good crowds with Brother C. T. Jackson of Rochester doing the preaching.
Mrs. O. W. Pair and children of Smyer were guests of Mr. and Mrs. Gene Evans one day last week.
LaJuan Whitehead of Amarillo spent last week with her grandparents, Mr. and Mrs. W. D. Meyers.

THE STATE OF TEXAS
TO: K. W. COLLINS and the heirs and legal representatives of the said K. W. COLLINS (the names of such heirs and legal representatives being unknown) Defendants, Greeting:

You are hereby commanded to appear before the Honorable 99th District Court of Lubbock County at the Court House thereof, in Lubbock, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 23rd day of September A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 10th day of August A. D. 1946, in this cause, numbered 13864 on the docket of said court and styled MARCUS O. OWENS, JR. Plaintiff, vs K. W. COLLINS and the heirs and legal representatives of the said K. W. COLLINS (the names of such heirs and legal representatives being unknown) Defendants.

A brief statement of the nature of this suit is as follows, to wit: This is an action for title and possession of Lot 17 in Block 6, Flynn Place, an addition to the City of Lubbock, Lubbock, County, Texas. Marcus O. Owens, Jr., at all times since January 1, 1945, was and is the fee simple owner of the above premises. On or about July 1, 1946, defendants unlawfully entered into possession of said land, to plaintiff's damage of \$500.00.

WHEREFORE, Plaintiff prays for possession and title of said land and damages as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Lubbock, Texas, this 10th day of August A. D. 1946.

Attest:
ROYAL FURGESON Clerk,
99th District Court, Lubbock County, Texas.
(SEAL)
By WINNIE WILLIAMS Deputy.

BEN MANSKER

**COUNTY COMMISSIONER
OF PRECINCT TWO**

QUALIFIED - EXPERIENCED

The work and accomplishments of Ben Mansker as our commissioner are much in evidence throughout this precinct and this fact should be given serious consideration by every voter in the precinct before he casts his ballot on August 24th.

The value of an experienced man in our commissioner's office must not be underestimated, and we, the friends of Ben Mansker, most heartily recommend his re-election as our County Commissioner.

Paid For By The Friends Of Ben Mansker

S. J. R. No. 5
A JOINT RESOLUTION proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to appropriate Seventy-five Thousand (\$75,000.00) Dollars, or so much thereof as may be necessary, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on campus of such college pursuant to deficiency authorization of the Governor of Texas on August 31, 1937.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new section, as follows:

"The Legislature is authorized to appropriate so much money as may be necessary, not to exceed Seventy-five Thousand (\$75,000.00) Dollars, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization by the Governor of Texas on August 31, 1937."

Sec. 2. The foregoing Amendment shall be submitted to a vote of the qualified electors of this state at the next general election to be held on the first Tuesday after the first Monday in November, A.D., 1946, at which all ballots shall have been printed thereon:

"FOR THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE;" and
 "AGAINST THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO PAY FOR BUILDING CONSTRUCTED FOR JOHN TARLETON AGRICULTURAL COLLEGE."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of the state.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

H. J. R. NO. 10

HOUSE JOINT RESOLUTION proposing an Amendment to Article 16 of the Constitution of the State of Texas, by adding thereto Section 62 providing a Retirement, Disability and Death Compensation Fund for the appointive of-

ficers and employees of the State; limiting the amount contributed by the State to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits hereunder from receiving other direct aid from the State; authorizing counties to provide and administer such a Fund for appointive county officers and employees after favorable vote in a county election for such purpose; limiting the amount contributed by the county to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits from receiving other direct aid from the State; and providing for an election, necessary form of ballot, and publication on the question of adoption of this Amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 16 of the Constitution of the State of Texas be amended by adding thereto Section 62, which shall read as follows:

"Sec. 62 (a). The Legislature shall have the right to levy taxes to provide a Retirement, Disabil-

ity and Death Compensation Fund for the appointive officers and employees of the State; provided that the amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each person by the State, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided from the compensation of such person, or by the State of Texas, for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, the State of Texas, or Counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out

of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Funds, the creation of which is provided for herein, contributed by the State, is released to the State of Texas as a condition to receiving such other pension aid.

"(b). Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county; provided same is authorized by a majority vote of the qualified voters of such county and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the county, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Funds, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State, unless the Fund, the creation of which is provided for herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held throughout the State in November, 1946, (being the 5th day thereof *) at which all ballots shall have been printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas;" and
 "AGAINST the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas."

Each voter shall scratch one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

* According to an opinion by the Attorney General of Texas.

WATER TREES IN WEST TEXAS SAYS EXPERT

Many trees and shrubs which were set out in West and Central Texas last fall have been lost due to lack of moisture. J. F. Rosborough and C. R. Heaton, horticulturists for the Texas A. and M. College Extension Service, say that these losses are due largely to improper watering methods.

The tight soils of West and Central Texas must be watered very slowly in order to get deep moisture penetration, the horticulturists say. Every 10 to 14 days is often enough to water if it is done properly.

A soil covering placed around the trees will hold the moisture in the soil. Hay, weeds, or any cured material that will make a mulch may be used for a ground covering. Experiments have shown that a mulch will cool the soil as much as 20 degrees.

ALLAN SHIVERS GIVES HIS IDEA ON TAXES

AUSTIN—"I want the people of Texas to know there are certain types of taxes to which I am opposed, both personally and as shown by my record of 12 years in the senate," Allan Shivers, who led his runoff opponent in the lieutenant governor's race by approximately 100,000 votes in the first primary, said here this week.

"I oppose a general sales tax, and always have, because I feel that it would place undue burdens on the people. I oppose a state income tax, because that field is preempted by the Federal government."

"If any additional taxes do become necessary, and I don't think they will in the near future, the

burden should be spread on as broad a tax paying base as is possible," he continued.

"I have always considered myself a conservative, both in expenditures and in taxation, and on many occasions have opposed appropriations of the taxpayers money because I thought the expenditures were unwise and unnecessary. I have also opposed many tax bills because I thought they were levied on the wrong principle or that they were unnecessary."

"I have had to work hard all my life and that is probably the reason that I am conservative about the expenditure of tax money. I feel the same way about expending my own funds."

Mrs. Floy King

Wednesday night, August 21, the revival will begin at the Hackberry church, Rev. O. J. Harmonson is pastor. Rev. T. H. McSpidden of Frisco will do the preaching as he did last summer. Everyone is invited to attend.

The Methodist meeting closed Sunday night. They had a good meeting.

The Baptist meeting began Friday night, August 9. Sunday visitors at the Baptist church were the visiting preacher's brother, R. D. Cole and wife of Lubbock and their daughter, Mrs. Alfred Thomas, her husband and son, Maynard who lives near Post, also the singer's wife and daughters Karen Ann and Barbara Jean, her brother, Gerald Howard and Miss Dorothy Tyson, of Robert Lee.

Ford Shropshire preached a fine sermon to a good crowd at the Church of Christ Sunday. Rev. R. B. Walden will begin a meeting at Halfway Friday night, August 16. He will preach for Rev. Prentice of the Plainview circuit. Rev. and Mrs. Walden carried their granddaughter Thelma Jean Walden to her home in Lubbock Monday afternoon. She had attended the Methodist revival here.

Uncle Jim Kellum was pleasantly surprised Sunday night when he was presented with a love offering of \$14.00 taken up at the Methodist Church and presented to him for the grand janitor he had been during the meeting.

Mr. and Mrs. C. W. Dean recently visited the R. E. King's of Plainview, former Southland residents.

Mr. and Mrs. C. A. McArthur and daughter Frances of Slaton were here Sunday. Miss McArthur graduated from school here several years ago.

Sunday guests of the C. W. Gary's were her brother, C. Whittington and wife who live near Robertson.

Expected to visit the C. W. Dean family soon are his brother, W. J. Dean and wife of Tyler, his sister, Mrs. B. C. Conestack of Beaumont and sister-in-law, Mrs. Ada Dean of Lake Charles, La.

Rev. and Mrs. R. B. Walden had dinner with the E. L. King's Sunday.

Mr. and Mrs. L. B. Mathis and children of Brownfield spent the week-end with his mother, Mrs. Nellie Mathis.

Tim Field and sons, Albert Lee and Bobbie were in Southland over the week-end. Tim and Albert Lee visited the E. F. Parker's and Bobbie visited the Barkley boys.

Mr. and Mrs. Mills moved to Pampa Sunday where Mr. Mills has been transferred. He is with a finance company.

Mr. and Mrs. Fred Wylie are now living at the C. T. Anderson home.

Mrs. J. L. Whited has returned from Dallas where she visited her son, Wayne.

Mr. and Mrs. R. O. Rankin and daughter, Roella are visiting relatives at Gorman.

Mr. and Mrs. L. K. Anderson drove to Levelland Sunday to visit her brother and family and found the family had gone to California, on a visit.

Mrs. W. W. Gilliland and daughter Mrs. Dave Draper of Slaton went to San Antonio last week to visit their daughters and sisters, Mrs. Whiteside and family and Mrs. Joe Childers. They found Mrs. Childers not doing so well, and the Gilliland grandson and wife, Mr. and Mrs. R. B. Whiteside have a new son born the day Mrs. Gilliland arrived and the father R. B. came home with his discharge from the marines the day after the baby arrived, this is the Gilliland's first great grandchild.

Sammy Hendrix who is employed in Hobbs came home over the week end. He hasn't been able to find an apartment at Hobbs yet for his wife and baby.

Mr. and Mrs. Edwin Wilkie are spending a few days over in N. M. with his sister Mr. and Mrs. Buster Betts.

Mrs. Pennell is not doing so well at this writing.

HELPS BUILD UP RESISTANCE against

MONTHLY PAIN

When Taken Thruout The Month

Also A Fine Stomachic Tonic

Lydia E. Pinkham's Vegetable Compound does more than just relieve monthly pain when caused by female functional monthly disturbances. It also relieves weak, tired, nervous, cranky feelings of such days—when due to this cause. Pinkham's Compound has a soothing effect on one of woman's most important organs. Taken thruout the month—Pinkham's Compound helps build up resistance against such distress. It's also a very effective stomachic tonic.

Thousands Upon Thousands of Girls and Women Helped—

There are no opiates in Pinkham's Compound. It's made from Mother Nature's own wholesome roots and herbs plus Vitamin B. It HELPS NATURE. Thousands upon thousands of women have reported remarkable benefits. If you suffer like this—we urge you to give Pinkham's Compound a fair and honest trial. At all drugstores.

Lydia E. Pinkham's VEGETABLE COMPOUND

THIS WEEK'S LESSON

"Soul" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientists on Sunday, August 18.

The Golden Text is: "My soul doth magnify the Lord, and my spirit hath rejoiced in God my Savior" (Luke 1:46, 47).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord redeemeth the soul of his servants: and none of them that trust in him shall be desolate" (Psalms 34:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When understanding changes the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of Life, the control of Soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle" (page 322).

Can You Eat Corned Beef and Cabbage Without Distress?

Try Hot Water and Neutraacid To Counteract Any Excess Stomach Acidity and Aid Digestion

Never mind what brought it on—overeating, too much smoking or drinking—too little rest or sleep; there's one quick way to change this. At once put one teaspoonful of Neutraacid in half a glass of hot water, stir thoroughly and drink. Relief from distress comes promptly in a very few minutes. Neutraacid is new; it's different. Excess stomach acids are quickly neutralized and very pleasantly too. It's wonderful! Try Neutraacid—give your stomach a fighting chance. Get a package today of this new, different relief for excess stomach acidity. At all good druggists.

SLATON PHARMACY

IT PAYS FARMERS

... TO MAKE FULL USE OF COSTLY EQUIPMENT AND TO GET FULL SERVICE FROM OIL

It's sheer waste to use a thousand-dollar machine only 60 or 70 hours a month if you can keep it working for 150 hours. Just as it's sheer waste to get only 60 or 70 hours of service from tractor oil when Veedol Tractor Oil would stand up a full 150 hours in gasoline-burning tractors. 150-Hour Veedol is 100% Pennsylvania — world's toughest crude — triple-refined to increase its naturally great resistance to heat and wear. Use 150-Hour Veedol Tractor Oil to save oil and save tractors.

150-HOUR VEEDOL

SAVES FUEL by reducing power blow-by.
SAVES TIME by avoiding breakdown delays.
SAVES REPAIRS through greater heat and wear resistance.
SAVES OIL — stands up 150 hours in gasoline-burning tractors; cuts oil consumption in all tractors.
SAVES TRACTORS — assures long, economical service.

WHAT THEY WRITE

THE GRASS IS GREEN

After a long hot day's work, when you can think of nothing more luxurious than rushing home to a nice warm bath, instead, forget how tired and dirty you are. Take a drive over the city of Slaton, you will see some of the most beautiful lawns and flowers in all their greenery. You may notice a few homes where the grass is rather burned and dry looking. They must be the people who believe the rumor of a water shortage.

Since thinking it over and after reading a few back issues of the Slatonite, I find the Mayor has asked the citizens to conserve water, as he says the supply is low, etc.

The old saying comes to my mind, "When in Rome do as the Romans do." Here goes . . . let's blame the Mayor,— let's give him the blame for the entire water shortage over all West Texas! The people of Slaton had faith in him and elected him to this HIGH SALARIED office, he should have some control over this underground supply of water and this drought! You know we need a rain,— why isn't he doing something about it, he surely isn't trying.

Just forget all the requests to conserve water. Be sure and turn on all the hydrants, when you do find the water on! It certainly would be a shame to let that beautiful grass die!

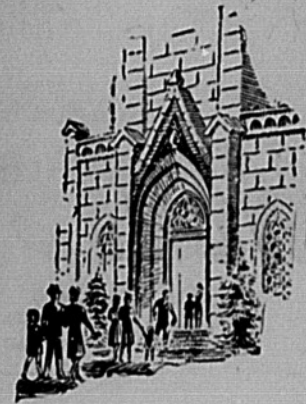

Don't even give it a second thought that the patients in the hospital may suffer, from lack of water. Take care of your lawn first!

Now don't let it worry you, if you heard of a doctor, who, after performing an operation at our local hospital didn't have enough water to wash his hands. I'll bet the water was running when he left home,— he should have taken some with him.

Be calm, don't worry and fret, the water may be on after 10 or 11 p. m.— then you can have that wonderful bath,— if you'll only have the patience and energy to stay up that long.

Above all, don't forget,— keep the grass green!

**A
HAMMER
HAS TWO
USES**

Everyone knows that a hammer is used to drive nails. And anyone whose carpentry is never quite perfect knows that a hammer has another use. It removes the nails that were imperfectly driven.

Man would be a sorry victim of his own mistakes if he did not have tools to correct his errors as well as to achieve his aims. We need erasers as well as pencils, turpentine as well as paint, medicines as well as food.

Man's spiritual needs are in this respect no different than his physical needs. We need an inspiring, compelling, driving Power to achieve that which is right. We need a sympathetic, forgiving, correcting Power to remove from our lives that which is wrong.

The Church offers men both. Through its worship, its teaching, its activities it inspires men to faith in God. Through its prayers, its preaching, its Communion it helps men to seek and to find the forgiveness God has so generously promised.

Cecil Self—Editor

Howdy Folks; Broke down and spent a pleasant hour at the theater, the other night.

A young man sitting in front of us addressed his sweetie as "Dove," but the only thing dove-like about her we could see was the fact that she was pigeon.

.....

We are convinced that while some folks love to go to the movies, others go there to love.

.....

Speaking of love, a friend of ours says that calf love is when you sit up until the cows come home.

.....

Of course the only way to find out whether love makes the world go around is to give it a whirl some time.

.....

By the same token, if you'll give our Mobilgas and Mobiloil a whirl, you'll discover a value beyond compare.

Personals

Mr. and Mrs. Edward Caldwell went to Dallas Wednesday where he was to have an eye operation.
Mr. and Mrs. P. W. Houston have as guests Mr. and Mrs. Jim Savage and children, Jimmy and Suzanne of Oklahoma City.
Miss Mamie Jo Jenkins of Savoy is visiting her aunt Mrs. P. W. Houston. Miss Jenkins is a teacher in Wichita Fall schools.
Mr. and Mrs. Claude Anderson and Claudia have returned from an extended stay in California.
Mrs. Warren Henry of Amarillo and daughter, Lady Jane, are visiting their parents and grandparents, Mr. and Mrs. Ben Mansker.

Wilda Hannah is visiting M/Sgt. and Mrs. Ellis P. Schmid at Medicine Park, Okla.
Mr. and Mrs. J. D. Barry had as their guests, Mrs. Barry's sister, Mrs. G. C. Weaver and Mr. Weaver of Dallas. They all went to Antonito, Colorado, for a week's fishing trip.
Mrs. Gus Seel is in Dallas this week where her granddaughter Camille Kirby is seriously ill.
Mr. and Mrs. Harry Stokes and son Gerald and Tom Haley of Cisco left Wednesday for Ruidoso, New Mexico.
Don Crow is visiting his uncle at Cimmaron, New Mexico.
Miss Myrtle Teague visited a former college friend in Dallas the past week, returning Monday.

MRS. SMITH HOSTESS TO CHURCH GROUP
Missionary Society of the First Christian Church met Monday at the home of Mrs. J. A. Smith. After a short business meeting Mrs. Carl Lewis, the program leader, opened the meeting for a discussion of the Racial Problem. Mrs. C. C. Wicker introduced the subject with a scripture reading. Mrs. Earl Reasoner discussed the White Race, Mrs. A. Shelton the Black Race, and Mrs. J. A. Smith the Yellow Race. A general discussion followed these special parts.
The Society extends a special invitation to the members of the church to come to the monthly meetings and make a study of the racial problems facing the nation and the world at present.
The next monthly meeting will be at the home of Mrs. J. D. Norris. Mrs. Earl Reasoner will be leader.
