ANOTHER NEW FIRM OPENS ITS DOORS FOR BUSINESS HERE

Mrs. E. R. Legg To Be Buried Sunday

Funeral services will be held for Mrs. E. R. Legg some time Sunday, the hour had not been set at the time this paper went to press.

The tragic death of this prominent and active Slaton woman came last Tuesday afternoon on the outskirts of McAllen, Texas, when the car in which she and Mr. Legg were driving stalled on a railroad track. It was reported that Mrs. Legg endeavored to push the car off the track and the train struck her but did little damage to the automobile. Mr. Legg has been in ill health for a number of years and was taken to a hospital suffering from severe shock. He will return to Slaton by ambulance and the Williams Funeral Home brought the body of Mrs. Legg to Slaton by ambulance last Thursday.

Mr. and Mrs. Legg had been in McAllen and Mission, while attending to business matters pertaining to their citrus farm in the Valley.

Mrs. Legg is survived by her husband and one daughter, Mrs. Max Arrants, who is in the meat business in Slaton. The daughter was in Florida when notified of the accident, but returned by airplane. Survivors also include several brothers, one of whom is W. G. Davis of Slaton.

Man Found Dead On Pullman Car

An unusual death occurred last Tuesday between Slaton and Post when A. N. Ward of Dallas died in his pullman berth from an acute heart attack.

Mr. Ward's body was found by the porter shortly before the train arrived in Slaton and it was taken off and turned over to the Williams Funeral Home where it was prepared for shipment to Dallas and sent to his home on the night train of that date.

Mr. Ward was an auditor for W. W. I. B. which is an organization connected with railroad work. He was about sixty three years of age.

NOTICE

Mr. John Lee Smith of Lubbock will speak at the Lion's club meeting, Tuesday night, January 13, at the Club House. All members are urged to attend.

Mrs. Leon Walston has returned home from a Lubbock Hospital where she has been ill for several days.

Mr. and Mrs. Pete King and son Cliff of Levelland spent the week end with her parents, Mr. and Mrs. Clifford Young.

Mrs. S. B. Edwards of Paris, Texas is visiting her son, Mr. W. E. Edwards and family.

Born on January 3 at the Mercy Hospital to Mr. and Mrs. J. V. Sanders a boy weighing 9 pounds and 12 ounces.

Born on January 4 at the Mercy Hospital to Mr. and Mrs. J. Martinez a boy weighing 7 pounds and 2 ounces.

Born on January 6 at the Mercy Hospital to Mr. and Mrs. Cooksey Burleson a boy weighing 7 pounds and 4 ounces.

\$650.00 high school building had been given to Supt. Marcom, Frank Eudy, business manager of the schools said yesterday.

—Hockley Co. Herald

A new business firm and a new building for its home is open in Slaton. It is the Henzler Implement Company, J. I. Case dealer, located at the corner of East Garza and 7th St.

The new firm is made up of Leo Henzler and A. L. Brannon, both of whom are men of long experience in this line of business. Leo has operated Leo's Tractor Shop for about seven years and has taken factory training in tractor work. He is well known among the farmers having worked on all kinds of farm machinery ever since he has been in Slaton, they also specialize on magneto work. Leo's Tractor Shop will continue in business.

Mr. Brannon is a pioneer farm machinery man of this area having been in this line and in the hardware and farm machinery line ever since he came to Slaton when the town was first established. His long experience and sage advice will be of service both to the new firm and to the farmers.

The new firm has completed a large building which will house the large show room and the repair shop. The shop is equipped with the latest machinery for doing factory type rebuilding and repairs and the Henzler Implement Company is in position to give prompt sales and service to all customers.

"While deliveries are still not as fast as they should be on Case farm machinery it is coming better than at any time since the war," said Mr. Brannon, "and we believe we'll be able to fill orders in very quick order."

Mrs. W. T. Brown's Sister Passes Away

Funeral services were held in Dallas January 3rd, for Mrs. Sue Skipwith, of that city, who died January 2nd, from a cerebral hemorrhage.

Mrs. Skipwith was a sister of Mrs. W. T. Brown of Slaton. Mr. Brown and her grandson Billy Loken were with Mrs. Skipwith at the time of her death. Burial was in Hillcrest Memorial Park Cemetery.

Jim Donaldson, who has been ill for several weeks, has returned home from the Santa Fe hospital at San Angelo. Mr. Donaldson became ill while on the job at the Santa Fe shops. He is reported to be recovering nicely and will be back to work soon.

Kenneth Tanner returned to school at Texas Tech, after spending the holidays with his parents Mr. and Mrs. C. L. Tanner.

Mr. and Mrs. O. N. Alcorn have returned from a vacation trip to the Valley.

Mr. and Mrs. Joe Teague, Jr., are visiting relatives in South Texas.

Slaton Author Is Publicized

MISS LORENE McCLINTOCK

A unique and outstanding achievement by Miss Lorene McClintock, well known artist and musician of Slaton and daughter of Mr. and Mrs. O. D. McClintock, has been publicized in many musical and news publications over the nation with the completion of her book, "Teach Yourself To Play the Piano," recently published and placed on the market by the Crowell Publishers of New York.

The book publishers have the following to say concerning Miss McClintock and her book:

Lorene McClintock, author of "Teach Yourself To Play the Piano," which Crowell publishers, has had wide teaching experience. A Texan, Miss McClintock was graduated with a bachelor of music degree from Southern Methodist University, completing her work in three years. While teaching piano, she developed the ideas for her book, and during and after the war it was tested in manuscript at the USO and with disabled veterans in one of the Army's General Hospitals, and students at Teacher's College (Columbia University.) Hundreds of unsolicited letters prove the value of her unique method. "Teach Yourself To Play the Piano," has two new features: "a keyboard concealer," which enables students to play by sight, and "keylocks," which help develop the touch system, (like typing). These are the bases of her now famous "interval method" which makes this book different from all other piano books.

CHILD HAS OPERATION

Mr. and Mrs. Virgil Jones have returned from Dallas with their two months old daughter, Linda Kay, who underwent a major operation in that city on Dec. 16. The child suffered pneumonia after the operation but has almost fully recovered.

Mr. Austin Edwards of Killeen, Texas, visited with his brother and family, Mr. and Mrs. W. E. Edwards.

Mr. Charlie Hill made a business trip to Childress Monday.

Funeral Held For Mrs. W. L. Johns

Last rites for Mrs. Walter Lee Johns were conducted from the First Methodist Church of Slaton at 2:30 Sunday afternoon, January 4, with Dr. E. F. Webber, radio pastor, Oklahoma City, officiating. Rev. Cal C. Wright, pastor of the Slaton First Methodist Church, assisted.

Graveside services were also conducted by Dr. Webber. Williams Funeral Home had charge of arrangements, and interment was in Englewood Cemetery, Slaton, in the family burial plot.

Music was rendered by the church choir, with Mrs. Lillian Butler, former Slaton resident and long time friend of the Johns family, coming from Lubbock to assist. Mrs. Butler sang as a special number the favorite hymn of the deceased, "In The Sweet Bye and Bye." Other favorites by the choir were, "The Old Rugged Cross," and "When They Ring Those Golden Bells." Mrs. Webber B. Williams was at the organ.

Services were attended by hundreds of Slaton friends and relatives of the deceased, residing over Texas, Oklahoma and New Mexico. The church was filled, and many stood in the outer entrance and on the church steps.

Pallbearers were J. H. Brewer, J. L. Miller, J. D. Holt, E. H. Ward, Otis Neill, Norris Raymond C. A. Porter and O. Z. Ball.

Dr. Webber was flown from Oklahoma City by special plane to conduct the service. Because Mrs. Johns had been in ill health many years, which prevented her regular attendance at the Slaton Methodist Church, of which she had been a member since 1923, she sat by her radio most of the time and seldom missed Dr. Webber's daily radio sermon. It was out of respect and appreciation for her and her family that he came. He paid special high tribute to her noble Christian character in his oration. Dr. Webber flew back to Oklahoma City from Lubbock on Sunday night. Almost half of his 30 minute broadcast Monday of this week was devoted to his trip to Slaton and the occasion for his coming here.

Odie Della Joines was born on June 29, 1884, in Fannin County, near Whitewright, in which section of Texas she was reared and schooled.

On June 26, 1904, she was married to Walter Lee Johns of Whitewright. To the union two sons were born, one of whom succumbed at birth. The couple resided on a farm near Whitewright until the Fall of 1921, when with their surviving son they moved to Slaton, Texas, where they acquired farming interests and moved to their new home five miles south of the city in the Fall of 1925, where they have since lived and operated a large dairy.

The deceased has been a devout and faithful God-fearing Christian all her life, always regretting that the last several years of her life she could not be more active in her church proper. She had always placed the welfare and comfort and pleasure of her family, other relatives and friends above her own. She had hundreds of friends all over the United States all of whom loved her dearly. She never had an enemy.

Mrs. Johns, aside from her heart ailment of many years, became ill December 21, 1947, was admitted to Mercy Hospital in Slaton, December 23, where she passed away at 6:30 a. m., January 1, 1948. She would have been 64 years of age her next birthday.

Survivors are her husband, Walter Lee Johns, Slaton; a son, Raymond Lee Johns, Plainview; three brothers, John Joines and Marion Joines, Caddo, Oklahoma, and Tom C. Joines, Whitewright, Texas; and two sisters, Mrs. Horace Gribble, Tahoka, and Mrs. T. S. Luttrell, Slaton.

Mrs. J. R. Butler had as her guests over the holidays, Mr. and Mrs. C. E. Norton and twins of Scotts Bluff, Neb., Mr. and Mrs. H. H. Barnes and daughter Vicki June of Odessa and Mr. and Mrs. J. R. Butler and son of Quitaque.

TOM STRICKLAND IS NAMED AS SEC.-MGR. OF SLATON C. OF C.

Football Banquet Held Last Night

Approximately 125 guests were present last Thursday night at the Slaton Club house to attend the Annual Tiger Football Banquet that was sponsored by the Slaton Touchdown Club.

The guests and the members of the Slaton Football Squad feasted on turkey and the good things that go with such a repast. W. R. Sewell was Master of Ceremonies and G. B. Morris, Iliac coach for the Texas Tech Red Raiders made the main address. Motion pictures of the Texas Tech and Hardin Simmons 1947 Football game were shown.

Over the Wire

While Slaton is not by any means the only town in the country that has shown a marked increase in business in the past year it is one of the towns that is keeping up with the times. There has been more building construction, both in business houses and in home building done in the past year, than in many years past, there are more bank deposits than at any time in the history of the town and the prospects for the future look bright, don't sell Slaton short.

Now is the time to set out cuttings of roses, take a medium size limb in new growth that has come out above the ground, cut it no an angle between the joints, then split the sharp end and insert a small piece of wood into the split place, put in a damp place and in the course of time you may have a rose bush if you are patient.

With the steady growth that Slaton has shown and prospects of an even better future there should be some revisions of the traffic regulations, and some preparations made for the future growth of the town. While real estate is still being bought and sold at frequent intervals there is a good prospect of more building and for new homes and there will be considerable expansion of the residential sections of the town, which directions will this go? Probably West and South.

While a great many business people complain about Slaton being too near Lubbock it can be pointed out that Slaton is the largest town in Lubbock County outside of Lubbock and one of the best towns on the South Plains. Perhaps the competition from Lubbock spurs the Slaton merchants to give just as good or better merchandise at prices to compare or better than the Lubbock Merchants.

Those who wish to have good gardens next summer should have the ground plowed soon after we have some moisture. A good hard freeze on plowed ground will kill off insect eggs and weed seed. For better flowers and shrubs the plants should be watered in the winter time just as much as they are in the summer when the dry spells last a long time. A deep hard freeze will kill a lot of plants if they are not kept damp.

Visiting Mr. and Mrs. E. H. Ward and family over the week end were Mrs. Ward's brothers, Mr. and Mrs. Edgar Latimer and son, Mr. and Mrs. Murray Latimer and son, Erwin Douglas, all of Roswell, N. M.

Mrs. Bill Mosley and daughters, Patsy and Nancy, returned Thursday from Mineral Wells, where they visited Mr. and Mrs. Bobbie Leake and son, Randy.

At a called meeting of the Directors of the Slaton Chamber of Commerce held last Tuesday night at the Chamber of Commerce offices, Mr. Tommy Strickland, son of Professor A. C. Strickland, instructor in the Slaton High School was chosen as Secretary-Manager of the Slaton Chamber of Commerce for one year as of January 1st, 1948.

The new manager is a graduate of the Slaton High School and attended Texas Technological College for two terms before he entered the Army when war was declared. He was serving as Lt.-Col. in the Air Corps when the war ended and holds that position at the present time in the Officers Reserve Corps.

January 27th was tentatively set as the date for the Slaton Chamber of Commerce Annual Banquet at which time the activities of the organization for the year will be organization for the year will be will also be a well known speaker and votes will be taken for the selection of five men to be named as Directors to take the place of five whose terms of office expire at an early date. Those whose places will be filled are: D. J. Neill, Robert Huser, H. S. Crews, Nat Heaton and Alan Payne.

Those who will continue to serve for 1948 are: J. H. Adair, B. B. Castleberry, Edwin Forrest, J. J. Maxey, John Simms, J. H. Brewer, Howard Hoffman, W. R. Sewell, T. H. Duckett and T. C. Reynolds.

There are a number of important matters that will be taken up before the organization as soon as the five new directors are named. The Slaton Chamber of Commerce is expected to become active and aggressive during the coming year.

Mrs. Emma Collins Buried Sunday

Mrs. Emma J. Collins, 74, of Slaton, a resident of this community for the past 27 years, died last Friday at 4:05 o'clock in St. Mary's Hospital in Lubbock. Williams Funeral Home reported.

Funeral services were held on Sunday afternoon at 4 o'clock in the First Methodist church of Slaton, Rev. Cal C. Wright and Rev. W. F. Ferguson officiating. Burial was in Englewood cemetery.

Mrs. Collins was born in Leadhill, Arkansas, and moved to Lubbock county in 1921. Her husband, J. L. Collins, died in 1937.

Survivors are three sons, Roy and Johnnie Collins of Slaton, and Foy Collins of Lubbock.

About Folks

Mr. and Mrs. Abe Kessel returned from Roswell, N. M., Monday, where they visited with their son, Julian Kessel and family.

Fannie Lou Shaw returned from San Angelo after her Christmas holidays. She is in Lubbock.

Guests in the home of H. Bailey the past week end were Mr. and Mrs. Eli Fort Sill, Oklahoma. Mrs. L. E. Boren of Slaton and Mrs. Leland Anver, son Bill of Brownfield, W. A. Emerson and W. L. of Lubbock.

Mr. and Mrs. C. E. Hooper children spent the Christmas days visiting her parents, Mrs. R. L. Rogers at Valley Mills, Texas. While there, the boys went squirrel and fox hunting.

Mr. and Mrs. J. D. Lawson and daughters, Joan and Patsy, have returned to their home in Houston after spending the holidays with Mrs. Lawson's mother, Mrs. F. nie Patterson.

Juanita Elliott returned from work and studies in Chicago spending the holidays with parents, Mr. and Mrs. J. A.

The greatest Christmas gift, from a financial standpoint, ever presented the residents of this area is being received this year. All cotton production records of the past went down before the bumper crop produced in 1947. Reports from gins in Abernathy, Monroe, County Line, and at Caldwell Thursday, Dec. 18, corresponding date on which production information has been obtained in the past, said that 29,395 bales of cotton had been processed from the 1947 crop. —Abernathy Review

At a special meeting of the Colorado City Council Monday night, Mayor Pete Martin, with the consent of the aldermen, named the following commission to write a home rule charter to be presented to the voters of the city at an early date. —Colorado Record

Date for the Eleventh Annual Mitchell County 4-H and F.F.A. Boys Livestock show has been moved forward this year to January 26-27 at the Livestock barn on the rodeo grounds. Heretofore the show has been held during February, but in order to participate in some of the statewide shows, the earlier date was chosen. —Colorado Record

Coach Jim Foust's Tahoka Bulldog boxing team will meet the Wilson High School team in the boxing ring event of the year in the Tahoka gymnasium Monday night beginning at 7:30 o'clock. —Lynn Co. News

Soil in the West Texas area—on the average—is losing its ability to produce at the rate of an acre every two hours. If—as has been stated in two previous articles of this series—there are now only two acres of soil producing for each person in the world, one of these persons is losing out here in the Duck Creek Soil Conservation District every four hours. —Post Dispatch

Truett S. Rattan signed a three-year contract at a board meeting last Tuesday night as head football and basketball coach of the Levelland schools, according to Supt. O. W. Marcom. —Hockley Co. Herald

Approximately 6,000 pounds of grain were stolen from the home of Elzie Jackson in Southland Sunday night, the Garza County Sheriff's Department reported yesterday. —Post Dispatch

Crosbyton is staying abreast of this air-minded world, if activities at Paudler Airfield can be taken as a criterion. To Crosbyton people who have not done so lately, a trip out to the airfield just east of the city any Sunday afternoon when flying weather is prevalent, will be an eye opener. Planes are taking off and landing constantly and a total of seven planes are now owned by Crosbyton people. On top of this quite a number of air enthusiasts who do not own planes are now taking flying instructions. —Crosbyton Review

A total of \$989 has been raised to date in Garza County in the financial drive for the South Plains Area Boy Scout Council. Local Boy Scout finance chairman, Sherrill Boyd said yesterday.

Several other pledges remain to be turned in, Boyd said. "We are certain to get another \$11 to make Garza's contribution to the Boy Scout cause a thousand dollars," he remarked. —Post Dispatch

CHICK CHATS

By Robert Huser of Huser's Hatchery
DON'T LET LICE OR WORMS STEAL EGGS

Even though your laying hens may have been free of lice and worms when housed in the fall, there is always a strong chance that they will become infested by parasites during the winter season. It's a good practice for the poultry raiser to inspect birds regularly to see if either type of parasite is bothering the flock.

Examine individual birds, a dozen or more, to determine whether lice are present in the plumage. Look on each bird's breast, under the wings, and in the fluff around the vent. Do this at regular intervals in order to be ready to correct the condition at the first sign of the pests.

Observe Closely
Detecting the presence of worms demands closer observation for it requires a close study of the physical appearance of the birds. A chicken heavily infested with intestinal worms is listless and run-down. It presents a sickly droopy appearance. Its appetite may not be up to par. It loses flesh and becomes scrawny and shaggy. Actually, the only positive way to determine the presence of worms, is by posting a few affected birds, but the above symptoms are signs that should be watched for.

Egg production falls off if either lice or worms are present in great numbers, so eliminating them is important from a profit standpoint. To begin with, the chances for worms to hurt the flock are greatly reduced if the house is cleaned and disinfected regularly. This removes much of the dirt and filth which make a good breeding ground for the parasites.

Lice Treatment
Lice may be eliminated either through use of an individual dusting powder or a roost paint type of delouser. Another method gaining favor is spraying the flock with a wettable DDT powder mixed in water. Some species of intestinal worms can be removed by using capsules, which are given to each bird individually, or by mixing a worm medicine in mash and allowing the birds to consume the medicated feed for a certain period of time. Many poultrymen follow this practice regularly to prevent worms from gaining a foothold.

Forty-seven members were present for the meeting. The newly elected Church Council will be installed at the services next Sunday.

Posy Lutheran Church will conduct a special service Sunday, January 11th, in which 4 children will be received into the church by rite of confirmation. They are: Alvin Gartman, Jr., Joe Bob Hansen, Roy Jay Hansen and Betty Mae Hildebrand. Having completed a course of instruction by Pastor C. Schulte, they were publicly examined in presence of the congregation last Sunday.

A Holy Communion will be celebrated in connection with the

Confirmation Rite.

The Posy Luther League met at the home of Earl Foerster on Wednesday, January 7th. Elizabeth Guetersloh presented the Topic, for Theevening. Officers for the new year were installed. They were: Hugo Hildebrand, President; Floyd Foerster, vice president; Elizabeth Guetersloh, Secretary; Lillian Foerster, Treasurer; Ludell Foerster, Literature Secretary.

Posy Ladies' Aid met at the home of Mrs. Emil Foerster on Thursday, January 8th. Newly elected officers were installed. They are: Miss Frieda Walters, president; Mrs. F. Kahlich, vice president; Mrs. R. Foerster, Secretary; Mrs. Wm. Walters, Treasurer.

All officers and teachers were present for Sunday School. There were two new members. Mr. and Mrs. Henry Krey, who have recently moved here.

Mr. and Mrs. W. W. Gentry, former residents, are moving near Slaton.

A new irrigation well on the Joe Schram farm is said to have a full eight inch pipe flow.

Mr. L. T. Jordan is now operating a cafe in Lubbock.

Mr. and Mrs. J. H. Slone have bought a farm in New Mexico, and will move there soon.

Beginning, January 4th, the

Raymond Gentry store will be closed on Sundays.

The Posy Gin has now handled about 4500 bales of cotton.

There is some sickness, several persons have colds and influenza. The REA has recently obtained wire and have been working a few miles northeast.

S. N. Gentry says that he will add two or more rooms to his home soon.

Willie Wilkie is now the owner of a new automobile.

Mr. Thomas who lives on the Woods farm has been working at a gin near Lubbock.

Mrs. L. K. Hart has had as a visitor her sister who lives at Odessa.

H. W. Baught of Slaton was here Saturday attending to business matters.

June Harper will also work the farm of his father-in-law this year. Mr. and Mrs. George Hayls are moving to their farm coles in which they have purchased.

Miss Sue Anne Williams returned from Houston Sunday by airplane, where she had been to visit her mother.

There is moisture for listing, but more is needed to improve

CARD OF THANKS

Horses Still Used
In America 53 per cent of the farms are completely dependent on horse and mule power to run the farms, and an additional 18 per cent where tractors are in use also use horses and mules. In Canada the figures are even more encouraging for breeders. Seventy-three per cent of the farms in Canada use horses. In both the United States and Canada, the most widely used draft animal is the Percheron horse.

Hollow Block System
An air-conditioning system which uses hollow foundation blocks as air ducts has been patented. Air is drawn by convection into the building, is cooled by circulation to sub-surface temperature and then forced upward by a spiral circulatory system within the walls to and through the upper areas of the interior.

Cowboys Vote For This

Cowboys as fashion experts provided an unusual spectacle when they served as judges at Cosmopolitan magazine's male-tested fashion show at the Stork Club in New York. Shown above as pictured in the January Cosmopolitan is one of the winning dresses selected. It is a scroll print crepe dress with panier drape on each side of the skirt. A product of Penart Fashions, it has a keyhole neckline, self-belt, and short sleeves. The jury included Gene Autrey, cowboy movie star; Toots Mansfield, champion calf roper; Dick Griffith, champion bull rider and trick rider; Joe Walsh, rodeo judge; Bill McMackin, saddle bronc champion; and Carl Dossy, bareback champion.

Fast Peanut Planting
Farm mechanization in the South has been stepped up with invention of a revolutionary new peanut planter. It puts seed into the ground at the rate of 40 a second, while moving down the rows at nine miles an hour under tractor power. The planter can be rigged to seed several rows in a sweep.

They Come Large
Largest of all lizards is the monitor, which reaches a length of about seven feet. It lives in the water, forest or desert of South Asia, Africa and Australia.

High quality boxed note paper and envelopes 40c and 65c per box at the Slatonite.

—WANT ADS GET RESULTS—

WRITER-ACTRESS—Joyce Hayward—she's Sandy Tyler on NBC's daytime serial, "Katie's Daughter"—also writes radio scripts and magazine articles.

Benefits of Atom
Among the problems under study in the University of Chicago's institute of metals is why metals that are pliable in their pure state become brittle when strengthening alloys are introduced. The answer to that "why" could change the appearance and structure of virtually all vehicles, from plows to airplanes. The institute of metals is part of the university's new 12 million dollar program in atomic research.

Sugar From Beets
American farmers grew sufficient sugar beets this year to supply United States housewives with about 3.74 billion pounds of sugar, or over one-fourth of all the sugar they will purchase in 1948.

Large Cosmetics Bill
Men and women of the United States spent approximately 700 million dollars for cosmetics last year. Soap was not included in the cosmetics figure.

Norse Shipbuilding
Shipbuilders among the early Norsemen used rope to attach planks to the ribs of the ships. Cords were passed through holes in the ribs and corresponding holes that were bored through ledges cut on the inner side of each plank.

First U. S. Newspaper
The first American newspaper was the Boston News-Letter, established by John Campbell in April, 1704. This paper developed from several others that he wrote more or less regularly to the various colonial governors of New England.

Box 583, Slaton, Texas Office 333

SUBJECT:
God's One Plan Of Salvation

Rom. 1:16 I Cor. 9:16 Gal. 1:18

When the Israelites came to the banks of the Red Sea they were and had been believers in God for many years. "By faith he forsook Egypt . . . by faith they passed through the Red Sea as by dry land; which the Egyptians assaying to do were drowned." Heb 11:27-29. But they were not saved until they had turned away from Pharaoh, had come to the sea and were "all baptized unto Moses in the cloud and in the sea." I Cor. 10:2. When they passed through the sea and stood on the shore on the other side, they sang the song of deliverance.

For our admonition upon whom the ends of the world are come." I Cor. 10:11.

So if God required obedience on their part, even baptism in the cloud and in the sea, in order to save them, he requires something like that today, for Paul said they are our examples and were written for our admonition. God has always required obedience of faith in order to salvation.

He required Naaman the Leper to obey the command to dip in the river Jordan seven times to be healed of the leprosy.

same formula: faith plus obedience to God.

The plan of salvation is the same, only the conditions and commands are different. Jesus said: "Why call me, Lord, and do not the things I say?" And he warned that only those who do God's will shall enter into the kingdom of heaven Matt. 7:21.

And notice this significant statement, "Thus the Lord saved Israel that day out of the land of the Egyptians." Ex. 14:30. On what day? On the day they were "all baptized unto Moses in the cloud and in the sea." Not on the day they first believed in God, but he saved Israel on "that day" they obeyed God and went forward into the sea.

He required the believing Jews to march around the walls of Jericho thirteen times before the walls fell down. Nothing is ever accomplished by faith alone. Faith without works is dead, James 2:26, and a dead faith cannot save, James 2:15.

Do not be misled into believing you can be saved only by just trusting in God and not obeying his commands. For when the Son shall come, he will take vengeance on all those who "know not God and who obey not the gospel of our Lord Jesus Christ." II Thess. 1:8.

Does this have any lesson for us? Certainly, Paul said in I Cor. 10:6, "Now these things were our examples." And again: "Now all these things happened unto them for ensamples; and they are written

No man can show where God at any time under the Patriarchal age or under the Jewish dispensation ever blessed any man without some act of obedience to the will of God. Nor is it different in the present age, Jesus said: "He that believeth and is baptized shall be saved." Mark 16:16. It is the

God requires constant and complete submission to His will and obedience to His commands. It has always been in every age, is that way in heaven and is that way on earth now. "If God spared not the angels that sinned, but cast them down to hell," (II Peter 2:4) how can you expect him to be more lenient toward us mortals on earth who have the glorious opportunity of being saved by the mercy of God upon the merits of the blood of Christ.

HE SAYS HE OWES HIS SUCCESS TO COTTONSEED MEAL

Breeding of fine stock followed through with proper feeding of concentrated protein make "most likely to succeed" a byword among fine herds.

Cottonseed meal and cake have long been the concentrated protein preferred by cattlemen for successful cattle feeding.

Large Bakery Is Opened In Lubbock

Over 2500 people visited the opening of the new building of the Baldrige Bakery, in Lubbock, last Tuesday night, when that Company held the formal opening of the new structure that has recently been completed. With the greatly increased floor space and installation of the newest and most modern equipment this Bakery is one of the largest and best equipped Bakeries in Texas being able to turn out 1,800 loaves of Baldriges Sally Ann Bread every hour. This large Bakery operates 24 hours each day and employs 112 people.

Last Monday night over 750 food dealers from the territory, visited the plant on "Merchants Night."

Baldrige Bakery was founded in 1924 by Joe Baldrige, and has grown steadily each year.

A Happy New Year For The Hanna's

B. A. Hanna, Jr., called his parents from Korea, Thursday. It was mid-night when Mr. and Mrs. Hanna received the call, although it was 3:00 p. m. Friday there. He was feeling fine, said no orders yet, but thought he would leave for the United States on January 15th.

NOTICE

The American Legion Auxiliary will meet at the home of Mrs. Fred Tudor, 245 No. 5th. Street, Thursday, January 15th, 3:00 p. m. All members urged to attend.

Mrs. Pauline Vaughn and Neill Hodges of Lubbock spent the week end with her daughter, Mr. and Mrs. Milton Jochez and son.

Bishop Charles C. Seelman, of Dallas is visiting in the home of Rev. and Mrs. Cal Wright.

Kirksey - Griffin Vows Exchanged

Miss Ruby Kirksey, daughter of Mr. and Mrs. Matt Kirksey of Lorenzo, and Chester L. Griffin, son of Mr. and Mrs. C. L. Griffin of Slaton, were married Sunday, Dec. 28, at 2 p. m. at the First Methodist Church of Lorenzo. The double ring ceremony was performed by Rev. George H. Bryant, pastor of the church, before an altar decorated with holly, fern and red carnations.

Mrs. Aubrey Smith, pianist, played, "Ah, Sweet Mystery of Life," traditional wedding marches and accompanied Miss Beth Poulson as she sang "Because" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a three-tiered jacket suit of white wool gabardine with a pale blue crepe blouse studded with rhinestones. Her accessories were navy blue and white. For something old she wore an heirloom gold necklace which belonged to a great-great-aunt of the bridegroom. For something borrowed she carried a white Bible. The bride's bouquet was a shower arrangement of white carnations with tufts of white ribbon and fern.

Mrs. Aaron Sechrist of Lorenzo, sister of the bride and matron of honor, wore an aqua suit of wool gabardine with brown and ecru accessories and a pink carnation corsage. Finnis Griffin of Slaton, brother of the bridegroom, served as best man.

After a short wedding trip to Dallas, Houston, Galveston and other points, the couple will be at home at Route 1, Slaton.

Out-of-town wedding guests were from Slaton, Lubbock, Ralls, Spade, Southland, Idalou and Lamesa.

Mrs. Ella Scott Honored At Tea

From 3 to 6 p. m. Sunday afternoon, January 4, Mrs. R. M. Nash gave a tea honoring her mother, Mrs. Ella Scott, who was eighty-seven years old, January 5th.

The table was laid with a tatted table cloth and centered with shasta daisies. The large birthday cake, decorated with sugar sweet peas, bore a lone candle with the inscription 87 years. The sandwiches and hot chocolate were served from heirlooms of china.

Gifts were displayed on a library table in the living room, where daisies and potted plants were placed at vantage points.

Members of the house party were Misses Jeanette Reissig, Dolores Grochowsky, Zeldia Parkhill, and Mesdames Fannie Patterson and J. B. Caldwell.

Verda Ables Weds R. B. Sears, Jr.

Miss Verda B. Ables, daughter of Mr. and Mrs. J. M. Ables of Belen, New Mexico, became the bride of R. B. Sears, Jr., son of Mrs. Julia Sears of Slaton, and Mr. R. B. Sears of Snyder in the home of Mr. and Mrs. Delton Holt, Jr., sister and brother-in-law of the bride at 11:00 a. m. Thursday, January 1st.

Rev. W. F. Ferguson, pastor of the First Baptist Church of Slaton read the ceremony before a fire place banked with flowers.

The bride wore a street length dress of white crepe with white accessories and carried a white Prayer Book topped with red rose buds showered with baby's breath.

Mrs. Delton Holt, Jr., Matron of Honor wore a gray suit with pink accessories and a corsage of white carnations. James N. Allred attended the groom as best man. Members of the immediate families were present.

After a short wedding trip to New Mexico the couple will be at home in Slaton.

The W.S.C.S. Meet

The W.S.C.S. of the Methodist Church met in the basement of the church, Monday, for a covered dish luncheon and installation of officers. Dr. Harold G. Cook of McMurry College gave the devotional at noon.

Mrs. J. H. Brewer presided, and Mrs. S. H. Adams, assisted by Mrs. M. W. King and Mrs. C. C. Cox, led in the installation of the officers.

Plans were made for Conference Officer's Training meeting, to be held January 15th and 16th, at which more than a hundred ladies are expected. If anyone has room for two or more ladies on the night of the 15th, call Mrs. J. D. Berry.

Mr. and Mrs. Homer Wild and baby spent the Christmas holidays with her parents, Mr. and Mrs. Fred Huser of D'Hanis, Texas.

From where I sit... by Joe Marsh

Thad's Feet Hurt

After a long, hard day's work on the farm, Thad's idea of how to spend an evening is to take off his shoes, and relax with a mellow glass of beer.

But his missus has other ideas. After being in the house all day, she's all for walking to the village, if it's only for a soda. Likes to see people, catch the latest gossip. But Thad says, no, his feet hurt! Begun to cause unpleasantness in Thad's home.

Then Bill Webster comes up with an idea. If Thad takes the missus to

Andy's Garden Tavern, Thad can relax with his glass of beer, and the missus can also chat with all the neighbors there. Each gets his (or her) own way.

Worked, too! In fact, now the missus likes an occasional temperate glass of beer herself. And Thad finds it's pleasanter to enjoy his beer with good companions, rather than alone. In fact, his feet stopped hurting too!

Joe Marsh

Slaton Couple To Have Anniversary

Mr. and Mrs. George P. Parkhill will celebrate their 52nd. Wedding Anniversary, Sunday, January 11, with an open house at 1135 South 9th. St., Slaton, Texas from 2:00 to 4:00 p. m. No invitations will be sent out, all friends and relatives are invited to attend.

The Parkhills are formerly from Montague and Cook counties and moved to Lubbock county twenty eight years ago.

Mr. Parkhill is a retired farmer. He moved from his farm south of Lubbock to Slaton two years ago.

There are two daughters, Mrs. W. P. Basham of Tulsa, Okla., and Miss Zeldia Parkhill of Slaton, two grandsons, David Basham and Billy Basham, both of Slaton and one great-granddaughter of Slaton.

Buchanan - Davis Vows Solemnized

Miss Evazell Buchanan, daughter of Mr. and Mrs. I. C. Buchanan, 235 So. 11th., St., Slaton and Thomas Asbury Davis of Fort Worth were married Wednesday, December 31st, at eight-thirty p. m. Rev. Cal C. Wright read the single ring ceremony. The bride wore an aqua crepe dress with gold accessories and a pink carnation corsage. The couple left immediately for Fort Worth where Mr. Davis is employed by a food store there. Attending the couple were Mr. and Mrs. Forrest Davis. The bride and Mrs. Davis are cousins.

CARD OF THANKS

We wish to express our sincere thanks and appreciation for every kindness and for the beautiful floral offerings extended to us during the illness and death of our dear mother and grandmother Mr. and Mrs. Roy Collins Mr. and Mrs. Johnie Collins and Weldon and Alvis Mr. and Mrs. Foy Collins.

MARKET NEWS

As of January 5th.
 (USDA)—Strong markets for cotton, grains, cattle and sheep offset even to lower trends on most other southwest farm products last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Cotton sales dropped by a third during the holiday-shortened week. Demand eased some, but prices scored net advances of 50 cents to a dollar a bale.

Grain markets partly recovered from the Christmas week slump to register net gains. Corn and oats net particularly active request and prices advanced around five to ten cents per bushel. And wheat movement continued rather heavy.

Egg prices continued downward the past week in anticipation of seasonal increases in production, despite good demand. Active request sustained poultry prices, and fowl advanced four or five cents a pound at New Orleans. Most current receipt eggs sold at 45 to 50 cents a dozen, and heavy hens 23 to 26 cents a pound.

Strong cattle markets showed gains of mainly 25 cents to \$2 for the week. Calve sand vealers led the advance. Houston paid \$23 to \$26 for good calves, as Oklahoma City took choice lots to \$26. Good and choice calves brought \$24 to \$25 at San Antonio, \$23 to \$27 at Fort Worth, and \$20 to \$23 at Wichita. Denver gave a top of \$25 for calves and vealers late in the week.

Butcher hogs and sows sold unevenly 25 cents to \$1.25 lower during the past week except at San Antonio where opposite trends held away. San Antonio and Fort Worth paid \$27.50 for top butcher hogs, as Oklahoma City reached \$28.25, Wichita \$27.15, and Denver \$29.30. Bulk of cows brought \$23 to \$25 at most markets.

Minnesota's Silkworms
 Among the produce reported in the 1850 U. S. census for southern Minnesota were 32 pounds of silkworm cocoons, 412 gallons of wine and 3,296 pounds of rice.

Hazardous Winter
 An average of 983 pedestrians were killed each month in traffic accidents last year, but this average is by no means representative of the hazardous winter months, according to safety experts of the national conservation bureau. November, December and January are the most dangerous for the pedestrian—mainly because slippery pavements make it difficult for drivers to stop in time to avoid hitting the man on foot.

Bunky Guinn left by plane for Jacksonville, Florida to attend an 8 weeks baseball school.

Progress in Light
 It was 68 years ago that Thomas A. Edison devised the first practical incandescent lamp. Since then improvement has followed improvement, some dramatic and some prosaic, but all have had one result—a better lamp at less cost to the public. The 60-watt incandescent lamp sold for 40 cents in 1923; today's 60-watt lamps sell for only 11 cents and two of them give the consumer as much light as he got from three of the 1923 lamps.

Mrs. Joe Teague, III, has spent the past two weeks visiting relatives in Ozona.

JUST TALK

by
A.M.J.

M. A. Pember clipped this from
 a paper. He thinks its good.

Jo Serra, who comes from Hick-
 roy Grove, whoever he is or wher-
 ever the Grove is, comes out with
 the following good advice, he says:
 "I have Been told For Many Years
 that to have the land flow with
 milk and honey, Uncle Samuel
 should be the Big Cheese, run
 everything—the lights on

say how many acres of
 a plant—what size lunch
 school house—what day to
 ten or not to eat chicken.
 Now, down on Main Street you
 find a fine tooth comb to find
 oppy soul. It has not worked,
 idea of Uncle Sam being the
 word from the maternity

ward to the mortician. And part-
 ner, it has been expensive. Folks
 who have been kinda half-way
 misled by the glib talk, they should
 scratch their heads and decide if
 they have maybe been too in.
 This country is not gonna burn
 down like Rome burned down,
 right away, anyway, due to ri-
 otous living, mismanagement or
 what ever it is, but we need to
 dust off our vest—maybe repent
 —and be saved, maybe. It is
 time to let business go ahead—
 with the brakes off. Young and
 old have got to get over the no-
 tion that Sambo can smooth their
 path—and they need never to
 perspire again. The Govt. has no
 income, except taxes—and we fur-
 nish them. Uncle Sam is okey and
 all right in his place—he just
 wasn't cut out for business."

Last week I went in the bank
 to see whether I had caught up
 with my bank account and Bill
 Sewell gave me a copy for the
 Bank statement. Mr. J. S. Edwards
 Senior took a gander at it. "Does
 it look like it is right," I asked.
 "No," said Mr. Edwards, "and it

probably will be even worse mix-
 ed up when it comes out in the
 Slatonite."

You just cannot get ahead of
 J. S.

Pete Pearson reports that he
 heard by indirect means that
 George Jones made a resolution
 this first of the year not to be so
 nice to folks for the next year.
 He is getting too soft hearted.

George told me not long ago
 that I am just as big an old crab
 as he is but that I won't admit it.
 George and I like to give out the
 growls but if I were hungry I be-
 lieve George would be one of the
 best touches for a free meal.

If folks took either one of us
 seriously we'd both be going a-
 round with big black eyes, cuts
 and bruises for both are too over-
 fed and short winded to do any
 running or fighting either. Per-
 sonally if someone should make a
 pass at me I'd lie down and pass
 out.

Preacher Moyer of the Church
 of Christ says that as most all of
 the New Year resolutions have
 been broken by now that he
 would like to present some extra
 good ones to take their places.
 Here they are:

1. I will neither borrow nor
 lend—especially borrow.
2. I will not give anybody advice
 except such as I know they
 will be glad to follow.
3. If anyone calls me a fool, I
 will not insist on his proving
 it. He might do it.
4. I am going to live within my
 income if I have to borrow
 money to do it. Mark Twain
 made this resolution famous.
5. I will see more, hear more—
 and talk less during 1948.
6. I will not discuss the faults
 and short-comings of my bre-
 thren and sister in Christ ex-
 cept while on my knees.

Having made a close poll of the

COURT CHUCKLES by S. M. REGI

'BARBER, YOU ADMIT YOU NICKED THIS MAN'S FACE IN A DOZEN PLACES, THEN WHY DID YOU EXPECT HIM TO PAY YOU A SMALL SUM FOR SUCH CARELESS WORK?'

automobiles over town and hav-
 ing totalled the number that have
 been washed I feel sure that we
 are due for another light snow
 that will give the car washers
 another good crop of dirty auto-
 mobiles.

My own car is still dirty and
 I've made up my mind to fight it
 out although the back window is
 so dirty that I start saying a
 prayer every time I back out of
 our driveway.

If you are going to plant any
 roses or fruit trees this year, now
 is the time of the year to do it.
 While this is a poor country for
 fruit raising I believe an apricot,
 peach or apple tree is just as
 pretty as an elm tree and once in
 about every three or four years
 they bear fruit. There are more
 bugs and insects to ravage fruit
 trees than in any place I ever liv-
 ed and one has to spray, water
 and pamper fruit trees and worry
 about late freezes, June bugs and
 school boys and then hunt up the
 neighbors to give the stuff to if
 you do get a crop. All in all it
 is fun if you like to get out in
 the back yard and do your worry-
 ing instead of doing it in the
 house.

Roses do not do too well either
 as it takes a lot of water and bug
 chasing but if you must have
 something to stew over, rose grow-
 ing is almost as good as raising a
 big family.

Slaton is a very pretty town in
 the spring time, we have nice
 lawns until the summer heat hits
 us. In the past the water short-
 age has been most discouraging,
 but from now on we should have
 one of the most attractive towns
 on the South Plains. For nearly
 eight years I have been trying to
 interest some organization in
 beautifying the streets of Slaton,
 but so far it has been a blank.
 There are some wonderful demon-
 strations of what can be done a-
 long this line in the towns and
 cities in South Texas but it would
 take considerable work and pro-
 motion for anything of this kind
 here and it seems that Slaton is
 short on promotions. We need a
 good, active Manager for the
 Chamber of Commerce and I hope
 we get one before long.

Women, I believe, value a great
 deal more the bowing and scrap-
 ing kind of man, more than they
 do the old boys that do not follow
 the strict rules of etiquette, but
 I think most of them are wrong.
 Nearly every man I have known,
 who is proficient in boosting the
 ladies into automobiles and things
 are the tougher roosters in their
 homes, of course I am not one of
 the bowing and scraping kinds,
 so I am probably biased but you
 can mark my word for it that
 the polite gentlemen are either

henpecked or overbearing and are
 either afraid of their wives or
 have designs on the women.

What this country needs is a
 lipstick that will stay on the per-
 son it was meant for.

Fat man (at movie): "Can't you
 see anything, little boy?"
 Little boy behind him: "Not a
 thing."

Fat man: "Then keep an eye
 on me and laugh when I do."

"What are you writing?"
 "A joke."
 "Give her my regards."

Men argue that women can't
 be trusted too far; women argue
 that men can't be trusted too near

Only one man in a thousand is

a leader of men. The other 999
 are followers of women.
 Meade Post
 The after-dinner speaker had
 talked for 15 minutes but said
 nothing important. "After par-
 taking of such a meal," he con-
 tinued, "I feel if I had eaten any
 more I would be unable to talk."
 From the far end of the table
 came a shout: "Give him a sand-
 wich."

NOW—make a date to OIL-PLATE!

BEST WAY TO BABY that great
 new '48... or to keep "Old Faith-
 ful" going while you wait... is to
 make a date to OIL-PLATE... with
 Conoco N#1!

N#1 Motor Oil (patented) con-
 tains a special ingredient that fastens
 an extra film of lubricant so closely to
 metal surfaces that cylinder walls and
 all working parts are OIL-PLATED!

This means extra protection from
 winter's hard "dry-friction" starts

because extra OIL-PLATING actually
 resists gravity! Won't all drain down,
 even overnight! And that's why, also,
 whether you're standing still or run-
 ning hot... you're extra-protected
 from metal-eating combustion acids
 ... from "dry" friction... from sludge
 and carbon due to wear!

Get extra starting power... get
 extra pickup... get extra mileage
 ... make a date to OIL-PLATE your
 engine today!

Relief At Last For Your Cough

Creomulsion relieves promptly be-
 cause it goes right to the seat of the
 trouble to help loosen and expel
 germ laden phlegm, and aid nature
 to soothe and heal raw, tender, in-
 flamed bronchial mucous mem-
 branes. Tell your druggist to sell you
 a bottle of Creomulsion with the un-
 derstanding you must like the way it
 quickly allays the cough or you are
 to have your money back.

CREOMULSION
 for Coughs, Chest Colds, Bronchitis

COME OUT OF THE DARK

AND SAVE YOUR EYES

EYESIGHT is so precious and good lighting so cheap there's no need
 to strain your eyes because of insufficient light.

Good lighting is so necessary for good
 eyesight that you should make sure
 that in every room of your home, or in
 every section of your place of business
 there is always enough light.

Whenever you find your eyes tiring
 quickly, CHECK YOUR LIGHT. It
 may be too weak or possibly too strong.
 If you can't determine the proper light
 yourself, call a Public Service lighting
 specialist.

I'LL COME TO
 YOUR HOME
 OR PLACE OF
 BUSINESS

A Public Service Company lighting
 specialist will come to your home,
 office, or place of business to give you
 recommendations as to how to obtain
 the best in lighting. There's no obli-
 gation. Just call or write your nearest
 Public Service office.

We Have Nothing to Sell But Good Electric Service

SOUTHWESTERN
PUBLIC SERVICE
 COMPANY

23 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

WASHDAY FOR YOUR LAMP SHADES MAKES YOUR ROOMS BRIGHTER

ROOMS will look brighter when you establish a washday for the lamp shades and light bulbs, the Rural Home editor of nationally-circulated Capper's Farmer advises housewives.

"In the days of kerosene lamps it was part of the weekly housecleaning to wash lamp chimneys," she points out in the farm magazine read by 1,300,000 farm families. "But not everyone realizes that electric lighting calls for a regular cleaning program.

"Your lamp shades will give better service and look much better if they are kept clean."

Here are her directions for giving lamp shades a real soap and water treatment:

Remove a parchment or paper shade from lamp; go over it with a cloth rung quite dry from rich suds. Then go over the shade with a cloth wrung out of clear water. Finish by wiping it with a dry cloth. Examine the shade to see if bindings are glued or sewed on and if there are ornaments that might not be wash-

able. These should be cut off before washing.

Make up a tub of good rich, lukewarm suds. Plunge the shade up and down in the suds. Rub obstinate spots gently with two well-soaped fingers. After the shade is bright and fresh looking, give it several rinses of the same even lukewarm temperature.

Stand the shade to dry on a bath towel, away from sunlight or direct heat. You can hasten drying by blotting the shade between the palms of your hands with another bath towel. When the shade is partially dry, reverse its position.

Don't forget, too, that electric bulbs should be cleaned regularly. Do not try to wash the electric bulbs in their sockets. The best way is to remove the bulb from the socket and wipe with a soft cloth wrung out of soapy water. Hold the bulb by the metal end while wiping the glass with the soapy cloth. This minimizes the risk of wetting the metal part. If the metal part of the bulb does get wet, be sure not to screw it back into its socket until it is completely dry.

Mr. and Mrs. B. G. Guinn received a cable from their son on Korea, saying that he would be home soon.

Price of Beef Up
U. S. citizens had \$435 of disposable income per capita in 1935 and they spent \$1,863,000,000 for beef that year. Disposable income had risen to \$1,073 per capita in 1945, and the sum spent for beef was \$3,026,000,000.

Big Atomic Birth Rate
Oak Ridge, Tenn., had the highest birth rate of any city in the United States at the wartime peak of atomic research there.
