Standard Oil Company of Texas Monday completed its No. 1 Jesse Brown well for a flow of 532 barrels of 45.5 gravity oil per day, opening a new Canyon lime pool in the Pennsylvania level at 7,414 ft. Known for several weeks to be a potential good producer, the Standard well is located in Section 440, Block 97, Houston & Texas Central Railway Company Survey. It is nine miles north of Snyder.

Election to determine if bonds in amount of \$250,000 shall be issued by the Snyder Consolidated Independent School District to provide funds for construction of a new primary school building in Snyder has been ordered for Tuesday, December 7, according to statement issued to The Times this week by Superintendent of Schools M. E. Stanfield.

Randall county's election returns were lost in the mails between Canyon and Austin.

The Secretary of State reported that the returns from this county, together with five other Panhandle counties, had not been received on closing date for canvassing the returns on November 17.

Randall county has been called upon for only one man under Selective Service so far, stated Ray McReynolds Tuesday. This man was given a 60 day deferment in order to get ready for induction.

Mr. McReynolds is a member of the 4-county board, comprising Randall, Deaf Smith, Castro and Farmer counties. Headquarters are in Hereford.

The Garza County oil activity, which has been at a comparative standstill for some time, spurted up again during the past week with a drilling operation north of Post and another near the last edge of the city limits.

The operation east of Post is the M. K. Bingham No. 3, which Comanche Corporation is drilling to the same depth as two producing wells on the Bingham land. It had reached 2,400 ft. by Tuesday morning, and the operator plans to set pipe tomorrow. It probably will be another week before the well is completed with cable tools.

Six Garza County cotton gins had turned out a total of 3,527 bales by Monday of this week.

Files of the Post Dispatch revealed that by November 22 a year ago, five Garza gins had turned out 10,861 bales.

Trips to Austin in interest of Deaf Smith County highways and all other official business for the Chamber of Commerce will henceforth be made in the new 1949 Chevrolet station wagon recently purchased by the directors, said Secretary Pete Cowart, Monday.

Some of the best cotton in the state is being grown in the district, said Curtis Traweck, whose cotton yielded some 1 and 7-32 in staple cotton earlier in the season and caused a mild furor among growers in the district, last week brought in a batch that tested 1 and 9-32 in. in the Lubbock laboratories.

Announcement of necessity for new telephone rates at Ralls was made today by G. D. Shelley, district manager for the Southwestern Associated Telephone company. Greatly increased costs of furnishing telephone service makes it necessary for the telephone company to place new rates into effect immediately, Shelley explained, and said that he had contacted the city commission Monday to explain the need for new telephone rates here.

Clever Magician Coming Dec. 6th

It may be that you have seen revues of magic—but unless you have felt the thrill of amazement and have sat spellbound before the super-natural demonstrations of the Master Wizard, Dr. Gaffney, you have missed an experience of the rarest sensations.

The Rotary Club is bringing Dr. Gaffney and his company to the High School auditorium on Monday, Dec. 6th.

It takes over two tons of very expensive equipment to produce a show such as Dr. Gaffney's and the performance requires a dexterity of action that is without parallel in the theatrical world today. Dr. Gaffney's performance is truly an unusual and stupendous trip into the world of the unknown that was first explored by the ancient mystics of the East and presented in an ultra-modern manner by Dr. Gaffney who is called America's Cleverest Magician.

The strange effects, weird deceptions and mystifying illusions are spectacularly presented by this great student of the late Harry Kellar. From the first fanfare to the last curtain the performance promises to pack more entertainment into two hours than any stage show of the current season.

From his great flower production, in which flowers are plucked from nowhere and beautifully grouped on the stage before your very eyes to his spectacular vanishing princess who disappears in less than one second—this man with the "spirit-hands" will keep you thrilled and enthralled with the secrets of mysticism that have been handed down through the ages and to only that rare and small destined to receive them.

The proceeds from Dr. Gaffney's performance will be used by the Rotary Club for Slaton Youth activities. Tickets may be secured at the Palace Barber Shop, Fitzgerald Drug, The Slatonite, Teague Drug, Moyer Bros., or from any Rotarian.

Mr. and Mrs. W. L. Holloman and family spent Thanksgiving Day in Austin, where they visited with their daughter, Joy, who is attending Texas University.

Lions Club To Present Play On Friday, Dec. 10

Members of the Lions Club, who have been working for months on rehearsals for the extravaganza known as "Ye Village Skewl of Long Ago," say that those who are in the cast are almost letter perfect in their parts and the show promises to be the very funniest ever to be staged in Slaton.

Many of the most prominent business men in Slaton will go back to school and show how they acted when they attended the village skewl of long ago.

Tickets for the show are available from any Lion Club member and will be at the Slaton High School Auditorium on the night of the show.

As a large number of tickets have been sold in advance it is expected that there will be a full house. The show will start at 8:00 p. m.

Proceeds from the show will go toward civic and charitable needs of the community. The price of the tickets for both children and adults is 50c, including tax.

If you enjoy a good laugh at the expense of your friends and fellow citizens, better see, "Ye Village Skewl of Long Ago."

New Business Is Open In Slaton

Irving's Jewelry and Sporting Goods is the name of a new business that is now operating in Slaton. It is located in the Abe Kessel building on North Ninth Street just north of the Palace of Eats Cafe.

The new business is under the ownership and management of Irving Greenberg who has moved to Slaton with his wife, the former Rose Kligman of Lubbock.

Mr. and Mrs. Greenberg are residents of Los Angeles, Calif., before coming to Slaton. Mr. Greenberg is a former Army Air Force pilot and was a watch and jewelry repair man for nine years before entering the armed forces.

Mr. Greenberg says that he will carry a representative stock of the best jewelry and sporting goods on the market. He also expects to do watch repairs and handle some reconditioned kodaks as well as new ones, guns and all kinds of sporting goods.

J. S. EDWARDS UNDERGOES MAJOR SURGERY THURSDAY

Mr. J. S. Edwards, president of the Citizens State Bank of Slaton, underwent major surgery in a Lubbock hospital last Thursday. At last reports Mr. Edwards was reported as improving rapidly and well on the road to recovery.

Mr. and Mrs. Harold Corse, Mr. and Mrs. Fred Corse, and Miss May Ackman, all of Cape Girardeau, Mo. were visitors over the Thanksgiving holidays in the home of Mr. and Mrs. J. S. Vaughn.

Former Range Land Getting Sissy As Carrots And Lettuce Flourish

The above illustrations were reproduced from photographs taken several weeks ago by P. G. Meading, Manager of the Slaton Chamber of Commerce. One is a scene on the Raleigh Martin place on the Tahoka Highway and shows head lettuce being grown on the South Plains. From all information available the experiments in raising head lettuce on the South Plains has proven very successful. Mr. Martin is the originator of Martin Lettuce and one of the leading men in the development of new crops for this section of the state.

The other scene is of carrots grown on the Andrew Kitten farm a few miles West of Slaton. Ray Kitten and other members of the Kitten family grew carrots this last season and it is estimated that from three fourths to seven eighths of a car load per acre were gathered. The carrots were of the best quality and a number of farmers who have irrigated land say that they expect to devote some of their land to one or more of the new crops that have been proving successful in this section.

Mail Rates To Go Up Jan. 1st

The Post Office Department is sending out reminders to post offices throughout the country that postal rates will go up on Jan. 1. Congress approved the new rates in the last-minute welter of legislation last June to help pay for boosts in the pay of 500,000 postal workers.

The order affects nearly all mail except first and second-class parcels. Air mail goes back to 6c after twenty months at 5c. Special delivery rates jump from 13c to 15c.

J. E. Fitzgerald Buys Radio And Electric Shop

Mr. James E. Fitzgerald of Pittsburgh, Pa., has purchased the Elliott Radio and Electric Shop, formerly owned by Mrs. M. L. Elliott and J. A. Elliott.

Mr. Fitzgerald is a brother of W. W. Fitzgerald, owner of the Fitzgerald Drug. He is a married man with a family of five children. He is said to have had twenty years experience in electrical and radio repair work and is an expert in both commercial and domestic wiring.

The name of the store has been changed to Fitzgerald Electric, located on the west side of the square next door to the Fitzgerald Drug. Mr. Fitzgerald is announcing a get acquainted electrical gift sale. In his advertisement on another page of this issue he lists a number of items which are offered at sale prices.

HOMER CREWS ILL

The condition of Homer Crews, who suffered a heart attack last Saturday, was reported as being critical last Thursday evening.

Mrs. Ida Champion Buried Thursday

Funeral services for Mrs. Ida Champion, 77, resident of Slaton for the past 35 years, were held at 3 p. m. Thursday at the First Methodist Church here with the Rev. O. B. Herring, pastor, officiating. He was assisted by the Rev. W. F. Ferguson, Baptist minister.

Mrs. Champion died Tuesday morning in a Slaton hospital. Williams Funeral home was in charge of funeral arrangements. Burial was in Englewood cemetery.

Survivors include a daughter, Mrs. Ray Conner, Slaton; a son, Gilbert Champion of Hutcheson, Kans., a sister, Mrs. Jim Rogers, El Paso and a granddaughter, Mrs. Joe Walker, jr., Slaton.

Pallbearers were Wiley Martin, Joe Teague, jr., J. H. Brewer, C. L. Garrigues, H. A. Ochse, and Joe Walker, sr.

Christmas Recital To Be Given Saturday Night

Mrs. J. A. Wright is presenting her piano pupils in Christmas Recital beginning at 7 o'clock Saturday evening, Dec. 4, at the High School Auditorium. The new grand piano recently purchased for the high school is to be used in this recital. A varied and interesting program has been prepared, with the following pupils being presented:

Kay Porter, Phillip Morgan, Josephine Shepard, Shirley Ball, Nancy Clifton, Joan Haliburton, Annette Wilson, Peggy Jean Ely, Martha Mack, Forrestine Crowley, Barbara Stephens, Paula Maxey, Ethel Young, Helen Ruth Barton, Iva Crowley, Roland German, Rudy Dominguez, Gilbert Dan Watkins, Dwayne Richardson, Robert Heaton, Lanny Swanner, Scott Mack, Harriett Hyatt, Suzanne Neill, Dorothy Kay Heaton, Linda Sue Smith, Dale Ray, Neutle Nan Watson, Pam Maxey, Micky Ward, Joan Pember, Jeannette Burrell, and Donna Pearson.

Congressman Speaks Before Lions Club

At the regular meeting of the Slaton Lions Club last Tuesday, November 23, Honorable George Mahon, of the 19th Congressional District and Washington, D. C., was guest speaker. Mr. Mahon spoke on "American Aid to China and Europe." Mrs. Mahon was also a guest of the Club. Ninety-three members and guests were present.

SLATON PEOPLE ATTEND HEREFORD SHOW

Mrs. Clifford Young left Wednesday for Sweetwater where she was joined by Mr. Young, who had been at the Buckhead Bathhouse in Mineral Wells for several days. Mr. and Mrs. Young attended the Anxiety Hereford Breeders Show and Sale and a banquet at the Bluebonnet Hotel in Sweetwater Wednesday evening.

FORMER RESIDENT SPENDS DAY HERE

Louie Cates of Wichita, Kan., formerly of Slaton, visited friends here Sunday. He is just out of the service and plans to enter the University of Wichita as a Petroleum Engineering major in February. He will be a junior. Mr. Cates reports that his parents, Mr. and Mrs. Bill Cates, who are well known here, are now living at 132 N. Quentin, in Wichita.

NAME

ADDRESS

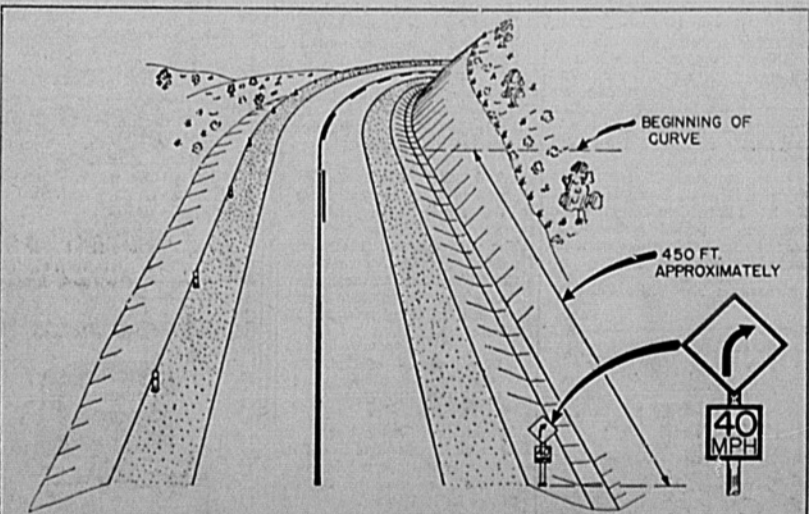

AUSTIN, Nov. 22—A view like the one pictured will soon confront Texas motorists. The new type of highway sign will serve to warn of the maximum safe and comfortable speed for curves and turns. These signs are part of a new

program of advisory speed zoning by the Texas Highway Department and represent a step recommended by the Governor's Highway Safety Conference.

Motorists who utilize the speed advised on these signs will find that there is no side-throw in their cars

at this speed.

The speed indicated on the sign was determined by a scientific study of each individual curve and turn, and will vary because of the different elements such as degree of turn and the amount of bank on each separate curve.

KEEP A FLOCK RECORD SYSTEM

One of the best ways to cut costs and avoid unnecessary expense in the management of a laying flock is to use a flock record system. If you do not already have one, why not start such a system now?

A simple bookkeeping system will suffice. About the only requirements are that your figuring is accurate and that entries are kept up to date to avoid the omission of certain items.

Cut Production Costs

By keeping daily records, the poultryman not only is able to see how much money his flock is making, but also, by studying the record, he can probably visualize more easily how production costs could be reduced and how he should plan for the future. Flockowners who keep no records run the risk of letting their expenses get out of hand.

The poultry-raiser has two big expense items. These are the cost of his chicks and the cost of feed; together, they may account for 90 per cent or more of his total expense. Others which must be calculated are cost of medicine, litter, insurance, fuel, miscellaneous supplies, and depreciation on buildings and equipment.

Another item is bird mortality—and this presents the greatest opportunity for boosting profits. Mortality of 15 per cent is considered about the average in many sections. If this could be cut to 10 per cent or less, the cost of production per bird would be reduced and income would be greater.

Increase Laying

If your birds are laying, care of eggs and the rate of egg production are the important factors. Do what you can to keep egg production from falling, and establish a system for handling and storing eggs in such a way as to maintain the highest possible quality between the time they are laid and when they are taken to market.

How you manage your flock will probably determine whether your expenses are greater or less than average. Be alert for every opportunity to pare your costs. A flock record will help you to do this.

Christmas Shopping Is Easy At Groce's

Howdy Folks; With today's prices, it looks like the nickel has gone the same way of the other buffalo.

The only thing a nickel is good for now days is to get the wrong number on a telephone.

Now days, about all the average family can put away for a rainy day is the umbrella they borrow from the neighbors.

And that prognosticator who predicted an early fall didn't mean high prices.

The guy who said this country needed a good five cent cigar should be informed that we have finally made it. The only trouble is the darn thing sells for fifteen cents.

That's enough of that. It's time for us to get busy and leave this silly chatter.

Speaking of being busy, we have often wondered how Solomon ever got every thing done with all the thousand and one things he had to do.

Uses of Papain
U. S. imports papain in relatively large quantities. Such imports amounted to 334,000 pounds in 1947. The greater part came from British East Africa, but Ceylon also contributed a significant share. Papain is utilized commercially in medicinal preparations for digestive ailments and in "tenderizers" for tough meats.

"CAN YOUR DOG READ YOUR MIND." — A dog's mournful howl announced the death of his mistress, who was in a hospital miles away! This is just one of the many cases that have scientists wondering if animals have the mystifying gift of extra-sensory perception. It's in the American Weekly that great magazine distributed with next Sunday's Los Angeles

Examiner.

"GOODBYE TO ULCERS AND COLITIS!" — Read how Jack Stone, American Weekly staff writer, made himself a "guinea pig" for Ezra Levins new treatment for ulcers and colitis and found that the treatment brought unbelievable relief and perhaps permanent cure for ulcers. Read it in the American Weekly that great magazine distributed with next Sunday's Los Angeles Examiner.

LETTERS TO SANTA

Slaton, Texas
Nov. 29, 1948

Dear Santa Claus,
I am a little girl four years old. I go to Sunday School every Sunday and have been very good this year.

I would like to have a doll stove, a doll, a blackboard, a doctor set, and a suitcase full of doll clothes to fit my new doll. Please bring me nuts, fruits, and candy.

Please remember my nephew, Bobby Clifton that lives in Philadelphia.

Thank you very much,
Melinda Clifton.

Sandal Comes Back
Sandals—especially gold sandals—are making fashion history. There is no end to the variety now obtainable in a style whose basic lines were established when Helen of Troy was in the ship-launching business. The sandal gold rush goes with mauve, pink or white linen and accompanies gold metal buttons, gold piping, gold leather belts or gilt fastenings on belts. The sandal started life a few thousand years ago as nothing more than a leather sole to cradle the foot with a set of thongs to keep the shoe secure. Most sandals today are basically the same.

JUST TALK

by
A.M.J.

The Selma (Ala.) Times Journal, in promoting subscriptions, recently carried this tale of woe about a paper borrower and his family:

"A man, too stingy to subscribe to his hometown paper, sent his little boy to borrow a copy from his neighbor. In haste, the boy ran over a stand of bees and, in 10 minutes, he looked like a warty squash. His father ran to his assistance and, failing to notice the barbed wire fence, ran into that, ruining a \$9 pair of pants.

"The old cow took advantage of the gap in the fence, got in the corn field and killed herself eating green corn. Hearing the commotion, his wife ran out, upset a four-gallon churn of cream into a basket of little chickens, drowning the entire batch. In her haste, she dropped a \$35 set of false teeth.

"The baby, being left alone, crawled through the cream into the parlor, ruining a brand new \$50 carpet. During the excitement, the oldest daughter eloped with the hired man, the dog broke up 11 setting hens and the calves got out and chewed the tails off four fine shirts on the clothes line.

"Moral: Don't borrow your neighbor's paper; it's too risky."

Dewayne Hodges and Curtis Wendt spoke in beatitudes after they purchased the Wauneta (Neb.) Breeze from Mrs. Eleanor Frasier. They addressed a piece to their new readers saying: "Blessed are the merchants who advertise, for they have faith in their business and their prosperity shall increase many fold. Blessed is the woman who sends in a written account of a party or wedding, she shall see the details and names of her guests reported. Blessed are they who do not expect the editor to know everything but tell him whenever an interesting event occurs in which they are interested, for they shall have a better newspaper in the town. Blessed are they who get their copy in early, for they shall occupy a warm spot in the heart of the editor."

As you might imply from the above reprinted clipping, we would appreciate all the cooperation we can get from the folks in this area in the way of information

"WHERE BETTER PICTURES ARE MADE"

out of some trouble, I do not remember ever getting the exact things I wanted. If I asked for an air gun, I got a drum. If I wanted a drum, I got an air gun, and it seemed to me that my sister always got exactly what she wanted. She was always as happy as a blue jay on Christmas morning and I always accepted my pile of neckties, new underwear and sour oranges with a groan.

To some extent I have gotten over the disappointments of Christmas, but I still have that feeling of anticipation and I can go right up to Christmas Day with a faint feeling that Santa Claus is going to bring me something, perhaps a pony, for that is what I longed for until I was almost grown, but never got. Of course, the fact that I could not ride a horse around the block now without getting all my joints jolted out of place, might be a drawback, should such a miracle happen, but just the same it is a fine prospect and one that I can hope for until the end of time.

One often hears that the management of the world and of business should be turned over to the young folks, but did you notice that all of the generals in the last world war were men far along in years. In the photos reproduced in the magazines and newspapers, most of them looked like grandpas.

It is reassuring to talk to men like Arthur Dennis and P. G. Meading, George Hill at the Theatre and John Berkley at the grocery store. Those guys are not in a lather about the Chinese war, the labor situation, inflation, deflation, the hoof and mouth disease nor the shortage of news print. All of these subjects have been keeping me awake at night except the hoof and mouth disease and I have toyed with it on occasions. There are others that have also kept me awake to some ex-

tent in the day time such as how to find a spring or a small screw to fit the linotype machine at the Slatonite, how to sell adding machines when I had too many of them in stock, and how to get some more when all of the ones I secured were sold, in addition to these my wife gets me up in the middle of the night wondering what the dog is barking at or why a light came on at three o'clock in the morning in our next door neighbors house.

Then of course I have the weather to work on in my spare time. All in all it keeps a man, like me, pretty well stirred up and makes me want to go fishing.

THESE POLES (PLUS WIRE & EQUIPMENT) MEAN "MORE POWER TO YOU"

They are gone from the storage yard now—set up along the new Post-Brownfield transmission line, hung with crossarms, insulators, wire, hardware. By now the line is "hot," bringing power to meet the expanding needs of towns, farms and oilfields in this area.

Those poles filled plenty of yard space. So did the cable reels, the crossarms and other equipment. Yet all that represents just a small part of the total investment we have in plants, lines and substations to furnish good electric service to the Panhandle Plains and Pecos Valley area.

More power to you—that's what we're bringing, every hour of the day and night. More dependable power, more useful power, more abundant power, for your every electrical need.

Coffee In Teague Home Is Courtesy To Miss Reta Fred Stephens

Miss Reta Fred Stephens, bride-elect of James Dillard Traugott of Waco, was the honoree at a coffee and bridal shower held Friday morning, Nov. 26, in the home of Mrs. J. S. Teague, 505 W. Lubbock Street.

Receiving hours were from nine until eleven, with Mrs. Teague greeting guests at the door and presenting them to the receiving line composed of Mrs. Fred Stephens, mother of the bride-elect, Miss Reta Fred, Barbara Stephens, Mrs. J. M. Stephens, Mrs. Dollie Campbell, and Miss Helen Ruth Ferguson.

Mrs. John Fondy, Jr., registered guests in the bride's book. Misses Paula Maxey, Anna Doris Phillips and Nancy Teague provided soft music throughout the morning.

Mrs. W. F. Ferguson and Mrs. A. C. Strickland, Jr., poured coffee from the Madeira cloth covered table which was centered with an arrangement of wine and rose snapdragons and lighted by tall white candles. A matching arrangement decorated the mantel.

Mrs. Gordon Burrell and Mrs. C. C. Young alternated at the door bidding the guests goodbye and inviting them to the wedding which is to be solemnized at the First Baptist Church on Dec. 19.

Other hostesses assisting in entertaining and showing the many lovely gifts were Mesdames Joe Tate, E. A. Gentry, E. H. Ward, W. F. Ferguson, Dan Liles, Wayne Liles, T. E. McClanahan, Fred England, E. E. Culver, C. C. Young, Ethel Young, C. W. Wilks, A. C. Strickland, Jr., R. L. Wicker, W. A. Hohanson, P. G. Meading, Sam Phillips, Jr., Bill Mosley, J. C. Foster, Conroe Bain, J. J. Maxey, Carl Sartain, C. L. Tanner, R. L. Smith, Gordon G. Burrell, Seaborn Teague, and Curtis Brown.

Square Dancing Club Holds Initiation

The Dizzy Dudes square dancing club held its first initiation for new members Sunday evening, November 21 at the American Legion Hall.

A western theme was used for decoration. At the back of the hall a typical campfire scene was arranged. Saddles, bridles, old wagon wheels and bales of hay were placed around the mock campfire. An old fashioned saloon was represented at the other end of the hall. Small tables covered with red checked tablecloths were used. Lanterns furnished the lighting effect. In keeping with the western scene, the members and guests were attired in western clothes.

Following the square dancing and other entertainment, refreshments were served. The western style refreshments were pork and beans, bacon strips, and hot buttered cornbread. Coffee was served from an old campfire pot. Utensils for the refreshments consisted of tin plates, old spoons and tin cans which were converted into cups.

New members initiated were Mr. and Mrs. Leo Henzler, Mr. and Mrs. Alton Russel and Joe and Lorine Schilling. Membership to the club is open to anyone who is interested in folk and square dancing.

Mr. and Mrs. James Buchanan of Pueblo, Colo., and Mrs. T. A. Davis of Ft. Worth have returned to their homes after spending several days with their mother, Mrs. T. C. Buchanan, who has been seriously ill.

Miss Glenna Liles And Wayne Kenney Are Wed Thanksgiving Morning

Shower Honors Recent Bride

A miscellaneous shower was given from 2:30 until 5:00 o'clock Monday afternoon in the home of Mrs. Grady Elder, sr., honoring Mrs. Stanley Ratliff of Tahoka, formerly Miss Velma Fay Gentry of Slaton.

Mrs. Elder greeted guests at the door and Miss Nanna Lou Elder presided at the bride's book. Mrs. Bobbie Martindale poured coffee and served macaroons and mints.

A humorous skit was given in which Mrs. W. J. Schilling played the part of the groom and Mrs. B. J. Kelly acted as the bride. Mrs. Martindale gave the reading, "The Presiding of the Bride and Groom."

Out-of-town guests included Mrs. R. R. Gentry, mother of the bride, Mrs. A. A. Ratliff and Mrs. M. A. Ratliff, sisters-in-law of the bride, all of Tahoka, Mrs. J. C. Vannoy and Mrs. A. L. Johnson of Posey.

Hostesses for the occasion were: Mesdames Grady Elder, Irby Smith, J. D. Norris, Bobby Martin, Ray Williams of Lubbock, H. H. Edmondson, Harold Wilson, Shorty Boyce, C. R. Potthast, H. S. Crews, O. D. Kenney, Carl Lewis, and Miss Myrtle Teague.

MRS. WAYNE KENNEY

At ten o'clock Thursday morning, November 25, in a simple and lovely setting at the First Baptist Church, Miss Glenna Sue Liles became the bride of Wayne Kenney. Miss Liles is the daughter of Mr. and Mrs. Dan W. Liles, 415 W. Garza, and Mr. Kenney is the son of Mr. and Mrs. O. D. Kenney of 655 S. 7th St.

As the sweet strains of Clair de Lune echoed softly through the church Rev. Fred Sain of Baylor read the double ring ceremony before an arch of fern ornamented with cluster bouquets of white chrysanthemums, flanked by large baskets of white chrysanthemums and lighted by white candles in tall candelabra. The bridal aisle was marked with white maline bows.

Mrs. Lowell Merrell, organist, played "Indian Love Call" and "Always" preceding the ceremony, the traditional wedding marches, and accompanied Miss Nancy Teague as she sang, "O Promise Me" and "At Dawning."

Given in marriage by her father, the bride wore white whirlwind crepe designed with high neckline, long fitted sleeves, street length skirt having five graduated flares down the back. Her shoulder length veil was attached to a hat of twisted crepe. For something new she wore pearls, the gift of the groom; something old was a watch chain more than one hundred years old, which had belonged to the groom's great-grandmother; something borrowed was a friend's handkerchief; something blue was the traditional Delta Sigma Sub-Deb's garter. She carried a cluster of purple orchids and stephanotis on top of a white Bible.

Mrs. Wayne Liles, sister-in-law of the bride and matron of honor, wore a dress of forest green crepe with beige and black accessories. She carried a nosegay of white chrysanthemums.

Everett Kenney of Wellington, Kan., served as his cousin's best man. Ushers were Wayne Liles, brother of the bride, and Alton Kenney, brother of the bridegroom.

Reception Honors Couple
A reception for members of the families and the wedding party was held in the Liles home immediately following the ceremony. White chrysanthemums and a three-tiered wedding cake decorated the bride's table. Out-of-town guests were from Wellington, Kan., Childress, Muleshoe, Ralls, Lubbock, Floyd, Lamesa, Waco and San Angelo.

For a wedding trip to New Mexico, the bride wore a brown and beige striped wool suit with a brown topcoat, brown and beige accessories and an orchid corsage.

Both the bride and bridegroom are graduates of Slaton High school. Mrs. Kenney was a member of Delta Sigma Sub-Deb club. Mr. Kenney is a junior at Texas Technological college and is associated with his father in the O. D. Kenney Auto Parts company.

Past Matrons Meet In Prosser Home
The Past Matrons Club of the Order of the Eastern Star met on Thursday, Nov. 18, in the home of Mrs. Jessie Prosser, with Mrs. Eva Smith as co-hostess. Nine members were present. Miss Myrtle Teague presided at the business meeting which was followed by a social hour.

The next meeting will be held Dec. 16 in the home of Mrs. Claud Anderson.

Mr. and Mrs. L. A. Harral, Mary, and Helen Ruth Ferguson attended the Hardin-Simmons-Tech football game at Abilene Saturday.

Miss Barbara Wolfskill of Houston spent the Thanksgiving holidays in the homes of Mr. and Mrs. E. W. Cudd and Mr. and Mrs. Jack Cooper.

Ludwina Wilde Of Wall Marries Leroy Buxkemper

Miss Ludwina Wilde, daughter of Mr. and Mrs. Louis Wilde of Wall, and Leroy Buxkemper, son of Mr. and Mrs. Anton Buxkemper of Slaton, were united in marriage in a ceremony performed at 8:30 o'clock Wednesday morning of last week at St. Ambrose Catholic Church at Wall.

The Rev. Msgr. F. J. Pokluda, pastor, read the double ring ceremony which was followed by a Nuptial High Mass. Bouquets of pink and white gladioli decorated the altar of the church.

Mrs. August Frysak, organist, played the processional and was accompanied by the church choir for the recessional. She also accompanied Miss Virginia Schwertner, who sang, "Ave Marie", and the choir as they sang the mass.

The bride, given in marriage by her father, wore a white gown fashioned with a fitted satin bodice, long pointed sleeves and a marquise skirt which extended into a long train. Her finger-tip veil fell from a crown of beads. She wore a gold cross and chain and carried a colonial bouquet of white carnations centered with an orchid.

Miss Bernadine Wilde served her sister as maid of honor, wearing a pink gown with fitted taffeta bodice, short puffed sleeves and a full skirt of net. Her bouquet was of pink and white carnations. Bridesmaids were Misses Lucy and Louise Wilde, the bride's twin sisters, who wore lavender gowns and carried colonial bouquets of yellow and white carnations, and Miss Dorothy Buxkemper, who chose a blue gown and carried pink and white carnations.

Reception Is Held
Following the ceremony, a reception was held in the home of the bride's parents. The rooms were decorated with bouquets of white and pink gladioli. The table was centered with a three-tiered wedding cake, topped with a miniature bride and groom.

In the evening the couple was honored with a dance held in the Wall Community Hall.

Mr. Buxkemper attended the Slaton schools. He served in the U. S. Army for twenty-five months, eighteen of which were spent overseas. The bride is a graduate of Eola High School.

Following a week's wedding trip the couple will be at home on his farm near Slaton.

Chinese Student Is Guest Speaker Here
The Junior Civic and Culture Club met Tuesday night, Nov. 16, in the home of Mrs. P. L. Vardy. Beautiful flowers were used in decorating all over the house.

A short business session was followed by the introduction of the guest speaker, Mrs. Vella Ma, Chinese student from Texas Tech. Mrs. Ma spoke on, "Chinese Foods—How To Serve, How To Prepare, and Table Etiquette."

During the social hour which followed, Mr. Ma, who accompanied his wife, told of his experience in meeting the Lubbock boy who was instrumental in bringing him to Tech.

Other guests were Mrs. Ed Cummings and Mrs. Dudley Berry. Twenty-two members were present.

Mary Martha Class Has Social Meeting
The regular monthly class social for the Mary Martha class was held in the home of Mrs. C. A. Wells, with Mrs. C. A. Brown as co-hostess. Business was conducted and Thanksgiving games played. Delicious refreshments were served, with autumn corsages as plate favors.

The following attended: Mesdames Allen Crowley, teacher, Leon Walston, Hern Pettigrew, Dave Draper, E. L. Norris, Bill Parks, E. B. Custer, Ed Caldwell, George Harlan, C. E. McCoy, Charles Felt, Bill Christman, and one visitor, Miss Merle Harper.

Carl Self of Tahoka and Clark Self of Slaton attended the T.C.U.-S.M.U. football game in the Cotton Bowl at Dallas last week.

Messrs. Douglas Wilson and Red Ballard went to Colorado the first of the week and returned with Mr. Ballard's mother, who will make her home here with her daughter, Mrs. Myers.

Miss Barbara Wolfskill of Houston spent the Thanksgiving holidays in the homes of Mr. and Mrs. E. W. Cudd and Mr. and Mrs. Jack Cooper.

Nobel Winners Are Topic Of Club

"Recent Nobel Prize Winners," was the theme of the program of the Civic and Culture Club when they met last Saturday afternoon in the home of Mrs. S. S. Forrest.

Mrs. Harry McKee of Los Angeles was a guest of the club. Mrs. C. L. Heaton was leader of the afternoon's program. She was assisted by Mrs. Ralph Hayes, whose topic for discussion was, "Donors and Conditions Under Which Prizes for Literature Are Awarded. Name Several American Award and Show How It Won."

Mrs. Heaton talked on, "Gabriela Mistral of China; Herman Hesse of Germany, and Andre Gide of France."

The next meeting of the club will be at 1:00 p. m., in the home of Mrs. Elbert Loveless. This will be the Christmas luncheon.

Art Club Enjoys Day Of Instruction

The Slaton Art Club met Tuesday in the home of Mrs. F. A. Kleinschmidt in Lubbock for a covered dish luncheon.

After the business meeting, Mr. Kleinschmidt gave a very interesting talk on, "The Origin and Process of Making the Various Kinds of Pottery." At two o'clock the group went out to Tech and were privileged to watch a class making pottery. After this they were instructed in the making and firing of pottery, by Mr. Kleinschmidt.

There were thirteen members present and one new member, Mrs. F. J. O'Conner was taken into the club.

The next meeting will be the Christmas party to be held in the home of Mrs. Jack Smith, 305 E. Lynn.

United Missionary Societies Meet

The regular fifth Monday meeting of the Missionary Societies of Slaton was held this week at the Presbyterian Church, with Mrs. Dudley Berry, president, in charge of the business meeting.

The hospital committee reported that the hospital fund contained \$62.25 and it was voted to give this to the Slaton Welfare League.

Mrs. J. E. Loveless suggested that this organization of church women give their moral support to the youth of the community in their effort to build a club house here.

The president appointed a nominating committee for new officers as follows: Mesdames S. S. Sottemire, J. D. Norris, J. B. Brewer, and J. E. Loveless.

Mrs. Loveless was in charge of the program for the afternoon. For the devotional, Mrs. J. B. Huckabay read a selection from Psalms, closing with prayer. Mrs. C. H. Green gave a vocal solo, "Sundown," accompanied by Mrs. L. A. Harral at the piano. In closing, Mrs. Loveless gave selections from "The Beauty of Holiness," quoting, "If we have faith in beauty, we cannot stray afar."

The group was then invited to the manse, where they enjoyed a lovely tea with the Presbyterian ladies as hostesses.

The next meeting will be the World Day of Prayer in February and will be held at the First Baptist Church.

Mr. and Mrs. Chester Wilson and family have returned from Bells, where they attended the funeral of Mr. Wilson's brother, Herschel Wilson, who passed away in California.

Roots of Culture YOUR BIRTHSTONE AND ITS MEANING

DECEMBER--TURQUOISE, ZIRCON, LAPIS LAZULI

ANCIENTS BELIEVED, AS DO SOME MODERNS, THAT THE AZURE TURQUOISE ATTRACTS LOVE AND GREAT RICHES.

BRILLIANT ZIRCONS, FASHIONABLE TODAY AS IN ANCIENT TIMES, ARE MINED IN INDO-CHINA, TRADITIONALLY CONFER HONOR, WISDOM, SAFE TRAVEL.

DECEMBER PEOPLE INCLUDE FAMOUS CHURCHMEN, PHILOSOPHERS, SCIENTIFIC AND MEDICAL PIONEERS, SALESMEN, SPORTSMEN.

KINGS OF BABYLONIA AND ASSYRIA PRESENTED BLUE OR GOLD-FLECKED LAPIS LAZULI, AS TRIBUTE, TO EGYPT'S PHARAOKHS.

FROM EARLY TIMES, THE LOVELY LAPIS LAZULI HAS BEEN THOUGHT TO BRING PROSPERITY AND ASSURE HAPPINESS.

Headed for Harmony

Song inspiring frock for an evening at home is pictured, as it appears in the current issue of Good Housekeeping magazine. Featured is a deep-scooped wool-jersey blouse that gives way to a wide cotton-taffeta plaid skirt—with snug waistband.

Damage to Hides
Mange, ringworm, and other skin diseases of leather-producing animals cause millions of dollars in losses to the American people. Tanners have to put more work on skins that are parasitized or otherwise damaged, which increases production costs as much as 20 per cent. In some cases, the damage is so extensive that the hides are practically useless. Better management practices on farms, so as to avoid costly injuries, along with the skilled use of insecticides to rout livestock parasites would go far in cutting down these losses.

Dangerous Mosquitoes
Over a dozen kinds of mosquitoes, as well as other types of blood-sucking parasites, are capable of transmitting sleeping sickness to horses.

In Early Days of Picture-Taking
Sixty years ago, in June, 1888, George Eastman introduced the No. 1 Kodak. The new camera was an oblong black box that took small round pictures two and one-half inches in diameter. It was sold ready-loaded for 100 exposures. The price for camera and film was \$25. When the hundredth picture was taken, the camera was sent back to the factory at Rochester. Here the film was taken out, developed, and, if the sun was shining, prints were made.

Colorado Wet-Dry Spots
Wettest spot in Colorado is Silverton with 25.30 inches of precipitation annually. Garrett is driest, with 5.74. Most of Colorado averages between 11 and 18 inches, based on 60-year observations.

Mr. and Mrs. W. T. Davis and family spent Thanksgiving in the home of Mr. Davis' mother, Mrs. M. G. Davis in Trenton, and while away also visited Mrs. Davis' parents, Mr. and Mrs. Walker in Collinsville.

Removing Fish Odors
To remove fish or onion odors from pans, wash the pan with soapy water to which two table-spoons of vinegar have been added.

Lead Poisoning in Animals
Boiled linseed oil, given internally to animals, can cause fatal lead poisoning.

Casual Comment **Crop Insurance For Lubbock Co.**

By Mrs. Nora Billingsley

In my mania for "clipping" any article I find interesting, sometimes the subject matter does run to surprising, or amusing lengths—even to myself. For instance, one of my latest acquisitions is "How To Get Whistled At." While "getting whistled at" is not among my latter day ambitions, the article contains interesting suggestions as to the benefits to be derived from eating raw vegetables. All such "good health" advice that I come upon when reading, I assiduously collect—and never follow.

The "rattle and bang" of the irrigation well drills have receded into the distance. Where the little "marker" once stood there is now a useless, and expensive hole. The marker kept faithful vigil over the spot where the "water witches" at \$15.00 per witchery said water would be found. The "water witches" have happily pocketed their fees, and their patrons have, not so happily, pocketed their losses. In fact, the avocation of water witching is at "an all time low" around Hackberry—but it was certainly a bright idea while it lasted.

Mr. and Mrs. Geo. Hilbers have just returned from a two weeks visit to New and Old Mexico with their daughter and family. Their son-in-law shot a ten-point deer while they were there.

Mr. and Mrs. Tom Turner spent Thanksgiving in Carlsbad with their children and grandchildren.

Lubbock County has again been selected as the West Texas County in which the experimental cotton crop insurance program will be offered. Walter Y. Wells, Secretary Lubbock County Agricultural Conservation Association said today.

Under this program the Federal Crop Insurance Corporation, a governmental agency, guarantees a cotton producer to make at least his expenses out of a cotton crop. The insurance goes into effect at the time the cotton is planted and expires when the lint cotton is moved from the field. All unavoidable causes of loss such as flood, drought, hail, wind, frost, tornado, winter kill, lightning, fire, excessive rain, snow, wild life, insect infestation, hurricane, and plant disease are covered by the contract.

This insurance may be purchased by any cotton producer to cover his interest in the cotton he will grow in 1949. It may be paid for in cash at the time the application is signed with a 5% discount or it may be purchased on credit by signing a note for the premium. The note may be paid any time before December 31, 1949 without interest.

The insurance may be used as collateral for borrowing money or buying equipment.

We have all the detailed information at the county office and will be glad to explain the program to any one who is interested, Wells said.

Mr. and Mrs. Linus Stahl and family of San Angelo made a surprise Thanksgiving visit with his mother, sister and brother, respectively, Mrs. Julius Stahl, Barbara and Fabian. It was the first time for them to see their new grandson and nephew, Van Linus, born August 17 in a San Angelo hospital.

Milk for Age
Middle-age and old people need a pint of milk daily for health and to strengthen their bones against breakage, recent studies at the Iowa experiment station show. Women in their 50's, 60's and 70's are drinking only a cup of milk a day when they need at least a pint to furnish enough calcium, protein and phosphorus for the proper upkeep of their bodies. The studies also show that older women do not lose their ability to store calcium and other minerals if their diets provide these minerals.

This delightful tale was relayed by Alec Woolcott during a Yuletide broadcast:

A six-year-old discovered a doll in her stocking. But she wasn't very happy about it, and informed her mother: "I prayed for ten dolls."

"I guess," said mother, "God didn't answer your prayer."

The youngster thought about this for a moment and then replied: "Oh, yes, He did answer my prayer. He said no!"

—Walter Winchell.

A sad-faced, sickly-looking child, just one among many of the mill town's poor, was asked by a solicitous Sunday school teacher to please repeat the Lord's Prayer. She turned her eyes wishfully upon the teacher and said quaintly, stumbling over one passage: "And forgive us our Christmases as we forgive all those who Christmases against us."—Phillip J. Cleveland, Pulpit Digest.

Competing with outstanding 4-H Club boys and girls all over the state, five girls and two boys from Panhandle-Plains area of West Texas have this week received educational awards from the Santa Fe Railway which will enable them to attend the National 4-H Club Congress in Chicago, November 28 to December 2, with all expenses paid.

Certificates of merit from Santa Fe's President F. G. Gurley, and funds to cover all expenses, were presented to Mary Lou Crump, Shallowater; Martha Pearl Davenport, Lakeview; Mary Crabtree, Kerrick; Rita Nell Baldwin, Vernon; Joan Barber, Westbrook; E.P. Wicker, Wilson; and Kenneth Ackler, Nazareth.

They will join others from West Texas enroute to the Congress, leaving Amarillo Friday, November 26, aboard the Santa Fe's "Grand Canyon."

Since instituting its educational awards in 1923, the railway has sent more than 1,400 boys and girls to the National Congress from states served by its rails. Winners are selected for outstanding achievements in club projects.

SECURITY MAN COMING

Gerald L. Schantz Social Security Administration Representative, will be in Slaton, at the U. S. Post Office, at 4 p. m., on Wednesday, December 8, 1948, for the purpose of answering any questions you may have on social security; discussing possible benefits; and taking applications for social security account number cards.

Social security cards are not to be used for identification. They are issued to workers in business and industry to maintain social security wage accounts. Federal social security payments which a worker earns for himself and his family are based on these wage accounts.

Honey Bee Progeny

Scientists have discovered that if a virgin queen bee is put to sleep with carbon dioxide gas she starts laying eggs at once, without being mated. These eggs always produce male bees. When the virgin queen is mated to one of her own fatherless sons she produces female bees also and heads a normal bee colony. This mating of mother and son is possible because the scientists have found a method of artificial insemination for the queen. Inbred bee families may be produced. Just as inbred corn is produced. After families are inbred for generations, they are crossed.

Doris (just returned from Sunday school after hearing the Christmas story explained): "Oh, Mommie, I heard the most beautiful story this morning. It was all about how the big star shown and guided the three wise men over the desert. And they walked and walked and they came to an old barn. The star stopped there and the men crept to the door and they pecked inside and guess what they saw there?"

Mother (pleased): "What did the wise men see, darling?"

Doris (still more pleased): "They saw a brand new little Chrysler."

—Mrs. Chas. Bogardus.

Get a **FORD "PHYSICAL"**

Every **5000 MILES**

IT MAKES good sense to have your car serviced regularly. The wise motorist makes it a habit to have his car lubricated every 1000 miles, and a complete "Physical Exam" every 5000 miles.

Take a look at your Ford's speedometer, today. If it's nearing a "5000" mile reading, bring it "home" to us for your Ford's "Physical" — which includes a thorough engine, ignition, electrical, wheel and brake check . . . and a complete inspection of the body, inside and out.

Make it a habit to let us check your Ford regularly to keep the top performance that's built into your car. It's the right way to catch the "little things" that can develop to make driving unsafe. You'll be surprised how much money you'll save throughout the life of your Ford, with regular Ford care.

Slatonite And Daily Papers At Bargain Rates

Daily papers all over the nation have raised their subscription rates and trends are still upward however both the Star-Telegram and the Lubbock Avalanche are allowing special rates for a limited time.

The Slaton Slatonite is offering the following combination prices on the Star-Telegram and on the Lubbock Avalanche.

Star-Telegram, seven days per week, including Sunday, a regular \$15.00 value and the Slatonite, regularly \$2.00 per year, all by mail for the bargain price of \$15.45.

Star-Telegram, six days per week, no Sunday, regularly \$14.00 and the Slatonite, one year regularly \$2.00, both by mail for only \$14.10.

Lubbock Avalanche, six days per week, including Sunday, a regular \$9.00 value and the Slatonite, a regular \$2.00 value, all by mail for one year, for \$10.50.

The Lubbock Avalanche, five days per week, no Sunday, a regular \$8.00 value and the Slaton Slatonite, a regular \$2.00 value, both for one year by mail for only \$9.50.

New subscribers will be accepted for all of the above mentioned papers. The Sunday Star-Telegram only can also be secured at the Slatonite office for \$5.00 per year or in combination with the Slaton Slatonite for one year for \$7.00.

If you wish to save money on your daily papers and on the Slatonite it would be advisable to subscribe at once as the bargain rates this year will not likely be in effect as long as in past years. Expiration dates on the papers do not have to be the same as the Slatonite to secure the bargain.

Positive Cause of Insomnia
Although it seems like an absurdity, over-much sleep is a possibility. Anyone who needs an unusual amount of sleep each night or awakens still tired after a long night's sleep should seek the reason. Poor sleeping equipment may make it impossible for the sleeper to relax sufficiently to receive the most benefit from hours of sleep. Replacement with new, good quality mattresses and bedsprings is, then, an easy solution to the problem. If this is not the cause, there may be physical, mental or emotional reasons which should be corrected.

Source of Barn Fires
Damp hay is one of the principle causes of barn fires. Therefore, be sure that the hay is well cured. Check regularly for several weeks for any signs of heating.

"Bunch Disease"
A disease of pecans is known as the "bunch disease", or witch's broom. To combat this disease, pecan growers should cut out all diseased portions of trees infected with it. If a limb has this disease on the end, it should be cut back at the base and the diseased portion destroyed by burning. This is a virus disease and cannot be controlled by spraying.

Texas 4-H'ers Win Chicago Trips

Ann Peterson Wayne White Betty Blackerby Reuben Rother

SUPERIOR records of achievement in National 4-H Better Methods, Canning, Clothing and Garden programs have won 1948 state championship honors for four Texas club members. Each received an all-expense trip to the 27th National 4-H Club Congress in Chicago, Nov. 23 to Dec. 2. The winners, who were selected by the state club office, and brief outlines of their records follow:

Getting that well-known "new-look" was little trouble for Ann Peterson, 17, of Devine, who selected, sewed, made over or mended 24 garments for herself and other members of the family during three years of 4-H club work. In addition to completing five 4-H projects, of which three were in clothing, Ann served as president and leader. She gave a talk at a community meeting and wrote three stories about 4-H tours, camps or special events. Ann has done some interesting things with textile paints. A peasant blouse which was plain white she painted attractive Mexican girl and ivy flower vendors around the neckline. She painted bath towels with a design taken from the bathroom wall paper, painted initial A on the cuffs of socks and a pillow top with Mexican designs, which was done in six colors. Named State winner in the 1948 National 4-H Clothing Achievement program, she was awarded an educational trip to the Chicago Club Congress provided by Spoon Cotton Educational Bureau.

Wayne White, 17, of Coahoma, has applied many better feeding and housing methods in his livestock activities because of skill achieved through the National 4-H Better Methods Electric program. Wayne has been named State winner in the program in recognition of the many better methods he has developed for doing farm tasks. He has given demonstrations on trimming calves feet,

grooming livestock, terracing, culling chickens and pruning trees. In addition to project work, he has served as junior leader of his local club for five years. Wayne received an educational trip to the National 4-H Club Congress, Chicago, provided by the Westinghouse Educational Foundation.

The Blackerby family of White-right has no worries when it comes to being supplied with a variety of healthful foods all year around. Canning 1,984 quarts of meat, fruit and vegetables helped 4-H'er Betty Blackerby, 16, win State honors in the National 4-H Canning Program. She also has served her club in many offices and is a junior leader. Betty was provided an all-expense trip to the National 4-H Club Congress, Chicago, by the Kerr Glass Mfg. Corp. as recognition for her outstanding achievement.

Providing his family with plenty of healthful home-grown vegetables was a major achievement for Reuben Rother, 20, of Melroe, but he has now also been recognized with State honors in the 1948 National 4-H Garden program. Reuben planted and tended peanuts, tomatoes, squash, blueberries, melons, potatoes, cabbage and corn during his seven years as a 4-H'er. He has used crop rotation and learned their value in both garden and field crops. Reuben's achievements, ABIS Chairman provided Reuben with an educational trip to the National 4-H Club Congress, Chicago.

All of these activities are conducted under the direction of the Extension Service of the State Agriculture College and USDA cooperating.
