WAC Prepares to Invade Slaton

COM. Texas, Oct. — (Spe. Slaton Slatonite). Pvt. Edwin Cade, Jr., son of Mr. and Mrs. R. M. Cade, Sr., of Slaton, is listed among the 200 members of Army Specialized Training Unit No. 4813, now receiving instruction at East Texas State Teachers College, Commerce. Pvt. Cade attended school at Wilson High School and Texas Technological College before entering the Army, May 10, 1943. Before coming to East Texas, he received thirteen weeks of basic training and came to Commerce from Camp Maxey, Sept. 11.

A/S Everett Robertson, who is about to finish his college course at Washington State College at Pullman, will start his flying Monday, Oct. 25th.

He will be transferred to Santa Ana, California in the latter part of November.

Everett says that he likes his work fine.

A/S Richard W. Ragsdale, Jr., son of Mr. and Mrs. R. W. Ragsdale, arrived in Slaton Monday on about a 5 days leave. Dickie, as he is better known, is attending Tulane in New Orleans.

Millard E. Gear, son of Mr. and Mrs. C. E. Gear, is home on a furlough. He has finished his boot training at San Diego, Calif.

Sgt. Shirley Butler has written home that he is having an easy life and living like a king. He is with the 5th Army in Sicily, and reports they all like the natives there very much.

A letter from Richard Neu, Fireman 3rd class in the Navy, who is the son of Mr. and Mrs. Nick Neu of Slaton, Rt. 2, stated that he has moved from California to the East Coast.

Mrs. R. H. Todd returned this week from Fort Sill, Oklahoma, where she visited her son, Frank Todd, who is serving with the Instrument Survey Battalion of the Field Artillery.

Mrs. G. E. McClanahan received a letter from her son, Sgt. R. C. Brackeen, this week, in which he stated that he is still on a small island in the Southern Pacific and that he is very busy. This was the first letter that Mrs. McClanahan has received from R. C., in over a month.

Lt. (jg) Bob Ayers, son of Mr. and Mrs. Ray C. Ayers, is at home on a furlough. He has been stationed in Philadelphia, but expects to be moved from there when he returns.

LeRoy Holt, who has recently been given an honorable discharge because of his health, has gone to Dallas this week on business and to visit with relatives.

Pfc. Billy R. Waldrep, who is stationed at San Diego in the Marines, was home last week on a 10 day leave. Billy has made quite a record in 7 weeks time he made Pfc. medals in rifle range shooting. He and one other were the only two to win these medals.

Here's a letter from a Slaton boy who is in the thick of the fight:

"Dear Mr. Jackson:
"Another Slaton boy reporting in. My travels have been quite extensive since I left the States and I am now somewhere in Italy. Being in the Navy, I haven't had much opportunity to go inland, but the countryside is very picturesque. We have things "well in hand" over here. And the situation on this side of the world should be cleared up soon, to our

The Air Corps has opened up numerous kinds of jobs for WACs. Many WACs have been efficient instructors.

Bank Deposits Reach Over \$2,000,000 Total

Bank deposits in Slaton reached an all time high last Wednesday when they went to a total of over \$2,000,000.00 at the Citizens State Bank, said Howard Swanner, active Vice President of the Bank.

More notes have been paid and bank loans to business and individuals are less than they have been in many years, reports Mr. Swanner.

Slow grading of cotton, together with the fact that cotton storage space is scarce has slowed down the sale of cotton, as has the fact that Ray C. Ayers and Son have filled most of their storage space for grain. Transportation of

these commodities and the lack of labor to gather the cotton is causing considerable difficulties, but no serious loss is looked for unless the weather turns unfavorable.

Most of the farmers and stock raisers are optimistic in this section and, while the final records for the cotton crop will not show as much in pounds, the better grade and higher price will make this year's cotton crop revenue almost as good as the past two years' records.

The feed crop has been much better than most farmers expected it to be and there is considerable feed yet to be gathered that was planted late.

Canning Center Is Open Again

Slaton Canning Center has opened again for the benefit of the women in Lubbock County to do their fall canning.

Any kind of fruit will be canned and a food chopper is there for general use.

The days are Tuesday, Wednesday and Friday afternoons. Tuesday of next week has been spoken for and anyone desiring to reserve Wednesday or Friday, please get in touch with Mrs. Carter Shaw.

GET POINTS TO SEND FOOD OVERSEAS

Persons who wish to send a package of rationed food overseas may get the necessary points by applying to OPA. Those who wish to have the dealer from whom the food is bought arrange for the shipment, may make the purchase without giving up ration stamps, since OPA will replace the point value of the foods the dealer exports. When extra ration points are issued, a copy of the Export Declaration or a Certificate for Mailing must be turned over to the OPA office which has granted the points.

CAN STILL SEND SOME GIFTS

Christmas packages for soldiers overseas which have been returned to the sender because of an improper address still may be mailed, according to the War Department. The original wrapper, bearing the indorsement, "Return to Sender, Insufficient Address," must be submitted with the correctly addressed package to prove that it originally was mailed before the October 15 deadline. Christmas packages may also be mailed to soldiers going overseas between now and Christmas. When the sender presents his package to the post office for mailing he must bring the Change of Address Form containing the APO address to which the package is being sent.

Mrs. E. J. Ward is at home after a two weeks visit in Lamesa, Ackery, Sweetwater and Ruby. Her two sisters, Mrs. Laura Dunham and Mrs. Jeff Halecom, returned with her.

EXECUTIVE BOARD OF RED CROSS MEETS

The Executive Board of Red Cross met in Chairman Briggs Robertson's office this week and voted to fill 112 kit bags and make 10 hospital robes.

Red Cross Room will be open Monday, Tuesday and Wednesday afternoons from 1 to 4.

The Rotary Club of Slaton will welcome on Nov. 18, Mr. M. W. Larmour, Governor of the 127th District of Rotary International, which includes 58 clubs in the northwest part of Texas. Mr. Larmour is owner of the National Theatre of Graham, Texas.

Governor Larmour has been active in the civic affairs of his city, serving as president of the Chamber of Commerce, a member of the city council, chairman of the executive committee of the Chamber of Commerce, and chairman of the budget, contracts and expenditures committee of the Possum Kingdom Fair Association. Active in Boy Scout work for the past 15 years, he has served as District Commissioner for the last three years, and only recently received the Silver Beaver Award of the Boy Scouts of America. He was nominated, without opposition, for the position of District Commissioner for the next year.

Taxi Service To Open Here

Utah Maples, formerly of Clovis, New Mexico, has made arrangements to start operating a three car taxi service for Slaton, as soon as the OPA issues him permission to do so, application for which has been made and the license is expected within the next two weeks.

Mr. Maples has three automobiles ready to go into operation and a building leased for his headquarters. Announcement as to the exact date of the opening of the new business will be published in the Slatonite as soon as arrangements for its operations have been completed.

A 45-minute concert will be presented at 8 o'clock Monday night by the Lubbock Army Air Field band under direction of Chief Warrant Officer George P. Attridge in Slaton High School auditorium. The program will be presented in connection with the opening Monday of a two-day visit of an Air-WAC recruiting team from LAAF.

Lt. Richard H. Chamberlain, regular vocalist with the band in weekly concerts from KFYO in Lubbock, will sing "Old Man River" and "Sylvia."

The band program follows:
"National Emblem" — Bagley
"Victor Herbert's Favorites"
"Oh, Lady Be Good" — Youmans
"In a Monastery Garden" — Ketchley
"Lady of Spain" — Evans
"The Three Trees," novelty — McNaughton
"Emperor Waltz" — Strauss
"Stars and Stripes Forever" — Sousa

National Emblem
The Air-WAC recruiting team will have headquarters in Slaton City Hall Tuesday and Wednesday and an Air-WAC booth will be set up there. Briggs Robertson, chamber of commerce manager; Mrs. J. J. Niehoff, president of women's clubs, and A. M. Jackson, Slaton Slatonite editor, are assisting in arrangements for the team's visit in Slaton.

The team will participate in the Monday night program, during which prizes for a WAC poster contest will be awarded. Lt. Gordon R. Close, assistant secretary of the twin-engine pilot school, and WAC Lt. Dede N. Cook of the WAC recruiting team, WAC Lt. Elizabeth L. Flanagan of LAAF, Chief Warrant Officer Lawrence W. Bobb and S/Sgt. Tench K. Webb, both of LAAF, will be in Slaton during the drive.

The team will extend efforts to interest women between 20 and 50 years old in enlisting in the Women's Army Corps for direct assignment to the Air Corps. More than 150 specific jobs are open to WACs with the Air Forces, including such interesting work as photography, radio operation, weather observation, drafting and public

relations work.
The Poster Contest, which was conducted by The Slaton Art Club, under the direction of Mrs. Claude Anderson, was most successful and posters that have been drawn by patriotic artists of Slaton will be on display at the High School tonight. The entertainment is free to the public.

Lubbock County Organizes A Poultry Conservation Committee

In accordance with the National and State Poultry Conservation Program sponsored by the Poultry Industry and headed in Texas by Prof. D. H. Reid of Texas A. & M. College, Lubbock County has organized a local Poultry Conservation committee, composed of leading poultrymen and representatives of agricultural services, reported A. C. Strickland, Agriculture teacher.

Recommendation from the State committee have been received by the local organization and plans are being made to begin a practical program to prevent excessive losses of poultry and eggs in this county.

The local committee for conservation suggests that in October emphasis be placed on culling and the control of internal and external parasites. Along with these suggestions are recommendations for providing winter grazing, checking and repairing equipment, and disinfecting.

Hens in high production should not be wormed, according to the committee recommendations, but pullets not yet in production and hens in full molt or in low production should be treated.

Strickland said that the committee recommended the use of sodium fluoride, sulphur, sulphur and rotenone, or nicotine sulfate for lice. Since lice reproduce faster in winter than summer, flocks should be examined carefully and treated if necessary.

To rid a poultry house of external poultry parasites, carbolenium or some other disinfectant containing anthracine oil is very effective. Diseases and low production can often times be traced directly to infestation by these parasites.

In the near future, Strickland said, a series of meetings will be conducted in which poultry problems will be discussed by practical poultrymen. All local citizens will

Fun And Food Are Promised At School Carnival

The Halloween Carnival is on tonight at the West Ward School buildings, beginning with the serving of chili, hamburgers, home made pies, etc., at 7 o'clock, in the canning center room, and the other attractions opening at 7:30.

Feature attractions are the Horror House, the Country Store, Fortune Telling, a Fish Pond, Bingo Room, Cake Walk and the crowning of the Queen.

Interest has run high in the contest for Carnival Queen and the competition has been keen.

Many fine home made cakes will be on display in the Cake Walk room and with each time played someone will get a cake.

The merchants and business men of Slaton have been very generous in giving merchandise for prizes in the Country Store, for Bingo and the fish pond. Many useful and valuable articles have been donated to the Parent-Teacher Association for this purpose.

The parents and children have also responded with many jars of home-canned foods for the Country Store.

The public is invited to attend the Carnival, which promises to be enjoyable and profitable for all.

Mail Delivery May Be Difficult

Postmaster K. L. Scudder received the following letter from the Postmaster General in which he urges the American people to co-operate with the Postal Department in delivery of Holiday mail:

"I ask your co-operation and through you, that of business concerns and the public in meeting a far greater postal problem that is far more serious than ever before. We have handled overseas parcels for our fighting men and now face the task of handling Christmas mail for people and soldiers at home.

"There is only one solution for this problem: CHRISTMAS GIFTS GENERALLY MUST BE MAILED IN NOVEMBER. The number of railway cars and airplanes available are far below that of former years. More than 30 thousand postal employees have gone into the armed forces and have been largely replaced with inexperienced personnel. It will be entirely impossible to handle the Christmas mail in the last three weeks before Christmas this year. It must be spread over a much longer period of time if it is to be delivered for Christmas.

Postmasters should use every means to bring to the attention of mailers this warning: THE WAR has dislocated the Christmas Mailing season. THIS YEAR, NOVEMBER IS THE TIME FOR MAILING GIFTS AND CARDS. Gifts should be marked, "DO NOT OPEN UNTIL CHRISTMAS." If mailings become a last minute deluge as in peacetime years, it will be physically impossible to deliver them by Christmas in view of the wartime handicaps.

Signed: Frank C. Walker, Postmaster General."

Frank Anders To Be Buried Sat. Christmas Cards Now On Display

Funeral services will be held by Father O'Brien at the St. Joseph's Catholic Church at 9:30 a. m. tomorrow, Saturday, for Frank Anders, local farmer who died at the Mercy Hospital at 8:00 a. m., Thursday.

Mr. Anders, who lived ten miles west of Slaton, had been a resident of this section for the past twenty years and was a well known and highly respected farmer. He was born in Austria, Sept. 23, 1873. He is survived by his wife and several children. Burial will be at Englewood Cemetery, under the direction of the Williams Funeral Home.

Mrs. Roswell S. Mayer, formerly Gerlie B. Waldrep, has returned to Slaton to be with her parents while her husband is in foreign service.

The stock of Christmas Cards that will be available this year is limited and may run short before the season ends. We have a limited supply on hand and have an order in for more. The samples are on display at the Slatonite office, where we print names of the members of the family on the cards. To be sure of getting cards in time for Christmas, we advise early selections.

We also have samples of monogram playing cards for gifts. These should be ordered now.

Mr. and Mrs. B. L. Pritchard and son, Blanchard, left Tuesday for their new home in Clovis, New Mexico.

Mrs. Marvin Truelock and children visited her parents in Plainview part of last week.

Mr. Bodie Cummins sold his place of business to Stotts Spence.

Mr. and Mrs. Herbert Dunn and son spent Sunday with Mr. and Mrs. Roy Lovelace.

Mrs. Lonnie Collinsworth, Mrs. Doll Haire, Mrs. Bell Wood and Mrs. Walter Kellum of Southland, accompanied by Mrs. Mary Edwards of Lubbock, formerly of Southland, all attended the Eastern Star in San Antonio this week.

Santa Fe CHIEF TOPICS

Selection of winners of the Santa Fe Railway educational awards offered each year to boys and girls for meritorious activity in 4-H Club work, will be concluded this week, State Club leaders announced today.

Colorado State Club Agent C. W. Ferguson is the first to announce winners from that State. They are:

Bert Shoaf, Wiley; Oletta Lock, Penrose; Alice Jean Walter, Pueblo; and Mary Jane Pierce, Englewood.

State Leaders L. L. Johnson, Texas, and W. W. Wilson, New Mexico, will complete their selection within a few days, along with 4-H leaders in other states served by the Santa Fe.

The Railway's educational assistance permits the winners opportunity to further their careers by attending the National 4-H Congress in Chicago, as guests of the Railway.

The Santa Fe System carloadings for week ending October 23, 1943, were 25,330 compared with 24,408 for same week in 1942. Cars received from connections totaled 14,000 compared with 13,455

for same week in 1942. Total cars moved were 39,330 compared with 37,863 for same week in 1942. Santa Fe handled total of 39,074 cars in preceding week.

TO PROVIDE MORE SOAP
An increase of about 9 per cent in the nation's soap supply, without using additional fats and oil, is expected under adjusted soap formulas recently prescribed by the War Food Administration.

The formulas call for a larger use of domestic non-fat materials, principally rosin, as a substitute for fats.

Harry Stokes, over at the Slaton Motor Co., would not even listen to my tale of woe, and Bill Deal said that he felt like the devil is after him with a pitchfork at all times. But just the same, I still feel that trying to get out a newspaper at a time like the present is worse than trying to FRY bacon, toast bread, listen to a news broadcast, wash the dishes and scratch one's ear all at the same time.

Bill Lovett, who has a flock of pictures of Jack salmon that he caught and ate all of, is back in town and said he stopped at Clovis, New Mexico and visited J. A. Klasner and L. R. Tibbs in the Santa Fe Hospital there. Uncle George Marriott also said he visited with the boys up there and both of them are getting along good. Mr. Klasner is up and convalescing, but will not return to Slaton for a few weeks.

Got a card last week from Uncle George Marriott, who was getting a check up in the Santa Fe Hospital in Clovis, N. M.

The card was illustrated with a dilapidated, hump-backed cow and was titled, "This is no Bull." I am glad to know that Uncle George is better informed about Animal Husbandry than he is about agriculture for it would be far more dangerous for him to mistake a bull for a cow than it was for him to have the idea that peanuts grow on top of the ground, instead of under the sod.

It seems that other folks are having their troubles and many of them equally as much of a pain in the proboscis as mine.

Last week when Rufus Rainey, the linotype machinist from Lubbock, had the heart, liver and lungs of the Slatonite linotype out on the floor he found a bearing stuck and needed help to get it unstuck, I made a canvass of the town trying to find someone with the proper tools and physical stamina to get the job done. Leo Hensler nearly ran over me with a tractor when I went over to his

Professor Kavanaugh, who directed the issuing of the new Ration Books last week, said that the planning and distribution of the books was done by Mr. and Mrs. R. M. Nash and by the Commercial Department pupils of the High School. "There were 5,668 new ration books issued last Friday and Saturday and no one spent over ten minutes getting served, said Professor Kavanaugh. "Mr. and Mrs. Nash and their assistants performed a patriotic duty well and deserve the appreciation

of the people of this community."

We have had a number of grass and weed fires in the last two weeks. There are few buildings in Slaton that are not surrounded by dry vegetation and even though none of these buildings could be replaced if a fire or fires should destroy them, there are little or no fire precautions being taken by property owners.

It is not the duty of the City government to cut weeds and grass on private property, but it is a patriotic duty of every citizen of our town to reduce the hazards from fire that now surround us.

We have been lucky so far, but

the danger is increasing daily and the major part of Slaton could go up in smoke mighty easily at this time of the year when the wind gets going ninety to nothing and the danger is especially grave on account of the long drought.

Seems to me the thirty-five miles per hour speed limit has been forgotten by everyone, including the State Highway Police. Cars out on the Highway are going about as fast now as they did before Pearl Harbor and the automobile accident reports are increasing in accordance with the increase in speed of the cars on the Highway. Driving a car

at 35 m. p. h. is most straining and it is much more difficult to pick off a pedestrian at this pace or to smack a truck in the face.

The Slatonite had quite a military atmosphere last Tuesday when Lt. Cook, of the WAC, parked a khaki colored car, with big stars on it in front of our office and came marching in with that mysterious looking contraption hung on her shoulder that looks like a cross between a suitcase and a hand bag, and which always seems to be about to fall off.

Such articles do not often excite my curiosity, but since the WAC has come into existence, I have often wondered what a WAC would carry around in such an outfit.

Is it filled with lipsticks, lace hankies, cigarettes, keys, stub pencils, kleenex, fifteen cents and a spare pair of stockings, or is it full of military secrets. The one the Lieutenant had with her almost fell open when she put it down on a desk and I nudged it a couple of times with a

pencil, but she put it on and off her shoulder so many times in the few minutes she was in the office that it never did have an opportunity to display its secrets and I'm still in a muddled state of mind. Perhaps I'll find out when the war ends.

There are just two seasons, as far as I am concerned, summer and winter. Beginning last Wednesday my winter began, for the windshield on the car had ice on it when I got up to go to work. From now until summer starts I will have to force myself to take a bath, have a perpetual case of goose bumps, be on a constant lookout for a snow storm and worry about anti-freeze in the radiator and the strength of my battery which is getting weak kneed and over age. My troubles are many.

Miss Gibson Becomes Bride Of Sgt. Floyd Of Slaton Saturday

The following account of the wedding of Sgt. Floyd was taken from last Sunday's Amarillo News-Globe:

The First Presbyterian Church was the scene last evening of the marriage of Miss Delores Marie Gibson and Sgt. James E. Floyd of Amarillo Army Air Field. Dr. J. Thomsen officiated with a double ring ceremony at 8 o'clock.

Mrs. J. Francis Brown, organist, played a pre-nuptial program which included "Liebestraum" by Liszt, "Ah, Sweet Mystery of Life" by Herbert, "At Dawning" by Cadman, and Wagner's "Bridal Chorus." As vows were read, she played, "I Love You Truly" by March was the recessional.

Two large sprays of white chrysanthemums formed the central decoration which was flanked by palms and rows of white tapers. The aisles were marked with four candelabra, two on either side, each holding five white tapers.

The maid of honor was Miss Dorothy Wren Simmons of Dimmitt, who wore a gold taffeta gown. Mrs. Lewis C. Elkins, serving as matron of honor, wore a gown of pink taffeta. Bridesmaids were Miss Norma Lee Badgley of Borger, who wore an orchid taffeta

formal dress; Miss Lola Mae Foster of Plainview, dressed in pastel green taffeta, and Miss Mary Elizabeth Camp, who wore blue taffeta. Each carried a colonial bouquet of white carnations and chrysanthemums, and wore a single strand of pearls.

Serving as best man was Sgt. George W. Hays. Groomsmen were Sgt. Thomas H. Farmer and Sgt. William A. Farmer. John Joe Gibson, brother of the bride, and Leroy Floyd, brother of the bridegroom, were ushers.

The bride, given in marriage by her father, wore a formal white satin wedding gown with short train. It was fashioned with a fitted bodice of lace, sweetheart neckline, and it had long, pointed sleeves. Her fingertip veil of bridal illusion was attached to a beaded coronet, and she carried a bouquet of white American Beauty roses and sweet peas. Her only jewelry was a single strand of pearls.

The bride's mother wore an aqua blue dress with black accessories, and the bridegroom's mother wore a royal blue dress with black accessories. Both had shoulder bouquets of American Beauty roses.

Approximately 75 guests attended the reception in the church parlor. Miss Camp served a three-tiered wedding cake and Miss Simmons presided at the punch bowl. Mrs. Elkin presided at the bride's book.

The couple left on a short trip to Carlsbad Caverns and other places of interest in New Mexico. For traveling, Mrs. Floyd wore a brown wool suit with matching accessories, and corsage of orchids.

Mrs. Floyd is a graduate of the Dimmitt High School and attended Amarillo Business College. She is employed with Station KFDA. Sergeant Floyd graduated from Slaton High School and has been in the Army Air Corps since the early part of 1942. He is now stationed with the personnel department at the Amarillo Army Air Field.

The couple lives at 222 West Eleventh Avenue.

Mrs. Tunnell Is Slaton Art Club Hostess

Members of the Slaton Art Club met Tuesday at 1 o'clock for a buffet luncheon in the home of Mrs. Harvey Tunnell.

After the regular business meeting each member sketched a flower arrangement of dahlias and roses. Mrs. Aubrey Evans of Amarillo talked on Clay Modelling.

Seven oil paintings were submitted for criticism. A closing thought given by the hostess, was "Today is the loom on which we weave the variegated threads of yesterday into a glorious tomorrow."

Next meeting will be with Mrs. J. R. McAtee the last Tuesday in November.

Meyer -- Nelson Vows Exchanged

Friday evening, October 22, at 8:00 o'clock, Miss Ruth Meyer and Mr. Gene Nelson were married in the Lutheran Church of Posey, Texas, by the pastor, Rev. F. T. Sager. Both young people are of Slaton.

The bridesmaid was Miss Mary Lou Carpenter of Robertson and the best man was the brother of the bride, Mr. Ernest Meyer.

The bride wore a soldier blue suit with black accessories. The couple is at home in Slaton.

Guests at the wedding were: Mr. Will Meyer, Ernest Meyer, Mrs. Paul Boyle and grandmother, Mrs. Mattie Hinson and son, Monroe, of Anton, Mr. and Mrs. T. R. Gartman and family of Anton, Mr. and Mrs. C. F. Meyer of Lehman, Mr. Otto Meyer of Lubbock, and grandfather, Mr. W. M. Meyer, Mr. and Mrs. Edwin Meyer and family, Mr. and Mrs. P. D. Tally and daughter, Mr. and Mrs. Robert Stolle, Rev. and Mrs. F. T. Sager and family, all of Posey; Mr. and Mrs. L. E. Hinson and son, Mr. and Mrs. A. A. Gartman and family, Mrs. D. D. Boyle and son, all of Slaton, and Miss Mary Lou Carpenter of Robertson.

After the ceremony the wedding party and guests were entertained in the home of the bride's parents with a buffet supper.

satisfaction. "Reading matter is pretty scarce over here, and I do miss the weekly issue that I got while in New York at Midshipman's School. Our only thoughts are of what is happening on the Home Front. If we could be assured that everything back in the States will be just like we left it when we come home, we know that there is really something to fight and sacrifice for. All we ask is their continued confidence in us by putting every idle dollar into War Bonds. We think it is a pretty good investment.

"Best of wishes to you and Mrs. J. for the Christmas and New Year. Sincerely, Milton Kessel."

The many friends in Slaton of G. C. Jeffers, son of the general manager of the Santa Fe Western Lines, Amarillo, will be glad to learn that he is advancing

as an aviation cadet in the Army Air Corps.

Young Jeffers was popular in Slaton as a youngster when his father was superintendent of the Slaton division in 1935-1936. He was a visitor here with his father prior to enlistment.

"Jimmy" enlisted following graduation from New Trier High School, where he earned scholastic honors as well as being one of the outstanding stars of the football team of that school which won the

Chicago suburban championship last year.

He entered service with the Cadet Corps at Lubbock and was sent to Florida for basic training. Following this initial training "Jimmy" was sent to the school of instruction at Center College, Ky., where he is now studying advanced courses.

Mr. and Mrs. Jeffers received word this week that he is enjoying the course.

Movie Reporter.

Music lessons were very much the order of the day on the Warner Bros. set of "The Constant Nymph," at the Palace Theatre Tuesday, Wednesday and Thursday.

Charles Boyer who plays the violin in real life, had to learn to play the piano. Joyce Reynolds, who plays the piano quite well, had to learn violin technique. And

Jean Muir who plays no instrument, learned to bow a cello.

It was a hotly debated question as to who had the hardest job, until the teachers settled the argument. They said they had.

Screen actress Diana Barrymore was recently compelled to take a couple of days off to treat a bunch of bruises and sore tendons suffered in a film scene.

As a poker dealer in an early Abilene, Kansas saloon, Miss Barrymore was caught in the cross-fire of a gun-battle and Lon Chaney shoved her out of range.

Chaney, six-foot-three and weighing 220 pounds, didn't realize his own strength when he pushed Miss Barrymore. She reeled fifteen feet crashed up against the wall and was knocked to the floor. Though not in the script, cameras caught the unexpected action and it remains in the picture, Universal's "Frontier Badmen," at the Palace Theatre preview Saturday night Sunday and Monday.

Appearing with Miss Barrymore and Chaney in the new film are Robert Paige, Anne Gwynne, Noah Beery Jr., Leo Carrillo, Andy Devine and others. Ford Beebe and William McGann directed.

Hollywood and its environs can produce locales to match any region in the world from the Sahara to the Arctic. The latest feat of a busy location director was to find a rugged country matching the Bohemian region about Lidice, ill-fated town razed to the ground by the Nazis after its male population had been murdered, its girls and women removed to concentration camps and its children to Nazi institutions.

This grim episode is shown in startling detail in "Hitler's Madman," Friday and Saturday at the Palace Theatre. The atrocities perpetrated on the conquered region, culminating in the assassination of Reinhard Heydrich, "the Hangman," by a group of Czech patriots and the mass murder and destruction that followed are enacted from painstaking research. The men are herded into a churchyard and moved down by machine-gun. The bestial "examination" of young girls and other atrocities are shown with brutal frankness.

*The NEW
Winning of the West*

The first unit of the Santa Fe System Lines back in 1868

JUST 75 years ago this week, October 30, 1868, rail was laid on the first unit of the Santa Fe System Lines—a 17-mile stretch in Kansas from Topeka to Carbondale.

Today, Santa Fe System Lines are over 13,000 miles long, serving people and products from Illinois to California, and from Colorado to the Gulf of Mexico.

Looking Ahead

Farsighted men, even years back, began looking ahead to the Southwest and West not only as a land of enchantment and natural resources but as the coming theater of industrial expansion in this country.

The war has brought home the soundness of this vision—big things are happening today in the states of Santa Fe land.

States served by the Santa Fe

Thousands are flocking to Texas—great state of farm, factory and free enterprise—to man its booming plants, cultivate its soil, and ride its far-reaching ranges.

Kansas is becoming famous for its plane factories and munition plants, as well as its golden wheat fields.

Arizona is winning new fame in the fields of agriculture, live-stock, mining, and as an aviation center.

Oklahoma's oil is writing bright new pages in the science of war, and advances for the peace to come.

Freight cars are rolling out of New Mexico

loaded with essential copper, potash and zinc, as well as steers and sheep.

Illinois, Missouri and Iowa are saying it around the world with factory and food products.

The lead and silver and coal from Colorado's mineral-filled mountains are doing great things toward winning a war.

And in California, steel mills, shipyards, power dams, plane plants and lumber mills are working around the clock to supply more, more, and more of the sinews of war.

Santa Fe all the way for U. S. A.!

We of the Santa Fe are too busy "keeping 'em rolling" for Victory to take time off to celebrate the 75th anniversary of the laying of our first rail.

This is, however, an appropriate time to point out how important to the development of this New West has been the linking together of its States by Santa Fe rails. We are naturally proud to be part of this great development.

THIS WEEK'S LESSON

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 31. The Golden Text is: "Let Israel hope in the Lord: for with the Lord there is mercy, and with him is plenteous redemption" (Psalms 130:7). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I, even I, am he that bloteth out thy transgressions for mine own sake, and will not remember thy sins" (Isaiah 43:25). The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The destruction of sin is the divine method of pardon . . ."
