SLATON CLEAN-UP WEEK MAY 26 - 31

Margaret Taylor Passes Away

Funeral services were conducted for Miss Margaret Taylor, 29, daughter of Mrs. B. L. Taylor of 2114 Twenty-third, Tuesday, 4 p. m. in Asbury Methodist church, with Dr. C. A. Bickley, pastor, and Rev. W. E. Peterson of Plainview, former pastor of the church, officiating.

Burial was in Lubbock Cemetery. Miss Taylor died at 9:15 o'clock Sunday night in West Texas hospital.

Miss Taylor, who was called "Margie" by her friends, was born in Fort Smith, Ark., but had lived most of her life in Texas. She moved to Lubbock in 1931. She was a graduate of Lubbock High school and was employed several years by the Singer Sewing Machine company.

She became a member of the First Methodist church in Slaton when she was six. She was an active church member.

She had been in ill health since July of 1942, when she was in an accident. She maintained a cheerful attitude despite illness and blindness the last four years. She had been receiving treatment for kidney and heart ailments.

Survivors are her mother; one sister, Mrs. Bob Nicks of Lubbock; two brothers, Renford Taylor of San Antonio; and Larry Taylor of Weatherford; and a grandmother, Mrs. L. B. Thornton of Slaton. Her father G. K. Taylor died in January, 1945.

Pallbearers were H. E. Singley, L. D. Marshall, Stuart Bailey, Clayborn Hamrick, Earl Burnett, and Vance Sanders.

Flower girls were Lu Ann Williams, Renee Sanders, Mary Catherine Fincher, Jimmie James, Essie and Tess Jeffcoat, Dorothy Doose, Alene Williams, Opal Nixon, Floyce Mann, Natalie Reynolds and Lynette Kight.

April Building Permits \$18,850

City Secretary J. J. Maxey reports that permits were issued for April for five houses to be moved into Slaton and for four new homes to be built, the estimated cost of which was \$18,850.00, however Mr. Maxey said that these estimates are usually considerably under the actual costs of the buildings.

Extensive Recreational Program To Be Inaugurated June 2nd

Recreational program promised to be the most extensive provided the children and Slaton Club House Park will be supervised by Mrs. Tillery and Mrs. Tillery will be in charge of supervising the program which includes Horseshoe, Volley Ball, Soccer, Soft Ball, and many other sports, including swimming. All of the program will be at the Park except the swimming which will be at the swimming pool in the South part of town.

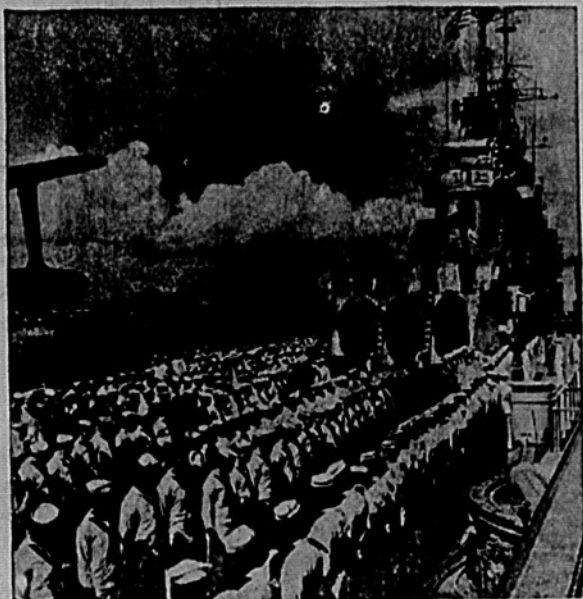

There will be games and activities for children and youths of all ages. Mrs. Tillery will direct the girls and Coach Tillery the boys.

All parents and their children who are interested in the program should be at the Legion Hall at 1:30 or 2:00 p. m. on June 2nd, at which time the full program for the summer will be explained.

It is hoped that the children as well as the youths of this area will take advantage of the many activities that will be available as it offers healthful entertainment for all ages and is designed to help keep the young folks more contented during their summer vacation.

CLEAN SHOWING AT SAN JUAN

The last hurdle before Puerto Rico liberty, Captain's Inspection, on the USS Macon, one of the several ships assigned to the expanding training program for veterans and non-veterans of the Naval Reserve. The Macon's complements of Reservists on the two-week cruises are made up of civilians from all walks of life—business men, students, carpenters, welders. After the inspection these Reservists spread from the old Spanish fortress of El Morro to the University of Puerto Rico on the tiny island of San Juan. (Official Navy Photograph)

Slaton Students Are Honored

Some 276 students of Texas Technological College were honored in special recognition services at the college May 13. The event was scheduled to coincide with Parents' Day. Students ranking scholastically in the upper five per cent of the student body last semester were honored, as well as those holding certain scholarships and awards, and a number who were cited for outstanding service to the student body and the college.

Among the group to be honored were the following from Slaton:

Dorothy Del Golden, whose parents, Mr. and Mrs. C. S. Oats, live on Route 2;

Dora Elizabeth Shaw, daughter of Mr. and Mrs. Carter P. Shaw, 735 West Scurry;

Charlene Tabor, whose mother, Mrs. Erma Johnson, lives at 250 W. Lynn.

Adding Machine Paper at the Slatonite.

Soft Ball Games Getting Better

The Softball games at the Slaton Softball park are getting better according to spectators who have been regular customers since the season started. The games scheduled for last Thursday and Friday were rained out. The scores for the games played last Monday and Tuesday were as follows:

MONDAY, MAY 12

Sears 8—Pleasant Valley 9

Robertson 12—Wilson 11

TUESDAY, MAY 13

Lub. Barbers 18—State Guard 6

Southland 16—Wilson 2

JOINT RECITAL TO BE PRESENTED AT CHURCH

Two Senior High School graduates, Mary Herral and Helen Ruth Ferguson will be presented by their teachers in Public Recital next Monday, May 19, at the First Methodist Church at 8 o'clock.

Helen Ruth, daughter of Rev. and Mrs. W. F. Ferguson, and pupil of Mrs. Lillian Butler, will give her Senior Voice Recital.

Mary Herral, daughter of Mr. and Mrs. L. A. Herral, and pupil of Miss Evelyn Pickle, will be presented in Senior Piano Recital. The public is invited.

Garza County has 1,411 school children on which the state and county apportionment of \$55 per capita for the 1947-48 school year will be based, County School Superintendent Dean Robinson announced this week.

A charter has been granted by the Texas State Banking Commission for the establishment of a new bank in Hereford, to be known as the Hereford State Bank.

Traffic violations in Post and surrounding area have dropped off noticeably since state highway patrolmen and county law enforcement officers started a campaign of vigilance, ticket giving and routine checking about 10 days ago.

—Post Dispatch

Airplanes from all sections of West Texas will begin arriving at the Tahoka Airport this morning and the District II Flying Farmers of Texas will begin their two-day field day program at 10:00.

An estimated crowd of over 2000 people are expected to be here on the two days of the Field Day and also on Sunday afternoon to attend the last performance of the Rodeo sponsored by the Tahoka Roping Club.

In an effort to avert the shortage of grain cars which last year caused the dumping of wheat on the ground in many West Texas towns, the Santa Fe has already started storing cars for the June harvest, Charles Taylor, local agent reported Monday.

Keen interest was shown Wednesday evening, at an organizational meeting held in the county court room for the establishment of a Farm Labor Reception Center in Snyder.

Mr. Patterson, state farm labor representatives for migratory laborers of Texas A. & M. College, presented the plan for establishment of such a center in Snyder.

—Scurry County Times

Everything is in readiness for the Boys Club Membership Drive which gets underway Monday, May 12. The main purpose of the drive, of course, is to increase the present membership to some two hundred, or more, paid adult members.

Since the supervised recreation program for Cottle County Boys will begin around June 1, and since plans for activities are on a greater and broader scale, naturally it will take considerably more money to finance the Boys' Club program, this summer, than it did last year. Thus, the drive opening Monday, will be hitting at a goal of at least 200 paid members.

Get Ready For Buddy Poppy Day

Saturday, May 24, has been set aside as National and Slaton Poppy Day according to Commander of the VFW Post here in Slaton, Cecil Scott, who reports that the Slaton Post is preparing for one of the biggest Poppy Drives ever staged in this area. The Sub Deb Club girls will put the "bee" on the folks over town next Saturday week and Commander Scott says that he believes it is going to take a mighty tough heart to turn down the young ladies.

All money received from the national Poppy Day goes to a worthy cause as the disabled veterans and their families receive benefits from this activity. The poppies are fashioned by the men in the Veterans hospitals and it is considered by many as the most beneficial activity that the nations supports today.

Slaton Boy Feared Missing In Texas City Catastrophe

Mrs. G. W. Bussell of Slaton, Route 2, is greatly distressed because she has not heard from her son Edward Bussell since February 2, 1947, at which time he was a member of the United States Merchant Marines. In the letter he stated that he intended to apply for work in Texas City when the boat on which he was a sailor, landed at that port.

Edward who has served in the Merchant Marines for the past two years was a graduate of the Wilson High School and was well known in that community.

Mrs. Bussell has endeavored to get in touch with her son through the Red Cross and investigations by that organization showed that young Bussell had made application for work at Texas City before the explosion occurred that wrecked a great part of that City and killed so many people who were there. The Red Cross investigation also revealed the fact that the boat on which Edward was serving has been sold to another shipping company and the name of the boat changed so that it is proving very difficult to locate young Bussell and leaves some doubt that he is still alive.

Mrs. Bussell would like to have any one who is in position to help her get information about her son, to write her and give her any help possible as she is gravely worried and has tried every method she knows of to find him.

BIRTHS

Mr. and Mrs. Jim Kubacak, of Route 1, are the parents of a daughter born Sunday, May 11, 1947.

A daughter was born Thursday, May 8, to Mr. and Mrs. Clark Self. She weighed 6 lbs. 10 1/2 oz.

Debris Being Cleared In Preparation For New Building

Emmett Kidd started this week on the demolition of the West Side of the square just South of the Post Office and expects to have the site cleared for the construction of a new building which if plans go through will be one of the best in Slaton.

Ed Haddock and John Berkley owners of the property report that while they have not completed all of the details for the occupancy of the new building that they do

State Road Maps Now Available

A new edition of the official State Highway Map is just off the press to aid Texas travelers in finding their way over the state's rapidly expanding road system.

Color photographs of things to see and do in the Lone Star State are featured on the map to help lure tourists from other States and inspire Texans to "See Texas First."

State Highway Engineer D. C. Greer announced free copies of the new map are available to the traveling public upon request. They will be distributed through the Highway Department's main office at Austin, the twenty-five district offices, and at the Department's information bureaus located at points of entry into Texas.

Progress on the postwar building program is graphically indicated on the new map which carries more than 1,100 miles of new paved road which were not shown on the former edition.

At a called meeting between The Directors of the Slaton Chamber of Commerce and the Commissioners of the City of Slaton next May 26 has been designated as the beginning of Clean-Up week for this Community and every citizen will be urged to co-operate in every way possible to make the week a success. Although plans have not been completed the same general idea as followed last spring will be carried out.

The City sanitary department will use all of its facilities to pick up trash but both the City offices and the Directors of the Chamber of Commerce are appealing to any one who has a truck, to lend trucks and drivers to assist with the work as was done last year in the very successful drive that was conducted in 1946.

The fact that there was not a single case of polio reported in Slaton during the epidemic last year was credited in part to the fact that the town was so well cleaned up at the beginning of the season and it is hoped that even better cooperation can be gotten this year.

It is planned to get County and City trucks to spray all the alleys and places where mosquitoes and flies multiply with DDT and other disinfectants, and to get the refuse from back of the business buildings and homes. Further details will be given in next weeks Slatonite.

BROWN COUNTY REUNION TO BE HELD SUNDAY

Former citizens of Brown County will hold a reunion Sunday at McKenzie Park Lubbock.

Those attending are asked to bring a basket lunch at 1 o'clock to the north side of the park. Anyone who has lived in Brown County is invited to meet with this group.

JUST TALK

by
A.M.J.

wants to mke a special effort and those folks who have hearing aids have a special advantage over everyone for they can cut in and out to suit themselves.

It certainly does not pay to get fatter or thinner these days for if one cannot wear last summers clothes it is almost as big a catastrophe as having ones house burn up.

Met Doctor McSween on the street the other day and he had his collar unbuttoned, his tie was sitting Galley West and he looked rather bug eyed and I asked if he was not picking up weight.

"No," said the Doctor, "it's these war model shirts they are shrinking and I believe the laundries are putting stuff in the water that makes shirts draw up too."

As my collar button had snapped off after too much pressure and my tie was sitting Galley East I told him that I had come to about the same conclusions and we both gave the shirt manufacturers and the laundries a good working over and when I got home I weighed myself on the bath room scales and now I believe our bath room scales have broken down for they showed that I have gained five pounds. But I'm going to wear my shirts if I choke to death.

Bill Sewell tells a tale about a man who went to a doctor and complained that he felt light in the head and that his eyes felt like they were bugged out. The doctor examined him, charged a high fee and told him that he was in a very serious condition. Going from the doctors office into O. Z. Ball's men store for a shirt he

told O. Z. that he wanted a No. 14 shirt and O. Z. told him that a 14 shirt would be too small for him. "I want a No. 14," said the man. "I have always worn a 14 and I want a No. 14."

"O.K.," said O. Z. "but it will make you feel light in the head and your eyes will bug out."

Bill did not say what Doctor examined the man or what the final outcome was about the shirt.

It is hard for me to realize that property and building is as high as it is today. When I hear of houses selling for four and five times what they were priced in 1940 when I first came to Slaton I feel like kicking myself for not buying more property here. A couple of years ago I thought that surely property was about as high as it could go and all of the Real Estate dealers with whom I talked seemed to feel the same way but all of us must have been wrong for it is higher now than it has ever been.

It seems to me that I have always bought things when they were at their highest and sold when the bottom had been reached, and I believe it is just such experiences that makes folks pessimistic, in other words it makes

some men wear suspenders and belt at the same time and even then they usually get the seat of their pants torn out by some mean bull dog.

There are very few folks who can live in a town over a long, long period of time without getting more and more folks sore at them and fewer and fewer friends but there is one couple in Slaton of whom I have never heard anything but praise and they are Mr. and Mrs. W. J. Walker.

While I have not personally come in close contact with them they have been very courteous and one instinctively feels that both Mr. and Mrs. Walker are people of the highest type intelligence

and of sterling quality. It is always a pleasure to me to find people who stand so well in a community.

It is my misfortune, or perhaps it is just my disposition that gets me into hot water most of the time. My wife says that there is nothing that I like better than an argument and she is proud of the fact that I do not get angry but the trouble with my system is that I usually get the other person sore and that's what counts.

It is said that no one ever wins an argument, and the longer one

of the Lutheran Church stated that the attendance there was somewhat lower than average.

W. T. Gentry left last Tuesday to visit relatives at Houston, Ellis County and Dallas.

A. L. Havis is adding a new room to his home. C. E. Birdwell has been helping with part of the labor.

The Volunteer Band of Wayland College will be here Saturday night, May 17th and also Sunday

morning and afternoon of May 18th. There will be nine young people who will have part in the services. Also, a basket dinner is planned.

The closing exercises of school will be held Thursday night, May 15th, but the school will continue until Friday, May 23rd.

Mr. and Mrs. C. E. Birdwell visited Mr. and Mrs. J. C. Gentry Sunday evening.

The fine rain of this past week-

end provided ample moisture for planting. It is not now believed that much replanting will be necessary.

Charles and G. Gentry, Belcher, Alton Perry, Pete Miller and Jim Sain and Earl Johnson are players who live here who are members of a team which is in the Slaton League. The team last year was the Wild Cats.

Nadine and Frances Hart are members of the Rainbow Girls at Slaton. Mrs. O. R. Patterson is on the advisory board.

The high winds of last Tuesday night damaged the roofs of several houses and broke the branches of

shade trees. Fred Stolle reports that the catches of fish since the rain have been mostly small catfish.

D. L. Connor who has a blacksmith shop says that since the rain, sand fighting machines have been in demand. He sold his last one Monday to a farmer who lives south of Slaton. More of these sand fighters would be built if the material could be obtained.

A quarter horse colt which is owned by J. R. Boyd became foundered. He had plans to use the colt on race tracks but it is believed that the colt cannot now be used for this purpose.

The government insurance claims which have been overdue for about two months will be paid soon. There are several farmers whose claims have not been paid. Only a few farmers will take the insurance this year.

Oscar Lee Johnson obtained the rank of T-4 sergeant while he was serving in the Army. His time was spent in the cooking and baking

departments. Frances Hart and Ella Belle Johnson who are members of a Speech Class had parts in a play which was given at the meeting of a Slaton Service Club last Tuesday night.

**A. B. C. Rodeo To
 Be June 11-12**

A colorful parade of the Old West featuring \$100 in cash prizes for the best old time rigs will open the 1947 ABC Rodeo in Lubbock, June 11-14. The parade will be at 2:30 p. m. and will be led by the Amarillo Range Riders.
 Gene Autry, stage, screen and radio star, will be presented as the top attraction of the World's Championship Rodeo from the Lightening C Ranch in Dublin, Texas. This is the same rodeo that is presented annually in Madison Square Garden in New York.
 With the possible exception of merchants floats, there will be no motor driven vehicles in the parade. Lambert Eaton, chairman of the rodeo parade committee, urged

all people owning covered wagons, buckboards, stagecoaches or any other type of old time vehicles to enter the old timers contest. Contact him by writing in care of the ABC Rodeo Committee, 1007 Main, Lubbock, or by telephone at Lubbock 4651. He also issued a special invitation to people owning horses and to roping clubs to join the parade.

Box and reserved seats tickets for the World's Championship Rodeo starring Gene Autry, which will be held at Tech Stadium, go on sale May 15 in the old Wylie Drug Building. The rodeo is being

presented by the Lubbock American Business Club for the benefit of the capital fund of the Lubbock Boys Club.

Mail orders for tickets should be sent to the ABC Rodeo, 1007 Main, Lubbock, Texas. Box seats are \$3.60 each, tax included. Reserved seats are \$2.40, tax included. Checks or money orders will be accepted.

From where I sit ... by Joe Marsh

**Industry Looks at
 Our Town**

Maybe you read how a group of industrial experts have decided that the small town is the place for industry—not big cities. Reasons they give are better housing, pleasanter living, and more opportunity for wholesome recreation.

Well, looking around our town I'd say that was about right. Most of us own our homes, and keep them looking nice; we enjoy each other's company; and our recreations are mostly simple outdoor sports, and in the evening a mellow glass of beer with pleasant company.

As Doc Walters says, that sort of life just naturally sets you up for work the next day... whether it's in office, mill, or field. And Doc should know. He works fourteen hours, but never misses his morning "constitutional" or his evening glass of beer with friends.

From where I sit, any industry could profit from being in a town where wholesome living, temperance, and friendship are the rule.

 MRS. FLOY KING**

The Baccalaureate sermon was delivered Sunday night by Rev. Luther Kirk of Slaton, in the High school auditorium. Rev. Tom Rutledge gave the opening prayer. There is a class of eleven Seniors, four girls and seven boys.

Charlie Dabbs was operated last Friday in West Texas Hospital, Lubbock, for appendicitis.

One day last week Mary Lee Pankaney was operated for appendicitis in a Lubbock hospital.

Mr. and Mrs. W. W. Ogle and son Ronnie spent the week-end with his parents in Dickens.

Mr. Bill Martin of Lubbock spent Mother's day with his parents Mr. and Mrs. Edd Martin. Mr. and Mrs. Bobbie Leake and baby visited his parents the John Leakes, Sunday.

On the account of the rain and bad weather the Mother's Day program was postponed until next Sunday, at the Methodist Church.

Rev. and Mrs. Tom Rutledge had supper with Mr. and Mrs. J. C. Harris, Sunday.

Congratulations to Mr. and Mrs. Banton Martin on the birth of a daughter in Mercy Hospital, May 6. They came home Sunday, both mother and daughter are doing fine.

Mrs. R. L. Halliburton and little daughter and Mrs. Jack Hargrove were welcome visitors at the school lunch room last Thursday. They are always proud for parents to come and see the system and schedule in the way the lunch room is run and they still serve ten cent lunches for the school children. Mrs. Walters is manager, with Mrs. O. J. Harmonson and Floy King as helpers.

Mark Tankersley who is employed in Clovis N. M., spent last week here with his parents and family.

Mr. and Mrs. Henry King and family spent several days last week visiting Mr. and Mrs. Leon King of Levelland.

The rainy weather has broken up several ball games scheduled for the past week, also the P-T-A meeting last Tuesday night was interrupted by the rain. But no one minds as this is just what everyone wants and needs and can now look forward to raising a crop as some have failed for three years.

Visiting the G. C. Andersons Friday night was their son Burton, wife and daughter and Miss Bertie Anderson of Lubbock. Miss Anderson stayed over until Sunday afternoon. Also visiting the Andersons Sunday was their daughter Mr. and Mrs. Howell Howard and family of Lubbock.

Mr. and Mrs. J. L. Whited visited their son Herman, and family of Odessa, part of last week.

Mr. and Mrs. Robert Pennell visited in Post Sunday.

Mr. and Mrs. Marvin Truelock and children visited her parents Mr. and Mrs. W. M. Fletcher in Plainview, last Sunday.

Mr. and Mrs. D. D. Pennell visited her parents, Mr. and Mrs. J. P. Howard of Post on Monday.

 Bank on Cotton**

This is true literally and figuratively, for over a period of years cotton has provided greater cash returns per acre than any other crop the Southern farmer grows. He knows cotton is more dependable even under adverse weather conditions. The present world wide demand and good prices guaranteed by the government mean that he can bank on cotton in 1947.

THIS WEEK'S LESSON

"Soul and Body" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 25.

The Golden Text is: "Why art thou cast down, O my soul? and why art thou disquieted within me? hope thou in God: for I shall yet praise him, who is the health of my countenance, and my God" (Psalms 42:11).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" (I Corinthians 3:16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Because of human ignorances of the divine Principle, Love, the Father of all is represented as a corporeal creator; hence men recognize themselves as merely physical, and are ignorant of man as God's image or reflection and of man's eternal incorporeal existence" (page 13).

CONTROL

Any good pitcher will tell you that it isn't hard to make a baseball "do things." Curves and drops and knuckle balls can be mastered by almost anyone who wants to learn to pitch.

But CONTROL! There is the genius of great pitching. To be able to throw a ball exactly where you want it to go—that is an art.

Control is the all-important factor in living, too. "Self-control" we usually call it. Its mastery crowns life with nobility. By it men become strong, courageous, morally fit. Wherever it is exercised, life becomes richer in the qualities that make for lasting happiness.

The Church begins in childhood to teach us "self-control." It implants in the minds of youth both a Way of Life and the will to noble living. Then through our adult years, by revealing the truths of God and the Bible, the Church provides men with the spiritual foundation for an enriched life.

With your whole family, attend church regularly and support the Church.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

AMERICAN LEGION AUXILIARY NOTES

American Legion Auxiliary Unit No. 438 will hold their Memorial Poppy Sale on Saturday, May 24th as was planned in February.

Wear a Poppy in honor of the boys who did not return. Poppies are made by the disabled veterans who are still in the hospitals.

The next club meeting will be held May 21, at the home of Mrs. A. R. Keys, 220 South 5th St.

The officers of the American Legion Auxiliary Unit No. 438 did not get to present the invitation to the Slaton clubs and organizations, to send an outstanding High School junior to the one week session of Bluebonnet Girls State—a laboratory in practical government to be held at the The Texas School for the Blind, Austin June 1 to 7. It is hoped they can do so next year.

Miss Billie Murray is Educational Director of Bluebonnet Girls State. Miss Patti Hall, Lubbock, a former Girl State (1941) now a law student of Texas University will serve as her assistant. Mrs. M. K. Thompson, who is Recreational Director in the public schools of Dallas will serve in that capacity in Girls State.

CHICK CHATS
by Robert Huser of Huser's Hatchery
CECAL COCCIDIOSIS THREAT IN SPRING

An extremely prevalent disease of chickens at this time of year is cecal coccidiosis an acute infection caused by microscopic, one-cell organisms called coccidia. This disease attacks chicks and growing birds on what is practically a nation-wide scale. Occurrence of cecal coccidiosis is most frequent in the spring and early summer.

This acute form of coccidiosis appears in the flock suddenly. Affected birds may lose appetite, appear listless, huddle where it is warm, and show other general symptoms of cecal coccidiosis is bloody droppings; these come from hemorrhaging of the ceca (blind intestinal sacs), where the infection localizes.

Cecal coccidiosis may spread swiftly through the flock. In the event of an outbreak, the flockowner should act immediately to check the spread. This may be accomplished by giving the flock certain arsenic compounds (such as 3-nitro 4-hydroxy phenylarsonic acid) or certain sulfas. Both of these families of drugs have proven effective in controlling cecal coccidiosis.

Sanitation Important

Sanitary measures are highly important in controlling outbreaks of cecal coccidiosis as well as in preventing them. In either case, the poultry house or yard should be kept as clean and dry as possible. Although the importance of moisture in the development of the disease is disputed by some poultry disease specialists, dampness does seem to be a predisposing factor in many outbreaks.

Water founts and feed hoppers should be kept clean and sanitary. During an outbreak, disinfect them at least once daily. Stir up the litter of the house. Stimulate consumption of feed.

Although cecal coccidiosis is certainly one of the leading deadly diseases of young chickens, it can be rather effectively controlled through careful sanitation and management.

HAVE YOUR MATTRESSES MADE NEW WHILE DOING SPRING HOUSE CLEANING

"We Sell Sleep" is a descriptive slogan indicating the excellent quality of mattresses renovated or made to order by the Direct Mattress Company of 1715 Avenue H, Lubbock. They will make your old mattress into a new felted or inner-spring mattress, and you may select from their variety of patterns of ticking.

The Direct Mattress Company will also make inner-spring mattresses of any size to fit any size bed, as well as the standard size. They will be glad to give you estimates on the job that you have in mind. It is a good plan to get your mattresses brought up-to-date while you are doing your spring house cleaning.

Howdy Folks; The average man's arms are 28 inches long. The average woman's waist is 28 inches. Ain't nature grand?
When a man puts his arms about a lady's waist, would you say it was a round about way of expressing affection?
Or would you say it was energy gone to waist?
Perhaps the place where the man frequently puts his arm around the lady's waist is on the dance floor.
But the way some men dance the least they can do is hold the lady up.
We read that a modern wife is one who tries to love, honor and display.

Well, it's all right to kid the ladies a little, but we're not kidding when we say that you can't do better than buy our Mobilgas and Mobiloil.

FARMERS TO REPORT INSECT POPULATION

College Station. - An army of "insect reporters" is being recruited by the Texas A. and M. College Extension Service to fight cotton pests this year.

In every cotton growing county in the state, county Extension agents are lining up volunteer reporters who will make weekly reports on infestations of boll weevils, boll worms, flea hoppers, plant lice and leaf worms - Texas five biggest insect pests.

The weekly surveys, which will include information on location and extent of infestations, will be turned in to the county agricultural agents who will tabulate results and make recommendations for insect control when and where it is needed. Each county agricultural agent will submit his weekly survey to the Extension entomologists at Texas A. and M., where the Extension Service's state report will be compiled.

The Bureau of Entomology and Plant Quarantine office at Waco, and the Texas A. and M. College Agricultural Experiment Station also prepare weekly insect reports. These two reports, along with that of the Extension Service, are combined by the Experiment Station to

LET THE O. K. MATTRESS AND AWNING COMPANY SOLVE YOUR PROBLEMS

The O. K. Mattress and Awning Company of 1040 West Division under the management of Lloyd Meurer makes new inner-spring mattresses of any desired size, and you may choose the color and quality ticking. They also renovate mattresses, and make them into a felted or inner-spring type of mattress.

The O. K. Mattress and Awning Company makes awnings of any size and color desired. Bring your awning problems to them for a satisfactory solution. They can also recover awning frames and replace the worn or faded canvas.

1,000 watt stations in the nation. Operating hours for the new station will be 6 o'clock a. m. to 12 o'clock p. m. daily. KCBD will feature many outstanding programs from the Mutual network, as well as many locally produced shows.

Some of the outstanding pro-

grams to be heard over KCBD will be Queen for a Day, Shady Valley Folks, The Johnson Family, Checkerboard Jamboree, with Eddy Arnold, Gabriel Heatter, The Jackie Hill Show, Say it with Music, and What's the Name of that Song? Singing Sam, Rhythm with a Lift, The Three Suns, Sincerely Yours, Kenny Baker, The Barry Wood Show, The Gaslight Quartette, and Meet the Press are other programs to be heard on KCBD.

KCBD is affiliated with the Associated Press and will feature seven 15 minute news periods daily at 7 o'clock, 8:15, 9:30 and 12:15, 3:30, 6:15 and 10 o'clock p. m. In addition to Fulton Lewis Jr. and Gabriel Heatter, Cedric Foster, Cecil Brown, Henry J. Taylor and Erskine Johnson will be heard daily Monday through Friday on KCBD. Special events coverage from throughout the nation as well as locally may also be heard over the new station.

Joe H. Bryant is President of the new station. Stockholders are Mr. Bryant, Dr. J. T. Krueger, Arch S. Underwood, George Benson, J. D. Hassell, Jr., J. H. Felton, Harris Underwood and James C. Bryant, all Lubbock residents. Members of the staff are as follows: Robert L. Snyder, Office Manager; George T. Dale, Commercial Manager, and Jason H. Allen, Sales Representative; Jim Black, Production Manager, and Mr. Black, Wally Jackson, Gene Looper, Roger Wright and Bob Nash, Announcers. William H. Schember is head of the continuity department of the station. Assisting Mr. Schember will be Mrs. Tom Gordon and Rebecca Bradshaw. Yvonne Olds is secretary, and Marguerite Harris will be in charge of Traffic.

Another special feature on the new station will be the "kid" programs from 4:45 to 6:00 every day Monday through Friday. Hop Harrigan, Superman, Captain Midnight, and Tom Mix; and Sunday afternoon mysteries such as House of Mystery, True Detective, Mystery, The Shadow, and Nick Carter.

SIDELIGHTS

By GEORGE MAHON

West Texans will be interested in the annual appropriations bill for the Department of Agriculture which will be reported to the House of Representatives on Monday, May 19th. There will be a storm of protest over the provisions of the bill, and I shall join with others who are interested in agriculture in seeking to prevent unwarranted reductions in certain programs for agriculture.

Funds for agricultural research have been slashed. This seems to me to be false economy at its worst. Research and development in weapons and airplanes played a major part in our military victory. Agricultural research should play a major part in promoting peacetime agricultural prosperity.

Funds for soil conservation districts have also been greatly reduced. This does not make sense to me. I think we need greater emphasis on soil conservation, and I shall support an amendment for the expansion of this activity.

The bill drastically reduces the funds for the AAA payment program. The President requested three hundred million dollars for this purpose in 1947 and producers have proceeded with the 1947 crop on that basis. As I see it, Congress in fairness is bound to follow through on this program for the 1947 crop, and any changes proposed for the 1947 crop could not be made to apply before the 1948 crop year. However, the bill as now written slashes funds for the 1947 AAA program.

The bill provides for drastic, and to my way of thinking, unjustifiable cuts in the Farmers Home Administration program. I hope these funds can be restored.

Certain economies of administration are contained throughout the bill, and these savings, of course, should be made.
