## West Texas Roundup

Sheriff M. E. Cantrell warns Canyon business men to beware of forgers during the harvest rush.

It is common practice for forgers to follow the harvest rush, dressed as farm hands and present checks on well known and responsible farmers, with the notation "for labor" in the corner of the checks. These fellows usually get hold of an authentic check and copy the handwriting so that the average business man cannot distinguish the true from the forged instrument.

—Canyon News.

The City Commission and a group of Post business men met with a group of visiting engineers Monday night at the City Hall to discuss sewage, water, paving and other matters pertaining to the future needs of Post.

—Post Dispatch

Construction of the farm-to-market road from Post eight miles north along the route of the old Post-Ralls highway was completed last week-end when two courses of asphalt inverted penetration type topping was given the gravel base.

—Post Dispatch

Increase in the tax rate of the Canyon Independent School District was approved by the voters in the special election held Saturday in Canyon.

A total of 328 voters went to the polls to express an opinion of the tax increase. Four ballots were mutilated.

The vote stood: For increase of taxes, 257; against increase of taxes, 67.

—Canyon News

On display today and tomorrow (Friday and Saturday) in a show window at the J. B. Knight Hardware store is a Mullikin portable iron lung, which will be purchased for use in Brownfield and Terry county through a community fund drive sponsored by the Hand Bros. Post 6794 of the Veterans of Foreign Wars.—Brownfield News.

Scurry County's eleven annual Rodeo is only a month away.

Rodeo association officials this week turned attention to the events, prize lists and rules for the forthcoming round-up and details on the nine events will go out to all interested people of West Texas and New Mexico.

—The Scurry County Times

Twelve miles southeast of Colorado City a century plant in the cactus garden of Mr. and Mrs. A. L. White is in full bloom this week. Given to Mrs. White six years ago by the former Evelyn Pickens of Silver City, New Mexico, the plant stands more than a foot tall and started blooming this week. The deep yellow

Hereford State Bank will open its doors Monday morning at nine o'clock. A. V. Hendrick, president of the new institution announced this week.

—The Hereford Brand

Three additional blocks of paving, bringing the total to 10 and one-half blocks, were designated by the City Commission in regular session Monday night.

—The Crosbyton Review

Cut-over date for the new telephone system in Abernathy has been changed from July 1 to late in August or in September, it was announced by G. D. Shelley, Lubbock, official of Southwestern Associated Telephone Co. Plans have been re-drawn for an outside plant double that which was on blue print when the July 1 date was announced.

## Soft Ball Scores Are Rather Close

Scores for several of the soft ball games during the past week were rather close. The results were as follows:

Thursday, June 26  
Sears 21; Robertson 17  
Southland 14; Santa Fe 5  
Friday, June 27  
Robertson 13; Drive-In 3  
Pleasant Valley 8; Wilson 2  
Monday, June 30  
Wilson 15; Ayers 11  
Sears 12; Barber College 11  
Tuesday, July 1  
Southland 12; Robertson 2  
Drive-In 13; Bar. College 2.

## Over the Wire

While there is a lot of talk about prices going down, the real estate men in Slaton say that prices in homes are still high on the good ones and it is harder to find a seller than it is a buyer.

About the only attempt at providing any amusement here in Slaton for the 4th of July has been made by the Slaton Swimming pool and the operators of the pool are to be complimented for their efforts. The pool and the Theatre are about the only places that show that Slaton is not completely asleep.

While some progress has been made in the paint up and remodeling drive started a month ago by the Chamber of Commerce there has been very little activity within the last few weeks although a number of people have reported that they have plans to start work as soon as possible among them, the Slaton Steam Laundry.

One progressive citizen says that some effort should be made by the Slaton real estate men to offer country homes to the people who live in Lubbock and those of this area who would like to have all of the City conveniences yet be able to farm in a small way. The communities around Dallas and Fort Worth, Wichita Falls and other Cities have pioneered this kind of promotion and have found it both profitable for the firms engaged in selling the property and a big lift to the towns near which the acreage is sold. Slaton has everything that such a project needs except some energetic man or concern to back it.

The West Texas Gas Company thermometer registered 109 last Sunday afternoon which is tops so far this year. This according to Mrs. Joe West is not a record for she said that about four years ago the report was that 114 had been reached. Myrtle Teague at the West Texas Gas Company said that she believes Mrs. West is correct but she does not remember the exact date.

J. H. Brewer says that the land in the Canyon has been blowing some and that it has been difficult to do much about it as the wind has changed directions so much. However Mr. Brewer admits he is like all who have farming interests and does a lot of griping.

## Construction Begun On New Building

Construction has already begun started on the new building on the west side of the square. W. E. Kidd, contractor, began moving dirt this week in preparation for laying the floor.

Berkley and Haddock, owners, report that the building, which is to be occupied by the C. R. Anthony Dry Goods Co., will be ready for occupancy by September 1, if possible, or not later than October 1.

The C. R. Anthony Company is one of the best systems of chain stores operating in Texas.

Some three hundred years ago our forefathers braved the stormy Atlantic, fought the savage Indian and wild beasts, built their homes, erected their altars, and provided for their free schools. They then established a government and transmitted it to us, a people to whom liberty is the very life blood.

Today this nation stands a monument to those high ideals ever before those pioneers. May we this day continue to have an abiding faith in ourselves, in our way of life and in our God. Let us take our place in the world and face the future unafraid. We are Americans.

"Great God, we thank thee for this home,  
This bounteous birthland of the free,  
Where travelers from afar may come  
And breathe the air of Liberty.  
Still may her flowers untrampled spring,  
Her harvest wave, her cities rise,  
And until Time shall fold his wings  
Remain Earth's loveliest Paradise."  
"Our Country" by Geo. D. Prentice

## New Business To Hold Formal Opening Monday, July 7th

Demonstrating the post-war spirit of growth and faith in the future development of Slaton, the Slaton Lumber Company announces its formal opening for Monday, July 7th, giving Slaton another building material outlet that is modern in every way.

The new home of the Slaton Lumber Company that has just been completed was constructed to give the best arrangement for the sale and convenient display of the materials they offer. Fully air-conditioned the Slaton Lumber Company is a credit to the community.

B. B. Castleberry and W. T. Davis are the owners of the new concern. Mr. Castleberry will be the active manager of the Slaton Lumber Company and Mr. Davis will devote a part of his time to the new enterprise. Mr. Castleberry has been in the lumber business in Slaton for the past 18 years and is one of the best known men in this line of work in West Texas. Mr. Davis was in the gin business for many years and is now extensively interested in the agricultural field.

"We have had a very difficult time securing our present large stock," said Mr. Castleberry, "and at times it seemed as if we would not be able to get a representative stock but after months of preparation we have what we believe a complete stock of building materials, more than many old established concerns have been able to get. In fact we have practically everything that is needed to build either a home or a business structure."

One of the novel and very useful pieces of equipment that has been installed at the Slaton Lumber Company is their electric paint mixer. This almost human piece

of machinery automatically mixes paint before it leaves the establishment and it does not require the long hours of stirring that is usual, before paint can be applied.

"We hope to have a lot of visitors," said Mr. Davis, "we have everything all spick and span and will be glad to have anyone who would like to visit us come in and see our new establishment whether they are interested in buying materials at the present time or not."

## Many Slaton Firms To Close July 4 - 5

Mrs. Lee Green, Secretary of the Retail Merchants Association reports that all business houses in Slaton will be closed July 4 and that the following firms will be closed both July 4 and 5: Johnson-Hoffman Hardware Co., Plains Lumber Co., Slaton Implement Co., Wyatt's Laundry, Nat D. Heaton, Claude S. Cravens, C. R. Bain Auto Store, O. D. Kenney Auto Parts, Kertan Studio, Marriott Electric Shop, Slaton Hardware, Higginbotham-Bartlett Co., Slaton Lumber Co., Cudd Implement, Locker Plant, Hoffman Realty Co., White Auto Store, Evans Dry Cleaning, Pember Insurance Agency, F. A. Drewry, Ins., George W. Gibson, Aircraft Studio, Southwestern Public Service Co., Meurer and Browning, Hickman and Neill, Crow-Harral Chevrolet Co., Slaton Slatonite and others.

## Slaton Rotary Club Installs Officers

Thursday, June 26, Slaton Rotary Club installed officers for the ensuing year.

A. J. Payne, outgoing president, gave a resume of the year's work. William Sewell then presented Mr. Payne with a diamond past president's pin. Mr. Payne is the only charter member in the club at the present time and the only one who has 100 per cent attendance record through 22 1/2 years. He has visited clubs from Florida to Washington to keep this attendance record perfect. He has served twenty years as secretary-treasurer of the Slaton club and last year as president.

Incoming officers are Nat Heaton, president; Pete Pearson, vice-president; J. J. Maxey, secretary; John Berkeley, sergeant-at-arms; and O. Z. Ball, J. E. Loveless, J. W. Chenoweth, W. R. Sewell, and A. J. Payne, directors.

Born at Mercy Hospital June 30 to Mr. and Mrs. Ervin Ehler a girl. Weight 5 pounds 14 ounces.

Born at Mercy Hospital June 25 to May and Pedro Arge a girl. Weight 4 pounds 15 ounces.

Born June 27 to Mr. and Mrs. Juel Bradshaw a girl, named Carolyn Jean. Weight 7 lbs. 14 oz. Mrs. Bradshaw is the former Miss Marcella Bownds.

Phyllis Joe is the name of the daughter born to Mr. and Mrs. Joe T. Brewer in Ft. Worth June 24. She weighed 6 lbs. 1 oz.

An Elgin American dresser set would make a lovely gift for your lady. Champion's Credit Jewelry.

## All-Star Game Between North And South Scheduled July Fourth

At a meeting of managers and commissioners Monday afternoon teams and managers were selected for the all-star soft ball game scheduled at 8 p. m. at the soft ball park on July 4. This promises to be one of the closest games of the season between the best players of the north and south halves of the soft ball league. Nine innings will be played giving observers a full evening packed with entertainment.

Manager for the north half is W. R. Belcher of Sears with Tom Osman of Robertson as assistant-manager. For the south half Pete Lancaster of Pleasant Valley will manage with Gus Heinz of Wilson as assistant.

Twenty-one players were selected for the north as follows: Bruce, Duncan and Parks of Robertson; Jones, Gray, S. Wright, Andy Loke, Donahoo, A. Wright, and J. Donaldson of Drive-In; Rigger, Perry, Warren, Sain, and Highley of Sears; J. Mosser and Taylor of Santa Fe; and Gilbert, Gandy, Valentine, and Loyd of Lubbock Barber College.

For the South nineteen players were selected as follows: Tillery, Arrants, Guinn, Boyce, Sims, Elder, White, and Bingham of Ayers. Martin, Fleming, Stepen, P. King, and Davis of Southland; Scott, Altman, Gibson, and McGehee of Pleasant Valley; and Kahlick and R. Talkmitt of Wilson.

## Seagraves Wins Over Slaton 7 to 6

Seagraves jumped out in front with 5 runs in the first inning when Lefty Faulkner hit two batters and walked one and with the bases loaded Prather slapped one over the fence. Faulkner then settled down to pitch a no hit game and striking 12 batters out. Slaton scored one in the second when McCoy got on first by an error and then Bunky Guinn hit a long double and the runner scoring from first. Then in the fourth Tillery and McCoy each got a single and then Faulkner, after fouling off 5 pitches, hit one over the right fielder for a home run. Tillery was the leading hitter for Slaton getting 4 for 5, while Carr and Faulkner got 2 for 5. Graham collected 2 of the six hits for Seagraves.

This Sunday Slaton goes to Levelland to take on the League leaders.

## Services Held For W. S. McGinley

Funeral services were held Wednesday, July 2, at 5 p. m., in the Baptist Church of Shep. Texas, for W. S. McGinley, 76, retired farmer formerly in Nolan and Taylor counties. Mr. McGinley had lived in Slaton the past year with a son, Clyde McGinley.

Survivors include three other sons, A. C. and Claude McGinley of Amarillo and C. C. McGinley of Monahans; two daughters, Mrs. W. L. Wagner of Hylton and Mrs. W. E. Matlock of Olden; three sisters and three brothers.

Williams Funeral Home directed interment.

## Naval Reserve Work To Begin Soon

The Navy Department is planning to build a \$250,000 armory on the Tech campus for the training of Naval Reserve personnel in the fields of radio, electricity, radar, electronics, and seamanship. The program is open to veterans of any branch of the service and non-veterans of ages 17-40.

These educational meetings will be held each Wednesday at 8 p. m. in the American Legion Hall, 910 Texas Ave., Lubbock. The Navy will pay those who attend regularly.

A Naval Reserve office has been established in Room 204 of the Post office building, Lubbock, with office hours 8 to 5.

## Lightning Hits In South Slaton

Monday afternoon during the little thunder storm lightning struck a tree in the yard of F. B. Dement at 1215 South Ninth.

The bark was knocked off the trunk of the tree from the ground up for four or five feet and the trunk was split. Splinters and trash fell in a shower.

Fourteen people were within a radius of ten feet of the tree, and witnesses say that J. A. Shelton, who was standing near, was slightly shocked but not injured. This is Mr. Shelton's second experience with lightning.

## Student Receives Dunlap Award

Jimmie Lee Hansen, second highest honor student in Slaton High School graduating class last May, has received word that he has won a Dunlap Scholarship.

Last May Texas Tech conducted a series of tests sponsored by Dunlap Department Store, Lubbock. The three highest students in all local high schools were eligible to take the test.

Jimmie came to Slaton High from Posey, and Slaton and Posey have every right to be proud of his success.

Remember Pop's birthday with a ring—Cameo, Ruby, Onyx, Malsonic, K. of C, initial or signet from Champion's Credit Jewelry.

## Safety Tip for Week Is Caution

If at anytime one is a pedestrian or if at anytime one drives a car, he meets safety problems at every turn. In this week's Slatonite is the third of the Safety Series sponsored by Slaton firms.

Chief of Police Ward says that one of the problems for the Slaton pedestrian is the double parking on Saturday evening, especially on the north side of the square. Mr. Ward also says that it is not wise to wait until a serious accident before taking precautions. He says that both driver and pedestrian should be very cautious when cars are parked double anywhere, especially on the square or near the school buildings.

Pember Insurance agency reports that it has paid no claims for pedestrians in the past year, but that there is considerable swinging across streets to the curb to park and backing out from the curb and reversing the direction of the car. Both these practices, says Mr. Pember, are very dangerous.

This week's safety series contains valuable information for both pedestrian and driver.

## Services Held For Royl W. Saunders

Funeral services for Royl W. Saunders, 56, resident of Garza county 31 years, were conducted at 3 p. m. Monday in the Church of Christ with Dean Brookshire of Portales, N. M., officiating, assisted by Price Bankhead of Gordon community near Post, both Church of Christ ministers.

Burial in Englewood cemetery, Slaton, was directed by Mason and Company Funeral Home of Post.

Mr. Saunders, prominent farmer of Pleasant Valley community became ill Friday afternoon and died of a heart attack a few minutes after arriving at Mercy Hospital. He was born in Denton County.

Survivors include his wife, three sons, Wendell of Post, Edward of Brownfield and Doyle of Lubbock; three daughters, Mrs. Maurine Smith of Redding, Calif., and Misses Joan and Joyce Saunders of Post; his mother, Mrs. Mollie Roberts Saunders of Slaton; two brothers, Sam of Marietta, Okla., and J. D. of Lindsey, Okla., and five sisters, Mrs. Florence Smith and Mrs. Toy Melton of Slaton, Mrs. Frank Spence of Post, Mrs. Mary Lee Fecco of Washington, D. C., and Mrs. Lois Stewart of Central, N. M.

Pallbearers were William Lester, Ed Cummings, Robert Hagler, J. O. Reed, Fred Scott, and Cecil Self.

## CHICK CHATS

by Robert Huser of Huser's Hatchery

### GOOD RANGE FOR BETTER PULLETS

It cannot be denied that good grassy range is one of the most important elements in the process of growing vigorous, fast-laying pullets. Moreover, the green feed available on the range is a money saver as it permits the poultry raiser to cut down on the amount of hopper feed he gives to the flock.

The benefits coming from the use of good range, therefore, are of double value.

### Disease Threat Reduced

Birds have a tendency to congregate around the shelters, and so the range around these structures will probably be worn down after a time. To avoid this, the shelters should be moved regularly so that the flock always has a supply of fresh green forage at hand. Frequent moving of shelters also prevents contamination of soil and helps preserve the condition of the range. Of course, feeders and waterers should be moved even more often, preferably once a day.

If possible, do not use the same piece of land for range on successive years. Allowing chickens to occupy the same tract year after year may expose them to contamination left by the range flocks of the previous summer. If land is used only on alternate years, such danger is greatly reduced.

## MARKET NEWS

As of June 30

Grains found generally good demand last week. Wheat, oats, and yellow corn stayed about unchanged. Barley, white corn, and old crop sorghums showed some strength, with advances limited to 3 to 6 cents. A little new crop milo from South Texas came on the market at several cents per hundred lower than the old crop.

Milled rice stocks remained quite limited last week, and only scattered cars sold. Good rains throughout southwest peanut producing areas aided crop prospects. Rainy weather interfered with hay making but improved pastures and reduced demand for hay. Seven to ten million pounds of Texas wools sold in the past ten days. Growers received 42 to 45 cents per pound grease basis for average to good staple.

Daily ups and downs of cotton prices left quotations \$1 per bale lower to \$3.25 higher. Spot markets saw little trading. Crops looked usually good in most areas.

Egg markets continued firm last week, and poultry saw very little change. Most current receipt eggs brought 37½ to 38-1/3 cents per dozen at Fort Worth, and Dallas paid 38-2/3 with the rots candled out. With warmer weather, dealers bought more eggs on candled grade. Best grade brought 45 at Fort Worth and 43 at Dallas.

Cattle showed general easiness at Oklahoma City and Denver last week, and some classes sold lower at southwest terminals. Good calves brought mostly \$19 to \$21 at Houston, and top medium to average choice kinds \$19.50 to \$22.50 at San Antonio. Good and choice calves sold mainly at \$19.50 to \$22 at Fort Worth, and \$17 to \$20.50 at Wichita. Oklahoma City paid up to \$22 for a few choice heavy vealers and calves, while vealers topped at \$25 in Denver's late-week trade.

Hog markets ruled generally steady to 25 cents higher for the week, but sows lost around 50 cents at Oklahoma City. Fort Worth paid \$24.75 to \$25 for the closing bulk of good and choice medium weight butcher hogs, and Denver \$24.50 to \$25.25. Closing top was \$24.50 at San Antonio, \$24.75 at Oklahoma City, and \$25 at Denver.

## STELLAR TRIO OF "THE SECRET HEART"

A deeply understanding and compassionate drama of feminine love that frequently draws out the emotions like a whipcord is "The Secret Heart," new attraction at the Palace Theatre, Sun. and Mon.

The three stars of this intensely moving new film, Claudette Colbert, June Allyson and Walter Pidgeon, are seen in a unique and suspenseful dramatic triangle.

Miss Colbert, as a young woman who has sacrificed the happiness that a second marriage would bring to devote everything to her two stepchildren's welfare, has one of the most memorable roles of her career.

June Allyson, one of the cleverest young actresses of recent movie years, also has a part that calls for depth and perception of emotion. As the gifted, lovely but neurotic daughter of Miss Colbert's first husband, she is placed in a situation where she contemplates following in her father's footsteps and taking her own life. Unsuspected developments prevent this and bring a fast-moving sequence of events to an unusual climax. It is

Walter Pidgeon, the man Miss Colbert has turned down to devote her energies to the two children, who precipitates the final plot twist. For Miss Allyson has mistakenly believed herself in love with Pidgeon, and has hoped he would reciprocate this feeling.

The superb character delineations of the three stars are given particularly fine support by such players as Linoel Barrymore, in a

medical role, Marshall Thompson and Elizabeth Patterson. Robert Z. Leonard may also be credited with having turned in one of the most human, moving photoplays of a long career.

"The Secret Heart" has excitement coupled with mature psychological drama. It will prove one of the season's most rewarding experiences.

**Many Fires Caused By Electric Irons**

Among the items that help start household fires as the housewife goes about her daily tasks, the electric iron ranks up among the worst of them.

Ordinarily the blame can't be put on the iron, but on the person who goes off for a few minutes and forgets to turn it off.

Home management specialists of the Texas A. and M. College Extension Service say that if a housewife is really safety-minded, she will not only turn off her iron when she leaves it, but disconnect it as well, even if she leaves

only for a few minutes. "Octopus connections"—several electric connections from one outlet—are another serious household fire hazards, the specialists say. A safe rule is to make only one or two connections from an outlet and avoid the use of extension cords except as temporary wiring.

Other electrical "don'ts" around the house are: don't hang extension cords over nails, or run them through doors or underneath rugs; don't use worn cords on lamps and appliances; don't let clothing, draperies, or other inflammable materials come too close to light bulbs.

**CUTIES •• By E. Simms Campbell**

"You may keep the straight-jacket on him, miss, but I INSIST you remove the gag!"

MRS. HELEN C. ELWELL, Incoming President of The First Church of Christ, Scientist, in Boston, Massachusetts.

**THIS WEEK'S LESSON**

"God" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday July 6.

The Golden Text is: "To the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever" (Jude 1:25).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord God of hosts, who is a strong Lord like unto thee? or to thy faithfulness round about thee? (Psalms 89:8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is the infinite, and infinity never began, will never end, and includes nothing unlike God" (page 249).

During the month of May, almost 13,000 farm workers were placed by the Texas A. and M. College Extension Service farm labor program.

Supplies of oilseed cake and meal available for feed from now through September are expected to be about the same as a year ago.

At present prices of cotton and cottonseed, no grower can afford to lose one-bale-out-of-seven which cotton insects normally steal.

The summer athletic program for boys, begun last week under the direction of coaches O. L. Smith and Charles Lawrence, is well under way and promises to become one of the finest projects ever launched in Seagraves.

—Gaines County News

June 22-28 has been designated Home Food Preservation Week.

In establishing a permanent pasture, the first step is to bring the pH, or acid rating, of the soil to between 6.5 and 7.

Just received—Air conditioned Kool Kushions for motorists and truck drivers, at the Slatonite.

Adding Machine Paper at the Slatonite.

Chlordane, a new insecticide, is reported to be ten times more powerful than DDT against certain insects.

A long ton is 2,240 pounds. A metric ton is 2,204.6 pounds.

**How women and girls may get wanted relief from functional periodic pain**

Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, & thus help build resistance for the "time" to come. Started 2 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

**Santa Fe Women's Club Holds Meeting**

A regular monthly meeting of the Santa Fe Women's Club was held June 20 at 3:30 p. m. in the home of Mrs. George Jenkins. Nine members were present and enjoyed the social hour, during which sunshine sisters were revealed and new names were drawn. Refreshments were served.

The club planned a picnic at MacKenzie park on August 1 for the members and their husbands. The next meeting will be on July 18 with Mrs. Jimmy McCarver.

**Friendship Class Holds Meeting**

The Friendship Class of the Methodist Sunday School entertained with a lawn party and barbecue last Friday evening, June 27, at the country home of Mr. and Mrs. Willie Wilkie.

Attending were Rev. Cal C. Wright, Messers and Mesdames Elton Sumrall, Ronald Woolever, Joe Miles, R. H. Todd, Jr., Elton Wyatt, David Basham, Porter Baker, Mrs. Edwin Forrest and Jeanne, Mrs. Maxine Duncan and Da Onne, Arthur Sumrall, Porter Baker, Jr., and Barbara and Donna Wilkie.

**Bluebonnet Club Holds Meeting**

The Bluebonnet Club met Friday, June 25, at the home of Mrs. E. R. Legg with twelve members present.

Roll call was answered with the latest book read.

The next meeting will be July 9 at 3 p. m. with Mrs. A. L. Clifton, hostess. Roll call will be something pertaining to science.

Mr. and Mrs. Dick Taylor have had as house guest John L. Taylor of Haynesville, La.

Wedding Invitations, two envelopes—at the Slatonite.

Our display is well stocked with POLISHED granite memorials. Whether your need is for an elaborate family monument or a marker, let us help you with your problem. Our representative will call at your invitation.

**Society**

**Local Girls Attend Grand Assembly of Rainbow in Dallas**

Eight local girls, accompanied by two girls from Lubbock and three members of the Executive Board, attended the twenty-fourth annual meeting of the Grand Assembly of Texas Rainbow for Girls in Dallas, June 23-25, with headquarters at the Baker Hotel.

In attendance were 81 worthy advisors, 250 Masons and Eastern Stars, 971 voting delegates, and 1816 Rainbow girls. Also present were Rev. W. Mark Sexon, the founder of Rainbow, Mrs. Laura J. Nelson, Supreme Worthy Advisor, and Mrs. Martha Marie Whitfield, Supreme Deputy for Texas.

Slaton Assembly ranked fifth in Texas in April donations for the Masonic Home. A total of \$1,025.13 was donated which went for the building of a new chapel for the boys of the home.

Monday was spent in registration; Tuesday, in instructions, initiation, and a memorial service. At the Mother Advisors meeting Wednesday it was reported 9,484 new members were initiated in Texas in the past year. Wednesday, officers for the new year were elected and installed.

The local group made several sightseeing trips and saw two outstanding shows besides attending the regular meetings and banquets.

Those going from Slaton were Misses Betty Jo Gentry, Anna Doris Phillips, Joyce Pember, Lena Schmidt, Jonnie Pearl Peebles, Beth Brasfield, Clydell McGinley, Vysta Ward, Mr. J. W. Chenoweth, Mrs. Fannie Patterson, Mrs. C. T. Scroggins, and Misses Fern Duncan and Ina McArthur of Lubbock.

**TENSHUN!**—Dorothy Lamour will star on an NBC summer series Sunday evenings to spur Army recruiting. The program, starting July 6, will fill the time spot of "The Fred Allen Show," which will resume Oct. 5.

R. W. Wicker, Jr., and Mr. Neely of Lubbock landed on Judge Smith's pasture last Friday. They represent the Texzero Dusting Service.

Mrs. Bertha Caldwell and two sons from Nevada, Texas, are visiting her sister, Mrs. Judge Smith.

Mr. and Mrs. Charles Marriott, Jr., and two sons, Dick and Jimmie, are visiting his parents, Mr. and Mrs. Charles Marriott, Sr., and sister, Mrs. Wade Thompson.

Mr. and Mrs. W. B. Hestand and daughter spent twelve days in Dallas visiting Mrs. Van Stokes.

The Women's Society of Christian Service will have the next meeting with Mrs. A. W. Sumrall on July 7th.

It's a fine reflection on your own good taste if you bring your guests here for luncheon or dinner. The excellence of whatever we serve—plus the graciousness of our service and charm of our atmosphere is inviting!

**SNACK SHACK**  
Bert Thornton, Owner  
335 North 9th St.

**Win One Class Holds Meeting**

The Win One Class of the Methodist Sunday School held its regular business and social meeting Friday, June 27, at 3 p. m. in the home of Mrs. P. W. Houston.

The devotional from Acts III was given by Mrs. Cal C. Wright. After a business meeting, a social hour was held in which Sunshine Sisters were revealed.

Present were three guests, Mrs. O. D. Holloway of Lamesa, Mrs. Wright, and Mrs. C. C. Cox and fourteen members.

The next meeting will be a picnic lunch on the church lawn with members' husband as guests. The date for this meeting is July 25.

Carl S. Greer, Jr., formerly of Slaton, has been named vice-president of the Lonergan Mfg. Co. of Albion, Michigan. Mr. Greer's mother, now Mrs. Sidney Williams, resides in Morales, Texas.

Mrs. George Marriott is at home for the summer after a visit with her daughter, Mrs. Dick Skelton of Christoval.

Miss Wilma DeBusk is in California visiting her sister, Miss Laverne DeBusk.

Mrs. Corbin Barton has had as her guest this week her uncle of Silver City, New Mexico.

**Slaton Brownies Enjoy Picnic**

Troops I, II, and IV of Slaton Brownies went Thursday, June 26, for an all day picnic in MacKenzie State Park.

Activities of the day were directed by Miss Betty Jo Crisler, area field director of Lubbock. The Brownies spent most of the morning visiting the Tech Museum. They then enjoyed a cook-out lunch, a hike to Prairie Dog Town, a period of songs and games, and a special treat of nibbles.

Attending were forty-five Brownies, Mr. J. Moore who drove the truck and the following mothers: Mesdames Bruce Pember, Charles Felty, E. L. Norris, C. E. McCoy, Lois Merrell, Jay Moore, Delam Hodge, Cecil Long, M. L. Murray, Mangus Klattenhoff, C. A. Wells, Jr., Cullen Brown, Gordon Burrell, C. H. Walton, and Paul Brasfield.

**CARD OF THANKS**  
We wish to thank all our friends and neighbors who were so kind and thoughtful of us after our home was destroyed by fire. Your kind deeds and gifts are sincerely appreciated. May God's richest blessings be your.  
Mr. and Mrs. M. H. Norris

**Meeting of Baptist Workers Held Tues.**

Workers of the Beginners Department of the Baptist Church met Tuesday evening with Mrs. Guy Brown for a business and social hour.

Attending were Mesdames Robert Lee, Clifford Young, A. C. Strickland, Charlie Smith, and B. A. Hanna. Three were unable to attend: Mrs. Joe Tate, Mrs. T. E. McClanahan, and Mrs. L. B. Wootton.

The hostess served an ice plate and lemonade.

A magic beach dress in plaid Dan River gingham with white piping trim designed by Helen Parker is shown above as featured at the June Cosmopolitan magazine male-tested fashion party at the Stock Club. It's magic because it need not be confined to the beach. Dressed up, it's wonderful for informal evenings. In sizes 10 to 16 in red, green or royal plaid with white piping trim. Notables who served as judges included Kenny Delmar, Winnie Richards, Sid Caesar, Charles Revson, Mark Stevens, Richard Ney, Brian Aherne, and Jan Peerce.

R. L. BOYD

The quarterly election of officers was held Sunday morning. S. N. Gentry is the superintendent; Mrs. George Hayes, song leader, Mrs. Martha Sain, pianist and V. Boyd is the new secretary.

A church social will be held July 26th for the new pastor, Rev. Ray Cox. A committee which has charge of the plans is composed of Mrs. W. E. Lourance, Mrs. Laura Hayes and Mrs. Monroe Brieger.

Mr. and Mrs. J. P. Pennington have gone to Oklahoma to visit relatives.

The school census shows that there are seventy-five scholastics which is a gain of four from last year.

Several players from here will play in the all-star game the night of July 4th at Slaton.

William R. Fleming of Tahoka and Miss Idalou Owens have obtained a license to be married. He was formerly Methodist pastor here.

Crops seem to be thriving in spite of the hot, drying winds. Fields are being cleared of weeds.

The committee appointed to purchase song books have been inspecting several copies of the

**JUST TALK**

by  
**A.M.J.**

Now that J. S. Edwards has his car back minus the spare wheel and tire, he locks the ignition and each door every time he gets out to check the air pressure in the tubes, in fact he locks and unlocks it every time he stops to wait for the traffic lights to turn from red to green. J. S. used to be an optimist and trusted the ordinary folks as far as he could see them with his eyes closed, but since last Wednesday night when he parked his car in front of the bank and went in just long enough to close a couple of windows and came out to find his car had been stolen, he looks with suspicion on all the preachers, Red Cross workers, close relatives and bank employees and he never lets the key to his car get far from the end of his right hand.

It must be a terrible feeling to go to get in your car to find out that some one had slipped it out from under you and I'm going to do like J. S. from now on and lock everything that will lock on my car.

Mayor Lee Wootton reports that 3000 feet of cast iron 8 and 10 inch water mains have been laid between the new water well on the South west part of town and the city main at the Hospital and the new supply will be turned in to the mains as soon as the pump has arrived and been put into commission. The work of concreting the bottom and the sides of the settling tank is not completed but is in process and the smaller feeder lines that were contracted for will be laid at an early date, weather permitting.

Mayor Wotton has his fingers crossed and is making no promises as to when the new supply of water will be turned into the mains as he has been disappointed so many times in the past but he feels sure that it will not be very long now before Slaton will have plenty of water.

Jackson Weather Prediction: get ready to sweat it out folks, the weather has dried up out here in West Texas and even the mosquitoes have moved north. Charley Hester has taken off his long trousers and I have a suspicion that he has discarded his undershirt and probably his shorts. When it gets so hot and dry that

not even the house flies will come out in the middle of the day it is time to start doing all we can to produce rain . . . my prayers would probably not help much.

Several former members of the PTA who were influential in helping to secure the grounds and equipment for the tennis courts in the Slaton Club House Park have complained that reports have come to them that plans are underway to construct a hard ball diamond where one of the tennis courts is now. This they feel would be an injustice to those who worked hard to raise the money for the tennis courts and they stated that it was their opinion that some other location should be provided for the ball diamond if it is to be built.

Ever since I can remember it has seemed to me that conditions have been on the verge of a seeming catastrophe. It has always been a depression or a boom and I can remember by father predicting the most wonderful things or the most dire trouble that anyone could think of. He was an old stype editor and used words six inches long and the folks read them with deep consideration while all I get is the raspberries.

It is my inclination to predict some very sad things at the present writing for it seems on the face of things that our labor troubles, the world conditions and the troubles that beset me every day here at the office, are enough to bring on a world collapse but by using my hind sight I must admit that the United States is not going to get in the mess that a lot of folks are predicting and the fellow who is holding back with the hopes that the bottom is going to drop out should take firm grip for he is going to have to hold on a long time before sugar will be five cents a pound and a home that costs seven thousand dollars to build will sell for three thousand.

Good progress is being made on the paving project for the roads in the Slaton Club House park. The excavating and leveling started last week and it

**Clean DENTAL PLATES**

This Easy Way . . .

At last, a scientific way to clean dental plates and bridges **REALLY** clean. Just put your plate in a glass of water. Add a little quick-acting **KLEENITE**. should not be long before hard surfaced roads will be laid through the main part of the park.

Several cases of mumps have been reported among grown people. Mrs. Howard Swanner has recently recovered from several weeks of illness from the mumps and Howard says he is certainly relieved to be back at the dish wiping for washing and wiping is a very tedious job at his house.

Had a ride in Harry Stoke's station wagon last week after he had received permission from his son, Gerald, to drive it to Lubbock to a hard ball game. It was my privilege to ride in the front seat where the sailing was very comfortable but Harry said that if I wanted to get my teeth loosened I should try the back seat. The back seat is the favorite place for

**Chief Topics**

Santa Fe's net railway operating income for May, 1947, was \$3,237,099, according to a statement released by President F. G. Gurley today. This is an increase of \$1,723,288 compared with May, 1946. Net income for the first five months of 1947 was \$15,594,233 compared with \$15,087,932 in first five months of 1946.

Comparative figures for the month and five months periods for three years follows:

May gross, 1947, \$35,360,315; 1946, \$29,488,518; 1945, \$52,090,153.  
 May net income, 1947, \$3,237,099; 1946, \$1,513,811; 1945, \$5,809,183.

Every employee of the railroad is putting forth every effort to assist in moving the largest wheat crop that has ever been known. Slaton Division employees received notice in the Santa Fe magazine of June, 1947, which shows a picture of Supt. H. C. Willis accepting the Southern Kansas Division's safety award from E. L. Duggan, superintendent of safety. Slaton Division employees are two-time winners in the master mechanics' districts.

**ONE STEP can be FATAL!**

12,200 pedestrians were killed by automobiles last year—1,340 more than the year before. Two out of every three violated traffic laws or committed unsafe acts which contributed to their deaths.

And believe it or not—many of these fatal accidents actually happened less than six feet from the curb—only a step or two from safety!

Between intersection accidents accounted for more than one-third of all pedestrian fatalities last year. These victims carelessly rushed out from behind parked cars, or simply jaywalked themselves into traffic—and death. Others even ignored the safety of lights and traffic officers at intersections to save a few seconds—and lost their lives.

Never take safety for granted. Cross at intersections within the crosswalks. Wait for the light or the policeman's whistle. Be alert for the inconsiderate driver making a right turn, or the reckless one beating a light. On open highways, allow for the speed of approaching cars.

Whenever you cross, look both ways. One step can be fatal!

This advertisement is presented in the public interest by the President's Highway Safety Conference and the daily and weekly newspapers of the nation through their Press and Publisher Associations.

## SIDELIGHTS

By GEORGE MAHON

Chairman Taber of the House Appropriations Committee invited me to fly to Old Mexico today—June 28—with a group from the Agriculture and Appropriations Committees for the purpose of investigating the hoof and mouth disease. The group is headed by Congressman Gillie of Indiana, a veterinarian. Congressman Worley of the Amarillo District, a member of the House Agriculture Committee, is making the trip and since Texas will be well represented I have remained in Washington to attend to duties here.

Here is the reason for the trip. The deadly hoof and mouth disease broke out in Old Mexico late last year. This past spring we appropriated \$10,500,000 to be used in fighting the disease in Old Mexico, hoping to prevent the spread of the infection to the cattle of Texas and the Southwest. Secretary of Agriculture Clint Anderson recently appeared before our Committee, and requested 65 million dollars more. Chairman Taber balked at this request and said that he would block the appropriation of further money until Congress has more information. Judge Joe Montague of the Texas and Southwestern Cattle Raisers Association, and Bob Kleberg, of the famed King Ranch, provided some very convincing facts to the Committee a few days ago and I feel sure that when Dr. Gillie's group returns from Mexico Congress will provide the additional funds for combating the spread of this disease.

I hate to see us have to spend millions of American dollars for the slaughter of Mexican cattle in the infected area but everyone agrees that without such action on our part, the hoof and mouth disease will spread to the United States and paralyze the cattle industry of the nation.

The U. S. government operates on a fiscal year basis which begins on July 1 of each year and ends June 30 not on a calendar year basis as is the case with most businesses. Therefore, the annual appropriation bills for the various government agencies must be

passed by Congress and approved by the President prior to July 1, otherwise government agencies will lack funds with which to operate after July 1.

The present Congress has utterly failed to carry out the normal procedure of government. Only one of the 12 annual appropriation bills has passed both the House and Senate and been sent to the President for approval. A stop-gap measure has been passed authorizing the agencies to continue to operate on a temporary basis but they cannot pay their obligations.

Agencies which will lack funds with which to operate on July 1 include the Department of Agriculture, Veterans Administration, State Department, War and Navy Departments, Justice Department, in fact all government agencies except the Post Office and Treasury Departments.

This is being written on June 28. The chances are that within 15 days all the major appropriation bills will have cleared Congress and gone to the President for his signature. The House has passed all of them with one exception. The delay is in the Senate.

On the tax veto, Texans in the House voted 13 to 4 to sustain the President. On the Taft-Dartley Labor bill, Texans voted 15 to 3 to override the veto on the Taft-Hartley Bill.

Mrs. J. D. Moore of Imperial Valley, Calif., is visiting her parents, Mr. and Mrs. C. M. Lee.

Mr. and Mrs. Barney Wilson and family, Mr. and Mrs. R. T. Brookshire and family, and Mr. and Mrs. Joe Rainey and family of Lubbock spent Sunday at Palo Duro Canyon.

From where I sit ... by Joe Marsh

The Picnic Was a "Hug" Success!

Our local Wild Life League went on a picnic Saturday, and I went along to cover it for the Clarion. Monday, folks kept stopping me, and saying: "Must have gotten out of hand, that picnic!"

"Nonsense," I says. "It was mighty pleasant and congenial. Just beer and hot dogs, cheese and cider." And then they show me the headline reading: "WILD WIFE PICNIC HUG SUCCESS."

Of course it was Elmer, my typesetter, who had made the misprints: But is my face red! It's only be-

cause folks are so temperate and well-behaved in our town, that they could afford to take the whole thing as a joke.

From where I sit, even a newspaper editor's entitled to a few mistakes. And since I remember that they served a moderate quantity like beer, I'm sure nobody thinks the picnic was the least bit wild, or anything but a huge success—and I mean huge!

Joe Marsh

## THE "AVEN" CROP DUSTER Will Help You, Mr. Cotton Farmer.

Fight the Flea Hopper and other insects. The "Aven" Crop Duster will help you grow more cotton per acre.

Modern farmers do not need to be convinced of the need for insect control. The cost of an "Aven" crop duster is quickly repaid by increased yield. The "Aven" New Style Crop Duster is a practical, easy to operate machine that will give long, trouble free performance. Has new type improved steel nozzle rail instead of the wooden rail as pictured. This duster meets a need long felt and is an outstanding success—it has been proved over a period of years by farmers throughout the United States. Let us give you more detailed information about the "Aven" Duster. Can be furnished in 6 or 8 row and with Broadcast attachment.

# BOOM! BOOM! BOOM! ...

## The Soldiers are Marching!

Yes, this is the season in which the people of this great country pause to celebrate the anniversary of its independence.

The children of the picture may not understand the full meaning of freedom and independence, but they know it means something grand and glorious—something that calls for parading and drum beating and flag-waving.

It is a wise custom which prompts us to cultivate in the minds of our children a deep and abiding love of their country and a sense of responsibility for its safety and welfare. No nation can be great without patriotic citizens.

The two great factors in our national growth and prosperity have been patriotism and faith. As we walked through the years, alongside our duties and responsibilities as citizens, we planted our national motto, "In God We Trust."

The churches of America are the custodians of our religious faith. Through them we have imparted to the people a knowledge of God and a sense of His overruling providence. They have played a great part in the building of this nation.

### THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four solid reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

This advertisement contributed to the cause of the Church by the following patriotic citizens and business establishments:

**Local Feed Company Works at Capacity**

According to Mr. Eldson of Ayers Feed the average yield of the wheat in this section is about 22 bushels per acre with the wheat from Lubbock south being of the best grade.

Ayers is handling some overflow wheat but is having to restrict its territory or the company would be "snowed under" says Mr. Eldson.

This company is working full capacity and is shipping wheat

almost everywhere except to Alaska; or so it seems to Mr. Eldson.

He says the prospects for other grains are excellent and no rain is especially needed now; however, rain can always be used, he added.

**JUNE PERMITS TOTAL \$14,000**

J. J. Maxey, City Secretary, reports the following building permits for the month of June:

6 new homes \$13,500.00  
1 Alteration 500.00
