

Clean-Up Week Begins Monday

Phone Company Granted Increase In Rates From 25 Cents To \$1.50

Telephone rates in Slaton are going up, according to a rate increase granted the Southwestern Bell Telephone company by the City Commission in their meeting on Monday night.

The increase will become effective 30 days after the second reading of the ordinance in the city commission meeting. Rates will increase 25 cents for two-party lines; 50 cents for one-party lines and \$1.50 for business telephones.

Telephone company officials said it would be the first rate increase since 1928.

The commission granted the company a one-year increase, only.

Meeting with the local body were W. L. Blakney, district manager of the company from Abilene; and Cecil Cale, Lubbock manager who has been working with Blakney on this project.

The phone company claimed their net profits in Slaton to be only .88 of one per cent during the past year. The rate increase will move this figure upward to 4.80 per cent profit.

The increase will mean an additional net increase of \$8,237 from phones within the city of Slaton.

Present rates for a two-party phone are \$2.25 monthly. Under the new rates these phones will be \$2.50. A one-party phone will jump from the present \$2.50 monthly fee to \$3.00, while the business phones will jump to \$6.00 from the present \$4.50 figure.

Rate increases will probably go into effect some time after July 11.

Local P-TA Women To Attend Lubbock Institute Tuesday

Several local women, active in Parent-Teacher Association work, are planning to attend the first Institute on Parent-Teacher Leadership of the Texas Congress of P.T.A., to be held June 21 and 22 at Texas Tech college, sponsored by the association and the college.

Mrs. Sug Robertson, president of the Ward School P.T.A.; Mrs. R. L. Smith, president elect of the high school P.T.A.; and Mrs. Seaborn Teague, retiring high school president, voiced intentions this week of attending the institute.

The institute is for Area 3, Districts 14 and 16, of the parent's association.

Mrs. Robertson said she felt it a very worthwhile affair, and voiced opinion that any Slaton woman desiring to attend would find it well worth their time. She said that plans were to attend only those lectures that would be of direct benefit to the local organizations.

Registration and general sessions will be held in the Agriculture auditorium on the campus. Lectures will be given by many of the college's professors, as well as Dr. W. M. Wiggins, president.

Visiting district and state board members of the Parent-Teacher association will be "resource persons" to assist in work shops and discussion. Group participation is invited at all discussion periods.

Registration will begin at 8:15 a. m. Tuesday, and all of Wednesday will be taken up by talks by various persons, plus several panel discussions and workshops. Several entertainment features are scheduled for those attending.

Sundown To Play Lions On Sunday

After visiting Post Thursday night seeking their first victory in the last three starts, the Slaton baseball nine comes home Sunday to play the Sundown Oilers and open a week that has three home games on the schedule.

Manager C. E. McCoy has announced that following Sunday's home game the Lions will play their first home game under the lights—their first try here being blown out by a duster two weeks ago—with Denver City's Oil Belt League-leading Oilers Tuesday night at 8:15.

On Thursday night of next week, with the same starting time, Seagraves will invade Lions Park for a regularly scheduled game.

The Denver City clash is a make-up tilt.

McCoy also announced that J. E. "Runt" McCoy will be present Sunday to hurl against the Sundown nine. McCoy is the hurler who proved so effective in the first local game of the year, setting down the House of David barnstorming nine while the Lions were beating them. His appearance here this year he also contributed to the winning cause by lashing a line-drive home run over the right-field wall, the first homer hit here this season.

Tuesday night McCoy will call on either Jess Collard, Curt Wilson, William Banks or French to hurl against the double-tough league leaders. In their last outing against the locals the Oilers won 9 to 8, scoring unearned runs for their victory.

Thursday night's tilt brings on Seagraves who beat the locals last Sunday 11 to 9 on three big innings.

Seagraves is firmly entrenched in second place, at present. They slammed Banks from the box last Sunday with three innings of heavy batwork, but could not solve the slants of relief-pitcher French. The latter may be the choice to start Thursday night.

Admission will be 60 cents for all adults. Starting time for all games in Lion Park will be 8:15 p. m.

CUB SCOUTS TO MEET

A pack meeting of the Slaton Cub Scouts has been announced for June 30 at the Slaton Club House by Cub Master Bland Tomlinson. A pot-luck supper will be served on the lawn there, with regularly scheduled activities to be held in addition.

The council president also said that work had begun this week tying the buildings—surplus Army barracks—together into what will become the youth center. The present activities, the Boys Club under direction of Clarence Tillery, are pressed for space, according to Ragsdale, and work is being pushed to complete construction work.

Tillery has an average of 56 boys reporting daily, and already has expressed a need for at least three more baseball diamonds. All of this will be delayed, at the present site, until the center is more nearly completed.

We Salute Typical Slaton Fathers—

Honor To Be Paid "Dads" This Sunday

Clark C. Self is the owner of Slaton Furniture Co., is the father of two children, Clark, Jr., 15, and Sharon Ann, 2. He has been a citizen of Slaton for over twenty-nine years.

George G. Green is Lubbock County Commissioner for Precinct 2. He has been a citizen of Slaton for twenty-nine years and is the father of eight children, one of whom, Geo. Jr., was lost in World War II. Another son, Earl, was wounded and another, Bill, served for a time in the U. S. Navy.

W. T. Cherry, who is the Santa Fe Agent here, is the father of three sons, Donald, who is married and has a small daughter, Paula; Bill and Jim, who are students in WTSC and A&M respectively. Mr. Cherry has been a Slaton resident for ten years.

Youth Center Will Get Proceeds From Benefit Show Here

A benefit show at the Slaton theatre will be held July 12 for the Slaton Youth Center, all proceeds going to the fund for completion of the newly-created organization, it was announced this week by Dr. R. W. Ragsdale, Jr., Youth Council president.

Ragsdale also called a council meeting for Monday night at 7:30 o'clock in the office of the Chamber of Commerce manager.

The benefit show will be one to appeal to adults mainly, the feature being "Carnegie Hall" with a list of famous musical personalities named as performers. Such stars as Rise Stevens, Lily Pons, Fritz Reiner, Gregory Piatigorsky, Harry James, Vaughn Monroe and the New York Philharmonic Symphony orchestra will be featured.

Ragsdale said that the publicity men claim it would take two years of time, plus at least \$35 in cash to see such star performers on the stage.

A representative body from the youth council will be appointed to sell tickets for the show's lone appearance on the South Plains.

No other theater will book the film, and only one other spot in Texas, Dallas, will show it.

The council president also said that work had begun this week tying the buildings—surplus Army barracks—together into what will become the youth center. The present activities, the Boys Club under direction of Clarence Tillery, are pressed for space, according to Ragsdale, and work is being pushed to complete construction work.

Tillery has an average of 56 boys reporting daily, and already has expressed a need for at least three more baseball diamonds. All of this will be delayed, at the present site, until the center is more nearly completed.

Lions To Install Officers Tuesday Night; Mel Tudor Is New President

Play To Begin In Lion Park

Annual formal ceremonies for installation of new officers will be held on Tuesday night of next week by the Slaton Lions club, when Melvin B. Tudor will take office as Boss Lion of the local club.

Dr. Doyle D. Jackson of Lubbock, Deputy District Governor of Lions International, will be present to handle installation of the new office holders.

Tudor will succeed Max Arrants, president for the past year, after serving as Lion Tamer and director for the year just ended.

Arrants ends a term of office that saw the Lions build a lighted baseball and softball park for use by local teams, as well as many other accomplishments of civic improvements.

Entering office in the role of first, second and third vice-presidents, respectively, will be Jack Cole, Roland McCormick and Norman Spears. They succeed Bland Tomlinson, Lee Vardy, Jr., and Cole, who served in the order given, in these offices last year.

Tommy Davis has been elected treasurer for the ensuing year. Jesse Johnson will succeed Edmb as Tall Twister, and Hack Water succeeds Tudor as Lion Tamer.

Elected to the board of directors are J. H. Freeland, Bland Tomlinson and Ray Mudgett, succeeding retiring directors Elbert Wilson, Ralph Dickson and E. J. Hill.

Officers elected serve for one-year terms, with exception of two directors, Tomlinson and Mudgett, serving two-year offices.

Midway Leads In Softball League With No Defeats

Play will continue tonight in the Tri-County Softball League with two games on tap as league-leading Midway collides with Ayers in the 8:00 opener and VFW plays Pleasant Valley in the night cap.

Midway, the lone undefeated team in the circuit, has pushed itself into the favored bracket with their convincing wins thus far this season. Last Friday night the leaders downed Hoyt 3-0 in what was probably the best game of the local season. On Tuesday the Midway nine returned to action to drop Pleasant Valley 7-4.

Meanwhile, Ayers beat the VFW Friday night, in a game that may be forfeited due to Ayers not having a full certified lineup, 12-7. Monday Ayers beat Hoyt with six hits counted against Willie Holder, top Lubbock pitcher. Bingham allowed only three hits in marking up this win. In the other game Monday Posey trounced the VFW nine 12-0 in a lopsided contest.

Tuesday night, other than the Midway tilt, Posey beat the slipping Hoyt team 6 to 3.

Two games were played Thursday night to make up the lost night next Tuesday when the Lions baseball nine plays Denver City. Monday night Posey plays Ayers in the first game and Midway plays the VFW in the final.

Paving Contracts Awarded By City

Paving of Fourth, Fifth, Sixth and Crosby Streets was negotiated with Kerr and Middleton construction company at an average price of \$3.85 a foot at Monday night's meeting of the City Commission, a paving project which recently saw bids rejected by the body as being too high.

Bid price was \$4.07 by the lowest bidder, a figure the commission deemed too expensive. Bids were opened last week and rejected. This meeting was held primarily to consider the paving projects.

Also, at the meeting, petitions were presented and accepted for paving on South Fourth Street, between Lubbock and Garza Streets. This is planned for the immediate future.

A meeting will be called in the immediate future to consider other petitions on hand, of which there are several.

The total estimated cost of improvements on Fourth Street is \$13,861.25. For paving of Fifth Street from the Scurry Street intersection to Lubbock Street, the estimated cost was \$3,142.49.

From Garza Street and Fifth Street to the intersection of Fifth with Crosby, the estimated contract cost was \$5,453.54. Improvements on Sixth Street, from Scurry to Lynn—except for the intersection with Garza—are estimated at \$7,764.59.

Hot, Dry Weather Prevails In Area

Welcome weather — hot and dry — was prevailing in the Slaton area up to the middle of the week.

Since the June 10 edition of the Slatonite there has been but two inches of rain, about half what fell during a corresponding period the previous week. This rain came previous to Monday, and through Wednesday no rain had fallen in the vicinity.

The temperatures ranged from the Sunday 9 a. m. low of 74 up to a high Monday of 92 degrees. The high temperature was recorded at 3:00 in the afternoon.

An approximate average of 83 degrees has been recorded for the first four days of this week.

Pictured above is a modern grass seed drill, property of the Lubbock County Soil Conservation District, that handles any type of seed, in single or types or mixed. The

machine was purchased by the board of supervisors of the district and will be loaned to farmers at 50 cents an acre charge. Pictured above with the machine are, left to right, E. R. Davis, Acuff, chair-

POLICE BUSY THIS WEEK

Up through Tuesday evening of this week there had been one arrest for driving while intoxicated, three had been jailed for being drunk, one man was turned over to the County authorities for assault with the intent to murder, and five were arrested on traffic violations and one juvenile was taken in custody by the County authorities for forgery.

Slaton To Stage All-Out Drive To Eliminate Germs

Slaton residents have been called upon to get out the weed cutters next week in an all out "clean up week" campaign to rid the town of all germ-breeding places, and subsequently to rid the town of any polio threat.

A drive sponsored by several civic organizations and clubs has been started and Mayor Lee Wootton has stated that the city garbage disposal units will be devoted to cooperating in the move, and has urged all citizens to clean out their yards.

The drive began last week, and grew into a moving campaign when it was reported that a local child was stricken with polio, said to be prevalent when refuse piles and weed patches go unattended. It was later learned, that the young girl reported stricken, did not have the paralyzing disease.

All property owners are asked to clear their properties of any weeds and refuse, even though their property be vacant lots or uninhabited buildings.

Mayor Wootton said the city officials "wish to apologize for their delay in gathering garbage during the past several weeks, but we couldn't keep it from raining."

Wootton pointed out that city trucks could not progress through alleys due to moisture, as the heavier trucks bogged down in rain-soaked, non-paved alleys.

He said that two trucks of the city will be devoted entirely to cleaning up debris and refuse placed in proper places by residents, barring any more rain. These trucks will run every day until all back work is done and regular runs will once again care for the refuse to be gathered, Wootton said.

Mrs. J. R. Sanders, who is one of the campaign committee, has requested that any persons owning trucks, or having truck drivers at their disposal, contact her at phone number 679-W so these machines and men can be used in the drive.

The sponsoring agencies are the Ladies Society to Brotherhood of L.F. and E., the Brotherhood itself, the Brotherhood of Railroad Trainmen and their Ladies Auxiliary, the Slaton Board of City Development and Chamber of Commerce, and the Slaton Lions Club.

These organizations ask that all refuse be gathered and placed in containers in alleys; that all grass and weeds be cut and piled in accessible places; and that any unsanitary conditions not being taken care of be reported to the city secretary or police department.

The city has just recently received one complete spraying with DDT solution, according to city officials, and another will be given when health officials deem it necessary.

Dr. W. E. Payne, city health officer, pointed out that special emphasis should be given to keeping of lids on all refuse cans, and that they should be emptied as soon as possible.

A supply of safe disinfectant should be available around all homes and businesses, Dr. Payne said, and should be used regularly in places where garbage is kept.

Forgers Active Again In Slaton

Berkley and Haddock and the Slaton Piggly Wiggly food stores were the victims of forgers last Saturday when a man and a woman cashed checks of \$40.00 each with the two stores.

The cashiers who accepted the checks claim that they had seen both the man and the woman in the stores previously.

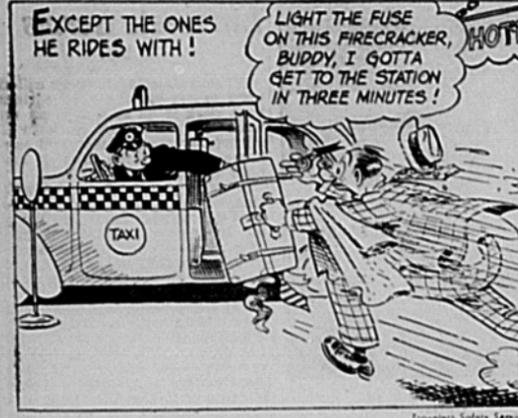

A local youth was also taken in custody for forgery.

Chief of Police Ward reports that forgers are more active in all parts of the country than they have been in many years and that those who operate business establishments and those who handle money should be very careful about identifying those who present checks.

Mr. and Mrs. Ira McCarver and daughter have been visiting her twin brother and family at Sherman, his sister and family at Frisco and also went on to Bogota and Clarksville the past week.

A public hearing on a proposed paving project for Precinct 2 will be held in the Commissioners Court Room at 10 o'clock Friday morning, June 17. After the hearing, a date probably will be set for an election for bonds not exceeding \$300,000 for the paving of approximately 28 miles. — Post Dispatch.

At a called meeting of representatives of the Jaycees, Lions club, Kiwanis club, Jayceettes and the city sanitation department Tuesday afternoon in the county courtroom the body decided unanimously to direct a thorough clean-up campaign of Colorado City. The plan calls for every family in town to be responsible for cleaning up his own premises and stacking all trash in the alleys where the city usually picks up garbage. If an alley is not accessible, then pile the trash on the street in front of your home so that the pick up details can be handled more easily. A petition has been circulated asking all business houses to close on Wednesday, June 15th, in an effort to enlist everyone in this final clean-up day in the campaign. Colorado Record.

Finishing touches to a year of progress in Hereford will be put on this week as citizens turn their efforts towards cleaning up the city, with a concentrated effort on Thursday.

With every major project ceasing what to do with the city dump accomplished, Mayor Dame on said Thursday that all we need to have everything in tip top shape is a concentrated clean-up drive Friday, following Thursday clean-up day, the fogging machine recently purchased by the county will blanket the town. He said it will go up one side, down the other and through every alley in the town. City trash trucks will also remove all trash picked up during the campaign.

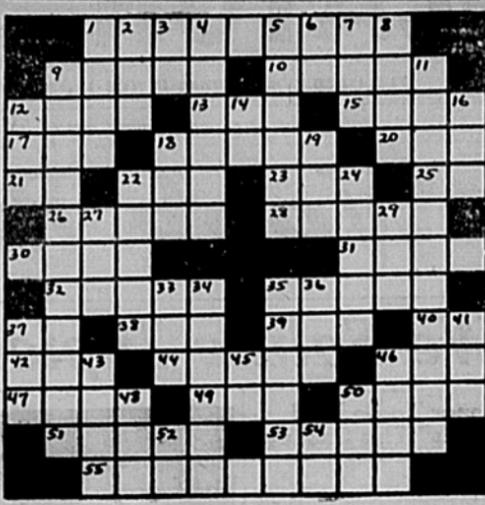

After that the city will be sprayed periodically, especially following rains. He said they also intend to get the fogger out into the farm areas and the park and possibly spray the creek areas by airplane if it is necessary and feasible. — Hereford Brand.

Large crowds are enjoying the scenic beauties of the Palo Duro State Park every day, according to reports being made from the management. More than 4,000 persons entered the Park last week, which was the second largest paid attendance in the history of the Park.

Prize winning coins are being found daily by the crowds which are on the Treasure Hunt on the floor of the canyon. — Canyon News.

Tarzan Returns To Screen Sunday; Shirley Temple Show To Be Here

Beginning today with "Unknown Island," the Slaton Theatre begins a week of movies that bring such favorites as Tarzan, Edward G. Robinson and Shirley Temple to the screen for the week's movie-goers. Today and Saturday Unknown Island in cinecolor will star Virginia Grey, Phillip Reed, Barton MacLane and Richard Denning in an adventure drama of a quest by a small group of men and a girl to

photograph or capture prehistoric monsters known to exist on a mysterious island in the Pacific.

The story begins with Reed catching a fleeting glimpse of prehistoric monsters while on a routine Navy flight. After the war he organizes an expedition, led by a tough sea captain, to get proof of existence of the huge beasts.

The story from there on concerns the reactions of the party to the monsters, as well as many shots of the monsters themselves, and the love triangle between Miss Grey, Reed and a young derelict, Richard Denning.

Saturday night at 11:00 the second "Owl Show" will be presented for movie fans. Admission to the regular Saturday picture and the Owl shown on one ticket will be possible at 10:00. The show tomorrow night is "Leather Gloves." It will be shown for the midnight preview audience only and will not be on the screen Sunday.

Taken from the Saturday Evening Post story by Richard English, the movie stars Cameron Mitchell, Virginia Grey and Sam Levene.

Sunday and Monday an old favorite—with a new face—will return to the local screen to thrill youngsters and grown-ups alike with his daring feats among the jungles.

Lex Barker, a newcomer to this role, will bring Tarzan to the theater in "Tarzan's Magic Fountain" with Brenda Joyce as his "Jane." The plot revolves around an African version of the Fountain of Youth, whose secret is guarded by natives. A British aviator, whose plane crashed near the geyser 20 years before, also knows the secret as does Tarzan.

The secret is revealed when the flyer returns to England and Tarzan finds himself pitted against a band of adventurers, determined to take over the fountain.

"Night Has A Thousand Eyes," starring Edward G. Robinson and Gail Russell, arrives at the Slaton Theatre Tuesday night to thrill fans with a strange story of a man with the power to foresee tragedy.

When these occult powers reveal a tragic end to the life of his fiancée, the principal character, Robinson, goes into hiding to try and prevent the tragedy. He comes out of hiding 20 years later to try and prevent the death of two other loved ones.

Shirley Temple will bring a merry, frolic end to the week's theatre activities with a comedy poking gentle fun at the foibles of two generations ago in RKO's "Adventure in Baltimore," co-starring John Agar and Robert Young.

Young plays a kindly Protestant minister whose greatest problem is curbing the impulsive nature of his oldest daughter, Miss Temple, as the daughter, rides rough-shod over her home town's sensibilities, leading her to a series of hilarious mishaps involving her family and her friends.

Janice Greer, Nita Sanders, Annette and Ova Sue Wilson and Janet Alderson went to Lubbock Monday morning to register for entrance to Las Leonitas, Girl-Scout Camp at Buffalo Lakes, in July.

Weaver Leads Lion Batters With .500

Through seven Oil Belt League games, A. H. Weaver, is leading the hitters on the Slaton Lions nine with a fancy .500 batting average, collecting fifteen hits in thirty times at bat.

Weaver's average, not the highest of all team personnel, but above all regular players, is just slightly ahead of Clarence Tillery and Jimmy Donaldson.

Tillery raised his average the past two Sundays from .353 to .476, with six hits in his last ten appearances, a .800 average in itself. Donaldson is now hitting .404, having dropped slightly from his earlier .475 mark.

Tillery's average includes one home run, hit last Sunday against Seagraves.

Relief pitcher "Frenchy" French of Lubbock, has the highest average of any player on the roster, his mark now resting at .555. He dropped from an earlier average of .600, getting two hits in four trips to bat during the last two games.

Several Lions now hold marks just below the .300 class. William Banks is currently hitting .333; but his early season mark brings this down to .299. J. Gray is hitting

.286; Jim Reiger has a .273 mark; and Dill, regular catcher, is hitting .234. Manager C. E. McCoy has a .291 average, having dropped from .333 in his last two games.

Curt Wilson, pitcher and outfielder, fell from .444 to .364 with two hits in his last seven times at bat.

This gives the club a batting average of .364, up 14 points from the average three weeks ago. Most of this upsurge was due to the improvement at bat of Tillery, and addition of other regular players who are holding steady averages.

Army Role of Pickles

Uncle Sam's men in uniform are eating pickles at the rate of more than a dozen pints of pickles per man per year. It has been estimated that the armed forces are consuming many more pickles than spinach and baked beans combined. Government nutritionists have long recognized the role pickles play in pepping up plain food and supplying important quantities of vitamins A, B and C.

Radioactive Stockpile

Atomic piles in Oak Ridge and elsewhere are making available to all branches of research a supply of radioactive materials that promises to speed the solution of many current medical as well as chemical problems.

Slaton Lions Now Down To Seventh

Denver City's red-hot Oilers maintained their slight edge over Seagraves in the Oil Belt League standing last Sunday as both teams came through with victories.

Denver City dropped Sundown 9-4 while Seagraves was kicking Slaton's Lions 11-9. Power at bat was the difference in the Denver City-Sundown clash. Too little, too late was the story in the Seagraves battle with Slaton, a loss, which dropped the Lions to seventh place.

Levelland's game with Brownfield was not reported on schedule, but it is expected to be a Levelland win over the hapless cellar-dwelling Cubs. Levelland is in third place according to present statistics.

Post beat Tahoka last Sunday 9-5, coming from behind for the win. This win put Post in fourth place, ahead of Sundown. Tahoka dropped to sixth as a result of the loss, still ahead of the local nine. Brownfield is in the cellar with no wins in 11 starts, not including Sunday's game. A win for them would not alter their standing at all.

The Lions have won but two games this season. They belted Seagraves opening day and beat Brownfield once. They have lost one to Denver City, one to Seagraves, one to Sundown, and one to Post.

The standings through last Sunday:

TEAM	W	L	Pct.
Denver City	8	1	.889
Seagraves	8	3	.727
Levelland	5	3	.625
Post	6	4	.600
Sundown	5	6	.454
Tahoka	3	5	.375
SLATON	2	4	.333
Brownfield	0	11	.000

NOTICE BY CITY OF SLATON TO OWNERS OF PROPERTY ABUTTING CERTAIN STREETS OF INTENTION OF CITY TO PAVE AND IMPROVE SAID STREETS AND TO LEVY ASSESSMENT AGAINST SAID PROPERTY AND THE OWNERS THEREOF IN PART PAYMENT THEREFOR AFTER HEARING: AND TIME OF HEARING.

Whereas, on the 25th day of April, 1949, the City of Slaton by resolution requested Parkhill, Smith & Cooper, Engineers of said city, to prepare plans and specifications and estimates of costs of paving and improving certain streets in the City of Slaton; and

Whereas, by resolution passed on the 23rd day of May, 1949, said City Commission approved said plans, specifications and estimates and determined that it is necessary that the hereinafter set out and enumerated portions of streets, avenues, and alleys in the City of Slaton be improved by raising, grading and filling same, by installing standard concrete curb and gutter, and by paving with triple asphalt surface treatment on six inch compacted caliche base:

FOURTH STREET, from its intersection with the South property line of Garza Street to the existing pavement on Railroad Avenue, save and except the portions of the Garza Street intersection already constructed and Crosby Street from its intersection with the East property line of the alley between Fourth and Fifth Streets to a line 25 feet northeast of the Southwest property line of Railroad Avenue, known and designated as Unit or District No. 1.

FIFTH STREET, from its intersection with the North property line of Scurry Street to its intersection with the North property line of Lubbock Street, known and designated as Unit or District No. 2.

FIFTH STREET, from its intersection with the North property line of Garza Street to its intersection with the South property line of Crosby Street, known and designated as Unit or District No. 3.

SIXTH STREET, from its intersection with the North property

line of Scurry Street to its intersection with the South property line of Lynn Street, save and except its intersection with Garza Street, known and designated as Unit or District No. 4; and

Whereas said resolution provided that the property abutting said sections of said streets proposed to be improved and the owners thereof should be assessed and pay for not exceeding all the costs of curb and gutter abutting their respective properties plus 9/10ths of the remaining costs of the improvements in the units on which the respective properties abut; and

Whereas, the estimated costs for said standard curb and gutter is \$1.35 per front foot and the estimated costs for paving is \$2.50/175 per front foot, for each of said units or districts, the total estimated costs of improvements designated as unit or district No. 1 is \$13,861.25, the total estimated costs of improvements for district No. 2 is \$3,142.49, the total estimated costs of improvements of district No. 3 is \$5,453.54, and the total estimated costs of improvements of district No. 4 is \$7,764.59; and

Whereas, said resolution provided that before the levy of such assessments, hearing be held under the provisions of Article 1105b of the Revised Civil Statutes of Texas, after notice given as provided by law;

Now therefore, under the provisions of said Article 1105b R.C.S. of Texas, notice is hereby given to all said owners of property abutting upon said streets and alleys, and to all persons interested in said improvements that hearing will be had by the City Commission of the City of Slaton on the 2nd day of July, 1949, at the City Hall at Slaton, Texas, beginning at ten o'clock A. M., at which time any of said owners or interested persons who shall desire to contest any such assessment on account of the amount thereof or for any reason will be heard; and such hearing shall be continued from day to day and from time to time as may be necessary to give all said property owners and interested persons a full, complete, fair and impartial hearing upon all matters with respect to such improvements and the levy of assessment in pay-

ment therefor.

After all persons have been heard and such hearing has been closed, assessments will be levied by ordinance against the abutting property and the owners thereof, which assessments will be a personal liability of the owners of such property and the first and prior lien upon said property as provided by said Article 1105b R.C.S. Texas.

Published by order of the City Commission of the City of Slaton, this 14th day of June, A. D. 1949.

Their First Soap

BERLIN, GERMANY—Two tiny frauleins work up a lather with the first soap received in Berlin through the CARE soap drive. German children like these have never seen honest-to-goodness soap. Bob Hope, who saw their plight when he was abroad last year, is continuing to urge support of the CARE campaign on his radio show. The drive lasts till August 1, during which time Lever Brothers will donate one cake of soap for every two Swan wrappers sent to CARE, Boston 1, Massachusetts. CARE delivers the soap to the children overseas.

Mr. Fry plans to continue his education and Mrs. Fry will be employed in the publications office of the college.

SQUARE DANCE CLUB TO MEET FRIDAY NIGHT

The Slaton Square Dance Club, sponsored by the Daughters of the Pioneer Study Club, will have a dance at the VFW Hall beginning at 8:30 Friday night, June 17. Mr. and Mrs. Buford Jones are to be host and hostess for the occasion.

The home of Mr. and Mrs. W. A. Sikes, 620 S. 10th, was the scene of the wedding of their daughter, Frances, and Frank Weathered at ten o'clock Wednesday morning, July 15. Mr. Weathered is the son of Mr. and Mrs. Irvin Weathered of Neosho, Mo., formerly of Slaton.

Mrs. Lowell Merrell, pianist, played, "Claire de Lune," "Ah, Sweet Mystery of Life" and accompanied Donald Sikes, the bride's brother, as he sang "Always."

J. Lloyd Moyer, minister of the Church of Christ, read the double ring ceremony.

Given in marriage by her father, the bride wore a two-piece dress of eggshell salyna, with double peplum and full skirt, pink halo hat and pink nylon gloves, black shoes and bag. She carried a colonial bouquet of pink rosebuds.

Mrs. Arthur L. Voth, sister of the bride, was matron of honor. She wore a dress of grey cotton designed with empire neckline and full skirt, a white picture hat, and a corsage of sweetpeas.

Floyd L. Reynolds of Lubbock was best man.

Following the ceremony a reception was held in the home. The bride's table was covered with an imported linen cloth and centered with an arrangement of peonies, daisies and carnations, flanked by white tapers. Mrs. Volt served the heart-shaped wedding cake and Miss Cleo Joyce Keese presided at the coffee service. Mrs. Sam Phillips, jr., registered the guests in the bride's book. Mrs. Floyd Reynolds of Lubbock was among the guests.

Both bride and bridegroom are graduates of Slaton High school, attended Texas Tech and have recently been employed by the Santa Fe Railway, where Mr. Weathered will continue with his work. Mr. Weathered served in the Navy during World War II.

After a week's wedding trip to Chicago, Ill., the young couple will be at home in Slaton.

GEANE MARTIN TO MARRY IN JULY

Announcement was made this week of the engagement and approaching marriage of Geane Edwena Martin, daughter of Mr. and Mrs. T. K. Martin, formerly of Slaton, to Kenneth R. King, son of Mr. and Mrs. A. J. King of Odessa.

The wedding is to be solemnized Saturday, July 23, at 7:30 o'clock in the evening at the First Christian Church in Lubbock.

Miss Martin, who is a graduate of Slaton High school, was graduated from Texas Technological college in May with an applied arts major and Mr. King has just graduated from Texas A&M college with an architecture major.

For the hostess who wants something different for a party prize, the ideal item is the new midge pencil sharpener now in stock at the Slatonite. Just like the large one, but in a small convenient size for home use.

Lions Continue Losing Streak On Sunday As Seagraves Wins 11 To 9

Spotting the Seagraves Oil Belt League baseball nine 11 runs in four innings, the Slaton Lions dropped another game Sunday afternoon at Seagraves 9 to 11, despite some fine relief hurling by "Grandma" French.

The host team found the curves of William Banks to their liking in the early innings and blasted him for 10 hits and as many runs before French came into the game with two out in the fourth to put out the fire allowing only one run.

The Seagraves team, currently in second place in the league standings, was able to get but two hits off French, one in the fourth and one in the fifth, netting one run. They were held hitless the last three times at bat, not coming to bat in the ninth.

Clarence Tillery, who played first base until the fourth, led the hitters with two singles, a double and a home run in five times at bat. Tillery took over the catching duties in the fourth inning, coming to receive French's offer—placing Manager C. E. Mc-

Slaton Girl Enters HSU For Summer

ABILENE—Kathy Lorene Rowan, daughter of Mr. and Mrs. Bert Andrews of Slaton, is enrolled in Hardin-Simmons University for the first summer term. Classes will continue through July 9. The second term will begin July 10. Enrollment has reached an all time high of 1165 students for the summer term.

Mrs. Rowan, a senior, is a member of the Home Economics club and the Business Administration Club. She served as vice-president of the Home Economics club this year. Her husband, Earl Rowan, is a prominent gridiron star of the Hardin-Simmons Cowboys. He will serve as co-captain for the 1949-50 football season.

Eighteen fields of study are being offered during the summer at H-SU. The courses include those in art and penmanship, Bible, biology, business administration, chemistry, education and psychology, English, French, government, history, physics, journalism, mathematics, physical education, radio, Spanish, speech, and music. Special workshops are being conducted in art, reading, curriculum, music education and child study.

Commencement exercises for graduates will be held Friday, August 19.

The SPORTLIGHT

by Bill

Last week was a wonderful one for pitching, batting and fielding averages—and ducks. It rained out every night's softball play, with exception of one and a half they got played before the monsoon season Monday night.

But such weeks are a little hard on sports columnists, furnishing very little material upon which we might comment.

At least there were enough games played to make us feel like "Weak" Jackson must have when over an inch of rain greeted his statement last Friday that the rainy season was ended.

We predicted Ayers the team to beat in the softball race and exactly three days later they committed five errors and lost a ball game to Pleasant Valley.

With no baseball or softball action locally, and the Lubbock Hubbers struggling along in haphazard fashion, we felt that the weekly blurb might be well filled with some information about the Slaton American Legion junior baseball nine that Coach Clarence Tillery is whipping into shape.

This year's high school baseball team was a pretty fair one, and with a break or two could have beaten Post once and taken the title. The Legion team is virtually the same, with exception of one or two boys who are working, or ineligible; and two boys have been added that will certainly help the team.

As to pitching, Tillery certainly has no worries there. Ed Willis proved, very ably, during the spring that he can pitch with the best of them. Ed struck out 14 men in at least three games this spring, and proved about as strong after seven innings of hurling as he was when he began. Poor support cost him a game at Post, with the home team booting in too many runs. In the second Post tilt Ed fanned fourteen but lost 2-1 when a walk and a home run proved more than his mates could master for him.

In addition to Willis, Tillery has Carl Lewis for relief work in case Ed falters. "Curly" is strong for four or five innings, and could become a very effective pitcher.

Billy Rammage has been added to the pitching staff, and is, in our opinion equal to any pitcher in this section. Hailing from Post, where they do not have a Legion team, he has twice beaten the local team and his last appearance here was one in which he pitched six innings and struck out nine men.

From the infield that served very capably during the year Carl Williams at second and Cecil Bybee at short are missing. Williams is too old for Legion ball, and Bybee is working for our friend, John Santa Fe.

Carl Lewis can fill in capably at second or short, and the other spot could be filled by Alvis Collins, last year's third baseman; Bob Lambert, Bob Chenoweth or any of several other squad members.

Jerry Huckabay will probably play at first, where he was during the spring; Ed Maeker, the high school team's leading hitter, will probably remain at third; and Coy Biggs, Lambert or Huckabay are leading prospects for the catching position, where Biggs played regularly this spring.

Johnnie Hammett of Midway has

been signed as a player by Tillery, and could fill in with the infield, or become a regular outfielder. Rammage is a fine fielder and either Harley Patterson, Tommy Swanner, Warren West, Jerry Reynolds, Duane Sooter or R. A. Thompson might fill the other outfield berth.

The wonderful thing about it all is that Tillery has several boys capable of playing two or more positions, plus a group of eager, hustling boys who want to make the team—and who will play a lot of ball.

This always contributes to a better team. Spur, Tahoka, Muleshoe, and even Lubbock—part of the league's teams, had better be ready to meet some pretty stiff competition when they play the local Legion nine.

Lubbock beat the high school nine once this spring, and last summer beat the locals several times, once on an outfielder's error with two out in extra innings. Nothing would be neater than a win over the Hub City nine.

The team plans several local games, according to Tillery, in addition to its regular league tilts. Hopes are that some night games can be played in the new Lions park, affording everyone a chance to see "their" boys in action.

And speaking of the Lions park, it is one of the finest—if not the best—in West Texas semi-pro baseball circles. As for softball it is better than any we have seen, affording enough light for even the blindest of players. If you haven't been out to see the park, and some games, it is your misfortune. Nine cents for a double-header in softball, and sixty cents for baseball is the admission. Neither price is too much for the enjoyment.

Why go see the Hubbers boot away a game, when the Lions can give you the same show right here at home.

How to Iron Linens

Linens should be ironed on the wrong side to prevent shine. If a high gloss is desired on damask cloths, iron first on the wrong side, then on the right. Linens should not be starched as they have a tendency to remain firm and crisp, but a very light starching is advisable for cotton or rayon damask cloths.

Certified Seed
Certified seed should be used more frequently. It is crop insurance.

Funeral Rites Held For H. J. Verkamp

Funeral rites were held Saturday morning, June 11, for Herman J. Verkamp, with a requiem high mass officiated by the Rev. T. D. O'Brien, Interment was in Englewood cemetery, under direction of Williams Funeral Home.

Mr. Verkamp, a retired farmer, died at the age of 78 at the Mercy Hospital at 7 p. m., Tuesday, June 7. He was born in Ferdinand, Ind., July 25, 1870. He was united in marriage with Catherine Holmes May 18, 1889 and moved to Texas in 1921. His wife preceded him in death Nov. 12, 1939.

He is survived by six sons, Leo J. Verkamp of Laurence, Neb., Harry of Ferdinand, Edvin, Roman and Gilbert, all of Slaton, and Sylvester of Wilson. Another son, Martin Verkamp, was killed on Guadalcanal in the South Pacific March 26, 1943. Five daughters surviving him are, Mrs. Augusta Blume, Mrs. Alfons Bednarz, and Mrs. Joe Kolodziejczyk, all of Slaton. Mrs. Pete Respondek of Idaho, and Mrs. Herman Schnieder of Wilson.

He is also survived by three sisters, Mrs. George Hass and Mrs. Henry Disselkamp of Louisville, Ky., and Mrs. Andy Wagner of Huntington, Ind., and two brothers, Frank Verkamp of Ferdinand, Ind., and John Verkamp of Indianapolis, Ind., and 25 grandchildren.

Pallbearers at the funeral were Messrs. Leo Kitten, R. J. Bednarz, Dennis Kolodziejczyk, C. W. Buxkemper and Henry Hollinden.

Mrs. O. P. Moyer and daughters, Shirley and Joanne, of Childress visited over the week end in the home of Mr. and Mrs. Lloyd Moyer.

Miss Marlene Tricks of Independence, Kans., arrived Friday for a week's visit in the home of Mr. and Mrs. J. S. Avent. On Monday Miss Tricks, Billy Avent, Miss Lavonne Ferguson and Jack Berkley went to Carlsbad to see the Carlsbad Caverns.

Rev. P. J. Burns, Joyce Burns and Patsy Hickman are spending the week at the Christian Church encampment at Ceta Glen.

Mr. and Mrs. S. L. Alderson spent the week end fishing in the Rio Grande near Marfa. Their daughter, Janet, returned home with them after a two weeks visit in Marfa with her aunt, Mrs. A. W. Waldrep.

Mrs. Stanley Bailey and children of Hastings, Neb., are visiting in the home of her parents, Mr. and Mrs. C. L. Ward.

High Radio Tower Highest earthenbound structure in eastern America is the radio tower of FM station WMIT. Although it is situated on Clingman's peak in North Carolina, which is 20 feet lower than 6,684 foot Mount Mitchell, the tower overtops the observation platform on Mitchell.

Degrees Are Given By Slaton K. Of C.

An exemplification of the first, second and third degrees was held Sunday by the Slaton Council of the Knights of Columbus by a class consisting of 25 candidates dedicated to Rev. Father T. D. O'Brien, Chaplain of the Slaton council.

Ceremony was under direction of State Secretary of the organization M. J. Babin, Jr., of Port Arthur and District Deputy J. J. Moore of Lubbock.

The day's activities began at 8:00 with 75 Knights going to Communion at Mass, followed by breakfast. The day's activities ended with a barbecue supper and dance.

Visitors were present from Lubbock, Midland, Hereford, Olen Umberger, Rowena and Nazareth.

Mr. and Mrs. M. G. Davis returned last Thursday from Colorado Springs, Colo., and are now at home on Lynn St.

Mr. and Mrs. Stanley Ratliff of Odessa are visiting in the home of her parents, Mr. and Mrs. Rosevelt Gentry. Mr. Ratliff is convalescing following an appendectomy.

Mrs. Orbin Houchin is substituting for Mrs. Ootho Doyle as teacher in the Baptist Vacation Bible school which opened Monday with a good attendance.

Guests in the home of Mr. and Mrs. F. M. McAnear over the week end were Mrs. Will Rodgers, Mr. and Mrs. O. D. McGlathlin and daughters, Dan Ella and Cheryl Lynn, all of Silver.

Jed Robinson, Jr., of Austin, is spending the summer with his aunt Mrs. S. S. Forrest. He has just completed his freshman year at Texas A&M. He is employed for the summer with Plains Lumber Company.

Mr. and Mrs. Jed Robinson and son LaRue of Austin have returned home after visiting Mrs. S. S. Forrest and Mr. and Mrs. E. R. Legg. Mr. Robinson is Chief Construction Engineer for Texas State Highway Department.

Mrs. Levi Self and sons, Gerald and Stanley, of Houston, attended the wedding of her sister, Miss Betty Jo Hancock, in Lubbock on Friday night and are visiting in Slaton this week in the home of Mr. and Mrs. Clark Self, and family.

Mr. and Mrs. Woody Chandler of Greenville are visiting this week in the home of Mrs. Chandler's parents, Mr. and Mrs. Gilbert Self.

Mrs. Claud Smith of Sutherland, Ore., visited the first of the week in the home of her parents, Mr. and Mrs. C. C. Cox.

Sunday dinner guests in the home of Mr. and Mrs. O. F. Kitten were M. J. Babin, Jr., of Port Arthur, J. J. Moore and Mr. and Mrs. Royce Hill and family of Lubbock and Mr. and Mrs. Nestor Kitten and family of Slaton.

Mr. and Mrs. J. B. Kitten have taken their small son, Douglas, to Dallas to consult with an ear specialist.

Mrs. Hattie Cade accompanied Mrs. Jess Tims to Tyler Wednesday to visit a few days with a sick friend, Mrs. H. A. Garner.

Mrs. C. L. Ward and granddaughter, Marie, returned Monday from St. Louis, where they visited with Mrs. Ward's daughter, Marie's mother, Mrs. Vic Cipponeri.

THIS WEEK'S SMILES

The regular routine of clerking ill-suited the literary tastes and the wayward habits of Charles Lamb. Once, at India House where he worked as a clerk, a superior said to him: "I have noticed, Mr. Lamb, that you come very late to the office."

"Yes, sir," replied the wit, "but you must remember that I leave early!" — Christian Observer.

BLUEBONNET CLUB MEETS

The Bluebonnet Club met in the home of Mrs. Arthur Dennis on June 8th with fourteen members present. Mrs. George Culwell will be the next hostess on June 22.

Mr. and Mrs. Gunter Garland and their children will arrive tomorrow from Chicago to visit relatives.

Mrs. and Mrs. Everett Young, of Oakland, Calif., are now visiting in the home of her aunt, Mrs. Jessie Prosser. Young is a former resident of Slaton now in the grocery business in that state, moving from there in 1935.

Mr. and Mrs. Geo. T. Smith of Ganado are visiting this week in the home of their son and daughter-in-law, Mr. and Mrs. J. A. Smith.

Mrs. James C. Watkins and son, Dan, of Dallas, arrived Monday for a visit in the home of her parents, Mr. and Mrs. Gilbert Self.

Mrs. R. G. Stark of Dallas spent the week end visiting in the home of Mr. and Mrs. J. W. Chenoweth. She is a sister of Mr. Chenoweth.

Mr. and Mrs. A. E. Meador and daughter of Corpus Christi, Mr. and Mrs. R. E. Mabry and Mrs. Velma Roberts, of Columbia, La., were week end guests in the home of Mr. and Mrs. H. H. Gore.

Guests in the home of Mr. and Mrs. E. E. Wilson Sunday were: Mrs. Doyle Prater and children of Canyon, Mrs. Louis Reed and two children of Eldorado, Ark., Mr. and Mrs. Earl Wilson of Lubbock, Mr. and Mrs. Grady Wilson and daughter, Mr. and Mrs. Ray Wilson and family, Mr. and Mrs. Harold Wilson and family and Mrs. Raymond Stanifer and son, all of Slaton.

Mr. and Mrs. J. B. Kitten have taken their small son, Douglas, to Dallas to consult with an ear specialist.

Mrs. Hattie Cade accompanied Mrs. Jess Tims to Tyler Wednesday to visit a few days with a sick friend, Mrs. H. A. Garner.

There will be no predictions in this column—even as to our own future fortunes.

After last week's weather predictions by Haliburton Jackson, we will venture no opinions of future events. In the event you do not follow the weekly ramblings of our Honorable (?) editor, his Friday morning column predicting the end of the rainy season—and the advent of hot, dry weather—was greeted with overcast skies, an inch and three-eighths of rain, and a very damp day for his suggested lawn sprinkling. His alibi was that he meant "after today." He did not specify when "after today" would officially begin.

We came to West Texas from the Northeast corner of the state several years ago to pursue our education at a Lubbock institute of higher learning. Although many things we overlooked, we did notice a slight variety in weather.

In our education—outside the class room—we were told many things by upperclassmen. A few stuck with us and one was that only a newcomer or a darn fool predicts weather in West Texas.

Just Talk is written by a man who has been in West Texas many years. That leaves very few choices to make, as to his classification under the above adage.

During the past several days we found that three men who complain or little, or no business—into three different vocations—have so much to take care of that their lunch hour comes as late 3:30 p. m.

In chasing about town trying to accumulate some (we said we wouldn't mention the word here) for the Slatonite, Tip Kendrick, Bruce Pember and Lloyd Meyer were found "out to lunch" at from 2:30 to 3:00.

We are happy that business at these offices does not confine us to the extent that our noonday repast must be postponed. We are also happy to learn that some busi-

nessmen in the township are hard-working and conscientious enough to forego a meal for a dollar. Things are back to normal.

The fair city where we were "brung up" has for years been subject to periodical destruction by cyclones and tornadoes. There are persons there who run for the cellar every time the sun sets.

Our grandfather built, many years ago, shortly after the town disappeared one night down Sulphur River, a fine, and at that time, up-to-date storm "house."

About six months later the storm house caved in, never to be replaced. "Grandad" decided he had rather be blown away than suffocated. Thus, we were reared to ignore all such things as overhanging clouds and storm panic.

Up until the present we had forgotten the panic that tornado warnings by local predictors bring, but Slaton during the past few months has brought back these memories.

It has been pointed to with pride that traffic accidents here are negligible, but if some of these tornado dodgers don't use a little common sense and discretion when heading for the cellar, then we may have a few serious accidents before the summer ends.

Tornadoes travel about an average of 25 miles per hour, and as early as most local citizens head for cellars, there is no reason to hurry.

We do not criticize the practice of going to the cellar, but we do think people should use a little discretion about causing a panic when they head for cover.

Children are easily frightened when "ma and pa" go tearing through the night at high speeds, and that is only another of many reasons for driving and behaving sanely when it is decided necessary to retreat to underground protection.

After all, if we—not being a cellar inhabitant—are carried away some dark and stormy night, it is our desire to have a few live persons around to carry our coffin to its resting place.

Some day soon we plan to run a list of several varied subjects in the paper. We will be forced to wait until we have little you-know-what as this list will take several pages of type.

One we plan to itemize is a recount of remarks about our

Home Talks

"Linoleum logic" would prompt anyone needing floor covering to see us about their floors and cabinet tops, for our service is complete from materials to factory trained mechanic.

Bruce Pember availed himself of our service at his new duplex on South 12th. He had us install a red and black marbled heavy gauge 1/8 inch inlaid material in two hall ways, two bath rooms and two kitchens and had a standard weight embossed material put in two bedrooms. By doing this he saved a considerable sum because he would have had to put in new floors or sub floors if he had not had the old floors covered. We had to sand the floors several times, then size them, felt and lay linoleum, but we feel we got a good job on them and are proud to show them.

Mr. and Mrs. Don Bourn will be glad to show off their new living room floor in a highly resistant embossed linoleum, of which we are proud to say we made the installation.

Mr. and Mrs. Haggerman are proud of the new floor covering in their bath, kitchen and cabinet top. They chose a red and blue marbled vinylite plastic which will require a minimum of keeping and look good for many years to come. We know her friends will want to see it.

Mrs. Tanner will be glad to show her kitchen floor done in yellow vinylite plastic and feature striped with a 1 inch black plastic feature strip.

Mrs. Charlie Marriott had us put a new standard inlaid on the bath of her rent house so her next rentor should be happy about that.

You too can have a beautiful new floor in just a few days, ask us for a free estimate. We'll be glad to go over it with you and arrange terms to fit your budget.

boss, passed along to him through us as we wander about the streets. Many of these would naturally be subject to censorship, but others would be a delight to readers who have a good sense of humor.

As many as five different messages, none exactly complimentary, have been given us in a single day, all to be transported to the office brain-trust.

Another we plan to list is the many free positions that J. J. Maxey enjoys. He has more titles, none that pay in long green, than any person in town.

A third will be a list of donations that Mel Tudor has sought in the past year or so. The disadvantage of being your own boss caught up with Mel some months ago, and he has been the "goat" on every drive the city has held for some time. Asking money, even for worthy causes, can easily become a burden, and many local businessmen quit saying good morning "Good Morning" when they saw Mel—they only asked—"How Much?"

The final list in mind at present will include the woes of our Chamber of Commerce manager, F. G. Meading. We were cornered one afternoon—first on the bossage time, to which we did not object, and on into our own free time—

P. G. was giving us a run-down of many accomplishments he would like to make, and the restrictions on each. He was sincere in his statements, and we were glad to learn that even old "Duck Back" has his problems . . . and even more pleased to learn some of these restrictions to P. G.'s imagination.

is scheduled to be present next Sunday morning. Jo Bob Johnson of Ropesville was not here Sunday morning to fill his appointment.

The Kinchloe family has moved to one of the Klattenhoff farms. Some of the recent High school graduates who live here say they plan to attend Tech this fall.

Fred Tudor is adding a room to one of the houses on the gin yard.

Robert Boyce, who is visiting in Colorado, is being hindered in travelling by high waters, according to his father.

J. H. Stone served as the superintendent of the Sunday school Sunday in place of Jim Sain.

Johnny Fullington of Petersburg, who has relatives here, is in a hospital in Dallas.

Sunday night's big rain again delayed much needed field work, but most everyone still believes there will be a big crop.

A Methodist lay meeting at the Overton Church in Lubbock was expected to be attended by members of the Posey Methodist church.

James Earl Wilson of Lubbock was driver of a car which was badly damaged in an accident near Buffalo Lakes. The large car turned over when it was run into a ditch to avoid a head-on collision.

Mr. and Mrs. Clay Oates, Jr., are leaving Saturday evening for San Antonio for a week's vacation.

SLATON SPEAKS

From the Sidewalk—

(Editor's Note: The following column is the first in a series of questions, all concerning local citizens, that will be asked various residents, with their answers printed, seeking a cross-section of opinion on various subjects vital to the city.

The question asked this week and its explanation was: The city of Slaton is considering the purchase of a DDT spraying unit, similar to the one rented recently from a Lubbock firm. Cost of the sprayer alone was approximately \$102.00, not including the spray used. Spraying is needed approximately five times during the warm months to keep insects at a bare minimum. With a fog-type spray that will cover a wide territory costing about \$1700, or a mist-type spray that covers alleys and very little else, costing \$1,245, do you feel it would be a worthwhile investment for Slaton?

The Answers

B. N. Ball — "Buy one. If the higher priced one is a better spray, then buy it. The spray would pay for itself in four years, at the most, and if we don't buy one the city will not be sprayed often enough to be of benefit. However, I think that one of the main problems in keeping the city clean and free from polio germs, would be a more regular pick-up of garbage, and a spraying, often, of garbage barrels by the residents themselves."

Lewis Hollingsworth — "Buy the best one, and that is the fog-type spray. The mist will cover the alleys and a little of each yard, but the fog will go into homes, cover tree-tops and everything in the yards with the very lightest of breezes. I would guess the cost this summer of renting a spray would run about \$800, and at that rate two years would find the new spray paying for itself. If we rent

a spray one day, and it rains after the spraying then our money is wasted and we are forced to call the spray back again. With one of our own we can immediately go back over the city. Also we could spray the outlying lakes that breed mosquitoes, where the rental unit does not go, and that will keep mosquitoes from being blown into the city."

Milton Fields — "We very definitely need one. I saw many in operation overseas, and the results were wonderful at keeping down disease. The cost should not be a deciding factor."

Hammer Dawson — "That sounds like an awful lot of money. I do not dispute our need for one, and think we should have it, but in my opinion there should be some cheaper ones available some where. It would certainly seem more practical to buy the fog-type, however as, the mist type would appear to be just \$1,245 thrown away. It is just a question of effectiveness. If a spray will get the job done, then we should have one. They might be able to rent it to smaller communities that do not have these facilities, thus helping get our money back sooner."

J. S. Edwards, Jr. — "With polio the way it is, we should have a spray to use when we need it. I am not qualified to answer which type would be the best for Slaton, not knowing the difference in the effectiveness and the amount of space each covers. Slaton has, I think, the biggest sanitary problem in its history. The city is larger now than ever before, and we should be even more vigilant to keep disease at a minimum."

C. R. Bain — "You bet, Slaton should have a spray unit of their own. There is no use in paying rent on one from Lubbock, when the owning of one can be accomplished. The city has the money, and they should buy one."

Mel Tudor — "You bet. Buy the one that is most effective and will kill the flies and mosquitoes. The higher priced one should be the one if it is better and does the work; \$500 doesn't mean a thing where diseases like polio are concerned."

Changes Made In Oil Belt Schedule

A change in the schedule affecting five teams has been announced for the Oil Belt League, 1949 slate according to League President Joe Holmes of Lubbock.

The change cost the Slaton Lions a home game on September 4, forcing them to go to Post on that date, rather than playing the Millers in the local park.

Four other teams will visit Post on dates originally scheduled to be held in other towns. All are Sunday games.

The first date was last Sunday, June 12, which sent Tahoka to the Post park.

Sunday afternoon the league-leading Denver City Oilers will invade the Miller park in a game originally slated for the Oiler field.

Brownfield will visit Post July 10, and Seagraves goes there the 21st day of August. The other change is in the game with Slaton.

All changes were either to be made in this fashion, or revamping of the entire league slate would have been necessary to give the Millers enough games to keep their "heads above water." Holmes said

A Change is in Order...

Change to OIL-PLATING!

Safer! . . . In your engine, Conoco Nth oil won't break down under heavy loads. It stands up under high temperatures and long hauls. Conoco Nth is sturdy as an ox!

Ready To Go! . . . because an added ingredient in Conoco Nth attaches lubricant right to the metal. It won't all drain down—even overnight . . . your engine is actually OIL-PLATED!

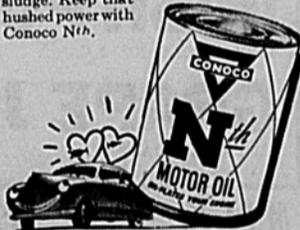

Hoards Power! . . . because another exclusive additive in Conoco Nth fights power-robbing carbon and sludge. Keep that hushed power with Conoco Nth.

Low Running Costs! . . . because an engine OIL-PLATED with Conoco Nth lasts and lasts. You save on repair bills. You buy less oil between drains.

UNION NEWS

Over the Wire

Mrs. Otho Doyle returned to Kress this week to be at the bedside of her father, who has suffered a heart attack.

Sunday guests in the home of Mr. and Mrs. Bill Royce were Mr. and Mrs. Royce and family of Odessa.

Messrs. R. M. and H. M. Cade went to Abilene last Wednesday to attend the funeral of their uncle, Mr. Fred Baker.

Mrs. J. G. Hampton returned home Tuesday after a visit in the home of her son, Mr. and Mrs. J. S. Hampton, near Southland.

E. B. Jones was called to Goree early Sunday morning. His father, E. J. Jones, passed away at 4 a. m. Mrs. Jones and children went to attend the funeral Monday. Services were held in the Goree Baptist Church, with Rev. S. E. Stevenson officiating, assisted by the Frenship Baptist preacher. Burial was in Goree cemetery, with grandsons as pallbearers.

S. D. Nelson is quite ill in a Lubbock hospital this week.

Mr. and Mrs. H. F. Doyle visited in Brownfield Sunday in the home of their daughter, Mrs. Rupert Martin, and family.

Recent guests in the Melvin Cade home were Mr. and Mrs. Horace Smith, Wayne and Charley Smith, of Slaton, Mr. and Mrs. Dick Cade and Deborah Ranan of Seagraves, Mr. and Mrs. Charles Cade of Cooper and Lynn Pope and son of Ganado.

Mrs. Carlson is slowly improving after returning from Mercy Hospital in Slaton, where she was taken following a heart attack about four weeks ago.

Mr. Leslie Green returned home Friday from a Lubbock hospital where he had been a patient for two weeks.

Mrs. Lula Gamble attended the funeral of Mr. Jones in Goree on Monday.

Missionary To Speak Thursday

Dr. C. L. Culppepper, missionary to China for over twenty years, will speak at the First Baptist Church Thursday night, June 23, at eight o'clock.

Dr. Culppepper, who is now home on furlough, was president of the Baptist Seminary at Kweilin at the time the Japs took over in 1942. He was held in custody by the Japanese until he was allowed to come home in 1944. Later he returned to China as a liaison officer for the army. He is one of the best informed men of today on the conditions of China. He left China only a few weeks ago, coming out just before the fall of Shanghai to the communists.

The missionary is acquainted with the tactics of the communists. You are sure to enjoy hearing him the pastor, J. T. Bolding, stated.

V.B.S. Students To Graduate Friday

At eight o'clock Friday evening the Vacation Bible School will present its commencement exercises at the First Baptist Church. This will be a sample of the work done throughout the school. Following the program the handwork done during the school will be on exhibit in the respective departments.

Mr. and Mrs. W. D. McCoy of Dallas will spend the month of June visiting in the home of her parents, Mr. and Mrs. C. R. Bain of Slaton, and will also visit in Lubbock and Ruidoso, N. M., before returning to Dallas where he will enter Baylor University as a Junior for the next semester.

Salesmen coming into this territory report that business is better over the territory now than it was a month ago; food prices have shown some declines in spots and some increases in others making things about even.

There are more apartments and rent houses available in Slaton now than there has been since before the war due to the fact that a number of new homes have been completed within the past three months, however the margin between folks looking for places to live and the number of places available is still very close. According to people who have lived in other towns the rental rates are much higher in most towns than in Slaton. If the landlords will hold their prices to a reasonable level, even if controls should be lifted, Slaton has an opportunity to become a much larger town.

Workmen report that there is a greater demand for repair work on most all kinds of remodeling and it is said that the demand for home furnishings is strong on better furniture, floor coverings are in good demand but the automobile dealers are finding the demand for used automobiles not as great, there are few cars coming on the market and the demand for automobile mechanical work is not as great as in the past.

With the change of locations of several business firms in Slaton there will be some choice locations available, one is said to have been leased and the owner of the building of another has several requests from firms wishing to rent, one is from a firm now doing business in Slaton and two from men who wish to move into Slaton with new businesses.

Brotherhood To Meet Monday, 20

The first regular monthly meeting of the Brotherhood of the First Baptist Church will convene at the church, Monday evening at eight. A feature of the program will be a motion picture, "Miracle in Paradise Valley."

Sunday at the First Baptist Church is Building Fund Day again. According to the vote of the church, all of the offerings received during the day, unless definitely designated otherwise, will be applied on the Building Fund. In the morning message the pastor will take cognizance of the fact that Sunday is Father's Day.

CARD OF THANKS

We wish to take this means to sincerely thank all who aided us in our bereavement caused by the death of our dear father, Mr. Herman J. Verkamp. Especially do we thank the Rev. T. D. O'Brien, donors of Spiritual bouquets, flowers, kind neighbors and friends. The Verkamp Family.
