

## SLATON CHILD DIES AFTER OPERATIONS ARE FAILURES

Funeral services were held Wednesday from the Slaton Baptist Church for little Linda Kay Jones the fifteen months old little girl whose long fight for life ended after the doctors of Baylor Hospital in Dallas had endeavored with all known means of science to make her well.

Linda Kay was born with the passage from her throat to her stomach closed and went through numerous operations to correct the abnormal condition. The doctors in the hospital had hoped that the last one would prove successful, although such an operation has never been known to succeed before.

The child died Monday and the funeral services were held Wednesday by Reverend W. F. Ferguson at the Baptist Church here under the direction of the Williams Funeral Home.

She was the daughter of Mr. and Mrs. Virgil Jones of Route 2, Slaton, who have gone through many hardships with the hope of saving the little girl's life.

## West Texas Roundup

Members of the new Scurry County Commissioners Court and County Judge Edgar Taylor Monday signed a contract with the State Highway Commission agreeing to furnish the right-of-way and do the fencing on the 8.24-mile stretch of farm-to-market road from Hermleigh south to the Mitchell County line.

Recent oil discoveries have shown Scurry County to be one of the most active and potential areas in the Permian Basin. Over the past week a wildcat was completed for a new discovery in the region and two locations were staked to follow up the pay opener.

Lion Oil Company completed its No. 2 McLaughlin, wildcat in the southwest portion of the county, 10 miles southwest of Snyder, to open a new producing section in the Canyon Hme formation of the Pennsylvania.

Note to fond parents: It may be wiser to mark your Christmas gifts to your children so they will know what you are giving them. The J. O. Newells are chuckling this week because during the holidays Mrs. Newell sent daughter, Elaine, now Mrs. John L. Willoughby, a roll of date loaf candy. Elaine thought it was ice box cookies, sliced it off and baked it. Result: neither cookies nor candy.

Thomas Parks has returned to his station in California after spending a two weeks leave with his parents, Mr. and Mrs. J. L. Parks.

Mrs. Grady Wilson is able to be up after several weeks illness, but is still confined to her home. Due to icy pavement a four way wreck occurred on the highway near the Alexander Oil Co. Sunday night, when several persons were injured. Deputy John Goswick was called to the scene and assisted in taking them to the hospital, but reported none seriously hurt.

As the result of an explosion on a Levelland street last spring a \$61,500 damage suit was filed in 72nd District Court in Lubbock Monday afternoon. Action grew out of an alleged explosion and fire occurring on May 3, 1948 of Mrs. M. Merrell Maples, 7-year-old local youth.

—Hockley Co. Herald

Citizens of Levelland will determine next Tuesday, January 18, whether or not they want to retain the present form of city government "as is" or change to the type now permissible because of its increased population. Qualified voters will ballot that day on whether to reject or adopt the Home Rule Charter which was recently drawn up by a group of citizens, assisted by the city attorney.

## Aerodynamics an Influence on New Car Styling

Pictured with a U. S. Air Force jet fighter plane, Chevrolet's Fleetline De Luxe four-door sedan exemplifies the clean, flowing surfaces that are the essence of modern transportation styling. Fleetline sedans are distinguished by the unbroken sweep of the roof line over rear quarters of the car. A two-door model is also available.

## Ben Mansker Now Welfare Director

It was announced this week that former Commissioner of Precinct 2, Ben Mansker, has been appointed as City and County Welfare Director to take the place of Joe Wilson, who held that position for the past seventeen years. Mr. Wilson resigned recently.

Miss Nancy Green of Lubbock is Mr. Mansker's assistant. The City and County Welfare League is an organization formed to help those who need assistance temporarily, until some permanent aid can be secured, and Mr. Mansker and his assistant pass on who is to be helped and in what way. While Slaton is not at present participating in the work, it is expected that this community will soon be doing so.

## J. W. Jernigan Was Buried Here Tues.

J. W. Jernigan, 70, retired farmer, resident here and in this vicinity since 1923 and an ardent softball fan, died at his home here Sunday morning after a lengthy illness.

As a mark of appreciation of his long interest in, and his efforts on behalf of softball and the boys who played the game in this vicinity, members of the Pleasant Valley softball team were pallbearers at the funeral.

Services were at 3 o'clock Tuesday afternoon at the First Baptist Church here, with the Rev. P. D. Fullingim, Baptist pastor at Southland, officiating, assisted by Rev. O. B. Herring, Methodist pastor here, under direction of the Williams Funeral Home.

Survivors include the widow; one son, Billy Jernigan, Lubbock; four daughters, Mrs. Fred Perdue and Mrs. Inell Adent of Slaton, Mrs. Eric Perkins of Slaton route 1, and Mrs. H. L. Emert of Houston; eight grandchildren, and two great grandchildren.

## REGULAR SERVICES ARE BEING HELD AT FIRST CHRISTIAN CHURCH

Rev. Pearce Burns is the new minister for the First Christian Church here and is holding regular worship services in addition to the Sunday School and young people's meetings each Sunday. Members and friends of the church are urged to be present.

## L. V. VIVIAN PASSES AWAY

Funeral services for L. V. Vivian, 73, who died about noon on Wednesday in a Lubbock hospital, were to be conducted at 2 p. m. Thursday in the First Methodist church of Matador, with Rev. W. B. Vaughn, retired Methodist minister of Matador, officiating.

Mr. Vivian had been a patient in the hospital about six days. He was the father of T. J. Vivian who operates a food store here.

Mr. and Mrs. Clifford Young were dinner guests of Rev. and Mrs. W. F. Ferguson and daughter, Marion, at Lubbock Sunday.

## New Chevrolet Is To Be Displayed By Crow-Harral

L. A. Harral of Crow-Harral Chevrolet Co., attended the advance showing of the new Chevrolet models in Ft. Worth last week. The first showing of the new model in Slaton is to be held tomorrow, January 22, at the Crow-Harral Chevrolet Co., at 120 N. 9th.

## City To Remove Storm Debris

Due to the shortage of equipment and of help, the City Sanitary Department has not been able to dispose of as much of the refuse caused by the recent ice storm as Mayor Wootton would like to have had done, but the broken limbs are gradually being carried off and the work will be continued until the town is clean as a pin.

Mayor Wootton requested the Slatonites to inform the readers that the limbs would be picked up by the city workers if they are piled up in the parkway at the curbing on the streets. Some of the home owners have pulled the limbs into the alleys, blocking the alleys and making the work extremely hard to do, especially as long as the wet weather continues. Pile your limbs on the parkway at the curbing in front or to the side of your house.

## Burl Huffman Is Guest Speaker At Football Banquet

The football banquet sponsored by the Touchdown Club at the Club House last Thursday night was an enjoyable occasion, although the crowd was somewhat curtailed due to the bad weather.

Mr. Bland Tomlinson was master of ceremonies, a nice meal was served, and an interesting program followed. Coach Clarence Tillery introduced letter men and squad men of the season, also the team managers. Coach Bill Barnett told some of the amusing incidents which occurred during the past season. The Tiger Football Sweetheart, Lena Schmidt, was introduced and presented a corsage from the squad. Tom Smith presented gifts from the boys to the Coaches.

The highlight of the evening was the address by Mr. Burl Huffman, Coach of New Mexico University, who told of the important part athletics play in the building of a boy's character and how he learns to fit himself into the pattern of living with his fellowmen by learning to work with and for the team. Mr. Huffman also showed a movie of the New Mexico-Colorado game of the past season.

## ANNUAL BCD BANQUET TO BE HELD AT CLUB HOUSE TONITE

### Tigers Win Third Place Trophy In Basket Tourney

The Slaton Basketball Tigers finished in third place in a tournament held last Thursday and Friday at O'Donnell, and brought home a nice trophy. O'Donnell won first place and Post finished second.

Slaton's A and B teams each played three games, winning one and losing two. Clarence Voigt of Slaton was named on the all-tournament second team in Class A. Bill Layne made the all-tournament first team in Class B, and Carl Lewis made the second team in Class B.

Scores of Slaton's A team games were as follows: Slaton 11, O'Donnell 48; Voigt was high point man for the Tigers with 6 points. Slaton 18, Seagraves 12; Huckabay, high point man with 8. Slaton 27, Post 42; Willis and Bybee, each with 8 points.

Scores of Slaton's B team games: Slaton 11, Andrews 49; Layne high point man with 8. Slaton 26, Post 22; Layne with 11. Slaton 23, Seagraves 31; Corley high point man with 9.

Post is scheduled to play Slaton here next Tuesday night, in a conference game. They beat the Tigers 42 to 27 in the O'Donnell tournament, finishing second. They defeated Tahoka in their only conference game by a score of 27 to 18.

O'Donnell Wins Again  
O'Donnell defeated Slaton's A and B teams Tuesday night of this week by scores of 53-27 and 48-15. Brock paced O'Donnell's varsity with 23 points, Voigt led Slaton with eight points.

## Colorful Movies To Be Shown By Implement Dealer

A colorful program which will include the showing of two feature films in color and in sound has been arranged for farmers and their families in this community. This program, which will be held on Jan. 26, is sponsored by Cudd Implement, on Lubbock Highway, local Minneapolis-Moline farm machinery dealer.

Special invitations were mailed out to farmers in this area inviting them to bring their families and friends to enjoy the program.

One of the films, entitled "This Heritage of Ours," features the great episodes in the growth of America where freedom has always been a sacred heritage. In a dramatic way, it takes the audience on a tour of places that now live in history. This film also stresses the part agriculture has played in making America great.

The second film, entitled "Reasons for the Seasons," is a story of the seasons, why they occur, and how they affect the lives of all living things on earth. Colorful sequences also show how the modern farmer with the help of modern machinery is able to cope more effectively with the demands made by the seasons on him and his work.

In announcing the showing of these films, which are scheduled to begin at 2 p. m., Mr. Cudd declared that the program that has been prepared will include other events certain to be enjoyed by the entire family.

## REV. JOHN H. JOHNS IS TO BE AT BAPTIST CHURCH

Rev. John H. Johns is to fill the pulpit at the First Baptist Church on Sunday for both morning and evening services. Rev. Johns, whose parents are residents of Lubbock, has just finished several years work at the Baptist Seminary in Ft. Worth. Members and friends of the church are urged to come out to hear him.

Mr. and Mrs. Fred Williams of Los Angeles, Calif., are visiting relatives in Lubbock and Slaton. Mr. Williams is a nephew of Mrs. L. O. Lemon and T. J. Eaves.

Bobby Lemon, who underwent an emergency appendectomy recently, is home from the hospital and doing nicely.

Unless a blizzard, tornado, forest fire or a heat wave hits this section the Annual Chamber of Commerce and BCD Banquet will be held as scheduled tonight at the Slaton Club House where the Vice President of the Texas Technological College will be the guest speaker.

Most all of the 125 tickets available for the event had been sold at noon yesterday and it is expected that a capacity crowd will be in attendance.

The banquet is held each year in January and is one of the outstanding events of the season. Reports by President of the BCD Edwin Forrest will be made, as will a report by P. G. Meading, manager of the two organizations.

After the speaker of the evening has made his address, ballots will be taken for men to be Directors of the BCD and C of C for the next two years.

Five new directors for the body will be voted on at the meeting to take the place of five that will retire on the last of January. They are: Bud Englund, Billy Ball, J. J. Maxey, Travis Reynolds and J. T. Sims.

Mr. Ball and Mr. Englund are at present filling out the unexpired terms of J. H. Brewer and T. H. Duckett.

The banquet will start at 7:30 tonight.

## New Regulations Not Disrupting

Postmaster Scudder reports that there are two classifications of mail that are giving the local office some difficulty since the new postal rates have gone into effect.

One is the use of five cent air mail stamps that were sold before the new regulations went into effect. The old five cent stamps require a one cent stamp besides the five cent stamps or if a regular air mail stamp is not used, then six cents in stamps must be used for each ounce or part of an ounce that is sent.

There are several other classifications of air mail including a new rate for parcel post air mail. These rates are so varied that details cannot be given and those who wish to use air mail should get information about them at the Post Office.

The other classification that has caused some trouble is the third class mail on printed matter and greeting cards where the rate has been raised from one and one-half cents to two cents. Some mail has been placed in the office at the old rate and will not reach its destination. While a great deal of trouble has not been caused by the new regulations, these are the two rules that have been broken most often.

Postmaster Scudder reports that every month in 1948 was as good or better than the corresponding months in 1947 on postal receipts in Slaton and that from results so far this month, 1949 looks like it will be better than 1948.

The best record in postal receipts for Slaton was in 1945 when nearly every Post Office in the United States did record business on account of shipments to men in the armed forces. 1948 was the next best year for Slaton and prospects look excellent for 1949.

Just received new combination cash register and adding machine. A big value at the Slatonite.

## THIS WEEK'S SMILES

A friend of mine, who is secretary of a labor union in Scotland, visited Russia with some other labor union members. Bored with Bolsheviks, Communists, the Kremlin, etc., they managed to buy a pack of cards. Even this obviously did not please them, for in so literally a democratic country as Russia they do not have kings, queens, and knaves for their face cards.

"I ask you," writes my friend, "how would you like to go 'NAP' on four town councilors and a sanitary engineer?"

—W. Len Welland.

**Where Butter Goes**  
Seventy-eight per cent of the butter produced is allocated to United States civilians. The 22 per cent of butter remaining is used as follows: 15 per cent for military uses, 6 per cent for lend-lease, and the small remainder for other special needs.

**WORK'S DONE FASTER  
Electrically**

ON THE farm and on the ranch work is done faster when electric service is effectively used.

Today more farms and ranches have electricity than ever before, and those who already have dependable electric service are finding more uses for it than ever before.

These progressive men are finding that electric lighting in the work areas, electric refrigeration, electric power tools for repairs and maintenance, electric milkers, brooders, incubators, choppers, and loaders all mean that more work can be done in a shorter period of time... at less cost.

When the time saved is compared with the low operating cost of modern electrical farm and ranch aids, the answer is obvious. That's why so many are using so much electric service. Check with your nearest county agent, REA or Public Service representative to see where electricity can help you.

**Use of Soybeans**

**Famous Home for Boys**  
Boystown, located near Omaha, Nebr., now occupies over 1,000 acres and takes care of hundreds of boys every year. It was founded by Father Klanagan, who died in April, 1948.

**Cotton Consumption**  
Cotton consumption in 24 major industrial markets registered a 25 per cent increase during the eight year period 1939-46, according to the national cotton council. Consumption of cotton in the 24 markets ranging from automobiles to awnings and tarpaulins increased from 2,439,570 bales in 1939 to 3,051,250 bales in 1946. The greatest single increase was in automobile tires, where cotton usage jumped from 610,000 bales in 1939 to 764,340 bales in 1946, an all-time record. For all automobile uses, including tires, cotton consumption climbed from 696,330 bales in 1939 to 856,870 bales in 1946.

R. L. BOYD

Rev. J. T. Clinton of Lubbock was present Sunday for services at the Community Church. There were also some visitors.

Mr. and Mrs. Alton Sumrall have had as a visitor, a sister of Mrs. Sumrall from Los Angeles, Calif.

The former home of Mr. and Mrs. R. B. Boyd is being moved to an acreage near Lubbock.

Because the power was cut off for several days this past week some inconveniences were caused to the Posey storekeepers, one of which was that the electric gasoline pumps could not be operated.

C. S. Gardner has moved from the Andrew J. Kitten farm to a house closer in.

Frances Grabber will work the farm which has been farmed by Arvel Kitten, this year.

During the recent days when travel has been difficult, dominoes have been a favorite game for amusement.

C. H. Scales, Jr. of Lubbock was here Monday attending to business. The right of way of the new improved road north will have a width of eighty feet.

Rev. Joe R. Gooden of Denver, Colo., preached last Sunday night at the Community church. He has planned to go to China as a missionary.

Dr. Ivey of Crosbyton was a visitor at church Sunday morning.

The funeral of Mr. Stonecipher, the father of Mrs. J. M. Shafer, was held Wednesday afternoon at the Community Church. He was a former resident here, but had been living for the past several years in New Mexico. Mr. Stonecipher was over eighty years of age.

**SAFETY MEETING TO BE HELD IN AMARILLO FEB. 4**

The President of the Texas Safety Association, Charles A. Miller of Houston, will be principal speaker at a banquet concluding the Panhandle Foremen's Safety Conference February 4, in Amarillo at the Herring Hotel.

Announcement of Mr. Miller's acceptance was made recently by Victor Shawgo of the Southwestern Public Service Company in Amarillo, who is general chairman for the conference.

Mr. Miller, recognized nationally as one of the pioneers and prime movers in the profession of safety engineers, is Director of Personnel and Safety for the Texas Company, with headquarters at Houston.

Shawgo said other subjects to be covered at the conference include the fundamentals of a sound safety program, fires and explosions, the foreman's responsibility in accident prevention, the Texas program for traffic control, and the driver training program of the Texas Safety Association.

**Franklin and Meteorology**

In 1775, when he left London to return to an America that was preparing for the Declaration of Independence, Franklin amused himself during the voyage by testing the temperature of the Gulf Stream as his ship passed over it. During the week of April 26 to May 2, while the vessel travelled along the eastern edge of the stream and then crossed it to colder water, he lowered his thermometer from two to four times each day. He remarked that the water of the stream did not sparkle in the night, had its own color and that there was more gulf weed in it than in the surrounding water. He suggested that "A vessel from Europe to North America may shorten her passage by avoiding to stem the stream, in which the thermometer will be very useful; and a vessel from America to Europe may do the same by the same means of keeping in it".

**Rise in Farm Values**

Farm land values in the U. S. went up 7 per cent in the year ending March 1, 1948 to equal the record high point of 1920.

### Bridal Shower Monday Night Is Courtesy To Mrs. Clay Oates, Jr.

One of the most pleasant events of the week was the bridal shower given Monday night at the Slaton Club House in honor of Mrs. Clay Oates, jr., formerly Miss Betty Jo Gentry. An unusually large number of friends braved the icy pavements and the snow storm to show their esteem for the young couple, who were married December 31.

Mrs. O. O. Crow greeted guests at the door and presented them to the receiving line composed of the bride's mother, Mrs. E. A. Gentry, the bride, Mrs. Clay Oates, sr., Mrs. John Fondy, jr., Mrs. George Gentry of Lubbock and Mrs. Claud Gentry of Lubbock.

Mrs. Wayne Kenney, Miss Nancy Teague and Miss Vysta Ward presided at the bride's book, while Mrs. R. A. Cross directed guests to the serving table.

The table was covered with a green damask cloth and centered with a white gladioli flanked by double crystal holders with white candles. Mrs. Martin Collins and Mrs. Fred Stephens alternated at the silver service.

The gift tables were also centered with gladioli and the receiving line wore corsages of picardy gladioli and pink and white carnations.

Misses Paula Maxey and Barbara Stephens furnished soft music throughout the receiving hours.

Other hostesses for the occasion were as follows: Mesdames C. A. Porter, Ethel Tate, L. B. Wootton, O. B. Herring, Otis Browning, J. A. Smith, A. M. Jackson, W. L. Holloman, Jack Cooper, Carl Lewis, Toy Hammett, Arlie Whitesides, J. Seaborn Teague, Dan Liles, Fred England, Ernest Ward, G. H. Sargent, Fred Schmidt, E. E. Culver, George Gabel, Earl Reasoner and J. C. Champion.

#### SLATON ART CLUB TO MEET

The Slaton Art Club will meet at 3 p. m., Tuesday, January 25, in the home of Mrs. J. D. Barry, with Mrs. C. L. Tanner as co-hostess.

Mr. and Mrs. B. M. Carr of Ft. Worth were guests this week in the home of Mr. and Mrs. H. O. Wagner.

**U. S.-Canadian Boundary Line**  
In 1946 the straight line separating the United States and Canada was extended to the Pacific, giving America sole title to the south and Great Britain to the north.

### Coffee Is Given For Recent Bride

On Saturday morning, January 15, a coffee and miscellaneous shower was given by members of the Eastern Star and Rainbow Girls as a courtesy to Mrs. Clay Oates, jr., who before her marriage December 31, was Miss Betty Jo Gentry. Mrs. Oates holds the office of Grand Fidelity in the State Grand Assembly of the Order of Rainbow for Girls.

Hostesses for the occasion were Mesdames J. W. Chenoweth, C. T. Scroggins, J. B. Brooks, Joe Miles and W. P. Layne.

Mrs. Chenoweth greeted guests at the door and introduced them to the receiving line composed of Mrs. E. A. Gentry, the bride, Mrs. Clay Oates, sr., and Miss Irma Lou Gregory.

Mrs. Miles registered guests in the bride's book and Mrs. Brooks presided at the silver service. The serving table was covered with an Italian cutwork cloth and centered with a winter scene in blue and silver arranged on a reflector. A blue and silver color scheme was used throughout the decorations.

Misses Leonita Tunnell and Barbara Stephens furnished music during the receiving hours and Misses Clydell McGinley and Lena Schmidt assisted in entertaining.

Betty Sue Layne, made up as a colored washwoman, presented the gifts by bringing the laundry to the honored guest. The girls assisted her in placing the gifts on display as they were opened.

Guests were received between the hours of ten and eleven-thirty.

#### METHODIST CIRCLES MET IN HOME OF MRS. O. B. HERRING

All Circles of the W. S. C. S. of the Methodist Church met with Mrs. O. B. Herring this week. Circle One was in charge of the program.

Mrs. S. S. Forrest gave the study. She was assisted by Mrs. J. H. Brewer, Mrs. Vasker Browning, Mrs. Percy Ferguson, Mrs. Douglas Wilson, Mrs. Martin Collins, Mrs. J. H. Brewer gave the financial report of the year's work.

Cherry pie with whipped cream and coffee were served.

### Peggy Ann Tudor And Fred Schmidt Marry At Bryan

Mr. and Mrs. Melvin Tudor are announcing the marriage of their daughter, Peggy Ann, to Fred Hulver Schmidt, son of Mr. and Mrs. Fred Schmidt of Slaton, on January 15, at Bryan, Texas.

The wedding vows were spoken in the home of the Presbyterian minister in Bryan, with Mrs. Horace Wiley, cousin of the groom, as matron of honor, and John Schmidt serving his brother as best man. A number of the groom's classmates also attended.

Mr. and Mrs. Schmidt are graduates of Slaton High School. She attended McMurry College at Abilene for one year and has recently been employed by the Santa Fe railroad here. Fred served two years in the Navy and is now attending A. & M. College.

The young couple plan to make their home in Bryan while Mr. Schmidt continues his studies.

#### ROYAL SERVICE PROGRAM IS HELD IN BERRY HOME

The ladies of the First Baptist Church met Monday afternoon in the home of Mrs. Dudley Berry for their Royal Service program. Mrs. Carter Shaw was co-hostess, with twenty members attending.

Opening prayer was voiced by Mrs. Fannie Patterson. Mrs. J. B. Huckabay was program leader and brought the devotional message. Topic of the program was, "Christ, the Answer for the Individual." A vocal duet was given by Mrs. T. E. McClanahan and Mrs. J. M. Fondy.

Others taking part on the program were Mesdames O. O. Crow, J. W. Scott, E. E. Culver, E. M. Lott, R. L. Smith, H. G. Stokes and Fred Stottlemyre.

The meeting was closed with prayer by Mrs. Devore.

Mr. and Mrs. Cecil Self, their son, Marvin, and daughter, Carol Ann returned this week from Uvalde, Texas, where they visited Mrs. Self's brother and his family. The Self family also visited in Crystal City, Texas.

### Lenora Kahlich Becomes Bride Of Wilfred Nesbitt At St. Joseph's

On January 17, St. Joseph's Church was the scene of the wedding of Lenora Kahlich, daughter of Mr. and Mrs. Carl Kahlich, and Wilfred Nesbitt, son of Mr. and Mrs. G. B. Nesbitt.

The marriage, solemnized by Rev. T. D. O'Brien, took place before an altar banked with salmon pink gladioli and deep pink carnations.

The bride, given in marriage by her father, wore a gown of white shirder satin fashioned with a sweetheart neckline outlined with seed pearls. Her full gathered skirt extended into a long train and her "leg o' mutton" sleeves tapered to points over the wrists. Her fingertip veil was attached to a crown of white seed pearls and sequins. She carried a bouquet of white gladioli and carnations, showered with baby breath, with an inserted corsage of white carnations.

Miss Mary Lewis, maid of honor, wore a dress of yellow brocaded satin fashioned with a yoke of net and low waist, with covered buttons down the front, and a flared skirt. She wore long sleeve gloves and carried a nosegay of pink carnations with pink streamers. Her headpiece was of yellow net with blue and yellow forget-me-nots.

Mrs. Ben Becker, jr., sister of the groom, was bridesmaid and wore a gown of blue brocaded satin fashioned after that of Miss Lewis. Charles Kahlich, brother of the bride, and Ben Becker, jr., were the groom's attendants.

Fintan and Albin Kahlich, brothers of the bride, were ushers. After the wedding, a reception was held in the home of the bride's parents.

For going away, the bride wore a two piece dress of brown shantung, with brown accessories, and a corsage of white carnations.

The bride is a graduate of Slaton High School and St. Joseph's School of Nursing in Fort Worth. The groom attended Slaton schools and is at present employed at Davis Motor Co. The couple will be at home at 630 South 7th Street.

**O.E.S. WILL HAVE REGULAR STATED MEETING TUESDAY**  
The Order of the Eastern Star will hold their regular stated meeting at 7:30 p. m., Tuesday in the dining room of the Masonic Hall. Initiation of two candidates will also be held at this meeting.

Miss Jimmie Lee Bolch of Lubbock spent the week end visiting in the home of Mr. and Mrs. J. C. Champion.

Mr. and Mrs. James Habiburton, Miss Dorothy Lee Jones and Miss Billie Jean Tucker spent the week end in Ruidoso, N. M. On their return trip they were held over night at Tatum, N. M., by the snow storm.

Mrs. Rosa Owens suffered a broken arm as the result of a fall last week. The bone is knitting nicely at present.

### 'Camera Hounds' Rewarded For 'Doggy Shots'

Right—"Waiting", by Louis A. Puggard, Detroit, which won first place and \$250 in the amateur class.

Lower left—Difficult shot which won first place and \$250 in the camera club member classification for Seymour Cronk, Kansas City, Mo.

Lower right—Picture of forlorn pup which brought Arthur Romero, New York City, the single prize of \$350 offered for best work by a professional photographer.

HERE are the three top winners in the dog photo contest sponsored by the Guinness Dog Research Center as part of the observance of the 1948 National Dog Week. Seven winners shared in the \$1,050 offered as prizes. The 10,000 entries from every state in the Union were judged on human interest and appeal by a committee of celebrated photographic authorities consisting of Capt. Edward J. Stelchen, director, department of photography, Museum of Modern Art, New York City; Jess Gorkin, managing editor of "Parade" magazine; and Arthur S. Mawhinney, F.R.P.S., F.P.S.A.

### WORMS AND LICE ARE EGG ROBBERS

Internal and external parasites remain a serious problem even during the winter months when many poultry-producers might expect these poultry-house pests to be less bothersome.

Heavy infections of worm, if not controlled, create serious damage or loss. Keeping worm infections down is necessary if the layers are going to remain in high production through the winter months.

#### Keep the House Clean

Many poultrymen practice an individual-bird treatment at the time they put the birds into the house in the fall. Later, they give the birds a medicated worm treatment that is administered by mixing the medicine in mash. After giving such commercial treatments to the flock, a flockowner should clean the poultry house thoroughly to remove as much of the danger of re-infection as possible. A good disinfecting to eliminate bacteria is desirable whenever cleaning is done, but it should be borne in mind that few disinfectants are effective against worm eggs.

External parasites, such as lice, mites, and ticks, infest the skin and feathers of laying birds, and when there are enough of them to cause great irritation, the birds lose their appetites and suffer from lack of rest. This may cause a drop in egg production and loss of weight.

#### Killing Lice

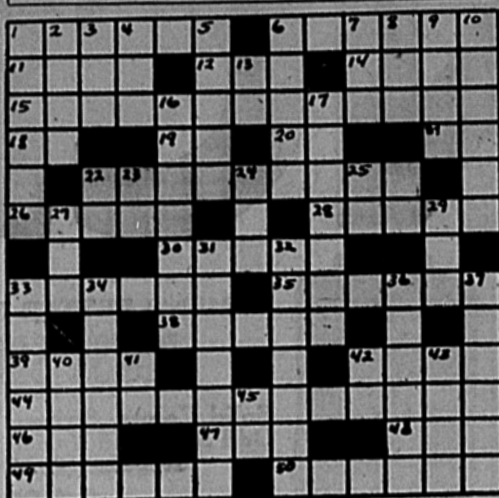

Flock treatments may be accomplished by cleaning the roost poles and applying a nicotine or benzene hexachloride solution directly to the birds' roosts. This treatment kills lice by releasing fumes which penetrate the roosting birds' feathers. The warmth of the bird's body volatilizes the liquid.

Another way to get rid of lice is through the use of a louse powder, which is sprinkled onto the birds individually.

Keeping egg production in high gear is a difficult job under any circumstances. It becomes more difficult if parasites are robbing your profits.

### Treasure Troves

Few people can explore an old building without hoping for a secret passage or mysterious box with digging instructions. In the first place of a house near Quebec, one man turned up an 18th-century box with charts that led to an exciting, though unsuccessful, hunt for the still lost French treasure buried before the British siege of Quebec.

### Ice Storm Hard On Most Roofs

Did your roof spring a leak after the ice storm? If it did, repairs should be made as soon as possible before the leaks become bigger. You will save time and money if you have the work done by the Texas Roofing Company because they have the equipment to do the work as it should be done.

Most all roofing materials must be treated and installed according to factory requirements and few concerns are equipped as well as the Texas Roofing Company.

The Texas Roofing Company does business all over the South Plains, although their offices are in Lubbock. They employ a full force of experienced roofing men and are in position to give prompt service. They do all kinds of roofing installation, both repairs and new roofs. They are also equipped to make installation of all kinds of insulation, both in new construction and in buildings that have been built for many years. Because of labor saving equipment and fast operations, the Texas Roofing Company is able to offer very reasonable prices on their work and those who are in need of services of this kind should drop them a card or see them in Lubbock.

Howdy Folks: The professor who sent his wife to the bank and kissed his money goodbye wasn't so absent minded after all.

Money is so hard to get and keep it seems silly anyone would be fool enough to work for the stuff.

It stacks up about like this. An optimist has no money and a pessimist won't lend you any.

But don't marry for money. You can work for it cheaper.

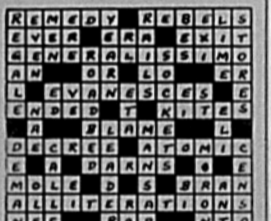

Definition  
Tainted money—Money which 'taint yours and 'taint mine.

They say the fastest talking money is hush money.

We're in favor of hush money, though—for saxophone players.

Like everyone else, we're in favor of saving money, too. We'll help you save if you will bring your car here for fast, courteous service. It's a saving value.

### Corbin To Report On Legislature

AUSTIN.—Senator Kilmer B. Corbin of the 30th Senatorial District, along with ten other new members of the Senate, took the oath of office at noon on January 11th. The Senate completed the organization on that date and is proceeding with legislation. Of the 31 members of the Senate, Senator Corbin is the youngest member.

Senator Corbin reports that the problems which will confront the 51st Legislature are many and varied. At the present time financial matters are principal among the topics of discussion among law-

makers. Senator Corbin was selected to serve as the chairman of the Committee on Town and City Corporations; vice-chairman of the Committee on Aeronautics; and as a member of the following committees: Agriculture; Civil Jurisprudence; Congressional Districts; Finance; Insurance; Oil, Gas, and Conservation; Public Printing; State Institutions and Departments; and Water Rights.

Corbin and his wife and three children—Barry, 8; Blaine, 5; and Jane, 4—are living in Austin during the session. In a recent letter to the Slatonite, Senator Corbin expressed his intention to keep the people of this area informed on legislative matters through the columns of this paper.

### Southland News

MRS. FLOY KING

There was no school here last week on account of the bad weather, which left the children free for all the ice skating they wanted. Most of them took advantage of the opportunity and no one reported more than a good bruise.

Rev. and Mrs. Tittle, Mr. and Mrs. H. D. Hallman, Mr. and Mrs. R. D. Williams and children and Mr. and Mrs. Poindexter went to Lubbock one day this week to visit Mr. and Mrs. J. L. Whited who recently moved there from Southland. Each couple took a cover dish and a love gift for them.

The quilting club will meet at the D. D. Pennell home Tuesday for their day of quilting.

Visiting Mr. and Mrs. James Parks Thursday night and Friday were her sister and brother-in-law, Mr. and Mrs. Loyd Blanton and children of Spring Lake, and their Sunday guests were his parents, Mr. and Mrs. J. L. Parks of Slaton. Mrs. Carl Wortes is very ill in Mercy Hospital. She had been sick for about two weeks and was taken to the hospital Wednesday of last week.

Will Basinger made a business trip to Wichita Falls the latter part of the week.

Mrs. G. N. Smallwood and son, E. C., came home from Odessa on Thursday, where they spent several days with Mr. and Mrs. Neal Smallwood.

Mrs. J. F. Winterrowd is on the sick list. Sunday visitors in her home were Mr. and Mrs. Paul Eddie Winterrowd, Mr. and Mrs. Billie Winterrowd and Karl and Mr. and Mrs. H. Chilcutt of Lubbock.

Mr. and Mrs. Jack Myers took their son, Ned, to Abilene, where he underwent an operation on one knee. Mr. Myers returned Saturday night and reported that Ned could be moved to the home of a relative in Abilene in a day or two if he still improved.

Manuel Truelock came by to see his parents on his way to Corpus Christi, where he is being transferred from California. His wife and baby are with her parents in Lubbock for a few days.

Betty, Dot, Junior and George Jackson of Lubbock were Southland visitors Thursday.

Mr. and Mrs. Clarence Terry and baby of Lubbock visited her parents, Mr. and Mrs. S. M. Truelock, Sunday.

### MORRIS — MAEKER

Mr. and Mrs. M. E. Morris of Southland are announcing the marriage of their daughter, Janey, to Arden Maeker, son of Mr. and Mrs. Hugh Maeker of Wilson. The wedding took place in Chicago on January 11. Mr. Maeker is attending school there and until this week Mrs. Maeker was employed with the General Electric Co., in Lubbock. The couple will be at home in Chicago.

The bride wore a navy blue suit with navy pink accessories. She is a graduate of Southland High School and a former Tech student. Mr. Maeker was graduated from Wilson High School and attended Tech before joining the Merchant Marines, where he served two years.

A television channel is six mc. wide. **BLANKING PULSE:** A pulse used to blank out the electron beam during the return time of the beam to its starting point. **ELECTRIC FIELD:** The region surrounding charged particles. An electric field is set up also whenever a magnetic field varies. Radio waves traveling through space are composed of electric and magnetic fields.

**PARLOR GAME**—Garry Moore, emcee of NBC's "Take It Or Leave It" quiz show, advises radio listeners to stay at home on Sunday nights. He has begun calling them to participate in the giant jackpot question.

### Novel Leaflet Lists Helps for Dog Owner

"At Your Service" is the title of a six-page printed folder just issued by the Gaines Dog Research Center, New York City, by way of summarizing the various public services it offers. The folder explains what the Center is and its functions in helping dog-owners, kennel operators, veterinarians and other interested individuals and groups

Specifically described are the Center's Information Service, which answers thousands of dog questions each year; its available free literature, of which 15 different pieces are listed; its Dog Film Library, together with a listing of films currently available for group showings; and its Speakers Bureau. The folder also includes convenient forms for use in ordering desired literature by an individual and for film bookings by a group. For a copy of "At Your Service" address the Gaines Dog Research Center, 250 Park Ave., New York 17, N. Y.

**Where ice hit telephone lines**  
**DAMAGE EXCEEDS \$2,300,000**  
Last week's ice and sleet storm struck telephone communications in the Southwest the hardest blow they'd received since 1937.  
Damage to telephone lines exceeds \$2,300,000 in the area shown on the map above.  
Telephone construction men, 3,000 of them, with their trucks and tools, moved into the storm region from all directions.  
At the height of the storm 180 communities in four states had no outside telephone communications whatever.  
The storm disrupted service for many thousands of telephone users for varying periods. We regret the interruption to service and we sincerely appreciate the patience people everywhere have demonstrated.  
The size of the repair job that 3,000 telephone workmen are now tackling can be measured in the damage—108,000 wire breaks, 9,000 poles down, 2,600 long distance circuits out of service, 19,000 telephones temporarily silent.  
By states, the money losses are \$600,000 in Missouri, \$380,000 in Kansas, \$570,000 in Oklahoma, and \$750,000 in Texas.  
The poles, wire, crossarms, and all the other things needed to restore service are coming into the storm area by train and by truck. They're coming from Missouri, Texas, Alabama, Louisiana, Tennessee, Mississippi, Illinois, Pennsylvania, New Jersey, Maryland.  
Telephone men began the repair job while the sleet still was falling. Long after emergency service is restored everywhere they'll still be at work until all damaged telephone equipment has been repaired and replaced, and everyone's service is back to normal.

sometimes considerable trouble.

It seems to me that Slaton needs some civic enterprise where practically all of the citizens could take part. Outside of the War Bond Drives there have been no real activities requiring cooperative action for all of us and I believe there is a great force that is undeveloped here that could mean much for the entire area.

The athletic field that is proposed by the Lions Club is something that should get the support of every public minded citizen and I believe it will be a success. If the athletic field is completed according to the plans laid out, it will require considerable money, and if it is a success it would mean the money could be made to pay for its construction.

It is my prediction that a lot of the items of men's wear that are now accepted will be out of use in the not too far future. Neckties, overcoats, hats are either useless or bunglesome and the young men of today are wearing these things very little or not at all. Most young fellows look "kinder sloppy" and young women are not as decorated with buttons and bows as they were when I was in school, but they wear things that are probably a lot more comfortable. But regardless of how comfortable the men of the future may dress, I'll stick to the long tailed overcoat, ties and a hat

Can Black-Draught Help That Headachy Feeling?

Yes, Black-Draught may help you when you feel lousy. It's the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough, when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—try Black-Draught. Last week Superintendent Vardy of the Slaton Public Schools made a talk to the Rotary members on community service. The Rotary Club stresses community service in their programs. The Superintendent made a number of suggestions and said, among other things, that the active members of a community must learn how to lead as well as to follow and that a leader without followers is helpless and a group of people wishing to accomplish a worthwhile task must have a leader in order to do a good job.

To accomplish worth while community service, the organizations wishing to accomplish these services must not only stand ready to work for projects that come up, but must go out and seek tasks both large and small, that will help the community. The smaller communities need the help more than the towns that have made themselves secure to a certain extent because of the work of some active citizens in the past. Slaton has a lot of people who will help, but few who are willing to take the bull by the horns and do things. Most of the business men have more problems than they have ever had in their business life and their time is taken up with the struggle to get their own work done, but there are more opportunities to improve the community now than there has been in many decades.

A newspaper in Gunnison, Utah, the NEWS, recently ran an editorial that we would like to reprint almost in full for it is an especially

good essay on the advantages of competition in America:

The whole tendency of American capitalism has been away from monopoly, toward more intense competition—and toward giving the small, ably managed enterprise a better chance to grow and prosper.

An interesting example of that, which is close to all consumers, is the retail store. The nearest thing we had to a retail monopoly was the old-time country general store. Whether it was good, bad or indifferent, the customers could take it or lump it. Competition was frequently non-existent.

Then the automobile made it possible for people to go considerable distances to do their shopping, and a change set in. Storekeepers had to meet both price and service competition if they were to keep their trade. Chain systems were started. Independent stores picked up the good points of chain operators and added innovations of their own. Specialty shops came along. The result was a constantly better deal for consumers—and good times for any kind of store which was on its toes. Every store had a competitor down the block or in the next town.

Now the consumer is offered an amazing choice when he shops—and the retailers' margins of profit on each transaction are at an extreme low. That is what competition does—and it is the underlying principle of the capitalistic system.

From where I sit... by Joe Marsh

Who's A Foreigner?

While I'm waiting for a haircut the other day, Slim Hartman lets slip with a crack about those "foreigners" who live by the depot.

"Now wait a minute, Slim," snaps Doc Sherman. "Don't forget we're all 'foreigners' more or less. Some of our families have simply been here longer than others. But even if they came over on the Mayflower, they were foreigners to the Indians."

Slim gets a little red and you could see that Doc had him. "And the reason they came here," he goes

on, "was to find freedom to do and think as they wanted to so long as they didn't tramp on the rights of the other fellow."

From where I sit, America became the great land it is today through our being tolerant of different people and different tastes—whether it's a taste for square dancing or waltzing, radio or movies, goat's milk or a temperate glass of sparkling beer.

NOW COMES THE LEADER WITH A 7-YEAR ADVANCE IN ONE!

CHEVROLET is the only car bringing you all these fine-car advantages at lowest cost!

Welcome the New CHEVROLET

ON DISPLAY TOMORROW

The most Beautiful BUY of all

We cordially invite you to see the new Chevrolet for '49—the first completely new car the leader has built in more than seven years—and the most beautiful buy of all!

You'll find it's the most beautiful buy for styling, for driving and riding ease, for performance and safety, and for sturdy endurance born of quality construction throughout... because it alone brings you all these advantages of highest-priced cars at the lowest

prices and with the low cost of operation and upkeep for which Chevrolet products have always been famous.

Yes, here's the newest of all new cars—pre-tested and preproved on the great General Motors Proving Ground—and predestined to win even wider preference for Chevrolet as the most beautiful buy of all, from every point of view and on every point of value. Come in and see it!

First for Quality at Lowest Cost

AMERICA'S CHOICE CHEVROLET FOR 18 YEARS

Crow-Harral Chevrolet Company 120 N 9th. St. Phone 470

YOU'LL PREFER ITS "LUXURY LOOK!"

Chevrolet's new Leader-Line Styling is lower, wider, rader... with new Dyna-Cool radiator grille. Single-Sweep front and rear fender treatment, and feet-to-rocket lines all around... by far the most beautiful development of the new "functional form" for motor cars.

MORE BEAUTIFUL FROM EVERY ANGLE!

The new Beauty-Leader Bodies by Fisher (with push-button door openers outside) are true masterpieces by the master builder of fine coachcraft... with superb lines, extra-fine upholstery and a wide variety of alluring colors... much more beautiful from every angle—inside and outside—front, side and rear.

MORE ROOM AT EVERY POINT!

The new Super-Size Interiors featuring extra-wide "Five-Foot Seats," give you plenty of head, leg and elbowroom as well as extraordinary seating space for six full-grown passengers; and you'll also notice that the giant rear decks have what amounts to "trunk room" capacity.

SEE ALL! ENJOY ALL!

New Panoramic Visibility, with wider curved windshield, thinner windshield pillars, and 30% more window area all-round, permits you to see all and enjoy all, and to travel in maximum safety.

THESE ARE CARS THAT "BREATHE!"

Yes, you'll enjoy the additional pleasure of riding in a "car that breathes," for a completely effective heating and ventilating system supplies warm air to every nook and corner of the interior—exhausts stale air—and keeps glass clear in all weather. \*Heater and defroster units optional at extra cost.

THE NEW RIDE'S A REVELATION!

A vastly improved Unitized Knee-Action Ride, combined with new direct-acting airframe type shock absorbers, front and rear, and extra low pressure tires, gives the stability, smoothness and road-safety you have always wanted.

THERE'S ONLY ONE WORLD'S CHAMPION ENGINE

You get the finer results of Chevrolet's sturdy Valve-in-Head Thrift-Master engine in all Chevrolet models... together with all of Chevrolet's money-saving economy of operation and upkeep... and this is the world's champion engine for miles served, owners satisfied, and years tested and proved.

JUST COUNT THE COMFORTS!

Push-Button Starter for simplest, easiest starting; Hand-E-Quarshift with Synchro-Mesh Transmission for maximum shifting ease; and Firm Foundation Box-Girder Frame for ride-stability and road-sureness unsurpassed in the Chevrolet price range.

STOP MORE SWIFTLY AND SAFELY!

The new Certi-Safe Hydraulic Brakes give even faster stops with safety... and assure the highest degree of effective braking action for you and your family.

YOU'LL SAVE MORE MONEY, TOO!

This new Chevrolet is designed, engineered and built to speed your purse and spare your pocketbook, for it brings you all these and many other important improvements at the lowest prices and with extraordinary economy of operation and upkeep.

Plus NEW CENTER-POINT DESIGN!

A remarkable 4-way engineering advance exclusive to Chevrolet in its field, and consisting of Center-Point Steering—Center-Point Steering—Lower Center of Gravity and Center-Point Floor Suspension gives the new Chevrolet riding and driving results without pressure or strain in low-cost motoring. That means a new kind of riding ease and a new kind of driving ease heretofore reserved for owners of more expensive cars. Remember—only new Center-Point Design can give you all these finer motoring results; and only the new Chevrolet brings you Center-Point Design at lowest cost!

### Would License Owners Instead of the Dogs

Licensing of dog-owners instead of dogs as a means of eliminating many so-called dog problems is urged by Harry Miller, Director, Gaines Dog Research Center, New York City.

The average pet is pretty much what his owner makes him, Mr. Miller states. Therefore, licensing the dog-owner would place responsibility where it properly belongs. Prior to licensing, the dog-owner would be qualified as to his ability to provide the dog with a good home, as well as the exercise, training, etc., the dog requires. Only through some such new system of licensing can most of the present-day dog difficulties be done away with, and more useful, happier lives for pets assured, he says.

The Gaines Dog Research Center reports a growing sentiment in many sections of the country for use of present dog license fees in a manner directly beneficial to the dog. Considerable resentment is being expressed in some communities against the practice of using dog tax funds for building and maintenance of highways and other general non-dog purposes never anticipated by those who put dog licenses on the statute books, it is stated.
