You may mail your subscriptions to us or come in and we will be glad to take care of them for you.

## Club Will Show Army-Navy Game

Backers of the Tiger football team, the Touchdown Club, will sponsor the showing of last year's grid game between Army and Navy sometime during the next few weeks. P. G. Meading has made arrangements with the Lubbock Navy Recruiting Service to show the film.

A 35 minute technicolor movie, the film will be shown only to Touchdown Club members, and only persons holding Club membership cards will be allowed to see the film. If you are interested in seeing the picture and do not have a membership card, you may join the club by contacting John Berkley.

The club has also made arrangements for the purchase of special color film which will be used to take pictures of the Slaton-Post game on November 11.

No breakfast will be held in the morning.

## Sept. 29 Will Be "Slaton Day" At South Plains Fair

Thursday, September 29 will be "Slaton Day" at the thirty-second Panhandle South Plains Fair. Special publicity will be given Slaton on that designated day, and it is hoped that a large attendance of local citizens will be on the fair grounds to see the exposition.

It is believed that this year's fair will prove to be the biggest and best yet. The Gertrude and Randolph Avery musical revue, a production that is both educational and entertaining, will appear nightly at the Fair. "Lucky" Lott and his Hell Drivers, a daredevil show, will appear on the afternoons of September 27 and October 1. Edmondo Zucchini, human cannon-ball, will be shot from a cannon nightly, as a free attraction. Also there will be the usual rides, shows and concessions.

## POLICE REPORT

Cases handled by the Slaton Police Department this week were reported to be light. Five cases were handled in City Court and none in County Court. One drunk charge, one vagrancy, and three traffic violations were filed.

Mr. and Mrs. Fred Tudor were called to Austin Wednesday morning where Mrs. Tudor's brother is seriously ill.

Weekend guests in the home of Mrs. Burdette Jones were her mother, Mrs. J. H. Cooper and Mrs. M. Gooch, her sister both from Rochester, Texas, and her son B. W. Jones from Artesia, N. M.

## How To Get Along With Neighbors

Do you have children in your neighborhood who have been pulling up the flowers, teasing your dog and drawing funny pictures of you on the sidewalk?

Here is what a Reader's Digest author says about his troubles: "The ideal number of children, if you want to get along with your neighbors, is none. I've found that people don't like kids," states John Bedford in the October Reader's Digest. Bedford is the father of two boys and is deeply angry at the modern world's attitude toward children, as he sees it. His article is condensed from Maclean's.

"My wife and I have been refused lodging because we have children," Bedford says. "People glare at them in movies because they've asked a couple of questions. They've been reported for running across lawns, for standing on running boards of parked cars, for making chalk marks on the sidewalk—until I'd like to slip them a few rocks and turn them loose."

With two "normal, decent boys"—Pete, nine, who goes in for the girls; John, seven, who goes in for frogs, worms, dead birds and jet propulsion—Bedford and his wife are convinced that "today our cities and towns, our streets and houses, our very way of life seem designed to discourage children."

Normal expenditure of Pete's and John's energy invariably draws a complaint from some neighbor. "Every time one of them lets out a whoop half a dozen people look up from their petunias and scrowl. Every time they get carried away with their games and forget that their feet are on someone's lawn people look at one another and shake their heads."

"Aren't people supposed to have children any more?" the author wonders.

Deploping the fact that natural playgrounds, the open fields and woods, are not available to most children today, Bedford says the public playground is no substitute. It's a place "for getting rid of your children with municipal help—from 9 to 5, on Plot No. 13-A."

The general idea appears to be that the less you see of children the more progressive you are, Bedford observes. "Parents just go through the parental motions like an alderman laying the first brick of the city hall. After that some paid worker takes over."

The author "wouldn't be a kid again for a new 1950 maroon convertible with a ram-jet engine." He can see the day coming, he says, "when children will be conceived by artificial insemination, born in cellophane, raised in pressure cooker, sent to a nursery school at two, then to a placement bureau for an aptitude test and brushed off for good."

## WOW'S OF VERA DISTRICT WILL CONVENE SEPT. 29

The Vera District of the Supreme Forest Woodmen Circle will convene Thursday, Sept. 29 at the Woodmen Circle Hall in Brownfield. Members of the local Brownfield Grove No. 462 will be the hostesses.

Distinguished guests will include Mrs. National Representative Vera Drake of Earth; State Manager Laura E. Krebs of Austin; State Associate Captain Lola Adkins of Littlefield; and Former State Captain Florence St. John of Littlefield.

## TENN. MINISTER WILL CONDUCT REVIVAL HERE

Revival services are to begin on Sunday, Sept. 21 at the Slaton Pentecostal Holiness Church located on 8th and Knox Streets.

The invited speaker will be the Rev. Will B. Barnett of Memphis, Tenn. Rev. Barnett is the assistant superintendent of the Tri-State Conference.

Services will be held each night at 7:30 p. m. The public is urged to come to these special services.

Guests this week of Mrs. S. S. Forrest have been Mrs. D. S. Day and her daughter Mrs. Ray Eldridge, both of Lamesa. Mrs. Eldridge has just returned from Arabia where her husband is connected with an oil company there.

Mrs. Katy Harris of Albuquerque, N. M., has been the guest of Mr. and Mrs. E. M. Lott for the past week.

A meal! Millions of children have to be coaxed to eat, but not these youngsters, who know war's effects first-hand. They are getting their daily supplementary meal from the non-political U.N. International Children's Fund (UNICEF)—supported by member governments, as well as by personal contributions from three-score countries made to U.N.'s world-wide Appeal for Children during 1948.

## McIver Appointed Superintendent Of Compress Here

E. O. McIver of Lubbock has been appointed the new superintendent of the Union Compress and Warehouse Company here in Slaton. He assumed his duties the first of last week.

Mr. McIver was warehouse superintendent of the Slaton company in 1933 and 1934, and since that time has held the position with the company in various cities of the Plains area. He was at the Brownfield station for a number of years and later went to the central office in Lubbock where he was traffic manager for this region.

At present, the new superintendent is living in Lubbock with his family, but he is expected to move here when arrangements can be completed.

## T. D. Elder Opens New Electrical Shop

T. D. Elder, resident of Slaton for a number of years, announced this week the purchase of all the electrical equipment in the estate of the late N. J. Wicker. Elder has set up a new electrical repair shop at his home, 260 East Panhandle, and will operate from there.

He has a great deal of experience in electrical work of all kinds, and he has gained a vast amount of experience doing such work in cotton oil mills and other large plants. He will have one of the best equipped shops in this area to do work for homes, industrial plants, or small jobs.

## The ? of

Last week in the Slatonite an article was printed on the front page which was directed at the danger of the congested traffic conditions around the public schools. It was decided that this week the paper should carry the opinions, ideas, and suggestions of some of the townspeople about the same topic.

Mrs. Cecil Long, when approached on the subject of "What do you think about the traffic problem around our schools?" said very emphatically, "I think it's terrible. Someone is going to be killed if it isn't remedied. When I went to get my daughter the other day, cars were four deep and you couldn't move one way or the other. It seems that parents would cooperate and leave a lane through there for cars to get by."

Others seem to be of the opinion that the traffic problem doesn't exist entirely around the grammar school. Mrs. J. E. Loveless told us, "Around the high school the children walk right down the middle of the street, and they don't even notice the cars. If there are no sidewalks, at least they could walk down the side of the street. Some day one of these mad drivers will come along and no one will be looking—students or driver."

A resident of the West Ward neighborhood answered the

## The Retail Merchants Association Warns Against "Gyp Schemes"

Mrs. Lee Green, secretary of the Retail Merchants Association has the following advice to extend to business and professional people in regard to safe guards which should be taken at this time of the year in connection with unrelenting investments. Mrs. Green says: "This is the time of year when business and professional people should be on guard, as there are likely to be many solicitors of funds for the many institutions that bob up at harvest time when money is

a little more plentiful and people feel thankful for their prosperity.

"From the Better Business Bureau and the Retail Merchants Association state office bulletins come warning of the many gyp schemes and solicitors. Many of the organizations these people claim to represent are hard to locate or totally unknown.

"Most individuals and firms today have schools, charitable institutions, and churches to whom they contribute their money. It is best to stick with those institutions that are known to be worthy than to invest in something unknown and perhaps unestablished. Many these unreliable solicitors even have the telephone to beg for money.

"There are advertising schemes, billing, and all kinds of misleading and fraudulent schemes designed to take advantage of the busy merchants who often do not take time to think much about who will benefit from their donation. This is the time to 'Stop, Look, and Listen' before passing out the cash. There are many worthless products being sold, usually represented as cures for physical ills. Such sales in the last quarter of 1948 amounted to \$250,000 on one medicine alone.

"Often your local Credit Bureau can save you money by furnishing information regarding worthy institutions, also credit ratings, addresses and employment of applicants for credit. "Hot Checking" is another thing to watch.

"Remember, there are many worthy institutions to whom donations can be made, and there are real businesses from whom to buy; now is the time to give thought to where we spend our surplus funds."

The following new members were accepted into the chapter: Pete Williams, Billy Butler, Jessy Dabala, Robert Doss, Clifford Eilston, Larry Johnson, Vernon King, Jerry Lemons, Leon Pinkert, Wesley Reed, Ronnie Schilling, Charles Schneider, Brino Schwertner, R. A. Thompson, Bobby Thompson, Jack Straciner, Grady Smith, Floyd Hughie, Donald Bounds.

## SCHOOL CHILD IS HURT SERIOUSLY HERE THURS.

As has been expected a school child was seriously hurt in an automobile accident that happened Thursday noon at the West Ward School building on the Division street side.

The child was the six year old son of J. L. Allred, 650 South 12th St. Both his legs were broken and he received other injuries. The name of the person driving the car could not be ascertained at the time this paper went to press.

## Trades Day Program For Monday, Oct. 3rd To Have Added Features

Two new features have been added to the Slaton Trades Day Program for Monday, October 3rd. One is a band concert that will be given by the Slaton Tiger Band under the direction of Band Master Vic Williams.

## Tigers Journey To Muleshoe For Third Grid Game

Slaton's Tigers, losers of their last two opening season games, journey to Muleshoe tonight to battle the Yellowjackets in a non-conference game scheduled to begin at 8:00 p. m.

The Tigers will be facing almost the same team that beat them last year here. The Yellowjackets will only be without the services of two of their last year's first stringers, which will make the going tougher for the locals. They have won one game and lost one game so far this season. They beat Springlake easily in their first game, but lost to a much better Portales, N. M., team last Friday.

Muleshoe has both speed and size, and that is something that most of the other teams in their part and this part of the conference do not have. They are still being given a lot of publicity about winning the north half of District 4-A.

The Yellowjacket line averages 175 pounds, the back field averages 160, and the team average is around 166 pounds per man. They outweigh the Tigers about 15 or 20 pounds per man.

Slaton will definitely be considered as the underdogs in this game. The team is still hampered by one or two injuries from last week's game, and there will be some changes in the line and in the back field. Jackie Pearson will be a probable starter at the left guard position, and Charles Norwood is expected to hold down the left end position. Ezra Corley is still out from last week with a bad knee injury.

In the back field, Carl Lewis will be shifted from the left half position to quarterback. Bob Lambert will replace Lewis at left half, Bill Butler will start at right half, and Ed Willis will move from the right half position to full back.

## Southland Eagles Open 1949 Season

Southland's Eagles will open their six-man football conference today against Patton Springs, according to the schedule released this week. Game time will be 2:30 p. m.

The Eagles have new silver colored uniforms this year, with red helmets and red and black numerals on the silver jerseys. Horace Hill and Tommie Leake are the 1949 squad captains, and R. C. Green is the coach.

All of the Southland home games will begin at 8:00 p. m. on Eagle Field, while all games away from home are to be day games and will start at 2:30 p. m.

Following is the 1949 schedule of the Eagles: Sept. 23, Southland at Patton Springs; Sept. 30, Roaring Springs at Southland; Oct. 7, Southland at McAadoo; Oct. 14, Dickens at Southland; Oct. 28, Wilson at Southland; Nov. 4, Southland at Flomont; Nov. 10, Guthrie at Southland; Nov. 18, Open Date, and Nov. 25, Open Date.

## RETAIL MERCHANTS WILL ELECT NEW DIRECTORS

Slaton Retail Merchant directors will hold a meeting in their office at the City Hall, September 28 at 3:00 p. m. The meeting is being called for the purpose of finishing arrangements for the banquet which will be held October 13, and to elect new directors.

Better get busy and visit the Slaton merchants who are taking part in the program and get your name in the pot as often as possible.

## West Texas Roundup

The long-awaited street markers are being assembled at the Chamber of Commerce office, and installation will be made as quickly as necessary labor can be obtained, according to C. W. Mann, secretary.

Cast in aluminum and bearing the name of the street and the block number, the markers are to be mounted on iron pipe and set in concrete at the intersections of all principal business and residential streets. — The Ralls Banner.

W. H. Killian, city secretary, confirmed reports this week that the city is contemplating employment of a chief of police.

Application, Killian said, are being received for the job. He indicated that a careful screening of applicants will be made to secure the type of man to handle local police problems in a manner satisfactory to the city and the public. — The Ralls Banner.

Enrollment in the Tahoka Public Schools is off slightly from that of last year, according to announcement of Supt. Vernon Brewer. However, it is believed that some may have delayed enrolling because of the muddy roads which have prevented school buses from making their entire routes. — The Lynn County News.

We are calling attention to the notice being published in this paper giving the low-down on a bond election which is to be held in this city on October 1, the purpose of which is to provide funds for the expansion of our water and sewer systems. — The Lynn County News.

David Todd, formerly of Slaton and president of Morton Lions Club, in speaking to members on Wednesday said, "the street marking project has not progressed with the enthusiasm expected when we first started the plan of numbering houses and marking the streets, home owners seem anxious for the numbers but Lions have fallen down on the selling job, we hope that with resumption of meetings the drive will get started and finished within record time." — The Morton Tribune.

The City Commission, meeting in regular session, Monday night, September 12, set the tax rate for the City at \$1.30 per one hundred dollars valuation. This is a reduction of 13 percent over rate of last year which was \$1.50 per hundred dollars, according to a report made by City Secretary J. S. Harrison. — The Morton Tribune.

A Salvation Army Welfare Unit consisting of Clint Herring, treasurer, and Mrs. Marvin Hudkins and George Barkie, was formed here yesterday by Capt. W. Gregory, commanding officer, and Bill Robertson, case worker, for the Lubbock Area Headquarters. The purpose of the organization is to assist local families or transients in any problems or situations which are not handled here by other existing organizations. — The Post Dispatch.

The Hank Smith chapter of the Future Farmers of America was awarded the Lone Star Chapter Bronze Emblem award at the awards banquet held in Amarillo on September 2. — The Crosbyton Review.

Overcast skies this week have brought an additional 1.88 inches of moisture to Crosbyton since last Thursday. This increased the total for the spell to 2.70 inches. — The Crosbyton Review.

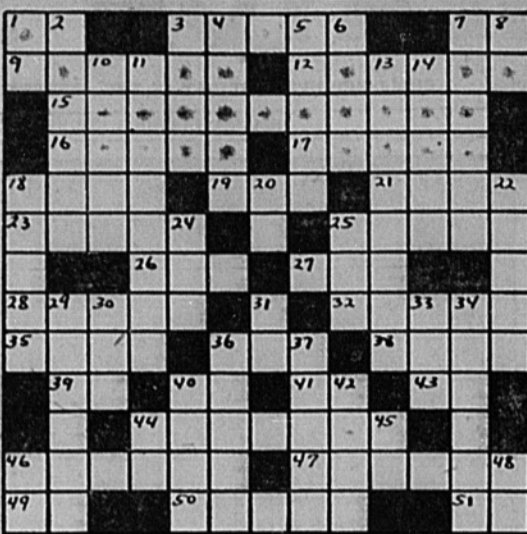

Low areas in the business-residential section of Andrews was flooded Tuesday when approximately five inches of rain deluged the city and flood water entered many of the homes and business structures of the city. — Andrews Co. News.

To provide more power to rapidly growing Snyder and the Scurry county oil fields, a 66,000 volt transmission line will be built from the Texas Electric Service company's substation at Colorado City to Snyder. This announcement was made Thursday by J. B. Thomas, president and general manager of the company. Construction will start shortly and the line is scheduled for completion by November 1. — Colorado Record.

The dairymen of Mitchell County had a meeting Tuesday night, September 13, for the purpose of organizing an Artificial Breeding program, which will be known as the Permain Artificial Breeding association. There were 19 dairymen present. — Colorado Record.

### VA Lists Changes For Eligibility Of War Veterans

Certain changes in Certificates of Eligibility for World War II veterans planning to train under the GI Bill have been made, and it will be necessary that all veterans comply with these new instructions in order to avoid delay in entering school, Robert W. Sison, Veterans Administration Regional Manager at Lubbock announced today.

Certificates of Eligibility issued to World War II veterans planning to train under the GI Bill from now on will include (1) the name of the course a veteran wants to take and (2) the name of the approved school at which he wants to pursue the course. The new type certificate will be good only for the listed course in the specific school named.

Veterans who had Certificates of Eligibility issued before September 1, 1948, have been urged repeatedly by VA to exchange them for certificates bearing identifying "C" or claims numbers. Those few veterans who still have the old certificates should surrender them for the new type—listing course and school—before commencing a course of training.

Veterans who have never had a course of training and now have unused Certificates of Eligibility—issued after September 1, 1948—may use them as they are until March 1, 1950. They need not be exchanged for new certificates, but after March 1, 1950, they will not be valid.

#### For Pedestrians

If walking on the highway, walk toward oncoming traffic and keep as far to the side of the road as possible. A skidding car will then be less likely to strike you, or if you should slip you will be less likely to slide into the path of a car.

Look both ways before crossing a street or highway. Do not jay-walk. Cross streets only at designated crossing places.

#### Fruit For Breakfast

Fruit and fruit juices stimulate appetite and good digestion. Fruit raw, cooked, canned, frozen, or dried may be used. The citrus fruits—oranges, grapefruit, and tomatoes—are good sources of vitamin C so that they should be included often for good health. Fruits in season are always a wise choice for breakfast.

### Lions End Season Out Of Playoffs

After ups and downs during the past baseball season, the Slaton Lions finally finished in sixth place and out of the playoff series. Bigger and better teams are playing in the Oil Belt League each year, all of which makes the going rougher.

Only once during the three years that Slaton has been in the league have they been able to advance to the playoffs with the four-top teams. The lack of good pitching has always been the main worry, according to local players. Put this situation should be remedied next season when new hurlers are secured.

Fighting was good for the past year, with 22 double plays being made in 29 games played. Hitting was also good. Following is a list, showing the players names, number of times at bat, hits, runs, and season average.

**A.M.J.**

People who work for the railroad, like employees of most all big corporations, are not at liberty to comment on the activities of their employer without getting behind the eight ball. In order to get some light on what the ultimate effect of the prospective transfer from steam to diesel engine on freight and passenger trains I have been bottomholing some of the railroad men around here and find that there is considerable anxiety among them and that most of them feel that there is a real probability of the Santa Fe shutting down, or practically, shutting down the round house in Slaton.

The facilities in the shops here are not suitable for work on diesel engines and if they were Slaton does not seem to be the logical place for such shops. Considerable help has been taken off the shops lately in Slaton due to the fact that diesel engines are carrying trains that equal two and three trains that used to be pulled by steam engines.

One engineer told me that he does not believe diesel engines could economically be used on some of the runs that are made out of here because to pay for their use the diesel engines must be kept in use about seventy per cent of their time; he also said that he feels sure that when business activity picks up that the diesel engines will be needed in the east and that at least temporarily the steam engines will be put back on the runs out of here.

One prominent business man who is well acquainted with one of the railroad commissioners of the State of Texas, is reported as saying that the Commissioner told him that the records show that Slaton was established by the Santa Fe Railroad and that the company definitely cannot close up

the shops here, although they could reduce it to skeleton crew. Most of the railroad men seem to feel that the Slaton Division will not be altered, except for the round house, if diesel engines are put in general use over the system and some point out that at Topeka, Kansas the machine shops have not been servicing either steam or diesel engines, but the facilities have been remodelled to do other kinds of mechanical work necessary for the operation of the railroad and it might be possible for such changes to be made here.

Old timers in Slaton say that the removal or closing of the shops here has been reported at regular intervals since they were installed and that activities over the Slaton Division have varied with business activity but that they do not think that there is a real danger of the shops closing up now.

Personally I believe it would be better for the town for the shops to close up now if they are going to be closed for the town could take the shock now without too much of a set back. It would be tough to lose the good citizens who have helped to make Slaton the substantial home town—that it is today and to have the families broken up and moved away, and I sincerely hope the situation is not as bad as some folks seem to think it is or could become, but Slaton is fast getting out of the position of being almost entirely dependent upon the railroad and we could survive the closing of the shops if it must be done.

And speaking of the railroad and what they carry, one railroad man told me of the things he noticed on a list of things that were being moved on a single diesel powered freight train. One car load of toilet water, two car loads of womens rayon slips, three car loads of sulphur and a long list of other commodities.

"Wouldn't that make a stinking wreck", said he.

A warning to husbands, Charley Whalen is out again with big bunches of dahlias and has gobs of them growing in his back yard. He is passing them out to the ladies and I have heard a lot of them Ohing and Ahing over his bouquets. My wife had a big vase full last week and she made comments on my being able to raise

only a few scrubby ears of corn and a half dozen sun baked tomatoes that cost me at least fifty cents each.

A phone message from Postmaster Scudder last week informed me that it would be safe for people with hip boots on to come to the Post Office since the water had gone down temporarily.

The reason the water stands so high and so long on the West side of the square is because there is no drain to the sewer on that side of the square and gravity drain to the one opening, two blocks away, takes quite a while.

If we are to go through a cold wet winter it seems to me that some kind of pontoons or wharfs should be built out over the water so that folks will not have to wade knee-deep in the semi-freezing slush that stands for days in the gutter on that side of the square.

Are folks listening to the radio as much as they did two years ago, five years ago, and ten years ago? After asking a lot of folks in Slaton I find that even the news broadcasts are losing their popularity and that about all that most of the men listen to these days is baseball and football broadcasts. For years I listened regularly to three news broadcast each day but I do not turn on the radio once a week now days. I have no idea what the regular programs are and I get the weary heaves when I accidentally get a few whines from Fibber McGee or Jack Benny. Bring on Television, I'm ready although I have my doubts how good it is going to be if we ever get it. In the mean time I will get my best crying hake out and be ready to bury radio as it is slowing committing suicide.

My wife found the following poetry in Tacks column in the Amarillo Globe and she thought it would be "nice" to run it in Just Talk. Personally I do not go in much for poetry, but I'm afraid not to publish it, so in order to keep peace in the family here it is:

"Wherever you're working — in office or shop  
And however far you may be from top —  
And though you may think you're just treading the mill,  
Don't ever belittle the job that you fill.

For, however little your job may appear,  
Your's just as important as some little gear  
That meshes with others in some big machine,  
That helps keep it going — though never is seen.

If they didn't need you, you wouldn't be there.  
So, always, my lad, keep your chin in the air.  
A digger of ditches, mechanic or clerk —  
Think well of your company, yourself, and your work!

**West Texas Gas Company  
Installs Short Wave Radio Network**

**Nine Fixed Stations**

West Texas Gas Company recently completed the installation of nine fixed short wave radio stations along its more than 800 miles of transmission lines.

This radio network, consisting of the most modern equipment together with more than 300 miles of company-owned telephone lines and long distance commercial lines, provides as good a communication system as is available.

The nine fixed stations are located at Lubbock (the Lubbock 200-foot antenna is shown at the left), Plainview and Midland, which are division nerve centers; at Odessa, which is near two sources of natural gas supply; at Turkey Creek Compressor Station in the Panhandle Gas Field, and at compressor stations near Canyon, Hereford, Littlefield and Tahoka.

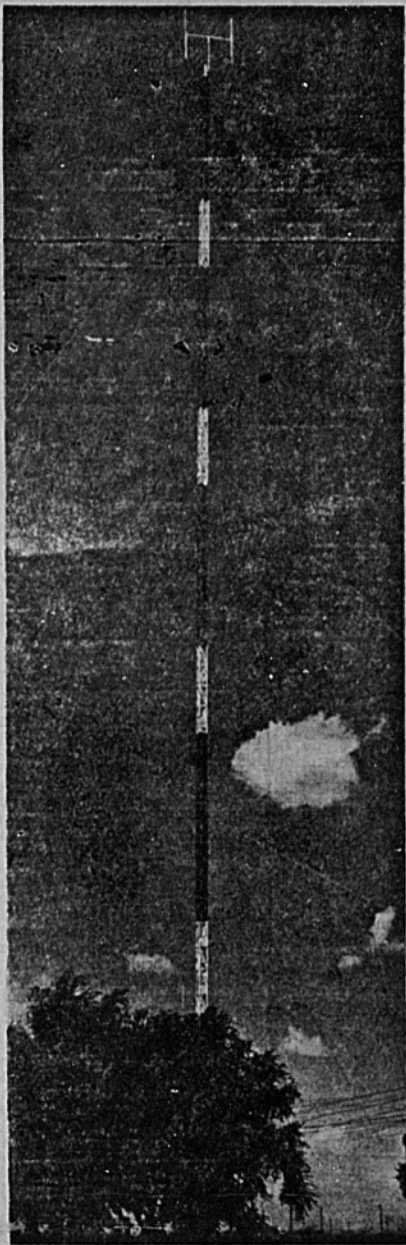

**Thirty Mobile Units**

We have also equipped 30 trucks and automobiles with two-way radios.

The installation of the short wave radio system enables us to call together emergency crews at a few moments' notice. Licensed radio operators are on duty at all nine fixed radio stations. They keep in contact with maintenance men making repairs and new installations along the transmission lines and also dispatch pressure readings via radio when other communication systems are busy or out of order.

Communication between all points of West Texas Gas Company's transmission lines is very essential and must be maintained at all times in order that the company may render good natural gas service to the thousands of homes and businesses in the 23 counties it serves.

Good gas service doesn't just happen.

## Chatterboxing

with Marie Guhl

Gather round me ladies. You're about to hear the best joke of the week. That dumb gal who now writes the recipe column sure pulled a brilliant faux pas last week. Apparently she doesn't know the difference between f-i-o-w-e-r and f-i-o-u-r, as her recipe called for "one cup of flower." Just in case anyone tried it, let us know what happened. Who knows, it might be pretty good. Some of us, you know, just weren't born with a domestic fling.

No doubt a lot of you members of the fairer sex are a lot like I am. Your taste in good clothes demands to know what's being worn this year even though your budget sits up on its hind legs and makes its head. So, maybe I can save you the trouble of making those numerous trips to the dress shops where you are forced to answer the saleslady with a polite, "No thank you, I'm just looking."

If your hem line is thirteen inches from the floor, you'll be in fashion... shorter skirts, but not the pre-war knee length yet. Tweeds in both coats and suits will be your best bet. However, last year's swing back coat is strictly out. A plain fitted, and often belted back will be high vogue for the 1950 coat.

In colors, brilliant reds are taking the back seat to deep wine, and running a close second is a new comer, "toast brown." Kelly green is still holding its own, although it isn't nearly so popular this year.

For sport skirts and suits its corduroy, corduroy, and more corduroy; and in wool sports its plaid. For really "dressing up," satin, taffeta, and velvet will head the list. Dress bags to go with sued shoes will be made of all-wool and broadcloth instead of the matching sued.

Sued and velvet hats will be top fashion; and to go with the hair style, which is even shorter this year, the hats will be small and off-the-face. If you are the tailored type, all you need this year to dress up for the evening is a "fussy" hat to be worn with your favorite suit.

Last but not least, lingerie will

be nylon altogether. The favored nylon will even be seen in dresses somewhat this year.

The above fashion tips are only a few of the features to be looked for in the well-dressed lady of the coming year. For further information consult your favorite fashion experts, as I don't profess to be a connoisseur of the best in feminine wearing apparel. This is just "what they tell me."

A very complimentary person told me the other day that the title of this column sounds more like something that a couple of fighters would do than something that might go on between a bunch of gossiping women. Being a little slow, I passed the remark off with a friendly chuckle and continued with my day's chores. Later I started thinking that maybe he was subtly tipping me off as to how this sort of nonsense goes over with the reading public. Oh well, I'm young and still have a pretty good constitution; so until I weaken, we shall continue to call it by the above name. And, unfortunately, I can't guarantee that the caliber of writing will change greatly; but any suggestions will be given careful consideration.

### PAST MATRONS OF O.E.S. HAVE RECENT MEETING

Members of the Past Matrons Club, past matrons of the Eastern Star, met Thursday evening, Sept. 15 at eight in the home of Mrs. W. R. Lovett at 415 W. Lynn St.

Mrs. H. E. Woods presided at the business session where plans were completed for participation in an O.E.S. program scheduled for the near future. Much illness, and recent bereavements were reported among the members and their immediate families.

A refreshing frosted drink and home made cookies were served by the hostess during the social hour.

## Miss Jean Bondurant Becomes The Bride Of James D. Keese

### Luncheon Is Given Martha Loveless To Announce Wedding

Miss Martha Loveless, daughter of Dr. and Mrs. Roy G. Loveless of Lubbock, who will marry Ray Cook on Oct. 22, was honored Saturday at an announcement luncheon held in the Lubbock Country Club ballroom at 12:30 noon with her mother as hostess. Miss Loveless and her family are formerly from Slaton.

Centering the table was an arrangement of giant mums, which were tinted pink and sprinkled with silver glitter. Completing the decorations in pink and gray, the bride-elect's chosen colors, were pink satin streamers lettered in silver with "Martha and Ray."

Among the guests were the prospective bridegroom's mother, Mrs. Earl Cook of Childress; his sister, Miss Lunette Cook, a student at West Texas State College in Canyon; his grandmother, Mrs. W. R. Jarrell of Childress; and his aunt, Mrs. Galen Givens of Quanah.

### Athenian Study Club Elects New Members

The newly organized Athenian Study Club which was begun in April held its first regular meeting Monday evening, Sept. 19. Club year books were distributed among the members and reports from the standing committees were given.

New members elected into the club included Mrs. Bill Wilder, Mrs. Frank Weathered, Mrs. Bob Fondy and Mrs. R. C. Stevens. A cake party was given the following night at the home of Mrs. R. G. Edmondson for the new members.

Other members of the club are Mrs. J. E. Eckert, jr., Mrs. George Hodges, Miss Alice Meading, Mrs. O. W. Kenney, Mrs. W. T. Davis, jr., Mrs. Sam Phillips, jr., Mrs. S. Clark, Mrs. F. H. Schmidt, jr., Mrs. W. Spears, Mrs. Milton Fields, Mrs. Bill Barnett, Miss Martha Cudd, and Mrs. H. H. Edmondson.

### BAPTIST ADULT UNION HAS BACKWARD PARTY

Last week members of the Adult Union of the Baptist Church met at the Club House for a social party. A backward party in nature, everyone wore something either backward or wrong-side-out.

After a sing song and a spelling and other games were played. Refreshments were served to the twenty-six members present.

In a double ring ceremony Miss Jean Bondurant became the bride of James D. Keese, Saturday, Sept. 17 at 8 p. m. The bride is the daughter of Mr. and Mrs. Roy Bondurant of Rapelje, Montana, and the bridegroom's parents are Mr. and Mrs. Douglas Keese of Slaton.

Reverend Andy Burk of the Slaton Church of Christ officiated at the ceremony performed at the home of the bridegroom's parents. The vows were spoken between baskets of white mums before the fireplace which was banked with fern and mums. Tapers burning in candelabra lighted the setting. Recorded music was played, the bride's choice being "Always" and "The Bridal Chorus."

Given in marriage by her brother, Wayne Bondurant, the bride wore a street length dress of blue-grey satin and crepe with grey accessories. She carried a colonial bouquet of rose buds with white satin and lace streamers.

The bride's matron of honor was Mrs. L. D. Angham, sister of the bridegroom from Slaton. She wore a coffee brown crepe dress with brown accessories and her flower was a yellow mum.

Mr. Keese was assisted by his brother, Ted Keese, also of Slaton. Candles were lighted by L. D. Langham, brother-in-law of the bridegroom and Earl Delaney, an uncle of the bridegroom from Clovis, N. M.

Following the ceremony, a reception was held at the home of the bridegroom's parents, 360 W. Panhandle. The reception decorations were white mums and pink candles.

Mrs. Earl Delaney presided at the wedding cake which was decorated with pink rose buds. Miss Cleo Wolf, aunt of the bridegroom, presided at the crystal punch bowl, and Mrs. James Withe of Brownfield at the bride's book.

Out-of-town guests for the wedding included: Wayne Bondurant, Rapelje, Mont.; Mr. and Mrs. C. E. Delaney and children, Clovis, N. M.; Mr. and Mrs. Joel Ward, Las Deyas, N. M.; Mr. and Mrs. James Wright, Brownfield; Mr. E. E. Keese, Seagraves; and Mr. and Mrs. C. B. Boydston and son from Lubbock.

After a short wedding trip through Texas, Mr. and Mrs. Keese will reside in Port Arthur. Mrs. Keese is a graduate of Rapelje High School, and Mr. Keese is a graduate of Texas Tech and served four years with the armed forces.

## Pre - Nuptial Tea Is Given In Honor Of Miss Meading

Miss Alice Meading, daughter of Mr. and Mrs. P. G. Meading of 605 South 12th, was honored Sunday afternoon, Sept. 18 from three to five-thirty with an announcement tea in the home of the bride-elect's sister Mrs. B. N. Ball. Miss Meading will marry Carl J. Young of El Paso October 9.

The table was covered with a cloth of rose organdy trimmed in heavy white lace. A large bowl of white, lavender, and pink asters centered the table. The candleholders and punch bowl were white Milk Glass and the candles were pink.

Receiving the guests were the bride-elect's mother, Mrs. P. G. Meading; her grandmother, Mrs. Ella Boone of El Paso; two sisters, Mrs. B. N. Ball and Mrs. LaVerne Curry; Mrs. Hugh English from Lubbock, and Miss Meading.

Others assisting in the hospitalities were Mrs. H. G. Stokes, Mrs. L. A. Harral, Mrs. H. M. Englund, Mrs. Ray Hickman and Patsy Hickman, Mrs. Claude Porter and Kay Porter, Mrs. L. B. Wootton, Mrs. K. C. Scott, Mrs. Fred Schmidt, Mrs. Bruce Pember, Mrs. O. Z. Ball and Shirley Ball, Mrs. B. W. Jones and Dorothy Jones, Mrs. J. H. Brewer, Mrs. W. T. Cherry, and Mrs. Webber Williams.

### Mary Martha Class Installs Officers

Members of the Mary Martha Class of the First Baptist Church met Sept. 15th in the home of Mrs. R. C. Patton, 340 South Tenth St. Mrs. Shirley Butler, president, presided; and Mrs. J. T. Bolding was in charge of the installation of the new officers.

Officers installed were as follows: Allan Crowley, teacher; Mrs. C. E. Hogue, president; Mrs. Ed Caldwell, first vice president; Mrs. Charles Felty, second vice president; Mrs. Dave Draper, third vice president; Mrs. Earl Caldwell, secretary; Mrs. Jimmie McCarver, assistant secretary; and Mrs. C. A. Wells, Mrs. Bob Brasfield, and Mrs. J. C. Leach, group captains. Refreshments of angel food squares and coffee were served to the fourteen members and five visitors.

### NANCY JOHNSTON HAS BIRTHDAY PARTY SAT.

On Saturday afternoon, Sept. 17, Nancy Jan Johnston celebrated her sixth birthday with a party at the Club House.

Games were played and birthday cake and punch were served to the following friends: Martha Brake, Martha Ellis, Teddy Hackett, Dal Stanley, Robert Prichard, Sue Prichard, and Katherine Ann Smith; also to Mrs. Jim Brake, Mrs. Wayne Smith, Mrs. McAnear and Mrs. Leonard Johnston.

### BAPTIST W. M. U. MEET FOR ROYAL SERVICE PROGRAM

Eighteen members of the Baptist Women's Missionary Union met Monday at 3 p. m. for their Royal Service Program at the home of Mrs. J. B. Huckabay. Mrs. A. R. Keys was her co-hostess.

Mrs. L. R. Gregory led the program on communism, and the devotional was presented by Mrs. Fred Stottlemire. Others taking part on the program were Mrs. A. E. Clack, Mrs. Clifford Young, Mrs. R. L. Smith, Mrs. J. B. Huckabay, Mrs. T. E. McClanahan, Mrs. Guy Brown, Mrs. George Green, Mrs. A. A. Devore, and Mrs. Clyde Shaw.

After a short business session, an offering was taken for the Baptist Mexican Orphans Home in San Antonio. Refreshments were served at the conclusion of the program.

### CLUB ANNOUNCEMENTS

The Slaton Elementary Parent-Teacher Association will meet Sept. 26 at 7:45 p. m. in the high school auditorium. The meeting place has been changed as the West Ward auditorium has not yet been completed. All parents interested in the welfare of their children are urged to attend.

A meeting of the Slaton Cub Scouts will be held Thursday, Sept. 29 at the city hall at 7:30 p. m. All mothers and fathers who are interested are invited to bring their children.

W. T. Driver, who recently recovered from a case of pneumonia, returned this week from Sweetwater where he visited his daughter Mrs. R. O. Peters and Dr. R. O. Peters. The Peters family returned home with him and visited in the Driver home until Tuesday when they left for a hunting trip to Montana.

M.; Mrs. Coy Palmer and sons Brice Lee and Larry from Pampa; and Mrs. Willie Crawford of Anson.

### Singleton-Mosser Marriage Is Read

Miss Ann Singleton, daughter of Mr. and Mrs. M. O. Singleton, 235 West Lubbock St. and Walter G. Mosser, son of Mrs. Louis Mosser, 1105 So. 14th, were married Thursday, September 15 at 7:00 p. m.

The Reverend T. D. O'Brien officiated at the double ring ceremony. The rectory was decorated with pink and white gladioli and white asters.

The bride wore a Hunter green suit with dark brown accessories and a corsage of vanda orchids. The couple was attended by Mr. and Mrs. Carl Kayser. The matron of honor wore a flamingo red suit with black and white accessories and a white carnation corsage.

At the reception which followed, the bride's table was laid with a green damask table cloth centered with pink asters and green candles. The three-tiered wedding cake, topped with miniature bride and groom, and punch were served to members of both families.

After a short wedding trip to New Mexico, the couple will be at home at 1015 West Crosby St. in Slaton.

Mrs. Jewell Phillips from Wilson visited this week with Mrs. C. E. Greer.

Mr. and Mrs. Felix Bolding of Lubbock visited in Slaton Sunday with Mr. and Mrs. Gordon Burrell.

er-board tumblers are pictured above as they send one of their members sailing through the air to land in the chair which is supported on the top of a 14-foot pole. Chuck full of speciality numbers

which include singers, dancers, comedians, and balancing acts, composed of former movie stars, swank night club entertainers, circus performers and Broadway production stars, never let the show grow stale.

**Abernathy Downs Slaton 13-6 Here**

A bigger and stronger Abernathy football team overpowered a determined Slaton Tiger squad 13-6 here Friday night before a crowd of some 1,500 fans. It was the second straight defeat for the locals.

Abernathy scored on the initial play of the first quarter when Jimmy Miller, Antelope half back, ran through his own right tackle and scampered 63 yards to pay dirt. He was untouched all the way. Full back Don Snodgrass's placement was good to put the visitors ahead 7-0.

Minutes later, Snodgrass took a kick off the toe of Half back Carl (Curly) Lewis on his own 30-yard line and raced 60 yards for a touchdown, only to have it called back on a penalty.

The Tigers finally got the ball rolling late in the second quarter. Recovering an Antelope fumble on the Abernathy 37-yard line, Slaton marched to a touchdown in only a few plays, with Ed Willis, Tiger half back, pushing over the goal from the 3 yard strip. Bobby Taylor, place kicking specialist, attempted the extra point, but his kick was wide by about a foot.

The two teams played on fairly even terms through most of the third and fourth quarters, with

both getting good drives started that always fizzled out. Then eight minutes deep in the final quarter, Full back Snodgrass took a hand-off from Quarter back Willie Hammond and raced 90 yards for the final touchdown. The attempted conversion by Snodgrass was no good.

Fumbles and injuries were costly to the Tigers. Slaton fumbled eight times, but lost the ball only four times. Early in the first quarter, Ezra Corley, starting left end, received a leg injury and was taken out of the game. Tackle Leon Moore and Quarterback Cecil Bybee received injuries in the fourth quarter but remained in the game.

Moore, Carl Williams, and George Young were outstanding linemen for the Tigers, and backs Lewis, Willis, and Bob Lambert turned in top performances for the locals. Miller and Snodgrass were outstanding running backs for the visitors.

## Slaton Women Give Their Favorite Tested Recipes

Mrs. Fannie Patterson has had a lot of experience at this cooking business. She reared a family of five and says that when her children were all home she used to cook three big meals every day of the week.

Mrs. Patterson's favorite recipe is one which always made a big hit with her family. "The children come home often and I always cook this cake because they enjoy it so much," she explained. Her recipe is one for a "burned sugar" cake.

The ingredients call first for one cup of sugar, burned brown. To this add one cup of hot water. Other ingredients include:

- 2 1/2 cups flour
- 2 1/2 teaspoons baking powder
- 1 teaspoon salt
- 1/2 cup butter
- 1 1/4 cups unburned sugar
- 3 eggs
- 1 cup milk.

Directions for mixing the cake should be followed very closely. First cream the butter and sugar and add the egg yoke. Next add milk and alternately stir in dry ingredients, (flour, baking powder, and salt).

Fold in beaten egg whites and add one third cup more of the burned sugar mixture and a teaspoon of vanilla. Bake in three layers in oven at 375 degrees.

In making the icing add two cups of white sugar, one-half cup butter, and one-half cup of cream to the remainder of the burned sugar mixture. Boil for about 15 minutes or until soft ball is formed when dropped into a cup of cold water.

Beat until thick enough to spread and distribute evenly over the three layers. And Mrs. Patterson assures us that the result is "really delicious."

Asked how long she had been cooking, Mrs. Patterson said that she had been preparing food ever since the time when she had to stand on a box to reach the cabinet.

A member of the rural Home Demonstration Club, Mrs. Patterson learned how to cook her favorite burned sugar recipe from one of the demonstrations on cakes.

## V. A. Announces Insurance Scale

The Veterans Administration's first calculations on amounts proposed to be paid nearly 15,000,000 veterans in the \$2.8 billion special National Service Life Insurance dividend have been received by the Veterans Administration Regional Office at Lubbock this week.

Robert W. Sisson, Manager, announced today.

Maximum possible amount that any veteran can receive will be \$528. Other payments, based on age groups will run to lesser sums. The dividend will be paid on both term and converted insurance poli-

cies, and will be paid only for the period that the policy was in force prior to the policy anniversary in 1948. No payments will be made for periods of lapse, V-A emphasized.

The rates of payment will be: Those under 40 years of age at the rate of 55 cents per month per \$1,000 of insurance; those 41 to 45 years of age, scaling down from 52 cents to 40 cents; those 46 to 50, 37 cents down to 25 cents; those 51 to 54, 24 cents down to 21 cents; those 55 and over, 20 cents per thousand.

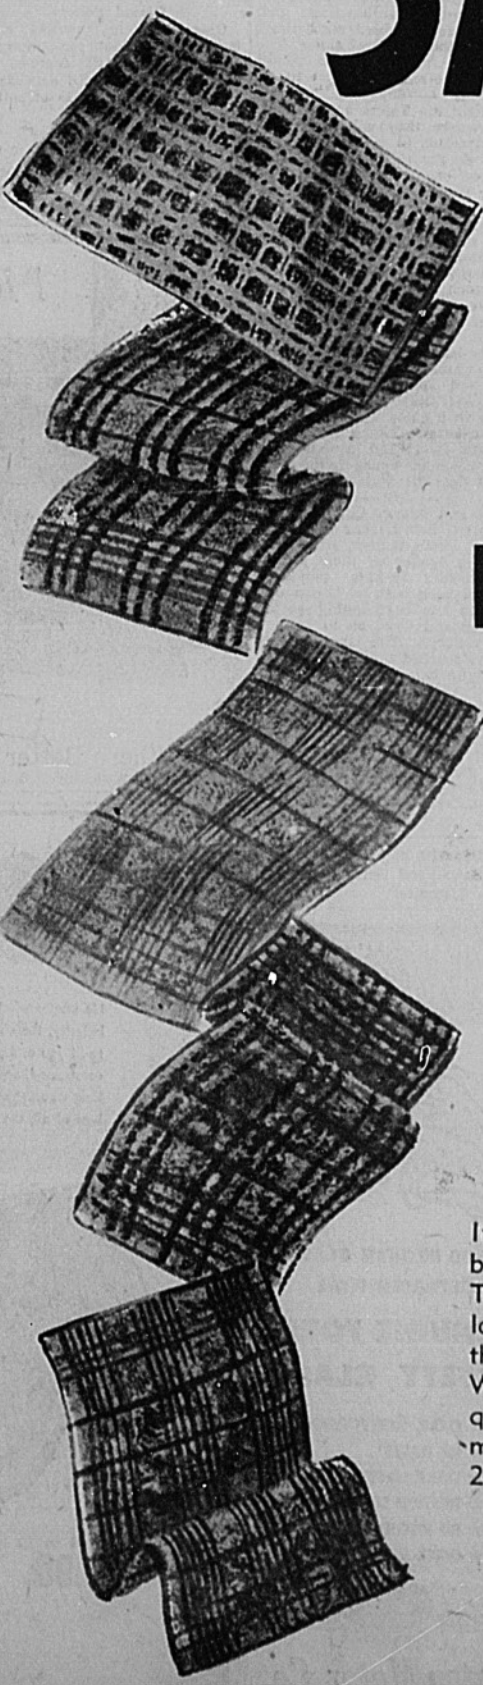

The proposed scale does not apply to insurance on a permanent plan which has been surrendered for a reduced paid-up amount. These cases will be handled separately.

We still believe that the Tigers have a much better ball club than local fans gave them credit for in the beginning. In the last two games they have been up against heavy odds, but they have always played a good ball game. There are a few weaknesses that need ironing out, but with a little time, these faults can be corrected.

Last Friday night Slaton lost to a bigger and stronger Abernathy team by a score of 13-6. It was the second straight defeat for the Tigers. Abernathy scored in the first and final periods, and had one touchdown called back in the first period on a penalty. Slaton got its drive going late in the second quarter, with Ed Willis pushing the ball over from the three yard line.

The Antelopes scored on the first play of the ball game, when Half Back Jimmy Miller raced some 63 yards for the first touchdown. A few minutes later, Don Snodgrass ran a fourth down kick from the toe of Carl Lewis for a 60 yard touchdown trip, but it was called back on a penalty.

From there on it looked as if the visitors would run completely away with the ball game, but the Tigers settled down and played pretty good ball. The Antelopes scored again in the last minutes of the final quarter on practically the same play that Miller scored on in the first quarter. The attempted conversion was no good, and that's the way the game ended, 13-6.

Slaton outplayed the Antelopes in first downs, racking up 12 to the visitors eight. In the passing attempted section, Slaton tried eight, completing three for 48 yards; Abernathy tried four, completing one for 15 yards. Fumbles were still costly this week to the Tigers, but not as much as last week. Slaton fumbled eight times and lost the ball four times. The Antelopes fumbled seven times and lost the ball only three times.

Tonight the Tigers are at Muleshoe, where they will meet the Yellowjackets in a non-conference game. So far this year, Muleshoe has won one game and lost one game. They won from Springlake week before last and lost to Portales, N. M., last week end.

All reports that have come back to Slaton have it that the Muleshoe boys are a pretty rough looking bunch of boys. However, they will be without the services of two of their star backfield men tonight. Ted Lawler, first string quarter back, is expected to be out of the game with a pre-season injury, and Joe Cummings, first string half back, suffered a broken leg in a game with Springlake two weeks ago. The starting team averages about 166 pounds per man, which is considerable more weight than the Slaton team has.

Post and Denver City advanced to the Oil Belt League finals last Sunday. Post's Millers, after dropping the opener of their playoff doubleheader with Sundown, bounced back with a 11-run outburst in the first inning of the nightcap and went on to score a 13-8 victory. The Denver City Gassers reached the finals also by splitting a twin bill with the Seagraves' Oilers. Both teams had won last week in their opening games of the playoff series.

Denver City will be the site Sunday of the opener of the two-of-three games finals, with the two teams moving to Post the following Sunday to wind up the playoffs.

## Home Town Builder!

If you're interested in buying an Oldsmobile, the man to see is Milton Davis, owner and operator of the Davis Motor Company. Mr. Davis signed the contract with the Oldsmobile people in January 1948 and moved into his new building in October of that same year. He has lived in Slaton since 1945 when he came here with the Slaton Implement Company.

Located in Slaton at 310 South 9th, the Davis Motor Company is housed in a both modern and attractive white brick building. Besides Mr. Davis, there are at present two other full-time workers on hand all day. They are Mr. S. A. M. Cooper, and Mr. W. B. Nesbitt, frequently referred to at the Motor Company as "the man with the Butch hair cut."

Besides selling new cars, the Davis Motor Company will service any car of any make. In their repair shop, one of the cleanest and most well-equipped to be found anywhere, mechanical and motor trouble can efficiently be remedied. In fact, the Davis workmen can do most any work on cars except body and fender repairs. In the shop can be found a motor analyzer which

can determine such things as the proper setting of points, etc.

Asked to whom he sold his cars, Mr. Davis replied, "We sell all of our cars locally. We don't get many cars, and the ones we do get we want to go to home town people if they want them."

One or two Oldsmobiles a month are sent from the factory to the Davis Company, and every one is sold at list price. However, the supply of new cars has increased this year a little over last year. In 1948 Mr. Davis received twelve new Olds and so far this year, with about four months yet to go, he has handled fourteen.

All of the Davis cars come to him complete with radio and heater which were installed at the factory. Also in his shop he carries a complete line of replacement parts for the Oldsmobile and many for other car makes.

With a friendly smile Mr. Davis explained, "We welcome anyone at the Davis Company whether they want to buy a car or not. Just come in and we'll be glad to show you around and get acquainted."

**GRACE HAYNES GUILD MEETS WITH MRS. A. L. BRANNON**

Mrs. A. L. Brannon was hostess to the Grace Haynes Guild Wednesday evening, Sept. 14. Mrs. Brannon presided over the opening and business session. A hymn was then sung by the group, and Mrs. Curtis Watkins gave the devotion- al on the life of Amos, scripture reading from the first and second chapters of the book of Amos. After the presentation of a paper on medical missions by Mrs. J. C. Champion, the meeting was dismissed with all repeating the 1 Cor. 15:58, and refreshments were served to the members present. The next meeting will be held at the home of Mrs. George R. Hodges, Oct. 12.

Mrs. J. N. Wright of Vernon is visiting in Slaton with her sister Mrs. J. R. Wellborn.

Just received one executive size oak desk and one gray metal ex- ecutive size desk, swivel chairs to match if desired. Priced right at the Slatonite.
