

Slaton's November 7th Trades Day Promises To Be Best Ever Held

Slaton's Trades Day, Monday, November 7th is slightly over two weeks distant with the prospect of being the biggest and best yet held. The spirit of Christmas will prevail and the kids are promised a real good time. A considerable amount of candy has been shipped to Santa Claus for the Trades Day and it is hoped that there will be enough for every little boy and girl to receive a sack.

The merchants taking part in the program report that there have been more names registered to date than there have been previously in the same length of times for previous drawings.

There are no limitations as to who can register nor is it necessary to buy merchandise at any of the places of business in order to put your name in the pot. You may register once each day at any of the places that are sponsoring the Trades Day and in most of them there are two places for registering your name, one for the three twenty-five dollar Government Bonds and once for the individual gifts that the individual places of business are giving away.

The idea of the plan is to encourage the people of this area to come to Slaton to shop. Many of the firms that are taking part are offering extra values for the week end of November 4th and 5th and also for Monday 7th.

If you want to have fun, perhaps win a twenty-five dollar savings bond or a valuable prize from one of the firms then stop at any of the places listed below and register. You may put your name in the registration boxes once each day from now until two o'clock of the day the drawings are held, so stop and register every time you are in town.

Church Census Starts Sunday

Starting Sunday, October 23rd, the Churches of Slaton will cooperate in taking a census of the Church membership of the town.

The work will be started by the members of the Lutheran Churches of this area and will be continued by members of the other churches.

The first section of the town that will be canvassed will be North of Division and West of 9th Street. If your home is in this area you should have the information concerning yourself and your family available when the census takers visit you. They will work between 3:30 and 5:30 p. m. and will have cards available to be filled out. The information desired is simple and can be given by any adult member of a family. It is hoped that adult members of each family will be at home between the hours specified.

Mr. and Mrs. C. F. Anderson and Claudia made the Aspen drive out of Santa Fe and Taos, N. M., Sunday. They returned home Tuesday.

The Question Of The Week . . .

For the past few weeks we have been asking questions of various married adults in town. This week we decided to go out to West Ward and find out what some of the younger set think about the world's weighty problems, which in this case happens to be "How do you think you should be punished when you misbehave?"

From Mrs. Guster's second grade come very thoughtful young answers. Suzannah Robertson thinks the only thing to do with a perpetually "naughty" person is to send him to the principal. Just exactly what would happen we didn't find out, but Steve Edwards says he'd much rather just talk it over with the teacher, because he has heard the principal spanks too hard. A scolding the first time and a spanking the second time seems to be the solution for Carol Jean Cook, while Jay McSweeney believes in spanking alone. Last of the second grade opinions was that of Tommie Karen Henry who is in favor of giving up recess after having been caught doing mischievous deeds.

From the second grade we turn to Mrs. Hunter's third grade. The old fashioned whipping system seems to be quite popular still. Both Suzanne Neill and Patricia Schilling are in favor of quick spankings with Martha McCormick explaining, "I'd rather have a whipping than a scolding because it's quicker." Perhaps the rainy

Professional Singer To Entertain Lions

JACQUELINE MCCOY

Miss Jacqueline McCoy, professional singer from Los Angeles, will entertain at Ladies Night of the Lions Club Tuesday, October 25. She will both sing and play the accordion.

Miss McCoy has previously been on tour in Anchorage, Alaska with the Rangettes and at present she has a six night a week singing engagement in Long Beach, Calif.

Mrs. J. E. McCoy will accompany her daughter to Slaton. While here they will visit in the home of their son and brother, C. E. McCoy.

World Community Day To Be Nov. 4

World Community Day will be observed November 4 by the Federated Council of Church Women. "Pieces for Peace" will be the theme for the day.

Women of the various churches have been asked to bring their missionary society meetings yard goods of cotton, woolsens, or print; yarn floss, crochet cotton, trimmings, curtain materials, pieces for patchwork quilts, needles, thread, tape, shears, etc. These goods in turn will be made into bundles to be presented and dedicated at the close of the program on World Community Day.

Young women of the churches represented in the federated council will present the program which is built around the theme, "Peace Is Possible." Names of participants will be given later.

Baptist church women are to be hostesses for the occasion.

Mrs. W. W. Dawson, mother of W. H. Dawson, underwent a major operation Wednesday at Mercy Hospital.

Mrs. S. H. Adams, Mrs. H. G. Sanders and John Frye have returned from a month's visit in New Jersey. Mrs. Sanders visited her son in Plainsfield, and Mrs. Adams and John visited with Mrs. Adams' daughter in Princeton.

Slaton To Meet Seagraves Tonight At Local Stadium

Slaton's Tigers face Seagraves' Eagles tonight at the local stadium for the second conference game of the season for the home team. Game time is 8:00 o'clock.

Seagraves has lost two conference games, one to Post and the other to O'Donnell, and is currently resting in the cellar position with Tahoka. And they are expected to be out tonight to upset Slaton from number two spot in the 4-A South conference race.

After three weeks of meeting teams that were on about the same weight level, the Tigers will again be faced by a much heavier football squad. The Eagles have a line average of around 165 pounds per man and a backfield average of about 150. The entire team averages out at 161 per man.

The Tigers will only be able to muster about 158 pounds per man in the line, 132 in the backfield, and have a team average of 145. No one was injured in the game last week with Morton, so everyone should be able to get into the fracas tonight.

According to reports, the Eagles will have two good players in the game, one a backfield star and the other a lineman. Bob Dale, a 165 pound left halfback, has scored a great deal of Seagraves' points so far this year. Jack Hale, 170 pound right end paces the Eagle line and is called upon to boot an extra point once in a while. Other outstanding linemen worth watching will be Tommy Bucknell, right tackle, and Kenneth Davis, right guard.

Starting lineup for Seagraves will be: Lamp, left end; Lash, left tackle; Willis, left guard; Singleton at center; Davis, right guard; Bucknell, right tackle; Hale, right end; Bennett, quarterback; Dale, left half; Reber, right half, and Stafford, fullback.

For Slaton's Tigers: Norwood, left end; Moore, left tackle; Young, left guard; Huckabay at center; German, right guard; Williams, right tackle; Biggs, right end; Bybee, quarterback; Lewis, left half; Lambert, right half, and Willis, fullback.

Mrs. Leloa B. Cloninger, 65, died Wednesday at 12:45 p. m. in the Lubbock Memorial Hospital. Mrs. Cloninger had been a resident of this area since 1923.

Services were held in the Slaton First Baptist Church Thursday afternoon, October 20 at three. The Reverend J. T. Bolding officiated. Mrs. Cloninger was buried in the Englewood cemetery.

Survivors are her children, H. A. Alexander of Breckenridge, Mrs. George W. James of Levelland, Mrs. E. A. Tusha from San Antonio, Mrs. Wesley Gentry of Slaton, Mrs. George Klattenhoff of Slaton, Jaynes A. Cloninger from Amarillo, Sidney L. Cloninger from San Antonio, Mrs. Lowe Melcher of Slaton, and Mrs. Ed Walters from Ft. Worth. She also survived by twenty three grandchildren, four sisters and six brothers.

Club To Show 1948 Army-Navy Game

Officers of the Touchdown Club announced this week that last year's grid game between Army and Navy will be shown Monday night, October 24, in the City Hall Auditorium at 8:00 o'clock.

Only persons holding Touchdown Club membership cards will be allowed to see the film. If any person other than club members is interested in attending the show, membership cards may be obtained from John Berkley or P. G. Meading.

The movie is in technicolor, complete with sound, and will last for about 35 minutes. It will be shown by courtesy of the Lubbock Navy Recruiting station.

Top Citizen For Third Quarter . . .

J. B. Huckabay, Slaton City Commissioner, was awarded the Chamber of Commerce top citizen certificate for the Third Quarter of 1949 last Monday morning in a brief ceremony held in the Chamber of Commerce office.

Presented by George Brassell, president of the chamber, the certificate was given in token of appreciation of services donated on many local civic projects that would have been expensive, and on such larger projects as the Canadian Dam Reservoir. In July, Mr. Huckabay joined a group of Panhandle officials for a successful trip to Washington, D. C., to confer with government officials concerning the proposed water system.

Mr. Huckabay is married and has two sons, Jack and Jerry. He is a veteran of World War II, saw action in both the European and Pacific theatres of war, and held a commission of major in the Corps of Engineers. He is a member of the Baptist Church and president of the Brotherhood club.

Directors of the Chamber of Commerce present for the awarding of the certificate were George Brassell, P. G. Meading, Lee Vardy, Louis Hollingsworth, Bill Ball, Claude Carvens, and J. T. Kendrick.

Rev. H. L. Anderson Will Be Lutheran Speaker Oct. 23

REV. H. L. ANDERSON

The Rev. H. L. Anderson of Lockney, Texas, who will be guest preacher Sunday at the Lutheran Mission Festival, is an experienced worker in American Missions. He will speak at both morning and afternoon services on October 23, on "Yet, There Is Room" and "Why Be Evangelistic?"

Pastor Anderson, who came to Lockney in September, 1948, was previously situated as home missionary at Mission, Texas. Although a graduate of Capital University and Seminary of Columbus, Ohio, he is a native Texan.

The festival will be held in the new auditorium of West Ward school, Sunday schools of the three participating congregations will meet together for the first part of the day's program at 9:45. A 11:00 Pastor Anderson will preach at the morning service. Following the lunch at noon, the guest speaker will again be heard at 2:30.

Mrs. David V. Sieberg of Lubbock will be guest accompanist of the choir numbers. Members of St. John Lutheran church of Wilson will be special guests of the Slaton Parish all day.

After the 2:30 service, members of the Immanuel Lutheran church and the Southland Ev. Lutheran church will participate in a canvas of Slaton.

Morton Visitors Say Thanks For Kind Treatment

Mrs. Ann England, editor of the Morton Tribune in a letter written to the publisher of the Slatonite this week, said:

Dear Mr. Jackson: On behalf of myself, Mr. England, the Morton Quarterback Club, the Morton football team and just about everyone else around here, I want to thank you, your paper, and the citizens of Slaton for the wonderful hospitality shown us Friday night when we came by special train to your city.

There wasn't a thing lacking and all of us do appreciate everything you folks did for us.

We aren't even unhappy over not scoring in the game. It was a good clean game, well played and I personally think both teams played a mighty fine game.

Again let me say "thanks" and we shall be looking forward to your visit to Morton next year when we can return your very nice hospitality.

Sincerely,
ann england

That the visitors from Morton appreciated the efforts made by the people of Slaton to show their hospitality will please those who went to considerable trouble to show good sportsmanship to both visitors and to the members of the Morton team. It is this kind of action that should be shown to all visitors and opposing teams when they visit Slaton.

Western Auto Opens New Store Tomorrow

Tomorrow will mark the grand opening in Slaton of one of the Western Auto Associate Stores. Mr. B. C. Welch will be operator of the new store, which is located at 130 N. 8th Street.

Mr. Welch comes to Slaton from Dallas, where he was connected with the theatre business for a number of years. He had been connected with a pipe line concern in Odessa prior to moving to Dallas. He is married and has a son.

Marvin Heinrich will be employed by Welch as clerk and tire and battery man. Heinrich is a native of Slaton.

Welch emphasizes that he will operate the friendliest store in this area, and he invites you to come by and see him at any time. Most of the merchandise in the store will be purchased from Western Auto Supply Company.

Welcome To Slaton

Slaton business firms and citizens take this opportunity to welcome the following newcomers to the city. Information is received from the Southwestern Public Service Company.

Fred Hibdon, residing now at 320 So. 4th Street, comes to Slaton from Greenville, Texas. He is married and has six children, and now employed at Champions as a watchmaker. G. W. Privett, a former resident here, is now living at 115 N. 6th Street.

R. C. Welch is the new owner of the Western Auto Associate Store here in Slaton. He has moved from Dallas and now lives on South 11th Street. He is married and has one child.

Mr. and Mrs. Jeff Custer attended the funeral of Mrs. Custer's father, Mr. A. Murry, Monday in Van, Texas. They returned to Slaton Tuesday.

THIS WEEK'S SMILES

"May I speak to the person who takes care of jobs for cooks and maids?" requested a man standing at the information desk of the State Employment Service. He was directed to the proper place. There he asked, "Are you the man who sent me a cook yesterday?"

The interviewer checked his records and smiled. "Yes, I am."

"Well," said the visitor, "it would please me immensely if you would have dinner with me tonight." — Reader's Digest.

COTTON GINNING REPORT

Census report shows that 4,654 bales of cotton were ginned in Lubbock County, Texas from the crop of 1949 prior to October 1, 1949 as compared with 15,337 bales for the crop of 1948 to October 1.

Mrs. Letha Arthur was notified this week of the death of her son who lives in Denver. Mrs. Arthur was accompanied to Denver by Mrs. Jessie Prosser.

Members of the First Methodist church approved a program calling for a new church building and a remodeling of the present building into an educational building.

The program was unveiled last Wednesday night at a fellowship supper at the church, which was attended by about 100 members, who were very enthusiastic over the project after it was explained, said Rev. O. B. Herring, pastor of the church.

A fund-raising campaign will get under way November 13 and will last about two weeks, announced Rev. Herring.

To cost approximately \$80,000 the building would accommodate 500 in its sanctuary.

The church has been in the present building since 1921. Seating capacity at present is about 350 including the balcony, the pastor said. He said one of the principal objections to the old building is the height of the steps into the sanctuary. The new building will eliminate this, he said.

The new building will be erected directly west of the present structure to face north on Lubbock Street. A tower and cloister will connect the two buildings.

A recent quarterly conference elected V. B. Browning, Bruce Pember, Travis Reynolds, E. R. Legg, W. R. Wilson, C. A. Womack, Joe Walker, sr., L. A. Haral, and Edwin Forrest as a building committee to lead the congregation in the building program.

Rev. Herring said construction would begin as soon as contracts could be let after the close of the fund raising drive.

Due to the increase in population and to the fact that the present quarters of the church are often overcrowded it has been decided that the First Methodist Church should keep in step with the times and with the needs of the community. It has been many years since any real expansion has been made in the accommodations for the members of this church and after long consideration by the directors it was decided that the construction should be done.

The plans call for making the Methodist Church one of the best equipped and best arranged churches in this area.

Annual Banquet Held By R.M.A.

Professor W. L. Ducker, head of the Petroleum Engineering department at Texas Technological college, was the principal speaker at the Twenty-fifth annual banquet of the Retail Merchants Association held last October 13 in the Slaton Club House.

Approximately 75 members and guests attended the dinner, which was prepared by Mrs. H. H. Edmondson and Mrs. Ben Manser. W. Howard Hoffman was toastmaster.

Following the dinner, Mrs. Lee Green gave a short talk on the past work of Slaton's Retail Merchants Association, and then members and guests heard the address by Professor Ducker. Speaking on the subject of energy as derived from petroleum products and coal, Mr. Ducker told of the relative use of these products in America today. The main reason for petroleum being used for fuel over coal is that it is more economical, the professor said. The cost of petroleum remains about the same, whereas the cost of coal has been steadily increasing during the past few years, he added.

New directors elected for the coming year are M. G. Davis, II, Dave Sanders, T. A. Worley, and Bland Tomlinson. They replace W. T. Davis, C. M. Fields, Travis Reynolds, and J. S. Edwards, Jr.

A director's meeting will be held at 3:00 p. m. October 26, in the Retail Merchants Association office in the City Hall, at which time new and old directors will elect officers for next year.

Basketball Girls Start Practice Under Mrs. C. E. Tillery; Nine Regulars Back

25 girls have reported for basketball workout during the early weeks of school, under the direction of Mrs. Clarence Tillery, coach.

The regulars back from last year are Betty Sue Clack, Joyce Voigt, Arlene Tefertiller, Ruth Punkonsey, Iva Crowley, Lena Schmidt, Rita Neu, Paula Maxey, and Bobbie Ann DeMent.

Losses from the team are Carol Sue Sokoll and Frances Hunter. Carol Sue was a four year letterman and co-captain for two years. She was an A team forward. Frances was a substitute and played forward.

Gym classes are being held every day the 4th period. New girls attending are Ruth Burton, Johnette Berkley, Joan Brown, Myra Fitzgerald, Linda German, Patsy Holloman, and Patsy Hickman.

Jimmie Lee Hudman, from Southland, and Geneva Kiker from Torr, Okla., are also going out but they will be ineligible to play in any conference games.

Geraldine Maxey, Alice Neu, Lorraine Parker, Jerry Short, Ruby Willis, Dorothy Shewmake, and Donna Singleton are in the class also.

There are 25 girls practicing and this is an increase of 13 girls from the number when the season ended last year.

No games are scheduled but the complete schedule will be made out by November 1st.

Practice after school will be held two or three days a week after the season opens.

Three Have The Largest Family Enrollment Here

There are three families in and about Slaton that have five children attending the Slaton schools. This is the largest enrollment of brother and sisters going to school here.

The H. L. Moore family living east of Slaton on their farm have five children attending our school. They are Sam, Harold, Maxine, Louise, and Leon. Gene, an older brother, graduated in 1948.

Five children from the Mack McCormick family also attend the Slaton schools. Their names are Ronnie, Martha, Shirley, Jack, and Patsy. Their father's occupation is painting.

The Barney Wilson family also has five children in the schools here. Wilson is the owner and operator of Wilson's Bakery. The students are Max, Dural, Jimella, Deljuan, and Mary Ann.

Approximately twelve families have four children enrolled in either the ward schools or high school.

Annual Pictures Are Made; Retakes To Be Made

Annual pictures of 194 high school and 65 eighth grade students were taken here Monday, October 3.

It will take approximately two weeks for the pictures to return.

Individual pictures were taken of the football players, and group pictures were taken of the Driving Class and the two eighth graders. The eighth grade will have two pages in the annual this year.

Retakes will be made for the six students who were absent, and for those who want a different picture.

Not half-submerged milk bottles but units of a new-type power dam are these oddly-shaped concrete cylinders in the French Alps. All Churches To Promote Drive

Reverend George Hodges of the Slaton Presbyterian Church reports that One Great Hour of Sharing has been chosen as the theme of the 1950 concerted appeal for relief, reconstruction and inter-church aid through the radio, press and general promotion, according to an announcement by Dr. Stanley I. Stuber, Director of Promotion of Church World Service, Inc.

The committee which made the final decision consisted of the Rev. Dr. Edgar H. S. Chandler of the Congregational Christian Churches, Mrs. Edith Groner of the United Council of Church Women, the Rev. Robert Bilheimer of the World Council of Churches and

Dr. Stuber. The scripture verse will be, "Bear ye one another's burdens, and so fulfill the law of Christ."—Galatians 6:2.

A New England type church steeple with a clock, the hands pointing to eleven o'clock, will serve as the symbol. Under the symbol, in block letters, will be the words, "March 12, 1950, One Great Hour of Sharing."

Emphasis will be placed both upon the "hour of sharing" on Sunday morning, March 12, and upon a series of radio programs which will come to a climax Saturday night, March 11, 1950. The actual collection of funds will take place Sunday, March 12.

Each denomination will promote its own program as a part of the total campaign and will receive the funds directly through its regular collection channels.

1/2 cup cold water 2 tablespoons lemon juice
1/2 cup canned peach juice 1 1/2 cups canned, sliced cling peaches, drained
2 tablespoons sugar 1 1/2 cups grated lemon rind
1 teaspoon salt

Chill milk until ice cold. Soften gelatin in cold water. Mix peach juice, sugar, salt and lemon rind. Add marshmallows. Cook and stir over very low heat until marshmallows are just melted, about 3 min. Stir in softened gelatin. Then stir into beaten egg. Add 1 tablesp. lemon juice and 1 cup peaches. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk with cold rotary beater, or electric beater at high speed until fluffy. Add remaining 1 tablesp. lemon juice; whip stiff. Fold into peach mixture. Put into cold 9-in. baked pastry shell. Garnish with rest of peach slices. Chill until firm.

Chatterboxing

with Marie Guhl

We were so successful through this column in providing a home for our lonesome and starving but worthy pooch that we have decided we should take it upon ourselves to find owners for all meritorious, unattached dogs in town. To be known as the "Bureau of Missing Canines" was considered, but we reconsidered upon learning that the word 'canine' is not only ascribed to dogs but also includes wolves, jackals and foxes; we know we're good, but maybe not quite that good yet. After deliberating on the matter for several hours we decided simply to call ourselves the Slaton "Placement Service for Homeless Dogs." And just to make it official, we have been legally recognized by Mayor Wootton.

In all seriousness though, if anyone has a dog he would like to give away we will try to help you find someone who is looking for a pet; or if anyone wants a dog and can't find one we will also do all we can to get one for you. There are dozens of dogs each year which have to be killed by the city because they wander aimlessly about the streets. It seems a shame to shoot a nice dog when some child's life would be made complete if he could have had him as his own special pet.

I have been told that a lot of you women have been keeping the recipes featured each week in the Slatonite. While browsing around over the supply shelves here in the office I found the ideal way to file my recipes. I suppose you'd call them recipe indexes with individual filing cards. Each card has a different heading such as bread, cake, confection, salads, drinks, deserts, and all the others. They're really pretty nice though and I thought I'd tell you about them in case you have as much trouble keeping up with things as I do. The cards are 3 1/2 x 5 inches and we have boxes to fit.

I'm going to steal a little of Mr. Jackson's thunder this week. Monday afternoon little Roy McCullough who lives at 400 So. 5th came toddling into the office with a box almost as large as he was. Upon asking him what kind of a prize he had hidden away in the container, he bashfully said he thought it must be some kind of a duck as he had found it by the lake. And some kind of a duck it was I guess, at any rate it had webbed feet; but someone in the office smarter than I suggested that it was a baby mud hen. Roy said he hadn't made up his mind what he should feed his precious fowl. I suggested mud, but no one laughed.

The Rainbow Girls are going to have a "House Beautiful" tour October 29 from 2:00 until 6:00 p. m. I suppose the idea is for everyone to go through everyone else's house and wish he had everything that everyone else has. No doubt this excursion is going to cost the husbands, but I'm sure the ladies are all going to have loads of fun.

Club Entertains With Style Show

Featuring a style show directed by Mrs. Glenn B. Payne, the Daughters of the Pioneer met Monday, October 17 in the home of Mrs. Robert Hall Davis at 655 W. Garza. Theme of the program was "Just Looking, Thanks."

Those modeling for the style show were Mrs. Joe Teague, II, Mrs. Vern Johnson, Mrs. Joe Walker, Mrs. A. C. Strickland, Jr., Mrs. R. H. Todd, Mrs. Bud Englund and Mrs. R. H. Davis with Mrs. Teague modeling a rose satin dress from McWilliams and a pair of nylon pajamas from O. Z. Ball's. Mrs. Vern Johnson modeled a black velveteen dress and a check suit both from Payne's. A green sport coat and a teal dress dotted with nail beads were worn by Mrs. Joe Walker.

Mrs. A. C. Strickland, Jr., modeled a tweed coat from McWilliams and a check suit dress in colors of burnt orange and black with a velveteen jacket. A sea green satin dress from Oates and a navy blue suit from Oates were featured by Mrs. R. H. Todd, Jr. Mrs. Bud Englund wore a two-piece knit dress in cherry red and a green plaid dress both from Payne's; and Mrs. R. H. Davis modeled a green gabardine suit and plaid wool sport dress from Oates.

Following the style show, refreshments were served to the group. Next regular meeting of the club will be November 7 at the home of Mrs. Maurice Middleton.

Mrs. I. M. Brewer, her son H. G. and his wife from Midland were visitors Sunday in the home of Mr. and Mrs. J. H. Brewer.

Slaton Schools Have Open House

Open House for Slaton's two grammar schools, East and West Ward, was held Tuesday evening from 7:00 until 8:30 when some four hundred guests were greeted. Sponsored by the P.T.A., the Executive Committee and the Hospitality Committee planned and assisted in the evening's events.

Highlighting the open house, Mr. Lee Vardy, superintendent of schools, dedicated the new public address system to the schools from the P.T.A. This is the first year for the system to be in operation. Mr. Vardy later showed a movie, "The Divine Flower," an educational picture on the growth and merchandising of the carnation.

Refreshment tables were set up in the cafeterias of each school. Fall flowers were used to decorate the tables, and punch was served by Mrs. W. R. Lovett, Mrs. J. H. Brewer, and Miss Lavada Reed, elementary supervisor. Fall flowers were also used in decorating each room, and baskets of flowers flanked the entrances of both schools.

Teachers of the schools acted as hosts and hostesses to the parents and visitors in each home room. Much of the work which has been done by the children this year was displayed in the various rooms.

Mrs. James Masterson, public school music supervisor, and Frances Wright, piano instructor, offered piano selections in the auditoriums.

Pre-Nuptial Shower Compliments Mary Evelyn Cook

As a courtesy to Miss Mary Evelyn Cook, bride elect of Ted Swanner, a miscellaneous tea-shower was given Thursday evening, October 18 from 7:30 until 9:00 in the home of Mrs. Max Arrants, 750 West Lubbock St.

The table was laid with a linen cutwork cloth and centered with an ornamental double wedding ring of white ribbon surrounded with pink roses with the single wedding ring and roses in the center. White candles were placed on either side of the rings.

In the receiving line were the honoree, Mrs. Jack Cook, Mrs. H. T. Swanner, Mrs. R. A. Swanner, Mrs. J. S. Edwards, sr., and Mrs. Edmond Maeker.

Miss Leonita Tunnell provided music for the occasion and tea was served by Mrs. J. S. Edwards, jr., and Mrs. L. A. Harral.

Hostesses included Mrs. Joel Neugebauer, Mrs. Fred Davidson, Mrs. M. M. Brewster, Mrs. B. A. Hanna, Mrs. L. A. Harral, Mrs. C. R. Bain, Mrs. J. B. Brooks, Mrs. Bill Layne, Mrs. C. T. Scroggins, Mrs. Lee Wootton, Mrs. John Berkeley, Mrs. O. B. Herring, Mrs. Delma Hodge, Mrs. J. C. Champion, Mrs. Jess Brasfield, Mrs. Max Arrants, Mrs. J. S. Edwards, jr., Miss Cora Sealy, Miss Louise Davidson, Miss Shirley Ball, Miss Wilma Fern Wheeler, Miss Leonita Tunnell, Miss Josephine Shepard, and Mrs. Ray Cook.

Grace Haynes Guild Meets October 12

Members of the Grace Haynes Guild of the Presbyterian Church met Wednesday evening, October 12 at the home of Mrs. Geo. R. Hodges.

During the business session directed by Mrs. Mildred Lokey, needs for the Indian Boys Mission in Arizona were discussed and it was voted to send them shirts. It was also voted to send a box of breakfast food to the Presbyterian Orphan's Home in Amarillo.

A very interesting devotional from the 7th chapter of the book of Amos was brought to the group by Mrs. Virgie Hunter, and Mrs. K. L. Scudder gave a review of the book "Again Pioneers."

The hostess served ice cream and cookies to the following members: Mesdames J. C. Champion, Mildred Lokey, C. M. Simmons, J. M. Hannah, A. L. Brannon, K. L. Scudder, Virgie Hunter, Jack Cooper, Artie Whiteside and one visitor Mrs. Grace Haynes from Cannon, Texas.

Next regular meeting of the group will be November 9 at the home of Mrs. Virgie Hunter.

NOTICE:

The P.T.A. will sponsor the annual Halloween Parade Monday, October 31. All children must be at the City Hall by 4:00 p. m. The parade will be divided into three age groups — pre-school age; first, second, third, and fourth grades ages; and fifth grades up.

Old Ironclad
The Monitor, John Ericsson's ironclad ship which vanquished the Merrimac in one of the most celebrated naval engagements in American history, probably would never have been built had it not been for Lincoln. At a meeting of government officials held to discuss Ericsson's design, Lincoln remarked, "All I have to say is what the girl said when she stuck her foot into the stocking. It strikes me there's something in it." With the President's stamp of approval on the project, the group resolved to undertake at once the construction of three ironclad ships.

Pigs Get Hemophilia
Hemophilia, the "disease of royalty" that causes victims to bleed to death from slight abrasions or other bodily injury, affects pigs and dogs as well as human beings. In dogs and people, it is known to affect only males. In pigs, however, both females and males may be stricken. It is reported only rarely in animals, but may be more prevalent than reports indicate, due to the inability of owners to recognize the condition. Hemophilic animals usually do not live longer than a few weeks because even minor injuries cause fatal hemorrhages.

Tunnel Seven Miles Long
The longest railway tunnel in the United States is the Cascade tunnel of the Great Northern railroad thru the Cascade mountains in Cheylen and King counties, Wash. It is 41,152 feet, or 7.79 miles long. It was completed in 1929.

SLATON THEATRE — SUNDAY & MONDAY

Southland News

MRS. FLOY KING

Southland and Dickens played their game here Friday night, and Southland lost another game. Some of our best players weren't in the game.

Barbara Brooks of Slaton Route visited Glenda Grantham Sunday.

Glenda and Calvin Grantham's grandmother, Mrs. Ella Grantham of Mineral Wells, visited in the Elton Smith home recently.

Mr. and Mrs. Bill Ramsey and baby of Midland came to her parents, Mr. and Mrs. G. N. Smallwood Friday night and attended the ball game in Lubbock Saturday. Mrs. Smallwood kept the baby while they attended the game.

Diekie Martin left Saturday for Amarillo where he will undergo an operation in the veteran's hospital there.

Mr. and Mrs. August Becker accompanied by Mr. and Mrs. Junior Becker of Lubbock all left for Temple Saturday evening to visit Mrs. August Becker's mother who is ill. They plan to return Monday.

Choose from gold, Kelly green or bronze taffeta and dapple it with the black lace overshift—for about \$40.

Six Children Win Poster Prizes Here

Winners of the grammar school fire prevention poster contest were announced this week. Sponsored by Browning and Marriott, six cash awards were presented to the following children:
From the first through third grades Greta Ann Brookshire won first prize; Katherine Ann Smith, second prize, and William Murphy took third prize. From the fourth through seventh grades Roland German won first, Helen Burks second, and Gerald Walser, third.
Winners of the first prize were given \$2.50, second prize of \$1.50, and third prize was \$1.00. Approximately two hundred and fifty posters were appraised by judges from outside the school.

Fourteen Arrested

Since Friday, October 14 five arrests have been made for intoxication and seven for gaming by the Slaton Police Department. In the Justice of the Peace Court one man was charged with illegal parking on the Highway and one man was charged with being drunk.
A number of the arrests were among itinerant workers, but there has been far less trouble with law breakers so far this year than has previously been the case at this time of the year.
The demand for cotton pullers has been far in excess of the demand and Chief of Police Ward expects a great many workers to come into this area this week and to continue to arrive as the season advances.

Civic-Culture Club Has Alatheans As Guests Tuesday

With the Alathean Club as their guests, the Junior Civic and Culture Club met Tuesday evening at the club house. Introduction of Club Sisters was made during the roll call.
Mrs. Virgie Hunter, leader for the evening, introduced the speaker, Mrs. Alma Caldwell who gave a lecture on finger painting. Following her art discussion, Mrs. Caldwell asked for volunteers from the group to try the type painting she had demonstrated.
Hostesses for the evening were Mrs. Jack Pearson, Mrs. E. D. Cummings, and Mrs. J. A. Wright.
Next regular meeting of the group will be November 1 when a Bible program will be presented.

Mrs. Virgie Hunter visited with her twin daughters, Phyllis and Frances, in Canyon Sunday where they are attending West Texas State. She made the trip with Rev. Hodges, Squire Peavy and G. A. Clevenger who were going to Amarillo to a Presbyterian church meeting. They also visited the children's home there.

Mr. and Mrs. G. E. Taylor have gone to Port Arthur this week for a hunting and fishing trip.

Mr. and Mrs. V. G. Browning and Mr. and Mrs. G. E. Taylor spent last week end in San Angelo.

Railroads Absorb Diesel Production

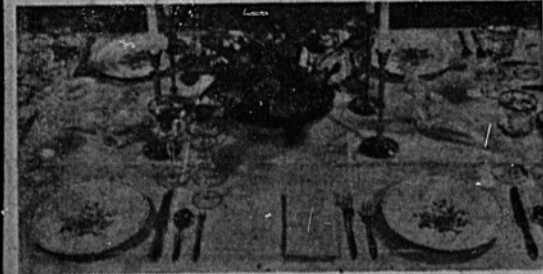

Despite rumors of an economic lag in general business conditions, American railroads are absorbing the production of manufacturers of Diesel locomotives. This picture shows the daily output of one of these manufacturers— Electro-Motive Division of General Motors Corporation.
In the "Passenger Train Car Miles" column of the April, 1949 I.C.C. report, Diesel-powered equipment rolled up figures surpassing all forms of steam-powered equipment. Likewise Diesels have similarly shown great advances in the field of freight traffic and switching services. Through high availability and low operating costs Diesels are helping railroads to meet changing economic situations.

The SPORTLIGHT

by Clarence
It's already been narrowed down to this fact in the District 4-A South title race: Only the Slaton Tigers, increasing in power from week to week, stand in the way of Post's Antelopes winning their second district championship. The Antelopes, who got off to a slow start as did Slaton, have also been steadily improving, and they now have three very convincing conference victories to their credit. The most recent win was a smothering 70-0 victory over Tahoka, the same team the Tigers beat 26-12.

Post has completed all its conference games but the one with Slaton. The Tigers still have two more games to play before they tackle the mighty team from under the Cap Rock. So now it seems almost a certainty that the Slaton-Post game on November 11 will decide the South half championship.

Slaton will meet Seagraves tonight in the only conference game of the week. Post will meet Snyder's Tigers, and Tahoka and O'Donnell have the week off.

Probably one of the happiest boys on Coach Tillery's squad last Friday was Bobby Taylor, 123-pound Tiger placekicking specialist. Taylor had a perfect evening with one point after another field goal from about the 15-yard line. So far this year Bobby has scored 10 points, seven of the ten being points made after touchdowns and three for the field goal.

This was the first time this year we have seen any high school football team employ such a spread formation that the Morton team used Friday night. Working with ends and tackles wide, the Indians were able to complete a few spot passes over the center, again a few yards through the line. But the ground attack didn't work too well through any part of the line. Late in the final period they began to use the single wing and were able to pick up some good yardage on end sweeps. They never threatened seriously, however.

Backs Ed Willis and Bob Lambert performed well in the Tiger backfield last Friday night. Both got off some fine running plays that helped the Slaton offensive program.

Baseball is still in the news this week, or at least as far as the South Plains area is concerned. For the second straight week the Denver City Gassers, winners of the Oil Belt League playoffs, have lost an exhibition game to the Lubbock Hubbers. This week the loss by a close score of 4 to 1. Lubbock scored one run in the third frame, two in the fifth, and one in the eighth to beat the Gassers.

Needed in all Homes
Every home should have at least one dependable fire extinguisher. Always seek the advice of your fire chief before purchasing one. There are different kinds for different types of fires.

Slaton Women Give Their Favorite Tested Recipes

Mrs. Herschel Crawford gave us not one but two recipes this week. They both sound so grand it's hard to decide which one to give first; so we'll just start with the biggest one which is a Shrimp Chowder recipe. The ingredients call for:

- 3 medium onions, sliced
- 3 tablespoons fat
- 1 cup boiling water
- 5 medium potatoes
- 3 teaspoons salt
- 1/4 teaspoon pepper
- 1 cup canned shrimp
- 1 quart hot milk
- 1/4 lb. grated cheese
- 2 tablespoons chopped parsley

Saute onions in fat until tender. Add boiling water, sliced potatoes, salt and pepper and simmer until potatoes are done. To this, combine hot milk with cheese melted in. Add shrimp and parsley and serve at once.

This makes enough for four or five large servings, and Mrs. Crawford suggests a fruit bowl to be served with it either as a salad or a desert. She says it tastes its very best after a big football game when a hearty meal is in demand.

One caution in preparing the recipe is to be careful not to cook it too long after adding the milk or the cheese and the milk will curdle.

Mrs. Crawford said she found this Chowder recipe several years ago in some magazine, but she couldn't remember which one. But it doesn't matter because we'll all have a chance to try our hand at it too.

The other recipe that Mrs. Crawford wanted us to have was one for a cheese spread which she serves at bridge clubs. She says everyone likes it so well that she thinks we should have a copy of the recipe. The spread is called Woodcock.

Components for the recipe call for only three major ingredients:

- 1 small can tomato sauce
- 1 egg
- 1/2 lb. (about) grated cheese

Besides the egg, cheese and tomato sauce, onion and garlic, salt are

used to flavor to taste. Instructions for preparing are:

Beat together the egg and the tomato sauce and cook until egg begins to turn white and thickens. Add grated cheese and mix in amounts of onion and garlic salts desired. That's all there is to it. Pile on crackers and serve warm.

Tracy, the Crawford's eleven year old son, while listening to the directions insisted that the spread is best on Cheese Ritz crackers.

"My sister-in-law Mrs. L. M. Garrigues gave me this one," Mrs. Crawford explained. "I hope she doesn't mind my letting you print it, but I'm sure she won't." Mrs. Garrigues is to have arrived in Slaton this week after having been in Japan.

West Texas Roundup

The end of a long, long trail was several steps nearer Tuesday afternoon after letting of contracts by the Brownfield school board for construction of a new high school building.

The general construction contract went to James T. Taylor & Son, Inc., of Fort Worth on a bid of \$353,369 — one of 11 bids submitted — The Brownfield News.

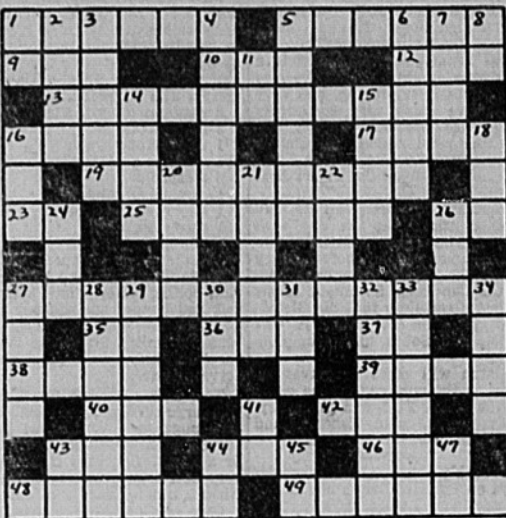

A Brownfield unit of the Civil Air Patrol was organized at a recent meeting here, with applicants for both senior and cadet memberships present. E. L. Sturges was elected commanding officer of the local flight. — The Brownfield News.

Cotton began moving from the fields to the gins in Lorenzo this week and some of the gins have been operating all night. Up to Thursday morning there had been ginned here 1199 bales and the yards were crowded with bales of cotton.

Cotton seed was selling at \$42 per ton. — The Lorenzo Tribune.

At a meeting of the City Council Tuesday night they transacted all the business before the body, paying all bills and named J. T. Herrington, as City Secretary to succeed L. H. Baker who recently resigned. Herrington will not take charge until the first of November. There were several applications for the job. — The Lorenzo Tribune.

The City of Morton will call an election on Saturday, November 5, for the purpose of issuing revenue bonds for the purchase of the Morton Gas Company. — The Morton Tribune.

Included in the Annual Bake Show and Sale which the Garza County home demonstration club women and 4-H girls will stage in the Post Truck and Tractor Company Building Saturday, Oct. 22, will be an exhibit of experiments by four Garza County women in cooking with sorghum grain flour. — Post Dispatch.

Lettuce harvest, which started the latter part of last week for Williams Farms and this week on Hereford Farms, will be far enough along for both packers to be going at full speed through the next few weeks. This will amount to about 20 cars daily.

With lettuce back around the \$5 a crate mark where it was this time last week, before dipping down towards the \$3 point, the local lettuce industry would be realizing nearly \$37,400 a day, through the peak of the season. — The Hereford Brand.

Locations for seven new petroleum operations, including one wildcat, were staked during the past week in Andrews County. Drilling on these projects is to get under way in the near future. — The Andrews County News.

The Anton Producers Co-op gin has made arrangements to get a thousand hands to help gather the cotton in this section. Bond has been arranged for and the hands will come direct from Mexico. This is expected to be a factor in getting the crop harvested on time and at a reasonable price.

Dozens of crews of Mexican laborers have arrived here during the last week. But most of them were returning to men for whom they have worked for many years. — The Anton News.

The Hockley County ACA office is in the process of making final adjustments on cotton, wheat and general crops to comply with bureau crop estimates, according to J. W. Evans, supervisor. Required by all counties and all states before allotments can be released, Evans said that his office expects to notify all farmers by Oct. 31 or Nov. 1 or their allotments for the 1950 program. — The Hockley County Herald.

Step Light And Watch Closely . . .

A great deal of emphasis has been placed lately upon the traffic conditions in Slaton. That the same problem is paramount all over the nation is evidenced by the gruesome reports of automobile accidents that are published in practically every daily paper that is printed.

That everyone in Slaton should keep on a constant alert to prevent accidents was demonstrated recently when the little Alfred boy was injured so seriously, and even though the traffic situation has improved considerably it is still most important that a constant watch be kept to make our streets as safe as possible.

The congestion around the schools when the classes are starting or when they are being dismissed has been relieved, but there are still too many people who are driving too fast on the streets near the school grounds. The children are now in more danger when they get several blocks away from the schools than they were when the congestion was at its worst.

It is self evident that the police cannot watch every street in Slaton at the proper time and even if this were possible it should not be necessary. It should be constantly on every automobile driver's mind while they are the wheel, to drive carefully. Let's give our own children and our neighbors children a chance to live and to be adults, and, incidentally, let's think of our own necks and property. SLOW down when you are within three or four blocks of any school building during school hours, and do not pass cars in front of you.

Poll Tax, Yes Or No . . .

There will soon be a state-wide election to determine whether or not the poll tax, prerequisite for voting at Texas polls, should be abolished or should remain as is. Arguments have been flowing freely pro and con between people, but no one seems to know for sure how the election will come out.

One argument for not doing away with the tax is that from the meager \$1.75 price of voting, one million dollars go into the state school fund yearly. Most people realize the importance of educating our children, and they will say, "Anything that will help education, I'm for it." But those people do not stop to think that after that same one million dollars is distributed throughout the towns in Texas, it doesn't add up much.

The million dollars should not be taken from the schools, but it should come from some other source than collection of poll taxes. It is the same people who could afford to lose a couple of thousand dollars yearly to our school systems that do not go out to the polls and vote—and why—because of one dollar and seventy-five cents.

Another so to speak ethical argument for keeping the poll tax is that those people who really want to vote in the first place won't let \$1.75 stand in their way. This is a gross misconception. Suppose a man makes a salary of fifty dollars a week, he has a wife and three children, and an invalid mother requiring frequent medical treatment. Even though fifty dollars a week is considered fairly good pay today, that man is hard up. That man will stay away from the polls because he has learned how far money can be made to go, and he will tell himself that his vote couldn't have meant much anyway. A hypothetical case? Of course. But there are thousands just like it, and even thousands more worse.

Opponents to the poll tax contend that everyone should and will some day be guaranteed a free voting privilege. They say it's the right of a man living in a democracy to voice his opinion and have an equal chance to vote his choice. It all sounds pretty corny, but there are no two ways about it—this principle is the American way of life, and the American way of life is made up of principles.

Perhaps the poll tax will be abolished in the Nov. 8 election. Even if it is, perhaps there won't be any more people going to the polls; but no man can then shirk his duty by saying he can't afford to vote.

Culled From Big City Columns . . .

Gems From Small Town Journals . . .

Here are some excerpts from MAIN STREET, a monthly page in Cosmopolitan magazine devoted to the sayings of

newspaper columnists in America's small towns.

"If you want to make time fly faster, the formula is simple. Merely insert a coin in a parking meter."
Times, Palo Alto, California

"We wonder how it would work if we halted all activity in the country some day for at least an hour. During this hour then ask everyone to take that time to just sit down and so some serious thinking and if possible try to figure out what it is all about. Perhaps we could find out just why we are going at such a fast gait, what we really want and if we are going about getting it in the right way."
The Missourian, Harrisonville, Missouri

"Don't be too hard on the pessimist, he might have gotten that way by backing an optimist."
Herald and Democrat, Siloam Springs, Arkansas

"During the past weeks of hot weather I have decided that vests were invented for people who can't make both ends of their necktie come out together."
Times, Thomasville, Alabama

"If those of us who think Stalin has no business in Europe can't convict him of vagrancy, maybe we can stick him for overtime parking."

**THE STATE OF TEXAS
COUNTY OF LUBBOCK**

In the Name and by the Authority of The State of Texas To: D. P. Clanton, if living, whose residence is unknown, and E. E. Stark, if living, whose residence is unknown, and if either or both be dead, then the heirs and legal representatives of said D. P. Clanton and/or E. E. Stark, deceased, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff—herein for taxes.

You are hereby notified that suit has been brought and is now pending in the Honorable District Court, 99th Judicial District, Lubbock County, Texas, wherein The Slaton Independent School District is/are plaintiff—; The City of Slaton, Texas; and The County of Lubbock, Texas and The State of Texas is/are the implied party defendants, and D. P. Clanton and E. E. Stark, if living, and the unknown heirs and legal representatives thereof if they or either of them are deceased is/are defendants, by the filing by said plaintiff—of a petition on the 6th day of October, 1949 and the file number of said suit being No. 4906 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

LOTS Number Nine (9) and Ten (10) in Block Number One Hundred (100) in the South Slaton Addition to Town of Slaton, Lubbock County, Texas, together with

interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows: The Slaton Independent School District, \$33.06. Total, \$33.06.

The names of all taxing units which assess and collect taxes on said property not made party to this suit are, None.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be

recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 21st day of November, A. D. 1949 (which is the return day of such citation), before the honorable 99th District Court of Lubbock County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Lubbock, Lubbock County, Texas, this 6th day of October, A. D. 1949.

Royal Furgeson,
Clerk of the District Court,
Lubbock County, Texas,

GLORIA GRAHAME asks ROBERT STERLING and CLAUDE JARMAN, Jr., for a ride in RKO's western adventure, "ROUGHSHOD."
SLATON THEATRE — FRIDAY & SATURDAY

A strictly modern note in U.N. "military observation" was introduced in Palestine, where radio-equipped cars cruised behind fronts to collect walkie-talkie reports from observers and relayed them to headquarters of the U.N. Commission, picking up instructions from the Commission in return. They also took messages from U.N. headquarters at Lake Success.

Tigers Gain 12-0 Victory At Home Over Morton Team

A touchdown in the initial quarter, a safety in the third, and a field goal in the closing minutes of the final period gave Slaton's Tigers a 12-0 victory over visiting Morton's Indians last Friday before a capacity crowd at Tiger stadium. It was the third straight win for the local team.

After the initial drive of the Indians fizzled out on the Slaton 20-yard line, the Tigers took over and with Backs Bob Lambert and Ed Willis alternating in the lugging chores moved the ball down to the 18-yard line of Morton. Half Back Carl (Curly) Lewis took a pitchout from Quarter Back Cecil Bybee and then tossed a pass to End Jerry Huckabay who was standing alone on the two-yard line. He stepped over for the touchdown. Bobby Taylor's point after was good.

The two teams played on fairly even terms for the remainder of the first half, with neither team threatening seriously. Fumbles stopped any possible scoring. Left Tackle Leon Moore recovered a Morton fumble on their own 38-yard line, and the Tigers moved the ball to the Indian 10 where a second possible score ended in a fumble. The first half ended with Slaton on the Morton 20-yard line.

Slaton took the second half kickoff from their own 35 and marched to the Morton 20 where the ball went over on downs. Morton was penalized back to the seven, and then Quarterback Lanar Burns, attempting to run out a backfield fumble, was tackled in the end zone for a safety.

The Tigers spent most of the fourth period breaking up the Indians aerial and running attack. But late in the period, Ezra Corley, Tiger end, recovered a fumble on the Morton 33, and from there Lambert and Willis moved

the ball down to around the 15. With a little less than three minutes left to play, Specialist Bobby Taylor came into the game and booted a field goal from that point.

Lambert and Willis carried the offense in the Tiger back field. A strong forward wall was paced by Williams, Young and Moore. Green, Wall, and Coates performed well in the Indian back field.

Slaton led in first downs, racking up 15 to the visitor's 8. Each team attempted nine passes. The Tigers completed two, one for a touchdown, and lost one on an interception. The Indians completed three for 55 yards and had none intercepted. In the fumbling department, Slaton lost the ball two

times out of three, and Morton lost the ball three times on five fumbles.

JUST TALK
by
A.M.J.

My wife has always impressed upon me that I should do things at the right time and I have kept my blood pressure at the boiling point to eat my breakfast at 7:30 a. m., my noon meal at 12:15 and my evening meal at 6:20 and having followed this schedule so long I have gotten to the point that I am practically starved into a terribly weakened condition if I have to wait ten or fifteen minutes at meal times.

Whether it is a regular habit with a lot of young folks around here or not I do not know but I do know that Clarence and Marie Guhl, the man and wife combination at the Slatonite, were invited out to a dinner that started at twelve midnight and lasted until nearly two in the morning.

Such an evening would get my schedule so tangled up that I'd have to call in a psychiatrist.

Leonard Harral, who lives next door to us and tries to keep some semblance of independence against the odds of a wife and daughter, handed over a big pan full of plum sized tomatoes last Sunday and asked if I would please take them off his hands. While I like tomatoes I cannot eat a big pan full of them in a short time, so I tried to get him to keep part of them but he absolutely refused. He said that his wife and daughter won't let him come in the house with any more tomatoes, he is on a diet and cannot eat tomatoes and that there are tomatoes all over his place, so I took the pan full and my wife is trying to make me eat tomatoes for breakfast, dinner and tried to get me to eat a bunch of them before bedtime. It is things like this that cause tragedies, broken homes and serious illness.

From now until June 15 I am expecting to have trouble with the women working at the Slatonite office. We have an automatic gas heater that is regulated by a thermostat and it will make no difference at what temperature it is supposed to keep the office, the women will be monkeying with the regulator every ten or fifteen minutes. Last year we had one woman who complained of being cold all of the time and another that seemed to want the room at slightly above the freezing point and I wore out a good sport jacket putting it on when the arctic weather was in effect and taking it off when Mrs. fever heat slipped the thermostat up a foot or two. We have a different force now but I'm looking for the same trouble, as one of the women came from South Texas and the other from Wisconsin or somewhere up in the cold country.

For the past two years we have had bumper crops of peaches from our two trees but all of the peaches had decayed spots and the seeds split when the peaches were ripe. Both years I laid the trouble on the fact that there had been several hail storms during the spring but I have been reading up on the subject and I believe the trouble with the peaches is because there are borers in the trees.

A nurseryman sold me three dollars and thirty cents worth of foul smelling stuff to pour around the roots of the tree and if it works I may get two dollars and ninety cents worth of peaches off of the trees next year, if we have a late freeze we will get no peaches at all. But why should I worry we eat very few peaches, and besides the grocery stores sell some mighty pretty peaches every summer that taste like persimmons and cost fifteen cents a piece.

My blood is running cold and my hair is getting stiff and it sticks out like quills on a porcupine, I have to put my toe out from beneath the cover every morning to test the temperature and pull it back with the feeling that I have been severely shocked. My wife has to remind me five or six times that the clock has struck seven and that if I want breakfast I should get up and light the bathroom and kitchen stove, my finger nails are getting brittle, my knees stiff, my whiskers are growing faster, the moon looks pale, the women are wearing scarfs around their heads and the men are red nosed and sniffle when they stand around the Post Office to get their mail, the long handles are flopping in the breeze, I can feel exactly where the legs of my shorts stop and I'm practically out of circulation for I most certainly do dislike cold weather.

There is an old saying "laugh and the world laughs with you, snore and you sleep alone," or something like that, and it seems to me that folks do not laugh as much as they did when I was a boy. Perhaps I do not come in contact with those that are having fun these days or perhaps life is too complicated and we are all living too fast to enjoy a good laugh occasionally.

of the good shows and lot of them that were sorry.
While moving pictures and radio have greatly expanded the distribution of amusements it seems to me that a lot of good old fashioned humor has been lost. Quite often, the comedians got off some suggestive jokes but the actual living actors put expression and zip into entertainment that is lacking in the kind we get now. The picture shows have all gone to western themes, the radio to give-away prizes to folks who can name the latest music hits and folks are on a constant rush for excitement. The young women do not know how to cook or sew and most of them complain about keeping a small home in order, there are more gadgets on the market for a woman to use in a home than there are for keeping business houses in operation, but I am glad to hear that the birth rate is increasing instead of decreasing as

many prophets have predicted. Perhaps the world is not going to pot.
—000—
Between the atomic bomb, the armed forces scrap, the Russian situation, the football fever, my high blood pressure, the steel strike, the coal strike, the traffic situation and the crime wave I've about put in all my overtime on trying to get things straightened out, but just when I think I've got everything under control some press reporter or some lecturer comes along with some other problems for me to worry about and it looks like I'm never going to find out why I have not gotten rich or why the newspaper business keeps every one working at it climbing the wall. If I ever get around to it I'm going to get me a good slow rocking chair and sit on my front porch and throw rocks at the folks who go by my house in a hurry.

Western Trees
West coast tree species put on their most growth during the second 50 years of their life. After that the volume of new wood added begins to decrease and the volume of decay increases. At the age of 300 years, volume of decay added begins to exceed the volume of new wood and the total volume of good wood in the old tree actually decreases each year.

**Special Rates Are Now Available
On Slatonite And Daily Papers**

Those who wish to subscribe to daily papers should do so at an early date while special prices are available. There are several ways that you may renew your present subscription or become a new subscriber.

The Slatonite is the authorized agent in Slaton for The Dallas News, the Fort Worth Star-Telegram and for The Lubbock Avalanche Journal and the following rates are now available on both the Star-Telegram and the Lubbock Avalanche. Many subscriptions to these papers will expire at an early date and if yours is one of them you need not wait until the expiration date to renew. We will be glad to take care of the matter for you, come in and save some money.

The rates for the Star-Telegram are as follows: One year, seven days per week, including Sunday, this is a regular \$18.00 value — \$13.95.

The Star-Telegram, six days per week, no Sunday, a regular \$15.00 value. Special bargain rate, \$12.60.

The Lubbock Avalanche, seven days per week, \$10.95.

The Lubbock Avalanche, six days per week, no Sunday, \$9.00.

The Slatonite, once each week, in Lubbock, Garza and Lynn County, 1 year, \$2.00.

The Slatonite, 1 year elsewhere, \$2.50.

You may mail your subscriptions to us or come in and we will be glad to take care of them for you.

Insurance Companies

There were 584 legal reserve life insurance companies in the United States at the start of 1949, as defined by the state insurance departments and reported to the Institute of Life Insurance. This is 121 more companies than were reported at the end of the war. It is seven times the number in business in 1900. The total rose by 35 during the past year.

AN ORDINANCE PROHIBITING THE CONSTRUCTION OR MAINTENANCE OF DRIVEWAYS FROM ABUTTING PROPERTY TO ANY STREET IN SUCH WAY AS TO OBSTRUCT DRAINAGE; AND PROHIBITING THE OBSTRUCTION OF DRAINAGE BY ANY DUMPING OR THROWING OF TRASH IN GUTTERS AND PROVIDING A PENALTY FOR VIOLATION.

Section I: Be it ordained by the City Commission of the City of Slaton, that from and after the passage of this ordinance it shall be unlawful for any person to construct any driveway from abutting property to a street in such way as to obstruct or impede the drainage of water in such street.

Section II: That from and after the passage of this ordinance it shall be unlawful for any person to throw any trash, refuse or any material of any kind and character into any drainage ditch or gutter in such way as to obstruct or impede the natural drainage of water in such ditch or gutter.

Section III: Any person violating any provision of this ordinance shall be fined upon conviction thereof not to exceed One Hundred Dollars (\$100.00).

Passed and approved this 10 day of October, A. D. 1949.

L. B. WOOTTON, Mayor.

Tuberculosis

Many people do not know that tuberculosis is contagious and symptomless in the early stages. They are not aware that tuberculosis can be transmitted from one person to another by kissing, inhaling germ-laden droplets of sputum or by handling things contaminated with germs. Many believe that tuberculosis is inherited and that they are immune to it after reaching the age of 45.

IF A LAMP CARRIES THIS TAG

IT'S GOT TO BE GOOD.

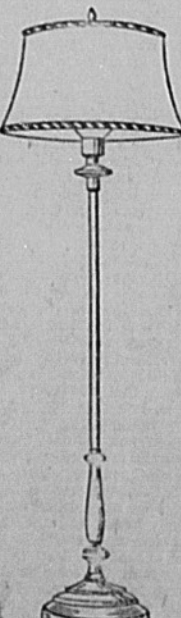

The appearance of the "Certified" tag on any lamp, of any type, assures you that the lamp has been submitted to rigid testing by an impartial testing laboratory. It assures you that the manufacturer of that lamp, one of over 100 leading American companies, has submitted his product to a complete test.

For example, the laboratory has determined that the switch will operate efficiently. It has ascertained that the cord is at least seven feet long, has a certified plug, to assure safety. The lamp itself is properly weighted to resist tipping, and of a finish which will ordinarily resist scarring or marring.

And above all, the "Certified" lamp has an exclusive new type reflector which will gain the most light from the bulb, and apply the light correctly for the use for which the lamp has been designed.

The next time you buy a lamp, make sure it is "Certified." Inquire at your favorite store for this new lamp.

Home Town Builder!

It was 1936 when Slaton's Douglas Produce changed its name to Eaves Produce. Co-owners of the establishment today are A. C. Eaves and his son J. H. Eaves, better known as "Skinny."

Back in 1936 when the Eaves family took over, the store sales were centered on feed and produce; but in 1943 they began widening the store's merchandise by adding the grocery section.

"It's sort of a general merchandise store now," Mr. Eaves pointed out. "We try to carry a little bit of everything." They are successful in their "try" too; because not only will you find feeds, groceries, produce, etc., but you'll find everything from a little in the line of shelf hardware to brooms, school supplies, razor blades, sun glasses, smoking pipes, and even work gloves.

In the produce department the Eaves store features such brands as Big "C" and Ever-Lay. They can sell you almost any kind of farm feeds you might need. For example in the Big "C" line you can get Egg Mash, Grow Mash, Hen Scratch and Big "C" shorts, bran, meal, milo, corn chops, dairy feeds, and many others. Big "C" is manufactured by the Canadian Mills in Oklahoma.

Besides feeds, the Eaves Produce carries all kinds of field and garden seeds, both the

bulk and package seeds. All the eggs sold from their store are bought from local farmers and sold directly through them. Before selling, each egg is individually candled, or tested, in order that they can assure the customers that every egg is fresh.

Behind the Eaves meat market you will find M. M. (Butch) Mahurin, the butcher. Their meats are bought both locally and from packing houses, but the majority of it comes from in and around Slaton. In the line of meats they also sell fresh dressed poultry.

Groceries? At Eaves you'll find nationally advertised brands in both groceries and canned goods. And you pick out your own vegetables from a refrigerated vegetable counter. They carry, also, both bottle and cartoned milk from the Bell and McIlhenny dairies.

To insure freshness of their products, the Eaves store has installed a large storage vault for egg, produce, and meat. The temperature is kept around 35 degrees in order that nothing will be frozen, but safe refrigeration will be available at all times.

Besides Skinny and his father, others working in their store are Mr. C. H. Lavender in the produce department, Mrs. M. E. Campbell as grocery clerk, M. M. Mahurin already mentioned as butcher, and other members of the Eaves family.
