NEW BALLOT ARRANGEMENT TO BE USED FIRST TIME TOMORROW IN TEXAS

ITS TIME TO CLEAN UP THE TOWN AND KEEP IT THAT WAY

While there is no definite connection between flies, mosquitoes and other insects, and polio the authorities seem to believe that sanitary conditions have something to do with the spread of polio. As the time of the year is here when polio seems to become more prevalent than any other time of the year, it should be the self appointed task of every resident of Slaton to see that all refuse is disposed of. To make a one or two day drive to clean up the town might do some good but unless proper care is taken at all times such stop and go clean up campaigns do little good. While the sanitary condition of Slaton seems to be fair there are some who have become lax about covering garbage can, disposing of trash in an allowing stagnant water to stand. One of the greatest sanitary and fire risks are the weeds over town. Many vacant lots are covered with weeds as are park ways on the sidewalks and in out of the way places. It should not become necessary, as it has in Lubbock, to pass laws requiring the people of the town to place covers on all garbage cans but if the people do not do it of their own accord the city council should make them. City health physician, W. E. Payne, has been stressing the necessity for better sanitation over town and it is now most important that such an appeal should be heeded.

District Meet Of Rotary Held Here

Approximately 100 Rotary Club members of clubs representing 37 of these organizations that make up the 183 District were scheduled to meet in Slaton all day yesterday. The meeting was held at the Slaton Club House where a number of the Slaton Rotary Club members met all day with the visitors. Lloyd A. Wicks, Sr. of Rails, Governor of the 183 District, of Rotary International, was to be director of the days activities where plans for the years work in this District were to be discussed. Mrs. J. E. Eckert prepared and planned the noon day meal and had charge of serving it.

Purdue Rites Are Held At Wilson

Funeral rites were held Thursday morning at the First Baptist church of Wilson for Mrs. Della C. Purdue, 70, who passed away Tuesday at her home there. The Rev. J. H. McCraw, pastor of that church, officiated. Burial was in Englewood Cemetery, Slaton, under the direction of Williams Funeral Home. Mrs. Purdue had lived in and around Wilson since 1933. She came there from Mississippi, where she was born. Survivors include her husband; nine children, Macolin Purdue of Skellytown; Thelma Hagan of Wolford; N. D. Purdue, Olney; Ola Bundren, Amarillo; Grace Trigg of Cisco; Kity Chambless of San Angelo; Fred Purdue, Lubbock; Mart Osburn of Spade, and Raymond Purdue of Post. Seventeen grand children also survive.

Methodist Revival Still In Progress

The revival at the Methodist Church has been meeting inside the church because of the threatening weather, but the weather has not kept many of the people away from the meetings. The pastor, Rev. O. B. Herring, reports that the revival has been well attended. The meetings seem to draw more people each night. Next week will be the last week of the revival, and Rev. Herring again invites everyone to attend. If the weather is bad, the meetings will be inside, and if the weather is good, they will be outside where it is cool.

Irvings Jewelry Damaged By Fire

Fire caused some damage at the Irvings Jewelry store Monday afternoon, July 17, when vapors from a cleaning machine used in the repair of watches ignited from an electrical short. A flash explosion resulted when the vapors ignited, burning Mr. Greenburg who was working with the machine. He suffered first and second degree burns on the hands and feet. He was released from the doctor's office after receiving treatment for the burns. When Mr. Greenburg returned to the scene of the fire, he noted that most of the damage was caused by smoke and heat. Merchandise in his show cases did not seem to be damaged. Chemicals used to put out the fire did some damage to the back room of the store. The contents of the store were insured to the amount of \$3500 which will probably cover all damage to jewelry being repaired at the time of the fire. Mr. Greenburg expects to be open again in two or three weeks. 72 hour guaranteed watch repair. Champions.

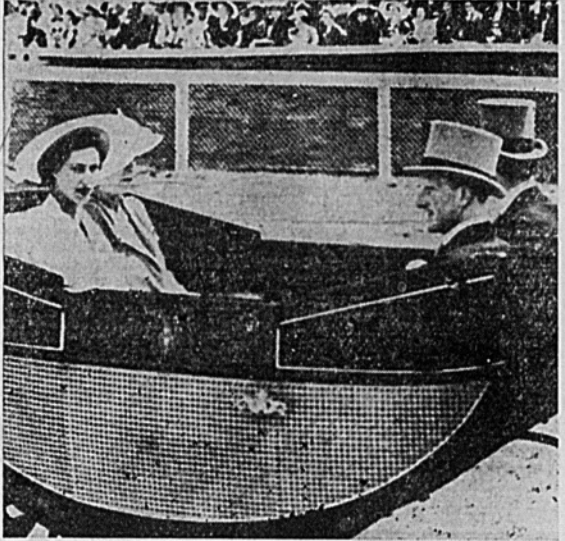

Local Merchants See Shortage If Rush For Items Continues

The rush to get certain items that were scarce during the last war has already begun because of the Korean situation. Rumors are flying that manufacturers have quit manufacturing sheets and that automobiles are off the market. Remembering the shortages of the last conflict, many people are trying to get sheets, electrical appliances, etc. while they still can. To see if there really will be a shortage, the "question of the week" was, "Do you think there will be a shortage of materials because of the Korean situation?" Local merchants answered with the following opinions. Mr. Bland Tomlinson—"I don't much think there will be. If the war lasts a year, there might be a steel shortage that would result in a shortage of some materials." However, Mr. Tomlinson thinks there is enough steel right now. Mr. W. B. Layne—"Yes, if it keeps up very long." Mr. Layne's assistant in the store said that he thought there would be a shortage if the war keeps up for about six months or a year. The shortage of materials would be caused by a conversion of manufacturing to war materials. There has been a rush on his store yet. Mr. Milton Fields—"There will be no shortage due to the war." Mr. Fields says that there may be a shortage due to hoarding. He thinks that the O.P.A. will be reorganized as soon as possible when we go into actual war. "It would take from 8 months to a year for a shortage to develop." Mr. Olan Griffith—"No, not because of the war. There will be because of the public." Anthony's is sold out of sheets now, but they expect to get more in soon. Mr. Griffith believes that "with normal use, materials would last a year or two after the war starts," but they would last only two weeks the way people buy things when there is a shortage. "O.P.A. won't be back until there is another world conflict." Mr. Bill Ball—"Yes, there will be a shortage of all kinds of materials including clothing, food, and steel." The reason for his answer is that he thinks the war will last a lot longer than most people think it will. He doesn't think there is a shortage right now but "there will be if people keep buying like they are now." He thinks that the prices will definitely go up soon if O.P.A. or some method of price control, is not started soon.

Week's Question

Top hitters for Slaton were C. E. McCoy, French, Damper Weaver, and Jones, each with three safeties. Earsley caught for the Lions. Mr. and Mrs. Fred Schmedt will return this week on from Excelsior Springs where Mr. Schmedt underwent minor surgery. Automatic egg cookers, \$10.00 at Champions. Mr. and Mrs. W. T. Davis, Dorothy, Judy and John Frank left Thursday for a trip to the West Coast. They were joined in Plainview by Mr. and Mrs. Porter Davis. Mr. and Mrs. Claud Anderson and Claudia returned Sunday from California.

Expect Engagement Announcement

ASCOT, ENG. — London society is looking forward with anticipation to the 20th birthday of Princess Margaret Rose on August 21st. The reason — they expect that her engagement to the handsome Earl of Dalkeith may be announced shortly thereafter. Dalkeith has been the almost constant escort of the Princess in recent weeks. He is sitting opposite her here in the royal carriage as they drove to the Ascot Race Track. The other man is not identified. Princess Mary, aunt of Margaret, sits with her. The Earl is the son of the Duke and Duchess of Buccleuch. They have been friends since childhood. The Princess spent a weekend with his parents recently.

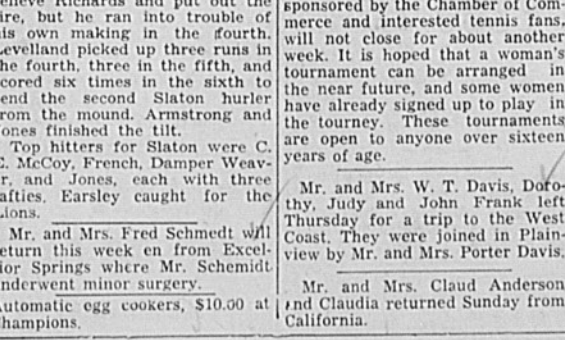

Slaton, Post Battle Here Sunday Afternoon In Oil Belt Loop Tilt

Two last place teams of the Oil Belt league, Slaton and Post, will meet here Sunday afternoon in a single game at Lions Park. As of last Monday, Slaton had three wins against 18 defeats, compared to Post's four victories against 16 defeats. The last time the Millers and Lions met, Slaton snowed the Post team under in a wild scoring barrage, 16-5. The Lions played Denver City last night there.

Doubles' Title Decision Is Near

In the tennis tournament which is being played at the Slaton Park, Phil Brewer and J. S. Edwards, Jr. are ready to go into the finals in the upper bracket doubles play. They defeated Hoffman and Arrants 6-4, 5-7, and 6-2. Their opponents for the play-off will not be known until Mr. Strickland's team and Mr. Kercheval's team play. When they have played and a winner is known, that winner will play the team of Cox and Porter to see who will play the team of Brewer and Edwards. The doubles final for the upper half will probably be played Friday afternoon at 6:00. It was announced by A. C. Strickland. Still in the singles race are Max Arrants, Phil Brewer, and Mr. McWilliams. Arrants and McWilliams will play to see who will play in the singles play-off with Brewer.

ARCHITECTS DRAWING OF GYMNASIUM TO BE BUILT SOON

Plans and specification are in the process of being completed and construction will start as soon as possible on the proposed new Gymnasium for the Slaton Public Schools. The building when completed will be 50 x 90 feet of brick, tile and steel construction with hardwood floors. Permanent type bleachers will seat 800 people. Plans for the new class rooms that are to be constructed for the Slaton schools buildings have not been completed yet but they will be as soon as conditions will allow. The building will be located on the Northwest corner of the High School grounds facing Jean Street.

Public Shows Little Interest In Slaton School Bond Election

The few voters who went to the polls in the Slaton Independent School Bond election held last Saturday, July 15, authorized the issuance of \$105,000.00 in bonds to finance the construction of more class rooms and a gymnasium for the Slaton Public Schools. The vote was 76 for and 26 against.

Concession Stand Added To Youth Center Fixtures

A concession stand has now been set up at Tiger Town under the management of Mrs. Gertrud Donaldson, youth center personnel disclosed this week. In addition to operating the stand, Mrs. Donaldson is now supervising Tiger Town activities on Thursday, Friday and Saturday nights. Open Hours will be from 7:30 p. m. until 11:00 p. m. on all three days. All young people who have not been participating in the center activities are urged to come out on these nights. Some new fixtures have been added to the center during the past two weeks. An automatic record player has been donated by Howard Swanner and Joe Teague, and some 40 or 50 popular records are now in the collection. Two ping pong tables are now in use, with an additional table expected to be completed within the next week. Other games will be used as they have been in the past. It is planned that contests in all available games will be held in the near future, with worthwhile prizes going to the winners. Finishing touches are to be made to the outside of the building soon. Screens will be added to the windows, and some painting is yet to be done.

Vardy Speaker On Conference Panel

Superintendent of schools, Mr. Lee Vardy, appeared on a panel discussion Wednesday afternoon, July 19, at the School Administrators Conference in Lubbock. The panel considered, "Texas Schools Under the Gilmer-Aiken Bill." Other topics discussed were transportation problems, vocational education, and building construction and maintenance. The two day meeting was attended by high school and county superintendents, principals and school supervisors from a wide area of West Texas. Home Baked Food Sale at Piggly Wiggly's July 22. Lutheran Federation.

Lutheran Young People To Leave For League Convention Saturday

Young people of the Slaton Area will leave Saturday morning, July 22, for Wichita Falls, where they will attend the twenty-third annual convention of the Lubbock Federation of Lutheran Leagues of the American Lutheran Church. The newly-dedicated Trinity Lutheran church of that city will be the scene of convention activities, which will extend over Saturday and Sunday. Registration will open the two-day meeting at 1:00 o'clock on Saturday afternoon. Following the business meeting, the Choral Union of the federation will rehearse in preparation for the service on Sunday morning. The Rev. Lowell C. Green of Slaton is director of this mass choir. Speaker at the service on Sunday morning is to be the Rev. L. D. Braun of Winters, Texas. "Peace" is the theme of the convention. A special program in the afternoon is to carry out this theme. The convention will close on Sunday evening with a short service for the installation of officers, conducted by Pastor Green, who is Lubbock Federation representative of the Texas District Youth Committee. Leaguers will attend from the three local churches, Immanuel Lutheran of Slaton, Evangelical Lutheran of Southland, and St. John Lutheran of Wilson. They include Floyd Foerster, Gene Foerster, Weldon Gebert, Riley Gebert, Margery Becker, Robert Becker, Weldon Becker, Richard Becker, Josephine Becker, Curtis Wilke, Victor Steinhauer, Pastor and Mrs. C. C. Ehler, and Pastor Green. Others are expected from Lutheran churches at Winters, San Angelo, Rosco, Odessa, Haskell, Sagerton, Olney, Lubbock, Littlefield, Lamesa, Lockney, Amarillo, and Wichita Falls. A post card from Dallas to Reverend P. J. Burns of the Christian Church here, stated that George Gable, who underwent surgery in Dallas, July 9th, is able to be in a wheel chair and is very anxious to get home.

Mr. J. H. Brewer, member of the Lubbock County Democratic Executive Committee, stated that the coming election will be the first in the Democratic election that the new form of ballots will be used.

When the ballots were used in city and county elections, it was demonstrated that many people do not fully understand how to use the new form. The old form of ballot was abandoned after the new ballot law was enacted, making the voting more secret. At the top right-hand corner of the new ballot is a perforated square with a number written inside it. The same number is written outside the perforated square. Inside the square, are written the words, "Voter's signature to be affixed on reverse side." The last time the new ballot was used, many people wrote their name across the entire back side of the ballot. All those ballots had to be thrown out. Although it is not very clearly stated on the ballot, your signature is to be written only within the boundaries of the perforated square. This way, your name does not appear on the ballot which is counted by the election tabulators. The square with your name on it is placed in a separate box from the ballot, so no one sees your name connected with your ballot. Presiding judges for the election will be J. H. Brewer, precinct 26; E. N. Pickens, precinct 27; Chester Williams, precinct 28. Voting will take place in three precincts. Those who have precinct 26 on their poll tax receipts, will vote at the County Commissioner's office. Those who are in precinct 27 will vote at the Chamber of Commerce. Those who are in precinct 28 will vote at the City Secretary's office. It is believed that the heaviest voting will be in precinct 28, but precinct 27 will run a close second.

Fogging Machine Still Being Used By City Of Slaton

The City of Slaton is making every effort now to keep down flies, mosquitoes, and other insects, Mayor L. B. Wootton reported this week. Soon after the June 17 Homecoming celebration, the city began spraying and since then have disposed of numerous contamination points. During the past three or four weeks two fogging machines from Lubbock have been in use here, and one of these machines is expected to continue spraying here within the next week. The city is using its own fogging machine to spray alleys in taking care of that part of the clean-up drive. Last year was the worst year for polio in the history of the state, according to reports. If the present rate of illness reports continues, there will be twice as much polio in the state this year than there was last year. All Slaton citizens should work toward the goal of making Slaton a sanitary and disease-free community.

Mrs. H. B. Neil Claimed By Death

Mrs. H. B. Neill, Gorman, Texas, mother of Mr. Otis Neill of Slaton, passed away at 11:00 a. m., Wednesday, July 19. She was 87 years old. She is survived by six children, twenty-one grand children, and eight great grandchildren. Funeral services will be held in Gorman.

Cerebral Palsey Clinic To Be Held

A clinic for the examination of cerebral palsied children will be held here Monday, August 14. Five specialists will be present at the Center to examine children. Cerebral palsy is a condition which may be present from birth or may be caused by childhood diseases such as whooping cough or measles, or by head injuries. Under treatment, many of these children improve to the extent that they can care for themselves, attend school or become employable. Treatment begun at an early age is most effective. Parents interested in bringing children to the clinic on August 14, are requested to register the child at the Center at some time before the clinic date. Further information may be obtained by contacting Dr. Esther Snell, Director of the Treatment Center, 3502 Avenue N, or by calling Lubbock 6541.

West Texas Roundup

Littlefield postal receipts for the past six months show a gain of approximately 13 per cent over the same period of last year. Postmaster W. D. T. Storey announced.

Total receipts for the first six months of 1950 aggregated \$22-174.68 as compared with \$19,626.99 for the same period of 1949. Each of the last six months reflected an increase over corresponding months of last year with the exception of June which showed a loss of \$305.88.

Building permits issued from the office of E. B. Lindsey, city secretary, during the first six months of 1950 amounted to \$132,430.00. This total exceeds by \$11,665.00, the \$120,765.00 in permits issued during the same period in 1949. The 1950 permits are \$19,830.00 higher than those issued during the first six months of 1948.

Initial work on Levelland's proposed city park will probably begin very shortly. City Manager Ray Drain said Thursday night. He said that work in leveling the land for planting of grass and sodding and laying off of streets could be commenced as soon as bond money arrives.

News arrived here Thursday he said, that Chapman and Cutler of Dallas had accepted bonds for both the \$30,000 park and the \$150,000 paving project and that money would be forthcoming soon, possibly within the week. Rain gave a budgetary estimate of how the \$30,000 for the park would be spent. He told city councilmen at a special meeting Thursday night that only \$4,250 of the amount would go for land. The remainder would possibly be broken up in this manner: \$5,000 for water lines; \$4,000 for roads; for roads; \$2,500 for sodding of grass, \$4,000 for landscaping, \$4,000 for camping equipment, \$5,750 for swimming pool and \$500 for the lake.

Lynn county ginned a total of 186,696 bales of cotton from the 1949 crop, a record for the county, according to the final official report received by County Agent Bill Griffith.

One Major and one minor highway project are underway or in prospect for Lynn county. The major project is the widening and repaving of the two highways through the city of Tahoka. Workmen are this week completing the laying of the caliche base and triple asphalt topping will be applied as soon as the base has sufficiently packed.

The city of Monohans has acquired a complete lighting system for its airport at no charge from the United States government. Included in the equipment are enough lights and miscellaneous lighting equipment to give proper lighting for two runways, in adding airport beacon mounted in a fifty foot high steel tower.

Conversion of the First State Bank in Seagraves to the First National Bank in Seagraves became effective July 1, J. F. Matcett, president of the institution, has announced.

The change to national status was officially approved on June 30 by R. B. McCandless, acting comptroller of the currency.

Good news for apartment hunters in Post is the new project south of the new grade school, 22 apartments being moved in here by R. M. Barrier. These will be two-room apartments and will be ready in a week according to plans.

Extensive repairs and rebuilding of the West Texas Gin company plant in Crosbyton is now underway, according to Mr. Hugh Nation, manager. Approximately \$30,000 is being spent in modernizing the plant here. A 10x24 foot extension to the gin building has been made on the south side, to house the new LeRoy natural gas engine. A new boiler is being installed, along with a new press pump.

A preliminary meeting to form plans for a mass X-ray survey in a five county district is to be held at 2 p. m. today (Tuesday) in the courtroom. The survey is scheduled for early fall. Its purpose will be the discovery of unsuspected cases of tuberculosis in persons over 15 years of age. Coverage will be Terry, Gains, Yoakum, Dawson and Hockley counties.

Have your prescriptions filled at TEAGUES DRUG STORE by a registered pharmacist.

Vacation Time Is Photo Time

Summertime is picture-taking time for most people. You will want good prints of the photos you take on your vacation trip, so you can always enjoy those pleasant places you visited and those interesting things you saw.

For fine prints of your negatives, have them developed at the Arcraft Studio where they will be handled by experts right here in Slaton.

If you need film or other camera needs, you can find them at the Arcraft Studio too. Movie cameras and projectors are available, as well as kodaks.

Arcraft Studio also handles all kinds of molding for picture frames. There is a frame for any kind of picture or certificate you wish to frame. Visit Arcraft Studio for all your photo needs.

Howdy Folks; One of our customers remarked that the time will come when more and more city folks will have to go back to the farm.
The hardest thing to learn about farming is getting up at 5 a. m.
We learned how the farmer gets lean and fat streaks in the bacon, though. He feeds the hogs one day and starves them the next.
Hog raising comes natural to us, though. Father raised a big hog, once. What are we saying?
Father got a job in a flower show as judge, once, but he didn't do so well. Folks said he didn't smell so good.
We raised rabbits, too. One of our rabbits had six bunnies. She beat the Canadian record by a hare.
We're beating some records, ourselves, with our products. You'll be enthused, too, if you will give them a try.

The Hoarding Has Started . . .

It is easy enough to stand back on ones hind legs and say that it is not fair to hoard things and to buy items that might become scarce, or exceedingly high, should war come, but there are few people who are not doing so.

Most every one has different ideas as to which items are likely to become scarce and therefore most everything that is not perishable is getting scarce. It is little consolation should real scarcities come, to be without such items and see the folks who hoarded them sitting around enjoying the use of them.

From all accounts there has been a lot of merchandise sold that is evidently going to back closets, attics and basements. Unconfirmed reports are that the sale of sheets and stockings have been frozen, that black pepper is very scarce and that most all the stocks of electric refrigerators have been exhausted. The sale of sugar has increased considerably although there has not been as much demand for it as some merchants anticipated and coffee is being bought at a very rapid rate and the women are going after nylon hose in a big way.

All of these things seem selfish and hoggish, but the timid person who holds back will get little credit for doing so at a later date. If such things are going to be scarce there should be some way devised to distribute them fairly, but as usual the man who has the ready cash can get things the man without it cannot secure.

Such actions will no doubt bring on rationing and all the worrying details that such things require. It will cause the printing of millions of dollars worth of rationing slips, cards, etc., and make petty rascals out of a lot of merchants and business men who will be slipping things from under the counter to their favorite customers, but such are the things that war and the possibilities of war bring on.

More Dangerous Than War . . .

If the statistics concerning traffic accidents are any where near correct then the threat of war should not throw much fear into the folks who are so used to driving our highways.

The sad part about the terrible death toll on our highways is the fact that the public accepts the loss with scarcely a second thought as if it were a necessity and should be looked upon like putting dogs to permanent sleep because there are just too many dogs.

Not only is the loss of life appalling but the loss of personal property runs into the billions and makes small impression upon those who are losing their cars and damaging or wrecking the cars of other people.

It is evident, from the fact that most all of the deaths are on the highways outside of city limitations, that the most destructive accidents are caused from speeding and yet there has been a tendency to allow speed limits to be increased as time goes by and even with the higher speed limits few motorists stay within these limits.

Not long ago one woman boasted that she drove from Slaton to Colorado Springs, Colorado, in nine hours. Colorado Springs is nearly nine hundred miles from Slaton, and yet she was not even stopped by a motor cop. A great many people driving through the country drive at 80 miles per hour as a regular cruising speed.

To lay the blame upon the highway patrol would be to put it in the wrong place. To enforce any law, the law must be acceptable to the majority of the people and most motorists seem very willing to risk their lives in order to go above the high speed limits of 60 miles per hour.

While it is not likely that such a thing could be done about the only sensible way to be sure that speed limits would not be violated would be to have manufacturers make cars that would not go over 60 miles per hour.

Some concerns have experimented with putting governors on trucks in order to reduce the consumption of gas and to insure that their vehicles were not driven at destructive speeds but most of the firms found that such controls did not do what they hoped would occur. Drivers objected that the governors stall their cars at critical times and that they were handicapped. These things were probably true, but it has not been so many years since cars were not geared up to the high speeds that they are capable of today, and folks got along better than they do now so far as accidents are concerned.

The motor problem today is just about as serious as the threat of war in this country and there is less being done about it than there is to protect the country against the communists.

It Will Cost Money For Slaton To Grow . .

Regardless of what the shortcomings or the obstacles are that face the average community, about the only thing that can be blamed is some form of the Government. The city, the county, the state and national governments get the responsibility of most all of the grievances and their efforts to solve these problems are seldom appreciated, nor are the problems solved to suit anyone including the Governments.

In the first place any efforts that are made by any stage of the organizations that control our living conditions, must, if necessary, be costly and require more taxes in some shape or other and when the complicated way of getting things done has been accomplished those leaders on the Government payrolls get the blame for the taxes, but little credit for overcoming obstacles.

It is no wonder that most officials are wary about attempting many needed improvements in all stages of public accommodations. There are many things that should be done in Slaton, but if done in the immediate future, would require so much money that it would likely almost bankrupt the city government. Most of these improvements should have been made years ago. The longer they are postponed the more the cost will be, and it is probable that if the nation does not get into far flung wars that at least some of the most needed improvements should be attempted soon.

There should not be any doubt in anyones mind that the Public School accommodations for which bonds were voted up on July 15 should be authorized. In fact the school trustees are probably a little too timid about asking for as much as should be asked for, as the Slaton High School buildings need a great many things done to make them modern.

Not only do our school buildings need attention, but our drainage problem needs attention, the marking of our streets has never been done thoroughly and the city needs better garbage controls and equipment to keep garbage collected, and if the town is to grow as much in the next ten years as it has in the past ten, then the water and sewer systems should be enlarged and extended.

That all of these things could be done in the near future is most unlikely, but never the less it will be necessary that the most urgent needs be given consideration and when they are met it is going to cost the folks in Slaton more money in taxes.

QUOTES . . .

Henny Youngman, reporting on a recent trip to Texas: In a rich oil town I gave a waitress a dollar bill and asked for

change. You know, she had never heard of it?—Quoted by Earl Wilson.

George Gallup: I could prove God statistically. Take the human body alone—the chance that all the functions of the individual would just happen is a statistical monstrosity.

Shannon Fife: Self-restraint is feeling your oats without sowing them.

Austin O'Malley: A gentlemen never heard a story before.

Anonymous: Too many fellows think they can push themselves forward by patting themselves on the back.—Quoted by Earl Wilson.

George Bernard Shaw: The test of a man's or a woman's breeding is how they behave in a quarrel.

John Buchan: We can pay our debt to the past by putting the future in debt to ourselves.

H. L. Mencken: The reason the average bachelor of 35 remains a bachelor is very simple. No ordinarily attractive and intelligent woman has ever made a serious and undivided effort to marry him.

Franklin P. Jones: Children often hold a marriage together—by keeping their parents too busy to quarrel with each other.—The Saturday Evening Post.

Heywood Brown: Men build bridges and throw railroads across deserts, and yet they contend successfully that the job of sewing on a button is beyond them.

Hildegard: A woman should wear just enough clothes to keep a man warm.

Madena R. Wallingford: What is intended as a little white lie often ends up as a double feature in Technicolor.

Anonymous: Success in love consists not so much in marrying the one person who can make you happy as in escaping the many who could make you miserable.

Former Slaton Girl Is Engaged; Will Marry Slaton Boy In August

Mr. and Mrs. George Alfred Brown of Wellington, Kansas, announce the engagement and approaching marriage of their daughter, Billie Louise, to Thurman D. Reynolds, son of Mr. and Mrs. Travis C. Reynolds of Slaton. The wedding will take place August 12, at 6:30 o'clock in the evening at the home of the bride's parents.

Miss Brown is a graduate of Slaton High School and is now attending Kansas State Teacher's College at Emporia, where she is affiliated with Pi Kappa Sigma sorority. Last year Miss Brown taught kindergarten in Wellington.

Mr. Reynolds graduated from Slaton High School and Texas Technological College where he majored in petroleum geology. He was a member of the Kemas Social Club.

"Work In Africa" Is W. M. U. Topic

The W. M. U. of the First Baptist Church met in its regular meeting, Monday, July 17, in the home of Mrs. Bland Tomlinson.

The meeting opened with a song, "We've a Story to Tell to the Nations", led by Mrs. Fannie Patterson. After a prayer, Mrs. Dudley Berry gave a devotional. Mrs. A. C. Strickland sang a solo, which was followed by group singing of a song.

A review of work in Africa was given by Mrs. R. L. Smith, Jr. At the close of the meeting, which was led by Mrs. A. Dennis, refreshments were served by the co-hostesses, Mrs. Tomlinson and Mrs. W. E. Pohl.

Bobby Ray Conner is working for the Santa Fe in Wellington.

Robertson's Feted At Dinner Party

Mr. and Mrs. William R. Sewell of Lubbock entertained the immediate members of the Robertson family with a dinner at their home, July 15.

Attending from Slaton were Mrs. W. H. Sewell, Mrs. Gus Robertson, Mr. and Mrs. Sug Robertson, and daughters, Susannah and Ruth. Movies were made and pictures of recent family reunions were shown.

Other guests were Mr. and Mrs. Poole Robertson of Abilene; Mrs. L. A. Sadler of Dallas; Mr. and Mrs. Kenneth Kimbro of Austin; Mr. and Mrs. Poole Robertson, Jr. of Plainview; Mr. and Mrs. Wade Robertson of Lubbock. Completing the list of those present, were the host and hostess and their children, Robert, Jimmy, and Nancy.

The only absent member of the family was David Robertson of Abilene who is in training at Kelly Field, San Antonio.

Homemaker's Class Has Picnic Social

The Homemaker's class of the Baptist Church had a covered dish picnic Friday evening, July 14, in the Club House. Thirty-five members attended the get-together.

Rev. Bolding led the group in a prayer before they ate. Fun and fellowship were enjoyed after the meal.

Mr. Hack Lasater closed the meeting with some inspirational remarks.

Visitor Honored With Bridge Party

Mrs. Neil Hallmark of Oklahoma City, was honored Thursday, July 13, with a dessert-bridge party in the home of Mrs. Troy Pickens, 1155 W. Lubbock. Mrs. Cecil Scott was co-hostess.

The entertaining room was decorated with bouquets of cornflowers and zenias.

Guests at the party were Oree Glasscock, Harmon Thompson, Earl Reasoner, J. P. Haliburton, Ed Buchanan, Howard Hoffman.

Vern Johnson, Edwin Haddock, Joe Teague, Jr., Max Arrants, John Cobb, and Miss Jo Hestand.

The honoree is the house guest of her mother, Mrs. C. L. Pack.

Lutherans To Hold Bake Sale Saturday

The Women's Missionary Federation of the Southland Lutheran Church met in the home of Mrs. Herman Klesel on Wednesday, July 12.

The program was opened with scripture reading and prayer by Mrs. Herman Klesel. The topic of the month, "The Lutheran Church in Japan," was presented by Mrs. Fred Klesel. Mrs. Arthur Stolle led the Bible study in the Epistle to the Hebrews.

In the business meeting, a bake sale was planned for Saturday, July 22. Home baked pies and cakes will be on sale at the Piggly Wiggly store.

After the business meeting, refreshments were served to the hostess, Pastor Lowell C. Green, and seven members, and three visitors. The visitors were Mrs. Emilie Stolle, Mrs. Ilse, and Mrs. D. G. Stolle.

Registration Sun. For Bible School

Registration for the Vacation Bible School at Southland Methodist Church will be Sunday afternoon, July 23 at 3:00 at the church.

Classes beginning Monday will be from 4:30 to 7:00 in the afternoon. All children in the community are invited to attend.

Phone Co. Keeps Increase In Rate

At the last meeting of the Slaton City Commission, it was agreed that Southwestern Bell Telephone Co. would keep their rate increase which has been effective this year. The increase will be in effect an indefinite period of time.

A petition passed among the citizens of Slaton, requesting the city not to sign a new contract with the phone company for the increased rate, was discarded due to the fact that 90 per cent of the names on the petition were withdrawn on the request of the signers. The signers requested that their names be withdrawn after they had been contacted by representatives of the phone company.

Home Baked Food Sale at Piggly Wiggly's July 22. Lutheran Federation.

News Of CHURCHES In Slaton

Church of Christ

Rev. L. C. Coxof Clovis, New Mexico, will fill the pulpit of the Church of Christ Sunday in the absence of Rev. Andy Burks who is away at a meeting this week.

Sunday: Bible Study held at 9:45 a. m.; Sunday morning worship begins at 10:45; and evening worship at 8:00 p. m.

Presbyterian Preview
Week of July 23:
Sunday: 9:45 a. m., Church School; 11:00 a. m., Morning worship.

Lutheran Lines

No services will be conducted in the Slaton Lutheran Parish on July 23, it was announced by the Rev. Lowell C. Green, pastor. Services have been cancelled due to the Luther League Federation convention, which is to be held at Wichita Falls on July 22-23. There will be services in both the Immanuel Lutheran Church and the Evangelical Lutheran Church on the following Sunday, July 30, at the usual time.

Methodist Message

The revival will continue for another week. Services are held each evening at 8:15. The Young People meet at 7:15, and then adjourn to the main meeting.

Christ Church

The Christ-Centered Crusade at the Christian church is receiving great response from the congregation. The sermons on Sunday morning are built around the events in the Life of Christ. The sermon on Sunday night are about the teachings of Jesus. The sermons for next Sunday's services are: Morning: "The Christ of Divine Healing." Night: "What Jesus taught about the New Birth."

You are invited to hear these sermons. We are trying to follow the footsteps of Jesus, hearing about the things that Jesus did to help people.

Baptist Bulletin

In the absence of the pastor, Rev. George Dale, retired Baptist pastor of Lubbock, will fill the pulpit at the First Baptist Church Sunday morning. He needs no introduction to the people of this church since he has preached here a number of times before and is deeply appreciated.

The Training Union will meet Sunday night as usual, but there will be no evening preaching service. The people are asked to attend the Methodist revival for the evening worship.

The community is reminded that the summer revival of the First Baptist Church will begin on July 31. The night services will be held at the location of the Methodist Revival and the day services will be held at the First Baptist Church. Church officials urge that you plan to attend.

Medicine In Japan

Japan has been in a medical "blackout" since 1941, a leading Japanese physician says. For the last nine years no foreign medical literature has reached Japan.

Boy Honored With Birthday Party

R. D. Klaus, 855 So. 14th street, was honored Sunday, July 16th with a birthday party celebrating his eighth birthday. The party was held in his home.

Out of town guests attending were Mr. W. O. Cowan of Borger, Texas, Mr. and Mrs. Otto Klaus, Southland, and Mr. Ralph Lewis, Mineral Wells.

Other guests were Bo Boulter, Kenneth Wayne Crow, Jerald Crow, Danny Edwards, Richard Edwards, Donnie Edwards, John Mack Draper, Roy Fred Draper, Keith Carter, Sheifa Carter, Gereta Ann Clark.

Refreshments of ice cream and cake were served.

Favors were gum ball vending machines which the children enjoyed shooting with the pennies furnished by the hostess.

Party Honorees

Misses Dina and Nancy Hallmark, granddaughters of Mr. and Mrs. C. L. Pack, were feted Saturday afternoon with a lawn party at the home of Mrs. Pack. The Hallmark girls and their mother are visiting from Oklahoma City. Guests at the party were Sherry and Barbara Arrants, Ann Haddock, Elaine Pickens, Jean Thompson, Mary Beth Wood, Jan Scott, Wayne Gene Smith, and Stephen J. Haliburton.

Slaton Girl Goes To Summer Band

May Belle Pember, daughter of Mr. and Mrs. Bruce Pember, is one of the 179 students who has enrolled at the McMurry College summer vacation band school. The school lasts from July 24 to August 5.

The school, which is directed by Raymond T. Bynum, will cover general musicianship, elementary conducting, and marching. Rebecca O'Bannon, national champion twirler from Huntsville, will teach twirling.

Born July 13 to Mr. and Mrs. Billy Winterrowd in Mercy Hospital, a boy weighing 7 lbs., 12 ozs.

Born July 13 to Mr. and Mrs. William McReynolds in Mercy Hospital, a girl weighing 6 lbs., 6 ozs.

Born July 13 to Mr. and Mrs. Vincino Franco in Mercy Hospital, a boy weighing 6 lbs., 4 ozs.

Born July 14 to Mr. and Mrs. John Hampton in Mercy Hospital, a girl weighing 7 lbs., 1 oz.

Born July 14 to Mr. and Mrs. A. Vasquez in Mercy Hospital, a boy weighing 6 lbs., 13 ozs.

Born July 18 to Mr. and Mrs. J. W. Kuykendall in Mercy Hospital, a girl weighing 6 lbs., 11 ozs.

Born July 18 to Mr. and Mrs. H. W. Key in Mercy Hospital, a girl weighing 7 lbs., 7 ozs.

Born July 19 to Mr. and Mrs. C. M. McClure in Mercy Hospital, a boy weighing 7 lbs., 10 ozs.

Iron Master

In 1847 at the Eddyville furnace in Kentucky, William Kelly successfully blew cold air through molten iron to make a less brittle metal. He made no steel, but his British contemporary, Sir Henry Bessemer, later did. Kelly's pneumatic converter was the forerunner of today's bessemer process, constituting five per cent of steel capacity.

Mrs. Mable Harle, Worthy Grand Matron of the Order of the Eastern Star of Texas, presented a check recently for \$4500 to the hospital that aids crippled children from all over Texas, and Judge Towne Young, president of the Scottish Rite Hospital for Crippled Children in Dallas, voiced the appreciation of the board of trustees in accepting the gift. The charity institution is supported by contributions in the form of trusts, bequests and individual contributions. Other persons on hand for the presentation were (l. to r.) Asher Mintz, secretary of the hospital board; Mrs. Olsey Shirley, Grand Martha of the Eastern Star of Texas; Judge Young, Dean Gaudin, Worthy Grand Patron of the Eastern Star of Texas; Mrs. Irma Mitchell, superintendent of the hospital, and Mrs. Harle.

JUST TALK

by
A.M.J.

Between the war, the weather and the prospect of rationing, my temperature has been running up and down the last week like the light in a "off and on" neon sign.

Ed Haddock says he is tired of being warned that there is going to be a shortage of this and, that prices are going up on that, "let the chips fall where they may," says Ed. He feels that he is not able to buy enough stuff to guard against all of the things that seem to be about to go off the market, and says he is not going to get enough soap to keep clean he is going to go dirty.

Personally I feel about the same only I do not have enough nerve to look "old man shortage" in the eye and tell him he can go to; I sit down and think, pull my golden locks, scratch the end of my nose and ask everybody what they think is going to happen. All of the salesmen tell me I should buy everything they have for sale, but a lot of guys, who still have stuff that was sold to them on the same old scare system, tell me that they bought a lot of things four years ago and have a lot of them left, so I flutter from hot to cold and from cold to hot again and I'll probably end up with the doggondest conglomeration of stuff any office supply house ever had.

It looks as if most or practically all of the young men will be going here and there over the world to fight for the English, the French, the Turks, the Greeks, the Dutch and most all of the little and big countries of Europe who are threatening to go Communist unless the United States send them food, clothing, arms and soldiers.

And folks if they do go it's going to be mighty lonesome around here for quite a spell. When the second world war got going I did not think so much about most of the young men being gone until after the first six months. After that things sure did quiet down. Personally I do not have much enthusiasm for another war. It is hard for me to get my fervor up about the military music, the campaigns of hate and the things that have to be done to stir up the hullabaloo for a war but I do not see how another war could possibly be headed off and if our nation is to go to war I think that the United States should use every means possible to win and to win quick. Drop the A bomb or the H bomb, if we have them, and don't stop at any side stations, go right to the main office, drop them on the Kremlin.

For years I have wondered why folks buy electric fans and now I have come to the conclusion that the blamed things do not give off any cooling breezes but like a barking dog they are just bluffing. Its the buzzing noise that sells you, it sounds cool and you sit and listen and sweat.

Why is it that every man who goes fishing reports that the fishing group did not do so well but caught enough to eat. If most folks ate fish in the same amount as I do then one fish about the size of a sardine would be enough to satis-

fy a large community.

Just why I want to go fishing is a mystery to me but there is something about a fish pulling on a line that makes me get the shivers and shakes and when I get the shivers and shakes I really feel good.

One of the most disappointing things about things these days is the quality of candy that they sell in the grocery stores. It is either so gooey that your teeth stick together for thirty minutes after choking the stuff down or so hard that a person sounds like a horse eating corn when you hide in the corner and eat it and try to act like you went there to scratch.

And I wonder what they make the stuff out of? I have my suspicion that the hard kind is some new plastic material and the soft is what is left over from what they use in paving streets. It is evry discouraging to me for I am a rabid candy eater and if the doggone candy makers don't go to using some sugar I'm going to switch to smoking cigarettes.

In the past five years we have had five dogs, one got killed, another was a bum, we gave one away and the one we have now, a cocker, is the best natured, hardest headed, most timid and guffiest one we have ever had. Every time we get a new one my wife says I never want another dog, but every time we get a new one she worries about it as if it were a lost child.

As for me I like dogs and don't mind saying so. They are so much like people, deceitful, amusing, loving, mean, lazy and undependable.

Whether the one we have now is smart or dumb I have not been able to make up my mind, but regardless of his mental abilities he gets all he wants to eat and begs for more.

This has been the coldest July I can remember and it is disappointing to me. Before I came to West Texas I lived in North East Texas and I did not know until we moved to Amarillo that the thermometer ever got about 100 between June 15th and October 15th. It was quite a surprise to me to find out that one had to sleep with a light quilt most every night out here where the dust flies.

One time in August when we went out on a fishing trip it got so cold that I wore my shoes, overcoat and my hat all night and nearly froze to death. Some folks who have moved to this part of the country from Colorado will complain considerably about the heat in West Texas, but for me I like it hotter than it was last week and I'm going to feel cheated if things stay as pleasant as they have been lately. Give me some good sweaty days so that the folks in the Post Office will say "is it hot enough for you," and I can answer "almost."

A lot of folks like air conditioners and I suppose that after one gets used to them that they are mighty nice, but to date I have not been able to get my nervous system in tune with them. Perhaps luck has been against me, but every time I have gone to houses where they were operating I have been forced to sit where the full blast of almost liquid air dripped

on me and chilled me to the bone. Usually the next day my joints screamed like the hinge on the garden gate and I can get a great big shiver now just by thinking of the last bridge party I attended. My luck was bad in two ways, the cards were against me and I had to sit right under the air conditioner that sounded like an airplane in the process of taking off. Whe nthe host saw that most every one had icicles hanging from their ears he turned it off

and I staggered to the front door and out into the warm summer air just in time to keep from turning into a popsicle.

"The woman who swears she never has been kissed has a right to swear."—Frank Miles, writer

"Your face is your fortune, but your legs still draw the interest."—Hosiery ad.

and exposure to light and sun!

THIS And THAT
FROM
HERE And THERE

GETTING OUT ON A LIMB —
Maybe if I can go through July
without a heat stroke, I can make
it the rest of the way. The junior
rodeo is coming up the first of
August and I always get so excited
about that that I forget whether
I am hot or cool. Then after that
is over, I am so tired, I just relax
through the rest of the hot weath-
er.

I wish they would invent some
vitamin to pep people up during
the hot weather. Things are sho
sluggish around here. So much day-
dreaming and staring into space.
I guess that is the only thing to
do to not get overheated.

Cotton chopping time is here.
They have put umbrellas on trac-
tors to add a little luxury to plow-
ing but I don't know what they can
do about hoeing.

Seems to me, it must be mighty
hot out there swinging that goose
neck. I just can't seem to offer
any suggestions to help. I guess a
syrup bucket full of ice tea at the
end of each row would be some
incentive. However, you'd nearly
have to bury it to keep it cool
from one end of some of these
contoured rows to the other. —
Eddy Warren in the Post Dispatch.

WHAT NEXT? — The News
bating average—and pocketbook
—went into a slump Thursday
night on quick obtaining of news
stories.

Usually one well placed tele-
phone call will bring in the desired
results on an out-of-town news
story. But it took five calls to
Browwood last night to get the
news on the grand jury action.

The district attorney did not
know whether they indicted Har-
well or not—he left before they
voted. The sheriff didn't know—he
made a call when they voted.
The editor didn't know for sure—he
hadn't seen the bill.

Finally on a couple of repeat
calls, the editor came through af-
ter talking to the district attorney.

Five calls, two hours, five bills
equal NEWS. — Andrews County
News.

TRENDS—is heartily in favor of
a movement now on foot to change
all national holidays except relig-
ious observances to Mondays.
Labor day, which falls on the first
Monday of September each year,
is a precedent for the proposed

change. This would give business
people and their employees the
two-day week-end on each holi-
day, rather than have the holiday
break into the middle of the week.
There is no reason, for instance,
why Thanksgiving couldn't be on
the fourth Monday of November
rather than the fourth Thursday.

July 4th, incidentally, is not the
date that most of the signers of
the Declaration of Independence
fixed their signatures. The Declara-
tion was first read to the group
on this date in 1776, but it was
not until one month later, on Aug-
ust 4, that most of them signed.
One man who was present did not
place his name on the document
until two years later, in 1778. And
the Declaration was not read be-
fore Congress until the week after
July 4th. So to change this date
would not be a variance with
American history. —Crosbyton Re-
view.

SIDE VIEWS — The Lorenzo
Tribune and the Ralls Banner have
teamed up to let the people know
just what kind of shape the county
is in as far as law enforcement
goes. Last week Ernest Joiner of
the Ralls Banner filed charges ag-
ainst J. T. (Slime) Herrington of
Lorenzo for carrying a gun. Joiner
and myself cooperated on this case
and will continue to do so until
it is finished. It has come to the
eyes of the people that the law-
men are pushing the people a-
round, ordering them out of pub-
lic places when no law has been
violated. This kind of law enforce-
ing is just how Hitler's Gestapo
(secret police) operated. And the
citizens, as I have discovered, are
afraid of these laws, for they
know what it means when "a law
man gets it in for you." So most
people will do as they say and
not argue whether he is right or
wrong. Some of you may ask,
"What business is it of a news-
paper whether the people are
pushed around?" To these few we
will say, "The newspaper is a
voice of the people and is a sacred
trust . . . free to print the truth,
and a place where citizens can
voice their opinions without fear
of retaliation from the Sheriff's
department." —Lorenzo Tribune.

Source of Mica
Most of the mica produced in
the United States comes from the
section surrounding spruce pine in
the western part of North Carolina.

Popular with Sportsmen
Stainless steel boats are becom-
ing popular with sportsmen be-
cause they don't require painting
or caulking.

You're money ahead 4 ways
with a new Chevrolet truck!

FIRST—Chevrolet's low purchase price means you're money
ahead to start. SECOND—Chevrolet's great, action-packed
Valve-in-Head engine plus the sensational new Power-Jet
carburetor provides high-powered performance at low cost
per mile. THIRD—there are rugged Advance-Design features
that lower your maintenance by keeping Chevrolet trucks on
the road and out of the shop! And FOURTH—because these
value-loaded trucks are preferred over any other make, their
resale value is right at the top. Yes, you really save all
around on a Chevrolet truck. Come in and get the full facts.
Let us prove that—whatever your hauling need—you'll be
money ahead with a Chevrolet truck!

Some Candidates Make Statements

The following statements were made this week by some of the candidates for state offices that will be decided tomorrow, Saturday July 22nd.

Allan Shivers, candidate for Governor:

"The final test of democracy always comes at the polling places on election day," Governor Shivers said. "The people cannot expect to have representative government unless they participate in choosing the men to represent them. The international crisis should intensify, rather than decrease, popular interest in this fundamental process of democracy, for it is on behalf of a democratic way of life that our boys are fighting in Korea."

Pierce Brooks, candidate for Lieutenant Governor:

"Our state government," Brooks says, "is composed of 188 boards, bureaus and commissions which perform not more than 20 clearly defined functions. It is a hodge-podge, of disjointed agencies lying around loose and spending all the money they can get. The whole procedure violates every principle of sensible and economical conduct of good business."

Ben Ramsey, candidate for Lieutenant Governor:

"My opponents are fine men," the tall East Texan said, "but the people will vote for me because I am the candidate with the most experience. Our citizens need and demand the sound judgement and technical know-how that only experience can provide."

Will Wilson, Candidate for Judge of the Supreme Court of Texas:

"Men who know Will Wilson best have placed their stamp of approval on his candidacy for the Supreme Court of Texas," says Hugh Lyerly, campaign manager for the Dallas candidate. "In the only two major lawyer association polls in Texas, Dallas County and Tarrant County-Will Wilson was officially declared the best qualified candidate for the Texas Supreme Court, Place 1"

Basom Giles, candidate for Land Commissioner, in a radio talk discussed the "tragedy of the tidelands," the fight by Texas to retain possession of oil-laden submerged lands adjacent to the Texas coast. Giles, first state official to urge Texas action to hold these valuable properties, has been in Washington often, pleading the cause of the Lone Star State.

In his radio address Commissioner Giles reported on the development of the \$25,000,000 Veteran's Land Program, which he originated and sponsored, and his plan to expand the present program.

Mr. and Mrs. Lee Bickerstaff of Amarillo visited over the weekend with their parents, Mr. and Mrs. J. V. Bickerstaff.

Mr. and Mrs. Walter Smith had as their guests, their niece and her family, Mr. and Mrs. Rex Howell and two sons from Pampa.

Mr. and Mrs. Herbert Gaither had the following house guests last week: Mr. and Mrs. Max Radcliff and son, Jim of Marshalltown, Iowa, Mrs. Paul Foutz and daughter, Paula of Sweetwater, Dr. and Mrs. Sam McMenny and daughter, Linda of Amarillo; Mr. and Mrs. Lewis Thompson of Lubbock; Mrs. Madison Weaver of Brownfield.

The Young Adult class of the Christian Church enjoyed a social Thursday evening, July 13, at the church. Home-made ice cream was served and everyone had a wonderful time.

Visiting Mr. and Mrs. Carl Lewis this last week were his father, G. A. Lewis and his niece, Miss Georgene Doyle of McKinney.

Mr. and Mrs. H. G. Stokes, Mr. and Mrs. Nat Heaton, and Mr. and Mrs. O. O. Crow are spending the week-end at the cabin of Mr. and Mrs. Ray Ayers, at Lake Texhoma.

Union News
MRS. M. D. GAMBLE

Mr. and Mrs. J. A. Russell recently returned from a visit at San Angelo and attended the reunion of Mrs. Russell's family at Christoval, Texas.

Sanja Sooter, Martha Pair, and Theresa Griffin were dinner guests of Lou Ann Greene Sunday.

Mrs. Rhea Pierce returned home Monday from St. Mary's Hospital at Lubbock where she had been receiving treatment for a week.

Sherlie Greene spent Saturday night with Marvin Nelson.

Dr. and Mrs. Irlehart will speak at the Methodist Church July 26. Everyone is invited to come and hear these missionaries.

Mark Pair visited Sunday with Wade Griffin.

Miss Iris Griffin can walk around with the walking cast that was put on her leg about four weeks ago when she slipped down and fractured her ankle.

Mr. and Mrs. Joe Gamble and children visited Mrs. Gamble's parents, Mr. and Mrs. B. E. Stephenson at Carlisle, Sunday.

Mrs. Lula Gamble visited her mother and sister, Mrs. V. L. Cade near Lubbock Sunday. Mr. and Mrs. H. M. Cade and daughters also visited in the Cade home Sunday afternoon.

The Union Home Demonstration Club met last week in the home of Mrs. John Griffin. The program consisted of making corsages from flowers grown at home. Mrs. John Griffin gave a very interesting demonstration. All the members made corsages. There were eleven members present. The next meeting will be July 26 at Mrs. Chester Griffin's home. She will give a

demonstration on making soft drinks.

French Takes Over As Lions' Manager

At the Board of Directors meeting of the Lion's Club Tuesday, July 18, it was decided to replace C. E. McCoy as manager of the Slaton Lions. His job will be taken over by Cecil French, who will have as his assistant, Dampier Weaver.

A membership drive was launched at the meeting.

Mr. and Mrs. Earl Reasoner left Tuesday for a ten day vacation trip to Oklahoma, the Ozarks near Little Rock, Arkansas, and Memphis, Tennessee.

Mrs. P. W. Wood, daughter, of Mr. and Mrs. L. C. Odums, is expected to return to home Monday after spending a week in Mercy Hospital.

Mrs. Ethel Darnell Buried At Muleshoe

Funeral services for Mrs. Ethel Darnell, 64, of Muleshoe who died at her daughter's home in Slaton Monday, was held at 3 p. m. Wednesday in the First Baptist church at Muleshoe.

Mrs. Darnell had been a resident of Muleshoe for 18 years. She had been ill for several months.

Survivors include four daughters, Mrs. W. L. Holman of Muleshoe; Mrs. O. N. Francis, Dothan, Alabama; Mrs. A. A. Traweck, Slaton and Mrs. Travis Killough of Fort Sumner, N. M., and one sister, Miss Ida Capple of Gotoedo, Oklahoma.

The body was carried overland to Muleshoe by the Williams Funeral home of Slaton.

Mr. and Mrs. J. P. Spears and son, Weldon, of Pueblo, Colorado, formerly of Slaton, are spending ten days with their son and wife, Mr. and Mrs. Norman Spears.

Recent visitors in the home of Henry Hollinden and family were his brother and wife, Mr. and Mrs. Ed Hollinden and their children, Raymond, Mary Ellen, and Steve of Ferdinand, Indiana.

Also visiting the Henry Hollinden's were their son, Master Sergeant A. B. Hollinden of Chanute Field, Illinois and Lee Hollinden of Roswell, New Mexico.

The visitors arrived July 2, and left to return to their homes July 11.

Mr. and Mrs. J. H. McCollum and children, Chickie and Gary Lee, were visitors in the Ira McCollum home last week-end. Mr. McCollum is Mrs. McCollum's brother, and lives in Pasadena, California. The McCollums have recently been on a vacation trip to Sherman, Dallas, Frisco, and Wilborn, Oklahoma. They were gone about ten days, visiting friends and relatives.

Southland News MRS. FLOY KING

Rev. Arnold, pastor of the Methodist Church has returned from Dallas. Mrs. Arnold has returned after a trip to Amarillo.

Several people from here attended the funeral of C. A. Barkley, formerly of Slaton, who died Friday in an Amarillo hospital. He was buried Sunday evening in Lubbock by members of the Southland Masonic Lodge. He lived here with his family several years ago. He is survived by three daughters, Mrs. H. D. Ray, Mrs. H. T. Croshin, and Betty Barkley, all of Lubbock, one brother, O. T. Barkley, Southland, two sisters, Mrs. Annie Frye, Sweetwater, and Mrs. W. T. Kellum, Sudan, and two grandchildren.

Mrs. Billie Edmunds has returned from a visit in Alabama. She spent Sunday evening with Mrs. Peyton Crawford while Mr. Edmunds attended the Barkley funeral in Lubbock.

Mrs. L. A. Dunn and grandson, E. L. Dunn, have returned from a visit with relatives in Fort Worth and Mineral Wells.

Mrs. Nellie Mathis went to Brownfield Sunday to visit her son and wife, Mr. and Mrs. L. B. Mathis. Mrs. L. B. Mathis has just arrived home from the hospital. Mr. and Mrs. A. A. Ferguson, Lavonne, and Jimmy, left Sunday morning for Glen Rose to spend a couple of weeks. Mr. Ferguson will take treatments while there. He has been suffering with rheumatism for several days.

Mr. Buford Duff underwent an eye operation in Memorial Hospital in Lubbock Thursday and was doing nicely Sunday but won't be home for a few days yet.

Mr. and Mrs. Carl Cedarholm and Gerald Howard of Post, and Mr. and Mrs. Sterling Curry of Amarillo, all spent the week-end with the A. A. Fergusons.

Mrs. Carl Cedarholm and her nephew, Gerald Howard, and Mrs. L. K. Anderson, will have charge of the Ferguson Store while they are away.

The show put on by the South Plains Stringsters, T. L. Weaver and Gang, put on a good program at the High School auditorium Thursday night.

Glenda Grantham accompanied her cousin, Mrs. Audena Watson and daughter of Slaton to Quanah over the week-end. Mrs. Watson's daughter, Neutanan will spend the remainder of the summer with her grandparents there. Congratulations to Mr. and Mrs. Billie Winterrowd on the arrival of a boy at Mercy Hospital, Slaton, Thursday.

Mr. G. D. Ellis received word Saturday night that his brother, Charlie, had passed away in a Lubbock hospital.

Mrs. S. M. Truelock is some better at this writing reports her husband.

Mr. and Mrs. R. E. King of Plainview, are visiting their son, Mr. J. R. King and family.

Mr. A. T. Nixon, Novella, and Stanley, have returned home from visiting his parents at Eldorado.

Mr. and Mrs. A. F. Davies and daughter, Eulaine and their grandson, Laurence Hershel King, all spent several days visiting in New Mexico last week.

Charles Quisenberry spent last week with relatives in East Texas.

Mrs. Frank Fletcher and boys of Galveston, Mrs. Walter McNabb of Lubbock, and Mrs. Gene Draper and children of Slaton all visited in the Maruin Truelock home Thursday.

Visiting Mr. J. G. Bartlett last week was his sister, Mrs. Sophie Coburn and two of his granddaughters from New Mexico.

Visiting the Peyton Crawford and the Jess Moores the past week was Laversia Joe, Mary Frances, and Bob Moore, all of Sunray.

Mr. and Mrs. Carlos Wagner of Houston visited Mrs. Nettie Kellum and Mrs. Nellie Mathis Sunday. They then returned to their home in Houston.

Mrs. John Leake visited her mother, Mrs. R. R. Jones of Hackberry Sunday. Elton Truelock spent Friday night, Saturday, and Saturday night with his sister, Mrs. Clarence Terry of Lubbock.

Desk blotters and desk sets at Slatonite.

News Summary Featured Weekly

"Let Right Be Done"—Only his mother's grim determination and faith in Justice won the exoneration of Quentine Peterson, a boy unjustly expelled from school as a thief. Read this dramatic story in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

"Beating The Bookies"—After her husband had lost \$22,800 she sued the bookie and recovered the money; and set an example for others to follow. Read this eye-opening article in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

R. L. BOYD

Mr. and Mrs. Joe Alckmayr and four children of Amarillo have been visitors of Mrs. Julius Sthal and other relatives. Two sons have remained for a longer visit.

Mr. and Mrs. Terrell, who live at the teacherage, went to Ilaton, New Mexico, the last of the week. Mr. and Mrs. A. M. Carroll celebrated their fifty-ninth wedding anniversary July, at Mackenzie State Park with a family reunion. Eighteen grandchildren, several great grandchildren, and brothers and sisters were present.

Mr. and Mrs. J. R. Boyd have gone to Ruidoso, New Mexico, for a stay of about two weeks.

F. H. Stahl has returned from Bremham, where he went as a district representative of the G. M. A. A. insurance association.

The Baptists will hold their meeting this year beginning August 18.

S. N. Gentry, chairman, says election returns could be made earlier if voters came to the polls earlier. The primary election will be held Saturday at the school house. Besides the chairman, the judges who have been asked to help are: Lewis Droener, L. B. Kitten, R. L. Boyd, F. H. Stahl, and T. A. Johnson. Poll hours are from 8:00 a.m. to 7:00 p.m.

Mr. and Mrs. J. H. Stone and Mr. and Mrs. Jim Sain went to Littlefield Sunday to visit Mr. and Mrs. Homer Robertson. Mr. and Mrs. Robertson are now retired school teachers who taught here several years ago. They have recently built a new home there.

Mrs. Laura Boyd has recently completed about a four inch irrigation well on her farm.

Linus Moller, who is from an air base in Illinois, is here on furlough visiting his parents.

Mrs. Ollie Williams of Arp, Texas was visiting relatives here a few days ago.

It is reported that a wild cat oil well will soon be drilled about six miles southwest of Posey.

The Home Demonstration Club was to meet Wednesday with Mrs. Louise Brake.

HAS WATERMELON SUPPER

The Woodmen of the World and their families met Thursday night, July 18, for a watermelon supper at the lodge hall. Cold drinks were also served. A large group attended the function.

SMILE OF THE WEEK

A young mother, having saved up for a dining-room set she doted on, saw it installed and went out to market. She returned to find her small son seated under the neat table, busily whittling the neat sharp corners off its legs. For a moment she stood aghast, then rushed outdoors to her husband. "John, come quickly!" she cried. "If I touch him, I'll kill him!"

—Readers Digest

Bill R. Waldrep, son of Mr. and Mrs. W. S. Waldrep, who formerly lived in Slaton, has returned to his home in Herford from the Deaf Smith County Hospital.

Bill broke his shoulder three weeks ago. He is improving rapidly.

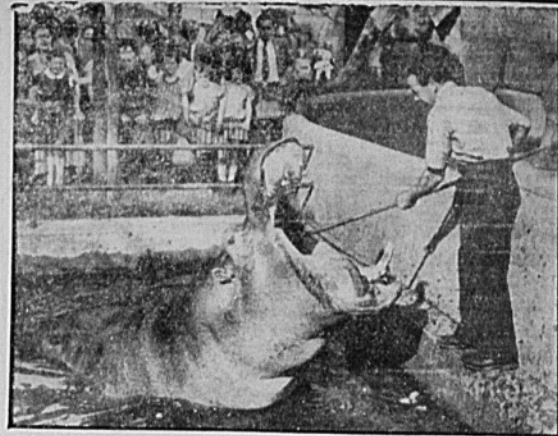

\$64 QUESTION—Even expert veterinarians were stumped when Arthur Thorne asked them to identify this newcomer to his stables in Pontiac, Mich. The product of an ass and a palomino stallion, the animal weighs 45 pounds and is about the size of a small colt. Resembling neither horse nor mule, the creature may be the first of its kind.

In the **PIKES PEAK REGION** It's **RED CLOUD INN** for **FINE FOOD BAR SERVICE** Your Hosts **The WAUGHS** Cascade, Colo.

WORLD'S BEST A-BOMB REFUGE—These caves, carved in solid granite some 50 feet underground, provide Arab tribesmen of Tripolitania with what is probably the world's best protection against the effects of an A-bomb. The underground dwellings, however, were not built with an eye towards modern-day safety for the Arabs have virtually no contact with the outside world. The advice of a soothsayer, who lived 600 years ago, prompted them to become tenants of these subterranean compartments.

"A LITTLE WIDER, PLEASE!"—While a nearby elephant chortled and a crowd of children chuckled, this chagrined hippo permitted keeper Franz Eck to give his bicuspid the brush-off. The dental doings took place at the Frankfurt, Germany, zoo, where this two-ton and toothsome giant makes his home.

Slaton Women Give Their Favorite Tested Recipes

As you women know, most men are crazy about good lemon pie. Mrs. L. S. Jecoat, 800 E. Lubbock, taking the hot weather into consideration, sent us a wonderful recipe for lemon pie which

requires no cooking. She calls it her favorite recipe for ice box pie.

First, get a small can of evaporated milk and use equal parts of water. You will need 1/3 cup of fresh lemon juice, 1tbsp. grated lemon peel, 1/2 cup sugar, and spiced bread crumbs.

Pour the milk into ice cube trays and chill until crystals start to form.

Separate eggs. Mix yolks with sugar, lemon juice, and grated peel.

Beat egg white stiff and lightly mix the yolk mixture.

Turn chilled milk into bowl; beat stiff; carefully fold into egg mixture.

Pour into ice cube trays lined with spiced crumbs.

Swirl top, decorate with lemon twists, and freeze.

Serves six to eight.

To make the spiced bread crumbs:

To 1/2 cup crisp toast crumbs, add 1/2 cup brown sugar; 1/2 tsp. cinnamon, nutmeg, allspice, and ground cloves.

Mix well, work in 3 tbsps. melted butter.

Line cube trays, pressing very firmly with spoon.

Mr. Jecoat, who is retired, spends much of his time working in his nice garden and caring for his chickens. He was formerly caretaker of the Baptist Church and worked for the Plains Lumber Co. for eight years.

The Jecoats have three children, Mrs. C. B. Martin of Slaton, Mr. Joal Culver of Big Spring, and Mr. W. W. Culver of Midland.

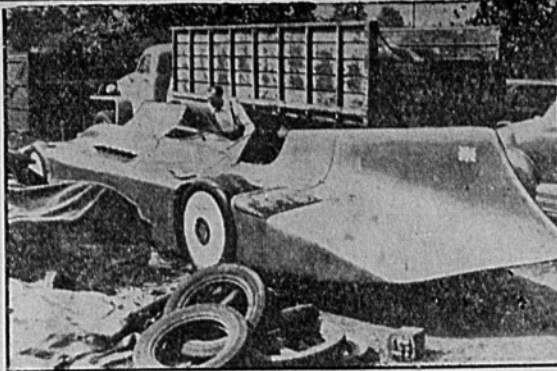

GIRLS BACK FROM CAMP

Eight intermediate girls from the First Baptist Church and their sponsors have returned from the Girls' Camp of the Plains Baptist Assembly.

Those attending the camp were Rebecca Bolding, Joanne Green, Betty Green, Ruby Holt, Lorraine Parker, Wanda Pruitt, Nelda Lemon, and Donita Brown.

Mrs. Dudley Berry chaperoned the girls, and Miss Genelle Bolding was a teacher at the camp.

"We must avoid further inflation," Elder Statesman Bernard Baruch.

ONCE SPEED KING, NOW JUNK — Slowly rusting in this London car dealer's junk yard is the late Sir Malcolm Campbell's famed "Bluebird," formerly the world's fastest racing car. The once-sleek racer was the first land vehicle to travel at 500 miles per hour, and broke the world's land speed record for Great Britain no less than five times. It's glory is now fading with its paint.

Mr. Milton Jochetz returned Friday from Texas A & M, where he attended a school for firemen. A fireman is sent each year in order to maintain the 3 per cent discount on fire insurance in this district. The school lasts five days.

Mrs. Walter Johnson, mother of Mrs. J. W. Ecker is visiting her daughter and son-in-law, Mrs. Johnson is from Blackwell. The J. W. Eckers have recently returned from a trip to Colorado.

Mr. and Mrs. Ray Willoughby and Mr. and Mrs. William Dawson are spending a couple of weeks in the home of Mr. and Mrs. G. E. Taylor of Slaton. The visitors and the Taylor's may go to Carlsbad for a few days.

Mrs. K. C. Scott returned from Amarillo after a visit with her sisters, Mrs. S. W. Ball and Mrs. G. F. Everline, Mrs. W. H. Smith, mother of Mrs. Scott returned with her.

Mr. and Mrs. H. G. Brewer of Midland spent the week-end with their uncle and his family, Mr. and Mrs. J. H. Brewer.

Mrs. Roscoe Wilson of Bell, Texas, is visiting her son Chester Wilson and his family.

TERRY
YOAKUM

Weimhold is interested in all the people, in the development and welfare of this entire section. . .

He was happy to return home in 1945 after 18 months overseas duty in Burma, India, and China during world war II to again play a part in the development of tis area. Weimhold served 33 months as an enlisted man in the armed forces. Weimhold is married and his wife is the former Ruth Maples of Ralls and Spur. . .

TECH GRADUATE

He is a graduate of Texas Technological College, Lubbock, Class of 1936. He was instrumental in the promotion and development of the Tech Press. He was the College Printing Plant's first employee, installing practically all of its original machinery. HE served as foreman of the plant for three and one-half years until graduated. Many students have been able to attend college as a result of the jobs made available. . .

YES, WE FRIENDS AND NEIGHBORS OF

FORREST WEIMHOLD

Believe he is the man to represent this Great 119th District, and sincerely solicit your support and vote in this campaign. . .

Tell your friends about Forrest Weimhold and let's elect another business man to represent this district. . .

We know Weimhold will do a good job for YOU in the Legislature!

BAIN AUTO STORE

Mr. and Mrs. E.E. Whaley and daughter from Oklahoma City are visiting her parents, Mr. and Mrs. William Rust. The Whaley's plan to be in Slaton about two weeks.

"I love those dear hearts and gentle people who live and vote in my home town."—Rep. Fisher of Texas.

The sewer extension work for Andrews will get underway about July 15th, Mayor Jimmie Ulmer announced Wednesday. The contract for \$25,000 sewer extension was awarded to Wilks, Dake and Steed, the same firm that had the original contract here in Andrews.

—The Andrews County News

Navy Accepting Re-Enlistments

Lieutenant Commander Lee J. Delworth, officer in charge of the New Mexico and Western Texas Recruiting area, announces that the Navy is now accepting applications for re-enlistments from men discharged under provisions of the New Pay Bill.

Heretofore men so discharged could not be re-enlisted in the Navy until after date of the normal expiration of their enlistment. Especially desired are officers and enlisted men in the technical ratings, such as radarmen, fire controlmen, and electronics technicians.

Men between the ages of 19 and 26 must present their selective service classification cards when making application for enlistment.

FISHING PARTY GOES TO BUCHANNAN LAKE

Fishin's good down at Buchanan Lake according to what has been told around Slaton by those who have taken part in the sport down there, so a party of Slatonites left Sunday to spend three days catching some catfish and bass. The fish seem to be biting pretty good because of the recent rains in that area.

In the fishing party were Mr. Clark Self and family, Mr. John Berkley and family, Mr. and Mrs. Ernest Short; also, Mr. Lloyd Madden and family of San Angelo and Mr. Roy Mack and family of Abilene. The Maddens and the Mack's formerly lived in Slaton.

VISITS UN HEADQUARTERS

Mrs. Clifford Simmons, who lives at 930 W. Garza recently visited the headquarters at Lake Success. She was among a group of 100 from the Board of National Missions, Presbyterian Church.

Meet America's Savingest "SIX"

NEVER BEFORE did any "Six" combine such a low purchase price... such economy of operation... and so much "go." And you'll find Ford's new "Six" is so smooth you can hardly hear it... for its new design has "hushed" its voice down to a whisper.

TRY THE "MID SHIP" RIDE

You can pay hundreds more and still not equal the comfort of Ford's road-hugging "Mid Ship" Ride... or the quiet of Ford's sound-conditioned "Lifeguard" Body. With Ford's 35% easier-acting King-Size Brakes, it keeps you safe and snug.

IT'S A COMPANION IN QUALITY TO FORD'S SILENT NEW V-8

Yes, "Six" or V-8, you're sure of smooth, silent quality at rock bottom price. Ford's V-8, you know, is the type of engine powering America's finest cars—yet it sells for hundreds lower than most sixes. And Ford's "Six" costs even less.

White sidewall tires optional at extra cost.

"Test Drive" the FORD "SIX" today!

THE SLATON SLATONITE

Mrs. Bert Llewellyn and Elsie Hemphill returned to their homes in Mineralwells, Texas after a short visit with their sister, Mrs. W. E. Smart.

Mr. and Mrs. M. M. Culwell were Sunday visitors in the home of Mr. and Mrs. O. C. Clark.

"Next year's bathing suits are barely big enough to keep a girl from being tanned where she ought to be," Southern California U's Wampus.

Mr. and Mrs. Rex Howell of Pampa visited with Mrs. Howell's father, Mr. G. T. Hammett.

Mr. and Mrs. Troy Bickerstaff, Chicago left today for their home in Chicago after a two weeks visit with Mr. Bickerstaff's parents, Mr. and Mrs. J. V. Bickerstaff.

C. Wicker and Bryan Reasoner are in Corpus Christi, where they are taking treatments.

Mr. and Mrs. T. I. Carr have moved here from Trinity Mountains, California. They arrived Saturday afternoon, the eighth of July. Mr. Carr is employed as a chief metal worker for the Santa Fe railroad.

Sleep While Your Want Ads Work

Mr. and Mrs. P. A. Hawkins of Altus, Oklahoma, spent several days with Mr. and Mrs. Arthur Bently. Also visiting with the Bentlys were Mr. and Mrs. Curtis Hawkins, Altus, Oklahoma, Mr. and Mrs. Vergie Hawkins of Melbourne, New Mexico and Mr. Dor Turner of Lubbock.

Mr. and Mrs. S. A. Peavy left Monday for a two-weeks trip through Albuquerque, Santa Fe, and Toas, New Mexico. They will also visit Mesa Verde National Park, Colorado Springs, Denver and Estes National Park, Colorado. While in Toas, they plan to visit a couple of days with Rev. and Mrs. Paul Stevens, former Slatonites.

WATCHFUL COP—In the Formosan capital of Taipei, eyed by communists as a lush war prize, policemen keep a watchful eye on traffic from modern street stands equipped with no less than four electric signals. Now that Chiang Kai Shek has made this city the home of his nationalist forces, traffic has become more of a problem.

YOUR ROOF IS AN INVESTMENT

Whether you need a new roof for your present home, or one you are building, it's smart to employ quality craftsmen and materials. Quality means economy in the long run. Call 5583 in Lubbock today, to arrange for an estimate . . .

Judge W. N. Stokes

Candidate For Re-election as Associate Justice of the Court of Civil Appeals, Seventh Supreme Judicial District.

Judge Stokes has been an associate justice on the court during the last thirteen years. Before becoming a member of the court, he was a District Judge and practiced law in all the courts. He submits his seasoned experience and training as qualifications which justify the people re-electing him for the ensuing six-year term.

His candidacy is subject to the pending Democratic primary election, and your favorable consideration will be appreciated by him.
