## Summer reader Enjoys Tales Of McLean's "Good Old Days"

The Summer Reading Program finished on Friday, August 9, with Sam Haynes providing the educational program. About twenty-five children attended to receive their Completion Certificates and to hear Mr. Haynes tell about "good old days" in McLean. Mr. Haynes spoke about what life was like when people traveled by train, buggy, horse and stagecoach. He told the children about the

old school house burning down. He shared with them family history and about finding old artifacts on his family's property.

After listening to Sam, the children enjoyed refreshments of cookies and punch and received their Certificates of Completion.

When the new school year begins, the children can present their certificates to their teachers and receive ten points on their

Accelerated Reading Program. Pucketts Grocery Store also gave each child a coupon for a free ice cream sandwich.

Stephanie Henson and Kelby McClellan received Hank the Cow Dog books from librarian, Sally Bohlar, for winning the bookmark design contest.

Congratulations to Stephanie and Kelby and to all the children for a job well done.

## City Council Discusses Local Issues

The City Council of McLean met in regular session Monday, August 12th, 2002, in the City Hall. The meeting was called to order by the Mayor and opened with an invocation by Steve Bowlin at 6:06 p.m. with the following members present: Bob Martin, La Von Watson, Jim McDonald, Joe Lamb and Doyle Lee.

Others present: Steve Bowlin, Toni Bohlar, Mindy Reeves, Bill Anderson, Jim Adams, Keith and Betty Heathington.

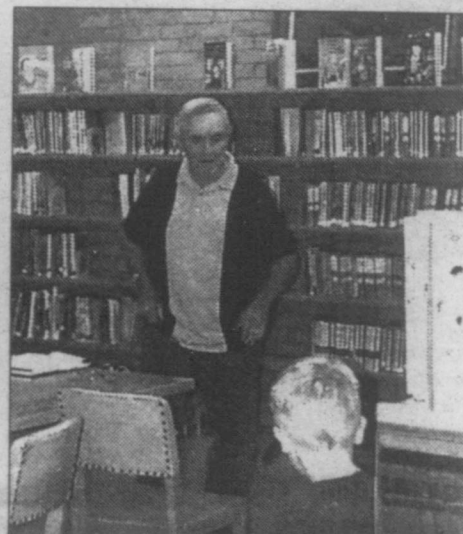

The minutes of the July meeting were approved.

All motions were unanimously approved unless otherwise stated.

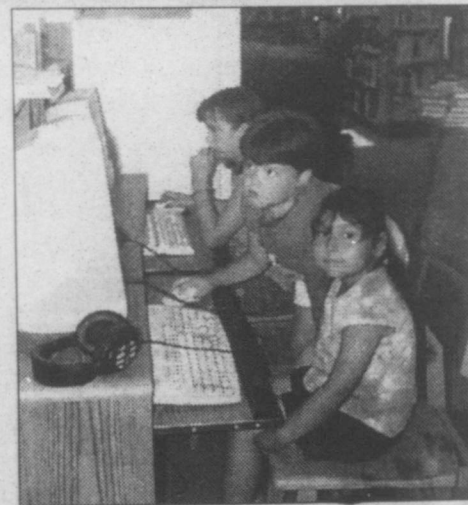

City water item were- The survey shows that there is one good area with water in the southwest corner of the 80 acres where the Williams well is located. We are now just waiting for the grant process.

Sewer Plant item-The City had their meeting with TNRCC representatives, and Jon Voller. our engineer. TNRCC told them

that what they needed was a detailed plan of action from our engineers before the deadline in January. They told them that they needed to see that we were being aggressive in handling this problem and not just ignoring it. This plan of action needed to state exactly what our steps were going to be towards getting the sewer plant back in conformance with their regulations. Our engineers assured TNRCC and the City that the plan of action would be taken care of.

Sam Haynes tells an attentive group of listeners about the days gone by in McLean.

A Public Hearing was held concerning the TCDP grant application. There were no questions or comments from the public concerning the grant.

The council agreed to a Resolution that Gary Traylor and Sons would be the grant management services for the TCDP grant application.

The council agreed to a Resolution that Hibbs and Todd would do the engineering work for the TCDP grant application.

Bill Anderson came before the council

concerning no City policy on taking time off for community service training. He had recently gone to fire school for a week and if he wanted to be paid for that week he had to take his vacation time to go. He feels that if a person is being trained to be a better fire fighter, that training benefits the whole community. He listed off several other community related services such as Red Cross, EMS, PTA, School Board, etc., each of these areas have

### West Nile Virus Found

On June 29, 2002, a horse was euthanized near Katy, Texas in far west Harris County because it was infected with the West Nile Virus. The Texas Department of Health is urging horse owners to take steps to protect their horses now from the disease.

A form of encephalitis or "sleeping sickness," the West Nile Virus was first detected in Texas on the northwest side of Houston in two dead blue jays on June 18. Since that time, the disease has been found in twenty-nine birds.

West Nile Virus is spread by mosquitoes and poses a danger for birds, horses, and in some cases, humans. In three years, the disease has been responsible for the deaths of at least twenty people. The disease is spreading across the US faster than scientists expected and poses a growing risk.

Dogs and cats appear to be resistant to the disease. Although there is no vaccine for humans, there is a vaccine for horses. Besides vaccinating your horses, watch for signs such as staggering, falling, or the inability to rise, sudden death, blistering around the animals lips, teats, or hooves. Look for unusual ticks or maggots. You should watch for dead birds.

If you are picking up a dead bird, wear gloves and wash your hands afterwards. Call the Texas Department of Health at 1-512-458-7255.

People do not spread the disease but can be infected by mosquitoes. To protect

### Teachers Prepare For New Year

The McLean Teachers and Staff took a break on Monday as they get ready for a new school year, when the School Board said thank you for all their hard work with two delicious meals. For lunch everyone met at the church of Christ annex for submarine sandwiches and in the evening everyone met at the Neil Odom property for a cook out of B-B-Q brisket,

potato salad, beans, and peach cobbler. A good time was had by everyone. They enjoyed volleyball, horse

shoes and good conversation. School begins Monday August 19.

### Card of Thanks

I would like to extend a special thank you to everyone who helped with the Summer Reading Program. Delbert Trew,

Sam Haynes, and Bill Reeves provided excellent programs. Betty Morgan provided refreshments and read to the preschoolers for three weeks. Kim McClellan donated sidewalk chalk. And thank you to all the mothers who helped serve refreshments. A special thank you to Brandon at Pucketts for donating ice cream sandwiches. Thank you to the staff of the McLean News for taking pictures and covering the events. Toni Bohlar and Molly McDowell judged the bookmark contest. Without everyone's help and support, the Summer Reading Program would not have been so successful.

Thank You Very Much, Sally Bohlar

training and each of these services benefit the community and a person should not be penalized by having to take his personal time to attend these training sessions. The council said that they would have to think about this and try to draw up some guidelines on a policy, but that the policy would not be retroactive. This item will be put on next months agenda.

Doyle Lee entered the meeting at this time.

Motion was made by Joe Lamb to fill the vacant alderman position. Motion died for lack of a second. Motion was made by Jim McDonald and LaVon Watson. Voting against was Joe Lamb.

The council discussed the Ad-Valorem Tax Rate. The general consensus was to go with the rollback rate of .305590 per \$100.00 value. The property tax valuation is up this year, so the rate has gone down and the residents will not be paying higher taxes. There will be a special meeting on August 26th at 5:00 pm so that the council can adopt the tax rate.

The council voted to adopt Ordinance #285- the drought Contingency Plan that the City has to have on record in case of a drought.

It was brought to the council's attention by the Mayor that the Water sewer and gas fund came up short last month and we had to transfer \$5,000.00 from General Fund into the Water Sewer and Gas Fund to be

able to pay the bills. He also informed the council that according to our bond, the City has to charge enough from the Water Sewer and Gas dept. so that this department can be maintained properly and so that we can also pay our yearly bond payment. This year we are still \$13,500.00 short of having the bond payment.

Bob Martin explained a handout that he had drawn up comparing the different cities and their water and sewer rates. The average cost out of 15 cities around our size for water for 5000 gallons was \$14.07- our cost is \$10.25. The average cost for sewer for 5,000 was \$9.47- our cost \$6.00. He asked the council to take a look at these figures and this item would be placed on next months agenda.

Doyle Lee had put blind intersections on the agenda. He stated that there were several corners in town that had trees or bushes on them and you could not see oncoming traffic.

The council decided that when the city employees noticed these blind intersections to report these to city Hall and letters would be sent to the owners of the property to ask them to clear the corners to make it safer.

Doyle Lee also put the EMS on the agenda. He just wanted to give the council an update on how the EMS was doing. He said that financially the EMS was in better shape than they had been in years, but that they were extremely low in

personnel. Because this is a volunteer EMS, it is extremely hard to get people to help. The EMS desperately needs EMT's. At this point in time they only have 3 that go on runs and he said there was a

possibility that he would be leaving in December and there would be only 2 left and the Texas Dept. of Health will come in and pull the license off one of the ambulances. There has to be 4 EMT's per ambulance. If we do not get the volunteers to help run our ambulance service, the city would have to contract with an outside company that would cost the city an astronomical amount of money that would then have to be passed on to the residents to help pay for the service. If anyone would be interested in becoming an EMT please contact Doyle Lee.

West Texas Gas had given the City some figures if they wanted to lock in on a gas price for the winter, but the council decided to wait until next month and see if the prices go down a little bit more before they lock in.

The council regretfully accepted Steve Bowlin's resignation at the Director of Public Works. Steve is going to work for the City of Electra. His last working day will be August 19th. The council expressed their appreciation to Steve on the job that he had done while here and that they had enjoyed working with him.

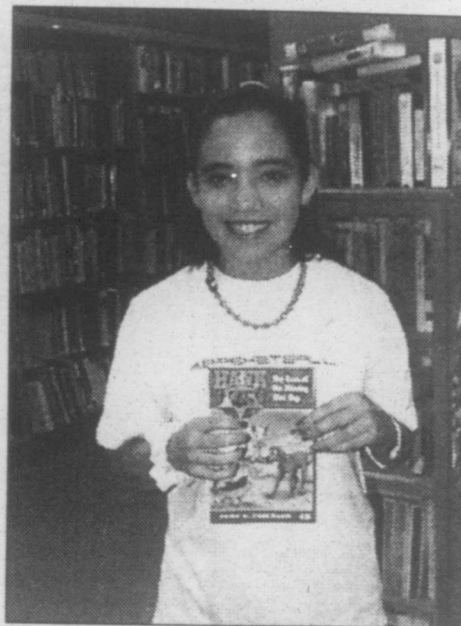

Motion by Jim McDonald, second by Jim McDonald to pay all bills

excluding the fire Dept. bill. Doyle Lee abstained. Motion passed.

By unanimous consent the council agreed to pay the fire Dept. bills.

The meeting adjourned at 7:15 pm

## Museum Visitors Approach 1,000 Mark For July

by Davie Gipson

July was a very good month for us at the Museum. We had a total of 919 visitors. Of these, 177 were from 18 foreign countries. Thirty-seven states were represented.

On July 3, we had 22 people out of Oklahoma City on their way home from seeing Texas.

We had two bus tours from England one tour from Belgium. On July 6, we had a Norwegian Harley Tour. They were all sunburned and

windblown but having great fun.

Our Heritage Community Room was busy with a wedding reception and eightieth birthday party.

A group of people from France visited the museum. They were touring America in their World War II-era Citroen cars. There were 30 cars in all but only a few stopped with us. They were here to say "Thank You" to the Americans for their help during the war.

We are looking forward

to a hot August with lots of people.

## McLean -Alanreed Museum Draws Visitors From 22 States & 10 Foreign Countries

The McLean-Alanreed Museum had 158 visitors from 22 states and 10 foreign countries for the month of July.

The foreign countries represented were: Thailand, Taiwan, Canada, Denmark, New Zealand, Australia, Switzerland, Norway, Czech Republic and France.

The French had shipped several vintage cars by air and were traveling Route 66. The cars were awesome and the French were delightful visitors. They gave the bystanders a spin and said they were getting 15 miles per gallon in the 1950 vintage vehicles. The 1938 convertible was especially impressive, and on the side of each car was a banner with a Thank you America message.

## ADOPT A WILD HORSE

A televised wild horse adoption is set for August 16, 2002. The Bureau of Land Management is offering qualified individuals the chance to adopt mares, mare/foal pairs, geldings, studs, burros, and mules gathered from range lands in Nevada, California, and Arizona. Saddle-ready wild horses trained in Wyoming also will be offered. The adoption will be broadcast nationally by Superior Livestock Auction located in Ft. Worth. Viewers may tune to Channel 9409 on the Dish Network, Channel 379 on DirecTV or C Band Satellite, Galaxy 3, Transponder 1. To participate, you must be prequalified and have a bid number assigned by the BLM. For more information, call 1-800-633-6094.

## SCHOOL STARTS Monday, August 19.

**HUNTER SAFETY** class, Aug. 23-24. Ages 12 and up. Shamrock City Hall annex. Friday, Aug. 23-6 pm, Saturday, Aug. 24-8 am. Cost \$10.00. You must attend both days. Call 256-3522.

The 2002-2003 school year will begin next week.

Participation in the Federal Meal programs have been announced for the 2002-2003. The McLean School District participates in both the breakfast and lunch programs. The entire range of income eligibility guidelines is published the week in The Groom-McLean News, reporting weekly, monthly, and annual income figures.

An example of eligibility would be: a family of four with a total income less than \$2,791.00 will qualify for reduced priced meals; if the income is less than \$1,961.00 the family will qualify for free meals.

The income figures qualify McLean School students for participation in the program. Contact the business office for the price of free and reduced meals. Nutritious meals are served each school day. Kindergarten - 5th grade children may buy lunch for \$1.75, and students in 6-12th grade may buy lunch for \$2.00. Breakfast is \$0.50 for all ages. These meals MUST BE purchased in advance. The school will no longer maintain charge accounts and accounts receivable.

Any family now receiving TANF or food stamps can receive breakfast and lunch free for its McLean School students. Persons qualify under the published income eligibility guidelines may also receive free meals.

Parents are encouraged to consult the published guidelines to determine if the household is eligible to participate in the Federal program; a number of federal and state programs are funded

on the number of free and reduced-price students in the District. Signing up for the program insures the school of additional funding.

Special situations such as foster children or handicapped students are also covered under policy rules.

Once an application has been completed households have an obligation to advise the school of any change in household size or income. Applications are under the direction of Margaret Milam, and any questions should be directed to her

at 806-779-2301. Families should also be advised on the status of the application on file.

The information used to determine eligibility for the meals program is confidential and the confidentiality is protected by the application and meal record process. The information may be subject to release only to other means-tested programs conducted by the Federal or State government, but no other circumstance.

The operation of this program guarantees that there will be no discrimination because of race, sex, color, national origin, age or handicap.

Application forms are available at the school offices at 4th and Rowe Street in McLean as well as by mail if requested at the above telephone number. In addition to early sign-up, these applications at the time of enrollment for the school year.

## SCHOOL STARTS Monday, August 19.

**HUNTER SAFETY** class, Aug. 23-24. Ages 12 and up. Shamrock City Hall annex. Friday, Aug. 23-6 pm, Saturday, Aug. 24-8 am. Cost \$10.00. You must attend both days. Call 256-3522.

The 2002-2003 school year will begin next week.

Participation in the Federal Meal programs have been announced for the 2002-2003. The McLean School District participates in both the breakfast and lunch programs. The entire range of income eligibility guidelines is published the week in The Groom-McLean News, reporting weekly, monthly, and annual income figures.

An example of eligibility would be: a family of four with a total income less than \$2,791.00 will qualify for reduced priced meals; if the income is less than \$1,961.00 the family will qualify for free meals.

The income figures qualify McLean School students for participation in the program. Contact the business office for the price of free and reduced meals. Nutritious meals are served each school day. Kindergarten - 5th grade children may buy lunch for \$1.75, and students in 6-12th grade may buy lunch for \$2.00. Breakfast is \$0.50 for all ages. These meals MUST BE purchased in advance. The school will no longer maintain charge accounts and accounts receivable.

Any family now receiving TANF or food stamps can receive breakfast and lunch free for its McLean School students. Persons qualify under the published income eligibility guidelines may also receive free meals.

Parents are encouraged to consult the published guidelines to determine if the household is eligible to participate in the Federal program; a number of federal and state programs are funded

on the number of free and reduced-price students in the District. Signing up for the program insures the school of additional funding.

Special situations such as foster children or handicapped students are also covered under policy rules.

Once an application has been completed households have an obligation to advise the school of any change in household size or income. Applications are under the direction of Margaret Milam, and any questions should be directed to her

at 806-779-2301. Families should also be advised on the status of the application on file.

The information used to determine eligibility for the meals programs is confidential and the confidentiality is protected by the application and meal record process. The information may be subject to release only to other means-tested programs conducted by the Federal or State government, but no other circumstance.

The operation of this program guarantees that there will be no discrimination because of race, sex, color, national origin, age or handicap.

Application forms are available at the school offices at 4th and Rowe Street in McLean as well as by mail if requested at the above telephone number. In addition to early sign-up, these applications at the time of enrollment for the school year.

## 11 Boys Go Out For Two-A-Days

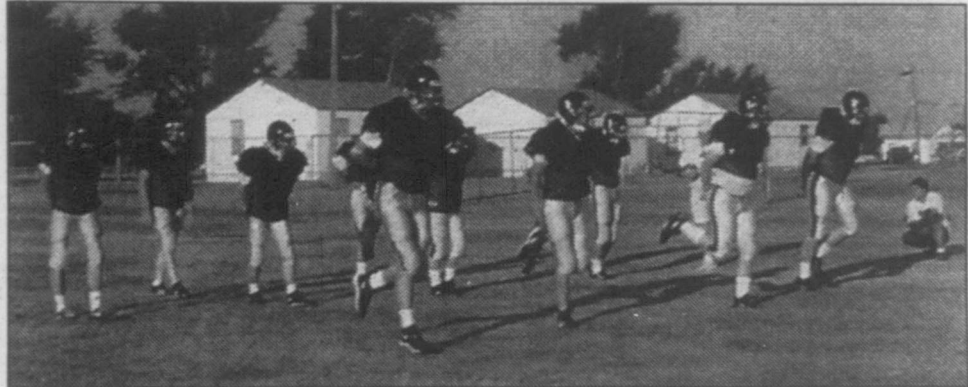

Cadence breaks the silence of the morning stillness followed by a sharp whistle and the sound of running feet. Yes, it's that time of year and Groom boys are currently undergoing two-a-days, that right of passage that says you are now playing high school football.

Eleven boys have turned out for two-a-days said Head Football Coach Toby Tucker.

Four seniors will head up the 2002 edition of Groom football. Doug Fields, Lance Ollinger, Brett Britten and Cody Babcock with be vital parts of the Tigers success this season. Juniors Bobby Ratteree, Calvin Schaffer, Owen Weinheimer and Willie Leven will also be counted on by first year head coach Toby Tucker. Tucker has recently been re-assigned to the head football position after being first hired as a girls basketball coach.

"This group of kids has been working very hard during two-a-days. Our seniors have done a great job of being leaders on and off the field," he said.

Other Tigers players this year are 10th grader Jeff Rios, and Freshmen Kelby Noack and Brandon Jenkins. The

Warming up and loosening up are an important parts of practice for the Tigers as they get ready for the fall season with a scrimmage against Follett, here, on Saturday.

Tigers will also be helped out by Manager Chance Barkley.

Also joining the Tigers this year is Defensive Coordinator Jym Dennis, Dennis hails from Rochelle, Tx.

"Rochelle is smaller than Groom," he said. "They have a few more kids in school but it is a smaller town. They also play 6 man football".

Dennis was freshman football and basketball coach at Ballinger, Tx. last year. He graduated from Tarlton State University. His assignment here will be to assist with football and head up boys basketball and track. He

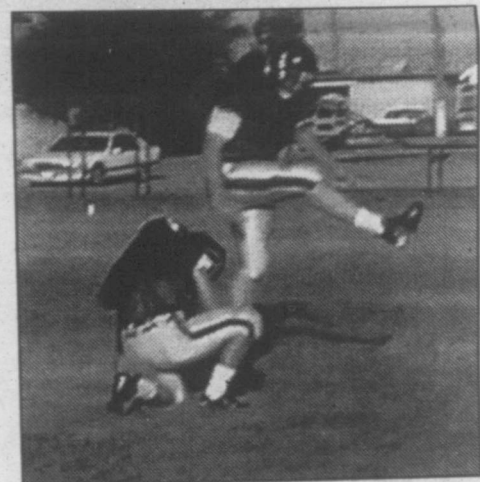

History, World

will be teaching World Geography, Government and Economics.

"We are tickled to have Coach Dennis join us here in Groom," said Coach Tucker. "He brings a lot to the table. our defense will be the anchor of our team this year. Having a guy like Coach Dennis run the defense is a huge gain for us", continued Tucker. Jym Dennis is single and enjoys hunting and fishing in his spare time. He is really looking forward to working with Groom athletes.

Leading the Groom defense will be Doug Fields who was the second leading tackler on

Kick-Offs and extra points help win ball games and these Tigers plan to be prepared as they hone their skills.

## County Commissioners Approve Internet Program For County Residents To Re-New Their Car Tags

The Carson County Commissioners' Court met on August 12 with the following members present: Judge Lewis Powers, Commissioners Mike Britten, Kenneth Ware, Jerry Strawn, and Kevin Howell.

Minutes of the July 29th meeting were read and approved with the correction of notice to hire Bill Murray as road hand for Precinct #2, effective August 1, 2002 at a level 23 A salary.

Panhandle City manager Chris Coffman, Mayor Les McNeil, Councilmen Dan Looten, Brad Maples, Doyle

Robinson, and Barry Metcalf met with the court to see assistance in cleaning up a parcel of land located on the south side of HWY 60 just outside the city limits. It was suggested that the court contact the county health officer to determine if the property owner, Brenda LeGrand, with a citation and then have a public hearing before the land could be cleared. Mayor McNeil stated that he would like the situation to be addressed as soon as possible. McNeil stated

### Cow Pattie Bingo Winners

The Cow Pattie Bingo has always been a fun part of Groom Day and this year was no exception.

This years calf did an especially good job of making sure that there were plenty of winners in this event. He managed to "go" on 3 squares! With 7 sheets sold with 100 squares on each the winners were as follows: Michele Bohr, Hop Britten, Rodney Bohr (3), Jolee Burger Moore, Joe Rae Richardson, Dale Stapp, Tony Britten, Sandie Schaffer, Skye Brown, Chris Britten, Lynn Burger, Jack Bivens, Bill Musser (2), Brad Rainer, Bob Mulkey, Sybil Brown, Brenda Fields and Joyce Hutsell.

Family members visiting with Glynn D and Sybil Harrell Groom Day were Jeremy and Tanya Mulkey, Rowdy, Emily and Cailin, and Louise and Bob Mulkey all of Panhandle. Erin Kate and James Wolf, Elysa, Camden and Keston of Austin, Jim and Beverly Ingram of Amarillo, and Darron and Brandi Eschle, Madison, Bailey and Leighton of Flowermound.

Kim Parish and Zoey of Panhandle accompanied the Jeremy Mulkey family to Groom.

## Apply For Assistance Shockers Team Wins

The Shockers Baseball team comprised of mostly Groom boys has won a tournament in Vega last weekend. The Vega Round-Up Tournament was held with 10 teams competing. The Shockers played 5 games and were undefeated.

Members of the team were Josh Crooks, Daniel Treadwell, Brad Sustaie, Justin Homen, Bruce Thornton, Chris Ollinger, Russell Conrad, Wyatt

Britten, and Clay Britten all of Groom. Also on the team were Adrian Cordova of Amarillo, Eric Gallegos of Amarillo and Ty Owens of Shamrock.

Coaching the team was Gilbert Gallegos and Russell Lewellen.

"The boys played very well and conducted themselves in a very professional manner," said Coach Lewellen. "I was very proud of them!"

## Class of 1972 Celebrates 30th

The Groom High School Class of 1972 met in the home of Brent Stephens Saturday evening, Aug. 3rd, for supper and visitation. This marked thirty years since graduation. Those attending the event were: Danny and Gayla Britten of Amarillo, Hop and Jan Britten of Groom, John

Crowell of Pampa, Barry and Carole Fields of Groom, Jett and Lynette Major of Levelland, Mike and Diane Ollinger of Claude, Larry Pool of Groom, Troy and Kim Ritter of Groom, Brent and Beverly Stephens of Groom and Kayla (Wade) Cayer of Las Vegas, Nevada.

## Football

the 2001 team. Owen Weinheimer moves to linebacker, with Cody Babcock and Brett Britten holding down the ends. Bobby Ratteree and Lance Ollinger will split time at safety. Offensively the Tigers will feature three linemen weighing over 235 pounds.

"We plan on trying to line up and use our size and strength to our advantage. Our linemen all move very well and ball control will be the key to our offense," stressed Tucker.

Groom will join Follett, Ft. Elliot, Higgins, Samnorwood, McLean, Miami and Lefors in district 1-A six man. The Tigers will scrimmage Follett this Saturday at 5:00, here in Groom.

Editors Note: Fans should go by the schedule in this weeks paper as there have been some changes from previous schedules.

## Class of 1967 Holds 35th Reunion

## Lunches Need To Be Paid For In Advance

The 2002-2003 school year will begin next and the administration has announced that school meal will need to be paid for in advance. No charge accounts will be allowed, although students who forget their money will be provided meals on an emergency basis. Pre-paid meals can be purchased in the cafeteria on Monday and Tuesday mornings and can also be purchased in the school business office. Payment for on meal may be presented in the meals line.

This policy makes participation in the Federal Meal programs have been announced for the 2002-2003. The Groom School District participates in both the breakfast and lunch programs. The entire range of income eligibility guidelines is published the week in The Groom News, reporting weekly, monthly, and annual income figures.

An example of eligibility would be a family of four with a total income less than \$2,791.00 will qualify for reduced priced meals; if the income is less than \$1,961.00 the family will qualify for free meals. The income figures qualify Groom School students for participation in the program. Contact the business office for the price of free and reduced meals. Nutritious meals are served each school day. The 2002-2003 calendar for students begins on August 19, 2002 and ends on May 29, 2003. Children may buy lunch for \$1.75 and breakfast for \$0.75. These meals MUST BE purchased in advance. The school will

no longer maintain charge accounts and accounts receivable.

Any family now receiving TANF or food stamps can receive breakfast and lunch free for its Groom School students. Persons qualify under the published income eligibility guidelines may also receive free meals.

Parents are encouraged to consult the published guidelines to determine if the household is eligible to participate in the Federal program; a number of federal and state programs are funded on the number of free and reduced-price students in the District. Signing up for the program insures the school of additional funding.

Special situations such as foster children or handicapped students are also covered under policy rules.

Once an application has been completed households have an obligation to advise the school of any change in household size or income. Applications are under the direction of Joyce Hutsell, Business Manager of the School, and any questions should be directed to her at 806-248-7251. Families should also be advised on the status of the application on file.

The information used to determine eligibility for the meals programs is confidential and the confidentiality is protected by the application and meal record process.

The information may be subject to release only to other means-tested programs conducted by the Federal or State government, but no other circumstance.

The operation of this program guarantees that there will be no discrimination because of

race, sex, color, national origin, age or handicap. Application forms are available at the school offices at 304 West Third

Street in Groom as well as by mail if requested at the above telephone number. In addition to

early sign-up, these applications at the time of enrollment for the school year.

### County

that he would like the situation to be addressed as soon as possible. McNeil presented the court with a petition containing 120 signatures asking the county to enter the premises and take the legal procedures necessary.

Firstcare Insurance Representative Greg Cook

met with the court to address concerns that policy holders had pertaining to retirement benefits, claims and primary and referred physicians. Cook explained that it was up to the county's discretion to determine how long a person could keep a spouse on the insurance, once retirement has occurred.

Special circumstances would have to apply to pass the 18 month period, such as death or prolonged illness. Cook said that the regional office could assist in finding Physicians for specializations.

Kevin Howell petitioned the court to increase the salary of roadhand Tim Morris from a 22B level to a 23A. The request was denied for lack of a second motion.

Extension Agent Jody Bradford asked the court for permission to advertise for bids on a new pickup. Discussion was held concerning the requirements of the specs. The motion carried.

The motion was approved to pay all claims. A claim from Fuzzy's Radiator was moved from Pr.#3 to Pr.#2 where the purchase was made. A delayed claim for lawn care was

added to the list. The \$1076.40 bill was approved for payment.

The Department of Protective and Regulatory Services presented a non-financial contract to the court for continued services for Carson County. Commissioner Strawn made the motion to accept the agreement and it was approved.

A resolution was submitted by the Texas Historical Commissioner seeking support for the regional effort of volunteers, including the Northwest Texas Museum Association, Inc. in their application for the Texas plains Trail Designation. Commissioner Britten made the motion to acknowledge the proposition. Commissioner Howell seconded the motion and it was approved.

Texas Assessor-Collector Barbara Copser asked the court to approve the option of car

registration renewal through TRS !! Internet Online Services. The procedure would allow a customer to purchase the tags with a credit care through online services.

Commissioner Strawn made the motion to allow the initiation of the program. Commissioner Britten seconded the motion. The motion carried.

Court adjourned until August 26, 2002.

**NOTICE OF PUBLIC MEETING TO DISCUSS BUDGET AND PROPOSED TAX RATE**

The GRANDVIEW-HOPKINS ISD will hold a public meeting at 8:00 P.M., September 10, 2002 in THE MEETING ROOM LOCATED BY THE ADMINISTRATION OFFICE ON HIGHWAY 293 OR RURAL ROUTE 1, BOX 27, GROOM TEXAS.

The purpose of this meeting is to discuss the school district's budget that will determine the tax rate that will be adopted. Public participation in the discussion is invited.

The tax rate that is ultimately adopted at this meeting or at a separate meeting at a later date may not exceed the proposed rate shown below unless the district publishes a revised notice containing the same information and comparisons set out below and holds another public meeting to discuss the revised notice.

	Maintenance & Operations	Interest & Sinking Fund*	Total	Local Revenue Per Student	State Revenue Per Student
Last Year's Rate	\$0.932300	\$0.349200	\$1.281500	\$4.890	\$0
Rate to Maintain Same Level of Maintenance & Operations Revenue & Pay Debt Service	\$0.932300	\$0.390000	\$1.322300	\$4.622	\$0
Proposed Rate	\$0.932300	\$0.390000	\$1.322300	\$4.622	\$0

\*The Interest & Sinking Fund tax revenue is used to pay for bonded indebtedness on construction equipment, or both. The bonds, and the tax rate necessary to pay those bonds, were approved by the voters of this district.

	Last Year	This Year
Average Market Value of Residences	\$18,265	\$18,265
Average Taxable Value of Residences	\$3,265	\$3,265
Last Year's Rate Versus Proposed Rate per \$100 Value	\$1.281500	\$1.322300
Taxes Due on Average Residence	\$41.84	\$43.17
Increase (Decrease) in Texas		\$1.33

Under state law, the dollar amount of school taxes imposed on the residence homestead of a person 65 years of age or older or of the surviving spouse of such a person, if the surviving spouse was 55 years of age or older when the person died, may not be increased above the amount paid in the first year after the person turned 65, regardless of changes in tax rate or property value.

Notice of Rollback Rate: The highest tax rate the district can adopt before requiring vote approval at an election is \$1.889975. This election will be automatically held if the district adopts a rate in excess of the rollback rate of \$1.889975.

**Fund Balances**

The following estimated balances will remain at the end of the current fiscal year and are not encumbered with or by a corresponding debt obligation, less estimated funds necessary for operating the district before receipt of the first state aid payment.
