Mules Stun Idalou With 21-15 Victory

Mule Days Scheduled Here

Merchants Offer Special 'Buys'

Muleshoe is expected to have a lot of people down-

Mr. and Mrs. Lee Pool returned Tuesday from a tour of the New England states accompanied by Mrs. Pool's brother, Rex Hammock of Gale's Ferry, Conn.

Hammock met the Pools at the airport in New York and accompanied them on the tour. During the tour, the Pools and the Hammocks visited Newport, R.I.

They toured the Cornelius Vanderbilt and the William Vanderbilt mansions there.

It was beginning to snow in New York Tuesday when the Lee Pools boarded the plane to return to Texas.

Due to conflicting dates, the Muleshoe Area Youth Activities Committee Inc. will not meet Monday night, according to YAC President Keith Pate.

Trinity Baptist Plans Program For This Sunday

Gene Prevo, pastor of the Trinity Baptist Church, announced there will be a special program featuring a youth group, performing at the church tonight (Sunday).

They call themselves the "ArSONals," and are members of the First Baptist Church, Shallowater. Robert Cooper, minister of music, education and youth, is their leader.

Rev. Prevo said, "The public is cordially invited to attend the service and hear these young people present their concert."

town and along the business sections next week for another 'Mule Days' celebration being staged by local merchants.

Included in a special section of the paper are advertisements from several local merchants who will be offering a wide range of merchandise at a tremendous savings.

Included will be a large ad from St. Clair's Department Store. They will be featuring men's suits from \$29.97 to \$99.97; ladies sportswear at \$5.97; specials on children's and ladies' shoes, along with numerous other special buys.

From C.R. Anthony's will be fabrics, specially priced at two yards for \$5; and special buys in all departments including men's wear, ladies' boots; men's suits and children's wear.

Western Auto will be focusing on vehicle care products, with oil filters and air filters at \$2.33 and booster cables costing \$1.99, along with other special priced merchandise.

Cobb's Department Store has gone through the store, slashing prices and marking percentages off items in the men's department; women's wear and the children's department.

Tires, spark plugs, anti freeze, mufflers and other vehicle care items will be specially featured at Poyner's White Stores. They will also have other items on special sale.

G and G Floor Covering is offering a percentage off on roll ends, wallpaper, storm doors, all linoleum and congooleum and hardware.

Lee's Western Wear is featuring jeans, pants, men and women's suits, belts, shirts and boots, along with a large line of other specially priced merchandise to help supply

Con't on page 6, Col 5

SMASHING THROUGH--Charles Walker No. 40, attempts to elude the everpresent Idalou defense as he racks up a few more yards in the Muleshoe-Idalou football game Friday night. Walker had 72 yards rushing in the game, but was still being Quarterback Mike Northcutt who had another good night of rushing with 123 yards. His concern is evident as he is jarred loose from his football here.

Historical Brands Imprinted At A&M

The search is on throughout Texas for outstanding cattle brands to include on county panels at the Kleberg Center's 'branded stairway' at Texas A&M University.

L.A. Maddox, chairman of the unique branding project, said that some 3,500 brands, or more, are

Minimum Till Cover Crop Benefits Farmer

By: Ernest Moravec, Soil Conservation Service.

"Cotton interseeded with small grains such as wheat or rye gives options and benefits to local farmers", says Ernest Moravec, soil conservationist. "This example of minimum tillage allows another choice in land use as well as soil protection against soil blowing."

Jack and Alec Schuster

are among many area farmers who are planting small grains in cotton this fall.

The Schusters, who farm in the Needmore Community, have been planting cover crops this way for several years. They realize the need for taking care of their land. This is illustrated by the conservation practices that they carry out each year.

"When I plant wheat or rye into cotton, I have several options open to me", says Alec. "I can plow it under as a green manure crop, leave it for harvest or graze it out."

In August 1979, they both interseeded a mixture of rye and vetch into cotton. A rate of 50 lbs/ac of rye and 10 lbs/ac of vetch was used said Jack.

They utilized the cover crop for grazing cattle. Jack said he did not begin grazing cattle until March and grazed it until about April 20. Land preparation for this years cotton crop consisted of one plowing operation followed by pre-watering. Jack said that he incorporated prawn herbicide using a spring toothed harrow. The harrow did not destroy the crops residue.

Jack said that he used a Tye drill to plant the

Con't on page 6, Col 3

INTERSEEDED CROPS -- Taking advantage of 'row space' Jack and Alec Schuster, who farm south of Muleshoe on Highway 214, have planted rows of rye grass in between the rows in their cotton crop. The Schusters use the rye grass for winter and spring graze. Pictured are Ernest Moravec of the Blackwater Valley Soil and Water Conservation Service, right, and Jack Schuster.

SBA Names Disaster Counties

U.S. Rep. Kent Hance Friday announced that 16 counties in his 19th Congressional District have been officially declared as disaster areas by the Small Business Administration (SBA).

Counties included in the 19th District by the SBA are: Bailey, Castro, Hockley, Hale, Martin, Lamb, Dawson, Parmer, Gaines, Cochran, Yoakum, Deaf Smith, Terry, Lubbock, Midland and Andrews.

The declaration of the disaster counties follows similar action a few weeks ago by the Farmers Home Administration (FmHA). The declaration will allow farmers to seek low-interest loans to help offset damage done by weather created natural disasters during July, August and September. One hailstorm in late August alone caused more than \$200 million in crop damage in the 19th District.

Wity 161,000 acres of cotton planted in Bailey County, the total loss due to weather has been reported at around 58,791 acres. Wheat acres lost in the county due to severe weather were 11,741, along with a smaller acreage of vegetables, soybeans, grain sorghum and vegetables. Corn was heavily damaged, but no complete losses were noted, as in all instances, some corn could be harvested.

Participating were Bailey County Agent Spencer Tanksley; Bennie Claunch; John Gunter; Cecil Davis; Brent, John, and Gary Gunter and Clay Birdwell.

First 'brand' to be imprinted was the J.E. Birdwell brand, followed by Clay Birdwell imprinting his grandfather's brand.

John Gunter imprinted his brand which was instituted in this county many

Clash With Friona Starts District Play

Take a pinch of true grit, a dash of stubbornness, another dash of pride and mix liberally with a large helping of desire, and you may have the Muleshoe Mules. Especially, when you mix together on the football field with a highly ranked football team and grudgingly give way to only a few yards for a highly touted offensive team, you just might have the winning Muleshoe Mules.

Friday night the Mules traveled to Idalou, located 12 miles east of Lubbock and sure enough, the news media was right there; the Lubbock Avalanche Journal and Channell 11 news photographers.

They were perhaps expecting a battle, but everything pointed in the general direction of the Idalou Wildcats. The team had ambled along, racking up win after win in the young

Lazbuddie Sets Homecoming Fete On Next Friday

Homecoming is scheduled at Lazbuddie next Friday, October 19. Activities get underway with the Lazbuddie Senior Class planning a barbecue from 5:30-7 p.m. in the Lazbuddie School cafeteria.

For \$3.50 for adults and \$2 for children 12 years of age and younger, the menu will include barbecue beef, ham and sausage; potato salad; cole slaw, red beans, fresh vegetables; rolls; home-made pie; and tea or coffee.

Following the Lazbuddie Longhorns football game, the dinner will again go on sale.

It was reported that the Lazbuddie senior class is also selling football mums. Highlight of the evening will be the crowning of the football queen and hero.

1979 football season and were now going to meet the upstart Mules, who did them out of the bi-district title last year.

But, a funny thing happened on the way to victory, and somehow it got all turned around, and the Mules ground out a 21-15 victory after the Wildcats plans went awry.

On their way to victory, the Mules managed to hold the Idalou Wildcats to a low 79 yards on the ground for the evening. The tough and stingy defense, though fairly small of stature, dug in and refused to give way to the onrushing 'Cats.' At times, it must have seemed to the Wildcats that they were running headon into brick walls, and just bouncing back.

The Mules struck early in the game, managing to capitalize on an Idalou fumble just two plays into the game. Six plays later, Mule quarterback Mike Northcutt found Jesse Silguero all alone in the flats in the end zone and whizzed a 10 yard pass right into his hands. With 7:57 showing in the first on the scoreboard clock, Sam Whalin split the uprights to put the mules out front, 7-0.

Containing another Wildcat attack, the Mules again scored in the second stanza on a 20 yard pass from Northcutt to Cam Hawkins, waiting all alone in the end zone. Whalin made it a 14-0 game with 9:15 to go for halftime.

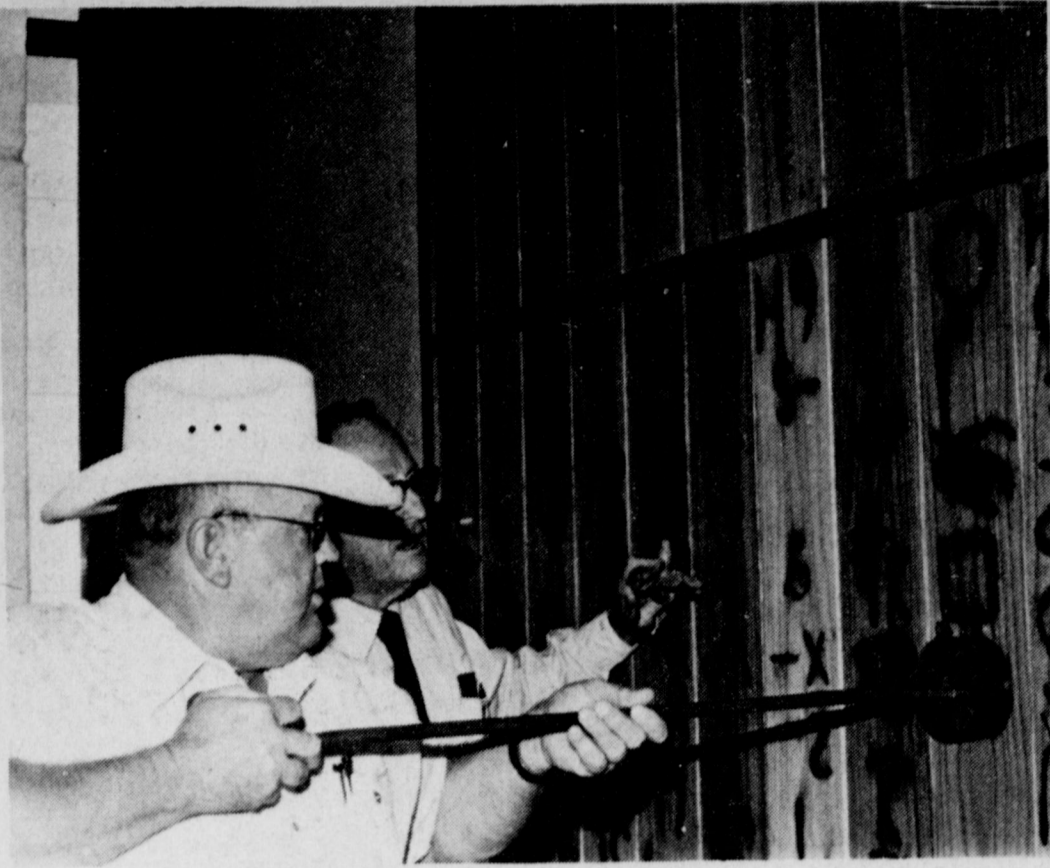

With a Mule margin of 14-0, the Wildcats managed two plays later to reach the scoreboard on a long 67 yard pass play from Idalou quarterback Brad DeBusk to Rudy Fabila. Fabila loped for more than 30 yards to paydirt with 8:57 to go until halftime. Alan Emery kicked the extra point.

Following the half, the game was stalled in defensive action at 14-7 until

Con't on page 6, Col 1

AT 'BRANDING CEREMONY'--Several Bailey County residents were at Texas A&M University recently for a 'branding' ceremony at the Robert J. Kleberg Animal and food Sciences Center. Taking part in the ceremonies are from left, standing, Spencer Tanksley, Bennie Claunch, John Gunter, Cecil Davis and James Glaze; Kneeling from left are Brent Gunter, John Gunter and Gary Gunter, and Clay Birdwell. The four young men are all students at Texas A&M. they also participated in the ceremonies.

BRANDING THE PANEL--Bennie Claunch, of Bula, was in College Station recently at Texas A&M University, where he imprinted the Claunch brand on panneling at the Robert J. Kleberg Animal and Food Sciences Center.

Three Way News

By Mrs. H.W. Garvin

The Maple Co-op Gin ginned their first bale of cotton last Wednesday, Oct. 3. Pulled by Mitchel Lee Abbey, with a good turn out, and good grade.

Mr. and Mrs. R.E. Thompson and boys from Albuquerque, N.M. and Mrs. J.T. Lemons from Roswell, N.M. spent the weekend visiting the Bobby Kindles.

Mr. and Mrs. S.G. Long visited the Chester Petrees Friday evening.

The Three Way Baptist church closed their revival meeting Sunday, with lunch at the church.

Mrs. H.W. Garvin spent the week end in Clovis visiting her daughter the Kenneth Fox family.

Mr. and Joe Sowder were home for the weekend. They have been staying in Lubbock with her mother, who is a patient in Methodist hospital.

Mr. and Mrs. George Tyson visited their daughter the D.A. Williams in Enochs Sunday afternoon.

Every Night is Family Nite at Capitol Freehold Land & Investment Co.

Library News

By Anne Camp

The Muleshoe Public Library is happy to have on display the work of Jerrell Otwell, whose rock creations make an unusual and striking exhibit. Shown are some very unusual rocks and items (such as pendants, belt-buckles, etc) made from the rocks. The public is invited to come by and see them, during the month.

Storyhours were held four times in the month of September, with about 150 children attending. These are especially geared to the pre-school age children that are three or over. The films at the library are being used extensively, by the clubs, schools, and churches of the county. 1,100 persons viewed films from the library last month.

Mr. and Mrs. Joe Wheeler were in Levelland Thursday, visiting her mother Mrs. Fred Carter and attending to business. Farmers in the community are busy getting ready for the fall harvest.

Mr. and Mrs. H.C. Toombs were in Lubbock Monday shopping. Mrs. Bob Vinson from Morton, visited her mother Mrs. Bulah Toombs, Monday afternoon.

BUYS HITLER'S BOOK
NEW YORK -- An unidentified bidder paid \$10,000 for a first edition, personally inscribed, copy of Adolf Hitler's "Mein Kampf," according to a spokesman for the Charles Hamilton Galleries auction house here. The book, written while Hitler was in prison in 1924, describes his formula for leading Germany to power and driving Jews from the land.

WE GENERATE 14 BILLION KILOWATTHOURS OF ELECTRICITY A YEAR . . . 99.6% without oil!

Coal . . . abundant American coal . . . and natural gas . . . clean burning, locally produced . . . are the fuels we use.

These days, depending upon foreign oil can be uncertain and costly. To say the least.

At SPS oil is not our fuel for power generation.

We now burn over 3 million tons of coal and over 90 billion cubic feet of natural gas a year. And we burn them in conformance with current Clean Air regulations.

The coal and gas we burn is the equivalent of saving 25,000,000 barrels of imported oil.

That helps our country, our customers and our shareholders.

Conserve oil? We've been doing it for 37 years.

Different & Unusual People & Places

Suppose you lived 25 miles from the nearest library, such as persons at Bledsoe. Their closest library is in Morton. Or, how about people from the Maple area, who are more than 30 miles from the Muleshoe Public Library? Are they to be penalized because they do not have the extra time to drive into town to the library?

Or, the persons who live at earth, and would have to drive to Littlefield, or the people who live at Farwell, who would have to drive to Friona?

Several years ago, a unique library service was established in the area. It is called the 'Bookmobile' and is ably conducted by Lorene Sooter, Bookmobile librarian; Ruby Henderson assistant librarian and Edna Pearson, parttime driver.

If the school buses run, they take the Bookmobile out, on a year round basis, to give rural people the opportunity to check out books from their 3,000 plus stock of books and paperbacks.

The Bookmobile makes stops in 30 locations in the four counties of Bailey, Cochran, Lamb and Parmer. Stops for the Bookmobile include Friona, Bovina, Farwell, Three Way, Stegall, Bledsoe, Lehman, Morton, Nichols, Gin, Earth, Springlake, Olton, Sudan, Maple, Bula, Enochs and Whiteface.

Also, West Camp, Rhea, Lariat, Clay's Corner, Lazbuddie, Fieldton, Hart Camp, Spade, Amherst, Circleback, White's Elevator and Hub.

Who utilizes the service? Students, housewives, farmers, senior citizens, and anyone who enjoys relaxing with good reading, explained the Bookmobile librarians.

Mrs. Sooter has been with the Bookmobile for 14 years; Mrs. Henderson, 13 years and Mrs. Pearson, eight years.

They said they have delivered books for persons to city halls, to nursing

homes, to grocery stores, or other designated locations.

They said their readers range from the very young, to the older readers who do not drive the several miles to town to the libraries, but do meet the Bookmobile when it is in their area.

Several schools, in the rural communities, are included on their stops, and the school children are also allowed to roam around the Bookmobile, checking out their choice of reading, as long as it is approved by teachers accompanying them to the Bookmobile.

The lower shelves of the Bookmobile include a section for kindergarten through third grade; another is fourth grade through seventh grade, and includes the three lower shelves on the Bookmobile.

The next two shelves up are for the junior high school age through high school and the top shelves are for adult readers.

The service is unique in that it is one of the few Bookmobile services in the state of Texas and only one of very few in the United States. At one time, Bookmobiles were more common, but the practice has been phased out over the years, until the 30 rural communities, including nine in Lamb County, nine in Parmer County; eight in Bailey County and four in Cochran County are among the few locations still served by a Bookmobile.

Mrs. Sooter and Mrs. Henderson said they check out an average of 5,000 books a month, and also check out films to the rural schools. They said the Bookmobile is not large enough to carry enough

film for individuals, but they do provide films for schools to use.

Periodically, the Bookmobile adds new publications, attempting to keep up with current 'Best Seller' novels. They have both fiction and non-fiction in stock on the Bookmobile.

For persons who do not have the time to drive to their county library, the bookmobile, which is headquartered in Muleshoe, continues to be a service which is enjoyed by thousands of rural persons.

The Bookmobile is funded by the four counties involved, Bailey, Cochran, Lamb and Parmer, and is pro-rated on a year-to-year basis according to the population of the county served.

The three women operating the Bookmobile take their responsibility seriously and have been a welcome sight to 'word hungry' readers when they arrive in the rural communities.

Hunter Safety Class Offered

A class in Hunter Safety will be sponsored by the Texas Parks and Wildlife Department next week in Lubbock, according to Jim Irwin, assistant Bailey County Extension Agent.

He said the school is to certify hunters so they may carry a firearm in the field. Randy Johnson, New Mexico game warden in Clovis, stated that it is not necessary to have this certificate to purchase an out of state license, but the hunter must carry the certificate in order to carry a firearm in the field, for all hunters 18 years of age and younger.

It was emphasized that Texas does not require the certificate, but anyone planning to hunt in New Mexico, must carry this certificate with them.

The hunter safety course will be offered from 6:30-9:30 p.m., Monday, October 15; Tuesday, October 16 and Wednesday, October 17. The program will consist of studying regulations and safety practices for hunters and will be taught by Joe Davis, a volunteer instructor.

Irwin said all persons planning to attend this course must bring a pencil and \$1 for the workbook needed in the class. The

course will be taught at the Adult Learning Center at 13th and P in Lubbock. The location is near the old Sears building in downtown Lubbock.

For further information about the course, contact Jim Irwin at the courthouse in Muleshoe, or call 272-4559.

Johnson said the next class with student openings in New Mexico will not be offered until late November or December.

Persons qualified to teach this NRA-sponsored training and would be willing to do so, is asked to contact Jim Irwin, Bailey County Assistant Extension Agent.

ONE MINUTE SPORTS QUIZ

1. Who won the Heisman Trophy?
2. Name the defensive player who won the George Halas Trophy in 1974.
3. Who was named Player of the Year in women's golf?
4. How many games did Joe DiMaggio hit safely in?
5. What year did Jack Nicklaus win his first U.S. Open Tournament?

Donita Dale Honored With Bridal Shower

Miss Donita Dale, bride elect of Jerry Don Hudgens, was honored with a bridal shower Sunday, September 30, in the home of Mrs. Jack Schuster.

Greating the guests were the honoree, her mother Mrs. Lewis Dale, and the prospective groom's mother, Mrs. James Hudgens and Mrs. Schuster. The Honoree was presented with a silk dusty rose and grape corsage. Special guests were Vada Alexander, grandmother of the bride, of Amarillo, Mrs. Jeff Skipworth, sister of the bride, and Miss paula Hudgens, sister of the groom.

The serving table was laid with a pink damask cloth with a centerpiece of

grape and dusty rose silk flowers. Dani Heathington and Jo Roming served thumbprint cookies, and punch, from brass appointments.

Guests were registered by Laura Beene. The Hostesses presented Miss Dale with a set of Farberware stainless steel.

Hostesses were Mrs. Ben Roming, Mrs. Earnest Ramm, Mrs. Floyd Davis, Mrs. Norman Head, Mrs. T.R. White, Mrs. Bobby McGee, Mrs. Donald Prather, Mrs. Dale Burden, Mrs. Jack Dunham, Mrs. Eddie Beene, Mrs. Curby Brantley, Mrs. Lewis Wayne Shafer, Mrs. Leland Jones, Mrs. M.G. Killough, Mrs. Mike Bean, Mrs. Jack Schuster.

DONITA DALE

TOPS Has Weekly Meeting

The TOPS club met Thursday October 11 at 6:00 p.m. in the community room of Bailey County Electric. The meeting was called to order by Vice-Leader, Laurannette Mason. The TOPs Song was sung and the pledge recited. Roll Call was by Evelene Harris, with 29 members present. Queen

for the week was Rose Sain, with Lanelle Skaggs, as first runner up, second runner up was Phyllis Woods. Vickie Garner

drew the "can-can" and could except. The meeting was dismissed with singing of the good night song.

McNeese, Doty Repeat Vows

Sheila McNeese and David Doty repeated marriage vows, Thursday, August 30 at 8:00 p.m. in the home of the bride's parents. Officiating the ceremony was Rev. John Tubles of Littlefield.

The bride is the daughter of Mr. and Mrs. Ray Smith of Littlefield. Parents of the groom are Mr. and Mrs. Wayne Doty of Sudan.

The couple exchanged vows in a double ring

ceremony before a fireplace alter.

Given in marriage by her Stepfather, the bride wore a street length dress of mini-floral print trimmed in ecru. She carried a bouquet of white and yellow daisies accented with greenery.

The couple resides in Littlefield where the bride is employed at Littlefield Veterinary Hospital. The groom is an employee of Armes Equipment.

ENGAGEMENT ANNOUNCED-Mr. and Mrs. Cyrus Dale and Mr. and Mrs. R.C. Davis Jr. of Oklahoma Lane announced the engagement and approaching marriage of their children, Cindy and Wesley. The couple plans to be united in marriage Wednesday November 21, 1979 at 6:00 p.m. at the Oklahoma Lane Baptist Church. No local invitations will be sent. The Bride-elect is a 1978 graduate of Farwell High School and is working at the Farwell Schools. he groom is a 1979 graduate of Woodson High School and is now employed by Blackwater Agr. in Muleshoe.

Lullaby Shower

Honors Mrs. Lynn

Mrs. Poly Lynn was honored with a lullaby shower, Saturday Sept. 23 in the home of Mrs. Maxine Nickols.

The table was covered with a pink cloth, the centerpiece was a "Baby Toy Block" vase holding an arrangement of pink, yellow, and blue daises, surrounded with small baby items.

The hostess gifts included a play pen, stroller, and other baby needs as well as the center piece. Mary Hanna, and Tamya Ray served a variety of breads, fruit plate, spiced tea, and coffee from silver appointments.

Hostesses were the Madames C.E. Nickols, Walton Downs, Thomas Lee Harper, Audry West, Richard

Block, Calvin Wiseman, W.O. Stephens, Joe Kent, Joe Fisher, Budd Wiseman, Connie Franks, Wayne Swort, James Withrow, Leonard Pierce, Benard Wilson, Dale Hanna, and Glenn Chester.

Out of town guests included, Mrs. Etta Mae Blevins, and Mrs. Lurlene Ray of Littlefield, Mrs. Connie Rendleman of Lubbock, and Mrs. Opal Hommer of Plainview, also attending were Wanda Harmon, and Mary Autry both of Muleshoe.

MULESHOE PTA MEETING HELD MONDAY. The main topic of discussion was homework, at the meeting of PTA. Standing: Virginia Bowers, Judy Watson, Seated, Wilma Smith, Eloise Wilson, and Mr. Brewer.

TEACHERS ATTENDING PTA MEETING - Those who attended the PTA workshop are from left to right: Jan Crawford, Kathleen Sanders, Jane Rudd, Terry Young, Pat King.

Homework Topic Of P.T.A. Meeting

Mrs. Norma Prather presided over the Muleshoe P.T.A. meeting held Monday October 8, in the Mary DeShazo Cafeteria.

Pamela Hancock, the new Bi-Lingual Kindergarten teacher, was introduced.

The executive committee approved donating \$10 to a "Love Fund" for the South Plains Area Council of P.T.A. The P.T.A. will donate \$10 to the Girl Scouts now rather than at the end of the year.

The room count winners were Miss Bowers and Mrs. Prather at Richland Hills and Mrs. Guinn, at Mary DeShazo.

The program dealt with homework. Elizabeth Watson showed a film titled "Helping your Child with Homework." Mr. Taylor introduced a panel for discussion about homework. Teachers were represented by Miss. Bowers - Kindergarten, Mrs. Sanders - 1st Grade, Mrs. Wilson - 2nd Grade, Mr. Brewer - 3rd Grade, Mrs. Rudd - 4th grade, and Mrs. Smith - 5th Grade. Parents were represented by Jan Crawford, Pat King, Judy Watson and Terry Young.

Miss Bowers said there was no homework in kindergarten, but it is important for parents to talk to their children about colors, sizes, and shapes, what the parents are doing around home and why, and what the child is doing at school.

Mrs. Sanders said there is very little homework in 1st grade. She said parents need to take their children to the library, and listen to the children read aloud.

Mrs. Wilson said parents should listen to the children read 15 minutes a night, have them write their spelling words, and practice number facts.

Mr. Brewer said he uses homework for reading orally, to study for test, makeup work and to do work that can be done only out of class.

Mrs. Rudd uses homework very little. She said it is given when needed for a specific child, to finish work not completed in class, and for makeup. The homework is graded but it

is not reflected on report cards. She added that if homework takes longer than one hour, it is too much.

Mrs. Smith also uses homework very little. She uses it to finish work from school and to study for tests using notes, charts, and books.

Mr. Taylor distributed brochures developed by Texas PTA for parents and

Mears, Wood Repeat

Wedding Vows

In a double ring ceremony, Saturday, Sept. 22, at 7:30 p.m. Paula Sue Mears, became the bride of Robert Joe Wood. The ceremony was held at the First Baptist Church in Littlefield, with Rev. Truman Johnson, pastor of the First Baptist Church of Sudan, officiating.

Parents of the couple are Mr. and Mrs. Melvin Mears of Littlefield, and Mr. and Mrs. Dan Wood of Sudan.

The bride given in marriage by her father, was attired in a white polyester organza gown featuring a stand up neckline with the front, and back bodice, of cluny type lace accented with chain of pearls. The bodice, and waistline had venice lace appliques, and satin ribbons forming a bow in the back. The comet sleeves had matching cluny lace, while the skirt had a wide band of matching lace that formed a V in front. The hemline was edged in the same lace. A detachable wateau back had an apron effect forming a chapel length veil covered a small fan-deau, of all over lace to match the dress. She carried a cascade of apricot, and white sweetheart roses, sweetpeas, and apple blossoms.

The bride is a graduate of Littlefield High School, and South Plains College. The groom is a Sudan High graduate, and is presently engaged in farming.

County Heart Group Starts Fund Drive

The American Heart Association, Bailey County Division, in response to numerous requests from families and individuals, has begun a memorial fund to which families and friends of victims of cardiovascular diseases may contribute.

According to Dianne Wiedebush, Chairperson, "Contributions made in memory of a friend of

a member of the family are acknowledged by the American Heart Association, and a memorial card is sent to the family stating that a memorial has been received and giving the name of the donor. These contributions may be in any amount," she said.

"More deaths result from heart diseases than all other causes combined, but gains in heart research have been significant in

recent years. Rheumatic fever is yielding to drug therapy, and advanced surgery techniques are enabling patients to live normal lives. Some of the most dramatic developments have been made in heart research centers in Texas," Dianne said.

Memorial funds are received throughout the year and are added to the association's annual Heart Fund receipts.

"It's a simple case of self-defense."

"Memorial funds are becoming increasingly important to the AHA as more families and individuals become aware that they can contribute in the name of a loved one to the fight against this dreaded disease. The AHA is deeply grateful to those already using this practical means of assisting them," she said.

"Memorial funds may be sent to the American Heart Association Bailey County Division, Drawer N. Muleshoe.

May Demonstrates To Art Group

The Muleshoe Art Association met October 9, in the Community room of the Muleshoe State Bank.

Cara Schuster introduced the guest artist. Danney May, who is Co-Owner of Decorators Nursery & Floral.

Danney is 26 years old, attended Muleshoe High Three Years, and graduated from high school in Wichita Falls. He attended Texas Tech three years, majoring in Entomology Horticulture. While going to T.T. he worked for Halden Dodson Nursery. He formerly Managed Handy Don Nursery & Flowers in Lubbock.

Danny's demonstration consisted of flower, and plant arrangement in the home, also on landscaping outside of the home, including windbreaks. Members present included, Verna Davis, Betty Embry, Marie Cox, Lois Smith, Lovelle Childs, Gladys Armstrong, Louise Roark.

Jaurec Smallwood, Mildred Williams, Cara Juan Schuster, Mary Foster, Elsie McCormick, Ida Ruth Holt, Carrie Lee Bishop, Dana Arnold, Betty Barker, Martha Sayago, Sherley Hall, Marlyn Young, and one visitor, Danney May.

Brownie Troop Adds Member

The first grade Brownie Troop met Tuesday October 9 in the Girl Scout Hut.

The leaders called the meeting to order by leading the pledge of allegiance. The Brownie dues can was passed around, with each girl singing the dues song. The Brownies then recited the Brownie promise and sang the Smile Song.

The leaders led the girls through the Investiture ceremony which will be held Saturday October 27.

Mules...

Con't from page 1
The Mules again hit paydirt with 8:35 left in the game. QB Northcutt slammed just off left side for a one yarder and Whalin again added a point to make it 21-7.

With 5:20 left to play, Idalou QB DeBusk again found a scoring combination and handed off to Ruben Reyes, who skimmed under the defenders and into the end zone. In a surprise move, DeBusk then passed to Dennis Green on a two point conversion.

A possible scoring opportunity was handed back to Idalou with 3:46 left to play when the Mules fumbled the ball, but DeBusk failed to connect and the Mule defense held. However, the offense for the Mules did not jell and the Wildcats were again in a possible scoring position late in the game.

Mike Northcutt, doubling in the defensive line ended the possible threat when he intercepted a DeBusk pass and returned it to the Idalou 18 with just five

seconds in the game. On the final play of the game, QB Northcutt just fell on the ball and let the clock run out.

During the game, Northcutt was the leading rusher with 123 yards; Charles Walker had 72, Zeke Pecina had 30.

Muleshoe had 18 first downs to 10 for Idalou; the Mules had 28 yards in penalties to 41 for Idalou and the Mules had 229 yards on the ground and 85 in the air to 79 on the ground and 134 in the air for the Wildcats.

Northcutt connected on seven of 10 passes and DeBusk managed four of 12 passes.

Longhorns Win Opener

Friday night, the Lazbuddie Longhorns went to Sudan and removed the stingers from the Hornets to take the district opener by a score of 20-6.

The win puts the Longhorns at 3-2 for the season and evens the Hornets out at 3-3.

Following a scoreless first quarter, the Longhorns made two quick touchdowns in the second by Quarterback Andy Rogers. Dennis Steinbock made both PAT attempts.

With a 14-0 lead at half-time for the 'horns, neither team managed any points in the third, but Russell Windham added the final Lazbuddie Score in the fourth. The kick missed.

Field offices for the SBA emergency loan applications will be set up soon in Dimmitt, Brownfield, Levelland, Littlefield and Muleshoe, in addition to regular offices. All eligible farmers should apply at one of these offices by April 10, 1980 for physical damage and by July 10, 1980 for economic injury.

Farmer...

cotton. He said he was afraid that problems with the residue would be in-

Disaster...

Con't from page 1
acres of crops planted.

Lamb County also had their problems with 278,766 acres of cotton planted and more than 100,000 acres destroyed in August hailstorms. A spokesman at the ASC office Lamb County said no corn was totally lost in the August storms, but the crop yields were drastically cut by the late summer storms.

ASC offices said farmers could get either reduced yield payments or in the event of 70 percent or more loss on their crops, additional payments.

A bright spot remained in the county as cotton harvest slowly gets underway on the dryland cotton in southern Bailey County. Some cotton has been harvested and ginned, and in some areas, yields are expected to be up to a bale or more. Early cotton harvested has yielded three-fourths of a bale to a bale.

"I am extremely pleased to see the SBA make official this disaster status," said Hance. "There is no way to make up for the damage done to crops and the economic loss to our area. However, the SBA disaster status could make the difference in some farmers staying in business."

Field offices for the SBA emergency loan applications will be set up soon in Dimmitt, Brownfield, Levelland, Littlefield and Muleshoe, in addition to regular offices. All eligible farmers should apply at one of these offices by April 10, 1980 for physical damage and by July 10, 1980 for economic injury.

currred at planting time. However, the disks were able to cut through the residue without any problem.

Alec said he began grazing cattle in December and grazed the cover crop until July. His land preparation for this year's fall crop consisted of two plowing operations. He said that a good volunteer crop of rye was coming up. Rather than plowing it out, he drilled a 30 lb/acre rate of ryegrass into the stand. He plans to use it for grazing until March and then prepare the land for planting cotton.

The seeding operation is done with a drill. Jack said, "I use a six row Tye drill while Alec uses a modified grain drill." They adapted the drill for the operation by removing the disks that would run on the row of cotton. The remaining disks were adjusted to fit the middles being planted.

"In bushy cotton, the drill disk will damage cotton foliage and branches", said Alec. "We have improvised some fenders to move the stalks of cotton away from the path of the drill disks. Where cotton is smaller this does not present a problem."

Planting a cover crop in cotton aides in the control of wind erosion by providing a vegetative cover on the soil surface after the cotton is harvested. They pointed out that small grains crops help build up the soil by adding humus when the residues are plowed under. Increased water holding capacity and nutrient response are noted benefits. Jack said that his cotton yields are not hurt by this practice.

Minimum till planted cover crops of small grains provide protection from wind erosion as well as winter grazing for cattle. For more information contact SCS at 111 E. Ave. D.

Merchants...

Con't from page 1
the western wardrobe. For this Mule Days' Celebration, an added feature to be seen up and down the streets will be "Charlie the Clown."

According to 67 year old Charlie Smith, "This is a lost art. There are just a few guys like me that keep it going."

He breezed into Muleshoe, and offered, for a small fee, contributed by local merchants, to visit with young people and hand out candy while he is all decked out in his polka-dot clown suit.

Professional clowns find it rough going these days, and Charlie said he has been in the clown business intermittenly for 50 years, formerly working for circuses and for amusement companies.

He now travels from town to town, and offers his services during such activities as the Mule Days Celebration.

He was insistent that a portion of his fee was contributed back to the town where he performs. Actually, he is not performing, but will be visiting with the young children.

Charlie Smith said he considers New Mexico his home state, but he and his wife travel all across the United States. As he goes into a town, he usually visits the local Chamber of Commerce and presents a large number of pictures, clippings and notes he has accumulated in a worn scrapbook.

Smith said he started in the clowning business in 1929, and said he formerly worked with Ringling Brothers and Cole Brothers circuses.

Smith cited TV as the beginning of the end for the professional clown.

Brands...

Con't from page 1
years ago. This was followed by James Glaze, who imprinted the brand registered by his father, Ross, in the 1920s.

Bennie Claunch did the brand registered by his father Jim, 44 years ago in Bailey County.

Cecil Davis imprinted six brands. The first was his father's brand, A.L. Davis. Then he did the 'Figure Four' which was registered in the Goodland area by McCelvey and Ely. He also did the VVN, which was registered by Victor Van Natti; the Muleshoe Ranch Brand, registered by E.K. Warren; the Triangle, representing McMurtry Ranch, then his personal brand.

Tanksley said there is room for more brands on

the Bailey County panel, and although the brands imprinted as representative of the present working brands, and historical brands in Bailey County, there can be several more brands imprinted.

There are some 200,000 brands recorded in Texas and on file with the Texas Southwestern Cattle Raisers Association in Fort Worth. This is the state's most complete record.

The 'branding' was an idea of Dr. O.D. Butler, for many years head of Texas A&M Animal Science Department and now associate vice president for agriculture and renewable resources. He said that not only are cattle brands a rich part of Texas livestock history, but a prized possession of ranchers in identification of their cattle.

"We felt that the branding ceremonies would bring about a closer tie-in

between cattlemen and our animal science facilities on campus as well as with research and educational work throughout Texas," Butler said.

Maddox said that branding ceremonies will be conducted by Extension district groups until "all panels are branded."

Mrs. Whiteaker Honored On Birthday

Mrs. Vena Whiteaker was honored on her 84th birthday with a dinner at "Steak 'N Ale", in Lubbock, last Saturday night.

Attending were Sherry Whiteaker of Lubbock, Mr. and Mrs. Paul Costello of Wolforth, and Mr. and Mrs. Brent Whiteaker, Mr. and Mrs. Wayne Whiteaker, all of Sudan.

PIVOT TALK by Arnie
MULESHOE OFFICE: 604 N. 1st - PHONE (806) 272-5536 - MULESHOE, TEXAS 79067
Friction loss designed into a pivot system can affect its long range operative cost. An 800 gpm system with 6" pipe diameter would typically lose 17.2 lbs of pressure forcing the water through the pipe. A comparative equipped Lockwood with 6 spans of 6-5/8" and 3 spans of 5" would require 14.5 lbs. If the system were oversized to 8 spans of 6-5/8" and 1 span 5", the friction loss would be 10.1 lbs. or a net horsepower saving of 3 hp. In a 2000 hr. operating season (typical in this area on corn) with electricity used for pumping at a cost of \$.0212 per KWH, the net savings over the 6" machine would be \$127. If the power cost doubled the saving would double and this saving would accumulate year after year. In ten years, it would save a minimum of \$1270 not to include power factor adjustment or rise in cost of power.

RACKING UP OVER 200 YARDS--Although he racked up an astonishing 200 plus yards in action against Abernathy last week, the Muleshoe Mules' quarterback Mike Northcutt, along with his other teammates, failed to pull out a win, and the game ended on a 20-20 tie.

Mule Mania Becomes MHS New Syndrome

The seniors in Johanna Wrinkle's English IV classes have been writing essays. An essay is a writer's personal opinion of a subject. The essays have covered a wide variety of subjects ranging from homework to nuclear power. One essay that embodies the characteristics of a good essay and a subject that is on the minds of all students is one written by Dennis Watson, a captain of the Muleshoe Mules.

Mule Mania
For the past two years, a new syndrome has been hovering around Muleshoe High School. The symptoms consist of heavy breathing, mild hyperactivity, high blood pressure, and an uncontrollable urge to kill. The name of this mysterious ailment is "Mule Mania". This so-called disease has done more good for Muleshoe's spirit and has also stunned more football teams than any other trademark the Mules have ever had. The term "Mule Mania" developed into a common household phrase for many Muleshoe residents two years ago when it was introduced by Head Coach

Mike Wartes. Just as Odessa Permian had "Majo", the Mules now had a yell that sounded powerful. Already, the term has become famous around the area. Many area newspapers have mentioned the Mania as being a dominate force in past games. Some people may argue, however, that the Mania falls short of what its built up to be. People from out of town point to the fact that the Mules have not won all of their games in the past two years. This is true, but look at the complete turn-around the team has experienced. Since 1963, the Mules had not even won the District Championship. The percent of games won

was below the .500 mark. Fourteen years later, after Mule Mania was introduced, the Mules began winning. From one win and eight losses the previous year, the team went nine wins and one loss and shared the District title the next year. The following season, in 1978, the team went 10-2, winning the championship of district and bi-district. Since 1977 to present, Muleshoe's record is 24-4-1. This is where tradition begins. But tradition is not obtained or built on simply what is said. True, other major factors determine the future of a football team. The fact is that when this expression fills the air as a chant from the stands on Friday nights, an aura seems to spread through the bleachers onto the playing field. The players can feel this feeling. The adrenaline begins to surge, and the players are driven to do anything to win. So, Mule Mania has provided to boost Muleshoe has needed for years. As long as heart and feeling are put behind this team then it can be said, the destiny of the Muleshoe Mules can do anything but fall.

There was a lot of excitement for our Homecoming game against Abernathy. We were naturally disappointed that we did not win the game but found some bright spots in the tie. Penalties again hurt us and kept us out the end zone 2 or 3 times Friday night. We were very pleased with our offense in producing over 400 yards total offense. The defensive unit needs improvement in tackling; and if we can do that, I feel we have a good defensive unit. Friday we played against Idalou before really getting the Mania in gear for District competition.

Coaches Comment
Kristi Henry
President Of Local FHA
Wednesday night, Oct. 10 at 6:00 p.m., the new FHA officers were installed at the 16th and D Church of Christ. After the installation, the new officers and their mothers joined in a salad supper. The new officers are: Kristi Henry, President; Staci Vandier, 1st Vice President; Rhonda Mills, 2nd Vice President; Beth Harmon, 3rd Vice President; Terry Dulin, 4th Vice President; Shelli Walker, 5th Vice President; Gina Beavers, 6th Vice President; Lavon Rhodes, Secretary; Kristi Ethridge, Treasurer; Sandra Agundis, Historian; Joni Sudduth, Parliamentarian; and Student Council Representative, Charlie Hawkins.

can have an outstanding team." Sam Whalin is the 17 year old son of Mr. and Mrs. Herbert Whalin. He is the Defensive Linebacker and Offensive Tight End. Sam is in all sports along with FTA. His comments were, "Many breaks have not come our way in the first few games. If our attitude stays right and we keep working hard, we can reach our main goal which is to win district." Mike Northcutt plays Quarterback and is the son of Mr. and Mrs. Ed Northcutt. He is 17 and his activities include FTA and Athletics. He commented, "We are just now realizing what it takes to be a great team. We have been striving for this goal by getting better every day. We believe in each other and believe in our coaching staff, but most of all, we believe in the team. We are really getting a lot of team unity and togetherness in our club, and this is one of the first steps in becoming a great team. You never know what the outcome will be until the season is over, but the way the Mules are working, the outcome should be in our favor." Mike Mills, 17 plays Corner and Split End for the Mules. He is the son of Mr. and Mrs. Marlin Mills and participates in FTA. Mike commented, "We are a good team and we work hard to win. We are beginning to have good team unity. Our number one goal is to be district champions." Jesse Silquero is the 17 year old son of Mrs. Mandita Silquero. He plays Tight End and participates in FTA and Speech and is a member of the National Honor Society. His comments were, "We have been inconsistent at time throughout the season; but we are really beginning to look real good and start to get our stuff together. We are a lot better than our record says and I believe we are going to start showing it. If the fans stick with us as I believe they will go with us, the Mania is going places - Believe it!" Jesse Ray Lackey is the son of Mr. and Mrs. J.H. Lackey. He is 18 and is a Nose Guard, Quick Guard and Quick tackle. His activities include football, tennis, and FTA. He commented, "We have a good team and a good coaching staff. We are working hard and are improving. The team is developing more team unity and leadership, and I believe the Mules can do it." Tommy Wheeler, 17, is the son of Mr. and Mrs. George Wheeler and is a Cornerback. His activities include FTA, FFA and sports; and he is a member of the National Honor Society. He commented, "Our team is improving every week. We just have to keep working hard and we will reach our goals." Rodney Unrein, 18 son of Mr. and Mrs. Ralph Unrein, plays Linebacker, Guard, and Specialty team. His activities include Athletics, Speech, Ag., and FTA. He commented, "We have a lot of

talent this year, now we need to put it all together. Penalties killed us last week against Abernathy. I think you're going to see a new Mule Team from now on."

Joel Bratcher, 18, son of Mr. and Mrs. Charles Bratcher plays monster and runningback. His activities include FTA, Art Club, and Student Council. His comments were, "Since our first game we've made a great deal of improvement because of our hard work. With more hard work and team unity, I believe we will accomplish our goal of being District 3AA Champions!"

The Offensive Tackle this year is 17 year old Mike Henry, son of Mrs. Marcia Henry. He is a member of FTA. He commented, "We have a great team this year. We just haven't gotten it together yet. When we do get it together, there is not anybody who will be able to stop us. Everyone is working hard so we should be ready to play from now on."

James Atwood, 18, son of Mr. and Mrs. Lee Atwood, plays Defensive End and Offensive Tackle. He participates in Athletics and FTA. His comments were "We have a great team this year. We have had a lot of hard work and dedication. We have been having mental let downs that have hurt us, but I believe that if we keep up the hard work and dedication that there isn't anyone in our district who can stop us. I would like to thank the whole town for backing us as much as they have. Without that support we wouldn't be anything."

The Defensive Tackle this year is 17 year old Victor Leal, son of Mr. and Mrs. H.J. Leal. His activities include HECE, and FTA. He commented, "We have what it takes to be a truly great team. I think we just need to get it all together and start showing people what we can do."

Monti Vandiver, 17, son of Mr. and Mrs. Butch Vandiver, plays Quarterback. He participates in Athletics, FFA, and FTA. He commented, "The Mules are coming back. The Mules will have the last laugh."

Cam Hawkins, 17 year old son of Mr. and Mrs. Richard Hawkins, plays Split End and Cornerback. He is in FTA. He commented "We all think we have a good football team. We have the best coaches around. They work real hard for us, and we try to do the same for them. I really appreciate the coaches and the people who come to support us at each and every game. We have a lot of things going for us, so keep the Mania going and we'll take it somewhere."

Jim Norman, 19 year old son of Mr. and Mrs. Jim Norman, plays Flanker and Free Safety. He is in Athletics. He commented "I think we have the best team in football there has ever been. The coaches are the best in the South Plains and may be some of the best in the country. Our team's goal is to win District and to play in the Regional game and then

win whatever we can."

Mark Northcutt is the 17 year old son of Mr. and Mrs. Ed Northcutt. He plays Free Safety and Wide Receiver and participates in athletics, is Student Council President, National Honor Society President, Art Club vice president, and a member of FTA. His comments were, "I think we have more ability than the average team this year. Once we start utilizing this ability we will be hard to beat."

Ramiro Torres, son of Mrs. Daria Torres. Ramiro plays offensive tackle and defensive noseguard. Ramiro is an active member of VICA. His comments were, "Our team is giving an all out effort to be the District Champs once again."

Rickey Luera, a defensive tackle of the Mules is the son of Mrs. Marina Luera. Lyndal Stovall is the 17 year old son of Mr. and Mrs. Bob Stovall.

FTA Finalizes Football Plan

The Blackburn-Moore Chapter of Texas Future Teachers of America held a meeting last Thursday morning at 8:00 to finalize plans and discuss upcoming events of the Chapter. The powderpuff football game was the first item of business and is to be played Monday, October 15, at 8:00 p.m. Twirp week will be going on during the week of the 15th. Permits must be purchased by all boys to talk to any girls during this backward week. Girls are responsible for asking the boys out, too.

The only other items discussed at the meeting were the Halloween Carnival and the District FTA Convention to be held in Plainview on Thursday, November 1.

Everybody be sure and come out and see the outcome of Mean Greens vs. the Raider Reds !!!

Student Council Sponsor Drive

Student Council met at 8:00 Wednesday morning to discuss more on the blood drive to be held October 18. Students in each class will sign up those who are 17 and 18 years of age.

WHO MAY DONATE BLOOD?

Healthy persons between the ages of 17 and 66 are generally accepted as blood donors. Disqualifying conditions include - a history of hepatitis at any age, pregnancy in the past six weeks, major surgery within the past six months, weight less than 110 pounds, and a history of unarrested clinical tuberculosis.

No substitute for blood has ever been developed. The only source is still the human body. As long as blood cannot be manufactured, people, like you, must be depended upon to assure an adequate blood supply. Please come to the high school auditorium October 18, from 9:00-3:00 because the next person to need blood could be you!

Calendar For The Week

Monday October 15 - Powderpuff game 8:00. Assembly for Blood Drive 9:45. Tech Admissions Representative 11:00

Tuesday October 16 - SR ring packs and prices and slide presentation for Jrs. 9:30. 8:00 Senior Class Meeting.

Wednesday October 17 - 8:00 Student Council

Thursday October 18 - S.C. Blood Drive in Auditorium 9:30. Sophs. at Shallowater 5:00. Fresh. at Friona 5:00. JV at Friona 7:00

Friday October 19 Varsity plays Friona here 8:00. W.T. Stage Band plays at 1:30

Tech Representative Visits Muleshoe HS
An Admissions advisor from Texas Tech will visit MHS Monday, October 15, at 11:00 a.m. Seniors interested in attending Texas Tech will be able to visit with this representative in the counselor's office.

Junior PSAT Is Scheduled On October 23

The Preliminary Scholastic Aptitude Test for Juniors will be given October 23. Scores for all students who take the test will be reported to The National Merit Scholarship Committee, and those students who score high enough will be considered for the scholarships administered by this foundation. The test lasts 2 hours and costs \$3.25. Honor students who want to enter this competition, must pay their test fee to Mr. Ben Gramling, Counselor, by October 12.

Space agency invents energy-saving device.

CHARLIE • THE CLOWN--During Mule Days this week in Muleshoe, Charlie Smith, alias "Charlie, the Clown" will be visiting with youngsters up and down the streets of Muleshoe. He is one of the last few professional clowns.

Enochs News
By
Mrs. J.D. Bayless

Mrs. Dale Nichols, Mrs. Buford Peterson and Mrs. Bill Key attended the associational W.M.U. meeting at Farwell, Thursday. There were 94 in attendance. Dr. Ann Forte who had been a Missionary Dr. for 27 years at Rodesia spoke at the meeting.

Mr. and Mrs. Chester Petree were in Lubbock Thursday, to be with their son, Dannie Petree, as he underwent surgery.

Mr. and Mrs. Bill Key met at the home of a sister, Mr. and Mrs. Homer Howard in Littlefield Sunday for his family gathering, others present were his sister, Mr. and Mrs. E.G. Butler from Wetherford. His dad, W.L. Key from Amherst, Mr. and Mrs. Steve Butler and son of Littlefield, also Dwaine and Kenneth Key from Oklahoma Lane.

Fishing at lake Hubbard, a few days the past week were Paul Young, Bud and Pete Thomas, Elwood Autry, Donnye Baker, J.C. Snitker and son John.

Mrs. J.C. Snitker was admitted to the West

Plains hospital in Muleshoe Friday.

Mr. and Mrs. Frank Layton of Midland were guests in the home of his brother, Mr. and Mrs. J.W. Layton, Tuesday till Thursday.

The Sandhills Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Creek tries to explain the Cuban situation this week.

Dear Editor:
Several U.S. Senators up for reelection have been excited about a photograph taken ten miles up showing about 3,000 Russian Combat troops in Cuba. This is puzzling.

I had no idea we had an aerial camera that could photograph soldiers from so far up so accurately you could tell whether they were machine gunners or clerk typists, when it's sometimes hard to do it on the ground.

But the photograph shows tanks, the Senators point out. How about that? Why everybody knows Russia is short on automobiles, and have you ever seen a Cuban-made car? Those tanks are used to drive into town on

week-ends. Beats walking. But, the Senators ask, what are Russian troops doing in Cuba in the first place?

They're on vacation. Cuba's weather beats Russia's weather all hollow, the cigars are better, and the place is a delightful distance from Siberia. The reason Russia doesn't let its troops vacation in New York is it's afraid they'd all defect.

Premier Castro lights a fresh cigar and says the troops are on a training mission and have been for 17 years.

It's possible. It just takes some men longer to get the hang of soldiering. A man isn't born knowing which is his left foot and which is his right.

Russia reportedly is giving Cuba a billion dollars worth of arms a year, but Castro denies it. He says Cuba is buying it, with deferred payments. Russia will learn.

The United States let its allies, including Russia, have billions and billions of dollars worth of arms

during World War II on the deferred payment plan. Trouble is, we forgot to say how long the deferment lasted. It's still going on.
Yours faithfully J.A. Philosopher explains,
more or less, the uproar over the Russian combat soldiers in Cuba.

PROTECTION FROM THE ELEMENTS

It has been said in the Lone Star State that there is nothing between Texas and the North Pole but a barbed wire fence. That certainly gives you the idea that in Texas you're not given much protection from the cold North wind.

There are times when you might think there is no protection and comfort afforded from the hardness and cruelty of the world. But there is a buffer between you and the world. This help and protection is the church. As members of the church, you are with good people of like minds who love you, pray with you, comfort you and assist you. They are the ones who "by love serve one another." (Gal. 5:13)

We invite you to attend the church of your choice this week. You will find a warm welcome there.

"And this commandment we have from him, that he who loveth God love his brother also."
1 John 4:21

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.
