#### Report Finds Blacks Are Disproportionately Crime Victims

Washington, DC -- A Justice Department report released recently confirmed the widely held belief that Blacks, especially Black men, are disproportionately the victims of violent crime. The study by the department's Bureau of Justice Statistics projected that at current rates 45% of Black men will become victims of violent crime three or more times during their lives. That figure is higher than that for any other population group in the country. The report also projected that 1 of every 9 Black females will be the victim of a rape of attempted rape during her life. The comparable rate for white women is 1 of every 12. Previous reports from the bureau have shown that 1 of every 10 Black men will be involved in a murder at some point in his life - either as the person being killed or as the person doing the killing.

#### NAACP Wants Confederate Flags Removed

Greenville, S.C. - The NAACP has passed a resolution calling for the removal of Confederate flags flying above the state capitol buildings in South Carolina and Alabama. The resolution also called on Georgia and Mississippi to remove Confederate symbols from their state flags. The civil rights organization's Southeast Regional Director Earl Shihoster declared, "We don't need the Confederate flag as a reminder of days that should have been buried." He labeled the flag "a symbol of racial animosity and an insult to Black people." The Confederate flag was adopted as a symbol of the 11 Southern states which attempted to break away from the rest of the country during the Civil War in a bid to maintain slavery. Shihoster threatened legal action if the flags were not removed.

#### Black Doctors Face High Rate of Heart Attack

Atlanta, Ga. - A just released study has found that Black doctors are 10 times more likely than white doctors to suffer a heart attack. The study compared the incidence of heart attack among men who had graduated from predominantly Black Meharry Medical College in Nashville with men who had graduated from predominately white Johns Hopkins School of Medicine. The findings were released at the recent Second Interdisciplinary Conference on Hypertension in Blacks. The conference took place in Atlanta. Meanwhile, the study also found that 48% of Black doctors had developed high blood pressure compared to 17% of whites.

#### Black Unemployment Unchanged Last Month

Washington, DC - According to the Labor Department the unemployment rate among American Blacks held steady last month at 14.3%. Meanwhile,

**NOTED JURIST!** Bernard S. Jefferson, former justice of the California Courts of Appeals, appeared in a special "Superior Court" show last month as a kick-off to a week long salute to the 200th anniversary of the United States Constitution. "Superior

Court" re-enacts famous trials and issues in an engrossing entertainment forum. Justice Jefferson, one of America's most respected judges and legal scholars, presides over a case dealing with abortion rights.

#### Memorial Fund Set Up For Taylor Youth

Since the brutal slaying of young Veronica Taylor, a memorial fund has been set up for her at First National Bank. Those who would like to contribute to this fund may do so. When sending money, please note the address: Veronica Taylor Memorial Fund, First National Bank, Acct. No. 0091855.

joblessness among white declined from 5.9% to 5.7%. Thus, the percentage of Blacks without jobs was nearly 2 1/2 times that for whites in the month of February.

#### Black Nurses Vote To Stay Away From Arizona

Boston, Mass. - The National Black Nurses Association announced recently that it was dropping plans to hole its annual convention in Phoenix, Arizona. The decision was made in protest of Gov. Evan Muehler's decision to rescind a state holiday honoring slain civil rights leader Dr. Martin Luther King, Jr. Several Black groups, including the National Newspapers Publishers Association, have cancelled meetings or conferences scheduled for Phoenix in protest of the decision by the conservative Mechem. The Black nurses' group will meet in Los Angeles.

#### Black Gay Rights Leader Dies of Aids

Washington, DC - One of the nation's best known Black gay rights activist, Melvin Boozer, died recently in Washington, D. C. Boozer died of AIDS - the disease which destroys the immune system and disproportionate strikes homosexual men. Boozer had been active on the gay rights fronts for years. He was an alternate delegate to the Democratic National Convention in 1980. He belonged to the liberal group - Americans for Democratic Action. And recently he was a member of the steering committee for Rev. Jesse Jackson's 1984 presidential campaign.

#### Special Meeting Of Urban League Called

A special general membership meeting of the Lubbock Urban League Council (LULC) has been called by the President to discuss the organization's provisions for assisting three individuals in filing job discrimination complaints against the City of Lubbock, Texas' Police and Fire Department's hiring practices. Also on the agenda is a discussion of the Public Housing Resident Management Act of 1987, which allows residents of public housing to manage the housing projects in which they live.

The meeting will be held at 7:30 p.m., Thursday, April 2, 1987, at New Hope Baptist Church, 2200 Birch Avenue in Lubbock, Texas. Please plan to attend and be prepared to pay your annual (\$5.00) membership dues.

## Opportunities Available At Ouachita

President Ronald Reagan has stated that trainees under federal job training programs "are examples of training for jobs where individuals can become taxpayers, not tax burdens."

Past presidents, since President Lyndon Johnson established the program, have endorsed its concept as a valid program for youth.

Reagan's statement has been borne out by a U. S. Department of Labor study conducted by K. F. Fergentbraun, Ph. D., that the investment in Job Corps is economically efficient. The results showed that

members return \$1.45 for every \$1 spent for their training.

According to a fact sheet in the independent publication, "Job Corps In Action," Job Corps graduates actually make money for the government because average repayment in taxes is at least 145 percent of investment. The amount of money that turns up in the national economy each year for each dollar invested in Job Corps in the previous year is \$1.45.

## Rev. Jesse Jackson Addresses Black Auto Dealers On Economic Accountability From Japan

Saying that Japan is "driving America off the road" with its ever increasing share of the American car market, the Rev. Jesse Jackson has called for a "change in formula" in the way that America relates economically to Japan and for a restructuring of priorities in the American marketplace.

Jackson's comments came Saturday, January 31st, at a Unity Luncheon sponsored by Dollars & Sense magazine for the National Association of Minority Automobile Dealers' convention in Las Vegas, Nevada.

Delivering a major address on Japan and the American automobile industry, Jackson said that Japan's increasing direct investment in the United States and powerful economic resources makes it able to purchase some of our leading defense contractors, which threatens our national sovereignty and security.

"There must be a new formula between this country and Japan Inc. and Korea Inc.," Jackson stressed. "When they were down after the War and we were a factor in their being down, a kind of international affirmative action program was put in order to help them, but once the people you help hit surplus, it triggers a new formula."

In addition, Jackson called for a new formula to build the American industrial family so

that industry, government, workers and consumers have converging interests, as they do in Japan. "If this relationship were different, the American public would be more inclined to buy domestic cars over imports because they would be getting more than a car. You would get your tax base, hospital base, school base and maybe such a relationship would become protective, as opposed to protectionist," Jackson said.

Citing Dollars & Sense research statistics showing that blacks own only 13 of the 18,000 import dealerships operating in America, Jackson called for a new formula between Japan and black America, and called for an international economic covenant to be signed between America's black community and Japan's auto producers.

"Blacks buy \$1.3 billion worth of new Japanese cars annually, but they don't reinvest in our community," said Jackson, noting that he has begun a negotiation campaign with a number of Japanese firms to work out an economic covenant and would be willing to leverage a selective patronage campaign against them to make such a covenant a reality.

"We would be ridiculous to keep demanding economic justice of General Motors, Ford and Chrysler for the

black community and go another month without confronting the Japanese in Japan, in our communities, or at the place where they come off the ship because our lives are at stake," Jackson warned. "We must have parity and make it clear that the Japanese either cut us in or cut it out. We are going to keep this pressure on Japan and Korea because it's right. We're talking about simple justice and a fair return on black economic investment. If we can demand it of our own government, we can demand it of any government in the world."

#### Community Centers Schedule Neighborhood Meetings

The City of Lubbock Parks and Recreation Department will be holding 5 Community Center Neighborhood Meetings during the month of April. These meetings are open to all individuals who are interested in the programs and services provided by each particular center. Meetings will be held as follows:

college and served in the military. They come to the center, in the majority of

cases, unemployed, unskilled and lacking in education, and

become productive and employable citizens.

Job Corps trains the whole person. The program involves not just skills, but in addition, an education program and residential living program to enhance social skills.

The Ouachita Job Corps Center has been recognized as one of the top centers in the United States in one or more

categories for the past six years.

The Center is on the Ouachita National Forest, 13 miles west of Hot Springs, Arkansas.

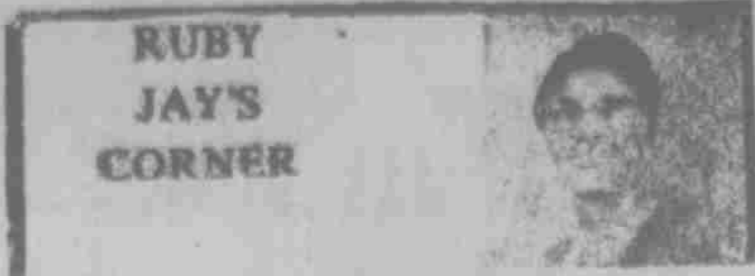

Young adults, 16 to 22 years of age, interested in the program, may obtain information from the Texas Employment Commission.

Corpsmembers prep for their GED classes and tests in

a variety of ways at the Ouachita Job Corps Center in

Arkansas.

Services at the New Hope Baptist Church were held as usual last Sunday morning.

Sunday School began at 9:30 a. m. with Supt. Swain at his post of duty.

Services began with a devotional period led by our Deacons.

Pastor S. C. Nash delivered another dynamic sermon.

The New Hope Radio Broadcast is still on the move as services originate from the auditorium each Sunday morning at 11 a. m. over KJAK Radio.

Speaking of the New Hope Broadcast, another thirty minutes is also heard each Sunday night at 8:30 p. m. It's a very good show, so why not support it.

The Resurrection Choir of Austin, Texas appeared at the Bethel AME Church last weekend. It was coupled with a workshop conducted by Kenneth Brown. People are

still talking about this workshop. Rev. D. A. Smith is pastor.

Keep in mind that Chief Tom Nicholas of the Lubbock Police Department will be special guest at the Wednesday, April 22, 1987 District Two meeting. Should be another good meeting. Tell someone about it and come out at Mae Simmons Community Center.

Let us continue to pray for our sick and shut in citizens. Prayer will always help those in need.

Again, thanks for all the many splendid prayers sent up for this writer, RUBY JAY. Really appreciate everything each has done for me.

View from Capitol Hill:

## We Must Not Let Reagan Slide On The Truth About Contra-Gate!

by U.S. Rep. Gus Savage

I am disappointed by the reporting and analysis of President Reagan's long-awaited televised news conference. The media did not properly emphasize his continued unwillingness to face squarely two major questions. The truth about these two questions could lead to imprisonment of some of his top aides and impeachment of Reagan himself. The two questions still are:

Did he approve secret U.S. military assistance for counter-revolution in Nicaragua, at a time when such assistance was banned by majority vote of Congress? If he did, then, he violated the law and should be treated accordingly.

Of course Reagan claims that he did not know about any diversion of funds to the Contras. However, his Attorney General, Edwin Meese, admitted last November that ten to thirty million dollars from Reagan's approved sale of U.S. military weapons to Iran by Israel had been channeled through secret Swiss bank accounts to the Contras by Vice Admiral John Poindexter and Lt. Col. Oliver North, the two top security advisors to the President.

Moreover, the Tower Commission discovered a memorandum from Lt. Col. North, suggesting the illegal diversion, dated in April of last year. Yet, when asked at his televised news conference whether Poindexter and North had been operating without his authorization? Reagan answered, "I don't know . . . I don't know that I . . . w-w-want to find out that I-I want to get to the bottom of this." The stuttering and confusion, of course, was included in his quote.

Well, Poindexter and North are two high-ranking, seasoned and trusted military officers, trained and sworn to obey orders and to tell the truth to their superiors. This casts doubt on Reagan's curious claim that they were operating on their own, apparently carrying a secret foreign policy out which differed from that of their government. That's strange.

Furthermore, how can the President get away with saying that he is depending upon Congressional investigations to find the answer to this when both Poindexter and North have refused to answer questions of Congressional committees, based on their fifth amendment right not to incriminate themselves?

So why has the President refused to publicly encourage them to testify? And, more importantly, why hasn't he called them in and privately ordered them to at least tell him the truth, since he is their military commander-in-chief — their top superior? After all, he must find out in order to fulfill his obligation to inform the American people. Unless he already knows and seeks to hide his own guilt.

The second question remains, how much did the President know about the secret destruction of federal documents in this case? Is he, as was President Nixon in the Watergate scandal, guilty of criminal conspiracy to cover up evidence? Indeed, these two questions and Reagan's insufficient responses must be kept before the public until satisfactorily answered.

## What Dunbar Means To Me!

(Editor's Note: This is the final in a series of "What Dunbar Means To Me" written by a current student. The other is by a former Dunbar student of years past.)

by Mr. Roy L. Thomas

Dear Mr. Publisher,

I would like to tell you "What Dunbar-Struggs Means To Me." I started at Dunbar in 1934, when it was nothing but a three room school. Only three (3) rooms, and to see where it has come from, to where it is now, I would hate to see it closed. Now look back to all the people who struggled to make it what it is today. All their efforts have gone down in vain. I could name a few, but Prof. Struggs stands out more than many.

## WHY ARGUE? THE FACTS ARE HERE!

I know I would like to tell you some of the things we had to go through to get a school. We had one day registration, but most kids who had their mother and father were able to keep them in school the full year.

Now, what I am about to say is true. We went to school on one day and they would give us a book with book covers to take home so we could cover them. The book I am talking about, because they had been used books from Lubbock High School, which were used the year before we would get them. The next year, or the year after, we got all the uniforms that they had played sports in, because they were handed to me down from Lubbock High and Texas Tech, also Reese Air Force Base — where we got our supplies from. When we traveled to other towns to play games, they had their collars, and we were laughed at and made fun of.

But Mr. Publisher, you know and I know, the Board of Education sent money here to support Dunbar as well as Lubbock High. As a kid, I have always wondered what happened to Dunbar's part of the money. I know this is heavy stuff, but this is part of the struggle to get Dunbar-Struggs to where it is today, and Prof. Struggs fought all the way to get Dunbar where it is today, as well as some others including his wife (a very close second).

So young people, you have a lot to be thankful for, and hope the doors of Dunbar will always stand open to young people for many years to come, and forever and ever.

Maybe I got off track on what Dunbar means to me, but its been the only school in Lubbock to me for some forty-six years. It has come a long ways, so please don't close the doors where so many of us have memories and love so much.

I thank you and your readers.  
A real Dunbar fan.

DUNBAR

Throughout my education, I have gone to four schools in the city of Lubbock. Dunbar is the school that I have enjoyed most. The students and teachers are very different than those of other schools.

The students whom I have met make Dunbar a place like no other place. They make you feel comfortable. Many students are from other schools and I feel that they enjoy Dunbar more than their original schools because these students have not returned to their original schools. The students at Dunbar have the desire to learn and gain greater status in their lives. If Dunbar is closed you will take away the students and the opportunity to learn the way we should, in a comfortable environment.

The students are not the only thing that make Dunbar enjoyable, but the teachers do as well. I have not seen

teachers more dedicated in teaching in any other school that I have attended. The teachers will take time to talk and help someone individually with any problem that they may have. I feel that the students will not get the attention that they get at Dunbar if they are transferred to a larger school. The attention that the students receive is very important and it will be tragic if future Dunbar students do not receive the attention they deserve.

The students and teachers are very important to one's education. In my opinion, the closing of Dunbar will have an effect on students of the Dunbar area. The students who are transferred to another school will not have the attention, and will not feel at ease in someone else's environment.

## Replace Black On Black Crime With Black On Black Love!

## Ringing The Bell

by Bob Tiewel

We hope that our readers are enjoying a happy and glorious Easter season by remembering that our minds should be drawn ever closer to the trials, suffering, death and resurrection of the Saviour of the world. Would Jesus weep today if He saw the conditions of our towns and cities and even in some of our rural areas of life in America and many other parts of the world today. We believe He would!

sometimes, our love gets crushed and our hearts get hurt just as Jesus' did because there is a breakdown in our marriage life or a child whose life turns into a social failure, or a minister like Jim Bakker of national PTL fame, who has become disillusioned and broken because of too much financial power and public acclaim. Indeed, much power corrupts. Look at a lot of our politicians today.

We should never forget that the love that we have in our hearts for others may sometimes be crushed and cause us to cry but perhaps this experience will give us strength to carry on in spite of everything.

Bellringers, have we also placed Jesus on trial today? We may have to suffer if we do right but in the end truth crushed to earth will rise again. What do we do with the man called Jesus? Is He indeed alive

Attention: Mr. Eddie P. Richardson

In our telephone conversation early in January, 1987, I said I would pay two years subscription to your paper. Also, I asked you to send some of the Black History Posters which you were giving away. In my two year subscription, I also included three dollars to pay the postage for such posters. If I may—two things I wish you attend to for me:

- (1) Send the posters if you have any more,
- (2) Show on the Southwest Digest that my subscription is paid up for 2 years. All during 1986, even though I had paid—(1-86) showed indicating that I had not paid for 1986. I do not like that kind of recording keeping for me.

Thank you kindly. I need and enjoy "The Southwest Digest."

## Bishop Carter's Canned Laughter (Cont.)

"You have a model husband," said the lady who was congratulating the bride. The next day the bride thought her to look up the word "model" in the dictionary, and this is what she found: "Model" a small imitation of the real thing.

Gratitude: Thief who has just been acquitted of stealing a watch, to his lawyer. "I thank you sir, from the bottom of my heart. I have no money to pay you, but here is the watch. I may have another job for you soon."

A Methodist bishop was recently a guest at the home of a friend who had two charming daughters. One morning the bishop accompanied by the young ladies, went out in the hope of catching some fish. An old fisherman came up and wanting to appear friendly, said: "Bishop, are you catching many?" The Bishop stood up and replied: "Brother, I am a fisher of men. You sure got the

fisher of men." "You sure got the right bait," the fisherman replied.

ending the official segregation of Lubbock schools over 20 years later to find equally brilliant essays. Take a look at the scathing editorials about the court ordered elimination of Lubbock's discriminatory at-large election systems in the 1970's or the efforts of TRLA to protect the rights of poor Mexican-American farm workers in the 1980's.

There seems to be a constant theme in these editorials over the years.

## FACTS & FIGURES

Almost 60 million Americans of all ages enjoy the sport of fishing. In a recent Gallup Poll, fishing ranked second as a participation sport for all Americans 18 and over. Another survey showed a third of all anglers are female.

There are 68 million boat-owners in the United States. Surprisingly, a boat big enough for a family need cost no more than a medium-sized car.

According to the American Fishing Tackle Association, people of all ages and athletic abilities can quickly learn to fish.

People who abuse or neglect children can be found in every social and economic level, and in all ethnic and cultural groups. Their victims are most often their own children or those of a close friend or relative.

The South Plains Chapter of the NCPAC began as a task force in 1983 to address the problem of child abuse in the South Plains area.

### God Is Our Guidepost

After reading from I Kings, chapter 3 the other day, I found new strength. I discovered that the genesis of Solomon's greatness was that he went to the right source with the right question. Solomon realized his finiteness and humbly sought wisdom. He asked God for understanding to discern moral issues. God granted his request and he was given wisdom to make proper judgments.

We live in a time of moral confusion. Many challenge and reject those values that have been respected for many years. Today's society look with scorn at the tired and

proven codes of conduct that have served mankind for centuries. The questions we might ask in a world like this are: "How does one find the way in the midst of this mass confusion? Is there any

guidelines or are there guideposts? If so, where are they to be founded?" These questions are critical for our times and finding the answer is basic to the happiness of every family, every individual. If one would read I Kings 3, some of the answers to our questions would be found. The Bible is our guideline and God is our guidepost.

### The Outreach Prayer Breakfast

The Outreach Prayer Breakfast met in the home of Sis. Mary Ward at 9:00 a.m. We praised God for this morning worship service. We had you in mind as we worshipped. The opening scripture, II Samuels 4:1-6, was read by Sis. Irma Cooks.

The morning scripture lesson was brought by Sis. Dorothy Hood, based on II Corinthians 12:7-9. Have you been given a thorn in the flesh? "Please Recognize The Messenger."

"And lest I should be exalted above measure through the abundance of the revelations, there was given to me a thorn in the flesh, the messenger of Satan to buffet me, lest I should be exalted above measure." Read more about the thorns and recognize them.

Thorns are a curse. Jesus destroyed by wearing that crown of thorns. His grace is sufficient. Joshua 23:13; II Samuels 23:6; Numbers 33:55; Judges 2:3. We can endure the thorns because of what Jesus did on the cross. Paul asked three times that this thing be removed, but when you see your nothingness, God can work in your condition. Get self out of the way. Don't let ungodly people, half godly people be a thorn in your flesh. God's grace is sufficient for me and you. Take a good look at the body of Christ today. These thorns are inflicting pain. Christ endured, so can we all. His grace is sufficient to enjoy the beauty of a rose. You will have to endure the pain of the thorns. Think about it.

Breakfast was cooked and served by Sis. Mary Ward.

Come, eat with friends.

To all the sick and hurting people:

We wish a speedy recovery to those on the sick list, which includes Mr. Jesse Polk, who is in South Park Hospital, Room 206 and Mr. and Mrs. Bennie Whitfield. We also pray for you as well as the others out there whom we are not aware of.

Let us pray:

Lord Jesus, in your name, we ask a blessing for all who are sick in body and spirit. May they rise with healing in their bodies and determination in their souls, to live for you according to your Holy Word. In the name of Jesus, we pray. Amen.

We walk by faith and not by sight.

Memorial Fund Donation: \$10.00 was received from Linda. Thank you so kindly. Our prayers are that it be multiplied man time over and given back to you. Plant a seed today. When you plant in good soil, you look for something to grow, and truly, it will.

Breakfast and Project Blessing, P. O. BOX 1223, Lubbock, TEXAS 79408. We need your support, prayerfully and financially.

Our closing prayer was given by Sis. Annie Johnson.

#### CHILDREN OF GOD

There are many who believe that since God created all human beings that everyone is a child of God but the Word of God (the Bible) tells us that everyone must be born again to become children of God and that only those that receives Jesus Christ as their personal Saviour and believes on His name becomes children of God.

John 1:11-13 "He came unto his own, and his own received him not. But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: which were born, not of blood, nor of the will of the flesh, nor of the will of man but of God."

The Bible tells us that only those that are led by the Holy Spirit of God and if the Holy Spirit bears witness with our spirit then we are the children of God.

Romans 8:1-16 "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. For what the law could not do, in that it was weak through the flesh, God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh: that the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the Spirit. For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace. Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. So then they that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his. And if Christ be in you, the body is dead because of sin; but the Spirit is life because of righteousness. But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. Therefore, brethren, we are debtors, not to the flesh, to live after the flesh. For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. The Spirit itself beareth witness with our spirit, that we are the children of God:"

Only believers that have the righteousness of God imputed unto them and have been delivered out of darkness into his light and our bodies are the temple of the living God and he dwells within us and walks in us then we are his children.

2 Corinthians 6:14-18 "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean things: and I will receive you, and will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty."

God only chastens and rebukes his children that he receives as his children and if a person is never chastened by God, then they are not children of God.

Hebrews 12:1-8 "wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us. Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God. For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds. Ye have not yet resisted unto blood, striving against sin. And ye have forgotten the exhortation which speaketh unto you as unto children. My son, despise not thou the chastening of the Lord, nor faint when thou art rebuked of him: for whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth. If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not? But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons."

In conclusion, only believers are the children of God and all unbelievers are the children of the devil. 1 John 3:1-10 "Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God: therefore the world knoweth us not, because it knew him not. Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is. And every man that hath this hope in him purifieth himself, even as he is pure. Whosoever committeth sin transgresseth also the law; for sin is the transgression of the law. And ye know that he was manifested to take away our sins; and in him is no sin. Whosoever abideth in his sinneth not; whosoever sinneth hath not seen him, neither known him. Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous. He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil. Whosoever is born of God doth not commit sin; for his seed remaineth in him, and he cannot sin, because he is born of God. In this the children of God are manifest, and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother."

### We Thank God For Jesus

Lord, We Need To Pray!!  
For This U. S. A. Today!

Part I

Jeremiah 8:7 -- The Lord said, the stork in the heaven knoweth her appointed times, and the turtle and the crane and the swallow observe thy of their coming; but my people know not the judgement of the Lord.

Isaiah 1:4 -- The Lord said, ah sinful nation, a people laden with iniquity. A seed of evildoers, children that are corrupters; they have forsaken the Lord.

Lord, this U. S. A. is like blind leading the blind. It teaches the children of drugs to blow their minds.

Lord, you said you were the way, the truth and the light, but satan has our children going his way, and it's not right.

John 14:6 -- Jesus said, I'm the way, the truth and the life, no man cometh unto the Father, but me.

Lord, this country was built on love and prayer, but now there's heathens and savages everywhere.

Lord, there's so much dope and drugs in front of them. The lesbian and the homosexual -- there's plenty of them.

Matthew 21:33-34 -- Jesus said, there was a certain householder, which planted a vineyard, and hedged it round about, and digged winepress in it, and built a tower, and let it out to husbandman, and went into a far country; and when the time of the fruit drew near, he sent his servants to the husbandmen, that they

might receive the fruits of it.

Jeremiah 12:10-13 -- Many pastors have destroyed my vineyard. They have trodden my portion under foot. They have made my pleasant portion of desolate wilderness. They have sown wheat, but shall reap thorns, they have put themselves to pain. But shall not profit, and they shall be ashamed of our revenues because of the fierce anger of the Lord.

Lord, some preachers are not feeding the Lambs or Sheep, but are trying to raise money to look tall in the devil's seat.

Matthew 6:24 -- Jesus said, no man can serve two masters, for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and Mam'mon (money).

II Timothy 3:1-5 -- This know also, that in the last days perilous (dangerous) times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce breaking, false accusers, incontinent, fierce, despisers of those that are good. Traitors, heavy hearted, lovers of pleasure more than lovers of God; having a form of godliness, but denying the power thereof; from such turn away.

Saying "Good Night" To Sinus Aches

Many Americans are waking up to a few facts about sinuses that could help more people get a good night's sleep.

Sleeping propped on an extra pillow can help cushion sinus pain.

For instance: The symptoms of sinusitis include headache, facial pain and pressure, stuffy nose and watery eyes. If you suffer from these symptoms it's a good idea to sleep in a room with a humidifier when winter heating dries out the air and your sinuses.

It also may help to sleep propped up on an extra pillow to help your sinuses drain, especially when you have a cold or flu.

You might like to ask your pharmacist about a new sinus medicine specially formulated for nighttime use. Called Sinusal Nighttime Sinus Formula, it's a sugar- and alcohol-free liquid from the company that's made America's leading sinus remedy, Sinutab, for three decades.

Keeping these suggestions in mind may help keep your head on the pillow instead of in pain.

A monthly Culture Night around your house can be a good way to encourage children to enjoy some of the finer things in life. Shut off the TV. Play records of classical music. Read poems aloud. Look through books of great art. Discuss what these things mean to you over hot cups of refreshing tea and cookies.
