Half The '87 Cotton Crop Ginned Or In Modules

LATE HART COMEBACK HAS MULES GOING DOWN--Despite leading the first three quarters of the basketball game in Muleshoe Tuesday night, and leading until late in the fourth quarter, Hart came back to squeak by the Muleshoe Mules a bare 54-52. Thursday night, the Mules again met the roundballers from Hart in first night action during the Anton Basketball Tournament, and again suffered a narrow defeat, 41-40.

Eddie Morris, chairman of the MAC group, has suggested that for a unique and different Christmas gift, plan to give MAC Bucks.

They may be purchased at 'face value' or in \$5 denominations.

He said this different gift is being offered following a number of requests.

Don't forget! Be sure to get your double MAC Stamps during this week, December 7-12 as it is Double MAC Stamp Week.

On Saturday, December 19, at 2 p.m., some \$2,000 in MAC Bucks will be given away, along with more than \$4,000 in other merchandise in Muleshoe.

The Mac Bucks will be distributed at \$1,000; \$500; \$250; and two drawings for \$125.

Look how far that could go with your Christmas shopping -- be sure to plan for it.

At presstime, six-year old Marty Long, son of Mart Long of Muleshoe; was still listed as critical in the Pediatric ICU at Lubbock General Hospital.

Family members reported earlier in the week that Marty had developed pneumonia. He is still in a coma at presstime.

Donations are still being accepted to the Marty Long Family Fund at Muleshoe State Bank. The funds will be used to help defray some of his hospital-

they met Hart in the Watson Junior High School gym.

Coach Lonnie Scott said the Mules fell to the Hart team in the last few seconds of the game after leading all the first three quarters, before Hart managed a last-ditch comeback.

Final score in the game was 52-54 for Hart.

In the first quarter, the Mules held a slim 10-9 lead; but scored 17 more in the second to have a 27-19 halftime lead. In the third, as the Mules scored an additional 12 points, with Hart scoring 12, the score was 39-31. But, the Hart defense held the Mules to 13 points in the final quarter, while scoring 23 points, for the final 52-54 score.

'Dear Santa' Letters Starting To Arrive

Each year, just after Thanksgiving, Letters to Santa, from area children, start arriving at The Journals, who have been the 'official' relay station for such letters for more than 60 years.

This year, the first letters have arrived, including the letter reproduced below -- which was the first to arrive:

Dear Santa,
Hello! My name is Stephanie Kirk and I am four years old. This year for Christmas we will be at my Grandmamma's house in Olton. So, please bring my presents to Betty Motley's house (She's my grandmamma).

I have been a good girl all year. Please, will you bring me these things for Christmas?

Leading scorer was Johnny Garcia, with 16 points; Sergio Gonzales had nine; Ronnie Perez, seven; Michael Dunham, six; Ivan Williams and Greg Garcia, five each; while Steven Sandoval and Daniel Olivias each had two points.

After the Tuesday night game, the Mules record for the year was 1-4.

The Mulettes blasted the Hart girls 62-34 in varsity action. Coach Ruben Osuna exhibited pride in the Mulette varsity team that now has a season record of 5-2 after the Hart game.

The Mulettes were never threatened any quarter, scoring

AARP Plans Chili Supper For Hospital

You have been issued a cordial invitation by Myrtle Creamer, president, and all the members of the Muleshoe AARP to attend a benefit Chili Supper at the Bailey County Civic Center on Monday night, December 7.

Mrs. Creamer explained that all proceeds will go to West Plains Medical Center to help defray some of the expenses for the hospital, which re-opened late in October.

Serving hours will be from 5 p.m.-9 p.m., in order to have those Monday night quarterbacks fed and back to their homes in time for the Monday night football games, she said.

On the menu are Chili, Beans, Cornbread, all the trimmings, plus dessert and drink. Tickets are \$5 for adults and \$2.50 for children under 12. Tickets are available from any member of the AARP, and will also be available at the door.

Several nice door prizes will be given, including a full-size quilt in the 'Bow-Tie' pattern; a handmade doll; a bathroom set; and a stuffed wreath.

All you will have to do is sign your name and put your address or phone number on the back of your ticket or tickets. You do not have to be present to win the door prizes.

MAC Drawing

At mid-afternoon Friday, the temperature was 76 degrees, the sky was light, sunny and clear, cotton gins were running wide open and farmers worked diligently to get their cotton crop off the stalks and into trailers, or more popularly these days, compacted into modules.

This year, Mother Nature has gone overboard in this part of the country, and consequently, area farmers are blessed with one of the best cotton crops noted in many a year.

Even in the springtime, when devastating hailstorms, carrying a potential of wiping out a major portion of the cotton crop, the weather almost always bypassed Bailey County.

It would be almost impossible to estimate how many modules are in the fields in the county, although one gin has estimated they have some 650-700 at this time, and crops still being harvested.

Each module generally contains from six to nine bales of cotton, and you may see 30 or more modules in a row in the fields.

Large trucks pick up the modules and move them under the suction at the gin for processing and compacting into bales.

Almost all of the cotton gins report being nearly half through with the 1987 ginning season, and a few are a little less than one half through. Some expect to be completed by Christmas in three weeks, if good weather continues to hold in the area.

Bula Gin, in the southeast corner of the county, has ginned 3,800 bales by early Friday afternoon.

They report a lot of cotton is still in the fields. They are receiving the cotton both in trailers and modules. The cotton is staying good and consistent in the mike and staple.

Also in the Bula area, Clauch Gin reported 4,000 bales Friday afternoon, with the staple being a little short, but very good mike. The average yield in that area is nearly two bales. Several producers are just getting into their fields and

beginning to harvest the cotton.

From just north of Muleshoe at Clay's Corner in Parmer County, some 2,875 had been ginned on Friday. The yield has been reported to be from one and a half to 2.7 bales per acre.

A few producers have brought in cotton that produced close to three bales. They said the cotton has been 80 percent middling grade.

Some 7,000 bales have been ginned at the Farmer's Co-op Gin at Enochs, with around 10,000 expected before the end of the ginning season.

The gin reported nearly all the cotton around Enochs is in modules, and if the weather stays pretty, they will be nearly through ginning by Christmas.

Some bale to bale and quarter is being reported from that dryland area.

From Lariat, the Lariat Gin said they have ginned 1,400 bales and expect some 3,000-3,200 before the end of the season. They are getting reports of a bale and fourth to a bale and three fourths.

Pheasant Hunt Breakfast Set By Lions Club

Next Saturday, December 12, on the first day of the 1987 Pheasant Hunt, the Muleshoe Lions Club will be serving their annual Pheasant Hunt Breakfast at the Bailey County Coliseum.

Under capable leadership of the Lions, serving begins at 5 a.m.

Tickets are \$4 per person, for all you can eat; and the menu consists of bacon, sausage, scrambled eggs, gravy and biscuits, with orange juice, milk and coffee.

During the breakfast the Lions will be giving away a Beretta Over-Under 20-gauge shotgun. Cost of tickets for the shotgun are \$2 each, and may be purchased from any Lions Club member.

A NEW ADDITION TO THE ARTS AND CRAFTS BAZAAR--Billy Sifford, pictured, of Friona, and Wayne Sifford of Amarillo, have incorporated a unique art style and have their Kow Kountry Kutouts on display at the Bailey County Civic Center during the Moonlight Homemaker Extension Club's Arts and Crafts Fair. The cutouts are of heavy black metal, mounted on wood bases, and all are showing a distinct 'western flavor.'

FIRST THANKSGIVING CELEBRATED—Students in the first and second grade at Lazbuddie Elementary participated in a feast and celebration similar to that held by the Pilgrims and Indians on the first Thanksgiving. The two groups staged a play and celebration depicting happenings typical of the original Thanksgiving.

Elementary Students Present Thanksgiving Program

The first and second grade students at Lazbuddie Elementary School participated in a feast and celebration similar to that held by the Pilgrims and Indians on the first Thanksgiving.

First grade students, under the direction of Adeana Carlyle, teacher, were costumed as Indians while second grade students, directed by Nancy Smith, teacher, were dressed as Pilgrims.

The two groups staged a play and celebration depicting happenings typical of the original Thanksgiving. The feast and celebration were held in the cove/recreation room and in the new gym.

Parents of the students joined in the feast and watched the students' performance. Approximately 100 attended.

According to Anne Farris, principal, "This event allowed the students to become more

aware of the reason for the original Thanksgiving and how it has evolved into a traditional family holiday in America today."

Alpha Zeta Pi Sorority Meets In Myers Home

Alpha Zeta Pi held their Dec. 1 meeting in the home of Rhonda Myers. A meal of Monte Cristo sandwiches, onion rings and cinnamon chocolate cake for dessert was served by the hostess.

Several items were on the agenda to be discussed with the most important being deemed the adoption of a needy family for Christmas. The family was decided and the group is going to purchase a gift certificate at Anthony's for children's clothing and housewares. There will also be a second gift certificate purchased from James Roy's Meat Market. The members are also asked to take some canned foods from home to the next meeting. A time will be set to deliver these items to the family before Christmas.

After the business meeting all members present stayed and painted signs to be used on the float in the Christmas parade.

Eastern Star Christmas Party Held Tuesday

Muleshoe Chapter No. 792, Order of Eastern Star, met Tuesday, Dec. 1 in the Masonic Hall with Lavonne Hinkson, Worthy Matron and Frank Hinkson, Worthy Patron, presiding.

Mrs. Clara Lou Jones reported that a delicious turkey dinner was served before the meeting.

Belinda Goode, Deputy Grand Matron from District 2, Section 3 made her official visit. She brought greetings and instructions from the Worthy Grand Matron, Sherrill Cain.

Several visitors from the Earth Eastern Star Chapter and one visitor from the Muleshoe Nursing Home, Veta White, were present.

A Christmas party was held following the meeting with a musical program and Santa Claus presenting gifts.

The next meeting will be on Tuesday, January 5.

TOPS CLUB

Muleshoe TOPS Club chapter No. 34 met at 5:30 p.m. Thursday, Dec. 3 in the Heritage Thrift Shop. Laverne James, leader, called the meeting to order.

The TOPS pledge was recited and the fellowship song sung. Evelene Harris, weight recorder, called the roll with 12 members present.

Thesia Davis, secretary, read the minutes of the previous meeting and they were approved as read. A treasurer's report was given by Ruth Clements, treasurer.

Best loser for the week was Mary Edminston. Runners-up were Rose Sain, first; and Laverne James and Thesia Davis tied for second.

Mrs. Sain was named best loser for the month with Mrs. Edminston as first runner-up. Mrs. Edminston received a charm for winning the Star

Contest. Mrs. Davis received a gift from the birthday box. The meeting was closed with the singing of the goodnight song.

Honor Society

Honors Lazbuddie Faculty, Staff

In observance of American Education Week, the Lazbuddie Chapter of National Honor Society honored the faculty and staff of the Lazbuddie school with a coffee Friday, Nov. 20, in the homemaking department of the school.

Amy Daniel, president, greeted the teachers and with the assistance of Adrienne Willingham, secretary, and Susan Redwine, apple name tags were pinned on each staff member.

The slogans included, "We Appreciate Teachers" and "American Education Week, November 15-21."

Ginger Jesko and Jonessa Jennings, students, were in charge of coordinating the event.

Officers and members of the Lazbuddie chapter of the National Honor Society include the following: Amy Daniel, president; Tim Lust, vice president; Connie Gonzales, treasurer; and Adrienne Willingham, secretary.

Also Jonessa Jennings, Ginger Jesko, Amy McGehee, Scott Miller, Brian Glover, Susan Redwine and Mrs. Anne Farris, High School counselor and elementary principal, is the sponsor.

Wool jackets and coats in tiny houndstooth checks are welcomed back on the fashion scene. These jackets in black and white checks or a blend of rich cocoa and tobacco brown are a complement to black wool skirts.

LAZBUDDIE EDUCATORS HONORED---(From Left) Susan Redwine, Amy Daniels, Adrienne Willingham, Connie Gonzales, Ginger Jesko, Amy McGehee, Jonessa Jennings, Tim Lust, Brian Glover and Scot Miller, all members of the Lazbuddie chapter of the National Honor Society, recently honored the faculty and staff of the Lazbuddie school with a coffee in observance of American Education Week.

Hobby Club News

Muleshoe Hobby Club met Thursday, Dec. 3 at 2 p.m. in the Senior Citizens Complex with ten members present.

Those present included: Blanche Awbrey, Ruby Lambert, Vicky Hendrix, Sammie Ethridge, Glenda Morris, Jane Williams, Frances Bruns, Winona Spears, Hazel Reeder and Edith Fox.

The hostess gift was won by Mrs. Fox. It was reported that the next meeting will be the Christmas party on Thursday, Dec. 17 at 1 p.m. in the Senior Citizens Complex.

GROW THEM BIG IN TEXAS---Mrs. Ansel Ashford grew this big "Texas" size turnip in her backyard, 1902 Ave. G. Planted August 5 or 6, the turnip grew to a whopping nine pounds and 15 ounces and is 26 inches around. She stated that they had a lot of turnips to weigh over two pounds when they pulled them on Dec. 1.

Girl Scouts

Hard At Work

Muleshoe Girl Scouts have a busy month planned for December. On Saturday, Dec. 12 from 2:30 until 4:30 all girls are urged to go out from house-to-house and see if the residents will give one can or more of canned food for the needy.

When these girls knock on your door you may give toys, clothes, or more than one can of food, all items donated will be appreciated.

At 4:30 p.m. the girls will return to the Girl Scout Hut where they will be met by the Ambulance Service, who will collect it for distribution at Christmas time.

Then at 4:30 p.m., the girls, leaders, assistants, parents and family are asked to meet at the Girl Scout Hut with ideas and materials to make decorations for the Girl Scout Christmas tree. Everyone is asked to bring some kind of refreshment. "We will have refreshments and work on tree decorations" said Nelda Merriott. "We'll visit, work together, eat and go home whenever we wish. Some may stay longer than others, perhaps parents can help the girls collect canned goods and stay for the "Decorating party."

All three Brownie troops are planning to meet together to bake cookies for the Muleshoe Nursing Home and perhaps other projects, in the near future.

A bake sale has been tentatively set for Dec. 23, with all baked goods being taken to the Scout Hut by 9:30 a.m. and then go as a traveling bake sale. Tables may possibly be set up in grocery stores at noon if they haven't sold out. "We'll make badges to wear--Mothers Of The Girl Scouts Bake Sale" Mrs. Merriott continued.

Air Force Airman 1st Class Richard A. Woodring, son of Richard and Twyla Woodring of Earth, has arrived for duty with the 23rd Equipment Maintenance Squadron, England Air Force Base, La.

Woodring, amunitions systems specialist, is a 1986 graduate of Springlake-Earth High School, Earth.

Reservations are being accepted at this time for Christmas parties to be held at the Old Santa Fe Depot. Jenne McVicker said several dates are still available.

For more information, or to make reservations, you may call 272-4741.

Fees for the Depot rental are the same as the Bailey County Civic Center.

No fee is charged to organized senior citizens groups, such as Muleshoe Senior Citizens, AARP, Retired Teachers or 55 Alive.

VISTA and the Muleshoe Independent School District is seeking volunteers to help teach adult education evening classes.

For more information, call Elizabeth Watson, assistant superintendent of curriculum, at 272-3325.

17-6; 10-7; 15-6; and 20-15.

Amy Harrison was leading scorer with 19; followed by Joey Heathington, Brenna Matthews, Heather Hutton and Wendy Green, each with six; Michelle Cox, five; Amy Bean, Debbie Brown and Monica Swint; each with four points and Krystal Angeley had two points.

Thursday night, both the Mules and Muletts varsity teams were in action in the Anton Tournament. Ironically enough, first teams for both the Mules and Muletts were the same teams they played Tuesday night.

Also on Tuesday night, the Mule junior varsity team played Hart in Muleshoe, and defeated the visiting team 47-33. Coach Kyle Carver said his team was consistent and played well in the game.

By quarters, it was Muleshoe trailing at the end of the first, 15-17; but they did not trail any of the other quarters, at 18-6 for the second; 6-5 in the third and 8-5 in the fourth quarter.

Leading scorer for Muleshoe was Frank Precure with 17; Doug Chitwood, 11; Brett Pylant, six; Kevin King, five; Clarence Lewis, four; and Johnny Horn and Jason Fuller, each two points.

The Tuesday night victory took the team to a 3-1 season record thus far.

Thursday night, the Mule junior varsity team was scheduled to play Farwell at 8:30 p.m. in the Muleshoe tournament.

**Farm Computer Training Available
By Contacting Extension Office**

Farmers and ranchers in Bailey County who want to improve their skills with computers as a step toward improving their chances for profit should take advantage of a series of short courses being offered by the Texas Agricultural Extension Service, says County Agent Spencer Tanksley.

"The Extension Service is dedicated to helping Texas farmers and ranchers regain profitability in their operations," Tanksley said. "To do this, producers must improve their financial management skills, their skills in budgeting,

Cotton...

Con't. From Page 1

More than 8,000 bales had been produced by the Muleshoe Co-op Gin Friday afternoon which is less than one-half the cotton expected this year.

It was reported that the staple and mike has stayed very good. Some of the production has been near three bales.

From West Camp, 2,800 bales had been ginned, with a lot of modules in the fields as yet. They are reporting averages of one and a half to slightly more this year.

Most of the cotton is showing a very good mike.

Maple is the 'big' producer' to date. They had ginned 12,000 bales, and figure they are approximately half through.

The average yield there is from a bale to a bale and a half, on mostly dryland production.

Needmore Co-op Gin has ginned 3,600 bales to date, and say they are nearly half through with the season. They report a lot of modules still in the fields.

planning and record keeping." One of the newest pieces of farm and ranch equipment that can be used to enhance these skills is the computer, the Extension agent said.

To provide in-depth training in the use of this piece of equipment, The Extension Service will teach four computer short courses in the next few months at Sweetwater on the Texas State Technical Institute campus. Each will be two-and-a-half-days long and will be taught by Extension economists from around the state who specialize in various computer applications in their work with farmers and ranchers.

The first in the series will be Dec. 28-30 and will cover "Electronic Spreadsheets and Their Use in Agriculture," said Dr. Jackie Smith, Extension agricultural economist and management specialist at Lubbock. Lotus 1-2-3 is the spreadsheet software to be used in the training.

"The spreadsheet has proved to be the type of software most often used and most helpful to farmers and ranchers," Tanksley said. The first short course will cover what spreadsheets are, how they work, and what they can do to help agricultural

decision makers develop new aids to fit their situations.

"No previous computer spreadsheet experience is necessary, since most of this course will involve teaching the basics of Lotus 1-2-3," the county agent said.

Each short course will be limited to 20 participants. This will insure the opportunity for hands-on computer use and a high staff-participant ratio, Smith explained. The \$125 registration fee covers four meals, refreshments and educational materials. Those interested in attending the spreadsheet short course Dec. 28-30 in Sweetwater should immediately write or call Dr. Jackie Smith at the Texas A&M University Research and Extension Center, Rt. 3, Box 213AA, Lubbock 79401, telephone 806-746-6101.

Other in-depth short courses to be held in 1988 at Sweetwater will include "Farm and Ranch Accounting with Microcomputers," "Advanced Electronic Spreadsheet Applications in Agriculture," and "Whole Farm/Ranch Planning and Financial Management." Information on these is available from local County Extension offices.

Sandhill Philosopher

Editor's note: The Sandhills Philosopher on his Johnson grass farm on Sandy Acres comes up with an unlikely idea this week.

Dear editor:
Million-dollar football players, the man who paid \$54 million for a painting, or the one who paid \$5 million for a Bible, or the one who just paid \$9 million for a 1931 automobile, or the one who borrowed \$40 million from a Savings & Loan company that's now bankrupt, might be able to afford to live in Japan, but I don't see how most Japanese can.

According to an article I read at half-time in a game where a million-dollar quarterback had already thrown four interceptions and his million-dollar linesmen had let him get sacked five times, a rib roast in Japan sells for \$168 per pound.

Of course there are cheaper cuts. You can get a sirloin steak for \$101 a pound. Or a cantaloupe for \$35. Or an apple for \$3.70. A quarter of a ham goes for \$95.

You can eat all this in an apartment that rents for \$7,400 a month.

Now about those meat prices. I've been thinking, has anybody considered what the street price of an American steer would be in Japan?

Of course I'm not suggesting that we start smuggling butcher calves into Japan, but I was just thinking, if the world's dope smugglers run out of dope, it looks like there might be an opportunity in beef. So far, there's no law against raising cattle.

I've got this Jersey steer out here, wonder what its street price would be in Japan?

Yours faithfully,
J.A.

Crim, Lena Hawkins, S.W. Inman Mrs. Finis Kimbrough and Ruth Terrill.

Irene Steinbock, Ernestine Steinbock, LaVerne James, Lula Maye Shanks, Jackie Johnson, Beth Watson, and Ruth Clements came to shampoo and set the ladies hair Tues. Ruth Riley did manicures.

Iva Carpenter and Nancy Kidd played the piano and lead the singing at our Wed. afternoon Sing-A-Long.

Ora Roberts was visited by her daughter, Ruby Clark, and son, J.D. Duncan.

Thank you Mary Martha S.S. Class First Bapt. Church for your donation to our activity fund. Also the A.A.R.P. We really appreciate it.

Our Christmas card is still underway. Thank you for participating.

Seasons Greetings!

Mr. and Mrs. Joe Turner, Eric Smith's sister and brother-in-law from Ft. Worth, Tx., visited him recently. Mr. and Mrs. Chuck Thatcher, Eric

Smith's daughter and son-in-law from Portales, N.M., and his wife, Lucy Faye Smith, brought Thanksgiving dinner and ate with Eric. Thurs. Thanksgiving day.

Johnny Chappell's family, his wife, daughter, Joann, grandson Jeremy celebrated Mr. Chappell's birthday and Thanksgiving Thurs. with him with a nice Turkey dinner and birthday cake.

Recent visitors of Mildred Nieman were Phillip and Artie Pierce of Bula, Frankie Carpenter of Muleshoe.

Marlene Harper was visited by her son Mike Harper, her daughter Dana and husband Dan Harper.

Olin Whitnire was visited by Zeffa Shafer Mon.

Clara Weaver was visited Wed. by Iva Carpenter. Her husband, Quinn, also visited.

Wilmoth Clements was visited by her family this week.

Louise Legg from Me Ma's Ceramic Shop in Sudan came to help the residents paint cera-

mics Tues. Residents participating were Ora Roberts, Effie Smith, Cordelia Cochran, Vita White, Stella Morgan, Ernest Kerr, Emma Schuster, Ruby McCamish, and Clara Weaver.

Recent visitors of Edith Bruns were Ruth Brisco, her daughter-in-law, Francis Bruns, and her granddaughter, Debbie.

Leland Mounts and Sammie Moore are patients in Lubbock's Methodist Hospital. Please pray for them and their families.

December, 1987

Hail To December! Say They All.
It Gave To Earth Our Christ, The Lord!

-J.K. Hoyt.

December, the last month of 1987, brings happy anticipations of Christmas, homecomings and celebrations. The children's magic world of Santa Claus is played out on the anniversary of Jesus' birth.

December 7 is the anniversary of the Japanese attack on Pearl Harbor, in 1941. Martin Van Buren, 8th president, was born at Kinderhook, New York, on the 5th in 1782. Delaware Day falls on the 7th. Wyoming Day is on the 10th and Indiana Day on the 11th.

Washington died on the 14th, in 1799. On the 15th in 1791 the Bill of Rights became a part of the

Constitution. The Boston Tea Party was staged on the 16th in 1773. On the 17th, in 1903, man made his first flight in an airplane at Kitty Hawk, North Carolina.

On the 19th, in 1777, Washington encamped his 11,000-man army at Valley Forge, Pennsylvania, after the British had occupied the capital, Philadelphia.

The nation acquired the Louisiana Purchase on the 20th in 1803. Washington won the Battle of Trenton, N.J., on the 26th in 1776, a turning point of the Revolution.

Woodrow Wilson, 28th president, was born at Staunton, Virginia, on the 28th in 1856. Andrew Johnson, 17th president, was born at Raleigh, North Carolina, on the 29th in 1808.

TPA
Federal Drug Administration approval of the new drug TPA, for treating heart attack victims, is a milestone in the history of medicine. Every American should familiarize himself or herself with the three letters, TPA.
If in a position to help a heart attack victim, get the victim quickly to a care center where TPA can be administered. Anyone may now be able to save a life in this way. TPA dissolves blood clots which restrict blood flow, kill tissue and often produce fatal consequences.
TPA and several other promising drugs mean a revolution in heart attack care and recovery. The next victim to recover could be you, a family member, or a friend.

Get Outside

This winter take advantage of clear air, open woods and cold weather to enjoy the outdoors. One must, of course, dress appropriately. Hiking and walking through the forests can be a unique pleasure. In many ways winter hiking is preferable to summer outings.

There's no poison ivy or oak, no snakes. One can see more and appreciate the topography.

Because it's cold, many in today's world of modern comfort remain indoors all winter. Dressed properly, one can enjoy the outdoors as much in winter as in summer.

Bedtime Story

"Tell me a story..." is frequently the last plaintive request before this little one closes her sleepy eyes for the night and drifts into that wonderful dream world of contentment and rest. How often have we wished for the same kind of story that would lift the cares and burdens from our everyday lives that we also might find similar peace and comfort as this small child.

Within the reach of all is just such a story. Not a fantasy like Goldilocks and the Three Bears or Sleeping Beauty; but a true narrative founded upon the exciting words of God. The living story of the Bible should be as much a part of our lives as our daily bread. Read your Bible, rejoice in its comforting words and inspiring thoughts. Renew your understanding of this great story by regular church attendance by you and you family.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society of any kind will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Bring back the "Good old days" ...with GTE CLASSIC SERVICE.

GTE CLASSIC SERVICE

GTE TURNS BACK THE CLOCK WITH CLASSIC SERVICE.

Remember "the good old days?" Whatever problems you had with your phone service, you'd just call GTE and we'd take care of it. No second thoughts. No repair bill. Your regular phone bill covered everything.

Now, under recent FCC rulings, you're responsible for the cost of repairs to the wiring and jacks inside your home or business. This makes things a little more complicated.

CLASSIC SERVICE HELPS KEEP THINGS MORE LIKE THEY USED TO BE.

We can't bring back "the good old days" entirely but, with new CLASSIC SERVICE, we can make things more like the way they were.

With CLASSIC SERVICE, you pay only \$1.25 per month to have GTE repair your telephone wiring and jacks during normal working hours, at no additional charge.

Just \$1.25, per telephone number, on your monthly phone bill (about 4¢ a day) covers you, no matter how many jacks you have. And if you sign up before JANUARY 1, 1988, you can avoid the one-time sign-up charge.

Here's how you'll save with CLASSIC SERVICE ...

NO SERVICE CALL CHARGES

Without CLASSIC SERVICE, if you have a problem with your phone service, and a GTE service call is needed to locate the trouble, you will be charged for the visit if the problem turns out to be in your wiring, jacks, or telephone instrument.

With CLASSIC SERVICE, there is no service call charge during normal working hours.

HERE'S WHAT CLASSIC SERVICE COVERS ...

- Service call charges
- Identification of the problem.
- Repair or replacement of inside wiring and jacks.

Like anything else, your telephone wiring can deteriorate with age and exposure to air and humidity. CLASSIC SERVICE covers this damage, as well as damage caused by natural disasters such as floods or lightning.

*Coverage does not include ...

- Willful damage
- Damage due to negligence
- Telephone instrument repair

AND NOW, NO SIGN-UP CHARGE UNTIL JANUARY 1, 1988.

Whatever problems you may encounter with your phone service, we urge you to call GTE first, even if you don't have CLASSIC SERVICE, because in many cases we can correct the problem from "our end." But if the problem does turn out to be inside your premises, won't it be nice to have CLASSIC SERVICE protection?

Sign up for CLASSIC SERVICE before JANUARY 1, 1988 and avoid a sign-up charge.
