

Three Seriously Injured In Two Car Collision Wednesday P. M.

Reports at midnight from those injured revealed that ex-rays were being taken of Keith Parish, suspecting possibly a broken back.

Mr. Wells was complaining of hurting in his left side and had a cut on his lip, but felt he was not seriously hurt. Mrs. Wells was under an oxygen tent, and was critical. The extent of her injuries were unknown. Gary regained consciousness in the Amherst Hospital, but was in pretty bad shape.

Four Earth people were seriously injured in a car wreck at 8:00 p.m., Wednesday night, two miles north of Earth.

Those injured were Keith Parish, son of Mr. and Mrs. Clyde Parish and Mr. and Mrs. Lee Wells and their two grandsons, Gary and Billy Laine.

Mr. and Mrs. Wells were rushed to the Dimmitt Hospital and Keith Parish was rushed by ambulance to the Medical Arts Clinic in Littlefield.

BULLETIN

8 A. M. reports from hospital indicated that Keith Parish suffered a broken pelvis and possibly a broken arm. He had remained conscious all night.

Gary Lanie is reported to be resting well at the Amherst Hospital.

Mrs. Wells has regained consciousness and ex-rays are to begin this morning, she still remains in serious condition.

Keith Parish and Billy Laine were taken to the Faust Clinic, where several stitches were taken in Gary's face and lip, the other boy was uninjured. Gary was taken to Amherst Hospital, Billy was released.

The impact occurred in front of the J. W. Kelley home north of Earth, where Lee Wells driving north in a '41 Ford, about to turn into the driveway and Keith Parish, driving a '56 Bel Aire Chevrolet was driving toward town.

Two District Highway Patrolmen were investigating the wreck but no details as to the cause of the wreck were definite.

Jerry Kelley a nearby resident ran to the scene of the accident. He said he got the two boys into the house and got the Lees' out of the car, and found Parish thrown from his car 50 or 75 feet lying face down.

Both cars were completely demolished, Parish's car appeared to have flipped over several times before coming to rest on its top.

Camille Haberer Injured When Kicked by Horse

Camille Haberer, three year old daughter of Mr. and Mrs. Roger Haberer sustained injuries when kicked in the face by a horse, Friday at the farm home of her parents.

Camille underwent surgery Friday night at the Littlefield Hospital for a severely cut lip and gums. She suffered a broken nose and loss of seven or eight teeth.

After horseback riding with his children, Haberer was putting his horse in the barn when the accident occurred. Camille and a dog was following behind when the dog barked, causing the horse to kick at the dog and strike the child.

Attendants report her condition to be somewhat improved.

Credit Bureau School Set For September

Sam Lindley of the Credit Bureau in Muleshoe will conduct classes in connection with the newly formed Credit Bureau in Earth. Classes will be September 4-6 at \$1.50 per person. Time and location will be published in next weeks Earth News.

MR. AND MRS. DAVID L. LEVENS

Two New Employees At Citizens State

David L. Levens of Roby, Tex. has accepted a position as assistant cashier at the Citizens State Bank.

Prior to coming to Earth, Levens had been employed at the Citizens State Bank in Roby the past three years.

Mrs. Levens will also be employed at the bank to fill the vacancy of Mrs. Keith Jones who resigned recently.

Both Mr. and Mrs. Levens assumed their duties at the bank Monday morning.

The Levens are living in the north part of Earth.

Booster Club Has First Meeting Elect New Officers

The Wolverine Booster Club met at 8:30 p.m., Tuesday with 23 members present.

New officers were elected for the coming year, which were Eugene Matthews, president; Marcus Messer, re-elected vice-president; Ross Middleton, secretary-treasurer.

A committee was appointed to begin a membership drive. They were Soup Goforth, Stump Washington and Ralph Rudd.

The membership fee has been set at \$5.00 per person.

Marcus Messer, Skeeter Brock and Leonard Stephens were appointed to secure a camera and projector to film the coming football games.

PANCAKE SUPPER TO BE HELD SEPTEMBER 7

A pancake supper will be held from 5:30 to 7:30 p.m. at School Cafeteria, September 7, before the first football game of the season which will be played against Bovina at the home field.

Wolverine Booster members will be in charge of the concession stand at the football field during each home game.

BOSTER CLUB TO MEET NEXT TUESDAY

Members and those interested in football and prospective members are invited to attend the next meeting which will be held at 8:30 p.m. Tuesday, August 28.

NOTICE . .

PIE SUPPER
The Pleasant Valley Community will conduct a Pie Supper Sale at 8:30 p. m., Monday, September 3 at the Pleasant Valley Community Building.
Proceeds will be applied to the Community Building Fund.

NOSIN.....

WITH POLLY

Habit is a cable. We weave a thread of it every day, and at last we cannot break it.

—HORACE MANN

The Houston Stephens family are "just plain thankful" to be back home after a much to eventful vacation.

They are indeed glad to be ON EARTH as well as BACK IN EARTH, after their car wreck in California.

We in Earth were proud to have them back and thankful they were in as good a shape as they are, though Houston doesn't look like he's in any shape to run a foot race.

—nosin—

The Circulation Campaign is going along fine. Last week we had a long distance call from Abilene in which the lady renewed her subscription.

—nosin—

Bill and Vera Pope dropped by Wednesday. Bill who was instrumental in getting the Highway Project through Earth is still interested in Earth and its progress he hadn't gotten the last four copies of the Earth News. He had us dig them up for him. (He also renewed his subscription.)

—nosin—

Guess you all remember that old poem "Come Into My Parlor Said the Spider to the Fly?"

Well last Friday I really begin to understand that poem more, after Mrs. Combs, one of our new faculty members strolled innocently into the office to buy a paper to seek out listings of rental property here in Earth. (She fairly got the full treatment.) SHE LEFT AFTER we sat a story, pictures of both she and her husband and bought a subscription to the paper.

Well we've always heard teachers had to have patience, (we can certainly vouch for hers WE TRIED THEM OUT.) Plus her patience we found she was definitely unafraid after getting such a reception she came back and told us she rented a house.

—nosin—

This night has been so long, (it always seems so after sadness has overtaken a community). After the folks in the car wreck were taken to the three hospitals we had several calls as to their condition. People wanted to do something, and so little can be done. Several went to the hospitals to see about them. Faye Adrian, who had been to the Littlefield hospital reported their condition about 11:00 and Roy Gover came by as he went out at 1:30 a.m. to see about Gary, whom we had all heard was real serious. The Cecil Lemmons went to Dimmitt to see if there was anything they could do for the Lees.

We hope by morning reports from each of the injured will be much better than the ones we have tonight.

Expression Class To Begin Saturday

Mrs. Horace McAdams will begin registration for Expression Classes at 9:00 A. M. to 12:00 noon, August 26, at the Community Building and regular classes will begin at 1:00 P. M., Saturday.

Pupils will be registered from 3 years and up. Fourteen pupils have already registered and only eighteen more pupils can be registered, according to Mrs. McAdams.

Mrs. McAdams has taught expression the past 19 years in Muleshoe, and also teaches kindergarten classes each morning.

NOTICE

USED CLOTHING NEEDED
Those who have used clothing, who wish to donate it to help clothe the underprivileged children, white or colored are asked to call or leave clothing with Mrs. Pat McCord.
Clothing is needed now, to be in readiness when school begins. Anyone knowing of any children who will not be able to start to school due to the need of clothing are also asked to contact Mrs. McCord, and clothing will be delivered.

Candidates Nearing End Of Mammoth Expansion Campaign

MR. AND MRS. BENCIL DOBBS AND BECKY

Winning candidates will be ones using every available hour these closing days. Subscribers should see that their subscription reaches the office at once to secure special rate.

With candidates nearing the end of the Earth News Mammoth Trade Expansion Campaign, with only a hair line difference between. It is only logic, that the next few days will find candidates using every available minute for the little remaining subscriber time of the big campaign.

The \$50.00 Special Award offered for these closing days of the drive should spur everyone on to a strong finish.

No candidate in the list can say they do not have a chance of winning, as everyone is placed on an equal basis with all persons given the chance to win \$50.00 for the next few days, in addition to their cash commission or what ever prize they may win.

All subscribers who have not taken advantage of the saving that each has the opportunity to secure, should not wait another day, but bring their subscription to the office at once and take advantage of the saving. There is too great a possibility of a subscriber being overlooked in candidates hurried finish, or the subscriber might be away from home when the candidate calls.

Listed below are the names of those competing for the prizes. Subscribers who do not find it convenient to come to the office, have the privilege to mail their subscriptions to the office, giving the name of the person whom they wish to have credit.

Candidates are: Mrs. Travis Jacques, Miss Sharon Hay, Myers Ogletree and Mrs. Clifford Bill.

MR. JIM COMBS

MRS. JIM COMBS

Mr. and Mrs. Bencil Dobbs To Teach

Two other teachers to accept contracts at the Springlake Schools are Mr. and Mrs. Bencil Dobbs of Allen, Oklahoma.

Mrs. Dobbs is a graduate of Abilene Christian College and will teach commercial business in High School.

Mr. Dobbs has attended East Central State Teachers College at Ada, Oklahoma and also Abilene Christian College and will teach math, plain geometry, algebra 1-2.

They have one child, Becky, four months old.

They are members of the Church of Christ.

The Jim Combs Accept Position With Springlake Schools

Mr. and Mrs. Jim Combs of Hereford, Texas have accepted a position with the Springlake Schools.

Mr. Combs has taught in the Hereford Schools the past four years.

Mrs. Combs has attended West Texas State Teachers College in Canyon and will graduate this week at East Texas State at Commerce, Texas. Mrs. Combs will teach in the 2nd grade and Mr. Combs in the 5th grade.

They have three children, James S. Wendell 4 and Joy 2 years old. The Combs will move next week into the Dutch LaRue home.

School Bells Will Ring Monday, September 3rd

Springlake School Class work will begin at 9:00 a.m., Monday, September 3 and lunch will be served at noon in the lunch room.

The faculty of the Springlake Schools are almost completed according to Superintendent Bill Mann. Several new teachers have been added to the staff the past week, with only three more teachers to be added.

BAND PRACTICE TO START NEXT MONDAY

Noian B. Froehner, band director of the Springlake School has asked that all students interested in band to be at the school Monday August 27.

Band rehearsal will be daily from 9:00 a.m. to 12:00 noon.

Twirlers, prospective or regulars and all prospective Drum Majors will meet Saturday, August 25 at 9:00 a.m.

HANDBOOKS TO BE ISSUED TO STUDENTS and TEACHERS

According to Supt. Bill Mann, handbooks will be issued to both the student body and staff members at the school this year.

Also the Springlake School Board members will adopt written policies. These policies and handbooks are required to meet accreditation standards for the school.

REGISTRATION DATES

All Senior Students will register in the Study Hall, Friday, beginning at 9:00 a.m. Junior Students are asked to register in Room 5 at the High School, also on Friday, August 31.

All beginners will register, Friday, August 31. No buses will run Friday.

Buses will run Saturday, September 1. Second grade through 10th grade will register, beginning at 9:00 a.m.

Freshmen will register in the Study Hall and Sophomores in Room 5 at the High School.

Don't Forget To VOTE Saturday

Her condition is reported to be much improved.

Mr. and Mrs. Bernie Sarraudet spent Sunday at Almarcoro Lake.

LETTERS TO THE EDITOR

Gatesville, Texas
August 20, 1956

The Earth News
Earth, Texas

Dear Mr. and Mrs. Middleton:

Enclosed you will find my belated check in payment of my years supply of good ole "Earthy" news.

I really appreciate your fine paper so very much. Believe me, I read it from cover to cover. It makes me feel just a little closer to the wonderful people that I associated with while out in that little West Texas metropolis when I read in your paper of their comings and goings, joys and sorrows.

I am planning to move to Killen (where I will begin teaching the 1st) and I wish you would send my paper there, for I do not wish to miss a single copy. The address is 1215 Middleton, Killen, Texas. I was wondering if you all had relatives down here since the name is the same. Give Philip my regards and tell him I wish him the best for his fourth year.

Sincerely,
Rita Lee

Party Line...

J. B. Martin and girls visited Mr. and Mrs. Ralph Martin of Hereford, Sunday.

Mr. and Mrs. Ed O'Hair were Lubbock visitors Monday.

Mr. and Mrs. Olin Graham visited relatives and friends in Littlefield, Friday night.

Mrs. Sarah Clark spent from Monday until Friday in the home of her son, Mr. and Mrs. George Clark.

Mrs. Sam Raper of Dimmitt spent the weekend with her mother, Mrs. Sarah Clark.

Mr. and Mrs. Clarence Kelley and family are vacationing in New Mexico and Colorado this week.

Mr. and Mrs. Robert Sturgis and family of Tipton, Oklahoma spent the weekend in the Roy Grover home.

Inventor of the adding machine was Pascal, a Frenchman, in 1642.

**A Woman's World
and
OIL**

by PETROLEUM PEGGY

Long ago, an Arabian lady tiding up her home found a cluster of worthless red berries that her husband had brought in from the woods, and threw them into the fire. Soon the room was filled with a delicious fragrance, which came from the little berries now toasted to a rich brown in the brazier. It was coffee.

Everybody loves coffee. As a nation, we drink as much coffee as the rest of the world combined, an average of 3,000 cupfuls a second—enough in a year to keep Niagara Falls flowing for almost an hour! And it takes the output of 10 trees to keep one coffee drinker supplied for a single year.

Green coffee does not have a pleasant flavor, and the beans must be roasted carefully to develop the aromatic oil. This can be done either before or after the coffee is blended, depending on the method used. There are about 3,500 coffee beans, all picked by hand, in one pound of roasted coffee, and at least two or three, and sometimes as many as eight, different kinds of coffee go into each blend.

A while back, coffee was roasted with coal and wood, but these have given way to petroleum fuels such as oil, natural gas, and liquefied petroleum gas. The coffee brewing cheerfully on the gas range in the kitchen is really being cooked by petroleum for a second time.

While petroleum fuels roast the flavor in, another petroleum product, a solvent called trichloroethylene, can take the caffeine out, for people who want sleep insurance with their coffee.

The coffee roasting firms of the United States lead the world in up-to-date equipment. So do the nation's oil companies. The lift you get with that first cup of coffee in the morning is worth millions literally.

TEMPORARY QUARTERS — for Negro students. This building located across the street from the Springlake School Campus will be the temporary school for the Negro students until the school board can have sufficient time to study the requirements needed to meet state specifications regarding the local Negro School in Earth. This building has been redecorated, and is equipped with water fountains and bathrooms.

It was first decided by the school board to move this building to Earth to the present Negro school site to be added to the one room school, but after considering the high cost of moving the building plus the chance that the building might not meet state requirements, the board reconsidered and determined it wise to begin school in the building at its present site in order to save funds in case the old building after moving it would not meet state requirements and they would still be required to build a new two room building. This arrangement will be carried out until the board has sufficient time to study the details on the requirements of the Negro School.

Four Attend Farmer's Union Junior Camp In Oklahoma

Four Juniors of the Farmers Union left Sunday to attend the Farmers Union Junior Camp at Turner Falls, Oklahoma. They will return today.

Attending are Mike Burgess, R. C. Davis, Jr., Virgil Vaughn and Jessie David Starkey. They were accompanied by Mr. and Mrs. Floyd Burgess and sponsored by the Earth Local 118.

The Oklahoma Farmer's Union arranged for Texas to participate in the camp this year. Other Locals in Lamb County are also attending the camp.

The camp is located at the Methodist Camp Ground in the beautiful Arbuckle Mountains where plenty of recreational facilities are available, including skating, swimming, hiking and horseback riding.

The program that will be outlined for study and work as well as recreation, will be completely supervised by competent staff members selected from the staff of the Oklahoma and Texas Farmers Union, also from the National Farmers Union.

The Camp is open to Junior members of Farmers Union families, both boys and girls between the ages of 14 and 21.

QUALITY and QUANTITY, PLUS FLAVOR — Is what this patch of tomatoes have proven. Shown here is the owner of the tomatoe patch and E. Salinas, Jr. from the Valley with his pickers from old Mexico. Salinas said from this first picking he figured the yield would be about 600 crates, that would weigh about 55 pounds each. These delicious flavored tomatoes which have already been shipped to Dallas, Ft. Worth, Waco, Wichita Falls, Borger and several places in Kansas are in demand by all those who have sampled them. These tomatoes are supposedly the first to reach maturity anywhere in the Plains area. Mrs. Haley said since we ran a picture of the patch in Early August that she had needed a secretary to answer her telephone as folks were anxious to get some of the tomatoes.

PLAINS WATER TABLE DROPS

A discussion of the Plains Water supply is given in the article "Plains Water Table Dropping" in the September issue of the Progressive Farmer magazine.

An extension service survey covering the period 1950-54 has been made in the counties of Lynn, Terry, Crosby, Lubbock, Bailey, Hockley, Lamb, Hale, Floyd and the southern third of Swisher Castro and Parmer counties. In this area where more than 850 percent of the irrigated acreage is located they learned the following information:

1. Number of irrigation wells increased from 14,000 to 27,500.
2. Irrigated acreage rose from 1,600,000 to 3,500,000.
3. Ground water use rose from 1,600,000 to 5,200,000.
4. Water level dropped an average of 13 feet.
5. Acreage per well was dropped 26 percent.

The rapid increase in number of wells has not only caused a decline in water levels, but has also changed pumping life, well performance, and operating cost.

The 1954 average water cost per acre more than doubled the 1947-49 average. Increased hours of pump operation, increased investment, and a decrease in the acres irrigated per well combined to raise water costs.

Aunt Of Paul Wood Dies Mon.

Mrs. W. A. Wood, 76, of Coalfield, Tennessee, aunt of Paul Wood died at 10:20 a.m., Monday, after a long illness.

Funeral services were scheduled to be held at 2:00 p.m., Thursday at the Coalfield Methodist Church and burial was in the Coalfield Cemetery.

Survivors include her husband, four sons and one daughter. Mr. Wood was unable to attend funeral services.

Officers Elected At F. H. A. and Pep Squad Meeting

A joint meeting of F. H. A. and Pep Squad meeting was held at 2:00 p. m., Friday in the High School auditorium.

F. H. A. officers were elected for the coming year, which are:

Sue Curtisinger, president; Marilyn McGeath, vice-president; Pat Armstrong, treasurer; Sue Neal, secretary; Laverne Bibby, historian; Laftue Glascock, parliamentarian; Carolyn Ray Sanderson, program chairman. Francis Cole, reporter.

A report on the Pep Squad meeting they attended in Wichita Falls recently was given by Pat Armstrong and Janice Prather.

Pep Squad leaders elected were:

Sherry Stine, head, Viola Hall, Senior; Pat Armstrong, Junior; Janice Prather, Sophomore; Billy Jean Watson, Freshmen.

Suits for the coming year will be green corduroy straight skirts and white blouses. Approximately 30 girls attended and their sponsor, Mrs. Laverne Sarradet and Mrs. Bob McCaskill and one guest Mrs. Orbie Armstrong.

Assembly of God Church Circle Sing To Be Held in Earth

It has been announced by the Assembly of God Church in Earth that there will be a Circle Singing and a basket lunch held every two weeks at one of the Assembly of God Churches of this district.

Those of the district include the Assembly of God Churches in: Muleshoe, Needmore, Littlefield, Anton, Dimmitt and Earth.

The public is invited to attend.

S. L. GARDEN CLUB NEWS — The Springlake Garden Club announced that Mrs. Jack Sanders has been accepted as a member of the Club.

Mrs. Sanders was immediately appointed chairman of the Press Book Committee.

Nephew of Mrs. Paul Chance Dies Friday In Tractor Mishap

Funeral services were held at 4:40 p. m., Saturday in the First Baptist Church at Anton for Bob Jack Rathel, 24, who was killed instantly at 12:30 a. m., Friday in a tractor accident between Earth and Dimmitt.

A tractor belonging to Ray Stappell was being driven by Rathel to pull a car across a ditch when it overturned on him, pinning him beneath.

Rathel is survived by his parents, Mr. and Mrs. Odas Rathel of Anton, one brother, Oda Lee Rathel of Amarillo; two sisters, Mrs. O. T. McPherson of Hereford and Mrs. Bill Aiken of Edinburg; his grandparents, Mr. and Mrs. W. P. Rathel of Crosbyton and Mrs. Rosa Scitern of Gorman and an aunt Mrs. Paul Chance of the Earth community.

Baptist Men Attend Camp

A group of men of the First Baptist Church attended the District Brotherhood meeting held at Floydada, Monday night.

Those attending were Troy Davis, M. G. Kellar, Guy Francis Kelley, Reed Yandiel, Gardener Sanderson, H. B. Weaver, Raemon Cole, Travis Jaquess, Carl Gregory and Cecil Meajows.

Party Line.....

Dianne Jackson of Fort Worth, Texas is visiting her grandparents Mr. and Mrs. H. J. Gilmore.

Refreshing "Gourmet" Dessert

By BETTY BARCLAY

Here is a cool, refreshing dessert for warm summer days. It's so party-pretty, so festive—yet a breeze to fix. It features rennet powder (the secret of many an easy, "gourmet" dessert) and port wine. Try the recipe below and see for yourself how easy it is to make Strawberry Wine Rennet Dessert. Once you try it, you'll want to serve this delicious, refreshing dessert often during the summertime. Especially for parties—it's so special.

- Strawberry Wine Rennet Dessert**
- 2 cups milk
 - 1 or 2 tablespoons port wine
 - 1 pkg. Strawberry Rennet Powder
 - Whipped cream
 - Cherry slices
 - Walnut meats

Set out 4 or 5 dessert glasses. Add wine to milk. Warm slowly until lukewarm, stirring constantly. Test a drop on the inside of your wrist frequently. When it feels comfortably warm (110°F.) not hot, remove at once from heat. Stir in entire contents of package at one time. Mix until powder is dissolved—not over one minute. Pour at once, while still liquid, into glasses. Do not disturb while milk sets—about 10 minutes. Chill. Just before serving, garnish edge with whipped cream and decorate with cherry slices and walnut meats.

AUSTIN, Tex.—Campaign headquarters of Price Daniel, Ralph Yarborough and Will Wilson have been beehives of activity.

Daniel and Yarborough have gone all out to win the Democratic nomination for Governor of Texas. Wilson has campaigned even harder than he did in the primary, in order to increase his lead in the Attorney General's race.

But withering Texas heat has sapped campaign enthusiasm among the voters. Interest that developed in the July primary has dwindled considerably.

Last month brought the largest primary vote in Texas history—1,576,876 in the Governor's race. However, if the second primary vote beats that of two years ago it will surprise everyone.

Nevertheless the conservatives and the liberals are working for a big voter turnout on Saturday. DELEGATES RETURN HOME.—Wary Texas delegates to the Democratic National Convention have returned home to face still bigger tasks.

Their goal: (1) to win undisputed party control at the Sept. 11 state convention, and (2) to swing Texas back to the Democratic column in November.

In both efforts they will have the guidance of two of the party's most influential leaders—U. S. Sen. Lydon Johnson and House Speaker Sam Rayburn.

Hopes are based on the mild civil rights plank adopted at the Chicago Convention. Both Johnson and Rayburn are credited with significant roles in gaining this "moderate" victory.

Many of the Texas delegates say they will have a hard time selling the Stevenson-Kefauver ticket in this state. There is considerable muttering about the prospects of victory in November. And Former President Harry Truman's cracks at Stevenson didn't help a bit.

DROUGH AID PROGRAM LAUNCHED.—Federal and state machinery are grinding out a three-phase drought aid program for Texas farmers and ranchers.

Action came as mounting disaster conditions caused federal officials to release "one of the bleakest crop and cattle situation reports in 22 years."

Present plans would provide (1) certificates good for 1.50 per hundredweight toward feed grain pur-

chases, (2) certificates for \$7.50 per ton to buy roughage and (3) Farmers Home Administration loans to refinance debts on family-size farms.

Initial details were worked out at an Austin conference of U. S. Dept. of Agriculture officials, Gov. Allan Shivers, Agriculture Comm. John White and the Texas Emergency Drough Committee.

USDA is providing \$1 million to finance the roughage program. Gov. Allan Shivers has allocated \$100,000 from his emergency fund for administrative operations.

Texas reaction to the federal offers ranged from "fairly satisfactory" from Governor Shivers to "too little and too late" from some Texas farmers.

USDA's weekly report on Texas agricultural conditions termed the drought "one of the most severe on record." It reported pasturage conditions "lowest since 1934" and feed crops "very short" over most of the state.

RESERVOIRS DROP.—Water in Texas' major reservoirs was down 29 per cent during July from 1955. Average storage was 51 per cent of capacity.

As evidence of "critical conditions" the State Board of Water Engineers' monthly report cited these further statistics: (1) July rainfall was less than half of normal. (2) Observation wells continued a decline to all-time lows in five areas of South Central and West Texas. (3) Dwindling streamflows and decreasing storage resulted in water rationing in many cities in all areas.

MORE SAFETY ASKED.—Next year's Legislature may be asked to double the present 470-men state-highway patrol.

Such an increase was urged by Homer Garrison Jr., director of the Department of Public Safety, in a talk before the Texas Safety Association Women's Conference. Cost of safety precautions is cheap compared to accident costs, said Garrison. Property loss alone has exceeded \$1.5 billion in the past 20 years.

A legislative program being pushed by the Association includes: (1) more patrolmen, (2) county-wide traffic courts, (3) state-financed driver education, (4) prohibiting sale of fireworks, (5) chemical tests for drunken drivers and (6) laws to punish juvenile traffic offenders.

BIGGER HIGHWAY PROGRAM STARTED.—Expanded highway building under the new federal program is off to a fast start in Texas.

In the first tabulation since U. S. aid bill passage, the State Highway Commission received low bids totaling a whopping \$18,494,446. Of this, some \$5,847,578 was represented by six bids for improvement of federal interstate routes.

SHORT SNORTS.—contracts awarded in Texas during July soared to \$86,921,020 highest point since July, 1952. A "School Problems Forum" has been scheduled by the Texas Association of School Boards for Oct. 14-15 in Austin. Board members have been invited to bring

ing questions for group discussion and consideration by a panel of top educators. Texas' oil allowance for September was set by the Railroad Commission at 73,505 barrels a day on a 15-day producing pattern. Taxes on whiskey brought into Texas from Mexico totaled almost \$1 million last year. Last week's audit of the Texas Liquor Control Board showed 1955 collections at \$905,801, compared to only \$379,534 in 1954. A portable classroom bleacher has been developed by University of Texas engineers. It is designed to give from 15 to 25 students a close-up view of teachers demonstrations.

Streamlining of State Library services might save Texas taxpayers a substantial sum of money, reports the Texas Research League. An extensive survey was made by the league, at the request of the Library Commission. Gas companies continue to hammer at the state for recovery of millions paid under the old natural gas gathering tax law. Latest to win a judgment was the El Paso Natural Gas Co., victor in an Austin district court case. It was one of several companies which paid the tax without protest.

AUSTIN, AUGUST 18.—Constitutional amendment No. 7 which goes to Texas voters in the November general election drew strong support today from Durwood Mansford of Smiley, Chairman of the Board for Texas Hospitals and Special Schools.

"By approving this amendment, Mr. Mansford said, "Texans can correct the injustice of our present mandatory jury trial for mentally ill persons seeking treatment in our state hospitals."

"The proposed amendment in no way interferes with the constitutional right to a trial by jury, but simply permits a person asking admission to the state hospital to waive this court procedure."

Present Texas laws require a jury trial for any person receiving treatment in a state mental hospital for a period of more than 90 days. Provisions for the constitutional change was enacted by the 54th Texas Legislature in 1955 through passage of House Joint Resolu-

tion 11. The amendment would require "competent medical or psychiatric testimony" in determining the commitment of persons to mental hospitals.

Mr. Mansford, a former member of the legislature and Speaker of the House, said the present commitment law is the only civil procedure in the state in which the persons involved cannot waive a jury trial.

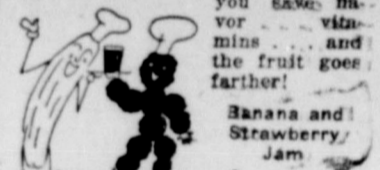

"This has inflicted needless embarrassment and suffering of families of patients as well as individuals needing treatment," Mr. Mansford said.

Passage of the amendment should relieve some of the anguish mental illness imposes, but will by no means deny a jury trial to any person requesting it, the hospital board chairman said.

New Style Two-Fruit Jam

By Betty Barclay

MAKE this unusual two-fruit jam while berries are in season. By boiling jam only 1 minute you save flavor and the fruit goes farther!

Banana and Strawberry Jam. 4 cups prepared fruit (2 ripe bananas and about 1 1/2 qts. ripe strawberries); 5 cups (2 1/2 lbs.) sugar; 1 box Sure-Jell fruit pectin.

Prepare fruit. Mash 3 ripe bananas to a fine pulp. Crush completely, one layer at a time, about 1 1/2 quarts fully ripe strawberries. Combine fruits and measure 4 cups into a very large saucepan.

Make jam. Measure sugar and set aside. Add Sure-Jell to fruit in saucepan and mix well. Place over high heat and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat and skim off foam with metal spoon. Then stir and skim slightly, to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with 1/4 inch hot paraffin. About 8 medium glasses.

IT'S WATCH INSPECTION TIME! SEPTEMBER 10-19

Your watch serves you best when you have it expertly serviced

Springlake News

by Mrs. W. T. Clayton

Mr. Bob Chitwood and Mr. Edwin Duncan are managing the Rubbe Carruthers Grocery while the Carruthers are at Ruidosa.

The Star Drive-In Cafe opened Monday morning under the management of Frank White. The Whites had been living in Tahoka the past year.

Mr. and Mrs. J. B. James and family are fishing and vacationing near Alamogosa, New Mexico.

Mr. and Mrs. W. T. Clayton shop ped in Littlefield and Lubbock, Tuesday.

Mr. Foy Cook and son shopped in Littlefield Tuesday.

ROYAL SERVICE FOR W. M. S. Tuesday

The W. M. S. of the First Baptist Church met Tuesday at 2:30 p.m. for the monthly "Royal Service" program. The theme of the program was, "Ye Christian Herald! Go Proclaim," written by Mrs. J. Wash Watts of Louisiana.

Mrs. Ernest Baker had charge of the program with Mrs. Leslie Mason bringing the Devotional. Those having parts on the program were Mesdames Leslie Watson, F. W. Bearden, Thelma McClanahan, Harlan Watson, Lowell Waldon, Troy Blackburn, John T. Williams and Miller and Stone. Mrs. Robert Huckabee closed the meeting with prayer.

Mrs. Donald Packard called at the W. T. Clayton home Wednesday morning.

Melvin McClure, son of Mr. and Mrs. Howard McClure is in Montana, where he has been working in harvest this summer, he is expected to arrive home by the 20th of this month. Melvin will be a Senior in the Springlake School this year.

Grandmother Bearden's sister-in-law, Mrs. Jones of Hooks, Texas is visiting here with Mrs. Bearden and other relatives.

Mr. and Mrs. Jess Matlock and daughter of Whitarral and her small son visited Mrs. G. C. Bearden Wednesday.

W. T. Clayton was in Littlefield on business Wednesday.

Billy Matlock received his call

for service for September 4. Mrs. John T. Williams and Rev. and Mrs. Edward Phelps ate dinner in Olton, Sunday.

Ernest Baker gave the Highlights of the weeks Sunday School closing with a session of prayer, at the mid-week prayer service, Wednesday night.

Mrs. G. H. Miller spent Monday and Tuesday night with Mrs. John T. Williams.

Mrs. W. Clayton visited in the home of Mrs. George Richards, Wednesday evening.

Mr. and Mrs. James Riddle of Brownfield visited in the home of her parents, Mr. and Mrs. Gus Parish Tuesday. Ricky and James Lee returned to Brownfield with their parents, they had been visiting with their grandparents, Mr. and Mrs. Parish the past two weeks.

Mr. and Mrs. Jess Matlock had as guests this past week, their daughter and grandchildren from Whitarral.

Mrs. G. C. Bearden, Sr., went to Muleshoe Wednesday for a medical check-up.

Grandd Parish of Truth or Consequences, New Mexico is visiting his son and family, Mr. and Mrs. Gus Parish.

Bud Matlock was ill with the flu the past week.

Rev. and Mrs. John T. Williams received word that their daughter-in-law had undergone surgery in a hospital in Hawaii and is reported improving.

Little Terry McFatter visited with her grandparents, Mr. and Mrs. Gus Parish, Wednesday evening.

Gary Miller was back in Springlake Wednesday and attended prayer service Wednesday night. Gary has been working for his brother-in-law, Kenneth Heart of Littlefield the past three months.

Mr. and Mrs. W. T. Clayton received an invitation Tuesday to the wedding of Rebekah Earl Swanner, daughter of Doctor and Mrs. Franklin Earl Swanner, District Missionary of District 9. The marriage of Rebekah Earl to Mr. Miller McGahey on Saturday, August 25, 1956 at 8:30 p.m. in the First Baptist Church at Plainview, Texas.

J. L. Hardin, business manager of Wayland College was guest

speaker at both services at the Springlake Baptist Church Sunday August 19th. Mr. Hardin is an outstanding lay leader among Panhandle Plains Baptist Churches. For the past six years, he has served as secretary-treasurer of the Staked Plains Baptist Association.

Mr. Hardin is a popular toastmaster and after dinner speaker for High School and church banquets. He is a deacon of the First Baptist Church of Plainview, where he taught a Sunday School class of young men for the past eight years. He may also be remembered as an ex-teacher in the Springlake School system.

Mr. and Mrs. Jess Herriage entertained in their home, her sister, Mr. and Mrs. George T. Avery and son of Dallas, Texas, The Averys' visited the Herriages and other relatives from Tuesday until Friday.

Miss Viola Stinson, daughter of Mr. and Mrs. Ruben Stinson of near Springlake, became the bride of Charles D. Jones of Amherst, August 8th, in the First Baptist Church of Norfolk, Nebraska. Viola attended the Olton School and is a graduate of Texas Tech. She taught Home Economics in Tyler, Texas and will teach in the Spade High School this year.

The groom is a graduate of the Amherst High School, served four years in the U. S. Air Force and at present is serving as County Clerk for Lamb County. After a wedding trip to Northern Minnesota, the couple will be at home in Littlefield. Viola was known as "Sissy" to the Earth and Olton Rainbow Girls.

Mr. and Mrs. R. H. Monroe of Hart Camp visited with relatives in Springlake, Sunday.

The Lions Club met Thursday noon at the Springlake community building with Billy Braden, president in charge of the business session. Mrs. Walker of Plainview, who is a representative of the United Nations spoke on the topic of "United Nations," other guests were Mr. Billy Hahn coach of Springlake Schools and Mr. Bill Mann, Superintendent.

Mr. and Mrs. F. W. Bearden and children visited in Spade Saturday.

Visiting in the home of her sister, Mrs. Herschel Sanders Friday and Saturday were, Mrs. J. L. Ward and children, Donnie and Lynda of Olton. Donnie and Lynda underwent a tonsillectomy Thursday.

Mrs. Ester Bomar underwent surgery at the Methodist Hospital at Lubbock Friday.

Mrs. Art McFatter honored her husband with a surprise birthday party at the Springlake park Thursday night.

Mrs. Burton and children were visitors at the Baptist Church Sunday morning.

Mr. and Mrs. G. C. Blackburn of Texas City and children are visiting in the home of brother, Troy Blackburn and family.

Mrs. Lester Kelley, honored her daughter, Beverly Kay with a birthday party Saturday evening, August 18 at her home.

Mr. and Mrs. Gus Parish and Mr. and Mrs. W. T. Clayton motored to Enochs, Texas, Friday night to attend the Baptist Revival in progress at the Enochs Baptist Church. Rev. C. T. Jordan is conducting the services, pastor of the Enochs Baptist Church is Rev. Harris.

Bob McClure, son of Mrs. Mary McClure is home from service on a furlough.

A "Come and Go Bridal Shower" honoring Mrs. Betty Sue Cowell will be held at the Springlake community building, Friday, August 24th.

Hostesses will be Mesdames Foy Cook, Donald Packard, Loyd Spies and Elroy Wislan.

XIT STUDY CLUB SPONSORS BROWNIE SCOUTS

The Springlake XIT Study Club is sponsoring the Brownie Scouts as their project for the year. The meetings will be each Tuesday at 5:00 p.m. at the Springlake community building, with Mrs. James Busby and Mrs. Kenneth Parish and Miss Charlotte Gibson as leaders.

G. R. Smith was attending business in Littlefield Friday.

Mrs. Jess Watson shopped in Littlefield Friday.

Mr. and Mrs. W. T. Clayton visited with Mr. and Mrs. J. J. Davis and Mr. and Mrs. Donald Kelley Sunday evening.

Mrs. Tommy Smith of Vernon, Texas is visiting his mother Mrs. A. B. Smith this week.

Mrs. David Grimsley of Olton visited her mother, Mrs. Ester Bomar at the Methodist Hospital Sunday.

Diana and Pam Avery of Anton is staying with their grandmother, Mrs. Thelma McClanahan while their parents are in Truth or Consequences, New Mexico.

Billy Braden called at the W. T. Clayton home Monday morning.

Mrs. J. L. Hardin was a visitor in the Springlake Baptist Church Sunday night.

The Junior G. A. Girls of the Baptist Church met Monday evening at 4:30 with their sponsors, Mrs. Thelma McClanahan and Mrs. Ernest Green. The girls are studying on their steps of advancement.

To The People Of Lamb Co.

We, as temporary members of the Board of Directors of the proposed Lamb County Water Control and Improvement District Number One, hereby wish to convey to you some of the facts pertaining to the establishment of the proposed District.

As most of you know Water is becoming the number one problem, not only in the State of Texas, but also in the Nation. Our state now ranks 2nd in irrigation, behind California, and 3rd in industry, behind Ohio and Pennsylvania. Since water is playing such an important factor in the economy of the State, certainly all of us should be aware of its importance here in in Lamb County.

To Purchase Water Rights

Within the proposed water district we have verbal commitments on some 24,000 acres of sandhill land of which the district can purchase the water rights. These water rights would belong to the District outright, from now on, and not for a term of years, as some of you have heard. These sandhill lands are the major source of recharge for the surrounding area. Also on authority from hydrologists, these lands have approximately 855,000 acre feet of water. It is a common saying that one acre feet of water will produce one bale of cotton, so we are getting water rights enough to produce 855,000 bales of cotton.

Another line of thinking we have heard is that if need be, larger municipalities could come in and condemn our water and take it. This is not true as the statute we are establishing the district under is that the water CANNOT be used outside of the district. True we would be required to furnish cities and towns within the boundaries of the district, but of course they must pay for the water used. Our district would be for the "CONTROL, STORING, PRESERVATION and DISTRIBUTION" of its waters, within the bounds of the district.

Should the district be confirmed by election, September 1, 1956, it will be under the jurisdiction of a five man board of directors, duly elected by the eligible voters residing within the bounds of the district. This board of directors would complete the verbal commitments already established, and purchase any additional acreage which they deem advisable to buy.

Within the bounds of the proposed district Southwestern Public Service, our largest industry in the county, owns some 17,000 acres of water rights, and the city of Littlefield owns some 7,300 acres. Since these tracts are within the bounds of the district, we feel that their tracts and our proposed purchase would give each other protection, and thereby give us approximately 50,000 acres of water rights protection.

As we know other people and municipalities are interested in the purchase of Lamb County water, we urgently solicit you to vote FOR the confirmation of the district, September 1, 1956.

F. F. BOZEMAN, Pres.

COLEMAN TERRELL, V-Pres.

Rural Voters Overwhelmingly Support Will Wilson for Attorney General

Will Wilson, Democratic candidate for Attorney General of Texas, has much in common with the rural folks. He is a farmer too! He is sharing with many of them, disheartening experiences with the drought. Wilson loves the land, and is a practical farmer. He spends all available time trying to fix his fences and to save the crops and trees he planted himself. Wilson recently toured Texas with the Soil Conservation Service inspecting the small dam projects planned for creeks. He believes that this form of flood control is a possible solution to the water problem. As attorney general, Will Wilson will act as legal advisor to the Agriculture Commissioner. During his campaign for Attorney General he has pledged strict enforcement of water conservation laws and water rights. Rural voters of Texas feel that as their Attorney General Will Wilson can bring the attorney general's office closer to them and their problems, as he shares the same problems they have on their own farms. In the July primary election, Wilson gained overwhelming support of the rural voters. He carried 206 out of 254 counties. In a four man race he received over 49% of the vote and a 185,000 vote lead over his nearest opponent. A total of 673,000 Texans voted for Wilson, in the primary, giving him more votes than any other candidate received in the governor's, lieutenant governor's, or attorney general's races.

WILL WILSON is pictured above as he inspects his burned out crops on his farm near Brushy Creek in Williamson County.

W. Lee O'Daniel Supporters Swing To Price Daniel

Scores of former key supporters of W. Lee O'Daniel in the Governor race have pledged their active support to Senator Price Daniel in the run-off campaign which winds up Saturday. (Aug. 25).

Daniel led the ticket in the first primary by 165,500 votes over his run-off opponent, Ralph Yarborough.

Former O'Daniel backers now supporting Daniel include Judge Tom L. Beauchamp of Paris, who served as Secretary of State in the O'Daniel administration and later served on the Texas Court of Criminal Appeals for many years.

Beauchamp wrote Daniel that "we are in a great fight for our rights as a state. My long association with you in the State Capitol assures me you are the man to best lead us as Governor."

Others include Mayor R. E. (Nitter) Kollman of Taylor, a prominent Central Texas cotton man; Bill Corry of Fort Worth, longtime political associate of O'Daniel; Ike Wynn of Sulphur Springs, O'Daniel's campaign manager in that East Texas area during the first primary; and Bruno Ehzner Jr. of Bastrop, leader of the O'Daniel forces in Bastrop County.

Daniel received one telegram signed by 27 former O'Daniel supporters from Hopkins County and 15 from Colorado County, all pledging him their support in the run-off election.

A daily newspaper was televised and acted out in Schenectady, N. Y. in 1943.

Bake Doughnuts For Halloween

HALLOWEEN means mischief... unless, of course, there's a treat in store for the masked intruders. When hungry little ghosts and witches knock upon your door, how about surprising them with a treat to fit the holiday? One whiff of freshly-baked Halloween Doughnuts will tempt the most mysterious witch. And your cooking fame will spread for miles around.

The trick to making Halloween Doughnuts... use condensed tomato soup for the liquid! It gives them a cheerful orange color and blends delightfully with the "sugar n spice n everything nice" that goes into the recipe.

Pass big cups of homemade cider to sip with the doughnuts. And for real fun, string apples from above and see who can eat his apple without tearing the string. No hands allowed in this game! Here's the recipe for those doughnuts that are perfect for Halloween, bewitching anytime!

Halloween Doughnuts

6 cups sifted flour	1 teaspoon salt
2 eggs	2 cups sugar
2 tablespoons baking powder	1/4 cup melted shortening
1 tablespoon cinnamon	1 can (1 1/4 cups) condensed tomato soup
1 teaspoon nutmeg	Pat for frying
1 teaspoon cloves	

Sift dry ingredients together. Beat eggs and sugar until thick and fluffy; add shortening and tomato soup. Stir into dry ingredients until well blended. Turn the rather stiff dough onto floured board; roll to 1/2-inch thickness; cut with doughnut cutter. Slip doughnuts into shortening (360° F.) and fry about 1 minute on each side. Drain on absorbent paper. Dust with powdered or granulated sugar. Makes about 40 doughnuts.

The Ovenbird builds a dome shaped nest, divided into two rooms, the inside one containing the eggs.

If any felt hat? except white, needs cleaning you can clean it by rubbing it with a piece of stale rye bread.

In India and China otters are trained for fishing.

IT'S THE LAW in TEXAS

Most of us want to do our civic duty but we hate to break up the pleasant routine of living. Sometimes we shirk our civic duty to vote. Sometimes we exert every effort to avoid jury service.

Perhaps we do these things be-

cause we don't value our freedoms enough, because we haven't had to pay for them through hardship and suffering.

Instead of a sacrifice, jury duty is a privilege enjoyed by the free citizens of our country. Giving us an opportunity to participate personally in the administration of justice.

Here is a creed which we might do well to read when the call to jury duty comes our way:

I am a juror.

I am a seeker after truth. I must listen carefully and with concentration to all the evidence.

I must heed and follow the instructions of the court. I must respectfully and attentively follow the arguments of the lawyers, dispassionately seeking to find and follow the silver thread of truth through their conflicting assertions.

I must lay aside all bias and prejudice. I must be led by my intelligence

and not by my emotions. I must respect the opinions of my fellow jurors, as they must respect mine, and in a spirit of tolerance and understanding must endeavor to bring the deliberations of the whole jury to agreement upon a verdict, but

I must never assent to a verdict which violates the instructions of the court or which finds as a fact that which, under the evidence and in my conscience, I believe to be untrue. In fine I must apply the Golden

Rule by putting myself impartially in the place of the plaintiff and of the defendant, remembering that although I am a juror today passing upon the rights of others, tomorrow I may be a litigant whose rights other jurors shall pass upon.

My verdict must do justice, for what is just is "true and righteous altogether"; and when my term of jury service is ended I must leave it with my citizenship unswollen and my conscience clear. — Judge John H. Flanigan.

Chicken Salad Summer

BONED chicken or turkey in the can makes for "cool cooking and mighty good eating"; they blend so well with tomatoes and cucumbers and all good summer salad vegetables... so try out your own combination... or those suggested below.

Salad making is a breeze with cans of boned chicken or turkey. These cans of tender juicy flavorful chicken or turkey allow you to by-pass the stewing, cooling and boning stages and get right down to salad making.

Festive Chicken Salad

2 cans (5-ounce size) boned chicken or turkey	2 hard-cooked eggs, sliced
1/2 cup chopped celery	1/4 cup mayonnaise
1/4 cup blanched almonds, toasted	10 tomato slices
2 tablespoons sliced green olives	10 cucumber slices
2 tablespoons chopped ripe olives	Lettuce leaves
2 tablespoons chopped mixed pickles	

Combine chicken (may be diced if desired) and natural juices with celery, almonds, olives, pickle, eggs, and mayonnaise. Serve on slices of tomato and cucumber arranged on lettuce cups. 5 servings.

Macaroni and chicken (or turkey) make a good combination, too.

Chicken-A-Roni Salad

2 cans (5-ounce size) boned chicken or turkey	1/2 cup sliced ripe olives
1 can (1 1/2 cups) macaroni with cheese sauce	1/4 cup French dressing
1/4 cup chopped onion	1/4 cup diced pimiento
	1/2 head cabbage, shredded

Add chicken (may be diced if desired) and natural chicken juices to cans to macaroni, onion, olives, French dressing, and pimiento. Mix well. Serve on shredded cabbage. 5 servings.
