Only an occasional golden leaf dropping from its lofty branches in the nearby trees, where it had seemingly enjoyed waving listly in the summer breeze, came slowly skipping across the half dead grassy lawns in Earth Saturday, stopping occasionally as though to bid a sad farewell to summertime, since its life had been terminated by the first fall chill in the air. Then as though life a leaf, a 23 month old baby boy, who seemingly was born to remain on Earth like a seasonal leaf or flower in bloom, for only a short, short summer was quietly lifted from its familiar surrounding to live again beyond the sunset...

Leaving behind the familiar sound of his laughter and the patter of his feet to remind his young parents that Heaven is only one step away from Earth.

Though the calendar indicates Rufus Cartet celebrated his 77th birthday Tuesday, one can't imagine Mr. Cartet as getting old...with his sharp wit and a heart filled with compassion for others. It's a cinch he'll never grow old...

**NOSIN'**

With Homecoming Friday at Springlake-Earth, Ex-students once removed from the area by jobs and college attendance are expected to return to the old Alma Mater for a day of visitation and sweet recollection of by-gone days of yesteryear.

We at the News-Sun welcome ex-graduates and hope you enjoy this homecoming day, October 14, 1966.

**LAMB COUNTY FARM BUREAU CONVENTION SET**

The annual convention for members of the Lamb County Farm Bureau is slated for Tuesday, October 18, in the school cafeteria at Olton. The meeting will begin at 7:30 p. m. A free steak dinner will be served to all who attend. New officers will be elected to serve for the coming year, and resolutions will be adopted.

It's a simple matter of statistics that night driving is more hazardous than daytime driving, especially on unfamiliar roads encountered by drivers during the holiday weekends.

## Homecoming Friday Expected To Attract Hundreds

Hundreds of ex-graduates from Springlake-Earth High School are expected to return to the old Alma Mater, Friday for Homecoming Day events, the crowning of a Homecoming Queen, and to see the Wolverines clash with their old rivals, the Farwell Steers. Registration for exes will begin at 5:30 p. m. in the school cafeteria, where dinner will be served beginning immediately following registration and continuing until 7 p. m. to allow exes enough time to get settled in the football stadium before the football king and queen coronation and the kickoff at 7:30 p. m.

Ex-grads are expected to vote on the queen of their choice before leaving the cafeteria. The menu will consist of barbeque, red beans, potato salad, onions, pickles, hot rolls, butter, iced tea, coffee, and cherry cobbler.

Adults through junior high students will be served for \$1.50. Elementary students and pre-school students will be charged .75 cents per plate. Immediately following the dinner, exes will gather at the football stadium to view the coronation of the local king and queen, which will occur just prior to the game kickoff.

Candidates for queen are Beverly Prather, Ginger Dent, Debbie Barton, Linda Jordan, and Ruby Buckner. Football king candidates are Logan Armstrong, Danny Kelley, Terry Parish, Jose Triana, and Steve Larkin.

At half time crowning of the homecoming queen will be made by Thurman Lewis, president of the ex-student association. The queen will be named from among the four candidates representing the honored classes. Mrs. Bernice (Branscum) English will represent the class of 1936, Mrs. Sam (Barden) Hollingsworth, 1946, Mrs. Peggy (Ussery) Neal, 1956, and Miss Jacqueline Parish for the class of 1966.

Following the coronation and end of the exciting Wolverine-Farwell game, ex-graduates are expected to return to the cafeteria for donuts and coffee and a chance to visit.

The school song will be led with the entire attendance joining in. Recognition and introduction of class members of the four honored classes will be made by Thurman Lewis.

The ex-graduate who has traveled the farthest distance to attend Homecoming will be recognized, and the teachers whose teaching term can be traced back among the earliest at Springlake-Earth School will be recognized.

coming planning board are Thurman Lewis, president, vice president, Wayne Davis, secretary, Mrs. Dolan Fennell, treasurer, Mrs. Larry Tunnell, program chairman, Mrs. L. D. Henderson, hospitality chairman, Mrs. Billy Gwen Davis, assisted by Mrs. Jimmy Banks, reporter, Mrs. Robert Riley, Mrs. Bernice English, membership chairman, and queen chairman, Mrs. John Bridges.

**EXES QUEEN TO BE CROWNED AT HALFTIME**

A highlight of the Springlake-Earth Homecoming game Friday will be crowning of the Ex-Homecoming Queen. Candidates for each of the four classes are Mrs. Bernice English, Mrs. Sue Hollingsworth, Mrs. Peggy Neal, and Miss Jacqueline Parish. Mrs. Bernice (Branscum) English, Homecoming Queen Candidate for the Class of 1936, attended Springlake-Earth Schools from the first

ent at Texas Tech, Lubbock.

Mrs. Sue (Barden) Hollingsworth, Homecoming Queen Candidate for the class of 1946, held the lead in the senior play. She was a member of the high school chorus and Octet and quartet.

Mrs. Hollingsworth was president of the FHA during her high school days.

She replied, "All our entertainment in those days was centered around the school house. We were never allowed to go on picnics or take trips outside the school campus."

She married Alton Hollingsworth in 1946. They have 3 Children July 15, Dale 12, and Kent 10.

Mr. and Mrs. Hollingsworth live South of Hereford, where he is engaged in farming.

Peggy Ruth (Ussery) Neal, Homecoming Queen Candidate for the Class of 1956, came to Springlake-Earth School in 1951, during her eighth grade, from California.

During her senior year, she was High School Carnival Queen and was candidate for football queen during her sophomore year.

During her high school days, Mrs. Neal delighted in skating and swimming. She was married to Max Neal in May, 1956.

They have two children, Allen Bruce, 5, and Pamela Kay, 4.

Mr. and Mrs. Neal presently reside in Lubbock.

Miss Jacqueline Parish, daughter of Mr. and Mrs. J. E. Parish, is Homecoming Queen Candidate for the class of 1966.

She attended Springlake-Earth High School all her school years.

Miss Parish was a member of the band for four years, FHA for four years, and annual staff for one year.

She was FTA historian and student council representative during her senior year. Miss Parish is presently a freshman student at South Plains College, Levelland.

through the twelfth grades. She was a member of the pep club during her senior year, and was in the pep squad.

She also had a part in the senior play entitled, "Hoo Goblin House."

Mr. English remarked, "there was no band back then. Neither were there any sports to speak of."

She married Odis English in 1938. He died in March of 1957.

They have two sons, Arvel, who presently resides in Lubbock and is employed for Southwestern Public Service Company, and Lonnie, a stud-

FOOTBALL QUEEN CANDIDATES, lovely to look at, and likeable to know. This beautiful group of seniors were selected by the Wolverine squad and will doubtless prove difficult to make a final queen selection. From left to right they are Debbie Barton, Ruby Buckner, Linda Jordan, Ginger Dent, and Beverly Prather.

## King and Queen To Be Crowned Friday

FOOTBALL KING CANDIDATES selected by the pep squad girls are not only handsome but can handle the Pigskin well when they take to the field wearing the old school colors. They are left to right, Steve Larkin, Terry Parish, Jose Triana, Logan Armstrong, and Danny Kelley.

Candidates for football king and queen were selected Monday afternoon at the school.

The five selections as queen candidates were made by members of the Wolverine squad who selected five lovely senior lassies, Beverly Prather, Debbie Barton, Linda Jordan, Ginger Dent, and Ruby Buckner.

Members of the pep squad girls named five senior boys as football king candidates. They are Logan Armstrong, Danny Kelley, Terry Parish, Jose Triana, and Steve Larkin.

The football king and queen will be crowned immediately prior to the kickoff Friday night at the big homecoming game at 7:30 p. m., with the Farwell Steers.

The five lovely queen candidates will approach the field riding in convertibles and will be crowned before an expected capacity crowd of ex-graduates returning for homecoming festivities.

Parents of the queen candidates are Mr. and Mrs. Elmer Prather, Mr. and Mrs. Weldon Barton, Mr. and Mrs. Leon Jordan, Mr. and Mrs. Leo Dent and Mr. and Mrs. L. O. Buckner.

Parents of king expectants are Mr. and Mrs. Bob Armstrong, Mr. and Mrs. J. F. Kelley, Mr. and Mrs. Eldon Parish, Mr. and Mrs. Jesus Triana, and Mr. and Mrs. Don Larkin.

## Miss Flame To Be Named Thursday

A snake dance and pep rally Thursday night at 6:45 will kickoff activities surrounding the big homecoming day, scheduled for Friday at Springlake Earth School.

A snake dance will begin at the Wolverine Drive in and will proceed to the Earth Co-op Gin lot where a pep rally will

be conducted with the naming of Miss Flame.

The four candidates for Miss Flame are Karen Jones, who represents the senior class, Cheryl Blackwell, the junior class, Jamie Washington, sophomore, and Jan Hedges, as the freshman candidate.

The four highschool classes have been gathering and weighing their wood for the bon fire. The class gathering the most wood will win the "Miss Flame" honor for their candidate.

Miss Flame will be crowned by a captain of the Wolverine Squad, and will ignite the big bon fire.

## Win A Prize By Identifying Our Exes

Attention Folks!! We invite you to test your memory as well as your eyesight, by identifying correctly each graduate appearing in this issue, and naming the date each graduated.

If you can do this correctly, then you may win a prize. If you can't name them all, name as many as you can, and get your entry in. Who knows, you may be able to identify more than your neighbor can.

The first 4 people appearing at the News-Sun office with the correct answers will receive free subscriptions to the paper. The first will receive a 5 year subscription, the second will be awarded a 3 year subscription, and the third will receive a 2 year subscription. The next will be given 1 year subscription to the paper. So, get busy, read the advertisement of the merchants participating in this contest, and identify these grads and name the year they graduated and be a winner of a free subscription to the News-Sun in this big annual event.

No phone calls will be accepted and the immediate family or relatives of an employee of the paper are not eligible to enter this annual contest.

MISS FLAME CANDIDATES, each representing their respective classes. From left to right are Karen Jones, senior; Cheryl Blackwell, junior; Jamie Washington, sophomore; and Jan Hedges, of the freshman class.

ROSS AND POLLY MIDDLETON----- Publishers

I am presently engaged in reading one of the most fascinating and thoroughly readable books I have ever read. Written by Isaac D. Levine, it is entitled "The Mind of an Assassin", and very capably pictures the personality and character of the man who assassinated Leon Trotsky on August 20, 1940, in Coyoacan, Mexico.

Mexican psychologists studied the assassin for six hours a day, six days a week over a period of six months, a total of 172 hours with the killer. Their feelings encompass 1,359 typewritten pages and they made up over one half of the government's case against the accused slayer.

Needless to say, the author of this very wonderful book had ample material at his disposal. He knew even the innermost thoughts of the killer and all there was to know about his background. But it is within another part of the

framework that has caused me great concern. In doing research for the book, the author necessarily uncovered many, and in most cases, frightening facts concerning the undercover agents of the USSR, The Communist Parties in the United States and some of their leaders, now caught, were a part of this book. This too intrigued me, but the one thing that stands out and leads me to ponder the situation is the fact that the members of the NKVD of Russia had such easy access to officers in such high positions of government of both the United States and Mexico. It seemed as though there was no avenue they could not explore, from tampering with the mail to outright murder in broad daylight on the streets of major cities in the United States.

Not wanting to paint a wrong picture, I realize this is not the norm. But the fact remains it has been done and can probably be done again by members of the Communist Parties in the U. S. If not by outright members, then by "Secret Agents" of the red government operating right now within the borders of this

## EDITORIAL-- CUSTOMERS NOT ALWAYS RIGHT

BY BILL VAUGHN  
Editor, Kansas City Star

The newspaper is unique among businesses. It must, as a matter of course and of deliberate policy, believe that the customer is not always right. Our customers are our readers and our advertisers. Yet, the newspaper, if it is to keep its self-respect, must at times take political stands which it knows will offend many of its readers and print news stories which it knows will displease an advertiser.

The result may be a dropped subscription or a canceled ad, but the newspaper has no choice. Or rather, it does have a choice, but if it compromises, if it lets itself be edited by pressures of whatever kind, then it is through, because eventually this lack of courage and honesty will catch up with it.

Kim Hubbard, the Hoosier humorist, had a paragraph once which should be inscribed on the stone over the entrance to every school of journalism.

"Tilford Moots was over to the poor farm to see an old friend who published a newspaper to please everybody."

I have full and complete faith in our national investigating organization, and I feel certain that they know most of the people who would aid in the downfall of our great country. They are probably keeping the "eagle" eye on them. But, and this is what I really wonder about why are we sending thousands of young men to Viet Nam, getting them killed or maimed for life when known Communists can operate within our own borders with impunity.

If memory serves me correctly, not long ago the Supreme Court of the United States ruled it illegal for the U. S. Government to force Communists to register as a member of the Red Party. Why? If they are Reds, they are against us and what we have always stood for and our country definitely has the right to know who they are.

If there was anything good in what they believed and what they believed and what they

are trying to do, they wouldn't operate under or behind false fronts. I cannot in all sincerity be against the idea behind the fighting in Viet Nam. But when the same enemies can fight against the United States inside the United States with impunity, then I think it is high time something is done to these enemies, for they are enemies, make no mistake about that.

If the Communists are known party members, I think most definitely they should be deported, whether American Citizens or not. For if they were the real kind of American Citizens our country needs, they would not advocate the downfall of freedom and democracy. If they choose to undermine this nation, then they should be sent to the country they are working for, with no reservations.

If this were done, I believe I, as others like me, would have even more heart in the fighting going on in Viet Nam.

## Conference On Cattle Feeding Scheduled in Lubbock

Space age developments which are rocketing the Southwest into the leading feed beef production center in the world will be featured at the sixth annual Southwestern Cattle Feeding Conference in Lubbock December 5.

High on the list of subjects which progressive feeders are talking about these days is steam flaking of grain, and this topic will be covered in detail by Dr. William H. Hale of the University of Arizona, recognized as one of the leading authorities in the nation. He will also discuss other factors having significant impact in cattle feeding circles in his address, "New Methods In Grain Processing."

Dr. Hale's address is one of several which are expected to prove highly beneficial to cattlemen looking for more efficient ways of producing beef.

This is the second time for the conference to be held in Lubbock, site of the original conference which in 1961 helped establish it as one of the top livestock meetings in the U. S. each year. It is sponsored annually by the Cattle Feeders Division of the Texas and Southwestern Cattle Rais-

ers Association. Lloyd Bergsma of Fort Worth, director of the division, said headquarters for the conference

this year will be the KoKo Inn Motor Hotel. Programs and other information in regard to the 1966 conference can be

obtained by writing the TSCRA Cattle Feeders Division 410 East Weatherford St., Fort Worth, Texas.

### PTA Program To Spotlight Progress Through Legislation

The regular monthly PTA program to be held Monday October 17, at 7:30 p. m. in the school cafeteria will emphasize the importance of federal and state legislation dealing with education. A panel discussion and a film on the legislative process will comprise the program.

All parents and interested persons are urged to be present. Your school and your child need your support.

### Jehovah's Witness Has Three Day Training Program

"Mankind's greatest need can be satisfied only by an entirely new system of things completely denuded of all the old patches," A. A. Catanzaro said, Sunday, in closing out the three-day training program of Jehovah's Witnesses in Fair Park Coliseum, Lubbock.

Catanzaro, district supervisor, said, "Isaiah foretold a child to be born in these words, 'the princely rule will come to be upon his shoulder. And his name will be called Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace.' This child," Catanzaro said, "taught us to pray for this greatest need, 'Let your kingdom come. Let your will take place as in heaven, also upon Earth.'"

The purpose of the Texas 9 circuit assembly was to promote the goal to "Become Spiritual Men with Everlasting Life in Vigor."

Circuit Supervisor, Erwin A. Grover, in his closing talk, "Keep Your Balance with Many Responsibilities," said to the society of ministers, "In these times of frustration, Paul's words are most appropriate, 'Keep your senses in all things, do the work of an evangelizer, fully accomplish your ministry.'"

Lloyd Lowery, supervising minister of the Littlefield Congregation said, "We look forward to sharing the spiritual gifts we received at the Lubbock assembly with one another and our fellow man."

### UPI Offers Type Innovation

Automatic production of justified copy direct from wire service teletypesetter signals is going to be offered to offset newspapers by United Press International.

The device is called Uni-setter. It is being built by Digital Optics Co., of Princeton, N. J., to specifications of the UPI Communications Department. UPI has exclusive rights and will make it available to all newspapers, either on lease or by outright purchase. Deliveries will begin in January.

The device is entirely electronic and has no moving parts. It is compact measuring 10 1/2 by 19 by seven inches.

## Armstrong-Price Winners In Contest

Mrs. Millie Armstrong took first place in the local football contest, sponsored by the Wolverine Drive In.

Mrs. Armstrong guessed all the games correctly, with the exception of the Lockney-Friona game.

Her tie breaker guess was Wolverines 28, Slaton 14.

Second place winner in the contest was Larry Price. He missed the Dimmitt-Memphis game and the Levelland-Sweetwater game.

His tie breaker was Wolverines, 12, and Slaton, 20.

Both Mrs. Armstrong and Price will receive free dinners Sunday at the local Wolverine Drive In.

Mr. and Mrs. John Hall, sponsors, invite you to participate in this weekly contest. Who knows? You may be the lucky winner!

SENIOR CLASS LEADERS. This intellectual foursome were selected by membership of the senior class recently to lead the class in activities for the coming year. They are left to right, president, Steve Larkin, vice president, Lonnie Whitford, secretary, Vicki Sanders, and treasurer, Ginger Dent.

## Red Cross Board Hears Report on Assistance Given

The Lamb County Board of Red Cross met Friday in the Red Cross Office at 4 p. m. The meeting was presided over by the chairman, Mrs. Bonnie Haberer of Pleasant Valley.

The secretary reported the following cases receiving attention through the month of September: Active service, 27, Veteran service, 25, Civilian service, 37. She also reported Red Cross emergency cables overseas had increased in number each month since January 1966.

There were those in attendance from Olton, Spade, Littlefield, Sudan, and Pleasant Valley.

## C of C To Check On Idea Of Golf Course For Earth

Seven directors of the local chamber of commerce met Friday for a regular monthly meeting in the chamber office.

Two letters were read to the group, one from the West Texas Chamber of Commerce inviting representatives from the local Chamber to attend the industrial conference slated for Friday in San Angelo. The second was an invitation to the Higher Educational Day Regional Development meeting sponsored by the Amarillo and Canyon Chambers.

Neil Pounds told directors that he had been contacted by a doctor who was interested in Earth, and had asked for a picture of the local clinic building, which Pounds had sent. He said there had not been sufficient time for a reply. Pounds also informed the group that the plans for a hospital in Earth were still in the working stage.

A report on the Junior College plans at Muleshoe were given, and at this time there has not been a call meeting of the proposed District. Work is still being done on this project.

The group voted to check into the idea of getting a golf course for Earth to see if land can be secured along with other necessary equipment required to open a golf course here.

A report was given that work would begin soon on paving the school road from farm to market road 1055 to US Highway 385.

Mrs. Sonny Hitt underwent major surgery Wednesday in the Littlefield Hospital. She is reported to be improving.

## FFA Chapter Combines Business Session With Steak Dinner

A delicious steak supper and combined monthly business meeting was scheduled for members of the local F. F. A. Chapter Monday night.

The F. F. A. Sweetheart, Debbie Barton, and Plowgirl,

Joan Dawson, were present to enjoy the delicious dinner, consisting of sirloin steak, baked potatoes, salads, cake, cookies, and ice cream.

Miss Barton was presented a jacket by the FFA Chapter and

Miss Dawson a bracelet.

The chapter voted to purchase a boar jointly with the boys, allowing the chapter to pay fifty percent and interested boys to pay the other fifty per cent. Each boy may then

purchase the amount of interest in the boar he desires. The group also voted to have a fence put around the a farm. Treasurer, Jimmy Alair, gave a report from the budget committee, which was approved by the local group.

The new members were raised to the first rank in scouting, greenhand, and received their bronze pins following an impressive ceremony. The boys were asked to wear a green hand made from paper to school the following day.

The boys voted to have one steak dinner each semester.

## Local FFA Boys To Attend Dallas Livestock Show

Mrs. Melvin Bock served refreshments of cake and coffee to Mrs. Hopping, Mrs. Kenneth Parish, Mrs. Bob Armstrong, Mrs. B. Campbell, Mrs. Donald Runyon, Mrs. Donald Kelley, Mrs. Jimmy Craft, Mrs. George Laing, Mrs. Marvin Sanders, Mrs. Forrest Simmons, and one guest, Mrs. Peggy Watson of Springlake.

The next meeting will be held on October 24, at which time Mrs. J. A. Littleton, Jr., will be in charge of the meeting. All members are urged to attend.

Many drivers starting for a long holiday weekend are thinking of the fun they're going to have at their destination, forgetting that it takes concentration just to get there safely, according to Liberty Mutual Insurance Companies.

## Mrs. Welch Presents Program To U. H.

The Young H. memakers met Tuesday, October 4, at 7:30 p. m. in the Home Economics Department of the high school, with Mrs. Melton Welch as guest speaker.

Mrs. Welch presented a very interesting program on how to make and arrange flowers made from feathers, and how to make the very popular grape clusters.

Mrs. Gayland Stephens conducted a short business meeting following the program. The members voted on various money making projects for the coming year. One of the projects discussed was helping to carpet the new homemaking cottage.

Refreshments of brownies and punch were served by Mrs. Sawnie Branscum and Mrs. Truman Layman to Mrs. Gayland Stephens, Mrs. Dean Jones, Mrs. Evelyn Maxcey and visitors, Mrs. Bill Chaney, Mrs. Minnie Ellis, Mrs. George Washington, and Mrs. Melton Welch.

## Twosome Attends Girl Scout Workshop

Mrs. James Smith and Mrs. Wilson Lewis attended a girl scout leader's meeting in Lubbock on Thursday. Mrs. David Vigness, president of the Girl Scout Caprock

1956 SENIOR CLASS OFFICERS AND SPONSORS are pictured as they posed for a news photo. They are left to right, sponsor, Roy Simmons, Joe Campbell, Barbara McCaskill, June Gregory, Charlene Hamilton, Janis Jones, and sponsor Gladys McCaskill.

Council, presided. A panel made up of Mrs. Mary Kirchhoff, Mrs. Barbara Wilkins, and Mrs. Irene Beck, all officials in the Caprock Girl Scout program, discussed the following topics: "Is Girl Scouting Changing?", "Service--Can It Be Defined?", "What Are Our Future Needs?", and "Are We Needed, If So Why?"

In discussing these various topics the three women stressed, "If we as leaders are to serve Girl Scouting and the community, we should have ideals set up in such a way that they may be presented to the girls in an enthusiastic manner."

The threesome went on to say, "The world and community are changing so rapidly that the changes are effecting the individuals, thus causing their values or purposes to change. Children in our changing world don't seem to have an opportunity to understand what they really should be striving for." Ethical standards were also stressed by the group. They believe that adults practice when they were taught when they were children, whether the principles are good or bad. Volunteer girl scout workers may be able to change these bad principles and set up new ideas and ideals.

The group reported that out of all the volunteer workers in the nation, Girl Scout workers rank eighth among volunteer workers.

Approximately 30 girl scout leaders and neighborhood chairmen were present, representing the 18 counties in the Caprock Council.

## Girl Scouts Practice For Court of Awards

The fourth grade Junior Girl Scouts met with their leaders, Mrs. James Smith and Mrs. Freddie Kemper.

The girls reviewed the scout laws and practiced for their Court of Awards to be held Thursday at 7 p. m. in the school cafeteria.

Lisa Clayton served refreshments of ice cream bars to Karen Kemper, Jennifer Templeton, Ruth Street, Quincy Lewis, Judy Herriage, Cindy McAlpine, Ginger Smith, and Joy Faver.

## Mrs. W. B. Hucks TOPS Club Queen for Week

The Happy Losers TOPS Club of Springlake-Earth met Thursday at the High School with 20 members and 1 visitor present. The meeting was called to order by Mrs. W. B. Hucks.

Mrs. Thelma McClanahan opened the meeting with a prayer. The pledge was given and the group sang the fellowship song. Roll call was answered by the number of pounds lost or gained for the week. Leader, Mrs. Hucks, awarded pins to all officers. Mrs. Hucks received her fourth lapel top pin, and was named queen of the week. Mrs. A. W. Gover, weight recorder, gave the report of 37 pounds lost, and 2 1/4 pounds gained for the week.

Mrs. McClanahan presented the program on weight control by fake medicines. All members are to bring one piece of fruit next week. The door prize went to Mrs. LaQuita Harmon.

## Rufus Carter Honored With Birthday Party

Rufus Carter was honored with a surprise birthday party in his home Tuesday, October 11 on his 77th birthday.

Guests arrived with a lovely birthday cake iced in yellow and inscribed with "Happy 77th Birthday" in green lettering. They also prepared and served dinner to all attending. Those present were his daughter, Mrs. Onie Bradshaw and granddaughter, Mrs. Jackie Williams of Farwell, another granddaughter, Mrs. Jerry Bradshaw of Tucson, Arizona, and her brother, Bernie Deaton of Friona. Also neighbors, Mrs. Gladys Block, Mrs. Lucille Branscum, and Mrs. Ruby Morton.

His son and wife called from Stockton, California, that night to wish him a happy birthday.

## TIDE'S Fall Plow-Down Program Will Make You Money!

Tide's Fall plow-down program is designed to make you money:

1. Fall plow-down spreads your work load... reduces time, labor and equipment requirements at planting time.
2. Fall plow-down insures against uncertain Spring weather... gives you two opportunities to apply a complete fertilizer program. (Fall and Spring)
3. Fall plow-down aids in decomposing stalks and builds up soil nutrients.

Basic suppliers say demand for Spring fertilizer will exceed the supply of raw materials and hopper cars. As soon as possible after harvest, shred your stalks and apply Tide's Prescription-Blend fertilizer and start your Fall plow-down program.

**PRESCRIPTION MIX FERTILIZER**  
Tide takes soil samples from your land, free of charge to determine exactly what your soil needs. Then your fertilizer is mixed from high analysis raw materials to fit your exact requirements. Because it is made "on order", your fertilizer is fresh, dry, and free-flowing.

**ECONOMICAL**  
With "prescription-mix", you buy only the nitrogen, phosphate, and potash your soil tests show you need. Storage is no problem, as Tide's TiltBox, holding 14,000 pounds, provides air-tight delivery and storage at the end of the row.

## TIDE SERVICES

Tide grower services and products are planned to save time and labor... help take the guess-work out of farming. Agricultural Consultants, free soil tests, and Tide's custom designed, weather proof, delivery and storage equipment, cut your production costs.

TRY TIDE... you'll be glad you did.

### Junior Honor Society Holds Impressive Induction Service

The W. L. Mann Chapter of the National Junior Honor Society held induction services Tuesday, October 4.

President Jerry Barden presided over the meeting. Pledges to the American and Texas Flag were led by Roberta Gaston and Susan Parish. The prayer was given by Kent Coker.

Melodie Brock spoke on her recent trip to Waco to the Citizenship Seminar. Jamie Washington, La Cretia Washington, Becky Parish, and Linda Packard sang, "If I Had A Hammer," and "This is My Country." They were accompanied by Faye Washington.

President Jerry Barden explained the meaning of the Honor Society and stated the objectives of the society and told what the emblem stands for. Honor Society members portrayed each of these and gave

the induction services. Education was portrayed by Johnny Kelley; Torch Bearer, Julie Cleavinger; Scholarship, Caron Koeninger; Service, Kent Coker; Leadership, Susan Parish; Citizenship, Jan Cleavinger; Character, Karen Armstrong.

Following the impressive ceremony, names of 16 students were called as new members. These names had been kept secret until this time. Those inducted were: Vanessa Simmons, Kathy Bibby, Kent Parish, Becky Littleton, Leslie Haberer, Carl Sulzer, Scott Alexander, Jay Anderson, Debbie Hitt, Kris Dent, Janet Britton, Mike Cleavinger, Marian Dawson, Karen Hinchliffe, Bruce Bridges, and Regina Meeks.

The next regular meeting of the Society will be on October 24, immediately following school.

### Local 4-H Club Members To Exhibit Livestock in Dallas

Eleven members of the Lamb County 4-H Club will enter three Angus Calves and eleven lambs in the State Fair Livestock show in Dallas on October 17-21.

Representing the local 4-H Club will be Bruce and Brad Bridges, sons of Mr. and Mrs. John Bridges, who will exhibit Southdown and Hampshire Lambs.

Lamb County 4-H members will arrive at the state fairgrounds between the hours of 9 a. m. and 6 p. m., Monday, October 17.

Steers will be weighed Monday, October 17 at 2 p. m. Sifting for the steers will be held at 1 p. m., Tuesday, October 18.

The classification, sifting and judging of lambs will begin at 8 a. m., Wednesday, October 19. Lambs to be sold at the auction sale will be weighed at 9 a. m., Thursday, October 20. Prize winning steers will be sold at 9:30 a. m., Friday, October 21. The prize winning lambs will be sold at 9:30 a. m., Saturday, October 22.

4-H Club members participating in the State Fair of Texas will be among many boys and girls furthering their educational leadership and character building phases of 4-H Clubwork.

### Cubs Study Oath, Promise

The Cub Scouts met Tuesday at the Scout Hut to study their oath and promise.

Following this study, the boys made cuddle jumpers and entered in a race.

Mrs. Richard Stockstill treated the boys at the drug store following the meeting. Attending the meeting were Cliff Wood, Kregg Stockstill, Cokie Hopping, Randy Bills, Joe Bob Owens, Mike Hall, Judd Dvorak, and leaders Mrs. Calvin Wood and Mrs. Stockstill.

The group will meet each Tuesday at the Cub Scout Hut, immediately following school.

### FHA Participating In "Salute To Soldiers" Project

The Springlake-Earth FHA voted recently to participate in the "Salute To Soldiers" project again this year.

This "Salute To Soldiers" project is an area FHA project, with several schools in the area sending a Christmas package to the boys in Viet Nam. Mrs. Cecil Slover, home economics instructor, said that all items such as candy, cookies, razor blades, ready-to-pop popcorn, books, and presweetened Kool Aid, should be turned in to the FHA no later than October 15.

The group will package the items up and send them to New York, where they will be sent on to Viet Nam and should arrive there by Christmas.

Anyone having items they would like to contribute are asked to contact any FHA member or Mrs. Cecil Slover at 257-2701.

### Brownie Mothers Meet With Leaders

The mothers of Brownie troop no. 398 met Tuesday with Brownie leaders, Mrs. Wilson Lewis and Mrs. Wendell Clayton.

The group voted to have two mothers each month to assist Mrs. Lewis and Mrs. Clayton with the program.

During the year the girls will work on service projects, health and safety, citizenship, friendship, and promise.

The Girl Scout events for the year are: Julia Lowe birthday in October; World Friendship Fund in January; Thinking Day

### Trustees Approve Purchase Of Two New School Busses

Members of the Springlake-Earth School Board met Monday night in a regular monthly meeting and voted to purchase two new 72 passenger busses equipped with both front and rear heaters.

They voted to accept a bid made by Donald Runyon to buy the old bus for \$357.

The group discussed the hull of the new FHA cottage now under construction by Leon Richardson of Littlefield. The Board voted to pay Richardson for construction of the dried

in hull, as soon as it was completed and inspected by the board and approved by members of the board and Superintendent Bill Mann.

The group approved the reading of minutes from a previous meeting before adjourning.

### Six Local Boys to Compete In PP-K Zone Competition

Six local first place winners in the Punt, Pass, and Kick Contest, sponsored by Earth Auto Sales, Inc., will compete in zone competition to be held at Texas Tech, later on this month.

Clarence Kelley, representative of the local firm said Monday.

The six who qualified to compete in Lubbock are Clifford Wood, Randy Latham, Scott Lee, Bryan Sanderson, Nicko Triana, and Aaron Schellar. There were sixteen local winners among the 50 participants in the six age group contests Saturday.

In the eight year old group, Clifford Wood took first place, Brad Bridges, second, and Randy Bills, third.

In the contest for nine year old boys, Randy Latham was first, Bobby Hitt, second, and James Gaston, third.

Scott Lee took first place among the ten year old group, with Donny Henderson coming in second and Douglas Jones taking third position.

In the eleven year old group, Bryan Sanderson took first place, with less than half a foot margin over Hal Wood who came in second. Guy Lynn Davis placed third.

Nicko Triana placed first in the twelve year old group, with Bobby Angeley as second and Larry Thomas third.

In the thirteen year old group only one winner was named. This was Aaron Schellar who placed first.

All sixteen local winners were awarded distinctive medals of achievement. First place winners received blue or plush velvet blue ribbons, second place medals were handsomely done in red and third place medals were in white.

Coaches Danny Smith, Marvin Sanders, Jr., and Earl McKinley were in charge of the event.

### Sorority Has Program On Poise, Charm

Members of the Beta Sigma Phi met at 7:30 p. m. Tuesday night in the community room for a regular session.

A short business meeting was conducted in which the group voted to buy a gift for the new FHA cottage, now under construction on the school campus.

A program on "Poise and Charm" was presented by Mrs. Gary Cowley.

Refreshments of dainty sandwiches, Cokes, and coffee were served by hostesses Mrs. John Laing, Jr., and Mrs. Don Randolph from a table covered with a white linen cloth and centered with an arrangement of yellow flowers.

Those present were Mrs. Ray Tom Packard, Mrs. Richard Bills, Mrs. Charles Parish, Mrs. Gene Tunnell, Mrs. Doug Taibutt, Mrs. Robert Taylor, Mrs. Mike Simmons, Mrs. Gary Cowley and hostesses, Mrs. Randolph and Mrs. Laing and one guest, Mrs. Walter Lackey.

### WMU Works Held At Local Church

The Llanos Altos Associational WMU workshop was held Monday at the First Baptist Church, Earth.

"Missions: Meaning-Ministry and Method" was the theme of the program.

The meeting opened with Mrs. Jimmy Craft leading the song, "Oh Master Let Me Walk With Thee." Mrs. Francis Hamilton accompanied the group on the piano.

A devotional based on 2 Peter 3:18 was by Mrs. Russell Durham of Littlefield.

The group divided into separate conferences, held for each officer, director, and chairman.

A sack luncheon was enjoyed at noon, followed by the associational officers forming a panel and answering questions on the new year's work.

Approximately 170 women were present for the meeting.

### 20 Brownies Meet Tuesday

Brownie troop no. 398 met at the Scout Hut Tuesday, with Vinessa Simmons leading the group in games and songs.

Mary Castillo led the pledge to the flag and Smile Song. Refreshments of candy bars were served by Kelly Hayden to the 20 girls present.

The group practiced its part for the Court of Awards to be held Thursday (today).

PTA WORKSHOP SET FOR TODAY IN MULESHOE

There will be a PTA workshop held at the Muleshoe High School Building Thursday (today).

Registration begins at 9 a. m. "I Dare You" is the theme of the workshop, which will be dealing with legislation.

Several of the local PTA members are planning to attend.

The vacation-bound car is loaded with luggage and more passengers than usual, adding to the driver's distractions.

### Former Resident Now in India Tells How CARE, UNICEF Helps

Miss Cheryl Axtell, daughter of Mr. and Mrs. H. F. Axtell of Durango, Colorado, formerly of the Earth community, is currently a member of the Peace Corps, serving in Kerala, India. Her uncle and aunt, Mr. and Mrs. R. A. Axtell, have recently had a letter from her. An excerpt from it reads:

"For the last two months we have been giving baby food to children 6 to 15 months old. We are giving it at the primary health center and at the sub-center. The baby food is from CARE. We are also supervising the UNICEF milk program. We are making sure that the milk goes to the children, and not to the whole fam-

ily or that it is not sold. We watch the children drink it at the health center.

We are giving powdered milk to two sets of twins. One is 8 months old now. When we started giving the milk they were 7 months weighing 5 pounds. They have made remarkable progress in nearly 2 months. It's unbelievable to believe the size of some of these children. A month ago these children were getting black coffee, the mother had no money and no way to work. It will soon be Halloween when many communities give their trick or treat donations to UNICEF that this wonderful program, which is world wide, may continue.

### Measles Immunization Now Compulsory in Kansas, Michigan

Topeka, Kansas--Parents might follow the lead of an increasing number of experts who believe that measles immunization is essential for all children. Such immunization would, they noted, help eliminate the complications of the disease which each year kills or permanently damages hundreds of youngsters. Two states, Kansas and Michigan, now require vaccination of all school children against measles.

It might be a good idea, as the school year gets under way, for parents to check their children's immunizations to make certain that they are fully protected against polio, diphtheria, tetanus, whooping cough, and smallpox.

Let us willingly and confidently place all our affairs in God's care and keeping. Place Him in full charge of all that concerns us, and we will know that no unjust situation can then prevail against us. God's law of justice is always operative in the minds and hearts of all persons. Our reliance on His justice enables us to take the stand that our good is secure under divine law.

JAMES THOMAS TRY FOR EXTRA POINT FAILS and the ball was declared down on the six-inch line. Beside Thomas is No. 22, Logan Armstrong. Other Wolverines pictured are, No. 62, Danny Kelly; No. 52, Bobby Cummings; No. 64, Gary Haber; No. 72, Jose Triana; No. 81, Jimmy Stockstill, and No. 31, Randy Washington. Slaton players are No. 81, Claude Strickland, No. 82, Tommy Donaldson, No. 30, Steve Harlan and No. 10 Jimmy Williams.

## Slaton Send Wolverines Down In Defeat 13-6

A rugged defensive battle took place Friday night at Tiger Stadium in Slaton, with the Wolverines coming out on the short end 13-6. The Wolverines were forced to punt 7 times during the game (the most punting this season during a single game for the Wolverines) with Slaton finding it necessary to punt the ball 5 times.

Both teams seemed to be really primed for this game, and wanted to be victorious. The first time Slaton got the ball, they marched all the way to the 8 yard line before a stubborn Wolverine line finally diagnosed the Tiger plays perfectly and took over from that point.

Slaton's speedy halfback, Charles Fisher scampered 48 yards over left tackle to give Slaton their first touchdown late in the second quarter. Steve Harlan kicked the extra point, and the Tigers took a 7-0 lead.

Moments later, just before the end of the first half, the Wolverines put on a sustained drive and Doug Messer, the Wolverine quarterback, sent James Thomas up the middle of the line for 3 yards and a touchdown. James tried the same play for the points after and failed by inches. At half the Slaton Tigers held the edge, 7-6.

In the third quarter Jim Williams, the Slaton quarterback, scampered around left end on a ten yard keeper play. This time Steve Harlan missed on his kick for the extra point and Slaton had to settle for a 13-6 lead.

Slaton managed to pick up 209 yards rushing and 13 yards passing, while the Wolverines picked up only 158 yards rushing and 26 yards passing. The Slaton victory over the Wolverines left them with a season record of 2 wins, 1 tie, and 2 defeats, and the Wolverines record stands at 3 victories and 2 losses.

This week the Wolverines begin district play and take on the Farwell Steers at Wolverine Stadium, with the game slated for 7:30 p.m. This is Homecoming for the Springlake-Earth Exes and a capacity crowd is expected to be present. The football king and queen will be crowned prior to the kickoff, and the Homecoming queen will be crowned at halftime. So come early and be ready for a thrill at the big Homecoming celebration.

### Centre In Need Of Children's Used Shoes

The local PTA organization had charge of the Good Will Centre Saturday. They reported lots of traffic, with infant's wear being the major exchange for the day.

The Good Will Centre is in desperate need of bedding of any kind and children's clothing, all sizes.

Anyone having these or other items they would like to donate may take them by the Centre any Saturday from 1 to 7 p.m.

The Centre is located in the old Earth News-Sun building, adjacent to the Earth Theatre. Mrs. Bonnie Haberer who was assisted Saturday by Mrs. A. C. Barton and Mrs. Marie McCool, reported the Centre to have wonderful bargains in men's clothing.

FOOTBALL BOYS OF 1964-65. An aggressive Springlake Football Squad pose for one of the few pictures taken of the early day squad. They are left to right, Stanley Sigman, Hayward Ritchie, Junior Pruitt, Carrol Sigman, Cecil Sigman, Norman Cox, Kenneth Banis, Olen Cupp, Borden Price Howard Carter, and Walter Blevins.

### Springlake-Earth 7th Grade Takes Hale Center 54-12; 8th Grade Loses 6-0

The Springlake-Earth seventh grade beat the Hale Center seventh grade team with a score of 54-12. Quarterback Hoyt Glascock scored 34 of the 54 points. Eddie Alatz scored, with a pass from Glascock for 6 points, and Oscar Flores scored for 6. Pete Acevedo and Billy Ray Thomas, each made 2 points catching passes for the extra points.

The eighth grade game was a close one, with the Wolverines being defeated 6-0. The Wolverines were once down on the Owl's three yard line, but time ran out at the half before they could score, and both teams at half time were scoreless.

The remainder of the game was close. However, during the last twelve seconds in the game, Hale Center's quarterback threw a long pass to his end scoring a T. D. with only four seconds remaining in the game.

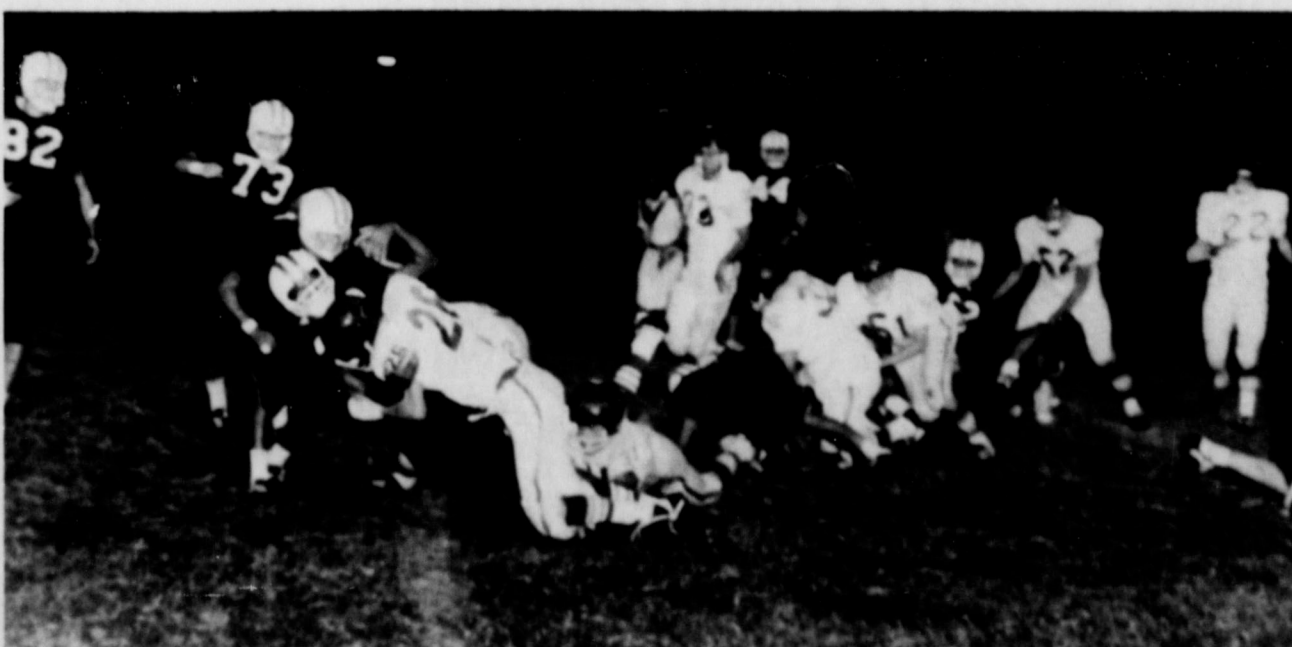

The extra point conversion was not made and time ran out, leaving the score at 6-0 in Hale Center's favor.

### NOTICE

The boy scout bake sale will be held on October 18 at Patterson Brothers and Piggly Wiggly grocery stores in Earth, beginning at 9:30 a.m. and continuing through 6 p.m. Pies will be sold at \$1.50 and \$1.75. Cakes will sell at \$3 and \$5.

LOGAN ARMSTRONG ON THE RAMPAGE, late in the second quarter. Logan picked up 35 yards on this end run and also received a 15 yard penalty for getting piled on after being knocked out of bounds. This play set up the Wolverine touchdown that was scored by Thomas three plays later.

THE END RUN THAT DIDN'T DEVELOPE. Charles Fisher the speedy Tiger Halfback was dropped behind the line of scrimmage by No. 26, Randy Clayton and No. 31 Randy Washington. Action took place during the third quarter.

## Weekly TV Show, The Big Picture Goes Full Color

Washington, D.C.--The U.S. Army's weekly thirty-minute television show, THE BIG PICTURE, goes full color for the 66-67 season. Presently shown on over 300 stations in the United States, the coming season will mark the 16th year the Army's motion picture series has been telecast. Produced for the Office of the Chief of Information by the

Army Pictorial Center, full coverage of U.S. Army activities around the world is on tap for the coming season. Included in the new series are: "Missions Unlimited," a report on the state of readiness of The United States Army. From national disaster to international conflict, the Army is prepared to help any nation of the free world in need of assist-

ance. "The Unique War" graphically explains the relationship between the American serviceman and the Vietnamese civilian. "The Army in Taiwan" shows U.S. Army advisors assisting the Nationalist Chinese forces in perfecting military skills. "Not For Conquest" is a pictorial report by Secretary of Defense, Robert McNamara, on the current status of our armed forces.

Mrs. Bonnie Haberer was in Littlefield Monday to attend a board meeting of the Lamb County Library.

I see a rich man--a banker--riding in his aeroplane, counting his money--wearing his diamonds--who is it? His name? O yes, I see now--Jack Ellis.

Ah--the dainty lady of society envied and flattered by all, the queen of every gathering, the belle of every ball--Mary Miller Parish.

Next I see a wealthy owner of a sanatorium where fat people are made thin and scrawny ones pleasingly plump, all by the help of his wonderful formula which promises so much and which does occasionally produce results. It is closer now--the famous Harry L. Albin.

Now I see a woman--the 60th president of the U. S. Active in politics since infancy--mayor of her town 3 terms. U. S. Senator, 2 terms. She sponsored the bills for defranchising saxophone players, radio crooners, and talkative fishermen. Mary Dale Burton.

Now a member of the Academy of Arts and sciences, the president of the MGM film Company. In his employ are the most shapely bathing girls, the bravest heroes, and the most beautiful heroines in the world. His best known film is "The Multiplication Tables, Who is he? President Thurman Lewis.

I see a couple walking down a small western cowtown, with a half a dozen kids following. The man is dressed as a cowboy and looks like--why it is Ted Haberer and his wife Irene Orteg.

Now I feel so strong--so brave, so bold. A woman of strong mind, strong will, and stronger temper! A lecturer on a strong subject, an old maid demonstrating her independence of man. Her name escapes me, wait, oh yes. It is Glenna Belle Roberts.

I see a swabby home of a popular musician, who is at home for the weekend and as her guests she has the famous "Bob Wiles and his Texas Playboys". Who is it? Who else could it be but Colene Myers.

Hear the newsboy running down the street--what does he say? Listen! I catch it now--Extra! Extra! All about the big battle! American forces led to victory by the gallant soldier, hero of the hour--General Rex Angeley.

Ah! I feel like crying; I must cry, I must, this woman's grief overwhelms me. Surely it is some lonely widow, mourning her husband. No, not so. I see nothing like that! 'Tis only a fair bride weeping the loss of her pet poodle. Who

is the bride? Her name was once June Burgess.

In a large county court house I now see a lawyer defending his client. He is having some trouble making people believe him, but he'll make it. He always did, it is Elroy Wisian.

I see the manager of a large Hardware store in the largely populated city of Earth. He is still a bachelor because he declares he is not the domestic type. His name? Guy Kelley.

Now I see the owner and manager of the huge chain of restaurants known all over the world as the Eat and Run Restaurants. Self made, prides himself on his rise from proprietor of the hot dog stand on South Street to owner of one hundred plate glass white front restaurants. Married to Pillow, the champion pancake flipper of the state. Who is it? Wilson Lewis.

I see a famous chemist; head of a laboratory that is known all over the civilized world.

His experiments have been so successful that he has isolated the germs of hay fever, laziness, love and hate. He has exterminated mosquitoes, flies, chewing gum, motorcycles, and roller skates. So drastic are his methods in dealing with diseases that every germ still in existence wears a life preserver, day and night, in constant dread of being captured by him. Alton Hollingsworth.

I see a person that shows an abnormal passion for truth and a desire to rid the world of false and outmoded beliefs. Nightly over the radio he gives the correct version of "Goldie Locks and the Peroxide Bottle" and "Aladin the Wonderful Scamp." He is a reformer, doing truly good work, Ronald McNutt.

## Specialists Recommend Folks Prepare For Old Age With Hobby

College Station--The compulsory retirement plans of industry today pose a problem for the millions of people reaching older age.

Many of these persons face a rather empty future, for it is difficult to stop suddenly the mental and physical machinery that has been geared to business competition, states

Miss Lucille Moore, Extension recreation specialist at Texas A&M University.

Taken away from his job, whether it be manual or mental, the individual finds too much time to do nothing. The wise person foresees this inactivity by preparing himself for retirement with a hobby.

It is not good to lose interest in life, says Miss Moore. A satisfying hobby or two will not only keep curiosity and zest alive, but very often will create a small amount of financial support.

Age is more or less an individual problem just as it is a normal growth problem. Many persons at 30 suggest physical and mental characteristics of aging. Others at 70 may reveal a wrinkled skin which is offset by a sprightly walk and a mental agility.

Perhaps one of the greatest problems of growing old is the feeling that one is no longer needed, that usefulness is over. Everyone wants to be a contributor, whether it is in business, the home or the community. The end of a long life of service and activity needs a compensatory substitute.

This is why the development of a hobby is encouraged.

doing good to all the world. Her name is lost now for she is called "Sister Maria", but I see her face and she was once Billie Lois Armstrong.

Ah--a strong breeze and a whiff of the far off prairies. A girl of the plains--a pioneer of distant wildness and vastness, riding barebacked over the broad spaces. Inez Bearden.

A school of learning and a noble professor before his class. They look at him in reverence of the vast learning he acquired at Springlake High School.

Why, what is that they call him as they bow in homage before him? Professor Marvin Griffiths.

I see a small building out in the Indian Territory of Oklahoma--Why it is a small school house and the teacher is an old maid who looks like, why it is Sue Barden.

Now I see a famous orchestra leader and composer of distinction. Married to Wanda Sanders the leading soprano of the Cosmopolitan Opera Company. For the last 5 years leader of the Glen Miller orchestra. Lynn Glasscock.

I see a small farm back in the hills of Arkansas and the owner is a typical "West Texan", who moved there with his wife years ago for his hay fever. Why it is Homer D. Mize and his wife? Well, I'll let you guess.

A large plastic house comes to me with children playing in the back yard. Around the corner comes the couple who live there. Why, the woman is our old sponsor, Miss Hudson. The man? Well, I don't know him, but he is the short fat guy she was always dreaming about.

## PCG Directors Approve \$1.00 Per Bale Research Plan

Directors of the Plains Cotton Growers, Inc. endorsed the \$1 per bale price tag which was attached to a new plan at a meeting in Lubbock Tuesday night.

Twenty-six of the cotton producer organization's directors, representing 16 of the 23 counties, were present at the October 4 meeting where the stand was taken. The vote was 21 to 5.

Donald Johnson, Executive Vice President of PCG, said the action "simply means that a big majority of the board members, elected from their respective counties, favor the Act and believe it to be in the best interest of producers of cotton on the High Plains."

He cited statements made at the meeting by both Roy Forkner, chairman of the board, and Don Anderson, PCG Vice President, that as a cotton commodity organization, the PCG board has the responsibility for taking whatever action it deems in the best interest of High Plains producers.

In this case each individual producer will have the opportunity to voice his own opinion of the matter in a referendum to be called by the Secretary of Agriculture, probably in early December. Passage of the referendum

FUTURE TEACHERS OF AMERICA OFFICERS were selected at a meeting of the PTA membership recently at the school. The group selected Debbie Barton as president, Diane Avery, vice president, Vicki Sanders, secretary, and Beverly Miller as treasurer.

JUNIOR CLASS OFFICERS. This smiling foursome seem rather proud to represent their class in a position of leadership. They were selected at a recent meeting of the class membership. They are president, Susan Britton, vice president, Linda Packard, secretary, Gary Kelley, and treasurer, Bobby Cummings.

Growers, Inc. The bill provides a minimum wage to be paid farm workers by employers who use 500 or more man days of hired labor in any quarter of the previous calendar year. Minimum will be \$1 per hour beginning February 1, 1967, up to \$1.15 an hour beginning February 1, 1968 and to \$1.30 February 1, 1969.

In response to questions from

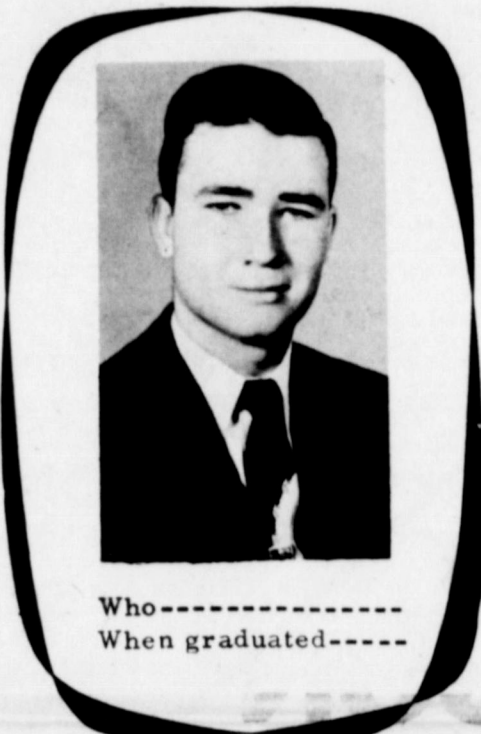

cotton producer members of PCG, Dean has explained that the overtime provisions of the law do not apply to agricultural labor. Workers may work as many hours as they wish at the regular minimum rate. Also, farmers will be allowed to include as "wages" the reasonable cost to the employer of furnishing an employee with board, lodging or other facilities if these are custom-

arily furnished by the employer.

The secretary of labor will determine the "fair value" of board, lodging and other facilities, using such guidelines as the average cost to the employer or other groups of employees similarly situated, average value to groups of employees and other appropriate measures.

will require "yes" votes from either two-thirds of the producers voting or from a majority of those voting, provided that majority represents two-thirds of the cotton produced by voters.

If the referendum carries, all U. S. growers will be assessed a dollar a bale on their production to finance a research and promotion program, with those who request it getting a refund. The law specifies that requests for refunds must be made within 90 days, and that such refunds must be paid to the producer within 60 days.

The Secretary of Agriculture will be charged with the responsibility of seeing that the funds generated under the act are spent to further the objectives of the Act--"To enable cotton growers to establish, finance and carry out a coordinated program of research and promotion to improve the competitive position of, and to expand markets for cotton."

Any other use of the funds is expressly prohibited in the law. A Cotton Board, selected by the secretary from nominations submitted by state and regional cotton producer organizations, would work out the details of the program.

The money itself would be spent on projects developed by a group of cotton producers, with each state having representation in proportion to its contribution to the fund, which of course would be governed by production.

Research and promotion pro-

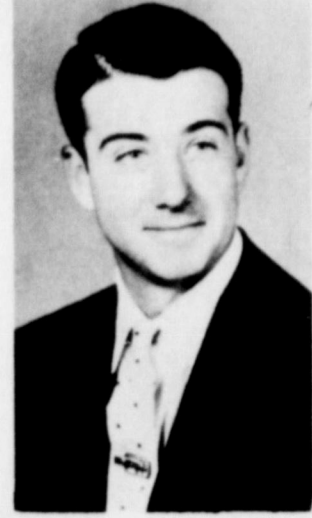

jects would be submitted by this group to the Cotton Board for approval. The Secretary, in his role as "watch dog" would have the power to veto. The complete resolution passed by the PCG board follows:

"Inasmuch as cotton's situation of cotton producers is seriously jeopardized by declining markets both at home and abroad, the need for increased research and promotion is clearly recognized on both regional and national levels, and the board of directors of Plains Cotton Growers, Inc., reaffirms its unqualified support for bringing about such increase in research and promotion by the most practical, effective and expeditious method or methods possible.

Therefore, be it resolved that the board of directors of Plains Cotton Growers, Inc., strongly endorses the Cotton Research and Promotion Order. Further, to enable cotton producers on the High Plains to make for themselves the most intelligent decision possible with regard to the Research and Promotion Order, it is resolved that Plains Cotton Growers, Inc., shall assist in the educational campaign by presenting all information available pertaining to the proposal."

Provisions which apply to agricultural labor in the new minimum wage bill signed into law by the President September 23 have been further clarified by Ed Dean, labor relations representative for Plains Cotton

## Veterans Land Sale To Be Held November 15

Austin--Land Commissioner Jerry Sadler announced that a Veterans' Land Board Forfeited Land Sale would be held on November 15, 1966, in the General Land Office. He pointed out that the Program has exceeded all expectations in its success and value to the people of Texas.

Sadler said that the delinquencies on veteran contract payments are lower today than at any time in the history of the Program. Land prices are higher and the program is making a \$2-1/2 million profit per year for the taxpayer of Texas, in addition to helping veterans own a tract of land that they fought to preserve.

We have purchased some three million acres of land for 35, 300 Texas veterans and placed some \$243 million in circulation to boost the economy of this State. Although new purchases under the Program are no longer possible, a vast amount of work remains to be done in servicing veterans' contracts. Carving out homesteads, issuing fractional severance deeds and paid-in-full deeds, approving oil and gas leases, and issuing easements have to be performed throughout the life of a veteran contract.

"I pledge to the people of Texas, as I have in the past, that I will give them the best service possible here in the Land Office at the least possible cost to the taxpayers of the State. These sales, such as the one scheduled for November 15, make a few tracts of veterans' land available to successful bidders with financing under the Veterans' Land Program at 9% down payment for a forty-year contract and payments being made on the contracts semi-annually at a

THIS SMILING FOURSOME are the officers that represent the eighth grade class for 1966-67. Left to right are president Jerry Barden, vice president, Kent Parish, secretary-treasurer Karen Armstrong and reporter, Tony Barton.

## VETERANS' LAND BOARD SALE

The Veterans' Land Board will receive sealed bids at the General Land Office, Austin, Texas, until 10:00 o'clock A.M., November 15, 1966, for the sale of 104 tracts of land, 93 tracts offered to eligible Texas Veterans only in Briscoe, Brown, Caldwell, Cameron, Culberson, Deaf Smith, Denton, Dimmit, Gaines, Hidalgo, Hunt, Jasper, Kimble, Lamar, Limestone, Maverick, McCulloch, Medina, Montgomery, Nacogoches, Newton, Orange, Parker, Reeves, Runnels, Smith, Ward, Webb, Williamson, Winkler, Uvalde & Zavala Counties. 11 tracts offered to non-veterans and eligible Texas Veterans in Erath, Hidalgo, Maverick, Uvalde & Zavala Counties.

## Government Spending Hits New High

It took about a half-century (1902-1952) for total government (Federal, state and local) spending to rise from \$1 billion to almost \$100 billion.

But the next \$100 billion advance in total government spending—to \$203 billion, to be exact, points out Tax Foundation, Inc., was accomplished in 13 fiscal years.

In the period between fiscal 1952 and 1965, total government spending per American rose from \$643 to \$1,068. Federal spending alone on a per capita basis rose from \$461 to \$671, while state-local government spending per capita rose from \$182 to \$391.

Taxes collected by all government in fiscal 1964-65 amounted to \$145 billion while indebtedness of all government came to \$417 billion.

## Farmers Union Resolves To Continue Efforts Toward 100% Parity

Lamb County Farmers Union members gathered Thursday night for a regular monthly meeting and a covered dish luncheon in the community room in Earth.

During the business meeting resolutions for the State Convention were presented to members.

Farmers Union pledges itself to continued work for 100 percent parity for farmers, while keeping consumer prices in line with prices paid farmers. Farm-

ers Union advocates reinstating the skip-row planting of cotton without loss of acres, lowering the staple of cotton to 7/8 inch instead of one inch for support standards, using cotton bagging for all bales wrapped, sampling of cotton only once, which would make a much better package when delivered to mills.

Farmers Union also requests the micronaire test be thoroughly overhauled so it is not so discriminating to the grower. The

Farmers Union says it does not give all the true strength and milling qualities of cotton, and should be done away with completely so there is not so much difference in the plus and minus side of this test.

This one test will cost South Plains farmers untold dollars this year. The union strongly feels it is unfair to cotton growers.

Farmers Union advocated that instead of giving the first 20

percent of grain sorghum acres with no payment, that farmers should be allowed to plant some unsupported crop, such as soybeans, without any loss of payments. This would help to increase the income of the South Plains farmer and add nothing in the way of surplus crops.

These are just a few highlights of resolutions of Farmers Union directly connected with South Plains Farmers.

Every member of Farmers Union is urged by the group to attend their monthly meetings and take part in something that is worthwhile for the local way of life. Farmers Union feels that farmers should keep informed on what is taking place in Congress and regular meetings are a very good place to find out.

The next regular meeting of Farmers Union will be held in Olton, November 14 at the Far-

mers Union Insurance Building just north of the bank, at 7:30 p.m. This will also be a covered dish affair, followed by an informative meeting.

All members are urged to attend and help the Farmers Union work toward the betterment of agriculture and agricultural consumers.

The Edd and Bob Bell families visited relatives in Waco last weekend.

## Love Gives Children A Direct Sense Of Security

College Station--The best thing parents can do to keep their children out of trouble is to love each other.

This word of advice comes from Mrs. Patsy R. Yates, Texas A&M University Extension family life education specialist.

Psychologists indicate that many individuals reach adulthood unable to love anyone because they have not learned how to love in their own homes, she adds.

"People who are incapable of loving anyone are the unhappy, maladjusted individuals who often turn to antisocial behavior in an attempt to seek attention. They are also found frequently in the divorce courts and the psychiatrists' offices," says Mrs. Yates.

How do parents teach their child to love, to care for others? The clue, says Mrs. Yates, is explained by Dr. Christine Beasley, professor of family relationships at the University of Tennessee. "We learn to love by loving," says Dr. Beasley.

This theme may be one of the most important ones that young parents can remember as they attempt to guide their children. A child learns to love by loving those around him. And he does this as he does many other things in life, by imitation.

One of the surest ways to teach a child to love, to give him the security of knowing he is loved, is to set a good example, reminds Mrs. Yates.

Young parents may not be aware that their love for each other may be the basic ingredient in a secure and happy childhood for their children. "The child whose parents

have a strong happy marriage has the best opportunity for learning to love others, and also for the formation of a happy home of his own," says Mrs. Yates.

It takes a full half second, the time it takes a car to travel 14 feet at 20 miles per hour, to move the right foot from the gas pedal to the brake, according to Liberty Mutual Insurance Companies.

A DAY TO REMEMBER was the day spent at Carlsbad Caverns for members of the Springlake senior class of 1936. After touring the Caverns, a picnic lunch was enjoyed. Pictured are Lovell Hodge, sponsor, Mrs. Cotes, Estee Lee Cooper, Oleta Coker and Evelyn Baggett.

1936 SENIOR TRIP TO CARLSBAD CAVERNS was a fun-packed day for seniors of Springlake High, who went by bus to Carlsbad for the class trip. There were eighteen on the trip. This included the bus driver, Floyd Burgess, sponsors, Mrs. Baggett and Mr. Rudd. From left to right, front row are J. I. Coker, Foy Cook, and Lowell Hite. Back row, Mr. Burgess, Kenneth Banks, Albert Mitchell, and Mr. Rudd, teacher and sponsor.

have rejected injury claims passengers who rode with drivers they knew had been drinking.

Fare-paying passengers are not covered by the guest laws, but often the courts have to draw the distinction between a commercial rider and a guest. Most states that have enacted guest laws did so to discourage "friendly" lawsuits cooked up by drivers and passengers to collect money from insurance companies. The companies, naturally, strongly support the laws. Many trial lawyers oppose them just as strongly, arguing that they deny their clients due process of law.

What can you do to protect yourself, either as a driver or as a passenger?

As a car owner, you can add medical payments coverage to your auto policy. It won't compensate injured guests for their suffering, but it will pay part of all of their medical bills.

As a passenger, you should caution any driver who starts taking chances with your life, no matter how reluctant you may feel about admonishing a friend. If he persists and there is an accident, the court may be more inclined to find him guilty of wanton misconduct

and award you damages. Better yet, your warning may embarrass him into driving sanely, avoiding an accident altogether.

### NOTICE

The 4-H will meet Monday at 7:30 p.m. in the Junior High Library at which time members will have an opportunity to join various project groups and meet their new project leaders. All members are urged to attend.

IT WAS A BIG DAY IN 1936 for members of the Senior class when they went to Carlsbad Caverns for their senior class trip. Pictured are six of the eighteen making the trip. They are left to right, Bernice Hyde, Ethel Webb, sponsor, Mrs. Baggett, Florence Whitford, Bernice Branscum, and Willie Lee Bell.

## Texas "Guest Law" Effects Damage Claims in Auto Accidents

College Station--Texas is one of 27 states that has "guest laws" concerning auto accidents.

These laws limit a driver's liability toward guest passengers in his car. In effect, the guests can claim damages only if their host has been guilty of

extraordinary carelessness, says Mrs. Wanda Meyer, home management specialist with the Texas A&M University Agricultural Extension Service. The guest passenger, in order to claim damages, must prove willful or wanton misconduct or intoxication. Some courts

**Lazbuddie News...**

By Mrs. C. A. Watson

Mr. and Mrs. Sam Bradley of Lazbuddie ginned the first bale of cotton at the Sil Gin last week. The bale weighed 656 pounds. The bale was hand pulled. It brought \$153.13. While Bradley was having the bale ginned, his wife gave birth to a 7 pound 7 ounce baby girl. She was born in the Green Memorial Hospital in Muleshoe and has been named Elizabeth Bradley. The Bradleys have a son aged 2.  
 The menu for the Lazbuddie lunch room beginning Monday, October 18 is as follows:  
**Monday:** Steakets, creamed potatoes, green beans, spiced apples, tossed salad, chocolate cake, enriched bread, and milk.  
**Tuesday:** Turkey, egg noodles, tossed salad, English peas, browned potatoes, carrots, pineapple salad, rolls, butter, jelly, and milk.  
**Wednesday:** Beef steaks, vegetables, cheese, lettuce, apricot cobbler, bread, and milk.  
**Thursday:** Ham, ranch style beans, lettuce, tomatoes, sliced cheese, jello, peaches, milk, and bread.  
**Friday:** Fish, buttered corn, raisin sauce, cabbage slaw, tartar sauce, rolls, butter, honey, ice cream, and milk.  
 Kelley Mimms, son of Mr. and Mrs. Pete Mimms was

home over the weekend. Kelley is attending Abilene Christian College, where he is an agriculture major.  
 Jerry Weaver, son of Mr. and Mrs. Quinn Weaver, called home Sunday night to say he was being transferred to a Fort in Virginia. Jerry will attend six weeks supply school there.  
 Leon Watson and Charles Ramage have been named on the ROTC Color Guard at WTSU, Canyon.  
 Mr. and Mrs. Don Martin and daughter went to Floydada Sunday to see her sister and family, the Gene Mitchels. The Mitchels are the proud parents of a baby girl born in a Floydada Hospital last week. She weighed 9 pounds and has been named Laqueta Jean Mitchell.  
 Birthday greetings this week go to Gary Elliott, Ginger Johnson, Rebecca Jane Stroud, Melory Stepp, James G. Ward, Lillian Smith, Essmeralda Anderad, Debra Bullock, Margaret Wilson, Gail Morris and Jack Gilbert.
