

Rainy Weather Holds Up Cotton Harvest Over Plains

The South Plains cotton harvest was just getting under way when heavy rains halted all operations according to W. K. Palmer in charge of the Lubbock Cotton Classing Office of the USDA.

The Earth area is no exception to the large amounts of rain received. Amounts of four inches have been recorded in the Springlake and Earth areas. Only one bale of cotton had been ginned in the area when the rains began. Local ginners and farmers are worried about the continuing amounts of moisture. If the rains should not let up the annual cotton harvest will be quite lengthy and there will be a danger of decreasing prices and in the quality of the cotton. Farmers are hoping for clearing skies and favorable weather so that the community money crop can be harvested.

It was reported that samples received at the USDA's Lubbock, Brownfield, and Lamesa Classing Offices had reached a seasonal high last Monday when the adverse weather halted the harvest.

The three offices classed approximately 4,300 samples during the week ending Friday, October 24th. This brought the total classed at the three offices this season to 9,500. Through October 24th last year 45,000 samples of the 1968 crop had been classed.

Strict Low Middling was the predominant grade at Lubbock last week with 49 per cent of all cotton classed. Middling made up 4 per cent, Middling Light Spotted 12 per cent and Strict Low Middling Light Spotted 26 per cent.

Seventy-three per cent of the cotton classed at the Lubbock office last week stapled 1-inch and better. Most of the early harvested cotton from the Lubbock and Brownfield areas has been stripped.

Micronaire continued very high. Ninety-six per cent "milled" in the premium category of 3.5 to 4.9.

Prices offered for these early bales indicate a strong demand for South Plains cotton. Prices, as reported to the Consumer and Marketing Service of the USDA, ranged from \$2.50 per bale over the loan for high grand cotton to \$15.00 per bale over the loan for the lower grades.

Average prices paid for the predominant qualities in the 35 to 4.9 micronaire range were: Strict Low Middling 15/16-18.50, Strict Low Middling 31/32-19.10, Strict Low Middling 1-inch-20.05, Strict Low Middling Light Spotted 15/16-17.75, Strict Low Middling Light Spotted 31/32-18.35, and Strict Low Middling Light Spotted 1-inch-18.90.

Prices paid farmers for cottonseed ranged from \$37.00 to \$45.00 per ton.

Kindergarten Under New Management

The Community Kindergarten formerly operated by Mrs. Carolyn Achler of Levelland is now under the supervision of Mrs. Ed Dawson. The kindergarten will re-open Tuesday, November 4 and will be open 4 days a week from 8:45 until 11:45 a. m.

Readiness materials will include such programs as the SRA Math program and My Weekly Reader Kindergarten program which coordinate with the programs offered in the public schools. Fee has been set at \$25.00 per month which includes all art materials.

Those who are interested in the program may go to the school at 4th and Fir Street or call Mrs. Dawson.

It is hoped that this program will eventually grow into a community project sponsored by civic organizations or individuals.

Jan Hedges - Steve Sanderson Crowned At Pep Rally

Jan Hedges, daughter of Mr. and Mrs. Buddy Hedges, and Steve Sanderson, son of Mr. and Mrs. Sandy Sanderson, both seniors at Springlake-Earth High School were named football Queen and King for 1969 in an impressive ceremony during the Pep Rally at 3:15 p. m. Friday in the high school gymnasium.

The beautiful Queen candidates were escorted by the King candidates into the gym through a lovely white archway covered with white flowers enhanced by green and gold streamers. They continued down a green grassy pathway to the throne. For the professional march the Springlake - Earth Wolverine Stage Band played the theme song from the movie Romeo and Juliet, "A Time For Us."

JoAnne Temple crowned Steve as King. The King then crowned Jan, Queen. Crown bearers were Joy Parish, daughter of Mr. and Mrs. Doug Parish, and Mark Parish, son of Mr. and Mrs. Charles Parish.

Other King and Queen candidates were Gloria Stephens, Steve Bushy, Lauren Ernest, Terry Ott, Becky Sanders, Terry Bridge, Joan Dudley and Danny Parish. Faculty members Bill Anderson, Dewane Fryar, Billy Singleton, and Travis Sursa were dressed as Wolverine cheerleaders. They did a hilarious, but effective job of building up the spirit in the team, student body, and community members.

Jimmy Goodwin presented a short skit interviewing people on the street. He asked for their opinions about the Wolverine-Mustang clash. R. J. Brock portrayed a baker, Bruce Higgins a farmer, and J. B. Thomas a butcher.

The Queen and her court were introduced at the Homecoming girldren clash between Bovina and the Wolverines, while the King and other candidates took the field to down the Mustangs 64-0.

FOOTBALL QUEEN AND KING, Jan Hedges, daughter of Mr. and Mrs. Buddy Hedges and Steve Sanderson, son of Mr. and Mrs. Sandy Sanderson were crowned 1969 Football Queen and King Friday afternoon at the Pep Rally prior to the Bovina-Wolverine game.

Homecoming Attracts Large Crowd

Spirits were high Friday night among the hundreds of ex-students and Wolverine fans with the 64-0 victory of the Springlake-Earth Wolverines over the Bovina Mustangs as the highlight of the 1969 Homecoming activities.

A barbeque supper, sponsored by the Ex-Students Association from 5:30 to 7:30 p. m. had a recorded attendance of 209 persons. Proceeds were approximately \$300.

Following the game, over 350 exes and friends of the school met in the school cafeteria for fellowship and entertainment.

Mrs. Melton Welch, Sharla Haberer, and Kieta Haberer danced the "Charleston". They also demonstrated other dance routines associated with the late 1920 and early 30's.

A sextet composed of Janice Miller, DeAnne Brock, Becky Littleton, Teasa Glasscock, Camille Haberer, and Debbie

Martin presented the number "Enjoy Yourself" accompanied at the piano by Mrs. Bob Belue. The number honored the classes of 1929-'30-'49-'59 and '69. The girls also presented two other selections.

Sharla Haberer, pianist, accompanied the Kelley Trio, Anita, Donita, and Connie as they sang "Sentimental Journey" and a medley of songs popular in the forties.

Mrs. Kenny Hamilton, assisted by Marianne Mosser and Melissa Been presented a comical pantomime of "A Flew Oop."

Mrs. Phillip Haberer was winner of a camera given by the Ex-Association, as a door prize.

New ex-alum officers for 1969 and 1970 were elected. They are Jerle Taylor, president; Glenn Bulls, vice-president; Mrs. Doug Lewis, honor class chairman; Mrs. John Burdges membership chairman; and Helen Gover, treasurer.

Olton Couple Take Top Spots In Grid Contest

Mr. and Mrs. Percy Parson of Olton hit pay dirt by copying the two top places this week in the News-Sun gridron contest. The twosome had almost perfect entries by picking ten games correctly. The tiebreaker score was the only incorrect score on their entries. This upper their over-all season rating to sixth and ninth places in the contest.

Mrs. Alma Stockstill came in third by guessing nine winning teams correctly. This week Mrs. Stockstill slipped into fifth place in the grand prize season rating.

There were several who picked many winning teams correctly in this weeks contest, but none expected the tiebreaker score to be like the Wolverines squad determined it was going to be. Several selected the lo-captain to win, but no one expected the score to be 64-0.

This is the third consecutive week that Tom Sanders has held the top all-season rating. He tied for first place rating with Floyd Henderson four weeks ago and since that time has held the spotlight. Henderson is trailing with only 10 point margin between. He is tied for second place with Wanda Sanders. Mark Barton is still in the running. He holds third place in the over-all season rating.

Larry Price and Karen Layman are tied for fourth place.

With three weeks remaining in the contest, and with only a very small margin between the scores, it is still anyone's game.

Following is a list of the top 35 in the contest.

Tom Sanders-570 points.
Wanda Sanders and Floyd Henderson-560 points.
Mark Barton-555 points.
Larry Price-540 points.
Karen Layman and Alma Stockstill-535 points.
Percy Parsons-530 points.
E. C. Hudson-520 points.
Richard A. Moore-515 points.
Cindy Barton-500 points.
C. W. Conway, Margaret Par-

sons and Bill Freeman-495 points.
Jim Winder, Dale Riggs and Marvin Been Jr. -490 points.
Joe Eddy Riley-480 points.
Karen Dear and Mike Parsons-475 points.
Troy Layman-470 points.
Ann Jones and Jimmy Randolph-460 points.
Alan Duncan-450 points.
Mrs. Mary Fuller, Jim Winder, Dale Parson and Wayne Henderson-440 points.
J. W. Dear-430 points.
Trinidad Gomez Jr. and Jim Burks-420 points.
Brad Freeman-390 points.

Address Of Servicemen Needed...

Christmas time is fast approaching, the time of renewing acquaintances with old friends and with relatives and loved ones with whom we have last contact.

For some people Christmas time can be a very lonely time. There will be servicemen that might have known as young lads, high school classmates, or the son of a friend who will be unable to share Christmas time with their families and friends.

In order to make Christmas as happy as possible for our area servicemen, the Earth News-Sun will print the names and addresses of men in the service from this area. The News-Sun asks all those knowing the names and addresses of men in service from this area, whether stationed in the States, in Vietnam, or in other parts of the world, to please mail, phone or bring the information to the News-Sun office.

By sending cards, letters, and gifts to those men, we can show them they will not be forgotten.

The News-Sun will print these names and addresses within the very near future so everyone will have the opportunity of mailing cards and gifts to them. Please act now! Let us have those addresses of our men in service....

Mrs. Barbara Nance and daughter of Fort Leonardwood, Missouri is visiting in the home of her mother Mrs. Edith Barlow.

14 Readers From S-E Receive Reading Certificates

The High Plains Library Bookmobile has presented 156 children in the area with reading certificates for their summer readings. Most of the children read more than 12 books. There were several who read 50 or more books during the summer vacation period.

Those from Springlake-Earth who participated in the reading program and who recently received certificates include: Rodney Geissler, Gregg Geissler, Neshia Lewis, Quincy Lewis, Debbie Pittman, Terri Smith, Donice Taylor, Bryan Taylor, Judy Herriage, Barbara Lanier, Sue Jones, Kim Jones, Lonnie Neinst and Christie Pittman.

Those from Lubbock included Diane Horta, Keith Hicks, Karen Mimmis, Quentin Mimmis, Michael Stanberry, Tammie

Smith, Judy Lest, Susan Mimmis, Neal Moore, Patricia Dale, and Dwayne Dale.

The three summer months were busy months for the bookmobile this year. The library checked out 12,015 books. This is 408 more than was checked out last summer.

Week-end guests in the home of Mrs. Alma Stockstill were Mrs. Kenneth Bales of Andrews, Mrs. Elna Scarborough of Levelland and Mr. and Mrs. Calvin Harmon of Denver City, daughters to Mrs. Stockstill. Two sisters also visited in her home, Mrs. Elma Escoc of Amarillo, and Mrs. R. H. Davis, Healdton, Oklahoma, one niece, Mrs. Leon Brent of Denver City and Mr. and Mrs. Darrel Friday of Littlefield.

Booster Club Holds Weekly Meeting

A large number of Wolverine fans were present Monday night at 7:00 p. m. for the weekly meeting of the Springlake-Earth School Cafeteria.

Coach Travis Sursa, gave a scouting report on Sudan, following by the film of the Bovina-Wolverine game.

Coach Dean Wright gave his comments on the game. He also included a report on the current conditions of the Wolverines.

Ardis Barton, president, conducted a brief business meeting discussing possible projects for the Booster Club for next season.

Barton announced that the Booster Club will meet at 7:00 p. m. Monday, November 3, instead of the regular 8:00 p. m. meeting.

Big Halloween Carnival Slated For October 31

The chilling hour will come for area residents beginning at 6:00 p. m. Halloween night, October 31, as the annual Halloween Carnival opens its creaking doors.

The Earth Livestock Show Barn will be the site of the thrills and excitement of the Carnival.

Both young and old are assured of being entertained at carnival booths and the Spook House. There will also be a Cake Walk, a fish pond, a dart throw, a Spinge throw, and a fortune-telling booth for those wishing to know about their future.

There will also be a Country Store sponsored by the Jr. Girl Scouts where items of long ago may be purchased.

There will be a concession stand sponsored by the Cub

PTA Officers Attend Workshop In Petersburg

Two officers of the local Springlake-Earth PTA attended a PTA Workshop in Petersburg Thursday, October 23.

Mrs. Robert Tilton, District President of the PTA, presided over the activities of the day.

A very informative program was presented in panel form, with Nat Williams, Superintendent of Lubbock School in charge. Nat Williams, Dr. Hardy Clemans, Mrs. Lee Sovey, and Mrs. Don Heig made up the panel which gave information beneficial to other local PTA associations.

Officers attending from the local PTA chapter were Mrs. Ray Joe Riley, president, and Bill Mann, vice-president of the Springlake-Earth PTA.

Sophomores Take National Education Development Tests

The National Education Development Test (NEDT) was given to members of the Springlake-Earth High School sophomore class beginning at 9:30 a. m. Tuesday.

The NEDT is given on a nation wide basis to students of the sophomore grade level to compare their educational achievements on a percentage basis with students of the same level across the nation.

The local school system uses the results of the tests to aid them to determine the most appropriate courses to offer for another year. The tests are also for the benefit of the students. The scores will enable the student with the aid of a teacher or counselor to start graduate plans and enable the student to determine to some extent their success in the field of higher education.

SOPHOMORE STUDENTS are given National Education Development Test, which is a test given on a nation wide basis to students to compare their educational achievements on a percentage basis with students of the same level across the nation.

Lions Clubs Turkey Shoot Nets \$306

The Springlake and Earth Lions Clubs wish to thank all those participating in the shoot for their contribution toward the project.

Proceeds from the turkey shoot, Saturday were split between the Springlake and Earth Lions Clubs with each of the two sponsoring clubs receiving \$33.00. The turkey shoot was held west of Farm Chemical Company in Earth on Highway 70.

Due to the support and attendance at the shoot the Clubs were able to give away thirty turkeys. Funds from the turkey shoot will be used for selected projects such as their conservation for the blind program, crippled childrens program, and other worthwhile projects.

The Homer Starkeys visited Sunday in the home of Mr. and Mrs. W. B. Strickland of Cross Plains.

FOOTBALL QUEEN AND HER ATTENDANTS, Becky Sanders, Joan Dudley, Jan Hedges, Queen, Laura Ernest, and Gloria Stephens. Mascots are Darcie Randolph and Christi Starkey.

Baptist Church Holds Banquet

The First Baptist Church of Earth held its Church Leadership Banquet October 22 at 7:30 p. m. in Fellowship Hall.

The theme for the banquet was "In The Power of His Spirit."

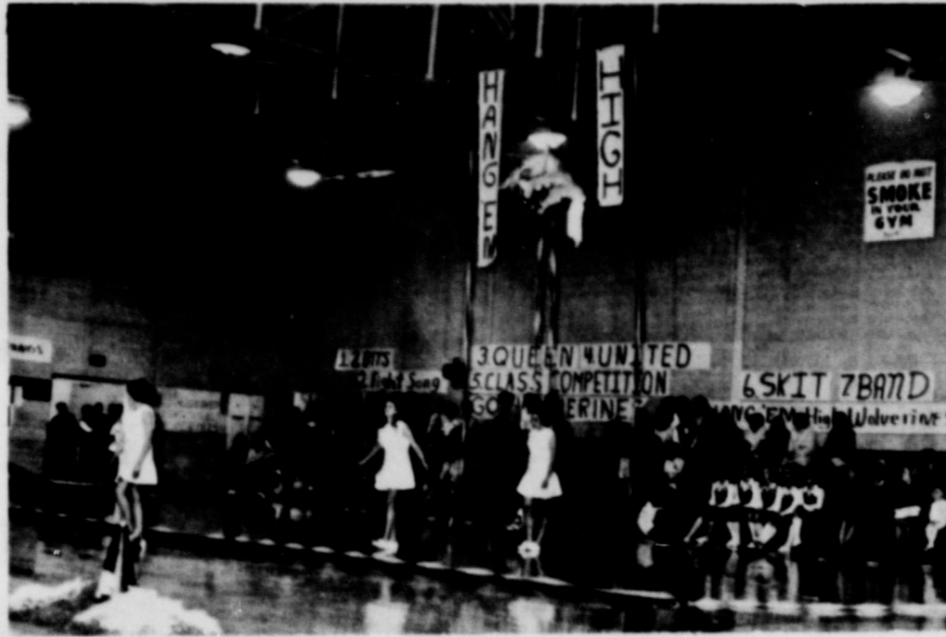

A delicious meal was prepared by the Springlake-Earth lunch-room ladies and was served cafeteria style to leadership groups and guests attending.

David Hartman, pastor of the local church gave the recognition and presentation of the Sunday School and Training Union teachers, Women's Missionary Union, Baptist Brotherhood, and Music Departments. These are the departments that do so much toward the operation of the church.

Entertainment was provided by a Trio composed of Mrs. Howard Cummings, Mrs. Kenny Hamilton, and Mrs. Bobby Green.

The highlight of the banquet was the talk given by guest speaker, Dr. J. Ivyloy Bishop, Chairman of the Department of Religion and Philosophy at Wayland Baptist College in Plainview. Dr. Bishop challenged the newly elected workers to rely on the power and leadership of the Holy Spirit as they do their work in the church this year.

The banquet concluded with Mrs. Jimmy Craft presenting "Seal Us O Holy Spirit."

BUILDING UP THE SPIRIT. Lovely cheerleaders, Wolverine Band and student body were on hand Friday afternoon in the decorated high school gym to build the spirit of the Wolverine Team for their 64-0 win over Bovina.

Mr. and Mrs. Morvey Cearley and boys of Lovington, New Mexico visited over the weekend in the home of the Mrs. Sam Cearley and Mr. and Mrs. E. C. Hudson.

Mrs. Jarvis Angeley and Mrs. Jesse Cole were dinner guests in the home of the Frank Butters. Mrs. Angeley is a daughter to the Butters and Mrs. Cole a granddaughter.

CONTEST RULES

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p. m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

Scout Activity Workshop Held At Springlake

An Activity Workshop for leaders of Brownie and Jr. Girl Scouts was held Tuesday from 9:30 a. m. thru 2:30 p. m. in the Springlake Community Building.

The purpose of the workshop was to give leaders of all age-level troops helpful ideas for conducting scouting programs.

Mrs. Leon Upshaw, a very well known Lubbock Artist, directed the greatest part of the days activities on the subject "Activities in the Arts." Mrs. Upshaw has been a Girl Scout Leader for ten years and was very adept in helping the leaders understand the fulfilling of Art Badges and giving them creative ideas for creative art experiences of their troops.

The groups also enjoyed learning various games that will be used at Brownie and Jr. Scout programs.

Among the Scout leaders attending from the local area were Mrs. Sam Barden and Mrs. Wayne Davis.

Notice

Beth Dent, daughter of Mr. and Mrs. L. H. Dent and Eddie Moudy, son of Mr. and Mrs. Foy Moudy of Happy, will be married Friday, October 31 at 6:00 p. m. in the Church of Christ in Earth.

A wedding reception will be held immediately following the ceremony in the home of Mr. and Mrs. Fred Clayton.

The public is invited to attend.

Local Rebekahs Conduct Planning Meeting

Members of the local Rebekah Lodge met October 23, for their regularly scheduled meeting in the Oddfellows Lodge in Earth.

During a short business meeting the group made plans to be in service to the Circle Seventh of the Oddfellows Lodge when they meet Tuesday, November 11. Plans were also made to supervise sales at the Local Goodwill Center November 15.

Local Rebekahs attending the meeting were Mrs. Alma Stockstill, Mrs. Jim Robbins, Mrs. Robert Higgins, Mrs. Lucille Henderson, and Mrs. Francis Kelley.

Prepare Now For Next Springs Garden

By Mrs. Lady Clare Phillips Co. Home Demonstration Agent

Now is the time to prepare for next spring's gardens. Finish planting all spring flowering bulbs and set out pansy plants. Dig and store dahlias and gladiolus bulbs.

The peony plant is a hardy perennial which will provide an abundance of flowers in the early spring. In most years, peonies will flower effectively in this area. The tubers should be planted no later than the first 10 days of November in order to get good root development before the soil becomes too cold. Peonies seldom bloom the first year after planting.

It's time to re-pot house plants too. Mix two parts of garden soil, two parts of peat moss and 1 part sand. Well rotted manure may be substituted for peat moss. Garden soil is usually too low in organic matter to use for potted plants. Or you may purchase the prepared mixes from your garden supply center.

Mr. and Mrs. Melvin Barton and children of Dimmitt spent Sunday afternoon in the home of Mrs. A. C. Barton, Melvin Barton is a son of Mrs. Barton.

FOOTBALL QUEEN AND KING CANDIDATES, Terry Bridge, Becky Sanders, and Danny Parish and Joan Dudley.

Members Of Local Federation Clubs Attend Board Meeting

One hundred and three officers and members representing the one hundred clubs of the Caprock District of Texas Federation of Women's Clubs attended the Tenth District Board Meeting at the Muleshoe High School Saturday.

Registration began at 9 a. m. with a coffee by the host club the Muleshoe Study Club. The formal opening at 10 a. m. was directed by Mrs. Lane Decker of Floydada, president of the Federation.

Mrs. Stathakes Condes of Dallas, Parliamentarian for the Federation of Women's Clubs of Texas, was guest speaker at the noon luncheon. Mrs. Condes topic entitled "Americanism."

In her address she stated that the name, American, was the sweetest word in the English language and explained many honors and duties of being an American citizen.

Mrs. Fred Shaffer, State Federation Representative, also gave a very informative talk on what the Caprock Federation Clubs are doing and the objectives they hope to accomplish within the community structure.

Those attending from the local Federation Clubs were Mrs. Lena Hite and Mrs. Marie Ross, members of The Town and Country Study Club, and Mrs. W. B. Hucks and Mrs. Hollis Cain of the Springlake XIT Study Club.

Beth Dent Honored With Bridal Shower

The lovely home of Mr. and Mrs. Perry Martin was the scene for a bridal shower, Saturday, October 25 from 7 till 8:30, honoring Miss Beth Dent, bride-elect of Eddie Moudy of Happy.

Miss Charlotte Laughlin of Hereford registered guests from a beautiful pink covered table accented with a white candle and pink shasta daisies and net. A white satin archway entwined with greenery and complimented with a beautiful bride on a satin covered platform, was the center of interest on the bride-elect's serving table, which was covered with a floor length white satin cloth.

Spiced tea, coffee and cake was served from silver appointments by Mrs. Leon Dent of Earth and Mrs. Ronnie Dent of Midland.

In the receiving line to welcome the guests were Mrs. L. H. Dent, Miss Beth Dent, Mrs. Foy Moudy, of Happy, mother of

the prospective bride groom, Ann and Metta Moudy, sisters of the prospective bride groom.

Mrs. R. T. Moudy and Mrs. George Blake of Happy, grandmothers of the prospective bride groom.

Hostesses for the occasion were: Mrs. Bill Freeman, Mrs. Bill Mann, Mrs. Johnny K. Martin, Mrs. Perry Martin, Mrs. Marvin Sanders, Mrs. Harvey Hickman, Mrs. Robert O'Hair, Mrs. Henry Lewis, Mrs. Virgil Lewis, Mrs. Rex Clayton, Mrs. Wendell Clayton, Mrs. David Johnston, Mrs. Curtis Smith, Mrs. Donald Street, Mrs. Truman Stine, Mrs. Sherry Hayden, Mrs. Norman Ellis, Mrs. Hershel Patterson, Mrs. Cullen Hay, Mrs. Loyd Blanton, Mrs. Dale Ward, Mrs. Fred Clayton, Mrs. C. L. Houchin, Mrs. Lexie Branscum, Mrs. R. O. Dickson, and Mrs. Houston Stephens.

Earth Brownie Troop 101 Has Weekly Meeting

Earth Brownie Troop 101 met in the home of Mr. and Mrs. Larry Price on Monday afternoon under the direction of Mrs. Price, leader, and Becky Littleton, junior assistant leader.

The girls spent the allotted time studying various projects and Brownie activities, and learning what it means to be a Brownie Scout.

Plans were also made for each girl to make a doll house to be given to some physically handicapped girl who is unable to be active.

Refreshments were served by Elaine Bills to the following: Mona Price, Lisa Pittman, Elaine Bills, Kim Holder, Beth Pounds, Rosie Lewis, Petra Lewis, Donice Taylor, DeAnn Clayton, Cheryl Riggs, Lisa Camarillo, Sylvia Gonzalez, and Jodie Daniels.

Mrs. B. J. Brockette and Mr. and Mrs. Elvis Hestand of Portales, New Mexico spent Tuesday thru Thursday of last week in the home of Mrs. Brockette's daughter the Sidney Forresters of Dallas.

M. Y. F. To Trick Or Treat Saturday For UNICEF

Members of the Jr. High MYF met Sunday evening in the United Methodist Church for their weekly meeting.

Donna Daniels and Darlene Sulser presented a topic on "Prayer." The two girls conducted a discussion on the various types of prayer and also told the members how to pray.

Kevin Alexander used as his topic for discussion "Religious Hymns." Kevin told how religious hymns originated and how these people were inspired to write religious music.

Jr. High M.Y.F. members also made plans to canvass Earth in the annual Trick-or-Treat for UNICEF. The drive will be conducted Saturday night beginning at 6:00 p. m. and will last through 1:00 p. m. The MYF members will be identified by arm bands bearing UNICEF. All donations obtained from this drive will go to this organization.

Those attending the meeting Sunday were Kevin Alexander, Dyke Gaston, Scott Lee, Deborah Daniels, and Mrs. Bud Matlock, leader.

Mrs. Murrell Named TOPS Queen

Mrs. T. V. Murrell was named Queen at the regular meeting of the Happy Losers TOPS Club Thursday night at the Earth Goodwill Centre with a recorded weight loss of 2 1/2 pounds.

The meeting was presided over by Mrs. Fred Clayton and the fifteen members were weighed in by Mrs. A. W. Gover to show a total weight loss of 8 3/4 pounds.

The program was presented by Mrs. H. L. Patterson. She gave a report on the activities at the TOPS Area Recognition Day held Saturday, October 17 in Sunday. She also gave a brief summary of the over-all activities being conducted by TOPS Club.

Following the program the group adjourned with the Serenity Prayer until the next regularly scheduled TOPS meeting.

Financial Facts

By Nolan Dudley

Most of the transactions of today's banks were performed in Ancient Rome.

Interest was paid on time deposits. Two and one half percent was the usual rate. Thrift and profitable investments were practiced and encouraged.

There is no evidence of the existence of regular savings banks. However, there were three methods of saving: First, by entrusting funds to bankers. Second, by placing them in the care of priests. Third, by depositing them in safes guarded by the State.

The first method was strictly a means for safeguarding savings. The banker received the deposit but paid no interest. Excellent facilities were furnished by the State for the safekeeping of valuables. The citizens were given the use of guarded safe deposit vaults.

THE CORNERSTONE OF YOUR COTTON PROGRAM

a special message for the cotton producer who wants to make more money

Are we exaggerating? Giving too much credit to the least cost item in your entire cotton production program? University researchers don't think so. Their studies show that quality of planting seed definitely affects net profit; that most "farmer saved" seed is decidedly inferior to pure seedstock, by as much as 116 pounds of lint an acre in some cases. Think about it. You can do two things to make more money: improve your product and lower production costs. The only common link between the two is quality seed.

There is no excuse for planting poor quality seed when you can get both guaranteed quality seed and supply in one economical package. You get both through SEED BANK, the unique service provided by your own cooperative, Growers Seed Association. Growers has enough top quality, proven and tested seed to plant hundreds of thousands of cotton acres. Decide on the variety you want, apply at your local coop gin or elevator, receive your bank certificate and forget about it. Your seed will be ready next spring. Growers guarantees it in writing. Seed can also be custom treated.

But sign up now to be assured of the variety you want and the amount you need. Seed are sold first come, first serve, and the early freeze has created an unusually strong demand for planting seed. See your local coop for top quality JOHNNY COT-TONSEED brand seed.

Dozing Drivers Are A Special Highway Menace

"The trouble with falling asleep at the wheel is that you may never wake up," Paul Graham, President, Texas Motor Transportation Association, warned today as he cited drowsiness as a special menace to highway safety.

"Since the development of the Interstate Highway System and other freeways, drowsiness has become a special problem," Graham said. "With few intersections, little oncoming traf-

fic and no billboards to distract him, it is easy for the driver to become bored--and then sleepy. And that is very dangerous!"

Anyone who expects to be behind the wheel for any length of time should, above all, be well-rested before starting out, Graham said. "The tired driver is a dangerous driver."

Mr. Graham listed these effects of driving while over-tired, as shown by extensive psychological research.

1. Drivers require stronger stimuli before taking action.
2. Their ability to anticipate trouble is reduced.
3. Their control movements are inaccurately timed.
4. They develop an aggressive attitude toward people and the machine they are operating.
5. They lose insight--and fail to recognize these shortcomings as being present.

What should you do when you feel the first signs of drowsiness? "Let more fresh air into the car--even in bad weather," Mr. Graham said. "Take action of some kind. Turn on the radio, talk or sing, change your sitting position."

"If you still find yourself starting to doze, pull off the road--well off the road and rest. No trip can be so urgent that it's worth your life."

To help avoid drowsiness, Graham recommended, learn to relax your eye muscles by shifting your gaze. "If you focus on one thing too long, a trance-like reaction may set in."

And while on extended trips, don't drive too long. Professional truck drivers never drive more than 10 hours without 8 hours of rest," Mr. Graham said.

"The professional is also recommended that you stop every 100 miles or three hours, whichever comes first, to stretch your legs and check your vehicle."

"These are men who are accustomed to driving long distances. The average motorist would be well-advised to follow their lead."

Assembly Set For November 7-9 For Jehovah's Witnesses

Local congregational members of Jehovah's Witnesses will concern themselves with being the "Right Kind of Ministers" during three days of intensive Bible training in Plainview when they attend their semiannual Circuit assembly in the Plainview High School Auditorium, November 7-9th.

The theme for their assembly was announced this week at Kingdom Hall by Loyd Lowery. He indicated that some of the local members who will have a share in the program and administrative activity are Warren Meeks, Sam Stanton and himself.

More than 30 in all from this area are planning to attend with upwards of 500 expected to share in the program that will encourage modern application of Matthew 7:29. Mr. Lowery said that his passage from the Holy Bible describes the teaching methods employed by Jesus Christ where it indicated that "he was teaching them as a person having authority, and not as their scribes."

Several from this area are planning to be baptized, according to Lowery. They will participate in an ordination ceremony for new ministers that will include being immersed under water. The baptism will be a convention highlight as it is in all conventions of the Witnesses. Since July of this year more than 27,000 have been baptized as a feature of the "Peace on Earth" International Assemblies of Jehovah's Witnesses that are currently being held all over the world.

LETTERS TO THE EDITOR

Albuquerque, New Mexico October 23, 1969

Dear Polly and Ross,

We are staying out here in Albuquerque as our oldest son is real bad sick. He has cancer in the veins of his heart. The Doctors have done all they can for him. Now he can not walk or use his left hand or see to read.

We will be at his bedside as long as he needs us. If anyone would like to send him a card, his address is John W. Williams, 309 Espejo, N. E., Albuquerque, New Mexico, 87112.

He went to school at Springlake prior to serving 20 years in the Navy.

SWPS Company Expanding Its Area Development Department

Southwestern Public Service Company is expanding its area development department in an effort to offer additional services to communities and industry-seeking organizations in its service area.

The electric company has named Elvin Schofield of Amarillo to the post of industrial development consultant. In his new assignment, Schofield will develop industrial prospects for the service area on the basis of research data showing what types of industries can best utilize the resources, natural and human, of the region. In addition, he will work with various communities served by Southwestern to help them keep up-to-date the statistical data which is of interest to prospective industries.

Schofield joined Southwestern Public Service Company in Amarillo as a sales representative in 1963. For the past few years he has been responsible for the electric commercial cooking equipment in the company's Panhandle Chapter of the Texas Restaurant Association.

A 1969 graduate of West Texas State University with a bachelor of business administration degree, Schofield received the Wall Street Journal Student Achievement Award that year as the outstanding WTSU business student. He is a May, 1970 candidate for a Master of Business Administration degree at WTSU.

Schofield is a captain in the U. S. Army Reserve and served for more than 5 years as the commanding officer of the 974th Repair Parts Company, USAR, in Amarillo. He is also a director of the San Jacinto Lions Club in Amarillo.

Southwestern Public Service Company's area development department includes, in addition to Schofield, R. K. Owens, area development manager, Larry Miller, industrial development manager, and Sam A. Thomas, Jr., agricultural development manager. All members of the department are available to work with the communities and industrial development organizations in the company's four state service area.

Baptist Church Has Layman Meeting

A layman's meeting for members of the First Baptist Church of Earth was held Monday morning at 7:00 a. m. in the Earth Community Building.

C. J. Humphrey of Amarillo, and a representative of the Panhandle Baptist Foundation, was speaker for the occasion. Humphrey told of a church near Grand Forks, Dakota that is striving to construct an activity center for men stationed at the military base at Grand Forks. The church there with Bob Bunk as pastor is doing its share to minister to these servicemen, but it needs \$33,000 to \$35,000 to construct the center. Churches who want to help he said are being asked to sign notes of \$1,000 and to pay the interest on these for five years in order that construction may begin.

Notes will be collected in cooperation with First Baptist Churches in this and other surrounding areas.

Week-end guests in the home of Mrs. D. M. Allen were her children Mr. and Mrs. Willis Allen and family, Mr. and Mrs. Arnie Lee Allen and family, Mrs. Naval Zaun, and Mrs. Francis Glasscock. Visiting Sunday night was Mrs. S. O. Ellis and son. Mrs. Ellis is a sister to Mrs. Allen.

Mr. and Mrs. M. W. Messer, Marianne and Doug and Vicki Sanders spent the week-end visiting in Midland. Saturday they attended a Halloween Carnival at which the Messers' granddaughter, Donita Lea, was crowned Queen of the Greenwood School.

Tackle Football Safety Rules City Council Has Called Meeting

AUSTIN. - Football is a game of emotions-for parents as well as players.

A parent may excitedly hold his breath while Junior returns the kick-off 75 yards in the last seconds of the big game to score the winning touchdown. It is not quite as lucky, the same parent may hold his breath anxiously as the pileup on field dissolves and he discovers that it is Junior lying there in a heap on the turf.

Football, like all "contact sports" does carry certain inherent risks of injury, reminds the Texas Safety Association, but proper training, equipment and supervision can improve the young ball player's chances to avoid injury on the field.

Head and neck injuries are most likely to be serious or even fatal-there were 36 fatal football injuries reported in 1966, 26 of them involving high school age players. The most important piece of protective equipment worn by the football player is the suspension helmet, complete with face guard, the organization pointed out.

Helmets should be well-fitted and of top quality. Face guards have been proven effective in reducing dental damage and broken noses, but have also increased chances for another type of injury-damage to the spinal cord. If the face mask is shoved upward with sufficient force, the rear edge of the helmet will be jammed down on the back of the neck, possibly resulting in a crushed spinal cord. A poor fitting helmet increases the chances for this type of injury.

Adequate protective equipment is a must in preventing unnecessary sporting accidents, but many high schools still outfit their players in showy, expensive uniforms, while the protective equipment underneath is of poor quality and fit. Scrubs and junior varsity players should have the same high-grade and well-fitted gear as the varsity.

One step toward reduced injuries on the gridiron is an experienced trainer. Since the most common type of injury is damage to the knee and ankle, it is important that ankles be taped or wrapped carefully prior to each game and practice session. Estimates show that one out of four high school players will experience some form of injury to the highly vulnerable knee or ankle during his career.

Artificial turf, now finding favor in many areas, is currently being evaluated and in the opinion of some authorities promises to reduce certain injuries.

A number of football fatalities and injuries occur long before the season ever opens-during late summer or early fall training. Held during the hottest time of the year, the practice sessions should be scheduled during the coolest hours of the day since heat stroke and heat exhaustion are major problems in preseason workouts. For the first few days of practice, the team should be clad in shorts and tee shirts.

The old myth that a football player should only rinse his mouth with water, never drink it during practices and games, should be punted across the nearest goal post, TSA says. During rigorous practice on a hot day, a boy may lose as much as 10 pounds. This represents five quarts of perspiration. Such dehydration can lead to heat exhaustion, or even worse, heat stroke, if the vital fluids are not continually replaced. A mild saline solution of two teaspoons salt per gallon of fruit-flavored water makes a good fluid replacement. The liquid should not be served ice cold,

however, and should be taken in small quantities at frequent intervals.

Probably the most vital rule to follow is making sure the player is in good physical condition to participate in the sport. A careful examination by a qualified physician is a must.

The foundation of fitness is proper diet and plenty of rest-two elements strictly under the control of the parent. See to it that he gets 8 to 10 hours of sleep and three full meals every day, seven days a week.

Boys of high school age have size, speed and power, but they have not yet reached their peak of stamina, skill and endurance. They tire more easily than do mature college and pro players and the majority of injuries occur when the player is tired and vulnerable. It sometimes may not be easy for the coach to remove an important-but exhausted-player from the game, but it may be necessary for the safety of the player.

Parental interest - at home as well as on the sidelines - is the key to a safe and fun-filled football season. Even if Junior is the team's "number one bench warmer," parents can feel a little easier knowing everything possible is being done to insure his safety.

Members of the City Council met October 27 for a called meeting at City Hall.

The purpose of the meeting was to discuss joining other West Texas towns in filing a protest with the Railroad Commission in regard to Pioneer Natural Gas Company's request for a gate rate increase.

The City Council, by unanimous vote decided to join the other cities in filing a protest provide cost doesn't exceed \$1.00 per meter, if it should exceed the above amount the council will meet to reconsider action to be taken.

At present there are twenty-five towns supporting this protest.

Present for the meeting were Mayor Pro-Temp, Bill Bryant, Alderman, Neil Pounds, Doug Parish, H. S. Hickman, and Bob Belew. Also present was Mrs. E. R. McAlpine.

be "First Aid" taught by Bill Morgan presented for this weeks program a briefing on artificial respiration and the different types of bleeding and how it can be stopped. These and other subjects will be explored more thoroughly at the next meeting.

The next scheduled meeting of Troop 614 will be Tuesday, November 4, at 6:30 p. m. at the Earth Scout Hut.

EMPLOYER TROOP PLAN "SPOOK HOUSE"

Explorer Troop 614 met Tuesday, October 28 at 8:00 p. m. in the Pioneer Natural Gas Office.

The group discussed and made plans for a "spook house" at the Halloween Carnival, to be held Friday night, October 31.

Many ideas were presented, and preparations were made for obtaining the various things needed for the spook house.

Boys present for the meeting were Greg Slover, Carl Sulser, Johnny Kelley, Kent Parish, Tony Barton, Danny O Hair, Jimmy Littleton, Samal Lewis, and Jerry Barden.

Dod Ellis of Monet, Missouri and Mr. and Mrs. J. A. Littleton Jr. and children were guests in the home of the L. A. Anglin, Sunday.

Mr. and Mrs. Charles Packard of Hereford visited in the home of the John Welch Sunday.

Mrs. Packard is a daughter to the Welch.

Mrs. Kathleen Young of Amherst attended church services with the Joe Hills and visited in their home Sunday afternoon.

HPRF Study Indicates Land May Be "Farmed To Much"

Harvest results from the first grain sorghum minimum tillage study at the High Plains Research Foundation indicates that the High Plains area probably does not need to be "farmed to death" to maintain high yields.

In this study, harvest results showed little difference between sorghum yields in the plots where seedbed preparation was done the conventional way and where seedbed preparation consisted only of one chisel down the middle of the old row where cotton was planted the preceding year. This was done to permit water penetration.

Dennis Mooney, Foundation researcher, said the plots in which seedbed preparation included mold board, disking, floating and listing, yields averaged 8,301 pounds per acre. In the plots where seedbed preparation included only the chiseling prior to planting yields was 8,103 pounds per acre. This method of seedbed preparation could save the High Plains farmer approximately \$15.00 per acre.

In plots where no seedbed preparation was done, the yield averaged 7,298 pounds per acre, Mooney said.

These tests were conducted on cotton stubble crop land. Mooney said the difference in the chiseled and conventional tilled plots compared to the no

tillage method was moisture stress, due to the inability of the water to penetrate in the unchiseled plots. "You could see it while it was growing. The plots that were not chiseled did not take the water and showed moisture stress through the entire growing season," he said.

"The plots had no cultivation after planting", Mooney said. A mixture of Paraquat and Propazine was used for weed control. The Paraquat was used as a contact herbicide for immediate control and the Propazine was used for residual season long control. Mooney said the chemicals offered "good" season long weed control. He pointed out that the plots with minimum tillage did have a few more weeds than the conventional preparation method, "and this could have contributed to yield differences," he said.

The sorghum was planted May 22 on flat land with 150 pounds of nitrogen per acre used in a side-dress application.
