It was quite a pathetic lo-
lom looking threesome who
came walking into the Gayland
Stephens home Thursday night.
Aching with pain, following a
rabbit hunt that had unavail-
ably detained the three limping
figures a bit longer than their
charming, though angered,
bridge playing spouses had ex-
pected...

However, after one good look
at the untidy three, the gals
meted... There stood their
knights in shining armor...
The men in their lives, now
worn, torn, dirty, and bleed-
ing...
It was enough to melt a heart
of stone to remember that only
a few hours ago this same happy
frivolous trio had gathered up
their guns, jumped in their
old custom-built "sand buggy"
for a vie with the rabbits of the
area...

The story goes, all went well
and they were having fun galore,
until Truman Layman, driver
of the sand buggy spotted a rab-
bit in flight, and without a
moment's hesitation, threw on
his brakes... The sand buggy,
traveling on sand, bit deep into
the sand and stopped... RAT...
THERE... AND... THEN... and
flipped over... One flew East...
One flew West... and Truman
stayed in the sand buggy's nest,
and was pinned underneath...

Gayland and his buddy, Saw-
ny Branscum after flying through
the air, picking themselves up
from being half-buried in the
sand and managed to free their
trapped buddy... after limping
along to a neighboring home,
they found a helping hand and
a ride home...

The little old sand buggy was
left lying in the sand... The
rabbits were left alone, free to
spend the night doing whatever
it is that rabbits do... While the
3 great white hunters limped in
home, lamenting their terrible
fate...

I heard Friday night that 'ole
Roy "Sport" Byers, Jr. recently
acquired a new nickname...
This one, I'm convinced is as
true a description of himself as
was the former "Sport"...

The new name came out Fri-
day night when his lovely
spouse, Jean, opened her purse
allowing a birds-eye view of its
contents...
If my memory serves me right,
she had among the many items
in her purse, a pair of scissors,
needles, pins, thread, can op-
ener, bottle opener, salt shaker,
rain cap, fishing sock, and a
collection of compact items
that would serve them well
from Maine to California...

By the way, if you haven't
guessed his new name by now,
it's "Go-Go" Byers... According
to Jean, "they've gone all sum-
mer long... with most trips oc-
curring on a moments notice...
And this practice has made her
go well prepared for ANY and
ALL occasions...

"nosin"
Have you noticed the hand-
some smile that Bill Bryan has
been displaying all week??
Now, most folks automatically
declare they just plain don't
trust a smiling man... But be-
fore you turn thumbs down on
an honest Joe... Look closer...
He's sporting a brand new set
of store bought teeth... And
without any apparent discom-
fort at all... And on top of
that, they are the most natural
set of teeth I have ever seen...
Wonder why one person can have
all the luck... He declares he
even hears better too... How
about that???

'Ole Ross has always made it
a point to hear just what he
wants to hear, which is about
one-tenth of what I say...
Maybe if I sneaked his out and
had them re-lined, it would in-
crease his hearing... (Oh well,
it was a thought anyway...)

Neil Pounds fell victim to the
local Lions Club firing squad at
a Tuesday noonday luncheon...
Seems Pounds took a poundin'
from a pone of corn bread that
came flying through the air
packin' a wallop and landing
smack in his eyeball...
He is now rather shyly... sport-
ing a rather swollen eye... and
rather embarrassed to explain
he came out second best to a
stick of corn bread hurled by a
playful Lion.

Chest X-Ray Unit To Operate In Earth Friday

The Christmas Seal Mobile Chest X-ray Unit of the Lubbock-Hale Counties Tuberculosis Association will be in Earth, Friday, September 3. Under the sponsorship of the Lion's Club of Earth arrangements have been made to have the X-ray Unit located at two places during the afternoon and evening hours, Dr. C. H. Bauman, Project Chairman of the Lion's Club made the arrangements for the Unit to be in front of the Earth Auto Supply from 1:00 p.m. to 5:00 p.m. and it will be moved to the Football Field between Earth and Springlake for the big opening football game. The Unit will operate at the field through half time.

Members of the Earth Lions Club and their wives will serve as volunteer clerks on the Unit, announced Roger Haberer, Lions Club President.

Everyone is urged to take advantage of this opportunity to have their chest X-rayed. No set charge is made, but a minimum contribution of 50¢ is asked of those able to pay.

Children ten years of age and older may be X-rayed. A chest X-ray detects many other abnormalities of the chest, such as cardiovascular and other respiratory diseases besides tuberculosis, it was pointed out by Dr. Bauman.

This is another community service sponsored by the Lions Club in the interest of the general health of this area, and it is hoped that a large number will avail themselves of this opportunity.

White Store Moving To New Location

White Store of Earth will move Sunday, Monday, and Tuesday to a new location, on the corner of Main and Birch street, the former location of Saul's Super Market, according to Doug Avery, owner-manager. The store will be closed Monday and Tuesday.

The interior has been completed, and is in readiness for merchandise to be moved in. According to Avery, the new location for White's will give additional space for displaying merchandise, storage, and more comfort for shopping. The firm will have approximately 6,000 square feet of floor space, 4,000 square feet of which will be used for displaying merchandise, and 2,000 square feet for service and storage.

The building will include the present location of the Earth Floral Shop, which will vacate shortly, and the former Beauty Shop Building, extending to the alley.

Avery expressed his appreciation to his customers for their patronage and cooperation in the past, and hopes that he may serve them and new customers in the future. He notes that the move to the new location will not inconvenience his many fine customers.

The new location will provide additional parking space, also, for customers.

SPRINGLAKE'S FIRST LOAD OF GRAIN for the season, grown by Rex Loftis was purchased by the Farm Chemical and Grain Company of Springlake Saturday. Pictured with the grain is Phil Neisart, of the Farm Chemical and Grain and Roy Gover who delivered the grain into town for Loftis.

Springlake-Earth Schools Have Four Bands

Dean Foshee, Band Instructor at Springlake-Earth Schools, anticipates a school year of great activity for his four bands.

This will be the first time in several years that the High School Wolverine Band will be composed entirely of high school students, with no eighth grade students included. The band has eighty-one members. Plans to participate in a parade, September 11 at 4:00 p.m. in Littlefield's Grand Opening Day Celebration will get activities off

to a big start. At that occasion, activities will be on national television, well-known magazine representatives will be present, etc.

The Junior High School Band is composed of eighty-two seventh and eighth grade students. The Sixth Grade Band has thirty members.

The Fifth Grade Band, composed of approximately thirty-five to forty youth will start Christmas, with tonettes.

First Load Of Grain In Area Delivered To Earth Elevator

The first real excitement of the fall harvest and the busy season ahead, engulfed the crew at the Earth Elevator Thursday afternoon when the first load of grain harvested in the area was brought into the Earth Elevator by Chester Kelley, Carrol Blackwell, manager for the Earth Elevator, who has been in the grain business for 30 years, serving area grain growers for the past 14 years at the local Earth Elevator, said.

The crew was excited at the thoughts of the beginning harvest season and stepped up activity ahead.

Kelley, grower of the grain, has been farming in the area since 1940. However, this was the first time he has been lucky enough to bring in the first load of grain.

He was paid a premium price of \$2.00 per hundred for the 19,320 pound load of Texas 660 variety.

The grain was harvested by Nelson Burnett Custom Harvesters of Lonewolf, Oklahoma, from a field of 67 acres, averaging approximately 5,000 pounds per acre.

Kelley said he planted the grain in the last week in April and applied nitrogen following the planting. He irrigated the grain twice.

Kelley said his crops all looked good this year, as well as did his neighbors, and since his first load Thursday, he has

Few Reserved Seats Available

Several reserved seat tickets are available for Springlake-Earth football games for 1965-66 season.

Reserve Ticket Charts are at City Drug in Earth, and Springlake Elevator, in Springlake. Tickets may be purchased at either place until 4:00 p.m. Friday, September 3, when the first game of the season will be played at 8:00 p.m. with Idalou. After that time, the charts will be taken to the Springlake-Earth School.

Mr. and Mrs. George Kasinger and Mrs. E. O. Lightfoot spent Sunday in Childress.

36 Enrolled In Special Classes

Three special education classes for students slow to advance have been set-up at Springlake-Earth Junior High School, with Mrs. Betty Anderson as co-ordinator. Teachers are Mrs. Anderson, Miss Carolyn Reynolds, and Mrs. Gladys Gill.

Three levels of learning have been scheduled. Mrs. Gill is in charge of the older group, level 4, with ages ranging from thirteen to sixteen years. In this group, homemaking, shop, and physical education activities are provided. In levels 2 and 3, Miss Reynolds has children from ages nine to twelve.

In level 1, Mrs. Anderson has students from the ages of six to nine.

The un-graded classes are divided according to ages, retardation or language difficulties will be studied as well as other causes, to give each child the maximum achievement in school through these special classes. Interchanging of classes according to needs, will also be considered if the occasion arises. Every effort will be made to help each child individually.

Classes have twelve students in each of the three levels. The special program for children who have had learning difficulties will benefit from individual assistance. Special arts and crafts will be used, such as finger painting, easel painting, and later weaving, yarn and button work, etc.

The three teachers, Mrs. Anderson, Mrs. Gill, and Miss Reynolds plan to attend a Special Workshop, September 13, which will aid them in this field.

Booster Club Elects Officers

The Booster's Club met Friday night at the Field House to elect officers and to hold an organizational meeting for the 1965-66 season. Newly elected officers were P. A. Washington, President; M. W. Messer, Vice President; and Dutch Been, Secretary.

Meetings will be held each Monday night at 8:00 p.m. at the Field House.

A second meeting was held Monday night to set up football programs, and elect a committee to sell advertising. Approximately twenty-five members attended. The group watched a film on scrimmage at the Petersburg game.

M. W. Messer and Harold Britton were chosen as a committee to take care of the film and photograph the 1965-66 games.

Special Election Tuesday Calls For Decision On Number Of State Senators

Voters get their turn at making or not making laws in a big way this fall in Texas.

There are 11 amendments to the state constitution to come up for voter consideration this year.

One special election is called for Tuesday Sept. 7. It calls for voting on only one amendment, a proposal to enlarge the size of the state senate from 31 to 39 members.

The local election will be held in the community room with Bob Armstrong as election judge. Polls will open at 8:00 a.m. and will close at 7:00 p.m. In Springlake the election will be held in the community building with Roy Byers, Jr. as election judge. Polls will remain

open from 8:00 a.m. to 7:00 p.m.

The purpose is to ease the pains of re-districting according to population figures.

If the amendment is approved by voters, the legislature will meet in a special session to redraw the state senatorial districts.

On Nov. 2, there will be ten proposals. They are as follows:

- Extend to four years the terms of governor and other statewide elected officials now limited to two-year terms.
- Increase from two to four years the terms of state representatives.
- Permit full state participation in federal medicare programs.
- Authorize the legislature to set salaries of the lieutenant governor and speaker.
- Set up an \$85 million student loan fund.
- Require district and appellate court judges to retire at 75, and set up a system for removal for misconduct.
- Expand the investment authority of the public school retirement system.
- Increase the state property tax from 42 to 47 cents and allocate the extra five cents to college buildings.
- Authorize \$200 million in veterans land loan bonds.
- Exempt from the property tax locally a hospital which expends as much as \$1.5 million a year on the care of indigents.

School Shop Program Gets Underway

Harold Fields, Industrial Arts instructor at Springlake-Earth Schools, has approximately 80-100 students in his five classes.

The new shop building is nearing completion, and will be quite an asset to the local school program. At present time, the classes in Shop I are meeting in the school but will soon be in the new shop building. There are two classes in the seventh grade, one in the eighth grade, and two in the high school. Preliminary sessions for planning an introduction to Industrial Arts will continue from six to eight weeks before getting into the general shop program, which will be general metal, general woods, and general electricity.

Loftis Brings In First Load Of Milo To Springlake Saturday

Rex Loftis, local grain grower in the Springlake area brought in the first load of 1965 grain to the Farm Chemical and Grain Company in Springlake Saturday afternoon.

The Texas variety 660 was grown on new sod ground, just plowed up from pastured land last fall. Because of the fertility of this new sod, Loftis did not fertilize, but watered three times.

The grain weighed 21,040 pounds and tested 15.60 moisture content.

Sandy Sanderson, owner-manager of the Farm Chemical and Grain Company paid a premium

price of \$1.75 per hundred for the grain, and gave Loftis an additional \$50.00 check as a bonus for the first grain of the season.

Sanderson, who has worked jointly with the farmers in the area for many years, serving as a fertilizer consultant and dealer for the area, and later becoming a grain buyer said, "The crops in the area look real good, the best in many years, and it is so nice to see these fine crops after receiving hail in the area for the past few years."

Loftis, who grew up in Springlake, brought in the first load of grain in 1964.

R. L. Byers, Jr. Elected President Lamb County Pioneers

The 16th Annual Lamb County Pioneer's Day Celebration was held Tuesday at the Littlefield Community Center, with approximately 270 guests registering by 5:00 p.m.

Faculty Honored With Get Acquainted Dinner

A "Get Acquainted" dinner was given in the Springlake-Earth School Cafeteria, Friday evening, honoring the 1965-66 faculty of the school.

Guests were presented a name card with an ingredient preceding an interesting game, "Cooking With Gas." Each faculty member or husband or wife had a recipe with many ingredients listed, the purpose of which was to become acquainted with members of the group and complete their given recipe.

Rainbow Girls Need Clothing For Sale

Members of the chapter express their sincere thanks to all who have donated merchandise for previous sales, but express their need for additional clothing and unused articles around the home to raise additional funds.

"Summer At Interlocker"

The National Music Camp at Interlochen is located in the northwestern part of southern Michigan in a natural setting of pine woods and sparkling lakes. Its physical facilities include over 400 buildings--classrooms, libraries, studios, the Interlochen Bowl, which is an outdoor stage with audience seats among the tall pines, Kresge auditorium, a large covered building, a theatre, recording studio, and other buildings.

Boys Ranch Rodeo Scheduled For Labor Day Weekend

Reserved box seats are still available for the 21st annual Boys Ranch Rodeo which will be held over the Labor Day weekend, Sunday, September 5 and Monday, September 6, in the arena at Cal Farley's Boys Ranch near Amarillo.

A special feature for visitors will be Texas-size barbecue beef sandwiches which will be prepared by the boys who are taking cooking as a vocation. Beef will come from the Ranch's own herd and a cold drink will be included for \$1.00, including tax. Visitors are invited to come early and picnic before the action starts.

Migrant Health Clinic Held

Approximately seventy persons were present Monday night at the Earth Community Building, when the Migrant Health Clinic held its fourth meeting.

Several other meetings will be held, the next of which will be September 13. Many residents and indigents have been responding to the services of the clinic. Some few crippled children have been interviewed and referred to other sources of assistance. It is hoped that additional migrant workers will come to the clinic for immunizations and inoculations at the next meeting.

As a recreational activity, I took classes in tennis, which were held twice a week. Unfortunately, we received grades in all our classes and these were sent home twice during the 8-week period.

Dr. Bausman expressed his gratitude for all those who have worked so diligently to make this worthwhile project a success.

I lived in one of the 29 high school girls' cabins with 13 other girls and my counselor, who is a junior in college. These girls were from many parts of the country, ranging from New York to Mississippi to Wisconsin, and all will be juniors in high school this year. The different interests and activities in our cabin included cello, piano, oboe, dance, art, saxophone, voice, and drama. As a cabin we had many varied activities, which included a sleep-out on the beach of the lake, pizza parties, cook-outs, "Christmas in August", secret sisters, a hike out of camp, and many of the girls participated in swimming, canoeing, and sailing activities. We all wore blue corduroy knickers, light blue knee socks and blouses--the uniforms were very comfortable even if they didn't flatter our figures.

The NMC campers enjoyed and participated in many outstanding concerts and programs and other activities. Among these were the Van Cliburn Benefit Concert, in which the well-known pianist and trustee of the camp presented a concert with the World Youth Symphony Orchestra and gave all proceeds to the camp's scholarship fund. Also campers enjoyed the faculty dance concert and the student dance concert, which was attended by Michigan's Governor Romney and Mrs. Romney. The high school opera workshop presented "The Pirates of Penzance" which was most enjoyable and full of fun and laughter for both the audience and performers. The drama department presented four plays and one musical and the high school choir presented several fine concerts composed of top musical literature. In addition, both bands and both orchestras had concerts each week and the Broadcast Orchestra and Symphonic Band also made a radio broadcast every week over the camp's radio station WIAA. Student recitals, in which campers could participate in an ensemble or solo, were held about three times a week.

So Your Baby Has Gone To School Today

By: Mrs. C.A. Watson

So your Baby Has Gone To School Today
Well, don't you feel so sad, Even if it does seem so small, Your little girl or lad, Your child still has twelve years with you.
Just away from 8: till 4, How nice it is, each evening when, You can meet it at the door, You still can kiss its little cheek, and brush the dirt from its knee; You see our youngest has gone to school, But he has grown away from me. Yes, our baby has gone to school, This is his senior year, So soon he will be leaving us, The thought is hard to bear, As our other children finished school, With thrills of successfulness, It didn't seem so hard to bear, There was one still left with us, But now our youngest has gone to school, With that grown-up look And we just couldn't wish him back, To his little primer book, But if I could find out by the walk, A piece of broken toy, His tricycle or a little block, He had when he was a little boy, If I could see at the window place, Where he watched for the bus, A smear of his hand on the pane, You bet I wouldn't fuss, But now this is his senior year, So swift the time will fly, When he will have finished his high school, And perhaps tell us goodbye, He may have to the service go And work for Uncle Sam, May have to cross the ocean deep, Maybe to Viet Nam, SO YOUR BABY HAS GONE TO SCHOOL TODAY, This is its very first year- Clasp your hands, look above, THANK GOD YOU STILL HAVE IT THERE.

I understand the Kenneth Hinson family has increased tremendously in the past 7 weeks. So much so, that at present they have more non-tax exempt mouths around their home to feed than should be legal for any tax-paying couple to care for.

It happened on the very first day of school when it fell Mrs. Hinson's duty to care for all the cute little collies... without the help of her little school-age helpers... She made a rash decision to sell off a few of the little pets.

So, you folks who need a friendly thoroughbred Border Collie to make your home complete... Remember the Hinson's will be glad to SHARE...

This is a reprint of an item that is making the circuit of various business bulletins; if you have a friend who is a member of the Great Society, pass it on so he can read it. The title is "The Hogs of Horseshoe Bend."

Years ago, in a great horseshoe bend in the Okmulgee River, there lived a drove of wild hogs. Where they came from, no one knew but they survived the floods, fires, freezes, droughts and hunters. The greatest compliment a man could pay to a dog was to say that he had fought the hogs of Horseshoe Bend and returned alive.

Finally, a one-gallus man came by the country store on the river road and asked the whereabouts of these wild hogs. He drove a one-horse wagon, had an axe, some quilts, a lantern, some corn, and a single barrel shot gun. He was a slender, slow-moving patient man--he chewed his tobacco deliberately and spat very seldom.

Several months later he came back to the same store and asked for help to bring out the wild hogs. He stated that he had them all in a pen over in the swamp. Bewildered farmers, dubious hunters, and storekeepers all gathered in the heart of Horseshoe Bend to view the captive hogs.

"It was very simple," said the one-gallus man. "First I put out some corn. For three weeks, they would not eat it. Then some of the young ones grabbed an ear and ran off in the thicket. Soon they were all eating it. Then I commenced building a pen around the corn, a little higher each day. When I noticed they were all waiting for me to bring corn and had stopped grubbing for nuts and acorns and roots, I built a trap door.

"Naturally they raised a ruckus when they seen they was trapped, but I can pen any animal on the face of the earth if I can just get him to depend on me for a free hand-out."

"Does this sound like something which gets a little too close to home?"

Mr. and Mrs. Ross Middleton The Earth News-Sun Earth, Texas

Dear Ross and Polly,

Every year about this time it is our pleasure to extend congratulations for awards won by the News-Sun in the annual West Texas Press Association newspaper contest. I am sure that

1965 will rate a special remembrance, however, as the year your publication received one of the most coveted honors, the Community Service Award. I can think of no greater tribute to a newspaper, and I am sure we join the scores of other well-wishers who have offered their sincere congratulations. The people of Earth can take pride in knowing that their newspaper is one which is vitally interested in the community and dedicated to help it improve, grow, and prosper. Best of continued success in the coming year with your fine publication.

Very truly yours,

Foley-McGeath Vows Exchanged Friday In Littlefield

Elms Memorial Chapel of the First Methodist Church was the scene of the August 27th wedding of Miss Judy Foley and James L. McGeath, M. B. Baldwin, pastor of the Earth Baptist Church, officiated.

The bride is the daughter of Mr. and Mrs. W. J. Foley, Star Rt. 2, Littlefield, and the groom is the son of Mr. and Mrs. Glen McGeath of Earth.

The bride was given in marriage by her father. Her gown was made of bridal satin and featured a scoop neckline with fitted bodice and long fitted sleeves. The A-line skirt fell into a chapel train. Her veil of tulle was attached to a large satin bow.

Miss Roxy Armstrong served as maid of honor and bridesmaid was Miss Sherlon Petty of Dimmitt, cousin of the bride. They wore matching street length dresses of rose pink peau de soie, and their headpieces were pink bows with pink tulle veils. Each carried a long stem white rose.

Best man was Dudley Smith of Lubbock, and groomsman was Eddie Townsend of Springlake. Don Foley, brother of the bride and Ivy McGeath, brother of the groom, were ushers.

Miss Kelly Moore, niece of the groom, served as flower girl. Her dress was fashioned after the bridesmaids'. Terry Don Foley, nephew of the bride,

was ring bearer. Miss Ann Farmer, organist, accompanied Miss Trudie Grizzle as she sang "Whither Thou Goest" and "Because."

The bride's mother wore a two piece blue linen suit with black accessories. The groom's mother wore a pink brocade sheath with black accessories. Each wore a white rose corsage.

Miss Linda Hutto provided piano selections at the reception in the parlor. After the reception the couple left for a wedding trip to points of interest in New Mexico. The bride wore a pink linen two-piece suit with bone accessories.

Mrs. McGeath is a 1965 graduate of Littlefield High School. The groom attended Springlake-Earth High School and is presently attending IBM school in Lubbock.

The couple will be at home at 1703, Avenue T, in Lubbock.

Clark-Smith Vows Read

Miss Elizabeth Clark and Donnie Smith exchanged wedding vows in a double ring ceremony in the First Christian Church of Lubbock Saturday at 6:00 p. m. Rev. Dudley, of Lubbock read the ceremony.

Miss Clark is the daughter of Mr. and Mrs. Ruel Clark of Lubbock. Smith is the son of Mrs. Dave Allesworth, also of Lubbock.

The bride graduated from the Methodist Nursing Home this year. The bridegroom graduated from Lubbock High School in 1962 and attended college one year at WTSU, Canyon. He is a Junior at Texas Tech at present. Donnie attended Lubbock School most of his life.

The bride, given in marriage by her father, wore a floor length gown of white silk organza over taffeta, featuring a scalloped neckline, short sleeves and fitted bodice. Her finger-tip veil of silk illusion flowed from a double tiara of pearls and crystals. She carried a bouquet of butterfly roses. The bouffant skirt was encircled with alençon lace motifs, and extended to a full chapel train.

Matron of honor was Mrs. Gene Chandler of Odessa, sister of the bride. Her ensemble was a street length dress of iced blue crystal crepe with scooped neckline and softly pleated skirt.

Bridesmaids were Miss Carolyn Bruce and Mrs. Joe Bob Ingraham of Sand Springs, Oklahoma. Junior bridesmaid was Miss Debra Chandler of Odessa.

Best man was Joe Bob Ingraham, uncle of the groom. Bobby Meyers of Tucumcari and Rickie McHenry, Ft. Worth were groomsman. Leslie Chandler, Odessa was junior groomsman. Brothers of the bridegroom, Ted and Fred Smith, and a friend, Tom Simants, were ushers.

Miss Tana Kay Clark was flower girl and Clark Chandler was ring bearer. Cecil Bolton, organist, accompanied Mr. and Mrs. Charles Row, who sang wedding selections. A reception held in the Fellowship Hall of the church, followed the wedding.

For traveling, the bride wore a two piece wool suit of off-white with avacado accessories. After their wedding trip, the couple will be at home at 2002 5th St., Lubbock.

Mr. and Mrs. B. Campbell spent Sunday in Memphis, Texas.

MRS. JAMES L. MCGEATH

Repeat Vows Read For Patricia Chitwood And Jerry D. Hutton

Before an altar banked with greenery, in the new Progress Baptist Church, Saturday, August 21 at 8:00 p. m., Miss Patricia Ann Chitwood, daughter of Mr. and Mrs. E. D. Chitwood, Jr. of the Lubbock area and Jerry Dwan Hutton, of Muleshoe, son of Mr. and Mrs. Horace Hutton, repeated their marriage vows. The couple were originally married June 1, 1965, in Juarez, Mexico.

Rev. B. C. Stoenepher, officiated at the double ring ceremony.

The bride, given in marriage by her father, wore a formal length gown of candlelight silk organza, featuring a portrait neckline edged in tiny seed pearls. The bodice and long petal point sleeves were of re-embroidered alençon lace. Seed pearls also edged the lower bodice and midriff. The controlled bell skirt of silk organza extended into a full chapel sweep.

Re-embroidered lace motifs accented the front of the skirt and the train. Her finger tip veil of silk illusion was attached to a crown of seed pearls.

She carried a bouquet of cascading streamers of French-white carnations and leaves, intertwined with picot satin, and mingled with Lillies of the Valley and ribbons of rosettes. These surrounded two lovely white orchids with gold throats in the center of the bouquet, to form her going away corsage.

The bouquet topped a white brocade covered Bible which was borrowed from the groom's sister, Mrs. Freddie Parkman. For something old, the bride wore a string of pearls, something new was her bridal gown and she wore the usual blue garter.

Sharon Hutton, maid of honor,

wore a floor length sheath of gold peau de soie, which featured a portrait neckline, with modified empire waistline and quarter length sleeves. Her French head piece was fashioned with puffs of flowing maline illusion, matching shoes and gloves, also a single strand of pearls. Her bouquet of cascading-brown mums was accented with gold ribbon.

Best man was Jasper Scheer of Plainview, former roommate of the groom at West Texas State University.

Candlelighters were Miss Susan Woodcock of Albuquerque and Miss Linda Weaver of Lubbock. Guests were registered by Mrs. Travis Bastire.

Ushers were Richard Chitwood and Terry Hutton. Susie Tanner, organist, accompanied her sister Brenda, who sang, "Because" and "I Love You Truly", also "The Wedding Prayer" as the couple knelt on a white velvet kneeling bench at the close of the ceremony.

The bride's mother chose an ivory wool dress with matching jeweled hat and accessories. Her corsage of gold throated white orchids surrounded by white carnations completed her ensemble.

The groom's mother wore a featherweight pearl knit three-piece with matching veiled hat and accessories. Pearl earrings and her orchid corsage completed her ensemble.

A reception followed the ceremony in the home of the groom's parents. Gold and white, the brides chosen colors, were carried out in the decorations. The table was covered with a white net and satin cloth over taffeta which was decorated with love birds and flowers of felt embroidered with jewels and sequins. Tall white tapers in crystal candleabras flanked the sides of the four tiered bride's cake. A silver service, belonging to the grandmother of the groom completed the table decorations.

Miss Eva Dean Ivy, Miss Gayla Seaton, Miss Martha Moss, Miss Wynell Barnes, Miss Elaine Embry, and Mrs. Freddie Parkman served at the reception.

Miss Diane Wilson, of Muleshoe caught the bride's bouquet while Gene McGuire caught the blue garter.

The bride wore an ivory knit dress with matching accessories

CALLING ALL HOME MAKERS

By Wilma Taylor

DON'T BLOCK THE PATH

W. Taylor

Occasionally, we bring you interior decorating hints, and here are some about furniture arrangement that a lot of people overlook.

There is nothing more disturbing (and painful) than walking through a living room and banging your shins on the sharp edge of a misplaced coffee table.

Remember that most rooms lead to somewhere else and you must have free movement within a room with clear access through it.

The furniture in too many rooms is arranged like an obstacle course. This does not mean that you should line all your furniture up against the walls. Actually it is very possible and not difficult to maintain all of the elements of good arrangement and still provide easy access through and within each room.

Don't block entrances and exits. Place chairs close enough for conversation but far enough apart to allow plenty of leg room.

Arrange coffee tables close enough to sofas and chairs to be useful but far enough away to permit free passage between the tables and furniture pieces.

And, many people make the mistake of using too large a dining room table in a small dinette so that when you try to sit down at the table, you find yourself pulling the chairs up against the wall. Better use a smaller table with larger extension leaves.

Choose from a large selection of tables at Taylor Furniture, Earth, Texas, Phone 267-3231.

Thompson-Parish Vows Exchanged in Olton

Miss Deanna Kay Thompson, daughter of Mr. and Mrs. Lester Thompson, of Olton, and Jimmy Dewayne Parish, son of Mr. and Mrs. O. H. Parish, exchanged wedding vows in the First Methodist Church of Olton, Sunday, August 29, at 2:30 p. m. with the Rev. Cecil Hardaway, pastor, performing the impressive ceremony.

The bride, given in marriage by her father, wore a wedding gown of white silk, overlaid with white lace, styled with princess bodice, scalloped neckline, and wrist length tapered sleeves. The bouffant skirt was fashioned with three tiers, ruffled in bridal tulle and featured a chapel length train designed of cascading lace tiers. Her veil of illusion fell from a white pearl tiara.

The bride's wedding bouquet was a white orchid enhanced with white feathered mums, in crescent shape.

Thirty tall white tapers in spiral candelabra and two baskets of greenery with white gladioli and white mums framed the altar. Musical selections were, "Walk Hand In Hand" and "The Wedding Prayer."

The maid of honor, Miss Cherie Thompson, of Olton, sister of the bride, wore a sleeveless dress of pale blue satin with scooped neckline. Her bouquet was of blue carnations encircled with pink feathered mums.

Bridesmaids were Miss Debra Parish, Earth, sister of the groom, and Miss Janet Chester, Olton. They wore dresses of pink which were identical to the maid of honor, with the exception of color. Their bouquets were of pink carnations and blue mums. Matching hats were gathered petals of organza accented with tulle veils.

Best man was Larry Parish, of Earth, brother of the groom. Cynthia Newton, of Oklahoma City, Oklahoma was flower girl.

Groomsman were Terry Parish of Earth, cousin of the groom, and Gary Cowley, of Earth. Ushers were Denny Parish, Bobby Borum, and Harold Powell, all of Earth.

Mrs. Thompson, mother of the bride, was attired in a beige dress with pink accessories, pink feathered hat, and

a corsage of pink carnation. Mrs. Parish, mother of the groom, wore a dress of smoky taupe with matching accessories and a corsage of blue carnations.

A reception followed in Fellowship Hall of the church. Punch and the three-tiered wedding cake were served by the following who assisted in serving: Miss Cindy Cross, Deena DeBerry, Janet Chester, and Linda Collins.

Guests were registered by Miss Jackie Parish. The couple left for a wedding trip in Oklahoma. For traveling, the bride wore an ensemble of blue silk linen, complimented by a hat of pink ostrich feathers and pink accessories. She wore the white orchid from her bridal bouquet.

The bride, a 1965 graduate of Olton High School will attend Draughan's Business School in Oklahoma City. The groom, a 1965 graduate of Springlake Earth High School, will attend Lewis School of Electronics in Oklahoma City, where the couple will reside.

MR. AND MRS. DWAYNE PARISH

Hawaii, The Beautiful

By: Jane McCord

Hawaii is the land of swaying coconut palms, miles of sunny beaches, hula dancers, surfers, luau, and needless to say, tourists. That I was essentially a member of the latter group was quickly forgotten, and I soon came to think of myself as a full-fledged Hawaiian. (Although I was a complete Texan at the same time!)

Hawaii is beyond a doubt, one of the most beautiful scenic spots in the world, but it would not be Hawaii without its friendly people and unforgettable customs. The first word a haole, one-woomer learns is the word, "Aloha" which means "hello", "welcome", "goodbye", or "I Love you", depending upon the way it is expressed. Generally everyone took it to mean "hello", it seemed safer that way...

Another custom is putting leis (strings of flowers), around every one's neck as he or she gets off the plane, departs, or for any other special occasion. These leis are beautiful and are usually made of plumeria or orchids.

And what does Hawaii usually bring to mind? Yes, hula dancers, of course. The hula is the telling of a story, with the hands, set to music and dance. (Since most people already know the fundamentals involved, I won't elaborate.)

Hawaii is also famous for its feasts, known as luaus. Everyone sits on the ground, Hawaiian style, and eats his fill of roasted pig, salmon, chicken, coconut pudding, baked bananas, and poi, made from the taro root and is undoubtedly the most infamous substance on the island. Poi is noted for tasting like wall paper paste, although I can't speak from actual experience.

The interesting and famous places on these islands are numerous so I'll try to restrain myself to a few that I enjoyed the most. To begin, I'd like to start with Waikiki. This is not the same as Honolulu, but is the beach and area next to it which is famous for its plush hotels and entertainment spots. This is where the mass of the tourists are concentrated and naturally everything is geared to their desires and demands.

The Nuuanu Pali cliff, divides the leeward and windward sides of Oahu. The winds blowing up this cliff are very strong, reaching to 40 m. p. h. People who have tried to commit suicide from the Pali have literally floated down and have not been killed because of these terrific gales. The view from Pali Look-out shows the valley and coastline of the windward side and is, in my estimation, the most beautiful view on the island.

Diamond Head is an extinct volcano which juts out to one side of Waikiki. This famous landmark is used by the military and civilians aren't allowed to go up to the top. There

JANE McCORD

are, however, many places up on the side of Diamond Head from where one can overlook Honolulu, and at night this view is breathtaking.

Perhaps the most revered place in our fiftieth state is Pearl Harbor. We met many natives whose actual experiences on that fateful day of December 7, 1941 were related to us in such a realistic fashion that I'll never forget them; and will always have a greater respect for those who gave their lives and others through whose courage and endurance, helped to restore a heavily bombed fleet. Many of these battleships would not have been able to see action again were it not for the superhuman efforts of these servicemen and civilians alike.

The Arizona Memorial has been constructed over the sunken USS Arizona, which, entombs over 1,000 American servicemen from the rank of Seaman to Admiral.

The other two islands we visited were Hawaii and Kauai, Hawaii, known locally as "the big island", is the largest in the chain. This is the only island where the famous volcanoes, Mauna Loa and Kilauea, are still active. Much of the island is wasteland as a result of the destructive lava flows. The main industry is ranching, and although we saw no actual cowboys, we saw some good impersonations of Hawaiian cowboys in grass skirts. Kauai is a small island of only 25,000 inhabitants and receives an annual rainfall of 360 in. It is known as the "garden isle" and it truly is a lovely place. Many motion picture companies think so too, for it has been the scene of many pictures including, "Blue Hawaii."

Leaving Hawaii was the most difficult time I had known. That night as I said "Aloha" to my friends who were there to see me off, I knew I would never forget them or the memories we'd shared in two of the most wonderful months of my life.

As the plane rose above the twinkling lights of Honolulu, and then on out where the moon

"As Seen In Earth"

By: Carolyn Hamilton

Back to Earth and down to Earth... (We flew 37,000 feet and above the clouds to Dallas and Georgia... a wonderful vacation with my family.)

Can it really be time for school again? School buses! And bright-eyed and scrubbed children with new school clothes Monday morning... And my Butch, a Junior High School student...

Seems most everyone returned from last minute vacations!... Very nice teacher's reception, welcoming our old favorites as well as new, many of whom seem very young...

The Springlake-Earth School campus is extremely beautiful this year, and all buildings are neat and pleasant...

The darling baby of the Danny Smith's was in town Monday... And Jean Sawyer, who is gradually improving from a serious and lengthy illness... So good to see her...

A very quiet town, Tuesday, except for Eldon Trotter's surprise birthday party at the Wolvenine. Friendly Carol Smith was en-

joying a cup of that good City Drug coffee...

There have been so many local weddings, with beautiful brides and handsome grooms...

Our thoughts and prayers are of those who are ill, including A. B. Odom, Bill Stockard, Mrs. M. M. Morris, and Mr. Drake...

The college set is excited, with plans to attend various schools. How proud we are of our local youths who will be continuing their education in colleges or universities of their choice...

Crops are beautiful this year! Warm days and cool nights... Yes, 'tis September... Our Indian Summer...

And football is in the air, with the first game Friday night... Come out, eat pancakes, and watch the Wolverines beat Idaho...

Hal Hudson Begins Training With Red Raiders Of Tech

Among the candidates when Texas Tech began its 1965 football training, September 1, was halfback Hal Hudson of Earth. Coach J. T. King was expecting 25 returning lettermen from last season plus a pair of monogram winners who did not play in 1964.

Most prognostications have the Red Raiders finishing in the Southwest Conference upper division with Texas, Arkansas, and Baylor. Texas Tech last year posted its best season record since 1955, 6-3-1, en route to a Sun Bowl loss to Georgia. The Raiders tied with Rice for fourth place.

Texas Tech opens its season in Jones Stadium against University of Kansas at 7:30 p. m. September 18. That's the first of seven home contests. Other Jones Stadium games will be with Texas A&M Oct. 2, Texas Christian Oct. 9, Oklahoma State Oct. 16, Rice Oct. 30, New Mexico State Nov. 6, and Baylor Nov. 13.

On the road Tech meets Texas at Austin Sept. 25, Southern Methodist at Dallas Oct. 23, and Arkansas at Fayetteville Nov. 20.

Area Boys To Participate In Annual P. P. & K.

The National Football League and the Ford dealers of America today announced the fifth annual Punt, Pass and Kick competition for the nation's 8-through-13-year-old football fans.

PP&K pits the youths' punting, passing and place-kicking skills against those of other participants of the same age. Since its inception in 1961, the program has attracted more than 7,000,000 entries, including a record 601,000 last year.

Registration locally for this year's competition will be held at Jackson Ford, Inc. in Earth, beginning September 1 through October 8. Jackson will disperse at a later date the location for local competition.

Competition in the Dallas area will be prefaced, in late September, by a football clinic conducted for PP&K entrants by members of the Dallas Cowboys football team. Actual PP&K

local and district competition in Dallas County will take place at city parks. Elsewhere in the Southwestern region, competition will be held at school athletic fields, parks or other areas designated by Ford dealers.

Winners of these preliminary local PP&K contests will advance to area competition to occur during half-time ceremonies at NFL games. Winners from the Dallas, Houston, New Orleans, and Oklahoma City districts will compete during half-time at Dallas Cowboys games.

Area winners will vie for Eastern Division honors December 11 at Dallas' Cotton Bowl during half-time of the Dallas Cowboys-St. Louis Cardinals game. Similarly, Western NFL-area champions will compete in Los Angeles December 18 to decide the six Western Division NFL champions.

The 12 finalists--one each in

the 8-13 age groups from both the Eastern and Western Division team areas--will go to Miami for the final PP&K competition at half-time of the NFL Playoff Bowl Game in the Orange Bowl on January 9, 1966. The all-expense "Tour of champions" for the youths and their parents will begin with a visit to Washington, D. C., on January 7. The Washington visit will be highlighted by a special tour of the White House.

Following the half-time show-down in Miami, the six national age-group winners will be crowned by NFL Commissioner Pete Rozelle. One of the national PP&K champions last year was 9 year old Mark B. Woodward of Huntsville, Tex.

LEVELS OF COMPETITION
The five levels of competition begin with local programs during the October 9-17 period. Local winners will be determined in local, dealer-sponsored competitions. The top six scorers in each Ford sales zone will be invited to represent their zones in a Ford district competition.

After competitions in the 37 Ford districts, the top six youths in each age group (a total of 222 boys) will qualify for the area competitions in each NFL area city. From there, area winners will enter divisional and national championships.

The six National champions will be determined in competition between champions of the Eastern and Western Divisions at Half-time of the Playoff Bowl Game in the Orange Bowl at Miami January 9, 1966.

AWARDS
Awards to winners at the various levels of competition will be:

Local (for 8, 9, and 10 year olds): 1st, NFL warmup jacket; 2nd, football helmet; 3rd, PP&K football. (Boys 11, 12, and 13 will receive plaques).

District (in each age group): Plaques.

Area (in each age group): Trophies.

Division (in each age group): "Tour of Champions" with parents to Washington, D. C., and to Miami, Fla., for national competition.

National (in each age group): PP&K Champion or runner-up trophies.

Wolverine Defense Has Impressive Showing Against Petersburg

The big question around Springlake-Earth this week is: What kind of a team will the Wolverines come up with this season, under their new coach, Danny Smith?

Friday night, in the scrimmage game against the Petersburg Buffaloes, this vital question might have been answered. But for those who did not keep up with the statistics, this is the game in a nutshell.

Both teams started their defensive attack from the twenty yard line and had three downs to make ten yards. If the team succeeded in making the ten yards on the first three downs, and on the following three downs they failed to make ten yards, the ball would go back to the twenty yard line and start all over again. Each team kept the ball on offense for ten minutes, then gave the ball up and went on the defensive.

For the entire game, the Wolverines gained 256 yards offensively in comparison to 80 yards for the Buffaloes. The Wolverines had 12 first downs to 3 first downs for Petersburg.

Each team had 3 fumbles, and the Buffaloes crossed the goal line two times, while the Buffaloes were held scoreless.

The general opinion is, the defensive squad played an impressive game. They hit hard and their spirits were high.

The only part of their defense that was not sharp, was the pass defense. But this week's workout should sharpen up this weak spot.

At the beginning of the season it is always important to get the backfield in shape to really start the ball rolling, but the timing on this, their first scrimmage game was off. However, late in the game, the backs began to sharpen up and start hitting the line the way they should. So with another week's hard work, this weakness will definitely be improved.

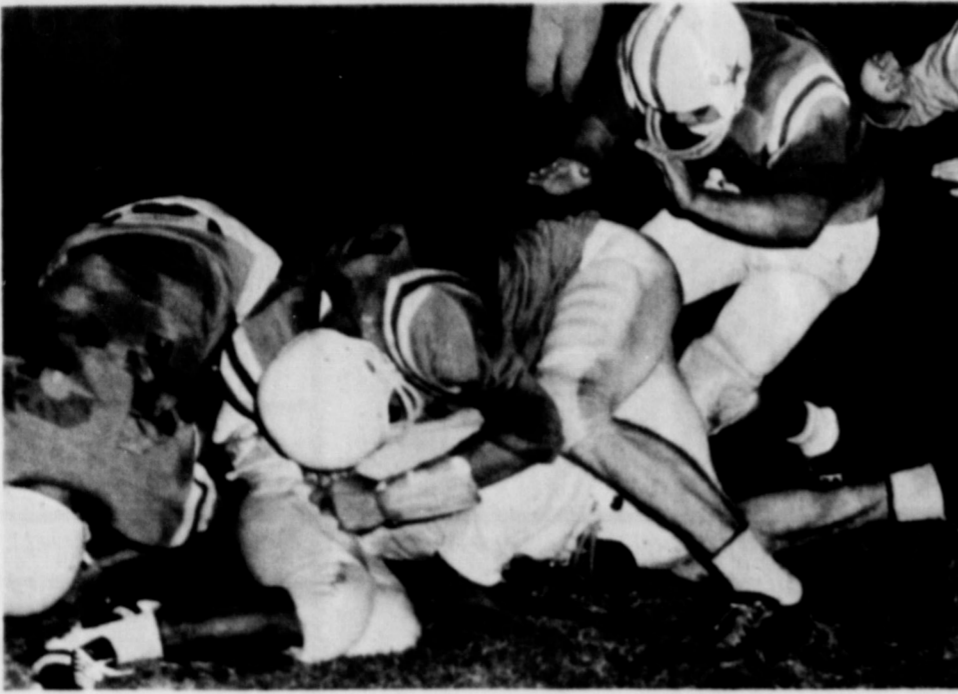

The Idalou Wildcats will invade Wolverine Stadium Friday night, in a battle of two high ranking 3-A and 4-A powers.

Both teams will operate from the wing T formation, and should be a thriller.

Idalou will have their senior quarterback by the name of Ater, who has the experience and reputation of being a real sharp passer.

All indications point to a lot of passes being thrown throughout the entire game. It's still not certain who will be the starting eleven, but this is the way it shapes up now:

At left end it will be either Pete Glascock or Ronnie Adams, left tackle, Jose Triana; left guard, Ken Dawson; Center, Bobby Coker; right tackle, Rich-

PETERSBURG QUARTERBACK IN TROUBLE. This is one reason the Buffaloes were able to gain only 80 yards against the Wolverines. Ken Dawson, is shown making sure the play goes no further.

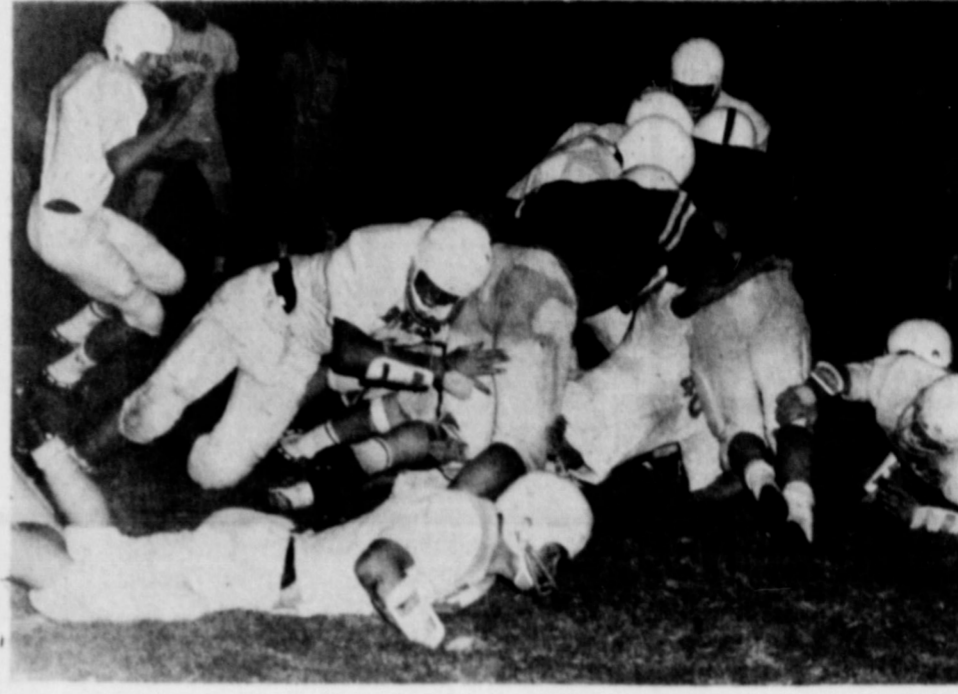

WOLVERINES STREAM THROUGH the line to get at Petersburg quarterback, during scrimmage game Friday night. The attack is by Jerry Sanders and James Thomas.

ard Mitchell, right guard, James Thomas, right end, Floyd Henderson, quarterback, Doug Messer, right half will be either Logan Armstrong or Randy Washington; left half will be either Floyd Bennett or Terry Parrish, fullback will be Jerry Don Sanders.

So, when 8:00 p. m. Friday night rolls around, let's all turn out and get in the football spirit, and back a great bunch of lads, the Springlake-Earth Wolverines.

turned Tuesday from a two-week visit in Athens, Georgia with Mrs. Hamilton's parents, Mr. and Mrs. H. C. Whitworth.

Mrs. T. C. Martin and children of Euless, Texas are visiting in the homes of Mr. and Mrs. R. S. Cole and Mrs. Alice Martin.

JERRY DON SANDERS plows his way through the center of the Buffaloes and picks up 5 yards. Action came late in the scrimmage game against Petersburg, when the offensive team really started playing football.

PRODUCERS WINNING

Battle of the Boll Weevil!

BOLL WEEVIL CAN BE BEAT

The efficiency and effectiveness of the 1964 weevil control program, together with the continued support of producers, strongly points toward a complete High Plains victory over this most dreaded and costly of all cotton insects.

20% LESS REQUESTED FOR WAR CHEST

Economies effected in the first year's spraying, plus the fact that over 97% of producers helped finance it, made possible a substantial carryover of funds from 1964 to be used in 1965. This in turn has made it possible to reduce the requested producer contribution in 1965 from 50 cents to 40 cents a bale. And there is hope this can be further reduced in 1966.

The following is a financial report from the Boll Weevil Steering Committee of Plains Cotton Growers, Inc. to those who are so wisely investing in this vital program:

BOLL WEEVIL STEERING COMMITTEE FINANCIAL STATEMENT

Statement of Revenue and Expense		July 1, 1964 to June 30, 1965
REVENUE FROM PRODUCERS		
Boll Weevil Eradication		\$919,855.00 (1)
EXPENSES PAID BY PRODUCERS		
Boll Weevil Control - U.S. Department of Agriculture	\$500,000.00 (2)	
Boll Weevil Control - Plains Cotton Growers, Inc.	39,454.46 (3)	
Refunds	27,191.23 (4)	
Interest	6,124.90 (5)	
Check Books	6.02	\$572,776.61 (6)
NET INCREASE IN FUNDS		\$346,878.39
REQUIRED ESCROW FUND		\$100,000.00 (7)
AVAILABLE FOR 1965 OPERATIONS		\$246,878.39

- (1) Producer investments at 50 cents per bale
- (2) Paid to USDA in October and November, 1964, pending final audit
- (3) Reimbursed expenditures from PCG general fund
- (4) Less than 3% of total contributions
- (5) Interest on money borrowed to begin spraying before contributions started
- (6) Total cost of program in 1964 was \$1,188,435.20, with the difference paid from Federal and State funds
- (7) Required escrow fund to remain 2 years beyond termination of the program

These figures are taken from the complete audit supplied by the Certified Public Accounting Firm of Campbell & Robinson. The complete audit is available for inspection in the office of Plains Cotton Growers, Inc.
