Lions Speaker Explains Cotton Trailer Laws

When the Earth Lions Club met for their weekly luncheon Tuesday, guest speaker C. A. Dempsey, a safety officer with the Texas Department of Public Safety office in Lubbock, spoke to the club on new laws pertaining to lights and brakes on cotton trailers.

The new law which goes into effect January 1, 1972 will require all trailers which are 80 inches or more in overall width to have two amber clearance lamps, one on each side, on the front of the trailer. On each of the two sides of the trailer there will have to be an amber side marker lamp and an amber reflector at the front and at the back there will have to be a red side marker and a red reflector.

The law requires that on the back of the trailer there should be three red identification lamps in the center of the trailer and two red clearance lamps on each side. Also on each of the two sides of the rear portion of the trailer there should be a red tail lamp, a red stop lamp, and a red reflector. The lamps and/or reflectors may be incorporated.

Every motor vehicle, trailer, semi-trailer, and pole trailer shall be equipped with electric turn signal lamps, except that passenger cars and trucks less than 80 inches in width, manufactured or assembled prior to model year 1960, need not be equipped with electric turn signal lamps, unless the body or load of the vehicle extends to the side more than 24 inches from the center of the top of the steering wheel post, or the rear limit of the body or load exceeds more than 14 feet from the center of the top of the steering wheel post.

Dempsey also stated that all trailers, semi-trailers, or pole trailers 80 inches or more in overall width or 30 feet or more in overall height would be required to be equipped with hazard warning lamps. He said that the use of a flasher switch causing the turn signal lamps to flash simultaneously may be used to comply with this regulation.

Every vehicle shall be equipped with brakes acting on all wheels except trailers, semi-trailers, or pole trailers of a gross weight not exceeding 3,000 pounds provided that total weight of the trailer or trailers does not exceed 40 per cent of the gross weight of the towing vehicle when connected to the trailer or trailers.

The safety officer said that the farm trailers up to 4,000 pounds, grain trailers up to 10,000 pounds, and cotton trailers up to 15,000 pounds that do not travel above a speed of 30 miles per hour are exempt from the brake and registration law. He pointed out that anyone could obtain further information concerning the new laws from their Texas Department of Public Safety offices.

Area Gins Begin Ginning

The Earth Co-op Gins ginned their first bale of cotton for the 1971 ginning season Tuesday afternoon.

McLvin Bock bought in a trailer load of cotton weighing 2,300 pounds. Bock used a cotton stripper to pull the cotton from a one acre plot of ground. The ginned bale weighed 500 pounds and made 760 pounds of seed.

Bock planted Gregg cotton seed last spring.

Dick Pierce, plant superintendent at the gins, who ginned the first bale stated that the

cotton looked pretty good although it was still a little green and wet. He said that the ginners are expecting to gin a few more bales this week and early next week, but that ginning season probably would not get into full swing until there was a hard freeze in the area.

Bob Belew of the Earth Gin Company said his gin had ginned 13 bales so far this year and he feels that the cotton looks fair for the weather conditions we have had. Belew stated that in one or two weeks the area gins should get pretty busy.

Eudell Baccum, manager of the Farmers Co-op Gin in Springlake, said his gin had baled 15 bales of cotton. Baccum feels that ginning season will probably begin in earnest in about fifteen days.

RED CROSS TO MAIL OUT QUESTIONNAIRE

This is the time of year when veterans, widows, and dependent parents will receive a questionnaire with this month's check. These must be filled out and returned in order to receive your checks in January.

This veterans service office will be open until 5:00 p. m. each afternoon during the month of November to assist in filling out these income questionnaires.

All veterans 72 years and older, will not receive a questionnaire if they have been receiving benefits for two consecutive years or longer.

NINE MEMBERS OF THE EARTH 4-H CLUB received special awards at the program in Littlefield Saturday night. Left to right standing are Sheila Lewis, Petra Lewis, Alayne Slover, Dawn

Branscum, Sherry Higgins and Glenn Branscum. Front row Alan Been, Michael Graham and Tommy Graham.

Auction Sale Scheduled

Is there an item you would like to purchase at a low cost? Do you have something to sell?

If so why not attend the community Auction Sale sponsored by the Springlake Lions Club Friday, November 19? The sale will start promptly at 11 a. m. that day and will be held at the former Watson Brothers Butane Company grounds located north of the stop light in Springlake.

Auctioneer L. D. Henderson will auction off objects of every type, color, size, and

shape to the highest bidder.

Even now you may list items for sale by contacting Billy Braden, Tom Alair, Les Watson T. C. Kennedy, Harlon Watson, Elroy Wistan, any other Springlake Lions Club member, or L. D. Henderson at 965-2446.

Lunch will be available to persons attending the auction. All proceeds from the sale that go to the Lions Club will be used to help support worthy charities.

Bi-County PTA Meets

The Lamb-Bailey Bi-County PTA Council met Tuesday, November 9, 1971, at 2:00 p. m. at Olton High School for their second quarterly meeting this year.

Mrs. Larry Hausmann and Mrs. Norman Ellis attended this meeting from our local PTA. In the absence of the president and vice-president, Mrs. Larry Hausmann, secretary, conducted the meeting.

After a short business meeting, Mr. Bill Clayton, State Representative from Springlake, had the program on the current legislative program concerning school, children, and/or teachers. He discussed various bills concerning the schools, such as prayer in the schools, bussing of the students (especially in the urban communities), public kindergarten, the school taxes, and various other bills pertinent to the schools.

Plans were discussed for attending the state convention to be held in Dallas, November 16-19.

Refreshments were served to the 11 members present.

Discuss New Businesses

During the regular monthly meeting of the Earth Chamber of Commerce Friday it was reported that there is a new welding shop in Earth, and that there are some other businesses reported to be interested in the town of Earth.

Bob Belew reported that two sign companies are to submit designs and prices of signs for placing on the outskirts of Earth. At this time these designs or prices have not been received by members of the Chamber of Commerce.

No one was present to report on the historical marker for the school so it was decided to table the matter until the next meeting.

Letters from Lubbock, Washington D. C., Austin, and San Angelo were read concerning chamber work.

Plans were made for checking out the Christmas lights and for installing the lights and other decorations.

4-H Club Members Receive Awards

Twenty-three members of the local 4-H Club were honored along with members of other 4-H Clubs in Lamb County at the annual 4-H Achievement Awards Program and Banquet which was held at 7 p. m. Saturday, November 6, in the Littlefield Junior High School cafeteria.

Master of ceremonies was Aubrey Pitts of the Pleasant Valley 4-H Club and Mistress of ceremonies was Connie Ham of the Sudan 4-H Club.

The delicious dinner was sponsored by State Line Irrigation at Littlefield.

Sheila Lewis of the Earth 4-H Club introduced all guests at the program.

Each club presented a report of their activities in the past year. Glenn Branscum reported on the local chapter.

Barbara Black of Sudan introduced guest speaker, Joe Salim of Sudan.

Awards were presented by G. T. Sides, County Judge, Mrs. Lady Clare Phillips, Bobby Brunson, and Buddy C. Logsdon, all county extension staff agents.

Helen Black of Sudan and Terry Wheeler of Olton were named as the Goldstar Girl and Boy in Lamb County.

Nine members of the Earth chapter received special awards.

Alayne Slover received one for bread and Tommy Graham was awarded one for dairy work.

Receiving awards in the foods and nutrition class were Sherry Higgins and Glenn Branscum.

Michael Graham was presented a special award for food preservation.

Receiving awards for leadership and public speaking were Sheila Lewis and Dawn Branscum, respectively.

In the livestock classes Petra Lewis was given an award for sheep and Alan Been was presented an award for swine.

Pins were then presented to all the youth present signifying the number of years they had been 4-H Club members.

Receiving six year pins from the local club were Brad Bridges and Sheila Lewis.

Those from Earth who were awarded two year pins were Petra Lewis, Alan Been, Brent Been, Sherry Higgins, Tommy Graham, Michael Graham, Glenn Branscum, Wendy Branscum, Dawn Branscum, Alayne Slover and Clint Dawson.

Earth 4-H Club members who were presented one year pins were Rosie Lewis and Ricky

South Plains Cotton Harvest Off To Slow Start

The first cotton sample for the 1971-1972 season was classified September 9, 1971, by the USDA's Consumer and Marketing Service, Cotton Classing Office in Lubbock. W. K. Palmer, Officer-in-Charge, reported that only 1,200 cotton samples from the current crop had been received through Friday, October 29th.

This compares to a total of slightly over 32,000 samples at this time last year.

The current crop is two to three weeks later than normal due to unfavorable weather conditions during the spring and summer months. In the Earth area only three bales have been ginned, but with favorable weather for the next few days, harvest is expected to get underway.

Most of the early harvested cotton has been long staple cotton which was machine picked and had damaged cotton which was stripped. Quality of this early cotton varied widely depending on the condition of the fields at the time

of harvest. Farmers belonging to organized improvement groups are eligible for a free classification on each bale of cotton they produce. A class card is issued on each sample submitted indicating the official grade, staple and micronaire reading. The information can be used to determine the approximate value of the cotton by referring to current price quotations in the Western Region Weekly Review on Cotton Market News.

Quality data on cotton classified by the Lubbock office is published each Tuesday by the Western Region office. Grade, staple and micronaire information is based on ten percent of the cotton classed. Presley strength tests are based on thirty samples taken at random daily, five days a week. These reports concerning cotton market news are available to all persons interested. For further information, contact the Lubbock Classing office at 610 23rd Street. Telephone number 747-3711, Extension 621.

Bands Earn \$940

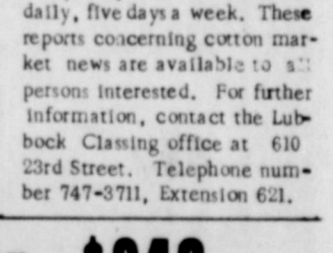

The Springlake-Earth school band members have recently been selling subscriptions to the Earth News-Sun and to several major magazines in order to raise funds to help finance band projects in the forth coming year.

Band director, Tom Sorelle, said Wednesday that the fund raising campaign which ended last Friday should earn the band about \$940. The hard working band members sold approximately fifty-two subscriptions to the local newspaper and \$2,750 worth of subscriptions to various magazines according to Sorelle. He said that the band would be allowed to keep 30% of proceeds from subscriptions to the newspaper and 30 to 50% of proceeds from

magazine sales. The band director announced that Wendy Branscum sold the most subscriptions to the Earth News-Sun.

He also stated that students who sold from \$50 to \$80 worth of magazine subscriptions were: Becky Littleton, Crist Dent, Kent Hason, Carlton Gregory, Greg Welch, Kerry Sawyer, James Hanson, Lee Brown, Kirk O'Hair, and Timmy Craft.

FORGIVENESS

By
DAVID HARTMAN

Last week I wrote about re-
sentment. This week I am
writing about how to get rid of
your resentment. This involves
forgiveness.

The Bible teaches us we need
to experience the forgiveness
of God.

Romans 3:23 leaves no doubt
about the fact of sin: "Yes, all
have sinned; all fall short of
God's glorious ideal."

But notice what he says in
verse 24 of the same chapter:
"Yet now God declares us
"not guilty" of offending him
if we trust in Jesus Christ, who
in his kindness freely takes a-
way our sins."

Jesus, on the cross, said on
behalf of his executioners,
"Father, forgive these people
for they don't know what they
are doing." (Luke 23:34)

Through Christ we can expe-
rience God's forgiveness for
our resentment and other sins
that plague us.

Not only do we need to expe-
rience God's forgiveness but
we also need to experience
each others forgiveness.

Do you have a hard time say-
ing, "I'm sorry" to those you
have offended? I do. It is be-
cause of my pride that I do not
like to admit error in judgment
personal conduct, etc. Yet,

sometimes I find that I am re-
quired of God to say, "I'm
sorry."

Matthew 6:14 and 15 are two
rather uncomfortable verses:
"Your heavenly Father will for-
give you if you forgive those
whom against you; but if you
refuse to forgive them, he will
not forgive you."

Perhaps Jesus said that because
if we are in a frame of mind to
reject each others forgiveness
we will also be in a frame of
mind to reject God's forgive-
ness. God forces his forgive-
ness on no one. He will let us
persist in our resentment (and
other sins) as long as we want
to.

The tragedy is that Christ has
already provided for the for-
giveness of our resentment and
all our other sins and we won't
claim what is already avail-
able to us.

If you own a farm likely you
have at least one irrigation
well. When you pump the water
from the ground below you
are merely claiming what
is already yours. You received
the right to pump the water
when you bought the land.

Forgiveness is available. It
is a matter of claiming what
is already ours.

CITY DADS DISCUSS PRIVATE CLUB

An emergency meeting of the
City Council of Earth was called
at 1 p.m. Wednesday to
discuss the legality of a private
club inside the city limits of
Earth.

City attorney, Andy Stroebel,
advised the council that as long
as a private club did not vio-
late any of the state liquor
laws that the council had no
authority to take any action.

The city dads voted to accept
the city attorney's recom-
mendation with four voting for
it and one council member ab-
sent.

Present for the called meet-
ing were E. C. Kelley, mayor,
Andy Stroebel, city attorney,
Mrs. Betty McAlpine, city
secretary, and aldermen, Doug
Parish, Bob Belew, H. S. Hick-
man, and Ross Middleton.

BAND ENTERED CONTEST

Tuesday, November 16, will
be a big day for the Springlake-
Earth High School band as the
band will travel to Lubbock that
day to compete in the Uni-
versity Interscholastic League
School Marching Contest to be
held at Jones Stadium in Lub-
bock.

Tuesday, the local band will
be one of thirty bands that will
perform before the three con-
test judges who will be Charles
Trailer, Don Iring, and Clyde
Wilson.

The majorettes from S-E will
compete in solo and ensemble
twirling contests at 12:30 p.m.,
Tuesday before the entire band
performs at 2:30 p.m.

Tom Sorelle, band director at
S-E schools, said the band must
earn a number 1 rating which
is equal to a superior rating at
the contest if they are to have
a chance to win a sweepstakes
award later this year after
competing in concert and sight
reading contests.

The local band director said
that anyone who would like to
go to Lubbock to see the band
perform was welcome to do so
and said that they could sit on
the west side of the stadium
free of charge.

development, protection, use
reuse, management and clean-
ing the water of their respective
states.

The entire Conference, Clay-
ton said, was greatly concerned
about the pending Federal Wa-
ter Pollution Control Bill, and
officers of the conference, in-
cluding Clayton, met for a full
day workshop with the House
Public Works Committee staff
to see if language might be
incorporated into the House
version of the measure to pre-
vent the erosion of states
rights.

Clayton was recently appoint-
ed chairman of the Intergovern-
mental Relations Committee of
the National Legislative Con-
ference, an organization in-
volved with state legislatures.
He expressed a hope that the
Interstate Conference on Wa-
ter Problems and the National
Legislative Conference can
unite their thinking and efforts
in the field of water resource
development and management,
and that the states can move
forward without intervention
from the federal establishment.
Serving in these two key posi-
tions, Clayton said he felt
would give a very definite ad-
vantage to Water, Inc., giving
the organization first hand
knowledge of what is going on
in these two Conferences on
the one hand, and giving Wa-
ter, Inc., sounding boards on
the national level on the other.

EXECUTIVE BOARD MEETS

When the executive board of
the Goodwill Centre met Wed-
nesday, November 3, they de-
signed Monday, November 8,
and Tuesday, November 9, as
clean up days at the Centre.

Each of the organizations
which sponsor the Centre were
to have one or two represen-
tatives at the Centre from 1 p.
m. until 4 p.m. on both days.
Mrs. A. W. Gover was in
charge of the clean-up cam-
paign Monday and Mrs. Jearl
James was in charge Tuesday.
The board members also de-
cided to change their meeting
dates from the first Wednesday
of each month to the first Mon-
day at 2:30 p.m.

Those who attended the meet-
ing were Mrs. Pete O'Hair,
chairman, Mrs. Orbie Arm-
strong, Mrs. Doug Parish, Mrs.
Jearl James, and Mrs. A. W.
Gover.

CHEESE--According to Exten-
sion foods and nutrition special-
ists, there are more than 400

Kangroos Down Wolverines

The Kress Kangaroos sprang an upset over the Springlake-Earth Wolverines Friday night defeating the Wolverines 16-0.

The Kangaroos scoring came on a 52 yard run by halfback Roy Jackson and scored a 2 point conversion in the first quarter.

Harley Harrell scored in the third quarter on a quarterback sneak, and the final score came in the fourth quarter was a safety.

The Wolverines didn't fare so well. They had a total of 8 first downs, 5 by rushing and 3 by penalties.

The Kangaroos had 10 total, 7 by rushing and 3 by penalties.

In rushing yardage the Wolverines had 96 yards in 33 rushing plays, compared to the Kangaroos 203 yards in 59 carries.

The Wolverines completed 3 of 12 passes for a total of 7 yards, the Kangaroos completed 2 of 4 for 15 yards.

The Wolverines gained 74 yards by penalties, making a total of 177 yards for the game.

The Kangaroos made 54 yards on penalties for a game total of 271 yards.

Hoyt Glasscock carried the ball 12 times for 33 yards, Mike Cleavinger, 7 times for 3 yards, Eddie Alair, 5 times for 22 yards, Larry Thomas, 5 times for 10 yards, and Greg Slover 4 times for 28 yards.

The Wolverines will travel to Happy this Friday night for the last game of the 1971 season. Game time will be 7:30 p.m.

Mr. and Mrs. Bud Matthews and girls of Bridgeport were week-end guests in the home of Mr. and Mrs. Dick Pierce.

Week-end visitors of Leta Kelley were Mr. and Mrs. Allen J. Doggett and Ferri Lubbock.

WHERE DID IT GO?... These three high point girls in the S-E - Olton basketball game played Tuesday night were Janet Britton, Lisa Morgan, and Toni Sanders. (They are shown in the white uniforms.)

JR. HIGH TEAMS VICTORIOUS OVER KRESS

The Springlake-Earth seventh grade football team was victorious over the Kress seventh grade team by a score of 6-0 when they played each other in Earth last week.

Joe Filfer scored the six points for our team with a fifteen yard run.

The eighth grade football squads from S-E and Kress also battled with one another last Thursday here in Earth. The local team downed the Kress team by a score of 38-18.

The first six points for the hometown squad were scored when L. Gonzales blocked a punt and ran ten yards.

Lee Brown caught a forty yard pass to make a total of 12 points before Brad Barton ran two yards to bring the S-E team's score to 18.

GIL LAMB TO GIVE 4-H PROGRAM

Gil Lamb will be the guest speaker when the Earth 4-H Club meets at 7:30 Monday evening, November 15, in the show barn located next to the rodeo arena in Earth. Lamb will speak on alcoholism.

ROTC scholarships are awarded annually to outstanding male high school seniors who are motivated toward a career as Army officers. The scholarships are worth \$6,000.00 to \$12,000.00 depending upon the university or college the recipient attends. The scholarship includes tuition, fees,

books and laboratory expenses, plus \$50.00 per month for the duration of the scholarships, and may be used at any of the more than 280 colleges or universities in the United States offering Army ROTC in the fall of 1972.

Mr. and Mrs. Gene Anderson and daughters of Brownfield were week-end guests of Mrs. Nellie Anderson.

Dub Martens flew to Dallas over the week-end on business. While there he visited with Mr. and Mrs. Harold Powell and children.

Olton Girls Down S-E Femmes

The girls basketball teams from Springlake-Earth High School played their first games of the season Tuesday night in Earth when they met teams from Olton.

The two B teams battled one another first and Olton won over S-E with a score of 38-24. High point girl for the local team was Janie Ryvas who scored 11 points.

The A team from Olton downed the S-E A team by a score of 53-34. High point girls for our team were Janet Britton who scored nineteen points and Lisa Morgan and Toni Sanders who scored seven and six points respectively.

The S-E girls A team and B team will play teams from Milesheer here at Earth at 6:30 p.m., Tuesday, November 16.

MAYTAG

WASHER FEATURES

1. **Safety Lid**—When the lid is raised—the washer stops... regardless of the cycle it's in.
2. **Helical Drive**—Maytag quality starts deep on the inside. This specially-engineered drive shaft uses the laws of motion to cut down on parts. This means less to repair or replace.
3. **Swirl-Away Perforated Basket**—Where the soiled clothes go in... and the clean clothes come out. Maytag washbaskets come in two sizes. The A906, 806, 606 and 406 have giant capacity—and the A206 and 106 have normal family-size baskets.
4. **Permanent Press Cycle**—Standard on all Maytag washers. A Permanent Press fabric demands special care. Its finish doesn't need a long wash. Automatic cool-down helps prevent wrinkles.
5. **Adjustable Self-Leveling Legs**—A simple adjustment for height right for you—and they lock into place. Padded feet grip floor. Coated to resist rust and corrosion.
6. **Automatic Bleach Dispenser**—Available on models A906 and A806 only, this automatic bleach dispenser dilutes and dispenses with timed precision. Eliminates expensive, fabric-eating spills.
7. **Water Temperature Control**—What used to be a deluxe feature is standard on all Maytag washers today. Especially important with Permanent Press where water too hot will add wrinkles. Some models even have rinse water temperature controls. Cold rinse keeps colors true, stable.
8. **Water Level Control**—Also standard on all models. Matches your water level to the size of your loads. Saves on water and detergent.
9. **Speed Control**—Gives you a choice of wash and spin speeds. Agitation is what loosens the dirt. However, gentle speeds are a must to keep washable wools in shape. Standard on most models.
10. **Rustproof Lid Hinges**—Spaceage synthetic balls tougher than rubber and last longer. Never need lubrication.
11. **Dimensions**
12. **Power-fin Agitator • Lint Filter • Fabric Softener Dispenser**—Maytag's exclusive agitator moves water through the clothes, not clothes through water. And the more the water moves—the cleaner the wash. The lint filter goes where the lint is... under the water. Water must go through and lint is trapped. Easy to rinse off, too. Maytag's fabric softener dispenser works at just the right time. The final rinse. Wards off wrinkles, static electricity.
13. **Poly Pump**—Immune to bleach, sand and detergents. Special material won't rust. Very important since all water goes out through the pump.
14. **Little Things You Never See**—Maytag won't cut corners with the little things you never see. Like precision-cut gears and hardened steel shafts plated to resist corrosion. They're the beginning of our dependability story.
15. **Attractive and Durable Exterior**—Maytag's fine craftsmanship includes the outside, too. From their porcelain enamel top to their Zinc-Coated steel cabinets with their exclusive 5-year warranties against rust.
16. **Wash Time Selector**—You select the time you need. But use the right time. Too long with too little detergent means greying. Natural fibers take longer than synthetics.

Colors—California Gold, Spanish Avocado, Cordoba Copper, Snow White.

Citizens Enjoy Luncheon

The Senior Citizens met for their monthly twelve o'clock luncheon Wednesday, November 3, at the Earth Community Hall. The tables were made festive by the many fall center pieces and autumn leaves that were arranged by the artistic hands of Mrs. Judith Jones.

Mrs. Lottie Orteg gave the blessing preceding the delicious meal. These moments of dining together are always a very special time of visiting and fellowship for members of the group.

Since this time was so near the time of Veteran's Day, the group participated in singing old songs of the World War I period with Mrs. Bonnie Haberer and Mrs. Jack Hinson leading and being accompanied by Mrs. Zou Wilson on the piano.

Rev. David Hartman then made some timely remarks regarding love of our great country and ended his talk with a prayer.

Mrs. Haberer then introduced the many other guests present, the special guest of honor be-

ing Mrs. Lula Dorrell of Muleshoe who served as a nurse in the army during World War I. She was most interesting and quaint for she wore her 2nd Lt. army nurses uniform, cap and high top lace shoes that she wore while in the service fifty years ago.

The birthday song was sung for Mrs. Nannie Ginn, November being the month of her 90th birthday.

During a short business session presided over by vice-pres. Mrs. Bonnie Haberer in the absence of Pres. Crill Bull, it was decided to have four volunteers to come early for each meeting to make the necessary preparations for the meal. Volunteers for the December meeting are Mrs. Edith Brockette, Mrs. Almer Barton, Mrs. Mary Butter, and Mrs. Bea Hinson.

The next meeting will be Dec. 1, at 12 o'clock.

Attending the meeting were: Mrs. Bonnie Haberer, Mrs. Lottie Orteg, Mrs. Edith Brockette, Mrs. Gladys Goodwin, Mrs. Lena Hite, Mrs. Beula

TOPS Plan Christmas Party Study Club Presents Playet

The TOPS Happy Losers Club made plans for their Christmas party which will be Thursday, December 9, when they met for a regular meeting last Thursday.

The eighteen members who were present voted to have the party at Furs Cafeteria in Lubbock. On that day the group will meet at their regular meeting place and everyone is asked to weigh in and be ready to leave for Lubbock by 5 o'clock. Each member is also asked to bring a gift valued at \$3.00 to be exchanged at the party.

Emily Clayton, club leader, presided over Thursday's meeting.

Mrs. Elaine Been was a double winner at the meeting as she was crowned as Queen of the Week for losing 44 lbs. and she also received the weekly door prize of one dollar.

Mrs. Pauline Hucks was runner-up for the weekly queen title with a 4 lbs. loss.

Mrs. Jo Houchin and Mrs. Florence Gover each received a prize of one dollar for the pretty face contest. Neither

of the two members were absent from a club meeting in the month of October and neither of the two gained any weight during that month.

Members present were: Mrs. Jo Houchin, Mrs. Florence Gover, Mrs. Lois Rudd, Mrs. Emily Clayton, Miss Katy Rumbaugh, Mrs. Pauline Hucks, Mrs. Inez Inglis, Mrs. Odeal Bills, Mrs. Oma Pearl Murrell, Mrs. Bettye Hausmann, Mrs. Pearl Cooper, Mrs. Edith Crawford, Mrs. Vesta Perkins,

A playlet entitled the "Wrong Doer" was presented when the Town and Country Study Club met October 28 in the home of Mrs. N. Ray Kelley.

The playlet demonstrated the wrong way to conduct a meeting. Members of the cast were Mrs. John Laing, Mrs. B. Campbell, Mrs. Jane Beavers, Mrs. Wayne Rutherford, Mrs. Marie Ross,

Mrs. Alma Ott, Miss Jean Rumbaugh, Mrs. Paulette Garner and Mrs. Elaine Been.

and Aurelia Sanders. A Thanksgiving dinner was planned for the next club meeting.

Present at the meeting were: Mrs. L. Z. Anglin, Mrs. Jane Beavers, Mrs. B. Campbell, Mrs. R. W. Fanning, Mrs. John Laing, Mrs. Carra Morgan, Mrs. B. F. Orteg, Mrs. Marie Ross, Mrs. Wayne Rutherford, Aurelia Sanders, Mrs. John Welch, and one guest, Mrs. Macky McCarty.

Marian Dawson Presents UMY Program

Marian Dawson presented a program entitled "Different Types of Worship" when the senior high United Methodist

Youth group met at the United Methodist Church in Earth Sunday.

The seventeen members present listened to different types of music that could be used to present a more modern form of worship service.

They discussed their feelings on the way worship services are conducted now and whether or not they would change them. Adult sponsors were Mr. and Mrs. Elroy Wislan.

Let The Bible Speak

By
MIKE WILSON

"Back to the Bible" was the cry of Martin Luther in a day when the established Church had waned into apostasy and degradation. The cry of Luther was simply an echo of the teachings of Jesus Christ and the writers of the New Testament. (See: Jh. 13:48; Matt. 28:19, 20; 1 Cor. 4:6; Gal. 1:8, 9; 1 Tim. 6:3; II Jh. 9; Rev. 22:18, 19).

Since the day of primitive Christianity, many efforts have been made to maintain and/or recapture the simplicity and veracity of first-century Christianity. Wycliffe, Luther, Calvin, Wesley, et al., made attempts to purify an impure Church. With them came the plea of "Back to the Bible," but with their followers came the crystallization of the beliefs of these reformers. Hence, creeds; confessions; prayer manuals; etc., and main-line protestantism!

In the early nineteenth century another echoing of "Back to the Bible" was heard across North America. Thomas and Alexander Campbell, Barton Stone, et al., championed this theme. These men

sought to restore primitive Christianity in a day when the established Church had lost it. Hence—the restoration movement.

All people who seek for a restoration of first-century Christianity in the twentieth century are inheritors of the movement inaugurated by the 19th century restorers. The plea of "Back to the Bible," heard today among many young people of our nation is a plea of integrity, honesty, simplicity, and veracity. This plea must not be displaced, disparaged, or debunked; this plea must be recognized, accepted and followed by all interested in Bible Believing.

You can learn more about the Bible by enrolling in a free Bible Correspondance course which you may study in the privacy of your home and/or a free Home Bible Study with beautiful color slides shown by a concerned Christian. If you would like to enroll in either of these or if you have a religious question you would like discussed, send your request to: Church of Christ, Box 175, Springlake, Texas, 79082.

Friendship Class Has Luncheon

The home of Mr. and Mrs. John Welch was the scene of the monthly covered dish luncheon for the Friendship Sunday School Class of the United Methodist Church of Earth, Tuesday, November 9.

Mrs. Ray Axtell gave an outstanding devotional pertaining to Thanksgiving. Attending the luncheon were: Mrs. Crill Bulls, Mrs. Edith Brochette, Mrs. J. L. Hinson, Mrs. R. W. Fanning, Mrs. Marie Ross, Mrs. Gladys Goodwin, Mrs. Almer Barton, Mrs. Ray Axtell, Mrs. Ida Allen, Mrs. Beula Coker, Mrs. May Hamilton, Mrs. Naomi Burgess, Mrs. Bessie Cearley, Mrs. H. S. Sanders, and the hostess, Mrs. John Welch.

Neil Pounds, Beth and Britt visited in the Moran Pounds home at Brownwood over the week-end.

MRS. GLEN ERICKSON
(Linda Cannon)

Linda Cannon, Glen Erickson Exchange Vows

Miss Linda Gayle Cannon became the bride of Mr. Glen Alan Erickson in a beautiful double ring ceremony on October 30, at 12:00 noon in the Fairmont Park Baptist church at LaPorte, Texas, with Rev. C. E. Grounds, pastor of the church officiating.

The bride is the daughter of Mr. and Mrs. Phillip M. Cannon of Deer Park, Texas, formerly of Earth. She is the granddaughter of Mrs. W. H. Parish of Earth, Texas, and Mrs. Bessie Cannon of Brent, Alabama.

The groom is the son of Mr. and Mrs. Earl R. Erickson Sr. of Charlotte, North Carolina. He is the grandson of Mrs. Signe Erickson of Houston, and Mrs. Edith Ostel of Seattle, Washington.

The bride, given in marriage by her father, wore a street length gown of white peau de soie. The gown fell in a simple line with a high neck, fitted bodice and long sleeves trimmed with lace madallions and reembroidered with seed pearls.

Her illusion veil was held with a bandeau trimmed with lace madallions and seed pearls. It fell to elbow length framing her face and shoulders.

The traditional custom of wearing something old was renewed by the bride when she wore her maternal grandmother's wedding band and her paternal grandmother's lavaliers during the ceremony.

The something blue tradition was carried out by the bride as she wore a blue garter which was a handmade gift from Mrs. Forest Simmons of Earth.

For good luck the bride chose to carry a penny minted in the year of her birth in her shoe.

The bridal bouquet was a

large nosegay of white spider mums which also held a removable orchid corsage.

Mrs. James Sitton was accompanied on the organ by Mrs. Row Pierce as she sang, "I Love You Truly," "Whither Thou Goest," and "The Wedding Prayer."

Mrs. Michael Cannon, sister-in-law of the bride, served as matron of honor. Serving his brother as best man was Earl Erickson Jr.

Ushers were Mike Cannon and Billy Clepper.

Dale Cannon, brother of the bride, lighted the candles. For her daughter's wedding, Mrs. Cannon wore a light blue dress and carried black accessories. She wore a white carnation corsage.

Mrs. Erickson, mother of the groom wore a red rose colored suit and brown accessories. She also wore a white carnation corsage.

Following the ceremony a reception was held in the church parlor. Mrs. Linda Daves and Mrs. Martha Hill served the cake and coffee.

The couple are making their home in Houston.

The bride attended San Jacinto College and is presently employed by Southwestern Credit Incorporation.

The groom is a graduate of the University of Houston and is employed by the American Oil Company.

Out of town guests were Mrs. W. H. Parish of Earth, Mr. and Mrs. Earl Erickson Sr. of Charlotte, N.C., Mr. and Mrs. Mike Cannon of Denver, Colorado, Mrs. Bessie Cannon of Brent, Alabama, Dr. Francis Cannon of the University of Monticello in Alabama, and Miss Sandra Cannon of Monticello, Alabama.

WSC Meets

The Women's Society of Christian Service met Tuesday morning at the United Methodist Church in Earth for the sixth session of their study on the Gospel of Matthew under the able leadership of Rev. Charles Dunnam.

Final plans are being made for the Harvest Day dinner which will be on Wed., Nov. 17. Serving will begin at 5:30.

Attending the meeting were: Mrs. Bessie Cearley, Mrs. Bert Leaverton, Mrs. Crill Bulls, Mrs. Gladys Goodwin, Mrs. Kenneth Cowley, Mrs. Naomi Burgess, Mrs. Jack Hinson, Mrs. J. J. Coker, Mrs. J. A. Littleton Jr., Mrs. Doug Parish, Mrs. Calvin Wood, Mrs. Ray Axtell, and Mrs. Ida Allen.

Engagement Told

Mr. and Mrs. Nolan Dudley of Silverton announce the engagement and approaching marriage of their daughter Laura Faye to Johnny Dale McNamara, son of Mr. and Mrs. Bill Perkins of Gruver. Wedding vows will be ex-

changed December 21 at 7:00 p.m. in the First Baptist Church of Silverton.

Leroy Odom and his family have moved to Earth from Plainview. Odom is a ginner at the Earth Co-op Gins.

Den 4 Makes Masks

Cub Scouts in Den 4 made masks to go with Indian costumes they are making for a skit they plan to present when

they met Tuesday afternoon, November 9.

To open the meeting the boys sang "America," did their den yell and sang their den song. Ricky Dutton served refreshments of cookies and punch before the scouts practiced doing the Indian war dance.

They also played a game of hot potato before discussing what they would like to make as gifts for their parents for Christmas.

The boys worked on achievements for their Bob Cat badges. Those attending were Donald Gilmore, Billy Pyle, Danny Garza, Arlie Ellis, Shannon Pelham, Ricky Dutton, and Mrs. Bryan Dutton, den mother.

Den 1 Makes Carvings

Cub Scouts in Den 5 made soap carvings of bears when they met Thursday, October 4. They chose to make bears as the next badge they will receive is the bear badge.

Loren Taylor, denner, led the Pledge of Allegiance and Mike McCarty, assistant denner, called the roll.

Mrs. Bob Belew, den mother read a story entitled "Frontier Thanksgiving" and the boys acted out parts of the story.

Refreshments of cheese crisp crackers were served before the scouts went outdoors.

Greg Welch, den chief, led several games such as the bean bag toss, ball toss, rope walking contest, and whistle contest.

Attending the meeting were: Biff Belew, Rex Fennell, Andy Hartman, Loren Taylor, Mike McCarty, Melvin James, Tommy Hampton, Greg Welch, den chief, Mr. Bob Belew, and Mrs. Larry Hausmann, den mother.

plans to present a three act play entitled "The Secret of the Brownie Name." Members of the troop held play rehearsals Tuesday.

Gloria Price, Sheila Jordan, Carla Taylor, and Delma Gonzales were chosen as runners up for the Brownie of the Month contest which was won last week by Stephanie Parish. All four of the girls had nine points.

Present at the meeting were: Debra Hood, Delma Gonzales, Rhonda Weaver, Jeanne Hayden, Jackie Hood, Sharon Jackson, Carla Taylor, Sheila Jordan, Lisa Taylor, Stephanie Parish, Gloria Price, Mrs. Doug Parish, and Mrs. Jose Gonzales, troop leaders.

Sunday afternoon visitors in the C. L. Houchin home were Mr. and Mrs. Ed Martin and Mr. and Mrs. Guy Hufstедler and grandchildren.

Den 3 Completes Requirement

Cub Scouts in Den 3 completed the second part of a requirement in the Bear book when they met Wednesday, November 3. To complete the requirement the boys divided into two teams with Mike Wimberly captain of one team and Glenn Hausmann captain of the other team. Keith Locke served as the judge.

The young scouts played such games as the Chinese pull, chefs hat, back to back push, and one hand leg wrestle.

Britt Pounds called the roll and Keith Locke collected the weekly dues. Each scout answered roll by telling what he liked best about the Halloween Carnival.

Gregg Geissler led the Pledge of Allegiance, the Cub Scout Promise, and "America".

The boys then discussed their

Time Saver:

It is TIME for fall fertilization for next year's crop. The job done now will save TIME next spring, and why not now?

You can get a better price advantage this fall on Olin fertilizers, such as Ammo-Phos 16-20-0, 13-39-0, 11-48-0 and many other grades. Many grades, such as 16-20-0, contain sulfur (12 lbs.)

We have the spreader truck ready to go on your field at no charge to you. At this TIME, following your combine or cotton stripper, we won't leave any ruts, as in new plowed ground later on. Then, too, maybe a little selfishly, we have firm ground to run on and your rows to follow, but the Ammo-Phos disked in with the crop residue will help to decompose the stubble and have your soil in better condition next spring. Don't worry, your Ammo-Phos won't tie up or leach out during the cool winter months.

MONEY? No problem there. Ask us about terms to fit your needs.

With Ammo-Phos you get the water soluble phosphate. You can't buy a better fertilizer—ask your neighbor if you haven't tried it.

The TIME is right, now, so give us a call.

And speaking of TIME, with 10 tons of Ammo-Phos we will give you a Spartus Harvest Deluxe Kitchen Wall Clock; with 12 tons of Ammo-Phos we will give you a General Electric "Tap'n Set" Alarm Clock; and with 15 or more tons of Ammo-Phos we will give you a Spartus Junior Grandfather Clock, if applied before January 1, 1972.

1972 Cotton Program Compared To 1971

The newly announced 1972 cotton program will be just about the same as the program operated this year according to Richard Newman, Lamb County ASCS office manager.

The provisions of the 1972 upland cotton program follow those of the 1971 program by giving farmers the opportunity to make better overall use of their land in the interest of a balanced production of all crops.

The base acreage allotment for Lamb County was 133,480

acres this year and is expected to be about the same next year. After transfer of acres this county has 136,631 acres. Again in 1972, the national average loan rate of 19.5 cents a pound will be used, a preliminary set-aside payment rate of 15 cents per pound and a set-aside requirements of 20 per cent of the farm base acreage allotment.

The 19.5 cents per pound applies to middling 1-inch cotton (with micronaire of 3.5 through 4.9) net weight. The preliminary set-aside payment rate

HEY, THAT'S OUR BALL! No it's ours! This seems to be the thoughts of both the S-E and the Olton team when they met Tuesday.

of 15 cents per pound was established in the Agricultural Act of 1970. Such payment will be made as soon as possible after July 1, 1972, to co-operators.

The set-aside acreage, as in 1971, may be grazed except during the five principal months of the normal growing season, but set-aside acreage must be protected against rodents, insect damage, weeds, and erosion. In 1972 sweet sorghum again may be planted on the set-aside acreage and grazed, except during the five principal months of the growing season.

Fight Pollution, Build A Compost Pile

Rather than burning leaves why not use them for a compost pile? This will provide a

good source of organic matter for potted plants, for top-dressing the lawn, and for building up the soil in flower beds and shrub borders, says Everett Janne, Extension landscape horticulturist.

There are many ways of composting leaves and other vegetable matter, but the simplest method is to alternate four-to-six-inch layers of vegetable matter (leaves, grass) with two-to-four inches of good garden soil. If available, manure can be added to the soil layer to good advantage. The compost pile should be four-to-six feet wide and any desired length depending on material and space available.

Sprinkle a commercial fertilizer on each layer of vegetable matter to hasten decomposition, suggests Janne. Use about one-half pound, or one cupful, of any good commercial fertilizer with a 1-1-1 ratio per 10 square feet of each vegetable matter layer.

The top layer of the compost pile should be soil and the surface of the pile should be dish-shaped, forming a basin to hold water. Each layer of organic matter should be watered thoroughly when completed and additional water should be added as needed to keep the mat-

erial moist but not soggy.

Turn or mix the compost with a garden fork or shovel every three or four months, recommends the horticulturist. It should be ready to use in six months to a year. The decomposition process can be speeded up by using commercial compost activators.

Well-prepared compost can be utilized anywhere peat moss is used, concludes Janne.

Nationwide Survey On School Enrollment

What is the school enrollment in the United States this fall? Walter A. Freeman, Jr., Director of the Bureau of the Census Data Collection Center in Denver, announced today that a number of households in this area will help to provide the answer when they are interviewed by Census Bureau representatives during the week of October 18-22.

The questions on school enrollment and related subjects such as living arrangements of college students will be in addition to the usual ones asked in the monthly survey on employment and unemployment

conducted nationwide by the Bureau of the U. S. Department of Labor.

The survey in October 1970 showed that 60.4 million persons from ages 3 to 34 years were going to school, from nursery school to college. This was 56 percent of the U. S. population. Of the 29.3 million in this age group not enrolled in school, 27 percent were high school graduates.

Information supplied by individuals participating in this survey is kept strictly confidential and results are used only to compile statistical totals.

County Reaches 69% Of Goal

According to a report received from County Bond Chairman C. O. Stone, sales of Series E and H United States Savings Bonds in Lamb County during September totaled \$9,597.00. Nine-month sales were \$90,040.00 for 69 per cent of the 1971 goal of \$130,000.00.

Castro County's September sales amounted to \$3,111.00. The total sales for nine months is \$36,266.00 or 60% of their annual goal of \$60,000.00.

Sales in Bailey County for September were \$4,048.00. Their total sales for the past nine months is \$26,741.00 or 45% of the annual goal which is \$60,000.00.

Sales in Texas during the month were \$15,465,128 compared to \$15,033,393 during September 1970. The January-September sales totaled \$152,382,599 with 84 per cent of

the 1971 goal of \$181.9 million achieved.

Nationwide purchases of Series E and H Savings Bonds totaled \$415 million—18 per cent above 1970 sales. The January-September sales were the best since 1952 totaling \$4,174 million—19.2 per cent above a year earlier. Exchanges of Series E for Series H bonds amounting to \$197 million were reported for the first nine months of 1971—8 per cent above those exchanged in 1970.

Troop 373 Visits Newspaper

Members of Girl Scout Troop 373 used most of their meeting time Thursday, November 4, to visit the Earth News-Sun. Ross Middleton showed the girls through the newspaper building. He demonstrated the use of the special typewriters, typewriter, dark room, and so forth. Middleton discussed various things that are done in order to put out a newspaper each week.

The scouts were required to make the tour to receive their "My Community" badges. Lydia Smith who is a Cadette scout accompanied the troop so she could complete badge work from last year.

Beverly Hood served refreshments of suckers and the Girl Scouts furnished punch for all who were present. Attending the meeting Thursday were Beverly Hood, Joyce Ingram, Pam Hood, Hattie Thomas, Oletha Thomas, Donice Taylor, Esmeralda Martinez, Debra Houston, Linda Hood, Patricia James, Belinda Hampton, Loretta James, Jodie Daniel, Lydia Smith, guest Donna Daniel, junior helper, Mrs. Raiford Daniel, Mrs. Nathaniel Ingram, and Mrs. Allen Smith, troop leader.

Party Line

Mr. and Mrs. Tom Johnson of Anton and Mrs. James Clifton of Afghanistan ate dinner Sunday with Mr. and Mrs. C. L. Houchin.

Mr. and Mrs. Ronny Dent and children of Amarillo visited this week-end with Mr. and Mrs. L. H. Dent and Mr. and Mrs. Ray Stansell.

Mr. and Mrs. John Urabel of Spade and Mr. and Mrs. Claude Ellis were guests in the home of Mr. and Mrs. C. L. Houchin Sunday evening.

Troop 308 Holds Investiture Services

Investiture services were held when Brownie Troop 308 met Monday in the community building at Springlake.

Kim Locke led the Pledge of Allegiance and the song entitled "America". The group also sang the Brownie Smile song.

Mrs. Donald Clayton then introduced the three girls who were going into their second year of Brownies. The three

were Beverly King, Kim Locke and Lynn Howell.

The remaining seven members of the troop were each presented with Brownie pins to signify that they had become new members of the Brownies. As each of the girls received their pins they repeated the Brownie Promise.

Those who received pins were Sheryl Clayton, Debbie Sinneros, Karl Neinst, Laura

Ramos, Barbara Mayes, Twilla Eagle, and Sheila Mosley.

Refreshments of punch and cake were then served by Mrs. Phil Neinst, troop leader, to the ten Brownies, Mrs. Clayton, and four mothers who were present. Mrs. Neinst baked the cake which was shaped and decorated exactly like a young girl wearing a Brownie uniform.

Alleene Leak Visits Eastern Star

Mrs. Alleene Leak, Deputy Grand Matron of District 2 Section 3 of Canyon Chapter 105, paid an official visit to Chapter 870 Order of the Eastern Star when they met for a regular meeting Monday, November 8, in the Masonic Lodge Hall at Earth with Mrs. Mary Murrell, Worthy Matron, presiding.

Mrs. Leak brought greetings and instructions from Mrs. Alleene Houston, Worthy Grand Matron, and Harold Todd, Worthy Grand Patron. She was accompanied by two

members of the Canyon lodge Mrs. Rae Walters, committee member of Star visitation, and Mrs. Lou Ella Patterson.

The lodge hall was decorated with pink roses, candles centered in pink candle rings, and white doves.

Prior to the meeting, a delicious salad supper was served by Mrs. R. W. Fanning and Mrs. Forrest Simmons in the dining hall.

The dining hall was decorated throughout in the theme of Thanksgiving.

Twenty-six members and three guests registered at the meeting.

Mr. and Mrs. Ray Gabert of Rector, Arkansas visited with Mr. and Mrs. Mike Wilson and John-Mark over the week-end.

Jody Nix, the son of Mr. and Mrs. Jimmy Nix, attended a 4th birthday party for Michelle Mills in Littlefield Saturday.

Mrs. J. D. Nix of Amherst visited in the Jimmy Nix home Friday.

Mr. Ross Middleton
Earth News-Sun
Earth, Texas

Dear Ross:

The work of the Legislative Redistricting Board recently completed has resulted in a plan whereby I will no longer be able to serve the people of Lamb County as Senator after January 1, 1973.

I regret this very much. In the past six years I have made many friends in Lamb County. The people have been very nice to me, and it has been a pleasure to try to serve them in the Texas Senate.

During the Special Session of the Legislature to be held sometime in 1972, the districts will remain as they are presently constituted. I will be representing the people of Lamb County during this time and hope they will let me know when I can be of service.

If I am privileged to serve after the next elections, my

Mr. and Mrs. Weldon Bradley and Mr. and Mrs. Carl Bradley attended the funeral services of Clarence Dixon in Friona Monday afternoon. Mr. Dixon made the first improvements on this place where we live today. He bought the section in 1909 and built the first house on it since he was the first owner to live on the section.

Kelby and Kyle Bradleys spent the day Monday with their grandparents, Mr. and Mrs. Jess Matlock in Springlake. Kent stayed after school with the Gale Sadlers.

Five men attended the Brotherhood Prayer Breakfast at the church Monday morning. Rev. Mack Turner and Bill Morgan visited in Plainview Monday with Dan Burnett to see how extensive the fire damage was to the house and his personal things. The house did not burn but will have to be remodeled so he has to find another place to live. None of their things were burned, but everything was badly smoke damaged. How much can be saved is not yet known.

Mr. and Mrs. Hershel Wilson and family and Mr. and Mrs. Grady Epperson of Ropesville visited last week-end with Mr. and Mrs. Rob Epperson and family at Albuquerque. Mrs. Ha Haydon returned home last Sunday night from San Antonio after taking Modene Hitchcock home. They visited with Mrs. Haydon's sister-in-law in San Angelo on the way down and also with some of Mrs. Hitchcock's relatives.

Mr. and Mrs. Roy Phlean were in Weatherford last week-end to attend the funeral services of a friend.

Mr. and Mrs. Donnie Lilley and Audra Gay and Mr. and Mrs. Raymond Lilley and Tommy visited last week-end in Big Springs with Mr. and Mrs. Raymond Lilley.

Mrs. Thomas Parson, Mrs. R. J. Lefevre, Mrs. Hershel Wilson, Mrs. Doug Loudder, Mrs. Larry Sadler, Mrs. Gale Sadler, Mrs. Cliff Brown, and Mrs. Larry Starnes attended the Llanos Altos Associational Workshop and Leadership Conference in Lubbock Tuesday. Mrs. Irving King came home last Wednesday after a week's visit with relatives in Amarillo. She went to Amarillo with her niece, Mr. and Mrs. Bill Dice of Hamilton, Missouri after they had visited a few days with her here. While in Amarillo, they visited the old home place at Panhandle.

Lee Brown made a touchdown for Springlake-Earth in the 8th grade game last Thursday night. They won over Kress 31-18. The 7th grade also won their game 6-0. Joe Fulfer and Kenneth Smith play on the 7th grade team.

Lesla Morgan and Dianne Fulfer will play on the Springlake-Earth Varsity basketball team and Debbie Wilson on the "B" team this year. They had their first scrimmage Monday night with Friona and lost to them.

Rev. Mack Turner and Cliff Brown, Debra Ball, Resa Carson, Lee and Lynn Brown and Cindy Sadler attended the Llanos Altos Youth Rally Monday night in Bovina. Marge Caldwell, the "Phyllis Diller of Christianity" was the guest speaker.

The Baptist Women met Wednesday night for the General Missionary meeting with Mrs. Mack Turner in charge.

The Mission Friends, Crusaders and Pioneers, Girls-in-action, and Acteen's met with their leaders Wednesday afternoon after church.

Mr. and Mrs. Donnie Lilley and Audra Gay attended the funeral services of her aunt, Mrs. Dovie Fry, who was killed in a car accident near Borger in Pampa Monday.

Jackson Hancock of Amarillo spent the day Sunday with Mr. and Mrs. Donnie Lilley and Audra Gay.

Sixty nine attended Sunday school Sunday. A love offering was taken in the morning service for Dan Burnett to help out in the loss of his clothing in the fire.

Income Tax May Create Problems

COLLEGE STATION, Nov. 4 Under-withholding of income tax for millions of families with two breadwinners may cause serious problems warns

Doris Myers, Extension home management specialist at Texas A&M University.

Many families of relatively modest income may end up owing \$600 or \$800 next April in taxes, Mrs. Myers says.

The Low Income Allowance provided in the 1969 Tax Reform Act applies to married couples only if they file a joint return, the specialist points out. According to the law, the couple has one allowance. But the tax withholding tables, which tell employers how much tax to deduct from paychecks, are calculated on the basis of one Low Income Allowance for every employee. If both husband and wife, then get the benefit of the allowance, not enough tax is being withheld throughout the year, Mrs. Myers explains. The difference may be astonishing.

For example, if a husband earns \$400 a week and a wife \$200, the couple may discover they owe \$2,191 next April 15, she says. A couple with two children, with the husband earning \$220 and the wife \$36, will owe \$374.

Recognizing the problem, the Treasury has sent posters to employers, advising them, married employee withholdings should be adjusted if necessary. But millions of taxpayers still won't see or hear the warnings, she adds.

As a result of this misunderstanding of tax law, Mrs. Myers says big tax payments will bite into the consumer buying power next spring, just when the government hopes to see a major recovery.

The House-approved tax bill would decrease payments somewhat by increasing each personal exemption for 1971 retroactively to \$675 instead of \$650. The Senate may increase exemptions to \$700. But even these increases would be only a small cushion for

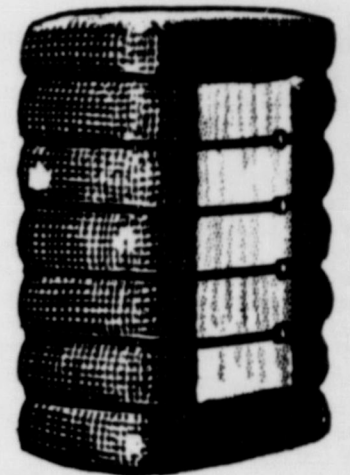

most employed couples, she notes. The White House has

asked the Internal Revenue to look for further measures to ease the situation.

Mr. and Mrs. Larry Parish Sunday with Mrs. Vivian Parish and Christi of Lubbock visited 1st.

DEN MOTHERS ATTENDING COURSE

Three local ladies who are Cub Scout den mothers attended the second session of a four-session training course for Cub Scout leaders of the George White District at Levelland Tuesday evening, November 2.

Warren Green of Lubbock, program director of the South Plains Boy Scout Council, taught the program which was entitled "Cub Scout Program Planning." He had materials concerning scout meetings and projects for sale and the local den mothers purchased some of the materials.

Those who attended the session from Earth and Springlake were Mrs. Ralph Cook, Mrs. Nathaniel Ingram, and Mrs. Phil Neimast.

Next Tuesday evening, November 16, the three ladies will

attend the fourth session of the training course to be held at the First Presbyterian Church in Levelland.

Two subjects will be presented according to Tommy Dunn, chairman of leadership training for the George White Boy Scout District. They will be "Den Operation" for den mothers to be taught by Mrs. Jim Sullivan of Levelland and "The Pack Meeting" to be led by program director Warren Green of the South Plains Boy Scout Council assisted by District Scout Executive Marc Wittenburg.

More than fifty people have participated in the training program so far, Dunn reports in urging a good attendance at these final sessions. Those who complete the course will receive their certificates at the meeting.

Safety Officer Speaks At School Assembly

C. A. Dempsey, safety officer with the Texas Department of Public Safety office in Lubbock, spoke at an assembly at S-E High School Tuesday on the subject of young drivers and motor vehicles.

The witty speaker was introduced at the assembly by Criss Dent.

Dempsey said he talked about desirable attitudes and habits when operating a motor vehicle and presented the problem of driving to the students which is the number of deaths caused each year by traffic accidents.

He said that 55,000 deaths occur annually in the nation and that 3,560 of them happen in the state of Texas. The safety officer presented a challenge

to the students by presenting the positive rather than the negative side of problems that occur while a person is driving. He said that young people should be the best drivers because as a rule their senses, such as sight, hearing, and reflexes are better than those of an older person. He also stated that young people now have the opportunity to take drivers education classes which teach good driving attitudes and habits as well as motor mechanics and older persons did not have this advantage when they were going to school. Ward Cooksey, high school principal, termed Dempsey as an outstanding speaker.

S-E STAFF ATTENDS FINANCE WORKSHOP

Three persons from the S-E school administrative staff attended a workshop on school finance at the Education Service Center in Lubbock Tuesday.

The informative workshop got underway at 9:30 a.m. with the service center director, O. R. Douglas, making introductory remarks.

Ray Lanier, also associated with the service center, conducted an overall view of Bulletin 679 which is a new school accounting program that

will be put into use in 1973. A study program on coating and data processing preceded a panel discussion on suggestions for implementing Bulletin 679. The three panel members who were all business managers from different schools also conducted a question and answer period concerning the bulletin.

Attending from Earth were: Mrs. Robert Bridge, Mrs. Marvin Sanden, and Bill Mann, school superintendent.

Betty Sulser To Present PTA Program

Mrs. Betty Sulser, a special reading instructor at S-E Jr. High School, will present the program when the Springlake-Earth Parent Teachers Association meets for a regular meeting at 8 p.m., Monday, November 15, in the school cafeteria. Mrs. Sulser will speak on the different classroom techniques used in special reading classes and the equipment that is used.

The high school choir under the direction of Wayne Anderson will provide special entertainment at the meeting. The state P. T. A. convention to be held November 16-19 at Dallas will be discussed. Anyone who is interested in attending the meeting is cordially invited to do so.

Bobbi and Kerri Parker have returned home after visiting Mr. and Mrs. Jack Robbins of Portales, New Mexico.
