

## Pioneers Hold Reunion

Lamb County Pioneers received special treatment in Littlefield Tuesday, August 24, when they celebrated their big day, the 22nd Annual Lamb County Pioneers Reunion.

The event got underway with registration beginning at 2 p.m. in the Community Building. Herbert Dunn and Mrs. Simon D. Hay presided at the registration desk.

Among the special guests attending were Mrs. Gus Shaw of Jacksonville, Florida, and her daughter, Myrtle Marion Shaw, who are the wife and daughter of the late founder of the Pioneer Reunion twenty-two years ago.

A huge barbecue was held at 6 p.m. for all attending. Security State Bank of Littlefield donated 554 pounds of beef and Littlefield Frozen Food Center donated its services in slaughtering and storing the beef. Reunion committees provided beans, coffee, tea and relishes. Lamb County Pioneers furnished delicious salads and desserts for the barbecue.

Over 400 Pioneers registered at the Reunion where everyone was reported to have had a great time.

Louis Hair of Olton was president of this year's Pioneer Association. New officers elected for the coming year Tuesday were Buck Ross of Littlefield, president; Mrs. M. E. Kelley of Earth, vice president; and Lyle Brandon of Littlefield, secretary.

During the day's activities Rev. McMeisters, a retired minister and formerly of Earth, delivered the invocation and memorial service.

Gifts were given to Pioneers in these categories: Oldest Woman Present, Oldest Man Present, the pioneer traveling the farthest and the pioneer who has lived in Lamb County the longest period of time. W. C. White of Springlake received the prize for living the longest in the county.

Throughout the day, vocalists and musicians entertained the crowd with their performances.

Among local people attending the reunion were Mr. and Mrs. Jack Hinson, Mrs. Almer Barton, Ed Haley, Willis White, Mrs. M. E. Kelley, Mrs. Bonnie Habeter, Thurlio Branscum, Mrs. Dora Belle Angeley, Mrs. Opal Lowe and Mrs. Myrtle Clayton.

## Clarence Hamilton Named Outstanding Educator

Clarence Hamilton, instructor in Clarendon Junior College, has been named Outstanding Educator of America for 1970-71. Elections were made on the basis of civic and professional achievements.

Those selected will be listed in a national awards volume of Outstanding Educators of America.

Guidelines include classroom talents, contributors of research, administrative abilities, civic service and professional recognition.

Hamilton was history teacher at Springlake-Earth for many years prior to accepting a position on the college faculty at Clarendon two years ago. He is the son of Mrs. H. H. Hamilton of Earth.

## Gas Hike Suspended

Very recently an adjustment in the price of natural gas used for irrigation engines was announced by Pioneer Natural Gas Company to become effective October 1, 1971.

Reasons for the rise in costs were given as the steady increase in the expense of transporting gas, increasing cost of purchasing gas and the nation-

wide energy crisis. However, the proposed adjustment in the price of natural gas used by farmers for irrigation has been postponed. Dale Riggs of Pioneer Natural Gas Company of Earth announced the postponement following President Nixon's announced 90 day wage-price freeze.

## City Dads Meet

The City Dads met in a called meeting Monday, August 23, and agreed to accept bids on a new civil defense warning system until 5 p.m. on September 3.

The bids are to be accepted at City Hall and are to be opened by the City Council in their regular meeting at 8:00 p.m. September 6.

Present for the meeting were Mayor E. C. Kelley; aldermen, Larry Tunnell, Doug Parish, Bob Belew and Ross

Middleton; city secretary, Betty McAlpine. Visiting at the meeting were Davis Betts of Dallas and Bud Matlock and James Wages representing the Earth Volunteer Fire Department.

Dinner guests in the Houston Stephens home Sunday evening were Mr. and Mrs. Fred Clayton, Mr. and Mrs. L. F. Tapcott and Mr. and Mrs. George Kasinger.

WOULDN'T YOU LIKE TO GET LOST and have this group of lovely lasses find you? Yes, this group would surely take care of you. They are the 1971-72 Wolverine cheerleaders who have been busy treating the players to ice cream and other delicious goodies. They are seen following a practice session to prepare for the forthcoming season.

GERALD GERLT

## New Justice Of Peace For Earth

After not having a Justice of the Peace since July of 1971, Earth is very proud to have Gerald Gerlt as Justice of the Peace for Precinct 2 of Lamb County.

Gerlt, who moved here with his family from California around September 8 a year ago, is also the owner and operator of both the Earth Hotel and the Earth Cafe.

The new Justice has an official office in the lobby of the hotel, but will be glad to have anyone contact him either at the Earth Cafe or the Earth Hotel.

## Sunnyside Church Celebrates Anniversary

Sunday, August 22, the Sunnyside Baptist Church celebrated their 50th Anniversary. Rev. M. D. Durham of Lubbock delivered the morning message and there were no evening services.

Organized August 10, 1921, the church had 10 charter members.

The only surviving charter members were present Sunday. They were Mrs. John Turner of Dimmitt and Mrs. Asa Wilson of Athens. Mrs. Turner and Mrs. Wilson were presented books entitled "Apples of Gold." Mrs. Wilson's husband was also present. He joined the church within two months after it was first organized.

Mr. and Mrs. Carl Wimberley, who are the only surviving charter members of the church at Dawn, were present. Mr. Wimberley was one of the seven candidates for baptism the day the Sunnyside Church was organized.

Mrs. Virgil Lemons and Sonny Lemons of Plainview, wife and son of the first pastor were on hand Sunday.

Mrs. Roy Phelan registered the 160 guests and Carl Bradley had charge of the recognition service.

Mrs. R. J. Lefevere wrote a script for an hour long drama of the progress of the church over the last fifty years. Scenes of the drama were

PEACE -- An undisturbed state; serenity; calm; quiet; silent.

CONFUSION -- First day of the 1971-72 school year.

acted out on stage and pages of a giant history book were turned with buildings being drawn to scale and miniatures assembled. The buildings were constructed and decorated by Mr. and Mrs. Gale Sadler and Mr. and Mrs. Cliff Brown. Mrs. Brown and Mrs. Bonnie

Ross did the art work of the history book and Mrs. L. B. Bowden made the reports. Narrators for the program were Mrs. Gale Sadler and Janelle Haydon. Mrs. Sadler played the background music on the organ while Mrs. Brown turned the pages of the history

book. Mrs. Lefevere directed the drama with help from Mrs. L. B. Bowden and Mrs. Mack Turner.

Many others helped to produce the drama in various ways and helped to provide material and prepare it for stage use.

Former members and visitors attended from places such as Clovis, New Mexico, Fieldton, Blanket, Plainview, Lubbock, Ropesville, Cisco, Hereford, Amarillo, Mileshoe, Earth, Athens, Rockport, Weatherford, Oklahoma, and numerous other places.

## Mrs. Hamlin's Rites Held

Services were held Saturday, August 21, for Mrs. Ora Addie Hamlin in the First Baptist Church of Earth. Reverend David Hartman officiated for the services.

Funeral arrangements were with Parsons-Ellis-Singleton Funeral Home and interment was made at Earth Cemetery in Earth.

Mrs. Hamlin was born March 25, 1902, and passed away August 18, 1971, in an Amherst hospital.

On June 12, 1922, she was married to William Hamlin in Sumnerfield, Oklahoma.

Survivors include her husband; four daughters, Mrs. Rachel McBride of Crescent City, California, Mrs. Luvina Craig, Tallhina, Oklahoma, Mrs. Evelyn Francis of Grants, New Mexico, and Mrs. Virginia Moore of Earth; three sons, Dewey Hamlin, San Francisco, California, Zadoe

Hamlin, Crescent City, California, and Frank Hamlin of Phoenix, Arizona; two sisters, Mrs. Dessie Humphreys of Whitesboro, Oklahoma, and Mrs. Eula Fran of Whitefield; three brothers, Dewel Hudspeth of Williams, Arizona, Raymond Hudspeth of Tallhina, Oklahoma, and Ewin Hudspeth of Wilburton, Oklahoma; 27 grandchildren and 7 great-grandchildren.

## Field Day To Be Held

All of the surrounding area's farmers are invited to attend a meeting at 9 a.m. Saturday at Hi-Plains Seed of Olton.

During the meeting, crops will be discussed and helpful hints on growing corn and sorghum will be provided. Tours of corn (waxy hybrids also) and sorghum fields will be made that day.

There will also be a free barbecue lunch and door prizes will be given.

## Cheerleaders Treat Players

Springlake-Earth cheerleaders were busy last week preparing and serving refreshments to the football players and their coaches.

On Tuesday, August 17, the girls served delicious punch and cookies to the boys after their morning work-out.

After Thursday afternoon's practice session, the cheerleaders supplied refreshments of watermelons to the hard working Wolverines.

Friday night, August 20, the girls chose to treat the players and coaches to appetizing homemade ice cream.

Cheerleaders who helped furnish and serve the refreshments were Chris Dent, Suzy Temple, Melissa Been, JoAnn Coker, Barbara Buckner and Toni Sanders.

## YOUNG FARMERS SLATE MEETING

The Springlake-Earth Young Farmers will meet Thursday, August 26, in the Vocational Agriculture Building.

The Area 1 Young Farmers Convention, to be held September 11 in Mileshoe, will be discussed.

An election of officers will be held during the meeting.

Mrs. Beatie Woods of California visited in the Almon Whitford home at Springlake Tuesday afternoon.

## New Employees At Co-op

The Co-op Gin is preparing in earnest for the upcoming ginning season with the hiring of three more employees.

The new employees helping with repairs and other preparation are Leroy Odum, who commutes from Plainview, Gabriel Medellin, who recently moved into the Armstrong apartments, and Neal Pierce, who commutes from Mileshoe.

DENE GRAY, LEROY ODEN, GABRIEL MEDELLIN

## Rodeo Set For Labor Day Weekend

Approximately 10,000 people are expected to visit Cal Farley's Boys Ranch over the Labor Day weekend to watch the boys put on their 27th annual Boys Ranch Rodeo.

It is the only rodeo of its kind in the nation in which all of the contestants are boys riding calves, steers, brahma bulls and bucking broncs. The older boys compete on professional rodeo stock and all of the judging is under R. C. A.

All of the 375 boys now at the Ranch have a part in the rodeo, either as contestants or working in the many behind-the-scenes activities.

Each rodeo performance will begin at 2:30 both Sunday and Monday afternoon, and big bar-be-que beef sandwiches will be prepared and sold by the boys for only \$1.00. The rodeo is also a traditional homecoming for the more than 2,500 boys who have lived at the Ranch since it was founded by Cal Farley in 1939.

Reserved box seat tickets for \$2.50 are available at the Boys Ranch office, 600 West 11th Street in Amarillo, or can be obtained by writing to Cal Farley's Boys Ranch, P. O. Box 1890, Amarillo, Texas, 79105. General admission will be \$1.50 for adults and 75¢ for children.

## Sales Slow At Centre

The Happy Loser TOPS Club reported a slow day last Saturday at the Goodwill Centre.

With only a few customers calling, a sales total of \$2.80 was recorded.

Mrs. Florence Gover and Mrs. Edith Crawford were present at the Centre to assist with sales and requests.

It was reported by the workers that there is a need for boys' clothing.

## Former Resident Has Heart Surgery

A former Earth resident, Jack Rylant, Sr. of Hobbs, New Mexico, is listed in serious condition in Methodist Hospital in Lubbock (room 733) following open heart surgery August 16 for a double artery by-pass. The surgery lasted 5½ hours.

This surgery was the first of two performed Monday by Dr. D. L. Bricker, former member of the Cooley-DeBakey heart team of Houston. The second surgery was recorded as the 100th done by Dr. Bricker at Methodist and made local news.

Rylant is resting well and will be moved out of cardiac care later this week.

## DIMMITT AGRICULTURE INDUSTRIES CALL MEMBER MEETING

Saturday, August 28, a special Stockholders Meeting of Dimmitt Agr. Industries, Inc. will be held in the Dimmitt High School auditorium at two o'clock.

Dividend checks will be distributed and many important issues will be discussed. Refreshments will be served at the meeting.

## Notice to Bidders

NOTICE IS HEREBY GIVEN THAT THE CITY OF EARTH, TEXAS WILL ACCEPT SEALED BIDS FOR CIVIL DEFENSE WARNING SYSTEM, ACCORDING TO THE FOLLOWING SPECIFICATIONS.

### SPECIFICATIONS Civil Defense Warning System

Siren shall be directional, bearing a sound of maximum concentration and intensity to produce superior range. Sound power output shall be constant at frequencies between 200 to 650 cycles per second. Siren shall be an integral unit of four major components as hereinafter described, and shall be three signal, two tone.

**SOUND PRODUCER.** The rotary chopper (or siren) shall be capable of producing variable (up and down scale) or sustained pitch. The chopper shall be driven by a directly connected ball bearing motor of not less than two horsepower. Rotor and motor frame shall be of non-corrodible material and the unit shall be enclosed in a weatherproof housing on top of the blower pipe.

**PROJECTOR.** Sound shall be beamed by an exponential projector constructed of welded and reinforced heavy gauge sheet metal. Projector shall be capable of rotation through 360-degrees.

**ROTATOR.** The projector shall be rotated by a separate motor of not less than 1/3 horsepower providing uniform angular rotation, connected by adjustable V belt to provide 2, 4 or 8 revolutions per

minute. The rotator shall be enclosed in a weatherproof housing or galvanized sheet metal.

**BLOWER.** Full sound power output shall be produced by supercharging the chopper with air at constant volume and pressure by means of a rotary blower providing true supercharging by positive constant displacement powered by a 7 1/2 horsepower electric motor. The entire blower assembly shall be mounted on the main frame of the unit, protected by a galvanized sheet metal housing.

The blower assembly which represents the heavier portion of the complete siren assembly may be located at lower levels. (Other than top roof level locations.) Means shall be provided for adding lengths of 3-inch pipe to raise the projector above parapet walls or other nearby obstacles without resorting to towers of ex-

pendent platform. All exposed portions of the device shall be well painted and protected. Ferrous parts not galvanized shall be otherwise protected prior to final painting. All enclosures shall be provided with removable panels or other means of access for inspection or maintenance.

The siren shall be capable of producing a sound level, on the beam, of 126 decibels or better, at a distance of 100 feet. Sound power output shall be constant at frequencies between 200 and 650 cycles per second to afford maximum concentration. Electric power input requirements shall not exceed 10 horsepower at 220 volts.

### SPECIFICATIONS Remote Control Panel For Civil Defense Warning System

The remote control shall consist of suitable relays for operation of the component motors of the siren. Blower relay shall be equipped with suitable thermal cutouts. Panel shall provide for selection of

three or more maximum speeds of chopper rotation to permit selection of preferred maximum pitch.

Blower and chopper relays shall be equipped with suitable thermal overload cutouts. Relays shall be mounted in a sheet metal enclosure and inter-connected with clearly marked leads for connection to power supply and to the siren. The enclosure shall be of galvanized sheet metal with further protection of paint or lacquer finish.

Complete with timer - reference Federal Signal Thunderbolt 1003B and RCM2B, Remote Control and AF timer, or equal.

All the above equipment must have been certified by manufacturer with F.C.D.A., as complying in all respects to F.C.D.A. Specification No. 103, and thereby eligible for matching Federal funds.

All bids to be F.O.B. Earth, Texas, 79031.

Copies of Specifications may be obtained at the office of the City Secretary, City Hall, Earth, Texas.

OFFICIAL SLOW MOVING VEHICLE EMBLEM. MEETS REQUIREMENTS OF THE NEW FEDERAL OCCUPATIONAL SAFETY & HEALTH ACT.

USE MANDATORY AFTER  
AUGUST 27, 1971

FANNY FLAG is the new, improved slow moving vehicle emblem that surpasses current standards by up to 40%. Easily recognized at over 1/2 mile, FANNY FLAG warns an approaching motorist sooner . . . day

or night . . . so he has more time to react to the slow moving vehicle. This extra distance could mean the difference between slowing down safely and a serious accident. FANNY FLAG is the warning sign you can trust—it's on the job every day, every night you're on the road. Bank on the best . . . FANNY FLAG.

## Plainview To Establish Center For Drug Abuse

Central Plains Comprehensive Community Mental Health - Mental Retardation Center, Plainview, will establish a regional treatment center for juvenile delinquency and drug abuse with a grant approved today by Governor Preston Smith.

The award, \$196,480, comes from the Criminal Justice Council, which oversees statewide law enforcement planning and administers funds from the U.S. Department of Justice for crime control projects in Texas.

It will be matched by a local in-kind contribution valued at \$80,047.

Adjudicated delinquents from the 9-county region served by the MH/MR Center will be accepted into the program, which is geared to drug abuse

and its residual health problems.

The juveniles will be admitted into the day hospital and will have individual and group therapy under supervision of the staff psychiatrist.

Extensive use of volunteers and community services hopefully will increase the chances of returning the child from his antisocial behavior into the norms of society.

Counties served by the center will include Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Matley, Parmer and Swisher.

The award was among 39 action grant applications and one for a planning grant considered by the Criminal Justice Council at its monthly meeting. Applications totaled \$3,455,947.

## It Pays To Be Young

Young adult families, those where the head is under 25, today receive about 25 percent of the nation's total family income. FINANCE FACTS, a monthly newsletter on consumer behavior published by the National Consumer Finance Association, reporting on estimates made by The Conference Board, says that by 1980 it will exceed 40 percent.

In 1969, two-fifths of all young adult families had incomes of more than \$10,000. Looking ahead, it is expected that the fraction will increase to three-fifths by 1980.

Education will be a major factor underlying these increased incomes. By 1980, one out of every three young adults (under 35) will have had at least some college.

Consumer industry will be affected significantly by the rising importance of the young through the design and quality of their products and the nature of their advertising messages.

If you are a young adult today, or will be by 1980, it is and will be YOUR world.... it pays to be young, and it's going to keep on paying.

Mrs. Irvin Caskey returned home last weekend after going to Athens and Galveston.

Mrs. and Mrs. Lowell Watson have returned from Colorado Springs, Colorado, and points of interest in Utah.

Mrs. and Mrs. J. A. Gover and children returned this week from their vacation. The Govers first visited with Mr. and Mrs. Jim Melton, former Earth residents, at

Fort Worth. Next the Govers went to Six Flags and then to Temple.

On the way home the group visited a few days with Mr. and Mrs. Willie Odell of Amarillo.

Mr. and Mrs. Jack Denham were dinner guests Sunday of Mrs. Alice Smalley.

Harry Sawyer and Ed Dedritt of Higgins visited this weekend with Mr. and Mrs. Kenneth Sawyer.

## They Came From Spain Premiers In Palo Duro Amphitheatre Sept. 2

CANYON -- The early history of the Texas Panhandle depicted by the latest in multi-media equipment will unfold in *They Came From Spain*, to premier September 2 in the Pioneer Amphitheatre of Palo Duro Canyon State Park.

The show is produced by the Texas Panhandle Heritage Foundation in cooperation with West Texas State University. The university also cooperates with the foundation in the production of Paul Green's symphonic drama *Texas*, playing now through August 28 at the amphitheatre.

Against the backdrop of the tiered Palo Duro Canyon Walls, *They Came From Spain*, written by Mrs. Margaret Harper of Canyon, tells of the 16th century exploits of Francisco Vasquez de Coronado and his company of their daring quest to find the fabled Seven Cities of Cibola of Indian legend. The story will be depicted in a pageantry of light, sound, film and live action.

Performance time is 8:15 p.m. Thursday through Saturday. A barbeque dinner is served before each performance from 6:30 to 8 p.m. at the amphitheatre site.

Eddie Thomas, instructor of forensics and debate at El Centro College in Dallas, is director of the production.

Several WTSU students are working in the production. Among them is Mrs. Marilyn Myers Pool, a summer school drama student, who will have the only female role -- that of the iron-willed Francesca. Mrs. Pool is also first vice president of the High Plains Center for the Performing Arts in Amarillo.

David Schuette, WTSU senior from Canyon, portrays the blacksmith. Schuette, who also instructs the cast in horseback riding, is known for his role as the horseman that rides up the canyon wall in Texas.

Other students taking part in the show are Rick Davis of Clayton, New Mexico, James

Boyce of Canyon, Steven A. Garza and Bob Gregg of Amarillo, John McCormick of Dumas, Brent McKinney of Dallas and Raul Sturm of Moorestown, New Jersey, who plays Coronado.

Special effects and technical design will be by Jack Bennett and sound by Bruce Shearing, both of Dallas.

Journeyman for the show are John Tharp of Clovis, New Mexico, Richard Ward of Canyon, Jack Rich of Amarillo, German Acosta of Canyon, Joe Provenza of Plainview, Brent McKinney of Canyon, Bobby Harper of Amarillo, John Deake of Roscoe, Joe Henderson of Amarillo, John Dodson of Georgetown and Rod Miller of Canyon. Also Ron DeVoe of Amarillo, Gene Morrison of Canyon, Travis Dean of Amarillo, Charles Wright of Canyon and Nancy Green Wright of Canyon.

## Party Line

Mrs. and Mrs. Rex Clayton have spent a few days visiting Mr. and Mrs. Ed Fourton of Abilene and Mr. and Mrs. Bill Nichols of Dallas.

Mrs. Dab Martens, Mrs. Gene Brown and Dickey spent a few days at Ruidoso last week. Mr. and Mrs. Jimmy Shirey joined the group later.

Mrs. Myrtle Clayton was a patient in University Hospital at Lubbock last week.

Visiting with Mr. and Mrs. William Morris Friday and Saturday were Mr. and Mrs. Charles Mowery and children of Lakeside, California.

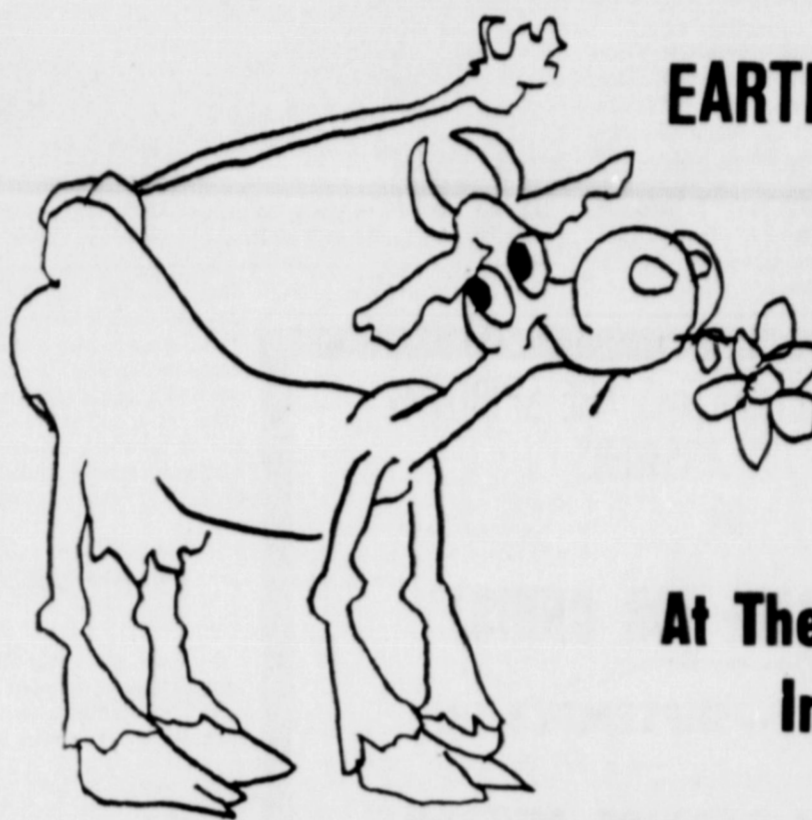

Mr. and Mrs. R.J. Sanderson and Mr. and Mrs. William Morris spent Sunday at Lake Meredith.

Mr. and Mrs. Ray Reents of Los Angeles, California, will spend the week in the Glenn McClesky home.

Mr. and Mrs. Glenn McClesky visited Glenn's sister, Mrs. Willie Nichols in a Littlefield hospital Sunday.

## Eastern Star Honors Founder

Eastern Star Chapter 870 met in regular session Monday, August 23, in the Masonic Hall with Mrs. Mary Marrell, Worthy Matron, presiding over the meeting.

Two invitations to Friendship Nights were read from Hereford's Eastern Star Chapter 312 for Saturday, September 11, and Friona's Eastern Star Chapter 990 for Saturday, September 18.

Mrs. Mary Marrell presented a very impressive program honoring Doctor Robert Morris, master builder of the Order of the Eastern Star, Doctor Morris was born August 31, 1818, near Boston, Massachusetts, and founded the Order of the Eastern Star in the United States and nationally in 1867. His birthday is observed universally in August of every year by Eastern Star.

It was announced that beginning in September meeting time will be moved up from 8:30 p.m. to 7:30 p.m. on meeting nights.

After the closing of the session refreshments of punch and cookies were served by Mrs. Donald Kelley in the dining

hall. Attending the meeting were Mrs. Johnny Murrell, Mrs. Forrest Simmons, Mrs. B. Campbell, Mrs. Jerry Kelley, Mrs. Jimmy Craft, Mrs. Donald Kelley, Mrs. Melvin Bock, Leonard Green and Ruel Fanning.

## New Charm Test For Women

Washington, D.C. -- Here's a real test of a woman's charm: can she persuade a service station attendant to check the air pressure in her car's tires with a smile?

If she can, she is well on her way to success as a driver, says the Tire Industry Safety Council. If she can't she should learn how to check the tires herself to head off trouble before it arrives.

"Two of the most important rules in tire safety and mileage are maintaining the proper air pressure and regularly

examining for excessive or irregular tread wear," says Ross R. Ormsby, Chairman of the Council.

Checking a tire's air pressure is an easy task that any motorist who can bend over can handle. The Council recommends the pressure be checked at least once a month, preferably with a personal hand gauge. You can't always rely on the gauge in the service station air towers. Government surveys have found those towers are often inaccurate. Check the pressure when the tires are cool, before starting out on the road. Your car owner's manual will tell what the correct pressure should be, then add the needed amount at the service station.

Checking the tires for proper tread depth is even simpler. Take a Lincoln penny and insert it upside down into the tread groove. If the top of Lincoln's head is visible in two or more adjacent grooves, the tire needs replacement. Safety experts consider a tire as "bald" when the tread depth is worn to 1/16th of an inch or less. After this point, the tires are 44 times more likely to suffer disablement than new tires.

Removing nails, small stones or bits of glass embedded in the tread will help prevent costly tire damage which can lead to failure. This prevent-

ive maintenance is normally done at the service station when the tires are rotated (every 5,000 miles), the oil changed or the car lubricated. But there is no substitute for periodic personal inspection for greater assurance.

The Tire Industry Safety Council is offering a "Tire Safety and Mileage Kit" containing their own personal air pressure gauge, four valve caps and a 16-page copy of the Consumer Tire Guide. Price of the glove compartment-size kit is \$1.50 and can be ordered by writing to "Tire Safety," Box 726, New York, New York 10010.

Mr. and Mrs. Lynn Glasscock and family spent the weekend in Lovington, New Mexico, visiting Mr. and Mrs. Clarence Harris.

## Crowding, Women Like It, Men Don't

Much has been written on overcrowding and its adverse effects on people, but a Columbia University psychologist has discovered that many women seem to actually like crowding while men dislike it.

Dr. Jonathan Freedman reported that women tend to become friendlier and less aggressive under crowded conditions while men react just the opposite, becoming suspicious and combative.

Freedman admitted that much more research needs to be done on crowding, but reported two major discoveries from his studies thus far:

Crowding has little effect on human performance on a wide

variety of tasks. "It does not affect the ability to do tasks ranging from tediously simple and routine to rather interesting and complex, from totally nonintellectual to highly creative," Freedman said.

Interpersonal behavior is affected by crowding. "The fascinating aspect of this work is that men and women seem to respond in opposite ways."

"The point is," Freedman explained, "that crowding per se may not be bad psychologically speaking. The present findings suggest that perhaps we should not be surprised to find our great cities continuing to function despite tremendous crowding."

Dr. Freedman presented his results at the 78th Annual Convention of the American Psychological Association.

## Have You Signed Up For Medicare?

Did you sign up on the doctor bill part of Medicare when you were 65? Did you sign up on the doctor bill part of Medicare a bit later than decide to drop it? These are questions John G. Hutton social security manager asked persons age 65 today.

If you didn't sign up, or dropped your Medicare there is something you need to know. It's called a "General Enrollment Period."

What's a general enrollment period? To put it one way, it's the first three months of the year. January, February and March 1972, is the next "General Enrollment Period." During these three months folks who didn't sign up for Medicare the first time or those who dropped Medicare can enroll.

If you are already signed up on Medicare you don't need to do anything. Your monthly premium will be held out of your check each month as before. If you get a bill in the mail and send your premium in, there will be no change.

There are some people who can't enroll because they passed up too many enrollment periods. Medicare is too important for guess work. If you

dropped your Medicare or didn't enroll when you were 65 - don't guess. See or telephone the folks at the Social Security Office during the general enrollment period. They will be glad to talk with you about your case. If it is found that you aren't able to sign up on Medicare you'll be told exactly why.

Mrs. Frances Davis, Rodney and Gary of Lubbock visited in the R. S. Cole home Sunday.

Your Lubbock social security office is located at 1205 Texas Avenue. The telephone number is 747-3711.

A MESSAGE

About Vendor Drugs Under The New

MEDICAL ASSISTANCE PROGRAM

On September 1, the Vendor Drug under Texas Medical Assistance will go into effect.

Payment will then be made to your pharmacist by the state, on behalf of eligible recipients.

This new procedure, which was enacted by the 62nd Texas Legislature, will be administered by the Texas Department of Public Welfare.

Those of you who in the past were provided funds for necessary drugs through direct grants will, on September 1, begin a new process for receiving this benefit.

You will receive three forms from the state department:

1. Form #86A, Texas Medical Assistance Record, which you will keep in your possession, and which will contain the records required to be kept by your pharmacist and your doctor.
2. Plastic Identification Cards, which you will present to your pharmacist at the time you obtain pharmacy services.
3. Medical books which you must bring with your prescription to be filled.

Under this new Vendor Drug program, a new prescription will be required for the first refill after September 1. We will be glad to assist you in obtaining a new prescription.

Our prescription record system makes available to you a complete itemized record of your original Prescriptions and Prescription Refills for each year or for any given period.

Under this program, it will be necessary to bring your original prescription. Copies of prescriptions cannot be filled, nor can prescriptions be transferred, by law, and especially under this program. Refills can be made only where the original prescription was filled the first time.

It will be advantageous for participants in the State Welfare Program to come by Pounds Pharmacy and discuss this program prior to September 1, 1971.

We will be glad to be of service to you in any way possible under the new Vendor Drug program.

## Telephone Rate Changes Go Into Effect Sept. 1

San Angelo... Long distance telephone rate changes that benefit customers who dial their own long distance calls within Texas and take advantage of special calling periods have been announced by General Telephone Company of the Southwest.

At the same time, operator assisted calls within the state will cost more in the adjustment of rates that go into effect September 1.

General Telephone President L. Gray Beck said the new lower direct distance dialing rates will also benefit customers where DDD is not yet available.

"Although these customers cannot dial their calls direct, they will be charged the lower DDD rate on station-to-station calls if they are placed by giving the operator the Area Code and the complete seven digit telephone number. Of course no additional operator assistance can be used in completing the call without other charges," he said.

Beck explained the lower rates for direct dialed station-to-station calls parallel the national trend to increase the cost of calls that require operator assistance while giving an incentive to customers who complete call themselves.

Another change in the calling structure will establish rate periods for day, evening, night and weekend calls within the state which are the same as those now in effect for calls going outside Texas. Also two holidays, Labor Day and July 4, were added to New Year's Day, Thanksgiving Day and Christmas Day when reduced rates apply all day for direct dialed calls.

Another change will establish a one-minute initial rate period

between 11 p.m. and 8 a.m. rather than the usual three-minute initial rate period. Additional charges are made for each minute following the initial rate period.

"In other words," Beck said, "if you call any time other than between 11 p.m. and 8 a.m., you will be charged for three minutes regardless of whether you talk one, two or three minutes. You are also charged for each additional minute after the first three."

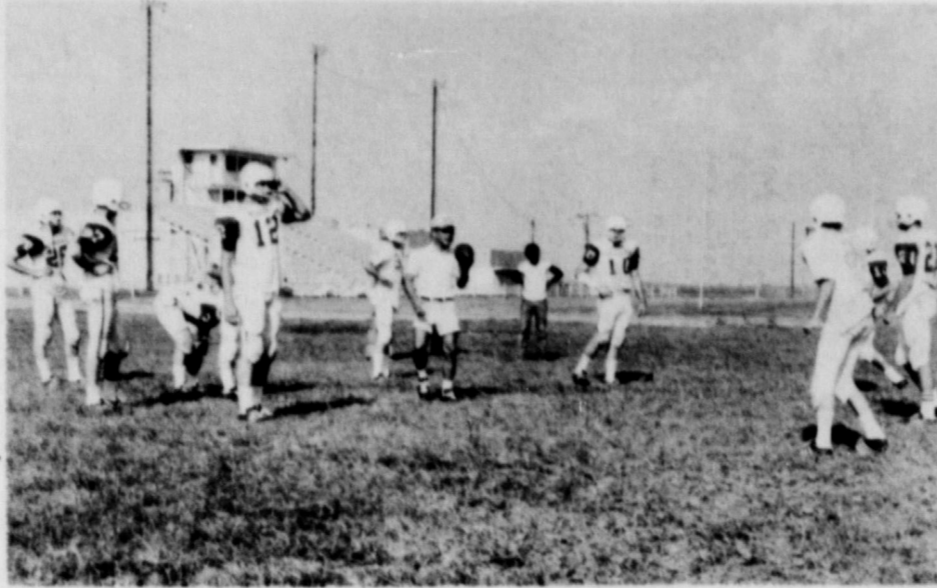

"Under the new schedule, after 11 p.m. you will be charged only for each minute you talk, with a few exceptions."

He explained that under present rates, an evening rate call for a distance of 300 miles costs 85 cents. The same call under the new customer dialed rate and for those without DDD who provide the Area Code and complete number for the operator will be 66 cents. The same call placed by a customer who can dial the number himself but prefers to place his call with the operator will cost \$1.25, regardless of time of day.

Beck further explained that this same 300-mile station-to-station call dialed by the customer after 11 p.m. will cost only 20 cents for one minute, a much lower rate. In contrast, he said the same call made person-to-person after September 1 will cost \$2.30, regardless of the time of day. The present rate is \$1.70.

"Providing the equipment to make DDD available to customers is expensive. If this equipment is idle while someone is placing a call with the operator that could be dialed direct, the expense is even higher since providing operator assistance

also is expensive. "So we are placing the increase where it belongs, and giving a savings to the customer who dials the call himself," Beck stated.

LET'S TACKLE THE COACH!! James Self put himself in a very delicate position during a practice session when he trotted into the center of the mighty Wolverine backs as they worked to further perfect their techniques to be used during the 1971 season.

## PSP Fair To Host Ole Ern, Merle Haggard

LUBBOCK -- Comedian-singer Glenn Ash and The Celebration, a singing-dancing group composed of six unique and individual talents, will share the spotlight with Tennessee Ernie Ford on the first three days of the 54th annual Panhandle South Plains Fair, set here September 27 - October 2.

Ford and company will appear Monday through Wednesday. An all-star Mexican variety show featuring singer Lucha Villa and recording star Jose Alfredo Jimenez plus the Guadalajara, a mariachi group, will be here for a one-night stand on Thursday.

Merle Haggard, Bonnie Owens and The Strangers will wrap up the weeklong show

also is expensive. "So we are placing the increase where it belongs, and giving a savings to the customer who dials the call himself," Beck stated.

Friday and Saturday.

Members of The Celebration include William Hudnut of Baltimore; Kitty Murray, a curly blond often compared to Jean Harlow, of Garden Grove, California; Wendy Douglas, a former Miss California and Miss America finalist; Chuck Bedford, a native Texan who moved to California at an early age; Rosalind Clark, Texas Southern graduate; and Richard Herkert, who was born in the Philippines, moved to the U.S. in 1957 and has resided in Florida, Georgia, Virginia, Texas, Wisconsin and California since that time. All have impressive theatrical backgrounds.

Although all six have done solo work singing and dancing, they blend together perfectly as The Celebration, which has performed with Ford on numerous occasions, including stints at Lake Tahoe and Olympic Hotel in Seattle.

Ash is no stranger to Texas. Born in Cincinnati, he joined the Air Force and was a drill instructor at Lackland AFB near San Antonio. He has appeared locally before.

Glenn was working at a night club here when comedian Jonathan Winters -- also in the city for an engagement -- saw him and asked him to go on a tour of Vietnam. Less than a week later he was in Saigon.

Ash also has an impressive musical background, starting with country-western into rock. Show times for all three "specials" are 5:30 p.m. and 8:30 p.m. daily. Tickets are priced at \$2.50, \$3.50 and \$4.50. All seats reserved. Tickets purchased prior to September 27 will be accompanied by free gate admission passes.

## Liver Important To Diet

The variety of meat liver deserves special consideration in meal planning, suggests Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist.

Liver is not only important nutritionally, but it is normally lower in price as liver contains no bone, Mrs. Clyatt explains.

An excellent source of vitamin A, only one slice of liver supplies the recommended adult daily amount. The meat is a source of other vitamins, supplying more of the B-vitamins than muscle meats. And, it ranks high as a source of protein and iron -- nutrients especially useful in building the red hemoglobin of the blood.

Calf, beef and pork liver vary considerably in price and supply. Calf and beef liver are usually in greater supply since much pork liver is used in making sausage items.

Calf liver costs more than other liver. Tender and delicate in flavor, it requires only a short cooking period -- just long enough to change its

color. Broil or fry calf liver, the specialist says.

Costing less than calf liver, beef liver requires a slightly longer cooking time. According to Mrs. Clyatt, it usually tastes better when braised, since cooking with moist heat helps keep the liver from being too dry.

Pork liver is lowest in price. It has a stronger flavor and there is less demand for it. For cooking, the specialist suggests braising with onions or tomatoes.

Since there is no waste in liver, a pound will make four servings. And, it is not necessary to soak or scald the meat.

Mrs. Clyatt reminds that liver is perishable and requires careful storage. Buy it for immediate use, keeping it in the home refrigerator no more than a day or two before cooking.

Try serving liver to your family at least once each week, the specialist adds.

Mr. and Mrs. Jimmy Smith spent a few days at Six Flags last week.

# Sunnyside News...

By Tenny Bowden.

Mrs. L. B. Bowden received word Wednesday morning that the book "This Land We Hold" will be delayed another two weeks. So the pre-publication price will remain in effect until September 6. The publisher was late getting the book to the bindery so another book was put in before it.

Rain last Sunday night through Tuesday totaled 1.90, but the news this week most welcome to cotton farmers was the two days of sunshine and higher temperatures.

Mrs. Noble Armstrong received word Tuesday afternoon that her only sister Marvel, who is a former resident of the community, had lost her husband suddenly and unexpectedly with a heart attack. They left immediately for Brownwood to be with her. She lost her first husband, Roy Griffin, about four years ago, and had been married less than a year. Noble came home after the funeral. Mrs. Armstrong stayed with her sister.

Mrs. and Mrs. M.H. Fowlkes of Rockport visited with Mr. and Mrs. E.R. Sadler Tuesday through Thursday and again Sunday.

Mr. and Mrs. Steve Gooch of Murphree, Tennessee, arrived Monday and visited all week with her parents, Mr. and Mrs. Bob Ott and Don.

The Lions Club met Monday night for their regular meeting with a good attendance.

Mr. and Mrs. Keith Bradley of West Fork, Arkansas, had supper and spent Monday night with his brother, Mr. and Mrs. Weldon Bradley, Carl Bradley and family had supper with them. Visiting after supper were Mr. and Mrs. Alford Gibbs of Dimmitt, Mr. and Mrs. Odus Hastings of Dimmitt and Mr. and Mrs. Ezell Sadler.

Mr. and Mrs. Ezell Sadler visited in McRose Tuesday with Mr. and Mrs. Cleo Widner.

Debbie Curtis came in Tuesday from San Angelo for the between semesters break at the university there.

Mrs. Thomas Parson attended the WMJ Houseparty in Waco Tuesday through Friday with other Llanos Altos Associational officers. His mother of Blanket came back from Clovis Saturday to visit a few more days with them.

Mrs. Dard Harris became a new grandmother Tuesday when a little girl was born to Spec, 4 and Mrs. Tommy Portwood in the hospital at Fort Gordon, Georgia, where he is stationed. She weighed 7 pounds 15 1/2 ounces and was named Rochelle Rene.

The Current Missions group met Wednesday night for their regular monthly meeting. Mrs. Alton Louder, group leader, was in charge.

The history drama given was practiced twice Wednesday night and twice Friday night. The Baptist Men met Tuesday night for their monthly

meeting. Carl Bradley is the president.

Mr. and Mrs. L. B. Bowden visited Thursday evening with Mr. and Mrs. James Powell of Dimmitt.

Thomas Parson had a cyst took off his eye recently injured in Amarillo Friday. He was not hospitalized.

Bob Ball, father of Mrs. J. Paul Waggoner and Garner Ball, was admitted to Plains Memorial Hospital in Dimmitt early Saturday morning after suffering a stroke which paralyzed one side.

Mrs. Irving King went to Monument, New Mexico, Sunday to spend a few days with Mr. and Mrs. Billie King and family.

The Lions Club sponsored a barbecue supper at the community building Saturday night. There was a good attendance.

Mr. and Mrs. Larry Odom and Lisa of Summerfield spent Friday night with Leslie Louder.

Mrs. Lois Fox and children of El Paso visited last week and this week with her parents, Mr. and Mrs. John Graham and Gerald Graham and boys.

Mr. and Mrs. John Graham and Mrs. Fox and children returned home Monday from a four day vacation in several northwestern states.

Mrs. Gerald Graham and boys recently visited in Ohio with her relatives.

Mr. and Mrs. Bob Milam of Stinnet visited Friday with Mr. and Mrs. W. T. Aury and Mr. and Mrs. Ed Thompson. He is Mr. Thompson's cousin. She is Mr. Aury's cousin.

Mrs. Bill Morgan has been in Arizona recently with her mother who underwent major surgery. Mr. Morgan's mother is still in the intensive care unit at Norman, Oklahoma, from a heart attack. A friend from Cisco has been visiting with them this week.

Carolyn and Peggy McGowan attended a slumber party in Dimmitt Saturday night. Mrs. Richard McGowan and Ronnie kept the nursery for the 50th Anniversary Sunday.

Eighty-four attended Sunday School Sunday morning but there were no evening services.

The Sunnyside Baptist Church celebrated their 50th Anniversary Sunday with Rev. M. D. Durham of Lubbock bringing the morning message. Eighty-four attended Sunday School. There were no evening services. The church was organized August 10, 1921, with 10 charter members. The only two survivors were present for the services, Mrs. John Turner of Dimmitt and Mrs. Asia Wilson of Athens. They were presented the books "Apples of Gold." Mr. Wilson was also present. He joined the church within 2 months. Carl Wimberley was recognized as one of the 7 candidates for baptism in the church was organized. He and his wife, who was also present, are the only charter members of the church of Dawn. His mother, Mrs. W.W. Wimber-

ley, a charter member passed away in July. Howard Bridges was also present the day the church was organized and possibly others present. Mrs. Virgil Lemons and Sonny Lemons of Plainview, wife and son of the first pastor, were present for the afternoon. Carl Bradley had charge of the recognition service. One hundred and sixty registered for the day. Mrs. Roy Phelan registered the guests, Mrs. R. J. Lefevere wrote the script for the hour long drama of the progress of the church the last 50 years. Scenes were acted out on stage, pages of a giant history book were turned and buildings were drawn to scale, the miniatures assembled and, as the pageant progressed by two narrators, Gale Sadler and Janelle Haydon, these buildings were placed on a large table representing the two acres of church property. These buildings were constructed and decorated by Mr. and Mrs. Gale Sadler and Mr. and Mrs. Cliff Brown. Mrs. Sadler was at the organ and Mrs. Brown turned the pages of the history book. Mrs. Brown and Mrs. Bennie Ross did the art-work in the book. Mrs. L.B. Bowden made the reports. Mrs. Lefevere directed the drama with the aid of Mrs. L. B. Bowden and Mrs. Mack Turner. Others who took a part in the drama not already mentioned included Mr. and Mrs. Weldon Bradley, Carl Bradley and Kent and Kelly, Mrs. Roy Phelan, Mr. and Mrs. Larry Sadler, Carrie, Stacey and Laura, Mr. and Mrs. Hershel Wilson, Lonnie, Debbie and Daneen, Mr. and Mrs. J. Paul Waggoner, Lee and Lynn

HE-E-EAVE!!! You don't fool around when you work out with coaches Duane Locke and Bert Leaverton. These Wolverine lineimen were put through the grind when workouts started in earnest this week to prepare for action during the forthcoming football season which kicks off September 10 when the local team battles Amherst.

## Mrs. Phillips' Rites Held

Rites were held Monday, August 23, for Mrs. Emma Phillips, 78, of Lubbock. Arrangements were with Rix Funeral Directors of Lubbock. Mrs. Phillips, a member of the Broadway Church of Christ for 53 years, moved to Lubbock from Lea County, New Mexico. Survivors include her husband, J. Wesley; two sons, a daughter, two brothers, a sister, seven grandchildren and two great-grandchildren. Mrs. Phillips was the aunt of Mrs. Allison Gainey of Earth.

## Earthquakes Meet

Members of the local singing group, the Earthquakes, met Sunday afternoon in the Fellowship Hall of the First Baptist Church.

Wayne Anderson, the new choral instructor for Springlake-Earth schools, agreed to become the new director for the Earthquakes.

The group sang their regular program for Anderson and decided to practice each Sunday at 3 o'clock.

Dinner guests in the home of Mrs. Leta Kelley Tuesday evening were her brother and family, the Raymond Teel's of Los Angeles, California. Also present were Mrs. Winnie Huff and Donald and Mr. and Mrs. Delvin Walden and family.

over 70 points to lead our team.

"The games were hard on everyone's nerves," Redin admitted. The referees didn't speak English and that made it difficult to always understand what they meant.

"All the girls were sick a little at one time or another with the bug or 'tourists' but they all played well. I feel we had as good a team as anyone there," he remarked.

Flying Queen Susan Britton carried the United States flag at the closing ceremony. "That was quite an honor," Redin concluded.

The USA contingent was outfitted in Miami by Sears, getting a complete wardrobe and traveling bags. "There were about 600 people and they must have gotten about \$200 worth of clothes each," said Redin.

He said Call is a city of about a million people and is rapidly growing with new construction all over the city.

## School Daze, School Daze...

by David Hartman

Mr. Webster's definition of daze is "to stupefy especially by a blow; stun."

Believe you me I am both stupefied and stunned. Way it was only day before yesterday when school let out for the summer. You mean it is time to go back? My, my, how time does fly. Where has the summer gone? I just didn't get all the things I had planned to do done. On and on our comments could go.

Have you ever stopped to ask, "What if our children didn't have this school to attend?" Or "what if the school was ordered closed for one reason or another." Oh, we ask our kids, "are you ready to go back to school?" And the traditional reply is "No, I hate it." Do they really? Most of them don't. They are only repeating what I repeated when I was their age.

On the other hand some children may honestly hate school. I wonder why? I am sure there are reasons but I am not going to speculate on them now.

Quite frankly I am glad to be able to send our son, Andy, to the Springlake-Earth School System. I feel he is receiving as fine an education here as he could anywhere else.

It is my privilege to be acquainted with most of the faculty members in our school system. In my opinion they are the finest that can be acquired anywhere. Mr. Mann is to be commended for his

efforts to maintain a top-notch faculty at Springlake-Earth. Academic qualifications are important when teachers are considered. However, when the final decision is made personal character has entered into it somewhere.

To be a teacher in the public school system is not a job to be taken lightly. Those who have taught a long time already know this. Those starting out soon learn it. In the classroom and out, you teach. Kids have a way of recognizing a phoney. They know whether a teacher, preacher, parent, a community, etc. is genuinely interested in them personally.

In one sense all of life is one big teaching situation. A situation in which all are stu-

dents as well as teachers. The question is: regardless of our age differences, how well are we learning from each other?

Problems? Yes, Springlake-Earth has its problems. The only institution where there are no problems is the cemetery. There you find quiet, dignity, and order. One of the marvelous things in life is the privilege to work out our problems constructively. This is true whether at home, school, church, in the community, etc. As long as we human beings exist there will be problems. Let's don't run from them. Neither let us compound them. But let us all work together to solve our problems: sensibly and constructively.

## Pan-Am Trip Highlights

Harley Redin rested at home last week after returning from the Pan American Games at Cali, Columbia, where he had directed the USA entry to a silver medal second place behind Brazil.

Brazil and the USA each had a 5-1 record, but Brazil defeated the U.S., 64-60 and downed Cuba in the finals to secure the gold medal. Cuba took the bronze medal with a 4-2 mark.

All twelve of the USA players stayed in one room containing six double bunks. They

had to do without hot water, but never complained. The doctors told Redin several times that the women's basketball team and synchronized swimmers were the only U.S. athletes who never complained.

"This was the best U.S. team I have ever coached," Redin commented. "Mainly because they worked so hard and cooperated in every way."

"Ltn Gamble, Cherrl Rapp and Susan Britton (of Springlake-Earth) looked the best and Susan was the most consistent player. Cherrl scored
