

Visit School Public School Week

A full week has been planned for Public Schools Week in Springlake Schools which begins March 6 through 10.

Representatives of the Springlake Schools will appear on TV Hospitality Time today (Thursday) at 4:30 p.m. on KCBD Channel 11 Lubbock to further publicize Public Schools Week.

Members of all civic clubs, organizations and patrons have been invited to eat lunch at the school cafeteria at least once during the week.

The following events have been planned and scheduled by the Citizens Planning Committee:

MONDAY — Clubs that meet on this day to eat in lunchroom. Members of hospitality committee with the help of students conduct guided tours of each building.

Patrons invited and encouraged to visit school and eat in lunchroom anytime, but especially during this week.

TUESDAY — Clubs that meet on this day to eat in lunchroom. Members of hospitality committee with the help of students conduct guided tours of each building.

Business places in Earth invited to close between 12:30 and 1:30 to visit school and eat in the lunchroom.

A band concert and music program under the direction of Norman Hemphill, music director, will be presented in the school auditorium at 7:30. Everyone is invited to attend.

WEDNESDAY — Clubs that meet on this day to eat in lunchroom. Members of hospitality committee with the help of students conduct guided tours of each building.

Business places in Springlake invited to close between 12:30 and 1:30 to visit school and eat at the lunchroom.

Open House will be held in elementary, junior high and high school at 6 p.m.

Parent and Teachers Association meeting will be held in the school auditorium at 7:30 p.m. Members of the school board will be recognized, the XIT Study Club will award the teacher of the year and service pins will be awarded. A special speaker is also planned for the program.

A coronation exchange student will speak at assembly at 1 p.m. in the school auditorium. All patrons are urged to attend.

FRIDAY — Clubs that meet on this day to eat in lunchroom. Members of the hospitality committee with the help of students conduct tours of each building.

Hosts and hostesses will be in the Cafeteria and in buildings every day throughout the week.

All patrons are urged to attend school during Public Schools Week.

Judy Robnett Receptionist For Dr. Richardson

Mrs. Billie Robnett has accepted a position as receptionist for Dr. C. Thomas Richardson, Dentist. Mrs. Robnett began her duties at Dr. Richardson's office Monday.

She was formerly employed as secretary for the Earth Chamber of Commerce and also Earth First Baptist Church.

The former Miss Judy Etheridge moved to Earth five and one half years ago from Headrick, Okla. and attended Springlake School. Judy is finishing high school by correspondence and will graduate with the Springlake graduating class in May.

NOTICE

Friday being a holiday for district teachers meeting, Springlake School superintendent, Bill Mann has announced that school will dismiss Thursday (today) at 2:40 p.m. in order to permit families who are leaving town for the weekend to get an early start.

Closed. Visiting School signs are available at the Earth News office, courtesy of the Earth News-Sun. Any businesses in Earth or Springlake needing these signs may pick them up at the News office.

Courtesy cars will be available during Public Schools Week, March 6-10 for those desiring to visit school and have no transportation. Call 2574682 or 9869831 and transportation will be provided.

All women interested in playing volleyball are asked to be at the Springlake gymnasium at 2 p.m. Saturday, March 4.

Mr. and Mrs. L. S. Griffin spent the weekend with Mr. and Mrs. James Mullis, Amarillo.

**EARTH
SPRINGLAKE**

PROCLAMATION

WHEREAS the Governor of the State of Texas and all officials of the State, County and City Governments enthusiastically endorse and promote the betterment of the Public School Systems of Texas at all times, and the Earth and Springlake Communities have always been foremost in support, and

WHEREAS, our present school system is continually being improved and enlarged to the end that public education will meet the demands of our changing conditions, and

WHEREAS, continuous improvement can only be obtained through the faithful support of the people of our communities, and to accomplish this goal it is imperative that every one visit our school and become acquainted with the problems of the school and thereby assure its continued growth and development.

NOW, THEREFORE, I as Mayor of the City of Earth, and I as Mayor of the Town of Springlake, do hereby designate the week of March 6 through March 10 as

PUBLIC SCHOOLS WEEK in our respective communities and urge every citizen to visit our local schools in appreciation of the excellent job done by the school administration.

Signed: MARCUS MESSER
Mayor of the City of Earth
Signed: FLOYD CRAWFORD
Mayor of the Town of Springlake

Red Cross Fund Drive Kickoff Breakfast Tues.

Kick off day for the Annual Red Cross drive will begin with a breakfast at 7:30 a.m. in the Earth community building, Tuesday, March 7.

All local workers for the fund drive are urged to be present. Tables will be set up from 11 a.m. to 2 p.m. in each of the buildings at the Springlake school. There will also be a table in Citizens State Bank for the convenience of those wishing to donate to this worthy cause.

Earth's quota is \$845 and the quota for Springlake is \$650.

Relatives of Local Residents Die

Sollers Dies in Oklahoma
George Sollers, Sayre, Okla. died Sunday in Sayre.

Funeral services were conducted Tuesday.

Soller was an uncle of Mrs. M. E. Kelley of Earth. Mrs. Kelley was unable to attend funeral services.

Johnson Dies in Graham
Funeral services for Leonard (Bud) Johnson of Graham were conducted there Saturday afternoon.

Johnson was a cousin of Mrs. Dan Hulley of Earth.

GARY DIES IN ROSWELL
Mrs. Claud Gary, Roswell, N. M. died Sunday after a lengthy illness.

Funeral services were conducted there Tuesday afternoon.

Mrs. Gary was an aunt of Mrs. Dan Hulley.

Due to illness Mrs. Hulley was unable to attend either of these funerals.

Mrs. Simmons Injured in Home Accident

Mrs. Dennis Simmons was injured at her home about 6:30 p.m. Saturday night while moving a television set away from the wall in her living room.

Mrs. Simmons was taken to Earth Medical Center where X-Rays showed ligaments and tendons were pulled loose and a blood vessel burst in her right arm. Her arm was placed in a metal cast, she was released and is back at work.

Mrs. Simmons is employed as bookkeeper at Earth Oil and Gas Co.

FROM THE FIRST THROUGH THE TWELFTH — All these books must be studied by these first grade students before they finish school. Pictured left to right are Lorenzo Padillo, Darlene Cooper, LaDonna Sigman and Mike Cleavinger. These students are all happy to be a part of Public Schools Week, March 6 through 10.

Seven File For Places On Springlake School Board

Seven have filed for the three places on the Springlake School board of trustees election to be held on Saturday, April 1 in the study hall of Springlake High School.

Deadline for filing was 6 p.m. March 1.

The terms of A. E. Wheatley, Leon Dent and Roger Haberer expire but all three have announced for reelection. Others that have filed as candidates are W. O. (Buzzy) Jones, Jack Angeley, James H. Dusby and Mrs. Earl Parish.

Jimmy Nix Remains On Critical List

Jimmy Nix of Amherst, brother of Mrs. R. J. Brock of Earth remains in a critical condition in Methodist Hospital, Lubbock, however he is reported to be slightly improved.

Jimmy was one of the four Amherst youths injured in a car-train accident in Littlefield Tuesday, February 21.

Jimmy Love, also remains in a very critical condition and is not responding to treatment as well as attendants would like and it is questionable if the damage is permanent.

Speed zone signs have been erected on South Amherst Road and the signs on Highway 70 are being erected at this time. In the islands in the Main part of the city.

Speed limits of 30 miles per hour within the City Limits of Earth, unless speed zone signs indicate a higher or lower rate of speed, shall be observed. It is unlawful for any person to operate a motor vehicle in excess of the speed limits indicated on any official speed zone sign.

THE SCIENCE DEPARTMENT — Will be one of the highlights of interest during Public Schools Week at Springlake Schools. The science department is one of the most modern well equipped in the area and has made a great deal of progress in the past 5 or 6 years. Mrs. Gladys McCaskill is the teacher in the science department. Shown above are chemistry students as they do experiments in class.

Annual Lions Clubs Queen Contest Set

The annual Queen contest to select a Queen to represent the Earth and Springlake Lions Clubs at the District 2T Lions International Convention at Leveland, June 2-3, will be held at 8 p.m. Monday, March 27 in the Springlake School auditorium.

The qualifications of the queen selected must be a Springlake High School student, unmarried and living within the school district.

Competitors will judge each candidate on beauty, poise and personality, also each candidate will be sponsored by an Earth or Springlake merchant.

Last year the Earth and Springlake Lions Clubs selected separate queens to represent their clubs at the District 2T Convention in Lubbock, instead of jointly as they have in the past.

Miss Polly Jean Middleton was chosen as queen of the Earth Lions Club in a contest sponsored by the club on March 3, 1960 in the Springlake School auditorium and Miss Eleanor Riley was selected by the Springlake Lions Club to represent them.

Polly Jean is the daughter of Mr. and Mrs. Rose Middleton and Eleanor is the daughter of Mr. and Mrs. Furche Riley.

At press time Wednesday 17 girls from Springlake High School had entered the contest. All girls are urged to enter. Entries may be made in Supt. Bill Mann's office in the High School.

No Candidates For City Aldermen Deadline For Filing March 6th

No announcement for the candidacy for City Aldermen has been made according to Mrs. Rubye Anderson, City Secretary.

Two city aldermen are needed to fill the vacancies created by the expiration of the terms of L. S. Griffin and W. L. Barton.

The election for the two City Aldermen will be held on Tuesday, April 4. All candidates must file their applications not later than 5 p.m. March 6.

The regular Monday meeting in the Earth community building next to the community building Monday, Feb. 27.

Other officers elected were Melvin Parish, 1st vice president; Charlie Dunn, secretary and Charles Crable treasurer.

Earl Jordan was elected as State director; Gene Templeton, Gary Bulls and John Laing, Jr. were elected as directors.

The new officers will be installed at the joint installation banquet with Littlefield, to be held at the Littlefield Country Club March 18.

Outgoing officers are Gene Templeton, president; Bobby Measles, 1st vice president; Ted Robbins, secretary; Fluff Myers, treasurer; Lynn Glasscock, state director; Harold Britton, Earl Jordan, Golden Ferguson and Robert Riley directors.

New members of the Jaycees are Gary Bulls, John Laing, Jr., Glenn Bulls, Robert Taylor, and Marvin Been, Jr.

Seventeen members were present at Monday's meeting.

The Jaycees will eat at the School Cafeteria Monday, March 6, in conjunction with Public Schools Week.

Final Rites Held For Cousin Of Local Resident

Funeral services for George Marvin Williams, 19, of Amherst were conducted at 2:30 p.m. Thursday, February 23 in the Amherst school building in order to accommodate the hundreds of relatives and friends who attended.

The Rev. Darris L. Egger, Colorado City; Rev. Leroy Baker, Plainview and Rev. C. Woodrow Williams, pastor of Amherst Methodist Church officiated.

Williams, son of Mr. and Mrs. George (Wort) Williams, was fatally injured in a car-train accident near the station in Littlefield Tuesday night, February 21.

It will be truly an evening of enchantment, an evening of honest relaxation, an evening that will give folks something to talk about. And, we do need something that will take us away from the cares of the Work away world in which we live.

Glamorous costumes, intricate stage settings, unusual displays and routines will capture the fancy and grip the attention of those who see this captivating revue.

Few stage shows are on the road today. And, it is truly unusual when one of this calibre is available in this area.

Some of the highlights include exotic oriental productions, the European flower garden sensation, a historical guillotine illusion, and Prince Zogi in person.

Members of the Earth Lions Club are selling advance tickets. Admission price is \$1.25 for adults and 75c for children.

Ted Robbins Pres. Elect of Earth Jaycee Club

Earl Jordan was elected as State director; Gene Templeton, Gary Bulls and John Laing, Jr. were elected as directors.

The new officers will be installed at the joint installation banquet with Littlefield, to be held at the Littlefield Country Club March 18.

Outgoing officers are Gene Templeton, president; Bobby Measles, 1st vice president; Ted Robbins, secretary; Fluff Myers, treasurer; Lynn Glasscock, state director; Harold Britton, Earl Jordan, Golden Ferguson and Robert Riley directors.

New members of the Jaycees are Gary Bulls, John Laing, Jr., Glenn Bulls, Robert Taylor, and Marvin Been, Jr.

Seventeen members were present at Monday's meeting.

The Jaycees will eat at the School Cafeteria Monday, March 6, in conjunction with Public Schools Week.

Accident Fatal To Farm Hand

A colored man, whose name was not available, was accidentally killed about 2:30 p.m. Thursday, February 23, on the Melvin Barton farm, near Dimmitt.

The hired hand, who had been working for Barton about ten days was running a shredder when the accident occurred.

Barton, who noticed the tractor was stopped in the field, went to see what the trouble was, when he reached the tractor and found no one on it he followed the tracks back across the field and found the colored man had been run over by the shredder and was killed.

It was thought that he had a heart attack or blacked out, causing the accident.

Seven File For Places On Springlake School Board

Seven have filed for the three places on the Springlake School board of trustees election to be held on Saturday, April 1 in the study hall of Springlake High School.

Deadline for filing was 6 p.m. March 1.

There will be a general meeting luncheon for all the Circles of the Earth Methodist Church, Tuesday at noon, March 7.

Mrs. Neal Hostess To Town and Country Study Club Meeting

The Town and Country Study Club met Thursday, February 23 in the home of Mrs. Roy Neal with Mrs. Neal as hostess.

The subject of the program was Education Through Music.

The program was arranged and presented by Mrs. Earl Parish and Mrs. George Laing.

Refreshments of dainty nut sandwiches, strawberry cake, coffee and tea were served.

The serving table featured crystal candelabra with an arrangement of spring flowers intermingled with music notes.

Those present were Mesdame B. Campbell, J. L. Hinson, H. F. Hodges, M. E. Kelley, John Laing, H. S. Sanders, C. W. Terry, James Winders, Ted Haberer and the hostess.

Eighth Graders Enjoy Bowling Party Friday

With Travis Jaquess as bus driver Mrs. Laverne Sarradet, Mrs. A. E. Patterson, Mrs. W. G. Sanderson, Mrs. Oran Parish and Cecil Slover accompanied thirty three eighth grade students from the Springlake School to Littlefield Friday night for an enjoyable evening of bowling.

The group bowled from 6 p.m. to 9 p.m. and also ate in the bowling alley.

Other parents who drove over in their cars were Mr. and Mrs. Ross Middleton, Mrs. Leo Cain, Mr. and Mrs. Bill Beasley, Mr. and Mrs. L. H. Dent.

Symphonettes Continue Training

The Symphonettes met Tuesday night, February 21, in the home of Mrs. George Laing with four members present.

Following regular theory training Cheryl Foster played The Happy Farmer and Soldiers March by Robert Schumann.

Mrs. Laing played Poisson d'or by Debussy.

Punch was served to Cheryl Foster, Kathie Brown, Mary Jane Shirey, Kay McCord and Mrs. Laing.

Party Line.....

CHANGES IN JUNIOR HIGH LIBRARY

Several changes have been planned for the junior high library. The counters have been moved out giving additional space for new shelves. Also, the students will be free to enter the library and select the book he wishes to read. This should make the student's selection of a book much easier and more enjoyable, for he may look through any book before making his selection.

MAGAZINES WANTED

A place has been provided for storing magazines to use for reference materials. Magazines will also be kept for students to cut out pictures that are needed or to secure articles that are needed.

If anyone has copies of the Look, Life Saturday Evening Post, Readers Digest, National Geographic, dating back to January, 1959, and would like to donate them to be filed and used as reference materials, it would be greatly appreciated.

When these magazines are secured, a Reader's Guide will be purchased so that articles may be easily found in the magazines.

JUNIOR HIGH STARTS TRACK

Springlake Junior High School started track, Wednesday, February 15. The boys had a fine football season and will surely have a good track season. Track is an individual sport. Each boy has his event by himself. The coaches just teach the boys the main principles of track.

Track will help the boys to stay in good health. A boy must be willing to work hard and do what the coaches tell him to do, if he wants to get the most out of track. Track separates the men from the boys. The men are the ones who are willing to work hard and stay in training. The boys are the ones who loaf and eat greasy foods, and other foods that are not good for a boy who is running track. A boy does not have to be a good runner to be a track star.

There are many other field events. They are the broad jump, high jump, pole vault, shot put, and pull ups.

The track events are the 100, 75, and 50 yard dashes, the 440 yard run, half mile run, mile run, 440 relay, and 220 yard run.

The boys will have several track meets this year in which to prove their abilities. The boys are trying to get as many track meets as possible.

The district track meet for Junior High will be at Farwell, April 15.

THIS IS COURTESY WEEK

In Springlake Junior High the week of February 27 through March 3 is Courtesy Week.

The paper staff is in charge of displaying posters on courtesy in the building. The paper staff is divided into two teams. One team has one side of the building to display courtesy posters, while the other team has the other side of the building to use for displaying posters.

We, the students of Springlake Junior High, hope that you will come and visit our school that week.

We will have a courtesy patrol who will fine anyone who disobeys the rules.

The Ten Commandments of Courtesy Week are:

1. Thou shalt not say "yeow," "huh" or "nope."
2. Thou shalt not interrupt while another person is speaking.
3. Thou shalt not enter a classroom before all the members of the previous class have left.
4. Thou shalt not push, shove, trip or run in the hall.
5. Thou shalt not chew gum in a public place.
6. Boys, thou shalt not enter a building or room before a girl.
7. Thou shalt not cut in line in the lunchroom.
8. Thou shalt not run on sidewalks.
9. Thou shalt not walk or run on the grass.
10. Thou shalt be neat and courteous at all times.

The penalty when brought before the courtesy patrol will be a five cent fine.

COME ONE, COME ALL

by PEGGY UPCHURCH

Springlake Junior High is proud to announce that we will be having Open House this year during Public Schools Week. Junior High sets aside one night each year for this special occasion. This year it will be on Thursday, March 9 from 6 to 7:30 p.m.

Students have been chosen to help during Open House. There will be students in the front hall to help you register. Ushers will guide you to the classrooms. Inside each room there will be students and the homeroom teachers to show you around. Refreshments will be served in the studyhall by some of our room mothers and students.

All of our parents and people of the community are invited and urged to come. You may attend PTA immediately following Open House.

Don't forget, Thursday, March 9, 6 to 7:30 p.m.

VOLLEYBALL PRACTICE HAS BEGUN

by HELEN PHILLIPS

There has been a change made in the seventh and eighth grade girls physical education program. After basketball session was over, Coach Mahan and Coach Davis started teaching the girls how to play volleyball. I am speaking for all the girls when I say that we will do our best, and try to win all tournaments that we play in volleyball. We had a good session in basketball, but plan to have a better one next year.

Mr. and Mrs. Dan Hulcy, their grandchildren, and Mr. and Mrs. Hershel Hulcy and children visited the zoo in Cloris, N. M. Sunday afternoon.

STUDENT OF THE WEEK

by LINDA USSERY

Our student this week is Ray Tom Packard. He is the son of Mr. and Mrs. James Packard of Springlake. Ray Tom has lived in Springlake and vicinity all his 13 and one half years and attended Springlake Schools 8 years. He is in Mr. Cecil Slover's homeroom, 8-A.

Ray Tom is active in all school activities and enjoys sports tremendously. He was halfback on the football team and was also captain of the team. He did a fine job there. He enjoys basketball and was on the A-string during the season. He runs track every day and is doing a very good job in track.

Although he hasn't quite made the honor roll he hasn't missed it by much. He is doing a fine job in school work and is liked by all his teachers and classmates.

Ray Tom has quite a few hobbies. He likes all kinds of models including the type that walk. He likes sports cars, skiing, hunting, fishing, hiking and is active member of the Boy Scouts.

His favorite color is yellow and his pet peeve is asparagus.

Some of his classmates have this to say about him:

"He is a fine young man and has the ability to do a lot of good with his life."

"Sometimes I get kind of mad at him, but usually he is a pretty good 'ol guy."

Some may say "Ray Tom, do better" and you know, I think he will. He has done a lot to help the school and will do a lot to help his country. We all appreciate and admire this person. I have enjoyed interviewing him and preparing this paper.

ATHLETIC BANQUET

by BEVERLY KELLEY

Approximately 184 people attended the Springlake Junior High Athletic supper February 18. Coach Davis master of ceremonies, presented Mr. C. L. Berry four basketball trophies, which were won by the eighth grade boys and girls. Coach Davis presented 37 football players with award jackets. Coach Davis also announced the captains for eighth grade football for 1961-62 school year. They are Jerry Don Sanders and Bobby Coker.

Mr. Berry made the welcoming address, and a brief run down of junior high's athletic program.

Coach Mahan talked on the subject of the three essential things that a winning ball club needs. They are morale, personnel, and coaching. Mr. Bill Mann was the final speaker, who talked on discipline and general school problems.

The group would like to thank Mrs. Oletha Sanders, committee chairman, and all the mothers that brought food to the supper. Everyone had a wonderful time, although this will be the end of basketball and football for the eighth graders in junior high. The boys are now in track, and the girls are playing volleyball.

NEW TROPHY CASE UNDER CONSTRUCTION

A new trophy case is being put in the Junior High building. It is being placed between the supervisor's office and the principal's office. We hope to have it finished by Public Schools Week.

We have won four trophies this year, which we will put in the trophy case. We also have many trophies our teams have won in the past. These also will be put in the new trophy case.

The students of junior high are very proud of this new addition.

MEET A CITIZEN

by BETH DENT

Most children were brought to this world by storks, but this one particular person was brought by a "Hallowe'en Spook," October 31, 1928. Leon H. Dent was born to the Chubby Dent family.

Leon H. Dent has lived at Springlake and Earth all his life. He went to Springlake School and graduated from Springlake. He is a farmer, on the school board, and is a member of the Lions Club. He has four girls, Ginger, Criss, Cindy and Kim Dent. His wife is Mrs. Nelleen Dent.

The Citizen of the Week is Leon "Tuffy" Dent.

DO YOU HAVE A HOBBY?

by MELODIE BROCK

I have been wondering how many hobbies there are and decided to find some. Here are a few from 5-A:

Linda Barden, reading and mysteries; Donald Huff, sports; Debbie Watson, stuffed animals; Jimmie Lawrence, trains; Joyce Starkley, painting; Gary Kelley collecting pennies; Elizabeth Goode, horses; Rickey West, guns and Melodie Brock, reading.

CLASS SEES ROCK COLLECTION

by DEBRA PARISH

Mrs. W. T. Clayton recently visited 5-A during science class to show her rock collection.

Mrs. Clayton has been to Utah, Colorado, New Mexico, Arkansas, and Arizona where she collected all of her rocks. She brought some specimens of white marble, lava, amethyst, opal, quartz, mica, wonder stone, hematite, desert rose, amazon stone and many others.

The reason the wonder stone is called such is because there are so many different colors in it that people wonder what's inside of it. The desert rose look like an artificial rose with cinnamon glued to it.

The class was very fascinated not only with her rock collection, but also by her interesting talk.

TEACHER VISITS IN OTHER SCHOOLS

Mr. Cecil Slover visited the libraries of the Muleshoe and Littlefield schools last Monday. The purpose of his visit was to get ideas for improving the junior high library. He noted that the junior high and high school libraries were comparable to those of the larger schools.

The students of Muleshoe High School pay a dollar library fee each year, and the junior high pays a fifty cent fee. An additional fund enables the school to purchase more books.

Mr. Slover reported the trip to be most helpful and enjoyable even though the snow was a little deep in Littlefield.

Mrs. Phillips taught Mr. Slover's classes on Monday.

Documents Are Presented To Junior High School

Mr. C. L. Kay presented a copy of the Declaration of Independence and the Constitution to Danny Byers for Springlake Junior High.

These documents were contributed by Baldrige Bakery. We are very happy to receive these and we surely thank Mr. Kay.

New English Text Chosen

The Junior High students, as well as the third and fourth graders, will receive new English texts the next school year. The textbooks committee has chosen the MacMillan series of books. They are very attractive and very well organized.

Party Line.....

—Mrs. Savannah Kellough, Needmore, Mr. and Mrs. H. J. Gilmore visited the Carl Gregorys Sunday afternoon.

A GLANCE AT OUR SCHOOL

If you had been approaching the Springlake School Campus in September 1925 you would have viewed a very beautiful red brick building just completed. The building at that particular time housed the complete Springlake School System. At this time we know it as the Springlake Junior High School.

Since that time several things have been added to our campus. The Springlake Parent Teacher Association, which was organized September 4, 1930 with 36 charter members, has had a great deal to do with the beautification of our school campus.

In 1936 the Junior High Gymnasium was built along with several teacherages. On September 1, 1939 the present High School building was dedicated. In 1955 a great addition was added to our campus. A new 14 room elementary building, a large auditorium and gymnasium, and four new classroom to the high school building.

Now if you were approaching the Springlake School Campus you would immediately recognize a great change. The beautiful Wolverine Stadium surrounded particularly with tall poplar trees. You would almost have to stop and marvel at the progress that has been made in recent years.

Let us go with you through the buildings and point out items of interest. We enter the Band hall first of all and hear the 55 piece Wolverine Band under the direction of Norman Hemphill as they go through their normal routine practice of the day. Then we journey through the auditorium which will seat some 1000 people. Then into the gymnasium. Here we stop to view lots of hard practice going on for basketball with coaches Danny Smith and Jodie Mahan as "referees".

Now go with us through the high school building. We peek in the homemaking department only to see Mrs. Marie Slover diligently working with the Future Homemakers of tomorrow. We can also hear Mrs. Hodges room too as typewriters are kept busy by students who are interested in commercial work.

We could take all day in the science department if we had time. Mrs. McCaskill has worked hard in helping to improve this part of our school. Much improvement is being done here with the help of National Defense Education Act.

We are very grateful for this work. As we walk along the hallway we view the library which is kept very attractive with new books and magazines. We cross the hall to the FFA department and if you want to know all about trophies and ribbons just stop awhile because Mr. Gaston and the FFA boys have plenty of them.

English, Math and History play a very important part in the school curriculum at Springlake High School. As you see the students at Springlake school are kept very busy.

Now as we leave High school we see the very beautiful grounds which surround the other buildings. Grass has been put out practically all over the grounds the past three years along with beautiful shrubbery and protective fences. We are very grateful to our Superintendent, all Civic Organizations and patrons who have made it possible for us to have such a beautiful campus at Springlake Schools.

Follow us now through Junior high school. First of all, we see Mr. Fox, the man that seems to have a way with history and geography. The walls of his room are covered with many beautiful salt maps, that students have made, depicting different periods in history.

Mrs. Saradet is directing the 6th grade students in a new reading program, and she also teaches science to a group of eager eighth graders.

Mr. Slover and Mrs. Lott attempt to instill in their students the beauty, and the fundamentals of our English language along with the spice of literature, prose and poetry. This is commonly referred to as Language Arts.

The Juel Davises apply math to the tune of the Golden Rule: "It is essential to life."

The fifth grade teachers are striving to acquaint the lads and lasses with the fact that hence faith and furthermore they must

The EARTH NEWS-SUN, THURSDAY, MARCH 2, 1961 — Page 3

Party Line...

and will become the responsible citizens of tomorrow. Coach Davis inspires us all to improve our body physically, and he encourages everyone to support the Junior high athletic teams.

Everyone in junior high is proud, too, that the building has been repainted both inside and out. Junior high may boast of the only teachers' lounge, which is just receiving new furniture and some working equipment.

The Principal's office has been moved to the old lounge, and Mr. Harper now has a place for his many files in the former office of the principal.

The people in junior high are very proud of their school, and school spirit is extremely high.

Behind the junior high building one can see the elementary building where the little folks of our community receive the best training possible.

Party Line.....

Mr. and Mrs. W. H. Parish returned home last Thursday from a two weeks visit with relatives in Harlingen, Bridgeport and also Durant, Okla.

Mr. and Mrs. Bob Bell and children and Donald Smith spent Sunday with Mr. and Mrs. Roy Sutton, Lubbock.

Mrs. Basil Glasscock, Dianna and Carla were in Plainview Saturday. They were accompanied by Betty Cody.

Mr. and Mrs. V. T. Gooch moved back to their home in Earth last week.

Mr. and Mrs. E. R. Hawkins spent the weekend in Amarillo with Mr. and Mrs. W. S. Thompson and Mr. and Mrs. J. W. Pierce.

Mr. and Mrs. Wendell Clayton spent Sunday afternoon with Mr. and Mrs. Jack Clayton in Bovina.

Linda Elmore spent the weekend with Mr. and Mrs. Joe Lane in Muleshoe.

Mr. and Mrs. Eugene Falkner and Stevie of Lubbock were Sunday dinner guests of her mother, Mrs. L. D. Winders.

Visiting in the A. G. Scheller home Sunday were Mr. and Mrs. J. D. Anderson and family, Dimmitt, Mr. and Mrs. O. D. Scheller and boys, Mr. and Mrs. Barney Scheller and children and Mr. and Mrs. Bobby Scheller and family.

JOHNSON Ditcher DITCHERS

MODEL W-V-Type ditcher, wheel mounted. Manual or hydraulic control optional. Cuts V-type ditch up to 6' wide, 24" deep.

MODEL DB-6 — Blade-type ditcher - terracer, wheel mounted, extra heavy duty. Cuts wide or narrow ditches, borders, terraces, or grades.

MODEL M-6 — Utility Blade, 3-Point or Fast Hitch. Priced economically, the M-6 is designed for light-duty utility work.

MODEL B-3 — Heavy duty 3-Point Blade for ditching, terracing, grading, or backfilling. Blade can be offset to either side.

Commercial Water Well Drilling Show Decrease in 1960

In 1960, commercial water-well drilling in the High Plains Under-ground Water Conservation District decreased by about 25 per cent from 1959. There were 1133 wells drilled in the thirteen-county District as compared with 1518 wells drilled during 1959.

The decline in drilling is probably a result of adequate moisture conditions last winter and spring. We experienced a damp, cold winter with above average precipitation. Even though most farmers irrigated their land prior to planting time last spring, only a limited amount of water was required. Some did not irrigate at all before planting.

In June and July, most of the southern High Plains received heavy rains. The rains delayed the need for summer irrigation until the latter part of August.

Marked declines were experienced in the number of drilling permits issued by the District and in the number of new wells drilled; however, this did not hold true in comparing the number of replacement wells drilled in 1960 with those drilled in 1959. The figures are about equal. The number of replacement wells drilled each year is progressively increasing in comparison to the total number of wells drilled.

In Lamb County in 1959, 204 permits were issued with only 110 in 1960.

In 1959, 152 new wells were drilled, with 97 in 1960.

Replacement wells drilled in 1959 were 16 and in 1960, 18 were drilled.

Eight dry holes were drilled in Lamb County in 1959 and also in 1960.

EVALUATION COMMITTEE — This group, composed of chairmen of the various committees for Public Schools Week met after the different committees met at the planning meeting Tuesday, February 21 to evaluate the reports by the different committees. Pictured left to right are Bob Armstrong, Billy Wayne Clayton, Pat McCord, J. J. Coker, Oleta Sanders, Tuffy Dent and Anna Johnson.

Tips on Touring

By Carol Lane
Women's Travel Authority

Fall Fun

Your vacation may be only a memory, but your touring fun is not over. There's more good weather ahead, and every week has a week end. The family car plus fall festivals adds up to pleasure still to come.

Just to get you started, here are some festivals you might consider:

- September 1-11, State Fair, Sacramento, Calif.
- September 2-5, Fiesta, Santa Fe, New Mexico
- September 16-18, Grape Festival, Lodi, Calif.
- September 23-25, Sugar Cane Festival, New Iberia, La.
- October 1-6, Texas State Fair, Dallas, Tex.
- October 1-9, Danbury Fair, Danbury, Conn.
- October 5-11, Baseball World Series, 7/??
- October 9-16, Maid of the Mist Festival, Niagara Falls, N. Y.
- October 29-Nov. 6, National Livestock Exposition, San Francisco, Calif.

Many, many more are scheduled for every part of the country. Check with your state's chamber of commerce. Then plan some motoring week ends to enjoy the 'all festivals. You'll find something to please every member of the family.

Richards and Isabel Ortiz, sang and I Want Someone To Watch Over Me.

The Accidentals, a combo band, consisting of Sandy Sanders, Ross Morris, Leslie Lewis, Bobby Sloan, Dale Dent and Janice Cowley played several numbers.

Seventeen men were present at the meeting. They voted to make arrangements at the next meeting for a banquet to be held for the installation of new officers of the Methodist Men's Club.

H. M. Secord conducted a short worship service.

Refreshments of cookies, cold drinks and coffee were served.

Party Line.....

Jimmy Clayton, son of Mr. and Mrs. Cletis Clayton, Dalhart is visiting his grandparents, Mr. and Mrs. E. C. Clayton.

29 Per Cent of Motor Vehicles In County Inspected To Date

Of the 13,969 registered vehicles in Lamb County only 29 per cent had been inspected to date, according to Captain Alan Johnson, Motor Vehicle Inspection supervisor, of the Texas Department of Public Safety.

Drivers are urged to have their vehicles inspected early to avoid the last minute rush. This time of year is noted for adverse weather conditions which may be predominant during the next two and one half months. As a result the number of inspection days will be cut down since stations cannot inspect vehicles under these adverse conditions.

"Texas law requires all registered motor vehicles in Texas to display a valid inspection sticker," stated Johnson. All motorists not displaying a valid inspection sticker will be subject to a fine of \$1.00 to \$200.00 plus court costs.

Captain Johnson further advised that all licensed trailers having a gross weight exceeding 4000 pounds are required to be inspected.

"By having your vehicle inspected today you will be driving a safer vehicle," Johnson pointed out.

For Those Who Are Sick

Muleshoe, Texas
May 7, 1958

To Whom It May Concern:

For several years I suffered with severe headaches which occurred regularly and quite often. These headaches were of the migraine type. I tried many different medications with little results.

On February 22, 1957, I became a patient at the Muleshoe Chiropractic Clinic. At this time I also suffered from dizziness, low blood pressure, stomach trouble, gall bladder and chronic appendicitis. I have not had a headache for several months and all of the other conditions have improved greatly. I was so pleased with the results that my wife and two of our children have become patients.

A Citizen Speaks

By Frankie Faver

Have you ever seen a deserted village, a house with nobody in it—a ghost of a school building where birds fly in and out the broken windows, perch along the black board chalk trays and make nests in the chimney? On the southwest corner of my father-in-law's farm in Fisher County, Texas is such a building. I never look at crumbling, sagging Moodyville without thinking of Goldsmith's Auburn and Kilmer's "House With Nobody in It." And I never think about Moodyville, deserted now except for birds, snakes and other creatures that do not need a school house, but I am thankful for our own Springlake School—Springlake School, where 850 boys and girls are taught daily, where 13 modern buses bring these students to an educational plant valued at close to a million dollars to learn about science and English, good citizenship and democracy at the feet of 41 qualified teachers.

I cannot hear my mother and father-in-law tell of the school plays, literary societies and spelling matches of a bygone era without making another contrast and remembering that we use the present tense when we speak of the Wolverine Boosters Club, the Parent Teacher's Association, the PFA Boosters Organization and the Band Boosters, all organizations working for the betterment of the school, but the comparison does not stop there. Almost every week the paper brings accounts of how these efforts, teamed with the efforts of a dedicated faculty and school administration plus a wonderful group of students are paying off. "Cary Latham Ties for First Place in Livestock Judging Contest," "Jane McCord To Play in Honor Band," "Colored Scouts of Springlake School Raise Funds for March of Dimes" and Margaret Meadows Homemaker of Tomorrow are among recent ones, quick indexes to the fact that our campus is far from becoming a deserted village. It is a day to day pledge that boys and girls are our nation's most valuable assets, and if birds could read I am sure that it would be an undisputable "No Vacancy" sign.

My challenge to you and to myself is this: Let's keep it that way. If it really seems a little cold to go out on PTA night or if we have begun thinking that the Band Boosters could get along just fine without us or if we really cannot seem to find enough time for enthusiasm over the basketball team, let's ask ourselves, "Do we want to live in a 'has-been' community? Do we want Springlake to become a deserted village, a house with nobody in it?"

Billy Clayton, Clovis, N. M. was a dinner guest Sunday of his mother, Mrs. Beatrice Clayton and his grandmother, Mrs. E. L. Cody.

STYROFOAM REPLICAS OF THE SPRINGLAKE SCHOOL — Department buildings were used in table decorations, and miniature life size pictures of the teachers from each department, standing in front of the building they represented in teaching were viewed by approximately 125 citizens that attended program planning meeting in the High School library on Tuesday, February 21 at 7:30 p.m. A delicious buffet dinner was prepared by Mrs. Slover and the homemaking department.

True Education . . .

By C. L. Kay

John Grinnell, who is Dean of College of Education in one of our universities, recently said, "Character building is more than an objective of education—it is the heart of education, the essential meaning of education nothing else in education is worth having without rich significant character."

During the Korean War, seventy percent of the G I prisoners collaborated at one time or another with the enemy. Some of the prisoners said they could not explain logically the capitalistic system of free enterprise; others thought "it won't make much difference if we inform on our buddies," still others said, "everybody is doing it, why shouldn't we?"

A study was made of this "peculiar behavior" of the American G I. It was evident to army officers that the average American G I lacked loyalty—loyalty to his family, his church, his school, and his country.

A man may possess a certain amount of valuable knowledge, but as he goes through life, he finds that knowledge is not enough. Man today has knowledge to blow himself to pieces but spiritually he can find no way to put together the broken pieces of humanity.

General Omar Bradley said, "We learned how to destroy but not to create; how to waste but not how to build, how to kill men; but not how to save them; how to die, but seldom how to live."

No longer are juvenile delinquents living on the southside of the tracks—we find them on the northside, the eastside, and the westside.

Mr. Eddy in his book "The College Influence on Student Character" is a strong advocate for "Character Building" in our schools. "Character," states the educator, "is intelligent direction

and purposeful control of conduct by definite moral principles." He goes on to explain that character is based on principle rather than that dictated by pressure or expediency.

Today it is popular to go along with the crowd, to fit in with the group and to submit to group pressure. To some this means group submission even if you must violate conscience and principle.

It is not necessary to submit to group pressure to the extent that you violate moral law. You do no violence to self or society when you base your decisions on principle.

In this age of apathy, people seem to be interested only in "getting by," "to get through with as little effort as possible." Some individuals have the idea that "being a leader takes more effort than it is worth."

The result of all this is quite evident—mediocrity. We have a tendency to just get by in the classroom in our work, and in life's obligations.

As we commence this school year, let us have the courage, the stamina, the conviction, and the determination to "educate for principle."

John Ruskin said, "Education does not mean teaching people what they do not know. It means teaching them to behave as they do not behave. It is not teaching the youth the shapes of letters and the tricks of numbers, and then leaving them to turn their arithmetic to roguery and their literature to lust. It means on the contrary, training them into the perfect exercise and kingly continence of their bodies and souls. It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all, by example."

LETTERS TO THE EDITOR

Mr. Ross Middleton
The News-Sun
Earth, Texas

Dear Mr. Middleton:

In my previous 12 years in the Legislature, the newspaper of our Legislative District have, at my request, furnished my office in Austin with regular editions of their respective newspapers during the Legislative Sessions. This is of great assistance to me and my staff in keeping abreast of and serving the needs and wishes of our District. I respectfully request this courtesy from your newspaper again during the Legislative Sessions of 1961.

If you desire more information on, or copies of, legislation of particular interest to you and your readers of our area, my office will be glad to furnish it upon request.

Your Senator,
Andy Rogers

Mrs. J. J. Barlow is spending this week with Mr. and Mrs. Edgar Lemons, Hereford.

Mrs. Savannah Kellough, Needmore visited Sunday afternoon with her aunt, Mrs. H. J. Gilmore.

Who can understand his errors? Cleanse thou me from secret faults.—(Psalm 19:12)

It is easy enough to see the faults of other people, difficult to recognize our own. When we notice traits we do not like in others, should we not prayerfully examine ourselves to discover whether we, too, are guilty of the same faults?

Tips on Touring

By Carol Lane
Women's Travel Authority

Perceive The Problem

Your teen-ager starting to drive may have perfect vision, yet still be slow in perceiving certain traffic hazards. There's a world of difference between seeing and perceiving—and the difference can mean safety.

To help youngsters and veteran drivers sharpen their ability to spot trouble ahead, safety experts have come up with a new visual aid that stresses perception.

It's a 35mm color filmstrip entitled "Perception of Driving Hazards—Highways and Byways." It is the third in a series of filmstrips developed by New York University's Center for Safety Education and Shell Traffic Safety Center.

The filmstrip shows traffic hazards as they would appear from the driver's seat of a car approaching a potential danger. Each scene is flashed on a screen for a few seconds, and viewers are asked to spot the hazards and tell what preventive action they would take. The hazards covered are those one might find on ordinary highways and on secondary roads where most accidents occur.

The first two filmstrips of the series covered traffic situations on city and suburban streets and on limited access highways.

These training aids and accompanying manuals are offered free to high schools, corrective driving clinics, industrial fleets and safety organizations.

They can be obtained from the Center for Safety Education, New York University, N. Y. 3, N. Y., or Public Relations Department, Shell Oil Company, 50 West 50th Street, New York 20, N. Y.

THE WOLVERINE NEWS

Welcome To S. H. S. For Public Schools Week

by JANETTE RAY and GLENDA WILLIAMSON

Springlake High School is looking forward to Public Schools Week and is expecting a record breaking number of visitors.

We appreciate and are encouraged by the many citizens who take this time to visit and express interest in the school.

For most teachers and classes, "business as usual" will be the order of the week. Visitors will see classes in typical situations. Guides will be available at all times to help the visitors.

Mr. Mann, superintendent, and Mr. Lawrence, principal, extend a cordial invitation and they say that their offices are always open to everyone.

Visitors will notice some changes since last year. Be sure to see the science and higher mathematics department. These rooms have been remodeled and newly furnished.

Mrs. Jaques and Mrs. Lawrence will show student notebooks, books and materials used in their English classes.

Mr. Gaston and his agriculture boys will have on display trophies they have won.

In the homemaking department you may see classes working and a table display of how a pattern should be laid out prior to cutting out a garment. Mrs. Slover will also have other exhibits.

Mrs. Cummings of the commercial department will display typing work done in different types of letters. The bookkeeping class will show finished practice sets. Posters showing how a shorthand student can improve his style of shorthand will be shown.

Mrs. McCaskill will have a display of science apparatus used in the laboratory, and also work done by biology, chemistry and general science classes.

The combined bands will give a concert on Tuesday night.

Teachers of classes invite your presence.

Openhouse at 6 p.m. will precede PTA in the auditorium at 7:30 Thursday. Teachers will be in their rooms and are looking forward to meeting you.

There will be a special assembly program at 1 p.m. on Thursday when a foreign exchange student will speak. Visitors are welcome to this too, and are urged to come by A. M. McGowan, student council president.

VOLLEYBALL BEGINS

by ELISA ACEVEDO

Last week basketball ended in Springlake School. But the girls still have volleyball to look forward to. Some of the girls will be running track. When the weather warms up some, we will see some of the girls in action around the football field. Outsider's volleyball tournament starts the 20th through the 25th of March. The district volleyball tournament is the 28th of March here in Springlake gymnasium.

Mr. and Mrs. Alvin Kelley visited Mr. and Mrs. T. C. Barlow, Amarillo, Sunday afternoon. Mrs. Clara Kelley returned home with them.

FFA BOYS BRING HOME HONORS

by DIXIE PHILLIPS

Nine FFA boys traveled to San Antonio with 30 head of hogs to show, February 7 through the 12th. Winners on lightweight Berkshire were Ronnie Johnson, 4th and 6th places; Charles Axtell, 1st place and reserve champion. Jimmy Smith 3rd place; Don Curtis won 1st on heavyweight Berkshire; Tony Haberer, 6th on lightweight Duroc and Jerrell Hadaway 1st place heavyweight Duroc; Jerry Jones, champion of breed and reserve champion of junior show on lightweight Hampshire and Jimmy Smith 6th medium weight Hampshire.

Don Curtis, 3rd place lightweight Poland China; Don Johnson, 4th on lightweight Poland China; Jerry Jones won 8th place on his lightweight Poland China.

Others winning awards on lightweight Poland China were Jimmy Smith, 9th; Lonnie English, 10th; and Dale Montgomery 14th.

In the medium weight Poland China, Jerrell Hadaway won 3rd and 8th places and Tracy Angeley won 15th place.

Mr. Kay Presents Program On Our 'American Heritage'

by GLENDA WILLIAMSON

Thursday, February 23, the third assembly in a series of four on "Our American Heritage" was held in the high school auditorium. Mr. C. L. Kry, a representative of Lubbock Christian College, was speaker for the program.

On February 22, Mr. Kay presented the George Washington Medal of Honor for a speech he presented to the Texas Press Association on "The American Way of Life." The medal is presented yearly by the Freedom Foundation, Valley Forge, Lubbock Christian College was also presented the George Washington Medal of Honor for its part in presenting programs of Our American Heritage.

Thursday, February 23, the program was presented in the form of a movie showing how the Communists use propaganda to arouse the American people and influence them to turn from their American Way of Life.

Several visitors were present at Thursday's program, and we are very happy to see that the people of our community are interested enough in our American Heritage to understand the dangers of Communism and want to do something about these dangers.

Today, Thursday, Mr. Kay will present a program on the growing influence of the socialistic program and what can be done to stop its growing influence on the countries of the world.

NATIONAL MERIT SCHOLARSHIP TESTS SET FOR MARCH 7

Some 29 students at the Springlake High School plan to take the National Merit Scholarship Test. John Lawrence, principal, announced today. The test will be administered at the High School at 9 a.m. Tuesday, March 7. All students who wish to be considered for Merit Scholarships to be awarded in 1962 must take the test at that time.

The qualifying test is a three hour examination of educational development. The test is the first step in the seventh annual competition for four year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, associations, and individuals.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. In 1960, 831 scholarships were awarded; 514 were provided by 115 sponsors and 317 by the Merit Corporation. There are 3132 Merit Scholars attending 391 colleges in the current academic year.

The scores of students who take the test on March 7 will be reported to their schools before the end of the spring semester in time for use by class advisers. The scores are used in many high schools to help students make decisions about college attendance and field of study. Many students who do not expect to win a scholarship take the test in order to learn more about their individual strengths and weaknesses in the areas measured by the test.

Some 10,000 semifinalists, the highest scorers in each state, will be named early next fall. Names of semifinalists are published in a booklet which is distributed to all colleges and to other sources of financial aid for undergraduates. Further, their names and test scores are sent on cards to the colleges they express an interest in attending as their first or second choices. The order of preference is not shown.

Each semifinalist will be asked to take a 2nd examination. Those who repeat their high performance will become finalists in the Merit program. Winners of Merit Scholarships will be selected from the finalist group on the basis of school records and recommendations, test scores, extracurricular activities, leadership ability, and accomplishments outside the classroom. Each finalist is awarded a Certificate of Merit attesting to his outstanding performance.

The scholarship stipends are based on financial need. The minimum award is \$100 and the maximum is \$1500. The average stipend awarded to freshman Merit Scholars in 1960 was \$827. Each scholarship constitutes a form of "educational insurance," since the stipend may be increased at any time if the student's financial situation changes during the four year term of the scholarship. Supplementary grants are usually made to the colleges which the scholars attend.

An additional 25,000 students, selected on a national basis, receive Letter of Commendation for their high performance on the qualifying test. These students are considered for special awards made through the Merit Corporation, and their names and test scores are also sent to their first and second choice colleges.

FACULTY SPOTLIGHT

by MARGARET MEADOWS

Mrs. Paul Wood, efficient school nurse for Springlake Schools, has held this position for exactly a year, now. She started in February, 1960, as a substitute for Mrs. Doug Shelby, and has been "at it" ever since.

Mrs. Wood, formerly Miss Dorothy Huggins, daughter of Mr. and Mrs. A. R. Huggins, was born in Honeygrove, Texas; and at the age of 4, she and her family moved to Quanah, where she got most of her schooling, including her high school education. In addition to being a snare drummer in the band, she was a good student, making the "A" honor roll several times and on one occasion, helping represent her school in the Interscholastic League on their typing team. After being graduated from high school, she worked in a telephone office for a while, not having decided as yet to be a nurse. The thing that started her thinking about becoming a nurse was seeing the movie "Lady In White," starring Loretta Young. Soon after that she entered West Texas Hospital of Nursing in Lubbock. Mrs. Wood received her B. S. degree in 1938 upon her graduation, and since then has worked in hospitals of Lovington, Seminole, Electra, and Dallas as Private Duty nurse, Floor Supervisor, and Head Nurse.

This is Mrs. Wood's first experience to work in a school system, and about it she observes: "I enjoy it much more than I had thought that I would. The administration of our school is so easy to work with, so pleasant and helpful, and I like working with the children and young people real well. And the feeling is certainly mutual. Mrs. Wood has the affection and respect of all who know her, which was evident to this reporter and anyone else who saw her room right after Valentine's Day by the number of Valentines on display.

In what bits of spare time she may have, Mrs. Wood may sew, do some interior decorating in her home which she is quite good at, or perhaps go bowling. She likes to read if she gets the chance, mostly medical articles, and some fiction if there's enough time. Mrs. Wood also enjoys traveling, and especially remembers the time she and her family went to Atlantic City for a Lions Convention, at the same time taking in Washington, D. C. In her church, Mrs. Wood works as an adult Sunday School teacher, and also is serving as a Young People's Training Union sponsor.

Her husband, Paul Wood, is owner of "Paul's Super Market" in Earth. They have one daughter, Mrs. Judy Kay Angeley, a 1959 Springlake graduate, who is now attending Texas Tech with her husband, Tracy Angeley.

SENIOR IN REVIEW

by JOAN GOVER

Our senior girl in review this week is Gay Nell Conner, daughter of Mr. and Mrs. Henry A. Conner. She was born on October 13, 1942 at Lindon, Texas. She moved here from Plainview in 1949 and started to Springlake School at that time in the second grade. Gay Nell has two brothers, A. L. and Robert, who are both married. She also has two sisters, Joyce, who is married and a younger sister Treva Jo who is now a junior.

Gay Nell is 18 years old, 5 feet 8 inches tall, has blue eyes and brown hair.

This year Gay Nell is taking English II, civics, plane geometry, and shorthand. She says that English is her favorite subject.

Her favorite hobby is sewing. She likes the color blue and fried chicken. Her favorite actor is Steve Reeves; favorite actress is Elizabeth Taylor. The movie she enjoyed most of all was "Ten Commandments." She simply loves the song "Last Date," and her favorite singer is Connie Francis.

Her future plans are to get married in June if not before.

NEWS AMONG THE STUDENTS

by DIXIE PHILLIPS

Mrs. E. A. Uchurch, Judy, Peggy, and Gay spent the weekend with their father and husband E. A. Uchurch in Wolf-orth. They returned to Earth Sunday evening.

The L. E. Barlows and Dixie Phillips visited friends and relatives in San Angelo, over the weekend. The Barlows visited Mrs. Barlow's sister, Mrs. Stella Underwood, and Dixie visited Marsha Lemmons.

The Bill Beasleys had visiting in their home over the past weekend. Mr. and Mrs. Vernon Yount and daughter, Barbara and Mrs. Tom Beasley of Amarillo.

A. M. McGowan was hospitalized over the weekend in West Plains Clinic in Muleshoe, but he is able to be back in school now.

SENIOR IN REVIEW

by JULIA CHANCE

Our senior girl in review was born January 6, 1943. She is Martha Elmore, daughter of Mr. and Mrs. J. E. Elmore. She is 18 years of age and is 5'2" tall. She has blonde hair and hazel eyes.

Martha's favorite food is fried chicken and her favorite color is red. Her favorite actress is Debbie Reynolds while her favorite actor is Tony Curtis. Her favorite movie is "Imitation of Life." Her favorite singer is Marty Robbins, while her favorite song is "Don't Worry About Me." Her favorite subject is bookkeeping and her hobby is going.

Martha is a member of PHA and Pep Club. She moved here from Muleshoe in January of 1960. After graduation she plans to attend business college.

SENIOR PLAY MEETING HELD

by RALPH WISIAN

The Senior Play committee met Wednesday afternoon in the study hall to decide what kind of play would be presented. The committee was Linda Lewis, Janette Ray, Ralph Wisian, and Larry Tunnell, chairman.

One of the following plays will be presented: "You'll Die Laughing," "Desparte Ambrose," "Aunt Cathie's Cat," "A Midsummer's Night Scream," or "Finder's Creepers."

SENIOR IN REVIEW

by JULIA CHANCE

Our senior in review was born June 8, 1943. He is Johnny Collins, son of Mr. and Mrs. F. F. Collins. He is seventeen years old and 5'9". He has brown hair and blue eyes.

Johnny's favorite food is steak and his favorite color is purple. His favorite actress is Virginia Bell and his favorite actor is Yul Brynner. His favorite movie is "Where The Boys Are." His favorite singer, Connie Francis, while his favorite song is "Peppie." His favorite subject is plane geometry. His hobby is dragging Main. After graduation Johnny plans to attend college.

The subjects Johnny is taking are plane geometry, English IV, Texas History, speech and P. E.

Party Line...

PL— Vicki and Marla Winders of the Flag community spent the weekend with their grandmother, Mrs. L. D. Winders.

Pleasant Valley News

By MRS. JOHN WEST

The members of the Social club were honored guests at a banquet in the Muleshoe Coffee Shop Wednesday, hostesses for the occasion were Mrs. Sam McKinstry, Mrs. Raymond Roubinek, Mrs. Vera Engleking, George Washington's birthday was the theme for the banquet. The tables were decorated with cherry trees and hats. Mrs. Vera Engleking gave the invocation. Mrs. McKinstry read a poem appropriate for the theme, and led a very interesting word game. Guests present were Mrs. Holt, Leah Mae Jones, Margie Henderson, Margaret McMahan, Lenore Wells, Gaynell Pitts, Hazel West, Juanita Galyon, Glynnah Buhman, Alma Turner, Jean Allison, Alice Angeley and Ethel Allison.

The 4-H club was given the "Clean Pen Award" at the Lamb County Fat Stock Show in Littlefield last week. Sherri Turner won first place in the lightweight steer division and third in medium weight, Rita Hawkins placed fourth in heavy weight, Eugene Hawkins fifth place in heavy weight.

The Farm Bureau met February 21 at 7:30 p.m. in the community center with Ken Duncan presiding. After the film "Operation Abolition" was shown by Carroll Pouncey manager of the Chamber of Commerce in Muleshoe, a talk on the use of fertilizer was given by Victor Neinst of Earth.

Harold Allison had materials and information for a letter writing session and letters were written to several Senators and Congressmen pertaining to problems of the people.

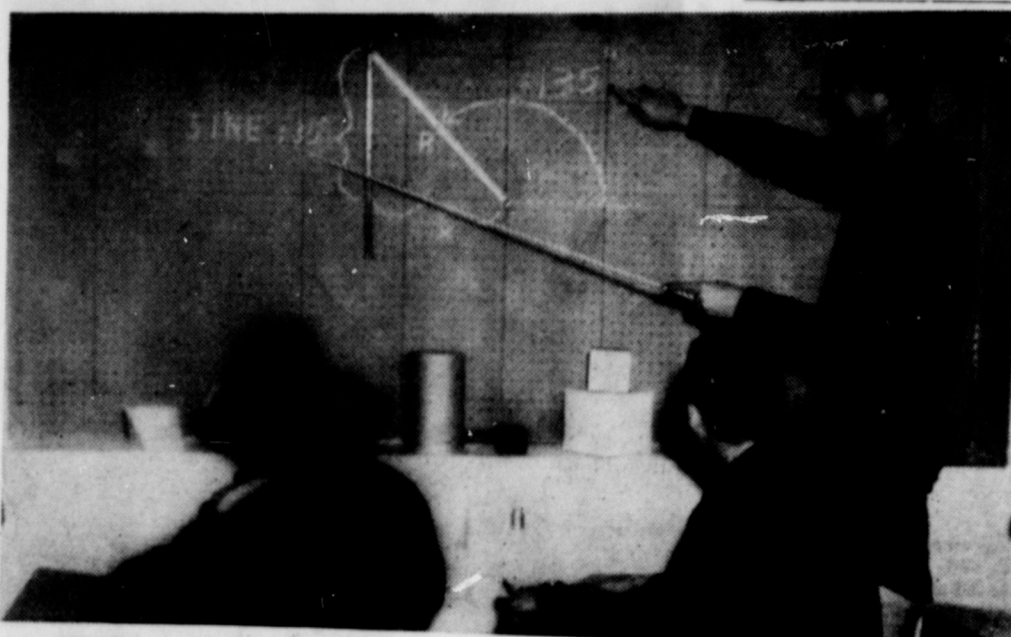

The W. A. Hardins recently returned from a successful fishing trip to Falcon Dam.

Sunday dinner guests of the Harold Allison were the Oscar Allison, Jim Grizzles, of Fort Sumner, N. M.; Buddy and Nan Pool of Amarillo; Joe and Susan Missal of Lubbock; Mrs. Sam McKinstry of Muleshoe; Mrs. B. J. West, Debbie and Bill Smith of Hagerman, N. M. In the afternoon Gerald Allison, Larry and Bobby, Mr. and Mrs. Gene Tunnell and Rusty called to visit with out of town guests.

Mr. and Mrs. A. F. West, Tommy and Ronny of Spearman spent the weekend with the John W. Wests. Mrs. Lillie Wuerflein and Frank went to Lubbock Wednesday for X-Rays and other medical treatment.

PHYSICS CLASS EXPERIMENT — Eddie Townsend, Sandy Sanders and Ralph Cook are making an experiment in physics class to determine the length of a sound wave. Eddie is holding the tuning fork, Ralph is lowering the water level and Sandy is recording the data. Patrons may see students of Springlake Schools making experiments and doing other types of school work in class when they visit the schools during Public Schools Week as regular classes will be held each day.

RALPH WISIAN DISCUSSES A PROBLEM ON TRIGONOMETRY — The Sine of 135 degrees represented as a line segment, as Bob Lawrence and Mac Poe look on. The picture was made in the physics room of Springlake High School. All three of the boys are seniors. John H. Lawrence, High School principal teaches trigonometry in Springlake School.

Mexico before they settle down to their new job.

Elane and Buddie Embry, students in Lazbuddie school gave a 4-H demonstration on cooperation to the Electric Cooperative members at the meeting in Muleshoe Friday.

Friday afternoon, Elane and Buddie were presented with gifts after the demonstration.

Vickie Broyles the 8 year old daughter of the Robert Broyles had surgery last Wednesday in the West Plains Hospital. She is recuperating nicely.

Lazbuddie winners in the Cooperative meeting held in Muleshoe Friday afternoon are Duane Darling, Jobates Jennings, J. D. Carpenter, Mrs. Ralph Cox, Clyde Monk, Myrtle Steinbock, Mrs. W. M. McCurdy, Mrs. J. E. Emory and J. C. Broyles.

Mr. and Mrs. Wesley Barnes and Mrs. Perry Barnes visited Perry Barnes, Jr. in Clovis Sunday, February 19.

Mr. and Mrs. Bob McDonald of Clays Corner visited in Clarendon last weekend with her parents, Mr. and Mrs. Ford and his parents.

Mr. and Mrs. W. H. McDonald, Mr. and Mrs. T. O. Lesley, Hazel, Gay, Linda and David visited in Ralls Sunday with her parents.

Mr. and Mrs. Leon Connors and T. O.'s mother, Mrs. Euna Lesley, Mr. and Mrs. Leon Smith had as guests in their home Sunday Mr. and Mrs. J. Bolin of Bovina.

Friday evening Mr. and Mrs. Howard Watson of Muleshoe and Mr. and Mrs. Leon Smith Jr. enjoyed a Mexican supper in the home of the Leon Smith Sr. Mrs. Ray Chaney of Amarillo,

daughter of Mrs. Laura Treider visited with her last week. Brenda Chaney, a granddaughter of Mrs. Treiders is staying with her grandmother and has recently enrolled in the freshman class of Lazbuddie. Mrs. Treider had been living alone.

A birthday dinner was given Sunday in honor of Mrs. Don McDonald in the home of her parents, the Dan Cargiles. Mrs. McDonald's birthday was the 24th of February. Sunday evening supper guests in the Cargile home were the Owen Broyles.

The Lazbuddie Fat Stock Show was held at Lazbuddie ag building Monday morning. Due to the bad weather the show started at 11 in the morning instead of at 2 p.m. as planned. The name of the prize winners will be given in the next issue of the paper.

James Gullely, son of Mr. and Mrs. Davis Gullely was honored with a birthday party in his home Saturday afternoon, February 18. After games were played and gifts opened, birthday cake and ice cream was served to Jim Paul, Brad Black, Scott Brown, Randy Bush, John Gullely, Mike and John Ward.

The Joe Prapers had as Sunday guests Mr. and Mrs. Otis Elder of Hub and Mr. and Mrs. R. D. Reese of Springlake. Thursday night the Prapers visited their daughter and family, Mr. and Mrs. Bayne McCurry in Edmonson. Little granddaughter Bayne Etta returned home with the Prapers for a weekend visit. The McCurrys came after their daughter, Monday

and spent the day with her parents.

Two area boys, Howard Watson and Leon Smith Jr. were Sky Divers near Muleshoe one day last week, an altitude of 3000 ft. The boys hit their targets and declare it to be a thrill and a great sport. Mr. and Mrs. Bill Watts, Cindy and Kayle of Farwell were weekend visitors in her parents home, the Finis Jennings.

Weekend visitors in the A. M. Bradley home was his sister, Mrs. Eric Shipman and son Zuma of Sonoma, Calif.

Mrs. May Green returned last week from an extended visit with her daughter, Mrs. L. B. Plummer in Austin and other relatives in Curro, Houston and Galveston. Approximately 100 people attended the Progressive 42 party held in the John Gammon home Friday evening. A very enjoyable time was had by all. Cookies, Cokes, coffee and lemonade was served.

Gayla and Maquella Seaton daughters of the J. B. Seaton visited the Elderly Folks Home in Amherst Sunday. The Seaton girls, members of the Missionettes of the Assembly of God Church of Muleshoe were accompanied by Mrs. Tom Watson and four other Missionettes, Sharon Dalrymple, Thelma Jackson, Colene and Linda Sanders. The girls and their sponsor were guests of Mrs. Vernon of the home, but visited other elderly folks. They were very impressed and enjoyed the visit.

Mr. and Mrs. L. B. Hambricht visited Sunday with his sister and one. The Hambrichts were met there by two other sisters from

Happy, Mrs. Maple Holloway and Mrs. Clarence Lollar and her son Morris.

Mrs. A. M. Bradley has been added to the teachers in instrumental music in the Lazbuddie school. Mrs. Bradley will teach twice a week.

Don't forget Public Schools Week in Lazbuddie beginning March 6.

The West Plains Garden Club held their second meeting of the month Friday afternoon in the Oklahoma Lane community building located on the line of the Lazbuddie and Okla. Lane communities. Eight members were present and one visitor. Mrs. Edd Clark of Hereford. The ladies answered the roll call with Bible verses of which trees were mentioned. Flower planters of which were made at a previous meeting were painted. Mrs. R. L. Foerster was hostess in the place of Mrs. Grady King who was unable to attend. Coffee and tea was served.

The Lazbuddie junior 4-H club met Tuesday, February 21 with 20 members present. Jan Mason and Tamra Jennings gave a demonstration on how to prepare fruit salad. Kathy and Becky Wilson demonstrated how to care for shoes. The next meeting will be March 14th. Miss Muhil plans to meet with the group. She will have the record books on hand at that time.

In the Junior 4-H club meeting boys giving demonstrations were Kirby Burch, John Ware, Tammy Foster, Mike Hinkson, David Nelson, Gary Matthews, Larry Vaughn and Ronald Mayfield. This coming month the boys will give demonstrations on farm safety, light work, the care and use of livestock syringes and the proper care of sows at farrowing time.

The 4-H girls and boys are getting subscriptions for the local papers and will get a commission out of the subscriptions. If you wish to subscribe contact one of the Lazbuddie 4-H members.

Party Line...

Mrs. Robert Huckabee, Olton visited Saturday afternoon with her parents, Mr. and Mrs. G. E. Thommarson.

Mr. and Mrs. C. O. Taylor and June visited Billy Taylor in Canyon Sunday. They all drove on to Amarillo where they had lunch.

Mr. and Mrs. Ardis Barton were in Lubbock Tuesday on business.

Mrs. L. E. Sloan, Mrs. Bud Elmore and Debra, visited Mrs. Chester Horner in the Muleshoe Hospital Thursday.

Mr. and Mrs. Forrest Simmons were in Lubbock Friday.

urday night. They went to the show and saw the Battle In Outer Space. Sunday night they went to church and after church they went to the show and saw G. I. Blues.

County Agricultural Leaders To Conduct Survey On Seed

Agricultural leaders in Lamb County will join together this spring to conduct a survey determining the quality of seed being planted, and also determine why the farmer selected the seed, announced Dr. John S. Rogers, president, Texas Certified Seed Producers, Inc.

County Agent Bill Kimbrough and Extension Agronomist Billy Guter will be assisted by the ginners in Lamb County in making this survey. The ginners will visit the farmers at planting time to take a sample of cotton seed from his planter box. They will also have several questions for the farmer to answer in regards to the source of the seed and the reasons why he selected it for planting. Samples of cotton seed will be used for germination tests.

This survey is one of many projects using the Data Processing Center at Texas A & M College. Once the information has been transferred to IBM cards it will be a matter of a few minutes getting answers which would have otherwise taken several weeks using the conventional calculators. This a joint project of the Agronomy Department Texas A

& M College, The Texas Certified Seed Producers, Inc. and The Agricultural Leaders of Lamb County.

Lamb County is one of five selected in which to conduct this survey.

County Falls Short In Savings Bond Goal For Year

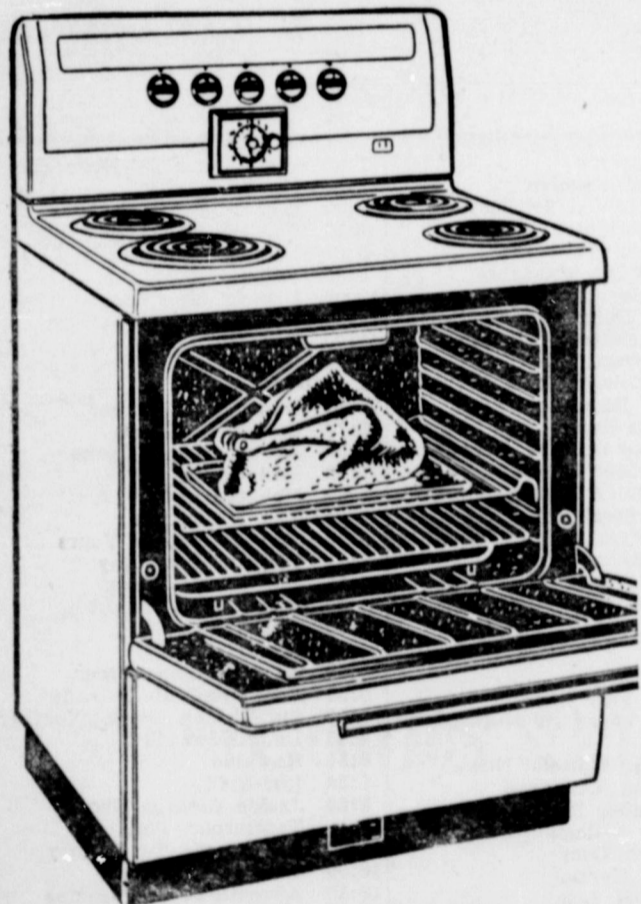

During 1960 citizens of Lamb County purchased 254,186 in Savings Bonds. 68.7 percent of the county sales goal was achieved.

This announcement was made today by Mr. C. O. Stone, Chairman of the Lamb County Savings Bonds Committee.

The total bond purchases in Texas during 1960 were \$152,823,432. This figure equaled 92.3 percent of the year's goal of \$165.5 million. December sales of \$13,539,528 were the highest one month's totals since last February.

Last November the members of the Texas Press Association staged a one month's Savings Bonds Contest. The contest, based on news stories, editorials and advertising donated by each newspaper, resulted in increased savings bonds supported by Texas newspapers and played an important part in the record December sales," Mr. C. O. Stone added.

Colored School News

The Boy Scout, Cubs and Explorers no. 646 started off Boy Scout week with a program, February 7 at the First Methodist Church in Earth to the Methodist Men.

The program was begun by the group singing 'America', giving the Pledge of Allegiance and singing the 'Star Spangled Banner.' The musical accompaniment was by Isaac John Osborne. Isaac played 'America The Beautiful' while Scout O. C. Thomas and Cub Tim Ray Matthews recited in dialogue the poem 'Our Flag.'

Scout Charles Ray Brown and Tim Ray Matthews drew in color and explained why we chose the Bald Eagle as our National Bird and the meaning of our National Seal on the scroll held in the Eagle's mouth and the olive branch and thirteen arrows in his claws.

The program was continued with a question and answer period on becoming a citizen, voting age in Texas, requirements for local, state and federal candidates were pursued and the checks and balances of the executive, judicial and Supreme Court of each other.

It was ascertained that the Supreme Court's main duty is to interpret the National Constitution. Also that we owe much to the English nobles who in 1215 forced King John of England at Runnymede to grant the Magna Charter, the great charter, which granted them privileges of forming companies, trial by jury, etc.

The first ten amendments to our Constitution, called the 'Bill of

Rights' evolved from the Runnymede meadow agreement. The direct control over our public officials' stewardship is controlled by recall, the initiative, the referendum and public opinion of propaganda of newspapers, letters from home, magazines, radios, television programs, comics cartoons and other propaganda agencies which help to form public opinion and influence legislation as well as paid lobbyists.

Taxation — The boys found out that although in many instances the citizens who have real property (buildings and land) and personal property (cars, trucks) etc. and those who pay poll tax (one dollar of which goes for school support in Texas) these people do not bear the whole school support program, local or state. All people support the schools if they buy food, clothing, alcoholic beverages, smoke, rent or lease property, ride, use gasoline or fuel oil. Practically every form of consumer goods is taxed for school support.

The reason for the all out study is first the boys are working for citizenship badges and secondly every alien who becomes naturalized is required to know more about our Constitution than the average natural born citizen ever gets to know. American born citizen can be more easily Communized when they do not know of what their heritage consists.

BROTHERHOOD AND NEGRO HISTORY WEEK

Brotherhood and Negro History Week was begun with Lincoln's birthday, Sunday, February 12 at which time Scout Family no. 646 and 614 Earth were invited to attend 11 o'clock services at Springlake First Baptist Church. The sermon was very enlightening on the subject of 'Christian Citizenship.' After the sermon, Pastor Baldwin and his wife conducted a tour for Scout family no. 646 over his church plant which consisted of the church sanctuary, the nursery, pastor's study, library, Sunday School rooms, fellowship room, women's organization rooms and the baptismal which was designed by a Japanese student of Wayland Baptist College of Plainview. At the end of the tour the boys were given red and white souvenir baskets of Valentine candy. Since none of our boys has ever been in a church so large and so well organized, so big and functional, they exclaimed what a great privilege it was, all of our fifteen boys except 2 are of the Baptist faith.

NATIONAL SOIL CONSERVATION PROGRAM

The Scouts and Explorers during the Congressional debate on the grain bill, brought out that it was very fitting that this bill should be considered at this time (during Lincoln's birthday week) since in 1860, although there were many thousands of Negroes in the United States who had never been slaves; 18,000 of which resided or lived in New Orleans, La., there were many more Negro slaves who caused (not of their own account) the economy of the South to be lowered for two reasons: the plantation owners were able to have only a one crop system, that of raising cotton which after so many years wore out the farmland and secondly slave labor was forced and practically free, so that the whites who had no plantations and depended on day work could find but little work to sustain themselves.

Again the fertility of our farm land is at stake and grain that we have stored to keep off the market

is spoiling in storage and costing us daily over a million dollars to boot to keep stored. Other countries who have fresh grain give us trouble in foreign markets.

The acreage not planted to grain they brought out, would not help our agricultural economy if on four fifths of an acre of land the same number of bushels of wheat, other small grain or corn is produced as was raised on one acre last year. Also these boys who have their Soil Conservation badges, Clarence Beck's Willie Ray Johnson, Clyde Brown, Walter Lee Coleman, O. C. Thomas, and Isaac John Osborne, cited that legumes should be planted and plowed under properly to rebuild the soil. A constant cover crop of legumes or grasses should be planted to keep the soil from eroding. Tim Ray Matthews also qualified for a Soil Conservation badge but is waiting until he is out of the Cub Scouts to wear it.

Tim Ray Matthews was our most active Cub Scout in our Patriotic Program which showed, among other things the influence of the church in the forming of our constitution and the inscription on our money, "In God We Trust."

Tim played the 'Battle Hymn Of The Republic' while the group recited the Preamble To The Constitution' at the close of the program the Cub Scouts pantomimed a train song 'I Thought I Could, I Never Should Have Doubted' played by Tim to the tune of 'Yankee Doodle.' Among the Cubs active on the program was Billy Ray Thomas.

On Friday, February 17 a picture on 'Artificial Respiration' was shown to the Scouts as well as all the Springlake School system by the El Paso Natural Gas Co., the branch of which is located between Hart and Springlake School. The subject of the picture was 'That They May Live.' It was a good picture on 'Direct Respiration' or 'Oral Respiration.' The picture was shown by Mr. Ray Watson and Mr. Rex Jenkins.

The boys wish to thank Mr. Paul Wood of Paul's Super Market in Earth for the use of his U. S. Flag and staff in our program ceremonies and the general public for buying our annual circus tickets.

The entire school saw "Unchained Frontier" a film documented by Bill Heiv and Cotton John of the agricultural department of KGNU radio station of Amarillo and financed by the American National Bank as a public service.

MARY DELL T. OSBORN
Dean Mother and Program Supervisor

1961 Scout Circus March 10 - 11 in Lubbock

Mr. J. W. Smith, General Chairman for the 1961 Scout Circus, announced that a Ticket Sales Rally meeting and Chili Supper was held, Thursday, Feb. 2 at the St. John's Methodist Church in Lubbock, beginning at 7:00 p.m.

All Scout Units Cub Packs, Scout Troops and Explorer Units, that will be participating in the 1961 Scout Circus, which is to be held at the Lubbock Municipal Coliseum on March 10 and 11, sent two people, one boy and one man, serving ticket sales managers, to this Ticket Sales Rally Meeting.

Tickets to the Circus were distributed to all Units, and then the boys will begin their ticket sales, in promotion of this biggest Scouting show of the year.

A presentation on the Art of selling was made, and the various prizes to be offered to individual boys were on display.

The order of the Arrow Indian Dance Team presented a short Indian Dance routine, and there was a discussion on matters related to the Scout Circus. This was a free supper to all, and a large crowd attended.

Other men assisting Smith, as members of the Scout Circus Steering Committee are: Ben Lowe, Publicity; Tommy Tarleton, Physical Arrangements; Bill VanCleave, Vice Chairman; J. T. Jones and Don Austin, Ticket Sales; Charles Shanklin, Ringmaster; Bob Hilliard, Event Director Coordinator; Dick Walker, in Charge of Clowns. Then there will be ten men serving as Street Directors for the ten Events making up the Scout Circus.

And herein do I exercise myself, to have always a conscience void of offense toward God, and toward man.

—(Acts 24:16)

What a wonderfully different world this would be if all of us followed St. Paul's example. There would be little need for police forces, prisons, armies and wars if each human being possessed a sensitive, God-inspired conscience and bent his efforts toward keeping it "clean."

A Challenge For Community Aid To Elderly People

College Station—Society is made up of many different groups, and each of these groups has its own particular problems. The people of Texas are no different, and the state has given much time to solving their group problems. Today another portion of the population is receiving more attention than ever before, says Reagan Brown, extension rural sociologist. This group is that vast number which is approaching the golden years of life. Today, more than one-half million Texans, or one out of every eleven, are over 65 years of age. In almost every locality you will find a concern for this ever increasing group, continues Brown. Communities are becoming more impatient than ever with the adage

that "the first 25 years of life are given to learning, the next 25 to earning and the last 25 to yearning." Many neighborhoods are determined that the older citizens shall have an active old age with friends, jobs and good health. The greatest problem to overcome is the citizenship's complacency toward the older members of the community. Many communities are establishing committees to plan local programs that can utilize the vast resources of this group to help them find happiness, entertainment and constructive activities in which they may engage. If these goals can be achieved on a community level, the golden years can be years of contentment and happiness for this very important segment of our population, Brown concludes.

Sunday dinner guests in the A. C. Barton home were Mr. and Mrs. Curtis Sterling, Brownfield; Mr. and Mrs. Richard Stockstill, Kim and Craig, Hereford; Mrs. Mae Moss, Oklahoma City; Rosco Barton, Long Beach, Calif. and Mr. and Mrs. Ed Haley and Brad.

Mrs. B. V. Maples and Mrs. Sarah Clark visited relatives in Amarillo Sunday night and Monday.

Basic Research On Soil, Water And Fertilizer Needed

College Station.—Basic research is needed to develop new knowledge of the mineral nutrition of plants, behavior of water on agricultural watersheds, and new principles of rangeland soil management, said the USDA's Soils, Water and Fertilizer Research Advisory Committee at their annual meeting held recently in Weslaco.

In making their recommendations, the committee said that understanding of the mineral nutri-

tion of plants, particularly the complex processes taking place between roots and soil, is essential for future soil-management studies as well as for national conservation programs.

Research on how precipitation runoff in agricultural watershed is affected by soils, land use, conservation practices and watershed features is another need cited by the committee.

Other areas which the committee said need expanded research include rangeland soil management, forest and related watershed management, irrigation water conservation, and accurate erosion prediction.

W. Lewis David of Corsicana is a member of the committee, which was established under Research &

Marketing Act of 1946. The committee's detailed recommendations for research will be submitted to the USDA within the next few weeks.

Party Line...

Mr. and Mrs. R. J. Mitchell visited Sunday afternoon with her mother, Mrs. Nora McCarty, Muleshoe.

Mr. and Mrs. Zeph Robnett, Mr. and Mrs. Clyde Parish and Mrs. H. W. Kendrick attended the 50th Wedding Anniversary celebration, Saturday of Mr. and Mrs. Vick Lums, Melrose, N. M. Mrs. Lums is a cousin of the late Mrs. S. C. Robnett.
