

A Million Dollar Rain

Are we happy? You bet! And the farmers are happy, the farmers' wives are happy, everybody's happy!

Beginning during the wee hours of Monday morning, life giving rain began to gently pat the earth to revive area crops and put a brilliant green color into yards and gardens.

The Lazbuddie and Dodd areas received from 1 1/2 to 2 inches of moisture from Monday until Wednesday noon.

Springlake and Earth residents were blessed with showers depositing amounts ranging from 1 1/4 to 1 1/2 inches.

Everyone was indeed glad to have the rain but some farmers are hoping it will cease to fall for a few days.

"It was a million dollar rain and good for this time of the growing season with the irrigation waterings," stated one Earth farmer, "but now it needs to stop and begin again later on."

Another local farmer commented, "The rain was a good thing but there really can be enough of a good thing to make it bad. We've had just the right amount of rain now and it can stop for a while."

Rep. Clayton Attends Government Conference

AUSTIN—State Representative Bill Clayton of Springlake is one of ten House members accompanying Texas House Speaker Gus Mutscher this week in Tulsa for the 25th annual meeting of the Southern Conference of the Council of State Governments.

The Texas delegates are participating in the meeting, which began Tuesday, with legislative leaders from 15 southern states.

Mutscher, a member of the Southern Conference Executive Committee, selected Representative Clayton as a delegate saying, "he has exemplified the attributes of conscientious legislative service and has a solid background in several areas of vital legislative concern."

Topics scheduled for discussion during the conference include federal-state revenue sharing, methods of improving the legislative process, the future of public education, environmental protection, court reform, drug abuse, and mass transportation.

Mutscher said the meeting will help prepare the Texas delegates for "their roles as leaders during future legislative sessions."

Representative Clayton is serving his fifth term as a member of the Texas House. During the 62nd Session, Clayton was Chairman of the Counties Committee and Vice Chairman of the Banks and Banking Committee.

Susan Selected For Pan-Am Team

NEW YORK—Texas can claim seven of the 12 members of the USA Pan-American women's basketball team among its 19 sons and daughters among the 380 athletes selected for the Vth Pan-American Games at Cali, Colombia, July 30 - August 13 according to President Clifford H. Buck.

Earth is proud to claim one of the 12 members, Miss Susan Britton, daughter of Mr. and Mrs. Harold Britton.

In what has been described as the strongest USA entry ever in 23 separate competitions for men and women, the athletes have been culled from 35 states and the District of Columbia, Buck added.

Two of the bellwethers of coach Harley Redin's basketball team are Susan Britton, Earth, and Cheri Rapp, Estelline.

lympic Team led by Oscar Robertson and Jerry West.

James Busceme, a Lamar University student trained by his father, has been chosen to box in the lightweight class. The reigning National AAU and Golden Gloves Tournament of Champions king has an impressive record of 90 wins in 97 bouts.

Jim Crawford, now of Richardson and serving in the U.S. Army will team up with Maty Liguori in the 1,500 meters while Fred Newhouse, Prairie View A & M graduate, also in the Army, will run the 400 meters with world recordholder John Smith.

Centre Sales

The doors of the Goodwill Centre in Earth were opened for business at 2:30 p.m. Saturday July 17, with representatives of the Springlake-Earth Chapter of Young Homemakers assisting with sales.

A total of 13 sales were completed during the new business hours of 2:30 to 5:00 p.m.

Workers, Mrs. Jerry Jones and Mrs. Doug Parth, reported the Centre has a wide selection of items and no requests were unfilled.

Caution!

It's good, it's sweet and it contains some healthful nutrients BUT field corn can also be dangerous.

In an attempt to rid area corn patches of corn borer, farmers have treated the plants with Disiston. This chemical is highly dangerous and may be fatal to persons eating corn treated with Disiston.

The chemical is absorbed by the stalks and remains entrapped in the kernels for periods up to 42 days.

So, resist the temptation to buy or eat field corn from area patches. To do so may cause great harm to you or members of your family.

Car Wash Nets Profit Of \$165

When you get your car washed you can almost always count on rain and at least 30 test-dents had their automobiles washed, cleaned and shined by members of the Earthquakes.

The lively group gathered at Don's Shamrock Station Friday, July 16, at 9:00 a.m. and set about their task of recrafting dirty cars to be given a good cleaning.

The group worked until 7:30 p.m. and donations totaling \$165 were received by the Earthquakes for their labors.

The busy workers Friday included Darlene Sulser, Paige Gaston, Charla Dunning, Teresa Lively, Vicki Wislan, Si-elley Gaston, L'Anna Sulser, Donna Dunning, Colita Biles, Gina Wislan, Roberta Gaston, Brenda Dunning, Scott Lee, Larry Thomas, Vicki Dunning, Guy Lynn Davis, Bobby Myers, David Wislan, Tracy Lee, Kathleen Anderson, Kenny O'Hair, Chuck Dunning and Ricky Knox.

The profits acquired from the car wash are to be used by the local youth choir to support a tour planned to further youth fellowship throughout the area.

Area Horses Receive VEE Vaccinations

Dr. Nace, DVM of Muleshoe, was in the area Tuesday afternoon inspecting and vaccinating horses in an attempt to prevent the spread of a sleeping-sickness which has spread among horses (and in a few humans) in the South Texas-Rio Grande Valley areas.

Johnny Murrell of Halsell Cattle Company stated that the veterinarian vaccinated 26 horses at the ranch and approximately 20 horses belonging to Price Hamilton. It was also reported that Dr. Nace traveled to livestock pens throughout the area and injected over 150 horses with a preventive vaccine.

A report from the State Capital concerning the disease disclosed the following information:

"U.S. Agriculture Department which originally had scheduled an experimental vaccine against Venezuelan Equine Encephalomyelitis in 13 counties, later released it statewide and slapped an embargo on Texas horses."

"Later, a state Animal Health Commission order halted movement within state or out of state of horses not vaccinated at least 14 days earlier."

"Several persons were hospitalized in Brownsville with VEE symptoms. Cases in horses increased sharply, though laboratory confirmation lagged behind discovery of symptoms."

"Disease, described as 'flu-like' among humans, is deadly to horses, and concern was expressed for the equine population."

Bookmobile Schedule

The High Plains Bookmobile Library is scheduled to be in the area Thursday and Friday, July 29 and 30, to provide excellent reading material for bookworms wishing to indulge in a good novel.

The library on wheels will be arriving at Springlake on Thursday at 11:00. It will remain there until 12 (noon) to give everyone an opportunity to browse and select the materials they desire.

Earth will host the Bookmobile from 1:00 to 4:00 p.m. on that day.

BULLETIN

Beginning Friday, July 23, the City mosquito sprayer will begin making its rounds of the City at 5:30 a.m. to provide greater protection against mosquitoes and the spread of encephalitis.

THE SOUNDS OF MUSIC could be heard throughout the halls of the Methodist Church of Earth when members of the Earthquakes, the community youth choir, gathered this week to practice the lovely hymns and other selections they plan to present when they set out on a tour later this summer to promote youth fellowship throughout the area.

Holly Seeking Sugar Beet Acreage

A representative of the Holly Sugar Corporation has been making a survey of the Earth, Springlake, Sunnyside, Flagg and Hart areas to see how much interest there is to grow sugar beets.

Bob Ginn, Agricultural Manager for the Hereford factory, has been in the area since June 21 and found that there is definitely a good deal of interest. He has found that many growers are concerned about the present farm program and changes that may take place. The feeling is that they need a crop that will give them a higher net return per acre and more return on water used.

Ginn said he has not been able to contact all of the growers in the area, because of lack of time and growers have been hard to find because of the busy season. To get good coverage of the area, he is holding meetings as follows: Earth, July 26, at the Community Building at 8:30 p.m.; Flagg, July 27, at the Community Building at 8:30 p.m.; Hart, July 29, at the Farmers State Bank at 8:30 p.m.

At these meetings he intends to point out the gross returns, the cost of growing sugar beets and net profits that can be expected from the crop. He will have experienced beet growers at the meetings to answer questions about the crop.

Ginn said there have been changes made in the hauling allowance to growers. This change makes it much more attractive to the growers that are long distances from the factory. This will be explained and discussed at the meetings.

There have been other changes in the sugar beet contract throughout the past seven years that have increased the returns to the grower, that will also be discussed at the meetings. Ginn said all sugar produced in the United States is regulated by the Sugar Act that has been in effect since 1934. This also will be discussed.

If the demand for beet acreage is great enough, an agriculturist will be assigned to this area by Holly. We try to have an agriculturist for about every 100 growers that we serve. The duties of an agriculturist are to help growers follow good agricultural practices so that a good quality and profitable crop bill be produced.

Mr. and Mrs. M. W. Messer and Myrienne returned home Sunday after a 10 day vacation in Austin, Houston, San Antonio and Midland.

Trustees Approve Two Teachers

Following the routine business matters of the Springlake-Earth School Board, Thursday, July 8, Trustees approved the employment of two instructors for the 1971-72 school year.

To fill the vacancy created by the resignation of band director Jerry Starkes, the Board members employed Tom So Relle. So Relle is a graduate of Jayton High School. For the past two years he has served as band director at Littlefield Junior High School.

Wayne Anderson will begin his teaching career at the local school this year serving as choral music director. Anderson, of Rotan, is a graduate of Snyder High School. He attended North Texas State University where he majored in music education. He will be instructing all levels of choral music at Springlake-Earth.

The School Board voted to sell a bus to the Earth-Springlake Boy Scout Troop for \$70.

Trustees also voted to accept the bid by the Vibra-Whirl Company in the amount of \$5450, to construct new visitors bleachers on the south side of Wolverline Stadium.

It was decided by the Board to set the regular meeting on August 9 for the adoption and public hearing on the proposed budget for the 1971-72 year.

Trustees attending the regular session were Norman Hinchliffe, P. A. Washington, Jimmy Craft, Jerry Kelley, Ed Dawson, K. B. Parish and Bill Mann.

Two Plays Cast Monday

Thirteen members of the Springlake-Earth Summer Theatre were awarded roles in two one-act plays scheduled for presentation Saturday, August 14.

The first play cast is entitled "No Greater Love." It is a drama concerning a young doctor torn between a desire to make money in a big city and his duty to the small community of his childhood. Cast members are Grandmother Cain, Driss Dent; Dr. James Cain, Danny O'Hair; Judith Cain, Phyllis Smith; Uncle Les Cain, Jerry Barden; and Helen Johnson, Pat Cleavinger.

"Feuding Mountain Boys"

School Calendar Events Announced

The pendulum of time will start swinging for the 1971-72 school year at Springlake-Earth on August 16. Seven days of teacher in-service work will begin on that day and continue through August 24.

Students will become active when the two-day registration period opens August 23.

The local campus will come to life as students congregate for the first day of school on August 25. The first nine weeks period of study will continue through October 21.

A student holiday is scheduled for October 22 when teachers are to be present for a teachers in-service period.

The second nine weeks period will get underway October 25 - December 21. During this period, school will be dismissed November 25 - 26 for the Thanksgiving Holidays. Mid-

term exams have been scheduled for December 20 and 21, which is the last day of school before the Christmas holidays set December 29 - January 2. Teachers will attend in-service on December 22.

Classes will resume for the second semester on January 3 and the third nine weeks period will continue through March 10. March 13 will mark the beginning of the fourth and final nine weeks period which will continue through May 26.

Events scheduled during this time include spring vacation, March 27 through March 31. Classes are slated to resume on April 3. Final exams will be given May 25 and 26. The last day of school for students has been set May 26. Teachers will be expected to attend the final 1971-72 school year in-service work day on May 29.

Officers Attend Workshop

"Student Council has taken on a new meaning in high schools." Officers of the local Council, president Carl Sulser, vice president Terrell Ott and secretary Marian Dawson, sponsored by Mrs. Ed Dawson, spent last week on the beautiful campus of Trinity University in San Antonio involved in activities related to

this idea.

Some 220 students and sponsors from all over Texas were challenged with ideas on how young people can become actively involved in bridging the gap between faculty and students as well as between different ethnic groups and individuals and how to help many students develop leadership qualities and realize citizenship responsibilities.

First, the students were divided into six "student councils" of about 25 members each with one adult counselor. These councils created an imaginary situation by making up their own school name, mascot, colors, song, yell and problems.

Throughout the week the councils carried out these situations by writing constitutions, electing officers, making a calendar of activities for the school year and presenting a formal induction service.

The students did a great deal of work but they were also engaged in various recreational activities. Among these were a volleyball tournament, talent shows, swimming and stunts by the students.

Wednesday evening everyone was free to visit the interest points of San Antonio.

Scouts Earn Merit Badges At Tres Ritos

Scoutmaster Travis Jaques and Darrel Howard departed Earth at 6:45 a.m. Sunday, July 10, with thirteen members of Boy Scout Troop 614 for Tres Ritos, New Mexico, where they attended Boy Scout Camp.

The group adopted Mountain Daylight Savings Time as they crossed from Texas to New Mexico. The troop arrived at Las Vegas at 11:30 and enjoyed sack lunches and Darrel Howard presented a Sunday School lesson to the Scouts.

At 12:30 they left Las Vegas and arrived in Tres Ritos at 1:45. Upon their arrival, the troopers unloaded their equipment and pitched tents. Three patrols of Troop 614 and nine other troops were present at the camp.

During the camp session each boy of Troop 614 attending earned merit badges and advancements in rank. Chris Espinoza earned Bird Study and Fishing badges and was advanced to Star Scout. Astronomy and Bird Study badges will be presented to Greg Welch and Kevin Hinson. Kirk O'Hair was advanced to Star Scout and earned badges in Camping, Conservation of Natural Resources, Citizenship in the Community and Pioneering. Scottie Hopping studied Camping, Conservation of Natural Resources and Pioneering and was advanced to First Class Scout. Brian Taylor fulfilled badge requirements in Conservation of Natural Resources and Camping and he advanced to First Class Scout. Cooking and Conservation of Natural Resources badges were earned by Terry Hood

who advanced to First Class Scout. The rank of Second Class Scout was awarded to Kent Hinson who earned Fishing and Cooking badges. Steve Green completed requirements in Conservation of Natural Resources and Camping to advance to First Class Scout. George Flores was advanced to First Class Scout and earned his Pioneering badge. Astronomy, Cooking and Conservation of Natural Resources badges were earned by Tom Findley who advanced to First Class Scout. Requirements in Astronomy, Pioneering and Citizenship in the Community were completed by Bill O'Hair. Advancing to First Class Scout was Travis Findley who earned Conservation of Natural Resources, Pioneering and Cooking badges.

On Wednesday morning, the troop traveled to Toas where they spent the day. The boys hiked through the town in groups of 4 and 5 and enjoyed a dinner of vienna sausages, Ranch Style beans, bread from a Toas baker and Kool-Aid at Kit Carson Memorial Park. As they were returning to Camp Tres Ritos the group stopped at an A & W Drive In for refreshments.

On Friday night the entire camp went to the Order of the Arrow ceremonial ring for the Tap Out service. Thirteen boys were tapped out including Steve Green, Kirk O'Hair and Bill O'Hair of Troop 614. All boys tapped out were put on silence from the time of tap out until breakfast Saturday morning. The final Ordeal for the 13 Scouts will be at Camp Post on August 16.

'LOOKS LIKE WE'VE RUN OUT OF PEP'

LET'S WELCOME YOUNG VOTERS

More than 11 million young people between the ages of 18 and 21 are now eligible to vote for the President for the first time. All they have to do is to register. When national election time rolls around in 1972, 25 million young people under the age of 25 will be eligible to cast their first vote for the President of their choice.

Rarely in the history of this nation have potential first-time voters made up so large a share of the total voting age population—nearly 1 in 5.

Hopefully, this will result in a major rejuvenation of the major parties with the injection of young and energetic workers.

It is up to our present political leadership to welcome and encourage these young Americans. They should listen and incorporate their worthwhile ideas, utilize their manpower, and encourage their dedication and participation toward a better tomorrow.

We have opened "The System" to them. Now we must demonstrate that they can work effectively within it.

Saturday morning the Scouts were up early and began cleaning their campsite and making preparations to return home.

The troop departed Camp Tres Ritos at 9:30 and traveled to Santa Rose where they halted their journey for lunch. The tired and happy lot pulled into Earth at 4:45 Saturday evening after sharing a week of fun and excitement.

Scouts attending Camp Tres Ritos were Kirk O'Hair, Steve Green, Terry Hood, Brian Taylor, Tom Findley, Bill O'Hair, Greg Welch, Travis Findley, Chris Espinoza, Kevin Hinson, Scottie Hopping, Kent Hinson and George Flores accompanied by Darrel Howard and Travis Jaques.

If you think you'd like to teach others, think about the Army Reserve.

Spider Mites May Cause Garden-Lawn Trouble

If the foliage on plants in the garden are turning mottled yellow and dropping off the plants, there is a good chance that the spider mite may be the cause.

Check your yards for insects and other problems now.

The spider mite is one of the most troublesome pests during the hot summer months.

Kelthane, Diazinon and Cygon will aid in controlling the spider mite. Use as directed on the label.

Continue to pinch mum plants to obtain compact bushy plants.

To protect roses from black spot spray with Phalton or Maneb to both upper and lower leaf surfaces.

Remove old flowers and flower clusters to encourage new growth and flowers on roses and crepe myrtles.

Container grown or balled and burlapped plants can be set out anytime to replace dead plants or to renew the landscape.

Annual Wheatheart Contestants Sought

PERRYTON--Invitations have gone out to cities in the Golden Spread to send a contestant to the annual Wheatheart of the Nation Beauty Contest scheduled in Perryton on August 21 as a highlight of the annual Perryton Celebration.

The Wheatheart of the Nation Contest is one of the outstanding beauty pageants in the Southwest and the selection of the Wheatheart of the Nation has been a highlight of the Panhandle area since its beginning in 1947.

Any single girl between the ages of 16 and 21 with a good reputation and character who is properly endorsed by a civic

club or business firm is eligible for this beauty contest. Judging is based on beauty, personality, poise and figure.

The 1971 Wheatheart of the Nation will receive a \$1000 college scholarship. The first runner-up will receive a \$500 college scholarship and the second runner-up will receive a \$250 college scholarship.

Entry deadline is August 1, 1971, and entries are to be sent to the Ochiltree County Chamber of Commerce in Perryton, Texas.

The contest will be held in the Perryton High School Auditorium at 8:00 p.m. on August 21.

Miss Sheri Kinzer of Grandfield, Oklahoma, is the current Wheatheart of the Nation and is the daughter of Mr. and Mrs. Howard Kinzer of Grandfield, Oklahoma. She is a student at Midwestern University.

Farmers paid \$1.9 billion in federal and state income taxes in 1969.

County Market Rises To \$8.5 Million

How much is the average family in Lamb County spending per year in local retail stores?

How does the spending pattern locally compare with that in other areas of the country?

Answers to these questions are provided by the Standard Rate and Data Service in its annual report on consumer markets, just released.

It reveals, for each community, the amount that was spent in the past year for food, clothing, cars, furniture and other commodities.

Because most Lamb County families were in relatively good financial shape, thanks to rising incomes, their purchasing power continued to be high, despite the inroads caused by inflation.

The figures for the local area show that more money was spent in grocery stores, meat markets, supermarkets, delicatessens, bakeries and other food emporia than in any other

direction. The biggest part of the consumer dollar went for food.

The sales volume in these stores came to a grand total of \$8,460,000, as compared with the previous year's \$7,552,000.

In addition to this outlay, a sizeable amount was spent in lunch rooms, restaurants and other places where food and drink are consumed on the premises.

In effect, approximately 25 cents out of every dollar spent in local retail stores was for take-home food. It was more than in many communities.

On a per family basis, if the total food bill were distributed equally among the local population, it would have amounted to \$1,599 per family for the year.

This compares with \$1,245 per family elsewhere in the United States and with \$1,222 in the State of Texas.

The report gives figures, also, on the amount of business done

by other types of retail stores in the local area.

Those selling cars and other automotive equipment has sales totaling \$5,599,000.

General merchandise and department stores reported a volume of \$1,257,000, as against \$1,178,000 in 1969.

Those specializing in wearing apparel accounted for \$1,841,000. The previous year's total was \$1,813,000.

Sales of furniture and other home furnishings added up to \$1,153,000. Last year they amounted to \$1,307,000.

All Stars Fall To Plainview

"An outstanding job." These three words were used to describe the actions of the Springlake-Earth Little League All Stars when they battled the Plainview Americans Monday, July 22. This was the first game of the 1971 Area District Elimination Tournament for Texas District 26. The game was played at 2 p.m. Monday in Muleshoe.

The local All Stars battled throughout the five innings of play but were unable to score while Plainview racked up 8 runs.

Rodney Geisler held the mound for the local team. Serving as catcher was Dickie Brown; first base, Mark Barton; second base, Donnie Well and Ray Van Banks; third base, William Flores; short stop, Carlton Gregory; right field, Rene Gauna and Royce Jordan; center field, Brent Bean; and left field, Kevin Kelley and Brent Washington.

Coaching the All Stars were Jimmy Banks and J. A. Gover.

Choir Meets For Practice

The First Baptist Church of Earth vibrated with the sounds of sweet harmony Sunday afternoon as members of the Earthquakes began raising their voices during a practice session.

Among the many selections filling the air were those the group is planning to present when they travel to Lockney

on August 8 to entertain the congregation of the First United Methodist Church.

It was announced that the group is beginning preparations for a youth fellowship tour scheduled for the latter portion of this summer. The female vocalists have secured material for their ensembles and shirts have been ordered for the boys.

Muleshoe Acquires Doctors

Muleshoe now has five doctors, with the additions of Dr. Gary R. Albertson and Dr. Lucien Armand to the staff at West Plains Memorial Hospital.

Gary R. Albertson, Doctor of Osteopathy, began practice Monday at the hospital, where he joined Dr. B. O. McDaniell, Dr. Homer Allgood and Dr. Lucien Armand, who began practice there earlier this month. Dr. B. E. Sanderlin has offices on West Avenue C.

Dr. Albertson graduated from the Kirksville College of Osteopathy and Surgery at Kirksville, Missouri. He had previously graduated from Muleshoe High School in 1963 and Southwestern State College at Weatherford, Oklahoma, in 1966.

He will be engaged in general practice at West Plains Memorial Hospital.

Dr. Albertson interned at Carson City Osteopathic Hospital in Carson City, Michigan, before returning to his hometown Muleshoe.

The son of Mr. and Mrs. Roger Albertson, Dr. Albertson is married to the former Twila Gallman, the daughter of Mrs. Lorraine Gallman and the late Fred Gallman of the Lazbude community. They are the

parents of one son, Darren. Dr. Armand and his wife recently moved to Muleshoe from Philadelphia, Pennsylvania, where he completed a four year residency in General Surgery at Albert Einstein Medical Center.

The Armand's reside at 305 West 20th Street in Muleshoe and attend the Catholic Church.

Byers Family Returns To Area

They're not all leaving the area -- a few of the Springlake-Earth High School graduates are gradually returning to the area in which they were raised to establish their homes.

Among the young people returning here are Mr. and Mrs. Danny Byers who purchased the Hugh Alexander home in Hite Park and took possession of the residence in June, moving here from Austin where they both attended the University of Texas.

Mrs. Byers, daughter of Mr. and Mrs. James Busby of Springlake, graduated from the local school in 1967. She received her bachelor of arts degree in English from the University of Texas last May.

Byers, a 1965 graduate of Springlake-Earth High School, is the son of Mr. and Mrs. R. L. Byers, Jr. of Springlake.

In 1969 he received his bachelor of arts degree in business administration from the University.

Byers is presently engaged in farming with Busby Farms and plans to continue the occupation.

Candlelight Ceremony Unites Richardson-Kelley

Miss Ricki Dawn Richardson and Danny Lynn Kelley, both of Muleshoe, were united in marriage at 8 o'clock in the evening on Saturday, June 26. The ceremony was performed by Rev. J. D. Brown of the Muleshoe Baptist Church in the First United Methodist Church of Muleshoe.

The bride is the daughter of Mrs. Shirlee Richardson of Muleshoe and Jack Richardson of Pinedale, Wyoming. Parents of the groom are Mr. and Mrs. John Kelley of Bowie, formerly of Earth.

MRS. DANNY LYNN KELLEY
(nee Ricki Dawn Richardson)

Background organ music presented by Marshall Cook, organist, prior to the ceremony was "Theme from Love Story" and "Theme from Romeo and Juliet". Mrs. Smitty Aylesworth, pianist, accompanied Mrs. J. D. Brown as she sang "Whither Thou Goest" and

tendants each carried a cluster of long stemmed yellow daisies. Ring bearers were Andrea Gilliland, cousin of the bride of Muleshoe, and Ronnie Thomas of Earth. Miss Gilliland was attired in a gown identical to those worn by the attendants of the bride.

Candlelighters were James Cook and Gari Richardson, brother of the bride, both of Muleshoe.

Harley Galloway of Earth served as best man. Groomsmen were James Thomas of Earth, Brian Dell Vining of Wink and Ronnie Barrett of Muleshoe.

Ushering guests were Robin Richardson, brother of the bride, Randy Williams of Muleshoe and Larry Thomas and Donnie Galloway, both of Earth.

For the occasion, the bride's mother wore a dress of yellow crepe featuring a yellow chiffon skirt. A lovely yellow daisy corsage and yellow accessories complemented her attire.

The groom's honored guests, Mr. and Mrs. J. B. Thomas of Earth, sat in for his parents who were unable to attend the wedding. Mrs. Thomas was attired in a lovely yellow knit dress enhanced by yellow accessories and a corsage of yellow daisies.

A reception was held immediately following the ceremony in Fellowship Hall. The crucifix shaped table was draped with a lovely white net cloth. A sterling silver five branch miniature candelabra encircled by the bridal and attendants' bouquets completed the table decorations. The white three tiered wedding cake trimmed with yellow daisies, banana punch and coffee were served from silver appointments by Miss Marilyn Pool, Miss Janti St. Clair, Miss Debbie Parks and Miss Judi Winn.

The groom's cake was an open Bible cake bearing the scripture chosen for the ceremony, Matthew 19:6, on one side and a yellow satin ribbon marker across the other side.

Miss Kay Douglas of Muleshoe registered the guests and pianist, Miss Jeannie Putman, provided music for the reception.

For traveling the bride chose a dress of green crepe with lovely chiffon sleeves. To complement her attire, she selected silver accessories and wore a corsage lifted from the bridal bouquet.

Following a wedding trip to

places of interest in New Mexico, the couple is at home at 1306 West Avenue B in Muleshoe.

The bride is a May graduate of Muleshoe High School. A Springlake-Earth High School graduate, Kelley attended West Texas State University prior to entering the U.

S. Army. He served two years in the Army, of which seven months were served in Vietnam. He is currently employed by Bailey County Electric.

Special guests attending the wedding included Mr. and Mrs. Doyle Evans of Clifton, Arizona, Mr. and Mrs. Thomas Follis of Levelland, M.

and Mrs. Jim Stephens of Springlake, Mr. and Mrs. G. L. Adrian of Earth, Mr. and Mrs. H. W. Garvin of Threeway and Mr. and Mrs. Clarence Kelley of Earth.

Regina Cole returned Saturday from a weeks visit with the Carol Coles in Lubbock.

"The Lord's Prayer" was presented as the couple knelt at the altar.

The candlelight ceremony was performed before an altar enhanced by a large bouquet of yellow and white daisies, the bride's chosen colors, accented by two 12 branch tree candelabras. Each window of the sanctuary was decorated by a lovely taper nestled in greenery. The couple descended from the altar during the ceremony to light a large white memory candle to symbolize their lasting love and unity.

The bride, presented in marriage by her grandfather, L. E. Evans, was lovely in a gown of white silk organza with appliques in peau d'ange lace. The high-rise bodice featured a wedding bank neck edged in French lace. The French lace formed a framed effect at the neck and tiny organza buttons dropped from the collar. Beaded pearl appliques of peau d'ange lace accented the bodice and were sprinkled around the skirt and train of the gown. The full blown bishop sleeves, gathered to wide organza cuffs ringed in rows of French lace, repeated the lace and pearl applique design. A double row of the French lace encircled the hemline of the gown and the chapel length train. Her veil of silk illusion, which flowed down to elbow length, was softly gathered up at the crown by a cluster of peau d'ange lace and seed pearls. She carried a cascade of white daisies and mums atop a white Bible.

For Something New the bride wore a diamond watch which was a gift from the groom. For Something Blue she chose the traditional blue garter. A Bible, presented to the bride when she was a child by her mother, was carried by the bride with her bouquet for Something Old. For Something Borrowed the bride wore a set of diamond earrings belonging to Miss Vanda Spurgeon.

As the bride was escorted to the altar by her grandfather, she gave him a kiss to symbolize her love for him. As she descended the aisle on the arm of her husband she paused to kiss her mother to symbolize her love and appreciation for her.

Miss Gloria Stephens of Springlake served her cousin as maid of honor. Bridesmaids were Mrs. Ronnie Barrett, Miss Vanda Spurgeon and Miss Susan Wood, all of Muleshoe. Tammy Evans of Clifton, Arizona, and Laurel Gilliland of Muleshoe, cousins of the bride, served as flower girls.

The bride's attendants were attired in identical dresses of yellow dotted swiss. The floor length dresses featured long puffed sleeves accented with a row of daisies around the ruffle on the cuffs. The daisies were accented on the ruffle surrounding the hemlines of the dresses. Each wore a nylon wide brimmed yellow picture hat made by the bride's aunt, Mrs. Milton Sharp of Burlington, Colorado. Dudley-Vining Vows Solemnized

Nuptial vows uniting Miss Joan Elaine Dudley of Silverton and Brian Dell Vining of Wink were solemnized in an impressive ceremony at 7 o'clock on the evening of Saturday, July 17, in the First United Methodist Church of Earth.

The bride is the daughter of Mr. and Mrs. Nolan Dudley of Silverton, formerly of Earth. Parents of the bridegroom are Mr. and Mrs. Glenn Vining of Earth.

The double ring vows were read by Rev. Denzil Leonard, Baptist pastor of Dalhart, before an altar featuring seven lovely candelabras holding 67 lighted white tapers. Two spiral candelabras, adorned by emerald and yellow bows, flanked either side of a lovely graduated candelabra also accented with yellow and emerald bows. A central candelabra formed the background for the white memory candle which was lighted by the couple at the end of the ceremony. The memory candle was flanked on either side by a spiral candelabra enhanced by emerald and yellow bows.

Wedding music was presented by Mrs. Mary Kate Belew, organist, who accompanied Mrs. Marie Slover as she sang "Always", "The Lord's Prayer," and "Whither Thou Goest."

Given in marriage by her father, the bride was beautiful in a formal waisted straight gown accented by a high neck-

line and long fitted sleeves. Lace appliques embroidered with miniature seed pearls enhanced the bodice and skirt of the gown. Her full length chapel train was softly gathered to the shoulders of the gown and miniature covered buttons provided back interest. The hem of the train was complemented with matching lace appliques and seed pearls. Her tiered veil of illusion was attached to a bandeau of lace and seed pearls. It extended to formal length over the circular train. She carried a cascading bouquet of bristo fairy intermingled with pink, white and blue corn flowers and daisies, yellow callistifles and

centered with two small white orchids. The bride wore the garter worn by her mother on her wedding day as the traditional Something Old. Her lovely wedding gown served as Something New and Something Borrowed was her mother's Eastern Star Bible. A blue ribbon on the garter represented Something Blue. In her shoes, the bride wore 1962 pennies and a six-pence for good luck.

Serving the bride as maid of honor was Miss Connie Kelley of Earth. Other attendants of the bride were Mrs. Buddy Comer, aunt of the bride of Lubbock, Miss Laura Dudley, sister of the bride of Silverton, Miss Nancy Taack, cousin of the bridegroom of Earth, and Miss Rona McGill of Amarillo.

They were attired in formal peasant gowns of yellow designed with empire bodices and full gathered skirts. Complementing the ensembles were long sheer sleeves gathered at the wrists and short wiskets of white lace. They carried natural straw baskets overflowing with yellow centered white daisies dotted with greenery. Their headresses featured open cups with sheer elbow length veils caught at the back with large bows. Attired in a street length gown identical to those of the bride's attendants was candlelighter Donna Dudley, sister of the bride from Silverton. Also serving as candlelighter was Gary Graham, cousin of the bride from Lovington, New Mexico.

Perry Don O'Hair of Earth served as best man. Groomsmen were Gil Vining, brother of the groom of Amarillo, Buddy Comer, uncle of the bride of Lubbock, and Neal Armstrong and David Templeton, both of Earth. The groom's attendants wore black double breasted tuxedos with wide lapels and flared pants. Worn with the tuxedos were gold ruffled shirts accented by butterfly bow ties. Ushering the guests were Steve Sanderson and Terry Ott, both of Lubbock.

Mother of the bride was attired in a long sleeved turquoise lace sheath accented by a jeweled neck and cuffs. She wore a lovely turquoise cymbidium orchid corsage to complete her attire.

The groom's mother wore a blue crepe dress enhanced by a sleeveless lace coat. Complementing her attire was a beautiful blue cymbidium orchid corsage.

A reception in Fellowship Hall immediately followed the ceremony. The serving table was draped with a white linen cloth trimmed with white lace and centered with the bridal bouquet flanked by white lighted tapers in a silver holder. The two tiers of the wedding cake were separated by Grecian columns with miniature doves nestled in a cloud of net between the columns. Yellow daisies with white centers adorned the edges of the tiers. White napkins inscribed in silver with the names and wedding date of the couple along with crystal and silver appointments completed the table decor. Miss Susie Adrian and Miss Ronda Clayton served guests wedding cake, yellow fruit punch, nuts and mints.

Guests were registered by Miss Adrian at a registry table covered with a white linen cloth edged in lace and adorned by the bride's book and a single white taper set in a silver holder accented by a yellow bow.

For a wedding trip to Colorado Springs, Colorado, the bride selected a white sleeveless dress. A small belt enhanced with two rhinestone buttons accented the waistline of the dress. She wore a white wide brimmed hat with a wide yellow band and white accessories. Her costume was complemented by a white-orchid corsage lifted from the bridal bouquet.

The bride is a 1971 graduate of Springlake-Earth High School. During her three years of study there she was active in many organizations and received many honors including being elected FFA Sweetheart and Smilk Queen.

A 1969 graduate of Springlake-Earth High School, the groom has served as assistant vice president of the Winkler County State Bank for the past two years. He has held offices in the Wink Lions Club and coached the Wink Little League team which won the district championship last year.

Mrs. Carol Cole and Kenny of Lubbock are visiting in the R. S. Cole home this week.

TOPS Plan Salad Supper

Eleven members of the local Happy Losers TOPS Club met Thursday, July 15, for a regular session during which a salad supper was planned.

Mrs. Inez Inglis was appointed to secure a place for the salad supper which is slated for Thursday, July 29.

In a report given on the towel contest now in progress, it was stated that side one is still ahead. In this contest the TOPS have been divided into two groups. At the end of this month, the group recording the greatest weight loss will be declared the winner and will receive towels for their accomplishment.

A total club gain of 8 1/2 pounds and total loss of 9 1/2 pounds was recorded as members weighed in. Those losing weight repeated the TOPS Pledge while those showing a weight gain recited the PIG Pledge.

Mrs. Emily Clayton was crowned TOPS Queen of the week with a loss of 2 3/4 pounds. A loss of 2 1/4 pounds secured the position of runner-up for Mrs. Faye Hay.

Receiving the \$1 price this week was Mrs. Oma Pearl

Murrell. TOPS present for the meeting were Mrs. Alma Ott, Mrs. Faye Hay, Mrs. Emily Clayton, Miss Kathy Rumbaugh, Mrs. Florence Gover, Mrs. Oma Pearl Murrell, Miss Jean Rumbaugh, Mrs. Lois Rudd, Mrs. Inez Inglis, Mrs. Phyllis Geissler and Mrs. Kate Patterson.

The regular meeting was attended by Roberta Gaston, Vicki Wislan, Donna Dunnam, Tracy Lee, Paige Gaston, David Wislan, Karen Dunnam, Colita Biles, Darlene Sulser, Shelly Gaston, Brenda Dunnam, Chris Brock, Hoyt Glasscock, Scott Lee, Bobby Myers, Jimmy Coker and Ricky Knox.

Debbie Green Receives Color Bar

Miss Debbie Green was awarded her blue color bar during the regular meeting of Earth Assembly 156, Order of the Rainbow for Girls held Monday evening, July 19, in the Earth Masonic Lodge Hall.

The color bar was presented to Miss Green for bringing in a petition for initiation for a new member.

During the session, presided over by Worthy Advisor Earlene Walker and Mother Advisor Mrs. Jimmy Shirey, Melissa Been was installed to fill the position of Sister of Love. Mrs. Shirey announced that the local Rainbows received second place in the rodeo parade for their float and were awarded a \$20 cash prize. The Mother Advisor also distributed bumper stickers to those attending.

The Worthy Advisor announced she is planning to host a cookout in the near future and reminded the girls to secure prospective Rainbows to attend the affair.

Those present for the session signed a get well card for Mrs. C. C. Goodwin. Present for the meeting were 12 Rainbow officers, Mrs. Shirey and guests, Mrs. Forrest Simmons and Leonard Green.

FOOD ENERGY FOR SUMMER
--Summer activities may increase energy needs, or calories. Remember your child spends more energy swimming or swinging a baseball bat than cracking a book. The best way to make sure your family is well nourished for these extra activities is to include in your daily diet the four basic food groups. These groups include milk, meat, vegetable-fruit and bread-cereal.

How To Get Ahead

by David Hartman

I came across the following article in a little publication called "Bits and Pieces." I want to share it with you in its entirety because it speaks some truth we need to hear.

"The famous physician and scholar Dr. William Osler, advising medical students on how to get ahead, told them to take no thought for the future. He meant that they should do the immediate task well, and not worry about tomorrow's or yesterday's work.

This counsel is good for all of us. Too many of us are indifferent to the present. We waste today dreaming of what we will do tomorrow or contemplating the medals won in other years.

"Banish the future," says Osler. "Live only for the hour and its allotted work. Think not of the amount to be accomplished, the difficulties to be overcome, or the end to be attained, but set earnestly at the little task at your elbow, letting that be sufficient for the day; for surely our plain duty is, as Carlyle says, 'Not to see what lies only dimly at a distance, but to do what lies clearly at hand.'"

10 Accidents During June

The Texas Highway Patrol investigated ten accidents on rural highways in Lamb County during the month of June, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of this area.

These crashes resulted in injuries to two persons.

The rural traffic accident summary for this county during the first six months of 1971 shows a total of 40 accidents resulting in two persons killed and 25 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for June, 1971, shows a total of 524 accidents resulting in 10 persons killed and 308 persons injured. This was 19 less accidents, 13 less fatalities and 46 less injured than during May.

Textbooks Considered For State Adoption

AUSTIN -- Textbooks now being considered for possible state adoption beginning with the 1972-73 school year may be reviewed by interested citizens at any one of the 20 regional education service centers throughout Texas.

Copies of each new book now in print were shipped by the individual publishers to the service centers for use by the local staff members and review by groups and individuals. Books with later production schedules must be delivered to each center by August 16, 1971.

New textbooks in five elementary and 16 high school subjects are now being examined by the 15-member State

Textbook Committee and its advisors. The committee will present its list of recommended materials to the commissioner of education by September 15 with adoption by the State Board of Education scheduled for November 13.

A compilation of all titles filed by the publishers in their letters of intent to submit books for adoption and copies of the textbook proclamation have been mailed to all school districts in the state and interested groups and individuals by the Texas Education Agency.

Books now on hand at the regional centers may be reviewed in the office. However, as each center is limited to one copy of each book, the proposed texts will not be available for check-out. J. B. Gold-

by the Texas Education Agency, the University of Texas and the Texas Association of School Administrators.

The workshop was held in the form of a trading post. Those attending were divided into various groups. Different leaders were in charge of discussions concerning various subjects. Leaders would rotate thereby trading groups of administrators. Group members were allowed to discuss subjects brought up within a given frame-

work. These included school finance, tax structure, curriculum, integration and how it will affect schools in the future.

Mary Nell Walker of Amarillo spent the weekend in the home of her parents, Mr. and Mrs. Earl Walker and Earlene.

We're Proud Of Our Majorettes

Yes, we all have great pride in the four lovely young ladies who high step to the beat of the Wolverine Band and in-still spirit in the hearts of fans.

Marian Dawson, Pat Cleavenger, Shelly Gaston and La Donna Sigman displayed great talent and a very keen sense of rhythm as they led off the

annual rodeo parade and guided participants along the parade route.

The majorettes spent a great deal of time marching and learning routines to thrill parade viewers. And their goal was, beyond a shadow of a doubt, achieved.

VERNON HAUK

Hauk Secured As Butcher

A native of Clovis, New Mexico, Vernon R. Hauk, has accepted the position of butcher to serve patrons of the Good Earth Food Store.

Hauk, a graduate of Clovis High School, has spent most of his life in the grocery and meat business. His father had the first meat market in Clovis and Hauk has carried on the vocation. He was associated with Furr Foods in Clovis for 12 years and with Safeway in Clovis for another 8 years.

Hauk was a member of the Clovis De Molays while there and participated in baseball and basketball activities.

He was associated with the Mutt Hauk Grocery in Littlefield for 17 years prior to serving with a grocery store in Friona for one year and as butcher for one year at Foodway in Hereford.

Hauk and his family have moved into the Clarence Hamilton home north of Earth.
