Local Students Review Equipment

Mrs. Marae Cummings, local high school instructor, accompanied students of the Springlake - Earth High School bookkeeping, shorthand and typing II classes on a field trip to Whiteface Friday, March 20, to attend a lecture on modern business equipment. The students were presented an explanation of an IBM Machine, dictaphone equipment

and a display of 3M overhead projector equipment. The group also visited the Girl's Town Post Office where they were shown the new up-to-date mailing equipment used by the girls in the posting and distribution of mail.

Crucial Test

Uterine cancer is curable in almost 100 percent of cases if diagnosed early. The Pap test makes early detection possible. The American Cancer Society urges every woman to have a Pap test as part of a regular health checkup.

Mrs. Mary Gilmore Services Slated Today

Services for Mrs. Mary Edna Gilmore, 61, are to be held Thursday (today) in the First Baptist Church of Earth. Mrs. Gilmore died at 11:00 p.m. Monday, March 23, in Methodist Hospital in Lubbock where she had been hospitalized for a week. Mrs. Gilmore had been a resident of Earth since moving here from Paducah in 1930. She was a member of the First Baptist Church and the Earth Rebekah Lodge. David Hartman, pastor, will officiate. Interment will be in the Springlake Cemetery under the direction of Parson-Elms-Singleton Funeral Home. Survivors include two daughters, Mrs. Wayne Jackson of Fort Worth and Mrs. Hershel Huley of Orlando, Florida, Leonard of Shallwater and James of Arlington; five brothers, Ed Truelock of Olton, Elmer Truelock of Houston, Rufus Truelock of Redding, California, J. H. Truelock of Portales, New Mexico and Aaron Truelock of Sulphur Springs; two sisters, Mrs. Joe Cowan of Denver, Colorado and Mrs. Harvey Smith of Sulphur Springs; 23 grandchildren and one great grandchild.

Funeral services will be held at 10:00 a.m. Thursday at the First Baptist Church. Burial will be in the Springlake Cemetery. Survivors include two daughters, Mrs. Wayne Jackson of Fort Worth and Mrs. Hershel Huley of Orlando, Florida, Leonard of Shallwater and James of Arlington; five brothers, Ed Truelock of Olton, Elmer Truelock of Houston, Rufus Truelock of Redding, California, J. H. Truelock of Portales, New Mexico and Aaron Truelock of Sulphur Springs; two sisters, Mrs. Joe Cowan of Denver, Colorado and Mrs. Harvey Smith of Sulphur Springs; 23 grandchildren and one great grandchild.

MRS. MARY GILMORE

David Hartman Attends Southern Baptist Seminar

David Hartman, pastor of the Earth First Baptist Church has recently returned from a Southern Baptist seminar entitled, "Shaping the '70's". The Glorietta Baptist Assembly in Glorietta, New Mexico was the site of the seminar. "Shaping the '70's" dealt with the changes which are occurring in Southern Baptist Churches and the changes projected by the Sunday School Board. The philosophy behind the changes and factors which call for changes such as the mobile society, the population explosion and the population shift in metropolitan areas were thoroughly discussed by the assembly. Represented at the seminar were personnel from the Sunday School Department, the church training department, the Women's Mission Union, the church Brotherhood, the music department, the church library and the church architectural department of Southern Baptist Churches. The 32 pastors, music and educational directors and Sunday School directors present also attended a session on the administration of churches. A general session and discussion took into consideration the new structural patterns which are to be in effect in October.

DAVID HARTMAN

each department and the course of study to be followed throughout the year in Southern Baptist Churches. The final session consisted of a review and inter-related all phases of the seminar to illustrate how they would work together.

Financial Facts

By Norlan Dudley

Originally money was useful material and many names of units of money reflect this fact. Consider the Greek drachma for example. Drachma meant "handful" and the original drachma had the value of a handful of iron nails. Another way of naming money was to give it the name of a unit of measurement. An example of this is the English pound. Useful at first, money later became more ornamental. Many coins can be found today with holes in their centers. The holes made it possible to string the coins together, so that they might be used as bracelets and necklaces. After progressing from useful to ornamental commodities, money finally came to be considered in terms of debt and

debt names such as note and bill were finally applied to it. WATCH NEXT WEEK FOR PIGGY BANK Make plans now to attend the Annual Chamber of Commerce Banquet April 10. What are your banking needs? NFO Cotton Block-Sale Causes Upward Price Move

The Lamb County NFO met recently in the Willie Room of Lamb County Electric in Littlefield. The facts of the new NFO cotton program were presented by George Johnson, Chairman of Lubbock County. Johnson explained how the efforts by NFO farmers in his area to block-sell cotton in the government loan has already caused an upward price move for their area. Last fall bids for the excellent longer staple cottons south of Lubbock were well below the loan rate. This condition did not change until NFO began to block cotton production from all over the nation together. Bids are now running above \$10.00 per bale to Lubbock County farmers for their 1969 equities. The Lamb County Bargaining Coordinators are now enlisting NFO acreage to participate in the new cotton program. A catalogue of all cotton to be grown by NFO members in the nation will be presented to the mills this spring. If a farmer wishes to list his potential 1970 production for sale through NFO, he must get his acreage estimate on the proper form in the NFO County Office by April 1. An area cotton meeting is scheduled to be held in July. At that time any NFO farmer who has listed his estimated production in the catalogue will

be given the opportunity to contract one third of his crop for a firm price presented at that time. The rest will be held for sale later in the year. Cotton seed will be held for bargaining in 1970, also. Charles Lewis, chairman, reported that in an unprecedented legal move, NFO has begun a "class suit" in federal court against the manufacturers of drugs that have already been found guilty of monopolizing trade and commerce in tetracycline drugs. Anyone who has used animal feeds and medicines containing tetracycline sold under such brand names as Aureomycin and Terramycin since 1953 may be eligible, under the provisions of federal statutes, to recover overcharges plus damages. In many cases it now appears that the overcharge in feed has been between \$2.00 and \$6.00 a ton. If you feel you have a claim in this situation you should contact a member of the NFO Meat Committee or the NFO County Office, phone 285-3318 or 285-2071 in Olton. Lewis requested local members to urge their neighbors to become informed about the NFO Cotton Program and to consider its relative merits. In many cases a fair price for his cotton this fall will determine whether or not a man will be able to continue farming. A local farmer at the meeting stated, "As far as cotton goes, we have nothing to lose and everything to gain with this new program." Lewis concluded, "The help of all cotton farmers is needed

to completely turn around the price trend in cotton. Cotton is still in demand and its price should cover the cost of production plus a reasonable profit."

Former Resident Injured In Accident

Mrs. Shirley (Green) Terrill, former Earth resident was injured Thursday morning, March 19, in Phoenix, Arizona when the car she driving was hit by a road construction truck. Mrs. Terrill suffered cuts, bruises, the loss of several teeth and the possible amputation of a finger. She is now recuperating at her home in Phoenix, Arizona. Plastic surgery and various types of dental work will be necessary to aid the healing process. Mrs. Terrill is the sister of Mrs. Larry Price and Clinton Green both of Earth. ASK Darrell or Guy ABOUT The Emergency Guarantee ON EXCEL SEEDS

SAWYER FERTILIZER & CHEMICAL Earth 257-2085

E-944 variety is a late-maturing, special-cross hybrid. It will mature early enough for grain production anywhere in Texas. The stalks are very stiff and erect. The plants stand well for harvesting. It produces a high yield of grain or silage and also has a good resistance to the corn ear-worm and to leaf blights. The recommended planting rate is a stalk every 8 inches in a 40 inch row or approximately 20,000 plants per acre.

E-8244 variety will mature satisfactorily in all of Northeastern Nebraska and is an early maturing hybrid on the Texas Plains. This hybrid has a most excellent yield record in Nebraska, Kansas and Texas. It has an unusually high yield record at thin planting rates or at high planting rates of 24,000 plants per acre. It is very tolerant to Maize Dwarf Mosaic Virus and one of the few hybrids that is highly tolerant to the western corn root worm. The stalks are rather short and the standability of this hybrid is very outstanding. It is a quick-drying hybrid after it matures.

Little Dribblers Vie For Winning Honors

The Little Dribblers met Thursday, March 19 for two action-packed games.

Cleavinger defeated Britton 26-10 in the first game. Johnny Cleavinger was high scorer for the winners with 17. Randy Latham and Armando de Leon each scored 4 for Britton.

Hopping downed Barton 17-12 in the second game action. Randy Bills racked up 10 points for Hopping. Mark Barton was high scorer for the losers with 8.

Friday, March 20, E. Hopping upset L. Bridge, 21-11. With 12 points Jimmy Randolph was high man for Hopping while Andy Ellis scored 6 for Bridge.

In a sudden death playoff Britton lost to C. Hopping, 15-17. The teams were tied, 13-13, at the end of regulation play. Armando de Leon hit for 2 for Britton and Joe Fuller scored 2 for Hopping in the first 2 minute overtime to tie the teams 15-15. At the end of the second 2 minute overtime the score was still 15-15.

In a sudden death playing time that lasted approximately 5 minutes, Randy Bills dropped 2 for Hopping to break the tie.

High point man were Armando de Leon for Britton with 7 and George Flores with 5 for Hopping.

Johnny Cleavinger scored 7 points in Cleavinger's win over Barton, 19-4. Larry Dear and Mark Barton each hit for 2 for

Barton. Monday, March 23, Cleavinger defeated Hopping, 22-8. George Flores dropped 6 for Hopping. Johnny Cleavinger was high man for Cleavinger with 18.

In second game competition Britton won over Barton, 13-11. High scorers were Randy Latham with 9 for Britton and Mark Barton with 8 for Barton.

The teams win-loss records Cleavinger, 10-1 Britton, 5-6 Barton, 4-7 Hopping, 3-8

Three games have been scheduled for Thursday, March 26, at 6:30 p. m. the minor league will meet in competition. In the major league, Britton and Cleavinger will meet at 7:30 p. m. and competition between Barton and Hopping will begin at 8:30 p. m.

Party Line

Mr. and Mrs. Clifford Bills and family of Denver City were weekend guests in the homes of Mr. and Mrs. R. S. Cole and Mrs. Alice Martin. Sunday afternoon the Bills family visited Mr. Bill's father, Floyd Bills in the Littlefield Hospital.

Mr. Ed Best and children of Fort Worth visited Thursday in the Dave Cavitt home.

Howard Hall Services Held

Services were held Monday, March 23, in the Olton First Baptist Church for Howard L. Hall, 63.

Hall, owner of an Olton insurance agency, died Saturday in the Olton Community Hospital. He was a member of the Olton Volunteer Fire Department, Olton Lions Club, the Masonic Lodge and the American Legion.

Rev. John Lewis pastor and Rev. Doug Lawyer, pastor of the Main Street Church of Christ officiated. Interment was in the Olton Cemetery under the direction of Parsons Funeral Home.

Hall is survived by his wife, Nettie May; a son, Curtis of Olton; two sisters, Mrs. Eva Hamby of Plainview and Mrs. Jessie Rector of Tulsa; and a brother, Ira Hall of Brownwood. Pallbearers were Truett Sides, Bill Kelley, Marshall Stone, Quentin Redinger, Luis Hair and Owen Norfleet.

Someone has figured out that we have 35 million laws trying to enforce the ten commandments.—Howard F. Doherty, Cavalier County (N. Dak.) Republican.

Diahann Carroll, NBC-TV's "Julia," says there are two ways to fight cancer: with a checkup (see your doctor) and a check (send your donation to the American Cancer Society). The actress-singer is one of hundreds of celebrities who are volunteers in the Society's April Crusade.

Annual Antique Show In Pampa April 3-5

Assisting worthy and financially troubled students through college is the ultimate goal of the Eighth Annual Antique Show and Sale sponsored by the Twentieth Century Cotillion Club of Pampa. And thus far, it has attained that goal, four to one.

This year's show, which will feature everything antique from primitive and cut glass to dolls and furniture, will be held April 3, 4 and 5 at the Starlight Room of the Coronado Inn in Pampa. The show will be open Friday and Saturday from 10:30 a. m. to 9 p. m., and from 1-6 p. m. on Sunday.

All of the proceeds from the show have annually gone to the Opportunity Plan, Incorporated at West Texas State University. The first seven shows have netted \$6,650 for the Plan. But due to the rotating nature of the funds in the Opportunity Plan, it has quadrupled in value, to more than \$20,000. According to Milton (Buff) Morris director of the Opportunity Plan, more than 2500 students from virtually every town in the Texas Panhandle have been recipients of the loan aid, boys and girls.

Tickets to the show are \$1.00 and are available from any member of Twentieth Century Cotillion, or at the door. Mrs. Ben Sturgeon is the show chairman, with Mrs. S. Gene Hall as co-chairman and Mrs. Jim Campbell, publicity chairman. President of the women's organization is Mrs. Bob Rogers.

Dealers who will be on hand this year's showing include: Eddie's Antiques, N. M., art glass, satin glass, cut glass; This 'n That, Liberal, Kansas, silver, china, art glass; Legget's Antiques, Tulsa, Oklahoma, fine porcelain and silver; Stoffer Antiques, Tulsa, Oklahoma, jewelry, Old Sundial Antiques, Amarillo, copper, brass, primitives; The Bunkhouse, Pampa, furniture, light fixtures; County Antique Shop, Plainview, Victorian pieces, cut glass, general line; Rocky's Ole Time Shoppe, Chickasha, Okla., primitives, general; Ziegler's Antiques, Oklahoma City, Okla., dolls, doll repairs; Leona's Antiques; Lubbock, art glass, shaker pieces, brass, copper, pictures; Carolyniques, Pampa, silver, pressed glass, general; Olson's Antiques, Pampa, cut glass.

Youth Retreat Set For March 26-27-28

Lake Brownwood is to be the setting of a youth retreat staged for March 26, 27 and 28.

David Hartman, Earth First Baptist Church pastor, is scheduled to appear four times on the assembly program. The retreat is in conjunction with the Southside Baptist Church of Abilene.

The general theme "Pass It On" is planned to relate to the group the passing on of God's love through personal experiences. Bro. Hartman's topics are to be related to the over-all theme.

"Pass It On" is a song from the musical "Tell It Like It Is."

PARTY LINE

Bob Higgins and Jim Robbins, members of the Earth Oddfellows Lodge, attended the regular meeting of the Muleshoe Oddfellows Thursday evening, March 19.

U.S. Youth Population Growth Expected To Taper Off

Washington, D. C. . . . Contrary to a commonly-held belief, the so-called population explosion stopped over a decade ago. Late in the 1950s the birth rate began to decline.

According to FINANCE FACTS, a monthly newsletter on consumer behavior published by the National Consumer Finance Association, the number of young people, those under five years of age, has been declining but is expected to increase in the 1970s. With a sharp rise in the number of young women and a rise in the marriage rate, an 18 per cent increase in the number of children under five years of age is expected by 1980.

A 20 per cent increase from 10 years ago of in-school young people (5 to 17 years of age) is in sharp contrast to the expected 8 per cent decline by 1980.

Expansion of college facilities is essential if we expect to accommodate the rising number of college students. Currently there are 14 million in college or beginning careers, up 51 per cent from 1960. And by

1980, there will probably be about 19 per cent more in this group, and a larger proportion than now attending college.

Even though our population is no longer "exploding," the effects of the postwar baby boom

are evidenced by the search of the vast number of young people for what they hope to be a meaningful future.

Guns Kill at Home

Texas Safety Association reminds hunters that 52 per cent of firearm accidents happen at home—not while hunting.

Gun owners should remember to keep all guns and ammunition locked away from children and never load or unload a gun in the house.

"Anybody who thinks money grows on trees is going to have trouble getting out of the woods."

Town and Country Study Club Views Modern Women

The Town and Country Study Club met in the Fellowship Hall at the First United Methodist Church Thursday, March 19, at 7:30 p. m. with Mrs. John Laing and Mrs. R. W. Fanning as co-hostesses.

The meeting opened with Mrs. Marie Ross, president, presiding over the meeting. The collection was led by Mrs. B. Campbell.

Mrs. Ross introduced "The Lady With The Ready Smile," Mrs. George Redinger from Plainview. Mrs. Redinger was born in Plainview and attended Plainview public schools and Wayland Baptist College. Mrs. Redinger has traveled extensively and has received a scholarship to McMurry College at Abilene for her work in Christian Crusades. She has a degree from McMurry.

Mrs. Redinger is the former Frances Wilmoth and has spent many vacations at Earth visiting her grandfather, the late J. A. Parish, and other relatives.

Mrs. Redinger in her charming and delightful manner reviewed Jane Goodsell's book, "I've Only Got Two Hands and I'm Busy Wringing Them."

Bringing up children is perfectly simple if you have limitless patience, nerves of iron and the ability to get along on very little sleep is the advice of Jane Goodsell, bewildered mother of three who looks, at the image of the modern mother as depicted by Vogue, Good Housekeeping, Mary McCarry, TV, L'Assie and the second grade dead-on target and its consistent funny, in a delightful attack on an array of garden variety of puzzlements.

Some of the confusions of the mother of today were: The duties of a housewife, self-improvements, talking and listening to teenagers, the conveniences of life, modern invention, TV commercials and magazines which make every chore seem easy.

At last Jane begins to see that keeping up is keeping her down. The serving table was laid with a white cloth centered with an arrangement of spring flowers.

Refreshments of dainty crackers with cheese spread, olives,

lemon cake topped with whipped cream and coffee were served by Mrs. Wayne Rutherford and Mrs. B. Campbell, who presided at the serving table.

Those attending were guests: Mrs. J. A. Littleton Sr., Mrs. Clarence Kelley, Mrs. A. C. Barton, Mrs. O. J. Parrish, Mrs. A. K. Shelby, Mrs. James E. Jones, Mrs. Melton Welch, Mrs. George Runyon, Miss Ruby Jones, Mrs. Lottie Wilmoth, Mrs. J. W. Solis, and Mrs. Redinger. And the following members: Mrs. L. Z. Anglin, Mrs. B. Campbell, Mrs. Marie Ross, Mrs. Nolan Dudley, Mrs. H. S. Sanders, Mrs. C. T. Richardson, Mrs. Carra Morgan, Mrs. Clay Beavers, Mrs. C. F. Parish, Mrs. John Welch, Mrs. N. Ray Kelley, Mrs. J. L. Hinson and the hostesses Mrs. John Laing and Mrs. R. W. Fanning.

The club will meet Saturday, March 28, at 10:00 a. m. at the home of Mrs. Marie Ross to go to Whiteface to tour Girlstown USA a District Project of Federated Clubs.

Birthday Party Honors Walden Children

A birthday party honoring Kelley, 4 year old daughter, and Richard, 2 year old son of Mr. and Mrs. Delvin Walden was held in the Walden home Saturday evening, March 21.

Decorations for the occasion consisted of balloons and the table was laid with Mickey Mouse plates and cups.

Hamburgers were followed by ice cream and a cake decorated with a circus train and animals.

Those attending were Mr. and Mrs. Lowell Walden, Mr. and Mrs. Allen Doggett, Mrs. Leta Kelley and Mr. and Mrs. Delvin Walden.

Mr. and Mrs. Dave Cavitt and children visited this weekend in Plainview with Mr. and Mrs. C. A. Simmons and Mrs. C. T. Cavitt.

THE EARTH KINDERGARTEN CLASS took a time out Wednesday morning to pose gracefully for our cameras. Pictured are Sheryl Clayton, Dave Cleavinger, Karl Neimast, Mark Parish, Michael Ann Field, Mike Riggs, Hard and instructor, Mrs. Ed Dawson.

Bridal Shower Honors Ann Bearden

A Come-and-Go Bridal Shower honoring Mrs. Ann Bearden, bride-elect of Billy Kemp of Otron, was held Saturday, March 21, in the home of Mrs. James Bushy.

The centerpiece consisting of a bride and groom set in an arrangement of pink and white spring flowers enhanced the serving table covered by a full length white lace cloth over white satin. Appointments were of crystal and silver.

Mrs. Allen Hatfield registered the guests. Mrs. Danny Dial and Miss Beverly Britton served the guests with white cake squares decorated in pink and frosted punch which carried out the bride's chosen color of pink.

The hostesses gift of various electrical appliances, a bedspread and numerous pieces of Mrs. Bearden's selected pottery and stainless were among the 95 gifts registered.

Hostesses for the occasion were Mrs. Delvin Walden, Mrs. Kenneth Hinson, Mrs. Ernest Green, Mrs. Almon Whitford, Mrs.

James Packard, Mrs. Harlan Watson, Mrs. V. O. Bushy, Mrs. Kenneth Parish, Mrs. Troy Blackburn, Mrs. Harold Britton, Mrs. Elroy Wisian, Mrs. Ernest Baker, Mrs. Billy Clayton, Mrs. Howard Cummings, Mrs. Bryant Hucks, Mrs. Bill Mann, Mrs. Orville Drake, Mrs. Paul Wood, Mrs. Orlan Bibby, Mrs. Leon Foster, Mrs. Dallas Clyne, Mrs. Marvin Sanders, Mrs. Robert Bridge, Mrs. Les Watson, Mrs. John Bridges, Mrs. Donnie Clayton, Mrs. Frank McNamara, Mrs. Arnold Washington, Mrs. James Sanderson, Mrs. Jim Winder, Mrs. Ed Jones, Mrs. Clifford Hopping, Mrs. Jimmy Banks, Mrs. E. R. McAlpine, Mrs. Myrtle Clayton, Mrs. Roy Byers, Mrs. Hollis Cain, Mrs. Leta Kelley, Mrs. J. T. Gibson, Mrs. Marvel Caruthers, Mrs. Lowell Walden, Mrs. James Bushy, Mrs. Vivian Parish, Mrs. Edna Robnett, Mrs. Dale Chitwood, Mrs. Thomas Whitson, Mrs. Donald Kelley, Mrs. Ed Dawson, Mrs. A. E. O'Hair, Mrs. Pat McCord and Mrs. Allen Doggett.

The family of Dennis Simmons wishes to express our thanks for the many acts of kindness. The food, flowers, cards, visits, prayers, memorials and for being there when we needed you were appreciated so much.

May God extend his richest blessing on each and every one of you.

Mrs. Dennis Simmons, Mr. and Mrs. Mike Simmons, Dennis and Anita, Mildred Simmons.

IS IT SAFE for children to eat colored cooked Easter eggs? Yes, says Gwendolyn Clyatt, Extension consumer marketing specialist for Texas A&M University. A statement that the color is harmless is found on the dye package. She adds that it is best to eat the eggs within a day or two.

Local Couple Enjoys South American Tour

Mr. and Mrs. Pat McCord have recently vacationed in Lima, Peru and Panama.

During their stay in Lima, they visited in the home of their niece Mrs. Max Jennings, the former Mary Lou McCord.

Several side trips were made out of Lima. The most interesting one was to Cuzco, Peru, the home of the Inca Indians before they were conquered by the Spaniards. Also to Macchu Picchu, the Inca's Lost City which was only discovered in 1911.

From Cuzco they took an eleven-hour train ride to Puno, Peru where they took an overnight steamer across Lake Titicaca, the highest navigable lake in the world. They also visited LaPaz, Bolivia.

In Panama, the McCords were the guests of the Jim Shobe family. They viewed the Panama Canal from the control towers of the Gatun Locks and rode on the governor's boat through the Pedro Miguel and Miraflores Locks. They reported that the Canal Zone was extremely clean and beautiful.

Johnny Robbins Honored With Dinner

Johnny Robbins, three year old son of Mr. and Mrs. Jim Robbins was honored Sunday with a birthday dinner in the home of his parents.

A multi-color two-gunned cowboy decorated the chocolate covered cake.

Those present for the occasion were Jimmy Robbins, Lynda Robbins, Bobbi Parker, Mrs. Patti Parker and Mr. and Mrs. Robbins.

Springlake Girl Scouts Plan Outing

Springlake Girl Scout Troop 309 met in a regular meeting Monday afternoon at the Springlake Community Building.

The meeting was opened by Kaye Howell leading the Flag Ceremony, "America" and the Girl Scout Promise.

The troop was divided into patrols with Dina Jo Hampton and Tammy Davis as Patrol Leaders.

Plans were made for the troop camping trip to be held April 10 and 11 at Camp Rio Blanca. This trip will be included in the troop's work for the Troop camping Badge.

Refreshments of ice cream bars were served by Kathy King to Jill Barden, Tammy Davis, Susan Clayton, Connie Dear, Dina Jo Hampton, Kaye Howell, Pam Eagle, Ranae Winder and leaders Mrs. Sam Barden and Mrs. Wayne Davis.

The next regular meeting will be Monday, April 6.

Earth Brownies Practice Rhythm Exercises

Earth Brownies 101 met Monday, March 23, at the home of Mrs. Larry Price. Due to the warm weather the girls enjoyed a back yard meeting.

The meeting was opened with roll call, the Pledge of Allegiance, followed by "America," "Brownie Smile Song," and the Brownie Pledge.

The group discussed their 'jum' or rhythm sticks and by singing and tapping the sticks they discovered they were able to keep time with any song.

Mona Price served refreshments of ice cream bars to Lisa Pittman, Elaine Bills, Kim

Holder, Beth Pounds, Petra Lewis, Doniece Taylor, DeAnn Clayton, Cheryl Riggs, Lisa Camarillo, Sylvia Gonzales, Jody Daniels and leaders Mrs. Joe Camarillo and Mrs. Larry Price.

The meeting scheduled for March 30 has been cancelled due to the Easter holidays. The next regular meeting will be April 6.

Party Line

Sunday dinner guests in the R. S. Cole home were Carroll Cole, Lubbock, Mr. and Mrs. Clifford Bills and family, Denver City, Mrs. Frances Davis, Rodney, Gary and Mrs. Alice Martin.

Three Local TOPS Graduate At ARD Ceremonies

Several local Happy Losers TOPS Club members attended the North Plains of Texas 1969 Awards Event held in conjunction with the TOPS Area Recognition Day and KOPS graduation held Saturday, March 21, in Plainview.

Three local members participated in the graduation ceremonies. Mrs. Emily Clayton, Mrs. Phyllis Geisler and Mrs. Alma Ott graduated from TOPS (Take Off Pounds Sensibly) to KOPS (Keep Off Pounds Sensibly). To become a KOP the ladies had to reach their weight loss goal and keep the weight off.

Mrs. Sandra Daniels, local TOPS member was the Happy

Losers Club entry in the Queen's Parade. Mrs. Daniels has lost 42 pounds during the year.

Members of the local TOPS Club who attended the meeting were Mrs. Inez Inglis, Mrs. Emily Clayton, Mrs. Phyllis Geisler, Mrs. Alma Ott, Mrs. Marie Morgan, Mrs. Lucille Barnes, Mrs. Beverly Taylor, and Mrs. Sandra Daniels.

Over 40? Remember to ask your doctor about a procto as part of a regular health check-up. According to the American Cancer Society, it's your smartest move against a form of cancer that is most common among both men and women.

Earth WMU Has Visitation Day

The Earth WMU met Tuesday, March 24, in a regular meeting.

Mrs. Lillie Wuerflein was in charge of the prayer calendar. The group participated in visitation of those who were ill, shut-in and the newcomers of Earth.

Present for the meeting were Mrs. Price Hamilton, Mrs. Lillie Wuerflein, Mrs. A. E. O'Hair and Mrs. Alice Martin.

Heaviest bell in the world is the Tsar Kolokol, weighing 216 tons. It was cast in Moscow in 1733.

Local Rebekah Installed As District Deputy

Mrs. Orbie Armstrong and Mrs. Lucille Henderson, members of the local Rebekah Lodge attended the state Rebekah and Oddfellow Assembly and installation held Tuesday, March 17, in San Antonio.

Mrs. Henderson, representative for the Earth Lodge, was present Tuesday, March 17, when Mrs. Armstrong was installed as district deputy.

Lodges included in the district are Earth, Muleshoe, Littlefield and Needmore.

Assembly and installation exercises were held in the Centennial Building, site of the 1968 World's Fair in San Antonio.

Rebekahs from the entire state attended the assembly and were given instructions concerning lodge rules and the installation of local officers.

Accommodations for the event were provided by the Blue Bonnet Hotel.

Faye Hay TOPS Queen Of The Week

The TOPS Happy Losers met at the Goodwill Centre Thursday, March 19. Fifteen were weighed in showing a loss of 4 1/2 pounds.

Faye Hay was Queen of the Week with a 1 1/2 pound loss with Lois Rudd runnerup with a one pound loss.

Plans were made to go to Plainview Saturday, March 21, to attend the TOPS Area Recognition Day. Four local TOPS members were to participate in graduation exercises at the ARD Meeting. They were Mrs. Alma Ott, Mrs. Faye Hay, Mrs. Emily Clayton and Mrs. Phyllis Geisler.

The meeting was dismissed with the group saying the Serenity Prayer.

New officers are to be installed at the next regular meeting Thursday, March 26.

Girl Scouts Plan Troop Camping

Earth Girl Scouts Troop 373 met in regular meeting Monday, March 23.

Work was completed on the troop badge.

The group discussed plans and menus for the troop camping to be held at Camp Rio Blanco in May.

Donna Dudley and Sherry Winters served refreshments to Bren DeJew, Pam Ott, Joyce Ingram, Margaret Rivers, Treasa Lively, Deborah Daniels, Cindy Dent, Kathy Winters, Neasha Lewis, Toni Inglis, Kim Dent, Carman Wimberly and leaders Mrs. Nathaniel Ingram and Mrs. Raeford Daniels.

A Warning? It could be something ordinary, hoarseness or difficulty in swallowing. But if it persists for two weeks, the American Cancer Society suggests that you see your physician.

Springlake WMU Studies 'Path To The Cross'

The Springlake WMU met Tuesday, March 24, at the First Baptist Church of Springlake.

Don Holmes, pastor, presented the Bible Study program on the decisions made by Jesus that led to the cross and what these decisions mean to our lives.

For background material Rev. Holmes used Matthew 3: 13-16, the decision of Jesus to accept the angelic roll and to be baptized; Matthew 4: 1-11, the decision of Jesus to refuse to be tempted; Mark 8: 31, Jesus' decision to separate himself from his earthly family; Mark 12: 14, His religious decision in nature when Jesus refused to let His Father be bound to earthly religions; Matthew 6: 15, the decision made to reject an artificial solution or shortcuts to God; and Luke 23: 39, the eternal decision to die into Himself.

Those attending were Mrs. Lowell Walden, Mrs. Herbert Miller, Mrs. Ilo Sanders, Mrs. Criswell, Mrs. Velma Paden, Mrs. Alford Whitford, Mrs. Don Holmes, Mrs. Myrtle Clayton and Mrs. N. O. Drake.

'Importance Of Missions' GA Theme For April

The Intermediate GA's of the First Baptist Church of Earth met Tuesday afternoon for a planning meeting for April.

The unit theme will be "Importance of Missions" and the girls will be concerning themselves with various religions including Hinduism, Buddhism, Confucianism, Islam and Christianity.

Study leader for the month will be Nancy Cantrell with Peggy Cantrell serving as activity leader.

Alice Johnson was in charge of the prayer calendar. She read Matthew 26: 14-25.

Those present were Joyce Thomas, Mary Johnson, Margaret Hood, Barbara Lanier, Peggy Cantrell, Nancy Cantrell, Tammy Fulemwidler, Patricia Lanier and Alice Johnson.

Springlake Brownies Make Recipe Holders

Springlake Brownie Troop 308 met Tuesday, March 24, in a regular meeting at the Springlake Community Building.

Sue Bradley led the group in the Pledge of Allegiance, "America," "Brownie Smile Song," and the Brownie Pledge.

Junior leaders Carlene Jones and Kathy Bibby supervised the making of recipe holders for mother's Easter gifts. The holders were constructed of

clothes pins, dowel pins and small flower pots. Leaves and tulips were glued to the top for decorations.

Nettie Palacio served refreshments of Cokes to Carrie Barden, Sue Bradley, Lyndsey Fields, LaCretia Jones, Treasa Lunsford, Kim Haydon and leaders, Carlene Jones, and Kathy Bibby.

YOUR NEW FLOOR COVERING WILL BE EXPERTLY INSTALLED BY OUR FACTORY TRAINED CRAFTSMAN.

Earth

Sunbeams Begin Mission Study

The Earth Sunbeams met Tuesday, March 24, at the First Baptist Church of Earth.

Study of a new mission book began with a mission story.

Refreshments of grade juice and potato chips were enjoyed by Troy Seals, Andy Hartman, Rodney Davis, Kyle Kelley, Stephanie Tunnell, Paula Verden, helper Debbie Verden and leader Mrs. Bill Verden.

Largest rope ever made was 47 inches in diameter.

"Service With A Smile"

FULFER GULF in EARTH

Best Tip Yet

Lung cancer is the leading cause of cancer death among American men. "Best tip yet," says the American Cancer Society, "Don't Smoke Cigarettes."

The best way to avoid skin cancer is using caution in the sun. Cover up, wear a hat, use protective lotions. The American Cancer Society says it's just common sense to prevent a common form of cancer.

Eastern Star Plans Friendship Night

The Earth Order of the Eastern Star met for a regular meeting in the Earth Masonic Lodge Hall Monday, March 23, at 7:30 p.m.

Worthy Matron, Mrs. Oleta Sanders, opened the meeting in regular form.

Reports on those sick in the community were given.

The program "Lessons in the Life of Esther" was presented by Mrs. Sanders.

Invitations from the various Star orders in the surrounding

area inviting the Earth Eastern Star to Friendship nights during April were read. Plans were made designating Monday, April 13 as Friendship night for the local order.

Hostess, Mrs. Gladys Laing, served lemon jello pound cake and Cokes to the nine present.

Following the meeting, the group made plate favors for the School of Instruction Banquet to be held Thursday (tonight) March 26 at the Holiday Inn in Plainview.

Community Mothers Discuss Scouting Programs

The Community Mother's Meeting for Girl Scouts was held Monday, March 23, in the home of Mrs. Wayne Davis of Springlake.

The group participated in a discussion concerning day camp and planning a wider program for Girl Scouts.

Refreshments of cookies, coffee and Dr. Peppers were served

by hostess Sybil Davis to Mrs. Peggy Lively, Mrs. Beverly Taylor, Mrs. Sandy Daniels, Mrs. Virginia Barden, Mrs. Novella Price, Mrs. Rosy Camarillo and guest Peggy Schugartre of Lubbock.

100,000 doctors have given up cigarettes. You can too, says the American Cancer Society.

WSCS Continues Effects Of Using Runoff Water In Recharging Wells Studied

'China In Change' Study

The WSCS of the Earth United Methodist Church met in a regular meeting Tuesday, March 24.

Mrs. Naomi Burgess opened the meeting with the devotional.

For the program Mrs. Jane Beavers presented the third study session of "China in Charge." This session dealt with the early history of the leaders of China.

Those present at the meeting were Mrs. Ida Allen, Mrs. Bess Cearley, Mrs. Ross Brock, Mrs. Orville Cleavinger, Mrs. Ray Astell, Mrs. J.A. Littleton, Jr., Mrs. Naomi Burgess, Mrs. Doug Parish, Mrs. Jack Hinson, Mrs. Beula Coker and Mrs. Jane Beavers.

A cooperative study by the High Plains Research Foundation and the Texas Water Development Board of the effect of using runoff water in recharging wells on the High Plains has been agreed upon by the Foundation and the Board, Tom Longnecker, Director of the High Plains Research Foundation, announced today.

The objective of the study, Longnecker said, "is to determine the effects of recharge of surface water into the Ogallala groundwater reservoir. The study, Longnecker added, would determine the effect of the recharge on the movement of water to and from the well, the effect of suspended solids on the aquifer characteristics, and the effect of artificial recharge on groundwater quality.

The study will be carried out by personnel from the High Plains Research Foundation at Plainview. The recharge and observation wells to be used in the study are located on the Paul Stuley farms northeast of Plainview.

The 61st legislature appropriated \$20,000 to the Texas Water Development Board for its share of the costs of the two-year study. The remainder of funds, \$28,264, will be provided by the Foundation during the study period.

Longnecker said a progress report on the study will be made to the Foundation and the Board by the end of this year. The final report will be submitted by August 31, 1971.

The High Plains Research Foundation has been engaged in artificial recharge studies since 1957. Full use will be made of previous studies in the new study, Longnecker said.

Rebekahs Visit Muleshoe Lodge

Sunbeams Study 'The World Of Missions'

The Springlake Sunbeams met Wednesday, March 18, and enjoyed an interesting program entitled, "The World of Missions," which consisted of stories about children in different parts of the world, how they live and how they worship.

The group discussed the Easter egg hunt they had planned for Wednesday, March 25.

Following prayer time refreshments of cookies and Kool-Aid were served to Kathy Cain, Michael Fields, Kyle Holmes, Rocky Lunsford, Kelley Walden, Connie Cain and leader Mrs. Bill Lunsford.

Delta Kappa Gamma Meets In Sudan

The Epsilon Delta Chapter of the Delta Kappa Gamma Society met in the home of Mrs. Hazel May of Sudan in a regular meeting.

Those present participated in the singing of songs and the regular business meeting. A report was made by the nominating committee and officer candidates were nominated.

Anna Lee Neale brought the birthday greetings as the program.

Mrs. Monarae Cummings, Springlake, was present at the meeting.

Wish I'd Said That

A man cuts his wisdom teeth when he bites off more than he can chew—Elizabeth W. Spalding, The (Bardstown, Ky.) Standard.

Marshall Kelley is a patient in the Amherst Hospital. Mr. Kelley, suffering from emphysema, is reported to be improving.

PLANT THREE...

It is usually desirable to plant three varieties to spread the harvest season and to be able to start harvest early, to keep all pollination from occurring at once in what may sometimes be a damaging drought period, and to better adapt to variations in soil, climate, diseases and insects.

EARLY MATURITY

XL-45a Single cross twin of XL-45. An amazing yielder for this area.

Short tough... bred for high populations, narrow rows. XL45a and XL45 have made more 200 bu. yields than any other hybrid.

MEDIUM MATURITY

XL-72 TOPS AT TULIA TEST

PRODUCTIVE NEW SINGLE.

It is definitely a high population hybrid with ability to take harvest populations in the 22,000-24,000 bracket.

In addition to its other qualities, XL-72 has a considerable degree of M. D. M. Resistance.

Plant it thick in narrower rows. Watch it pour-out the yield. Ears are long, uniform.

MEDIUM LATE MATURITY

XL-81 TOPS AT HART TEST

Sensational yield leader for this area. Strong stalks carry long ears, placed low.

Plant Height---Medium Tall.

Ear Type---Straight-rowed, well dented, with wide flat kernels.

Resistances---

- Leaf Blight-Excellent
- Corn Borer-Excellent
- Stalk Rot-Excellent
- Drouth-Excellent

Sunnyside News...

By Tenny Bowden.

The store opening Monday was a great day, and business has been good all week. In both the cafe and the grocery store business was better than expected.

Mr. and Mrs. Floyd Ivey took her sister from Ohio to Amarillo to the plane last Sunday after she had spent two weeks here. She and Mrs. Ivey spent last week in Abilene with their mother who is gravely ill. Her sister from Amarillo, Mrs. Jewell Barnard, is in Abilene this week and calling her every day or two in regard to going back.

Marlan Dawson attended the FHA Area I Convention at Amarillo with the Springlake-Earth group last Friday and Saturday. She helped to provide the entertainment as a member of the Ina Dee Singers. Other members are Karen Dear and Becky Littleton.

Mr. Irving King returned home from Amarillo last Sunday after spending several days with her mother and other relatives. Her granddaughter, Mrs. Mike King of Hereford had surgery in Amarillo last week.

Mr. and Mrs. Roy Phelan spent last Tuesday night with Mr. and Mrs. Loyd Morris of Tulsa and with them last Thursday and Friday at their cabin on Greenbelt Lake near Clarendon. They returned home last Saturday.

Natalie Domes visited Monday afternoon with her sister Ramona, Mr. and Mrs. W. E. Louder and Mrs. Ezell Sadler. Mrs. A. L. Aven of Hart spent the day Monday with Mrs. Lillian Carson and family. Mr. and Mrs. Dubby George and Gregg of Dimmitt moved in with Mrs. Carson until they can remodel the rent house on their place.

Rev. Mack Turner and the evangelist, Robert Baldridge of Parkview church in Plainview had dinner Monday with Mr. and Mrs. Ezell Sadler and they and Mrs. Turner had supper with Mr. and Mrs. E. R. Sadler Monday night.

Tommy Alair and Gerald Graham were elected to the Springlake-Earth Board of Directors of the Jr. Livestock and Project show Monday at the annual banquet and barbecue given to honor the buyers, exhibitors, and donors.

Janis Bridge was crowned Queen in the Springlake-Earth Lion's Queen Contest Tuesday night. She was one of nineteen contestants. She will receive an expense paid trip to the District 22 Contest, a \$100 wardrobe allowance and a \$100 scholarship to her favorite college.

Mr. and Mrs. Cliff Brown attended the Tide Products first annual Awards Banquet in Lubbock Monday night. Cliff received his Master Salesman award and his five year service pin.

Mr. and Mrs. Howard Bridges visited Monday afternoon with

Mr. and Mrs. E. R. Sadler. They are visiting their son, Mr. and Mrs. John Bridges, Bruce and Brad of Earth for a few days.

Rev. Mack Turner and Rev. Robert Baldridge had dinner Tuesday with Mr. and Mrs. J. Paul Waggoner and supper Tuesday night with Mr. and Mrs. Curtis Snitker and family. Mrs. Turner, Sammy Nichols, and Thomas Parson were also supper guests of the Snitkers.

Several from the community attended the open house at the school in Dimmitt Tuesday night.

The Springlake-Earth Little Drizzlies participated in three games last Friday night. In the minor league the Hopping team won over the Bridge team 15-8. Lynn Brown plays on the Bridge team. Mark Bridge plays on the Hopping team.

The Cleavinger team defeated the Hopping team in the Major League 23-15. Lee Brown and Cliff Dawson are on the Cleavinger team.

Thursday night the Cleavinger team won 27-10.

Robert Bridge was admitted to Plains Memorial Hospital in Dimmitt last week.

He was admitted to the Littlefield hospital this week on Wednesday. He had a collapsed lung. Mark Bridge was admitted also with a possible attack of appendicitis but was dismissed in a day or two. He was in the room with his daddy for observation.

A good ground cover of snow was received last Sunday night after a trace of rain. It snowed almost all day Friday, mostly melting as it fell. A beautiful snow that we seldom see because there was no wind and it collected on the trees and evergreens. Started freezing during the night, but melted off Saturday.

Rev. Mack Turner and Rev. Robert Baldridge were dinner guests Wednesday of Mr. and Mrs. Melburn Haydon, and supper guests of Mrs. Turner.

Mrs. Mark Wysong and Mrs. Sammy Nichols attended the revival services with him Wednesday night. Sammy and Rev. Baldridge have been driving home after the revival services each night. Mrs. Nichols attended again Friday night. Also Mr. and Mrs. Mark Wysong. There was no Saturday morning services.

Mrs. James Powell of Dimmitt spent the day Wednesday and again Thursday with Mr. and Mrs. Ezell Sadler.

Mr. and Mrs. David Sadler and Melody of Lubbock arrived

Friday night to spend the weekend with relatives here and here.

Mrs. Lillian Carson visited Friday morning in Plainview with Mrs. Manell McWilliams and in Hart with her mother, Mrs. A. L. Aven.

Arthur Ruiz, who lives east of the Lloyd Blantons and works for Roy Phelan was in a minor accident Thursday in Oton. No one was injured, but his car was damaged some.

Rev. Mack Turner and Rev. Robert Baldridge were dinner guests Thursday of Mr. and Mrs. Roy Phelan and they and Mrs. Turner had supper with them Thursday night. The preachers ate with Mr. and Mrs. Arthur Wilson Friday at noon and they and Mrs. Turner were their supper guests Friday night.

Mr. and Mrs. J. W. Carr and boys received word this week that Iva Jean (Carr) Miller's little girl was to undergo serious kidney surgery Thursday. She and her husband live in Tennessee.

Randy, Tresa and Cheryl Powell of Dimmitt spent Friday night and Saturday with Mr. and Mrs. Ezell Sadler and the David Sadlers.

Mr. and Mrs. R. V. Bills visited in Dallas last week with their son, Mr. and Mrs. Larry Don Bills.

Mrs. Thomas Parsons came in from Fort Worth Friday night. Her father was some better.

Mr. and Mrs. Larry Odom of Hereford spent Saturday, Sunday night, and until Sunday afternoon.

Karen Shook who teaches school at Kermit spent Saturday night and Sunday with Rev. and Mrs. Mack Turner. She is a former student of Mrs. Turner at Lockett, and her daddy was Mrs. Turner's Superintendent. She attended the revival services with them.

Mrs. Sammy Nichols parents, Mr. and Mrs. Donald Grusenodorf from Enochs and Mr. and Mrs. Mark Wysong of Plainview visited in the revival services Saturday night, and the Wysong again Sunday and Sunday night.

Cather McGowan of Amarillo, brother of Richard McGowan, died of a heart attack Friday morning. The Richard McGowan family attended the funeral

TEXAS SCHOOL TODAY USE Newspapers In The Classroom

Austin--The public schools and commercial newspapers of Texas are natural partners in a common cause--educating and informing the people.

The schools, traditionally, have done it with books. Newspapers, traditionally, have waited for young people to grow into adulthood before claiming them as readers of anything more serious than sports and comic strips.

But times have changed, and many Texas teachers now are using newspapers in their classrooms as "living textbooks."

Sosays an article in the March issue of Texas Schools, the quarterly newspaper of the 127,500-member Texas State Teachers Association.

Monday in Amarillo. Randy Ball went with them.

The local printing class was conducted Saturday afternoon with Mrs. Bonnie Swinney instructing.

Rev. and Mrs. Mack Turner, Rev. Robert Baldridge, Sammy Nichols, and Mr. and Mrs. Mark Wysong were Sunday dinner guests of Mr. and Mrs. Noah Spencer.

Mrs. Robert Baldridge and their son and daughter from Plainview were in the Sunday evening services. Dr. Reese and his wife and daughter were also visitors in the evening services. He is the science teacher at Wayland.

Several visitors were in the Sunday morning revival services. Results of the revival was one conversion and numerous rededications. Ninety six attended Sunday School with 52 in Training Union Sunday.

Mr. and Mrs. Clyde Akers of Lubbock spent Saturday and Sunday with Mr. and Mrs. John Spencer.

Keep in mind the community meeting April 3rd. This will be Friday night.

The Easter Pageant will be at 4:00 a. m. Easter Sunday morning on the gin yard. They still need more helpers.

The article states that newspapers, used in the lower grades through senior high, are bringing a new relevance to teaching, a new enthusiasm for learning, and a new response marked with "I think" rather than "the book says" answers from students. The article continues:

A growing legion of Texas teachers are sold on the use of newspapers as supplementary teaching material in language arts, social studies, mathematics, science, health and safety, art, music, history, home economics, public speaking. Whatever the course, somewhere in Texas there's a teacher who can tell you how she made it more meaningful through use of newspapers in the classroom.

Fatsy Jean Leftage, a Houston teacher whose perceptive report of the use of newspapers in teaching was published by the Houston Chronicle, wrote:

"Educators saw that the newspaper was an incomparable tool for making learning relevant and encouraging student involvement, for the newspaper is a product of the adult world which the child seeks to enter."

The TSTA article states that a group of leading education and journalistic associations initiated the "Newspaper in the Classroom" program on a national basis in 1959.

A Home Given By Specialist Interesting Tips On Lighting

Lighting for art work ranges from ceiling lamps, daylight and spotlights to simple table lamps.

There are no strict rules for how art, such as paintings and sculpture, should be lighted, according to Bonny Lay, Extension housing and home furnishings specialist at Texas A&M University.

If you are building or decorating and plan to do a major job of lighting works of art, Miss Lay suggests consulting a lighting consultant to have the type of lighting which gives you the most enjoyment.

Daylight can work in interesting ways on art as long as the glare does not obscure it, as the light changes during the day, you can observe different reflections.

For night, electric lights are the choice; taste, money and availability influence it. For people with few pictures, table

lamps may be sufficient, for special lighting means special wiring and devices which cost money.

The simplest picture lights are metal reflectors attached to the top or bottom edge of a standard frame, plugged into an outlet and adjusted to give the best light on the picture.

Pinpointing effects can be achieved with spotlights in various sizes and shapes which can be placed in the ceiling, across the room, or behind a plant to conceal the source of the light, Miss Lay says.

They can be adjusted to shine a soft halo of light onto the work of art and its surrounding wall or to focus a trimmed beam with knife edge focus exclusively on the picture.

To light an entire wall or a large area for a sculpture, a strip of swiveling lamps attached on a track to the ceiling may be used.

17-year-old Rose Marie Klespitz of Aurora, Illinois, who captured the national Miss American Teen-Ager 1970 crown, boosts the American Cancer Society's annual Crusade. A nonsmoker, she gives teen-agers and adults this health tip: "Don't Start!"

Governor Urges "Drive Friendly" For Traffic Safety

Governor Preston Smith is continuing an all-out effort on traffic safety with use of "Drive Friendly" to make an impact on

Texas drivers. "Drive Friendly" was officially introduced by the Governor in Austin.

"I am deeply concerned over the ever increasing trend of death, injury and economic losses on our streets and highways from traffic crashes and I intend to apply all the influence and prestige of the Governor's Office to do something about it," he said in Austin today at an official introduction of "Drive Friendly."

"Texas now, for the first time, has a coordinated traffic safety program aimed at one target—the citizens of this State who operate motor vehicles. This program has but one objective—to keep Texans from killing and maiming themselves and each other at a rate which staggers the imagination," he continued.

"1969 witnessed an all time high of over 3,500 dead citizens, 250,000 injured at a cost approaching one billion dollars. The most distressing part of this is the tragedy and heartbreak which resulted, but an equally disturbing aspect of this record is the fact that nearly half of these cases involved a drinking driver."

"I am convinced Texas citizens can do something about this, because I have utmost faith in the people of this State. So, I am appealing to every motorist to follow what "Drive Friendly" means.

"Drive Friendly" simply means:

• Operating your vehicle as a responsible citizen.

• Obeying all traffic laws.

• Respecting state and local police officers who patrol streets

and highways for our benefit. • Being generous with your right of way. If in doubt, give it to the other driver. It's not worth dying over.

• Keeping your vehicle in good operating condition.

• Not driving when in an unfit condition—particularly while drinking.

"I strongly urge all news media, private employers, local governments, civic clubs, women's groups and all other community organizations to get behind "Drive Friendly", and I appeal to all law enforcement agencies and traffic courts to be as strict and firm as the law allows to convince errant drivers that "Drive Friendly" has a real meaning.

"If "Drive Friendly" is seen and heard enough around this state, I believe an impact can be made and these needless tragedies will not strike the homes and citizens of Texas in such appalling proportions", the Governor concluded.

Over 400,000 "Drive Friendly" dashboard, window and bumper stickers are already in use in Texas. They are used on state vehicles, driver education cars and school buses. Business firms are using them on company vehicles, billing statements, insurance policies, new car papers and under letter signatures. All correspondence from the Governor's Office carries a small "Drive Friendly" sticker under the name of the signer. Stickers can be obtained at nominal cost by writing "Drive Friendly", Governor's Office, Austin, Texas 78711.

MAKE YOUR OWN TEST

Mexican Pottery Poisoning Can Cause Severe Illness

Homemakers can test their own Mexican pottery to detect harmful lead in the glaze. The lead can cause severe illness through lead poisoning.

Recently the Food and Drug Administration warned that continued use of some Mexican pottery or earthenware for food purposes could cause lead poisoning.

Lead is a cumulative poison so it is essential for people to take all steps possible to see that lead intake is kept to a minimum, according to Frances Reasonover, Extension foods and nutrition specialist at Texas A&M University.

The homemaker can place vinegar in the dish or casserole and let it stand overnight. The dish should be only partly filled with vinegar so she can easily see if there is any difference in the glaze below the vinegar line, says the specialist.

If she detects a change in the glaze, the dish should be used only for non-acid foods. Acid foods include fruits such as tomatoes and citrus fruits and vegetables such as green beans, spinach and broccoli. If the homemaker wishes to bake in the pottery, Miss Reasonover suggests lining the dish with aluminum foil.

Pottery that shows a rough or dull glaze rather than a glossy one gives the most lead when mildly acid solutions are placed in it, Miss Reasonover says. She recommends that the careful consumer test any highly glazed dishes before using them for foods with a high acid content.

The warning has been conveyed by FDA to all state health authorities as the first in a series of steps to remove hazardous products from the market. Action is based on FDA's legal responsibility to protect the health of the U. S. consumer the specialist adds.

The U. S. government has informed the Mexican authorities of these measures in order to cooperate in finding a solution to the problem.

FDA chemists test glazes with a five per cent acetic acid solution. They let the acid stand overnight in the dish then analyze the solution for lead. In all of the dishes they have tested lead showed up when the glaze had been visibly dulled by the acid solution.

PARTY LINE

Mrs. L. H. Galloway, Leah, Lisa Morgan and Vicki Watson shopped in Plainview Saturday. They also visited in the home of Mrs. Galloway's daughter, Mr. and Mrs. Joe Nemecek.

Robert Walker, Lubbock, is guest this week in the home of Mr. and Mrs. Forrest Simmons.

TO DYE THE EGG shell for Easter, and not the white of the egg, start with eggs that do not have cracks, notes Gwendolyn Ciyatt, Extension con-

sumer marketing specialist at Texas A&M University. Keep the dye water warmer than the egg. If a warm egg is left in cool water, the dye may seep through the pores of the shell.

Census Takers Training

Census takers who will visit every dwelling unit in the area during the 1970 Census of Population and Housing, which starts April 1, will be trained on March 30 and 31, District Manager R. L. Butler announced today.

The training sessions will be conducted by crew leaders. Emphasis will be placed on the importance of a systematic, thorough canvass of every dwelling unit during the census to insure a complete count. Classroom training will cover the proper manner of asking questions, use of the census questionnaire, census definitions, and map reading.

Map reading is an important census-taking technique, since, without maps defining the limits of each enumeration district to which a census taker is assigned, the job would be a welter of confusion. Each census taker is provided a map of his enumeration district. As he makes his rounds, he will be required to canvass every street and road and visit every dwelling unit within the boundaries of his assigned district.

AMONG THOSE WHO ARE ILL

Mrs. Clara Kelley is a patient in west Texas Hospital in Lubbock. She entered the hospital Monday, March 23, to undergo a series of tests.

Floyd Bills returned home Tuesday, March 24, from the Medical Arts Hospital in Littlefield where he underwent various tests.

Bradley Takes Second Place

Despite bad weather and the absence of a few team members the Springlake-Earth High School track team scored 16 team points with David Bradley capturing second place in the pole vault event with a 12 foot vault.

The local relay team tied for fifth place in the sprint relay. Members of the team were Tony Barton, Steve Sanderson, Ricky Enloe and Willie Wilborn. Wilborn tied for fourth place with an area team member in the long jumping contest.

Friday, March 27, the Wolverine track team will be competing in the Roosevelt High School relays at 2 p. m. at Roosevelt.

Apply Terraclor Super-X the first time you plant cotton.

Think for a minute what it costs to replant an acre of cotton that doesn't make a stand. There's the cost of seed, fertilizer, herbicides, insecticides, equipment, operators and the precious time. Multiply that by the number of acres you could lose to seed and seedling disease.

Now think about Terraclor Super-X Soil Fungicide. It could very well eliminate replanting. Here's why: Terraclor Super-X is a combination of two Olin discoveries that effectively control the fungi that cause cotton seedling disease.

How important is this to you? The regional Cotton Disease Council reports that losses average \$60,000,000 a year to seedling diseases alone.

Terraclor Super-X is applied while you plant. Your cotton seed is surrounded by protection in the furrow, where it counts. As the seed germinates and the seedling emerges, the fungi that kill un-

protected plants are held off by Terraclor Super-X. You get a healthy, vigorous stand from only one planting.

About seed treatments: They are great... as far as they go. But seed treatment protection lasts only until the seed coat opens and the seedling grows into untreated soil. That's when you need Terraclor Super-X in the furrow.

Terraclor Super-X is available from your Olin dealer in three formulations: granular, liquid and dust. A special formulation is available with a quality soil systemic insecticide impregnated in the granules for combination fungus and insect control.

If you don't know your local Olin dealer, write to Terraclor Super-X, P. O. Box 991, Little Rock, Ark. 72203 for his name.

You ought to get to know him. He can help you get a good stand from only one planting. That's one good reason he is known as the rare bird in the business.
