

Students Must Be Properly Immunized

Are you children properly immunized for the 1971-72 school year?
It is now required by the State of Texas that ALL students enrolled in school have certain immunizations to safeguard their health and the health of others.

Children enrolled in kindergarten and grades 1 through 5 or ages 5-11 are required to have the following immunizations:
POLIO: At least three (3) doses of oral vaccine provided 1 or more doses have been received since the fourth birthday.
DIPHTHERIA-TETANUS: Minimum of three (3) doses with at least one dose having been received since the fourth birthday (usually given as DPT for children less than 6 years of age and TD for children 6 years of age and older). DPT inoculations are for the prevention of diphtheria, tetanus and

Former S-E Students Graduate From TSTI

Among the 62 members of the first graduating class at Texas State Technical Institute will be Mary Lou De La Cerda, Vicki Sollis, Paula Wilborn and Randal Blanton all former Springlake-Earth students.

Miss De La Cerda, a 1970 Springlake-Earth High School, has majored in Technical Communications at State Tech during the past year. While attending classes on the Mid-Continent Campus of TSTI, Miss De La Cerda was chosen president of her class and was a member of the Student Center Committee. She is the daughter of Mr. and Mrs. Paul De La Cerda of Earth.

Mrs. Sollis, a 1970 graduate of Springlake-Earth High School, has majored in Technical Communications at State Tech during the past year. While attending classes on the Mid-Continent Campus of TSTI, Mrs. Sollis was chosen Secretary of the Rodeo Club, and Miss TSTI and was on the Vice-president's honor roll the first and second trimesters. She is the daughter of Mr. and Mrs. Carl Gregory of near Earth.

Miss Wilborn, a 1969 graduate of Springlake-Earth High School, has majored in Technical Communications at State Tech during the past year. While attending classes on the Mid-Continent Campus of TSTI, Miss Wilborn was chosen secretary-treasurer of her class first trimester and Vice-president of the class for the second trimester. Miss Wilborn was also chosen a member of the Student Congress of TSTI. She is the daughter of Mr. and Mrs. Nathaniel Ingram of Earth.

Blanton, who attended Springlake-Earth High School, has majored in Livestock and Ranch Operations at State Tech during the past year. While attending classes on the Mid-Continent Campus of TSTI, Blanton was an active member of the LRO Club, composed of students interested in Livestock. He is the son of Mr. and Mrs. L. M. Blanton of Hart.

Red Cross Secretary Named

At a special meeting of the Lamb County Chapter of the American Red Cross on Friday, July 23, Mrs. Wayne Streety of Littlefield was elected executive secretary for the organization.
Mrs. Roy Wade resigned this office, effective August 15.

HS Registration To Begin August 12

Registration for the 1971-72 school year at Springlake-Earth High School is scheduled to begin at 9:00 a.m. on Thursday, August 12.
Registration will be in accordance with the following schedule:

THURSDAY, August 12
9:00 - 10:00, Seniors whose last name begins A - G
10:00 - 11:00, Seniors whose last name begins H - P
11:00 - 12:00, Seniors whose last name begins Q - Z
1:00 - 2:00, Juniors whose last name begins A - G

2:00 - 3:00, Juniors whose last name begins H - P
3:00 - 4:00, Juniors whose last name begins Q - Z
FRIDAY, August 13
9:00 - 10:00, Sophomores whose last name begins A - G
10:00 - 11:00, Sophomores whose last name begins H - P
11:00 - 12:00, Sophomores whose last name begins Q - Z
1:00 - 2:00, Freshmen whose last name begins A - G
2:00 - 3:00, Freshmen whose last name begins H - P
3:00 - 4:00, Freshmen whose last name begins Q - Z

Lion Boss Names Committee Members

During the weekly noon luncheon of the Earth Lions Club Tuesday, July 20, Lion Boss Phillip Haberer appointed committees and chairmen to serve during the 1971-72 year.
First vice president Weldon Barton will be overseeing the attendance committee with chairman Donald Street and M. H. Bean; finance committee, chairman Harold Miller and Leonard Harper; membership committee, Norman Hinchliffe chairman and John West; and the constitution and by-laws committee, J. A. Littleton, Jr. chairman and Donald Runyon.

Wrecks Plague U.S. 70

Four accidents were reported on U.S. 70 in Springlake and Earth to hamper weekend travel for several motorists.

A two-car collision occurred at the intersection of U.S. 70 and 385 in Springlake at 2:45 p.m. Thursday. Wanda Washburn Brooks was driving a 1968 Pontiac west when a northbound car driven by Dorothy Gilbreath of Route 2, Hart, pulled into the path of the Brooks car after coming to a stop.

The front center of the Gilbreath vehicle hit the left rear of the Brooks car. There were no personal injuries.

Earth was the scene of a two-car accident Sunday at the intersection of U.S. 70 and FM 1055. A northbound 1963 Thunderbird driven by Juan Lugo of Sudan was stopped at the intersection when it was struck from the rear by a 1963 Mercury driven by Joe Dias Guzman also of Sudan.

Investigating officer, City Marshal Alvin Pittman, issued one citation for driving without a license. No serious injuries were reported and total damages to both vehicles was estimated at approximately \$300.

Another accident occurred at the U.S. 70 and 385 intersection in Springlake about 4:45 Sunday afternoon involving a 1964 Buick driven by Nettie Wilson of Lubbock and a motorcycle driven by Ruben De Leon of Friona.

The southbound Wilson vehicle came to a halt at the intersection and then pulled out into the path of the DeLeon motorcycle which was traveling east.
DeLeon's motorcycle collided with the Wilson auto and he was thrown across the hood of the car before hitting the south caution light knocking it from its base.
DeLeon was taken to a Little-

field hospital by Parsons-Ellis-Singleton ambulance of Earth where he was treated for cuts and bruises before being transferred to Friona.
Nellie Wilson was cited for a right of way violation by investigating officer, Bill Angel, highway patrolman.
The DeLeon motorcycle was totally demolished and no damages were incurred to the Wilson vehicle.
Miss Bobbie Jan Blackburn was injured Thursday when her car overturned one and one-half times after she avoided hitting a pickup driven by Bunyon Clifton Cooner of Olton two miles west of Springlake on U.S. 70. Cooner pulled onto the highway into the path of the Blackburn vehicle. Miss Blackburn steered between the Cooner vehicle and a pickup which was sitting in the ditch by the highway heading west before she went into a skid and into a ditch before overturning.
A citation was issued to Cooner for an improper start by investigating officer, Bill Angel, highway patrolman.

When repairing farm machinery, stop it before working on it!

My Neighbors

"You know, a dog's life isn't just too bad if you're a dog, what?"

Earthquakes Conducting Subscription Drive

Is your newspaper subscription about to expire or are you not on our subscription list? If you are not currently a subscriber to the Earth News-Sun and just can't seem to get by the office, FEAR NOT!
You may renew your subscription or become a new subscriber by simply cooperating with members of the Earthquakes.

This group of area youths has been divided into smaller groups to canvass the area to secure subscriptions to the News-Sun.
The group began working on the project last week and will continue until Monday, August 2. Persons to be contacted are those residing in Earth, Springlake, LaBuddie, Dodd, Sunnyside, Flagg, Pleasant Valley and other areas.

For each subscription sold, the Earthquakes are to receive a \$1.50 commission. For each 100 sold daily the News-Sun will be awarding \$25 to the choir.

The group has undertaken this project to aid in defraying expenses for their summer tour set for August 6, 7 and 8.

If you wish to renew or subscribe and are not called upon, you may contact any member of the Earthquakes: Kathleen Anderson, Melissa Been, Colita Biles, Chris Brock, Jimmy Coker, JoAnn Coker, Guy Davis, Karen Dunnam, Brenda Dunnam, Donna Dunnam, Charla Dunnam, Chuck Dunnam, Marian Dawson, Paige Gaston, Shelley Gaston, Dye Gaston, Roberta Gaston, Hoyt Glascock, Evan Hamilton, Karen Hinchliffe, David Hinchliffe, Teri Inglis, Kim Kelley, Johnny Kelley, Scott Lee, Tracy Lee, Teresa Liveley, Becky Littleton, Darlene Messer, Bobby Miller, Bill O'Hair, Kenny O'Hair, Darlene Sulser, Carl Sulser, L'Anna Sulser, Chuck Smith, Greg Slover, Larry Thomas, Ronnie Thomas, David Wislan, Gena Wislan, Vicky Wislan and Ricky Knox, youth director.

Holly Sugar Conducts Meeting

At a meeting Monday, July 26, at the Earth Community Building Bob Ginn, agricultural manager for Holly Sugar of Hereford conducted a discussion concerning the interest in the area in raising sugar beets.

Ginn has been in the area since June 21 and found that there is definitely a good deal of interest. He has found that many growers are concerned about the present farm program and changes that may take place. The feeling is that they need a crop that will give them a higher net return per acre and more return on water used.

At this meeting Ginn pointed out the gross returns, the cost of growing sugar beets and net profits that can be expected from the crop. He had experienced beet growers at the meeting to answer questions about the crop.
Ginn said there have been changes made in the hauling allowance to growers. This change makes it much more attractive to the growers that are long distances from the factory. This was explained and discussed at the meeting.
There have been other changes in the sugar beet contract throughout the past several years that have increased the returns to the grower.

EXTENSIVE DAMAGE was sustained by this 1966 Falcon driven by Miss Bobbie Jan Blackburn when the car overturned after Miss Blackburn avoided colliding with a pickup which had just pulled into her path on U. S. 70 two miles west of Springlake.

She Didn't Forget Her Manners

Manners are important and should never be forgotten even after you've flipped your car one and one-half times, according to Bobbie Jan Blackburn who, upside down in her overturned 1966 Ford Falcon, greeted her rescuers with a sweet smile and a cordial "Hi."

Miss Blackburn, who is employed as a nurse at Littlefield Hospital and Clinic, had returned to her home in Earth Thursday, July 22, changed clothes and was on her way to visit friends in Olton when her plans were interrupted. The

accident occurred two miles west of Springlake about 4:05 p.m.

She was driving east on Highway 70 when a pickup driven by Bunyon Clifton Cooner of Olton pulled onto U.S. 70 headed south and was directly across the highway. Another vehicle was sitting in the ditch by the highway heading west.

Miss Blackburn applied her brakes and successfully maneuvered the Falcon between the two vehicles then went into a skid and into the ditch before overturning, according to Bill Angel, highway patrolman.

Miss Blackburn was taken to Littlefield Hospital and Clinic by Mrs. L. G. Elkins of Olton where she was admitted suffering from bruises and a neck injury. She remains in satisfactory condition at the hospital undergoing various tests and is placed in traction at intervals to treat the neck injury.

Cooner was issued a citation for improper start. Extensive damage was incurred to the right front side and top of the Blackburn vehicle and no damage was sustained by the Cooner vehicle.

Earthquakes Plan Summer Tour

Final plans for a summer tour were made by the Earthquakes when they gathered for a practice session and business meeting at the First United Methodist Church Tuesday evening. Activities are to begin Tuesday, August 3, with a program to be presented at the Earth Lions Club noon luncheon. The choir is scheduled to present 4 selections to the assembled Lions.

On Friday, August 6, the youth choir will begin their traveling tour. They are to present a program at the Boulevard Methodist Church in Fort Worth on Friday evening, Saturday morning, August 7, has been set aside for relaxation in the form of a visit to Six Flags Over Texas.

Following this excursion, the Earthquakes are to travel to Hamlin where they will present the Sunday morning worship at the Hamlin Methodist Church, pastored by Brother Johnnie Williams, formerly of Earth.

Immediately following the services, the youths will once again board the Boy Scout bus and travel to Lockney. While there they will present the evening worship service at the Lockney Methodist Church.

The Earthquakes plan to return to Earth Sunday evening, The Lockney program is not the final performance scheduled by the choir. On Sunday, August 15, they will be presenting a program to the combined congregations of the First United Methodist Churches of Earth in the First Baptist Church at 7:00. The group was hoping to give the service before they left on the tour but there were too many conflicts. They are planning to have homemade ice cream and cats after the August 15 evening worship service in the Baptist Fellowship Hall.
The summer tour is being

supported entirely by the Earthquakes. This lively group of youths has undertaken many projects to secure funds for the tour. These have included a dunking board, car wash, bake sale and a subscription drive.

It was announced that a director is being sought to supervise the choir during the school term. Anyone wishing to aid this fine group of area youths is asked to please contact the Methodist Church.

Ricky Knox, youth director, has made available several facts concerning the organization. His statement reads: "Earthquakes is made up of 42 young people of the Earth United Methodist Church and the First Baptist Church."

"The Earthquakes is a very versatile singing group. In less than four weeks the singing group has grown from the size of 17 members to its present 42. The group can give nearly any kind of performance. They are presently working on a contemporary worship service to be presented to three towns across the state.

"Earthquakes costumes have been designed by the girls of the group. The colors are red, white and blue. Some interesting facts on the costumes is that we drove over 700 miles in finding just the right kind of material that we wanted. Of course, this was not at one time. The material for the 42

ties came from Midland. The material for the girls' blouses came from Muleshoe. The material for the girls' skirts came from Littlefield. The boys' shirts were ordered from Dallas. However, the costumes were made at a very low price. We have cut many corners in order to save on expenses.

"All money and expenses have been met by the young people. We have had many money making projects. We had the dunking board at the rodeo, we had a car wash at Don's Shamrock, we had a bake sale at both of the grocery stores, and now we are selling newspaper subscriptions. The Earthquakes are out to support themselves.

"Some of the songs that the group is presently working on are 'I Heard About', 'Pass It On', 'Nobody Knows the Trouble', 'Gonna Lay Down my Burden', 'Love Is Surrender', 'There is More to Life', 'Kim-Ba-Yah' and 'The New 23rd Psalm.'

"We would like to thank the many people that have given us support. Don's Shamrock, Rodeo Association, Super Save Grocery Store, Patterson's Grocery Store, the Earth News-Sun, and the many parents. We would like to thank Brother Charles and Brother David for their work in making the singing group a success.

Roping Club Hosts HB Fry

Although the restrictions placed on horses due to VEE have put a stop to rodeos and much equestrian fun, it in no way hampered the Earth Roping Club at their regular Thursday, July 22, meeting.

The horses were absent but 50 Roping Club members and their families gathered at the local arena for a hamburger fry provided by the Roping Club.

Those persons present for the affair enjoyed delicious hamburgers with all the trimmings and wives of members furnished cake and home-made ice cream to complete the menu.

While the kids had fun participating in a variety of games, a business session was held by club members to outline forthcoming activities planned by the organizations.

New Farm Laws Listed At Lubbock Meeting

The First National Bank - Pioneer Natural Gas Building in Lubbock hosted about 50 persons Monday when new lighting requirements for cotton trailers and other farm vehicles were explained.

For practical purposes, no changes in lighting or other equipment will be required on either trailers or tractors prior to January 1, said State Senator H. J. "Doc" Blanchard of Lubbock, who presided at the meeting.

Major C. W. Bell, regional commander for the Texas Department of Public Safety, said cotton trailers after that date must be equipped with an extra tail light, another stop light and flasher lights. Bell and Blanchard both stressed that cotton trailers will be exempt from brake requirements, provided they are not

pulled at speeds exceeding 30 miles per hour.

The cotton trailer exemption, they explained, applies to vehicles with a gross weight of 15,000 pounds, including the load.

"This will cover trailers carrying approximately five to six bales," Blanchard said.

Bell said the gross weight limit for other farm trailers to be exempt from the brake requirements is 10,000 pounds.

Under present law, all farm trailers must have a taillight and a stoplight, Bell pointed out.

Turn lights also are required if the driver cannot give a hand turn signal that is clearly visible from the rear, Bell added, or if the side of the trailer extends outward 24 inches.

The commander pointed out that the cotton trailers at pres-

ent also must have illuminated lights at the front and back of the side panels.

Under the new law, a cotton trailer must be equipped with two taillights, one on each side, and two spotlights, Bell said.

He said the law also requires simultaneous flasher lights on the rear of a trailer for use as hazardous warning signals. There are no flasher light requirements in the present law.

In addition, Bell said, cotton trailers in the future must have a cluster of clearance lights. These do not necessarily have to be operable from the pulling vehicle, he said.

Bell said the clearance lights must be "as near the top of the back of the trailer" as possible and not more than 12 inches apart in a string.

Using diagrams, Bell showed a cluster of three lights which he said would meet requirements of the new law.

The law stipulates that the rear lights must be visible from a distance of 5,500 feet, Bell said.

"Daylight has no bearing on the lighting requirements," Bell said, explaining that the lights must be on trailers pulled over public roads in the daytime as well as at night.

Turning to tractors, Blanchard said manufacturers will add the lighting equipment to meet standards of the uniform road law, "just like the car makers did with seat belts."

If they are operated on public roads, tractors which are built or assembled on or after January 1 must have, on the front, two headlights and two amber or white warning lights.

On the back, the tractors must have two red flashers visible from a distance of 1,000 feet in daylight, a taillight, and a slow moving emblem.

"The lights -- front and back -- must be burning day and night when the tractor is on the highway," Bell said.

Baptist Men's Camp Held

The Baptist Men's organizations of the Caprock-Plains and Lubbock areas met at Plains Baptist Assembly on July 19.

The camp grounds, located south of Floydada, was the scene of such afternoon activities as swimming, softball, dominoes, horseshoe pitching and a golf tournament.

The bar-b-que supper was catered by a firm from Post. The evening program, presided over by Alvin Fleming, began at 7:30 with singing from the church choir of the First Baptist Church of Idalou.

The featured speaker of the evening was Bob Harrington, Chaplain of Bourbon Street, Nightclubs and bars are his religious beat. He also travels all over the country for speaking engagements. He is in much demand for crusades, etc. He calls a spade and his thrust for the evening was America must have men who are not ashamed to openly serve Christ.

Those attending from the First Baptist Church of Earth were Rex Clayton, Bill Anderson, Jay Winters, Tom Lively, David Hartman, Mr. and Mrs. Guy F. Kelley, Kim and Johnny, and Mr. and Mrs. Clinton Green, Debbie, Donna and Randy.

Wish I'd Said THAT

"Some families can trace their ancestry back 300 years but can not tell you where their children were last night." - Ray Savage, The Thermopolis (Wyo.) Independent Record.

F. U. Senior Youth Camp At Merkel Aug. 2-6

Happiness is a Farmers Union Senior Youth Camp. Texas Farmers Union is sponsoring a Senior Youth Camp at Merkel, Texas in Taylor County August 2 through 6. Registration will begin at 10:00 a.m. Monday, August 2, and will conclude after breakfast Friday, August 6.

All interested high school age young people (9th through 12th grades) are encouraged to attend this camp. This is a great opportunity to learn more about Farmers Union and to have a fun time with other young people with similar interests. Camp cost is \$25.00 per person, which covers all meals and lodging. Mrs. Phil Smith of Panhandle and Mrs. Donald Wooten of

Crosbyton are the camp directors. Both ladies have had years of experience in the Farmers Union youth program.

Young people from Farmers Union families attending this camp become eligible for a free \$1,000.00 life insurance policy for one year, awarded by National Farmers Union Insurances.

Camp activities will include sports, swimming, western night, talent night, a banquet and information on current topics of concern to Americans, such as ecology, environment, community development. If you would like to attend this camp, please call Texas Farmers Union, Waco, Texas 817/772-7220.

New Executive Trainee For Boy Scouts Council

Marc S. Wittenberg, formerly of El Paso, has been named an Executive Trainee in the South Plains Council, Boy Scouts of America, according to an announcement by H. W. Oehler, Lubbock, Scout Executive of the 20 county Scout Council. Wittenberg assumed his new duties July 15, and succeeds Kenneth Cole, who resigned to do graduate work at Southwestern Theological Seminary. Following a two month period

as an Executive Trainee, Wittenberg will attend the National Executive Institute for professional Scouters at the Schiff Scout Reservation, Mendham, New Jersey. Following his return, he will be commissioned as a District Scout Executive with responsibility for the four county South Plains District of the South Plains Council. The area includes Hockley, Lamb, Bailey, and Cochran counties.

AVOID Farm ACCIDENTS

Stop Trouble Before It Starts! Plan to Make Safety a Habit

To farm safely, plan properly. Plan to check equipment regularly . . . plan to remove hazards . . . plan to observe all the sound safety rules. Plan . . . then act! You'll avoid accidents, losses, too.

A lot of people go in debt just to keep up with those who already are. - John H. Gilgour, The Tri-County (Mo.) News.

LETTERS TO THE EDITOR

Congressman Bob Price 18th District Texas

July 22, 1971

Dear Ross:

It has been brought to my attention that there might be some confusion as to how long I will be the Representative of the present 18th Congressional District.

The new re-districting legislation, as passed by the State Legislature, will change our present district boundaries but will not become effective until January 1, 1973. Therefore, as the duly elected Representative of the 18th District, I will, to the best of my ability, continue to represent the 18th district until January 1, 1973. I hope this clarifies any questions that anyone might have on this subject.

Sincerely,

BOB PRICE
Member of Congress

When fire strikes, get the family out first... material things can be replaced.

Watch The Birdie

Those precious years can be captured and remembered forever in living color by the competent professional photographers of Shugarts Studios.

Residents of the area will have one of these professional smile getters at their disposal on Monday, August 2. Photographic equipment will be set up at Pattersons Pay & Save and the photographer will be available from 9 a.m. until closing.

There is no limit to the number of poses you may have photographed and no age limit. Patrons will receive eight (8) king size wallet creative color portraits for only 99¢.

So be prepared to smile and have the finest quality pictures available made of grandpa, grandma, mom and dad and all the little ones at this low, low price.

Respect the danger of electricity. Keep an eye peeled for power lines--above and below!

For Adults Only

by David Hartman

There seems to be a lot of people getting married these days. Not just young people but people who ought to know better. Oh, dear, D'd I say that? I guess the devil made me say it. Seriously, marriage is for adults only. It is interesting to note that some bring more maturity to a marriage at age 18 or 20 than others do

at 30 or above. Chances for a good solid successful marriage is based on more than how long you have lived.

One dictionary definition of marriage is "the institution whereby men and women are joined in a special kind of social and legal dependence for the purpose of founding and maintaining a family." For some this "special kind of social and legal dependence" becomes a livinghell on earth.

(Please pardon my Hebrew). Yet for others it is the greatest thing that ever happened to them. It will largely be what you make it. It will also depend on whether or not you bring Christ into your marriage.

Someone has described the American way of marriage by the term "marriage-go-round". They mean by this some folks are going through marriages like some of us go through our pay check. Many film and television stars fall into this category. What all this says is they don't have anything to really hold the marriage together. Sex is great but if that is all there is to marriage there is no chance for it to succeed. If your marriage is built on beauty, sex and money alone it will eventually hit the rocks.

D. George Mincer of the University of Southern California recently said, "The decline of modern marriage has reached the point where the happily married couple seems to be an oddity." He continued by stating, "Twenty-nine percent of all American marriages end in divorce. Add to that figure the annulments and desertions and it rises to 40 percent. Include the husbands and wives who are just plain bored with each other's company and are 'putting up with one another,' and we can say at least 75 percent of all marriages are failures. No wonder the Family Service Association warns that 'family breakdown has reached epidemic proportions and now ranks as America's number one social problem.'" (J. Allen Petersen, "What Christ Brings to a Marriage", Decision, August 1971, pg. 6)

Marriage is much more than what many Americans are making out of it. It is something originated in the mind and heart of God. It is more than a civil ceremony or a

church ceremony for that matter. In Genesis 2:18 and 24 God said, "It is not good that the man should be alone; I will provide a partner for him... This is why a man leaves his father and mother and is united to his wife, and the two become one flesh." To tamper with marriage is to tamper with something Divine in nature.

Marriage is a blending of two into one. Stop and think this through with me for a moment. Two, Two separate people. Two completely separate personalities. Two completely separate backgrounds. In some instances differences in educational levels. Perhaps different sets of friends. Sometimes the couple come from widely separated parts of the country. Maybe he grew up on a farm and she grew up in a big city. On and on we could go. But you get the picture. Just saying "I do" doesn't automatically and instantly blend the two into one. It takes work, time and patience. You stop and think about it, it is almost a miracle any of us who are married have survived this far.

Marriage is indeed only for maturing adults. Next week I will share with you how to ruin a marriage.

Can You Use Some Extra \$\$\$

If you, your business, your club or organization can use some extra cash, you can easily use for a \$75 cash prize by entering the 3rd Annual Lamb County Festivities Days Parade. The event is slated to begin at 3 p.m. August 28 on Phelps Avenue in Littlefield.

"The Greatest Show in Earth" has been selected for the parade theme and the Littlefield Chamber of Commerce is offering \$75, \$50 and \$25 to the best floats and trophies to winners in many other categories including antique cars, horses, steam engines, equipment, etc. Entries must be in to the Littlefield Chamber of Commerce office, Box 507, Littlefield, 385-4451, or Buck Ross, parade Chairman, 385-3939.

Electrical accidents need not occur. Planning your electrical system, plus keeping it up to date, can make it a safe product to use.

J.C. Davis Honored On Birthday Party Line

The Irvin Ott home was the scene of much activity as friends and relatives gathered to honor John C. Davis of Pecos on his 76th birthday.

Guests enjoyed an afternoon of socializing and were treated to delicious refreshments.

Among those honoring Mr. Davis were Floyd Davis of Blanchard, Oklahoma; Mr. and Mrs. Myers Ogletree, Monte and Wendell of El Paso; Mr. and Mrs. Terry Ott and Misty of Lubbock; Mr. and Mrs. Jene Davis and Mr. and Mrs. Floyd Stroud of Ringling, Oklahoma; Mr. and Mrs. Marion Davis of Wilson, Oklahoma; Mr. and Mrs. Scott D. Miller of Roswell, New Mexico; Mr. and Mrs. Wayne B. Davis of Pecos; Mr. and Mrs. Lewis Rogers of Humble; Mr. and Mrs. C. B. Howard and Cynthia Winkle of Muleshoe; and from Earth, Mr. and Mrs. Irvin Ott, Mr. and Mrs. Ray-

JOHN C. DAVIS

burn Ott, Pam, Teresa and Sam and Terrell Ott. Afternoon callers were Mr. and Mrs. Alton Louder, Mr. and Mrs. W. T. Autry, Mr. and Mrs. Fred Kuntz, Mr. and Mrs. Lowell Walden, Thurlo Branscum, Jo Taylor Behrend and Mr. and Mrs. R. F. Wright.

Party Line

Mr. and Mrs. Earl Jordan and family returned Monday from a week's vacation. They enjoyed visiting Tyler, Houston, Austin and other parts of Texas and touring the Governor's Mansion and the Capitol. They

also visited Baton Rouge and other areas of Louisiana. While gone they did learn to speak the cajun language.

Make sure your farm machinery carries the orange and red bordered slow moving vehicle triangle: it could save your life.

STOP IT...

Before You Get Caught!

Moving parts on machinery have a way of grabbing things like loose clothes and trouser legs. No matter how careful you are. The only safe way to avoid getting caught by moving parts is to make sure they aren't moving when you work on them. So before you adjust, repair or clean a power machine, make certain the power is off. Before you start STOP IT!

Jean Rumbaugh Named TOPS Queen

Following the weighing in of 12 members of the Happy Losers TOPS Club, it was revealed that the title of Queen of the week was captured by Miss Jean Rumbaugh with a 2 3/4 pound loss. A loss of 2 1/2 pounds won the honor of runner-up for the title for Miss Kathy Rumbaugh. A total club loss of 7 1/4 pounds was shown on the records along with a total gain of 12 1/4. TOPS members showing a loss repeated the TOPS pledge while those showing a gain recited the PIG pledge.

The club members were reminded that on Thursday, July 29, the TOPS Queen of the

Month will be named. Members are to bring fruit for a basket which will be awarded to the Queen.

Miss Kathy Rumbaugh received her second TOPS pin during the session. Members are presented the TOPS pin each time they lose 10 pounds.

It was announced that Mrs. Inez Inglis had secured the Community Building for the salad supper scheduled for Thursday (tonight).

Mrs. Faye Hay drew a gift for having a record of eight weeks consecutive attendance at the TOPS regular meetings and Mrs. Edith Crawford re-

ceived the \$1 prize. Members weighing in were Mrs. Odeal Bills, Mrs. Edith Crawford, Mrs. Pearl Cooper, Mrs. Emily Clayton, Mrs. Florence Gover, Mrs. Faye Hay, Mrs. Inez Inglis, Mrs. Pauline Hucks, Mrs. Oma Pearl Murrell, Mrs. Era Walker, Miss Kathy Rumbaugh and Miss Jean Rumbaugh.

We send our sincere thanks to all the people in the Earth-Springlake area who gave donations of love to financially help the Fabian Gonzales family during the loss of their loved ones.

May God bless each of you.

Mr. and Mrs. Ysabel Gauna and Family

Around machinery, loose clothing means trouble!

MISS LINDA JEAN BARDEN

Engagement Told

Mr. and Mrs. J. D. Barden of Springlake announce the engagement and approaching marriage of their daughter, Linda Jean, to Gary Rea, son

of Mr. and Mrs. J. L. Rea of Memphis. An August 6 wedding date has been set and vows will be exchanged in the Memphis Church of Christ.

Notice

Miss Linda Jean Barden, bride-elect of Gary Rea, will be honored with a Bridal Shower Saturday, July 31, in the Leon Dent home. Calling hours are from 2:30 to 4 in the afternoon. Selections have been made at Howell's 216 Floral and Pounds Pharmacy in Earth.

Good Earth Chapter of Senior Citizens will meet Wednesday August 1 at 1:00 p.m. in the Earth Community Building. Any person age 60 and over is invited to attend this First Anniversary Luncheon and program. Bring a guest!

You are cordially invited to attend the marriage of Kathy Lee and Kelley O'Hair on Saturday, July 31, at 8:00 in the Earth United Methodist Church.

Mr. and Mrs. Carol Cole and Kenny of Lubbock are visiting in the R. S. Cole home.

'Herbs & Spices' HD Program Topic

Members of the Springlake Home Demonstration Club were entertained with a program on "Herbs and Spices" when they met for a regular session Thursday, July 22, in the Orlan Bibby home.

Mrs. Bibby and Mrs. Keith Boone presented the program during which they demonstrated

several recipes given the Club by the County Home Demonstration Agent, Mrs. Lady Clare Phillips.

The meeting was called to order by Mrs. Arlon Hollingsworth and Mrs. T. V. Murrell gave the devotional, "My Prayer for Today."

Members answered roll call

by giving "How is the Best Way of Scolding a Child or Children?"

Members made tentative plans for a family gathering set for Saturday, August 28.

The hostess gift was received by Mrs. Bob Boone.

Refreshments were served to Mrs. Bob Boone, Mrs. Arlon Hollingsworth, Mrs. T. V. Murrell, Mrs. Bruce Higgins, Mrs. Keith Boone, Mrs. Herman Cooper and hostess, Mrs. Orlan Bibby.

Rebekahs Report On Those Ill

Earth Rebekah Lodge 139 met Thursday, July 22, with Mrs. Lucille Henderson Noble Grand Presiding.

A short business meeting was held during which it was reported that Mrs. J. B. Thomas was suffering from asthma. It was also stated that Mrs. Forrest Simmons was suffering with back trouble.

The lodge books were audit-

ed by a committee during the session.

Following the meeting, Mrs. Orbie Armstrong held a school of lodge instruction.

The six members present for the session were Mrs. Earl Walker, Mrs. Clyde Parish, Mrs. Jim Robbins, Mrs. L. H. Galloway, Mrs. Lucille Henderson and Mrs. Orbie Armstrong.

Brotherhood Program Presented To Eastern Star

Earth Chapter 870, Order of the Eastern Star, met Monday, July 26, at 8:30 p.m. in the Masonic Hall with Mary Murrell, Worthy Matron, presiding.

Mrs. Murrell presented a program on "Universal Brotherhood."

The ill in the community were reported on.

After the meeting was closed, refreshments of ice cream and cake were served in the dining hall by Mrs. Melvin Bock

and Mrs. A. E. O'Hair.

Those attending the meeting were Mrs. Johnny Murrell, Mrs. Forrest Simmons, Mrs. Doug Lewis, Leonard Green, Mrs. B. Campbell, Mrs. A. E. O'Hair, Mrs. Melvin Bock and Ruel Fanning.

Mrs. Rex Clayton was admitted Saturday to South Plains Hospital in Amherst suffering from bronchitis. She was dismissed Tuesday morning.

GREETINGS FROM ACROSS THE SEA -- This class of London, England, students, whose instructor, Desmond Hartrey (at left), corresponding with a member of the News-Sun staff, sent this photo to be published in a Texas paper so they might send greetings to all of Lamb County, Texas. They are, as Mr. Hartrey describes "extremely nice children most of

whom are western fans even though about all the news they receive about your country in England is about violence in the U.S.A." Wouldn't it be wonderful if they could know how much love, one for another, is demonstrated daily here in little old Earth, Texas?

Brock Elected UMY Delegate

Members of the United Methodist Youth gathered Sunday in the parlor of the First United Methodist Church of Earth and elected a council delegate.

UMY members elected Chris Brock to serve as a delegate to the sub-district UMY. Chris will meet each month with delegates representing the local sub-district UMY organizations.

Members made plans for attending a Film Festival to be held Sunday, August 1. The affair is scheduled for 2:00-9:30

p.m. in the United Methodist Church of Dimmitt.

Youths present for the weekly session were Roberta Gaston, Darlene Sulser, Donna Dunnam, Vickie Wisian, Paige Gaston, Brenda Dunnam, Marian Dawson, Becky Littleton, Shelly Gaston, Carl Sulser, Tracy Lee, Chris Brock, David Wisian, Greg Slower, Scott Lee and Ricky Knox. Adult sponsors attending were Bro. Charles Dunnam and Mrs. Ross Brock.

Susie Adrian Honored With Shower

Miss Susie Adrian, bride-elect of Glen Loveless, was honored with a Bridal Shower Friday, July 23, in the Rex Clayton home.

The honoree's chosen colors of blue and white were used throughout in the decorations.

Miss Ronda Clayton registered guests at a registry table adorned by a lovely arrangement of permanent blue and white roses, a gift to the honoree from Mrs. Phillip Haberer, and the

lovely bride's book.

The serving table was enhanced by a centerpiece constructed of styrofoam covered with white satin edged with silver and white braid. Centering the base was a bride and groom under two wedding bells before a background formed by two gold wedding rings adorned with purple and white spring flowers. Candelabras containing white tapers and surrounded by clouds of blue white net flanked the arrangement on either side.

Guests were served individual white cake squares topped with blue wedding bells, punch, nuts and mints from silver and crystal appointments by Miss Cindy Barton and Miss Welda Barton.

The honoree was presented a lovely blue carnation corsage. Her mother, Mrs. G.L. Adrian, and the mother of the prospective bridegroom, Mrs. Charles Loveless, each received a white carnation corsage.

The hostesses' gift included a vacuum cleaner, blender and toaster oven.

Hostesses for the occasion were Mrs. Rex Clayton, Mrs. Weldon Barton, Mrs. Elmer Prather, Mrs. Vivian Parish, Mrs. Phillip Haberer, Mrs. Opal Lowe, Mrs. Troy Blackburn, Mrs. M. E. Kelley, Mrs. Hershel Hulcy, Mrs. Leon Foster, Mrs. Jimmy Banks, Mrs. G. Kellar, Mrs. Bernice English, Mrs. Dora Belle Angeley, Mrs. Frank Butter, Mrs. Thurlio Branscum, Mrs. Marvin Sanders, Mrs. Price Hamilton, Mrs. R. S. Cole, Mrs. M. H. Been, Mrs. Carl Taylor, Mrs. Bill Anderson, Mrs. John West, Mrs. Clarence Kelley, Mrs. Donald Kelley, Mrs. Pat McCord, Mrs.

Mrs. James Selected As Outstanding Young Woman

Mrs. Jearl (Linda) James has been selected as one of the Outstanding Young Women of America for 1971, the director of the national awards program has announced.

That several young women are now being considered for their state's Outstanding Young Woman of the Year Award, presented annually in all 50 states and the District of Columbia by the Outstanding Young Women of America Program.

Now in its seventh year, the program was conceived, and is today guided, by leaders of the nation's major women's organizations. The program's Board of Advisors, composed of national presidents of women's clubs, is headed by Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

The purpose of the Outstanding Young Women of America Program is to recognize young women between the ages of 21 and 35 for their exceptional contributions to the betterment of their communities, professions, and country. Nominations for this national awards program are made by women's organizations, churches, alumni associations, and universities. A complete biographical sketch of each nominee is

included in the annual awards volume Outstanding Young Women of America, which is distributed nationally as a reference publication. The 1971 edition will be published in November.

Announcement of this year's Outstanding Young Women was made on behalf of the Board of Advisors by Miss Anita Capp, program director.

Cowboys and Saloons In Earth??

"It just isn't true, Texas isn't cowboys and saloons, it is a country where there is not a great difference with France. When I arrived here, I was shocked because I didn't see any true cowboys." Apparently the true Texas image hasn't been able to phase the old, old "wild west"

ERIC FAUVE

image of Texas our neighbors across the Atlantic have, but an attempt will definitely be made to correct the misunderstanding when Eric Fauve returns to his homeland, France.

Eric arrived at the Lubbock Airport on July 12 and will be a "member" of the Tommy Alair family until August 29 when he will return to France. He is only one of 162 youths visiting America through the Lions Club Youth Exchange Program.

Eric is from Valence, France, near Lyon. His father is the manager of a cooperative of fruits which he created in 1945. The cooperative is now the most important in France and exports fruits to Germany, Sweden, Norway, Russia, Denmark, Finland and occasionally England. Fruits handled by the cooperative include apples, pears, cherries, apricots, plums and peaches. Branch offices of the cooperative are located in Hetz, Ferbach and Paris, France; Germany and Bangis.

The cooperative is much like our local cooperatives. They are overseen by a manager and a board of directors. Workers grade, pack and ship out fruits which are received from all across France.

The French cooperative is an enclosed complex which houses all the necessary equipment for handling the fruits and bedrooms where workers stay.

Eric stated that wives from Spain are employed to do the

packing because they are very fast with their hands. The workers are provided excellent room and board for only \$1.50 per day during the fruit harvests in France. When their work is completed, they return to Spain until they are needed again. They are paid 20¢ per box of 24 peaches which they pack and when cherries are packed they receive 60¢ per hour. Approximately 250 wives are employed during the season and 30 train wagons of fruit are prepared per day.

Eric, age 17, has already visited a small part of Texas: Dimmitt, Lubbock, Amarillo, Hereford, Hart, Littlefield, Springlake and Earth. He has viewed the farms, crops, housing, clothing and people of the area during his tours.

In regard to the farms Eric said that Texas farms are very important. They are modern and well equipped for handling all phases of farming. He stated that farming in Texas differs greatly from French farming due to the need and availability of irrigation here. In France, crops receive frequent rains and do not need irrigating while in southern France there is not enough water available for irrigation purposes. Residents of farms in southern France must drill very deep wells and equip them with electric pumps to fulfill their water needs.

Eric also related that the farms of northern France are

much larger than those located in the south. This is due to the geography of the land. The hilly and mountainous regions of northern France make it difficult to fence off land for small farms. Tractors used in France are manufactured by Ford and Renault and are used on farms where maize, rice, vegetables and fruit are raised.

During his stay with the Alairs, Eric is aiding with the farm work. This has included driving the tractor and setting irrigation tubes. He said he is learning many useful things about agriculture but doubts that his knowledge of irrigation will be applied to French farming.

The housing facilities Eric has seen in the area do not differ greatly from those found in France. "The greatest difference is the air conditioning in Texas." This statement spurred a line of questioning concerning the weather. Texas is not quite as hot as France and the humidity is considerably lower. Eric stated that it usually begins to snow in December in France and the snows continue through January. Although their seasons of snow are a great deal similar to ours, Eric stated it was usually warm enough in France to picnic outdoors in the snow.

As always with a woman, fashions got into the interview. And, ladies, French fashions are not much different from our own. Clothing for men varied in only two respects, "the hat and boots." At this point M. Alair added that they might convert Eric to a hat and boots but they aren't positive yet.

"The people here are very congenial. Everyone is friends. In France the people are divided into small groups but Texans all belong to one group." Eric has a very respectful attitude toward the people of this area. He commented that he had not witnessed nor felt any separation among everyone he had met.

When asked about the food Eric made one simple statement, "Texans eat too much." The beef steaks here are much too big and the seasoning is

different. Eric said that in France meat is very expensive and the slices are very small but when asked if France still has fat people Eric smiled and calmly said, "Yes, my father."

With Eric being a teenager himself, we were interested in his opinion of our young people and their activities. He commented that they are part of the group and very congenial. Activities in America are much like those available to French youths and many are the same. Eric said that they have many sports to occupy their time such as bowling, swimming, miniature golf, ice hockey, polo, football, ping pong, water polo, rugby and basketball. And, of course, hot rods, race cars and motorcycles are included in their curriculums. The French driving laws differ from Texas' in that French youths must be 18 years of age before they can be issued even a permit to drive. So, young people, don't fret over the age 16 restriction, you have two

years up on the French.

Eric has completed 10 years of study in school. French schools have 12 grades like our own and their studies begin when age 6 or 7 is reached. Students may discontinue their studies when they reach their 18th birthday, but, Eric said, most youths complete their education.

Eric stated that he has been very impressed with the farms and feedyards he has seen but is anxious to view the roundup and branding activities at Halsell ranch and maybe he'll get to see a real cowboy in action.

Eric's appearance is like that of any of our local youths and his manners are superb. It is very easy to understand why he was selected to become a member of the Lions Club Youth Exchange Program. Earth, Springlake and the surrounding area are proud to be hosting this representative of France. There is really only one statement to summarize our pride in this youth and the

Findley Family Moves To Oregon

Last Tuesday residents of the area could see the old Boy Scout bus and two cars loaded with household items and people. This caravan was the mode of transportation used by the Ed Findley family as they moved to Hood River, Oregon, where Findley plans to work in the mission fields.

While in Earth, the Findley family operated an upholstery business and plans to continue the occupation in Oregon.

Findley is associated with the Southern Baptist Home Mission Board and accepted the position in Oregon to help spread the word of God.

program by which he was able to visit our country -- Viva La France and the Lions Club Youth Exchange Program.

FARM SAFETY WEEK JULY 26-31

DIMMITT AGRI INDUSTRIES, INC.

Dimmitt

Sunnyside News...

By Tenny Bowden.

The biggest and best news this week had been the rain. It has been quite a while since people have had to stay home because of muddy roads or got stuck, but both has happened this week. 1.35 was recorded for Monday night and Tuesday. .35 for Wednesday and .10 for Thursday with traces in between. It was pretty generally around 2 inches for the week for most of the community.

Rev. Mack Turner, Tom Parsons, and Noah Spencer attended the Baptist Men's Camp at Plains Baptist Assembly Monday night. The principle speaker was Bob Herrington, the "Chaplain of Bourbon Street."

Mrs. Garner Ball was admitted to the Littlefield hospital Monday and was dismissed Saturday. She was ill last week-end. Randy had to have some stitches put in an arm to close a cut he received while working.

Mr. and Mrs. Hollis Bills of Wichita Falls visited with his brother, Mr. and Mrs. R. V. Bills Sunday through last Tuesday. His sister, Mr. and Mrs. Houston Bunch and son of Wichita Falls arrived last Tuesday and visited through last Thursday. Two sisters, Mr. and Mrs. Arthur Brown from Dallas and Mr. and Mrs. Jim Hargraves from Garland visited with them the week before.

Mr. and Mrs. R. V. Bills visited last Sunday afternoon with the family of Aubrey Myers, Sr. of Olton who passed away Saturday. The funeral was in Olton Monday.

The history and program committee of the church met Tuesday afternoon at the church to co-ordinate plans for the afternoon program of the 50th Anniversary of the church to be observed on August 22nd. It was decided to use drama to portray the history and progress of the church for the last 50 years. Several committees with several people on each committee are working very hard for it to be an outstanding day.

Make your plans now to attend. Rev. M. D. Durham will bring the morning message. Rev. Marle Rogers will bring the afternoon message along with the history drama, music and recognition service. The afternoon program will be from 2:00-4:00 with a reception following in fellowship hall.

Larry Sadler and M. and Mrs. David Sadler and girls of Lubbock spent last Sunday through Tuesday at Lake Breckenridge. Mrs. Larry Sadler and girls visited with her parents in Dimmitt. They all spent this week-end there.

Scott Morrison from Hereford visited Wednesday through Sunday with his aunt, M. and Mrs. Ray Joe Riley, Kevin and Jody.

Mrs. Roy Phelan taught the book, "Missionary Journeyman" to the Current Missions Group Wednesday night. M. and Mrs. Alton Louder and the group leader, Mrs. L. B. Bowden received the page proofs of the book "This Land We Hold" Thursday and the notice there will be a two week delay in its publication. So the pre-publication price will be extended from August 1st to August 15th. All the pictures submitted were used, but the book will not be much over 400 pages according to the proofs which are not numbered.

Floyd E. Sackett, Lions District 27-1 governor was the guest speaker for the Lions Club in its regular meeting Monday night.

The Lion's Club members were busy Saturday with their broom sale. Kathy Crawford participated in the final playday of the Hart Riding Club in Lubbock recently. Her score was 23.

Mrs. Ed Dawson sponsored the Springlake-Earth High School Student Council at a workshop at Trinity University in San Antonio recently. Marian, who will be secretary was one of those attending.

Mr. and Mrs. Joe Porterfield of Kermit spent the week-end with M. and Mrs. Floyd Ivy. Mr. and Mrs. Jim Swinney of Lubbock came for their daughter, Dawn and visited Thursday with Mr. and Mrs. Cliff Brown and Mr. and Mrs. Gale Sadler and their families. Dawn has been in the community since the 15th visiting with the two families. Cindy Sadler wear home with her Thursday. Lee and Lynn Brown are her cousins. She attended the youth revival with them

last week-end and they and Cindy and Susan Sadler went swimming at Earth Monday night.

Mr. and Mrs. Carl Bradley and boys visited in Amarillo Tuesday evening with M. and Mrs. Charles Hedrick and boys.

Mr. and Mrs. Ed Hastings of Prairie Grove, Arkansas and Mr. and Mrs. Carl Bradley and Kyle visited Thursday afternoon with M. and Mrs. Vernon Scott and boys in Farwell.

Mr. and Mrs. Gordon Bradley of Tucumcari and Mr. and Mrs. Carl Bradley and boys had a cook-out Saturday night, at the home of Mr. and Mrs. Weldon Bradley. After supper Mr. and Mrs. Odue Hastings and Mr. and Mrs. Al Gibbs of Dimmitt visited with them.

Mr. and Mrs. Thomas Parion took their grandchildren home to their parents in Houston over the week-end.

The Mission Friends, Crusaders and Girls in Action had their meetings Wednesday afternoon. Mr. and Mrs. L. B. Bowden went to Quanah Sunday afternoon to meet with the publisher of the book "This Land We Hold" Monday morning. They went by Canyon and visited with Ben Louder and Lucy Jo who has been ill.

Middleton Attends PPA Planning Session

Ross Middleton was among the eight members of the Panhandle Press Association Board of Directors who met for a planning session Saturday, July 24. The meeting was conducted at the Quality Motel in Amarillo.

During the general business session, plans for activities during the forthcoming year were outlined.

Following the meeting, a delicious luncheon was enjoyed at the motel restaurant.

Run a safety check around your farm. Replace worn wiring, destroy greasy rags, clean up oil spills. Stop trouble before it starts.

LETTERS TO THE EDITOR

Dear Editor:

Another summer baseball program is over and we want to let the people at Springlake-Earth know that, once again, it's been good having the association of our Babe Ruth baseball players, coaches, parents and friends.

Everyone wants to be a winner. It's true, and we know the players, coaches and parents were disappointed to have

had not even one win. But the Farm Chemical Babe Ruthers and their coaches are definitely not losers. A finer display of good sportsmanship was not found on our park than that of the Springlake-Earth people. We are proud to have had your example.

We are grateful to have had Springlake-Earth a part of the Olton Baseball Association for the past years and hope your people will want to stay a part of us. We would like, too, to have the boys continue with us in the Senior Babe Ruth league which we expect to become better each year.

Thanks, too, for the help you Mothers in the concession stand and to you Daddies for filling the thankless job of umpiring. Again, it's been good to have been associated with people like you.

Mozelle Trotter, Official Score Keeper Gene Trotter, President, Olton Baseball Association

What's your Fire Department's number? If you don't know it -- find out, and keep it handy!

If fire strikes, does your family know the best escape route? If not, plan one and practice using it!

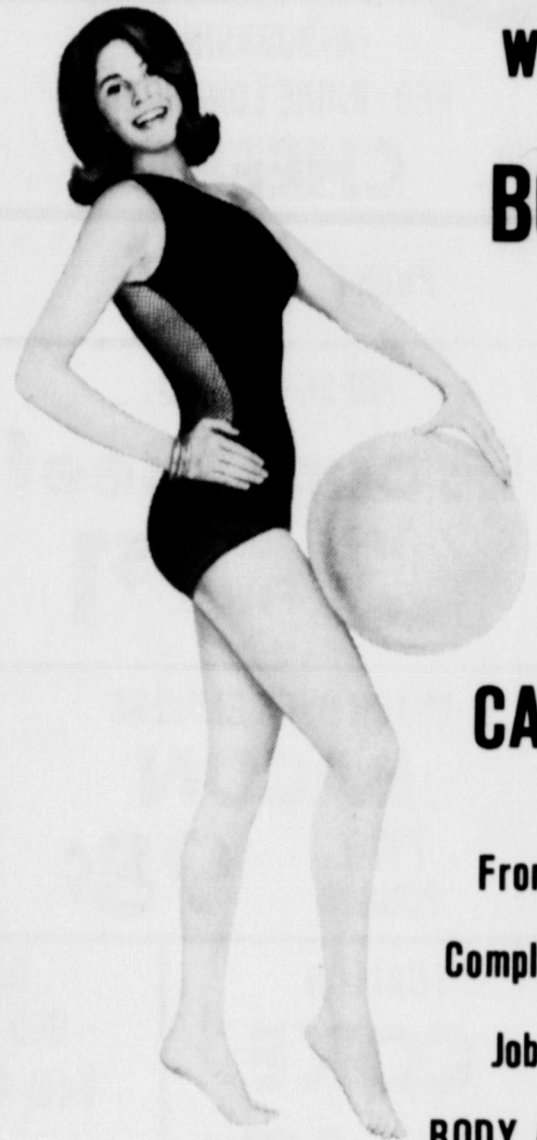

Equip all of your farm vehicles with a fire extinguisher. This small investment could save you the price of an expensive piece of machinery.

Mr. and Mrs. Ross Middleton of Earth spent Friday and Saturday night as guests of their son and wife, Mr. and Mrs. Phil Middleton in Amarillo. They dined out Saturday night and later saw the award winning movie "Love Story."

When fire strikes, seconds count. Keep an extinguisher handy, and know your fire department's phone number.

Duo Returns From Band Camp

Two busy weeks were undertaken by local band members, Karen Hinchliffe and Becky Littleton, when they attended the 1971 summer band camp session at Texas Tech University in Lubbock.

When registration procedures were completed Sunday, July 11, those students attending the camp auditioned and were placed in one of seven bands according to their musical ability. Miss Littleton became a member of the second or symphonic band while Miss Hinchliffe worked with the third or concert band. Serving as directors for the bands were Francis McBeth and Dean Killion, band 1; Jim Harvey, band 2; Bill Bradley, band 3; Doyle Gammill, band 4; Phil Anthony, band 5; Dick Whitton, band 6; and Dub Crain, band 7.

Each day camp participants were required to attend two classes, music appreciation and elementary or advanced theory. Several classes of elective musical subjects were available to students. These included drum majoring, instrumental conducting, ensemble, music improvisation and twirling. At 10 a.m. daily, an all camp assembly was held during which activities for the day were outlined.

To conclude the first week of study, an outdoor concert was held at the Student Union Building on Saturday evening,

July 17. Bands 1 through 4 presented the evening's entertainment.

Classes were resumed on Monday and the second week's activities began. As the second and final week of the camp neared an end, plans were made for an all camp banquet. The event was held Thursday, July 22, at KoKo Palace. A delicious dinner was followed by the introduction of special guests and speaker, Francis McBeth, composer. Camp awards and camp honors were presented to deserving students during the event.

A final concert featuring all seven bands and three stage bands marked the end of the session. This affair was held Friday, July 23, at 4:30 p.m. in the Student Union Ballroom.

Although the two week camp session was filled with hours of hard work, fun was not forgotten. During planned social activities and spare time fun students were free to enjoy movies, swimming, dancing, miniature golf, skating, bowling, bingo and many other activities.

It was announced that plans are now underway for the 1972 band camp and several student participants have been named officers for the forthcoming session. Miss Littleton made her application and was selected by camp directors to serve as a captain on the 1972

student staff. She will aid in supervising the dorm during the session, work in the office and handle other camp duties. Miss Littleton will receive a full scholarship to attend the camp.

It was also announced that enrollment for the 1972 session will be limited to 500 high school and 300 junior high band students. Enrollment figures have risen approximately 250 each year and this growth has been attributed to the work of Francis McBeth and Dean Killion. Students wishing to participate in the 1972 session are required to register one month prior to the opening day of the camp.

Serving as camp director this summer was Dean Killion. Student work was supervised by Bill Woods of Seagraves while Bill Bradley of Big Springs supervised the camp newspaper. Carol Blaine of Memphis was in charge of the girls' dorm at Wall Hall and Jerry Berkley of Abemathy of the boys' dorm at Gates Hall. Included among the numerous camp workers were Jerry Starke and Tom SoRelle, former and present band directors of Springlake-Earth Schools respectively.

The camp was attended by approximately 823 students from throughout Texas and Georgia, Alabama and New Mexico.

DORMA L. GLASSCOCK

Named Postmaster

Mrs. Dorma L. Glasscock, 45, who has been officer-in-charge of the Delaware, Oklahoma Post Office since October 21, 1969, became the new postmaster Saturday under the new Postal Service.

Mrs. Glasscock entered postal service at Earth October 14, 1963, as a temporary clerk and served in this capacity until January 1969. She obtained a temporary appointment as substitute carrier in Nowata, Oklahoma, a first class post office, on September 6, 1969. She transferred to the Delaware post office and obtained a career status April 4, 1970. The appointment of Mrs. Glasscock was one of seven appointments in Oklahoma and were made by Carl C. Ulaker, regional postmaster of the new Southern Region. She has two postal clerks working under her supervision.

Mrs. Glasscock's husband, Barney, owns and operates an automatic laundry in Delaware along with ranching interests. They have two sons, Larry and Terry. Larry is a student at Texas Tech University in Lubbock and Terry, ten months, of the home.

Local residents of Earth are happy to see success and happiness come to those who are so deserving as Mrs. Glasscock. She will be remembered in the Earth Post Office as a smiling and cheerful employee ready to help and serve patrons in any way possible.

Mr. and Mrs. Raiford Daniel and family plan to leave Monday for a week's vacation in New York City. While in New York they will be guests of Mrs. Daniel's aunt, Mrs. Lester Ellis.
