LAW OFFICIALS, HIGHWAY PATROLMEN AND A STATE REPRESENTATIVE were among the attendance Sunday at the Springlake-Earth School cafeteria, to probe the cause, and to seek out preventative measures to end the increasing number of students being struck down by motorists as they disembark from loaded school buses. Left to right is city marshal Alvin Pittman, deputy sheriff, W. A. Hatfield, both of Earth, chief deputy L. J. White, highway patrolman Weldon Parsons, both of Littlefield; representative Bill Clayton, Springlake and patrolman Bill Angel of Littlefield.

77 Attend Community-Wide Meeting Sunday

Representative Bill Clayton of Springlake is not asleep on the job in Austin but is alert and carrying out the wishes of the people he represents. Seems he had already begun preliminary work on promoting safety ideas prior to attending the called community-wide meeting Sunday to probe for ways and means to protect our youngsters. Not only is he interested in the cause of safety, but also in Texans retaining their right-to-work law, instead of Texas finding themselves yoked with a law demanding compulsory unionism. Representative Don Gladden has filed a bill to repeal Texas' right-to-work law and Bill Clayton, not wishing to lose another of our precious freedoms, has filed a bill to strengthen the existing right-to-work law. We are proud of his efforts toward a better tomorrow.

One local bus driver, and perhaps others, are organizing safety patrols to escort school students across the highway at bus stops. Rev. Don Larkin has ordered safety badges and patrol belts to be worn by people of authority. One of the requirements to be eligible to act as a safety patrol is to maintain good grade averages in the classroom. Students are adhering to this idea with enthusiasm.

Large Group Attends Baptist Youth Revival

A large number of youth was reported to have attended the youth led revival held at the Earth First Baptist Church on January 27, 28, and 29. Jim Holcombe, a sophomore student at Wayland Baptist College, directed the music. Delivering the message each evening was Joe Jesco, a junior student at Wayland Baptist College. Immediately following the services Friday evening, a fellowship hour was held in the fellowship hall of the church with the visiting evangelist and music director in charge. Sandwiches, chips and dips, cookies and Cokes were served to all those attending. Also a memorable occasion during the three-day revival was the mid-day dinner Sunday immediately following morning worship services. A delicious menu consisting of fried chicken, potato salad, tossed green salad, hot rolls, butter, assorted pies, and iced tea were served.

The joy of the Lord is your strength.—(Neh. 8:10)
God's people are those who keep themselves quietly poised in Him, never get weary and tired, because God is a vitalizing Spirit. No task is too difficult for He supplies us with the strength we need. God is life, life abundant. The closer we walk with Him, the more alive we become.

Approximately 77 persons attended the community-wide meeting Sunday afternoon in the school cafeteria for the purpose of discussing traffic laws and safety precautions for local school students.

Bill Angel, highway patrolman from Littlefield read the law concerning the overtaking and passing of school buses from "Texas Motor Vehicle Laws", Article XIII, Section 104. The law reads as follows: "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour and with due caution for the safety of such children."

A report was given that only buses and postal vehicles can legally stop on the highway.

Patrolman Weldon Parsons of Littlefield suggested that all drivers of school buses should check and clean stop and blinker lights before leaving on their routes each day. Chief Deputy L. J. White of Littlefield spoke on the unintentional violation of law. He said that many times motorists have their mind on something else and fail to notice what they are doing, sometimes causing violations of the law unintentionally. He warned that driving can be a dangerous thing, and that we should be alert and thinking each time we are behind the wheel. It was suggested that a number of small houses be built along the side of the road, where children can congregate before school so the drivers can stop and load and unload the children at these places. Representative Billy Wayne Clayton reported that he has, or will in the near future, introduce a bill into the House to try to give school children more protection when getting on and off school buses. He plans to send additional information concerning the Bill in the near future.

The cities of Springlake and Earth are presently working on an ordinance that requires all motorists, within the city limits, to stop for school children to load and unload from buses. The ordinance will appear in the News-Sun in the near future. It was suggested that another community-wide meeting might be called in the near future if the public desires. School Supt. Bill Mann said that the district has had no deaths but several nearby school districts have, and "we are just trying to stay ahead of the problem." Mann said that the Springlake Lions Club will distribute bumper stickers reminding drivers to watch out for school children and warning signs in loading zones will be erected. Among those attending the meeting were Chief Deputy L. J. White, Highway Patrolman Bill Angel and Weldon Parsons, all of Littlefield, Deputy Sheriff W. A. Hatfield and City Marshal Alvin Pittman, both of Earth, and Representative Billy Wayne Clayton.

Feb. 1, 1790—The Supreme Court of the United States held its first session meeting in the Royal Exchange Building in New York City. Chief Justice John Jay presided.

No Candidates File To Date For Aldermen Posts

No candidates had filed in the forthcoming Earth City election Wednesday, scheduled for Tuesday, April 4, in the Earth Community Room. There are three aldermen going out. They are Richard Stockstill, Eldon Parish, and Donald Runyon. Deadline for filing for these three posts has been set for 5 P.M., on Saturday, March 4. Those wishing to file for city aldermen must do so at the city hall. All aldermen are elected for two year terms.

Jaycees Meet Thursday To Reorganize Club

The Jaycees met Thursday night at the Community Building in Earth to make plans for the reorganization of the local club. Jerry Gleason of Muleshoe, State Director of Jaycees, met with the group and discussed what would be required of the local Jaycees to reorganize, and how to form a better club. Also on the agenda of discussion was the various things that a Jaycee organization can do for a community. The group will meet again Thursday (tonight) at 7:30 P.M. in the Community Building. An orientation team from Muleshoe will be on hand to answer any questions asked concerning Jaycees. The purpose and aims of the Jaycee organization will be discussed. All young men in the community who are interested in joining the local Jaycees are urged to attend this important meeting. Coffee will be served to those who attend.

J. F. Peery To Present Program At Local School

The student council is sponsoring an assembly program Wednesday, February 8 at 1:10 P.M. in the high school auditorium. J. Frank Peery, pastor of the Muleshoe First Baptist Church will present a program on the Soviet Union, its way of life and its influence on the world. This is done by use of color slides, posters, and other materials that he gathered while touring the Soviet Union in the summer of 1962. Since that time, Peery has presented over 400 programs in the tri-state area of Texas, Oklahoma, and New Mexico. He has a broad knowledge of events that have occurred since 1962 and has one of the finest personal libraries. The public is invited to attend this most interesting program. Shelby Bozeman, formerly of Springlake, began duties this week as assistant agriculture teacher at Lubbock Christian College.

"Band Slave Day" To Be Observed February 11

"Band Slave Day" will be observed by the local Springlake-Earth School Band on Saturday, February 11.

Anyone wishing to have a job done is asked to call Dean Foshee, band director, at the local school, 257-4223, or at his residence, 257-4293. These jobs range anywhere from washing cars, cleaning house, washing windows, cleaning out garages, raking yards, ditch digging, or any particular job that one might need to have done.

There will be no set price for these jobs, and the employers will be allowed to pay the workers what they think they deserve.

Proceeds from this "Slave Day" will be used by the local band to attend the Band Festival in Corpus Christi on April 27, 28, 29. Orders may be called in any time before February 11, or during that particular day, and employers may choose the students they wish to have work for them, as well as the desired time.

Concrete Floor Planned For Local FFA Showbarn

The Board of Directors of the Springlake-Earth Junior Livestock Show Association met Monday night, January 23 in the vocational agriculture room at Springlake-Earth School. This meeting was called to discuss the possibility of putting a concrete floor in the Jr. Livestock Show barn.

Discussion brought out the advantages a concrete floor would provide for the people who use the barn. They were as follows: Eliminates much of the dust in the air during events held in the barn; easier cleaning; makes the barn more usable and suitable for other activities; creates an atmosphere conducive to a greater enjoyment and appreciation by observers at the livestock show and other events.

A committee appointed by president John Bridges to look into the cost of the concrete floor included Tom Alair, Gene Templeton and Orville Cleavinger. This group reported the cost of concrete and reinforcement iron for the floor would be approximately \$1200 and the labor would cost approximately \$400.

The board voted to put the floor in and secure volunteer help to eliminate labor cost. To date approximately two-thirds of the barn floor has been poured.

Since this is a much needed improvement to the Livestock Showbarn, the board has asked that anyone in the communities, who would like to make contributions to the Livestock Showbarn, may do so by contacting any of the following board members: John Bridges, Ed Jones, Gene Templeton, Orville Cleavinger, Ed Dawson, L. D. Arden, J. W. Dear, E. G. Gaston, Tom Alair, and Bud Matlock.

One modern philosopher suggests the price we pay for the speed of our age is that the life of one generation becomes the art form of the next! Then perhaps America is to be the repository of all the world's life-arts. In every state travelers are discovering more small communities which treasure ancient cultures.

Ag. Boys Work On Projects

The vocational agriculture two class is starting work on its shop projects for this year. The projects will have to be made out of metal and involve some welding. The boys will do all the work themselves, with supervision from E. G. Gaston, instructor.

Before starting construction of his project, each boy must draw plans for his particular item. The drawings include the front, side, and top view. Also, he must draw an isometric (3-D) projection of his project. Items being constructed are two wheel trailers, feeders, irrigation motor covers, rose arbors, and various others. The boys will gain valuable experience out of the work which will be helpful to them in later years.

Sign-Up For '67 Crop Programs Starts Monday

Farmers wishing to participate in the 1967 feed grain, wheat and upland cotton programs may do so during a four-week sign-up period at the Lamb County ASCS office from Feb. 6 through March 3. L. D. Arden, ASCS office manager, said farmers again may ask for advance on earnings and receive half of the payment on diverted acres shortly after sign-up. Sign-up for the Cropland Adjustments Program, underway since Dec. 1, will also end on March 3.

It is expected that most Lamb County farmers will decide to lay out 35 per cent of their cotton allotment. Last year a most 100 per cent of the county's farmers chose this plan.

Melodie Brock Named Among Finalists In Co-op Oratorical Contest

Names of 4 finalists in the oratorical contest sponsored by Bailey County Electric Cooperative were announced this week by D. B. Lancaster, manager.

Winners whose oratory on the subject "Rural Electric Cooperatives—Helping Texas Grow," qualified them for final consideration by the committee of judges, are: Melodie Brock, Springlake-Earth School, daughter of Mr. and Mrs. Ross J. Brock, Jr.; Bill Mimms, Lazbuddie School, son of Mr. and Mrs. G. W. Mimms; Larry Baker, Muleshoe School, son of Mr. and Mrs. Lester M. Baker; and Ronald Mayfield, son of Mr. and Mrs. J. T. Mayfield.

The 4 young people will be interviewed on February 11, by three qualified judges. From the group of finalists, two students, one boy and one girl will be selected as winners of all expense paid trips to Washington, D. C., with the Texas Electric Cooperative Youth Tour in June, Lancaster said.

Final judging of the contestants is to be based in the following: knowledge of subject, 40%; speaking ability, 30%; poise, 10%; personality, 10%; and appearance, 10%.

The youth group will travel to and from Washington, D. C., by chartered bus. Participants will be chaperoned by six adult couples.

During four days in the nation's capital city, the young people will visit various governmental agencies and sites of historical significance. They also will visit the headquarters of the National Rural Electric Cooperative Association, national service organization for about

1,000 electric cooperatives across the nation, Mr. Lancaster said.

Each of the Youth Tour participants will be given a set of colored slides showing highlights of the Washington trip. It is expected that the young people will use the slides in reporting highlights of their Youth Tour experiences to local groups such as youth groups, service clubs, church groups, farm groups or any organization desiring an interesting program for its meeting.

City Fines Total \$4,416.50 in '66

Fines collected in the City of Earth from Corporation Court amounted to \$4,416.50 in 1966, according to City Secretary, Mrs. E. R. McAlpine. That included money collected for all violations occurring within the city limits, from speeding to disturbing the peace. On the county level, \$6,961.60 was collected in criminal fines, with \$2,631.50 coming in during December.

Bob Waide New President Of Roping Club

Bob Waide was elected president of the Earth Roping Club at a regular meeting Thursday night, January 26.

Other officers being elected were James Washington, vice president, and Lexie Branscum, secretary.

Tentative date for the junior rodeo was set for May 20, and the Amateur Rodeo is slated for July 13, 14, 15.

A motion was made and seconded to paint the arena and seats.

Permission was granted for members to rope steers at the arena. A committee consisting of Price Hamilton, Thurlo Branscum, and Weldon Barton, was appointed to have the stock certificates printed.

Attending the meeting were Chester Elmore, Jack Loftis, Weldon Barton, Thurlo Branscum, Ken Angeley, Jearl James, Lexie Branscum, M. G. Kellar, Bob Waide, Barney Glasscock, James Washington, Robert Taylor, Pete Glasscock, Sonny Adams, Donald Layman, and Price Hamilton.

595 Persons Register To Vote In Area

Five hundred ninety five persons have registered to vote in Earth-Springlake area. A total of 463 persons registered at the City Hall in Earth, 34 persons registered at Springlake-Earth School, and 98 persons at the City Hall in Springlake. In 1966, 384 persons purchased poll tax receipts in the city of Earth, while Springlake's total reached 135. Many area folks perhaps registered at the county office in Littlefield.

Methodist To Honor Seniors Wednesday

The Springlake-Earth High School seniors will be honored with a luncheon Wednesday, February 8, in the fellowship hall of the Methodist church, "South of the Border" is the theme chosen for the luncheon. Walter L. Driver, pastor of the church, will present the welcome address.

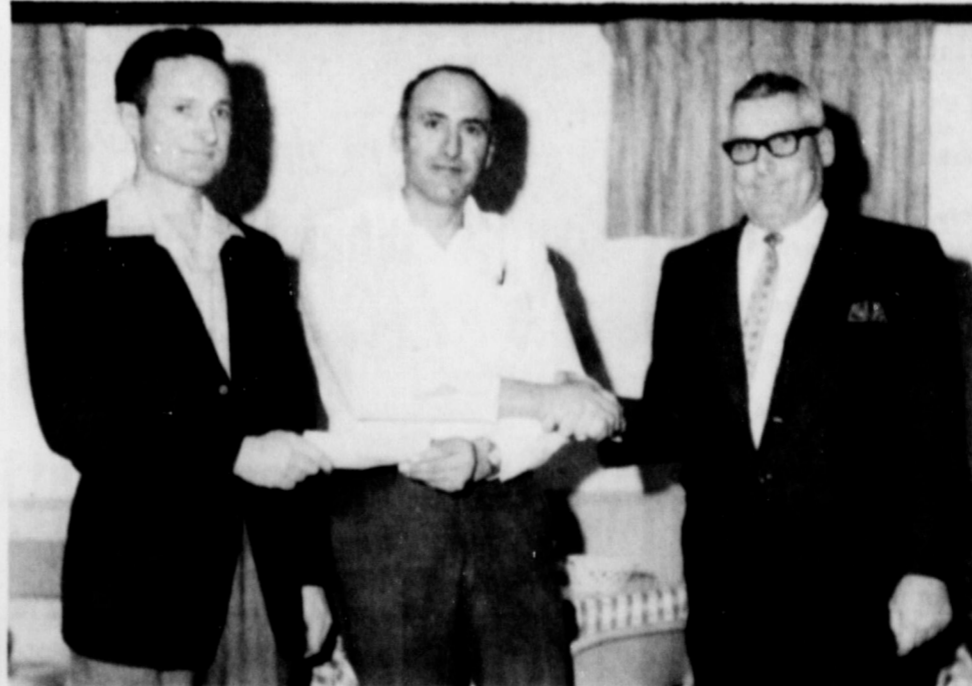

Members of the Wesleyan Service Guild and Woman's Society of Christian Service will prepare and serve the meal.

The entire senior class, their sponsors, and parents of the Methodist seniors are expected to attend this annual affair.

Tommy Brown Recuperating In Home Of Parents

Tommy Brown was dismissed from the Dimmitt Hospital on Tuesday morning and is recuperating at his home in Springlake.

Tommy was struck by an automobile Monday, January 23, as he stepped from a local school bus and darted across the street to his home. He is the son of Mr. and Mrs. William C. Brown of Springlake, and is the second lad within a 10 day period to be struck by a motorist who failed to stop when a local school bus was discharging students.

IN APPRECIATION OF LOCAL FIRE DEPARTMENT... Fire chief, Phil Raught, (center) is shown shaking hands with C. O. Taylor (left) while accepting a \$50 contribution from Jimmy Bimer, Raught also received a check for \$25 from John Garrett owner-manager of Earth Locker. The threesome showed their appreciation for the tremendous job the local Fire Department did in extinguishing a fire threatening a large portion of the southwest end of Earth. Mr. and Mrs. C. O. Taylor honored the fire department with a dinner Monday night at the Wolverine Drive In in appreciation for a job well done.

By DPW

We are indeed in troubled times. We are edging in a quagmire of frustrations, doubts and fears, and we are, with each passing day, sinking deeper in the muck. We are laden with weights far too heavy to bear and our heads hang lower and our smiles are becoming far too infrequent.

We are a nation frantically searching for happiness but not knowing where to search. We are trapped in the webs of total confusion which is tantamount to chaos. And all due to one simple reason---haste.

I am reminded of water bugs. How they flit speedily over the surface, heater and skelter, leaving a path too difficult to follow simply because he never slows down and never, never penetrates below the surface.

In this search for happiness we seem to be forgetting important basic principles of nature. Principles such as heart and soul because it is not the place nor the condition that can make one happy, but the mind and the soul alone. And we are in too much of a hurry to realize this.

Do not choose to believe it. Material gains that cause us to make haste. I do not believe it is the pressure of the times. I believe it is simply because we have forgotten wherein our true happiness is found.

Happiness is neither within us or without us; it is the union of ourselves with God. It matters not what sect or denomination or order we choose to join, but whether or not we follow the inherent qualities that make man good. For in being good we find happiness.

Happiness is like a grain. It has to be gathered every day and enjoyed every day for it will not keep. It cannot be accumulated nor stored for some future use. We do not have to go out of ourselves or travel to some distant and remote place to gather it, because happiness rains down from Heaven at our very doors and all we have to do is step out and gather it in. But we sometimes fail to reap the harvest simply because of our haste. I cannot account for the so-

called pressure of the times. I cannot account for the unhappiness we portray today. Because it is unhappiness when we cannot and do not have genuine smiles of tenderness instead of superficial ones that adorn the faces of our multitudes.

I have no couch to offer mankind to lay on and let himself be analyzed. I am no man of letters so I cannot say this is the reason mankind is as he is. But this I can say, you never see the stock called Happiness quoted on the exchange. This is irrefutable. So it must follow that happiness is an intangible inner emotion within each and every individual and that it must come from doing what a true conscience dictates.

Local Men Win Trophies in Drag Racing Sunday

Two local men, Rayburn Ott and Louie Adrian were awarded trophies during the drag racing contest Sunday at Andrews.

Ott received two first place trophies and Adrian received one.

Ott won trophies in his class of drag racing and in the hot rod eliminator race. Adrian was declared winner and received a first place award in his class of drag racing contestants.

Springlake Lions Net \$81

The Springlake Lions Annual Bridge Tournament and 42 party were held on January 27 and 28 at the Springlake Elevator, with a total of \$81 being netted.

Approximately 35 persons participated in the 2 nights games.

Refreshments of coffee, Cokes, hot chocolate, and cookies were served by the host club.

Proceeds from the tourney will be used to replace the roof on the Springlake Community Building, and to erect various caution signs for schools of buses.

LETTERS TO THE EDITOR

Dear Ross and Polly,

First, I would like to express my appreciation for the fine job you did in printing the truth as it happened in the four articles on the Community Wide meetings with the school administration. God help our nation if we ever permit our right of freedom of speech to be taken away.

Now for a little criticism. In the January 19, 1967 issue of the Earth News-Sun, you printed an article entitled "Football in Littlefield Pays Way in '66." We are wondering why this rather lengthy article was printed and not one word about the financial status of football in our own school. Though we are glad to know our neighboring community did so well, don't you think local readers would be more interested in your printing such information about our own school?

Sincerely,
Claude Holder

EDITORS NOTE: Mr. Holder, in answer to your question as to why the article "Football in Littlefield Pays off in '66" was published in the News-Sun. We thought

the article was news worthy since it was the first time in 10 years that Littlefield's financial standing for the season was a gainful one.

To clarify your wondering as to why there was no story of this type on the financial status of football in Springlake-Earth may I add, a reporter called for this information and was advised, "The athletic fund at Springlake-Earth runs from August to August of each year, and is a self supporting fund with all athletics such as football, basketball, track, etc. totaled together. The amount left over each year is used to begin the new year." No figures were given on the financial status of football.

Ronald Cleavinger, Bill Freeman, and Mr. and Mrs. Norman Ellis were dinner guests Monday night in the home of Mr. and Mrs. Carlis Bills of Lubbock.

Sons of Former Residents Die When Go-Cart Hit

A sunny day with temperatures in the 70's lured two young brothers into a fatal ride on their go-cart Sunday afternoon.

Mack Ray McBride, 13, and Mikelee McBride, 11, were killed while attempting to make a U-turn on Padre Island Drive six miles south of Corpus Christi.

The car that struck them was traveling the same direction, south. It was driven by Billy J. Warwick of Cameron, La. Highway Patrol investigators said the car overtook the go-cart just as it was making the turn.

The victims were the sons of Mr. and Mrs. Bill McBride of Corpus Christi, former residents of Earth.

Funeral services were held at the Sea Side Chapel at Corpus

Christi at 10:30 A. M. Tuesday. Burial was in the Sea Side Cemetery at Corpus Christi. The two boys were buried side by side in the same grave.

Mr. and Mrs. Ardis Barton of Earth attended the funeral, and Tony served as pall bearer.

Fields Larkins Feted With Surprise Pounding

Members of the First Baptist Church of Springlake honored

Mr. and Mrs. Jerry Fields, newly acquired music and youth directors, and Rev. and Mrs. Don Larkin with a surprise pounding Sunday evening following church services in the fellowship hall.

Many lovely gifts, as well as numerous groceries were received by the two couples.

Refreshments of coffee, punch, hot chocolate, and cookies were served to all those attending.

Congratulations to Mr. and Mrs. Joe Allen on the birth of a son born January 25, in the Green Memorial Hospital. He weighed 8 lbs., 8 oz. and has been named Joe Russell Allen. The new baby has a sister 17 months old named Kelley Sue. Grandparents are Mr. and Mrs. Eld Morley, Weatherford and Mr. and Mrs. Mike Allen, Friona.

Joe Allen is a farmer in the Lazbuddie community.

Congratulations to Dr. and Mrs. Jerry Gleason on a son born in the West Plains Hospital January 17. The boy weighed 7 lbs. and has been named Jerry Lionel. He has two brothers, Jimmie Lee and Jay Lance and a sister named Jaconda Lynn. Dr. Gleason says they have started pretty well on a football team but they did need the cheer leader.

Mr. and Mrs. Eddie Wilt had as house guests this week her parents, Mr. and Mrs. Marvin Kanuts from Texhoma, Oklahoma. They left home Thursday morning.

A panel was formed of Mrs. Johnnie Mitchell, Mrs. Harvey Blackstone and Mrs. Sam Barnes at a recent FFA meeting at the school. Members of the FFA heard the discussion of management of time and energy in our household duties.

Congratulations to Jill Mimms, daughter of Mr. and Mrs. Pete Mimms and Ronald Mayfield, son of Mr. and Mrs. I. T. Mayfield for being named in the finals in the Oratorical contest the past week. The two students in the finals that will be February 11 will get a trip free to Washington D. Boyd-Dent Vows Read In Abilene

Wedding vows were exchanged by Miss Nancy Ann Boyd of Heame and Lonnie Dale Dent of Earth at 8 P. M. on Friday evening, January 20, in the chapel of Highland Street Church of Christ in Abilene.

The bride is the daughter of Mr. and Mrs. Elvin M. Boyd of Heame, and the groom's parents are Mr. and Mrs. L. H. Dent of Earth.

The traditional wedding marches and background music for the ceremony were presented by a vocal quartet from Abilene Christian College who also rendered the special selection of "Walk Hand In Hand" and "The Wedding Prayer". James Crowder, soloist, sang, "I Pledge My Love".

The bride, given in marriage by her father, was attired in an antique white silk and wool Alaskan suit with Chanel type jacket and A-line skirt. Her ensemble was complemented by a nano-embroidered lace shell, white calf shoes and white Maribou trimmed coat with tiny French veil. She carried a nosegay of white roses surrounded with white carnations and English ivy featuring streamers of white satin ribbon and ivy.

Maid of Honor was Miss Beth Dent of Earth, sister of the groom. She wore a suit of pastel aqua silk linen, bone colored reptile shoes, bone kid gloves and matching head-piece fashioned of aqua chrysanthemums and a tiny aqua veil. Her bouquet was a nosegay of yellow roses surrounded with yellow pom-pom chrysanthemums and greenery.

Shelby Bozeman of Eagle Pass was best man.

Ushers were the bride's brother, John Boyd of Heame, and Ronnie Clein of Artesia, New Mexico, who are students at Abilene Christian College.

For her daughter's wedding, Mrs. Boyd wore a royal blue two piece ensemble of silk and wool Alaskan, matching blue shoes, white gloves and turban hat of multicolored shades of blue and pale green leaves covered with net. Her corsage was fashioned of white roses and carnations.

Mrs. Dent, the groom's mother, chose a navy blue dress of feather weight wool, worn with a white hat and white gloves, complemented by a white corsage of roses and carnations.

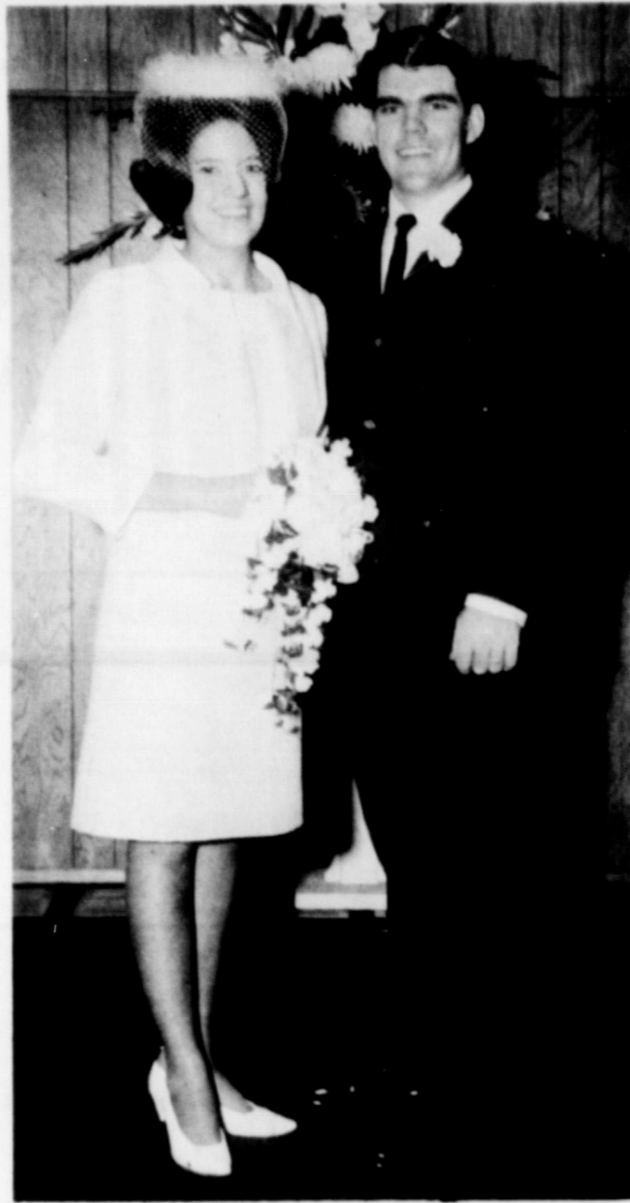

Following the ceremony, the bride's parents were hosts at a reception in the Fellowship Hall of the church.

The bride's table, which was draped with a white cloth of Madeira linen cutwork squares joined with Irish lace insertion, an heirloom of the bride's family, stood before an arched background formed by the flowers and candles used at the wedding altar. The table was centered with an arrangement of white roses and carnations, flanked by twin silver candelabras holding yellow candles.

The three tiered wedding cake, which was adorned with white confection decorations and yellow roses, was topped with decorated sugar bells. Mrs. Bonnie Dent of Abilene presided at the punch bowl, serving the yellow pineapple frosted punch.

For a short wedding trip to Brownwood and Dallas, the bride chose a cranberry knit double breasted coat dress with white trim, worn with bone reptile bag and shoes, white kid gloves and matching head-piece fashioned of aqua chrysanthemums and a tiny aqua veil. Her bouquet was a nosegay of yellow roses surrounded with yellow pom-pom chrysanthemums and greenery.

The couple will make their home in Abilene.

Pounds Elected President Of Good Will Centre

The Board of Directors of the Good Will Centre met on January 28 at 1 p. m.

Mrs. Pete O'Hair reported that all the clothing has been priced, and that the sewing machine has been repaired.

A report was made that Rutherford & Co. has donated a box of new shoes to the Centre. New officers were elected. Neil Pounds, representing the Earth Lions Club, was elected president, vice president elected was Mrs. C. T. Richardson, a representative of the Town and Country Study Club, and Aurelia Sanders was secured as treasurer. She represents the Methodist Church.

The remaining officers will be elected at the next meeting.

Various other organizations of the Good Will Centre are the PTA, First Baptist Church of Earth, Home Demonstration

Club, Eastern Star, and Spring-lake Lions Club.

It was suggested that an auditor be secured to audit the Centre's books, with Mrs. Bonnie Haberer volunteering to secure such.

Mrs. Dorothy Wood, school nurse, requested that the Centre purchase a hearing aid for a little boy in the fourth grade. Aurelia Sanders moved that the Centre get an estimate of the cost of a hearing aid and present the figures at the next meeting. At this time the group could vote on whether to grant Mrs. Wood's request.

The Board of Directors will meet again on February 9 at 1 a. m. in Pounds Pharmacy.

Attending the meeting were Neil Pounds, Mrs. Melvin Bock, Mrs. T. V. Marrell, Mrs. Jane Beavers, Mrs. Doug Parrish, Mrs. Bonnie Haberer, Mrs. Pete O'Hair, and Mrs. Aurelia Sanders.

Taylor Honor Firemen With Steak Dinner

C. O. Taylor of Taylor Furniture, honored the Earth Volunteer Fire Department with a steak dinner Monday night in the dining room of Wolverine Drive Inn.

A contribution of \$50 was made to the Fire Department by Jimmy Bitner, owner-manager of the local Bitner Tire and Supply Co.

John Garrett, owner-manager of Earth Locker, was unable to attend the steak dinner, but sent a \$25 contribution to the local Fire Department.

These contributions, as well as a token of appreciation to the volunteer firemen for their devotion to duty, and for the superior performance on Wednesday, January 18 when they extinguished the blaze in short order holding the damages to the three firms to a minimum.

Following the delicious meal, Phil Raught thanked the three businessmen for their hospitality.

A short business meeting was held, with the group of volunteer firemen voting to purchase an emergency vehicle from Jackson Ford in Earth in the very near future.

Attending the dinner were C. O. Taylor, M. N. Taylor, Jimmy Bitner, Joe Garza, Eldon Trotter, Hugh Alexander, Weldon Barton, Bob Belew, Harold Britton, W. C. Bryant, Wendell Clayton, Bob Geisler, Clenton Green, Sonny Hill, Hershel Hulcy, Clarence Kelley, Shorty Kelley, Don Layman, Pat McCord, Eldon Parish, Alvin Pittman, Phil Raught, Billie Robnett, W. R. Stockstill, Larry Weaver, Leroy Wilkinson, James Wages, and Jim Williams.

Shirley Walker of Amarillo visited over the weekend with Mr. and Mrs. Earl Walker.

Mrs. Dent Honored With Bridal Shower

Mrs. Dale Dent was honored with a bridal shower Saturday at 7 p. m. in the lovely home of Mrs. Fred Clayton.

The serving table was made beautiful with a white satin tablecloth, with an overlay of layers and layers of white net. The centerpiece was a lovely arrangement of white roses and wedding bells, graced by tall white lighted tapers.

Mrs. Tuffy Dent served hot spiced tea, while Beth Dent served individual cake squares, iced in soft white wedding bells, to the guests present.

The approximately 35 guests attending the gala occasion were registered in a lovely bridal book by Ginger Dent.

Nancy, her mother, Mrs. Boyd, and the groom's mother, Mrs. Dent, were presented beautiful white carnation corsages.

An original reading was given by Mrs. Norman Ellis, followed by Arta Simmons singing a lovely wedding solo.

Mrs. Layman Feted With Layette Shower

Mrs. Truman Layman was honored with a pink and blue layette shower Tuesday afternoon in the lovely home of Mrs. Pody Welch.

The serving table was draped in a lovely white satin tablecloth, with an overlay of layers and layers of white net.

The centerpiece featured an encirclement of soft white anglehair, holding a tiny baby in a cradle. An angle was featured above the cradle. Around the base of the lovely centerpiece were blue daisies and tiny pink ribbons. Flickering pink and blue lights were entangled among the angle hair. At the back of the centerpiece stood a tall white stork, which was graced on each side by two tall blue lighted tapers.

Mrs. Lynn Glasscock served individual cake squares, iced in white, and featuring tiny pink and blue flowers, while Mrs. Kenneth Hinson served coffee and hot spiced tea from a silver tea service.

The approximately 50 guests present were registered in a lovely white guest book by Mrs. Gayland Stephens.

Napkins bore the inscription "Baby Layman" in unique gold letters.

Mrs. Layman, her mother, Mrs. H. W. Hendon of Muleshoe, and her mother-in-law, Mrs. D. E. Layman were presented corsages created from booties, baby socks, and soft pink, blue, and white net.

Hostesses for the occasion were Mrs. Pody Welch, Mrs. Bryan Dutton, Mrs. Gayland Stephens, Mrs. Jim Baldwin, Mrs. Gene Chaney, Mrs. Sawie Branscum, Mrs. Johnny Pellham, Mrs. Sandy Sanders, Mrs. Joe Neil Ellis, Mrs. Johnny Murrell, Mrs. C. PRIZE LAYERS SLAIN... The third such raid in the past few months took place Sunday as Mr. and Mrs. Edd Halley attended church services. They returned home to find prize layers lying dead all around the chicken pen. Halley has replaced the layers several times following attacks by deadly dogs, but is wondering if it pays. This action Halley says takes its toll on the egg production capacity on his farm.

Springlake-Earth Varsity Victories Over Bovina 86-33 and 59-48

It's funny what a few days rest can do for a ball club, after following such a close schedule all season. With six days off the courts in competition, the Wolverines and Wolverettes came roaring back to take big victories over the Bovina Mustangs.

The Wolverine "B" Team ran into a stubborn Mustang foe and was defeated 40-31, in the first game against Bovina Tuesday night.

Perry Don O'Hair led the scoring attack for the B team, pouring in 12 points, followed by Bridges and Wilburn with 4, Byers 3, and Armstrong, Polk, Houchin, Helms contributed 2 each.

For Bovina, Lee and Rodgers took high point honors with 12 points each, followed by Hunselman with 8, Hutto, 4, Mitchell 3, and Lee 1.

The Bovina B team led through out the entire game and posted a 8-7 margin at the first quarter, 18-11 at half time, 27-19 at the end of the third quarter and finished the game with a 40-31 victory.

The Wolverettes went on a scoring rampage, 86-33 and collected their 26th straight victory of the year. Marsha Dawson was the gal of the hour, hitting on rollouts to the left and right sides for a remarkable 41 point outburst, her highest of the season for one game. Other Wolverettes contributing to the victory were Anita O'Hair with 14 points, Susau Britton 13, Linda Gregory 8, Beverly Prather 6, and Dalpha Banks 4.

For Bovina, Judy Minyon paced the attack with 18 points followed by Carol Kirkpatrick 12, and LaNelle Christian, 3.

In the Boys game, the Wolverines started the attack early and never gave way to a stubborn Mustang foe. The Wolverines, using the fast break and a full court pass worked it to perfection and led at the end of the first quarter, 16-10, half time 27-22, third quarter 40-23 and finally came out victorious 86-33.

Doug Messer led the attack for the Wolverines with 29 points, followed by Logan Armstrong with 12, Randy Washington and Perry Don O'Hair 7 points each, Wayne Stockard 5, O. C. Thomas and Tim Matthews rounded out the scoring with 4 points each.

The Bovina attack was led by Carl Harris with 22 points, followed by Randy Jones 12, Alfred Stanberg 6, Mike Sheson 4, Lynn Marphy and Gates Hromas collected 2 each.

There are only three games left in the regular basketball season and at the present time, the Wolverines are leading in the girls division, with the Farwell boys holding a one game margin over the Wolverines for the district lead. It seems at though, like last year, the district will be decided Tuesday night, February 7 when

DOUG MESSER GETS 2 points for the Wolverines Tuesday night against Bovina. Action took place in the second quarter, with the Wolverines eventually winning 86-33.

8th Grade Girls Take First Place in Friona Tourney

The Springlake-Earth eighth grade girls brought home the first place trophy from the Friona tournament last weekend.

In the first game, Springlake-Earth defeated Tulia 41-27.

Farwell invaded the Wolverinogym to determine just who will represent District 3A in the Boys Division.

With only three games left to play, let's all get behind our kids and support them all the way, for they are doing a terrific job representing the Springlake-Earth School.

8th Grade Girls Take First Place in Friona Tourney

The Springlake-Earth eighth grade girls brought home the first place trophy from the Friona tournament last weekend.

In the first game, Springlake-Earth defeated Tulia 41-27.

Farwell invaded the Wolverinogym to determine just who will represent District 3A in the Boys Division.

With only three games left to play, let's all get behind our kids and support them all the way, for they are doing a terrific job representing the Springlake-Earth School.

Junior High Tournament Scheduled Here This Week

Springlake-Earth's annual boys and girls junior high basketball tournament, scheduled Thursday, Friday, and Saturday, February 2, 3, and 4, is expected to produce a full measure of crowd-pleasing action.

Friday's schedule will begin at 2:30 with Springlake-Earth seventh grade girls team meeting Sudan and at 3:40 p. m., Springlake-Earth 7th grade boys will meet Sudan.

Trophies will be given for first, second, and consolation. They will be presented to the teams Saturday night.

Increased USDA Food Donations Enroute To Texas Schools for Lunch Program

Increased supplies of food for school lunches are on the way to Texas as a result of recently stepped-up purchases by the U. S. Department of Agriculture, according to John J. Slaughter, Southwest Director, Consumer Food Programs, Consumer and Marketing Service, Dallas.

The food will be distributed to schools participating in the National School Lunch Program through the State Department of Public Welfare.

USDA increased its food donations to help schools meet their expenses during the second half of the school year and to help them continue to

provide adequate meals at a reasonable cost to the students, he explained.

Texas's share of recent purchases, which USDA expects to deliver in January and February, will include 1,300,000 pounds of dry beans, 1,000,200 pounds of frozen beef, 1,038,300 pounds of butter, 436,800 pounds of cheese and substantial amounts of other commodities.

USDA has also announced intention to buy a large quantity of frozen orange juice, probably starting next month, and supplies should reach many schools in March. The Department is also buying fresh pears.

Other items supplied through USDA donations this school year have included raisins, nonfat dry milk, rice, flour, shortening or lard, cornmeal, peanut butter, rolled wheat and, recently, oats.

In supporting the state agencies in the administration of the National School Lunch Act, USDA's Consumer and Marketing Service donates some foods plus some cash to buy food locally. On a national average, the food and cash contribute about 23 percent of the total program cost. State and local sources, including children's payments, cover the remaining cost of the lunches.

The varieties were developed at the Lower Rio Grande Valley Research and Extension Center by Paul Leeper, Texas Agricultural Experiment Station horticulturist.

La Pinta and El Monte are mostly Valley-adapted, but Chico Grande is expected to do well throughout the state.

La Pinta cannot be successfully harvested until ripe, which should help live up the Valley's fresh tomato market. Picked green, it is brittle and will not stand up to harvesting and processing. It has produced 10-18 tons per acre in field trials.

El Monte lends itself to processing on the fresh market because it can be harvested green, vine-ripe or ripe. It is not quite as large as La Pinta but is redder. Yields have ranged from 16.6 tons per acre in spring plantings to 20.2 in the fall.

College Station - Texas will see three new commercial-type tomatoes blooming in its fields this spring.

La Pinta, El Monte and Chico Grande will make their debut billed as tomatoes with firmness, pleasing taste, attractive color and good keeping qualities. They are resistant to disease and cracking, and under test have produced double the yields of present types.

Foundation seed stocks were released early in 1966 to commercial seedmen. Seed are now available to growers for their spring crop.

BROWNIE TROOP
Brownie troop No. 308 met Wednesday at the scout hut with leaders Mrs. C.C. Goodwin and Mrs. Norman Hinchliffe.

The group worked on covers for telephone books and learned the correct way to call various numbers in case of emergency. Shelby Binner served cup cakes to Lucinda Aguirre, Debbie Bell, Fonda Goodwin, Kleta Haberer, Camille Hinchliffe, Tom Inglis, Teresa Lively, Cynthia Robinson, L'Anna Sulser, and Kathy and Sherry Winters.

Teresa Lively's grandmother, Mrs. Gray, from Otton, was a guest.

BROWNIES #308

Brownie troop no. 308 met at the scout hut Tuesday, with 20 girls present.

The group completed their embroidery projects and tool their home.

Plans were made for next month's meetings, when the

group will work on puppets. "My Goose" and a game were led by Janet Schellar.

Donna Smith served refreshments of candy bars to the 20 brownies present and leaders Mrs. Jerry James, Mrs. Eddie Hayden, Mrs. James Smith, and Mrs. Wilson Lewis.

GIRL SCOUTS #178
Girl Scout troop #178 met at the Scout Hut Wednesday with their leader, Mrs. Bert Weil.

Mrs. Gerald Inglis was present to continue working with the group on their story telling badge.

Kim Stockstill and Gaye Ellis told a story to the troop, as a part of the requirements for their badge.

Refreshments were served at the Drug Store by Gaye Ellis to Debra Weil, Terri Inglis, Marilyn Eagle, Darlene Sulser, Kim Kelley, LaNana Marshall, Kim Stockstill, Marianne Messer, and Loretta Flores.

BOYY SCOUTS

The Boy Scouts met at the Scout Hut Tuesday with 30 boys present.

Plans were made for boy scout week, February 6-12. The group will patrol the streets on February 11, and on Sunday, February 12, they plan to attend Springlake Baptist Church as a group.

Several of the members studied leather craft, while others worked on advancement and archery steps.

Meeting with the boys were Travis Jaques, Jerry Hawthorne, and Bobby Green.

WORTH TALKING ABOUT

"Progress in combating mental illness itself has been heartening, but logic suggests that it should be followed by an attempt to provide the social-industrial atmosphere necessary for helping the former patient become once again a useful member of society. In fact, there is now good evidence that an impressive number of chronically hospitalized patients can be successfully rehabilitated through gainful employment."

Ralph T. Collins, M.D.

Mr. and Mrs. W. D. Martens and Mrs. Linda Garner and Tammy visited last week in Delta, Colorado, with Mr. and Mrs. Henry Martens.

The group enjoyed ice fishing while there.

Assistant County Agent Named

LITTLEFIELD--A new assistant county agricultural agent will join the Lamb County Extension Service Staff here February 1.

The new Extension worker is Sam Kuykendall, 29, who is a mid-term graduate of Texas A & M University, according to an announcement by the Lamb County Commissioner's Court and Extension Service District Agent Billy C. Gunter, of Lubbock.

Kuykendall replaces Ronnie McNutt who resigned last fall to become the Farmer County Agricultural Agent.

The new assistant agent holds a B.S. degree in Animal Science from Texas A&M. He had attended San Angelo College for two years before transferring to A&M. At San Angelo he was a member of

SAM KUYKENDALL

the student council, livestock judging team, Concho Aggie Club, and Rodeo Club.

At Texas A&M, Kuykendall was a member of both the junior and senior livestock judging teams, the junior wool judging team, Saddle and Sirolo Club, and Alpha Zeta. While attending high school in El Paso, where he was born, Kuykendall served as president of the Future Farmers of America chapter.

He attended Central High School in San Angelo his senior year and was a representative on the student council there.

Tipsto Prevent Refrigerator Frosting

If your refrigerator seems to be frosting up excessively, here are a couple of things you might check to improve the situation. First, carefully examine the rubber seal around the door. If the rubber has dried or lost its resilience, it could be causing an air leak in the door. It should be replaced. Second, try checking the temperature control. If it is too low, it could be causing the freezing unit to over-ice. A third thing is to

watch leaving foods uncovered. The moisture in the food just adds to the frosting problem.

Nematex, a tomato resistant to most species of root knot nematodes, will soon be making its appearance in Texas. The variety was developed for the fresh market and home gardens.

Namatex also is resistant to Fusarium wilt, grey leaf spot, and Alternaria collar spot. It is productive under a wide variety of conditions, the fruit is round, attractive and crack resistant, and has a small blossom end scar. Fruit sizes are usually slightly smaller than the well known Homestead 24.

The variety is adapted to most conditions in Texas.
