
 * NOSIN... With Polly *

We have hashed it over and The relationship between in- again many times about what dustrial growth and community small industry or factory could development the Chamber of do for a small town. Commerce concludes, is a The U. S. Department of Agri- chicken and egg relationship. culture has completed a study For the most part, you cannot entitled "What 100 New Factory have one without the other. Jobs Can Do For A Rural Com- munity."

What's in store for a country town if it gets 100 new factory jobs?
 Industry is placing more facilities in rural and smalltown areas these days and people want to know what it means to them.
 A recent study gives a part of the answer. Ten rural counties that had developed industrially were compared with similar counties that had no development.
 Here's what 100 new factory jobs did for the community:
 --68 additional nonmanufacturing jobs were created;
 --personal incomes increased over \$1 million per year;
 --annual retail sales jumped \$565,000;
 --one new retail establishment was added;
 --bank deposits increased to the tune of \$490,000;
 --97 new families settled in the area.

In addition, rural job development helped curb and in some areas reverse the massive post World War II movement of rural people to cities in search of employment.

Results of the study, which was conducted by the Chamber of Commerce of the United States, have been reinforced in part by recent research done by the Department of Agriculture.

Communities interested in how to get assistance in using industrial development wisely should see their county extension agent or other local USDA representative.

Commenting on the buildup in job-producing enterprises in rural areas, Assistant USDA Secretary for Rural Development Will Erwin said, "There is evidence that industrial employers will continue to expand placement of facilities in rural America. When guided wisely, such development adds to the economic and 'quality-of-life' well-being of the area.

"Unguided development may be costly and harmful to the community and its environment.

Other advantages of more local, nonfarm jobs, according to Mr. Erwin, include more and thicker pocketbooks upping the area's consuming capacity plus adding convenience and adequacy to shopping, trading and professional facilities and services.

"Take farm women, rural youth or operators of small farms: They are often able to materially add to their quality of life and economic wellbeing by taking a nonfarm job while still enjoying the advantages of farm life," Mr. Erwin said.

"And often Lew industries broaden the area's tax base which helps to curb rising local taxes."

Industrial growth in rural areas carries with it costs and benefits that local people must weigh and accept or reject if they are to guide the destiny of their community.

Earth United Methodist Church Schedules Prayer Nights

In preparation for the "Faith Promise Missionary Conference" scheduled for March 7, 8 and 9 the Prayer committee of United Methodist Church has set aside two Thursday nights, February 6 and 20 as Cottage Prayer Group Nights.

The Prayer Cottage Groups, under the direction of Mrs. Ray Axtell, chairman, will meet in the homes of Mr. and Mrs. Lynn Glascock, Mr. and Mrs. Wilton McDonald, Mr. and Mrs. Norman Sulser, Mrs. Velma Jones and Mr. and Mrs. Jack Angeley. Every member of the United Methodist Church is asked to attend these prayer meetings to make spiritual preparations in

behalf of the guest missionaries and to ask God to "bless" the Faith Promise Missionary Conference.

24 HOUR PRAYER VIGIL SCHEDULED

The United Methodist Church has planned a 24 hour Prayer Vigil beginning at 5 p. m. Thursday, March 6 through 5 p. m. Friday, March 7.

Each member of the church is urged to sign up for one or more of the half hour periods.

This prayer vigil time is in behalf of the Faith Promise Missionary Conference.

Cotton Harvest Drawing To Close

Harvesting and ginning on the High Plains is rapidly drawing to a close, according to Paul R. Dickson, in charge of the USDA's Cotton Classing Office in Lubbock. "About 3,000 samples a day are coming in," he added.

The USDA's Agricultural Marketing Service reported 27,000 samples were classed during the week ending Friday, January 24. This brought the season's total to 1,063,000. On this same date last year the total was 2,362,000, Dickson said.

Predominant grades this week were 42 and 52. Grade 42 accounted for 24 percent while grade 52 was assigned to 24 percent of the cotton samples also. Forty-five percent of these samples were reduced one grade because of bark. This is up from 43 percent the previous week.

The predominant staples were 30 and 31. Staple 30 amounted to 30 percent and staple 31 was 33 percent of the samples.

Micronaire readings in the premium range of 3.5 to 4.9 accounted for six percent of the samples. This compares to 9 percent the week before. Micronaire readings below 3.5 accounted for the other 94 percent this week.

Pressley strength tests averaged 80,000 pounds per square inch.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3.5 to 4.9 micronaire range were: grade 42, staple 30-27.15, staple 31-28.15 cents per pound. For grade 52, staple 30-24.30, staple 31-25.10 cents per pound. Mixed lots of cotton brought 15.25 to 32.00 cents per pound. Most lots brought 21.00 to 26.00 cents per pound. Demand is steady to fair for current ginning and trading is steady to slow.

Prices paid to farmers for their cottonseed averaged \$125 per ton.

Local Students To Exhibit Animals At El Paso

The Springlake-Earth FFA and 4-H club boys and girls will leave Friday morning to attend the El Paso Livestock Show.

Members of the FFA participating will be Randy Bills, 2 barrows and one lamb; Larry Dear, 1 steer and 1 lamb.

Brent Been, 1 steer; Allen Been, 1 steer; Brad Bridges, 2 steers

and 1 lamb; Petra Lewis, 1 barrow and Terry Lively, 1 steer and 2 lambs.

4-H EXHIBITORS

Cory Sawyer, lambs; Darcy Randolph, lambs; Jimmy Randolph, steer; Wendy and Dawn Branscum, steers and LaCretia and Clifford James, lambs.

Store License No Longer Required

Comptroller Bob Bullock reminded Texas business operators Saturday that the state store license requirement has been abolished.

Bullock said his office has been besieged with calls and letters this month by businesses which were unaware that the license requirement was repealed as of December 31, 1974.

"Obviously, the past administration didn't get the message out," Bullock said. "I consider it good news that we've been able to do away with the store license."

The store license, which started at \$5 for a single store, was a minor revenue source. Its repeal by phases was ordered by the Legislature in 1971.

Bullock said that some 240,000 stores in Texas had previously been covered by the license act. He said his office is returning license money still being sent

in by businesses unaware of the repeal.

"It's gratifying to see businesses voluntarily trying to do right and pay their taxes, but in this case we are saying 'thanks, but no thanks,'" Bullock said.

Officials To Attend Assembly

Four county men plan to be among the county judges and commissioners from throughout Texas when they gather February 5 and 6 at Texas A&M University. The four men to attend are county judge Bill Angel, commissioners Clarence Kelley, A. J. Spain and Hubert Dykes.

The assembly will take a critical look at both the past and future of county government at the 17th Annual County Judges and Commissioners Conference at the Aggleland Inn Feb. 5th and 6th.

Among the first day topics to

be discussed are property taxation, predator problems, America's Bicentennial Celebration in 1976, Revenue Sharing, Inflation and legislative action.

The second day of the conference will feature discussions on community resource development, functions of county personnel and land prices.

The conference is conducted as part of the County Officials Program of the Texas Agriculture Extension Service in cooperation with the County Judges and Commissioners Association of Texas.

Little Dribblers Association Reorganizes

Little Dribblers Association met Tuesday night to reorganize for the coming year.

New officers elected are as follows: President, Macky McCarty; Vice-President, Phil Neinaast; Secretary-Treasurer, Lavern Fennell and Player Agent Tom Phelps.

Each player is required to pay a \$5 registration fee. Registration applications are at the grade schools principals office and the Junior High principals office.

These applications are to be

picked up, filled out and turned in by Tuesday, February 4. Registration fee must be paid at that time.

Officers will meet at the school

auditorium Tuesday, February 4 at 4:30 p. m. to appoint teams and coaches.

Practice will start within two weeks.

Junior High Teacher Of The Month

Mrs. Melvin Chisum, history and social studies teacher in Springlake-Earth Junior High has been elected "Teacher of the Month" by the National Junior Honor Society.

Mrs. Chisum is 29 years old,

has hazel eyes and blonde hair. She is married to Melvin Chisum, the agriculture teacher of Springlake-Earth Schools. They have two sons, Jeff 4 and John 11/2. Her favorite food is steak, her favorite television show is Little House on the Prairie, and her favorite color is blue. Mrs. Chisum graduated from Texas Tech University in 1968.

Olton Banquet Set Saturday

The 18th Annual Chamber of Commerce Banquet is set for Saturday, February 1 at 7:30 p. m. in the school cafeteria.

Olton citizens will be honoring three individuals from their community for outstanding contributions during 1974.

Guest speaker for the 7:30 p. m. event will be Maxie Davie, area development specialist with Southwestern Public Service Company.

A "Woman of the Year," "Man of the Year" and "Farmer of the Year" will be honored and presented plaques by last year's recipients of the respective awards.

Tickets are now on sale by the C-CA at \$4 each, according to Eldon Franks, C-CA manager.

MRS. MELVIN CHISUM—History and Social Studies teacher at Springlake-Earth Junior High has been selected by the National Junior Honor Society as the Junior High School "Teacher of the Month."

THE NEW 1975 FIVE YEAR-Auto tag goes on sale in Earth at the City Office Monday, February 3. The new tags have black numerals with a white back-ground. Mrs. Betty McAlpine urges all car and truck owners to get their tags early.

License Plates May Soon Outlast Motor Vehicles

If all goes according to plan, the Texas motor vehicle license plate might soon outlast the motor vehicle that "wears" it.

Beginning February 1, the majority of motor vehicles operating in Texas may be eligible to use the new "multi-year" license plate, renewable annually for five years of driving. According to Bob Townsley, Director of the Highway Department's Motor Vehicle Division, approximately 9.2 million renewal notices are already in the mail to vehicle owners announcing the fact.

"Motorist will notice no change in the registration procedure this year," said Townsley. "Only the license plate to be issued will be different."

Instead of the usual metal plate, a heavier, non-corrosive steel will be used for greater endurance. Also, the plate will be reflectorized and will feature black letters and numerals on a white field, considered by experts to be the most easily readable color combination. "The real change in registration procedure will come in 1976," explained the Highway Department official. Next year, instead of buying a new license plate, owners will purchase a 1 by 2-inch adhesive-type validation tag that will be placed in the debossed upper left corner of the plate. In 1977, the tag will be stuck in the upper right corner to cover the debossed "75," and alternated for the ensuing years. Townsley said the tags cannot be easily removed without deterioration, a part of the plan to discourage vandalism or theft.

The "multi-year" plate to be used in Texas is almost identical to the one adopted by California some years ago. Specifications for plate design, letters and numerals were obtained from that state after careful study by Highway Department officials. "We found California to be completely successful with its 'multi-year' licensing system and it came closest to the 'new look' we wanted for Texas," said Director Townsley.

The 1975 Texas "version" is expected to cost the state 44 cents per plate to produce, almost double the manufacturing cost for the '74 plate. The dif-

ference in costs being attributed to different materials and plate design. However, the validation tags to be used beginning in 1976 will run some three cents apiece. According to Townsley, the state will realize an \$8.5 million savings in additional revenue from using the semi-permanent plates for the five-year period.

Some motorists will recall this is not the first time "multi-year" license plates have been used in Texas. During the war years 1943 and 1944, small metal tabs were issued to renew the 1942 plate. Then again in 1947, when there was a shortage of metal plates, windshield stickers were

issued as evidence of the payment of registration fees.

Townsley praised the convenience the five-year plate will afford motorist. "Especially those who find changing license plates annually a chore!" He reminded, "Certain classes of motor vehicles will still require annual purchase of plates. These include radio operators, dealers, state officials and those passenger cars displaying 'personalized' plates."

Motorists using the new plates will notice the use of vowels for the first time. Since 1965, when the "English" system of a

(Continued on Page 4)

Services Held Wednesday For Mrs. Blalack

Services for Mrs. Leona Fay Blalack, 59, of Earth were held at 3 p. m. Wednesday in Muleshoe Church of Christ with Ebb Randol, Farwell Church of Christ minister, officiating.

Burial was in Bailey County Memorial Park under direction of Singleton-Ellis Funeral Home. Mrs. Blalack died at 8:15 p. m. Monday in Methodist Hospital following a brief illness.

Born in Porter, Okla., Mrs. Blalack had been an Earth resident the past 12 years, moving there from Lariat. She was a member of the Earth Church of Christ.

The former Leona Fay McKillip, she married L. C. Blalack April

19, 1956 in Clovis, New Mexico.

Survivors include her husband, L. C. (Lawrence); 2 daughters, Mrs. Nona Bates of Clarksville, Ark. and Mrs. Lona Husk of Lake Oswego, Ore.; two sons, Coy Mason of Hereford and Calvin Mason of Leota, Kan.; a step-daughter, Mrs. Marquette Brown of Monroe, La.; two stepsons, Donald Blalack of Topeka, Kan. and Jimmy Blalack of Dallas; her mother, Mrs. Rosie McKillip of Muleshoe; five brothers, Leon McKillip of Portland, Ore., Fred McKillip of Dekalb, Morris McKillip of Muleshoe, J. E. McKillip of Portales, N. M., and Talmage McKillip of Amarillo; and 16 grandchildren.

Paulettes Beauty Shop Moves

Paulette Garner announced this week that she has moved Paulettes Beauty Shop into the former Earth Beauty Salon shop on Highway 70.

She also announced that Mrs. Eleanor Haberer, an expert manicurist would be available

on Fridays to give manicures and hand care.

The beauty shop will be open Tuesday through Saturday each week.

There will be a complete supply of Redken Products and Jafra Beauty Supplies.

Band Parents Meeting Slated

The Springlake-Earth Band parents have scheduled a meeting for all parents of members of the Wolverine Bands for Monday, February 3 at 8 p. m. in the band hall.

On the agenda of business to be discussed and acted upon

will be the upcoming band trip and other business to come before the group.

A film of the marching contest at Lubbock will also be shown.

All band parents are urged to attend and participate.

New Officers Elected For Town & Country Study Club

The Town and Country Study Club met Thursday January 23 in the home of Mrs. C. P. Parish. During a short business session conducted by president Mrs. Wayne Rutherford, officers for the new year were elected. Officers include; president, Mrs. C. P. Parish; vice-president, Mrs. John Laing; Secretary, Mrs. B. Campbell; Treasurer, Mrs. Marie Ross; and federated counselor, Mrs. Carra Morgan.

The meeting was turned over to the program chairman, Mrs. C. P. Parish. The topic for discussion was "Americanism."

Roll call was answered by members naming a former President and giving his term of office.

This program was taken from a speech delivered by Curtis E. Ramey at the Fort Worth Christian College, Fort Worth, Texas. It has since been presented some

two hundred times before students, educators, business and professional groups, religious convocations and at the 1973 T. F. W. C. Convention.

Mrs. John Laing discussed topic 1, which was entitled "Crime." She also discussed topic 2, which was entitled "Courts."

Mrs. Ray Kelley discussed "Religion." She also gave a brief talk on topic 4, entitled "Citizenship."

Mrs. H. S. Sanders read a lovely poem entitled "One Solitary Life."

The club collect was led by Mrs. Sam Cearley.

Delicious refreshments of cake, coffee and punch were served to the following members: Mrs. B. Campbell, Mrs. Sam Cearley, Mrs. Lena Hite, Mrs. Ray Kelley, Mrs. John Laing, Mrs. Carra Morgan, Mrs. Lottie Orteg, Mrs. Wayne Rutherford, Mrs. H. S.

Engagement Announced

Bette Alynn Dial and William David Cain announce their engagement and approaching marriage on February 14, 1975, in Hyde Park Baptist Church, Austin, Texas.

Alynn is the daughter of Mr. and Mrs. James E. Jones of Springlake. Mr. and Mrs. Maurice Cain of Ropesville are parents of the prospective groom.

The bride-elect is a graduate of Springlake-Earth High School and received her secretarial degree from West Texas State University and is secretary to Speaker of the House Bill Clayton.

Her fiancé, a graduate of Ropes High School, received his B. B. A. degree in accounting from Texas Tech University and is a state auditor.

Party Line

Mrs. Eurah McCool of Arlington, Texas visited on January 24 with Mr. and Mrs. W. A. McCool and Mrs. Almer Barton. She is a sister-in-law of W. A. McCool and Mrs. Almer Barton.

Mrs. Lillian Hamilton spent three days last week with Mr. and Mrs. Robert Riley in Amarillo and three days with Mr. and Mrs. Bob White in Lubbock.

Sanders, Mrs. John Welch, Mrs. Grace Hooley and the hostess Mrs. C. P. Parish.

The next meeting will be Wednesday, February 5 when the group will meet for a noon luncheon with the Senior Citizens Club.

BETTE ALYNN DIAL
Party Line

Mr. and Mrs. Ross Middleton visited in Midland with Mr. and Mrs. Phil Middleton and Kerl over the week-end.

Deputy Grand Matron Visits Earth O.E.S.

Mrs. Norma Coffey of Hereford, Deputy Grand Matron of District 2, Section 3 of the Grand Chapter of Texas, Order of the Eastern Star, made her official visit to the Earth O. E. S. Chapter Monday, January 27.

Mrs. Dan McInroe Worthy Matron presided at the meeting held at the Masonic Hall. Mrs. McInroe extended greetings to visitors and members and introduced Mrs. Coffey.

Mrs. Coffey gave an inspiring message and instructions from Mrs. Patricia Neinat of Dallas, Worthy Grand Matron of the Grand Chapter of Texas O. E. S. Mrs. Neinat stated that in the Order of the Eastern Star our founder has set forth great biblical truths, truths that are just as timely in the 20th Century as they were those thousands of years ago. For human nature never ever changes! The great

truths in our Order are beautifully expressed and so wonderfully illustrated for us, that we have but to follow them and our lives will be enriched and all society benefited. The key to prevailing over our troubles is self-discipline and conforming to basic fundamentals, such as obedience to the laws, both scriptural and temporal, and to the Golden Rule.

Mrs. McInroe presented Mrs. Coffey a lovely and useful money corsage from the local Chapter.

The hall and dining room were beautifully decorated in the Worthy Matrons chosen colors, white, pink and silver, with arrangements of pink roses and her emblem "The Holy Bible."

Mrs. Coffey invited the Chapter members to attend the Eastern Star School Tuesday, February 4 at 10 a. m. in the Masonic

Temple, Hereford. The members and visitors from Hereford enjoyed a delicious salad supper in the dining room preceding the meeting.

RUN YOUR dishwasher only once a day, or less, depending on size of your family. This helps to conserve water.

DISPOSE OF excess pesticides and their containers according to instructions on the label.

MRS. J. W. KELLEY

Mrs. J.W. Kelley Honored On 92nd Birthday

To celebrate the 92nd birthday of Mrs. J. W. Kelley, her children and grandchildren surprised her with a covered dish luncheon Tuesday, January 28th.

Mrs. Kelley was presented with a red carnation corsage and an oil painting, finished recently by her sister, Ethel Henderson

of Chickasha, Oklahoma. Enjoying the delightful occasion were the following: the honoree; Mr. and Mrs. David Burum and Devron; Miss Minnie Lee Williams; Mrs. Beulah Danforth; Mr. and Mrs. N. Ray Kelley; Mr. and Mrs. Pete O' Hair; Mr. and Mrs. Jerry Kelley and Mrs. Barry T. Lewis.

Miss Cindy Goodwyn Honored With Bridal Shower

Miss Cindy Goodwyn of Lubbock, bride-elect of Thomas Mann was honored with a bridal shower Saturday, January 25 from 2:30 to 3:30 in the Church of Christ Fellowship Hall.

The brides chosen colors of yellow and white were used throughout the hall, creating a lovely setting for the many useful and lovely gifts on display.

Corsages of yellow daisies and bristol fury were presented to the honoree, her mother, Mrs.

Roland Goodwyn and Mrs. Bill Mann, mother of the groom.

Mrs. Vera Martin registered guests from a table covered with a floor length white lace cloth adorned with a white candle surrounded with yellow daisies also the brides book and gold feather pen.

Mrs. Fay Hay and Mrs. Oletha Sanders served dainty sandwiches and cookies, tea and coffee from silver and crystal appointments.

The serving table was covered with a floor length lace cloth with a beautiful centerpiece of yellow daisies and bristol fury, with tall yellow candles in crystal holders.

The hostess gifts were a set of avocado colored cookware, a decorative wall clock and electric skillet.

Hostesses for the event included Mrs. Dwayne Jones, Mrs. Marvin Sanders, Mrs. Eddie Haydon, Mrs. Ronald Cleavinger, Mrs. David Templeton, Mrs. Gene Templeton, Mrs. L. H. Dent, Mrs. Tuffy Dent, Mrs. Truman

Miss Wheatley To Be Installed Worthy Advisor

Miss Kelly Jo Wheatley will be installed as Worthy Advisor of Earth Rainbow Assembly #156 Saturday at 7:00 p.m. at Earth Masonic Lodge.

Miss Wheatley is the daughter of Mr. and Mrs. Tommy Wheatley and is a sophomore in Springlake-Earth High School.

Masons, Eastern Star and friends of Rainbow are invited to attend.

MISS KELLY JO WHEATLEY

Stine, Mrs. Cullen Hay, Mrs. Perry Martin, Mrs. Bill Weldon, Mrs. Fred Clayton, Mrs. J. K. Martin, Mrs. Robert O' Hair and Mrs. Houston Stephens.

Also Mrs. Elvis Clayton, Mrs. George Kasinger, Mrs. R. O. Dickson, Mrs. Donald Street, Mrs. Loyd Blanton, Mrs. Bill Reese, Mrs. Tony Holmans, Mrs. Harold Miller, Mrs. Bob Ussery, Mrs. Sam Barden, Mrs. Lucy Lewis, Mrs. Thurman Lewis, Mrs. Bill Anderson, Mrs. Donald Kelly, Mrs. Ted Haberer and Mrs. Lawrence Sloan.

Hucks, Mrs. Paul Wood, Mrs. Guy Kelley, Mrs. Norman Hinchliffe, Mrs. Roger Haberer, Mrs. Jay Winders, Mrs. Gerald Inglis, Mrs. Virgil Lewis and Mrs. Howard McClure.

IF YOU OWN a trail bike, learn where the proper trails are located, and, use them! Tires that go off the trail cause erosion. Erosion pollutes, killing fish and plants.

IT TAKES tentrees one day to produce the oxygen required to burn just one gallon of gasoline. At that rate, it would take a grove of 28 trees to replace the oxygen used by the average American's car in a year.

300 AVERAGE size books can be printed on the paper made from one tree.

Edward And Bonnie Wuerflein Honored Sunday Evening

Members of the First Baptist Church in Earth honored Mr. and Mrs. Edward Wuerflein Sunday evening in the fellowship hall of the church.

The evening began with a salad supper.

Bill Anderson, emcee for the occasion passed out slips of paper to those present who filled

them with much needed advice for the newlyweds. After they were prepared they were read aloud to the group and the honorees.

After the couple opened the shower gifts the group enjoyed an evening of getting acquainted with the couple and good fellowship.

There were approximately 100 persons present for the occasion.

ACCUMULATED WIRE coat hangers can be tied in bundles and returned to your cleaner for reuse. If you throw them out they add immensely to the garbage problem.

three-letter prefix and a two to three digit basic number was adopted, only consonants were used. Townsley says there are just too many vehicles in Texas to allow consonants only. The first 1975 license plate will be AAA 10 to be issued in Bastrop County.

Also for the first time, a new five-year travel trailer plate will be available. This classification includes all camper trailers and house trailer-type vehicles which are (1) not in excess of 6,000 pounds gross weight or (2) not in excess of 8 feet wide or 55 feet in overall length when measured in combination with the towing vehicle, regardless of weight. The registration fee is based on actual weight including all furnishings. Annual license plates and movement permits will be available for mobile homes and house trailer-type vehicles exceeding these specifications.

Annual registration fees for motor vehicle owners will remain the same as in the past, \$12.30 for vehicles weighing up to 3,500 pounds; \$22.50 for vehicles weighing 3,501 to 4,500 pounds; \$30.30 for vehicles weighing 4,501 to 6,000 pounds; vehicles weighing 6,001 pounds or more are charged at the rate of 55 cents per hundred pounds of weight.

Motorists are encouraged to register their vehicles early and avoid the "last minute" rush. Registrants may apply by mail immediately, or "in person" at their county tax office and substations beginning February 1. Mail applicants are reminded to return the entire renewal notice along with their payment and one dollar per vehicle to cover postage and handling. Allow at least 30 days for delivery of plates. The registration deadline is midnight, April 1.

SECOND PLACE WINNERS-In the Springlake-Earth Junior High tournament in the girls' division were these S-E eighth graders. They are left to right front row, Belinda Hampton, Jan Davis, DeAnne Clayton, Rosario Montiel, Christie Pittman and Lisa

Pittman. Second row, Nelda Garza, Oleta Thomas, Elaine Bills, Vicki Wright, Patricia James and Laurinda Bulls. Back row, Karen Robinson, Carrie Barden, Lindsey Fields, Donice Taylor, Petra Lewis, Rosie Lewis and Frances Potts.

Wolverines Lose Two

The Wolverines lost two district games this week, losing to Vega 27-49 and Bovina 74-79. Vega game scoring by quarters, S-E 4-Vega 23, S-E 12-Vega 33, S-E 15-Vega 41, S-E 27-Vega 49.

Doug Jones scored 8 points for the Wolverines topscorer, Mark Harwell was high point man for Vega with 15 points.

Scoring by quarters in the Bovina game, S-E 10-Bovina 13, S-E 28-Bovina 30, S-E 53-Bovina 50, S-E 74-Bovina 79.

Jacob Miller was high point man for the Wolverines with 28 points. Kyle Jones scored 21 for Bovina. The Wolverines season record is 18-8 and in district play 4-3.

The Wolverettes lost to the Vega girls 49-27 Friday night and busted the Bovina girls 68-17. Melissa Been was high point girl Friday night with 18 points. In the Bovina game Melissa

**Retirement Plan Set By Commissioners
In Called Court Session**

The commissioners court met Friday in a called session to approve a retirement plan for county employees, also to vote

on other items of business in the county.

Been was high point girl with 34 points, Susan Clayton had 11 points, Rosa Rivas 8, Kim Dent 7, Cindy Dent and L'Anna Sulser had 3 points each and Camille Hinchliffe had 2 points. The Wolverines and Wolverettes travel to Kress Friday night to take on the Kangaroos.

Another name was drawn for the Salary Grievance Committee. In the last regular meeting of the court three persons' names were drawn. John Breedlove and Hubert Henry accepted service on the committee, but Raymond Harper refused to serve. Ray Keeling's name was drawn in the Friday meeting. The court approved supple-

mental reports from the various county offices and voted to issue separate checks to cover the pay raises granted to county employees earlier this month and not authorized for the first checks in January.

Commissioners will meet again this Friday for their end of month session.

MANOR NEWS

SUNNYSIDE NEWS

BY TEENY BOWDEN

Joel Bradley was dismissed from Central Plains General Hospital in Plainview Thursday afternoon to continue his recovery at home. He will go to Lubbock Thursday for an evaluation on his progress from Dr. Dunn.

Mrs. Ronald Henderson of Kansas, daughter of Mr. and Mrs. J. C. Holbrooks was admitted to the Liberal Hospital Monday and transferred to St. Anthony's Hospital in Amarillo Wednesday for tests by a neurosurgeon. Mr. and Mrs. Holbrooks have visited with her several times since Wednesday.

Carrie Little, sister of E. R. Little, was admitted to Plains Memorial Hospital in Dimmitt Sunday January 12th after suffering a stroke. She is still paralyzed on the right side of her body.

Dr. David Kirkpatrick, Bible

TEXAS TALK

By CALVIN WOOD

"PERFECT" STEERS — should show good muscle in the forearm and arm with front legs set wide apart. Shoulders should not be excessively coarse and open. When viewed from the rear the back and loin should slope in Quonset fashion and be uniformly wide. Rounds should carry down full and thick with the widest points halfway from the hock to the rump. Moderately short necks and strong backs are necessary attributes. Common indicators of quality are a loose and pliable hide with the hair fine, smooth, and glossy.

For good finish (fat), a common check point is under the steer's neck where a ball of fat should be felt near the anchor point of the tongue. On steers approaching prime grade fat will often be noticed at the point of the shoulder.

WOOD-JORDAN INC. EARTH

professor at Wayland Baptist College, taught the Book, "Acts: Working Together in Christ's Mission" to the church Monday through Wednesday nights for the January Bible Study emphasis. A break was taken each night for fellowship and refreshments. Mrs. Milburn Haydon and Mrs. Thomas Parson taught the preschool department. Intermediates and youths sat in on the adult study.

The Baptist Women met Thursday afternoon for the general meeting with the president, Mrs. Embree Roy Sadler in charge. The Mission support chairman, Mission study chairman and Mission Action chairman gave explanations and examples of their work. Group leaders gave reports on their work. Mrs. John Stever led the singing and brought the special music. Mrs. Gale Sadler played the piano, Mrs. Roy Phelan had charge of the study which was on Baptist work in New England.

Mr. and Mrs. Thomas Parson attended the Llanos Altos Association Worker's Conference at Lazbuddie Monday night.

Mrs. L. B. Bowden worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Monday afternoon. Mrs. John Gilbreath worked Thursday morning.

John Gilbreath represented Grain Sorghum Producers in a panel discussion in Clovis Monday night.

Dina Jo Hampton won 6th place with a heavyweight Angus in the Lamb County Livestock Show last week. Lee Brown won a sixth and a 7th place on medium Suffocks in addition to the 5th place reported last week.

Cindy Sadler has been busy lately as a member of the cast of the speech department play scheduled in Dimmitt High for Saturday night February 1st.

Mrs. Jimmy Waggoner and Jana were honored with a baby shower in the home of Mrs. Gale Sadler Sunday afternoon. Out of town guests were Mrs. Vernon Hasley and Debra, Mrs. M. B. Odom, Mrs. William Moyers, Mrs. Roy Lilley, Mrs. J. O. Seale and Mrs. Dell Moore all of Dimmitt and Mrs. Wauline Lilley and Pauline Tate of Plainview. Hostesses were Mrs. Gale Sadler, Mrs. Hershel Wilson, Mrs. Phillip Jones, Mrs. Ezell Sadler, Mrs. Charlie Hall Jones, Mrs. Cliff Brown, Mrs. Larry Sadler, Mrs. David Sadler, Mrs. R. J. Lefevere, Mrs. Thomas Parson, Mrs. Lynn Cox, Mrs. Bob Ott, Mrs. Carl Bradley, Mrs. Glen Wilson and Mrs. Vernon Orr.

Baptist Men's Day was observed in the church Sunday. Milburn Haydon had charge of the services. Clark Thompson of Pampa was the guest speaker for the morning services. There was an all men choir. Mr. and Mrs. Preston Uphaw of Hart brought the special music.

Rev. Raymond Jones of Cotton Center will fill the pulpit Sunday in view of a call as pastor.

Mr. and Mrs. L. B. Bowden visited in Canyon Friday afternoon with Dick and Lucy Jo Louder.

Hershel Wilson led the singing in a revival meeting in the Hopewell Baptist Church of Olton this week. Mrs. Wilson and Dancene, Mr. and Mrs. Herman Wilson of Amarillo and Ruth Barnard of Canyon attended the services with him Sunday night.

Mr. and Mrs. Richard Heizer of Denton moved into the community this week. He is employed with Soil Conservation in Dimmitt. They are living in the Sadler house vacated recently by Mr. and Mrs. Larry Starnes and girls.

Mr. and Mrs. Clark Thompson and family of Pampa, Mr. and Mrs. Preston Uphaw of Hart and Mr. and Mrs. Roy Phelan had dinner Sunday with Mr. and Mrs. Hershel Wilson and girls.

Rev. and Mrs. Randall Ball of Big Springs, Mrs. Delmer McMillen of Denver and Mrs. Wauline Lilley of Plainview were dinner guests Friday of Mr. and Mrs. J. Paul Waggoner. Those who had supper with them Saturday night included Mr. and Mrs. Garner Ball and Randy of Olton, Mr. and Mrs. Delmer McMillen of Denver, Mr. and Mrs. Gary McMillen and baby of Denver, Mr. and Mrs. Leroy Powers and children of Plainview and Mr. and Mrs. Jimmy Waggoner and children.

Mrs. Hershel Wilson attended the revival services at Hopewell Baptist Church of Olton Thursday night. She and Debbie and Dancene attended Friday night.

Coby Gilbreath won a third place on the lamb he showed in the Hereford Livestock show Thursday and Friday with the Dimmitt FFA. He also showed a barrow in the Amarillo Stock Show last week.

Mr. and Mrs. Larry Starnes and girls from Centerville visited in the Sunday morning worship services.

Half The Deaths In Texas In 1975 Will Be Cardiovascular Disease

Accidents may grab the headlines, but half the deaths in Texas during 1975, in excess of 50,000, will be caused by cardiovascular disease, estimates the State Health Department.

This particular statistic isn't new. The Health Department's Bureau of Vital Statistics has reported similar death percentages year after year.

In 1973, for example, 101,487 Texans died from all causes. Deaths from diseases of the circulatory system accounted for 50,988 of these fatalities, a fraction over half. In 1972 the death toll from cardiovascular disease was 49,410, again a grim fifty-fifty proposition.

What's in store for 1975? According to the American Heart Association it is estimated that Texas has 1.2 million of the more than 28.4 million persons in the United States afflicted with some major form of heart and blood vessel diseases.

Hypertension alone afflicts more than 23 million persons. About half the victims of this so-called "silent disease" don't know they have it because it has no special symptoms. But, it is easily and quickly detected with a blood pressure checkup.

Once detected, it usually is controllable. If left undetected and untreated, however, high blood pressure can lead to stroke, heart attack and kidney failure, diseases that will kill more than 900,000 Americans in 1975.

Statistics don't tell the entire story. They don't tell how many

of the 51,500 Texans, those predicted to die this year with cardiovascular disease, could possibly be saved through awareness and proper treatment.

Medical science has unraveled many of the mysteries concerning heart ailments. In addition, dramatic advances have been made in repairing congenital and acquired cardiovascular abnormalities. Surgical techniques make possible the repair and replacement of damaged portions of the heart and blood vessels. It also has a preventive usefulness.

Individual, working with physicians and others, can do much to reduce the chances of heart attack and stroke, says the State Health Department.

Extensive clinical studies of family medical history, physical conditions and life styles have identified several factors as contributing to an increased risk of heart attack and stroke. These factors include heredity, sex, age, race, cigarette smoking, high blood pressure, elevated blood cholesterol, diabetes, electrocardiogram abnormalities, stress and lack of exercise.

An epidemiological study by the United States Public Health Service, based on long-term observation of health in the inhabitants of Framingham, Mass., has documented the significance of the major risk factors in heart attacks and stroke. It also shows that the danger increases with the number and severity of risk factors, the more risk factors present or the greater the degree of abnormality of any factor, the greater the risk.

Some risk factors can be changed and others cannot. A person must learn to live with those that cannot be changed and alter those over which control is possible.

Those which cannot be changed include heredity, sex, race and

age. But how about some of those other factors, diet, exercise, smoking, stress, other medical problems? With proper consultation and medical assistance, most of these individual factors can be changed.

High blood pressure, one risk factor, may be controlled by a wide variety of drugs. But it is necessary first to seek medical help to determine if you are one of the 23 million persons with hypertension.

Cholesterol could be another risk factor. It is a fatty substance found normally in living tissue and is essential to health. But if a person has too much cholesterol in the blood, it can build up on the walls of the arteries, narrow their passage-way and set the stage for heart attack and stroke. It has been found that this buildup may start at an early age. But through proper diet and prescribed drugs, cholesterol can be maintained at a normal level.

Changing your life style to meet the threats of your health can be a major undertaking, but a life-saving one, says the Health Department.

Eating proper foods, giving up smoking and other excesses, getting fresh air and exercise and looking out for other physical problems can make your life more satisfying and help you live longer. Developing proper patterns of living to prevent risk factors can be started in early childhood and continued in later years. Although research is continuing on the effects of correcting risk factors, it has been shown that modification of risk factors will reduce chances of heart attack and stroke. The greatest improvements result from simultaneously lowering all possible factors.

There may be no way to prevent all cardiovascular disease, but one can go a long way toward avoiding disability by

getting the good health habit, says your State Health Department.

Mother Advisor Honored By Rainbow Girls

The Earth Rainbow Assembly No. 156 met for a regular meeting Monday, January 20 at 4:30 p. m. with Donna Green presiding as Worthy Advisor and Ann Kelley presiding as Mother Advisor. Following the meeting, a program was given by the Mother Advisor on colors of the Rainbow, using a prism and the Bible with Rainbow streamers.

Miss Donna Green read a poem to the members thanking them for their help during her term as Worthy Advisor.

Stephanie Tunnell was presented color bars for Service.

Preceding the meeting, hot dogs, Cokes, chips and brownies were served to the 20 members present by Mrs. Cecilia Goodwin and Mrs. Mary McInroe.

On Wednesday January 22 at 4:30 p. m. the group met for a special formal meeting. Miss Stephanie Parish was initiated into the Order.

The girls surprised the Mother Advisor with a lovely program. She was presented to the seven color stations and presented flowers.

Following the initiation, Mrs. Kelley was presented a "Pot of Gold" (cookie jar) filled with cookies and a love offering. Kelly Jo Wheatley was presented an award as "Outstanding Rainbow Girl" of the year.

Refreshments of cake and punch were served to 16 girls and 13 adults.

The next regular meeting will be February 3 with a new slate of officers.

Tex Watson talks about The West Texas Gas Supply

You hear a great deal about the competition for the natural gas in West Texas these days. It is rightfully a matter of interest and concern to every citizen of this area. It has some serious implications.

Natural gas has been an important factor in building West Texas and will continue to be. Most of the businesses and industries in our area depend, directly or indirectly, on a continuing supply of natural gas. A lot of people's jobs depend on it. So, we must see that they have it.

We will have to pay more for it than in the past. The competition for gas has never been so fierce. But by working together, and without outside interference, we'll have the gas energy we need today and in the future. Gas will still be your best energy buy.
