Folk Festival casts from Crowell, Quitaque and Childress won the right to represent the entire Upper Red River Valley Area Tuesday night of this week, when they competed in a regional Folk Festival conducted at the high school auditorium in Memphis at 8 o'clock.

Results of the contest were announced from Dallas Wednesday morning by Miss Sarah Gertrude Knott, National Folk Festival director for the Texas Centennial Exposition, a five-member Centennial judges had made the decision in Memphis Tuesday night.

The towns were competing for the signal honor of representing this region in Dallas, but Miss Knott informed Supt. W. C. Davis by telephone that Crowell, Quitaque and Childress all three would be eligible to send casts to the National Folk Festival.

Because of sickness and conflicts in Wellington and in Turkey, only five towns were represented in the regional meeting here Tuesday night—Crowell, Quitaque, Childress, Clarendon and Matador.

Although the judges did not announce their decision, it was generally understood by the audience that the Crowell contest number won first place. The title of Crowell's entry was "Memories," and the scene showed a pioneer West Texas couple re-living the days of their youth and subsequently their journey to Texas.

The story of the recapture of Cynthia Ann Parker from the Indians was related in a touching manner by the pioneer grandchild, and the crowd from the mode of cowboy life several decades ago were depicted by their portrayal of "Life on the Old F Ranch." Realistic garb and mannerisms.

Urges Payment of Delinquent Taxes City of Memphis

Letters have been sent out from the city tax collector's office in Memphis to all tax payers who are delinquent in the payment of city taxes for one or more years, urging prompt settlement of such delinquent taxes.

These notices were ordered sent by order of the City Council. Tax Collector W. V. Courney reports that several have already responded to the notices.

The 1935 delinquent taxes take an additional penalty after July 1, and prompt payment of these taxes as well as all other past due taxes will be a saving in the tax payer and will aid the city in meeting the debts which it owes and also the current expenses of the city government, is the appeal made.

Mr. Courney points out the fact that payment of any one year's delinquent taxes on any one piece of property may be made at any one time, making it similar to paying by installments.

LAKEVIEW'S \$60,000 SCHOOL PLANT NEARS COMPLETION

## STOMACH SUFFERERS

If you are suffering from indigestion, atonic dyspepsia, sour stomach, gas pains, "raw stomach," inflammation of the intestines (enteritis), gastric acidity and sick headaches, due to excessive acidity, you need a relief to ignore these warning signs. You should try at once the Doctor's Prescription, known as Gas Tablets. If you allow these conditions to become worse, the acids may eat into the delicate mucous membrane of your stomach and intestine and possibly cause dangerous ulcers. Gas Tablets soothe the raw, inflamed lining of the "acid stomach" and help convert starchy foods into dextrines, which is an essential to energy of the body, and preservation of health. Take just one or two Gas Tablets and see how they help your stomach "tackle a hearty meal." The first bottle must produce results or money back. On sale at

## Black-Draught's Good Reputation

The confidence people have in Black-Draught's built up from factory use so many years, is being passed on from generation to another. It is good to have such a strong drug.

Black-Draught is a typical reference to Black-Draught by a satisfied user. "I have used Black-Draught twenty years," writes Mr. Fred Johnson, of Hartshorne, Okla. "My mother has used it for fifty years. It is the best medicine I know of for anything about the stomach and constipation. When I feel sluggish and bad, Black-Draught is splendid to regulate the bowels, cleansing them of matter, ridding them of constipation. I expect to use it for the next five years if I live. It gives satisfaction as it has given."

### A GROWING INDUSTRY

**THE COTTON ACREAGE** restriction program of the Federal Government is bringing up many problems regarding the utilization of the retired cotton-acreage and consequent readjustments in Texas agriculture. Dr. F. A. Buechel, assistant director of the University of Texas Bureau of Business Research, said in a recent survey of annual interstate shipments of poultry and eggs in Texas, 1931-35.

"For Texas the program calls for retirement of approximately four million acres," he said. "It is to be expected that this land will be used in the main for the production of feed crops and pasturage for live stock and to a lesser extent for increasing the acreage of minor crops such as fruits and vegetables which require intensive cultivation.

"One line of agricultural activity which might be expected to reflect an expansion in the animal industries rather promptly is the poultry and egg industry. Fortunately, we have accurate figures on the movement of these products into interstate commerce during the past five years as well as monthly figures on current shipments. Assuming that consumption of poultry and eggs within the State remains fairly stable, increasing only gradually with the growth in population, interstate shipments especially of chickens and turkeys indicate quite accurately any changes which occur in the production of these commodities. Interstate shipments of eggs in the shell will of course be influenced by the growth of egg processing plants which already have attained considerable importance.

"Important as the poultry and egg industry already has become in certain areas of Texas, it is probable that only a beginning has been made in comparison with the potentialities of the industry. Factors which will contribute toward expansion of the industry are:

"Lowering of production costs through better breeding and feeding practices; better housing facilities; better utilization of climatic advantages, so that a larger quantity of Texas eggs may be placed upon eastern markets during the fall and early winter months when prices are higher; wider utilization of information available at experiment stations.

"Another important factor which is making for expansion of the poultry and egg industry in Texas is the growth of the number and size of processing plants. Nine different companies are engaged in processing industry in Texas, and their list of products includes frozen eggs, dried eggs, dried yolk, dried albumen, powdered eggs, and flaked eggs."

### WAS MY FACE RED?

**PEOPLE FROM** Crowell, Clarendon, Childress, Quitaque and Matador took part in the Upper Red River Valley Regional Folk Festival here Tuesday night, and as an indication of the kind of programs presented in the contest, three of the towns—Crowell, Quitaque and Childress—were selected by the Centennial Folk Festival officials to represent the area at the National Folk Festival in Dallas June 14 to 21, playing daily to the multitudes, which will give the Upper Red River area plenty of publicity.

Instead of the auditorium being filled to overflowing with Memphis people as a courtesy to the visiting players, less than 75 were present.

Imagine how embarrassed the local people present were when asked by the visitors why more Memphis people did not show up!

Imagine also what the visitors told their home folks about the kind of reception Memphis gave them. Think it over!

### WATER IN THE DUST BOWL

**THE EXTREME** Northwest part of the Panhandle—known for several years as the Panhandle's dust bowl—received precipitation this week ranging from one-half inch to five inches and it looks as if the dust bowl will become once more the fertile and prosperous section of the Panhandle.

Hereford, Dalhart, and other centers of drought areas have reported copious rains and their prolonged droughts definitely broken.

The whole country rejoices with the upper Panhandle people because of the blessings they have received. We of the Upper Red River Valley also rejoice because rains northwest of us have a tendency to produce more moisture here, according to people who have been observing weather conditions in this section for many years.

## County Baseball League Results

The fast stepping Cross Roads baseball nine maintained the lead, and their perfect score is the Hall County Baseball League last Sunday afternoon by handing a defeat to the Fairview Club. Playing at Fairview, the Cross Roads aggregation jumped on the home team from their perfect standing last week, came back Sunday and defeated Parnell 9 to 1 in a game played at Parnell.

Turkey kept in the win column Sunday afternoon by winning a closely contested fray from Eli. The game, played at Eli, resulted in a 6 to 5 win for Turkey. Eli as yet has not won a single game.

Lesley defeated the Memphis CCC team in the remaining game Sunday. The game was played at Lesley, and the Memphis team was beaten 4 to 1. Next Sunday's play: Eli at Cross Roads, CCC at Turkey, Salisbury at Lesley, Fairview at Parnell.

### NEW TEXAS ALMANAC

The book of 100,000 facts—the 1936 edition of the Texas Almanac—is just off the press. It is the largest volume in the history of this publication—a total of 512 pages, on better grade of paper and more profusely illustrated. The 1936 book, although designated as the "Centennial Edition" and compiled in tribute to the grand celebration in Texas this year, misses only twenty-one years of reaching its own centennial year, having first been issued in 1827 by the Galveston News, the parent organization of The Dallas News, its present publishers.

While much new material of historical nature is included in the new issue, none of the chapters that has made The Texas Almanac the standard reference book of Texas in the past has been omitted. The names of several thousand individuals appear in its pages.

Features of the current issue include an extensive description of the Texas Centennial, including celebrations at Dallas and other points in the State, an outline of the history of Texas from its beginnings to the present, an illustrated chapter of the wild flowers of Texas, lists of the different kinds of trees and wild animals found in Texas, extensive lists of historic old towns and origins of names of Texas towns, a text of the State Constitution with all its amendments and brief account of submission of all adopted amendments since adoption of the Constitution, and the new farm census figures of 1935. There is much of interest for the coming political campaign, including the current poll tax payments by counties. All figures on state, county and city bonded debt are brought up to date. There are several chapters devoted to points of interest for the Centennial tourist in Texas, and a new map made in four colors especially for this edition of the Texas Almanac, entitled "Texas for Tourists."

There are more than 100,000 facts about the history, natural resources, crops, livestock, industries, commerce, transportation, finance, government, politics, educational system, cultural institutions and other phases of Texas economic, political and social development.

The Texas Almanac, always in demand by business and professional men and women and students in the Lone Star State, will be more in demand this year than ever before. Texas history is more glamorous and richly appealing on the State's 100th birthday. Thousands of out-of-State visitors and newcomers will find this birthday edition particularly acceptable. No individual or organization is so thoroughly equipped to present in book form a compendium of Texas data. Facts and figures come from all parts of the State to find, in well edited form, their niche in this widely demanded handbook on Texas—its past, present and future.

Dr. and Mrs. J. M. Ballew are leaving today for Houston to attend the Texas State Medical Association in session there May 25-28 inclusive. They will spend Sunday in Galveston and on their return they will visit a few days in Fort Worth.

Miss Mildred Harrell, with the Federal Loan Bank at Houston, will arrive in Memphis Sunday to spend her vacation here with her parents, Mr. and Mrs. T. E. Harrell. She will attend the graduation of her sister, Vallie Harrell, who graduates from the West Texas State College at Canyon in June.

Miss Estelle Harris left yesterday for an extended visit with relatives at Stephenville, Fort Worth and Coleman. She will also visit friends in Dallas.

Dr. E. H. Boaz and daughter, Mrs. Jack McClendon, and daughter, Suzanne, went to Fort Worth Wednesday. Dr. Boaz will receive medical treatment while in Fort Worth.

James Graham, of Snyder, Okla., visited Mr. and Mrs. Dominic Wood Thursday of this week. He was enroute to Marfa, Texas where he has been transferred to the U. S. army post there.

## Seven West Ward Pupils Are Given Awards Of Merit

Seven pupils of the West Ward grammar school here were neither absent nor tardy from a single class during the past school year, according to Mrs. H. R. Estes, school principal; and the students were given awards of honor at the school's closing exercises last week.

The students who were presented with certificates of merit were James Hindman, Colleen Perry and Jackie Youree of the first grade, Charles Smith of the second grade, Garner Lee Coe of the third grade, and Wrenna Thomas and Robert Frank Cummings of the fourth grade.

## To Have Summer Home-Ec Project Class For Month

Students who are interested in taking Home Economics work which will qualify them for one-half credit, equivalent to one semester's school work, may take a summer Home-Ec project for one month by reporting at the high school, Mrs. Jack Hubbard, instructor, has announced.

Thirty Home Economics students met at the high school building Wednesday morning at 8:30 o'clock and planned their summer work projects. They will meet again Friday morning at 8:30, and are to have in written form plans for the instruction.

The Home Economics work is not a part of the regular summer school, and no tuition fee is to be charged. However, those eligible to participate will be confined to Home Economics school students only.

Supervision is to be made in the students' homes, and the term is to run for only one month.

## BAPTIST MEET ENDS MAY 31

### Opening Services Of Revival Attended By Big Crowds

Large crowds have attended the opening services of the Baptist revival meeting now under way here, and much interest is being shown.

The early summer revival opened at the First Baptist Church here last Sunday morning, with Rev. O. K. Webb, pastor, preaching. Rev. Webb will preach during the entire revival, and Hayden Goodnight of Memphis will lead the song services.

The services are to run through Sunday evening, May 31. Morning services are held at 10 o'clock, and the evening sermon is at 8. A special prayer service, conducted by the Sunday School departments, is held each evening at 7:30.

Subjects for both the morning and evening services have been announced for the entire revival meeting. The public in general has been invited to attend all services and take part in the revival. Rev. Webb stated.

Mrs. Ralph Bennett went to Guyton, Okla., Friday to spend until Sunday visiting with her mother and other relatives.

Texas Quads Back From Centennial Trip

Texas Centennial officials were on hand in Waco to welcome back the famous keys quadruplets after a highly successful trip which spread the good news of the Centennial celebrations across 5,000 miles of the United States and Canada. The Texas girls, bearing an invitation to the Dionne quintuplets to visit Texas, were royally feted in Toronto by the Canadian Government, and were received by cheering thousands in New York and Washington. Charles Roster (extreme right), director of the state department of information, greets former Governor Pat M. Neff, president of Baylor University, who is surrounded by juniors, while Dale Miller, Centennial press director, is surrounded by a couple of bunches of Keys—Roberta, Mona, Mary, and Leota in one bunch, and those to a number of cities in another.

MUSIC SOCIETY. 48 MEN LEAVE FOR CCC CAMP

Youths From Seven Counties Signed Here Last Week

Forty-eight young men from Hall, Wheeler, Donley, Cottle, Collingsworth, Childress, and Briscoe counties left Memphis Thursday noon for San Augustine, Texas, where they are to be enlisted in a Civilian Conservation Corps camp.

The young men have been stationed at the Memphis camp for the past week, awaiting transfer orders.

Those who left for San Augustine are: Briscoe County—Basil Collins, Ollie E. Everhart.

Childress County—Buster Dewey, Elanish, Wesley Fitzgerald, Walter McKinney, Homer Nixon, Roy Royall Woodrow, Harvey Walker (colored).

Collingsworth County—Arthur Batts, Eugene Easter, Trolley Ford, Bert Gafford, Thomas Hedger, Z. O. Lassiter.

Cottle County—Oscar D. Holt, Garvis Rushing.

Donley County—A. G. Black, Milton S. Brown, Shelby Buchanan, Raymond Clommons, Readius M. Melton.

Wheeler County—Roland C. Bratcher, Alva D. Connor Jr., O. D. Connor, Curtis Fox, Ruben Lang, Joe Markham, Clarence Pool.

Hall County—John T. Barber, Clarence E. Bashford, Curtis Bourland, Paul T. Burns, Melvin I. Cannon, Charlie F. Crossley, Robert L. Davis, Lee D. Elliot, Woodrow W. Follis, J. C. Gary, Clarence Gibson, Truett J. Hardage, Maxwell Hargrave, Jack W. Holcomb, Fred P. Musgrove, W. H. Odell Jr., Vernon E. Powell, Weldon R. Ross, Artis R. Shearer, Henry G. Shewmaker, Seth Thomas.

Howard Greenwood left this morning for Brownfield where he goes to accept a position as manager of a meat market. Howard was with the Crawford Grocery for more than four years and has been employed with the Womack Grocery for the past eight months.

Winfred Swift left Wednesday for Fort Worth where he will enter Brantley-Draughon's Business College. His parents, Mr. and Mrs. F. L. Swift, plan to leave soon for Fort Worth to make their home.

Hiney Westin returned to his home in Berger Wednesday after spending 10 days here decorating the interior of the Popular Dry Goods store. The show windows were given a new coat of paint, in the colors of black and silver, making a very pretty combination.

Lakeview's—

plete instruction by means of experimentation and analysis.

The business administration laboratory is to have the standard bookkeeping desks and chairs. The typewriting section is to have new typewriters.

The administration building is also to be equipped with an electrical sound system for supervisory and instructional purposes, the only plant of its kind in this section of the state, it is said.

Just east of the main building is located the new Home Economics cottage, which is also made of brick. This building will have a sewing laboratory and a food laboratory, with a model dining room and a model bedroom.

The dining room will accommodate 48 students at the same time. This building is heated with gas and steam radiators.

When the new school buildings are opened next term, the Lakeview system will be able to accommodate 600 students easily, 300 high school students and 300 grade pupils.

The two room white building now used by the first grades is to be moved to the new grounds and remodeled for use as a manual training and vocational agriculture department.

The two new buildings are being constructed under the Public Works Administration and will cost, with equipment, about \$60,000, which includes grounds and bus sheds.

A PWA landscaping project has been approved for \$10,800, and the project is to start shortly. This project is expected to make the school grounds a place of beauty and usefulness, since it includes not only grounds beautification with grass, trees, gravel drives, and cement walks, but also a football stadium with flood lights, tennis courts, baseball diamond, and locker and shower rooms for the athletes.

Texas—

sent written statements from banks or others that they had refused to make the loan.

"Yet these borrowers have proven their ability and willingness to repay the loan, in practically all cases," the supervisor said. "They may not have been good risks for banks or other agencies, but Resettlement has helped them work out plans which have put them back on their feet. Many of those who were on relief last year, unable to obtain credit of any kind, are now being financed by private individuals or agencies, after having received a new start from Resettlement."

It is estimated that clothing and groceries being bought in Texas, as a result of Resettlement loans, total as much as the amount spent for work stock, and that physicians and pharmacists will receive more than \$300,000.

"The average borrower is being allowed \$12 this year for medical expenses, which he would not have been able to obtain, or would not have been able to pay for, without this loan," Mr. Land said.

Another \$300,000 is being invested in 10,000 cows, 300,000 hogs, \$27,500 in 40,000 hens, \$220,000 in household equipment. More than two million dollars is being spent for seed, feed and fuel, but those who were in the program last year are spending very little for seed and feed, which they are required to grow for themselves.

In addition to the money filtering into the veins of Texas business through these individual farmers aided by Resettlement, more than \$3,500,000 is being spent for land and construction on 533 farms, which will be sold on forty years time, with three per cent interest, to families selected from outstanding tenants and other low-income farmers who have demonstrated their willingness to repay.

Progress Is—

ing grounds, and turf field, the Cyclone football field is said to be on par with the best high school stadiums in West Texas.

A Vocational Agriculture Department was added at the high school this year, and one and one-half credits were affiliated with the state department of education. Eighty rural boys are accommodated by the new department, and their project work is to continue throughout the summer under school supervision.

The Memphis High School Home Economics Department was enlarged considerably, and the local school gained state-wide publicity through this department, it was pointed out. The local high school boasts the best Home Economics department in this district. A course for boys was added in Home Economics work, and some 30 local boys began their studies of cooking and sewing.

Great strides forward were made in the Commercial Department at the high school, with the addition of both equipment and commercial subjects. One whole course in stenography and one-half course in typing were added to the department. Now full studies are offered in bookkeeping, typing, stenography, and commercial arithmetic.

Other credits affiliated at the high school this past school year include a half credit in Texas history and two credits in hand work, making a total of seven new credits. There are now 321-2 affiliated credits offered at the high school.

The Memphis schools took the lead in this section in visual education, with the addition of projection machines and visual education teaching methods. The projection machines are used to stimulate interest and to make teaching more effectively in every department of the school, Supt. Davis stated.

The public school music in all three Memphis schools, the high school, junior high and West Ward, proved to be an important phase of work; and the junior high and West Ward schools made unusually good showings with their music departments.

Lois Powers, Thelma Saunders, Garner Moore, Eugene Lindsey, A. G. Kesterson, Lloyd Hicks, Curtis Dodson, Maggie Capwell, Lester Smith, and Arden Jones.

Scholarships were awarded to Geraldine Kinard and to G. W. Smith, highest ranking girl and boy of the graduating class.

The affair Friday night was almost strictly an exercise by the senior students. The principal address was by Geraldine Kinard, valedictorian of the 1936 graduating class, who spoke on "One Hundred Years of Education in Texas."

Ima Ruth Spry, Salutatorian, spoke on "History of the Public Schools in Memphis," and John Lamb, student, spoke on "The Texas Centennial."

Death Claims—

Claron McMurry, Mrs. O. N. Hamilton, Mary Alice Garner, Mrs. Roy Hilpolt, Mrs. Owen Pyeatt, Javada Morrison, Mrs. Ira Foster, Mary Gardner, Clara Burnett, Vada Webster, Ethelyn Walker, Mrs. Gordon Walker, and Mary Miles Hall.

Out-of-town relatives and friends here for the services were Mr. and Mrs. Will Harrell and D. W. Huffman, Amarillo; Valie Harrell, Canyon; Mr. and Mrs. J. A. Wheeler, Houston; Mr. and Mrs. J. C. Kottman, Houston; Mr. and Mrs. H. S. Harrell and son Billy Bob, Longview; Miss Esther Lou Hardy, Canyon; Mr. and Mrs. John Cates and Mr. and Mrs. Ray Hilpolt, Childress, Mrs. A. E. Hart, Houston.

Mrs. Harrell was born October 5, 1876, in Tolbert County, Georgia, where she grew to womanhood. She was married to J. R. Harrell March 5, 1893, and to this union were born seven children, four of whom survive. Mr. and Mrs. Harrell moved to Longview, Texas, in 1902, and from there they moved to Hall County in 1908. They have resided here for the past 28 years. Converted at the age of 14, Mrs. Harrell had lived a consecrated life ever since. She was an active member of the First Baptist Church here.

Survivors are the husband, J. R. Harrell, Memphis; two sons, James Alton of Memphis and H. S. of Longview; two daughters, Mrs. L. A. Wheeler and Mrs. J. C. Kottman of Houston; and one sister, Mrs. D. W. Huffman, who resides in California.

Mrs. J. M. Lane spent the past week in Wellington with her mother, Mrs. D. C. Brooke, who was ill.

Mrs. W. R. Taylor brought some beautiful roses Monday to The Democrat office to brighten the gloomy surroundings and cheer the workers. Such thoughtfulness makes one feel that life is not so bad after all, and flowers express more than words. The slogan of florists, "Say It With Flowers," hits the nail on the head. Flowers speak for themselves, and words are inadequate in describing flowers, but Miss Emma Thomas, who graduated from Memphis high school last year and who was on the Whirlwind staff, tells of roses and a woman who grows them in flowery language, as follows:

"You will oftentimes find her there among the roses growing 'round her door. "Human beings seek self-expression. The poet finds it through his pen; the artist through his brushes; the orator by eloquence, the carpenter with his tools, the singer with his melody—but Mrs. J. P. Watts grows roses.

"Among them are found kinds prominent in horticulture, others with nomenclature obscure—each giving its bit of color. Flaunting their colors in a Panhandle breeze and lending their redolence to the arid skies, they are roses reminiscent of the lyrics of a liquid throated bird, of dew at the dawning of snowflakes, cold and glistening, of gold-spun lace and old ivory. Roses—exquisite, sweet, the breath of summer; each rose is a chalice brimming with the red, red wine of the sun and the soil.

"Perhaps that is why you will oftentimes find her there among the roses growing 'round her door."

Did you see Paduech's demonstration on the streets of Memphis Tuesday morning?

It reminded one of the days when Memphis people were frequently putting on such demonstrations.

What is wrong with Memphis now? "Nothing is wrong, except that some of the citizens are still under the effect of Old Man Depression's narcotic."

There has been no depression here for several years—just short crops. The depression is now in the past (gone but not forgotten) and good times are at the front door. Why not have an injection made of vim, vigor and vitality and get down to the business of making Memphis the leader instead of one of many in the ranks?

The wolf no longer sits at the same table with Memphis people; neither does she camp on the front door step nor bring a whole litter of wolflets to keep her company. She has taken to the tall uncut never to return, it is hoped.

True, it will cost something to do something. Nothing worth while can be obtained without cost. The main cost will be that of time and personal effort. Money is only a secondary thing in the scheme of city building.

Just so long as people hang out the "too busy" sign when some missionary work is needed to be done, just so long will things remain undone.

A remark made by one of the citizens the other day concerning people who have no time to do any civic work is worth repeating: "No time to do anything? Why, you have as much time as President Roosevelt. He has just 24 hours a day, and you have that much."

Name It—

annual. This was issued without any advertising. The pupils are to be congratulated for their departure from the regular order. The expenses of issuing the annual were made by presenting plays, etc., and the business men appreciate this very much. Due to the absence of advertising the annual has a fine appearance.

The wolf no longer sits at the same table with Memphis people; neither does she camp on the front door step nor bring a whole litter of wolflets to keep her company. She has taken to the tall uncut never to return, it is hoped.

True, it will cost something to do something. Nothing worth while can be obtained without cost. The main cost will be that of time and personal effort. Money is only a secondary thing in the scheme of city building.

Just so long as people hang out the "too busy" sign when some missionary work is needed to be done, just so long will things remain undone.

A remark made by one of the citizens the other day concerning people who have no time to do any civic work is worth repeating: "No time to do anything? Why, you have as much time as President Roosevelt. He has just 24 hours a day, and you have that much."

wood, called Dr. R. E. Clark in Memphis, who ordered that the boy be brought to Memphis.

Mr. and Mrs. Leatherwood and John Sims brought young Leatherwood, who was by then in an agony of pain, to the Clark Hospital here. The Parnell youth received medical treatment for the bite and was released from the hospital Wednesday noon.

Although his condition was said to be very serious, it was never thought that the bite would prove fatal.

The Black Widow spider, the boy's father said, was marked by the customary orange hour-glass design on its body. Several such spiders had been killed in recent months near the Leatherwood store, he said.

Vernon Leatherwood is the stocky 19-year-old fullback on the Estelline High School football team who tipped the Memphis line to shreds in a football game played here last fall. Other than football, he starred in basketball and track at Estelline, winning the 100 and 220 yard dashes at the district meet in Childress for the past two years, and going to the state meet twice.

He also was a member of this year's Estelline graduating class, making the highest scholastic honors among the boys.

Chas. Drake made a business trip to Turkey Wednesday.

Mr. and Mrs. Lyon Jones returned Monday from a visit with his brother at Lon, N. M.

H. H. Lindsey and Byron Reynolds returned Saturday from a fishing trip to Lake Kemp.

## Delphian Club Has Final Meeting Of Club Year

The Delphian Club met in the home of Mrs. W. R. Cabaness Tuesday afternoon, May 19, at 3:30 o'clock for their final meeting for the club year. The house was decorated with cut flowers.

Mrs. Jack Boone, Mrs. O. R. Goodall and Mrs. Cabaness dressed in afternoon frocks of organdy and net, wearing shoulder corsages of sweet peas and carnations, made up the house party.

A short business session was held with the president, Mrs. Cabaness presiding, after which Miss Frankie Barnes introduced a beautiful and appropriate program on "Texas."

The club used for its course of study this year a Travel Through America with the first and last programs on "Texas." Miss Mylred Bishop gave a very interesting discussion on "So This is Texas." Appropriate poems were read by Mrs. R. A. Cole and Mrs. G. W. Keasterson. The club sang, "The Eyes of Texas Are Upon You."

Miss Frankie Barnes was presented with a beautiful corsage of sweet peas for being the best all-around member this year. Mrs. J. L. Barnes and Mrs. J. E. Roper received honorable mention. Mrs. Cabaness presented the new officers with a pink and white carnation, reading in rhyme beautiful words, each member means to the club.

The social committee, with Mrs. J. S. McMurry chairman, presented the out-going president, Mrs. Cabaness, a beautiful piece of pottery.

The hostess, assisted by Mrs. O. R. Goodall and Mrs. Jack Boone served a beautiful plate, brick ice cream with the map of Texas frozen in the center and Angel food cake, with nasturtiums as favors.

These present were: Mrs. J. L. Barnes, Miss Frankie Barnes, Mrs. Alan Brown, Miss Mylred Bishop, Mrs. R. A. Cole, Mrs. W. C. Davis, Mrs. Harry Delaney, Mrs. W. C. ## Entertains With Bridge Party Monday Evening

Miss Winnie Casel entertained a group of friends at bridge Monday evening at her home, 702 South Sixth Street.

At the conclusion of a series of games at contract Mrs. Maudie Pritchard was awarded high score favor.

Lovely refreshments were served to Miss Pritchard, Miss Whitefield, Miss Altha Tom Bridge, Miss Hortense Eddins, Miss Sylvan Wrenn, Mrs. Cecil McCallum, Miss Mary Gardner, Mrs. Edythe Maher, Mrs. Estelle Stone, Miss Thelma Shankle, Mrs. Attamae Lane, Mrs. Maudie Pritchard, and Mrs. Major Wood.

## Woman's Mission Society Of M. E. Church Has Meet

Members of the Woman's Missionary Society of the Methodist Church met Monday afternoon at the church for a World Outlook program with Mrs. J. W. Slover, leader.

The subject for discussion was, "The Wesley and Bethlehem Houses." "Take Time to Be Holy" was used for the opening song. Mrs. Slover gave the devotional, reading the sixth chapter of Isaiah for the scripture. Mrs. A. C. Hoffman led in prayer. "The Religion: Emphasis of the Wesley House" was discussed by Mrs. G. H. Garner. "Searching World's Friendship," was given by Mrs. G. M. Springer. Gwendolyn Coursey read a poem, "Which One," "The House of the People," was given by Mrs. M. J. Draper.

Those present were: Mrs. S. L. Seago, Mrs. J. W. Slover, Mrs. G. H. Garner, Mrs. C. W. Broome, Mrs. G. M. Springer, Mrs. N. A. Hightower, Mrs. L. M. Hicks, Mrs. M. J. Draper, Mrs. A. C. Hoffman, Mrs. Ira W. Neeley and Mrs. Frank Phelps.

Mrs. Wade Hilliard, who recently arrived from Memphis to Chil-dress, was a visitor here Thursday. She came to attend the last club meeting of the Atalantian Club at the country home of Mrs. D. A. Neeley.

## Miss Lois Baker, R. H. McElrath, Jr. Marry At Abilene

Miss Lois Baker, daughter of Mr. and Mrs. J. M. Baker of this city, and R. H. McElrath Jr., son of Mr. and Mrs. R. H. McElrath of the Leslie community, were married Sunday evening at 7 o'clock at the Baptist parsonage in Abilene.

Dr. King, pastor of the First Baptist Church in Abilene, officiated, using the ring ceremony. The nuptial vows were made in the presence of Mr. and Mrs. Floyd McElrath of Abilene.

Mrs. McElrath was born and reared in Memphis and received her education in the Memphis schools. For her wedding she wore a pink lace frock with white accessories.

Mr. McElrath has lived practically all his life in Hall county. The couple will make their home in Abilene.

## June Seago Has Picnic For Group Of Friends

June Seago entertained a group of friends with a picnic at her home, 402 South Sixth, Monday evening.

A treasure hunt led the group to a number of places, after which they returned to the home of Miss Seago and enjoyed music and games.

Brick ice cream and cake were served to Dorothy Jean Montgomery, Doris Jo Vallance, Ida Glenn Champion, Charlotte Hicks, Mary Helen Lindsey, Lloyd Hicks, Eugene Lindsey, Jack Walker, Jack Hamilton, J. P. Drake, James Fultz, Fred Champion and the hostess.

These present were: Mrs. J. L. Barnes, Miss Frankie Barnes, Mrs. Alan Brown, Miss Mylred Bishop, Mrs. R. A. Cole, Mrs. W. C. Davis, Mrs. Harry Delaney, Mrs. W. C. Roper, Mrs. O. K. Webb, Mrs. Harry Womack, Mrs. J. H. Smith, Mrs. G. W. Keasterson, and the hostesses, Mrs. Boone, Mrs. Cabaness and Mrs. Goodall.

## West Ward PTA Closes Year's Work Thursday

The West Ward P. T. A. closed the year's work on Thursday, with a program centering around the theme, "Mother."

The meeting was presided over by the president, Mrs. Clyde Milam. A beautiful devotional was given by Mrs. O. K. Webb, bringing out the idea of outstanding mothers as Mary, the mother of Christ, the mother of Samuel, and the mother of John. Supt. W. C. Davis gave the prayer following the devotional. Mrs. Hollye Brunley sang, very effectively, "Wonderful Mother of Mine."

The program closed with several delightful numbers from Mrs. D. N. Hamilton's children band. A business session followed.

## Young People Enjoy Picnic At Highway Park

A group of young people went to the Highway Park for a picnic Friday evening.

After a lovely picnic lunch was served a time was spent telling campfire stories.

Those attending were: Mr. and Mrs. Bill Bowerman, Miss Mary Gardner, Dr. H. E. Howard, Miss Willie Margaret Lohy, Gathelie Bennett, Miss Martha Draper, Edwin Thompson, and Mr. and Mrs. Gordon Abington.

## Sodalitan S. S. Class Has Social And Class Meeting

The Sodalitan Sunday School Class of the First Baptist Church met in regular monthly class meeting and social at the home of Mrs. J. S. McMurry Thursday afternoon, with Mrs. N. M. Lindsey, Mrs. R. C. Householder and Mrs. W. C. Blankenship joint hostesses.

The McMurry home was beautifully decorated with spring flowers.

The meeting was opened by singing the class song, "I'll Be the One That Wins," followed with prayer. Mrs. Jim Fullington gave the devotional, reading the 37th Psalm for the scripture lesson. After the business session a program was rendered: piano solo, "Reverie," Mrs. G. C. Baskerville, duet, "Aloha Oe," Mrs. D. L. C. Kinard and Mrs. W. Wilson.

As a token of friendship, Mrs. Fullington, class president, who is leaving to make her home in Chil-dress, was presented with a beautiful lace table cloth.

During the social hour the hostesses served ice cream and cake to Mrs. Henderson Smith, Mrs. G. C. Baskerville, Mrs. A. W. Howard, Mrs. S. B. Foxhall, Mrs. A. J. Joyce, Mrs. Frank J. Smith, Mrs. W. J. Brazg, Mrs. E. W. Godfrey, Mrs. H. L. Nelson, Mrs. H. W. Stringer, Mrs. Ollie Jones, Mrs. Henry Scott, Mrs. C. C. Dodson, Mrs. J. R. Turlington, Mrs. Joe Webster, Mrs. H. L. Griffin, Mrs. Byron Baldwin, Mrs. W. C. Smith, Mrs. Jim Fullington, Mrs. D. L. C. Kinard and Mrs. W. Wilson.

At the conclusion of the program, Mrs. Fultz presented Mrs. Howard with an attractively arranged scrap book, which was graciously accepted by Mrs. Howard.

The meeting closed with a spirit of comradeship with the members of the crew, who are looking forward to a delightful voyage.

## Third Grade Pupils Enjoy Picnic Friday

A picnic was enjoyed at Broome's Park last Friday afternoon by third grade pupils, sponsored by Mrs. Roy Guthrie, room mother, assisted by Miss Mylred Bishop, teacher, and Mrs. E. G. Christensen and Mrs. J. M. Baker.

The group went in a body to the park and each child furnished a picnic lunch and with ice cream and soda pop a real picnic supper was enjoyed.

After supper various games were enjoyed by the children.

Those present were: Carl Baker, Joseph Bradley, Roy Blankenship, Jack Eller, Clifford Gilcrest, Jack Hightower, Dave Price Jr., Frank Smith, Miles Alexander, Fritz Sey-farth, Herman Bell, J. L. Mrs. Henry Newman was hostess to the Pathfinders Council Tuesday afternoon at her home, 221 North Eighteenth street, for their last meeting of the club year.

Mrs. Floyd McElrath gave a report of the year's work and plans were discussed for the coming year.

Those present were: Mrs. E. E. Rice, Mrs. Ira Neeley, Mrs. Carl Wolf, Mrs. J. H. Cudd, Mrs. Cicero Milam, Mrs. Jerry Wright, Mrs. Lena Ballard, Mrs. Floyd McElrath, Mrs. Glen Carlos and Mrs. J. M. Ferrel.

## Woman's Culture Club Ends Year's Voyage May 20

The old ship of Friendship completed the year's voyage under the leadership of Mrs. A. W. Howard, and her well-manned crew made a safe landing at the port of Mrs. Claude Wells Wednesday at 1 o'clock, when members of the Woman's Culture Club held their annual luncheon, celebrating the 37th anniversary of the club.

At 1 o'clock members of the crew were seated at a long table centered with a stately ship and spring flowers carrying out the club colors of purple and gold. Thirty-seven tall tapers accentuating the color scheme of purple cast a soft glow on the miniature ship and the flowers that were placed along the center of the long table, carrying out the voyage theme. Clever place cards with miniature ships completed the decorations.

Mrs. D. A. Grundy gave the invocation followed by a lovely three-course luncheon served by the social committee, Mrs. Claude Johnson, Mrs. R. E. Clark, Mrs. C. Z. Stidham and Mrs. T. B. Rogers.

At 2 o'clock the house was called to order by the president, Mrs. A. W. Howard. The secretary, Mrs. Roy Fultz, introduced the program by reading from Coleridge: "To know, to esteem, to love, and then to part. Make up life's tale to many a feeling heart." One of the most interesting features of the program was the club history compiled and read by the historian, Mrs. R. E. Clark. Then Mrs. Howard, retiring president, in her farewell talk spoke touchingly of her associations with the club and her appreciation of their cooperation during her reign. Mrs. J. H. Norman, the next pilot for the good ship "Friendship," was introduced.

Responding, Mrs. Norman said she was glad the old ship was anchored safely and asked for a continuation of the splendid cooperation of the crew for the 1936-37 cruise.

At the conclusion of the program, Mrs. Fultz presented Mrs. Howard with an attractively arranged scrap book, which was graciously accepted by Mrs. Howard.

The meeting closed with a spirit of comradeship with the members of the crew, who are looking forward to a delightful voyage.

Members present were: Mrs. J. H. Norman, Mrs. A. W. Howard, Mrs. R. E. Clark, Mrs. Roy Fultz, Mrs. Claude Johnson, Mrs. J. A. Whaley, Mrs. R. L. Madden, Mrs. W. L. Wheat, Mrs. C. Z. Stidham, Mrs. T. B. Rogers, Mrs. G. W. Saxauer, Mrs. D. A. Grundy, Mrs. George McClesky, Mrs. D. J. Morgenson, Mrs. Ira Neeley, Mrs. W. C. Davis, Miss Edna Bryan, and the hostess, Mrs. Wells. Mrs. E. A. Rice of Russellville, Ky., sister of Mrs. Grundy, was a guest.

## Baptist W. M. S. Circles Have Meetings Monday

Mrs. J. J. Wilson was hostess to Circle No. 1. Mrs. O. K. Webb is teacher of their study book, "Winning the Border."

Circle No. 2 met at the home of Mrs. W. Wilson, with Mrs. T. R. Garrott as leader. Mrs. Garrott gave the devotional, reading John 15:1-12 for the scripture lesson. Mrs. J. B. Chitwood, teacher of the text book, "Sharing with Neighbor America," and Mrs. W. C. Anderson, Mrs. W. Wilson and Mrs. Byron Baldwin gave interesting topics from the book.

Mrs. Chas. Drake was hostess to Circle No. 3. "At the Gates of Asia," is their book for discussion.

Dorothy Brazg, dressed in Japanese costume greeted the guests on arrival. Mrs. Brazg taught the lesson and Mrs. Leon Randolph gave a report of two missionaries. An interesting map study was given on Japan by Mrs. Brazg and Mrs. Randolph. Mrs. Alvin White gave the closing prayer.

After the program Mrs. W. C. Gillam gave several piano selections.

Circle No. 4 met at the home of Mrs. Lee Thornton, with Mrs. J. S. McMurry leader of the study book, "Stewardship Parables of Jesus." Mrs. G. M. Thompson gave the opening prayer. Mrs. J. H. Smith gave an interesting discussion from the book.

Those present were: Mrs. J. H. Smith, Mrs. J. S. McMurry, Mrs. C. Z. Stidham, Mrs. John Barber, Mrs. R. C. Householder, Mrs. A. Baldwin, Mrs. G. H. Hattenbach, and Mrs. G. M. Thompson.

Mr. and Mrs. S. E. Mayfield and son, Sidney, spent Sunday and Monday in Shafter and Wheeler. They visited Mr. Mayfield's mother, Mrs. W. S. Mayfield, in Shafter and Mrs. Mayfield's sister, Mrs. Fred Farmer, in Wheeler.

Mr. and Mrs. Arthur Power and his mother, Mrs. J. R. Power of Childress, attended the Folk Festival in Memphis Tuesday night.

## 1913 Study Club Ends Year's Work Wednesday

The last meeting for the year of the 1913 Study Club was held Wednesday afternoon at 3 o'clock at the home of Mrs. T. J. Dunbar.

Mrs. Margaret Morgan, the president, conducted the business meeting. Mrs. Leola Randolph gave a report of two missionaries. All committees gave final reports for the year.

The study for the afternoon was "Puzzled America" by Sherwood Anderson, and after roll call with response on Russian Current Events, the leader, Mrs. Byron Baldwin, gave a foreword of the book and its author. The review of the book was given by Mrs. T. E. Noel, substituting for Mrs. H. J. Gore, and Mrs. Mac Tarver for Mrs. Orion W. Carter.

The hostess, Mrs. Dunbar, assisted by her daughter, Mrs. Bill Bowerman, served a delicious two course plate to the following members: Mrs. M. McNeely, Mrs. T. E. Noel, Mrs. J. H. Draper, Mrs. J. P. Watson, Mrs. H. E. Tarver, Mrs. Orion W. Carter, Mrs. B. Baldwin, Mrs. Margaret Morgan, Mrs. Mac Tarver, Mrs. R. C. Walker, Mrs. Jessie Jones, Mrs. D. L. C. Kinard and Mrs. T. M. Harrison.

Mr. and Mrs. S. E. Mayfield and son, Sidney, spent Sunday and Monday in Shafter and Wheeler. They visited Mr. Mayfield's mother, Mrs. W. S. Mayfield, in Shafter and Mrs. Mayfield's sister, Mrs. Fred Farmer, in Wheeler.

Mr. and Mrs. Arthur Power and his mother, Mrs. J. R. Power of Childress, attended the Folk Festival in Memphis Tuesday night.

## Lady Took Cardui During Middle Life

Women who are entering middle life will be interested in the experience of Mrs. L. C. McDonald, of Paragould, Ark., who writes: "I cannot say anything but good about Cardui. I think it is a grand medicine. I took Cardui during change of life. I was so weak, so nervous, I could hardly go. I just dragged around. I had fainting spells and would just give down. My back and head hurt. I knew I had to take something to give me strength. I read of Cardui—I took about seven bottles. It gave me relief and strength. I am now 60 years past, and can do a pretty good day's work in the house and garden."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

### FOUR CENTS A MILE TO FAIR

DALLAS.—Travel agencies have estimated the cost of an average family auto load to the \$25,000,000 Texas Centennial Exposition, opening here June 6, will be 4 cents a mile, including meals, lodging, minor car repairs, gasoline and oil.

### CITY RECEIVES NEW DRESS FOR TEXAS CENTENNIAL VISITORS

"Clean up and dress up Texas in 1936 for the Centennial celebrations over the state" has been the slogan of large cities and towns over the entire state this year, and Memphis is about to adopt the slogan as her own, in keeping with the spirit of Texas' 100 years of progress and development.

Although the annual spring "clean-up" week was held here several weeks ago, city officials and town boosters have consistently promoted the idea of putting on new dress and painting up the town in general for the colossal 4-to-wide celebrations in Texas this year.

Local lumber yards are sponsoring the idea of making needed repairs on homes and business establishments, and are urging that weatherbeaten residences and buildings be given a new coating of paint in order to make the town more attractive to the scores of Centennial visitors who will pass through Memphis this summer en route to the Central Centennial Exposition at Dallas and to the Frontier Celebration at Fort Worth.

Sale of paint and building materials has been more brisk this spring than in several years, Hall County lumber yard dealers have stated; and the lumber men are looking to an even greater volume of business at Memphis, Estelina, Lakeview and Turkey citizens and business men recognize the value of presenting a good appearance this Centennial Year.

Several Memphis women's social clubs have taken over the sponsoring of a beautification project as a regular club project, and are aiding greatly in improving the appearance of the city.

The 1913 Study Club has accepted responsibility of improving and beautifying the Memphis Library Park, located at Noel and Ninth streets.

Committees have been appointed by 1913 Study Club officials, and considerable work has already been done. The entire Library Park is being re-sodded with grass, an action that has long been recognized as badly needed. Savages of sand and wind have left bare plots of earth in the park, and the study club workers will see to it that the park is made one of the beauty spots of the city.

In addition to re-sodding the Library Park, gravel pathways are to be overlaid and painted. The

and park equipment in general is to be overhauled and painted. The children's play apparatus is in bad need of repairs, as the swings, sand-triangles and slides have been damaged through long neglect.

Park trees are to be pruned and whitewashed and all weeds are to be cut. The city has agreed to furnish free water for the park in using the 1913 Study Club put over its beautification program.

Another Memphis social club that has taken the lead in beautification work in the city is the Pathfinders Council, which began work several months ago on the cleaning up and beautifying of the city park near the Fort Worth and Denver Railway just off Main street.

Much work has been done by the Pathfinders Council in beautifying the city plot near the railway. Several varieties of flowers have been planted, and the park has been seeded with grass. Trees have been pruned and improved, and the fence has received minor

### IT'S DRESS UP TIME IN TEXAS (An Editorial)

"This is Centennial Year in Texas" has become a very familiar saying during the past few months.

It means a lot more, however, than just words. It means that Texas will be visited by millions of people from other sections of the nation. It means that every village, town and city will come in for a share of entertaining the visitors.

Memphis, being on a state and federal highway, will have a lot of visitors during the year.

When the woman of the house expects visitors to call, she immediately begins a clean-up campaign that runs the man from the home to seek refuge with his pipe in some far-away place until the home is spick and span; then he returns to his own fireside, but dares not drop any ashes from his pipe or spit "amber" on the walls until the visitors have departed for good.

Memphis people, like the good housewife, should put on a good front when the visitors arrive. In order to make this showing, it is necessary to do a lot of work around the home. Clean lawns, well-kept flower yards, freshly painted and repaired buildings should be the first consideration in the plan to make visitors sit up and take notice.

A concerted effort on the part of all the people, both in and out of Memphis, will result in a more attractive town and community.

First impressions are usually lasting ones. Let's do our best to make the visitors' first impressions such that they will think of Memphis with pleasure in years to come.

It's dress up time in Memphis!

Several other local clubs are expected to adopt beautification projects shortly in keeping with the "Centennial Clean-up Year," and the hope has been expressed that the clean-up program here can be made into a county-wide affair.

The Memphis City Council is expected to take action on the boosting of a clean-up program for Memphis at the next regular monthly council meeting. Lately, the city council has repeatedly urged Memphians to dispose of all refuse and to beautify their homes.

The Memphis Chamber of Commerce has been active in its promotion of a general clean-up campaign in Memphis, and the chamber of commerce has advertised Memphis as a city of progress and a city of cleanliness.

The local Chamber of Commerce, both the junior and senior chambers, took an active part in a roads meeting early last spring in Amarillo, at which time the routing of traffic from Colorado and other northern states to the Fort Worth and Dallas Centennial exhibitions was made over State Highway No. 5, which will bring thousands of tourists through Memphis.

Highways, both state and county, have received beautification work in the past few months from the National Youth Administration. The borrow ditches have been cleaned of weeds, and the roadsides have been sloped and benefited generally.

The Soil Conservation Service has planted thousands of seedling trees, and the Shelterbelt Administration has planted additional thousands throughout Hall County. One phase of the tree planting program has been to beautify the

thoroughfares.

Other towns of this section, notably Wellington, have been putting on gala dress for the Centennial Year; and Memphis citizens are challenged to out-do her neighbors in the clean-up and dress-up state program.

### Rubioff Holds World Record for Broadcasting

Rubioff and his violin—and Chevrolet—are a combination that few, if any, radio listeners in the United States have received in their homes via the air. The famous violinist and his Stradivarius, stars of the Chevrolet Musical Moments program, have the distinction of going on the air from more broadcasting stations than any other program in the history of radio. Three hundred and seventy-eight stations broadcast Rubioff three times a week, a total of 114 fifteen-minute programs. That figures out at 283 hours, and if one week's programs were broadcast one after the other, day and night, it would require 11 days. The illustration shows Rubioff, carrying his precious violin, posing in his car after a special appearance at Detroit.

### C. DOUGLASS OF PANHANDLE IN SENATE RACE

Curtis Douglass, attorney of Panhandle, Texas, is a candidate for the Democratic nomination for State Senator for the 31st Senatorial District. Mr. Douglass' friends, in placing his name in nomination with this paper, announced that Mr. Douglass and a group of his friends from his home county are making a tour of the senatorial district and will, within a short time, visit our city.

Mr. Douglass is a native Texan and has been actively engaged in the practice of law for the past fifteen years, ten of which have been in Carson County. He was formerly Judge Advocate of the Department of Texas of the American Legion, and served as district attorney of the 24th Judicial District of Texas.

In submitting his candidacy, Mr. Douglass stated: "The question of taxation presents us with a problem where the views are many, wide and divergent. The sponsor, or proponent, of any one theory soon meets with the inevitable finding that every respective interest is trying to shift the burden to the other. Truly, it must be admitted that there will never be enacted a tax measure that will be suitable, in all respects, to every element alike.

"It is a simple task to enact a measure increasing our taxes, but the passage of a measure lowering the levy must be admitted by all to be well nigh impossible. The conditions of the day demand first, that before an increase in taxation is had, every means possible, yet consistent with good government, should be used and exhausted toward substantially reducing our expenditures. Economy must be the watchword—every citizen must become tax-conscious. So, therefore, let's first take up the slack and effect a substantial reduction, and when this is done, should the savings fail to produce the revenue

CURTIS DOUGLASS

needed, let us then proceed in an orderly and systematic course toward the readjustment and equalization of the burden to the end that all be accorded the same measure of justice, fairness and equality.

"I am opposed to any character of new taxation unless the ad valorem, to the extent of our homes and the necessities of life, at least, be totally abolished. The ad valorem tax or real estate beyond the homestead should be abolished, or else decreased, to the extent where ownership of real estate will be an asset rather than a liability. I will oppose any further taxation that may have as its subject those articles which are basically and necessarily fundamental to our very existence.

"The natural gas reserve in the Panhandle of Texas is the largest natural gas reservoir in all the world. This gas belongs to the people of Texas as a whole—it is an indispensable natural reserve. It is a fuel that every housewife should be privileged to use and a comfort that should be enjoyed in every home. Shall we extend to a few, at the expense of many, the right to enrich themselves by ex-

hausting this vast natural resource?

"I am for the unqualified, positive and absolute conservation of this great natural resource. Four years have passed since our first conservation law was enacted, yet, since this time, the amount of gas wasted represents enough to supply all of the domestic consumers of Texas for a period of 50 years.

"It is high time that the public, and not the conflicting interests, be represented in this matter.

"The progress and enlightenment of the day demands the inauguration of a pension system for old age assistance. The principle is good, and no one should question the high minded purpose of those who wish to care for the aged.

"Whatever be the defects of our present pension law, time will give us the opportunity to observe and make such corrections as are necessary. In any event, though, immediate provision should be made to pay the pension now provided for by law; the delay on this matter is inexcusable. The law came as the result of a direct mandate from the people. The Legislature of Texas had two full sessions in which to make proper provision for payment, yet it is doubtful today whether any revenue of an appreciable amount is now, or will be, available to pay this bill. The pension should be paid immediately so that those who are to share the benefits thereunder will not be held in further doubt.

### County Bridges Being Repaired

Considerable repair work on bridges over the county is being done at this time by the county's bridge gangs.

The new bridge on Spring Creek near Lakeview is being opened this weekend. The old Spring Creek bridge on the Memphis-Lakeview highway burned several weeks ago.

The precinct 1 bridge crew repaired the Bitter Creek bridge near Brice last week, and the same crew this week is building an extension on the "Little Red River" bridge near Turkey. Other repair and construction

work on Hall County culverts and bridges is to be done in the near future.

### MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief Of Pain

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are one of Nature's chief ways of taking the acids and waste out of the blood. If they don't pass 3 pints a day and get rid of more than 2 pounds of waste matter, your 15 miles of kidney tubes may need flushing.

If you have trouble with frequent bladder passages with scanty amount which often smart and burn, the 15 miles of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness.

Don't wait for serious trouble. Ask your druggist for DOAN'S PILLS—which have been used successfully for over 40 years by millions of people. They give happy relief and will help flush out the 15 miles of kidney tubes. Get DOAN'S PILLS.

### Moisture Penetration Is Greater On Terraced Land In Hall County

There was a considerable difference in moisture penetration on level farms following the two-rain received near Memphis April 26, according to E. M. SCS, superintendent of the Memphis camp, and J. C. Eberhart, agronomist.

Tests were made on terraced pasture-furrowed land in the conservation ECW camp area compared with untreated land. The pasture of G. W. Scott, rancher and farmer west of Memphis, a two-inch rain wet soil to a depth of 24 inches and near the contour pasture. The rain penetrated to a depth of 10 to 12 inches on a portion of the pasture that has not furrowed.

At the F. A. Finch ranch, also west of Memphis, moisture was to a depth of three and one-half feet in and near the pasture rows; while eight feet above the furrows moisture penetrated to only 14 inches. W. P. Rogers, who had contour-listed some of his terraced row crop land before the rain, had moisture to an average depth of 25 inches; while on similar adjoining land farmed in straight rows the soil was wet to a depth of 16 inches. J. H. Scoggins had moisture to a depth of 23 inches on terraced and contour-listed rowcrop land. On an adjoining field farmed in straight rows the depth of moisture was 18 inches. These farmers and many others were ready for rains, and they conserved in nearly every case all the rain which fell for use by crops and grasses, the local SCS officials stated.

Mr. and Mrs. J. I. Mareum of Hulver were Memphis visitors Saturday.

Dr. Harr's M. Cook, dean of men at the West Texas State Teachers College at Canyon, was a visitor in Memphis Friday and spent a time at The Democrat office. He was en route to Oklahoma to deliver the commencement address for the graduating class.

James E. King went to Amarillo Saturday to attend the annual spring Shrine ceremonies Saturday and Saturday night. Mr. King is past potentate of the Khiva Shrine. The largest class in recent years trod the hot sands at Khiva Temple of the Mexican Shrine Saturday night, he said.

## MEMPHIS GOLF TEAM TO PLAY IN GREENBELT

Frank Foxhall and Thomas Hampton Make Title Bid

With the eleventh annual tournament of the Greenbelt Golf Association opening in Quannah next Monday, the Memphis Country Club team has posted notice that it will defend its team title and will in addition be in position to make a serious bid for championship honors.

Memphis has almost monopolized the Greenbelt championship for the past decade, which covers the association's existence. The local club has won the title five years.

Quannah, however, captured championship honors three years, with L. S. (City) Walker doing the capturing.

Five past Greenbelt champions, City Walker, Frank Foxhall of Memphis, Billy Holmes of Sayre, Thomas Hampton of Memphis, and Roy Lebus of Electra will likely compete in the tourney again this year.

Memphis' six-man team, tentatively composed of Frank Foxhall, Ed Foxhall, Carl Harrison, J. D. Webster, Thomas Hampton, and R. S. Greene, is said to have an excellent chance of retaining the team championship which it won last year.

At least three, and possibly four Memphis golfers will probably land in the first flight; and it is thought to be entirely possible that either Hampton or Frank Foxhall may annex the association championship again. Foxhall has held the title twice, in 1929 and in 1930; and Hampton has held the championship once, in 1934.

The tournament is to be run through four days, May 25, 26, 27, and 28. The Quannah Country Club course is said to be in top shape, and a large number of linksmen are expected to enter. One hundred and twenty-eight players will qualify in four flights of 32 each.

In addition to the match play, an entertainment program has been planned, with bridge and forty-two, barbecue dinner, and dancing on the program. The annual election of an executive committee and officers is to be held on Monday.

Teams competing in the Greenbelt Tournament will be from Altus, Okla.; Clarendon, Childress, Crowsell, Electra, Memphis, Paducah, Quannah, Shamrock, Vernon, Sayre, Okla.; Frederick, Okla.; Mangum, Okla.; McLean, Pampa, and Lefors.

## RETURN FROM TRIP

Mr. and Mrs. John D. Reed of Lakeview have returned from a six-week trip spent at points in Oklahoma and in South Texas. Among places they visited was Mrs. Reed's old home at Luling which was her first visit in 20 years. Mr. and Mrs. Reed expect to spend most of this year visiting in different states.

## ELECT NEXT YEAR'S SCHOOL TEACHERS FOR HALL COUNTY

Practically every school teaching position in Hall County has already been filled for the next school term, local school board officials and Miss Vera Tops Gilbreath, county superintendent of public instruction, have announced.

The entire Memphis school faculty has been re-elected, but all contracts have not been signed, it is said. With the exception of Lesley, all other Hall County schools have their 1936-37 teaching personnel. Webster, however, has yet to select a primary teacher.

Following are the school teachers who have been elected in Hall County, with the exception of the Memphis schools:

Webster—Miss Lila Neal, principal.

Teachers were not elected for Leach, Wolf Flat, and Tampico, as they join the Turkey system next semester and will teach there.

## POPPIES TO BE SOLD IN CITY

Local Legion Auxiliary Will Honor World War Dead By Annual Flower Sale

Poppies will bloom in Memphis on Saturday, May 30, glowing on the coats of remembering Americans in honor of the World War dead. The women of the Charles R. Simmons unit of the American Legion Auxiliary will offer the poppies on the streets, giving everyone an opportunity to pay tribute to the war dead and to help the war's living victims with contributions given for the little red flowers.

The American Legion poppy not only gives us a means of rendering personal tribute to the memory of those brave young men who sacrificed their lives for America, it also gives us a means of aiding those who also sacrificed but are still within reach of our help. From the annual wearing of the little flower come benefits reaching into every corner of the country and touching the lives of thousands of unfortunate men, women and children. Legion Auxiliary members declare.

The vast program of welfare and rehabilitation work carried out by the American Legion and Auxiliary draws its principal support from the poppy. The dimes, quarters and half dollars we drop into the coin boxes of the poppy workers supply the means for local, state and national activities for the benefits of disabled veterans and the families left in need through the death of disability of veterans. The Poppy Day contributions make aid available during the other 364 days of the year to

those who still are paying in steady installments the war's bitter debt of suffering and privation.

"When we put on our poppies this year, there should come to us all a vision of the part we are playing in the effort to heal the nation's war wounds. We should look upon our poppies not only as flowers of memory for the dead but as flowers of hope for the living." Mrs. D. J. Morgenson, Auxiliary president, stated.

## Summer Session To Open Monday At High School

Enrollment for the summer session of school in Memphis is being made this week and next, and classes will begin Monday morning, May 25, at 9 o'clock at the high school.

Sam S. Cowan will instruct the summer school classes, and he has asked that any student interested in making up a subject or getting adjusted in his grades to report to the high school Monday morning.

A regular list of subjects to be taught during the summer term has not been announced, and instruction will be given in those subjects desired by the students, save in restricted subjects.

Tuition will be \$15 for one high school subject and \$10 for a half subject. For junior high and ward subjects the tuition fee will be \$10.

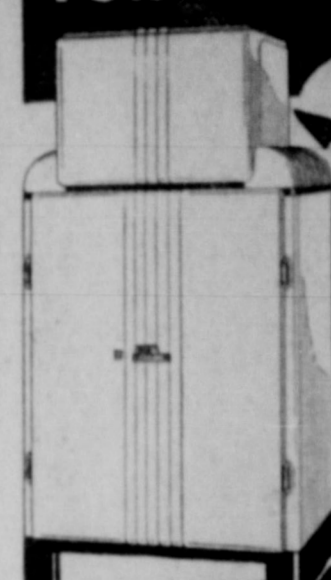

The summer session will run for six weeks, and classes are to be taught only in the mornings. Each class will run for two hours.

E. E. Roberts and son, Evan, went to Denton Saturday after Mrs. Roberts and Sue Anne, who had spent the past week in Denton with relatives. They returned home Sunday.
