Forty-Second Year

Eldorado, Schleicher County, Texas, Friday, May 28, 1943

NUMBER 20.

MEDITATIONS

By The Editor

"Sauce" in The Brady Standard of May 21, just about "hit the nail on the" head in regard to several current problems being discussed and argued pro and con. We would like to pass his comment on to our readers this week. The items follow:

* * *

"Latest news from the battle front—and we don't mean Africa, Europe, Guadalcanal, Burma, nor even Attu in the Western Aleutians, but on the home front—is that Secretary of Interior Ickes has advised John L. Lewis that the dispute between the coal miners and the operators must be taken before the War Labor Board in a resumption of collective bargaining.

* * *

"Which puts it up to Lewis to either back down on his previous refusals to have anything to do with the WLB, on the grounds that it is prejudiced against the miners cause, or else to continue his act of being bigger than the government, and therefore in position to tell the government what it muts do!

"It appears without any question that the miners are due some wage adjustment. A recent report pointed out that their wage scale had been increased nearly 100 percent, from \$23 some odd, to around \$41 some odd. At first glance, that appears as a sufficient increase, and a sufficient wage, even in these times. But, on the other hand, the work of the miners is extra hazardous. Sometimes they lay on their backs, or on their sides, to mine the coal, away down in the bowls of the earth.

* * *

Then again, Sauce just last week overheard a former Brady lady say that her son was working in a war defense plant in Oregon; that he was making \$9.50 per day, with time-and-a-half pay (See "Meditations", Page 4)

APPLICATION BLANKS FOR WAR RATION BOOK THREE OUT

Office of Price Administration last week through the local post office, distributed application blanks for War Ration Book No. Three. Each family head was to have received one of the application cards, and in event they did not, they should make inquiry for one at once. Full instructions are imprinted on the cards for filling them out. The application must be mailed between June 1 and June 10, 1943. After June 10, applications will not be accepted before August 1.

Another thing to remember in making application for Book Three is that if you are not reasonably sure of your address between June 15 and July 21, do not submit application. Your application will be accepted later.

Needed Rains Drench Land In County

Twelve Men Inducted Into Armed Services This Week

Twelve men left this week for Abilene where they will be inducted into the Armed Services. After their induction they will return to Eldorado and then will go to Camp Wolters at Mineral Wells. Leaving this week were James A. Griffin, John Edwin Burrus, Fred Butler, Claud Butler, Herbert McCalla, Adolpho Nino and Roque Nino leaving Wednesday; Dwight Weidenman, Billy Wilton, Wilburn (Pood) Clark, Perry Dean Burk and Jack Gray left on Thursday. Eleven others will be called to fill the June 21st quota whose names will be published at a later date.

On each occasion when the boys leave Eldorado, the local ministers of the town hold a religious service for and with them at the local Draft Board office, and each man is presented with a Bible, also they are presented with a booklet from the American Legion, entitled "Fall-In". Friends and relatives are invited to attend these services, stated Payne Robinson, secretary of the Draft Board to a Success reporter this week.

BILLY JACK ETHERIDGE SERIOUSLY ILL IN SAN ANGELO HOSPITAL

Billy Jack, small son of Mr. and Mrs. Jack Etheridge who was stricken ill at the family home here Tuesday morning is confined to a San Angelo hospital for medical treatment. His condition is reported to still be grave.

As The Success goes to press reports are that Billy Jack is suffering from pneumonia in his right lung, but is holding his own.

VACATION BIBLE SCHOOLS UNDER WAY

Bible schools of the various churches were off to a good start Monday. Much interest is being manifest in all departments of the work, and workers of the different schools are urging the parents of children to see that their children attend every day as the work is a continuation from day to day. The Baptist report 55 present for first day, including workers and children. The Methodists and Presbyterians report 30 for the first day.

These schools have had much time and preparation spent in getting ready for the ten-day session and worthwhile programs are being carried out. The hours for the Methodist and Presbyterian school is from 3:30 to 5:30 and the hour for the Baptist school is from 3:00 to 6:00 o'clock.

It is urged that parents give their children the advantage of this good training.

Eldorado Music Students Receive Honors In Tournament

Out of 50 pupils participating in the Tenth Annual Piano Tournament held in the Art Ball Room of the Cactus Hotel Friday and Saturday of last week in San Angelo, and sponsored by the National Guild of Piano Teachers, seventeen Eldorado students were given national honors and two received regional honors.

Pupils playing in the tournament were ranked according to honors, national, regional, and state, while some played for constructive criticism. National honors go to pupils presenting programs of ten selections and receiving passing grade on each. State honors are given on passing grades to pupils giving seven selections and passing each, while regional honors go to pupils playing four selections and receiving four grades on each.

Those from Eldorado and

Schleicher County winning national honors were: Wenonah Suddeth, Betty Sue Williams, Marselaine Patterson, Pauline Nixon, Howard Mittel, Edda Lou Meador, Jean Meador, Dinky Meador, Jane Mund, Jack Erwin Mund, Emily Ann Harper, Wanda Dannheim, Marilyn Jane Dickey, Jo Ann Bearce, Patricia Ballew, Lola Beth Ballew, and Elizabeth Ann Barkley.

Regional honors were received by William R. Bearce Jr., and Raymond Mittel.

Miss Mollie Turner is the director of the Eldorado School of Music and most of these students mentioned have been under her instruction for some time. She is to be commended for the progress and advancement she has made in the field of graded music which will be credited each student in their school work.

Local Airport Again Being Considered By Army

Keen interest has been shown the last week or so in the local City Municipal Airport by Army officials considering use of the port as an auxiliary landing field by heavy bombers flown in this vicinity.

Monday of this week a craft from Concho Field was landed here and taken off the short run-way proving that the field could be used advantageously if a small amount of space could be added to the present site.

Should the Army see fit to take over the field from the city it is assumed that some ten men and their families will be stationed here to care for the port and look after the target ranges in the surrounding territory.

Assuming that after hostilities have ceased and the port has been improved for present government use, it would revert back to the City, a modern port would be the result. There is no question but that one popular method of transportation will be by plane following the war—hence there will be a necessity for the maintenance of a modern port that must be centrally located in order for local citizens and transients to land near the city.

Considering the selection of the port by the government from another angle, would be the acquiring of the families as citizens of

Eight 4-H Club Boys Get Pigs

Eight Schleicher County 4-H Club boys were among the 85 boys who received registered pigs from Sears Roebuck and company at their pig distribution on May 22nd in San Angelo. This is the third year that Sears Roebuck in Cooperation with the County Agent has sponsored this program where club boys were given registered pigs. These boys will care for these pigs and next spring will give a choice gilt back to the local store who will in turn distribute these to eight more boys in the county. This endless chain of giving pigs was started to provide club boys with good livestock and at the same time provide more meat for the war effort.

The club boys who received pigs from this county were: Arthur Mund, Jr., Sam Ed Ashmore, Olge Halbert, Billie Ross McAngus, Robert Corbell, Billy Jack Corbell, Hensel Matthews, Jr., and Harland McAlpine.

In November these boys will carry their gilts back to San Angelo where they will be judged, with Sears Roebuck giving a Registered Jersey Heifer for the first prize pig in each county. Other prizes will be 4-A tested chicks.

A. E. Prugel, Co. Agent, Arthur Mund, A. J. Halbert, Ross McAngus, H. R. Ashmore, and C. E. Corbell accompanied the boys to San Angelo to receive their pigs.

Eighth Graders Receive Awards

At the graduation exercises for the Grammar school held at the high school auditorium last Thursday evening, the following certificates were issued to the high-ranking students of Grammar school by Superintendent C. A. Reynolds: Margaret Hicks receiving highest award. Other high ranking students were Bill Lewis Humphrey, eighth grade; Emily Ann Harper and Marcelaine Patterson, seventh grade; Ebba Ann Finley, sixth grade; and Johnnie Lee Dickens, fifth grade.

Perfect attendance awards went to Bill Lewis Humphrey, eighth grade; John D. Mittel, Billie Parrent, and L. G. Edmiston, seventh grade; Wayne Davis, Buddy Baker and Patricia Elder, sixth grade, and Mary Thompson, fifth grade.

Eldorado. Say the families averaged three prsons each, that would be 30 people who would contribute in various ways to the city—in buying groceries, gasoline and oil, having tailor work done, contributing to churches and other civic and industrial affairs of various nature. This all goes to build up a community and is worth efforts that are necessary to secure such a project and in our opinion should be shown every consideration.

Widespread and heavy rains in Schleicher County during the past week brought badly needed relief to farmers and ranchers. Rainfall totals for the week, gathered by the Soil Conservation office, are as follows:

Eldorado, 2.33 inches. J. F. Runge, 3.1 inches; W. R. Bearce, 2.75 inches; J. F. Kinser, 2.9 inches; G. C. Crosby, 3.6 inches. A total for the week of over 4 inches were reported from ranches in the east end of the county.

Rainfall for the first five months of 1943 is still below the 37-year San Angelo average for this period. The Eldorado rain gage has recorded 1.5 inches this year, and the J. F. Runge gage has recorded 6.5 inches, while the 37 year average for the first five months is 7.73 inches.

Although most of the precipitation of the past week occurred in three separate rains, the intensity produced some runoff from both pastures and cultivated land. Many contoured rows stood full of water, and a small amount of water was caught behind most terraces. Many farmers who caught and stored all of the rainfall predicted that fair crops could be made, if necessary, without further moisture.

The rainfall was doubly welcome to the county in view of the current feed situation. Farmers and ranchers are faced with the largest number of cattle and sheep on record, and the smallest amount of reserve feed. An extended drouth would not only greatly reduce the production of beef and lamb so badly needed now, but might result in serious personal losses as well. The current rains will produce much range feed and enable many ranchers to sell their surplus livestock in marketable condition.

A MOTHER'S PRAYER FOR HER SOLDIER SON

"As Thou didst walk the land of Galilee,
So, loving Saviour, walk with him for me;
For, since the years have passed and he is grown,
I cannot follow—he must walk alone.
Be thou my feet, that I have had to stay,
For thou canst comrade him on every way.
Be thou my voice when sinful things allure,
Pleading with him to choose those that endure.
Be thou my hand that would keep his in mine,
All, all things else that mother must resign.
When he was little I could walk and guide,
But now, I pray, that thou be at his side.
And, as thy blessed mother folded thee,
So, kind and loving Savior, guard my son for me."

At the request of several of the mothers' of our boys in service, we are publishing the above poem.

More Than Flood Waters Need Curbing In Texas

Thanks to the diligence of a Texas House investigating sub-committee headed by Representative Jo Ed Winfree (Houston), and the untiring work done by Representative Marshall Bell of San Antonio—serving his first term—Texas now has a law, awaiting only the signature of Governor Stevenson, which will check some of the activities of river authorities in this State.

Two such authorities—the Guadalupe-Blanco and

the Lower Colorado River—were created in 1935 for the primary purpose of curbing the flood waters in the streams named in their titles. The house committee found, after weeks of investigating, that the Guadalupe-Blanco Authority had done no flood curbing, and the Lower Colorado Authority had done little except in so far as the erection of dams to generate electric power upstream from Austin might be useful.

The Bell Bill is intended

to curb something relatively as serious as flood waters—namely, a disregard for the responsibilities that should be assumed by every member of a State-created agency, whatever its size or purpose.

Therefore, the Bell Bill prohibits any agency heretofore or hereafter created by the Legislature to carry out the purposes of the Conservation Amendment to the Texas Constitution:

From paying or contracting to pay, directly or indirectly, any commission or fee to any person whomsoever in connection with the purchase, lease, sale or acquisition in any manner whatsoever of any property, real, personal or mixed, then existing and being used for the purpose of generating, transmitting and distributing electric power.

From fixing, by contract or otherwise, the resale price of any commodity as service sold by such agency to any municipality or electric corporation.

From making any loan of money to another agency for any purpose whatsoever; from employing an attorney to perform any legal service in acquiring for the agency existing facilities for generating, transmitting or distributing electric power or energy except for a sum of money to be agreed upon at the time of such employment.

From making any contract or agreement under the terms of which its electric facilities may be operated— with either a private corporation unless such private corporation be doing business in Texas in such a manner as to be subject to the jurisdiction of the State Courts; or a public corporation or public agency (whose principal business is the generation, transmission, distribution or sale of electric power or energy) unless such public corporation or public agency is created under Texas laws.

The legislation by no means covers all the devious activities of river authorities brought to light by the Winfree Committee. It is not so comprehensive as the original draft by Representative Bell—but it is a start, and a good start when a Texas Legislature finds time to en-

act such a bill. San Antonio's experience in recent months with two river authorities was responsible both for the House investigation and the passage of the Bell Bill. Enactment of the law does not end San Antonio's difficulties over a contract upon which the courts must pass—but San Antonio's experience has contributed to the benefit of other cities and the State itself—San Antonio Express.

Mrs. Wylie Hight and son, Hubert Coy, spent last week in Coleman visiting her mother, Mrs. J. T. Boatright.

R. S. Crain of San Saba is here for a visit with his son, R. T. Crain and family.

Mrs. W. B. Cobb returned to her home in Bronte Saturday after a visit here with relatives.

WITH THE MEN IN SERVICE

Second Lieut. Felix Susen, Jr., who is stationed at Greenwood, Miss., visited his parents, Mr. and Mrs. Felix Susen the past weekend.

J. L. Neill, who is with the U. S. Army Engineers at Pampa, Texas, visited here last week-end with his wife and mother, Mrs. G. A. Neill and attended the graduation exercises of his son, Jack Neill.

Mrs. W. C. Mund who has been residing in San Angelo is here for a few days' visit with her mother before going to Foster Field at Victoria to join Corporal Mund, where he has been transferred from San Angelo Bombardier School.

Pvt. and Mrs. Webster H. Graves left Friday for Bryan where he will be stationed for further training.

Chaplain Fred Wendall Carr, assistant Post Chaplain at Fort Jackson, has been promoted to captain, it was announced today. Chaplain Carr was assigned to his present position last October, shortly after his entrance into the Army.

A native of Kingfisher, Okla., Chaplain Carr, who is of the Disciple denomination

was previously pastor of the First Christian Church, Weslaco, Tex., and previously held pastorates in Eldorado, Kerville and Raymondville.

Mrs. Carr and their four children, at present in Weslaco, will soon join Chaplain Carr in Columbia.

TWIN DAUGHTERS TO SGT. AND MRS. McELROY

Staff Sgt. and Mrs. L. H. McElroy of Lubbock announce the arrival of twin girls on Saturday, May 15. The young ladies have been named Lee and Lynn and are the granddaughters of Mr. and Mrs. J. L. McElroy of Eldorado. Mrs. McElroy returned home from a visit to see the new grand babies and states that they are fine specimens of perfection.

Staff Sgt. McElroy is at present stationed in Louisiana on maneuvers. He was granted leave for a visit with his family in Lubbock the latter part of last week.

Mrs. R. O. Smith, who has been teaching in Lampasas Public Schools for the past term, spent a few days this week with her parents, Mr. and Mrs. R. A. Evans. Mrs. Smith left Tuesday to join her husband who is in training in the University of Santa Clara, Claffornia.

You Can't Depend on Isolated Hydro-Electric Power, Eh, Mr. Goebbels?

Allied bombers this last week hit Herr Goebbels in one of his most vulnerable spots. Bombs—and mines—rained upon two of Hitler's biggest dams, knocking out hydro-electric plants which provided power for much of Nazi-land's wartime industry.

"Rail and Highway Bridges and Power Plants Swept Away and Whole Industrial Centers Wrecked" read the newspaper headline.

Of course, crafty Herr Goebbels wouldn't actually post the sign seen above: "This war industry closed for lack of electric power."

But that, in fact, had already

happened, even before the latest bombing raid on Nazi hydro plants: Power shortages have hampered German factories. With all their other substitutes, the Nazis haven't yet been able to invent an ersatz electricity!

West Texas—and all America—is more fortunate. There's no power shortage here! And we're not dependent on hydro-power... which, as the Germans have learned, is vulnerable to enemy airmen while at the same time constituting a man-made flood menace.

We have more electric power than all the Axis nations combined. And no war industry served by the electric companies under American business management (companies like the West Texas Utilities which are supplying over 90% of this

nation's electricity) has been without ample power for all its needs!

Here in West Texas we have an interconnected system of steam power plants, each independent of the other. Neither bombs nor drought nor floods in the vicinity of any single plant can "knock out" this system.

Transmission lines are so linked together that power is automatically switched from one region to another in event of mishap. It's the most dependable system the world has ever known.

While Goebbels posts his "Closed" signs, free American men and women—permitted to plan, invent and create in the democratic way—are building the weapons of war which hasten the day of Victory... posting another sort of sign: Danger, Adolf—Americans at Work!

REDDY KILOWATT: "There's no substitute for War Bonds, either!"

Santa Fe all the way for U. S. A.

★ For Santa Fe Employees—"all the way" means every hand, head and heart is putting everything it has into the job!

Today, more than 55,000 employees are working together handling record-breaking traffic moving via Santa Fe.

Employees are going "all the way," too, by purchasing bonds every payday through the payroll deduction plan, as well as through other bond buying sources, to keep our fighting forces supplied with the food and equipment needed.

★ For Santa Fe Equipment—"all the way" means every locomotive is pulling for war... every car is loaded for war... everything that rolls is rolling for war.

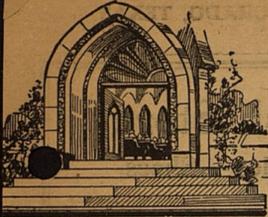

★ For Santa Fe Passengers—"all the way" means traveling only when necessary, and putting up cheerfully with crowded conditions.

★ For Santa Fe Shippers—"all the way" means loading cars fast... getting them moving... unloading quickly.

For up-to-the-minute information of Santa Fe wartime passenger and freight service—see your local Santa Fe Agent

With Eldorado Churches

First Methodist Church
F. B. Faust, Pastor

There will be no preaching service at the Methodist church next Sunday morning, May 30.

Sunday School will meet at 10 o'clock. The Methodist Youth fellowship will meet at 7:45 p. m. Sermon subject at 8:30 p. m. will be "The Pure in Heart."

The Vacation Church School will be in session every day next week from 8:30 to 5:30 in the afternoon.

Fundamental Baptist Church

B. A. Jonas, Pastor

Sunday School 10 a. m. Preaching 11 a. m.

Sermon subject: "The High Cost of Revivals".

Evening Services, 8:30. "The Uttermost Savior".

Wednesday evening, prayer service, 8:30.

Ladies Prayer Service Thursday afternoon, 3 o'clock in various homes.

First Baptist Church

"The Church With A Friendly Welcome".

J. M. Hays, Pastor

We are happy to announce that we are getting along in a splendid way in our Vacation Bible School. We have a good enrollment and our leaders and workers are doing the job in good fashion. However, we would like for you to remember that we have room for more children and to our knowledge there are children all over town that should be in one of these Bible schools.

You parents, and many of you call yourselves christians, how do you expect for those fine children of yours to do the best and get the best out of life when you are so unconcerned about the best that is offered to life? It is not what we say that makes the largest impression upon your children but what we do. There is no one who can see our attitude and detect the lack of sincerity in our living as the child. To be sure they know something is wrong when we, with work emphasize the Church and Sunday School; but on the other hand we go everywhere else but church, and do many things that is not becoming to a religious or christian person. If we think we are putting it by someone, well, we are not; only fooling ourselves.

The subject for the sermon Sunday morning will be "An Anchored Faith." The sermon Sunday evening will be: "The Celestial Visitors on the Mountain of Transfiguration." We invite all to attend our services and will do our best to give you a hearty welcome.

Sunday School at 10:00; preaching hour at 11:00 a. m.

Our evening services: Training Union 8, preaching at 9:00. Our mid-week service is at 8:30. We insist that all come out to our mid-week service, and especially we urge that all of our leaders and workers in the Training Union and Sunday School be present.

Mrs. Palmer West was called to Sonora Monday on account of the serious illness of her father, Oscar Wright.

SOCIETY

MRS. HILL INSTALLED PRESIDENT OF WOMAN'S CLUB

Mrs. E. C. Hill was installed as president when the Woman's Club held the last meeting of the year at the Presbyterian church Tuesday afternoon with Mrs. F. B. Gunn as hostess. Mrs. D. C. Hill was the installing officer.

Other officers installed were Mrs. C. A. Reynolds, first vice-president; Mrs. Jess Walston, second vice-president; Mrs. Joe B. Edens, secretary; Mrs. Gunn, treasurer; and Mrs. W. N. Ramsey, scholarship chairman. Mrs. V. G. Tisdale, parliamentarian, is to be installed at a later meeting.

The meeting opened with the Flag Salute, and annual reports were given by all officers. It was reported that \$980.60 in bonds and stamps had been purchased since April 13. Mrs. E. C. Hill appointed all committees and department chairmen for the next year.

The meeting closed with the singing of "God Be With You 'Til We Meet Again."

ELDORADO H. D. C. MEETING

The Eldorado Home Demonstration Club met with Mrs. J. L. Ballew Tuesday, May 25.

Recreation time was spent in singing several songs.

Mrs. John Williams gave a very interesting report from the district meeting at Monahans.

Miss Mary Lewis gave the program, Vegetable Cookery, she also gave us leaflets showing how to cook vegetables to keep our families from getting tired of them.

Mrs. Ballew showed us her garden, she has beans and greens ready to can.

Those attending the meeting were Mesdames Sam Jones, Joe Tisdale, Mrs. E. H. Coulter, Frank Van Horn, Mrs. John Williams, Mrs. W. H. McClatchey; Misses Myrtle Dell Williams, Mary

Presbyterian Church

J. Kelly Neal, Pastor

10 a. m. Sunday School, Sam Jones, superintendent.

11 a. m. Morning Worship. Sermon subject: "The King of Glory."

9 p. m. Evening worship. Sermon subject "A Magnificent Failure."

Church of Christ

(Divide and Louist Sts.)

Services each Lord's Day 11:00 A. M.

Everyone invited to each service. We especially urge all members to attend.

"If ye love me, keep my commandments."

—John 14:15.

Lewis and Ruth Baker, Mrs. G. L. Ballew, Ora and Bertie Ballew.

FIRE BOYS ENTERTAIN WIVES

The Fire Station was the scene of much fun and gaiety when the local fire boys entertained their wives with a party Wednesday evening of last week.

Games of "Fruit Basket Turned Over" and "Cross Questions and Crooked Answers" were played, along with many others which afforded the diversion for the evening.

Cookies and punch were served to the following: Mr. and Mrs. Jimmie West, Lewis Whitten, Jess Walston, Richard Jones, Jack Hext, Jerry Pennington, J. H. Mace, Chan Whitten, R. C. Edmiston, Mrs. R. L. Ballew, Mrs. Dollie Short, and Tom Potter.

LEGION AUXILIARY TO MEET TUESDAY

The American Legion Auxiliary of Eldorado will meet Tuesday night, June 2, at the courthouse at 8:30. All members are urged to be in attendance as it will be decided upon whether the auxiliary will re-organize or disband, according to a statement by Mrs. Arthur Mund, president of the auxiliary.

Mrs. H. C. Holcomb of Richland Springs was a week-end guest in the home of her daughter, Mrs. R. T. Crain.

RED CROSS RECEIVES WORK MATERIALS

Local Red Cross Unit has received materials for making 15 Army sweaters and 18 mufflers. Those taking the materials to knit are Mesdames Jack Ethridge, J. H. Mace, Joab Campbell, L. M. Hoover, J. C. Crosby, C. N. Shaw, Luke Robinson, Walter Ramsey, Chas. Sudduth, Harry Freund, J. A. Whitten, Silas Burk, W. M. Jones, Bailey Montgomery, Joe Reynolds, Arthur Mund, L. Moore, Lipscomb, D. C. Hill, Milton Baugh, Roy Davidson, Luke Stephens; Misses Emily Ann Harper, Tom Smith and Jo Ann Bearce.

Mrs. T. R. Logan, Red Cross Chairman of the Tom Green Chapter, urges that each garment must measure according to instructions in order to meet Army and Navy specifications. These garments are due June 15. They must be finished by this date so that shipment may be made in time for the boys to have them by cold weather.

Mrs. Tom Johnson left Saturday for Wichita Falls where she will visit for a few days with her daughter, Mrs. O. R. Burden.

Mrs. Robert Milligan is in Houston this week visiting her daughter, Mrs. Wilma Topliss and family.

HONORS DAUGHTER ON BIRTHDAY

Mrs. Reuben Dickens honored her daughter, Carol Lynn with a party on her seventh birthday in her home Saturday, May 22.

Various childrens games formed the diversion for the afternoon.

Cake, punch and candy were served to Glenda Jo and Paula Chloe Breedlove,

Dorothy Nell Alexander, Shirley Sofgee, Clarice Dannheim, Ruth Craig, Betty Mae Doyle, Ann Rodgers, Carolyn Raliff, Martha Dell Williams, Georgia Ray and Wayne Dickens, Alva Lee and Jimmie Harris, Junior McLaughlin, Jerry Lyn Pennington, Neill and Johnny Lee Dickens.

"On Target"

Suddenly brilliant shafts of light stab the tank of darkness... Pinned at the end of each beam are the terrors that fly by night... The men at their stations are quiet, tense... From the director comes an abrupt shout: "On target." Then pandemonium reigns as the big 90's go into action... Ack-Ack punctuates the sky... The crews yell as streamers of dull red trace the path of Axis planes as they plummet crazily to earth...

One reason for the excellence of the American artillery pieces is the recoil mechanism. Here a special recoil oil is used, refined to rigid specifications.

Oil from the many fields of Texas plays other vital roles in the efficient operation of our heavy arms: greases and lubricants, paints, rust preventives, solvents and last but by no means least the toluene in the explosive shell itself.

These and an almost endless list of petroleum products are being processed for war, for industry and for agriculture by the same Humble refineries which have always supplied your car and truck with Esso Extra and Humble gasolines, Esso, 997 and Velvet Motor Oils. Meanwhile, the Company's research staff works around the clock to develop adequately and well the needs of today; to anticipate the needs of tomorrow.

HUMBLE PRODUCTS FOR THE MACHINES OF WAR: Asphalt, Aviation Gasolines and Aviation Engine Oils, Camouflage Paints, Diesel Fuels, Engine Oils, Univas Instrument Oils, Marine Paints, Navy Symbol Lubricants, Recoil Oil, Rust-Ban Protective Coatings, Stratosphere Greases, Toluene, Torpedo Greases, Waxes, Waterproof Lubricants. FOR THE MACHINES OF INDUSTRY: Automotive Lubricants, Cutting Fluids, Cleaners, Diesel Fuels, Gasolines, Industrial Lubricants, Launching Lubricants, Motor Oils, Paints, Petroleum Solvents, Quenching Oils, Rust Preventives, Waxes. FOR YOUR CAR: Products and service to help you care for your car for your country.

HUMBLE OIL & REFINING COMPANY

13,000 Texans United in the War Effort

HUMBLE Humble fuels, lubricants and greases have been field-tested and used by successful farmers for years. There is a Humble product for every farm need. Look to your Humble Bulk Agent for advice on your fuel and lubrication problems.

CUB PACK SCOUTS FETED WITH DINNER

Cub Scouts were entertained at the Scout Hall Tuesday evening with a covered dish dinner in their regular meeting. Kumler Mund, Edwin Martin Jackson, Maurice Christian, Neil Dickens and Charles Mund have completed their work on Bear Rank and were given their rewards. Lewis Little and Marion Wade have completed their Lion work and have become of Scout age. They were presented to the Scoutmaster as prospective Scouts. Both of them will become Lone Scouts for the present. Adults attending the meeting were Mrs. Ed Willough-

by, Mr. and Mrs. Edwin Martin Jackson, Mr. and Mrs. Buster Gunn, Mr. and Mrs. Arthur Mund, W. O. Mace, Jerry Pennington, Mrs. Reuben Dickens, Mrs. Davis, Mr. and Mrs. Leslie Baker, Mrs. Christian, Mrs. Marion Wade, Mrs. Robert Sproul, Mrs. Graf, Mrs. Graves and E. A. McMillan. L. Kent made a business trip to Novice the first part of the week.

Meditations

(Continued from Page 1) for overtime, and double-pay on Sundays. In other words, when he works on Sundays he makes \$19 per day. Compare that with the miners' wage scale, and it must be admitted that the latter are not topping the list of wartime profiteers.

"Meanwhile, let no one get the opinion that Sauce is upholding John L. Lewis in his stand. In Sauce's opinion, Secretary Ickes, instead of requesting assurance from Lewis that the miners would continue work after Tuesday midnight's deadline, should have told him that work must continue—or else."

"If Lewis and his miners do not wish to mine coal for use by vital defense plants, then let them be sent to the war fronts to do the nation's fighting,

and let soldiers and service men whose places they take, come home and mine the coal. Unquestionably there are thousands of boys in service who would jump at the chance to swap jobs, or duties.

Messrs. and Meses. Jack Hext, Lewis Whitten, R. L. Ballew, spent the week-end at Devil's River Lake near Del Rio.

Mr. and Mrs. Riley Alexander and son of Fort Stockton visited here last week-end with friends and relatives. The Alexanders are former residents of Schleicher Co.

TO RELEASE FLOW OF LIVER BILE

Get a bottle of Kruschen Salts tonight. Half an hour before breakfast, take as much as will lie on a dime in a glass of water (hot or cold) or in your morning cup of tea or coffee and keep this up for 30 days. Kruschen taken this way helps relieve such symptoms as sick headaches, bowel sluggishness and so-called bilious indigestion when due to insufficient flow of bile from the gall-bladder. You can get Kruschen, a famous English formula made in the U. S. A., at any drug store. You must be satisfied or money back.

OUR
GOAL IS

VICTORY

The one thought that dominates our policies and actions is Helping To Win The War. Victory is our goal, our business. We are doing all we can to help win—by serving our country, our community and our customers.

Kay Annette Yancy, daughter of Mr. and Mrs. Curtis Yancy of Del Rio visited with her grandparents, Mr. and Mrs. C. W. Yancy of Eldorado recently.

**FOOD STAMPS G, H, J
GOOD THROUGH JUNE 7**
Schleicher County War Price and Rationing Board has received information from the District Office that processed food stamps G, H, and J may be used by consumers through June 7.

Processed food stamps K, L, and M may be used from May 24 to July 7, both dates inclusive.

This is to eliminate the end of the month buying rush and to level off distribution.

HERE'S YOUR EXTRA
HIRED HAND

Increased live-stock production for War demands and higher farm prices offer you more income—YOU KEEP COSTS DOWN. New farm programs demand changing fence lines. Let us explain how you can use your old wire, save TIME, LABOR and MONEY — and SAVE YOUR FARM EARN MORE with efficient, low-cost PARMAK Electric Fencing.
