MEDITATIONS

By The Editor

Meditations is this week lamenting the loss of our good friend Bob Grady, who has been a contributor to the columns of this newspaper since we took over. Grady's timely philosophy, humorous Nazi lambastations have been enjoyed to a high degree by many of our readers. They, too, we are sure, will miss him greatly. We are hoping that the government inspector will find time at his new field to send us an occasional release of his interesting writings.

In this issue will be found his last release before he departed to the East.

Cooperation is spelled with two letters—WE. going to support the homegoing to support the homefront as it should be.

An Arabian proverb goes something thus:
Four things come not back...

The spoken word,
The sped arrow,
The past life,
The neglected opportunity.

There are two sides to every question, the same as there are two sides to a sheet of fly paper but if you are on the wrong side you are stuck with it.

We are inclined to believe sometimes that we should turn paper over by the ream. Anyway, we think that so far as support of our fighting men are concerned, we are on the non-gummed side of the paper.

RECORDS OF 1943 COTTON URGED TO BE KEPT

Farmers are asked to keep records of their 1943 cotton production, and it is highly important that these records be kept accurately, according to Joe B. Edens, Chairman of the Schleicher County AAA Committee.

Mr. Edens explained that in past years, ginners have cooperated with the AAA by furnishing detailed records of cotton production for each farm, but that this year these records will not be obtained from ginners, due to the suspension of marketing quotas.

In the past, the records of production have served as a basis for determining the yields used in marketing quota programs, crop insurance programs and in determining AAA payments.

"It is to a farmer's best interest that an accurate record of his 1943 cotton production be kept because this record may be needed in future AAA programs," Mr. Edens said. He said that each farmer should keep each gin ticket, bale receipt, or sales ticket for baled cotton and for lots of seed cotton sold. The AAA has offered to keep these records for any farmer who wishes to deliver or mail them to the county office.

ARMY MOVING IN TO GATHER METALS

COMMUNITY LEADERS NAMED FOR EVENT

Wednesday morning, Lieutenant Parsons, head of the Army Scrap drive for this county and W. M. Patterson, county salvage chairman, and W. J. Welch, county agent, contacted the various community leaders and plans were completed for the big scrap metal drive that is to get under way October 4th. The plan agreed on is as follows:

Every farm and ranch is to gather every bit of available scrap iron and steel and place it at the mail box or at a convenient place where it will be easily accessible to the trucks. The government does not buy this metal but is asking you to donate this scrap to the army, and place it in production of the badly needed tools of war.

Your community leaders will be responsible to Lieutenant Parsons for scurrying and having available the scrap on the date mentioned in this article. Lieutenant Parsons requests every leader to get your community lined up for this all out drive for scrap metal. The community leaders are:

Mr. and Mrs. E. W. Craig, Mr. and Mrs. Milton Baugh, Mr. and Mrs. Ervin Mund, Mr. and Mrs. Alton Clark, Hugh McAngus, Joe B. Edens, Mr. and Mrs. Earl Cathey, Mr. and Mrs. J. Forrest Runge, R. H. Jackson, Will Isaacs, Miss Lottie Reynolds, Mr. and Mrs. Johnnie Webster, Mr. and Mrs. Gene Edmiston.

How Rain Fell

Heavy, smie-producing, ground soaking rains fell over the entire county during the past week. Farmers and ranchers agreed that the rain couldn't have been better if it had been made to order.

Rainfall reports over the county collected by the Soil Conservation Service and released to The Success are as follows:

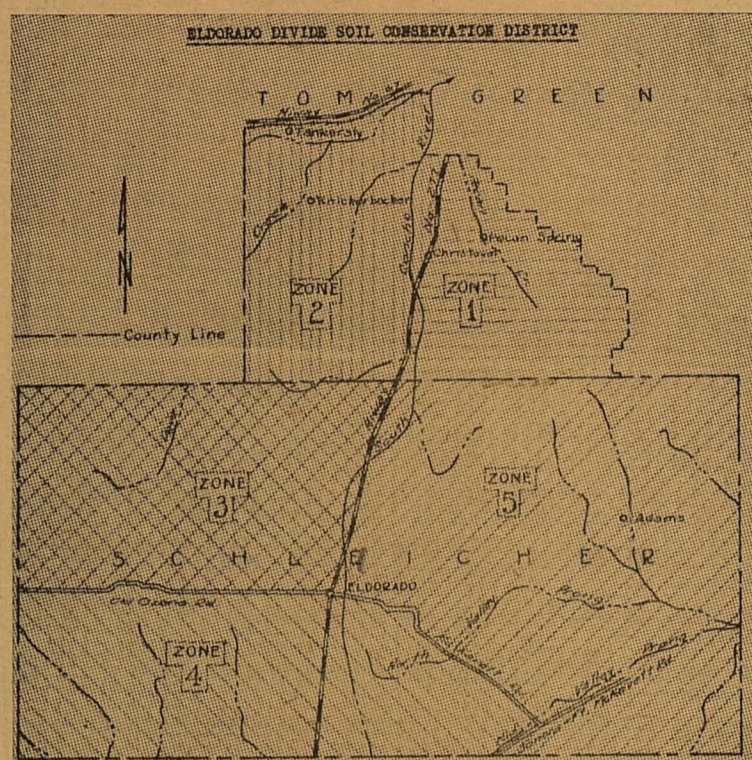

J. F. Runge	2.80 in.
W. R. Bearce	3.65 in.
Jim O'Harrow	3.00 in.
Luke Robinson	4.00 in.
J. F. Kinsler	4.69 in.
G. C. Crosby	3.50 in.
J. F. Oglesby	4 to 5.50 in.
Eldorado	5.10 in.

The slow, steady rainfall was practically all absorbed by the soil, and will help provide a good season for small grain and next year's crops. Native grass will be greatly benefited, and winter weeds should get off to a good start.

New Inspector At Woolen Mills

C. H. Doscher arrived here last week from Atlanta, Ga., and has assumed his duties as Government Inspector for the Woolen Mills, replacing Bob Grady, who with his family are reporting to Philadelphia, Pa., for further assignment. Grady has been here for the past six months, serving in the capacity of inspector and is being sent to a new field for the same work.

How County Soil Zones Are Divided

Soil Supervisors To Be Elected For Eldorado District October 5th

The election of District Supervisors for the Eldorado Divide Soil Conservation District will be held Tuesday, October 5, 1943. The above shows the boundaries of the district, and the division into five zones.

The district supervisors run the business of the Soil Conservation District and can call upon and receive aid from any state or federal agency who has technical help or equipment to assist farmers and ranchers to work out conservation plans. One supervisor will be elected from each zone to represent that particular zone.

The elections will be of the convention type, with nominations being made from the floor, and the nominee receiving the majority of votes being elected. Voting places in the three zones in Schleicher County are as follows:

Zones 3 and 4, which includes all landowners west

of the Highway and south and west of the Eldorado-Ft. McKavitt and Sonora-Ft. McKavitt roads will vote at Eldorado.

Landowners in Zone 5 will vote at Adams School.

The creation and operation of soil conservation districts is thoroughly democratic in every respect. Every landowner should attend the meeting for his zone and help elect a qualified supervisor. Only landowners and their wives are qualified to vote in the election.

Present supervisors for the Schleicher County portion of the district include B. E. Moore in Zone 3, J. E. Spencer in Zone 4, and J. Forrest Runge in Zone 5. Supervisors elected must be farmers or ranchers owning land and residing in the zone in which they are elected. The present supervisors are eligible for re-election.

United War Chest Of Texas To Open Drive On October Tenth

SCHLEICHER TO RAISE QUOTA OF \$1,900.00

W. M. PATTERSON IS NAMED CO. CHAIRMAN

"Sure I'll Take A Texan's Share," will be the slogan of every patriotic Texan and Schleicher county citizen when the United War Chest of Texas drive opens Oct. 10.

This united drive is the first unified program of the sort ever carried out in the United States, and it has grown out of the need of the American public for one single War appeal for all purposes. It is consolidation of many appeals into a compact unit. In short, this fund is to be used for 17 different causes, as has met the approval of President Roosevelt's War Relief Control Board. One-half of all money

raised will go to keep up the U. S. O. organization. The other half will be divided among:

- United Seamen's Service.
- War Prisoners Aid.
- United Nations Relief.
- Refugee Relief. This includes Refugee Relief Trustees and the United States Committee for the Care of European Children.

CORRECTION

When the Success published the Schleicher County Honor Roll week before last, W. C. Mund and Donovan Currie's names were placed with those of the discharged service men. These should have been placed as "on enlisted reserve."

Other corrections will follow in due time. If omissions or errors are determined please advise the publishers.

ARMY TRUCKS, MEN FURNISHED BY GOV'T.

"Yes, there have been scrap drives in Schleicher County and much scrap has been collected. But the most thorough and outstanding drive for scrap iron and steel is now being launched since the gathering of scrap was inaugurated by the government," stated salvage officials this week.

The drive for scrap in Schleicher County is just a part of the nation wide plan to collect the scrap that remains, from the farms and ranches throughout the county. The war plants are running low on scrap iron and steel. There is much of this metal at the farm and ranch homes of the people in this county which, if collected, and turned into the war plants, will afford sufficient metal of the kind needed to carry on the work indefinitely, stated Lieut. Don Parsons here Tuesday.

Hence, under government direction, a united effort is made in every county to go into the very fence corners and get the scrap to the government with which to supply the pressing need.

Texas is divided into districts. Under the direction of Lt. Don R. Parsons, a district composed of 10 counties, of which Schleicher County is one, is going to be worked until the metal that should be saving the lives of our men instead of rusting on the farm is collected.

Time Extended To Purchase War Bonds

With an extension of time until 12 o'clock midnight Saturday, it is hoped that the Third War Loan quota that has been assessed this county will have been filled. Lagging behind this mid-week, the quota is hoped to have a strong support over the first-of-the-month paydays. Some livestock sales are also in the offing and hope is that a goodly number of bonds will have been purchased before the dead-line time.

EAGLES LOSE TO DEL RIO WILDCATS

The powerful Del Rio Wildcats won a game over the Eldorado Eagles with a score of 27-6. The main "offset for the Eagles being the lack of reserve strength.

The first half of the game was very well matched; the Eagles scored first with a pass from Davidson to Thompson, who ran for about 60 yards. The Wildcats then scored and kicked the extra-point, and when the half ended the score stood 7-6 in favor of Del Rio.

The second half the powerful Wildcats scored three times, mainly because of reserve strength. The Eagles never stopped playing and when the final whistle blew the Eagles were still fighting.

WITH THE MEN IN SERVICE

Marine Here On Furlough From Theatres Of War

After having been in the Marines for 21 months and having been in "the midst of it" for some 12 months, M/T Sgt. Louis Kerr, son of Mr. and Mrs. L. B. Kerr, was here last week and part of this on furlough after having been stationed on Midway, the Hawaiian Islands, New Zealand, the Solomons and Russel Islands.

The Sergeant says that he has seen many things that he'd never thought he would see and been many places he never dreamed he would go.

However, he said the good Old U. S. A. looked better to him upon his return than any place he had been. Nevertheless, he said without any degree of hesitancy that he was very anxious to go back across and that he had never regretted for one single minute his enlistment.

When asked how the men as a whole felt about support on the home-front he said that "I believe it is con-

sidered the best with the exception of the strikes," adding that that certainly was not appreciated by any of the men."

Jap Courage Falling

When asked point-blank what his conception of the Japanese belated bravery was now compared to the first advances on the allied bases, he said that it was very evident that they were not so courageous and that they would turn back in a close fight much sooner than given credit for.

The Leatherneck did not, in any sense of the word leave an impression that the enemy would be easy to conquer.

Marine Kerr is in the Marine Air Corp, and is a fighter plane specialist. He has two other brothers in the service, Jame T., in the air corp stationed at Alliance, Neb.; and Granville, stationed in Puerto Rico.

GEORGE TAYLOR IN TRAINING AT NEB. U.

(Editors note: The following article was taken from a Nebraska paper where A/S Taylor is stationed. He is a son of Mrs. Tom Smith of this place.)

Lincoln, Neb.—A/S Geo. W. Taylor, 19, of Roswell, New Mexico, son of Mrs. Tom Smith, Box 301, Eldorado, Texas has arrived at 348th CTD (Aircrew) University of Nebraska for a course of Army Air Forces instruction lasting up to five months prior to his appointment as an Aviation Cadet in the Army Air Forces. During this period he will take numerous academic courses, as well as elementary flying training.

Upon completion of his college training he will be

classified as a pilot, navigator or bombardier and go on to schools of the Training Command for training in these specialties.

Pvt. James R. Bruton of U. S. Signal Corps, having completed studies at Camp Kohler, California has been assigned to temporary duty at the U. S. Army post office at San Francisco Calif. Pvt. Bruton is the son of Mr. and Mrs. C. O. Bruton here.

Corporal and Mrs. Howard Belcher of Childress visited with the latter's mother, Mrs. Rutha Boyer.

Pvt. George Williams, Jr. of Camp Wolters is here for a 10-day visit with his parents, Mr. and Mrs. George Williams and other relatives.

MRS. E. C. HILL HOSTESS TO WOMAN'S CLUB

"The Approach To Spanish America" was the subject of the program, with Mrs. Jess Walston as leader, when the members of the Woman's Club met at the home of Mrs. E. C. Hill, September, 28.

An interesting history of the Panama Canal, describing a trip through the Canal was given by Mrs. D. C. Hill.

Mrs. Walston led a round table discussion on "The Effects of the Canal On North and South America."

The Club Treasurer, Mrs. F. B. Gunn, reported the purchase of \$2052.00 in bonds and stamps since May. The roll call was answered with current events.

A salad course was served to Mesdames F. B. Gunn, S. D. Harper, D. C. Hill, Ernest C. Hill, Kelly Neal, L. D. Ochsner, Bert Page, V. G. Tisdale, Jess Walston, W. T. Whitten, A. J. Atkins, and W. N. Ramsey.

Misses Mary Hoover, Ruth Mund and Kathryn Moore left last week for Denton where they will enter T. S. C. W. for the school term.

CLIFF H. D. CLUB IN REGULAR MEETING

The Cliff Home Demonstration Club met Thursday, September 23rd in the home of Mrs. C. E. Corbell. Mrs. Corbell, president of the club presided during the business session. Plans for the County-wide Exhibit, which is to be held in Eldorado on October 23rd., were discussed. Mrs. Wesley Garrett, a member of the Adams Club and a county delegate to the Texas Home Demonstration Association meeting in Dallas, gave a very interesting report of the convention. Mrs. Bert Blaylock gave a demonstration on "How to Display the Flag." The remaining time was devoted to the preparation of chicken pie by Miss Virginia Ryan, the County Home Demonstration Agent.

Members present at this meeting were Mrs. C. E. Corbell, Mrs. E. M. Roberts, Mrs. Otis Harris, Mrs. Bert Blaylock, Mrs. Robert Milligan and Mrs. Wesley Garrett, a visitor and Miss Ryan.

Letters To The Editor

Sept. 13, 1943. Camp Canol, NWT, Canada.

Dear Breedlove:

Have just received my second issue of the Success and boy, I did not know it was such good reading. Have been through it twice for fear I had missed something. It was a little old as far as date of issue, August 27, but most anything here less than 30 days old is news.

I never dreamed I would ever be so near the end of the trail as I am now, but it is almost it as far as transportation is concerned. It has already been quite an experience for me and after traveling almost 5000 miles by train and plane, I have finally caught up with my friend "Rusty" Newlin and we are enjoying our new experiences very much. Everything so far has been very comfortable with all the eats we want and that is the best key to contentment that can be offered a man. We have been having some very nice weather so far and have not been compelled to don our long-handles yet, but have them near at hand for any sudden change which we are expecting any day. Do not know yet just how we will get along in 60 to 70 below zero weather, as it will be just a little bit different from the weather "Deep in The Heart of Texas."

Speaking of Texas—I noticed a very nice article in the issue just received in defense of the Texas girls. We are having some very heated, but friendly arguments here, but mainly over the strength of our Southwest Conference football teams as compared with Minnesota. We have won to the ex-

tent that we have six teams to Minnesota's one. As far as feminine arguments are concerned, there has been but few. Being so far off the beam and eating army food, for any length of time, one just doesn't get the courage to argue about the fairer sex. We have quite a number of the ladies in camp, but when there are about 1,200 men and only 50 or 60 young ladies, naturally the arguments develop from a more rugged source, such as football, baseball and the wide open spaces of Texas.

Social activity is not carried to a great extreme. However, we have had two dances but a man of the timid nature and no long whiskers has very little chance against the rugged truck driver, bull-dozer operator and cat skimmers, who grow their whiskers down to their chest.

Have never been in a less. Most everything is furnished and very little to spend your money for. A midnight meal is served in the mess hall for the night shift. I am always hungry looking, so they take me right on in with the working men. There is only one danger at the midnight table. You are likely to reach for something and get your arm broken in the grab, but if you will just be patient, they is always plenty and very little danger of getting maimed.

Give my regards to all my friends and keep the paper coming.

Sincerely,
L. T. Barber.

Mr. and Mrs. Buster Gunn and son Bobo, visited in Hamlin with Mrs. Gunn's parents Mr. and Mrs. K. Garrett and in Stamford with her sister Mrs. Tommie Lewis. Her little niece, Sherdella West accompanied them home for several days visit.

REYNOLDS H. D. CLUB MET WITH MRS. JAMES WILLIAMS

A program on "Meat Substitutes" was used when the Reynolds Home Demonstration Club met Wednesday afternoon at the home of Mrs. James Williams.

Some suggestions of food used in the place of meat were: dried beans, macaroni and cheese, potatoes, and cottage cheese. Mrs. Williams gave a patriotic reading.

During the business session, it was decided to have a housewarming Wednesday, Sept. 29, for Mr. and Mrs. Marion Dacy.

Those present included Mrs. Raymond Dickens, W. E. Bruton, Ray Bruton, and Doris, John L., Mignonne and George R. Dickens, Jr., Bert Bruton, Jimmie Dell and June Williams and the hostess.

Mrs. Marvin Johnson of Abilene visited several days last week with her mother Mrs. Rutha Boyer.

Mr. and Mrs. W. F. Meador made a business trip to Austin the first part of the week.

Unless you are ambitious....

If you are, and want to prepare yourself for the future as well as the present— then continue . . .

Right now The Opportunity of a lifetime awaits the young men and women who prepare themselves to qualify for war-time and post-war positions. Prepare yourself by taking a special course in one of the Southwest's best-known business colleges.

Courses offered include regular and many technical courses.

I have for sale a scholarship to the young person, or older person, who is earnestly interested in any of the above courses. If you finances are limited, don't hesitate to talk it over with me. Perhaps a satisfactory plan can be worked out whereby I may assist you in preparing yourself for a position in the future that you otherwise could not secure.

Be prepared for the time when persons highly trained will have their applications considered for responsible positions.

YOUNG PEOPLE SHOULD LOOK AHEAD

Young women high school graduates and young men under the draft age who are undecided as to what vocation they should choose would do well to consider business training. The affairs of this whole world are predicated upon business. Even this war is more or less dependent upon business principles for its success. When peace comes—and God grant it may come soon—business is going to get into full swing again. What a demand there is going to be for well-trained young people. Of course, it is going to be "the survival of the fittest" which means the best trained will be retained. Regardless of what profession one may later choose in life, business training is a prerequisite to greater success. Many men and women have failed in their chosen professions because they knew too little of business principles. Our advice, therefore, is to include good sound business training in your educational program. It may be acquired quickly and at a minimum of expense, and once you are trained in business, you are secure against adversity later in life; then too, it can be made a handy means later of helping you to earn your way either higher in business or working your way through college.

Speaking of business training, we do not know of a better school anywhere to get this training than in the Tyler Commercial College at Tyler, Texas. This in one of the outstanding schools in the Southwest, and if you are going to train for business, it would be a part of wisdom to train in a recognized school in its field. Why not write them and see what they have to offer? (adv)

Under a new law, the state auditor is no longer appointed by the governor but is chosen by a committee of the legislature. The committee recently met and decided to retain the present state auditor, about the only change being to raise his salary from \$4,600 to \$7,500 a year—an increase of 62 per cent.

This should be interesting news to farmers, stock raisers and dairymen of Texas, who report they find it difficult to make any profit on their products in the face of rising costs and increased taxes.

Also this news should interest thousands of workers in Texas whose salaries and wages have not been increased at all or very little.

The 189,000 elderly citizens whose pensions have been cut below the grant will find no consolation in the fact that a state official's salary has been hiked by \$2,900 a year.

Boyce House, of "I Give You Texas" fame (left), believes in getting the colorful stories of Texas history from those who know them at first hand. Here he is interviewing John Justin, oldest of the Justin Boys of Fort Worth, whose father, in 1879, opened a little shop in Old Spanish Fort that has grown into the world's greatest cowboy boot factory and the only men's dress shoe factory in Texas. Oil men who have been trying in vain for a year to get a small increase in the price of oil ought to write to the legislative committee and get their recipe!

What will the school teachers, many of whom receive less than \$900 a year, think about it?

And, finally, what kind of news is this to the many thousands of fighting Texans who are plodding through the slime of jungles and are storming machine gun nests at \$50 a month? A hike of 62 per cent in the salary of an already

well-paid state official! Apparently, the legislative committee has never heard of price ceilings and salary freezing! Apparently, the committee has never heard of economy! Should someone break the news to them that there is a war on!

To the People of this Community:

ARE YOU REALLY AT WAR?

What does being at war mean to you? Less gasoline for your auto? Less sugar in your coffee? Higher prices for your food and clothes? Separation from your husband?

Sure, it has meant all those things, some serious and some really trivial for a period when your actual safety is at stake.

But has the war meant BLOOD, SWEAT AND TEARS to you? In many instances YES. The first stage of invasion has already pushed our casualties over the 100,000 mark.

The gold stars which decorate thousands of our homes today are a challenge to the vast majority of us to do our best in the Third War Loan. No good American wants to see one more gold star added to the firmament of glory. We educate our youth for life, not for death. If they die, they die so that we might live. Every extra War Bond you buy today will back the invasion so that the war will be shortened and so that there will be less blood, sweat and tears for you and your friends.

THE GIRL SCOUT salutes Old Glory and the nation salutes the Girl Scouts for their wartime work on the home front. In response to the urgings of national, state and local government leaders, including President Roosevelt; and civic and religious leaders, educators and sociologists, the Girl Scout organization has undertaken the job of trying to make Girl Scout membership available to every girl in the country who wants it. Civic-minded citizens from coast to coast are helping. Girl Scouting is now organized in seven thousand communities. National registered membership was 807,704 on August 1, a gain of 152,834 since Pearl Harbor.

HELLO, WORLD!

A baby daughter was born to Mr. and Mrs. W. W. Suduth, Friday, September 24 in a San Angelo hospital. The little lass weighed 7 pounds, 5 1/2 ounces and has been named Rozanna Elaine. Anyway, she brought to Schleicher county the most wonderful rain of the year.

SOCIETY CLUBS PERSONALS

Miss Gloria Schultz, Lt. Enochs Married

Announcement was made this week of the marriage of Miss Gloria Schultz and Lt. Jeff Patton Enochs solemnized Saturday evening, August 28, in Tyler, with the Rev. Charles McKenney, Methodist minister, reading the ring ceremony.

The bride, given in marriage by her father, wore a white chiffon frock with a corsage of pink and white asters. Mrs. Morris Garrett attended the bride as matron of honor. Mrs. Garrett wore a white crepe dress with an orchid aster corsage. Lt. Morris Garrett attended the bridegroom as best man.

Mrs. Enochs is the daughter of Mr. and Mrs. Fred Schultz of Somerville. She graduated from the Somerville High School and was attending Tyler Commercial College at the time of her marriage.

Lieutenant Enochs is a son of Mr. and Mrs. J. A. Enoch of this place and graduated from Eldorado High School and received his commission as second lieutenant from A. and M. College in May, 1942.

His first lieutenant commission was received from Fort Benning, Ga. He is at present company commander officer at Camp Fannin.

The couple is at home at Winona, Texas, 14 miles from Tyler.

Mrs. Howard Stevenson visited in Salt Lake City, Utah last weekend with her husband Corporal Stevenson.

RAMSEY - KOSCHAK VOWS SOLEMNIZED IN AUSTIN

Miss Helen Genevieve Ramsey, daughter of Mr. and Mrs. Seth Ramsey of Fort Stockton, became the bride of Lt. John Karl Koschak, Jr., son of Mr. and Mrs. John Karl Koschak of Galveston, at 8:30, Saturday evening, Sept. 25, in the University Methodist Church at Austin. Dr. Edmund Kinsohn, pastor, read the double ring ceremony.

The altar was banked with palms and at each side of the lighted cross in the center, stood baskets of white gladiolas. Tall lighted tapers were placed at the back of the altar.

Dean E. W. Doty of the School of Fine Arts of the University, was at the organ for the wedding music. Pre-nuptial pieces included "Ave Maria," "I Love You Truly" and "Because." The bridal party entered to the strains of Lohengrin's Wedding March, and the recessional was to Mendelsohn's Wedding March. Dean Doty played Greig's "I Love Thee" during the ceremony.

Given in marriage by her father, the bride wore an ivory duchess satin gown with a sweetheart neckline and long sleeves with points, extending in front with shirring on each side. Tiny self covered buttons extended down the bodice in the back. The skirt was gathered at the waist and extended into a long train.

The veil of full length illusion, fell from a halo of

shirred illusion and was over hung by a shorter veil edged with silk normandy lace. She carried a bouquet of stephanotis and orchids and her only ornament was a single strand of pearls which belonged to Miss Adele Rice.

The bride was attended by Mrs. Alexander Harwood Britain, Jr. of Dallas, matron of honor, and Miss Lucille Bailey of Fort Stockton and Miss Elizabeth Elliott of Sonora, bridesmaids. Mrs. Britain wore a dress of turquoise net with a sweetheart neckline and bracelet length sleeves. The fitted torso waist flared into a billowing skirt. She wore clusters of blossoms in her hair and carried a spray of pink gladiolas. Misses Bailey and Elliott wore dresses of pink net in the same design as Mrs. Britain and carried sprays of deep red gladiolas. Lt. George V. Purrett of Nacogdoches and stationed at Palacios, attended Lt. Koschak as best man. Lt. Gene Burchess of Hastings, Neb. and who is also stationed at Palacios, served as usher.

The bride is graduate of the Eldorado High School, and of the University of Texas where she received her Bachelor of Science degree in speech and education. While at the University, she was a Blue Bonnet Belle nominee, a member of Chi Omega, and of the senior organization, the Cap and Gown. She was secretary-treasurer of the West Texas Club for four years, and a member and officer of the honorary educational society, Pi Lambda Theta. She was also a member of the Blue Stocking, an honorary English society. After graduation from the University, Miss Ramsey was a member of the faculty in the Speech department.

The groom is a graduate of the Ball High School of Corpus Christi and attended the University of Texas where he majored in accounting and international trade. A student at the University when he was inducted, he was a member of the Kappa Sigma fraternity. He was outstanding in athletics, having played on the freshman football and baseball teams, and later on the Varsity baseball team. He was a member of the "T" association. Serving first with the third armoured division at Camp Polk, La., Lt. Koschak transferred to the Army Air Forces, receiving his training at Uvalde, San Angelo and Brooks Field, San Antonio. He is now stationed at Palacios.

Following the ceremony, a reception was held at the Chi Omega Sorority House. The rooms were filled with white gladiolas and asters, and the table was centered with the white ring wedding cake, decorated with waxed lillies and delicate pink rosebuds. At each side of the cake were lighted white tapers, and the silver punch bowl was placed at one end and at the other a container of white gladiolas.

Members of the house party included Miss Lenora Guseman of Houston who was at the bride's book, Miss Patsy Lynes of Houston, served at the punch bowl, and Miss Jackie McKay of Madisonville cut the cake. Assisting in serving

JOINT BIRTHDAYS CELEBRATED

Dorothy Nell Alexander and Gail Gene Mittel were honored on their joint birthday anniversaries, when their mothers, Mrs. Gordie Alexander and Mrs. Perry Mittel, entertained with a party Thursday afternoon on the lawn of the Baptist Church. Mrs. Raymond Dickens and Mrs. Reuben Dickens assisted with games.

The children played games and pictures were made of the honorees and their guests. The two birthday cakes each bearing eight candles in pink and blue, were served with punch.

(Another chapter in the story, "Working for Victory on the Santa Fe")

Women at Work for a Railroad at War

America needs millions of women to take over war jobs... to stay with those jobs... to help speed the day when our fighting men will return victorious!

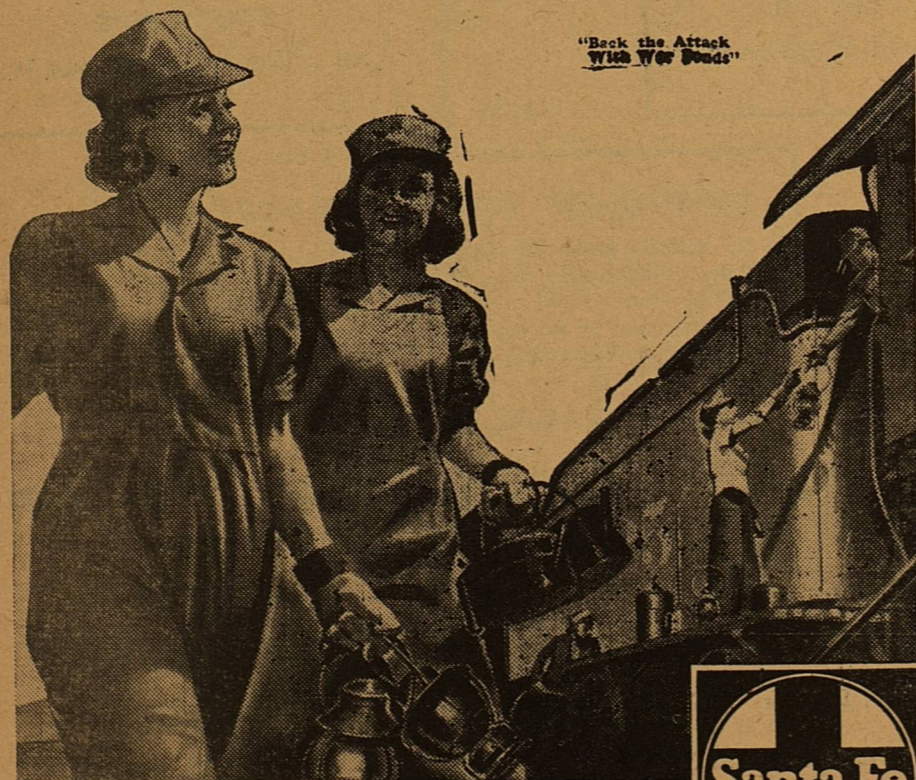

Santa Fe women are answering this call all along the line.

Right now thousands of Santa Fe women are doing war-vital work to "keep 'em rolling." Many are pitching into "unglamorous" jobs... greasing engines, operating turntables, welding shovels, working in blacksmith shops,

and cleaning roller bearings. They take pride in their work, too!

Many of these women have husbands, sweethearts, brothers or sons in the armed forces. Many came to work to replace a Santa Fe relative who had been called into service. Others took jobs because they knew womanpower must step in when manpower goes to war.

★ We of the Santa Fe salute these women who know that what they are doing is vital to Victory!

Eldorado Divide Soil Conservation District News

REPORTED BY DISTRICT SUPERVISORS

Actual planning of soil and water conservation programs by the Soil Conservation Service personnel assisting the Eldorado Divide Soil Conservation District was started in April, 1942. During the past 18 months plans have been completed on and approved by the District Supervisors on 110 Schleicher county farms and ranches, totaling 160,061 acres.

These conservation plans, which are based on the physical conditions of the land in regard to soil, slopes, erosion and condition of vegetation, include meashres designed to hold the rainfall where it falls on both cultivated and range land.

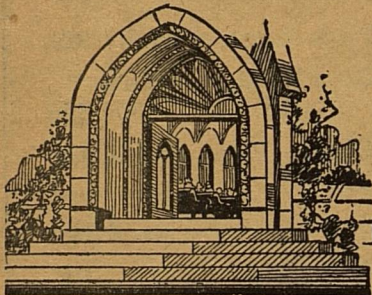

Over 458 miles of terraces have been planned on the cultivated land on the 110

farms and ranches. Terraces are always supported by true contour tillage, and proper use of crop residue.

The range program for each ranch includes stocking with the number of livestock that the range will permanently support, and a rotated and deferred grazing program designed to increase production of the better varieties of grasses and weeds. Season grazing to control needle grass, and a management program to reduce and eventually eradicate bitterweed are also included in the range conservation plan.

Applications for planning assistance approved by the District Supervisors, but not yet complete include 14 farms and ranches which total 40,058 acres.

"The Church With A Friendly Welcome"

J. M. Hays, Pastor

We are all rejoicing about the good rain, even though it rained out our services last Sunday and Sunday evening. Since the rain was so heavy and the mud so deep I feel that our folks were to be excused from our places. One thing I noticed long ago that the church going people of Eldorado would not be stopped from going to church any longer than necessary; so with this in view, I feel, if Sunday is a day favorable for Church going, all will be in their places.

After all, what is more restful, inspiring, and helpful than attending services each Sunday? Who would want to live in any town

Three Generations

Shown above is S. W. (Uncle Sidie) Espy, with his son, Jim Espy and grandson, Malcomb Espy of McCulloch county. These three generations live on a ranch near Brady. Uncle Sidie has ranched in McCulloch county some 30 or 40 years. Mrs. Espy (deceased), formerly Miss Beulah McGrew, was a sister to Mrs. Sam E. Jones of Eldorado. The elder Mr. Espy is a cousin to Mrs. Bert Page, T. K., and Sam E. Jones and Mrs. R. A. King, all of whom reside in Schleicher county.

without churches and religious influence? Taking this viewpoint; are you doing the best to support your church and doing all you can to help the religious influence? We do well to remember that a town or community has just as good morals and religious habits as the people in them have. This talk we hear about making a better world and having a better social order; well, we can have it only when the world has better people. And the world will never have peace until it has adopted the great unselfish principles of the Prince of Peace. We need not forget that Israel was the worst and the wickedest, when every man did what he thought it was right in his own eyes.

We did not get to have promotion exercises in our Sunday School and Training Union last Sunday but we will look forward to these exercises in the near future.

Dr. Norman will be here the week of the 17th to hold our meeting; I hope all will make plans to attend these services.

Plans for our enlistment campaign are working nicely and we will soon be ready to start with a hope to enlist all in our regularly services; and more especially Sunday School and Training Union.

MRS. JOHN KARL KOSCHAK, JR. FETED IN SERIES OF PARTIES

A series of pre-nuptial courtesies were extended Miss Helen Genevieve Ramsey of Fort Stockton, in Austin before her marriage Saturday evening to Lt. John Karl Koschak, Jr. of Galveston.

On Friday night, Miss Elizabeth Elliott of Sonora entertained with a dinner at the Driskill Hotel. The centerpiece for the table was a combination of white gladiolas and asters and the bride's chair was marked with a gardenia corsage.

Included in the party were Mrs. Seth Ramsey of Fort Stockton, mother of the honoree, and Mrs. J. D. Ramsey, of Eldorado, grandmother.

On Saturday morning, Miss Ramsey was honored with a breakfast at the home of Mrs. J. D. Rice. The table was centered with a bowl of white periwinkle. Mrs. A. H. Britain, Jr. of Dallas, poured the coffee. Other guests included the mother and grandmother of the honoree.

Again complimenting Miss Ramsey, Miss Lenora Guseman of Houston, entertained with a luncheon Saturday at the Driskill Hotel. The centerpiece for the table was a bowl of fall flowers and a gift marked the honoree's place. Guests included members of the wedding party, Mrs. Ramsey, mother of the bride and Mrs. J. D. Ramsey, grandmother.

ROY DAVIDSON HOME

Friends are glad to know that Roy Davidson has been removed to his home from a San Angelo hospital where he recently underwent amputation of a limb. He is able to be up and about some. He will have to return to the hospital this week and remain some three or four days for observation and check up, it is reported.

Presbyterian Revival Starts Sunday

The Presbyterian Church will have a week of special services October 3 — 10. Sunday, October 3, at 10:30 A. M. there will be a Rally Day Program. Sunday evening at 8:00 Dr. R. P. Richardson a missionary from China will be the guest speaker. Dr. Richardson has been in China for more than twenty years. His years of loyal service in China qualify him to speak on the Chinese people and the Christian work that is being done for them. Moving pictures of China will be shown by Dr. Richardson.

Rev. Clifford Williams of Sweetwater will conduct a revival Monday October 4 through Sunday night October 10. Rev. Mr. Williams is one of the best and one of the most promising young Presbyterian ministers in the state of Texas. He was a classmate of Rev. Kelly Neal at Austin College and Austin Seminary. He was very successful in his pastorate at Haskell, Texas. More than a year ago he was called to the Sweetwater Presbyterian Church and he has been doing excellent work as pastor there. He comes recommended as "A thoroughly consecrated man of God, who knows God and His word, who loves people, and who is a splendid preacher whose messages will prove to be real blessings to all who hear him."

The public is cordially invited to attend all of these services.

BAPTIST W. M. U. MISSION PROGRAM AND BUSINESS MEETING

The regular business meeting and Royal Service Mission Program was rendered at the Church Monday afternoon, Sept. 28, this being the last meeting of the fiscal year.

Mrs. H. E. Finnigan directed the program with Mrs. Hudson, G. B. Green and Mrs. George Williams taking part on the program. "Witnessing For Jesus," was the topic for discussion.

The special request for new clothing for Buckner's Orphan Home was carried out by the circles. Mrs. L. T. Wilson, Benevolence Chm., requested that all used clothing for the home be brought to the committee as soon as possible, stating that there is an urgent need for boys clothing in the home now.

Mrs. Finnigan announced the meeting of the Concho Valley Baptist Association to be held in San Angelo, Tuesday, Oct. 5th at 9:45 A. M. and urged all members of the W. M. U. to attend.

The meeting hour for the W. M. U. has been changed to three P. M.

WORKERS CONFERENCE OF BAPTIST S. S. HAVE MEETING

The Monthly Workers' Conference of the Baptist Sunday school enjoyed a fried chicken supper in the church dining room Friday evening of last week.

At the close of the meal, the devotional was given by Mrs. G. B. Green.

Sunday School Supt. W. T. Whitten gave a report on the School Enlargement Campaign about to be launched.

After a report from the Teachers' Adult Department an inspirational address was given by the pastor, Rev. J. M. Hays.

Some thirty adults and children were present.

Before leaving for Hollywood and a probable movie career, prett Elsie Roberts, National Bond Queen and University of Houston co-ed, did her part for the Texas Deposit Bottle Round-Up. Dressed in typical Texas costume, Elsie loaded into a basket all the milk, carbonated beverage and beer bottles in her home, mounted the beautiful Palomino horse, on which she is pictured, and rode to her favored dealer. "Keeping deposit bottles working is not only a patriotic duty," Miss Roberts said, "but I'll get my deposits back which can be invested in War Stamps."

GIRL SCOUT TROOP ENJOY HIKE AND SUPPER

Members of the Eldorado Girl Scout Troop entertained with a hike and weiner roast supper Thursday night. The supper was followed by a court of honor.

Meeting at the Scout Lodge, the girls and their leaders hiked to a pasture near the home of Mrs. C. C. West. After roasting weiners over the camp fire, supper was eaten, followed by a short program.

The court of honor opened with the Girl Scout oath.
