MEDITATIONS

By The Editor

Few people have any conception of how many procedures are necessary to produce a newspaper—yes even the size of the Success.

There is one great difference however, in a small weekly paper and a metropolitan daily. Those people who work on a weekly, such as the force does on the Success—work an average of 18 hours a day. This does not include time out for a friendly chat and a cup of coffee or a "coke" Those employees on a daily paper get in about 8 hour days.

Why the difference you ask? Very well, here 'tis:

To begin with, you pay, (when you can get a subscription,) about \$10 a year for it. The advertisers pay about a dollar an inch more for advertising space, and want ads cost about 30 cents a line.

This affords an entire battery of typesetting machines, huge presses and men to operate and maintain them, whereas the Success, or a paper it's equivalent, can only afford one machine and no one to operate it. This falls the lot of the publishers. All they have to do is set the type (letter by letter, it is not photographed.) But first, we must call, and search and listen, for news items. Then after the type is set, it must be read and then "a few errors" deleted. After this operation type and ads must be placed in forms and locked securely so that it will not fall out (we hope), then placed on a press and run off enough for the population of Schleicher county. The papers then have to be folded one by one and extra pages above four inserted when necessary, and which is usually the case. After this procedure the name of each individual subscriber has to be placed on the paper and many hundred of them wrapped separately and prepared for mailing to far-distant places—some to foreign countries.

After this is done, we have to take this week's forms down, place the type in it's cases, which constitutes many thousands of pieces, do some commercial printing in order to help pay the expense of getting out the newspaper, and then start preparing and getting out another paper.

It's a great life—but you better not let the bug bite you!

Someone will criticize you for not running a story brought in 48 hours past the deadline and say they don't like your publication, and that you are lazy and indolent and don't boost their endeavors. Then you get mad and work all night every night the next week to run their story and make some one else say catty things about you because you were so absorbed in some matter that you did not get out and ask Tom, Dick and Harry who visited them and run a news item about it.

The next week you determine to make amends by getting this in the paper—so that's why a country editor keeps on keeping on.

And another thing—we have got to compile the service man's book—pronto! So we better sign off and start work. We hope to have this edition out in the near future. Please watch for it carefully, and do not let a child lose you paper containing your issue, as it cannot be made good.

P. S. That's another headache of a printer now—paper shortage.

He who sleeps late these days is probably afraid that the early bird will get him.

LIONS' CLUB NOTES

Club membership attendance is showing weekly increases.

The membership drive in January netted the club eight new members and one re-instatement who with other members are anticipating helping with a worthwhile civic program in the interest of the town and county.

Appearing on the program this week were five high school girls under the direction of Miss Bernice Alexander, who rendered a number of vocal solos. They were: Misses Edda Lou Meador, Kathryn Davis, Patsy Ballew, Jean Meador, vocalists, and Frankie Thompson at the piano.

Miss Rosalyn Jones, daughter of Mr. and Mrs. T. K. Jones, rendered two piano selections.

Other visitors included Tom Rattliff, Sonora business man, and new program chairman of the Sonora club, who praised Eldorado in behalf of the Sonora Firemen for the generous hospitality shown them here during the recent convention.

Next introduced was Texas Ranger Captain Best, of San Angelo, who was at the club as guest of Sheriff E. H. Sweatt, and stated that Sweatt was one of the top-ranking sheriffs of his district that comprised a large section of West Texas from Hamilton to El Paso.

Discussions on the projects being sponsored by the club included a report on the bond drive by C. L. Meador, Jr., who announced that the over-all quota had been raised, but that the Series E quota was still short.

In the absence of J. M. Hays, E. H. Coulter made a report on the clothing drive that has met with generous response by the people of the town.

A detailed report of the Infantile Paralysis Drive was not available, but Jerry Pennington, secretary intimated contributions were slow and that a report of the collected proceeds would be made next week.

Bits 'O News Of War Workers

A bit o' news from two of Eldorado's home front workers is included in a paper received at the Success office this week. The paper "The Flying Times," a weekly publication from Kelly Field, San Antonio, contains news of the field, both of civilian employees and service men, and is full of interesting accounts of worthwhile activities. Included in the weekly paper is a picture of the Clothing and Hardware Volley Ball team, and among the faces, we were pleased to note those of Misses Hazel Doyle and Floyce Sherrod, former Eldorado girls, and now employed at Kelly Field.

We are always glad to hear from home town boys and girls. Congratulations, Hazel and Floyce. "Keep 'Em Flying."

PATRIOTIC PROGRAM TO BE GIVEN BY STUDENTS NEXT MONDAY NIGHT AT SCHOOL

ROOM MOTHERS HONORED FRESHMAN CLASS FRIDAY EVENING LAST WEEK

Room mothers honored the Freshman Class of the high school Friday night of last week with a chicken spaghetti supper in the school cafeteria.

Following the supper, W. Irl Breedlove entertained the group with a few sleight of hand performances, after which the youngsters enjoyed games in the band room.

Some 40 freshmen and room mothers, who are Mesdames. J. W. Lawhon, Henry Speck, Lewis Ballew and W. Irl Breedlove attended.

Mrs. W. A. Doyle has been confined to her bed for several days due to illness. Her daughter, Miss Hazel, of San Antonio, accompanied by Miss Floyce Sherrod, also of San Antonio, visited here this week a few days.

The man in the next block says that chemistry's most outstanding contribution to the world is blonds.

Red Cross Group Continue Work

Wouldn't you like to know that the bandage you rolled at the Red Cross Surgical Dressing Unit last had helped to save the life of some boy at the fighting front? He may be your son, husband, brother or sweetheart—he is somebody's boy—and he is doing his bit without counting the cost.

Every minute, hour and day, the doctors and nurses on the battle fronts, are performing miracle on our wounded men, but even they can't perform these without our aid at home. Bandages are necessary weapons, and millions of them are used daily. Just a few hours of your time will perhaps save the life of some boy.

Those working last week included, Tuesday night, Feb. 8: Mesdames. J. E. Hill, R. T. Crain, Van McCormick, Brice Dabney, and Miss John Alexander, Feb. 9: Mesdames. J. E. Hill, Claude Meador, R. T. Crain, E. C. Hill, L. Wheeler, Ben Hext, Brice Dabney, Lester Henderson, S. D. Harper, Bert Page, Ernest Finnegan, and Miss John Alexander, Sunday afternoon, Feb. 13: Mesdames. R. T. Crain, J. C. Crosby and Van McCormick.

An additional \$50. was granted the grade school for the purchase of more library books, and it was voted to buy \$225 worth of War Bonds for the organization.

The following nominating committee was appointed: Mesdames. Gordie Alexander, Carrol White and Miss Oma Ford.

Bond Drive Shows Good Gain Here

Series E Still Short

Purchases of Series E bonds had not been brought up to the assessed quota, and the rest of February may be taken to complete this quota of \$72,000 of Series E or individual purchases.

Following are compilations of purchases of different denominations of bonds in the drive through close of business Tuesday:

Series E	\$ 53,350
Series F	740
Series G	26,000
Series C	45,300
2 1/2 percent Treas. Notes	23,000
2 1/4 percent Treas. Notes	2,000
7/8 percent Certificates of indebtedness	9,000
TOTAL	\$169,390

C. L. Meador, Jr., requests the Success to announce his deepest appreciation and thanks to all those persons, both committeemen, co-workers and subscribers, who in any way helped to carry the over-all quota "over the top."

H. A. Vogle Funeral Services in Belton

They are: Mrs. Frank Harkey of San Saba; Mrs. S. G. Reynolds, Temple; and Mrs. F. W. Schram, Cotulla, and eight grandchildren and three great grandchildren.

Dramatic Club To Present Comedy

The Dramatic Club of the Eldorado High school, under the direction of Mrs. Ruth Prince, will present the timely comedy, "I'm In The Army Now," at the school auditorium, Friday night, Feb. 25. A small admission charge will be made.

In case the title of the play might sound misleading, the author hastens to assure us that his new comedy is not a war play—far from it, but is a modern comedy about an average family and is packed with laughter.

Members of the cast include: Pa Robertson, Donald Gholston; Granny, Sarah Sweatt; Letty Alexander; Elaine Watson; Deanna Robertson, Polly McLaughlin; Ma Robertson, Edna Leudecke; Toby Robertson, Tommy Green; Bronson Robertson, Tom Enochs; Dale Morrison, Virginia Calcote; Corinna Duffin, Virginia Griffin; Prentiss Roper, Bobby Barber; Audrey Nayland, Betty Sproul; Essie Knapp, Tommie Lee Wilson; and Ramon Valdez, Hal Whitten.

Quality Chicks

Williams Hatchery

Eldorado, Texas

Dear Friend:

The baby chick season is here again and I want to take this means of expressing to my many customers my appreciation for your loyal support given to my hatchery business in Eldorado. It has been a pleasure to serve you. I know you realize that a business like the chick business has got to grow from season to season, and I know that I can serve you better this year than I did last year; and I shall look forward to doing so.

Would like to suggest that you cull your grown flock carefully, taking out all boarders; the Government needs the meat and it will also help take care of the feed that we are allowed. Indications now are that we will have plenty feed for necessary feeding and to raise chickens with; but it is a part of wisdom to take out those fowls that will not pay to keep.

We have some of the finest flocks in Schleicher County that you will find in the state. All flocks that I will hatch chicks from are flocks that have been carefully culled and blood tested by State-Approved testers and are sired by the best cocks you can buy; both for vigor and size, as well as egg production—50 percent would rate as AAAA chicks, as the only difference between the AAAA and the AAA chicks is the age of the hen, the AAAA being one year old or older, and 50 percent of our flocks are that old or older.

When selecting eggs for hatching, no eggs go into the trays weighing less than 23 ounces per dozen which guarantees the buyer a strong, healthy chick. Our incubators are carefully cleaned and disinfected before and after each hatch.

The Williams Hatchery is a member of the Texas Baby Chick Association and meets all requirements of the Government for a hatchery to operate.

Placing your orders as early as possible will assure you of getting your chicks when you want them.

Custom hatching eggs should be in before 2 o'clock P. M. on Mondays and Thursdays.

Popular breeds of chicks for sale on Tuesdays and Fridays.

We plan to keep poultry brooders, water fountains, poultry remedies and Purina Feeds.

Sincerely,

WILLIAMS HATCHERY

The next meeting will be Thursday, Feb. 24 at 10 a. m., for a no-hostess luncheon at the home of Mrs. Jerry Pennington, and at this time the dress forms will be completed.

Those present included members Mmes. N. G. Hodges, J. H. Mace, R. C. Spurgers, Frank Van Horn, Carl Farrar, G. L. Ballew, John Williams, Joab Campbell, W. H. McClatchey, Jim Simpson, E. H. Coulter, Palmer West, Pennington and Miss Ruth Baker.

The meeting was opened with songs followed by the roll call which was answered with an "embarrassing situation." Mrs. C. E. Corbell, president was in charge of the business meeting, and it was voted for the club to buy a War Bond with each member contributing an article to be sold.

Mrs. W. A. Blaylock joined as a new member and was elected secretary-treasurer in the place of Mrs. Bert Blaylock.

The next meeting will be in the home of Mrs. C. E. Corbell. Refreshments were served to Mmes. Blaylock, Corbell, C. M. Roberts, Houston Thigpen, Miss Ryan and the hostess.

Due to unsatisfactory delivery problems and limited availability of special purpose feeds, poultry raisers who plan to take off hatches of chicks should anticipate feed requirements in advance and lay in supplies somewhat ahead of their needs.

At our new location and with new and additional equipment, we are prepared to take care of the trade on any type of feed available in today's market.

**You bet we're
buying War Bonds**

on the

Troop trains . . . hospital trains . . . trains loaded with tanks, planes, guns, and food, bring us pretty close to the war.

We see lots of them on the Santa Fe. Already over 9,000 of our employees are in the armed forces.

That's why we railroad folks know how important it is to buy War Bonds and keep on buying them.

Approximately 50,000 of our people

are buying War Bonds through the payroll deduction plan to back up our armed forces, as well as to save for peace and the future.

The Santa Fe Railway has purchased large amounts of Government securities — and that policy will be continued.

If you were "Workin' on the Railroad" these days, we believe you, too, would buy an extra War Bond during this 4th War Bond Drive.

But no matter where you do work, let's ALL back the attack!
