\$80,000 W.P.A. FUNDS READY

CONTRACT TO DRILL ON WHITTEN RANCH GIVEN TO CARDINALS

J. A. Whitten, W. T. Whitten
And T. K. Jones Sign
For Leases

The Cardinal Oil Company of San Angelo has been assigned to drill an offset to the J. A. Whitten wildcat from which land owners profited after a spirited lease play in 1929.

The new wildcat will be three miles north and one mile west of here and drilling will be started as soon as titles are approved.

Negotiations with various parties for the past several months ended in the consummation of this contract. Judge Whitten owns section 33, 34, the west half of 50. His son, W. T. Whitten owns section 31, and T. K. Jones is the owner of sections 32, 36, and the east half of 35. All the land is in block L.L. T.C. Ry. Co. survey.

New Chevrolet Will Be On Display Here Saturday Nov. 2nd

Car Load Now Waiting on Track To Be Unloaded For Showing Tomorrow

The new Chevrolet for 1936 will be on display at the R. & M. Chevrolet Company show rooms here Saturday, according to C. A. Mitchal manager.

A car load of Chevrolets are in the local yards ready to be unloaded for the showing. Specifications will be published as soon as they are available. But today we could not get only a limited description of the new car. Pictures appear on the back page of this issue.

SCHOOL PROGRAM TODAY

Friday Morning, 9:00 O'clock

It is the policy of the school to present to students and patrons when the opportunity arises, programs which are both educational and entertaining.

The first such program is to be presented in the school auditorium at 9:00 o'clock Friday morning, November 1. A small charge is made of both students and patrons to defray the cost of bringing the program here.

The program consists of a lecture on Texas history by Charles W. Hodges, with the visual aid of an 8x10 foot electric "Wonder Map" containing over 320 lights in various colors and 62 separate circuits. The map is reported to have cost \$1,000 to construct, and the Spanish missions, forts, battles, cities, and rivers are all depicted in different colors.

School men all over the state are highly complimentary in their mention of the program.

Alexander & Son Buy Insurance Business Of Whitten & Royster

W. O. Alexander and son, Forrest, have purchased the insurance business of Whitten & Royster and J. L. Ratliff, which makes Alexander & Son the only general insurance representatives in Eldorado.

A down-town office has been opened this week in the T. K. Jones building, adjoining the Lone Star picture show.

The business will continue to be known as Alexander & Son, general insurance. They now have for your benefit all kinds of insurance.

The junior member of the company, better known to his friends as "Possie" will be in charge of the office. Forrest is an Eldorado boy. He grew up here and graduated from the local high school in 1927. He attended Howard Payne two years and then went to Texas Tech for one term in 1932. He has been associated with his father in the insurance business here since August 1933.

ELDORADO NEGRO SCHOOL WILL OPEN NOVEMBER 4

Eldorado's first negro school will open Monday, November 4. Miss A. M. Terral of Odessa will be the teacher of the school.

A house on the outskirts of "Mexico" has been rented by B. E. Moore, President of the Board of Education, to serve as the school building.

There are about twelve or fifteen Negro children eligible to attend. A few of them are from fifteen to seventeen years of age and have never had the opportunity of attending school before.

REV. P. S. CONNELL ATTENDING CONFERENCE

Rev. P. S. Connell, pastor of the Methodist church here left Tuesday for San Antonio where he will attend the annual conference of the Methodist Church South.

At this conference pastors are assigned their charges for the coming year.

Junction Overpowers Eldorado Eagles 26-6

Junction, October 26.—The Junction Eagles took the Eldorado Eagles for a thorough cleaning Saturday. The game was played at Junction. This game was probably the hardest one Eldorado will play.

Due to bad weather during the last week Bowers tried to get the game postponed. Coach Bynum refused and stated that he would be ready to play at 2:30, rain or shine. The weather turned out to be fair.

Junction's team averages around 176 pounds while the Eldorado Eagles average close to 156 pounds. Hubbell, Pepper, and McKay were the leaders of the fierce attack against Eldorado.

Junction and Rocksprings are now the main contenders for the championship of the district 34-B. They are the only members of this district still undefeated. The Junction-Rocksprings tilt is scheduled for Nov. 23. Rocksprings took Menard by a score of 31-0. Eldorado still has a chance at the district championship although it is slim.

Junction made 16 first downs while Eldorado only made 6. Junction had six penetrations and Eldorado only one.

P. F. CASE HERE

Will Attend to Leasing of Ranch

P. F. Case, one of the four brothers who own eighteen sections of ranch land 16 miles out of Eldorado on the Mertzson road, is registered at the Eldo Hotel this week.

Case will be here for several days looking after his 4 1-2 section ranch and some improvements for his brothers on their ranch.

Mr. Case wants to lease his ranch to some responsible party, and will stay here several days for that purpose.

Last January Mr. Case was here and at that time he made improvements on his ranch. Fencing was erected, a new water well drilled, over which a new Aermotor windmill was put up, and a concrete reservoir was built.

Crimson Tide Game Changed To Friday November The First

Due to unavoidable circumstances of the San Angelo team, the game with the Crimson Tide will be held at 4:00 o'clock Friday afternoon, November 1, instead of on Saturday as scheduled.

The admission charge has been reduced to 10c and 25c for the Friday game.

The Crimson Tide is a heavy team for its class, and weighs about 150 pounds to the man, not much less than the Eagles. It is thought that Coach Bynum will probably start the reserves as shock troops and let the first squad come in when the Eagles can no longer hold the fort.

The Crimson Tide defeated the Eden team early in the season and has since defeated Miles twice, the last time by a score of 19-0. Therefore, the strong Junior High team should give the Eagles a good game.

This game will be followed by three straight hard conference games with Rocksprings on Armistice Day, Menard on November 16, and Ozona on November 23, all at home.

COUNTY CLUBS WILL ELECT OFFICERS SAT.

The County Home Demonstration Council will meet at the office of Miss Farnsworth, Home Demonstration Agent, at 2:00 p. m. Saturday for the purpose of electing officers for the coming year.

SEVEN CLUBS MEET HERE FOR PROGRAM

Members of the seven Home Demonstration clubs of Schleicher county will meet Saturday evening at 7:15 in the Carl McWhorter building on Main Street to hold their county wide recreational program.

The program will consist of games, stunts, songs and dancing. Refreshments will be served after the program. All club members and their families are urged to be present. Those interested in the Home Demonstration work are invited to attend.

MONEY ALLOTTED SCHLEICHER COUNTY FOR FARM-TO-MARKET ROADS IS NOW AVAILABLE; WORK WILL BEGIN SOON

PRESS CLUB VISITS SUCCESS OFFICE

Last Tuesday afternoon the members of the Press Club visited the Success Office. This visit was only forty-five minutes in length, but during this time Mr. McKinney told and showed the club many things about the machinery he uses in printing the Eldorado Success and the "Eagles Scratches."

Mr. McKinney spent a large portion of the time explaining the Linotype machine's parts. Besides telling and showing us the works he gave a short demonstration of the linotype in action.

He also demonstrated the method used in placing pictures in a newspaper. Mr. McKinney also ran off a number of sheets of job advertisement he had set up on his job press. Hugh D. Craig also demonstrated the operation of the job press.

The entire club enjoyed the visit very much and considered the time very profitably spent. (Taken from School Paper)

F. H. Ellington Gents Furnishings Is Name Of Man's Shop Now

Joe Williams' Business Turned Over to New Owner This Week

On Tuesday of this week the Williams Man Shop changed hands when F. H. Ellington took over the management. Mr. Ellington bought the store several days ago.

In this issue appears an announcement stating that the new name will be F. H. Ellington Gents Furnishings. The advertisement also asks that you call on the new management and get acquainted.

Mr. Garey will continue to be with the cleaning and pressing department and will look forward to serving his friends as in the past.

Mr. Williams will leave shortly for Phoenix, Arizona, where he will join Mrs. Williams who is in Arizona for her health.

Exemption Certificates Here

A few copies of "Certificates of Special Exemption of Lint Cotton for Domestic Use in Producer's Household" have been received.

Any one wishing to gin cotton and use it for domestic use may do so with out having to pay a tax on this cotton according to information received from the Agricultural Adjustment Administration. One can not secure exemption in excess to 110 pounds. These forms are now available and may be had by calling for them.

C. SNELL, County Agent.

WORK WILL START AS SOON AS RELIEF ROLLS SHOW MEN AVAILABLE

A long-distance telephone call to Judge Finley yesterday said that the application for WPA funds with which farm-to-market roads are to be improved in Schleicher county had been approved and the money is available for the work to begin at once.

Work on the roads will start as soon as 20 men are available for work relief. An investigation is being made to determine whether or not this number of men can be approved for relief work.

Most of the men who have been on the relief rolls in the past are now at work on farms and it is thought that as soon as crops are gathered that a sufficient number will be available to start the road work.

Judge Finley was complimented on the fine shape in which the application was submitted. State WPA officials said that Schleicher county sent in the best set of papers that had reached their office.

The application was submitted in six projects. The Bailey ranch and Station A road and laterals were included in one project. Another project takes in the old Ozona road and the lateral road by Reynolds school house. The Mertzson road and Alexander lane will be another project.

In the east end of the county the Ft. McKavett and Meyer road will make up a project, with the Tom Henderson lane included. The Adams community road and Cliff country road will also be improved. The Thompson lane leading south of Eldorado will be worked.

SCHOOL CLINIC TO BE HELD FRIDAY EVENING NOVEMBER THE FIRST

The Eldorado Parent-Teacher Association is holding a school clinic for pre-school and school children Friday afternoon, Nov. 1, beginning at 1:00 o'clock.

Doctors, Patton, Pennington, Moore, and Wiedenmann are assisting in the work, and will administer smallpox vaccine, diphtheria toxoid, the Schick test, and a general physical examination.

COMMISSIONERS MEET

Approve Budget and set Tax Rate

The County Commissioners met Monday of this week to approve the budget and set the tax rate for the current year.

The county rate is 77c and the state rate was set at 62 cents. Last year the county rate was 50 cents and the state was 77c, according to information secured at the court house.

ECONOMIC HIGHLIGHTS

There is one phase of the Italian-Ethiopian struggle that has received much less notice than it deserves. That phase—which, in the long view, may become important and most potentially dangerous of all the phases—is the inter-racial complications that may arise from Italy's imperial ambitions.

Here is the way it is expressed by the famed American Negro leader, educator, and writer, W. E. B. Du Bois, in the October issue of Foreign Affairs: "The probabilities are that Italy will subdue Ethiopia. If this happens, it will be costly victory, both for Italy and the white world—India, China, and Japan, Africa in Africa and in America, and all the South Seas and Indian American—all that vast mass of men who have felt the oppression and

insults, the slavery and exploitation of white folks, will say: "I told you so! There is no faith in them even toward each other. They do not believe in Christianity and they will never voluntarily recognize the essential equality of human beings or surrender the idea of dominating the majority of men for their own selfish ends. Japan was right. The only path to freedom and equality is force to the uttermost."

Du Bois' allusion to China and Japan involves another point that is not so well understood as it should be. When Japan started her invasion of Manchuria a few years ago, the white nations seemed to be solidly on the side of China. Japan was called an outlaw among nations, was held to be a menace to peace of the world. Yet a legion of white observers have returned from the orient since, bringing the news that China today feels more friendly to the Japanese who tried—and are still trying—to wrest from her a large share of her territory, than she does toward the English, the Americans, the Germans, the Italians and others. Result of that has been something approaching a concord between Tokyo and Nanking governments. Whites have definitely "lost face" in China—they are mistrusted, disliked, feared. The Chinese believe that they talk much, make fine promises, and then do nothing. They believe that the sole white ambition is to exploit the resources, human and material, of the black and yellow people.

The situation is particularly serious to England. If, as Du Bois also pointed out, an understanding between China and Japan closes Asia to white "aggression," India need no longer hesitate between passive resistance and open rebellion. India is a mighty muscle in the body of the British Empire. Her millions of natives are governed by a few thousand whites. What an Indian revolt would mean can only be conjectured—but the sun that finally set on it would be red indeed. So it goes throughout all the colonies of black people governed by Ethiopians in British, French and Italian Somaliland, in Kenya Colony, elsewhere

in Africa and South America.

Nothing is more horrible, more dangerous, more corrupting to the orderly processes of civilization than race warfare. The great majority of the earth's population is colored, and a great majority of these colored people are dominated by whites. If the Italian-Ethiopian disorder leads to a decisive split between the two groups, it will be one of the most important events in the history of the world—an event that, over a period of many years, perhaps centuries, can change all the maps, and remark the earth to a different plan.

MOWING WEED IMPORTANT FOR GOOD PASTURES

College Station.—Pastures are an asset to any farm in Texas and the most important step in making these pastures productive is to mow the weeds, according to R. R. Lancaster, Extension pasture specialist.

"Pastures should be mowed at least once a year," he said, "but to really get rid of all weeds a pasture needs mowing twice a year over a period of a couple of years. The reason for mowing weeds is to allow the necessary sunlight and moisture to get to the grasses."

The Extension pasture specialist was emphatic in explaining that grass is the cheapest, best and most convenient feed a farmer can raise. He pointed out that keeping a pasture in good condition will pay back dividends each year.

"Upland pastures that water will run off of, that are thinly sodded," he said, "should be terraced with a couple of plow furrows before seeding. If this is done while the ground is moist, the grass will likely continue to grow on these furrows."

Lancaster said that the importance of dividing a large pasture into small divisions and rotating the livestock from one division to the other has been proven worthwhile many times. He explained that this method will enable a pasture to carry more stock than if the large pasture was grazed as one division. Livestock will pick out the most choice grasses in a large pasture and leave the other

grasses, thus retrading the growth of the best grasses.

"Grass must not be grazed too close without a rest period," Lancaster stated, "or the growth of the grass will be unduly stunted. Regrowth will take place on heavily grazed pastures if a rest period is observed."

He concluded by again saying that once Texas Farmers find out the real cash value pastures have, they will eventually all have one or two pastures on their farms.

Morton Corn put in a trench silo by R. W. O'Neal of Cochran county would have netted him about \$3 per acre for the dry corn if sold at market prices, while in the trench silo he is getting two and one-half tons of green feed which he values at \$4

per ton, according to his report to G. R. Schumann, county agricultural agent. Neal estimated that the corn that was put in the

silo would have made about five bushels of ear corn to the acre when harvested dry. The corn was cut up by an ensilage cutter.

Laxative combination folks know is trustworthy

The confidence thousands of parents have in good, old reliable, powdered Theoford's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer it when they outgrow their childish love of sweets. Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Theoford's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."

1936 Master De Luxe and Standard Chevrolets are Replete with New Features

New Master De Luxe and Standard Chevrolets for 1936 show marked advances in appearance and in engineering. Perfected hydraulic brakes, high-compression engines with full-length water jackets, and balanced carburetion are among the mechanical improvements. The solid steel Turret Top Fisher body is now used on the Standard as well as the Master De Luxe models.

Either Knee-Action or conventional springing may be had in the Master models. The illustrations show: Top left, the Master De Luxe sport sedan, with built-in trunk; top right, the re-styled, deeply moulded radiator grille, used on all models; lower left, the simple arrangement of Chevrolet's perfected hydraulic brakes, all models; and, lower right, a Standard sedan.

SELF CULTURE CLUB MEETS WITH MRS. O. E. CONNER

The Empire we call Texas was the subject of the program of the Self Culture Club at a recent meeting at the home of Mrs. O. E. Conner. After the business session, Miss John Alexander, Parliamentarian, gave a discussion of parliamentary rules.

Mrs. Joab Campbell leader, opened the program with a paper on the size and description of Texas. Mrs. Jim West discussed fish and fisheries and the peculiar industries of Texas, were described by Mrs. Jim Williams.

Roll call was answered with a county in Texas.

Plans were made for a service recognizing the Girl Scouts of this community. This organization is sponsored by this Club, and the service will probably be held in one of the churches Sunday.

A committee consisting of Mrs. J. E. Hill and Mrs. Frank Meador, was appointed to draw up resolution of sympathy for Mrs. Thorpe

Parker in the death of her father. Refreshments were served to Mrs. Bill McSwain, Mrs. Palmer West, Mrs. L. M. Hoover, Mrs. West, Miss Alexander, Mrs. Williams, Mrs. Campbell, Mrs. Bill Davis, and Mrs. Reuben Dickens.

WEDNESDAY BRIDGE CLUB ENTERTAINS WITH SUPPER

The Wednesday Bridge Club entertained with a no host supper for their husbands at the home of Mr. and Mrs. C. C. McLaughlin Monday night.

Those present were: Mr. and Mrs. L. L. Baker, Mr. and Mrs. Irby, Mr and Mrs. W. E. Cooper Jr., Mr. and Mrs. C. E. Knight Mr. and Mrs. Elton Smith, Mr. and Mrs. G. C. Crosby, Miss Cleon Dabney and H. L. Richey.

High score was won by Mr. Baker and Mrs. Cooper.

Mrs. Mollie Williams of San Angelo visited in the home of Mr. and Mrs. Luke Thompson last week.

SELF CULTURE CLUB HAVE HALLOWE'EN PARTY

Members of the Self Culture Club entertained their husbands and friends with a Halloween party at the home of Mr. and Mrs. George Williams, Tuesday night. Guests came in costumes and masks and much merriment was created by their weird appearance and guessing the names of each became the general diversion.

After unmasking, appropriate Halloween games were played. These were followed by several games of "42".

The home was decorated in the Halloween colors with skeletons, black cats, pumpkins and witches prevailing.

The refreshments further accentuated the Halloween motif, and favors of black and orange suckers were used.

Guests were, Mr. and Mrs. Jim Williams, Mr. and Mrs. Bill McSwain, Mr. and Mrs. Joab Campbell, Mr. and Mrs. Jimmie West, Miss John Alexander, Miss Chris Enochs, Mrs. Reuben Dickens, Mrs. O. E. Conner and Bill Trotter.

MRS. G. C. CROSBY ENTERTAINS WITH BRIDGE

Mrs. G. C. Crosby entertained her bridge club yesterday. Those present were: Mrs. Seth Ramsey, Mrs. C. C. McLaughlin, Mrs. L. L. Baker, Mrs. W. E. Cooper Jr., Mrs. C. E. Knight, Mrs. A. D. Richey and Mrs. Ed Reynolds.

Guests were: Mrs. D. C. Royster, Mrs. J. B. Sammons, Mrs. Dick Lawhon, Mrs. Cora Miller, Mrs. Ben Hext. Prizes were won by Mrs. Knight for club members. Mrs. Hext won the guest prize. Mrs. Cooper won the cut prize.

Miss Earnestine Crawford of Fredericksburg and Mrs. Linsey Brown of Mason are visiting Mr. and Mrs. G. C. Crosby.

F. B. Gunn and N. P. Wilkinson attended the meeting of Brownwood Presbytery in San Saba this week. They will give a brief report at the Presbyterian Church Sunday.
