NATION'S CHIEF DIES IN SLEEP; HARRY S. TRUMAN TAKES OFFICE

President Roosevelt, the Nation's Chief Executive, and the World's leading citizen, died at 4:35 P. M. (E. W. T.) Thursday of cerebral hemorrhage. The death occurred at Warm Springs, Ga., where the President had gone for a rest. He had been sitting for a portrait, and complained of a headache shortly after noon. He lost consciousness at 2:00 o'clock, and passed away quietly two and one-half hours later.

Vice-President Harry S. Truman was automatically elevated to the Presidency, and was sworn in by the Chief Justice at 6:00 P. M. He stated his intention to carry out the policies of President Roosevelt.

Funeral services for the deceased are to be held Saturday afternoon in the East Room of the White House. Interment will be at Hyde Park, the Roosevelts' home, Sunday afternoon.

Mrs. Roosevelt notified the four sons in the service in this manner:

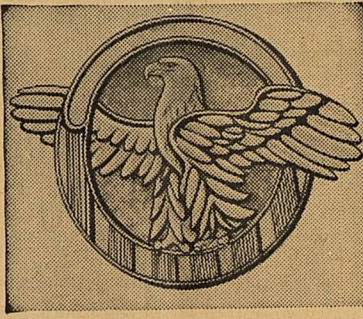

"The President slept away this afternoon. He did his job to the end, as he would want to do. Bless you all and all my love.—Mother". She stated that her greatest regret was for the loss sustained by the nation and the world.

Although he did not live to see the return of peace, the President did survive long enough to receive the report of high Army officials that the war would soon be over in Germany.

As true with every city, town and hamlet in the United States, the citizens of Eldorado feel a great loss in the death of Mr. Roosevelt. The expression of each interviewed was of poignant grief at the passing of this great executive who held the faith of all in his ability to lead the nation in this time of turmoil and stress. History no doubt will name him as one of the world's greatest leaders.

Flags are to flown at half staff Friday, Saturday, and Sunday.

This Means He's A Veteran

When you see this gold-plated lapel button — the dexter eagle within a circle, wings extending beyond the circle's edge — remember, the Disabled American Veterans points out, that the wearer is an honorably discharged veteran of World War II, and maybe disabled. To familiarize the public with the discharge button that plea has been issued by the DAV, chartered by Congress and recognized by government as one of the organizations to which veterans can apply for free information in filing claims. Vivian D. Corby, National DAV Adjutant, in announcing the program, said: "When you see that gold-plated plastic discharge button it means the wearer has seen service in World War II. He may even be disabled as a result of his service and deserves every consideration possible."

OUR SCHOOL OF MUSIC OFFERING SCHOLARSHIP

The Eldorado School of Music is offering a free scholarship to the pupil making the highest grade in the 1945 National Piano Playing Auditions, to be held in the Studio May 19. In case of a tie, the scholarship will be divided equally between the two.

FUNERAL SERVICES FOR FORMER SCHLEICHER CO. DOCTOR HELD

Funeral services for Dr. George Lafayette Lewis, 63, West Texas physician for more than a third of a century, were held last Friday afternoon in San Angelo. Dr. Lewis died Thursday noon in a San Angelo hospital following a heart attack.

The Rev. A. C. Donath, pastor, officiated and he was assisted by the Rev. Finis Williams, pastor of the Park Heights Baptist Church and the Rev. John Mueller, pastor of the First Presbyterian Church, Coleman.

Pallbearers were members of the staff of the San Angelo Medical and Surgical Clinic, of which Dr. Lewis was president and a founder.

Born June 12, 1881, in Mills County, Dr. Lewis attended country schools. His determination to achieve an education was so great that he taught himself Greek, Latin, and Higher Mathematics so that he could pass the University of Texas entrance examination.

He entered the university at Austin in 1900 and graduated from the University of Texas Medical School at Galveston in May 1906. He and Mrs. Lewis were married May 30, 1906 and immediately moved to Eldorado where Dr. Lewis established a general practice. He practiced here for seven and a half years, going to Chicago and New York at intervals to do special work in eye, ear, nose and throat, which was his specialty.

Dr. and Mrs. Lewis moved to San Angelo in 1914.

Friends said Dr. Lewis never refused a patient. Whether or not he could pay made no difference if medical assistance was needed.

Dr. Lewis is survived by the widow; one daughter, Mrs. Blake Duncan, San Angelo; a son, Chaplain Jack Lewis and four grandchildren.

Mrs. A. H. Green and Bobby Ratliff returned Monday from Balingler where they visited with Mrs. E. W. Word and family.

Noted Composer To Be Judge at National Piano Auditions in May

Cecil Berryman of Omaha, Neb., who will be the judge for the National Piano Playing Auditions, sponsored by the National Guild of Piano Teachers, formerly studied in Paris with Wagner Swayne, a pupil of Leschetizky, and was a special student of harmony, theory, solfège, counterpoint, composition and orchestration of the noted Emile Schvartz of the Paris Conservatoire.

Mr. Berryman is a composer of note, and has appeared in concert

abroad, in the east and surrounding states as a soloist with the Omaha Symphony Orchestra, Sandor Harmati, conductor. He has acted as accompanist to well known singers including Madame Emma Calve.

For the past four years, Mr. Berryman has been judge at contests for the National Guild of Music Teachers.

The Auditions will be held in the studio of the Eldorado School of Music May 19.

CLOTHING DRIVE IS PROGRESSING; SCOUTS CANVASS SATURDAY

A good amount of clothing has been turned in at the depot for the United National Clothing drive, stated members of the local committee this week, but more is needed and the public is urged to have your donations tied and boxed on your front porches the coming Saturday, April 14. Scouts will again canvass the town and pick up clothing ready.

Citizens out of town are asked to bring in their donations as soon as possible as an attempt to complete the drive this week will be made.

The fact that clothing must be serviceable and clean, is again stressed, and all types, both summer and winter garments are urgently needed. Shoes must be tied in pairs when turned in.

VISITING IN NEW YORK

Mrs. E. H. Coulter and Mrs. Will McAngus left Thursday of last week for New York, where they will visit with relatives. Mrs. Coulter will go to Schenectady for a visit with her daughter, Miss Wanda Matteson, who is employed there, and Mrs. McAngus will visit at West Hampton Beach, Long Island with M/Sgt. and Mrs. James A. Manning and baby daughter, Diana Jeanne. Mrs. Manning is the former Chrystelle McAngus.

The ladies plan to be gone about a month.

Mrs. Jess Walston and baby daughter are in Temple this week where the baby is undergoing an operation for removal of a cataract from her eye.

MRS. S. D. HARPER REVIEWS "BURMA SURGEON" AT WSCS

Mrs. S. D. Harper reviewed "Burma Surgeon" in connection with the study "Southeast Asia" when the Woman's Society of Christian Service met Monday afternoon at the Methodist church.

Following a short business session, Mrs. F. B. Faust gave the devotional.

Miss Tom Smith was hostess and served cake and coffee to Mrs. Faust, Keno Ogden, Harper, Ben Isaacs, J. F. Isaacs, O. E. Conner, D. E. DeLong, W. H. McClatchey, A. L. Jones, L. Wheeler, A. J. Atkins, members; and Mrs. W. F. Meador and Mrs. C. L. Meador, Jr., guests.

Martha Ellen, small daughter of Mr. and Mrs. E. H. Topliffe, spent two days last week in a San Angelo hospital receiving medical treatment. She is recovering very nicely at her home here.

Jolly Sample, RDM 3-C, nephew of Mrs. T. W. Johnson, and a son of Mr. and Mrs. R. L. Sample of Dallas, has written home about some of the places he has been while serving in the S. W. Pacific area with the U. S. Navy. They include Maumea, New Caledonia, Espirih, Santo in New Hebrides, Guadalcanal, Tulagi, Russells in Solomon Islands; Kinajalein, in Marshalls; Saipan, Tiran, Guam, Nilithi in Carolines and he stated that he saw the Stars and Stripes go up on Mt. Suritochi on Iwo Jima. He was also in a typhoon, which proved to be a very terrible experience, according to his description of it.

SCRAP PAPER DRIVE TO BE HELD IN COUNTY; SCOUTS TO CANVASS

W. M. Patterson, War County Chairman, has announced that a Scrap Paper Drive will be conducted in the county starting the week of April 16.

Citizens of the community are urged to save their paper, and Boy Scouts will have charge of collecting it. Further announcement will be made at a later date regarding a depot for the collection.

It is being brought to the attention of the community that other counties are conducting drives for scrap paper, and as the need for paper is still urgent, Schleicher County will want to do his part as in other drives.

LOCAL CONTESTANTS WIN HONORS IN AREA MEET AT BROWNWOOD

In the Area Interscholastic Meet held at Brownwood last Saturday, all three contestants from Eldorado won honors with Jo Ann Bearce placing in Declamations; Donald Gholston, first in Extemporaneous Speech and Dorothy Jean Neill placed third in Shorthand.

The three contestants will go to Abilene to compete in the Regional Meet, Saturday, April 21.

Mrs. W. A. Davis is in a San Angelo hospital undergoing medical treatment.

NEW ESTIMATE OF HAIL DAMAGE; REPAIR CREWS AT WORK

Total losses paid so far to those whose buildings suffered damage in the recent hail storm, amount to \$6,000.00, according to Jack Ratliff, local insurance agent.

110 claims have been turned in so far, with a probability of very little more, Ratliff stated. He expects a few more losses to be reported later on, but these will be small.

Crews have been at work the past week repairing roofs in the business section and replacing window panes.

V-E DAY PROGRAM PLANNED

According to Gen. Eisenhower, "Anything can happen now." To appropriately celebrate Victory Day, a special service is being planned on that night at 8:00 o'clock following the news of victory in Europe. The service will be held at the Presbyterian church and everyone is invited to attend.

1944 COTTON REPORT GIVEN

The tabulation of the card reports shows there were 1,373 bales of cotton, counting round as half bales, ginned and to be ginned in Schleicher County, from the crop of 1944 as compared with 1,541 bales from the crop of 1943, according to Jack Elder, special agent for Schleicher County.

TEXAS LEADS WAR CHEST DRIVE; SCHLEICHER SECOND IN STATE

Texas Leads Again — In the War Chest publication, The Texan's Share in '44, much publicity is given Texas for her share, which was a leading one, in the War Chest Drive for '44.

The article states: "The Typical Texan — that friendly fellow whose smiling face appears each year on more than eight million pieces of campaign literature and in hundreds of newspapers and other periodicals — has every right to bust his galluses with pride.

"He topped the nation in the 1944 National War Fund campaign!

"The latest report from the National War Fund, dated March 3, 1945, credited the vast Texas campaign organization with an achievement of 109.43 per cent of quota, against a national all-state average of 100.90. Thus Texas tossed an extra \$409,994.69 into the fund for our fighting men, their allies and suffering war victims, the state

being credited with a National War Fund total of \$4,890,385.69 given for war agencies.

"In addition, Community-War Chests and county campaign units raised \$4,941,783.00 for local welfare agencies in combined campaigns.

"Credit for the remarkable Texas feat must be given to careful planning by President Ben H. Powell and other officers and directors of the United War Chest of Texas, to divisional and regional chairmen, and above all, to those unsung heroes of the home battle front, the county and community chairmen, leaders and workers who actually raised the money."

Randall county, with a record of 208.5 per cent, led the state in the percentage of quota reached. Schleicher county was second with a percentage of 178.5.

Truly, we are proud of the Lone Star State, and of Schleicher County.

**Our
WASHINGTON
Letter****CONGRESSIONAL PAY**

We hear a lot these days about
streamlining Congress. We also
hear and read about a proposed
war-time increase in pay for Con-
gressmen. Jimmy Byrnes, Bernard
M. Baruch, Maury Maverick and
others have urged members to hike
their own salaries.

Personally, I don't agree with
them. I shall vote against the pro-
posed increase.

Many seem to forget that there is
still a "line" to be held against the
economic forces that lead to in-
flation.

In the War Stabilization Act of
1942 the President was directed
by Congress to stabilize salaries,
wages and prices, so far as practic-
able, at September 15, 1942 levels,
with adjustments where necessary
to meet "gross inequalities."

Therefore, since present congres-
sional pay clearly is not "gross in-
equality," I can't see how sponsors
of the raise can justify their posi-
tion. If the line against inflation
in wages is to be held, certainly
Congress shouldn't set a bad ex-
ample by breaking that line.

Not that the so-called line hasn't
already been broken. It has been.
Some wage levels have gone sky-
high. Last year John L. Lewis was
permitted to get away with a front-
al assault on the Little Steel formu-
la. And he's fixing to try it again.
And there are others.

But that is even more reason why
Congress should keep its own house
in order and insist that the Gov-
ernment hold the other lines.

IT IS TRUE, as some point out,
that living costs have gone up in
Washington. But that's true every-
where. It's true that in 1925 Con-
gressmen paid only \$50 a year in-
come tax on their \$10,000 salaries,
and now pay \$2,000. But that is
as it should be.

In the 1920's Congress was in
session an average of 197 days a
year; during the last five years its
sessions have averaged 354 days.
But that still doesn't make out a
case for a raise now when the line
should be held.

Past Pay Record

It's interesting to take a look at
the history of congressional pay.
The first Congress voted its mem-
bers \$6 for each day of attendance.
But this was condemned as en-
abling congressmen "to live away
from home, to support a theater, to
drink fine wines."

Then in 1816 the lawmakers
granted themselves a yearly salary
of \$1,500. But the people got after
them about it and the members
rushed in the opening days of the
next congress to repeal the measure.

In 1855 Congressmen began re-
ceiving \$3,000 a year. Ten years
later that was upped to \$5,000.
Then on February 2, 1873, the
House at a late night session raised
members' salaries to \$7,500. This
was called a "salary grab" and a
"midnight raid" on the treasury. So
again at the next session the in-
crease was repealed.

The salary subject then lay dor-
mant until 1907 when the pay was
re-set at \$7,500. The next and
final advance came after the first
World war when in 1925 the an-
nual pay was set at \$10,000.

Speaking of congressional pay
brings up the subject of the cost
of running the legislative branch
of the government. That cost is
really very small in proportion. In
1940, for example, out of every
\$7 spent by the Federal Govern-
ment, only one cent was spent on
Congress.

For that matter, the Office of
Indian Affairs spends more than
twice as much to supervise Indians
as is spent on Congress.

Last year ninety-three and a half
billion dollars were spent by the
Government. Of that sum, 87 bil-
lion was for war and six and a half
billion for non-war purposes. Out
of the latter six and a half billion,
the sum of five and two-tenths
million went to pay Congressmen.

YES, the first is a *trick*, but the second is a
fact—a fortunate fact for you.

By using more and more electricity over the
years, you've helped us reduce the price to a
point where the average family now gets about
twice as much electricity as it did 15 years ago
for the same money.

Keeping the price of electricity pinned down to
the floor in wartime is a much tougher job
than keeping a pin-up girl floating in mid-air!

It takes much more than magic. It takes
careful planning, hard work and good *busi-
ness* management.

LOCAL GIRL HONORED IN CAPPING EXERCISES AT SAN ANGELO

Miss Jane Davis, daughter of Mrs. Flora Kerr, was one of 29 students of the Shannon Hospital School of Nursing who were honored in capping exercises Monday evening, April 2, in the Emmanuel Episcopal Church at San Angelo.

The girls, scheduled to graduate in 1947, are all members of the Cadet Nurse Corps. The capping ceremony indicates that they have successfully completed a nine-months probation period and are now entering the nursing profession.

Mrs. Elizabeth Pratt, director of nurses at the hospital introduced the class and officiated in the capping.

Mrs. Davis attend the ceremony.

Lt. John P. Kelley, son of Mrs. Tom Smith, who is a pilot on a P-37, has the distinguished honor of having led the first bombing mission over the Rhine River in Germany. He is stationed in Belgium and has been overseas about a year.

Lt. Kelley's wife resides in Carlsbad, N. M.

S/Sgt. Abram A. Millar, who was wounded over Germany, Jan. 10, has reported back to his old group at an Eighth Air Force base somewhere in England, according to a letter received from him by Mr. and Mrs. J. B. Montgomery.

S/Sgt. Millar received his promotion from Sergeant to Staff Sergeant recently. He reports that his original crew had finished their missions and all were returning to the states, except the navigator who remained to see Millar complete his tour. S/Sgt. Millar was wounded on his 18th Mission and has 17 more to make.

L. R. Dameron has sold his laundry business to Mr. and Mrs. R. H. Dameron who will continue to operate the laundry at its present location.

Mr. and Mrs. L. R. Dameron are moving to a farm near San Saba.

Mr. and Mrs. Norman Klink and family of Boyd spent the past week end visiting in the home of Mrs. Klink's father, A. T. Smith and Mrs. Smith.

W. Irl Breedlove, editor of this publication, is in a Galveston hospital, where he will undergo major surgery some time soon. His condition at the present, is as well as can be expected.

LT. GEO. RICKER SPEAKS AT M. Y. F. BANQUET

Lt. George M. Ricker of Good-fellow Field, San Angelo, was guest speaker at the third annual banquet honoring members of the Methodist Youth Fellowship group Thursday evening of last week in the basement of the First Methodist Church. The banquet was prepared and served by the Womans Society of Christian Service.

A blue and gold color scheme was carried out in the decorations with blue bonnets and golden daisies placed on the table which was lighted with blue and gold candles in crystal holders. Streamers of blue and gold crepe paper hung from the ceiling and place cards were in the shape of a Maltese cross and were decorated with tiny crosses. Programs were in the form of shields.

Miss Katherine Davis was toast-mistress for the program which consisted of the invocation by the Rev. F. B. Faust, a piano solo by Mary Lillian Ellington, the welcome address by Bill Sam Breedlove, a reading by Jo Ann Bearce, a song by Emily Ann Harper and Patsy Ballew and the address and benediction by Lt. Ricker.

The speaker used as his subject "Lanes" and described a lane as a byroad leading from life, the four most important of which are "Comradeship," "Worship," "Service" and "Love."

There were twenty guests present including Rev. and Mrs. Faust, sponsors and Mrs. W. Irl Breedlove, Councillor.

METHODIST CHURCH ENJOYS FELLOWSHIP SUPPER

About fifty people attended the Fellowship supper Wednesday evening of last week at the First Methodist Church.

E. H. Topliffe, assistant church school superintendent, had charge of the program which opened with a sing-song following the covered dish supper. Mrs. Jerry Pennington directed games, and Mr. Topliffe presided during the Workers' Council. It was voted to have a Fellowship supper each month in connection with the Workers' Council.

Out-of-town guests at the meeting included Mrs. Pearl Penney, sister of Mrs. F. B. Faust, and her daughter, Mrs. A. J. Hobbs of Huntsville, Ala.

W. M. U. MEET IN HOME OF MRS. PERRY MITTEL

God, Man and Missions was the subject of the program when Circle No. 2 of the First Baptist Woman's Mission Union met Monday afternoon of last week in the home of Mrs. Perry Mittel.

Mrs. L. M. Hoover gave a book report and the Community Missions report was made and an offering taken.

An announcement was made to take packages to Mr. R. C. Spurgers to be presented to Mrs. L. M. Spurgers who is ill in a San Angelo hospital.

Mrs. Hoover sent off awards for the Study course and the meeting closed with the benediction by Mrs. Ervin Mund. Those present included Mms. Hoover, J. A. Whitten, Joe Wagley, Fred Watson, W. H. Joiner, Mund, Thomas Baker, Spurgers, Gordie Alaxander, John Alexander and the hostess.
