### W. O. ALEXANDER IS SOUTHWESTERN AGENT 28 YEARS

W. O. Alexander, local representative of the Southwestern Life Ins. Co., this month completes his 28th year of service as their local representative. He has spent all of this time in Eldorado, and writes policies for a large number of customers in Eldorado, Schleicher Co., and neighboring vicinities. He carries on this work in connection with his duties as vice president and cashier of the First National Bank.

With a gain of \$30,983,077 in business, Southwestern Life Insurance Company passed the half-billion mark at the end of the year and now has \$512,701,350 of insurance in force. At the same time, assets increased \$13,418,004 to bring the Company's total to an all-time high of \$122,358,515. The figures were announced this week in the Company's 43rd annual report to policyholders, released by C. F. O'Donnell of Dallas, president.

The 1945 gain insurance in force was the second largest in the Company's history, the report indicated. In 1928, the Company's gain in insurance in force exceeded \$28,600,000, and in 1943 it was more than \$28,200,000. The 1945 gain compares with the record production at the close of 1944, when the gain was \$31,709,407.

Mr. O'Donnell voiced keen appreciation for the policyholders of the Company in this area, and for the agency work of the Company's local representative, W. O. Alexander.

The 43rd annual report of Southwestern Life indicated that the rate of interest earned by the Company during the past year was 3.3 per cent. The market value of stocks and bonds exceeded the book value by \$5,891,273.

The Company continued its unbroken record of having no default in payment of interest or principal on any bond owned by it.

During the war years, Southwestern Life invested more than \$70,000,000 in United States Government securities. "These funds," the report pointed out, "were invested pursuant to the policy adopted with our nation's entry into World War II, to place all new premium money in such bonds."

The Company was chartered in 1903, and operates only in Texas.

### AT BANKERS MEETING

Mr. and Mrs. W. O. Alexander, Mr. and Mrs. Lester Baker and Mr. and Mrs. V. H. Humphrey attended a bankers' meeting in San Angelo last week.

It was a landslide vote for paving and water and sewer extension at the city election Saturday. Eldoradoans voted overwhelmingly for both propositions, as the official vote shows:

For sewer extension	-----225
Against	----- 6
For Paving	----- 226
Against	----- 8

Total votes cast: 243.

Meeting in call session this week, the council canvassed the votes, from the Saturday election. A next step will be advertising for bids on the water and sewer extension program, a project which must be completed before the paving can be done.

While there is a little necessary red tape to unwind before dirt begins to fly, it is generally conceded that the entire project will be well under way by mid-summer, 1946.

**FIRST BAPTIST CHURCH**

It was with a great vision that our father and forefathers planned for the development of our communities and the happiness of those who were to come after. Are we doing our best with the opportunities and blessings that we have received? We are not doing our best if we neglect the religious and Christian heritage that is ours. It has taken great people to bring us thus far, and great people it will take if we are to make progress in the future in the same proportion as has been made. There is no time to let up, for influences that make for the worse never cease to be and are always trying to undermine the best.

We urge all of our people to be constantly on the job for all that is good. Our first obligation is: to make our churches and community better for ourselves and families. We cannot neglect the best and hope for the best to come in the future.

We want all of our men to have part in the Brotherhood organization that meets each first and third Friday night each month, at 7:30. The attendance and interest so far, has been more than expected in our meetings. Men, do not forget to come Friday evening at 7:30. There will be fun, food and fellowship. We will have a special speaker for the evening, as well as our usual program.

Our services: Sunday, Sunday school and worship 9:45 and 11:00 a. m. Training Union and worship 7:00 and 8:00 p. m. Our mid-week service, each Wednesday evening at 7:30. Womens Missionary Union each Monday afternoon. Brotherhood each first and third Friday evening.

We have a place for every family and a department for every member of the family. Will you not come and take your place and be a blessing while you live? It will be too late later.

Your kites are lots of fun, boys and girls, but they must be flown properly if you want to be sure not to get hurt. Maybe it's hard for you to believe, but it's an actual fact that hundreds of youngsters throughout the country are seriously injured every year at kite-flying time, some from falls from trees or off buildings. So please be careful... watch these precautions, especially:

...Don't use string with wire in it... Keep your string dry at all times. (A damp string is dangerous.)

...Don't climb trees or poles near electric wires to recover your kite.

Remember—you can help keep your record for safety of yourself and others at kite-flying time if you'll heed these warnings. Show this advertisement to your friends.

**The Grin that Won a War**  
*DON'T LET HIM LOSE IT NOW!*

HE WENT INTO BATTLE with a smile and a wise crack... he took everything the enemy could throw at him, and suffered in silence when wounded.

We can't let him lose that spirit now. During the endless months of impatient waiting to come home... or the long weeks of convalescing... thoughts may weigh heavily on his mind.

We at home helped him keep his chin up. When he's back, proudly wearing the little gold eagle, emblem of an honorable discharge... will that grin fade? Will that happy-go-lucky smile change to bitterness? The grin that won a global war can win a private one and the Red Cross is ready to help wherever need for its counsel and guidance exists.

Through the long, gruelling years of war the Red Cross reached across the sea and extended a friendly hand to our fighting forces... and those returning home can find in every local chapter the same symbol... the same spirit of helpfulness.

## Methodists Close Today Their Four-Day Retreat

Pastors of the San Angelo district of the Methodist Church went their separate ways after breakfast this morning, Thursday, concluding a 4-day Pastor's Retreat at the Eldorado Methodist Church.

As the purpose of the Retreat was spiritual growth of the pastors the four days were devoted to prayer and group meetings of inspirational nature.

Geo. Baker of San Angelo First Methodist Church, who had attended a retreat for leaders held recently at Albion, Mich., appeared several times on the program. The pastors followed a routine which opened with the rising bell at 6:30 a. m., and closed with the evening service which was followed by the sacrament of silence. An important phase of the general meetings has been the worship center—with a large print of Sallman's Portrait of Christ as background and an altar with open Bible flanked by candles—on the platform, program numbers being given from a point at the right of this center.

Pastors in attendance were:  
 A. R. Vetter, Art.  
 O. F. Kattner, Big Lake.  
 E. P. Neal, Brady.  
 G. B. McCrary, Bronte.  
 L. P. Smith, Carlsbad.

J. W. Medlock, Christoval.  
 Val L. Sherman, Del Rio.  
 Alvin R. Mauldin, Eagle Pass.  
 Grady Peters, Eden.  
 F. B. Faust, Eldorado.  
 W. R. McPherson, Junction.  
 L. K. Brown, Mason.  
 J. H. Estes, McCamey  
 T. M. Mitchell, Melvin.  
 Allen E. Schoff, Menard.  
 Roy B. Shilling, Mertzon.  
 S. M. Bailey, Miles.  
 A. A. Carter, Ozona.  
 D. G. Hardt, Rankin.  
 J. C. Campbell, Robert Lee.  
 J. Virgil Davis, Bethel, Angelo.  
 Geo. C. Baker, Jr., First, Angelo  
 LeRoy Russell, First, Angelo.  
 C. E. Bludworth, Trinity, Angelo  
 C. R. Brewster, Sonora.  
 E. H. Lovelace, Sterling City.  
 H. B. Day, Veribest Circuit

Two pastors, L. K. Brown of Mason and B. L. Sherman of Del Rio, were called home because of congregational duties before the Retreat closed.

The group expressed their appreciation to the hostess church and its pastor in a concrete way by presenting the Sallman Portrait of Christ to the church as a gift. It had arrived in Eldorado preceding the opening of the meeting and was on the platform for last Sunday's service.

## PRESBYTERIANS HONOR RETURNED WAR VETERANS

Honoring returned service men, the Presbyterians served a banquet in the church dining room Friday night, about 100 attending.

Honored guests were James and Wilson Page, Billy McCravey, Billy Oglesby, Jack Jones, James Simpson, Billy Wilton, John S. Williams, Ebon Nicks, Jack Shugart, Loyd Spurgers, Billy Frank Meador and Billy Bridgeman.

A devotional service, led by the pastor, Rev. J. A. Carriker, was held in the church auditorium at 7:00, after which a turkey dinner was served by the women of the church.

H. T. Finley, Master of Ceremonies, gave a welcoming address, which was followed by a song fest, with W. M. Patterson leader and Mrs. James Page as pianist. Joe Kreklow rendered several piano numbers.

On behalf of the church, Rev. Carriker presented a book, Maxwell Drake's "Goodbye, G I," to each of the boys.

Games and contests, featuring baby pictures of the service men, an elopement, and other events, followed the program. A popular game was proposal of marriage by the women, Mrs. Joe Kreklow winning the most acceptances, with several others ranking a close second.

### Maple Sugar

Maple sugar has the same chemical composition as cane or beet sugar; the maple flavor resulting from the presence of certain chemical compounds. Sugar is produced in the leaf and stored in the roots as starch in the wintertime. Early in the spring the starch changes to sugar, which is carried in the sap up through the trunk, where it becomes available to the sugar worker.

### Mixing Vegetables

Vegetables, canned or fresh, can be mixed with gratifying results, say the nutritionists. There is the familiar succotash—corn with lima or snap beans; tomatoes can be combined with corn, peas and rice, okra, snap beans; there is the old standby, peas and carrots, as well as such combinations as tomatoes and celery, corn with onions and green pepper, tomatoes with egg plant, cauliflower, or onion, and potatoes in tomato sauce.

They need your Red Cross today —and for many tomorrows!

THEY lie in hospitals, thousands of our finest—sick, cruelly maimed. Who is to write their letters, hear their troubles, answer when they call for "Mom"? Mom can't be there. But your Red Cross can, and must be there. Many thousands more Americans, still overseas, must count on the Red Cross for comfort and cheer. So won't you give to the Red Cross? This is your chance to say, "Thanks, Soldier, for all you've done!"

YOUR Red Cross MUST CARRY ON ... GIVE!
