NUMBER 9

Grass Mixture Seeded In Curly Mesquite Sod

A trial planting of a mixture of grass on curly mesquite sod was made on the Clyde Vinson ranch, two miles northeast of Eldorado, Thursday and Friday of last week. A special plow and grass drill supplied by the Soil Conservation Service was used.

Several local ranchmen who were interested in this type of planting were present. They expressed the need for a considerable amount of this type of planting in the district if it proves to be successful.

Approximately four acres were seeded to a mixture of sidecoats grama, King Ranch bluestem, Lehmann's lovegrass, weeping lovegrass, and green sprangletop. This planting will serve as a cooperative field trial with the soil conservation district and the Soil Conservation Service in an effort to find a practical method of getting more palatable and higher producing grasses growing in a dense sod of curly mesquite.

J. C. Ebersole, agronomist for the Soil Conservation Service, explained special features of the plow designed to make alternate pits in rows of the dense curly mesquite grass. The plow was made by taking a one-way plow and setting every other gang bolt hole of every other disc approximately two inches off center which would give alternate pits in the rows.

The grass seed drill which was used after the pitting was done could be regulated to plant at depths of less than one inch and assure packing of the soil over the seed. Both points are essential in obtaining a stand under these adverse conditions, Mr. Ebersole said. The drill is also capable of planting any size grass seed one would want to plant, he said.

Other points of significance in this type of pitting and planting are: almost any type of disc plow can be converted to do the pitting, due to the staggered nature of the pits it is not necessary to stay on the contour to hold the moisture, and the pitting rather effectively controls competition from both perennial and annual plants.

Some of the grass mixture was seeded by the grass drill without the use of the pitting machine in order to see the advantages of pitting over non-pitting.

Giles Asks Expansion Of Vet Land Program

Bascom Giles, commissioner of the General Land Office and chairman of the Veterans Land Board, Tuesday issued an "informal memorandum" to the 51st Legislature calling attention to the necessity of expanding the \$25,000,000 Veterans Land program at the next regular session.

"Within a very short time," Commissioner Giles pointed out to the legislature, "we will have received a sufficient number of applications to fully obligate the total \$25,000,000 authorized by the constitutional amendment. But only approximately 5,000 veterans will have been taken care of, when many times that number desire to participate in the program."

"While we are processing an average of ten applications a day," Giles added in his prepared statement, "we are receiving new applications at the rate of 20 per day. Of the 4,700 applications received, most were signed for only a 90-day period. It was, therefore, to be expected that many options expire unless the sellers were willing to stand with the veteran and with us."

He described the personnel of the Land Program, of which Alvis Vandygriff is secretary, as consisting of "10 appraisers, 2 attorneys and 15 clerks, stenographers and typists."

"Our incoming mail is averaging approximately 200 letters per day," he stated, and most of these letters require personal attention."

Listing the program's progress to date, Giles said that 1,600 farms and ranches had been appraised with approximately 72 per cent approved for the contract price. 500 purchases had been completed at an average price of \$5,750, an average of \$52 per acre including improvements.

"Due to the heavy back log of applications and our limited staff," Commissioner Giles pointed out, "the time necessary to process an application filed at this time is at least 200 days."

E. H. S. Class of '44 Has Reunion Here

Members of the class of 1944 of the Eldorado high school met here Saturday for a reunion. The group were entertained with an open house at the home of Mrs. Carrol Ratliff, their home room teacher at the time of their graduation, and then went to the memorial building for a barbecue supper and dance.

In addition to several class members from this county, those present included Mr. and Mrs. Tom Potter of Corpus Christi, Mrs. Max Henry of Fort Stockton, Mr. and Mrs. Floyd Spurgers of San Angelo, Mr. and Mrs. Earl Yates of San Angelo, Mr. and Mrs. Robert McElroy, Tom Enochs of San Angelo, and Mrs. Dale McIntyre of Pontiac, Mich.

Welfare Ass'n Elects Officers For New Year

New officers were elected when the directors of the Schleicher county Welfare Association met Wednesday, Feb. 15, at the memorial building.

Mrs. Kenneth Cheek was elected president. Other officers are: Ray Hudgens, vice president; Mrs. Edgar Spencer, secretary; Mrs. Arthur Mund, treasurer; Don McCormick, chairman of investigating committee; and Palmer West and Bill Rountree, members of investigating committee.

The Welfare Association was formed a year ago to do away with the overlapping committees from the different churches, clubs and other organizations, the door to door collections, the subscription methods, and the continual calls upon ministers of the town.

Delegates from churches, clubs, lodges and other organizations of the county make up the list of directors for the association. The investigating committee determines the actual need of reported cases. Local cases have preference although the board has taken the attitude that it is better to assist some needy transients than to allow them to remain and become local problems.

Two annual drives have been held to raise funds for the work, and over \$600 was collected, it was reported. About half of that amount has been spent on nine cases in the past year. Local cases have been helped by the purchase of medical supplies, clothing and groceries. Transients were given food, gasoline, and in one case, minor car repairs.

It is hoped that the county association will become widely accepted and supported and that the main burden of public welfare will be taken care of by the association instead of individual groups.

At the meeting it was pointed out that money which is donated to the San Angelo community chest, although a worthy organization, does not benefit the local association or Schleicher county citizens.

Directors and the groups which they represent are: Palmer West, Methodist church; Mrs. Kenneth Cheek, Baptist church; Mrs. J. E. Spencer, P. T. A.; Mrs. Arthur Mund, Woman's Club; Don McCormick, American Legion; Ray Hudgens, Lions club; Mrs. Bailey Montgomery, OES; Bill Rountree, Masonic Lodge; Mrs. Ed Hill, DAR; Marvin McAngus, fire department; Mrs. Archie Mittel, Bailey Ranch Baptist church; Mrs. Leslie Baker, Presbyterian church; Mrs. Grover Lee Johnson, Junior Woman's Club; Lum Davis, West Side Church of Christ; and Driscoll Christian, Rock Church of Christ.

CAR LICENSES SELLING SLOWLY AT COURT HOUSE

From the office of the tax assessor-collector comes the report that this morning, Thursday, a total of 160 licenses for passenger, farm and commercial vehicles had been issued. This is only a small percentage of the 1950 total for the county, as owners have the remainder of the month in which to buy their new license plates.

All who wish to buy their new license plates are asked to bring along the certificates of title from the past year, as these must be submitted before the new license plates can be issued.

ALPINE BANK SHORTAGE IS REPORTED

The First National Bank of Alpine reported a shortage Wednesday of \$100,000 to \$200,000 in its funds.

Both Sheriff Jim Skinner and Bank President George Bains blamed the shortage on a cashier who committed suicide early last month. Auditors from El Paso discovered the shortage.

John Clanton, cashier at the bank, was found dead of gunshot wounds on Feb. 3. His death was ruled a suicide. Clanton came to Alpine from El Paso 17 years ago.

Bains said this shortage was immediately restored. The bonding company which had put up Clanton's bond covered \$100,000 of the missing funds and bank directors put up the rest, the bank president said.

"There's no doubt that Clanton was solely responsible, and that he had no confederates," Bains said. "No legal action of any sort is possible now."

Mr. and Mrs. Bert Page were in Dallas last week to visit Mr. and Mrs. Paul Page and baby son.

Pack Meeting Held For Cubs, Parents On Monday Night

Cubs, their directors, other officials and a number of parents attended a pack meeting held for Schleicher county youths Monday evening at the Memorial Building.

The meeting opened with a buffet supper, after which films were shown of Cubbing activities and games were played. Those assisting with the evening's activities included Farris Nixon, Frank Prochaska, and Clovis Taylor, directors, and Grover Lee Johnson, Cubmaster. The group discussed the next program and an urgent invitation to all parents of Cubs to attend future meetings was extended.

Present in addition to Cubs, and the adults mentioned above, were Mrs. Frank Prochaska, Mrs. Jess Walston, and Mrs. Lawrence Steen, den mothers; Mrs. Grover Lee Johnson, Mrs. Clovis Taylor, Jess Walston, Mr. and Mrs. P. B. Griffin, Mrs. Farris Nixon and Sandra, Mrs. Truett Stanford, Mrs. A. E. Kent, Mrs. Jerome Mitchell, Mrs. Ferrin Holcomb, Mrs. George Fry, Mrs. R. H. Blaylock and Mrs. Fred Watson.

Motor Vehicle Tax Gets Small Boost

The tax assessor-collector has received the following self-explanatory telegram concerning the new tax on motor vehicle sales:

"The omnibus House bill number three article six, acts special session fifty first Legislature, levying an additional one tenth of one per cent tax on motor vehicle sales becomes effective March first 1950. Therefore you must begin collecting a tax of one and one tenth per cent on each sale as of March 1st instead of one per cent. Letter follows.—Robert S. Calvert, State Comptroller of Public Accts."

Remodeling Starts At Parker Foods, Inc.

The beginning of what promises to be an extensive remodeling job, is getting under way this week at Parker Foods.

Two new "islands" and new checking counters have been moved in and others will arrive and be installed in the next few days. As new equipment arrives, the old pieces are unloaded and moved out, and the new pieces are set into place and stocked, without interruption in the regular flow of trade. It is understood that the job will include all new "islands," new shelving, new tile floor and perhaps new windows.

Edna Ann Finley and a girl friend from SMU will be here this week end to visit home folks and attend the Fat Stock Show at San Angelo.

Halbert Announces For Commissioner Of Precinct No. 1

A. J. Halbert, resident of Schleicher county for many years, this week authorized the Eldorado Success to publish his name as a candidate for county commissioner of precinct No. 1.

This post is now being held by Edgar Spencer, who declares that he will not be a candidate for reelection. The announcement of Mr. Halbert now provides one candidate for each of the commissioner precincts. All of them, so far, are without opposition.

Mr. Halbert states that he has lived in the county for 25 years and is well known to the voters. "If elected," said he, "I will do my best to make a good commissioner and work harmoniously with the other county officials. I especially believe in good roads for the entire county... and I will appreciate your support and influence in this race."

Schleicher Wildcats May Be Abandoned

Both of Schleicher county's wildcats seem this week to be scheduled for abandonment.

In J. S. Abercrombie of Houston No. 1 E. M. Wahlenmaier and W. F. Meador, no shows have been encountered in the Ellenburger, which was topped at 7579 feet. Drill stem testing had been from 8065 to 8197 feet. This test is 11 miles northwest of Eldorado.

The E. H. Wahlenmaier and Morgan Aikman & Co. No. 1 Pat Jackson and Wren Jackson, in the northeastern part of the county, showed no porosity in the Ellenburger, topped at 5602 feet. Contract provided for drilling 300 feet into the Ellenburger.

Trigg Motors Gets 4-Letter Ford Award

The coveted four-letter award which Ford Motor Company is bestowing on qualifying Ford dealers was in possession today of Charlie Trigg Motors.

Presentation of the handsome certificate, which signifies the highest badge of distinction a Ford dealer can earn, was made by H. E. Paulus, service representative, Ford Motor Co., Dallas.

The four letters — FMSF — represent the high Ford dealer performance level that must be earned, and also stand for the new Ford challenge, "Ford Must Stand First." Dealer recipients must match their individual dealer operation with the company's four key franchise essentials: Sound finances, efficient management, competitive spirit, and modern facilities.

Mumps cases reported include Sylvia Ann Isaacs, Mary Yvonne Griggs and Jack Mund.

Eagles Lose Out In Regional; Basketball Season Completed

Volley Ball Girls Win First District Games

In their first district game, played with Sonora Friday night, the Eldorado volley team won 3-2, Verna Dell Owens was high point man with 12 points.

Others making points were: Mary Griggs 9, Ebba Blaylock 5, Mary Thompson 4, Nila Barclay 2, and Irene Sudduth 1.

In the B team game Eldorado was defeated 3-2. Grete Mund with 7 points was high point man. Other points were: Jerry Henderson 2, Margie Hinton 1, Laura Clark 6, Ebba Blaylock 3, Nelva Bolt 1, Laura Holcomb 4, and Iretta Mace 1.

Both Eldorado teams won when Big Lake played here Tuesday night. Eldorado's A team beat Big Lake 30-27, with Mary Thompson high point man with 12 points.

The B team defeated Big Lake 35-28, Ebba Blaylock and Nelva Bolt each made 7 points.

The next district game will be held tomorrow night, Friday, in Ozona.

Eldorado Band At Brady Festival

Eldorado high school band, C. F. Jones conductor, will participate in the second annual Brady band festival and clinic to be held in Brady on Saturday, March 4. The clinic is sponsored by the Brady Junior Chamber of Commerce. Douglas Fry, director of the Brady high school band, is general chairman and host.

Other competing bands include those from San Saba, Santa Anna, Coleman, Comanche, Iraan, Lakeview of San Angelo, Eden, DeLeon, Burnet, Schulenburg, Ballinger, Junction, Menard, Mason, Eastland, Richland Springs and Llano.

The host band, winner last year and also at Del Rio this year, will participate, but will not compete.

Mr. Fry and Dr. Harry C. Priess, president of the Jaycees, state that all responses have been enthusiastic. They further state that every effort is being made to assure a constructive program and to assure each and all a cordial welcome.

Some of the best known experts in Texas have been obtained as judges and clinicians for the event.

The following program has been announced for the day's activities: 8:00 A. M.—12:45 P. M.—Concert playing at the Brady high school auditorium. Each competing band to play and be judged on one march and one overture.

1 P. M.—2 P. M.—Concert by the St. Mary's University Band. Brady high school auditorium.

2 P. M.—3:30 P. M.—Clinics at Brady high school. Clinics to be held in reeds, double reeds, brass, French horns, percussion and twirling.

4 P. M.—5 P. M.—Downtown parade and mass concert on the plaza. All bands will play as a unit in the mass concert.

Immediately following the mass concert, trophies will be awarded the winning bands in class A, class B and marching.

The public is invited to the concert playing and the college band and also the parade and mass band.

SINGING SCHEDULED FOR SUNDAY AFTERNOON

The community singing will be held Sunday, Feb. 4, at the memorial building at 2:00 p. m.

Mr. and Mrs. Nolen McDonald attended a singing in San Angelo Sunday afternoon.

With the defeat of the Eldorado Eagles basketball team in the regional tournament held in Brownwood, the basketball season in the local school ends.

The Eagles lost 46-36 to Burkett in first-round play in the regional tournament during the week end. Bill Jones was high point man with 11 points, followed by Biggs with 8. Burkett went on in the tournament, and was defeated by Early high school of Brownwood 51-46 in the finals.

Lettermen Announced
Coach Bud Hopkins is announcing the names of basketball lettermen this week.

The following list includes the name of the player, the number of points he has scored this season, and his classification. Two juniors will not be eligible to play next year since they will be over the age limit.

Lettermen are: Bill Jones, 250, Sr.; Chester Biggs, 202, Sr.; Jimmy Woodward, 189, Jr.; Gerald Hicks, 131, Jr.; Glenn Biggs, 127, Jr.; E. H. Nixon, 58, Soph.; Joe Ed Spencer, 40, Jr.; Gordon Hamm, 38, Jr. (last year); Earl Dean Clark, 36, Sr.; James Alexander, 24, Jr. (last year).

Three other boys scored a total of 13 points, making the grand total for the squad 1,108 points against their opponents' 748 points. The Eagles have won 22 games and lost 6.

Basketball Games To Benefit Eagles

Two benefit basketball games are scheduled here during the next week. Admission of 35c and 15c will be used to buy new uniforms for the Eagle basketball team for next year.

Tonight at 7:00 there will be a game between the Eldorado All Stars and the Eldorado Slow Pokes. These teams are made up of college boys and former high school students. At 8:00, the Eagles will play the graduating seniors.

A fast game is promised next Tuesday night, when the Eagles, champions of district 24B, play the Lions club. Lineup for the Eagles will be the same as usual during the season. Wilson Page will be captain of the Lions club team, and others playing will be Herman Hopkins, former NTSC star; C. A. Reynolds, former ACG star; Charlie Triggs, Ray Hudgens, Ray Tisdale and Ted Kirby. This game will begin at 8:00.

Also scheduled for next Tuesday evening is a volley ball game with Sonora here. The B team will play at 6:00 and the A team at 7:00.

The winner of the Eagles-Lion game will play the fire department. A definite time has not been set for this game.

Building In Texas Shows Some Increase

Building activity in Texas, as measured by the dollar value of permits issued in 47 Texas cities, increased sharply in January 1950 from January 1949.

January permits amounted to \$46,608,949, a 31-per-cent gain from permits granted during the previous month.

Permits more than doubled their January 1949 records in 25 Texas cities. The largest percentage increases were presented by Lamesa, Sweetwater, Kenedy, Texas City, Kerrville, Denison, Midland, San Angelo, Lubbock, Amarillo, McAllen, Corsicana, Laredo, Palestine and Pampa.

Guests in the L. L. Kinser home Sunday were Ernest Ellis and Miss Nettie Allen, of Sonora.

Morrison Ingenuity Produces Plow To Work Through Solid Rock, Start Pipe Line Off in Hills Toward Menard

A plow that plows through solid rock is the latest attraction in the way of Morrison Construction equipment as the digging enters the rocky hills between Eldorado and Menard.

One of the most interesting things about the plow is the fact that the welders made most of it. It is pulled by a powerful TD24 tractor, the tractor levers operating both tractor and plow. The plow was first put into operation about three miles from the railroad tracks and is now steadily on its way toward Menard.

Street talk indicates that the crew themselves, from lowliest employee to high-ranking of-

ficials, are all so interested in the machine that they are taking every opportunity which presents itself to see it in action.

It is the first equipment of its kind seen in this part of the country and is an example of the resourcefulness of construction employees, who can truthfully say, "Oh, that little number? We made it ourselves in our own shop!"

Humble's new 18-inch pipe line will go from Kemper to San Satsuma, near Houston, on the Gulf.

Many of the families who follow the construction work are still in Eldorado, and some have already moved to Menard.

Every day someone meets disaster face to face!

LAST YEAR again tornadoes, floods, fires, hurricanes took their toll! There were hundreds of disasters in all! Horrible? Yes! But almost as fast as disaster struck, your help was on its way through your Red Cross. Emergency and rehabilitation aid for 228,500 persons!

Disaster will strike again this year... and your Red Cross will be needed quickly... desperately! Give... so that your Red Cross can keep on helping!

You, too, can help through Your RED CROSS

Mrs. Jo Ed Hill Is Shower Honoree

Mrs. Jo Ed Hill was honored at a stork shower Saturday afternoon, February 18, at the home of Mrs. Jack Jones. Hostesses were Mrs. Jack Jones, Mrs. S. E. Jones Jr., Mrs. E. C. Peters, Mrs. Billy McCravey, and Mrs. A. G. McCormack. The guests played several games, and presented the gifts to the honoree in the form of a treasure hunt.

Cokes, open faced sandwiches, olives and cookies were served from the refreshment table which was decorated in white and pink and centered with a bouquet of spring flowers.

Out-of-town guests present included Mrs. Gene Horton and Mrs. Fred H. Barney of Fort Worth, mother of the honoree and hostess respectively.

YOU can depend on us for a good wash and grease job on your car. We're well equipped for the work. —Shaw's Gulf.

Mrs. Minnie Gage of San Angelo was a week end guest in the home of her sister, Mrs. L. T. Dannheim.

Mr. and Mrs. Ernest Casey and son visited his parents, Mr. and Mrs. Frank Casey, at Barksdale Sunday.

Church of Christ Has Singing, Party

Members of the West Side Church of Christ held their regular Friday night singing at the home of Mr. and Mrs. Aaron Steward last week. An hour's singing was followed by a surprise birthday party honoring M. J. Cunningham who is leaving to spend the month of March in work in California.

Cake, nuts, mints, cocoa and coffee were served to the following guests: Mrs. W. F. Edmiston Sr., Mr. and Mrs. Arch Edmiston, Mrs. Annie Craig and Marianne, Mrs. Will McAngus, Mrs. R. A. King, Mrs. O. T. Murr and Davis, Mr. and Mrs. A. W. Keys, Mr. and Mrs. C. B. Sudduth, Mrs. Lillian Rodgers and Ann, Mr and Mrs. W. C. Doyle and Betty Mae, Bill, Mimi, Peggy, Wanda and Bonnie McAngus, Mr. and Mrs. Bob Faught and Barbara and Marlene, Mr. and Mrs. Vernal Sudduth and Myrl, James Logan, Fred Thomas Gillaspay, Mr. and Mrs. E. E. Newlin, Mrs. E. H. Sweatt, Mr. and Mrs. Lum Davis and Jan, Mr. and Mrs. E. B. McCown and Judy and Dinah, Mr. and Mrs. R. A. McDonald, Mr. and Mrs. James Williams and Jimmie and June, Mr and Mrs. Will Doyle and Joan, Mrs. Ruby Dameron, Mrs. W. C. Parks and Donald and Gary, Cecil Newlin, the honoree, and the hosts and their three sons.

YOU'VE A DATE WITH SPRING

— and your Buick Dealer

YOU read it on the calendar—and you feel it in the air.

Spring—and the outdoors calling—and that lively jubilation that comes with winter's passing.

And nowhere is the spirit more in evidence than at your Buick dealer's.

For it's Spring Jubilee time with Buick. Time to trot out and show off all the gay and brilliant beauties of his 1950 line.

Time for you to sample, in proper setting, all the new life and brilliance of Buick valve-in-head straight-eight power—time for you to meet the greatest cure for spring fever known—the easy, effortless, mile-mastering stride of a Buick under your command.

There are wonderful things for you to look into:

A Riviera at Sedan prices. Two-door Sedanets, four-door Sedans in a wide range of power and prices. Convertibles, Estate Wagons, a Coupe—cars for every taste and practically any budget.

There are even gay new spring colors to help you meet the season in proper garb. And of course, if you haven't yet done so, there's Dynaflo Drive* for you to meet and sample.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Yes, you've a date—right now—to meet spring at your Buick dealer's. A date not only to see pleasant things—but to hear pleasant news as well.

For Buick prices are something to jubilate about too. They start just above the lowest bracket—and they are accompanied by very easy-to-take arrangements as to the "deal."

How about today—at latest tomorrow—for keeping your date with your Buick dealer?

Features like these mean BUICK'S THE BUY

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • DYNAFLOW DRIVE standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series • WIDE ARRAY OF MODELS with Body by Fisher

TELEPHONE TALK and TAXES

In spite of its day-in-day-out usefulness, the Federal Government insists on taxing telephone service as much as 25%. This is higher than the 20% tax on luxuries.

Long distance calls costing 25c or over are taxed 25%. The Federal tax increases the cost of local service by 15%. Other forms of telephone service are taxed from 8% to 25%. This excise tax is imposed directly upon you. Your telephone company, at its own expense, acts as a tax collector.

These excise taxes are in addition to corporation income taxes and other taxes which the company pays to the Federal Government either directly or indirectly.

We are sure that your Senators and Representatives in Congress would welcome your views on this continued peacetime tax of a necessity.

News From Our Neighbors

Conservation District Approved

In an election held last Saturday, proposing the creation of a soil conservation district, embracing lands in Reagan and Irion counties, voters of the two counties favored the proposal 74 to 14, it was learned in an unofficial report from Billy Boyd, election judge. Mr. Boyd stated that the State Soil Conservation Board of Texas will release the official information concerning the election and will also announce details relative to the new district which will be known as the Middle Concho Conservation District.

Those voting in the election were eligible voters holding title to ranch and farm lands lying within the proposed district. Fifty votes, favoring the proposal with none against, were cast in Reagan county. There were 24 for and 14 against polled in Irion county. — Big Lake Wildcat.

Park Dedication Set

Dedication of the Big Bend National Park has been definitely set for Wednesday, October 11, 1950, according to word received from Congressman Ken Regan.

Elaborate preparations for the dedication ceremony are already under consideration by committees in towns of the area. Special efforts will be made to expedite road construction to handle the expected crowds.

There were 65,000 visitors to the park during 1949 which is approximately double the figure of 1948. An even greater number of visitors is anticipated for this year. — Sanderson Times.

"Millionaires' Town" Echoes

Besides a lot of conversational material, in which those who did and those who did not like the article express their opinions, the Saturday Evening Post article on "Ozona — Millionaires' Town" which appeared in the February 18th issue of the national magazine has brought a flood of mail to the Ozona postoffice.

Ozonans whose names were mentioned in the article are receiving "fan mail" from all over the continent—from former Ozonans who express pride in the recognition given their former home town, from persons seeking employment that they might move to the "fabulous city" and from various degrees of "screwballs" from all over the world. —Ozona Stockman.

Buys Sonora Business

J. E. (Jim) Branscum, Marfa businessman, is the new owner of the Western Auto Associate Store, Louin Martin, former owner, announced Wednesday. Martin said the new owner would take over soon after March 1, when he returns from a Western Auto school at Wichita, Kansas. —Devils River News, Sonora.

Highway Loop Sought

A business loop to provide convenient access from the new Sanderson highway, soon to be under construction, to the downtown business district will be sought by the Fort Stockton community in cooperation with the Texas Highway Department.

Pecos County and the City of Fort Stockton, joined by civic groups such as the Fort Stockton Lions Club and Pecos County Chamber of Commerce, plan to send a delegation to Austin in March to appear before the Texas Highway Commission to request designation. — Fort Stockton Pioneer.

Store Extra Eggs In Home Freezer

Right now eggs are plentiful and compared with other high protein foods, they are a good buy. The homemaker who is hunting bargains in food and has the freezing and storage facilities will be wise to take advantage of the present situation.

Eggs can be stored in the home freezer or freezer locker for six months or more and still be as good as fresh eggs. Only clean eggs should be used, for dirt from dirty shells may drop into the eggs during the breaking process and spoil the keeping quality. The fresh clean eggs should be broken into a clean bowl then mixed thoroughly but do not whip in air. Fill moisture, vapor-proof containers with the egg mixture and they are ready to freeze and store.

If the yolks are separated from the whites and frozen separately, you'll want to use corn syrup, sugar or salt to prevent a gummy condition. For each cup of yolks, add one tablespoon of syrup or sugar or one teaspoon of salt. Mix thoroughly and use the same type of containers as recommended for the whole egg mixture. Whites frozen separately need nothing added and no mixing. Homemakers should remember that the egg is one of the most valuable of foods, for it has high nutritional value. The mild, delicate flavor, availability and the versatility which can be used in cooking eggs add to its advantages as a food.

It is well to compare the price in relation to the amount of food value. Large eggs weighing 24 ounces to the dozen contain 1 1/2 pounds of protein-rich food, and if these eggs sell for 60 cents per dozen, you are really paying only 40 cents per pound for protein-rich food.

"Not forsaking the assembling of yourselves together"—Heb. 10:25

Worship With THE WEST SIDE CHURCH OF CHRIST

SERVICES SUNDAY 11 A. M.; 7:00 P. M.

WEDNESDAY 7:30 P. M.

Come, let us reason together. . ."

The Blood of Jesus Christ

1 Jno. 1:7

Throughout the centuries man has lived here upon this earth, blood has played an important part in his life both religiously and secularly. We have heard of heathen people who have slashed their wrists with knives in order to spill each others blood, thus, as they believed, making them blood brothers. Then all Bible scholars are familiar with the animal sacrifices made by the children of Israel, God's chosen people, in which the blood of bulls and goats was shed. From the very beginning of time this was the rite of God as practiced by his people and was the only sacrificial offering accepted by him. Read Genesis 4 in which is recorded God's denial of Cain's sacrifice of vegetable goods but His acceptance of Abel's animal offering. Thus God's people lived up to the time of Christ offering sacrifices once each year in order to have their sins "forgiven" until the end of the year.

Now we read in Heb. 10:4, "FOR IT IS NOT POSSIBLE that the blood of bulls and of goats should take away sins." Therefore the sins of Israel were not taken away by the blood of their animal sacrifices. Yet again we hear, "... without shedding of blood there is no remission of sins." Heb. 9:22. If the blood of bulls and goats cannot take away sins, yet there must be the shedding of some kind of blood before remission of sins can be enjoyed, we ask, what blood CAN take away our sins? Our answer comes from 1 John 1:7 which states, "... the blood of Jesus Christ his Son cleanseth us from ALL sin." Evidently then, the only kind of blood today or anytime which can take away sins is the blood of Jesus Christ our Lord.

In the event that all denominations and others readily admit that one must come in contact with the blood of Christ before they can have their sins remitted, (forgiven) we ask where is the blood? Would one say that it is in the world and all one has to do is reach out and take it? No, that isn't true. We know that Christ is in the Kingdom, his blood is also, yet his "Kingdom is not of this world" (John 18:36) hence his blood is not in the world but in the Kingdom. Acts 20:28 tells us, "take heed therefore unto yourselves, and to the flock, over the which the Holy Ghost hath made you overseers to feed the CHURCH OF GOD which he hath purchased with his own blood." Christ purchased the church with his blood. If I should buy a car with \$1,000, every penny of that money is in that car. If I receive any benefit from that money, I must get it from that car. Christ put every drop of his precious saving blood into the Church he built. CHRIST'S BLOOD IS IN THE CHURCH. Therefore friends if we expect to receive the benefit from Christ's blood, which is forgiveness of sins, we must get it from and through the Church.

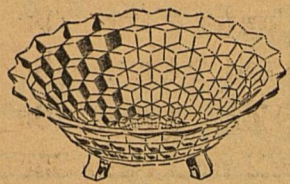

Let no one tell you that remission of sins is outside the church. The blood of Christ is in the church, "The blood of Christ cleanses us from all sins." Those who would be saved by the Blood of Christ must get it through the Church and by being added to the Church. Acts 2:47. Remember: "... without shedding of blood there is no remission of sins." "the blood of Jesus Christ his Son cleanseth us from all sin," "Christ blood is in the Church, Acts 20:28, hence salvation is in the Church and no where else.

Government Issues New Cook Book

By Cong. O. C. Fisher
The Department of Agriculture has just made available a brand new cook book called FAMILY FARE, food management and recipes. It offers a selection of more than 200 recipes from mainstay to special dishes. The cooking principles are modern—designed to conserve the nourishment as well as the appetite appeal in foods. While I haven't found any modern recipes that can compare in taste and appeal with the old-fashioned dishes of our mothers and grandmothers, the new publication claims to have some good advice on food planning so as to provide meals that contain the nutrients in the quantities that different individuals need, sections on food buying, storing, measuring foods and menu ideas.

This new publication sells for two bits, but each Congressman has been allotted an initial supply for free distribution. If you are interested, please let me know and your request will have prompt attention.

While I am referring to available publications, I have a limited number of pamphlets entitled: "100 Things You Should Know About Communism." This issue is very interesting and easy to read. If

you are interested in a copy of this, please let us know.

Prisoner of War Claims

It has now been determined that our World War II veterans who were prisoners of war shall be paid a dollar a day for each day they were in prison. The payments are being authorized because at no time was sufficient food provided by either the Germans or the Japanese as required under the terms of the Geneva Convention of 1929.

Rather than attempt the difficult task of figuring out how much food the prisoners in each camp were short-rationed, the War Claims Commission has established the "single yardstick" of one dollar for each day a prisoner.

In the event the prisoner died in camp or since, payment will be made to his widow, his parents, or his children, in that order. The deadline for filing claims is March 1, 1951. Application blanks may be obtained at any Veterans Administration office or by writing your Congressman.

PROGRAM AT SONORA

The Sonora Music Club will present Sorantin, noted violinist, March 10, and urge the attendance of any who are interested in hearing this well-known performer.

School Men of Texas To Ask Settlement Of Tidelands Case

Three hundred Texas school administrators will invade Washington March 3 to tell Congress and President Truman the history of Texas tidelands and why they should remain the property of the Texas public school fund.

Charles H. Tennyson, executive secretary of the Texas State Teachers Association, who announced the Washington trip, said that it would be made at the conclusion of the annual meeting of the American Association of School Administrators in Atlantic City which the Texas delegation will attend. The Texas group are scheduled to gather in Washington March 3 for a full day on tidelands work.

The school officials are printing a pamphlet giving Texas' side of the tidelands controversy, and a copy of this will be delivered in person to every member of Congress and every newspaper man in Washington.

"The purpose of the trip is to let Washington hear and see Texas' side of this controversy. Texas has had possession of these lands within our 3 league (9 marine miles) belt for over 100 years and both the President and Congress should be willing to confirm the title. Our group will support the pending bills which confirm full and complete ownership to the states," Tennyson said.

New Gulf Gasoline Is Now Available

An improved premium grade gasoline meeting the requirements of the latest high compression automobile motors is being made available at Gulf Oil outlets throughout Texas today, according to M. Farnsworth, Division General Manager.

Working closely with automotive engineers, Gulf's research staff has developed the new gasoline during the last three years, Mr. Farnsworth said.

Half page advertisements announcing the new anti-knock fuel will be carried during March and April in the leading daily newspapers and in several hundred weeklies and small dailies.

HILLS HAVE DAUGHTER

Mr. and Mrs. Jo Ed Hill are the parents of a daughter, their first child, born at 3:35 Saturday morning in the Clinic Hospital at San Angelo. The baby, who weighed 6 pounds 13 ounces at birth, has been named Susan Jean. Grandparents are Mr. and Mrs. Ed Hill of Eldorado and Mrs. Gene Horton of Fort Worth, and great-grandparents are Mrs. J. F. Murchison of San Angelo and J. W. Hill of San Antonio. Mrs. Horton arrived from Fort Worth Saturday for a visit with her daughter and family.

Mr. and Mrs. L. O. Tomlinson visited Saturday in the home of her parents, the Thomas Bakers. Mrs. Tomlinson remained here for a few days while their new home is being completed. It is located in the Brentwood addition.

Mrs. Isaacs Honored On 90th Birthday

Several friends held open house Wednesday afternoon for Mrs. A. L. Isaacs, on the occasion of her 90th birthday. A number of her friends called during the afternoon, to assist with the celebration, which was a complete surprise to the honoree.

Mrs. Isaacs is one of the county's pioneer residents, and she has spent over half of her life here. Her health is considered good, considering her advanced age.

Hostesses for the celebration Wednesday served birthday cake and coffee to the callers.

WEDNESDAY BRIDGE CLUB

Mrs. Ferrin Holcomb served luncheon Wednesday noon to five tables, when the Wednesday Bridge Club met at her home. Present besides members were Mrs. H. T. Finley, Mrs. Mickey Holcomb, Mrs. Johnnie Wells and Mrs. W. M. Patterson. There were three tables of bridge, Mrs. Charlie Trigg winning high and Mrs. Pat Finley bing.

Billy Galbreath and family of Sonora visited Sunday with his parents, Mr. and Mrs. Leslie Galbreath.

Mr. and Mrs. F. A. Rogge of Rowena and Mrs. E. R. Bryant visited Sunday with their son and daughter, Mr. and Mrs. Sid Rogge of Sonora, and all spent the day fishing.

BUY your driving accessories at Shaw's Gulf, and add to your driving comfort on those week end trips.

Those fishing on the Pecos river over the week end were Mr. and Mrs. Pete Ringle, Mr. and Mrs. Lewis Ballew and Patsy, Mr. and Mrs. Louis Yaseen, and Gerald Hartgraves.

CRUSADERS MEET

The Crusaders of the Presbyterian church met Monday at the church. They opened the meeting with three songs, Martha Dell Williams playing the piano, after which they had the program under direction of Mrs. Edwin Jackson. Refreshments were drinks from a local drug store. Seven members attended. — Thomasine Jones, reporter.

PRESBYTERIAN, METHODIST CHURCHES HAVE PROGRAM

Women of the Presbyterian and Methodist churches met at the Presbyterian church Friday afternoon for a World Day of Prayer program. Mrs. Joe Edens and Mrs. Luke Thompson were leaders for the program entitled "Faith For Our Times." Mrs. Wilson Page sang "I Walked Today Where Jesus Walked," accompanied by Mrs. James Page at the piano. An offering was taken.

METHODIST NEWS

The Lydia circle of the Methodist WSCS met last Thursday at the home of Mrs. Keno Ogden. Mrs. S. D. Harper led the study on Japan, and Mrs. Stanley Gaynor and Mrs. Carson West read Japanese poems. There were 6 present. Circle 1 met at the church Monday. Mrs. Luke Thompson was leader for the closing chapter on "Cooperation of Christian Nations." Mrs. Arthur Davis served refreshments to 8.

The Dorcas circle met Monday at the home of Mrs. Glenn Parker. Mrs. Jim Tom Roach gave the devotional, and Mrs. W. A. Schuller and Mrs. Gordon McDonald gave the program on Japan. Two new members, Mrs. Ray Tisdale and Mrs. Waldron, were introduced. Secret pals were revealed and new names drawn. There were 15 present.

Methodist teachers and officers in the adult department attended a meeting Sunday in Trinity church, San Angelo, conducted by Dr. Alva I. Cox, nationally known religious educator from Ohio. Attending from here were the three teachers of adult classes, Mrs. E. H. Topliffe, Archie Wright and Mrs. Fred Gunstead; Mr. Topliffe, Sunday school superintendent, and daughters, Mrs. Mabel Parker and Fred Gunstead.

DAR TO MEET

The D. A. R. will meet at the home of Mrs. Elizabeth Powell Tuesday, March 7, with Mrs. Mary Coupe as assisting hostess.

H. T. Finley is back on the job in the courthouse after his recent illness.

CATHOLIC SERVICES

Mass will be at 11:00 Sunday morning at the local Catholic church.

Several members of the local Presbyterian church attended a meeting at the First Presbyterian church in San Angelo Wednesday night. The group were served supper, after which a program of instruction was given, covering evangelism, stewardship, religious education, and other phases of church work.

Mr. and Mrs. Paul Phillips and children of Eldorado, Mr. and Mrs. J. D. Hare of San Angelo, Mr. and Mrs. Elbridge Hobbs and Mr. and Mrs. A. B. McClary and daughter of Tankersley met at the home of the women's parents, Mr. and Mrs. Joe Sawyer at Tankersley Sunday and spent the day.

Mr. and Mrs. V. P. O'Harrow and Mr. and Mrs. Roy Martin and Nancy spent the week end at Buchanan Dam.

Guests in the L. Wheeler home are Mr. and Mrs. Billy Holloway and son Joey of San Antonio.

Mrs. Floyd Spurgers and boys of San Angelo spent the week end with her parents, Mr. and Mrs. Fred Watson.

Mr. and Mrs. Buster Gunn of Pearsall visited friends here over the week end, and were overnight guests in the Fred Watson home.

Mrs. John Roach of Abilene, who underwent major surgery recently, is reported to be doing nicely in a hospital in Abilene. She is a sister of Mrs. A. J. Roach and is a former Eldorado resident.

Mr. and Mrs. Carl Ellington and Lilla Jean were week end visitors in Sheffield, visiting Mrs. Ellington's two brothers there.

Miss Gertrude Sauer of San Angelo and William Sauer of Brownfield spent the week end with their parents, Mr. and Mrs. Otto Sauer.

Mr. and Mrs. Jack Halbert Jr. and two children, Bud Bauguess, and Mrs. A. J. Halbert were fishing at Tow Valley, Buchanan Lake, over the week end.

GET tanked up regularly on our good Gulf products. You can't beat Gulf products for real performance.

Mr. and Mrs. A. J. Atkins spent Sunday in San Angelo with their daughter, Mrs. H. T. Bird and family.

Mr. and Mrs. Pete McBurnett and Suzanne of San Angelo were guests Sunday of Mrs. McBurnett's sister, Mrs. William Jarrett and family.

Mrs. Max Henry and son Charlie of Fort Stockton spent from Thursday to Sunday with her parents, Mr. and Mrs. C. C. McLaughlin.

Junior Club Meets With Mrs. Johnson

Mrs. Grover Lee Johnson entertained the Junior Woman's Club in her home last Thursday night. Mrs. S. E. Jones Jr. and Mrs. Jack Jones presented the International Relations Day program.

During the business session, one new member, Mrs. W. F. Edmiston, was elected to membership. A nominating committee was appointed, and it was announced that the annual election of officers would be held at the next meeting. The group voted to send a donation to the scholarship fund sponsored by all Texas women's clubs. Mrs. Grover Lee Johnson, delegate to the Welfare Association, reported on the directors' meeting of that organization.

Refreshments were served to eighteen members.

Shower Honors Mrs. Glenn Parker

Members of the Dorcas circle of the Methodist WSCS entertained Friday afternoon with a stork shower honoring Mrs. Glenn Parker, in the basement of the Methodist church.

Mrs. W. T. Parker registered the guests. Mrs. W. G. Godwin directed several games.

Mrs. James Page played piano music during the tea hour. Mrs. Smith poured punch and Mrs. E. C. Peters served cake, which was decorated in pink and blue, to the guests. Centerpiece for the table was a bouquet of jonquils and other spring flowers.

Gifts were presented to the honoree in a decorated cradle.

Jane Mund of Baylor spent the week end at home. Mrs. Henry Mund and Mrs. E. W. Mund met her in San Angelo.

Mr. and Mrs. Tom Carroll and family spent Sunday with Mr. and Mrs. Jack Whiteley at Voca.

Jimmie Mae Patton Is Shower Honoree

Miss Jimmie Mae Patton of McCamey was entertained with a shower here Saturday on the occasion of her approaching marriage to Corporal Henry H. Hollowell of Goodfellow Field, San Angelo. The shower was given in the Methodist church parlor at four o'clock.

Receiving with the honoree were Mrs. A. H. Green, her grandmother and Misses Ethylene Green and Gladys Patton, her aunts. Mrs. Grover Lee Johnson presided at the register.

Serving were Mrs. J. E. Tisdale, Mrs. D. E. DeLong and Mrs. Ken Ogdin.

The color scheme of pink and white was carried out in the decorations and table appointments of pink carnations flanked with white tapers. The white cake was decorated with white wedding bells and pink rosebuds.

Mrs. James Page played piano selections, and Miss Katherine Davis sang. Mrs. J. Hall Bowman gave an appropriate reading.

Among the out-of-town guests present were Miss Gladys Patton and Corporal Hollowell, both of San Angelo.

Mrs. Jess Koy returned home Monday evening from an eleven-day stay in the hospital, where she had a check-up and treatment. Mr. Koy, who has also been ill with flu, is much improved.

Mrs. Archie Mittel underwent an emergency appendectomy about ten days ago in a San Angelo hospital. She has returned home, and is doing nicely.

Rev. Hays' Mother Is 89 Years Old

Rev. and Mrs. Jim Hays of Eldorado and Rev. and Mrs. Lawrence Hays of Eden went to Goldthwaite Monday to visit the men's parents, and attend the 89th birthday celebration of their mother.

The couple were both born in northeast Alabama, near Scottsboro, and were married Feb. 27, 1886. In 1887 they moved to Delta county, Texas, living there three years, when they moved to Bexar county, and in 1897 to Mills county where they have made their home 52 years. They have seven sons and two daughters, who live in widely scattered places. Jim and Lawrence are the youngest children.

R. J. Alexander and family spent the week end in Pyote with Mrs. Alexander's parents, Mr. and Mrs. W. C. Parks. Mr. and Mrs. Lynn Alexander accompanied them and went on to Barstow to visit relatives.

Mr. and Mrs. L. D. Ochsner kept their small grandson, Dorr Scherz, for a week while his mother, Mrs. Harold Scherz of Sonora, was ill in the hospital with bronchial pneumonia. Mrs. Scherz is improving and came for her son Tuesday.

Copy of booklet carrying our complete report available on request.

"I am an 'average' Jefferson Standard policyowner speaking for more than a million people—policyowners and beneficiaries—whose financial future has been made more secure through Jefferson Standard life insurance protection.

"The Company's 43rd Annual Report published here shows another year of genuine progress and growth that is a source of solid satisfaction to me and my family. Assets have more than doubled in the past ten years and now total \$242,758,227. The increase in surplus and contingency reserves— that extra margin of safety for all policyowners' funds—is substantial.

"The steady growth of 'my company' through the years reflects high quality of service to policyowners.

"I note with pride that the Jefferson Standard still leads all life insurance companies in rate of interest earned on invested assets. This means that 'my company' continues to pay the highest rate of interest on dividend accumulations and policy proceeds held in trust for policyowners and beneficiaries—important extra dollars. Not since organization in 1907 has the Jefferson Standard paid less than

4% on these funds. Truly, Jefferson Standard Policy Dollars are Larger.

"Jefferson Standard sales of new life insurance in 1949 averaged more than \$10,000,000. per month, more than 25% of which came from my group—old policyowners coming back for more. Total life insurance in force at year end—\$894,202,998.

"I like the wide variety of policy plans 'my company' offers to meet the various protection needs of the public.

"I like the special training in life insurance service 'my company' provides for its agents, as well as for its branch office personnel, which results in the capable, courteous and prompt service I get in all dealings.

"It is for all these fine reasons that I presume to speak for more than a million people protected by Jefferson Standard. I am proud to be a policyowner of this splendid life insurance company."
