Eldorado, Schleicher County, Texas

THURSDAY, AUGUST 9, 1951

NUMBER 31

REA CO-OP MEETING IS SCHEDULED FOR TUESDAY

Crowds will converge on Eldorado next Tuesday, August 14, for the sixth annual meeting of the Southwest Texas Electric Co-Op. The Memorial Building will be the meeting place.

In the main room of the building there will be a business session, during which officers will be elected, directors' and other reports submitted, and an interesting program presented under general direction of Manager Don McCormick.

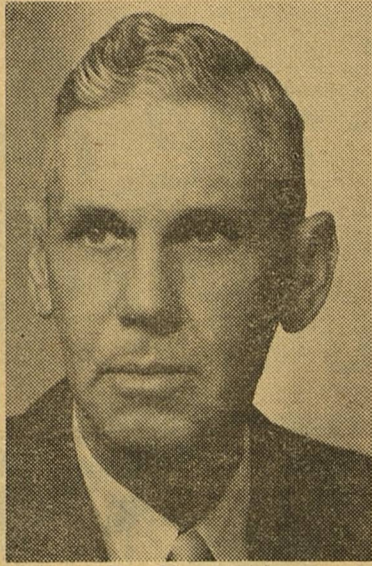

A free barbecue will be served at 6:30 on the courthouse lawn to REA members and their families.

Officers of the Co-Op and members who have been interested in the welfare of the organization stress the importance of attendance at the meeting. It is expected that members will attend and cast their vote, for only by doing so will decisions of the voting body represent majority opinion.

Office personnel are: Don McCormick, manager; Mrs. Margaret Tinning, bookkeeper; Jack Logan, in charge of material and work orders; Elton McGinnes, line foreman; J. C. Schooley, lineman; Doyle Easterwood, lineman; A. L. Jones, S. G. Mitchell, L. Kinser, A. E. Atkinson, Earl Hicks, John Lee Jones.

Officers and directors: J. F. Oglesby, J. Forrest Runge, sec., Joe B. Edens, treasurer; W. W. Sheen, vice president, Louis D. Gayer, attorney; J. V. Drisdale, Frank Bond, and E. L. Tankersley. Some of these will come from quite a distance to attend next Tuesday's meeting, as the Co-Op has spread out into neighboring counties.

He's Co-Op Chief

Don McCormick

Don McCormick has been manager of the Southwest Texas Electric Co-Op for nearly six years, coming to Eldorado from San Angelo.

The steady, year-by-year growth which the Co-Op has made has increased the Manager's responsibilities with the passing of the years. Directors, meeting with him once each month, help outline general policies and conduct routine business.

Mr. McCormick has a back-

ground of general experience to qualify him for the managership of the Southwest Texas Electric Co-Op. Lines he has followed include cotton gin, courthouse, and ranch operations.

He left San Angelo in September, 1945, where he had been civilian motor dispatcher at the bombardier school during the war. The managership of the Co-Op has taken all of his time since then. He has a wife and one daughter.

Delta Gulf To Build Huldale Field Camp

Delta Gulf has leased 8 acres from Mary Lee Fowler (part of Sec. 72) as a location for a camp, consisting of a field office and a number of houses. A water well is now being drilled on the location.

Casing Run On Mittel; Offset Staked

Wesley W. West of Houston was running casing Tuesday in his No. 1 Mrs. Christina Mittel, Pennsylvania lime strike in northern Schleicher County. At the same time he filed application for a permit to drill a second test, 890 feet west and 330 feet north of the discovery.

The wildcat was credited with having flowed fluid, about half oil and half salt water, at the estimated rate of 75 barrels hourly on a drillstem test from 6,292 to 6,342 feet. The water was believed to have come from the bottom ten feet. On a drillstem test from 6,272 to 6,292 feet, the well reportedly flowed oil at a rate estimated at 55 barrels hourly.

Location is at the center of the southeast quarter of the northeast quarter of section 77, block TT, TCR survey and two and three-quarter miles north of the North Huldale field.

Ohio No. 1-E Baugh was abandoned last week after getting salt water below 5625.

Delta Gulf No. 1 Spence failed to develop any showings last week around 5580. Now drilling at 6010 and going on to Ellenburger.

Delta Gulf No. 313 Thompson at Huldale drilling at 4500 feet.

Pan American Production Company No. 2 H. F. Thomson estate has become the 13th completed oil well in the Huldale-Strawn field of Central-North Schleicher County with a natural daily flowing potential of 783 barrels of oil. The potential was based on an actual 14-hour gauge through a 24/64-inch tubing choke. Completion was from open hole at 5,788-5,803 feet. Tubing pressure was 550 pounds and gas-oil ratio was 720-1.

Location is 1,053 feet from south and 467 feet from east lines of section 71, block TT, TC survey.

E. F. Fletcher of Dallas No. 1 Mary O'Harrow Robinson, wildcat in Central-North Schleicher county, is drilling below 4,672 feet in shale after a drillstem test from 4,590-4,614 feet. Tool was open 65 minutes. Recovery was 40 feet of slightly oil and gas-cut mud.

Another drillstem test was taken from 4,590 to 4,630 feet with the tool open two hours. Recovery was 880 feet of gas in the drillpipe and 60 feet of mud.

Location is 660 feet from north and east lines of section 30, block I, GH&SA survey and 11 miles southeast of the Huldale-Strawn field. That makes it 20 miles northeast of Eldorado.

Pan American filed application for a permit to drill No. 1 Mrs. Viola McWhorter, a south outpost feet from north and east lines of the Huldale-Strawn field, 467 section 70, block TT, TC survey. The slated 6,000-foot operation will be slightly more than a quarter mile south of Delta Gulf No. 2-B Thomson, a producer.

Standard of Texas filed application for permit to drill No. 2-2 Mrs. Frances May Thomson, 467 feet from south and 1,400 feet from east lines of M. Putnam survey No. 1. The slated 5,900-foot test will be 933 feet west of Standard No. 2-1 Thomson.

Two Dusters

Sunray No. 1 T. C. Meador, wildcat in north-central Schleicher was abandoned about a week ago, after reaching contract depth.

DESK SIZE blotting paper—yellow, red, blue, brown, green. Twenty cents.—Eldorado Success.

All Set For Homecoming of Eldorado Exes Saturday

STORES WILL BE CLOSED FROM TEN UNTIL TWO SAT.

To enable business people to attend the Homecoming program and picnic, business houses except the cafes will close for business between the hours of 10:00 a.m. Saturday and 2:00 p.m. This will make it possible for owners and employees to be present when the crowd assembles in the morning, and stay until the picnic is over.

State Amendments For November Voting Herewith Published

In this issue of the Eldorado Success appear the amendments on which Texans will vote, the second Tuesday in November. Here is a resume of the five, which appear in full in this paper:

S. J. R. 8—Amends Sec. 48-d of Art. III of Constitution providing for creation of rural fire prevention districts, increasing tax ceiling to 50c per \$100 valuation. Election, Nov., 1951.

H. J. R. 2—Provides for issuance of \$75,000,000 bonds in addition to \$25,000,000 bonds already issued by Veterans Land Board to provide money for Veterans Land Fund.

H. J. R. 6—Amends Art. III, RE: State Welfare Act, "Needy Aged, Needy Children and Needy Adult Blind." Lift \$35,000,000 ceiling and fixed maximum at \$42,000,000.

H. J. R. 22—To provide for statewide system of retirement and disability pensions for appointive officers and employees of counties.

H. J. R. 37—To amend Art. VII providing for investment of Permanent University Fund in additional securities.

Post Script

RETURNING RESERVIST PLANS NEW BUSINESS

Mrs. Delbert Edmiston and children moved back to Eldorado Sunday. They are staying at the ranch with Mr. and Mrs. F. A. Edmiston. T-Sgt Edmiston will join them next week. Being a reserve, he was recalled for one year in the Fir Force, which he has served at Kelly Field, San Antonio.

His wife reports that upon his return to Eldorado, Delbert plans to build and operate a drive-in theatre. For the past few months he has spent most of his off-duty hours learning to operate and manage a show. He has gone over plans with some of the owners of drive-ins at San Antonio and met with equipment men. He is very anxious to get home and start construction of his theatre.

Foundations have been run on the county barn and tile-layers are now running up the walls.

Mrs. J. W. Walker of Plainview, daughter of Mr. and Mrs. D. C. Hill of this city, will appear on the program at the West Texas Press Association meetings in Sweetwater, using as her subject, "What the community expects of a Newspaper."

One family left town, vacating a good rent house and this is what happened: Jack Black, high school principal, moved from the Gus Graves house to the Lester Henderson house in the north part of town which the above-mentioned family had occupied; the Spud Smiths moved from the Billy Frank Blaylock house to the Gus Graves house; the Lloyd Johnsons moved from the James Williams farm-house to the Blaylock place; the Billy Frank Blaylock family moved back from Comfort to the Williams farm which they have under lease.

Others are moving: Mr. and Mrs. E. W. Perry moved this week from the Wallace Joiner rent house to the Sam Jones rent house, built several years ago by John Sidney Williams. Buster Collier has rented the Joiner house, and moved there with his family as soon as the Perrys gave possession. He is with Ohio.

Patricia Elder, daughter of Mr. and Mrs. Jack Elder, has gone to Van Horn, where she is employed as bookkeeper for an accounting firm. She has rented an apartment and started work last week on her new job.

A hard-working committee—an interested town and county, numerous old timers who at some time attended the schools of Schleicher County—old ties of community and school life that can never be forgotten—careful planning by the people who stayed put in Eldorado—all of these will combine to make Saturday's Second Homecoming a huge success.

Last minute details have been filled in and today the committee-men state that everything is ready. Local families have helped the invitation committee to contact all of the exes who had available addresses, and a good crowd from out of town is expected.

A full day of entertainment is planned beginning with registration at 8:00 a.m. and closing with a street dance at night.

Register At School

Careful registration of everyone is planned by the registration committee composed of Mrs. Leslie Baker, Mrs. Payne Robinson and Mrs. Helen Blakeway.

There will be two registration books, one for teachers and the other for students and others. The committee will have a map on hand, using registration cards for information on name, address, and year attended, they can assemble information for the awards; oldest student and teacher, those who came farthest, etc.

Registration will start at the school house promptly at 8:00 Saturday morning. Some visitors will be in town the preceding night—others will be arriving from then on for the day.

All visitors are asked to be sure to register. A complete register

School Students Will Register August 31

The School Board set the opening day of school, assigned holidays, and elected bus drivers at their Monday night meeting, it was announced this week by Supt. T. E. Holcomb and S. D. Harper Jr., president of the board.

Students will register Friday, August 31, and start regular classes the following Monday, Sept. 3. Exact details on registration have yet to be worked out, Mr. Holcomb said.

School bus drivers for the routes of the county-wide school system were elected as follows: Mrs. John Hamm, Bus No. 1, Runge route; Nolan McDonald, No. 2, Rudd route; Mrs. R. H. Damron, No. 3, East route; R. H. Damron, No. 4, Fort McKavett route; Mrs. Raymond Dickens, No. 5, Station A route; Earl Lloyd, No. 6, Reynolds route; Mrs. Freeman Yardley, No. 7, Mertzon road route; Mrs. Millard Smith, No. 8.

The holidays set aside by the Board, besides Christmas week, were two days for Thanksgiving—one for New Year's, and two for Easter.

Lights On Ball Field To Be Up Next Week

The holes are all dug and poles, wire, lights and all other material are on the ground—in a few more days the local ball club will have a lighted field for night games. Members are providing the labor, and it is estimated today that the lights will be ready to test out on Friday night, August 17.

West Texas Utilities will make connection and service the field with current as soon as other installations are ready.

Densman & Densman Welding Company are doing free welding work on a back stop and the pipe material is being provided free by Ohio. The Ohio team now have their new suits and present a very classy appearance.

Lose and Win

In the meantime the two local teams have been playing day-time and twilight games. Last Wednesday the city team defeated Ohio by a score of 9 to 8. On Friday Ohio came back and defeated city by 13 to 7.

The next game scheduled will be at 3 p.m. Sunday.

helps all Schleicherites and visitors to know who is here. Out-of-town-ers may have been gone from the city for years, and will want to see the maximum of people they know in the time they are here.

Gather At Auditorium

The large auditorium in the new school building will provide the setting for the assembly, which will open promptly at 10:00 a.m. Carrol Ratliff will be master of ceremonies for the morning program.

The nominating committee, Mrs. Louis Ballew, Elizabeth Ballew and Edwin Jackson, have a new slate of officers to present at the assembly. It is expected that when the brief business session is over new officers will be ready to assume the responsibility for the 1952 Homecoming.

Picnic At Noon

The morning meeting will be over in time for the group to go to the Community Building for the dinner, which will be served beginning at 12:15.

Everyone will bring a picnic lunch, which will be served at long tables in the main room of the Memorial Building. The committee will furnish coffee, tea, plates, and other supplies needed in the serving. Chicken and other meats, sandwiches, salads and cakes and other picnic foods are suggested as the type of picnic lunch to bring.

Someone will be assigned to receive the food there and to have it spread out on long tables before the crowd arrives from the school house.

Stores To Close

To enable business people and their help to attend the program and picnic, businesses in Eldorado will close between the hours of 10 a.m. and 2:00 p.m. Only cafes will be open during that time.

Prepare The Floats!

After the picnic the various classes will get together at the homes of class chairmen listed in this issue of the Success, and work on the floats which will appear in the parade at 5:00.

Some of the classes have already started to plan their entries, and by next week several groups will be at work here. Finishing touches on these, and all of the other floats, will be added Saturday afternoon.

The floats will be brought to the schoolhouse in time to be assigned places in the parade as it assembles there. The county fire trucks will lead the parade; next will come the Boy Scouts, then possibly a band, followed by the 1895-1906 float, the Mias Amigas float from 1907 to 1919, then successive years with a float each.

The arrangements committee stresses the importance of riding on the floats. Says Mrs. Gus Love, chairman of arrangements, "You don't have to be a graduate—find your old class if you can; if you can't, get on the float for the year nearest yours. Everybody should be on some float—don't be bashful, there'll be hundreds of other exes in the parade."

This is not an alumni association homecoming—it is for all exes!

Much interest is being shown in advance rumors of a surprise float. This mystery float will make its appearance in the parade without sponsorship of any particular class—(that is an unverified rumor).

Later, the teenagers will be hosts at a coke party at the Canteen in their meeting room in the basement of the Memorial Building. Everyone will go to the Canteen after the parade, be served cokes and have opportunity to visit with each other during that time.

Sandwiches and cold drinks will be dispensed at the canteen.

Everybody Dance

A street dance at night will wind up the day's festivities. This will be free, and everyone is expected to be there, families and all!

Through the generosity of the Foxworth and Cameron lumber yards, a platform for the street dance will be built to accommodate John Carrico's orchestra, which he will bring in from Texas Western at El Paso.

Homecoming leaders are rejoicing over securing Mr. Carrico and his orchestra for this event—he is an old Eldoradoan who has never lost touch with Schleicher County and old friends here—and officials know that the orchestra which this

(See HOMECOMING page 7)

Nearing the 100 Mark

John Elisha Estes

'Twould have been a nice gesture to have had Schleicher County's oldest resident on hand to welcome homecomers as they do the town Saturday.

But John Elisha Estes, who will be 100 years old on February 10, is not as spry as he used to be. He can get around the house, and with hearing poor and his sight failing it would be no pleasure to him to see the crowds.

It is not easy to find the reason for his reaching this advanced age. He is not a native Schleicherite—he was born in the green and rainy state of Illinois, and has had to become acclimated to hot and dry Southwest Texas.

Does he use tobacco? A little—right now he chews for pastime; but he was always a light user of tobacco in any form, and sometimes stopped using it, then took it up again.

Did he watch his weight? Seemingly not. His family report though that he has always preferred simple foods. He used to eat more

meat, simply prepared. He still likes eggs. He has always liked hot breads, and even today enjoys his hot biscuits with honey or syrup. He has never been overweight.

Does he avoid extremely hot or cold foods? No, but he is one of that group of people who like their foods hot in the summer as well as in the winter. He also likes ice cream.

Does he drink coffee? Yes—twice a day, and he likes it plenty hot. What his occupation favorable to long life? Not necessarily. He farmed and ran stock until he retired—not noted as an easy life.

Right now he is taking ordinary precautions to keep comfortable and cool. He sits under a fan quite a lot of the day, sleeps as often as he can, and keeps quiet.

He has never had any serious illness except one—he had pneumonia seven or eight years ago. Married twice, he has three children by his first marriage and ten (seven living) by the second, who is now 84.

HOUSE JOINT RESOLUTION, NO. 2 proposing an amendment to Section 49-b, Article III, Constitution of Texas, so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board is increased to One Hundred Million Dollars (\$100,000,000); providing for the issuance of said bonds and certain conditions relating thereto and the use of the Veterans' Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III, Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Veterans' Land Board may issue not to exceed One Hundred Million Dollars (\$100,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Said bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now prescribed by Senate Bill No. 29, Chapter 315 of the Acts of the Fifty-first Legislature (provided, that when the limitation of Twenty-five Million Dollars (\$25,000,000) is used in said Senate Bill No. 29, the same shall hereafter be construed as One Hundred Million Dollars (\$100,000,000), or as said Act may be hereafter amended, or by other laws that the Legislature may hereafter enact; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

"The lands of the Veterans' Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that so much of such moneys as may be necessary during the period ending December 1, 1959, to pay principal and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board shall be set aside for that purpose. After December 1, 1959, all moneys received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be used for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall not later than the maturity date of the last maturing bond on bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total One Hundred Million Dollars (\$100,000,000) of bonds herein authorized, the sum of Twenty-five Million Dollars (\$25,000,000) has heretofore been issued; said bonds are hereby in all respects validated and declared to be obligations of the State of Texas. This amendment shall become effective upon its adoption.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

Those opposing said proposed Amendment shall have printed on their ballots the following words:

"AGAINST the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereon.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and the laws of this State.

SENATE JOINT RESOLUTION NO. 8 proposing an Amendment to Section 48-d of Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts so as to provide that the Legislature may authorize an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred (\$100.00) Dollars valuation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 48-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Fifty (50c) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Section 48-d of Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 22 proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new section to be designated as Section 63, and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county; providing that the Legislature shall be authorized to make an appropriation to pay any retirement or disability benefits authorized herein; and providing that administration of said system may be committed to the same body as may be set up to administer the municipal retirement system provided for in Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas, be amended by adding thereto a new section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided that participation therein by counties shall be voluntary and shall first be authorized by vote of the qualified voters of such county; provided further that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for in Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

"AGAINST the Constitutional Amendment authorizing a statewide system of retirement and disability pensions for appointive county officials and employees."

Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. If at said election a majority of the votes are "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," the foregoing proposed Amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be made by the Governor thereon.

HOUSE JOINT RESOLUTION NO. 6 Proposing an Amendment to the Constitution of the State of Texas, amending Article III, Section 51a, providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to residents of the State of Texas who are needy aged persons over the age of sixty-five (65) years, needy blind persons over the age of sixteen (16) years; needy children under the age of sixteen (16) years; removing the Thirty-five Million Dollars (\$35,000,000) limitation upon expenditures for such purposes and providing for a limitation of Forty-two Million Dollars (\$42,000,000) upon such expenditures; providing a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; prohibiting payment of assistance after disposition of property under certain conditions; providing for the acceptance of financial aid from the Government of the United States of America for such assistance; providing that the payment of such from State funds shall never exceed the payments from Federal funds; providing for the necessary election, and providing for the form of ballot, proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended so that the same shall hereafter read as follows:

"Section 51a. The Legislature shall have the power, by general laws to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions, and regulations as may be by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application; provided that the maximum payment per month from State funds shall not be more than Thirty Dollars (\$30) per month.

"Any applicant for or recipient of assistance, including the spouse in each instance, who shall dispose of any property after January 1, 1952, and any person who initially applies for assistance after June 1, 1957, who has disposed of any property within five (5) years prior to the date of application, shall be ineligible to receive assistance; provided, that if such property was disposed of by bona fide sale and conveyance, and for value commensurate with the actual market value thereof, such disposition shall not affect eligibility for assistance if it is shown that all proceeds from such sale have been used by such person and spouse for normal living expenses, or for the purchase of other property of like value. If any recipient of assistance or spouse shall sell any real property, neither such recipient nor spouse shall thereafter receive assistance until all net proceeds of said sale have been expended for normal living expenses; and in case of disposition of such property by gifts or for an amount less than its actual market value, such person and spouse shall not thereafter receive assistance until the expiration of the period of time during which the net proceeds of said sale would have paid their normal living expenses had the actual market value been realized therefrom.

"(2) Needy blind persons who are over the age of sixteen (16) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application.

"(3) Needy children who are under the age of sixteen (16) years; provided that no such assistance shall be paid to any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance, or if said child is under the age of one (1) year whose parent or other relative with whom the child is living has resided in the State for one (1) year immediately preceding the birth of such child.

"The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer not subject to restrictions herein set forth; provided, however, that the amount of such assistance out of State funds for such assistance shall never exceed the amount so expended out of Federal funds; and provided further that the total amount of money to be expended out of State funds for such assistance to the needy aged, needy blind, and needy children shall never exceed the sum of Forty-two Million Dollars (\$42,000,000) per year.

"Should the Legislature enact enabling laws and provide an additional appropriation hereto in anticipation of the adoption of this Amendment, such Acts shall not be invalid by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of Texas at the election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election there shall be printed on such ballot the following clause:

"FOR the amendment to the Constitution giving the Legislature power to set up a system of retirement or assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age; removing the Thirty-five Million Dollar (\$35,000,000) limitation upon amount of State expenditures for such purposes; providing for a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; providing for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal Funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars (\$42,000,000) per year on State fund expenditures for such purpose each year."

"AGAINST the amendment to the Constitution giving the Legislature power to set up a system of payments of assistance to needy blind persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age, removing the Thirty-five Million Dollar (\$35,000,000) limitation upon amount of State expenditures for such purposes; providing for a maximum payment of Thirty Dollars (\$30) per month from State funds for old age assistance; providing for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal Funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars (\$42,000,000) per year on State fund expenditures for such purpose each year."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of the State of Texas.

The New 1951 BENDIX Economat Work-free Washer

"It's Wonderful!"

with the exclusive RINS-SAVER that saves up to 56 gallons of water every washday

Undertow Agitator Washing

The familiar agitator combines with Bendix's exclusive Wondertub to create an amazing new washing action. Clothes and suds are drawn deep into hot, cleansing undertow currents.

Flotaway-Flushaway Draining

Heavy soil drains out the bottom; light soil rises to the top, and drains down through the hollow agitator. Dirty wash-water never filters back through your clothes.

Vacuum Drying

The wonder-working Wondertub (it's guaranteed for five years) gently extracts water from clothes. There are no deep creases, no broken buttons, and your hands never touch water!

NO WRINGER! NO SPINNER! NO BOLT DOWN!

Washday is simple when you own a Bendix Economat Washer. You simply set the dial, add soap and clothes... and walk away! All the work is done automatically by the Economat. And when washed in a clean-water Economat, your clothes are washed clean.

5-YEAR WRITTEN GUARANTEE ON MECHANICAL WONDERTUB

LOCAL YOUTH AWARDED S A COLLEGE SCHOLARSHIP
Word has been received that Durward Rutland, son of Mrs. Irene Rutland and a 1951 graduate of EHS, has been awarded a Massie Scholarship at San Angelo College. The recipient of one of these scholarships has a right to feel proud of the award, college officials state. Not only good scholarship is demanded, but also other qualities which are necessary for useful living.

San Angelo College is located on a beautiful sixty-acre campus, and offers its students regular liberal arts, pre-professional, Freshman and Sophomore work toward a Bachelor's degree, with credits recognized by all universities. In addition to these courses, the College offers terminal or "job training" courses for students who are able to take only one or two years of post-high school work.

Registration for the fall semester at San Angelo College begins Sept. 17. The dormitories will be open September 16. Dormitory reservations should be mailed right away to insure accommodations.

Mr. and Mrs. Newell Wilkinson and family of Itasca were visitors recently in the Bert Page home. Other visitors are Mr. Page's brother and his wife, Mr. and Mrs. A. J. Page of Como, and daughter and son-in-law, Mr. and Mrs. W. T. Harrison of Mineola.

IT'S A GIRL FOR ROBINSONS
A daughter was born Sunday morning at Sonora Hospital to Mr. and Mrs. T. P. Robinson, Jr. The baby weighed seven pounds and ten ounces at birth and has been named Kathy. The mother is the former Mary Barton of Marfa.

Grandparents are Mr. and Mrs. Payne Robinson of Eldorado, and Mr. and Mrs. Frank Barton of Marfa; great grandparents are W. J. Richmond of Blanket, C. T. Mitchell of Marfa, and Mrs. Allie Barton of Waco.

BARBECUE FOR OIL CREWS
Mrs. Frances May Thomson, who lives in San Angelo, entertained Thursday noon with a barbecue, in celebration of bringing in of an oil well on her land by J. C. Hawkins Estate, Dallas.

Members of the crews and others were guests.

MINISTER RE-HIRED
The Rock Church of Christ has employed Minister Marshall Davis for another year.

Mr. and Mrs. B. E. Moore met Mrs. Moore's sister, Mrs. T. Price of El Paso, at the airport at San Angelo and brought her here for a visit. Other guests in the Moore home were their son Joe H. and his wife of San Antonio, and Mr. Moore's brother Grady Moore of Colorado City. All attended a reunion at the home of Rev. E. M. Moore at Brownfield, their father.

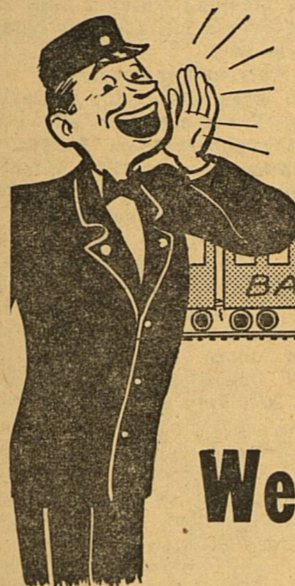

Mr. and Mrs. V. P. O'Harrow and Mr. and Mrs. Roy Martin and Nell

ver. They report that they caught a few but that it was too hot to do much fishing.

Mrs. E. E. Newlin visited recently in Austin and Temple with relatives.

Co-Op Serves Many Counties; Current Widely Used

Here is a story concerning the Southwest Texas Electric Co-Op—its personnel, its size, its location, its importance, and its membership.

Meet The Crew

Don McCormick has been head of the Southwest Texas Electric Co-Op since September, 1945. Veteran of World War I, active Legionaire, a civic worker whose experience had included years of business, ranching and courthouse activities, he has shouldered a heavy load of responsibilities, taking the Co-Op through its post-war growth.

Capable Mrs. Margaret (Pat) Tinning is the only original employee left with the organization. She started work as bookkeeper before the REA current was turned on! She has college and business school training for her important post.

Elton McGinnis began work in April, 1946. An ex-service man, now line foreman, he has a wife and three children.

J. C. Schooley, lineman, joined the crew in May, 1947. He saw service in World War II, is married and has one child.

Doyle Easterwood started work in April, 1948. Easterwood, a lineman, has a wife and two children.

A. L. Jones, groundman, has been with the Co-Op since September, 1946. He has a wife and two grown children.

Jack Logan, ex-service man, material and work order clerk and lineman, joined the co-op force in July, 1948. He is married.

Jerome Mitchell, with the REA since December, 1947, veteran of World War I, is with the construction crew. He has a wife and three children.

L. L. Kinser is a compressor man and truck driver, who joined the crew in August, 1949.

A. E. Atkinson, apprentice lineman, started with the REA July 1, 1950. He has a wife and three children.

Earl Hicks, ground man, started as a regular employee August 1, 1951. He and his family live in Eldorado.

John Lee Jones is working as laborer during the summer. He is a college student.

Glenn Biggs, another college student, started work with the Co-Op for the remainder of the summer, this week.

Current Travels A Long Way
Co-Op members who live farthest are both on ranches in the northwest part of Val Verde county. The Ira Carson place receives cur-

rent 64.3 miles from the Sonora sub-station; his neighbor gets his electricity 64.1 miles from the same station. This is reckoning it by pole miles.

From Eldorado it is 89 road miles to the Ira Carson place and five miles nearer to the West place.

Other Distant Customers

To the east, Mrs. Irene Ruff is farthest away. She lives 8 miles north of Menard, and 58 miles from the main office in Eldorado.

In a northeasterly direction Mrs. Grace Herring, on a Tom Green County ranch, lives 48½ miles from Eldorado by electric line—55 miles by road.

Roy Miller is 57 pole miles from the Sonora sub-station, 71 road miles from Eldorado.

These distances show the growth the Co-Op is making and the extent of the territory which it now serves.

Many Appliances In Use

To gain maximum use of the REA current, Manager Don McCormick states, years are often required before all of the desired appliances can be installed.

The average housewife likes to start out with lights, iron, radio and refrigerator, when the current is first turned on. The family then looks ahead to the other appliances, which are gradually added, the deep freeze, ranges, water heaters.

Out of doors there are things to buy too—pumps, or electric welders, or shop tools, to mention a few.

New Ranch Luxuries

Consumption of electricity over the Southwest Texas Electric Co-Op system increased by 13.3 percent in July over June! New air conditioning units and new electric pumps are mainly responsible for this increase!

The number of air conditioning units put in this year is astounding, states Manager Don McCormick. These units range from the one-room conditioners, to the complete heating and refrigerating system which cools and heats the entire house according to season. Through-out the REA system, these conditioners are being put in.

Another new trend is use of electric pumps, which are growing increasingly popular. It is understood that one pump will do away with three windmills.

In general use is the walking beam jack pump. Popular recently also is the submerged pump.

The largest submerger unit is on the Mrs. C. E. Davidson Estate

place, seven miles south of Ozona. This unit, with a three-horse motor, is pumping water a mile and a half over a hill 100 feet higher than the well.

Current For Irrigation

Two large motors for irrigation are the latest big items added by Co-Op members. Sam Allison of Sonora has put in a 125 h.p. motor as a main motor and is using two smaller motors to supplement it.

From his well 185 feet deep he pumps 1,000 gallons of water per minute. He will use the sprinkler system for irrigation on about 150 acres of his ranch, which joins the city of Sonora.

J. V. Drisdale, 12 miles north of Juno, is adding a 100 h.p. motor. He has been using two 25 h.p. motors. From a well 111 feet deep, 2,000 gallons of water per minute will be pumped for his gravity-type irrigation project.

Many Counties In System

While the Southwest Texas Electric Co-Op includes many counties, one man has the distinction of being the only member this co-op has in his county. Thomas Espy, Jr., in the extreme northwest corner of Edwards County, 1½ miles from the county line, is this customer.

The Co-Op includes all of Schleicher County, part of Crockett, two thirds of Sutton, the northwest part of Val Verde, one third of Irion, or less, in land area, a strip across southern Tom Green, and one third of Menard.

Much work has been done in all of these counties.

Now What?

And what lies ahead for the Co-Op? Prospects are bright. In the immediate future there will be additions of many taps, one to ten miles in length, to help present users get the maximum out of their REA service.

The biggest development will be in Crockett, where the largest potential for growth lies. Section G preallotment is now in Washington for consideration. From Midway Sub-Station, Section G will leave the Midway Station 48 miles due west of Eldorado on the new highway, go on west, north and south from there. This will call for the highest voltage of any section built to date.

Ultimately the system will include probably another 600 miles of line. At present it is not the intention of officials to go west of

the Pecos.

While there are some shortages, barring all-out war building should continue for some time.

New Co-Op Home?

The Co-Op is a relatively new business, going through a several-year period of growth and expansion, with much remaining to be done.

There is probability that SOME TIME in the future the business will be financially able to build their own home in Eldorado—that is one of the goals to be attained some day.

Personal News Items

Mrs. John Stigler and boys visited in Owens, Texas, last Wednesday with Mr. and Mrs. J. A. Neill and Gwen. From there they went on to Cisco to visit with Mrs. Stigler's sisters, Mr. and Mrs. L. J. Leech and Mr. and Mrs. R. D. R. D. Guthrie. Then to Hico to visit Mr. and Mrs. G. C. Wright, returning home Monday morning.

Mr. and Mrs. W. C. Evans and son Bryan stopped at the Buster Dickens' place Thursday after a vacation trip to San Antonio and Corpus Christi. Doris Dickens, who had been visiting in San Antonio several weeks, accompanied them home. Bryan remained for a few days' visit.

Mr. and Mrs. H. T. Allmond and daughter Phyllis Rae and Mr. and Mrs. Don Hood and son Billy Bob from Odessa were in Christoval Sunday and were met there by Mrs. Buster Dickens and children. Wayne Dickens returned with them after visiting a few weeks in Odessa. Phyllis Rae stayed to visit a few days. Mrs. Allmond will come for her and be here for the Homecoming Saturday.

Mrs. Clifford Love and daughters, Betty Lou and Marie, have been visiting here with her mother, Mrs. Willie Tisdale. Mrs. Love, Mrs. Robert Baker, and Mrs. Tisdale are all visiting in Bokoche, Okla., with Mrs. Tisdale's other daughter, Mrs. A. D. Harvey.

Mr. and Mrs. Elmer Hill of Temple spent the latter part of the week with the latter's sister Mrs. James Williams and family, on their way to Riodosa.

Here from Winfield, La., where Willard is still employed by Petty are Mrs. W. E. Humphrey and Mr. and Mrs. Willard Humphrey and children. Willard and his family are going on to Pyote and their mother to Brady before returning home. All remarked about the changes which have taken place in Eldorado and the growth the town has made.

James Williams and family attended church Sunday in Eola and visited Mr. and Mrs. Prentiss Williams, friends of the family.

Mrs. D. M. Humphrey and daughter Ann of Wausau, Wis., are here visiting her parents, Mr. and Mrs. J. B. Montgomery.

Mr. and Mrs. Joe Muller Christian and son left Saturday for Atlanta, Pa., and Decatur, Ala., to visit relatives. They will be gone two weeks.

Dr. Richard Winters of Weatherford, who had been in this locality visiting the Experiment Station, came by to visit old friends, Mr. and Mrs. Nolen McDonald and family. They had been friends when the families lived at Brady.

Herman Carroll, who was at the hospital with rheumatic fever, has been returned to the home of his parents, Mr. and Mrs. Tom Carroll, where he will continue to be in a cast for another six weeks.

Mrs. A. W. Hedlund and daughter Marilyn Lenore of Monahans are here visiting at the home of Mr. and Mrs. J. B. Montgomery and will remain for the home coming.

Charlie M. Morris of Del Rio came up Sunday for his wife, who spent the past week here with her mother, Mrs. Josie Word, who is sick.

SATURDAY IS THE DAY!

DWIGHT WIEDENMANN, PROP

LAYENA EGGS Really Taste Swell

Folks agree there's a difference in the taste of eggs. Purina Research shows that hens fed Purina Layena lay fine-flavored eggs. Layena Eggs have firm, yellow yolks and thick whites that stand up, don't run all over the pan. And the flavor — Ummmmmm! Layena Eggs can't be beat for flavor. Some morning soon, please your husband with breakfast of Layena Eggs.

Look for Layena Eggs—the standard of egg quality the nation over!

ELDORADO WOOL COMPANY

News From Our Neighbors

Trial Transferred

On the court's own motion, Judge Garland Casebier ordered transferred to the 112th District Court at Rankin trial of the \$50,000 damage suit brought by Jack McIntosh, former superintendent of schools here, against T. A. Kincaid, Jr., ranchman and member of the school board which asked for and received McIntosh's resignation last fall. Trial on the case has been set for August 16 in the Rankin court on agreement by both sides. —Ozona Stockman.

House Shortage Discussed

James A. Rutherford, president of the McCamey Chamber of Commerce, reminded this week that the meeting to cope with the housing situation in McCamey, would be held Monday night at the McCamey Park Building.

The meeting is to begin at 8:30 p.m.

He urges all business men and interested citizens to attend the meeting, and bring along any suggestions that might bring additional housing to the community. —McCamey News.

Fire Hall Started

Foundation concrete for Big Lake's new fire hall was being poured this week. The building, 30x50, will be a brick and tile structure, located on Plaza Ave., just north of Proffitt's Service Station. The Dean Construction Company was awarded the contract on a bid of \$11,247.84.

The building will house the new fire truck and other equipment, and provide a meeting place for the members of the volunteer fire department in their twice monthly sessions. It is designed so additional units may be added without detracting from the looks of the building. —Big Lake Wildcat.

Hospital To Be Checked

A representative of the State Hospital Board is due to arrive in Robert Lee next Monday to check matters in connection with administration of the Coke County Hospital.

This information comes from County Judge Jeff Dean, who accompanied members of the Hospital Board to Austin on Monday, where they reported to have discussed hospital matters with state authorities.

Administration of the county hospital has been a hot issue here since early last week when Hospital Trustees voted to ask Dr. J. D. McDaniel to move his office out of the hospital, and at the same time requested the resignation of two nurses aids. —Robert Lee Observer.

Shepperd Speaks

Texas Secretary of State John Ben Shepperd Wednesday evening warned that "Civilization is threatened today by a moving force called Communism, and Communism is like the Devil: it thrives on evil situations."

Shepperd's speech was given as a part of the Menard county 4-H homecoming barbecue and program at the high school athletic field.

A crowd estimated at about 500 persons, including 4-H members, parents, county agents and friends, attended. —Menard News.

Plenty of Water

Following the emergency breakdown of the deep well pump about noon last Thursday as The Echo was ready to go to press, City Water Superintendent Carl Smith asked that The Echo publish an emergency notice, asking that users use water for household use only until after the emergency, which was estimated to be at least 48 hours. Smith stated the pump was re-

paired Friday evening, several hours earlier than anticipated. —Eden Echo.

Pasture Burns

Two days and nights of vigilant fire fighting kept Kimble's record-breaking cedar brake fire under control after it swept over more than two sections of land on the Cecil Woodward ranch Sunday.

Men who battled the conflagration since Saturday evening remained on the alert, however, after they returned to their own homes Tuesday evening for the first time in three days.

Fire broke out Saturday evening. —Junction Eagle.

Personal News Items

Mr. and Mrs. Leonard Lloyd and Mr. and Mrs. Earl Lloyd left Saturday on a trip to Colorado.

Uri Nou, displaced person from Estonia, and now a student at McMurry College, Abilene, spent the weekend in Eldorado with Rev. Roy Shilling and family and Mr. and Mrs. Ralph Fowler.

Mr. and Mrs. Ed DeLong and Mrs. Dorothy Campbell and Bobbie and Roddie spent the weekend with Mrs. D. E. DeLong, and Myrta Bob Harper accompanied them home for a several-day visit.

Ralph Fowler is much improved after major surgery.

Mr. and Mrs. A. J. Halbert received a letter from Olge Thursday, telling them that he had arrived at Tokyo.

Guests of Mr. and Mrs. Jess Thompson this weekend were Mr. and Mrs. E. H. Speir of Brookshire, and Mr. and Mrs. Harvy Speir Jr. of Pasadena, Texas. Mr. Speir Sr. bought a new Chevrolet from Tisdale Chevrolet Co. while here. Mrs. Jim Hays of Brookshire accompanied them here for a visit with the Thompsons and other Eldorado friends. Mr. and Mrs. C. C. Henderson will take her home later this week.

Mr. and Mrs. Dee Love have gone on a vacation trip to Colorado. They left Eldorado Saturday and expect to be gone a week.

Back from Ruidosa are Mr. and Mrs. H. T. Finley, Mr. and Mrs. Bobby Barber, Mr. and Mrs. L. T. Barber, Mrs. Agnes Crosby, Mr. and Mrs. Horace Linthicum, Mr. and Mrs. Jack Hext and Judy were there also and went on to California. Mrs. Hext and daughter also visited the Gene Koys while in New Mexico.

Mrs. Marshall Chrestman and children, who have been visiting Mr. and Mrs. J. M. Chrestman, went to San Angelo Monday to spend several days with Mr. and Mrs. Buster Dixon and Mrs. Barbara Jenkins.

The following attended camp at Paisano Saturday evening, spent the night in Alpine, took the scenic drive through the Davis Mountains and returned home Sunday night:

Mrs. Mabel Parker, Mrs. Roy Davidson, Mrs. Robert Sproul, Mrs. Jack Etheredge, Mrs. C. N. Shaw, Mrs. Norman Hodges, Mrs. George Fry.

Arrangements Made For Bracero Labor

President Truman has asked Congress for strong laws to stop illegal migration of Mexicans to the United States, and to increase recruiting of US citizens for work on farms of the southwest. The President's statements concerned the Mexican Worker Bill signed recently. The new law makes this government an employment agent for American farmers who want to hire seasonal help from Mexico. The government will recruit the workers in Mexico and bring them to reception centers in the United States from where they can be hired. The problems of wetbacks is not solved by this bill. In anticipation of heavier work in border towns, 100 men are being sent to the Rio Grande Valley to help process the Mexicans who will probably come into this country when the Mexican government gives the go-ahead signal. It is expected that from 2,000 to 3,000 will be processed daily. Each laborer must be fingerprinted and records concerning him must be kept. Schleicher County normally has been employing quite a number of the braceros, especially during the cotton picking season—though with a short local crop in prospect, the number may be less than usual this year.

Mrs. Nettie Mae Clement, music teacher from Berkeley, California, spent several days with Mrs. Carl McWhorter and other cousins here on her way home after a month's stay in Mexico. Mrs. Clement's brother and sister-in-law, Mr. and Mrs. R. L. Felder of Chapple Hill flew in for a visit also while she was here.

Sid Espy, Jimmie Espy, and Mrs. Ellen Strickland, all of Brady, visited Sunday with Mr. and Mrs. Sam E. Jones.

These Co-Op Members Receive REA Current

There is almost no limit to the growth the Southwest Texas Electric Co-Op can make. Each year sees more people served by the Co-Op. The growth has been substantial and steady, and the prospect ahead is bright. The following are receiving REA current through Southwest Texas Electric Co-Op. Some of these listed below have several meters.

While the majority have Eldorado addresses, there is a growing list of subscribers from Mertzon, Menard, Ozona, Sonora, Ft. McKavett, Christoval, San Angelo, Juno, and other places:

Homecoming

Continued from 1st page

able musician brings will be a good one.
J. N. Ramsey, Doug Yates and others are helping put up the platform.

Kitty at Dance

The general arrangements committee, with Mrs. Gus Love in charge, has raised money in advance to finance this year's Homecoming. This will take care of the major expenses—such as advance advertising, speaker, orchestra, and numerous incidentals.

Everything will be free of course, with everyone bringing the picnic dinner at noon Saturday. To give visitors a chance to donate if they wish to do so, S. E. Jones, Jr., is making a kitty, to be placed on the platform at the dance; this kitty may be fed coins or folding money.

Money thus raised will be used to start a purse for next year's Homecoming—which of course will be a big one too. Donations will be strictly on a voluntary basis.

Plaque Exhibited

A plaque which will be awarded at the Homecoming is being made by Bauer Jewelry. This is making its appearance this week in advance of the Homecoming dates so people may have an opportunity to get a close view of it. The committee has trimmed the Bauer window and are displaying it there. Materials and workmanship are a donation from the Bauer Jewelry store.

The plaque will be awarded to the best float, and will be passed around from year to year as new awards are made.

Class Committee Chairmen

These are in charge of the various classes:

- 1895-1906.....Jud Nicks
- Ack McCartney
- 1907-1919.....Mias Amigas
- 1920.....Mrs. Nolen McDonald
- 1921.....Connie Johnson Terpening
- 1922.....Frankie Williams

- 1923.....Sadie Davidson
- 1924.....Ruth Harper
- 1925.....Annie Dickens
- 1927.....Zadie Stewart
- 1927.....Lula Mae Alexander
- 1928.....Fena Whitten
- 1929.....Pete Parker
- 1930.....Elizabeth Ballew
- 1931.....Desmond King
- 1932.....Dixie Belk and Bernard Carr

- 1933.....Elenora Love
- 1934.....Happy Kerr
- 1935.....Thos. Richard Jones
- 1936.....Billie Belcher
- 1937.....Maxine Page
- 1938.....Ernestine Hext
- 1939.....Charlene Edmiston
- 1940.....Helen McAngus
- 1941.....Helen Blakeway
- 1942.....Frances Peters
- 1943.....T. P. Robinson, Jr. and Punk Bridgeman
- 1944.....Tommie Lee Johnson
- 1945.....Noweita Matthews
- 1946.....Lilburn Hazelwood
- 1947.....Charlene Bridgeman
- 1948.....Jane Mund
- 1949.....Buddy Baker
- 1950.....Joyce Burk
- 1951.....Ebbagene Blaylock

Appointed to special jobs are Mrs. Marvin McAngus, who will look after presentation of flowers; T. P. Robinson, Jr., Punk Bridgeman and Pat Finley, dance; Edwin Jackson, speaker; Carrol Ratliff, master of ceremonies; Gus Love and R. J. Page, coffee, tea, etc. at picnic; and others to assist and take over other special duties.

Here is a tentative program:
Registration, 8:00 a.m.
Invocation, 10 a.m.
Music
Presentation of Corsages
Possibly other numbers
Business meeting
Announcements.

FIREMEN OFF TO JUNCTION

The firemen will have their last practice Friday night for the races which they will enter Tuesday at Junction, where the Hill Country Firemen's Association will be in session. Members of the Auxiliary will also attend.

BRAIN TUMOR PATIENT IN CRITICAL CONDITION

Lorraine Dildine is in critical condition as the brain tumor with which she has been afflicted over a year becomes steadily worse. She has lost all sense of movement and does not know family or friends.

Mrs. George Williams, who has had years of practical nursing experience, has gone on the case this week.

Two operations failed to remove the tumor completely, and she has been in failing health over a year.

CONSERVATION PROGRAM

W. G. Godwin and three of his 4-H boys had charge of the program at Loins club yesterday, when Jack Stanford, David Powell, and Ronnie Mittel discussed range conditions of the county. This team, which has won high state honors, showed pictures of excellent, good, fair, and poor range lands, and gave the characteristics and causes of each. They cited overgrazing as the main cause of declining ranges.

Lion Gus Love reported that the club will sponsor a cake walk and bingo stand during Homecoming Saturday.

FIRST BAPTIST WMU

Circle 4 met with Mrs. Gladys Cheek, five members attending and four visitors, Mrs. Jim Hays, Mrs. J. W. Whitten, Mrs. Nelson and Mrs. Wagley. The group studied "The Moffatts" by Ethel Hubbard.

Circle 3 met with four members. Mrs. Ratliff reviewed a study chapter.

AUXILIARY ELECTS

At a recent meeting, the newly organized Fireman's Auxiliary elected the following officers who will serve through the coming year: President, Mrs. L. D. Mund; vice president and secretary, Mrs. Clifford Schooley; reporter, Mrs. Lester Early; entertainment committee, Mrs. Lum Davis chairman, Mrs. Marvin McAngus, Mrs. Rance McDonald.

Among the out-of-town guests at the Community Singing Sunday afternoon were Mr. and Mrs. Lonnie Sockwell and his mother of Eden, Mr. and Mrs. Ollie Martin, and Mr. and Mrs. Ted Kiser of London. There were quartets and other specials and lemonade was served to a good crowd.

EDDA L. MEADOR AND R. S. BEACH TO WED OCT. 28

October 28 is the date set for the marriage of Edith Louise (Edda Lou) Meador and Russell Sanford Beach, according to announcement made at a coffee Saturday morning at the Frank Meador ranch home.

Co-hostesses with Mrs. Meador were Edda Lou's mother, Mrs. C. L. Meador, Jr., Mrs. Bill Meador, Mrs. Lawrence Steen, and Mrs. Edward Meador.

In the receiving line to greet the 125 guests who called during the visiting hours Saturday morning were Mrs. Frank Meador, Mrs. D. E. DeLong, Mrs. E. F. Meador, Miss Meador and her mother, Mrs. C. L. Meador, Jr.

The honoree's chosen colors of lavender and white were carried out in the table appointments and in the decorations elsewhere in the dining room and in the reception rooms.

A heart-shaped centerpiece of asters in violet and white, draped with violet moline, provided the

background for the announcement of names and date, lettered on streamers of satin leading from the floral center. A handmade white cloth covered the serving table. Arrangements of mums in lavender and white decorated the dining room buffet and coffee table.

Presiding at the coffee service were Mrs. Gerald Hartgraves and Miss Teena McMullen, with Mrs. A. G. McCormack and Mrs. Max Henry of Fort Stockton registering the guests.

Other relatives and friends were in the house party. Here from out-of-town were Mrs. Robert Halbert and Mrs. George Wynn of Sonora, Mrs. Buddy Russell and Mrs. McCallahan of Ozona and others.

Miss Meador was reared in Eldorado, was graduated from EHS in 1946, and received her degree in 1950 from Southern Methodist University, where she was a member of Sigma Kappa sorority. She taught in Ft. Stockton last year.

Mr. Beach was graduated from Quincy High School at Quincy, Ill., and received his degree from San Francisco State College, San Francisco, California. Serving with the United States Navy during World War II, he is now stationed at Reese Air Force Base at Lubbock, where he expects to complete his course in advanced training in October.

The couple plan a formal wedding in the Methodist Church of Eldorado.

Auxiliary Organizes State Fair Display On Edwards Plateau

The Edwards Plateau area will have an impressive display of its own as part of the "Storybook of Texas Agriculture" at the 1951 State Fair of Texas, Dallas, Oct. 6-21.

Live lambs, wool and its end products will be featured in the large diorama devoted to Extension District 7 of the Texas A&M College System.

The lambs will be caged in the center of a large simulated gold coin bearing the legend "In Sheep We Trust." The importance of wool to the area will be explained by showing the fleece from a sheep, the refined wool and the amount needed for a man's suit.

Also shown will be grass samples, cotton, and sorghum plants, as well as a model home and a display of the type of work done by farm homemakers in this area.

District 7 includes Scurry, Fisher, Jones, Shackelford, Mitchell, Nolan, Taylor, Callahan, Sterling, Coke, Rannels, Coleman, Irion, Tom Green, Concho, McCulloch, Schleicher and Menard counties.

The Storybook of Texas Agriculture is a unique, new type of agriculture show developed by the fair and Texas A&M. For the first time, every part of the state is represented in the show, through the 14 Extension Districts of the A&M College System.

The display will give fairgoers an opportunity to see under one roof the complete, comprehensive story of the state's production. Products from the Rio Grande Valley to the Panhandle area can be seen side by side, with each area's products shown in their relative importance.

The glamorous, true story of Texas agriculture is told in a series of colorful, animated dioramas, each devoted to an Extension Service district. The dioramas are built like open pages in a giant book and the entire show covers almost an acre in the mammoth Agriculture Building.

Personal News Items

Mr. and Mrs. Wiley Hight left Friday for London to attend a family reunion at the home of Mr. and Mrs. J. O. Hight. All of the children were there. The group spent their time visiting and playing ring games Saturday night, and Sunday, then the group broke up and returned home. The Hights brought Hubert Coy back after a week's visit there.

Mr. and Mrs. Milton Harris, who are moving back to Eldorado from Austin, made a trip to Austin Saturday accompanied by Mrs. Sallie Harris, to get some of their household goods. The Harrises will live with the Russell Donaldsons for the time.

Mr. and Mrs. Stewart Davis spent the weekend in San Antonio, Kerrville, and Junction.

Mrs. Lizzie Wilberg of Temple is here for a visit with her daughter, Mrs. Sam Gausemeier and her family.

Mr. and Mrs. John O'Harrow and Ronnie and Mr. and Mrs. A. J. Halbert fished at Buchanan Dam last weekend.

Guests of Mr. and Mrs. J. D. Ashmore recently were four daughters and families, Mr. and Mrs. John T. Hodges of Seymour, Mr. and Mrs. L. A. Gray of Anthony, New Mexico; Mrs. Bill Kinney of Brady and Mr. and Mrs. W. E. Terry of San Angelo.

C. C. Henderson attended a Chevrolet meeting in Dallas Thursday.

Mr. and Mrs. Eldon McAngus of Sonora visited Saturday and Sunday with Mrs. Lizzie McAngus and the Ross McAngus family.

Marshall Davis bought a new Ford Monday.

It is understood that Delbert Edmiston, who was called as a reservist a year ago and has been stationed in San Antonio, will receive his discharge and will move back to Eldorado in a few weeks.

Mr. and Mrs. W. W. Williams spent Saturday night and Sunday at Barnhart with Mr. and Mrs. H. S. Becknell.

Mrs. Zola Nelson, twin sister of Mrs. Buster Calcote, will leave this weekend for Alaska after a three-months' visit in the Calcote home. She will go to Washington and from there will take a strata cruiser for Anchorage, where she was formerly employed and where she again has employment.

Claude Alexander and his family spent the day Sunday at Via Acuna.

Mr. and Mrs. M. O. Kimmey of Los Cruces have been visiting Mrs. Kimmey's parents, Mr. and Mrs. Arch Edmiston. The Kimmey children, Truman Murry and Sue Ann accompanied them home after a visit in Schleicher County.

Mr. and Mrs. Paul Page of Dallas are visiting the Page families here.

REA

Congratulations!

and welcome to Eldorado at your annual meeting next Tuesday. We are glad to welcome you to our booth where you can see our fine electric appliances put out by these reliable companies:

PHILCO; Radios and Appliances
NORGE APPLIANCES

Maytag Washer

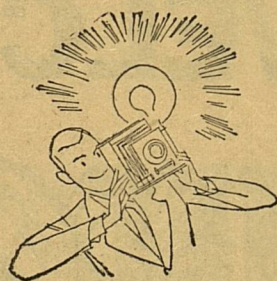

We are proud of the part we have played in making appliance and wiring installations in all parts of the county and are deeply grateful for your patronage. We are celebrating our fifth anniversary in business in Eldorado! At this time we want to thank you for your consideration and encouragement, and invite your continued patronage.

If you have electrical problems, let us help you solve them.

Boyer Electric Co.

Eldorado — Phone 24301

May we suggest a Sitting?

No doubt about it—you'll make a mighty handsome picture in a strapping new '51 Buick.

But it isn't the way you look, but the way you feel that's really important.

We'd like you to discover a Buick's ease and comfort, a Buick's power and performance, a Buick's steadiness and control—just to see if maybe you *have* been missing a travel treat.

We'd like you to discover what a valve-in-head engine, as Buick builds it—gingered with Fireball combustion—can mean in pulse-pounding thrill and in big miles-per-gallon figures.

We'd like you to learn what coil springs on all four wheels—not just in front—can do in the matter of smoothing a

rough road and keeping you on an ever-level keel.

We'd like you to see what generous roadweight and a rigid torque-tube mean in solid steadiness of ride—what Dynaflo Drive* does for you in downright comfort and convenience—what a breeze it is to handle so big and roomy and impressive a car.

Most of all, we'd like you to note the

easy-to-take price tags our cars wear—what a whale of a lot more automobile you get for your money in today's Buicks than you'll get elsewhere.

So—come in for a sitting soon, won't you? Whether you try a SPECIAL, SUPER or ROADMASTER, you'll find it the top buy in its field—and a beauty from any angle.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

No other car provides all this:

DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER

When better automobiles are built BUICK will build them

History of Co-Op

Applicants for the REA loan for the Southwest Texas Electric Co-Op had just received official approval when the Pearl Harbor disaster struck, and this work had to be done all over in 1944. It was organized and chartered in June 1941, potential users having been contacted before that time.

The office was set up and a manager secured in January, 1945. War shortages delayed actual construction of the lines, but in spite of delays, the first lines were energized on January 5, 1946, Jerry Pennington throwing the switch and Ernest Hill receiving the first current.

By August, 1946, 188 miles had been energized. Today there are 924 miles of energized line, and 596 customers.

HERMAN CARROLL HONORED ON HIS 14th BIRTHDAY

The future freshmen honored Herman Carroll with a surprise birthday party at his home Tuesday evening. Hostesses were Bessie Thigpen, Dorothy Carrell, Jo Ann Trentham and Anna Pearl Evett.

Those present spent the evening visiting, games being omitted because Herman's legs are in a cast while he is recovering from rheumatic fever. Three birthday cakes were baked, by Mrs. Ben Biggs, Mrs. W. S. Carrell and Mrs. Lillian Hazelwood.

Present were Tony Kerr, Kenneth Love, Sue Holmes, Donna Beth McCormick, Patsy Taylor, Colleen Hicks, Sherry Atkinson, Jimmy Carroll, Ruth Ann Thigpen, Mr. and Mrs. W. S. Carroll, Mr. and Mrs. Houston Thigpen, Mr. and Mrs. Tom Carroll, Herman, and the hostesses. Many gifts were brought or sent.

Mr. and Mrs. J. D. Meador are away on a two-weeks' vacation. They will visit Mr. Meador's mother Mrs. T. Meador in Corpus Christi, in Houston with Mrs. Meador's father E. E. Lockhart and in other places in East Texas. They left Eldorado Monday.

Mr. and Mrs. Joe T. Hext of Lamarque and their children have been visiting Mr. and Mrs. Ben Hext.

OFFICE WORK TAKES TIME

This is the way Mrs. Pat Tinning looks to Southwest Texas Co-Op members who call at the office—and it is a good view also of Don McCormick. Mrs. Tinning is bookkeeper for the growing business establishment.

Manager McCormick has general charge of the Co-Op with the assistance of the directors. He manages the various work projects carried out by the men, and in general directs the affairs of the Co-Op.

Users read their own meters and

pay their bills on the first—a procedure which saves the Co-Op many man hours. This enables Mrs. Tinning to handle the heavy bookkeeping job and wait on customers when they call at the office. She has been with the business since 1945.

While the above is a good picture of the manager and secretary at work on a normal day, Mr. McCormick is usually to be found in his private office north of the above where he has been taking care of his desk work since the building was remodeled a few months ago.

The Roy Shilling family had planned to leave Monday on a vacation trip, leaving Roy Junior to continue with his summer job and preach for his father at the Methodist Church—but Roy Jr. became ill during the day Monday and late in the afternoon had an appendectomy at the Holcomb Clinic. He is reported to be doing well.

Mr. and Mrs. Ira Locklear made a business trip to Sweetwater and Abilene over the weekend. Mrs. Marion Hall of San Saba is their guest this week.

Mr. and Mrs. Clyde Keeney and their niece Charlotte Ann Tant spent the weekend in Odessa, returning through Midland where they visited Mr. and Mrs. Arnold P. Scarborough.

The Corral

OPEN HOUSE, HOMECOMING

A hearty welcome is extended to everyone in Eldorado Saturday. You are invited to attend open house at the Corral immediately following the home coming parade. Just in case some of you exes have not heard of the Corral, it is a recreational room for the young people and is located in the Memorial building.

Open House will be 6:30 until 7:30. Refreshments will be served to all visitors, so be sure and be present.

★ The Military ★

Arthur Mund, Jr., of Camp Bullis, was a weekend visitor in the home of his parents.

The E. H. Dannheims welcomed their son Rusty, (Donald) home Saturday, upon completion of his special course at Memphis, Tennessee. Rusty, who has had ten months of training, will now go to Alameda, California, and will be stationed at the naval air station there.

Pvt. Howard Mittel has completed his basic training and is now starting on a six-months' radio operator's school. His address: Pvt. Howard Mittel Student Co. 8—STR—TSESS Camp Gordon, Georgia.

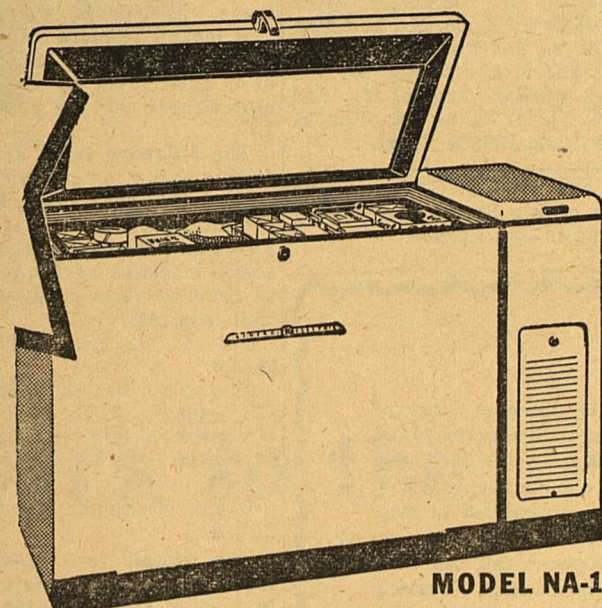

Mr. and Mrs. J. D. Meador are away on a two weeks' vacation. They will visit Mr. Meador's mother, Mrs. T. Meador in Corpus Christi, in Houston with Mrs. Meador's father, E. E. Lockhart and in other places in East Texas. They left Eldorado Monday.

Mr. and Mrs. W. H. Hale and two children left this week on a vacation trip to California, where they will visit Mrs. Hale's mother. Mr. Hale is employed at the Ohio Oil Co. office.

Mr. and Mrs. West Talbot and son David of Ballinger and Mr. and Mrs. T. E. Holcomb spent Sunday in Via Acuna.

WELCOME REA MEMBERS

At your Annual meeting Tuesday, Aug. 14. We thank you again for your loyal patronage and congratulate you on your continued growth. We remind you again of the excellent features of our G. E. appliances.

MODEL NA-11 HOLDS

389 Pounds

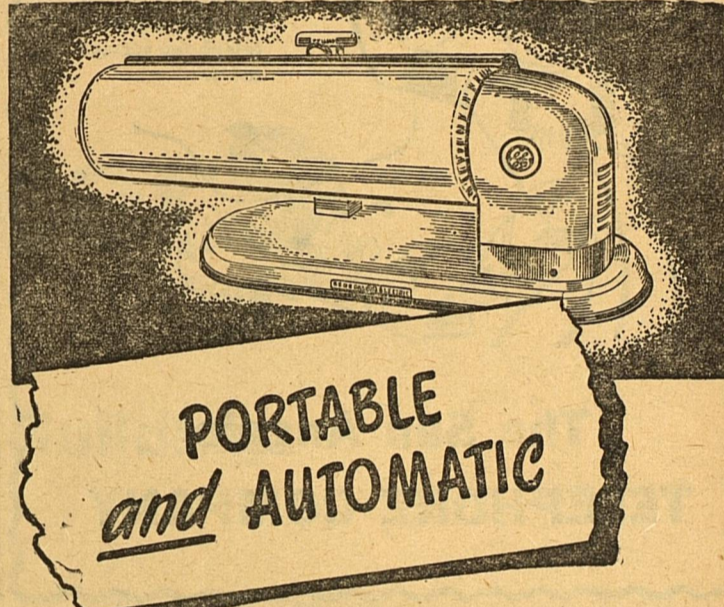

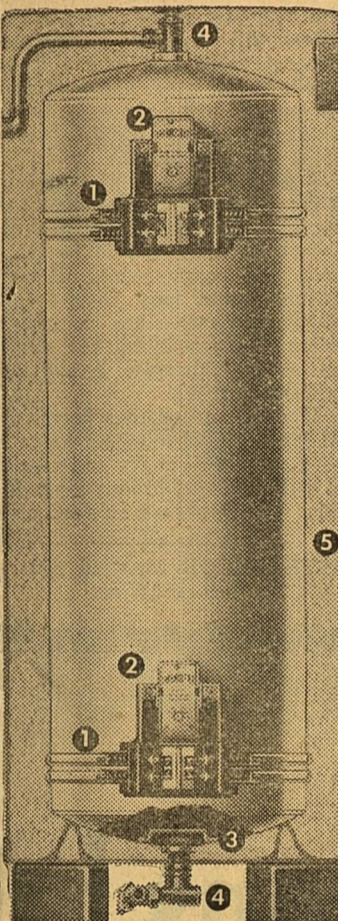

Yes—holds up to 389 lbs of assorted frozen foods.

Think how much you can save on food bills by buying foods in quantity—when the prices are right!

Separate compartment for packaging materials—locking latch—warning light, interior light—aluminum liner—G-E dependability.

MODEL NA-11

The many G. E. home freezers in Schleicher County are day-by-day mediums of General Electric.

IRONER

Built for durability and convenience—and saving!

Eldorado, Texas

Welcome, Exes, To Our City

MARGO IS TEN

Honoring her daughter Margo on her 10th birthday, Mrs. Archie Mittel entertained with a swimming party and picnic July 31 at Sonora. The children swam at the pool, then went to the City Park for a picnic supper. Mrs. D. J. Wilson and Mrs. Marvin McAngus assisted Mrs. Mittel.

Children attending were Margo Mittel, Becky McAngus, Jeannie Mund, Phyllis Kerr, Sylvia Kerr of San Angelo, Peggy Spencer, Virgie Tinning, Nancy Jo Jackson, Lexie Jane Wilson, Judy Nixon and Judy McGregor.

LEGION ELECTS OFFICERS

The local American Legion Post held its regular monthly business meeting last Thursday evening. The annual installation of new officers was held at this meeting with Past Post Commander E. W. Brooks installing the following new officers: Lloyd B. Johnson, Commander; Ar-

thur J. Mund, Vice-Commander; Alvin D. Farris, Vice-Commander; Wm. A. Butterfield, Adjutant; Bernard E. Carr, Sergeant-at-Arms; Rev. Roy B. Shilling, Chaplain. Following the meeting B. E. Carr showed movies filmed at the local football field.

AT FAMILY DINNER

Those attending a family reunion and dinner at the Memorial Building Sunday were Mr. and Mrs. S. G. Danford of Mertzon, Mrs. Bill Ratliff and her daughter and children of San Angelo, Mr. and Mrs. Tony Queen of Ballinger, Clyde Biggs of San Angelo, Mr. and Mrs. C. D. Biggs, and family of Eldorado, Mr. and Mrs. Bob McElroy and children of San Angelo, Mr. and Mrs. W. G. McAlpine and Juanita and Fay, and Bonnie Biggs.

Mr. and Mrs. O. C. James and Newlin of Big Spring are visiting here and in San Angelo.

Range Notes

The Overall Picture
With the Korean "cease fire" talks bringing optimism for real truce arrangements, the psychological downward pressure on farm prices may increase; however, no sharp declines are expected.

Already a number of farm commodities are lower than a month ago. Continued prospects for a big U. S. corn crop and a sizable jump in cotton harvest adds to the recent decline of these two major crops.

It looks like more cotton will go into the 1951 CCC loan than had been anticipated by bankers and agricultural workers prior to July 1.

The following table, showing effective parity, actual prices received and 1951 loan rates, is offered for information. This chart for Texas as a whole. Three prices are given: effective parity, prices Texas farmers received June 15, and 1951 loan rate.

Cotton, per lb., \$33.98, \$41.00, \$30.72.
Wheat, per bu., \$2.42, \$2.15, \$2.20
Corn, per bu., \$1.76, \$1.70, \$1.50
Cottonseed, per ton, \$73.90, \$95.00, \$65.00.
Oats, per bu., 98.1, 99, 75
Grain Sorghum, per cwt., 2.99, 2.12, 2.35.

The overall feed prospects for the U. S. as a whole are as follows, in order of Estimated, 1950 Production, and Average:

Corn crop, 3.3 billion bu., 3.1 billion bu., and 3.0 billion bu.
Oat Crop, 1.4, 1.5, 4% above.
Grain sorghum, 3.1, 3.1.
Hay Crop: the largest hay crop in the history of the U. S.

Hay prices are expected to be in line with last year's prices. All feed prices will continue brisk unless general rains fall within 2 or 3 weeks in this area. The condition of ranges will bring about earlier than average feeding of all breeding stock and late calves.

A bright spot on the feed map is the prospect for an abundant supply of cotton seed meal and cake. Prices are expected to be in line with last year's prices. However, ceiling prices may be adjusted slightly upward since oil mills are being "squeezed" by the drop in oil prices sharply below early months of 1951.

The 105 million pigs farrowed in the spring will require tremendous corn supplies—heavy maintenance of milk and beef production will reflect with pressure on feed prices.

ESTERBROOK fountain pens, \$2.—At the Success office.

Draft Call Being Prepared For October

AUSTIN—The Texas draft call for October is 742 men, Brig. Gen. Paul L. Wakefield, state Selective Service director, announced today. This compares with a September quota of 619 men and an August call of 772. From March through July, state calls were decreased; but beginning with the August call, quotas have been increased, the state draft director pointed out.

The October quota of 742 is the state's share of a national quota of 41,000, biggest national monthly quota since March. Part of the September and October quota of men will see service with the Marine Corps.

General Wakefield said that local board quotas for October will be assigned and mailed "around August the 8th or 9th." No local board quotas will be available until that time. Local boards have received September calls.

There will be an induction call on August 16 for six men, but none of them are from Schleicher county.

—The Eldorado Success, \$2.00 year.

First Baptist News

Following attended the Paisano Baptist encampment at Marfa: Rev. Clifford Nelson, Bill Rountree, Mr. and Mrs. Carrol Ratliff, Mr. and Mrs. W. T. Whitten, Mr. and Mrs. E. W. Mund, Becky and Jane; Barbara and Joe Ed Spencer, Sadie Davidson, and a group of business womens circle of W. M. S. All report a very enjoyable time and unanimous in their desires to attend again next year.

We were delighted to have visiting with us in the evening services Bro. and Mrs. Darrell Tapley who was formerly in charge of the Baptist Mexican mission. While here this week visiting with the J. B. Montgomerys Bro. Tapley spoke three times at the mission and reported good services with one profession of faith.

We welcomed as visitor with us Sunday evening Mrs. Jim Hays, Zelma to many of her friends and Zip to many of her intimate friends. She reports that she and Bro. Jim are very busy and happy at Brook-

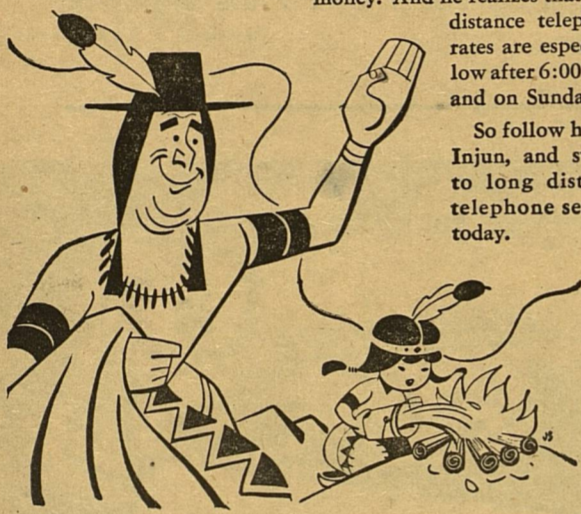

shire and are busy building a much needed church plant.

We were 8 short of our goal Sunday in Sunday school. We had 173. Our goal for the month of August is 181. The orchids went to the beginner dept. Sunday with a grade of 64. They have 27 on roll and had 26 present. Will each of you help us to reach our goal for August. Success can never be spelled without U.

Pastor will preach Sunday morning upon the subject, "Hiding Christ." And the subject for Sunday evening will be, "Grace for Divine Mercy." We urge each member to be present for these services and invite all visitors.

Miss Jewel Shelton, who is on a vacation trip to the West Coast, writes that she would leave Seattle in late July, and drive down the coast to San Francisco and Los Angeles before starting back to Texas. She will be back at the home of her brother at Hyton about August 20. Miss Shelton is English teacher in the Eldorado school system.

Modern Chief Say:
Douse-em Smoke Signals!
Long Distance Telephone Service:
**FASTER!
BETTER!
COST LESS.**

The San Angelo TELEPHONE COMPANY

This wampum-wise warrior knows long distance telephone service is a real value. He knows that long distance telephone connections are completed in mere minutes or less. He knows that a single telephone call can be a complete transaction — saving time and in many cases saving money. And he realizes that long distance telephone rates are especially low after 6:00 p.m., and on Sunday.

So follow honest Injun, and switch to long distance telephone service today.
