30 Producers In Huldale Area Today

Standard of Texas today was completing its second producer in the Huldale field. Its No. 23 H. F. Thomson estate is a one-location south extension.

This will make a total of 22 producers in the south Huldale field, and a total of 30 in the area, as follows:

South Huldale	22
North Huldale	7
Mittel Field	1
Total	30

Standard No. 2-2 Thomson was waiting on rotary, with 9 5/8-inch casing cemented on bottom at 1,450 feet. Standard No. 2-1 McWhorter spudded Monday afternoon and had passed 25 feet in caliche. It is 467 from the north, 2,167 feet from the west line of section 70-TT-TCRR.

Ohio No. 15 H. F. Thomson estate on the east side of the field, prepared to swab on perforations below 5,676 feet, with a packer set at 5,660 and plugged back depth 5,728 feet. Ohio No. 13 Thomson was waiting for cement to set on 9 5/8-inch casing at 553 feet, with total depth 2,214 in lime. Ohio No. 9 Thomson was drilling at 3,060 feet in lime and shale.

The Grey-Wolfe Co., No. 1 Mrs. W. F. Edmiston, southeast Schleicher wildcat, encountered some oil, gas-cut mud and salt water in a drillstem test Tuesday at 4,820 feet. They are drilling ahead.

G. W. Strake No. 1 Mrs. C. R. Judkins, southeastern Schleicher wildcat, is drilling below 5,913 feet in shale.

Standard No. 1-B Mittel, east offset to the opener of the Neva West field, was drilling below 2,500 feet in shale. Pan American No. 1-B Mittel, a southeast offset to the opener of the same field, was drilling below 5,715 feet in shale.

Pan American No. 1 McWhorter, another test in the Huldale field, was drilling at 2,004 feet in lime.

Bazaar Saturday

The annual PTA Bazaar—reported in these columns last week—is scheduled to be held Saturday—this week, on the vacant lot next to the First National Bank.

Committees have been at work today soliciting contributions, and a wide variety of merchandise will be available. Everyone is urged to give generous support to the Bazaar Saturday.

Lions Will Honor Teachers Monday With Ladies' Night

Pat Norwood, professor of education and director of public relations at Southwest Texas State College at San Marcos, will be speaker Monday night when the Lions Club holds a ladies' night banquet honoring local school teachers. Carrol Ratliff, president, announced that the evening will get under way at 7:30 with the banquet, to be served in the Memorial building, which will be followed by the program.

Rev. Clifford Nelson, Wayne Griffin and E. C. Peters have charge of arranging the room Monday for the occasion.

Lions were also looking forward this week to the Horace Heidt show which will be in San Angelo next Wednesday evening to give two performances of their traveling talent show, at 6:30 and 9:00 p. m. Visiting Lions from San Angelo sold a number of tickets at the local Lions meeting yesterday. At the same meeting Rev. Rollo Davidson of Memphis, Texas, who is conducting a meeting this week at the Methodist church, spoke to the group.

DR. HOLCOMB'S FATHER DIES TUESDAY AT VIAN

Dr. and Mrs. M. G. Holcomb left Tuesday morning upon receipt of word that Dr. Holcomb's father, Dr. John Holcomb, of Vian, Okla., had died early that morning. He was a practicing M. D. for many years at Vian, and had visited his son and his family here a number of times. Funeral services were held Wednesday.

Mr. and Mrs. Skeet Griffin and daughter Mrs. David Yardley returned Tuesday from Dallas.

Huldale field yesterday. Houston officials of the Ohio Oil Co., were expected in Eldorado today.

Mrs. Henry Mittel Dies Wednesday After Long Illness

Mrs. Henry Mittel, age 52, died early Wednesday morning in a San Angelo hospital, after a long illness. For the past three years she had spent much of her time in the hospital, undergoing treatment for a bone disease; she was admitted to the hospital in May for the last time. She had been seriously ill throughout the summer and critically ill during the past several weeks.

Funeral services will be held at 4:00 this afternoon at the Fundamental Baptist Church, the Rev. F. H. Pryor officiating, assisted by the Rev. M. M. Griggs, pastor of the Bethel Fundamental Baptist Church of San Angelo, and interment will be made in the Eldorado Cemetery. Nancy Posey, church pianist, will be at the piano for the hymns, which will be sung by a choir from the church.

Mamie Smith was born in Chambers County, near Anahuac, September 20, 1899, the daughter of Mr. and Mrs. W. A. Smith. In her early girlhood she moved with the family to Santa Maria, near Mercedes, where she was reared, and received her elementary and high school education; she then attended college at Kingsville, after which she taught in the elementary grades at Santa Maria.

On June 15, 1927, she was married to Henry Mittel of Sonora, and lived there until February 3, 1928, when the family moved to Schleicher County, to make their home on a ranch 12 miles north of Eldorado, where the couple reared their children.

She had been a Baptist since her girlhood, and in the late 1930's joined the Fundamental Baptist Church in Eldorado.

She devoted her life to making a home for her family, and was known as an excellent wife and mother, and a consecrated Christian woman.

She is survived by her husband, five sons, Henry Jr., Air Force Cadet, stationed at Houston, Howard W., with the signal corps at Camp Gordon, Ga., and Raymond, Steven, and Dan, at home; two sisters and one brother, Mrs. A. P. Schwartz of Mercedes, Mrs. Cecil Penick of Anahuac, and Earl Smith of San Antonio.

One son, John D. Mittel, high school Freshman, died in a car accident in 1944, at the age of 13.

Among those who are expected at the funeral are Junior, who arrived home late Wednesday, Mr. and Mrs. Howard Mittel, who will arrive here today, Mr. and Mrs. Thurman Penick and Curtis of Anahuac, who are coming by plane and Mr. and Mrs. Willie Homann of San Antonio, and probably a sister and a brother and others.

Mr. and Mrs. Leslie Baker and Mr. and Mrs. John Williams attended the State Fair at Dallas, and visited while there with Mr. and Mrs. Glenn Spahn, at Irving. They were away from home from Friday to Sunday.

Mr. and Mrs. M. J. Cunningham spent from Monday until today in Eldorado visiting the latter's parents Mr. and Mrs. W. C. Doyle. Mr. Cunningham has completed a Church of Christ revival at Artesia, New Mexico, and left today for Mobeetie to start another meeting.

Miss EHS Will Be Crowned Tomorrow

Miss Eldorado High School will be crowned Friday, October 12, in a special assembly program at 3 p. m. in the school auditorium, it has been announced by school officials.

Candidates for Miss EHS and the clubs they represented were: Marianne Craig, Dramatics club; Sue Shilling, Student Council; Ruthie Dee Harris, Band; Suzy Linticum, Talon Staff; Retha Nell Lloyd, "E" Club; Diane Thomerson, F. H. A.; Esther Jones, Eagle Scratches; Fae Davis, Choral Club.

In the first vote Retha Nell Lloyd and Diane Thomerson were the two top winners. The winner between these two will be announced Friday at the coronation. The public is invited.

Accident Fatal To Latin Child Here

Adelaida Messa, age nearly two, was almost instantly killed late Wednesday afternoon, when she ran in front of a car near the Lum Davis Station within the city limits of Eldorado on Highway 277.

The baby died within a few minutes of the accident, according to reports of those who witnessed the tragedy.

The baby's parents, Carlos and Orelia Rejel Messa, renters on the W. E. Bruton place, where they had been employed about 2 1/2 years, had been picking cotton this week at Ray Alexander's. They had stopped near the Mikeska Gin, when the accident occurred. Ray Alexander had parked at the old Rock Station 2 building, and the parents had parked their 1940 Olds across the highway just north of the Davis Station. Both cars were off the highway.

The parents crossed the road to talk to Mr. Alexander about their cotton, leaving the child in the family car, in which it is understood there were also several other people. The child suddenly started across the road toward her parents—Cleve Jones, driving south toward Sonora, saw the child and avoided striking her, but a pickup owned and driven by J. L. Neill, going north, struck her as she ran in its path. With the two cars parked off the highway, and two cars passing, apparently driving fairly slowly, it is understood that the accident was considered unavoidable by investigation authorities, and no charges will be filed.

This is the county's first traffic fatality for 1951.

Adelaida was born on the W. E. Bruton place, November 11, 1949. Her mother was reared here, and her father came from Old Mexico several years ago. The young parents lost their younger child, a daughter a few weeks old, in December, and the baby was buried here.

Adelaida's grandparents, the Manuel Rejels, left Eldorado Sunday on a cotton picking trip, and had not been reached by phone as this paper goes to press this morning. There is also a great grandmother in the local Latin American community, and grandparents in Old Mexico.

Funeral services will be held at 5:00 today, Thursday.

Oil Field Worker Is Badly Injured

Truman L. Teague, 21, of San Angelo, employee on the oil test on the Judkins Ranch about 25 miles from Eldorado near the Menard Highway, was badly injured at 7:00 Wednesday morning when he caught his left leg on the rotary table of the rig. He was brought to Eldorado and was given first aid attention by Dr. Robert Maginot, after which he was taken to San Angelo for hospitalization and an operation.

He is an oil field roughneck, who makes his home in San Angelo. In the accident his left leg received compound fractures, and he was thrown by the rotary table in such manner as to injure his head.

Visiting Capt. and Mrs. Thad Thomson this week have been Capt. and Mrs. F. A. L. Vossler of Monterey, Calif. The two men were classmates at the Naval Academy and shot on the Naval rifle team.

The game here last Friday night was a spirited affair that gave the Eldorado Eagles their best workout yet. While the score was somewhat lopsided, the Melvin boys were in there scrapping every minute, and the Eagles were not quite confident enough to run in a flock of their small Eaglets as they had done in the two previous games.

Melvin had a trick or two up their sleeve that enabled them to break out for a touchdown in the last minute of the game. Something of the same sort happened in the 3rd quarter, when Melvin had the heart-breaking experience of having a play called back after their runner had crossed the goal line. In that case both sides were off-side and flags were down before the run started.

The Eagles were very much in charge of the ball game all the way, running up 21 points in the first half.

The game got under way with the Bulldogs kicking, and it was Eldorado's ball on their own 27. Their first two plays were good for a 1st down. Two more plays and another 1st down. There were several plays, a penalty, and a pass from Nixon to Edmiston that put us down in pay territory, where Craig went through the line for a TD. Extra point good. 7-0.

Melvin brings ball up to their 25 on our kick off. 3 plays for no gain. They kick out, Eagles fumble and Melvin recovers on our 43. Melvin pulls 3 plays and kick out on the 4th. Eagles take over on their own 12.

Eight plays by the Eagles result in 4 first downs. Then they get bogged down—penalized for too much time—and ball goes over to Melvin. (Quarter.)

Melvin takes over on their own 30, and make their first 1st down in the ball game. They fumble, we recover on their 30. Edmiston goes round end for a TD. Kick is good. Score 14-0.

Melvin receives our kick and brings ball back to their 38. They kick out on 4th play and it's Eldorado's ball on our own 18 yard line.

We run several plays and are penalized 15 yards, then pick up two 1st downs. Three more plays fail to get us anywhere and Nixon kicks out on the 4th. Melvin takes over on their 5.

Melvin fumbles on first play. Eldorado recovers back of goal line. Good for TD, and Nixon's kick is again good. Score 21-0.

Melvin's ball on their own 29. On their 3rd play a long pass is intercepted. John Phillips is hurt and taken from the game and a few minutes later Logan is also injured.

Eldorado loses ground due to penalties and ball finally goes over to Melvin. Melvin tries one pass after the other and pick up three 1st downs. Melvin player hurt and taken out of game. Half ends with Melvin in possession of the ball, but with no scores. (21-0)

Second Half

The second half starts with the Eagles kicking. Melvin's ball on their own 28. The ball see-saws back and forth all through the third quarter. There are short passes and long passes, fumbles and penalties, and the quarter ends with the same score it started with.

As play is resumed in the last quarter it is Melvin's ball. They get off a nice pass. Then they fumble and the Eagles take over. We make two 1st downs, but after the next 4 plays ball goes back to Melvin on their 29. Three incomplete passes and they kick out.

Eldorado takes over on their own 44. The Eagles steam-roller down the field taking a 1st down with each two plays. They are finally down to Melvin's 17, where Nixon goes through the line for TD. Again the kick is good and the score is 28-0.

There was not too much time left in the ball game when Eldorado kicked off to Melvin, but they took the ball—made a short pass, and suddenly a player broke out for a 55 yard run and a TD. Their kick was good, and Melvin chalked up their 7 points in the last minute of the game.

Statistics

Melvin: First downs, 9; yards gained by scrimmage, 80; yards lost by scrimmage, 20; forward passes, 20; passes completed, 7; yards gained by passes, 136; forwards intercepted, 1; number of punts, 5; punts average, 32; run-back of punts, yds., -3; fumbles, 4; own fumbles recovered, 1; penalties, 1; yards lost on penalties, 5.

Eldorado: First downs, 19; yards gained by scrimmage, 289; yards lost by scrimmage, 6; forward passes, 16; passes completed, 5; yards gained by passes, 81; forwards intercepted, 1; number of punts, 1; punts average, 44; run-back of punts, yds., -3; fumbles, 5; own fumbles recovered, 3; penalties, 9; yards lost on penalties, 85.

Other Games Friday

While Melvin was taking a beating here Friday night, other games in this area resulted as follows: Sonora beat the Angelo Kittens 18-13.

Llano defeated Ozona 27-6. Iraan beat Big Lake 46-0. Menard defeated Rochelle 33-6. Del Ato beat Junction 47-0. Eden beat Mason 46-12.

About Menard

As the Eagles prepared for the first conference tilt of the season against Menard here tomorrow night at 8:00, it was pointed out that the Menard team has lost two games so far, those against Bandera and Melvin; and has won three: Rochelle, Fredericksburg, and Mason.

Supt. T. E. Holcomb thanked the public for their cooperation with the ticket takers and traffic directors so far in the season. He said that even better handling of the crowd could be accomplished if all football fans would have correct change ready at the gate.

Local Legionnaires At Mason Convention

American Legion District 21 held a weekend convention in Mason Oct. 6 and 7. The following officers were chosen to serve during the coming year: Earl Tate, Brownwood, commander; Alfred Nuffendorf, Fredericksburg, vice commander; Rev. J. Cochran, Brownwood, chaplain; Robert Lee, Mason, advocate judge, and Nick Mangen, San Angelo, sergeant-at-arms.

Bev McCormick Post 257, Eldorado, was represented by Arthur Mund, vice commander, and Bernard Carr. They report an interesting program stressing Americanism and the importance of a renewed interest in citizenship, and an awakening to the threat of communism facing Americans today. Principal speakers for the occasion were Rev. Lester Cochran and Sen. J. P. Fuller.

The next meeting will be held in Fredericksburg.

METHODIST REVIVAL TO CLOSE WITH MASS MEETING SUNDAY

A mass meeting at San Angelo's Guinn Field Sunday evening at 7:00 will bring to a climax the evangelistic services which have been under way in Methodist churches of the state. Methodists from an area surrounding San Angelo, south to Del Rio, west to McCamey, north to Sterling City and east to Miles, will attend the mass meeting.

Methodists of Eldorado will gather at the church and go in cars, leaving the church at 5:00. All who are interested are urged to be there at that time—there will be transportation for those without cars. The speaker for the evening will be Rev. Walter Willis of El Paso First Methodist Church. If weather does not permit the outdoor meeting the group will go

to the City Auditorium. A choir of 200 is expected to lead the song services, and the Eldorado choir is invited to be a part of this mass choir.

Meanwhile the revival is under way each night at the Methodist Church in Eldorado. A visitation committee will convene and call on various families of the city after 6:00 and the regular service will open each night at 7:30. The Rev. R. Davidson, a Methodist pastor of Memphis, is bringing an inspirational message each evening. There is no meeting Saturday but regular services Sunday morning.

Rev. Roy Shilling will go to Shamrock, in North Texas, the last of the month, to hold similar services there.

FUNERAL TODAY FOR MRS. JOSIE WORD, 93-YEAR-OLD RESIDENT

Mrs. Josie Word, 93, died Wednesday morning at 2:15, after several weeks critical illness. She had been in failing health a number of years, and critically ill through the latter part of the summer and early fall.

Funeral services are being held this afternoon at 2:00 at the Eldorado First Methodist Church, the pastor, Rev. Roy Shilling officiating. Pallbearers are: W. A. Schuller, Palmer West, Edwin Childers, Gordon Hamm, Robert McWhorter and Jack Montgomery. Interment will be made in the Eldorado Cemetery.

Honorary pallbearers are: Jess Ashmore, R. J. Alexander, Tom Alexander, W. G. Godwin, Rev. J. M. Hays, D. C. Hill, E. C. Hill, Heron Mace, J. B. Montgomery, Marvin McDonald, W. T. Parker, Fred Smith, J. E. Spencer, Fred Watson, W. T. Whitten.

Josie Hall was born to Mash and Liza Hall June 12, 1858 in Joplin, Missouri; when the mother was able to travel, the Halls and their new baby and two or three older children started for Texas, making the trip by wagon which was heavily loaded with household goods and drawn by four steers.

The family settled five miles from Farmersville, not far from Mrs. Hall's relatives. Josie was reared in that neighborhood, receiving her schooling in the rural areas in which the family lived.

When she was ready to marry, her father took her to Farmersville, five miles away, by wagon, driving his steers, carrying his own water supply along, and taking their food from home as there were no cafes in Farmersville. She was married to J. R. Word October 5, 1876, at her parents' home; that was 75 years ago.

A short time after their marriage, the couple, who had rented from the folks the first year, bought a half section farm, on terms—paying \$1.00 per acre, 3 percent interest and 2 1/2 percent on the principal, 40 years to pay.

In 1889 they moved to Wilbarger, in 1898 to Sonora where the family lived in town and Mr. Word ran stock in the county, and in 1926 to

Eldorado. Mr. Word, who was ten years older than his wife, died in 1918, on November 23, when the family were visiting at Kirkland, Texas.

In Eldorado she lived with her son Bill Word, and continued to make her home with him throughout the remainder of her life. In 1946 they moved to Del Rio, in '47 to DeWitt County, and in 1950 back to Eldorado.

Of the ten children born to the Words, six are living, Mrs. B. F. Jones, Quanah; Bill Word, Eldorado; Mrs. Liza Bridge, San Antonio; Mrs. Jud Brannon, Eldorado; Mrs. Charles Morris, Del Rio; and Mrs. D. J. Burrows, Nordheim.

Four children preceded Mrs. Word in death. Orval, who was born in 1889, died at Brooks General Hospital on April 24, 1950; Frank, who was born in 1884, died in California four years ago. The couple lost a married daughter and an infant in 1895; Mrs. John Laney died in childbirth at the age of 18, and her son made his home with the Words until the father married again about five years later; Paddy, age nearly 13 months, died also that year.

She is also survived by one sister Mrs. Zettie Nell of Ada, Okla., and a large number of grand children and great grand children.

For 87 years she had been a member of the Methodist Church, joining when she was a young girl, at a brush arbor revival in Collin County. The family had attended the revival according to the custom of the times—they made the trip to the arbor by wagon, camped out while they attended the services, using water from the spring which was an essential requirement, the men taking turns herding the horses when the crowd was large. Only recently she asked someone, "I wonder if there is anyone anywhere who has been a Methodist longer than I have!"

She was a member of the Eastern Star for many years, her husband having joined the Masonic Lodge at Caddo Mills. She also joined the Maccabees near the turn of the century, keeping her membership until the chapter demised.

Pointers About Fire Prevention Given

COLLEGE STATION—Some 3,500 lives and more than one hundred million dollars in property losses will be the toll for rural fires in the nation this year. The Texas Farm and Ranch Safety Committee, headed by president J. Walter Hammond of the Texas Farm Bureau Federation and E. C. Martin, Texas Agricultural Extension Service, is urging all Texans not only to observe National Fire Prevention Week, October 7-13, but to practice fire prevention every day in the year.

The leaders report that each year there is a sharp drop in the

number of fires during and immediately following Fire Prevention Week and cite this as evidence to prove that something can be done to prevent fires when people really work at the job. Rural fires occur at the rate of one every five minutes and records show that 90 per cent are due to carelessness and neglect and are preventable.

They say one or more of the following hazards is usually responsible for most rural fires: defective stoves and furnaces; defective, clogged and poorly built chimneys; failure to protect buildings with lightning rods; improper storage of gasoline and kerosene; sparks falling on flammable roofs; spontaneous ignition of hay; careless smoking habits; overloaded electrical circuits and failure to replace worn electrical cords and defective electrical appliances and equipment.

The members of the Texas Committee point out that the big fire prevention job rests with the individual farm family. Each member of the family should always be on the alert for fire hazards and when one is found, it should be removed immediately. Tomorrow, in this case, may be too late. But they are quick to add that other fire prevention practices can best be carried out on a community or neighborhood basis. There should, they

say, be provisions made in each community for pooling all fire fighting equipment. There are many fires such as grass, brush or trash fires that could be controlled before they get out of hand if assistance and a few pieces of equipment were available. The portable spray rigs or even hand sprayers can be used successfully. There is a great need for more fire fighting equipment in most rural areas but that on hand should always be serviced and ready for immediate use.

Keep several barrels of water at strategic spots about the farmstead or better, if water pressure is available, locate hydrants near the danger spots and see that sufficient hose is on hand to reach all buildings. The committee recommends that families hold fire drills occasionally. By doing this on a family and neighborhood basis, each individual will become familiar with his assignment and fuller use of available equipment can be made in time of crisis.

The Committee urges every rural Texan, young and old, to make a complete survey of all farm buildings for fire hazards and then see that the necessary steps are taken to remove these hazards. A well kept farmstead with everything in place and a place for everything will help keep fires away from your farm or ranch and will set an example for others to follow.

RONNIE MITTEL IS HONORED ON 14TH BIRTHDAY

Honoring their son Ronnie on his 14th birthday, Mr. and Mrs. Archie Mittel entertained with a party for his Freshman Class Saturday night. Twenty-six young people attended, and the Mittels were assisted in entertaining and serving the group by Mrs. Dee Love and Mrs. T. E. Holcomb.

The Corral provided the meeting place for the young people, who played various directed games during the evening, from 7:00 until 10:00. Prizes were offered for the best gum sculpture, Jane Miller winning for the girls, with her mouse, and Montie Hill for boys, with his horse's head.

Refreshments consisted of punch and cake.

Those present were: Bill Holcomb, Jim Steward, Sonny Moore, Dorothy Carrell, Donna McCormick, Jonnie Whitten, Barbara West, Sue Holmes, Kenneth Love, Gerald Wilson, Tony Kerr, Ronnie Mittel, Colleen Hicks, Bessie Thigpen, Jo Ann Trentham, Glo Wanda Jeffrey, Jerry Lynn Pennington, Jean Kuykendall and Anna Renobato. Others present were Mr. and Mrs. W. S. Carrell, Mr. and Mrs. Houston Thigpen and Ruth Ann, and Mr. and Mrs. John Waldrum and Sandra.

Mr. and Mrs. Ted Kirby and son of Crane, formerly of Eldorado, visited here Sunday with Mr. and Mrs. E. W. Craig and Mr. and Mrs. Earl Cathey.

Mr. and Mrs. T. W. Johnson visited last weekend in Midland and Kermit and brought their son E. T. back with them, for a several-day visit.

RECIPE OF THE WEEK

Corn and Cheese Rarebit
 1/4 cup chopped green pepper
 1/2 teaspoon minced onion.
 1 tablespoon butter.
 1/2 teaspoon salt.
 Dash of pepper.
 1/8 teaspoon paprika.
 2/3 cup milk.
 1 11-ounce tin cream style corn.
 1/2 pound cheese, diced.
 1/2 teaspoon Worcestershire sauce.
 2 eggs, beaten.
 toast.
 Sauté green pepper and onion in butter until soft; add seasonings, milk and corn, and simmer 10 minutes. Place over boiling water and stir in cheese and Worcestershire sauce. When cheese is melted, stir in beaten eggs and cook two minutes longer. Serve on toast. Five servings.

The Gospel And A Warning

"I marvel that ye are so soon removed from him that called you into the Grace of Christ into another gospel: which is not another. But there be some that trouble you and would pervert the Gospel of Christ.

"But though we, or an angel from heaven, preach any other gospel unto you than that which we love preached unto you, let him be accursed." Gal. 1:6, 7, 8.

This wonderful gospel that Paul preached to us is almost a forgotten thing in these times. Though many preach, they preach as just quoted, "another gospel."

But notice also that it is not another gospel, for there can only be one gospel.

Notice in the seventh verse "that some would pervert the Gospel so that anyone who does not preach this gospel is a pervert."

In Galatians 1:4 it is plainly set forth what the Gospel of Christ is. "Who gave himself for our sins, that he might deliver us from this present evil age according to the will of God and our father. To whom be glory forever and ever. Amen.

Have you heard this gospel? Have you been delivered from your sins? Does Jesus live in you? —Rev. F. H. Prvor, pastor, Fundamental Baptist Church.

Mr. and Mrs. Arch Carson and Judy of Big Spring visited Saturday night and Sunday with the L. Moores.

Mrs. Jack Whitley of Ozona underwent minor surgery recently at Holcomb Clinic.

First Baptist News

We welcome into the fellowship of our church the following: Miss Anna Baker, Miss Sue Holmes, Mrs. John W. Evans Jr., and Mr. and Mrs. Miers Johnson. We have a welcome for these new members and trust that if you are a Baptist living in Eldorado and do not have a church home, you will consider making our church your church.

This Sunday the First Baptist church will observe its golden anniversary. We wish to extend a welcome to all former members and friends to be with us on this day. There will be an all day service. Lunch will be served at the church at noon. Afternoon program will consist of song feast, testimonies, and viewing the history of the life of the church for its first 50 years. Evening service will be laymen's night, as October 14th is laymen's day all over the South. Come be with us on this very significant day.

Our goal for Sunday School attendance for October is 195. We went six over the goal the first Sunday. Let us go over again on our Golden Anniversary day. Our slogan by departments is, "One More Than the Month Before." The efficiency banner for Sunday School in September was won by the Beginner department. Mrs. Claudia Galbreath and her fine teachers have won it every month.

Our Training Union under Bro. Bill Rountree reached its highest attendance last Sunday night since March: 84. Our goal is 100. If each leader and member of each Union will work we can reach the goal. Let us work together for a greater Training Union.

The young people's organizations of the W. M. S. were reorganized Monday afternoon. Mrs. L. D. Mund and Mrs. Jack Montgomery have the Sunbeams. Every boy and girl ages 4 through 8 are invited to be in the Sunbeams. The G. A. group are under Mrs. Clifford Nelson and every girl of junior age is invited to attend. The Junior R. A.'s are under the leadership of Bro. Nelson and all Junior boys are invited to attend.

COLLEGE STATION — The hornfly population of the state has reached the danger point. That's the word from James A. Deer, associate Extension entomologist of Texas A&M College. He reports the weather of the past few weeks—repeated showers with warm temperatures and above average humidity—has been responsible for the hornfly population increase. Deer says cattle owners should

immediately take the necessary steps to rid their herds of these pests. Here's why; a heavy infestation will cause cattle to go into the winter in a weakened condition and if they become heavily infested with lice during the winter, there'll be more trouble. Hornflies and lice are both blood suckers and the result will be anemic cattle.

According to Deer, cattle treated now for hornflies may also be treated for lice. This combination treatment will save time and labor

and is insurance against cattle going into the winter in a weak condition. For the combination treatment, Deer recommends that livestock producers spray their animals with a solution containing four pounds of 50 per cent wettable DDT powder and four pounds of six per cent gamma wettable BHC powder to each 100 gallons of water. Toxaphene may also be used. He recommends using a spray containing only five-tenths of one per cent of this material.

What's the fastest-growing line of trucks in America?

LOOK around you—in cities, on farms, L at terminals and loading docks—wherever goods are moved on wheels.

More and more, the pay load's packed on a GMC.

You see those letters on medium and heavy Diesels, the most economical workers in their field. For GMC means first in Diesel power.

You see gasoline-powered GMC's front-running the highways of America—pace-setting delivery of the necessities of peace and war.

You see nimble bantamweights of the family—the highest-powered 1/2- to 2-tonners made—outpulling, outhauling every other truck in their class.

Ever wonder why GMC is gaining a greater percentage of the industry than any other truck-maker?

Ask the truck drivers themselves. See the confident way they talk of

the power plants, the broad-shouldered chassis—the way a GMC handles.

Ask about the tons they've hauled, the miles they've logged—the nip-and-tuck schedules they've licked time and again.

Ask these cost-wary haulers why they've made GMC the fastest-growing fleet in the land.

They'll tell you it's because GMC is the finest motor truck made.

If you'll come in, we'll show you why we think they're right.

OHIO WOMEN LOSE ONCE AGAIN TO TEENAGERS

The Ohio women, still smarting from a bad defeat by the Teenagers the week before, almost won in a hotly contested baseball game Monday night at the lighted park. The score was 10 to 9 in favor of the Teenagers.

On the Ohio team were Mrs. Floyd Nunley, captain, and Mmes. Ernie Coppage, Rose Mary Uherek, Andy Kirby, Walter Warren, Merle Hatley, Wallace Gore, Dolores Collins and Butch Klein.

The Teenager players were Carolyn Ratliff, captain, Charlene Atkinson, Esther Jones, Lola Beth Ballew, Susie Linthicum, Juanita Phillips, Colleen Hicks, Martha Dell Williams, and Marianne Craig, and Margaret Ellen Edmiston substitute.

Couple Honored At Meador Home

Mrs. Edward Meador entertained with a dessert and bridge honoring Edda Lou Meador and Russell Beach, her fiancée, Saturday night.

The engaged couple were presented with a gift. High was won by A. G. McCormack, second high by John Miller, high canasta by Mr. and Mrs. Homer Wolfe, traveling by Mrs. Elmer Peters, men's bingo by Carroll Sproul, and women's by Mrs. Pete Williamson. Ice cream and cake was served.

O. E. S. MEETS

The Past Matrons and Past Patrons of Eldorado Chapter No. 140 and others were honored with a program when the Eldorado Chapter met in regular meeting Monday night. Phyllis Montgomery had charge of the program. Flowers were presented to the twelve past matrons and past patrons.

Esther Schuller, worthy matron, presided during the business session. Mrs. Nan Montgomery was appointed delegate to attend the Grand Chapter meeting in San Antonio Oct. 22. The worthy matron urged that all members be present for the initiation ceremony in November.

Refreshments were served to 26 members by the hostesses, Mrs. Mae Tisdale, Mrs. Jessie Wheeler and Mrs. Faye Mace.

YOUTH MEETING

The students of the Eldorado Junior High School and the Sonora visitors were entertained in Corral room in the Memorial Building, Thursday night, October 4, after the Junior Football game. Between 150 and 175 youngsters attended. Mrs. C. Wilkerson, Mrs. C. C. McLaughlin, Mrs. L. B. Sheffield, Mrs. Frank Prochaska, Mrs. Palmer West, Mrs. Frank Reynolds, Miss Lottie Reynolds and Mrs. J. E. Spencer were hostesses.

Mr. and Mrs. Lynn Alexander are visiting in Llano and Snyder.

Meeting at the home of Mrs. P. F. Case on Monday, members of the Eldorado Guild of St. John's Episcopal Church sewed articles to be sold at the bazaar next month. The group will attend the monthly auxiliary meeting at the rectory in Sonora next Wednesday.

Leonard Hight and his family of San Angelo spent Sunday here with Leonard's brother Wiley Hight and his family.

Mr. and Mrs. Stewart Davis were in San Antonio Wednesday.

Mrs. D. E. DeLong had as guests recently Miss Addie B. Greeley of Houston, Mrs. W. A. Adams of Fort Stockton, and Mrs. Ada Chaney of Douglas, Arizona.

Members of the Eldorado Guild of St. John's Episcopal Church will entertain Miss Edda Lou Meador, bride-elect of Russell Beach, at a coffee Saturday morning, October 20, in the Memorial building. Young daughters of Guild members will assist the hostesses.

Mrs. Jack Elder and Nancy Jo accompanied by E. H. Nixon, Jr., and Frank Edmiston were among the 50,000 fans attending the Texas and North Carolina game in Austin Saturday. Mrs. Elder and Nancy visited with her daughter Rita Ann, freshman student, and her brother, Frank Montgomery, senior student during the day. While there arrangements for tickets and plans were made for the Jack Elders to attend the Texas-A&M game at College Station on Thanksgiving Day.

BIRTHDAYS CELEBRATED

Celebrating the joint birthdays of George Williams and Patsy Holden, the families were served a dinner Sunday at the Williams home. Present were the George Williams family, Mr. and Mrs. J. D. Holden and children, Mr. and Mrs. Bill Williams, Ab Williams, Mr. and Mrs. Woodie Ludwig, Mr. and Mrs. James Masey and son. There were a number of birthday gifts for the two who were honored, also a birthday cake.

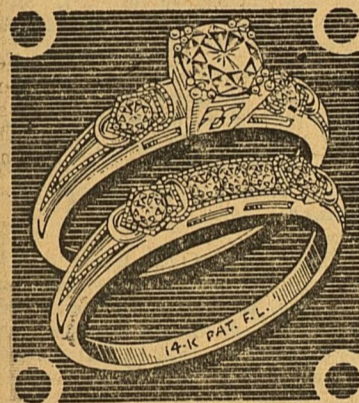

PRESBYTERIAN WOMEN IN REGULAR SESSION

About 20 attended the women's meeting Monday afternoon at the Presbyterian Church. The group opened in circles, Mrs. Bert Page and Mrs. Joe Edens taking charge of devotionals, after which Mrs. Charlie Robinson led the lesson for the entire group.

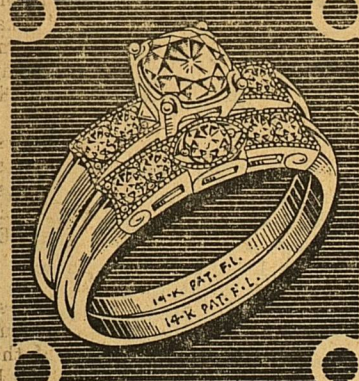

Two new members were enrolled. Mrs. Pete Ringle served refreshments to 15 members and five visitors. A set of pottery was presented to Mrs. Joe Edens at the close of the afternoon.

POST - SCRIPT

Two thirds of the Eldorado Success crew were out of town from Friday morning to Monday night, attending the State Fair. We were back on the job Tuesday morning, both of us—late with our work, and still tired, but glad we'd gone.

We saw Guys and Dolls, the Ice Follies, and the Thrillcade. They're all marvelous, and all completely different. We also saw all of the exhibits and made the grounds several times over, including a few hours on the Midway.

Saturday was Press day—but as far as we were concerned it was just any day—we didn't see a single newspaper person we knew! It was also the day for agriculture's youth to take over, which they did in a big way—hundreds of busses unloading the young folks that morning from all over the state. We understand that they ate several tons of hamburger meat Saturday!

There are lots of interesting things to see—in case anyone reading this intends to go. We were especially impressed with the district displays in the agriculture building, the Bell Telephone demonstrations, the chance to appear on television (Just walk along and look and there you are) Dilling's car down in the Midway, the showings of old cars in the automobile building, and the trapeze artists!

That takes in just a few things we liked. Others we've learned of who attended the Fair were Mr. and Mrs. Carl Stevens of Ozona, and Mr. and Mrs. A. J. Stevens of Eldorado, Mr. and Mrs. Grover Lee Johnson, Mr. and Mrs. Leslie Baker, Mr. and Mrs. John Williams.

Now we've been wondering how California is coming out on their state fair. Remember—last year they said they were going to challenge Texas' claim to the biggest state show.

Back from the city of Washington, D. C., are Mr. and Mrs. T. K. Jones, the only Texans who attended the Washington Pilgrimage of American Churchmen.

They have a lot to report, and are especially enthusiastic over the many fine people they met and the good time they had. As may be expected, T. K. wore his usual wide brimmed hat and boots—creating quite a stir among the delegation as the typical Texan, and the only person there thus garbed.

They heard President Truman's address to the group, but were disappointed that there was no reception—the president was well guarded and left after his speech. The night meeting always had some big drawing card like that—someone nationally known who talked to them.

Daytimes were most enjoyable, they state. At nine they would leave their hotel in chartered busses, and make a big trip somewhere to interesting places. As is everyone who makes the trip they were especially interested in Mount Vernon, which is as the original occupants left it—complete with a trundle bed, and a smoke house filled with hams! The group also visited the Arlington Cemetery and placed a wreath on the tomb of the unknown soldier—and afterwards had quite a little discussion about the segregated graves—white and colored being in separate places, they report!

Washington's Christ Church was their church home on Sunday—they saw Washington's original family pew there.

The Joneses state that they had a good trip, but it was dry all the way up there and all the way back, and that they have a lot of things to remember the rest of their lives for having been a part of this pilgrimage.

A very elaborate looking display truck was parked all day Tuesday on a lot opposite the Ohio Oil Co. office. The truck belonged to the Baker Tool Co., and carried a display of various kinds of oilfield tools.

Mikeska Gin reported a total of 189 bales by Tuesday morning. Cotton has been coming in rather steadily, but there is not enough in the county to require much night work on the part of the crews. As Moore's Gin did not open this year, some is coming in from the Reynolds neighborhood but the crop is unusually light due to the drought.

A. R. Parker is meeting with firemen of this district once each week for five weeks, drilling them the latest in fire fighting.

He comes to Eldorado each Tuesday night to meet with the boys. Tuesday's lesson was on relaying water through several receptacles, to get it into a truck for fire fighting use. He is from the state office.

Edda Lou Meador Is Shower Honoree

Honoring Edda Lou Meador, bride-elect of Russell Beach, the WSCS of the Methodist Church entertained with a gift tea Saturday afternoon in the reception rooms of the church.

In the receiving line were Mrs. D. E. DeLong, Mrs. Ralph Fowler, Mrs. S. D. Harper, Mrs. Lawrence Steen, Mrs. Edward Meador and the honoree and her mother Mrs. C. L. Meador, Jr.

Mrs. A. G. McCormack and Mrs. Bobby Barber of San Angelo served the first hour and Miss Teena McMullen and Miss Joyce Burk the second. Mrs. Gerald Hartgraves and Mrs. Homer Wolfe of Falfurrias were at the register.

The serving table was covered with a lace cloth, and centered with an arrangement of lavender glads. The white cake was topped with small purple flowers and the candles were white. Punch was ladled from a crystal bowl.

A large assortment of gifts was displayed on long tables in the reception room.

Among the large number of callers were several from out of town, in addition to those mentioned above: Mrs. Harold Shertz of Sonora, Mrs. Max Henry of McCamey and Betty Wester of San Angelo, who will be one of the attendants.

ATTENDANCE AWARDS MADE AT METHODIST S. S.

Ray Tisdale, superintendent of the Methodist Sunday school presented perfect attendance awards as follows Sunday morning during the Sunday school hour:

Mary Tisdale, four-year perfect attendance; Riedale West, Carol Tisdale, Sandra Holcomb, Martha Ann Topliffe, and Robbie Waldron, two-year pins; Doris Jane Orr, three months' award.

Mr. and Mrs. John L. Barrows and son, Robert Lynn of San Angelo, visited over the week end with her parents, Mr. and Mrs. Reuben Dickens and other relatives.

★ The Military ★

Major Q. V. Miller of Ballinger and his wife and daughter Margaret Jane spent a few days recently with his brother John Miller and his family. Major Miller had recently returned from Korea, and is now receiving new assignment to Travis Air Base near San Francisco.

G. S. Cathey, brother of Mrs. A. J. Halbert, Mrs. Irene Rutland and Mrs. Van O'Hara, received his discharge from service on October 3 at Mineral Wells, and has returned to his old job at a San Angelo grocery. He spent Saturday, Sunday and part of Monday here with his sisters and with Earl Cathey, on his way home.

He and his wife were involved in a car accident three weeks ago, in which he received head and body injuries and his wife broken legs, the wreck occurring when his vehicle hit the loose gravel at a turn in the highway. Both are doing well, relatives report, but the cars were demolished.

Mr. and Mrs. A. F. Grelle received a letter this week from their son, Harold, stating that he had landed in Japan September 29. His address is:

Pfc Harold W. Greele US 54011828 Prov. Co., 969 %P. M. APO 613 San Francisco, Calif.

Self-Employed Urged To Get SS Cards Now

Self-employed persons were urged by Social Security Administration authorities to apply as soon as possible for social security cards, if they have not already done so. Under new SS regulations which became effective Jan. 1, 1951, self-employed persons were included in the coverage.

Many self-employed individuals, according to officials, still do not know that they are included in the benefit program.

It was pointed out that the coverage was compulsory and that many persons in the category may receive "something of a shock" when they pay their 1951 income tax and discover that an extra \$50 or \$60 has been deducted.

Now is the slack season for the issuing of new cards, and it would be advantageous to apply for the card before the Christmas rush when thousands of new workers are hired.

The self-employed are defined as individuals who have incomes from trades or businesses which they operate either as sole owners or partners. Also covered are writers, photographers, appraisers, artists, sign painters and individuals with similar occupations who are not paid salary or commission by an employer.

Farmers, ranchers, doctors, dentists, lawyers, architects, engineers and ministers, and other professional men are not included in the coverage.

AGRICULTURE SECRETARY TO SPEAK IN AUSTIN

Austin.—Secretary of Agriculture Charles F. Brannan will be the principal speaker at the eighth annual convention of the Texas Social and Legislative Conference in Austin October 13-14, it was announced this week.

Conference Chairman Robert C. Eckhardt of Houston said the cabinet member had accepted an invitation to address the convention at 8 p. m. Saturday, October 13, at the Stephen F. Austin Hotel. He will be introduced by Texas Commissioner of Agriculture John C. White. This is an open meeting to which the public is invited.

—The Eldorado Success, \$2.00 year.

Be Imaginative With Salads

COLLEGE STATION — Homemakers who have an urge to try out their creative ability can do it right in their own kitchen. Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, says to "just let the artist in you go to work" when it's time to make a salad.

The first rule in making an attractive salad, the specialist says, is to keep it simple. Second, fit it to the rest of the meal. Foods used in the rest of the menu should not be used in a salad. Colors and flavors should be in harmony and the salad as a whole should provide foods that are needed in the meal.

A third rule is to keep the foods for cold salads cold, and those for hot salads, hot. Fourth, select a dressing that suits the salad. Fifth, make the salad attractive. Miss Reasonover points out that the food used should be cut into pieces large enough that the food can be identified and small enough to handle with ease.

Other things to remember include keeping fruits fresh and bright in color and see that all foods used in a salad are well drained. Fix salad at the last possible moment, the specialist advises, and toss lightly. Do not over-mix. Select the serving dish for the salad with ease. It should be large enough and of the right shape to "set off" the salad, Miss Reasonover adds.

San Angelo Office Handling Social Security Cards

Are you one of the millions of self-employed people newly covered under the Federal old-age and survivor's insurance? If you are, you need a social security account-number card, according to George D. Clark, manager of the San Angelo social security office.

"Self-employed people who were brought under the Social Security Act by last year's changes in the law will report their net income from self-employment at the same time they make their Federal income tax returns early each year," Mr. Clark said.

Mr. Clark indicated that although the numbers will not actually be needed until early next year, self-employed businessmen should apply for them in the near future. This will help avoid any delay when the numbers are needed.

"If you have ever had a social security number, that same number should be used," Clark said. "If you've lost your card, we can get a copy of it for you bearing that same number."

Both new and duplicate cards can be obtained through the San Angelo social security office. The address is 307 Federal building, San Angelo. Mr. Clark asks all self-employed people who have any questions about their coverage under social security to get in touch with this office.

Mrs. Joab Campbell was dismissed this week from Holcomb Clinic.

to catch the right number CHECK THE TELEPHONE DIRECTORY

A quick glance into the telephone directory before calling, often saves you a second call. For, when you leave numbers to your memory, it's easy to make a mistake. Result: wasted time; wasted effort; wrong number. So unless you're absolutely sure of the number you're calling, just check it for yourself in the telephone directory. Here's why Fordomatic puts them all in the past!

For the past year, automotive writers, engineers and owners have been raving about a new kind of automatic driving . . . and here's why you get it only in Ford Cars:

All the power you need when you need it!

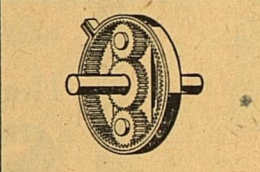

It gives you instant "GO"! It practically drives itself!

Some automatics have this

The automatic drive some cars offer you is a torque converter (as illustrated in simplified form at right) instead of a torque converter. The advantage here is more "go," more control and greater economy. The disadvantage is that this system is not as smooth, nor as jerk-free as a torque converter.

Some automatics have this

Other cars offer an automatic drive that uses automatic gears (as illustrated in simplified form at right) instead of a torque converter. The advantage here is more "go," more control and greater economy. The disadvantage is that this system is not as smooth, nor as jerk-free as a torque converter.

But Fordomatic has both

Yes, Fordomatic has a torque converter plus automatic gears. It brings you only the advantages of both drives. Unlike cars with only a torque converter (which start and cruise all in one drive gear), Fordomatic starts fast and smooth in Intermediate Gear then shifts itself into Drive Gear.

Fordomatic FORD

Fordomatic Drive optional on V-8 models at extra cost. Equipment, accessories and trim subject to change without notice.

From where I sit... by Joe Marsh

Our Bank Says "Help Yourself"

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines . . . pay phones . . . and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine,

too. At the end of the day the totals are never more than a couple of cents under—or over—the right amount.

From where I sit, folks everywhere are pretty much alike, although they may seem different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally and those who prefer something else—we all usually try to live up to the trust others have in us.
