

Schleicher Gets Oil In North and Northeast

Delta Pulf Drilling Co., who brought in the discovery well at Huldale, were in the process this week of opening another new field in Schleicher—this time in the far northeast corner of the county. At the same time another area in the northwest part of the county is becoming increasingly active—that of the Dove Creek area which takes in the southeast corner of Irion and the north part of Schleicher.

Delta Discovery

Delta Gulf No. 1 Blair M. Boyd, in northeastern Schleicher, C NE NW 9-H-GH&SA, recovered 810 feet of oil and 220 feet of heavy oil and gas-cut mud on a two-hour drillstem test from 4,420-33 feet in lower Canyon sand. There was a strong blow of air as soon as the tool was opened, gas surfaced in 55 minutes and blew during the remainder of the period. Initial open flowing bottomhole pressure was 625 pounds, final pressure 750 pounds. No shut-in bottomhole pressure was obtained.

Coring from 4,433-43 feet was under way late Tuesday. Top of the Canyon was unreported. Derrick floor elevation is 2,328 feet. The wildcat is only 1 1/4 miles south of the Tom Green County line and 3 3/4 miles west of the Menard County boundary. Nearest production is in the Susan Peak field about 15 miles to the northwest.

Dove Creek

The second producer is assured for the Dove Creek-Strawn field in Southeast Irion county. The opener of that field was Humble No. 1 Pearl Williams.

Stanolind Oil & Gas Company No. 2 Pearl Williams is to be the second oil well in that new field. It is one location west of the Humble discovery.

The Stanolind project was originally reported as No. 1 Williams. The well number has been changed to be No. 2 Williams. No. 1 Williams being a dry hole several miles away from the South Dove Creek area.

Stanolind No. 2 Williams topped the Strawn reef at 7,233 feet which was 18 feet low to the top of the same reef in Humble No. 1 Williams.

However, the Stanolind project found porosity in the top of the reef, whereas the Humble well did not find its porosity until it had penetrated ten feet into the reef. As a result the Stanolind stepout is actually only 10 feet low to the discovery on the top of the pay.

Stanolind No. 2 Williams took a 35-minute drillstem test at 7,234-45 feet. Gas surfaced in nine minutes and oil started flowing at the top in 30 minutes. The flow was run to pits for five minutes and the tool was then closed. There was no gauge or estimate on the amount of the flow.

Humble Oil & Refining Company No. 1 R. L. Henderson, wildcat in Northwest Schleicher County, was being drilled below 5,771 feet in lime and chert after indicating as a Wolfcamp discovery this week. The project recovered 1,868 feet of clean 36.4-gravity oil and 340 feet of heavily oil and gas-cut mud on a 99-minute drillstem test of the Wolfcamp.

The section tested was from 5,496 to 5,616 feet.

Gas surfaced in seven minutes at the rate of 140,000 cubic feet per day. No fluid surfaced while the tool was open. No formation water was found when tool was pulled.

In the Dove Creek area of Central North Schleicher County, Pure No. 1 Roach was digging below 6,665 feet in black shale and sand. Pure No. 2 Roach was digging below 1,361 feet in grey sandy lime.

Paul F. Barnhart of Houston has taken over the operation of Frank and George Frankel No. 5 Tankersley, project one-half mile west of the Wolfcamp discovery in the Tankersley field of SE Irion and one-half mile east of the DesMoines production in the same field.

Barnhart will drill the project as No. 1 Tankersley Estate. It has already started on the 7,500-foot rotary contract. At last report operator was preparing to drill out cement and deepen after setting surface pipe at 325 feet.

Dry Holes

Stanolind Oil & Gas Company No. 1 T. C. Meador, north Schleicher wildcat (Dove Creek area) has been plugged and abandoned on total depth of 7,445 feet. It found no shows of oil or gas in

commercial quantities in any formation penetrated.

C. L. Norsworthy, Jr., has abandoned and plugged No. 1 J. T. Jackson and others, 15 miles southwest of Eldorado. It was drilled to 7,997 feet.

Ice Drilling Co., will move its rotary from No. 1 J. T. Jackson 4 1/2 miles north and slightly west to Norsworthy No. 1 Moore which spudded with cable tools to 530 feet.

Edwin Cox No. 1 Sam Henderson Schleicher wildcat east of Eldorado, was plugged and abandoned in dry Ellenburger at 6,216 feet. No shows were found in either the Pennsylvanian or Ellenburger.

Skelly No. 5 Mary Jackson, Eldorado (Wolfcamp) field outpost has been plugged and abandoned at total depth of 4,191 feet, with no shows logged.

Going Deeper

Stanolind No. 1 Augusta West, wildcat one mile west of Eldorado, has passed 7,300 feet in barren Ellenburger. It is slated to continue through the Ellenburger and the Hickory sand of the Cambrian, requiring an estimated additional 1,000 feet of drilling. Drillstem tests are being taken about every 100 feet.

Ohio No. 1C Baugh had no shows on a drillstem test in a lime section at 5,700-37 feet.

In the Neva West field, Standard 2-1 Fowler was at total depth of 5,771 in lime running casing. Standard No. 2-1 Lulalee Wilson was drilling below 4,343 feet in shale and Standard No. 1 Mittel-Wilson was drilling below 4,306 feet in shale.

New Wildcat

Cities Service Oil Co., will drill the latest wildcat, No. 1-B Luke Robinson, in the center of the northeast quarter of the northwest quarter of section 67, block I, GH&SA Ry. survey. Projected to 6,500 feet the test will be eight miles east-southeast of the Huldale field. It will be near the center of a block of approximately 11,500 acres.

Boyce House To Speak In Mertzton

The '48 Study Club of Mertzton will present Boyce House, of Fort Worth, as after dinner speaker on its "Texas Day" program which has been scheduled for March 18 at 7:30 p. m. A delicious dinner will be served at the Lions-Legion hall followed by the program. A charge of \$1.50 per plate is being made and the affair will be the money-making project of the club for the year.

Mr. House is the author of eleven books about Texas and is also widely known for his newspaper column and his ability as a very clever and entertaining speaker. Although he had made hundreds of speeches throughout Texas and other states, this will be his first speech in Mertzton. The public is invited to attend.

Scouts Will Canvass Town For Donations In Red Cross Drive

T. P. Robinson, Jr., chairman of the Red Cross fund drive for Schleicher County, said this week that the Boy Scout troop would help Saturday morning in soliciting funds for the drive which is being conducted all this week. Scouts will report to the Scout Hall and be assigned different sections of town, it was stated.

The Junior Woman's Club, with Mrs. Danell McCormack as chairman, has been contacting people out in the county by mail. Fred Watson has had charge of the drive in the school, with Roger Jones working with the oil companies and Roy Phelps and Morris Isbell in the business district.

At noon yesterday about \$125 had been raised, Robinson said. He urged all persons not yet contacted to be ready to contribute when asked.

SENIORS REHEARSING ON ANNUAL CLASS PLAY

The Seniors of Eldorado high school are at work on their class play, "Our Miss Brooks," which will be presented under direction of Mrs. Charles Gary March 28 and 29 in the school auditorium. Rehearsals started last week.

Style Show Is Set For Presentation Tonight, Thursday

The Junior Woman's Club is presenting the annual Style Show tonight, at the school auditorium, beginning at 7:30. Dry goods and jewelry stores of Eldorado and one store from San Angelo are presenting their merchandise featuring the spring season, Eldorado models showing the wearing apparel and accessories.

The patronage of the public will be appreciated by the young matrons and business girls who compose the membership of the Junior Club, who have been working for some time to prepare the show for presentation tonight.

Among those modeling are: Suzy Linthicum, Margaret Ellen Edmiston, Helen Morgan, Sammie Radar, Mrs. S. E. Jones, Mrs. Marvin McAngus, Mrs. A. G. MIAS AMIGAS COMMITTEE MEETS IN ELDORADO

The Mias Amigas committee and the Mias Amigas president met in Eldorado recently to make preliminary plans for the 1952 meeting. According to first notices mailed to out-of-towners the dates will be June 26 and 27.

Detailed plans are being worked out and will be announced as soon as completed. On the program committee are Mrs. Frank Meador, Mrs. Ralph Fowler and Mrs. L. M. Hoover, with Mrs. J. E. Hill as president.

FORMER RESIDENT WEDS

Miss Euda B. Isaacs, daughter of Mrs. Euda B. Isaacs of Austin, was married Saturday in Austin to Don Young, of that city. She has been employed by the Highway department at Austin, and Mr. Young has been attending the University and has also been employed in Austin. The bride is a graduate of EHS. The couple will start housekeeping in Austin.

Material Arriving For New Pipe Line

Thirteen carloads of 24-inch pipe were installed on the Santa Fe side tracks at Eldorado on Tuesday—representing the first of what will be hundreds of cars of material for the new Rancho pipe line which will cross this county about two miles from town.

Material Checker V. L. Cobb is among the first of the men with the Shell Pipe Line construction crew to arrive here. Another is R. M. Delozier, material man for the pumping station which will be constructed south of town.

Eldorado will be the unloading point for vast amounts of Rancho materials and the unloading of it and transporting to the field will be in itself call for a large and smooth running organization. Among the items to be unloaded will be 43 miles of glass floss and felt paper—1,000 tons of enamel—and 24 miles of 24-inch pipe. These are some of the principal items that go into the pipe line.

Material, equipment and buildings for the Eldorado pumping station, are something else again, and will require crews that will be here for a long time.

West of here Rankin and Barnhart have already received material for 57 miles of line. An organization known as Trucking, Incorporated, has the contract for unloading the cars.

Rancho Contract Goes To Houston Firms

Two Houston firms have received the contract for building of the thirty-five million dollar multiple owned pipe line from McCamey to Houston and Texas City. Anderson Brothers Corp. and

Commissioners Designate More Of Mertzton Route

Farm to Market Road, which has been laid out to 8 miles Northwest of Eldorado, has been designated northwest another 6 miles making a total of 14 miles on the road to Mertzton. Commissioners Monday made this corrected designation. Distance to the county line is 22 miles.

At the same meeting they voted to place the words "Memorial Building" in appropriate letters across the front of the Memorial Building, and to erect a flagpole.

Bro. Marshall Davis Resigns As Minister Of Church of Christ

By mutual agreement with the congregation, Brother Marshall Davis has resigned his position as minister of the Rock Church of Christ, effective March 24. Brother Davis will preach his farewell sermon on March 23. He has been minister of the local congregation for the past three and one-half years. During this time the growth of the church has been about 250%. He has accepted work with the churches of Christ in Kimble County to begin immediately. For the present, at least, he expects to make his home in Eldorado.

The Rock Church of Christ expects to have guest speakers to fill the pulpit until a new minister can be employed. People of Eldorado are invited to attend all services of the church.

SCHOOL OUT MARCH 14th

School will be dismissed Friday, March 14th, when faculty members will be in San Angelo for the district meeting of the Texas State Teachers Association, Supt. T. E. Holcomb announced last week. The day will be made up on Saturday March 22nd.

ELECTION NOTE

Tisdell voting box in the east part of the county has been set at the Tisdell school, instead of the Merlin Rogers house as originally reported.

The Donald M. Kersten family are new renters in the Ernest Finnigan house—occupying both apartments. Mrs. Mae Mercer's small house is now occupied by the Clovis Gilleys, and C. L. Smiths are renting the Aaron Stewart place. The J. W. Radar family are moving today from the Bert Page home place to Snyder.

Len G. (Tuffy) McCormick returned from Washington D. C., Tuesday, and after an over-night visit with his parents Mr. and Mrs. Van McCormick, went on to Midland Wednesday on business.

Legion To Observe 33rd Anniversary With Party

ANNIVERSARY SPEAKER

Rev. Lester D. Cochran

The American Legion Post No. 257 of Eldorado will join with Posts throughout the nation in observing the 33rd anniversary of the Legion with a birthday party which will be held on Tuesday night, March 18 at the local memorial building.

Committee members are making arrangements for a big oyster and chicken fry to start off the evening's festivities, which will be in the nature of a family night. All veterans—not only Legionnaires—are cordially invited together with their families. "We wish," said the committee, "to make personal contact with all veterans of all wars, including the Korean conflict, so that they might understand the ideals and principles of your American Legion."

Principal speaker for the evening will be Rev. Lester D. Cochran of Brownwood. Rev. Cochran is a past chaplain of the Isham A. Smith-Scott Brothers American Legion Post 196 in Brownwood. He is immediate past Department of Texas American Legion chaplain, having served from September, 1950 to September, 1951.

Rev. Cochran was an army chaplain during World War II, spending two of his five years in the service overseas on transport duty.

He is the present state department chairman for the American Legion Oratorical contest, open to high school boys and girls throughout the nation.

FOUR-YEAR-OLD CHILD DROWNED; IS BURIED HERE

A former Eldorado resident brought her little son back to Eldorado this week for funeral services and burial.

John Burl Jennings Jr., age four, son of John B. and Vera Blaylock Jennings, was found drowned late Monday in a dirt tank near the family home, seven miles from Fredericksburg and a short distance from Cain City.

Because of the drought there had been no water in the tank for a year, but Sunday's 1.35 inch rain filled it. It is thought that the child had gone to investigate the tank.

The mother had assumed that the boy had accompanied his half brother, Dale McHalek, to a pasture, where the young man was cutting stove wood. When Dale returned alone he and his mother began to search for the child, and found the body in the tank.

They rushed to a Fredericksburg hospital, but he could not be revived. It was thought that he had been in the water about an hour.

The mother, the former Vera Blaylock, was reared in Eldorado. The father had been overseas last year, returning to Texas when he was called home because of illness in the family, and since that time serving at Randolph Field. John Burl, Junior, had been born at Randolph Field 4 years ago. Last year the family bought a place near Fredericksburg, and had been living there since that time.

Survivors

The boy is survived by his parents, his little sister Kerry June, age two, and four half brothers and sisters, Dale, B. B., and Nan Dee McHalek, ages 18, 12, and 16 respectively, and Roxie Jennings, age 9; also two grandparents, Mrs. R. H. Blaylock, Eldorado, and John Jennings of Albuquerque.

Funeral Here

Funeral services were held at the First Baptist church Wednesday afternoon at 3:00, with the pastor of the church, Rev. Clifford Nelson, officiating. Music was rendered by a quartet composed of Mrs. Bill Rountree, Mrs. John Stigler, Will Whitten and Ervin Munc. Mrs. J. M. Christian playing the organ for the hymns and before and after the service. Sergeants from Randolph Field, buddies of the father, who is stationed there, were pall bearers and others from Randolph also attended. Burial was made in the Blaylock lot in the Eldorado cemetery, with Ratliff in charge.

Out-of-Towners Here

Among those attending the funeral from out of town were: Pallbearers: Master Sgt. Grifflie, Staff Sgt. Adams, Staff Sgt. Hewitt, Sgt. Brown, Sgt. Hunt, and Sgt. Smith, all of 35 Camp Motor Vehicle AF Sqdn., AFB, Randolph Field, San Antonio.

Mrs. A. P. Nixon and son Stanley of Lubbock, Mr. and Mrs. Ira Copple and Wm., Concan, Mr. and Mrs. Bert Blaylock and children of Robert Lee, Mrs. V. L. Copple and Doris, Robert Lee;

Mr. and Mrs. R. H. Blaylock Jr., Mr. and Mrs. Aubrey Lackey and children, Mrs. Roy Jones and Jeanene, Mrs. Tom Cowser and Roxie, all of San Angelo;

Mr. and Mrs. Ralph Jennings and Mina Ruth, Abilene; Mrs. J. J. Pendergrass, Wharton; Mrs. David Bentley, Pasadena, Texas; Mrs. Freddie Adams, Randolph AFB.

Receipt of oil at McCamey and Eldorado is in the plans.

All steel tonnage allotments for the new line have been received.

Post Script

On the move:

J. W. Smith has moved from the Joiner house to the small Gus Love house near the old Holland place.

W. W. (Shoeman) Williams and his wife have moved from the Alie Sweatt house to the new L. L. Harris residence in the northeast part of town.

The Edmiston Estate house is to be sold and moved away. It is understood that the Logans will start soon to run foundation on the Edmiston lot for a business building for the Edmistons—more about that later.

It is tentatively planned to build a drive-in cafe, to be run by Mrs. George McLaughlin of Andrews, who is now visiting here and who will move back here. She is a sister of the Edmistons.

Workmen are adding a room and bath at the rear of Mrs. R. A. King's residence. Mrs. King has been visiting the Espys in Odessa during the past two weeks.

Improvements have been made recently on the airport, which the city operates, and a little work remains to be done. The Ohio Oil Co. and the City of Eldorado have been working together on this project.

One runway has been bladed, watered and packed, and two others have been bladed. Some blading has also been done around the parking ramps and the gas pumps.

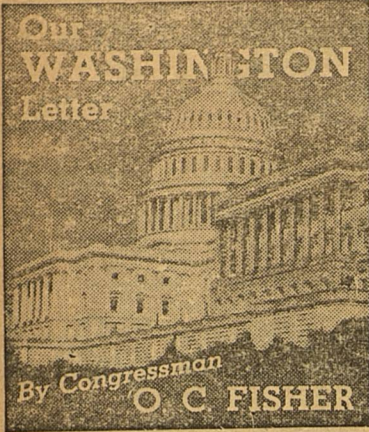

We have another odd net in Eldorado to match up with Jack Elder's monkey Junior: Doris Orr, fifth grade student, who lives with her parents in a trailer at Ashmore, got a pet skunk Tuesday—we understand it's been de-odorized.

The Jack Elders are celebrating this week seven years in business in Eldorado—that makes them seniors in the service station business, considering the high turnover in that line. The Elders went into business near the close of the war, and got in on all of the headaches there were—gasoline rationing, scarcity of tires and other goods, and the general depilated condition of the cars they had to service, to mention a few. They're joggling along pretty well, though they have about twice as many competitors as they had when they opened. Page five carries their advertising message.

Answer to last week's question: The city election will be held on Tuesday, April 1st.

The weather: a light rain, measuring an inch in one pasture at Howard Derricks, and half an inch elsewhere on the ranch, and .5 also in Bailey Ranch—fell one night recently, but it was light everywhere else, and our daily visitation of high winds blew it away the next day anyway.

The "42" Club meets this afternoon at the residence of Mrs. Ed Hill.

In the first show-down vote the Congress has ever taken on UMT, the House last week scuttled the proposal by a vote of 236 to 162.

It was regarded by some as an election year about-face, the House having approved the principle of UMT a year ago by a 10-to-1 margin. The sole question before the House last week was the rules under which the program would function. Without these rules written into law, the training machinery will remain inoperative. I voted against scuttling the program.

Actually, the training rules, prepared by a civilian-controlled commission and the House Armed Services Committee, eliminated most of the objections that have been raised by the public. Among these were:

1. The plan voted down last week prohibited any military control over the training or the trainees—that control being committed to a civilian dominated commission, subject to the direction and control of the Congress. After training, the reservists thus created would be subject to active duty only by special action of Congress.

2. The training plan would pro-

vide the maximum of protection against undesirable environment and immoral influences while training—even even more so than can now be provided in most of the colleges.

3. When gully effective, as a reserve pool of "ready reserves" would be created the standing forces would be substantially reduced without reducing the nation's security, at an estimated saving to the taxpayers of \$13 billion annually.

At the same time, if the UMT program had been approved, the Korean veterans—and other veterans—would have been given a break. Men now on duty, under present law will when released after two years, automatically be subject to six more years of stand-by duty in the reserves. If another war or expanded emergency should develop in the future, these veteran reservists may be the only "ready reserves" of fighting men available.

That happened when we got into the Korean war. With our embattled forces facing possible disaster and pushed back to a small periphery around Pusan, the Pentagon turned to the trained reserves—nearly all of them veterans of the last war—and called 800,000 of them away from the wives, children and jobs. That was done even though there were around two million young non-veterans who had reached military age after 1945. They were available for draft, but it would have taken months to train them and General MacArthur called for trained men immediately.

The whole purpose of UMT is to give basic training to non-veterans, then return them to civilian life in a ready reserve status, subject to call in case Congress should in the future decide an emergency should justify their call to active duty.

But with the defeat of UMT, the only ready reserve forces that can be counted on, in the main, will be those who have fought in Korea and in World War II. Many of us think that burden should not be confined to veterans of other wars but should be primarily assumed by youthful non-veterans—products of UMT.

On the subject of fairness, a good question was asked: "Isn't it fairer to train four trainees for six months than it is to draft one recruit of the same age for 24 months of actual service?"

Mrs. Forrest Runge has returned from Austin where she accompanied her sister Mrs. Henry Harrison of Menard, who was consulting a doctor there.

Women Honored

Honoring two Schleicher County women, Mrs. R. B. Woodward and her sister, Mrs. M. B. Robertson, about 25 people, most of whom were members of the family, attended a party Sunday afternoon at the home of Mr. and Mrs. O. W. Woodward. Birthday gifts were presented to Mrs. Woodward and layette gifts to Mrs. Robertson. There from out of town were Mr. and Mrs. Irvin Grossans of Melvin. The group played canasta, and were served birthday cake and other party foods at the close of the games.

Personal News Items

Robert Hand, who has been here with Standard, and his family left last week for La Porte to make their home, vacating the McGill house.

Guests of Mr. and Mrs. Jack Moore last weekend were Mr. and Mrs. Marshall Johnson and two children of Odessa. The women are sisters.

Mrs. Mullinax of Camden has returned home after spending a week here with her son-in-law and daughter, Mr. and Mrs. Dee Smith at Shell Station.

Mr. and Mrs. Eddie Peel visited Sunday in Brady with Mr. Peel's parents, who have been ill with flu. They were accompanied by Mr. and Mrs. Perry Johnson, Mrs. Peel's parents.

Capt. and Mrs. Thad Thomson met their aunt, Mrs. Uppercu Paul of South Orange, N. J., at the airport in San Angelo Monday and brought her out to the ranch for a visit. She made the trip from Florida by plane. The Thomsons recently returned from a weekend visit with Mr. and Mrs. Fred Ashe at their ranch at Encinal.

Mrs. B. J. Woodward and son Lewis of Brownwood visited here from Friday to Sunday with her son, O. L. Woodward, and Mrs. Woodward.

A guest from Thursday through Sunday on the E. H. Dannheim place was the couple's daughter Wanda of San Angelo. On Sunday the Dannheims were joined by Lt. Dale Peterson and Lt. Paul Taylor and Joy Cheatham, all of San Angelo and Wanda accompanied them back.

Mrs. Gene Taff left Sunday for her home at Covington, Ohio, after spending two weeks with Mr. and Mrs. Virge Tisdale and Mrs. Elizabeth Powell. The Taffs owned what is known as the old Huey place about 40 years ago, and made their home a number of years in this county. Mrs. Taff is now a widow.

Mr. and Mrs. F. B. Holmes and children Sue and Kathleen of Midland visited here last weekend with Mrs. Holmes' sister Mrs. Jack Smith.

First Baptist News

Keep these important dates and events in March in your mind and in your hearts in prayer and upon your calendar to attend: Friday night, March 14 at 7:30 p. m. the Scarborough union will have a social in the basement of the church. Monday night, March 17th is the father and son banquet of the Men's Brotherhood. Each man of the church is urged to come and bring an unsaved or unchurched boy. Friday night, March 21 at 7:30 p. m., is the banquet for the high school seniors. Thursday night March 27 at 7:30 we will be privileged to hear Rev. Bessmertry of France. Rev. Bessmertry is from Paris, France, and heads up the Baptist work in France. And Sunday, March 30 we begin our youth revival. Keep these dates on your calendar of prayer and attendance. Remember the month of March is loyalty month. "Let us march to church in March."

Sunday was our all time low in Sunday school the past year. There were only 148 in Sunday school. Our training union was up. We had 80 in training union. The Intermediate department got the orchids Sunday with a grade of 53. The onions went to the Nursery with a grade of 35. We urge each department superintendent and each teacher to make an earnest effort to make the next three Sundays in March high Sundays that we might continue to build toward our goal of 200 average attendance for 1952.

Those attending the Associational Workers Conference Tuesday night which met with the First Baptist Church of Sterling City, were: Brother and Mrs. Clifford Nelson, Mr. and Mrs. Bill Rountree, Frank Kinser and J. H. Wagley. The theme of the program was "Growing a Christian." The sermon was brought by our pastor. The April meeting will be with the First Baptist Church of Christoval.

Men: Don't forget our father and son banquet next Monday evening at 7:30. We urge each man of our

church to come and bring a boy. Meal will be served at 7:30. There will be an interesting program for all. This is one of our most important meetings of the whole year for our brotherhood. Let us have a good group.

Hear this! Youth revival. When? March 30 through April 6. Who will be the preacher, John Bubba Woods of Baylor. Who will be the singer? Bob Feather of Southwestern Seminary. Who will play the piano? Robert B. Cooper Jr. of Howard Payne College. Who should come? Every young person in Eldorado. And every adult in Eldorado. How can I help? By attending, by praying, by bringing someone with you, and by personal witnessing. By singing in the youth choir. Breakfast will be served for the young people at 7:00 a. m. each day March 31 through April 5. Let us make this meeting one which will glorify our Lord.

We welcome those who visited with us Sunday in our services. We have a place for the whole family. We extend to each and all a warm welcome. Our Sunday school begins at 9:45 and our morning worship hour at 11:00. The training union begins at 7:00 p. m. and the evening worship at 8:00. The pastor will preach at the morning hour on the subject, "The Man Who Spurned God's Love." And his sermon subject for the evening hour will be, "Questions and Answers." We trust you will come meet with the church whose motto is, "A Friendly Church With a Spiritual Program."

NEW BABY

Born, Sunday, March 2 in San Antonio, a daughter, to Mr. and Mrs. Joe Bailey Montgomery. The baby weighed six pounds and four ounces at birth and has been named Nancy Kathryn. The mother is the former Nora Plummer of San Antonio. Grandparents of Nancy Kathryn are Mr. and Mrs. J. B. Montgomery of this city and Mr. and Mrs. J. D. Plummer of San Antonio. The young parents live in San Antonio.

PRESBYTERIAN NEWS

The men of the Presbyterian Church purchased, cooked and served oysters at the oyster supper which they gave Thursday night at the church honoring the ladies. An informal social hour followed the supper. About 60 attended.

At Sunday's morning service, the budget was presented to the congregation.

The choir continues to do excellent work, with regular practice under direction of Mrs. Maxine Page. About 20 are in the choir, and Mrs. Horace Linthicum is organist.

Mrs. John Williams led the lesson for one of the circles and Mrs. Bert Page substituted as lesson leader for Mrs. Leslie Baker at the other, when the Women of the Church met Monday afternoon in circles. Mrs. Sam Jones and Mrs. H. T. Finley were hostesses.

The women are getting their reports together for the closing out of the church year, the end of March.

Several expect to attend the Presbyterial at Ft. Worth April 2 and 3.

BE NOT DECEIVED

"Be not deceived, neither fornication, nor idolation, nor adultery, nor effeminate, nor abusers of themselves with mankind, nor thieves nor covetous, nor drunkards nor revilers, nor extortioners shall inherit the kingdom of God."

"And such were some of you, but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus and by the Spirit of our God." I Cor., 6:9-11.

Herein God's word is a simple outline of some things if you are doing them or have done them in the past and have not received forgiveness from God through Christ and by the Spirit you are lost and shall not inherit the kingdom of God. Next He tells us how to be saved even if you have done these things.

1. Washed "into Him that loves us and washed us from our sins in His own blood." Rev. 1:5.

2. Sanctified. "Jesus also that He might sanctify the people with His own blood suffered without the gate. Heb. 13:12.

3. Justified. Being justified freely by His grace through the redemption that is in Christ Jesus. Rom. 3:24.

Has this happened to you? Does your preacher preach this or is he a modernist preaching for Satan? Ask him if this has happened to him. Ask him to prove it. —F. H. Pryor.

WOMAN'S CLUB
Eldorado Woman's club met at the ranch home of Mrs. Archie Mittel on Tuesday afternoon. Invocation was given by Mrs. John Stigler. At the business meeting it was voted to donate to Cancer Research and Gonzales Foundation, and an invitation from the Junior Woman's club was read. They have asked club members to a book review by Mrs. Glee Monroe of San Angelo on March 21st at the Presbyterian church.

Roll call was answered by naming some safety precaution.
Mrs. Carl Stevens was program director. Her theme was Safety. Mr. Palmer West, chief of the Eldorado Fire Department, gave a talk and demonstration on the common causes of fire and prevention, and how to put out each type.

Mrs. Bert Page read a paper entitled "So you are going to court." It pointed out that traffic and justice courts are the ones most commonly encountered. Federated clubs are urged to work for more justice: abolition of fee system and better physical aspects of these courts.

Chairman of American Home, Mrs. L. D. Christian, gave her report and conducted a discussion of different aspects of the home.

The next meeting of the club will be at the Methodist church with Mrs. Keno Ogden as hostess.
Mrs. Mittel served refreshments to fifteen, and the following guests: Mr. and Mrs. Palmer West, Mrs. A. J. Stevens, Mrs. Teele, and Mrs. Peyton Cain of Alpine.

JUNIOR CLUB PRESENTS GUEST IN REVIEW
The Junior Woman's Club, with the Woman's Club and several others as guests, will present Mrs. Glee Monroe of San Angelo in a book review Friday, March 21 at 3:00 in the Presbyterian parlors. All are asked to reply to the social committee by next Wednesday.

Pancho Bradley and Will Isaacs spent Tuesday in Fife on business.

Mrs. Roger Jones and daughter spent the past two weeks in Paris with Mrs. Jones' mother, who has been improving after her recent illness. Mr. Jones brought them home last week end.

Mr. and Mrs. Nick Jurecek had as guests last week Mr. and Mrs. W. E. Manley of Melvin.

Leonard Lloyd left Friday for Batesville to do some work on the Lloyds' ranch there.

Mr. and Mrs. Sam Gausemeier have returned from Temple, where they attended the funeral of the former's uncle.

METHODIST SUPPER

Family night was observed Wednesday night at the Methodist Church, when a covered dish supper was served in the church dining room, followed by a program.

Two Mason County laymen were speakers at the program which followed. A. A. Willman of Art talked on the ways in which the congregation can help the pastor: by setting an example of Christian living, trying to help him in working out details of the church program, visiting the parsonage family, attending church, offering prayer in the family circle—all revolving around the theme of "I, my minister and my God."

H. O. Schulze a former district lay leader and a licensed local preacher, talked on "How Can I help my Preacher through Christian stewardship?" He stressed the stewardship of land and the relationship of "soils and souls," and mentioned the fact that the Methodist must be a steward of time, talent, and possessions.

Both of these men had addressed pastors and laymen on similar subjects at the recent layman-pastor's retreat at Sonora.

PRICE CONTROL CLINIC DATE IS MARCH 20

Businessmen from Schleicher County can secure assistance with price control questions March 20 at the Board of City Development in San Angelo when a representative of the Fort Worth District Office will conduct a price clinic.

The business analyst will be available from 9 a.m. to 5 p.m. to assist any businessman who has questions or problems concerning the price stabilization program.

Ellis H. Boyd, Fort Worth district OPS director, urges all businessmen who are in doubt concerning any part of the program as it relates to them to visit the price clinic for a personal consultation. The purpose of the price clinic is to be of service to businessmen, Boyd stressed.

Mr. and Mrs. Dee Crawford of Abilene spent the weekend here with Mr. and Mrs. Houston Thigpen on Steen Ranch, and they were joined Sunday by Mrs. B. C. Thornton. Frank Crawford came after his baby, who had been staying here during the young mother's illness. The Crawfords live in Big Lake.

Mr. and Mrs. T. E. Swigart, of Houston, visited one day last week with Captain and Mrs. Thad Thomas. Mr. Swigart is president of Shell Pipe Line.

REQUIREMENTS TIGHTEN

Teachers will receive better preparation and employers will get more for their school dollars when new University of Texas degree programs go into effect in June.

Methodists Observe Week of Dedication

The Methodist church is observing a Week of Dedication with several special services.

The week started Sunday afternoon with a young people's sub-district meeting in Water Valley, attended by Betty Hunt, Donna Beth McCormick, Sherry Atkinson, Mary Tisdale, Beth Shilling, Jane Belk, Charlene Atkinson, Sue Shilling, Jerry Thompson, Frank Prochaska, and Myra Farrington, and also Rev. and Mrs. Roy Shilling and Albert McGinnes and family.

The meeting was held in the school auditorium, with the Water Valley young people in charge of the program. During the business session Mary Lou Alexander of Eldorado was elected corresponding secretary. The next meeting will be held here in May; officers will then be installed.

Other Events

The Rev. Roy Shilling, accompanied by Rev. Lynn McAden of Merton, attended a Town and Country Commission planning session in San Antonio Tuesday.

Four local laymen brought a special service last Sunday night. They were Gerald Hartraves, Albert McGinnes, Elmer Peters, and C. E. Garv.

On Friday, the Rev. Fred Brucks, district superintendent, will preach at the Methodist church as a feature of Dedication Week. All members of the church are urged to be present, and visitors are always welcome.

On Sunday morning there will be regular services, and Communion. On Sunday night Boys' Ranch will be put on the complete program for the evening—everyone is invited to attend.

Laymen of the San Angelo district of the Methodist church held their first sub-district meeting Monday night in the banquet room of the First Methodist Church in San Angelo. Some two hundred men from over the district were in attendance and enjoyed a supper and inspirational program.

Present from here were: Ray Tisdale, Elmer Peters, Fred Gunstead, Jerry Pennington, Raymond Schrank, L. W. Chrestman Buster Hale, T. S. Buchanan, Clovis Taylor, Frank Meador, Chuck Gary, and Rev. Roy Shilling.

Personal News Items

Not Too Late To Save On 1951 Income Tax, Bar Says

Waiting until the last minute to file your 1951 income tax return? Even if you have already filed, some tax savings may be possible.

While there are few bright spots in the tax picture for the average taxpayer, lawyers say that some lucky individuals may be able to take advantage of certain relaxed provisions of the 1951 Revenue Act. For example, you may now claim an exemption for a dependent whose gross income during the year was any amount less than \$600. Previously, an income of \$500 or more by the dependent barred your claim for an exemption on his account.

If you sold your home during 1951, you may avoid being taxed on any profit made in the transaction by purchasing and occupying a new home within one year. The new residence must cost as much or more than the sales price of the old one. However, you may include notes and other liabilities forming part of the consideration in figuring the

cost of your new home.

Suppose you bought a home in 1945 for \$5000 and sold it on July 1, 1951, for \$8500, making a profit of \$3500. If you buy and move into a new home not later than June 30, 1952, costing as much as \$8500, no tax will be due on your \$3500 profit. This is true even though you may pay only \$500 or less as a down payment on the new home and the balance of the purchase price is represented by a note and mortgage.

However, the Bureau wants a record of your transactions, even though no tax is due. If you have already repurchased, both your sale and your purchase should be shown on separate Schedule D and attached to your tax return. If you have not bought your new home as yet, but expect to do so before the one-year limit runs out, report the 1951 sale on Schedule D anyhow. But enter the word "None" in the Gain or Loss column and add a short explanation that you expect to purchase or rebuild. Then, when you do replace, write the collector giving him full details on the transaction. If your plans for replacement should fall through, an amended 1951 return would be necessary.

Another new feature which may save taxes for some people is the removal of one limitation on medical expense deductions for all persons over 65. They are no longer limited to the excess over and above 5% of adjusted gross income. The limit still applies to all taxpayers under 65, unless their husband or wife happens to be 65 or older. In this event, both husband and wife

may deduct medical expenses without reference to the amount of adjusted gross income. However, the general limitation of \$1250 per individual still applies in all cases.

If you have passed up any of these savings, an amended return may pay dividends. The new Self Employment Tax is causing extra tax return headaches for some people this year. If you had net earnings of \$400 or more derived from a trade or business which you conducted during 1951 as a sole proprietor or as a partner, this new tax may apply to you. Public officials, railroad workers, ministers and various professional people are excluded from the application of this tax, as are non-resident aliens.

Similarly, income derived from farming, interest and dividends from securities, and gains and losses resulting from sale or exchange of capital assets are excluded. Rentals from real property are excluded except in the case of a real estate broker.

This new tax covers many people newly added to the list of those covered by the Social Security Act, and is imposed to help finance the benefits they may later receive. If you are liable for the Self Employment Tax, you should obtain separate Schedule C and file with your regular tax return.

Applying in many instances where no regular income tax is due this tax will also force some people to file returns even though their gross income of less than \$600 would not otherwise require a filing. Suppose you operated a very small business and grossed only \$590 in 1951. Under the old law, no return would be required.

However, under the 1951 Act, the Self Employment Tax is carried from Schedule C to Form 1040 and collected as a part of your total income tax liability. If your net income from this small business was \$401, you would be required to file a completed 1040 return along with Schedule C in order to comply with the law.

Insurance Rate Cut

W. B. Clift, Robert Lee insurance underwriter, advised The Observer this week that a slight decrease in the Robert Lee fire insurance rate will be in effect for the year starting March 1. Because of heavy losses from fires last year's rate was fixed at 15% above the normal key rate. Up until two years ago the city had a good fire record and insurance premiums were figured at 25% below the key rate. —Robert Lee Observer.

Honor Society Formed

The Sonora High School National Honor Society will be officially begun March 21 when the San Angelo organization will perform the ceremonies necessary to form an official chapter. The program will take place in the high school auditorium.

To be eligible for membership, each student's average during high school has to be 85 or above. Then students were ranked by a committee of teachers on service rendered, leadership, character. Eighty per cent of seniors, 60 percent of the juniors and 40 percent of the sophomores eligible scholastically were eligible for membership. —Devil's River News.

OPENS OFFICE HERE

Dr. C. E. Parsley of San Angelo this week announced the opening of an office at the residence of Mrs. Ora Davis. He will operate this office Tuesday and Saturday mornings from 9:00 until 12:00, commuting from San Angelo.

He has been practicing since 1928, the year he graduated from Texas Chiropractic college in San Antonio. He later attended the National College of Drugless Physicians in Chicago.

In 1950 Dr. Parsley moved from Marshall, Texas, to San Angelo, where he has his office at 1015 W. Beauregard.

Facts truck owners should know about hauling bigger payloads

"With our new Dodge, the payload is high, the cost per mile low!"

... says MORRIS SAPIR
Dependable Furniture Company, Oakland, California

"After using Dodge 'Job-Rated' trucks for eight years exclusively, I want to report that your new models are keeping me sold on Dodge.

"No vehicle we have ever seen can give our drivers more freedom in city traffic than our Dodge 1-ton truck. With our new Dodge, the payload is high, the cost per mile low."

WANT to know why you can carry more payload with Dodge "Job-Rated" trucks?

First, they've got better weight distribution. This means that bigger payload capacity is engineered into a Dodge "Job-Rated" truck. Many trucks carry too much weight on the rear axle, not enough on the front. But in a Dodge truck, the right proportion of the load is carried on each axle.

Besides this better weight distribution, a shorter wheelbase provides easier turning, easier parking. Come in and try one of these payload-packin', easier-handling trucks for yourself. Get all the facts about hauling bigger payloads.

Carry more! In Dodge "Job-Rated" trucks, the engine is placed forward and the front axle back—for better distribution of the load. You can carry bigger payloads—without overloading.

Haul faster! Dodge "Job-Rated" trucks are powered by high-compression engines to give you top performance with rock-bottom economy. Big power gives you pull and speed that save time.

Get longer life! There's a Dodge truck that's "Job-Rated" to fit your road and load condition—with load-carrying and load-moving units factory-engineered to stand up on toughest service.
