School Building Construction Is Proceeding on Schedule

Consideration of teacher applications, receiving of equipment, and continuing of work on the new school building occupies the attention of school officials and contractors, as the summer advances toward the time to set the official opening date.

A major addition to this year's curriculum will be the wood working department with a full time teacher in charge of the courses. The equipment is the latest in woodworking machinery, and the course promises to be popular with students. Completion of the shop room will precede installation of this new modern equipment.

Some equipment, such as library tables, home making tables, dinette tables and other furnishings, is already here, in readiness for the opening of school. All equipment is scheduled for delivery by August 1, or the 15th at the latest.

Workmen are painting the rooms and putting on wall tile this week. The blackboards are flanked by tan rooms are in place, and all are of medium green shade.

Working in accordance with suggestions made under expert direction, school officials adopted Dr. Harmon's color technique. This newest development in selection of color stresses beauty of appearance and especially blending of colors, to provide the minimum of eye strain.

Following the color chart under this plan, workmen are using several shades in the classrooms and halls, with all-white ceilings, white around windows, and greens, blues and tans, and other restful colors in the rooms. Corridor tile is tan. The blackboard are flanked by tan cork display boards.

Heating units have been installed and the central furnace is in place in the boiler room. Gas is the heating medium used, and the rooms are heated by steam.

Construction officials state that work is proceeding on schedule and that they will give possession as promised, enabling school officials to set the opening date and to have plenty of time to install desks and other classroom equipment.

Dan Boone, the architect who designed the plant, was in Eldorado Tuesday, and was told by Construction Superintendent E. W. Beaman that work was going ahead on schedule, and that conditions were satisfactory.

Teacher Resigns

Miss Knowla Stewart, teacher of social studies in the Eldorado Junior High grades, has offered her resignation to the school board. The place has not yet been filled, states Supt. Reynolds today. The resignation of Band Instructor C. F. Jones is reported elsewhere in this paper.

A number of applications are on file in the office of the superintendent, and it is expected that at the regular school board meeting in July teacher elections will take place. A number have applied this year in person, and Mr. Reynolds has interviewed others at the colleges, contacting them through the placement bureaus of the schools.

FIREMEN CALLED OUT TWICE TUESDAY

Local firemen were called out twice Tuesday; the first time to put out a grass fire in the vicinity of the Kenneth Cheek home, and the second time to extinguish a blaze in Mrs. Billy Eton's apartments caused by a short in the electrical wiring. No damage was reported in either fire.

SERVICES AT RUDD PROCEEDING THIS WEEK

Rev. Roy Shilling, pastor of the Methodist Church who has been conducting revival services at Rudd this week, reports that attendance has been very good.

The revival opened Sunday afternoon and will close with a basket supper and services tomorrow (Friday) night. All visitors are welcome.

POWELL WINS ALL 4-H PRIZES ON FIELD DAY

David Powell won all four prizes in the divisions of plant and grass identification, at the first county-wide 4-H Lions Club Field Day Wednesday at the Wagley place north of Eldorado.

The Field Day concluded a year's study of the subject, under the direction of County Agent W. G. Godwin. Each boy furnished a record book containing his units of study and observations, and each prepared a grass exhibit, identified a group of grasses, and passed an oral examination.

During the morning, Wednesday, the grasses were on exhibition in the banquet hall of the Memorial building, where all interested people could view them.

The day's events were under the general direction of J. Forrest Runge, and the Lions Club furnished a barbecue dinner which was served at the Wagley place at noon.

Among visitors here assisting with the judging were E. B. Keng of Sonora, area conservationist, who gave the oral examination, and Tom Darrow of Sonora, head of the work unit there, who assisted with the grass identification contest, as did Mr. Keng, also.

Six boys participated in the day's events: David Powell, Jack Mund, Ronnie Mittel, Jack Wayne Stanford, Truett Stanford, and James Alexander.

Money for the over-all cash awards was furnished by the local Eldorado Divide Soil Conservation District, and additional money of \$25 on grass exhibit and identification by the Federal Land Bank of Houston, serving Sutton, Schleicher and Crockett counties.

The day's program included the judging events at the Memorial building during the morning, the showing of the exhibits, and concluding of the grass identification project with talks by winning boys that afternoon. These boys gave strong and weak points in pasture plots assigned them on the Wagley place.

Because of the interest aroused in the project this year, with the Field Day as a concluding event, it is expected that the day will become an annual affair.

The Lions Club, who served the barbecue at noon, held their regular business session on the grounds. A talk was made by visitor Fenner on the boys' projects, and by E. B. Keng on the bitterweed menace, the latter giving the history of bitterweed and touching on conservation. The awards were presented by Godwin.

Here are the results of the six contests:

Overall Contest	
1. David Powell	\$50.00
2. Jack Stanford	30.00
3. Truett Stanford	25.00
4. Jack Mund	20.00
5. Ronnie Mittel	15.00
6. James Alexander	10.00

Ide ntification & Display

1. David Powell	\$8.00
2. Jack Mund	6.00
3. Truett Stanford	5.00
4. Jack Stanford	3.00
5. James Alexander	2.00
6. Ronnie Mittel	1.00

The four divisions of the contest were:

Notebooks: David Powell, Jack Stanford, Truett Stanford, Ronnie Mittel, James Alexander, Jack Mund.

Oral Exam: David Powell, Jack Stanford, Jack Mund, Truett Stanford, Ronnie Mittel, James Alexander.

Grass Identification: Powell, Mund, Jack Stanford, Truett Stanford, Alexander, Mittel.

Grass Display: Powell, Truett Stanford, Mund, Jack Stanford, Mittel, Alexander.

FREE CALF WITH BELL PROVIDES SPECTATOR INTEREST AT ROPING STAGED BY ELDORADO ROPERS CLUB

Eldorado ropers, who staged a roping at the local arena Sunday, announce that there will be another roping next Sunday beginning at about 3:00 at the same place—the fair grounds. As this will be the week end of the Fourth a good crowd is expected.

Last Sunday the Eldorado Roping Club staged a roping here, featuring jack pot calf roping and bell roping. The latter is something new in roping: It is a free-for-all in which a large number of ropers, each with a calf, tries to rope his animal and then get the bell calf, (an extra calf with a bell). Those who have seen a roping event of this type state that it has more-than-average interest for the spectators. There will be both calf roping and bell calf roping again next Sunday, according to announcement made today by the club officials.

Here is last Sunday's program, with winners:

Jackpot: Gene Edwards of Walls, 16.5; Orch Ory 29.

15 Ropers: Bill McCravery 15.1; John Powell 16.3; Gene Edwards 17.3.

Non-winners Jackpot: Ollie Phillips, Curtis Short, L. P. Bloodworth of Sonora.

Jackpot: Jack McClatchy 12.3; John Powell 13; Tuck Clark 13.6.

Bell Calf: Jack Jones.

Bell Calf: Lewis Dorn, Bill McCravery.

Jack Pot Free-for-all (extra good time for leading seven) Bill McCravery 12; Bill Dorn 12.5; Curtis Short 12.6; Jack McClatchy 12.8; Tuck Clark 13.1; Gene Edwards 14.7; Jack Dorn 15.7.

School Boy match: Jack Dorn, Sonora 16.7; James Alexander.

FIREMEN INSTALL NEW OFFICERS TUESDAY NIGHT

With Gus Love as installation officer, fifteen new officers were installed in the Fire Department Tuesday on the West Texas Utilities lawn, as follows:

Palmer West, chief; Marvin McCravery, 1st asst. chief; Bob McWhorter, 2nd asst.; Joe Ed Hill, president; Elton McGinnis, vice president; A. G. Clark, sheriff; A. G. McCormick, deputy sheriff; Eddie Brown, sec-treas.; Elmer Peters, reporter; Jim Hays, chaplain; Mrs. Gus Love, fire mother; Ollie Lee Jeffrey, sponsor; Joyce Burk, sweetheart; Dale West, junior sponsor; Mittle McAngus, mascot.

Following the installation "42" was played with Mrs. G. L. Johnson winning the low for women, Mrs. Palmer West the high; A. G. McCormick the high for men, and Ray Hudgens, low.

Ice cream and cake was served by the ladies auxiliary to about 32 members, wives and guests.

MASONS INSTALL NEW OFFICERS ON SATURDAY

T. P. Robinson was installing officer when the Masons installed new officers Saturday night at the Masonic Hall. He was assisted by Edgar Spencer.

Installed as new Masonic officers for the 1950-51 year were:

Palmer West, worshipful master. Morris Whitten, senior warden. W. G. Godwin, junior warden. Richard Jones, secretary. S. D. Harper, treasurer. Jim Hays, chaplain. Gus Love, senior deacon. Orval Edmiston, junior deacon. Jim Hoover, senior steward. Jack Wade, junior steward. Liburn Hazelwood, tiler. A good crowd attended the impressive installation service.

Baptists In Camp At Lake Brownwood

Boys and girls of the First Baptist Church of Eldorado have spent part of this week at District 16 Youth Camp, at Lake Brownwood. Fifteen boys, ages 9 through 16, attended their camp from Monday to Wednesday, chaperoned by the Rev. Jim Hays and Royce Region, and ten girls, chaperoned by Mrs. Ed Finnigan, Mrs. E. W. Perry, and Mrs. Jim Hays, left Wednesday and will return Friday.

Mrs. Hays is musical director of the girls' camp.

LODGE ROOMS RENOVATED

Masons have employed a carpenter to carry out renovations on the interior of the lodge meeting rooms. The renovations include papering and painting of the kitchen, entrance rooms, and hallway, and painting of the steps. The lodge rooms are on the top floor of the old Hoover building, the Eldorado Success occupying the lower floor.

BAND DIRECTOR JONES TO TEACH AT LAKEVIEW

C. F. Jones, band director of the Eldorado Schools for the past four years, son of Mr. and Mrs. Ray Jones of this city, has resigned his position here to accept a place on the Lakeview faculty as band director. Announcement of the resignation came only a few days ago.

C. F.'s duties will include band classes for Junior and Senior High at Lakeview, San Angelo. He will begin his duties there on August 1, when he will start summer enrollment.

He and his wife and the couple's three children are in Alpine this summer, where he has been completing work on a minor in instrumental music and music education. About the middle of July they will return to Eldorado where they own a residence, and will spend the remainder of the month here before moving to San Angelo.

A graduate of Eldorado high school, Jones attended Howard Payne, Sul Ross, Washburn University of Topeka, and Kansas University. He has a science degree from Washburn, graduating in 1945. He did outstanding work in high school and in college with his music, and this year, he has been playing the French horn with the San Angelo Symphony Orchestra.

He has done excellent work during his four years as band director in the local schools, and students and school patrons will lose him from the faculty with a great deal of regret.

CO-OP ASKS BIDS FOR BUILDING OF NEW LINES

The Southwest Texas Electric Co-Op will open bids at the Eldorado office at 10:00 a. m., July 18 on construction and right-of-way clearing on 189 miles of line.

These proposed new lines are located in Menard, Sutton, and Crockett counties, which are served by the Southwest Texas Electric Co-Op.

Manager Don McCormick reports that according to engineers, six contractors have asked for plans and specifications. The Co-Op is expecting a good number of bids, as the lines will be located in good country for construction.

ELDORADO GRADUATE AT HARDIN SIMMONS

Ablene, June 28.—Robey Odell Green, a freshman from Eldorado, is among the 1200 attending the summer school at Hardin Simmons University. He is enrolled in the first six weeks of school which will be concluded July 8. The second six weeks will start July 11. There will be a final three week term beginning August 19. Approximately half of the students are graduates. Many of them are attending as a result of the Gilmer-Aiken bill.

COOKING SCHOOL TO BE STAGED HERE JULY 13-14

The first All-Electric Cooking School since pre-war days, and one of the largest ever to be held here, was announced this week by J. M. Pennington, West Texas Utilities Company local manager. The big all-electric cooking school featuring Frigidaire home appliances will be held Thursday and Friday, July 13 and 14 at the Memorial building. The ladies from Eldorado and the surrounding communities are invited to attend.

Abigail Andrews, a Senior Home Economist for Frigidaire Sales Corporation and who is widely known in the Southwest as a "practical" home economist, will conduct the cooking demonstrations and the "foods preservation" clinic. Complete meals will be cooked—new recipes presented—home freezing methods will be discussed, and proper methods of refrigerating foods will be demonstrated.

Mrs. Andrews will bring the newest housekeeping short cuts and ways to save time, money, and energy. From a vast storehouse of fifteen years experience she will suggest ways for the housewives of the area to stretch their kitchen budgets and at the same time prepare the tasteful and nutritious meals.

Mr. Pennington pointed out that all the foods prepared at the school would be given away and in addition, there would be gifts and favors for all who attend.

CONCHO VALLEY YOUTH MEETING HERE SATURDAY

About 75 young people, members of the Concho Valley Youth Association, attended a meeting in Eldorado Saturday night, with the First Baptist Church of this city, serving as host church.

Recreation was led by Miss Lilly Ragsdale, of Harris Avenue Church and she also directed the inspirational part of the evening's program. Glenn Biggs led the devotionals, and Harris Avenue Church of San Angelo furnished the special music. Punch and cookies were served. The meeting opened at 8:00 p. m., and the recreation started at 8:30, and the devotionals were held in the church later in the evening.

Churches represented were Sonora, Christoval, Eldorado, Harriet, and Immanuel, Harris Avenue and Park Heights of San Angelo.

Eldorado Twirlers In Closing Exercise At Summer School

About 70 student twirlers attended a twirling school held at Sul Ross in Alpine the past two weeks.

Four young people from Eldorado attended the advanced classes which consisted mostly of trick twirling.

Out of the 70 attending, twelve were chosen to do exhibition twirling, and of these twelve, three were of the Eldorado group.

The students who participated in the closing night exhibition were: Laura Clarke, daughter of Mr. and Mrs. Frank Clarke, Esther Jones, daughter of Mr. and Mrs. J. R. Jones, and Charles McLaughlin, son of Mr. and Mrs. C. C. McLaughlin. Charles did a solo exhibition, and the others twirled in a group.

Ebba Jean Blaylock, daughter of Mr. and Mrs. W. A. Blaylock, also attended the school.

Patricia Humphrey of Eldorado and freshman at Sul Ross this past year, was an instructor in the school.

The group returned home Friday.

Robt. McWhorter returned Tuesday from Dallas where he spent the past week with his mother, Mrs. W. L. McWhorter, who has been hospitalized after her recent car wreck. Her facial cuts have healed and the broken ribs have not caused her any trouble, but last Thursday she had an operation to have part of a knee cap removed. Doctors placed the injured leg in a cast and she has been moved again to the home of her son John, where she will remain until she is able to return to Eldorado.

A visitor in the home of Mr. and Mrs. W. M. Patterson last week end was their daughter Marselaine, who is working at the University this summer. She is employed in the library, and also models for one of the art classes at the college.

J. H. Mace, Foxworth Galbraith manager, and member of the Eldorado Lions Club since 1940, was installed as new Lion President, succeeding Cameron Manager W. M. Patterson, at installation services in the Memorial building Monday night. "And now you have just another knot-hole," remarked Mace, commenting on the vocations of the two presidents. At the banquet preceding the installation services, plates were served to about 80, including Lions, their ladies, and visitors from other places.

The program opened with singing of America and pledge to the flag, and invocation delivered by E. W. Brooks. Mrs. Jim Hays led a sing-song, with Mrs. J. M. Christian as pianist, at two points in the evening's program.

Outgoing secretary Joe Wagley introduced new Lions and the visitors: L. V. Newport and Ralph Waldron and their ladies, and Morris Jones, new members; and Mr. and Mrs. S. M. Kerbow, Mr. and Mrs. Lee Patrick, and Mr. and Mrs. Joe Berger of Sonora, and E. L. Jones of San Angelo, guests.

Mrs. Jim Hays, with Mrs. Christian as pianist, sang "When Irish Eyes are Smiling" and "I Would Love to Tell You What I Think of Jesus" in addition to leading the sing-song.

Outgoing President W. M. Patterson expressed thanks to the Lions for their cooperation during the past year, and especially expressed his appreciation to the committees who carried out the program of the year. He also mentioned the fact that the glads and pot plants with which the tables were decorated were the gift of the O. L. Woodwards, proprietors of the Eldorado Flower Shop. In his brief talk he pointed out the fact that the club operated as a democracy, with members voting on officers and service program.

Patterson introduced C. C. McLaughlin who presented the installing officer, Buzzie Stokes of Sonora.

Speaker Stokes expressed his pleasure at receiving the invitation to speak here, and stressed the importance of the service club in furthering the well-being and happiness of the residents of the community. He pointed out the importance of good leadership, and mentioned the fact that each active member will take his share of responsibility.

Incoming officers, J. H. Mace as president, Carrol Ratliff, Palmer West, and J. M. Christian as 1st, 2nd and 3rd vice presidents, Ray Hudgens as Lion Tamer and Robert McWhorter as tail twister, were presented to the group, and the visitors gave instructions concerning the importance of their offices, and the nature of their new responsibilities.

In speaking for the new group, Incoming President Mace reviewed the accomplishments of the ten Lion Presidents who had headed the organization since he came to Eldorado in 1940, and presented pins to Hudgens, Wagley and Patterson.

Lion Kerbow of Sonora expressed the appreciation of the visitors for the evening's entertainment, and invited the group to attend a similar meeting in Sonora Tuesday evening.

Firemen Called Out To Put Out Blaze At Joe Tisdale Place

Firemen were called out at 12:30 Monday noon, to put out a grass fire on the old Joe Tisdale place, 8 miles from Eldorado.

Robert Baker, who leases the place, had been burning a dead lamb, when the fire got out of control and caught in the dead mesquite, of which there is a fair amount in the pasture. Firemen answered the call at once, but 25 acres had burned before the blaze could be brought under control.

Eldorado firemen, who have had a good deal of experience putting out grass fires or other blazes in Schleicher County, issue this word of advice to farmers and ranchers: If the owner can meet the firemen and direct them through gates in the quickest way to the blaze, much valuable time could be saved. As it is, they state, the fire boys sometimes do not know where the gates are, and either lose time finding them, or cause inconvenience to owners by having to tear down the fences to gain access to the burning area.

Firemen use the county truck to answer the fire calls outside the city limits.

Carr Hall For Women—Dining Hall—Mayer Hall For Men

These San Angelo College dormitories and dining commons are now under construction and will be ready September 10 for the fall semester. Carr Hall will accommo-

date 80 women students and Mayer Hall will have rooms for 84 men students, besides suites for supervisory staff members. The dining

commons will seat 304 at one time. This group of most attractive buildings is situated southeast of the Home Economic Cottage on the

east side of the 60-acre campus. Reservation blanks for both dormitories may be secured by writing to the business office at San Angelo College.

'35, '36, '37 Classes Hold Reunion Here

The graduating classes of Eldorado High School of 1935, '36 and '37 held a gala reunion Saturday, June 24th in the Memorial Hall.
 There were some 80 present including 24 children. Those registering for the class of 1935 were Mrs. Lois Whitley Moore of San Antonio, Mrs. Inez Cobb McLeod of Crane, Mrs. Margaret Hill Whitten of Eldorado, Billie Kerr of San Angelo, Mrs. Celeste Tisdale of Sonora, Mary Lee Davis of Fort Worth, Richard Jones of Eldorado, W. C. Parks, Jr., of Eldorado, Mrs. Rosa Sauer Faught of Eldorado, and Mrs. Zona Clare Koy Hallcomb of Ozona.
 Class of 1936: Mrs. Delores Fish Adams of Sonora, L. D. Mund of Eldorado, Mrs. Billie Boyer Belcher of Eldorado, Mrs. Marjorie Parks Alexander, R. J. Alexander, Johnny Luedecke, Jack Shugart, Marshall Davis, all of Eldorado, Mrs. Margaret Powers Sewell of Pacific Palisades, Calif., Harold Susen of San Angelo, Mrs. Ruth Currie Browning of Corpus Christi, W. W. Sudduth and Bill McWhorter of Eldorado.
 Class of 1937: Carmon Warren of Roosevelt, Frank Bradley Jr., Mrs. Johnnie Ferne Isaacs Luedecke, Mrs. Maxine Wilton Page, Mrs. June Hooker Jones, Jack Hext, all of Eldorado, Marguerite Davis of Ft. Worth, and Johnny Clement of Dallas.

Other guests consisting of husbands and wives of class members included Mrs. L. D. Mund, Mrs. Billy Kerr, Mrs. Jack Shugart, Bob Sewell, Mrs. Marshall Davis, Mrs. Harold Susen, Mrs. Johnny Clement, A. E. Prugel, Paul McLeod, Morris Whitten, Howard Belcher, Joe Hearne Moore, Zeke Browning, and Mrs. Jack Hext.
 A barbecue supper was served to the group and Mrs. Maxine Page entertained with tunes from the days of '35-37.
 A business meeting was held with Johnny Luedecke acting chairman. It was voted to have an annual homecoming on the 4th Saturday in June each year. Johnny Luedecke was elected general chairman, Mrs. Johnny Ferne Luedecke elected general secretary, and class chairmen for each of the classes were: '35, Zona Clare Hallcomb; '36, L. D. Mund; '37, Maxine Page.
 Letters were read from several classmates who were unable to attend. Letters were also read from J. Carlton Smith, Tom D. Riddle, Mary Beth Kerr, and Ruth Howell Mebane, former teachers of the classes.
 Everyone had a very wonderful time 'remembering' and are looking forward to a bigger and better homecoming in 1951.

Five Robberies
Five Menard business establishments were broken into and burglarized early Tuesday morning with the take reported by the merchants totaling \$279.50 in cash.

First report of the burglaries came at 6 o'clock Tuesday morning when Bill Sproul, owner of Sproul's Food Store, summoned County Sheriff Gay Miller. His investigations of the area in back of the store led to the discovery that other establishments had also been broken into. Included in the wholesale burglary job along with the Sproul store were Williams Federated Store, Western Auto Associate Store, Busy Bee Grocery Store, and the Tanchman's Cafe. — Menard News.

Bronte Without Water
Water was flowing through the mains of Bronte again Tuesday night after being off since early Sunday. The trouble, according to Mayor H. O. Whitt, was caused by the bursting of both main lines leading to the city standpipe.

"It seems like everything happened at once," the mayor said. Both the line coming from the city lakes and the line from the wells near the river broke at the places where they cross the creeks which run through town. The creeks both had water in them, making it exceptionally difficult to determine just where the breaks were.—Bronte Enterprise.

Bigger Switchboard
One of the long-sought improvements to the local telephone service is being installed this week, under the direction of Bill Shrum, local office manager.

This is the installation of a larger switchboard, which will accommodate an additional 100 subscribers. It is an entirely-rebuilt, good-as-new magneto type board, which is the same type as that now in use here, but it is not only larger but in good mechanical shape, so that service can be correspondingly improved. The new board will handle 400 drops, whereas the one being replaced had a maximum of only 300.—Eden Echo.

Happy Juneteenth!
Any old holiday will do for a celebration!

Juneteenth, traditionally a time for celebration by the colored population as the occasion when Old Marse Lincoln issued his emancipation proclamation freeing the negro slaves, was an occasion for celebration in Ozona, evidently, but not by the colored population.

Monday morning, June 19, there was an unusual parade of defendants hauled into Justice court—a total of nine. There were big doings in town for the negro population of the area, what with a two-day all-colored rodeo and dance. But were the nine defendants all negroes? Just one. And his arrest was not in connection with any Juneteenth celebration rowdiness—he "borrowed" a car for a joy ride.—Ozona Stockman.

Sul Ross Enrollment Up
Registration for summer school at Sul Ross College, which started the first of last week, showed a decided increase over last year despite a housing shortage, it was stated Tuesday.

Eight hundred seventy-two had registered at that time, it was announced, with 378 of these of graduate rank.

This is almost double the graduate enrollment of last summer for the first term and the total enrollment to date this year is 107 over last summer's figure.—Alpine Avalanche.

Many Hospital Visitors
Nearly 300 persons attended the open house Visitors Day last Sunday at the new Coke County Hospital. Visitors were shown through the institution by staff members and everyone was pleased with the fine new building and its up-to-date equipment. A list of out of town visitors will be published next week.—Robert Lee Observer.

Hospital Report

Reports from the Reagan County Memorial Hospital during its first month of operation, recently ending, show that there were 56 hospitalized patients and 45 out patients.

The hospital staff wishes to express its thanks to those who donated blood last week for a critically ill patient. The staff also wishes to urge all the citizens of the community to have their blood typed, an action which might not only prove of great help to themselves but to others when blood donors are needed in an emergency. —Big Lake Wildcat.

Local Men at Meeting

Sheep breeders from six counties attending a luncheon meeting in Hotel Las Lomas Monday formulated plans for the third annual All-Breed Sheep Sale to be held at the Hill Country Fair Grounds on August 26.

Attending the meeting were C. O. Bruton, Truett Stanford, A. W. Keyes and O. Sudduth of Eldorado, J. B. 'Buster' Miller of Ozona, Victor Marshall of Harper, J. S. Glascock and Ted Joy of Sonora, R. Q. Landers of Menard, and Roy Spiller, O. C. Wright, Harold Dutton, J. W. Jennings, Lem Jones and Vernon Jones.—Junction Eagle

Guardhouse Recognized?

Efforts are being made by the Fort Stockton Chamber of Commerce to have the Texas Highway Department recognize the Guardhouse of old Fort Stockton, across from Comanche Springs, as an official historical shrine of the state.

If accepted as such by the Highway Commission, a permanent caretaker, would be installed on the grounds and the property would be maintained by the department. Furthermore, location of the historical shrine would appear on Texas maps, and there would be historical data in pamphlets released by the Highway Commission. —Ft. Stockton Pioneer.

Rescued From Drowning

Bennie Bessent's Boy Scout training probably saved the life of a young man here last week. Three youths employed by a carnival company were swimming at Big Rock, when one of them got into deep water and went under for the third time. He was finally rescued

by his companions and artificial respiration was applied by the Bessent boy. The youth was finally revived.—Robert Lee Observer.

Ozona Gains

Although falling far short of local estimates based on utilities connections, Ozona's population count shows a healthy community

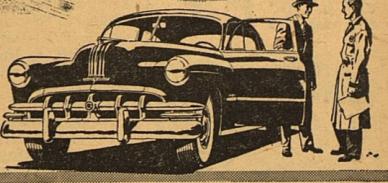

increase in the past ten years nevertheless, according to the preliminary report of the United States Bureau of the 1950 Census.

The preliminary population figure as announced by George T. Kesler, Odessa, census supervisor for this area, shows the Ozona 1950 population 2,877, a gain of 631 over the 1940 count or a per-

centage gain of 28 per cent. The 1940 census gave Ozona a population of 2,246.

The total population figure for Crockett county was announced as 3,963, a gain of 1,086 from the 1940 count, which stood at 2,809. The county population chalked up a 38 per cent gain in the ten-year period.—Ozona Stockman.

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is ...

YES!

Union leaders' answer to Board is ..

NO!

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR OR \$2.48 A DAY—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

- Chicago Great Western Railway Company
- Chicago, Rock Island & Pacific Railroad Company
- The Denver & Rio Grande Western Railroad Company
- Great Northern Railway Company
- The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "No!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

HOOVER DRUG

From where I sit... by Joe Marsh

Maybe This'll Wake Us Up!

Because a couple of thoughtless drivers threw a newspaper out of their car yesterday, Miss Gilbert, our school principal, nearly had a bad accident.

She was following them on the highway and the paper flattened over her windshield, so she couldn't see. In a minute her little coupe was across the line—right in the path of an oncoming trailer-truck. It missed... but only just!

The parties were recognized and soon as I heard about it I ran over to Sheriff Harper—demanded they be brought up on charges. But

Harper says: "Hold on, Joe. Let's talk this out, over supper and a glass of beer at Andy's."

He pointed out that those men aren't criminals. Just careless, like a lot of us seem to be getting these days, judging from the trash you see along roadsides. From where I sit, this near accident may be the lesson we need to make us stop littering our roads—and start showing a little tolerant consideration for our neighbors!

Over 90 Million Dollars cash surplus was in the General Fund of Texas when W. O. REED concluded his term as Speaker of the House of Representatives in 1948. TODAY THERE IS NO SURPLUS.

Elect **W.O. REED**
YOUR LIEUT. GOVERNOR

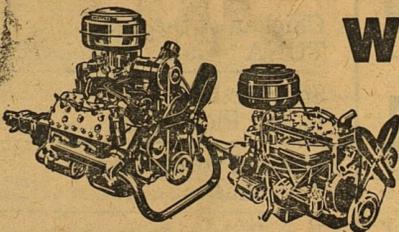

W. O. REED has really done something about efficiency and economy in our state government besides talk about it.

W. O. REED wrote the pay-as-you-go law which put Texas on a cash basis in 1942, and prevents the Legislature spending money it does not have.

W. O. REED believes our state government, like a family, should live within its income.

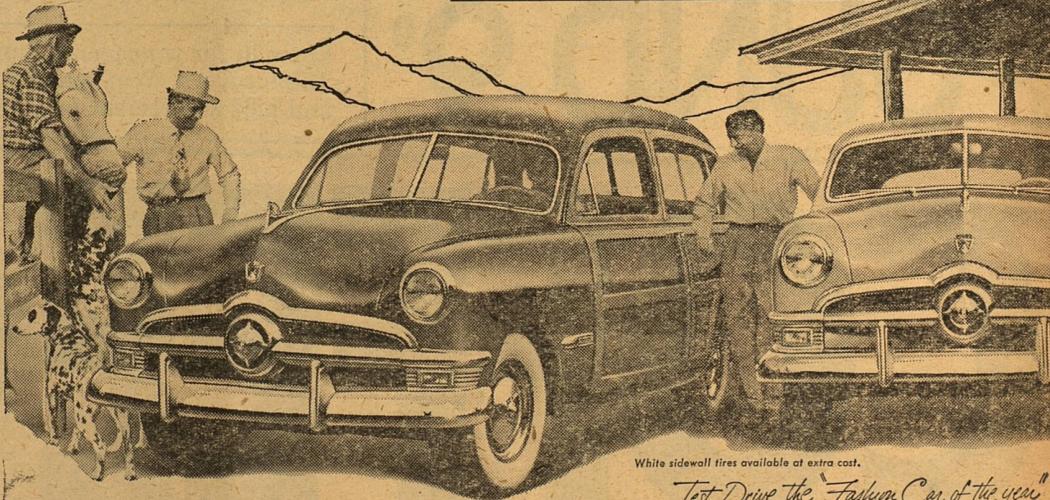

WE NEED REED!
